4-H Club Girls Off To Camp For Fun And Frolic

Approximately 60 4-H girls, adult leaders, teachers and others left Morton at 10 a. m. Tuesday for the 4-H camp to be held August 13 and 14 in Mackenzie State Park in Lubbock. Recreation handcrafts and other things were offered the campers with shellcraft, woodwork and other craft being taught the girls by Misses Dorothy Ann Harlowe, Gloria Jo Hodges, Glennia and Mrs. Berta Abbe. The following program was carried out for the girls and campers:

August 13
8:30 a. m., Registration at Cochran County Court House; 9:00 a. m., Leave for Lubbock; 12:00 p. m., Lunch; 1:00 p. m., Camp organization and announcements; 1:45 p. m., Craft; 4:30 p. m., Group meetings to plan projects for night program; 5:00 p. m., Recreation; 7:00 p. m., Dinner; 8:00 p. m., Second Group meeting to finish plans; 8:45 p. m., General Assembly, Reports from 4-H Club Demonstrators; 9:30 p. m., Candellight Ceremony; 11:00 p. m., Lights out; 11:00 p. m., Quiet Whistle.

August 14
7:00 a. m., Rising Whistle; 8:00 a. m., Breakfast; 8:45 a. m., General Assembly, 1. Devotional, 2. Business, 3. Announcements; 9:00 a. m., Craft; 11:30 a. m., General Assembly; 12:00 p. m., Lunch; 1:00 p. m., Exhibits; 1:30 p. m., Team demonstrations; 5:00 p. m., Go home.

Shivers Opposed To Certain Types of Taxes

AUSTIN—"I want the people of Texas to know there are certain types of taxes to which I am opposed, both personally and as a senator," Allan Shivers, who led his runoff opponent in the lieutenant governor's race by approximately 100,000 votes in the first primary, said here.

"I oppose a general sales tax, because I feel that it would place undue burdens on the people. I oppose a state income tax, because that field is pre-empted by the Federal government."

"If any additional taxes do become necessary, and I don't think they will in the near future, the burden should be spread on as broad a tax paying base as is possible," he continued.

"I have always considered myself a conservative, both in expenditures and in taxation, and on many occasions have opposed appropriations of the taxpayers' money because I thought the expenditure was unwise and unnecessary. I have also opposed any tax bills because I thought they were levied on the wrong principal or that they were unnecessary."

"I have had to work hard all my life and that is probably the reason that I am conservative about the expenditure of tax money. I feel the same way about expending my own funds."

Shower Honors Mrs. Lemons In Markham Home

Mmes. Earl Wages and Guy Matthews were hostesses for a lovely bridal shower in the home of Mrs. C. B. Markham, Friday afternoon, August 9, from four until six o'clock in honor of Mrs. Con Lemons, recent bride. Approximately 50 guests were present and many unable to attend sent gifts.

Refreshments consisting of neapple-Orange Punch and cookies were served from a table covered with a beautiful lace cloth.

Mr. and Mrs. Lemons, the former Billie Jo Crow, will make their home in or near Morton.

Work On 20 Blocks of Paving To Start Soon

Ballots Ready For Second Primary Absentee Voting

Ballots have been printed for the second Democratic Primary by the Tribune, and those wishing to vote absentee may secure a ballot in the office of the County Clerk.

The deadline on absentee voting is August 20, and all ballots must be received in the county clerk's office by August 22, according to W. B. Evans, County Democratic Chairman.

If one votes and expects to mail the ballot in, it must be mailed early enough to reach the clerk's office by August 22, it was pointed out by Mr. J. B. Knox.

MR. ALTON HILL of Midland was a week-end visitor in the O. E. COATS home. MR. HILL is a cousin of KENNETH and IMOGENE COATS.

Sixteen South Plains Beauties Will Parade In Finals At Levelland

Sixteen South Plains beauties, including Miss Dolly Clark as "Miss Morton" and Miss Wynell Buck as "Miss Cochran County" will parade in the finals of the area contest at the Levelland Rodeo Arena on Tuesday night, August 20.

One to three beauties from each of several counties have been selected in local contests to participate in the final revue to be held in Levelland in connection with a two hour pageant sponsored by the Wallace Theatre Circuit.

A name band will furnish background music for the two hour pageant program.

The prize winner will be given a week's vacation trip to Colorado Springs, Colorado, and an opportunity for a screen test.

An estimated crowd of between 4000 and 6000 is expected in Levelland's \$20,000.00 arena. New grandstands have recently been added that will provide ample seating capacity.

"Miss Cochran County" Tribune Receives Telegram From George Mahon

The following telegram was received by the Tribune Wednesday morning from George Mahon in Washington, D. C.:

"I have just telegraphed Judge Strickland the following information, the Federal Works Agency advises approval of four applications for road improvement in Cochran county in amount of \$5,400.00 each for advance funds for plan operation.—Regards, George Mahon.

The Tribune was unable to contact Judge Strickland before going to press; further details will be released as soon as secured from the County Judge's office.

Jimmie St. Clair Honored Monday

Mrs. James St. Clair honored her son, Jimmy, on his third birthday with a lovely lawn party Monday afternoon, August 12.

Games were enjoyed by the children and refreshments of birthday cake, punch and ice cream served to: Jimmie Porter, Jane and Carol Ferguson, Mary, Vivian and Betty Lou Ledbetter, Gary Essary, Lyndal Jay Burleson, Minneola Cox, Larry and Tommy Combs, and Sandra St. Clair.

Texas Suffering Worst Drouth In Ten Years

Texas is suffering its worst drouth in 10 years, the U. S. Weather Bureau says, and the picture over the state is one of dry farms, burning ranges, withering crops and thinning livestock.

The summer will go down as one of the hottest in history with temperatures eight and nine degrees above average. Spring brought no general rains to West Texas and the Panhandle. Except in southeastern and coastal bend counties it has been an arid summer—weeks of searing sun and cloudless skies and teasing spotted rainfall.

With poor range conditions and a critical lack of protein feeds, West Texas ranchers are culling their cattle herds and sheep flocks heavily. Many ranchmen are disposing of breeding animals. In the past nine months San Angelo has had two and one-half inches of rain.

High summer temperatures are threatening to curtail further the state's second shortest cotton crop in 57 years. Last year's short crop of 1,784,000 bales was the lowest since 1889. The department of agriculture set this year's estimate at 1,900,000 bales, but last week the department announced that in making the prediction it had not taken into consideration the possibility of a long hot spell.

All summer long, south and southwest winds have blown over the state. The winds are moving out of northern Mexico and from the abnormal, stationary high pressure area over Florida. With this hot, dry, air mass over Texas there is little chance for rain-bearing thunderheads to form.

Cold fronts, capable of forming rain, move down periodically southward from the northern Rockies. These fronts reach a general line across Colorado, northern Oklahoma and Missouri. There they are met by the south and southwest winds from Texas and this opposition causes them to slip off to the east or to disappear entirely.

"Texas' main hope," said a forecaster at the Dallas weather bureau, "is that a tropical disturbance will form in the Gulf of Mexico and break up that high pressure area over Florida. Then we would get rain, plenty of rain."

Morton Girl Scouts Progressing Nicely

Girl Scouts who organized about two months ago, are progressing nicely. A public service is being planned for the near future, in which about thirty girls will participate, having completed all the requirements to become second class scouts.

The organization has as leaders, Mrs. Q. V. Winingham, substituting for Mrs. Jean Lively; Miss Von Gipson, Miss Dorothy Ann Hargrove and Mrs. Willard Cox.

The Girl Scouts meet each Friday afternoon at 4 o'clock in Masonic Hall.

The Brownies which include girls 7, 8, and 9 years of age meet each Thursday afternoon at 4 o'clock in Masonic Hall under the leadership of Mrs. Q. V. Winingham and Mrs. Hugh Lytle.

All girls of Morton are invited to attend.

MISS VERA SULLIVAN TO FINISH NURSES TRAINING

Miss Vera Sullivan spent her two weeks vacation with her parents, Mr. and Mrs. A. E. Sullivan and has returned to Lubbock to finish her nurses training. She will go to Brazil early in 1947 and not in two weeks as previously reported in the Tribune.

500 To 700 Cochran County Veterans Eligible For Terminal Leave Pay

Between 500 and 700 Cochran county veterans are slated to benefit on an average of \$200 per man from the national terminal leave bill signed Friday by President Harry S. Truman.

The estimates were released Tuesday by A. A. Glaser, county veterans service officer. There is no accurate means of counting the GIs who will receive payments for unused furlough time ranging from 10 to 120 days. Glaser's estimate was based on men who left for World War II from the county, numbering around 800.

Officers who served as enlisted men will also be entitled to terminal leave pay, according to Glaser.

Application forms on which claims for the payments are to be made should be available in Cochran county in from 15 to 30 days, Glaser said. These forms are already being printed in government print shops.

The payments—mostly in bonds—will be made to enlisted personal of the armed forces who served at any time between September 8, 1939, and September 1, 1946.

Payments, according to the measure, will be made by check for odd amounts over \$50 and for odd amounts over multiples of \$25. For the amounts above \$50, payments will be made in \$25 bonds carrying 2 1/2 percent interest and coming due five years from the date of the last separation from service.

The bill sets out that these bonds will not be cashable and may not be used earlier than the five-year maturity dates except for payment of premiums, loans or conversion on government life insurance.

A. C. WARD BARBECUE HUGE SUCCESS

The barbecue given by the A. C. Wards on their ranch, about 60 miles south of Morton on Saturday, August 3, was reported a huge success by folks who attended from Morton and Cochran county.

"Miss Morton"

Miss Dolly Clark, representing Piggly-Wiggly, was named "Miss Morton" in a contest held in Morton Tuesday night, August 6, at the Wallace Theatre.

Garden Club Met In Lanora Jackson Home Tuesday

Miss Lanora Jackson was hostess in her home Tuesday afternoon, August 6, to the Cochran County Garden Club.

After a short business session presided over by the president, Mrs. E. Greer the members made place cards, nut cups and other favors to send to the veterans hospital in Amarillo.

This social service project was under the direction of Mrs. Travis Ferguson.

In the gift box sent to the veterans was included a sum of money to be used by the vets in buying plants for their quarters.

The hostess served punch and cake to the following members: Mmes. E. Greer, C. W. Davis, Travis Ferguson, Ford Hawkins, H. S. Hawkins, Scott Hawkins, Roy Hill, E. R. Lytle, Carl Macon, Albert Morrow, Joe Nicewarner, O. E. Stevenson, Hesse B. Spotts, W. W. Williamson and one guest Mrs. Jackson.

Brother Dies In Littlefield Hospital

Mrs. L. W. Barrett was notified by telephone last Friday morning of the death of her brother, Mr. Leonard Odell of Littlefield, in the Littlefield hospital. Mr. Odell had only been ill a few days and his death came as a shock to Mrs. Barrett as she was unaware of her brother's illness.

Mrs. Barrett and three sisters, Mmes. Roy Henderson, Albuquerque, New Mexico, Lula Simpson and Miss Ada Odell, Tatum, New Mexico, attended their brother's funeral Sunday in Littlefield.

The sisters were all visitors in the Barrett home until Monday at which time they left for their respective homes.

C. M. Harvin Appointed Loan Guaranty Officer

The appointment of C. M. Harvin as loan guaranty officer of the newly established loan guaranty division of the Lubbock Veterans administration regional office was announced today by Robert W. Sisson, VA regional manager.

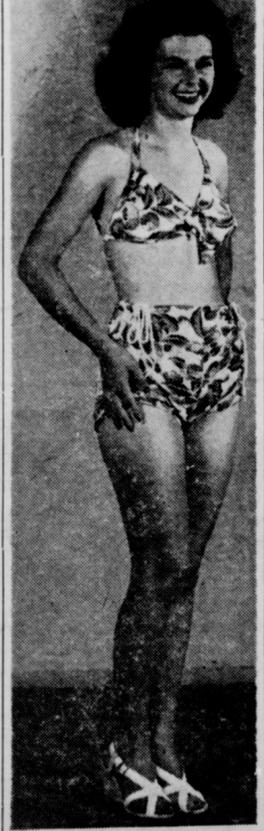

Harvin is a veteran of World Wars I and II. He was recently discharged from the army after 52 months of service.

He is a graduate of Texas A. and M. College and for several years was in county agent work. Following World War I Harvin was connected with the VA in the rehabilitation division. For ten years he was in the farm and ranch loan business.

"It was my privilege to get acquainted with the good people of West Texas in 1933 and 1934 when I held the preliminary organization meetings for establishing the Production Credit Association in Dalhart, Plainview, Lubbock, Littlefield and Lamesa," Harvin asserted.

He will be assisted as loan guaranty officer by W. J. Wilkerson, also a veteran of World Wars I and II.

"This division will be responsible for the examination, acceptance or rejection of applications for the guaranty of loans for purchase of homes, farms or businesses. "A loan guarantee by the Veterans is a valuable credit privilege. Veterans should use it wisely. Only in extreme emergencies should a veteran consider using his loan guarantee at this time, since he has ten years in which to take advantage of it. "Our office is at present operating under pressure of a reservoir of loans pending VA guarantee; however, in all cases it shall be our policy to see that the interests of the veteran are fully protected," Harvin concluded.

Miss Wynell Buck, winner of the title "Miss Cochran County" represented King's Furniture Store in the recent bathing beauty contest.

MISS WANDA JOHNSON of Lubbock spent the week-end in Morton with her family and friends.

How To Apply For Terminal Leave Pay

WASHINGTON—Four steps to be followed by discharged veterans in applying for terminal leave pay were outlined officially as President Truman signed the legislation authorizing the \$2,700,000,000 outlay.

The steps as listed by the Treasury, war and navy departments:

1. Obtain from any postoffice a form entitled "claim for settlement, unused leave," and an accompanying instruction sheet.

2. Fill out this form. Help may be obtained at any of 3,000-odd veterans community information or advisory centers, or at the office of any state or county veterans service officer.

3. Swear to the statements made in the form before a notary public or other authorized civil officer. Most community information or advisory centers will provide the service free.

4. Mail the completed form, together with a discharge certificate or certificate of service, to the appropriate army, navy, marine corps or coast guard paying of the claim form.

Payment will be made by mail "as soon as possible" and the supporting documents returned.

TO THE VOTERS OF PRECINCT 3

I wish to take this method to thank you for your splendid support at the past election, and to assure you that I shall continue to serve you to the best of my ability.

Again thanking you I am,
Respectfully yours,
John Kennedy.

HERE'S A PROBLEM FOR YOU, WATSON—

What living cost has DECREASED while nearly all other costs have gone right on rising?

My dear Watson, the answer is at your fingertip. What else gives you twice as much for your money as it did 15 years ago? What else is ready day or night, winter or summer, to lighten your tasks and make life more comfortable for you? What else gives you so much service for just a few pennies a day? What else, my dear Watson, but Electric Service?

Elementary, my dear Watson. Electric Service—dependable and cheap—is the result of hard work, private initiative and experience on the part of the men and women of your electric company—under sound, steady business management.

H. J. R. NO. 49

HOUSE JOINT RESOLUTION

proposing an amendment to Article VIII of the Constitution of the State of Texas by adding thereto a new section to be known as "Section 7-a"; providing that subject to legislative appropriation, allocation and direction all net revenues derived from the taxes, except gross production and ad valorem taxes, levied on motor fuels and lubricants and motor vehicles registration fees shall be used for the sole purpose of acquiring rights-of-way for and constructing and maintaining public roadways; for the administration of laws pertaining to traffic and safety; and for the payment of principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible for debt service prior to January 2, 1945; providing that one-fourth (1/4) of such net revenue from the motor fuel tax shall be allocated to the Available School Fund; providing and insuring that each county shall never derive less revenue from motor registration fees than the maximum amounts and percentages of such fees allowed to be retained by each county under the laws in effect on January 1, 1945; negating any interpretation of this amendment as authorizing the pledging of the State's credit for any purpose; providing for the submission of this amendment to the voters of this State; prescribing the form of ballot; and providing for the proclamation of the election and the publication thereof.

Be It Resolved By The Legislature Of The State Of Texas:

Section 1. That Article VIII of the Constitution of the State of Texas be amended by adding thereto a new Section to be known as 7-a and to read as follows:

"Section 7-a. Subject to legislative appropriation, allocation and direction, all net revenues remaining after payment of all

refunds allowed by law and expenses of collection derived from motor vehicle registration fees, and all taxes, except gross production and ad valorem taxes, on motor fuels and lubricants used to propel motor vehicles over public roadways, shall be used for the sole purpose of acquiring rights-of-way, constructing, maintaining, and policing such public roadways, and for the administration of such laws as may be prescribed by the Legislature pertaining to the supervision of traffic and safety on such roads; and for the payment of the principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible prior to January 2, 1945, for payment out of the County and Road District Highway Fund under existing law; provided, however, that one-fourth (1/4) of such net revenue from the motor fuel tax shall be allocated to the Available School Fund; and, provided, however, that the net revenue derived by counties from motor vehicle registration fees shall never be less than the maximum amounts allowed to be retained by each County and the percentage allowed to be retained by each County under the laws in effect on January 1, 1945. Nothing contained herein shall be construed as authorizing the pledging of the State's credit for any purpose."

Sec. 2. The foregoing Amendment to the Constitution shall be submitted to a vote of the qualified electors of this State at the General Election to be held in November, 1946, at which election each ballot shall have printed thereon the following words:

"FOR the Amendment to the Constitution of the State providing that subject to legislative appropriation, allocation and direction all net revenues derived from taxes, except gross production and ad valorem taxes, levied on motor fuels and lubricants and motor vehicle registration fees shall be used for the sole purpose of acquiring rights-of-way for and constructing and maintaining public roadways; for the administration of laws pertaining to traffic and safety; and for the payment of principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible for debt service prior to January 2, 1945; providing that one-fourth (1/4) of such net revenue from the motor fuel tax shall be allocated to the Available School Fund; providing and insuring that each county shall never derive less revenue from motor registration fees than the maximum amounts and percentages of such fees allowed to be retained by each county under the laws in effect January 1, 1945; and negating any interpretation of this amendment as authorizing the pledging of the State's credit for any purpose."

"AGAINST the Amendment to the Constitution of the State of Texas providing that subject to legislative appropriation, allocation and direction all net revenues derived from taxes, except gross production and ad valorem taxes, levied on motor fuels and lubricants and motor vehicle registration fees shall be used for the sole purpose of acquiring rights-of-way for and constructing and maintaining public roadways; for the administration of laws pertaining to traffic and safety; and for the payment of principal and interest on county and road district bonds or warrants voted or issued prior to January 2, 1939, and declared eligible for debt service prior to January 2, 1945; providing that one-fourth (1/4) of such net revenue from the motor fuel tax shall be allocated to the Available School Fund; providing and insuring that each county shall never derive less revenue from motor registration fees than the maximum amounts and percentages of such fees allowed to be retained by each county under the laws in effect on January 1, 1945; and negating any interpretation of this amendment as authorizing the pledging of the State's credit for any purpose."

"Each voter shall strike out with pen or pencil the clause which he desires to vote against so as to indicate whether he is voting FOR or AGAINST said proposed amendment."

LEGAL NOTICE

H. J. R. NO. 10.

HOUSE JOINT RESOLUTION proposing an Amendment to Article 16 of the Constitution of the State of Texas, by adding Section 62 providing a Retirement, Disability and Death Compensation Fund for the appointive officers and employees of the State; limiting the amount contributed by the State to such fund; providing for investment of such fund with certain exceptions; prohibiting recipients of benefits from receiving other aid from the State; authorizing counties to provide and administer such a fund for appointive officers and employees after favorable vote in a county election for such purpose; limiting the amount contributed by the county to such fund; providing for investment of such fund with certain exceptions; prohibiting recipients of benefits from receiving other aid from the State; and providing for an election, necessary for the question of adoption of this Amendment.

Resolved By The Legislature Of The State Of Texas:

Section 1. That Article 16 of the Constitution of the State of Texas be amended by adding Section 62, which shall read as follows:

Section 62 (a) The Legislature shall have the right to levy taxes to provide a Retirement, Disability and Death Compensation Fund for the appointive officers and employees of the State; provided that the amount contributed by the State to such fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per centum (5%) of the compensation paid to each such person of the State, and shall in no case exceed the sum of One Hundred and Eighty Dollars (\$180) for any such person.

All funds provided from the compensation of such person, or the State of Texas, for such Retirement, Disability and Death Compensation Fund, as are received by the Treasury of the State of Texas, shall be invested in bonds of the United States, State of Texas, or counties or cities of this State, or in bonds issued by any agency of the United States Government, the interest of the principal of and interest on which is guaranteed by the United States, provided that a sufficient amount of said funds shall be kept on hand to meet the immediate payment of amount likely to become due one year out of said fund, such amount of funds to be kept on hand to be determined by the county which may be provided by law to administer said fund; provided that the recipients of benefits from said fund shall be eligible for any other pension, retirement funds or direct aid from the State of Texas, unless the fund, the creation of which is provided for herein, computed by the State, is released to the State of Texas as a condition to receiving such other pension aid.

(b). Each county shall have the right to provide for and administer a Retirement, Disability and Death Compensation Fund for the appointive officers and employees of the county; provided that the amount contributed by such county and after such election has been advertised by publication in at least one newspaper of general circulation in said county once each week for four consecutive weeks; provided that the amount contributed by the county to such fund shall equal the amount paid for the same purpose from the income of each such person, and shall not exceed at any time five per centum (5%) of the compensation paid to each such person of the county, and shall in no case exceed the sum of One Hundred and Eighty Dollars (\$180) for any such person.

All funds provided from the compensation of each such person, or by the county, for such Retirement, Disability and Death Compensation Fund, as are received by the county, shall be invested in bonds of the United States, State of Texas, or counties or cities of this State, or in bonds issued by any agency of the United States Government, the interest of the principal of and interest on which is guaranteed by the United States, provided that a sufficient amount of said funds shall be kept on hand to meet the immediate payment of amount likely to become due one year out of said fund, such amount of funds to be kept on hand to be determined by the county which may be provided by law to administer said fund; provided that the recipients of benefits from said fund shall be eligible for any other pension, retirement funds or direct aid from the State of Texas, unless the fund, the creation of which is provided for herein, computed by the county, is released to the State of Texas as a condition to receiving such other pension aid.

"FOR the Constitutional Amendment authorizing the Legislature to provide a Retirement, Disability and Death Compensation System for the officers and employees of the State of Texas and authorizing counties to provide such system for the appointive officers and employees of the counties of the State of Texas," and

"AGAINST the Constitutional Amendment authorizing the Legislature to provide a Retirement, Disability and Death Compensation System for the officers and employees of the State of Texas and authorizing counties to provide such system for the appointive officers and employees of the counties of the State of Texas."

Each voter shall scratch one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution for Amendments thereto.

* According to an opinion by the Attorney General of Texas. August 1, 8, 15, 22, 1946

Danger of Inflation Of Disease Should Not Be Overlooked

AUSTIN—In discussing the possible danger of inflation to the American way of life, Dr. Geo. W. Cox, State Health Officer, has declared that he believes one phase of this menace which should not be overlooked is the danger of inflation in the incidence of disease.

"Just because we have won a war is no reason why we should allow the disease and death rates in the country to become higher than in recent peacetimes," Dr. Cox said. "Indeed, it is an urgent reason why we should sharply reduce these rates among our people and use every effort to keep the health levels among our civilian and military population at their highest possible peak."

The State Health Officer emphasized once again, as he has often done in the past, the necessity for using the more easily accessible, common-sense safeguards of health. Immunization against several of the more killing diseases is available to all, at little or no cost. Such protection should not be neglected and the person who allows himself or his family to suffer from a preventable illness is, whether he realizes it or not, actually handicapping the nation's reconversion effort. Another health precaution which can and should be practiced in every home and community is careful sanitation; clean clothes, a clean body, and clean home environments do much to prevent the appearance of illness in the home and the same sanitation practiced throughout the community will help to insure the good health of that community.

"Good, wholesome, nourishing foods, home and community sanitation, and the protection afforded by immunization can do a lot to prevent the needless inflation of the disease and death rates in this country," Dr. Cox asserted.

ified voters of this State at an election to be held throughout the State in November, 1946, (being the 5th day thereof *) at which all ballots shall have printed thereon:

"FOR the Constitutional Amendment authorizing the Legislature to provide a Retirement, Disability and Death Compensation System for the officers and employees of the State of Texas and authorizing counties to provide such system for the appointive officers and employees of the counties of the State of Texas," and

"AGAINST the Constitutional Amendment authorizing the Legislature to provide a Retirement, Disability and Death Compensation System for the officers and employees of the State of Texas and authorizing counties to provide such system for the appointive officers and employees of the counties of the State of Texas."

Each voter shall scratch one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and shall have the same published as required by the Constitution for Amendments thereto.

* According to an opinion by the Attorney General of Texas. August 1, 8, 15, 22, 1946

WAA Will Collect Sales Taxes On Surplus Property

War Assets Administration will collect sales taxes on purchasers of surplus property for state and local governments which impose such taxes, Major General Robert M. Littlejohn, WAA Administrator, ruled today.

In the decision which settled a long-standing tax problem, Maj. Gen. Littlejohn pointed out, however, that the principle that WAA as a federal agency, cannot be constitutionally subject to direction by any subordinate governmental authority "must be recognized as remaining unimpaired". The ruling affects approximately 15 states.

Emphasizing that collection of sales taxes by WAA was a matter of assistance and cooperation rather than a requirement, Gen. Littlejohn reached his conclusion in the following statement:

"Such an undertaking on our part would entail considerable administrative difficulty with respect to our disposals. We have weighed our own burdens against the benefits which the interested local governments would derive and have come to the conclusion that we will subordinate our own difficulties in the interest of maintaining good Federal-State relationships and avoiding loss of this revenue to local governments. To that end, we are prepared to undertake to collect applicable local sales or use taxes from purchasers of surplus property for each local taxing authority which feels that such collection is needed for its protection."

The ruling does not apply to state or local taxes which are imposed on sellers because WAA cannot be subject to such taxes.

Procedures for tax collectors are being worked out by the WAA General Counsel.

SANTA FE CARLOADINGS

Santa Fe System carloadings for week ending August 3, 1946, were 28,142 compared with 27,638 for same week in 1945. Cars received from connections totaled 11,821 compared with 15,853 for same week in 1945. Total cars moved were 39,963 compared with 43,491 for same week in 1945. Santa Fe handled a total of 40,577 cars in preceding week of this year.

Women's Dept. Director Chosen For Plains Fair

Mrs. O. R. Copeland, Route 4, Lubbock, has been chosen Director of the Women's Department of the Panhandle South Plains Fair, officials of the Fair announced today. Dates for the Fair are October 7-12.

Seven other women have been selected to work with Mrs. Copeland as superintendents of the various women's divisions. Mrs. C. L. Murray, Lynn County, will be superintendent of the Textile division. Mrs. J. N. Smithee, Hockley County, will be in charge of the Culinary division. Superintendent of the Women's Home Demonstration Clubs division is Mrs. John Redwine of Shallowater. Mrs. Chester Gilmore, Idalou, will superintend the 4-H Girls Clubs division. All the above, including Mrs. Copeland, are home demonstration workers.

Mrs. J. C. Levens, Mrs. J. C. Allensworth and Mrs. J. L. Barstow all of Lubbock will head the Plants and Cut Flowers division, the Art division and the Relics, Antiques and Curios divisions, respectively.

Vocational agricultural premiums will be increased this year. Fair officials say they hope to announce the new premiums within the next week.

SHERIFF'S NOTICE OF SALE THE STATE OF TEXAS] COUNTY OF COCHRAN]

Whereas, by virtue of a certain Writ of Execution issued out of the District Court of Cochran County, Texas, on the 1st day of August, A. D. 1946, wherein Regional Agricultural Credit Corporation, a Corporation is Plaintiff, and R. B. Grindstaff, and wife, Mary G. Grindstaff are Defendant, on a judgement rendered in said court against said Defendant and in favor of the said Plaintiff, for the sum of

» annegrams

— by ann england —

Some of the things we print in the Tribune are extremely intriguing; as in the controls recently released by OPA on certain delicacies—we were confident in reading proof that Bill had finally made a mistake as we definitely had never heard before of HARCOT VERTS—our curiosity finally got the best of us and we spent hours looking the words up in our trusty (but almost worn out) Funk and Wagnall. Any way it seems to be something that grows and bears leaves within a forest the color or tincture green. However the control could have remained on as far as we personally are concerned—and neither do pickled limes and cantaloupes hold any special appeal for us. In the same article we read that crystallized flowers and apricot kernels were also released. The people on the OPA boards must certainly have had themselves a merry time when they made out those lists.

Mrs. L. W. Barrett brought us a beautiful lemon colored Dahlia—by actual measure it is ten inches in diameter.

Mrs. Newton who lives on south Main Street, about two blocks from us has the grandest assortment of flowers all around her house and in the back yard the white and orchid cosmos and purple Dahlias are perfectly lovely.

The truck loads of girls off to 4-H camp on Tuesday morning certainly were in high spirits as they left Morton. We know they will have grand fun. That darling little dark haired Dorothy Ann Hargrove is one of the instructors in handcraft for the group and we could hardly believe it as she looks like such a youngster.

All the stores have begun showing their fall merchandise—we admit it is pretty and tempting but we don't get enthusiastic until the first norther hits.

We had such a nice trip to Lubbock last Friday with Mr. and Mrs. Ben Dyer and the luncheon in the Chimayo room, compliments of Mr. and Mrs. Wallace Blankenship was something extra special. We felt terribly flattered at being invited as everyone else was connected with the show business in one way or another.

Each time we are in Lubbock we agree with the scientist who said, "There is no such thing as completely empty space, anybody with a car to park knows that."

Mrs. Arlee Barnard has the prettiest blue eyes and dimples and every time we have seen her she has been smiling the nicest, friendliest smile.

The City of Morton didn't get to have their property owners hearing on August 2, due to the clean-up drive, but all property owners are asked to meet at the court house at 10 a. m. on Friday, August 20 to show why statutory paving liens should not be fixed against their property.

The contractors bids were to have been opened on the 13th. We haven't heard who got the contract. We don't much care, all

Subscription Rates
Entered at the Post Office at Morton, Texas, for transmission through the mails as Second Class Matter, according to an Act of Congress, March 3, 1879.

Any erroneous reflection upon the character of any person or firm appearing in these columns will be gladly and promptly corrected upon being brought to the attention of the management.

we want is to see the work of paving begun. What with street lights promised for Christmas, and new paved streets we could be perfectly happy if some one would promise us a White Christmas. Mr. Whitman assures us that is entirely out of his territory, and evidently we don't know the right weather man as our wishes and desires seem to not have very much influence.

When three year old Jimmie St. Clair discovered it was his birthday and that he was having a party he wanted to know if he were "Big enough to help Daddy." He is a cute little fellow and has a precious curly headed baby sister.

Cleo Stringer certainly has made herself scarce since her good looking husband arrived home from military service. Darwin seems to be mighty happy to be home too.

Mrs. E. A. Bradshaw at Eunice, New Mexico, renewed her subscription and included a note that made us very happy. She congratulated us upon the improvement of the Tribune and also said, "I especially enjoy annegrams."

Mr. G. H. Hutchins at Carlsbad didn't compliment either the paper or me but he did say, "We like to hear from our home town, we know many people there, and there are no finer people anywhere."

WITH THIS WE STOP:
If you talk about your troubles And tell them o'er and o'er, The world will think you like 'em And proceed to give you more.

Uncle Sam should import some of those German generals; teach them a little department; then deport them.

Some of the candidates who maintain they will win their races or eat their hats had better be shopping for soft-felt headgear.

AUGUST FOURTEENTH

August 14, previously known as VJ-Day, appropriately has been proclaimed by President Truman as Victory Day because it marked the final cessation of hostilities in the greatest war in history. It likewise would be profitable and fitting for future generations, if the occasion were observed in prayer and meditation over the cause of lasting peace.

Victory Day was not designated as a federal holiday, probably because there are too many holidays already. However, since Aug. 14, 1945, was the end of a world war that actually lasted 30 years as General de Gaulle reminded recently, Victory Day might be made a holiday in lieu of Armistice Day. Yet it is by no means certain that conflict, involving most of the nations of the world, were ended last Aug. 14, and national celebrations become empty occasions when they are reminders that men have died and suffered in vain. Such has been the import of Armistice Day.

If Aug. 14 could be designated as World Peace Day, signifying that an end had come to conflict between nations, it could well be designated a national holiday. Ironically, the president could not go that far in his proclamation.

MRS. O. E. STEVENSON left Sunday for a weeks visit in San Angelo, Texas.

MR. and MRS. JESSE W. PAULK and twin daughters of Lubbock, visited his parents in Morton last Sunday.

COME TO CHURCH SUNDAY

Allan Shivers Is People's Favorite

Senator Allan Shivers, in thanking the voters of Texas for the heavy lead they gave him in the July primary to make him the favorite candidate for lieutenant governor, also warned citizens that attempts will be made by "scheming minority pressure groups" to defeat him in the August 24 run-off.

The Jefferson County legislator, lawyer and farmer, pointed with pride to the overwhelming support which he received in his present home county and in the county where he was reared to manhood. Shivers, a World War II combat war veteran (the only veteran in this race), polled approximately 75 per cent of the votes in Jefferson County, his present home, and was a 25 to 1 favorite over his runoff opponent in Tyler County, where he spent his youth. Senator Shivers led his runoff opponent by approximately 100,000 votes in Texas.

"I am deeply grateful for the confidence the people of Texas have shown in me and the progressive program for Texas which I advocate," Shivers said "I shall strive even harder to work for the welfare of Texas."

"Because I represent the masses of the people, there will be those in the runoff campaign who will conspire to defeat me," Shivers predicted. "I will not be swayed by these radical, minority groups—the C.I.O. noisemakers in particular. My opponent is welcome to the support which they are giving him. I will continue to fight for the right and welfare and progress of our people who make up the backbone of Texas." (Pd. Pol. Ad.)

Tribune, Morton, Cochran County, Texas, Thursday, August 15, 1946

MRS. J. M. EDWARDS and daughter, SHIRLEY of Tulsa, Oklahoma, has been visiting with MRS. CHARLES DEAN and in the BYRON WILLIS home. MRS. EDWARDS and MRS. DEAN are sisters.

MISS MARY HOPE NORFLEET visited her parents in Olton last week-end.

Although 71 years of age, William Parmele bicycled from New York City to Chicago.

The public now appears to be a body of people entirely surrounded by politicians.

ENSIGN AND MRS. RAYMOND STRICKLAND ARRIVES

Judge and Mrs. R. C. Strickland were in Lubbock Wednesday to meet their son, Ensign Raymond Strickland and Mrs. Strickland who arrived in that city from Stockton, California, where Ensign Strickland has been stationed with the Navy. This was the younger Mrs. Strickland's first meeting with her parents-in-law.

MR. and MRS. M. B. SWANNER are vacationing at Hot Springs, New Mexico.

don herold says:

Most people have a perfectly covey idea as to the amount of money corporations earn. The average person thinks stockholders get about 8 or 10 times as much as they do.

Surveys show that the average guy guesses that corporations make 30 per cent profit.

The fact is that for the last 17 years corporate profits have averaged just under 4 per cent a year and that stockholders received less than 3 per cent (according to the U. S. Treas.)

This almost makes saving money look silly. It makes investing look risky and a little ridiculous.

But if there were no investing there would be no factories—no jobs—no, and not even any unions.

The world's biggest image of Buddha is located at a spot near Tokyo. The image is 40 feet high, built of concrete at a cost of \$50,000. Three thousand persons can stand in the lap of the statue—Reno Evening Gazette.

Henry Ford, at 82 years of age, helped farmers at Tecumseh, Mich., plant and harvest wheat crops.

AN ORDINANCE

ORDINANCE ORDERING STREET IMPROVEMENTS BY PAVING AND GUTTERING CERTAIN SECTIONS OF UNITS OF CITY STREETS, AND SETTING A DATE FOR PUBLIC HEARING ON CITY'S PROPOSAL TO FIX LIENS ON THE PROPERTY OF ABUTTING PROPERTY OWNERS FOR THE PURPOSE OF DEFRAYING A PART OF THE EXPENSE OF SUCH STREET IMPROVEMENTS.

This the 16th day of July, 1946, the City Commission of the City of Morton, Inc. convened in Special Session with all members of the Commission present, to-wit: Paul Arnold, City Mayor, T. L. McAllister, City Commissioner, and Lewis M. Smith, City Engineer.

together with W. K. Whitman, City Clerk, when along with other business coming on for consideration there came the following:

WHEREAS, on the 15th day of November, 1945, the City Commission of the City of Morton, by Ordinance duly passed, called a Special Election to be held in and for said City, for the purpose of letting the resident property tax payers who were qualified voters of such City say by their vote whether or not the State Paving Laws should be adopted by the City of Morton, as such laws are contained in Articles 1086 to 1096, both inclusive, and Articles 1104 and 1105, Title 28, Cities, Towns, and Villages, revised Civil Statutes of the State of Texas, 1925, as amended; and,

WHEREAS, on December 8th, 1945, at the Special Election called for such purpose, a majority of the votes at such election voted FOR the adoption of the Paving Laws, the returns of such election having been duly made to the City Commission of the City of Morton, and canvassed by that body, and an ordinance duly entered upon the minutes of such City declaring the result of such election, and adopting the paving laws in and for the City of Morton, Incorporated.

NOW THEREFORE, be it ordained by the City Commission of the City of Morton, Texas, in Special Session sitting on this the 16th day of July, 1946, that certain sections or units of certain streets in this City be paved and guttered in accordance with the plans and specifications of the City Engineer. Be it further Ordained that a certain part of the expense of such street improvements be assessed against the property, and the property owners, abutting on the streets herein ordered to be improved with paving and gutters. Be it further Ordained that the following 12 Paving Units shall be, and they hereby are, ordered improved with paving and guttering according to the City Engineer's plans and specifications:

- UNIT NO. 1:** Main Street from the S. E. corner of the Public Square to its intersection with Fillmore Ave.
- UNIT NO. 2:** Main Street from the S. E. corner of the Public Square to the N. E. corner of the Public Square.
- UNIT NO. 3:** Main Street from the N. E. corner of the Public Square to its intersection with Madison Ave.
- UNIT NO. 4:** West 1st St. from the S. W. corner of the Public Square to its intersection with Fillmore Ave.
- UNIT NO. 5:** Washington Ave. from the S. E. corner of the Public Square to the S. W. corner of the Public Square.
- UNIT NO. 6:** West 1st St. from the S. W. corner of the Public Square to the N. W. corner of the Public Square.
- UNIT NO. 7:** Wilson Ave. from the N. W. corner of the Public Square to the N. E. corner of the Public Square.
- UNIT NO. 8:** West 1st St. from the N. W. corner of the Public

Legion Auxiliary Meets In Evans Home Tonight

American Legion Auxiliary will meet in the home of Mrs. W. B. Evans Thursday night, August 15 at 8:30 p. m. for a social and business meeting.

MRS. ROBERT E. WADDELL and little daughter, SHONNIE, have returned from Clovis, New Mexico, where they have been with their husband and father. SGT. WADDELL has received overseas orders and will leave soon for Florida preparatory for overseas sailing.

BILLIE JOHN McGLAUN left Morton Sunday for his home in Kaufman, Texas.

ENTERTAINS WITH PARTY

Misses Louise and Christine Nesbitt entertained with a slumber party in their home Tuesday night in honor of their younger sister, Ovella June, who was celebrating her 14 birthday. Guests for the occasion were: Misses Leota Hood, Jaunita Sheaffer, Marynell Richards and Norma Jo Ford.

UPSET STOMACHS YIELD INCHES OF GAS AND BLOAT

"I was so full of gas I was afraid I'd burst. Sour, bitter substance rose up in my throat from my upset stomach after meals. I got INNER-AID, and it worked inches of gas and bloat from me. Waistline is way down now. Meals are a pleasure. I praise Inner-Aid to the sky."—This is an actual testimonial and we can verify it.

INNER-AID is the very formula containing medicinal juices from 12 Great Herbs; these herbs cleanse bowels, clear gas from stomach, act on sluggish liver and kidneys. Miserable people soon feel different all over. So don't go on suffering—Get Inner-Aid. Sold by all drug stores here in Cochran County. Ad.

Square to its intersection with Madison Ave.

UNIT NO. 9: Wilson Ave. from the N. W. corner of the Public Square to its intersection with West 3rd St.

UNIT NO. 10: Wilson Ave. from the N. E. corner of the Public Square to its intersection with East 2nd St.

UNIT NO. 11: Washington Ave. from the S. W. corner of the Public Square to its intersection with West 3rd St.

UNIT NO. 12: Washington Ave. from the S. E. corner of the Public Square to its intersection with East 2nd St.

Be it further ordained that Friday, August 30th, 1946, at 10:00 o'clock a. m. in the District Court Room in Morton, Texas, be, and the same hereby is designated as the time and place, when and where, property owners whose property abutts on any of the streets or units herein described may be heard to show cause why Statutory Street Improvement Lien, or liens, should not be lawfully fixed against their said properties as the law directs.

Be it further ordered that notice of such hearing be given by the publication of this Ordinance in the Morton Tribune for three consecutive weeks, before the date herein set for such hearing. And such publication of this Ordinance shall be the lawful statutory notice to said property owners to appear, should they elect so to do, and show cause why Statutory Street Improvement Liens should not be fixed against their said properties.

Commissioner McAllister introduced this Ordinance and moved its passage. Commissioner Smith seconded the motion. The Mayor called for a vote upon the Ordinance as read, and all members of the City Commission voted "Aye", and none voted "No."

The City Mayor declared the Ordinance duly passed, and ordered the same spread upon the Minutes of the City Commission in its regular place, and ordered the City Clerk to have the same published in full in the "Morton Tribune," a weekly newspaper published in the City of Morton, Texas, for three consecutive weeks beginning August the 15th 1946.

ATTEST:
 H. P. Arnold, Mayor,
 (Seal) City of Morton, Texas.
 W. K. Whitman, City Clerk,

REGIONAL ROUND-UP

—By W. N. S.

COLORADO CITY, acting as trustee for four cities, last week filed application with the state board of water engineers for water rights on the upper Colorado River.

HALE CENTER started a softball league, with five teams vying for top place.

THE NITRO PLANT at Seagraves was destroyed by fire believed caused from spontaneous combustion.

CONSTRUCTION began on Hamlin's new vocational agriculture building for the high school.

POLIO sprang out in Menard, and all public gatherings were

closed to children.

SANTA ROSA, N. M., voters okayed a \$65,000 bond issue to complete a new and remodel the old court house.

STAMFORD Chamber of Commerce will sponsor organization for water development of that area.

FLOYD COUNTY School Board, meeting at Floydada, ordered an election "as soon as possible" to determine if the districts of Lockney, Irick, Pleasant Valley, Ramsey, Sterley and Prairie Chapel will consolidate for high school purposes.

WELLINGTON, like many other cities, reported a critical water shortage, and urged its citizens to conserve.

ABERNATHY holds its annual homecoming August 13, with its World War II veterans as honored guests.

LOVINGTON, N. M., held its first big air show since the war August 3-4, with over 500 planes attending.

LAMB COUNTY FAIR, planned for September, has been cancelled, due to the drought, the Chamber of Commerce announced.

ALTUS, OKLA., will experiment with putting calcium chloride on its streets; the product is guaranteed to keep dusty streets "dustless" for a year.

SONORA Lions Club members began tearing down the old Scout Hall to make room for the new Community Center and Memorial Building.

SAN SABA old settlers hold their annual Reunion and picnic August 14 at the old fair grounds.

PETERSBURG'S alfalfa mill got under operation after a slight delay to iron out some "bugs" in the machinery.

DAWSON COUNTY'S fair also fell under the onslaught of drought; originally scheduled for October, it has been postponed until next year.

FT. STOCKTON has organized a Country Club designed to further and broaden the development program for Leon Lake.

SUL ROSS COLLEGE, Alpine, will get 52 buildings from Marfa Army Air Field for use this fall.

AND ALBANY public schools will get two buildings from Camp Wolters, Mineral Wells.

JONES COUNTY will follow the example of other Texas counties and began a Veteran's Vocational School in September.

ANDREWS COUNTY had two new locations for oil prospectors during the last week, one to go to 4,800 feet.

LAVERNE, OKLA., will get a new skating rink soon, as construction began this week.

MCAMEY "Jaycees" received special recognition at the state meet in Dallas.

SEYMOUR held its Golden Anniversary Rodeo and Old Settlers Reunion last week with record crowds attending.

SAYRE Junior College opens again this year, with registration set for August 30.

LORAIN set its dairy show tentatively for August 22, but won't settle it until a capable judge is secured.

HARPER COUNTY, OKLA., had a second deep oil test staked last week, which will go to 10,000 feet.

Tribune, Morton, Cochran County, Texas, Thursday, August 15, 1946

Top O' Texas Rodeo and Quarter Horse Show Starts August 16th

PAMPA—This Rodeo and Quarter Horse Capital is willing for Hawaii to be the forty-ninth state, but it has staked a claim on the "fiftieth" state of the Union with its 1946 edition of the Top O' Texas Rodeo and Quarter Horse Show. Not for political purposes, the backers of Top O' Texas hasten to add, but for the very happy and useful reason that Pampa is ideally located geographically to carve out a "new" rodeo and quarter horse state from Texas, Oklahoma, New Mexico and Colorado. This is proceeding to do, in entirely peaceful fashion, with elastic state lines and all the population it can get for its Rodeo and Quarter Horse Show Season of 1946—August 16, 17 and 18.

Pampa is seething with rodeo and quarter horse activity today. It is one city in the heart of the west which refuses to forget or forgo its frontier heritage, and the near approach of its rodeo-quarter show season finds practically all the permanent population of the "fiftieth" state working at this big job. The exhibition grounds are polished, and all the numerous additions lending improvement and increased capacity are completed, or so near completion as to require only a few hours more.

The Top O' Texas Quarter Horse Show is a bouncing and lusty half of the twin event. It has already passed the hundred mark in its entry list by a wide margin, and the quality of the quarter horses entered is very greatly improved. There are entries from all four "near-by" states contributing to the "fiftieth", and the quarter horse show will be featured this year by an entirely new departure—The Na-

tional Quarter Horses Breeders Association is sponsoring an actual performance contest for young quarter horses, with a very substantial prize list. There are \$300 in cash prizes and a very handsome handstamped roping saddle for grand championship. This will be a part of the regular rodeo program on the night of August 16.

Top O' Texas rodeo events are always hotly contested, and the list of classes for 1946 do not show any likelihood of change. The top amateur cowhands of the "fiftieth" state are already entered, and nearly fifty cowgirls are in the feminine group after arena honors. Contestants are straight amateurs from western ranches.

The combined prize of Top O' Texas Rodeo and Quarter Horse Show, with its very handsome trophies and championship saddles, makes it probably the richest show for amateurs in the west in 1946. The Quarter Horse Show prizes exceed \$1,000 and the Rodeo exceed \$3,000, making a total well beyond \$4,000.

All the west that can get to Pampa on August 16 is invited to see the All-West Parade which always features the beginning of Pampa's rodeo season. This parade moves through the downtown section from a mile-long street from the exhibition grounds, and the floats, wagons and costumes for 1946 are due to be "tops," as friendly rivalry between residents for parade honors and awards is at an all-time high.

2,081,311 For Texas Airports

WASHINGTON—The Civil Aeronautics Administration Wednesday announced state apportionments of \$30,822,750 for airport construction and development in the year ending June 30, 1947. The allotment was \$2,081,311. State allotments must be matched by sponsors of projects. Agency said in explaining the figures were based on population and area. The apportionment was the second with \$1,598,582. Cochran county is eligible for federal aid in improvements for local airport. Certain conditions specified by the federal government must be met by the state in order to receive these funds. The local Chamber of Commerce is now working on a bill to present to the commission court in regards to the federal aid for airports.

MISS BONNIE JOYCE DENNISON, who has been visiting in the WILLIE McCULLOCH home turned to her home in Athens, Ga., Tuesday.

Swing Of Southwest Farm Markets

Cotton reached another peak and wool strengthened during the first ten days of August, but most other southwest farm products reacted slightly from the recent high price trends, according to USDA's Production and Marketing Administration.

Cotton climbed \$10 a bale to the highest point in 23 years. Most of the grain followed the Crop Reporting Board's low estimate of only 9,290,000 bales for the 1946 crop. Strength developed in the Southwest on indications of drought damage and a good demand for limited offerings. First bales ginned in several north Texas counties brought record prices.

Wools from both Texas and Colorado were represented in increased Boston sales this week. Large weights of Texas wools also sold directly from the producing area. The fall mohair now being shorn is bringing Texas growers 59 cents a pound for adult hair, 69 cents for yearling, and 79 cents for kid mohair.

Livestock marketings continued liberal and prices were very irregular. Demand was the principal factor. Fort Worth and San Antonio reported steady to strong steer prices, but calves were sharply lower and some other classes were weak. Houston, with the largest cattle receipts of the season, had lower prices on nearly all classes. Oklahoma City, on the other hand, reported a strong to higher market on both cattle and lambs, though cows declined there and in Texas. Poor quality lambs also declined at Texas markets. On hogs, there was some reaction from the recent high level, but good and choice butchers closed the week around \$23 to \$24 a hundred throughout the Southwest.

Increased movement resulted in lower prices for San Luis Valley peas and cauliflower and northern Colorado potatoes during the past week. Louisiana sweet potatoes also declined with heavy haulings in slow demand. Watermelons and cantaloupes are at the lowest point of the season.

More liberal supplies of other meats reduced demand for poultry, but offerings continued liberal as farmers continued to cull out their flocks. Markets generally developed irregularities and slight easiness but most southwest buyers paid fairly steady prices. Eggs strengthened under good demand, shrinking receipts and moderate export shipments.

Grains eased slightly with most weakness on sorghums. Uncertainty regarding price control regulations after August 20 restricted trade in all gains. Prospects for record-breaking crops of corn and wheat also tempered the demand somewhat, though some anxiety developed over the continued drought in southwest areas. Early rice, about ready for harvest in the Louisiana-Texas area, is expected to meet a good demand with old stocks practically exhausted.

Oklahoma and Kansas growers sold a good volume of prairie hay to feeders throughout the southwest seeking supplies to supplement drying pastures. Where possible, however, farmers did without mixed feeds. This intensive resistance to the recent high price level, together with uncertainty about future ceilings, resulted in some downward adjustments.

H. J. R. No. 62.

HOUSE JOINT RESOLUTION

proposing an Amendment to Article III of the Constitution of the State of Texas by the addition of a new Section to be known as Section 49-b, creating a Veteran's Land Board and establishing a Veteran's Land Fund; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be amended by adding thereto a new Section to be known as Section 49-b which shall read as follows:

Section 49-b. There is hereby created a Board to be known as the Veteran's Land Board, which shall be composed of the Governor, the Attorney General, and the Commissioner of the General Land Office. The Legislature shall provide by law for the issuance by said Board of not to exceed Twenty-five Million Dollars (\$25,000,000) in bonds or obligations of the State of Texas for the purpose of creating a fund to be known as the Veteran's Land Fund. Such bonds shall be executed by said Board as an obligation of the State of Texas in such form, denominations, and upon such terms as shall be prescribed by law, provided, however, that said bonds shall bear a rate of interest not to exceed three per cent (3%) per annum.

"In the sale of any such bonds a preferential right of purchase shall be given to the administrators of the various teacher retirement funds, the Permanent University Funds, and the Permanent Free School Funds; such bonds to be issued only as needed, in the opinion of the Veteran's Land Board under legislative authorization.

"The Veteran's Land Fund shall be used by the Board for the sole purpose of purchasing lands suitable for the purpose hereinafter stated, situated in this State (a) owned by the United States, or any governmental agency thereof; (b) owned by the Texas Prison System, or any other governmental agency of the State of Texas; or (c) owned by any person, firm, or corporation.

"All lands thus purchased shall be acquired at the lowest price obtainable, be paid for in cash, and shall be a part of the Veteran's Land Fund.

"The lands of the Veteran's Land Fund shall be sold by the State to Texas Veterans of the present war or wars, commonly known as World War II, in such quantities, and on such terms, and at such prices and such rates of interest, and under such rules and regulations as may be prescribed by law; provided, however, that any such lands remaining unsold at the expiration of eight (8) years after the effective date of this Amendment may be sold to anyone as shall be prescribed by law.

"All moneys received and which have not been used for repurchase of land as provided herein by the Veteran's Land Board from the sale of lands and for interest on deferred payments shall be credited to the Veteran's Land Fund for use in purchasing additional lands to be sold to Texas Veterans of World War II, in like manner as shall be provided for the sale of lands purchased with the proceeds from the sales of the bonds, provided for herein, for a period of eight (8) years from the effective date of this Amendment; provided, however that so much of such moneys as may be necessary to pay interest on the bonds herein provided for shall be set aside for that purpose. After eight (8) years from the effective date of this Amendment, all moneys received by the Veteran's Land Board from the sale of the lands and interest on deferred payments, or so much thereof as may be necessary, shall be set aside for the retirement of said bonds and to pay interest thereon, and any such moneys not so needed shall be deposited to the credit of the General Revenue Fund to be appropriated to such purposes as may be prescribed by law."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State, at an election to be held throughout the State of Texas on the first Thursday in November, 1946, at which election all voters favoring the proposed Amendment shall write or have printed on their ballots the following words:

"FOR the Amendment to Article III of the Constitution of the State of Texas by adding Section 49-b creating a Veteran's Land Fund for the purchase of lands in Texas to be sold to Texas Veterans of World War II."

Those opposing said proposed Amendment shall write or have printed on their ballots the following words:

"AGAINST the Amendment to Article III of the Constitution of the State of Texas by adding Section 49-b creating a Veteran's Land Fund for the purchase of lands in Texas to be sold to Texas Veterans of World War II."

If it appears from the returns of said election that a majority

National Service Life Insurance Act Changed

Insurance benefits to veterans were materially extended when the President signed a liberalized GI insurance bill last Friday, Robert W. Sisson, Lubbock Veterans administration regional manager, said today.

Discussing the amendments to the National Service Life Insurance Act which became law yesterday, Sisson said GI insurance benefits are now in line with those of commercial insurance companies at a great saving to the veteran.

"As originally enacted, National Service Life Insurance was designed to meet the needs of men and women at war," Sisson explained. "The new amendments provide for liberalization to make it more attractive in peace time."

Principal changes in the amended act include:

1. Lump sum payments to beneficiaries if desired.

2. Total disability protection upon payment of a slight additional premium.

3. Entitlement of all persons who served in the armed forces between October 8, 1940, and September 2, 1945, to apply for National Service policies or to increase the amount of policies already in force.

4. More endorsement types of policies offered.

5. Removal of many restrictions in the naming of beneficiaries.

"Holders of about six million NSLI policies now in force are eligible for the many new benefits provided by these amendments," Sisson pointed out.

"In addition, those veterans who formerly held some ten million policies that have lapsed may still be entitled to reinstate them and take advantage of the low cost protection provided for their families by GI insurance."

A JOINT RESOLUTION

proposing an amendment to the Constitution of the State of Texas authorizing the Legislature to appropriate Seventy-five Thousand (\$75,000.00) Dollars, or so much thereof as may be necessary, to pay claims incurred by John Tarleton Agricultural College for the construction of a building on the campus of such college pursuant to deficiency authorization of the Governor of Texas on August 31, 1937.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That the Constitution of the State of Texas be amended by adding a new section, as follows:

"The Legislature is authorized to appropriate so much money as may be necessary, not to exceed Seventy-five Thousand (\$75,000.00) Dollars, to pay claims incurred by John Tarleton Agricultural College for the construction of a building on the campus of such college pursuant to deficiency authorization by the Governor of Texas on August 31, 1937."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at the next general election to be held on the first Tuesday after the first Monday in November, A. D. 1946, at which all ballots shall have printed thereon:

"FOR the Constitutional Amendment authorizing the Legislature to pay for building constructed for John Tarleton Agricultural College; and

"AGAINST the Constitutional Amendment authorizing the Legislature to pay for building constructed for John Tarleton Agricultural College."

Each voter shall mark one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment.

Section 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this state.

Section 4. The sum of Five Thousand (\$5,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the treasury of the state, not otherwise appropriated, to pay the expenses of such publication and election.

August 1, 8, 15, 22, 1946

There are diamond deposits in many states, but only in Arkansas is there a working diamond mine.

Vacation

AUTO TIP---

CHECK UP BEFORE YOU START

If you are one of the many who, for the first time in years, are planning vacation motor trips in pre-war cars—take our advice:

Plan your tour for shorter daily runs than you used to take, so that you won't have to drive fast on old tires.

Have your car thoroughly checked over, tuned up and adjusted before you leave. Little faults (such as a slipping fan belt, worn brake shoes and countless others) can readily develop into major difficulties before your vacation trip is ended.

Friday & Saturday

Frank La Rue sends his top U. S. marshals, Johnny Mack Brown and Raymond Hatton, to investigate a drowning in a haunted mine located in a ghost town. When the boys get there, they soon discover that outlaws are trying to induce Claire Whitney to give up her abandoned mine. The cut-throats resort to killings, threats and false accusations in an effort to get control of the mine, which has been found to have a gold vein on its premises, heretofore unknown. There are secret passages and an old hermit to give the outdoor hit a degree of spookiness which enhances the thrilling climax.

Saturday Prevue

Briefly, "Johnny Comes Flying Home" is the story of three ex-flyers who, bored and restless in their civilian jobs, decide to start their own air freight line. Establishing the business with a single plane is problem enough, but Johnny Martin is also beset by romantic complications with the appearance of a blonde and beautiful former aircraft plant worker who wangles a job as the plane's mechanic. How the three ex-flyers and the gal in dungarees find new thrills in the post-war skies and new romance under a peacetime moon, makes for the screen's happiest reconversion romance

Sunday & Monday

"Sentimental Journey" tells the unusual and heart-warming story of a glamorous stage star, passionately in love with her husband, who, in an attempt to add to his happiness, adopts a nine-year-old child. When the plan backfires with unexpected repercussions, the swiftly-paced drama is brought to a thrilling climax of tremendous emotional impact.

Tuesday

Power-packed with the explosive drama of the atomic bomb, and carrying with it an electrifying load of hidden dangers and violent thrills, "Rendezvous 24", the film story of the hottest secret in the world. William Gargan, Pat O'Moore and Maria Palmer head the outstanding cast. With world fever over the atomic bomb reaching a high pitch, and blazing headlines of atom bomb "spy plots" appearing daily. Producer Sol M. Wurtzel has projected a sensational story of what may have happened—and may happen again.

Wed. & Thurs.

To capture in thrilling Technicolor brilliance the natural beauty of the story's original setting, a company of 100 players, cameramen and technicians traveled 6000 miles. They staged cattle stampedes in northern Utah; penetrated into the rarely-traveled wild mountains of the Moon region in Utah; explored the gorges, mesas and mountain valleys around Kanab, Utah, and filmed rodeos in Cheyenne, Wyoming, Ogden, Utah, and Flagstaff, Arizona.

Veterans' News

Thirty-two of the 107 VA hospitals now are working under the new program of cooperation with leading medical schools, according to a report of the VA Medical Director. Within six months the program will be operating in 65 to 70 of the hospitals. The new program consists chiefly of using the VA hospitals as "teaching hospitals" for grade A medical schools. The Medical Director cited the known fact that best medicine is practiced in such hospitals.

One million of the 1,600,000 veterans who came from farms will return to the farm, 900,000 of them as farm operators, according to a VA estimate. Citing the many pitfalls in trying to obtain farms at this time which would support veterans and their families, alternatives of formal education in agricultural schools or on-the-farm training under the VA program were suggested. A department of Agriculture estimate which throws a brighter light on the long run outlook for farmer-veterans is that 160,000 farm vacancies per year will occur during the next five years. This means 800,000 farm vacancies by the end of five years.

This week marks the first anniversary of V-J Day as well as the anniversary of the day General Omar N. Bradley took over the reins of the VA. On V-J Day there were 2,500,000 veterans of World War II, and it was evident that demobilization could turn into a flood. This was borne out by the fact that the number of World War II veterans has reached the 13,000,000 mark during the past year. The first job faced by the General was to ready the VA to handle the tremendous load of work created. General Bradley states that he has spent a great part of the past year in this task.
