## AMERICAN LEGION AND V. F. W. PROGRAM PLANNED FOR NOV. 11

The Armistice Day Program will get underway Monday, November 11 at 7:30 a. m. with a breakfast for veterans at the American Legion and V. F. W. building.

Graves of deceased veterans will be decorated between the hours of nine and ten a. m. With members of the American Legion and V. F. W. taking part in the ceremony at the Morton Cemetery.

A veterans parade will start at 11 a. m. All veterans in Cochran County, are invited to take their place in the parade, uniforms optional.

At 11 a. m. there will be a flea chase with suitable award for the winner.

The Auction Sale will be held between the hours of 11 and 12. Any one is invited to take part in the auction by donating some item that may be sold. You are invited to attend the sale, there will be many items to bid on.

Merchants will be solicited by a committee from the American Legion and V. F. W. on November 1, to gather up merchandise to be distributed by them.

The attention of housewives is called to this auction sale, if you have something in your home you no longer care for, do bring it to the American Legion and V. F. W. It might be just what some one else wants and needs.

At 2:30 p. m. the football game between Morton and Levelland will be played at the Morton school stadium. This game promises to be outstanding. Come and see for your self what happens when neighbor warriors get together in a football game. The Morton vets are being coached by C. Ledbetter and W. B. Evans. Practice games the local team has made a fine showing.

Immediately following the football game the 1946 Ford will be given away by the American Legion and V. F. W. This event will take place just outside the school field.

The car event will conclude the program planned by the vets.

At eight o'clock Mr. J. I. Blanton is sponsoring a dance in connection with the Armistice day program.

The dance will be held in the new skating rink, two blocks north of the square.

## VFW Auxiliary Meeting Held Monday Night

The VFW Auxiliary Post 5074, met in the new Veterans hall Monday night, October 28, 8 p. m., for a Hallowe'en dinner and social. The hall was softly lighted by candles, carrying out the Hallowe'en colors of orange and black.

Committees elected to select the furnishings for the kitchen and auxiliary room, were: Wilma Morrison, chairman; Verna Morrison, Lorena Cadenhead, Bealson.

After a delicious dinner a pink and blue shower was presented by the Auxiliary president, Mrs. Bealson. Many lovely gifts were received.

Guests attending were Meses. A. Lewis, Bessie Curtis, A. Baker, Bertha Nairn, Connie Faulkner and Joan Bowen.

Members attending were: Bealson, Verna Vernon, Evelyn East, Ethel Crockett, Lorena Cadenhead, Mozelle Reynolds, Nellie Marie Passmore, Tommie Hans, Filma Morrison, Jamesie Coffman, Connie Coffman, Jean Bishop, and Minnie Childs.

## Whiteface Takes Another Win

Coach L. S. Salser's Whiteface interlopes overcame sturdy opposition early in the game Friday night, Oct. 18, in Spur and then went on to swamp Dickens, 74-14. Harold Sides scored 26 points and Ray McCoy and Dale Thomas each. It was the first time that Whiteface had been scored on in five victories.

ODELL SMITH attended the funeral of his uncle, MR. J. A. DUNN in Snyder, recently.

## Farmers Home Administration Opens Nov. 1st.

On November 1, 1946, the Farm Security Administration and the Emergency Crop and Seed Loan division of the Farm Credit Administration will be consolidated to become the Farmer Home Administration.

Mr. Dillard B. Lasseter, newly appointed Administrator of the Farmers Home Administration, will broadcast on "The American Farmer" program over the ABC network on Saturday, November 2 at 11:30 a. m. Central Standard Time. It is anticipated that three or four FSA borrowers will appear on this radio broadcast asking pertinent questions about the new Farmers Home Administration program and its policies. The things which Mr. Lasseter will have to say will be of particular interest to the 225 farm families in Cochran County who are present borrowers of the Farm Security Administration.

At present Mr. Davis E. Benham, local FSA Supervisor, and Miss Mary Hope Norfleet, Home Supervisor, are attending a statewide meeting in Mineral Wells for the purpose of becoming acquainted with the Farmers Home Administration.

## Anniversaries Celebrated By 3 Pioneer Couples

Three Pioneer couples celebrated their wedding anniversaries with a dinner party in the home of Mr. and Mrs. W. K. Whitman, Sunday, October 27.

This was the fourth occasion the three couples have celebrated their anniversaries together.

Mrs. Whitman surprised her guests by presenting each couple with a beautiful pot plant; a Begonia in full bloom.

The three couples enjoying this courtesy were: Mr. and Mrs. W. K. Whitman, married 39 years on October 24th.; Mr. and Mrs. W. A. Wood, married 26 years, October 30th.; Mr. and Mrs. W. A. Lindsey, who had been married 47 years on October 26th.

Mrs. Virgil Humphreys and daughter of Levelland, who were visiting her parents, Mr. and Mrs. Lindsey, were also guests at the dinner.

## Norma Lou Brisco To Wed Melvin Childs Nov. 28th.

Mr. and Mrs. J. F. Brisco of Morton have announced the engagement of their daughter, Norma Lou to Mr. Melvin E. Childs, son of Mr. and Mrs. W. E. Childs of Morton.

The wedding will be held Thursday, Nov. 28th, three o'clock at the First Baptist Church, Morton.

Miss Brisco graduated from Lorena High in 1944, attended Texas Tech two years, and is now employed at the City Hall.

Mr. Childs attended Morton schools; served in the United States Navy four years and is now a student at Hardin-Simmons University in Abilene, Tex.

Ensign John Lee Smith, 21, USNR, son of Roy L. Smith of Star Route 2, Morton, Tex., has qualified as a fighter pilot at the Naval Air Station, Miami, Fla.

Ensign Smith, who entered Naval service in 1943, received previous training at the Naval Air Training Base, Pensacola, Fla.

## Book Lover's Club Entertained In Passmore Home

Mrs. Reva Waddell entertained the Book Lover's Club Thursday evening in the home of Mrs. J. B. Passmore Jr.

"The Turquoise" by Anya Seton, was reviewed by Mrs. E. L. Willis.

Refreshments were served to one guest, Mrs. George Graham, and nineteen members: Meses. E. L. Willis, Charlie Cravy, Molly Gowdy, J. D. Hawthorne, M. C. Ledbetter, Reva Farmer, J. B. Passmore Jr., W. W. Smith, Jess Burns, D. E. Benham, Andrew Essary, Wendal Watson, J. B. Nicewarner, R. S. McAnally and Misses Mabel Ann Manley, Ruth Bromfield, Lanora Jackson, Mary Hope Norfleet and the hostess, Mrs. Reva Waddell.

The next meeting will be held in the home of Mrs. J. B. Passmore Jr. on November 14.

## AAA Applications For 1946 Payment Ready To Sign

Mr. G. C. Keith, Chairman Cochran County AAA Committee states that the 1946 Applications for Payment have been received in the county office. He stated that farmers should come in and sign their applications as soon as they have completed carrying out their 1946 practices, and that those who carried out the practice of Contour Farming only should come in at their earliest convenience because this practice has already been completed.

He said that farmers who are carrying out more than one practice should wait until all of the practices are completed before coming in to sign their Application for payment; this includes farmers and ranchmen alike.

## VISITS MELVIN CHILDS

Mr. and Mrs. W. E. Childs and Miss Norma Lou Brisco visited Melvin Childs at Hardin-Simmons University last Sunday. The engagement of Norma Lou and Melvin is being announced by her parents this week.

## Morton Hi School 4-H Club Meet Held October 21

Morton High School 4-H Club met October 21.

The minutes were read by the secretary. A report on 4-H Club Achievement Day was given.

After two games the meeting was turned over to Miss Manley who introduced group discussion. After ten minutes of group discussion color experiments were made on redheads, blondes, and brunettes.

The next meeting will be Nov. 4th.

## PROSPECTS REPORTED GOOD FOR CONTROLLING WIND EROSION

W. W. Smith and G. W. Thompson, Cochran County Supervisors of the CYT Soil Conservation District, are well pleased with the prospects for controlling wind erosion during the coming winter and next spring. Practically all cultivated land in the county has an excellent vegetative cover at this time and the District Supervisors urge all farmers to make the best use of the present protection.

Mr. Smith says a thick stubble, 12 inches to 18 inches high, provides possibly the best and most easily managed winter cover for farm lands in this district. Most forage crops do not make sufficient growth to leave stubble of that height when harvested with a binder, but both Mr. Smith and Mr. Thompson believe that erosion hazards can be substantially reduced by alternating strips cut by binder with similar areas harvested by combine.

In combating erosion an ounce of prevention may be worth several pounds of cure.

T. C. Hodges is planning a diversified program for use of the irrigation well on his farm southwest of Morton.

As a part of his soil conservation plan, he is planting approximately fifteen acres of grasses-legume improved pasture. Five and one-half acres of the pasture was sown the latter part of September and present plans are to seed more next year. Mr. Hodges believes that he can harvest a good cash crop next year from land to be seeded to pasture next fall by planting early maturing vegetables, such as onions, on the land next spring.

Personnel of the Soil Conservation Service who are assisting Mr. Hodges in developing his conservation plan think the method he used for preparing the seedbed and sowing twenty-four acres of wheat may prove quite satisfactory for broadcast crops that are to be irrigated.

## Attention Vets And Auxiliary Members

A meeting has been called for 7 p. m. Thursday, October 31, for all members of the American Legion and V.F.W. also the American Legion and V.F.W. Auxiliary.

This meeting will only take a few minutes but each member is urged to be present as important business matters are to be discussed.

There will be plenty of time after the called meeting to attend other affairs planned for the evening.

Remember 7 p. m., Hallowe'en in the American Legion and V.F.W. Hall.

## Local Legionaires Defeated 7 To 6 By Levelland Vets

(By Albert Morrow)

In what fans emphatically declared was one of the best played football games ever ruled off on the South Plains the Morton American Legion football team lost a heart-breaking football game to the Levelland American Legion by a score of 7 to 6. The local veterans led by a score of 6 to 0 until the last few minutes of the game when Levelland scored on a pass and converted for the extra point to win.

These teams will meet in a return game in Morton at 2:30 p. m., November 11th, as a part of the Armistice Day program.

The local Legionaires meet the Ropesville Legion team here Saturday night, November 2.

## Two Clubs Hold All Day Prayer Service In Hargrove Home

The Women's Missionary Society and Wesleyan Guild met Monday in the home of Mrs. L. F. Hargrove for an all day prayer service.

Mrs. Elizabeth Greer completed the book on "India".

Mr. Albert Morrow, guest speaker, gave a very interesting talk on India, based on actual experience and observation of the customs and religious habits of the country.

A covered dish luncheon was served buffet at noon to approximately twenty-five members and two guests, Mr. and Mrs. Albert Morrow.

The afternoon program consisted of talks given by Meses. Cravy, Hawthorne and Henry.

## Cochran County Represented At Hardin-Simmons

Morton and Cochran county is well represented at Hardin-Simmons University as evidenced by the following seven students who are former Morton school students: Miss Kathleen Poor, daughter of Mr. and Mrs. T. I. Poor, Eastland, former residents of Morton; Miss Jean Meek, daughter of Mr. and Mrs. A. J. Meek, San Angelo, formerly of Morton.

Miss Minnie Mildred and Steve Monroe, daughter and son of Mr. and Mrs. C. P. Monroe, Morton. Minnie Mildred is a senior at Hardin-Simmons and a former student at the University of Texas.

Melvin Childs, son of Mr. and Mrs. W. E. Childs.

Walter W. Lytle, son of Mrs. Cornelia Lytle.

Evered Cagle, son of Mr. and Mrs. W. W. Cagle of Bledsoe. Cagle served six years in the United States Army and is enrolled as a ministerial student at Hardin-Simmons.

These students are proud of Hardin-Simmons, now enjoying a record peak enrollment of 1644 students.

At the present time Hardin-Simmons is the only undefeated, untied college football team in the state of Texas.

MR. and MRS. VINCENT VAILLE, and son, ROBERT, Levelland, were Sunday afternoon guests of her parents, MR. and MRS. W. A. LINDSEY.

## American Legion Auxiliary Making Preparations For Poppy Day Nov. 9

How the wild poppy of France and Belgium became the memorial flower of America's dead of both world wars was described by Mrs. Roy Hill, president of Jesse R. Bond Unit of the American Legion Auxiliary, as the Unit went forward with preparations for observance of Poppy Day here November 9th.

"Amid the desolation of the battlefield in the first world war," said Mrs. Hill, "the poppies were the one touch of nature's beauty that survived. The little red flowers grew along the trenches and shell holes, and over the raw earth of the battle graves. In the minds of the men fighting there, the poppies became associated with their dead comrades."

"Expression was given to this sentiment by Colonel John McCrae, Canadian medical officer, in his immortal poem, with its lines:

"In Flanders fields the poppies blow,  
Between the crosses row on row—"

"Replicas of the Flanders fields poppy were first worn in America in honor of the war dead in 1918, and the wearing of these flowers on the Saturday before Armistice Day soon became a nation-wide custom. The poppy is also the memorial flower of Great Britain and is worn throughout the British Empire on Armistice Day."

"When the second world war began claiming American lives, the poppy, quite naturally, became the symbol of these added sacrifices for the nation. The largest part of the World War II battle deaths also occurred in northern Europe where the poppy grows, but no matter where

## Regular Lion's Meeting Held Thursday Nite

The Lion's Club meeting was opened Thursday night, October 17, with the Lions singing two songs, accompanied at the piano by Mrs. L. F. Hargrove.

Invocation by Rev. Jack Bullard followed "The Salute to the Flag."

The program will consist of short talks by the 4-H Club Boys and Girls, presentation of County Achievement Awards and a short sound film picturing 4-H Club Work.

The Gold Star Committee of the Home Demonstration Council will interview the candidates for the County Gold Star Award, Saturday morning, November 2. The Committee will announce its decision at the Achievement Program. This year's candidates for the County Awards are: Jean Cochran, Morton High School 4-H Club; Mary Helen Keith, Whiteface High School 4-H Club; and Shirley Jo Tucker, Morton Junior High 4-H Club.

## Wayne Williams Name Drawn For New Chevrolet

Wayne R. Williams, Army veteran son of Mr. and Mrs. Carl Williams, drew the number entitling him to purchase the Style-master brown and beige Chevrolet last Saturday at Allsup Chevrolet Company.

Wayne is now in school at Morton high and will graduate in the spring of 1947.

Americans died, the poppy pays tribute to them.

"Disabled veterans of both wars now make the poppy to be worn in memory of the dead of both wars. Poppy Day contributions aid the disabled of both wars, their families, and the families of the dead. Millions of Americans will wear the veteran-made poppies of the American Legion Auxiliary this year in silent tribute to those who lie beneath the crosses in Flanders fields and in the American war cemeteries throughout the world."

## \$217.09 Netted By Neely-Ward Carnival Oct. 26

The Hallowe'en Carnival held at Neely-Ward Saturday night netted \$217.09 and provided a good time and much merriment for young and old with spoons, witches and a variety of Hallowe'en games.

The highlight of the evening was the crowning of the Hallowe'en Queen, Miss Carol Ann Jackson, seven year old primary student.

Queen Carol Ann, escorted by Ray Harrison, was wearing a coronation gown of white ruffles sprinkled with silver stars.

Attendees to the Queen and their escorts were: Misses Shirley Ann Martin and Freddy Kelly; Madge Pyburn and Jackie Shipp.

The patrons of Neely-Ward school wish to thank the Sheriff and his splendid family for handling the auction and for their generous contribution; also the merchants and business men who helped to make the carnival a success.

## TRIP TO PORTALES

Bunky Hargrove made a trip to Portales, N. M., Friday afternoon, his sister, Miss Dorothy Ann Hargrove and her fiance returned to Morton with him for a week-end visit with friends and relatives.

## Voters Urged To Vote For No. 3 Amendment

As County Chairman of Texas Good Road Association, I am urging you to vote for Amendment No. 3, on November 5, in the General Election. Let's see how this Amendment No. 3, affects Cochran County:

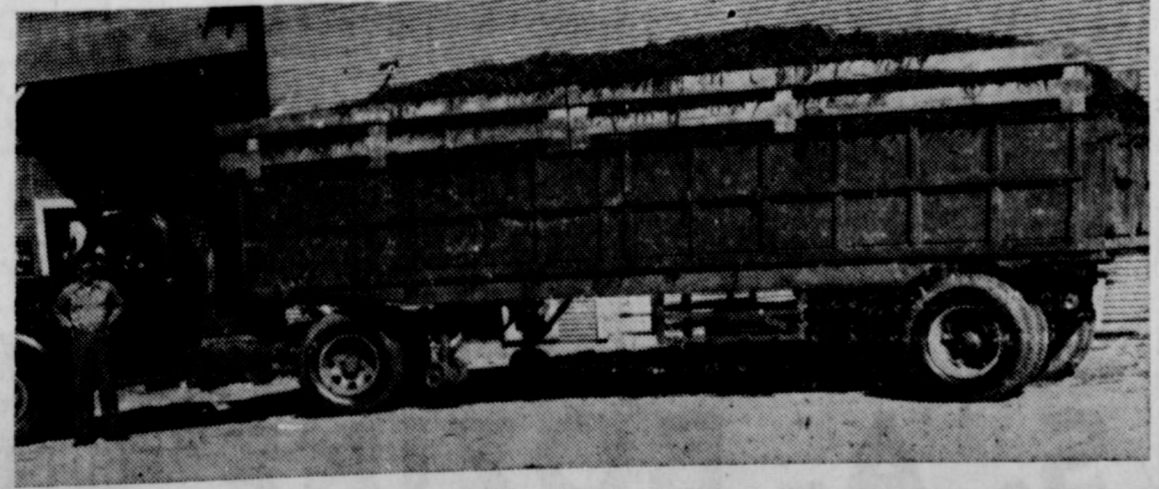

It freezes the 4c gasoline tax where it is. Constitutional of one fourth of gasoline taxes go to the schools of this State. Retirement of County Road Bonds of which the State is retiring, \$186,000.00 of Cochran County Road Bonds Series B, and 6.95 percent of Bonds Series A. You see that is a large saving to the Tax Payers of Cochran County. This comes out of the 4c gasoline tax. The State Highway Commissioners are planning on spending \$100,000.00 in the next few years on farm-to-market roads if this amendment carries. It means more farm-to-market roads for the state, better rural mail service, more jobs for Texas workmen and safer roads.

Lets all go to the polls and vote for the adoption of this Good Road Amendment.

—J. R. Ward.

## MOVES BACK TO MORTON

Mr. and Mrs. Pauly Robinson have moved into the home vacated by Mrs. Ruth Willis. The Robinson's formerly lived in Morton but have been away for some time, living in Panhandle and Socorro.

## LOOKING AHEAD

By George S. Benson, President, Harding College, Searcy, Ark.

### REPRESENTATION

All Americans had reason to be jubilant on August 2. Not because an unruly monarch had abdicated. On that day the 79th Congress adjourned, and its members would soon sweep through the pre-election countryside—reporting to the "constituency." Our Congressmen packed up to return home on that day, and it has been ours to vote for them or against them.

Our founding fathers decried the making of laws "without representation," could have complimented our wartime Congress. Serving through a most trying period at the very beginning of our reconstruction, after courageously displaying a people's will through the most debilitating war in our history, the 79th Congress faced all manner of complicated problems.

### Deliberation

Probably the 79th Congress did not please everybody. But at the same time, when one surveys the record, it is apparent that this Congress has made some unusual history. Congress accepted the United Nations charter, thus committing America to a much more effective part in world leadership. This Congress demonstrated that it is not willing to allow our foreign policy to ride the winds of fortune, that it will be active though deliberate in helping build a peace.

Deliberate. That's a word our Congress properly exemplifies. Actually, this is another way of saying that we want the citizens we vote into Congress to be statesmen who will exercise the prerogative of brains. We want our legislators to be studious and careful in preparation of laws, in this government of the people. Only in this way may we have the best representation. Remember that when you hear the alarm: "Why doesn't Congress do something?"

### No Rubber Stamp

Remember too that political expediency makes deliberation necessary, as Congress attempts to work out a pattern of harmony with other departments. If some things were bungled by the 79th Congress, in many instances the bungling may be chalked up to other branches of the government. But this Congress did demonstrate that it was no "rubber stamp" Congress, and it made parliamentary history in this respect.

It was a people's Congress. It took definite steps in the direction of a balanced budget, for many legislators put themselves on record in an attempt to preserve the integrity of the nation's finance. No budget legislation was passed, but much was done to prepare ground-work for future budget-balancing legislation.

### Attention Of Texas Voters Directed To S. J. R. No. 5 On General Election Ballot

COLLEGE STATION—Attention of the people of Texas was directed today to an obligation involving payment for a \$75,000 building at the John Tarleton Agricultural College at Stephenville by President Gibb Gilchrist of the A. and M. College of Texas, who is also President of the John Tarleton Agricultural College at Stephenville.

President Gilchrist urged careful study and complete understanding of the provisions of a Constitutional amendment, S. J. R. Number 5, which will be submitted at the forthcoming November election.

"In 1937 the Legislature in the John Tarleton appropriation bill authorized \$75,000 for a Science building. An error was made in copying the instrument and this particular item was inadvertently left out of the final bill which the Governor approved. When apprised of the error, the Governor, under his constitutional authority, authorized a deficiency appropriation.

"The building was constructed and put in use. The contractor was paid with State warrants

under the deficiency appropriation. After two years the Attorney General ruled that the deficiency warrants were issued without proper legal authority. Many lawyers regard the legal question as a close one.

"The John Tarleton Agricultural College has had the use of the building for nine years. It is a splendid structure, now the most used building on the campus. It houses the Library of 26,000 volumes and the departments of chemistry, physics, engineering, architecture and biology.

"The three-story brick building today is worth twice its original contract price, and it still has not been paid for. Throughout the war the building was used to train men for the armed forces. Today it is being used by some 500 returned veterans for classrooms and laboratories.

"This is one of those things that just sometimes happens and likely will never happen again. What it takes to correct it is the passage of S. J. R. Number 5, which simply authorizes the Legislature to appropriate money to pay the contractor who construct-

### Whooping Cough Expected To Show Increase

AUSTIN—Inasmuch as the incidence of whooping cough in Texas is expected to show an increase during the coming months Dr. Geo. W. Cox, State Health Officer, released a statement today urging that strenuous efforts be made to control the spread of this debilitating childhood disease.

"Whooping cough can only be contracted by direct exposure to the disease, and isolation of cases must be universally practiced if the incidence is to be controlled," Dr. Cox stated.

"The infectious agent or germ of whooping cough is transmitted by droplets expelled in coughing, or speaking," Dr. Cox said. "The discharges from the nose and throat are dangerous to susceptible persons; the need for early recognition and careful isolation of whooping cough is obvious."

The first sign of this disease is usually a dry cough, which persists day and night and tends to become increasingly severe. The disease is fully developed when vomiting of food and whooping accompany the paroxysm of cough. Dr. Cox stressed the fact that children who have whooping cough should not attend school or come in contact with other children until three weeks after the appearance of typical signs of the disease.

"Prevention and control of whooping cough, especially among infants and small children, may be accomplished through use of approved vaccine and convalescent serum," Dr. Cox asserted, "and it is important that such measures be taken to protect them. Neglecting to do so, and allowing the young child to suffer an attack of this disease, may seriously impair his future health."

#### Friendship—Three Thousand Miles Apart

Ever play chess? It's a great game! One of the strongest friendships I know of started with a game of chess—between Dad Hoskins, in our town, and a man named Dalton Barnes, in England.

They've never seen each other, never met. But for the past eight years they've been playing chess by mail together—Dad puzzling over Dalton's latest letter, while he sends a chart of his next move to England.

Dad always thinks best with a mellow glass of beer beside his

chessboard. And the Englishman writes him that he does the same. "You know, it's almost as if we shared a glass of beer together, too!" says Dad contentedly.

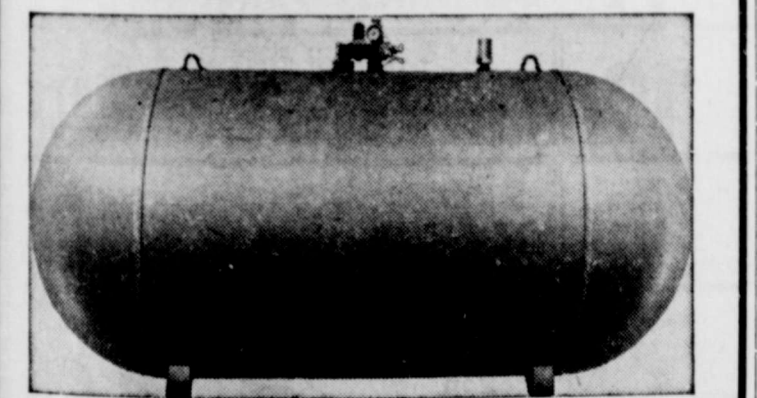

From where I sit, you can talk about diplomacy and foreign policy, but it's often those little things—like a game of chess or a glass of beer—that can make for tolerance and understanding . . . between people of all nations . . . between neighbors here at home!

ed the building. This is an obligation of the State of Texas which should be paid. The people of Texas have many times shown their willingness to correct an error and pay an honest debt. For that reason, I presume to ask that full publicity be given this proposal so that everyone may understand just what is meant by the proposed amendment.

"The College could hardly have done the job for which it was created without this building, and this proposal simply provides a means of paying for the construction and thereby correcting an honest mistake."

### THERE SIMPLY ARE NOT ENOUGH NEW CHEVROLETS TO GO AROUND

We are getting our fair share of the current production of new Chevrolet passenger cars and trucks. And as strikes and shortages decrease, as the Chevrolet plants are able to produce more and more new passenger cars and trucks, we'll get more and more of them to deliver to our customers.

Meanwhile, as long as shortages do exist, it is our purpose to apportion our share of the new Chevrolets available fairly and justly among the many customers, new and old, whose continued friendship and patronage are the keystone of our business.

So that you may have no doubt as to our method of distribution of new Chevrolet passenger cars and trucks, we make the following—

### DECLARATION OF POLICY

- PRIORITY OF DELIVERY**—New Chevrolet cars and trucks will be apportioned on the basis of: (1) essential public services, (2) veterans' occupational requirements, (3) priority of date in placing orders.
- PRICES**—All new Chevrolet cars and trucks will be sold at the authorized prices current at time of delivery.
- TRADE-INS**—No trade-in will be required from any customer who does not have a car to dispose of at the time of the transaction. Customers who do have cars will be given allowances based on honest appraisal and fair value at the time of delivery.
- ACCESSORIES**—No customer will be asked to purchase accessories as a condition of securing delivery.
- STATUS OF ORDERS**—Customers will be informed, upon request, of the true status of their orders in our files.
- NEW ORDERS**—We welcome your order for a new Chevrolet at any time.

WE THANK YOU FOR YOUR PATIENCE AND LOYALTY IN AWAITING DELIVERY OF YOUR NEW CHEVROLET

### South Plains Jr. Fat Stock Show March 24-26, '47

The South Plains Junior Fat Stock Show will be held March 24-26, 1947 in Lubbock, Texas, Lubbock Chamber of Commerce officials announced today.

The new classes have been added this year, the Spotted Poland and China class in the swine division and the Cross-bred class in the sheep division. The latter classification has been defined as a mutton ram on fine wool ewe, lambed after September 15, 1946.

Another change has been made in the Group of Five Pigs. These pigs no longer need be of the same litter, but must be of the same breed.

Printed catalogs for the show will be mailed exhibitors early in January.

Entries will be accepted from the following counties: Curry, Roosevelt, and Lea in New Mexico.

### Natural American Cheese Will Soon Be Available

Natural American cheese which ages in its own transparent wrapper and combines uniformity of flavor, convenience and economy soon will be available to consumers everywhere.

Thick rinds, flaky paraffin and cheese cloth bandages are eliminated in this new type of American cheese, eliminating also much of the fuss and bother of trimming and handling which is characteristic of the old styles.

Produced in 10-pound units, this new style of cheese is already available in many markets and production is being steadily expanded, according to John H. Kraft, president of the Kraft Foods Company which is making and distributing the product. The company had the cheese ready for distribution in 1941 but wartime demand necessitated holding up production, Mr. Kraft said.

"Development of this size and style of cheese is one of the most important steps in this history of American cheese manufacture," Mr. Kraft declared. "It means the retail grocer will have available to consumers a high quality natural cheese, made from pasteurized milk, which has practically all the convenience, ease of handling and waste-free characteristics of processed cheese in loaf form."

Many cheesemaking, packaging and curing problems had to be solved before full production could be started for the temporary sizes. The old method of American cheese production was to make the cheese in sizes ranging up to 80 pounds. The cheese cloth bandage was applied and the cheese dipped in molten wax. When it reached the consumer, the cheese was cut into irregular sized shapes, slices or chunks, inconvenient to handle both for the retailer and the consumer.

The new product is pressed into its rectangular shape and packed right in the factory, with the bandages and paraffin eliminated. It cures with little or no rind, which means a minimum of trimming when it is sliced for sandwiches, cut for dessert or placed on a piece of pie.

A number of production units are turning out this cheese in quantity and additional plants are being converted as fast as wrapping and other equipment can be obtained.

### Veterans' Questions & Answers

Q. I served only four months in the army before I got a dependency discharge. Now I'm in need of an operation. Am I eligible to enter a veterans hospital?

A. Yes, any veteran is eligible for hospitalization at a VA hospital providing he served at least 90 days in the armed forces and that his discharge is other than dishonorable. However, to be treated for non-service connected ailments, you must sign a statement that you are financially unable to pay for private treatment.

Q. Can a veteran be cared for in a private hospital at the expense of the government?

A. Yes, provided the ailment was incurred in or aggravated by service in the armed forces and prior authorization is obtained from VA regional office. In the case of female veterans, the ailment need not be service-connected.

Q. Can I be treated at a VA hospital for malaria that didn't evidence itself until after I was discharged from the Army?

A. Yes. The VA rules that malaria may be service-connected even though no attacks occurred prior to the veteran's release from service. Therefore, you may be hospitalized. Out-patient medical treatment may also be authorized. If your illness is serious enough, you may also file a disability claim.

Q. Is a veteran's family entitled to care in a VA hospital?

A. Not unless they have attained eligibility in their own right by reason of service in the armed forces.

Q. May I be furnished a wheel chair by the VA?

A. Yes, if you have a service-connected disability requiring the use of one.

Q. May an honorably discharged member of the WAC obtain hospital treatment and domiciliary care in a VA facility?

A. Yes. Former members of the WAC, as well as any other women's organization in the armed forces, are entitled to the same treatment as male veterans.

Next thing we'll probably hear is that the strikers want to work every day but week days, with Sundays off.

## Constitutional Amendment Will Be Voted On In November 7th Election

AUSTIN—Passed by the legis-  
lature unanimously and approv-  
ed by the American Legion, the  
Division of Foreign Wars, the  
Division and the State De-  
mocratic Convention, a Constitu-  
tional Amendment making it  
possible for Texas veterans to  
purchase farm and ranch homes  
on the State, faces ratification  
of the voters on Thursday, No-  
vember 7, two days after the gen-  
eral election.

Commissioner of the General  
Land Office.

Under the plan the State  
would put some 10,000 tracts lo-  
cated in every sector of the State  
on sale to the veterans for as lit-  
tle as 10 per cent down with 40  
years to pay the balance at 4 per  
cent interest. The tracts would  
range from 50-acre farms to 2,500  
acre ranches with a maximum  
purchase price of \$5,000.

Each tract would carry a fif-  
teen-sixteenths mineral fee inter-  
est in oil and gas and seven-  
eighths mineral fee interest in  
sulphur. Purchasers would not be  
required to homestead the land.  
They would also be permitted to  
dispose of their equity.

The State, which owns several  
million acres of land, plans to  
select the best tracts and to sup-  
plement this acreage through  
purchase of some of the 2,400,000  
acres of land acquired by the  
Federal government during the war.

The program, which would run  
over an eight-year period, would  
be administered by the Veterans'  
Land Board composed of the Gov-

## Weekly SURPLUS NEWS WAA

Texas, with its many flying  
services and veterans enrolled in  
flying training courses under the  
G. I. Bill, has been one of the  
largest buyers of surplus aircraft  
sold by War Assets Administra-  
tion. A total of 16,755 planes have  
been sold by WAA since V-J Day.  
Veterans have bought more than  
half of the four principal types of  
transport planes which have  
been put into service on non-  
scheduled lines since the end of  
the war.

If you thought WAA sold only  
large items or surplus, such as  
tractors, locomotives and bar-  
racks, take a look at some of the  
small items purchased recently  
from Fort Worth WAA. R. B.  
Dawson of Tullia bought a putty  
knife; Jess McGuire of Amarillo  
went home with two pitchforks;  
William A. Crow of Brownwood  
found a paper cutter he wanted,  
and Winfred Atwood of Fort  
Worth bought a water tank.  
While the smaller items cannot  
always be purchased singly, they  
are available at site sales as  
parts of merchandising lots.  
WAA has thousands of such lots  
remaining to be sold at site sales.

If you should happen to want  
it, Fort Worth WAA regional of-  
fice will sell you a million bot-  
tles of ethyl hexanedioil, dime-  
thyl phthalate and indalone.  
That's Bug Repellent to you, son.  
The price is 2c per bottle for  
priority claimants and wholesalers,  
and 3c to small retailers, who  
may buy a minimum of 50,000  
bottles.

If you are interested in chemi-  
cals, here's your chance to buy  
anything from Acetone to Xylol  
from a stock of \$35,000,000 worth  
of surplus industrial chemicals  
now being offered in a national  
sale campaign by War Assets Ad-  
ministration. Quantities of some  
of these chemicals are located in  
practically all of WAA's 33 re-  
gions. The Inter-Regional Sales

error, Attorney General, and the  
General Land Commissioner, in  
cooperation with enabling stat-  
utes by the Legislature. This Board  
would be authorized to issue up  
to \$25,000,000 in bonds to be sold  
to State surplus funds, for the  
purpose of purchasing Federal-  
owned land.

Division in the Fort Worth re-  
gional office is prepared to locate  
the material in any of the re-  
gions. All sales are subject to  
priority regulations.

Sixty-three percent of the de-  
clared surplus of the Office of  
Civilian Defense has been sold  
by War Assets Administration.  
The property originally cost OGD  
\$18,000,000, and the WAA has  
disposed of equipment valued at  
\$11,300,000. The sale began April  
15 and the property was stored in  
2,600 locations. On Oct. 1, the  
WAA sales had cleared 1,500 of  
the locations.

## Fender Bender?

Body and fender dents are unlucky, aggravating things.  
Dents ruin dispositions, destroy the pride of ownership and  
pave the way for costly rust and depreciation—but they're  
inevitable. Yet if left unrepaired, dents advertise neglect  
and brand the owner as a "Dent Saver."

We believe that we have the most "painless" dent re-  
pair shop in this area. We recondition dented fenders, door  
and body panels like new—early delivery—at a pleasant  
price.
