Taxpayers May Learn To Deal With Stress

Designate To Presidential Campaign

Taxpayers can designate a dollar of their taxes to the 1980 Presidential Election Campaign Fund by simply checking the "yes" box on their income tax Form 1040 or 1040A, the Internal Revenue Service said. Those not wishing to contribute to the Fund can check the "no" box on the same form.

As with designations to the 1976 Campaign Fund when taxpayers earmarked approximately \$95 million to eligible Presidential candidates, checking off to the Fund will not increase the amount of tax paid or decrease the amount of refund due.

The 1980 Presidential Election Campaign Fund is an outgrowth of 1971 legislation permitting taxpayers with a tax liability of \$1 or more to designate a dollar of their tax yearly when filing a return to such a fund.

On joint returns, both husband and wife may designate \$1 to the Fund when the taxpayers have an income tax liability of \$2 or more.

For additional information on the 1980 Campaign Fund and on tax deductions and credits for political contributions, taxpayers can fill out the handy coupon in their tax packages or contact their nearest IRS office for a free copy of Publication 585, "Voluntary Tax Methods to Help Finance Political Campaigns."

TREMENDOUS TRIFLES

THE PLAYING CARD THAT LED TO THE DISCOVERY OF PRINTING

Modern society's complex ways of work and play could hardly exist without the practice of printing in its various forms. Yet the beginning of this great industry may be found in a simple game of cards played by a man and his wife to pass an evening hour.

Johannes Gutenberg, a lapidary, or gem-polisher of the thirteenth century was carving on the trade in the city of Mainz, Germany. At that time few people could read. The art of printing was unknown and there were no books such as we see today. The few that were available were handwritten on vellum, usually by monks. The supply hardly met the demands of the monasteries and the few universities then in existence.

Gutenberg was a man of keen mind and much curiosity. While playing a card game of the day with his wife Anna one evening after work, he suddenly paused and gazed reflectively at the card he was holding. "What is wrong?" asked his wife. After a moment he explained that the idea had occurred to him that he himself could cut these designs on wood blocks and impress sets of cards in his own shop. After several experiments he printed playing cards better than any previously seen.

From the reproduction of playing cards and simple pictures, Gutenberg's enthusiasm soon led him to attempt to print an entire book from engraved blocks. He chose the "History of St. John the Evangelist." With the help of his wife and his apprentices the venture was successful, and after several months the world's first printed books were ready for distribution.

The famous Gutenberg bibles were printed between 1450 and 1455, from movable type. By the end of the century thousands of books had been printed in the various countries of Europe and a new age of learning had begun. Yet the impetus for this vast and important industry originated from a gem-polisher's curiosity over a playing card.

Learn to deal with stress—it's part of life that everyone encounters, says Mrs. Dorothy Powell, County Extension Agent. Essentially, stress is the way the body responds to demands placed upon it. It is not always associated with negative events. Even joy, reward, and victory can be stressful, she explains.

No two people react to stress in the same way. One individual may break down and succumb to trauma and stress, while the same experience may leave another unaffected.

Learning to cope with stress helps cut down on the pressure it places on the mind and body, the agent suggests.

She offers these guidelines to help minimize stress:

- Realize that perfection does not exist.

Strive for improvement, but attempts at real perfection can easily frustrate and result in unnecessary stress.

- Try to concentrate on the positive aspects of life—everyone has something to be thankful for.

- Spend time and effort on goals that are worth fighting for and attainable not on those impossible to reach.

- After a failure, try to keep past successes in mind. It will help rebuild confidence and aid in future ventures.

- When faced with a painful circumstance which must be dealt with, do not put off action. The sooner dealt with, the sooner stress is overcome.

If you have problems which you need help coping with, consult agencies such as Mental Health Centers for information on counseling services.

Consumer Food News

Economy priced potatoes, dry yellow onions and fryer chickens will stretch food dollars this week at Texas grocery markets—along with grapefruit and Temple oranges, Mrs. Gwendolyn Clyatt, a consumer marketing University System.

Other budget-minded grocery items are the following:

FRESH FRUITS—Apples from storage show high quality and moderate

prices. For the most economy in grapefruit and oranges, choose "by-the-bag" medium size fruit.

FRESH VEGETABLES—Items worthy of consideration, price-wise, include carrots, turnips, rutabagas, cabbage and hard shell squash. Eggplant and broccoli prices vary, but often they are at moderate levels.

DAIRY—Features include buttermilk, sour cream, yogurt and several cheeses.

BEEF—Special prices are available on various cuts, so consider family "likes" before buying, Mrs. Clyatt advises.

Look for best values on round steaks and roasts, ground beef, arm and blade pot roasts and beef liver.

PORK—Best values appear in end-cut loin roasts and chops, shoulder roasts and steaks.

CONSUMER WATCHWORDS: To save money, pre-plan weekly meals and then shop.

General Telephone Reduction

A one percent reduction doesn't sound like much of a savings but when Uncle Sam lowered the excise tax on telephone bills another one percent during 1977, that amounted to a savings of over \$2,893,000 for General Telephone Company of the Southwest customers.

The excise tax is levied on local and long distance services with the telephone company simply collecting the tax for the government.

General Telephone collected almost \$14,500,000 in excise taxes from its customers during 1977 at the five percent tax levy. The tax was six percent during 1976 and during 1978 has been reduced to four percent.

The 1978 reduction is the sixth in a 10-year elimination of the tax. The tax will continue to drop one percent each year until it expires January 1, 1982 unless congress adopts a recent proposal to accelerate elimination of the tax.

Forum On Regulation

Representative George Mahon and several Congressional colleagues on January 25th launched a two year program established for the purpose of cutting down on federal regulation and improving the federal regulatory program.

At a press conference in the Senate, Mahon and Senator Carl Curtis of Nebraska introduced the program entitled Forum On Regulation (FOR) which was conceived and is being sponsored by the Agriculture Council of America, an organization which both legislators helped form in 1974.

The first phase of the FOR program will be a 6 month survey of a cross section of the American public to try to determine areas of government regulation which are most in need of improvement.

The FOR program is being financed through contributions from private organizations throughout the nation.

"There has to be government regulation," Mahon said. "But too much regulation results in chaos," he added. "There is really no sense of direction as to what must be done to correct the overall system. This will be the purpose of FOR," he said.

ESA Rush Week

Epsilon Sigma Alpha met Saturday, February 4, 1978 in the home of Peggy Lowrance for a coke party. Our special guests were Mary Ann Harper, Lisa Boyles and Kay Bellar.

Everyone enjoyed visiting and getting acquainted with one another.

Sandwiches, chips and dip, cookies and cokes were served.

Members attending were: Peggy Lowrance, Mary Baker, Mary Kay Baker, Nancy Baker, Jan Brown, Connie Fisher, Pam Bellar and Cindy Legg.

Iota Eta Chapter of Epsilon Sigma Alpha met February 9, 1978 in the home of Connie Fisher.

The meeting was called to order by President Jan Brown. It was then turned over to Connie Fisher, who introduced the program. Wanda Patterson, from Modern Beauty Salon, gave a demonstration on hair care and styling.

The meeting was then adjourned with the closing ritual.

Following the meeting a meal was served by hostess, Connie Fisher and co-hostess, Peggy Lowrance.

Special guests were: Wanda Patterson, Helen Mixon of Amherst, Waynette Fisher and Loretta Reid.

Members present were: Mary Kay Baker, Mary Baker, Nancy Baker, Jan Brown, Connie Fisher, Peggy Lowrance, Pam Bellar, Mary Ann Harper, Lisa Boyles and Kathy Gatewood.

An E.S.A. social was held Saturday night, February

11, 1978 at the Sudan Community Center. Hostess for the event were Mary Kay Baker, Mary Baker and Cindy Legg.

The theme of the event was "The Golden 50's". Everyone dressed up as the 50's, with their rolled up jeans, saddle-oxfords, pony tails, skirts and their slicked back hair! A great time was enjoyed by all. Games were also played.

Hamburgers and all the trimmings were served to Keny and Connie Fisher, Roger Mac and Lisa Boyles, Gary and Kathy Gatewood, Buddy and Peggy Lowrance, Jerry and Pam Bellar, Deck and Nancy Baker, Pat and Jan Brown, Carroll and Cindy Legg, Craig and Mary Ann Harper, Larry and Mary Kay Baker, and Mary Baker.

Baptist Women

Due to bad weather conditions, the Baptist women of the First Baptist Church of Sudan did not meet this past Thursday morning, but plan to meet again this Thursday, February 16 at 9:30 a.m. The program will be focusing on the SINGLE PARENT.

On Sunday, February 19th, it will be Baptist Women's Day in Sunday School program and worship service. Emphasis will be placed on the work of the Baptist Women's Mission work and their auxiliaries, Mission Friends, G.A.'s, and Acteens.

Also on the schedule for the month of February is a group meeting at the Parsonage for both Baptist Women circles on Monday, February 20th at 7 p.m. for the grades series study of The Leaven and the Salt. This study will launch us into our preparation for Week of Prayer for Home Missions. All ladies of the church are invited to attend.

Asso. Brotherhood

The Llanos Altos Associational Brotherhood will meet this coming Thursday, February 16th at the First Baptist Church in Earth.

The meal is scheduled for 7 p.m. with the program following at 8 p.m. The featured speaker for the evening will be Dr. Dan Kent of the Wayland Baptist College, Plainview, Texas.

It should also be noted that this is Ladie's Night.
