WOODWORK

by Dalton

THIS is one of those weeks when no really fantastic idea for writing columns jumped out at me, so I did a little inquiring around, to see if any of the people I came into contact with through the day could suggest something.

Here are some of the answers:

"Write about not having anything to write about." I explained that I did that once already.

"Tell them about all those banquets you've been attending." I decided that to do this might offend someone, and then I wouldn't get invited to any more banquets. And I do like to eat.

"I'm sure you'll come up with something — or nothing. You usually do." I hit this guy with my copy of the annual report from the Texas Water Quality Board.

"A horse." This was the answer given me by a charming little girl, age 3.8 years, who was in the office. I explained to her I don't know much about horses, and asked her what they do. She didn't know, either. But she showed me a drawing she had made, which did not include a cat, because the cat had eaten a bone and left. To me this sounded like a more interesting subject than a horse, anyway.

IN BETWEEN the first half of this creation and what you're reading now, I was called in to do some emergency fixing on our super-duper electronic marvel which sets type. This is like calling in Michaelangelo to overhaul your car. When I took journalism in college, they never told me that I'd have to overhaul equipment. They didn't mention having to operate bulky mailing machines or installing fluorescent light bulbs in 20-foot ceilings, or oiling the air conditioning.

Incidentally after I stopped so low as to work on the machine (the fuse I installed was down next to the floor), it still didn't work properly anyway.

Maybe someday I'll get across to all the workers around here that the reason I am in management is that I can't do any of that other stuff.

JACKIE WITHROW RECEIVES HONOR

Jackie Withrow, a sophomore student at South Plains College, Levelland, was among those recognized students excelling through scholastic achievements in the academic, technical, vocational and occupational programs.

Faculty from each program selected one outstanding student from each area of study for the honor.

Jackie was recognized from the Drama Department.

Mr. and Mrs. Bill Kent of Clovis, N. M. are parents of an infant son, Kelton Kade Kent, born at a Hereford Hospital April 24. He was 21 1/2" long and weighed 7 lbs. 8 1/2 ozs.

Grandparents are Mrs. Polly Kent of Sudan, and Mr. and Mrs. W. Fulgham of Friona.

The couple have another son, Wade, 10.

BARBARA BOND AND JOANN GASTON were recognized at the Lamb County American Heart annual dinner Tuesday night for special work in heart education through the Sudan Young Homemakers.

MAY MENTAL HEALTH MONTH

"This bell shall ring out hope for the mentally ill and victory over mental illness."

These words are inscribed on the Mental Health Bell, the symbol of the Mental Health Association.

During May, a neighbor will be ringing your doorbell, to ask you to support mental health.

Mrs. Eddie Wilson of Sudan will lead the campaign in her town.

The bell symbol represents an actual bell, which was cast in 1953 from chains and handcuffs and other metal restraints formerly used to bind mental patients.

Within the symbol, there is also a group of people standing with hands joined, forming an unbroken circle around the bell.

The circle of people suggests the power of different individuals to change conditions. The people of Sudan will do just that when they unite in support on behalf of the mentally ill during May, Mental Health Month.

Senior Citizen Meeting Stated

Sudan Senior Citizens will meet May 9 at the Community Center Friday at 2:30 p. m.

Wedding Shower Honors Couple

A miscellaneous wedding shower was held for Mr. and Mrs. Don Harper and Donnie Saturday night at 8 p. m. at the Sudan Community Center when some 95 guests registered.

Refreshments of ice cream and cake were served.

The hosts and hostesses' gifts to the family included a multi-colored floral arrangement, a set of Magnalite cookware, bride's book, corsage, to Mrs. Harper, of blue flowers and kitchen gadgets. Don assisted his wife, Barbara, in opening gifts which were then displayed.

The hosts and hostesses included Messrs. and Meses. Audrey West, W. H. McNeill, Herschel White, Leonard Pierce, Raymond Maxwell, Frank Lane, Pete Lance, Floyd Seymour, Glenn Cardwell, G. C. Ritchie, Fred Maxwell, Richard West, E. A. Beauchamp, Russell Ingle, Gaylon Burns, Wayne Doty, Calvin Vernon, Jimmy Newman, Byron Ford, Wayne Swart, Waymon Bellar, Billy Chester, M. V. Summers, Kenneth Noles, Noble Dudgeon, Bill Poe.

Out-of-town relatives and guests were Mrs. Harper's parents, brothers and sister, Mr. and Mrs. James Johnson, Jackie, Wanneil, and Jeffrey Lyn Hewitt of Aston, Mr. and Mrs. Larry Robinson, Gerald Wayne and Floyd of Levelland; Mr. and Mrs. Lee Holtkamp of Littlefield; Mr. and Mrs. Dale Maxwell of Plainview; and Mr. and Mrs. Felton Harper of Muleshoe.

ROBINSON BREAKS RECORD

For the third time, in as many weeks, Luther Robinson has broken the school record for Sudan in the 880 Yard Dash. (Bo Lance held the previous school record of 2:10.9.) At the district meet Luther ran in 2:11.0,

the first time he ran this race this season; at regional he finished the prelims in 2:05.7, and 2:03.0 in the finals. At the State Qualifiers Meet at Texas Tech Saturday (running against all Classes including AAAA,

AAA, AA, A, B, we were the only one from Class B entered in the 880), Luther broke the Sudan record for the third time with a 1:59.8, placing seventh in that event.

Luther stated that he made one large mistake that probably cost him the race, and that was not going out hard on the first 180 yards to gain the pole position. Falling to do this, Luther was caught back in a pack of 14 other tracksters. After the first 180 yards, Luther was in 12th position. This made the next four parts of the race very difficult.

In order for Luther to place in the top three at the State Meet in Austin Saturday, he will have to run between 1:53.0 and 1:56.0. Luther has set his goal at 1:53.0. That is a 54 second first quarter, and a 59 second quarter in the event.

Luther and Coach O'Rear will leave here Friday morning for University of Texas at Austin for the meet. The 880 Yard Dash event will begin around 2:00 p. m.

Brian May Named District 4-H Officer

girls competed in the one-day event which included 27 contests. Winners received their awards in ceremonies at Texas Tech University Center.

To qualify for the state contest, a team or individual must have a first or second place win in the senior division which is for 14-year-olds.

The Junior Landscape Horticulture team won first for Lamb County. The team was composed of Cindy McDaniell and Monica Enloe of Amherst.

New District 2 4-H Council officers were installed with outgoing chairman, Randy Tuggle of Brownfield, installing the new officers. The 1975-76 Council officers are: Marcus Crow of Seminole, chairman; Joy Groce of Petersburg, first vice chairman; **Brian May of Sudan**, second vice chairman; Wyn Cronie of Morton, secretary; Vance Garner of Levelland, in formation chairman; and Ella Brown of Roosevelt, state council delegate.

One hundred South Plains 4-H'ers from 11 of the 20 counties in Extension District 2 qualified May 3 to compete in the State 4-H Roundup at College Station next month by taking top honors in district competition.

The Bible Says

By Art Lynch
 Last week this article listed eight characteristics of the miracles which were performed by Jesus and His disciples. There are several other attributes of these miracles we need to notice. First of all, when Jesus or the apostles worked a miracle they didn't go to the Bible to prove they could work signs, they simply performed the sign. For example, let us take the lame man of Acts 3:2-10. He was begging at the entrance of the temple. When Peter and John saw him, they didn't say, "Did you know we could work a miracle and heal you?" They didn't say, "It says in the Bible that if we have enough faith we can heal you!" Instead they said, "In the name of Jesus Christ of Nazareth, WALK!" The Bible says, "... immediately his feet and his ankle bones received strength. And leaping up, he stood, and began to walk..." Notice also that there didn't seem to be any particular type of person or sickness required to be subject to the healing of the apostles. In Acts 5:16, the Bible says, "And there also came together the multitude from the cities round about Jerusalem, bringing sick folk and them that were vexed with unclean spirits: and they were healed EVERY ONE!"

The same was true of Jesus. In Matthew 9:35, the Bible says, "And Jesus went about all cities and the villages, teaching in their synagogues, and preaching the gospel of the kingdom, and healing ALL manner of disease and ALL manner of sickness." There were no exceptions! **HE HEALED THEM ALL! THE APOSTLES HEALED THEM ALL!** Whether it was something that was not visible to the human eye, such as the issue of blood in Matthew 9:20, or the paralytic healed in Matthew 9:11 which was visible for all to see. What other characteristics of Biblical miracles can you think of? There are many others not mentioned here that show that it is truly a miracle worked by God. Signs and wonders had a place in the New Testament. What were they for? Next week let us look at several scriptures that explain the necessity of tongues, signs and wonders.
