WOODWORK

by Dalton

A WEEK OR two ago, someone brought me a copy of a suggested letter to write to the Federal Communications Commission opposing a move by Madeline Murray O'Hair to eliminate Christian programs on radio and television. Mrs. O'Hair presented Petition RM2493 to the FCC with 27,000 signed letters seeking to get the Christian programs removed.

Someone else gave me the same suggested letter about three months ago. I didn't run it at that time because I couldn't find out when the FCC was supposed to make a decision, and I suspected at the time that it already had been made some time before that, and that Mrs. O'Hair's petition already had been rejected. But I never could find out.

Anyway, if you want to write to the FCC opposing Mrs. O'Hair, write to them at Washington, D.C. 20000, and they'll get it. Refer to the petition number.

SOMEONE called us the other day in regard to some "dispossessed prairie dogs" on the north side of FM 211 east of Wilson. The acreage where they had been living had been plowed, and these little animals were out of a place to stay, hanging around in the area. But I don't know anyone who knows how to catch them, or where to take them. Maybe some of you do.

Fire Dept. Report

Sudan firemen answered a call Nov. 8 at 2:30 P.M. at the Marvin May farm which is farmed by Norman Humphrey. Feed stubble was burning, the wind changed causing weeds, fence and a barn to be damaged heavily by the fire. Three units from the Fire Department went to the scene.

On Thursday night, Nov. 6, firemen were called to the Robin Davis farm around 8:30 P.M. where feed stubble was burning. Two units, the fire truck and water truck responded. Water was placed on weeds near the railroad right-of-way to prevent the fire from spreading. No damage was reported.

4-H Show

The 4-H County Food Show will be held Saturday, Nov. 13 at 1:30 P.M. in the Springlake-Earth school cafeteria. The theme for the year is "Heritage Foods". Judging will be in four divisions: snacks and beverages, side dishes, main dishes and breads, and desserts.

Some 4-H'ers have entered from Sudan. Everyone is invited to attend.

AREA GETS FREEZE

It was reported that the area received a killing freeze early Monday morning. At 3:30 A.M., the temperature had dropped to 28° where it stayed for 45 minutes; and then stayed from 30° to 32° for the next four hours. 25° reported Tuesday morning.

HORNETS STING MATADORS, 19-0

The Sudan Hornets have a perfect district record in the

north zone for Class 2-3 for the 1975 football season with

the win Friday night over Motley County Matadors of

19-0. The Hornets were 10-3 for the season though with

early losses to Sundown, Plains and Springlake-Earth.

Following the kickoff, Motley County could not move the football and was forced to punt from their 27. Martin gathered in the punt at the Hornet 30 yard line, cut to his left and found a wall of blockers. He then returned to the Matadors 30 yard line. On the first play, Martin went the 30 yards for the TD behind good blocking by the Hornet offensive line and backs. Martin missed the extra point, but with 4:08 left in the first quarter, the Hornets led 13-0.

CROWD ATTENDS HOMECOMING FESTIVITIES

The largest crowd ever attended the annual Homecoming Banquet held Saturday night at the Sudan school cafeteria. Over 200 people attended.

During the registration period, the FTA members of SHS served appetizers with Susan Jones Baker and Diane Curry Humphrey registering those attending. Exes visited and viewed paintings and crafts by local artists during this period.

Prior to the meal, the president of the Ex-Student Association, Calvin Baker, called on Jerry Ray to give the invocation. Then Richard Black, vice president, announced the program which was the Sudan Community Choir directed by Raymond Harper. The choir sang a medley of patriotic songs in conjunction with the patriotic theme of the banquet. The welcome was given by Kenneth Noles, superintendent of the Sudan school system. JoAnn Chester, secretary, read the minutes from last year's banquet.

A meal of turkey and dressing and the trimmings, prepared by members of the Band Parents Organization and the assistance of lunch room employees, was served. Tables were decorated with red, white and blue streamers, hats, napkins and miniature

flags in marshmallows. Guy Nickels of Central Campus furnished a bouquet of fresh red and white carnations and gladioli. Flags were also strung overhead. Peggy Baker, Peggy Ray, Melba Bowling and Pill Bellar did the decorating.

Mrs. Katherine Barbee of Jackson, Miss. and from one of the honored classes, the class of 1934, was recognized for having traveled the most miles to attend the homecoming event. She was presented a gift. (There were 18 members from the class of 1934 present.)

Other classes honored were 1944, 1954, 1964, and 1974. Five attended from the class of '44; four from '54; seven from '64; and none from '74. Ex-teachers, present teachers, and ex-bus drivers were also recognized.

New officers were then elected. They are: Richard Black, president; Dan Woods, vice president; and Blanche Lenderson, secretary-treasurer.

Dexter Baker gave the benediction.

The class of 1934 of SHS held a reunion luncheon Saturday at the Tasty Taco in Littlefield when 12 of the 26 class members were present.

Radney Nichols served as M.C., and Hubert Dykes gave the invocation. Margaret Dean Smith and Louise West Parrish gave anecdotes on class members. Each member present then gave a summary of their accomplishments, families, etc.

The Thanksgiving holidays for students at Sudan schools will be Nov. 27 and 28. The Christmas holidays are from Dec. 24-Jan. 2.

CUB SCOUTS RECEIVE BOBCAT AWARDS NOV. 4

Pack # 635 Cub Scouts had their monthly meeting Nov. 4 in the scout room of the Community Center.

Five Cubs from Den 1 had earned their Bobcat badges. The Cubmaster, Gene Bartley, presented the badges to the Cub's parents who in turn pinned the badge on their son's shirt, congratulating them. Receiving the badges were Blake Lacerwell, Jeff Kinzie, Mike May, Lee Bartley and Gordon Martin.

Both Dens 1 and 2 entertained their parents with a Cub Scout Band having made their own instruments and practicing together during October weekly den meetings. Two older Cubs, Joe Martin and Lynn Bartley, played two songs which they had learned on their school instruments. The Pack sang two songs led by Lee Bartley.

The "Cubbie" was awarded to Den 2 for the best percentage of parents present.

Den 2 had opening ceremonies of the Pack meeting with the Flag Ceremony. All Cubs closed the meeting with the Grand Howl.

Den 1 Cubs present were Lee Bartley, Mike May, Jeff Kinzie, Blake Lacerwell, Gordon Martin, C. E. Roberts and Clyde Conley. Present from Den 2 were Jamie Ingle, Dale Johnson and Joe Martin.

The November Pack Meeting is being planned for Nov. 25 at 7 P.M.

The second quarter saw both teams threaten once. The Matadors drove to the Hornets 14 yard line, having a first down at that point the Matadors attempted a pass. Craig Pickett intercepted and returned it out to the 30. From that point, the Hornets drove to the Motley County 11 yard line but another penalty proved too much to overcome.

In the third quarter, Sudan kicked off to start the second half. The Matadors were unable to move and punted the ball dead at the Hornet six yard line. On first down the Hornets were called for being in motion. So, starting from their own three yard line, the Hornets used good blocking from the line and backs and moved the 97 yard for the TD in 24 plays. Martin again made the TD. The running play for two points was no good. With 0:24 left in the third quarter, the Hornets had a 19-0 lead.

The fourth quarter saw the Hornets threaten one more time but a fumble at the Motley County 17 killed the drive.

The Hornet defense played an inspired second half, holding Motley County to seven yards rushing and 27 yards passing for a total of 35 yards and two first downs.
