

FEDERAL GRANT TO COCHRAN COUNTY COURTHOUSE

Projected Improvements Total Over \$283,000

Advances were made Friday, November 8, by General Phillip B. Fleming, federal works administrator to finance the preparation of plans and specifications for local public works in Arkansas, Oklahoma and Texas.

The Texas grant included an amount of \$273,707 \$9,300 for addition to and remodeling of the Cochran County Courthouse.

Plans call for the addition of a 60 foot extension; enlarging the office space for government offices by extending the building 30 feet each to the north and south side of the present courthouse.

The jail will be moved to the second floor, enlarged and modernized.

The entire exterior will be reworked in stone and both the interior and exterior architectural details altered to harmonize, by eliminating an added tooled over effect.

The date this federal grant has been accepted by the commissioners court for the projected improvements.

Maytag Laundry Purchased By K. Abernathy

J. K. Abernathy, formerly Floydada, is announcing in this issue of the Tribune, the purchase of the Maytag Laundry, Mrs. Alice Harry.

The laundry is located one block north and one west of the courthouse.

The laundry is equipped with the latest washing machines for convenience of local housewives in doing their laundry.

Abernathy will be assisted by Mrs. Harry and plans to the public the same efficient self services five days a week, Monday through Friday.

Unable to take advantage of the help-self services are invited to bring their bundles for wet laundering and finishing.

Abernathy, on terminal leave from the United States Army, is the former Margaret Campbell, daughter of Mr. and Mrs. C. D. Campbell, former residents of Sudan. They have a four year old son, Garland David.

Abernathy will move his family to Morton from Floydada soon as suitable living quarters can be found.

Abernathy served six years in the army, two and one-half years in the navy, entering with the National Guard in 1940. He held the rank of Captain, serving in the quartermasters corp with the 17th and first armies in Europe and the Far East. He has five major campaign ribbons and the bronze star.

Representatives for WAA Will Be in Lubbock Nov. 15

LUBBOCK—Veterans throughout the Panhandle and West Texas areas who have not previously applied to War Assets Administration for the necessary certification to participate in surplus property disposals will have their only opportunity during the week of November 15 to visit by WAA field representatives to Lubbock.

Doyle Smith and James L. Adair will be at the Veterans Service Office, 910 Texas Avenue, Lubbock from 9 to 12 o'clock on Friday, November 15. Normally two visits are made each month but due to Thanksgiving holiday there will be no second visit in November.

Smith stated that there are two large "site sales" of tremendous quantities of surplus goods shortly to open, the first one at Fort Worth Quartermaster Depot later in November and another Camp Bowie near Brownwood early in December.

Veterans by applying now will be assured of obtaining the required certificates for surplus goods they need in time to participate in either or both of the site sales now being made ready for opening.

MISS CAROL EVANS, daughter of Mr. and Mrs. LLOYD EVANS, spent the week-end in Morton. CAROL attends Texas Tech.

INDIANS WIN 38 TO 6 OVER ABERNATHEY

The Morton Indians rolled up a 38 to 6 score against the Abernathy Antelopes here Friday night for Morton's first conference win. The Indians went wild in the third quarter scoring 25 points in about 5 minutes.

Within about four minutes of the start, the Indians drove down to the Abernathy five yard line where fullback Jack Shirley carried the pigskin over for the first score. The try for extra point failed.

Then Abernathy came back with a vicious attack that drove the Indians back and the Antelopes scored tying the score when the extra point failed.

A renewed Indian team came back on the field in the third quarter, and kicking to the Antelopes and holding them to three downs, the Indians took the ball on a punt. Bobby Graham brought the ball back up field on a nice run back to about the thirty yard line where Kenneth Willis passed to Gerald Lemon for the second tally for the locals.

Again the Indians covered an Antelope fumble and right-half Bob Graham, with two long runs carried the ball back across the double stripe making the score 18 to 6. Jack Shirley added the extra point.

Still in the third quarter, left half Edward Negal intercepted a pass and make a nice run back with some beautiful blocking and in one more play, Negal carried it over to add another score.

The Indians fought the Antelopes to a standstill again and took the ball on downs and Bob Graham again got his flying feet to moving to add the thirty-first point. The second string came in to give the regulars a well deserved rest. The second team did some brilliant defence work and held the Antelopes on the Indian twenty yard line. The first team came back in the game and late in the fourth quarter Jimmy Willis intercepted a pass and behind some beautiful blocking from the rest of the team, carried the ball eighty yards to the final Morton score. A pass from Willis to Lemon added the extra point to end the game.

Jack Taylor, Billy Joe Gandy, John Williamson and Snookie Russell were strong on the defence stopping the Antelopes ground attack.

1936 Study Club Entertained In Hargrove Home

Mrs. L. F. Hargrove graciously served a delicious refreshment plate to the following 1936 Study Club members on Wednesday, Nov. 6, at 4:15 P. M. Mmes. Jess Burns, Chas. Cravy, Truman Doss, Mary Gowdy, Jerome Holloway, J. B. Knox, M. C. Ledbetter, Chester Strickland, Albert Morrow, Joe Nicewarner, R. C. Ross, James St. Clair, J. D. Hawthorne, Travis Ferguson and Mrs. Elizabeth Greer, a guest.

Following the business session Mrs. Jess Burns discussed interesting highlights of "Modern Science From Woman's Viewpoint". She quoted from Consumer's Guide whether or not certain well known brands of products are okayed by them.

The next meeting will be at the home of Mrs. Scott Hawkins, November 20.

MR. TOM McALISTER and son, BILL, enjoyed a hunting trip in mountains of New Mexico over the Armistice Day holiday.

MR. and MRS. EARL LOUDER of Seagraves visited Monday with MR. and MRS. CARL ENGLAND.

C. C. Renfro is making announcement this week of the purchase from Larry Kelly of stock held by Kelly in the Morton Flash-O-Gas Company.

Mr. Kelly wishes to thank the customers for their patronage and wonderful patience in waiting for hard to get items in heating equipment. He requests the customers to continue their splendid cooperation with Mr. Renfro in the operation of the Flash-O-Gas.

To date definite plans have not been made by Kelly but in all probability he will engage in farming in the immediate vicinity.

Renfro will continue to operate the Flash-O-Gas business in the same efficient, courteous manner as enjoyed by customers in the past. He hopes to be able soon to fill all orders for stoves, ranges, water heaters and other heating equipment as stocks become available.

Legion Teams Tied 0-0 In Game Armistice Day

By Lois H. Vestal, Sports Writer, Hockley County Herald.

Coach Hector McMillan's Levelland Legionnaires fought Coach M. C. Ledbetter's Morton Veterans to 0-0 tie in an Armistice Day celebration in Morton Monday afternoon before a large crowd of half frozen fans.

The affair was pretty much nip and tuck all the way, with Morton having the edge in first downs, 7 to 6, while Levelland had the edge in punting.

To open the game, Levelland kicked to Morton, with the latter returning the ball to their 35 and carried for four downs and they kicked to Levelland. Levelland took the ball on the 46 and on seven downs advanced the ball to the Morton 17, where the home town team took over on downs.

Late in the third period, Morton reached the Levelland 12 and fumbled, Levelland recovered on the five to cut off the most serious threat of the afternoon.

Both teams were backed up by their high school pep squads, with appropriate yells throughout the contest.

Morton's starting line-up: Burt Williams, left end; Fred Igo, left tackle; Jack Lackey, left guard; Flanagan, center; S. C. Kelley, right guard; Bill Whitman, right tackle; Jimmie Young, right end; Ray Baker, quarterback; J. B. Passmore, right halfback; Calvin Davis, left halfback; Ken Coffman, fullback.

Levelland starters: Lambert Graham, left end; Billy Varde-man, left tackle; Moore, left guard; James Wright, center; Junior Bailey, right guard; Fred Cannon, right tackle; Ralph Mathis, right end; James Chaney, quarterback; Bobbie McMillan, right halfback; Jim Humphries, left halfback; Junior Mayfield, fullback.

After presenting the honoree with a lovely "co-op" cooker several games were played and enjoyed by all.

A delicious covered dish supper and beautiful birthday cake was enjoyed by the following ladies: Naomi Wright, Boyce Mitchell, Louise Hill, Irene Rush, Nellie Fincher, Verna Mae Lowe, Anna Bell Swanner, Ruby Arnold, Ethel Cooper, Elsie Cravens, Wilma Morrison, Frenchie Patterson, Dessie Mae Robertson, Retha Riley, Nell Outlaw, Etta Sullivan, Myrtle Lou Lilledall, Bernice Ray, Mable Ann Manley, Cloie Minor and Iva Williams.

Legion And VFW Auxiliaries Called Meeting Tonight

The American Legion and VFW have called a meeting of the two auxiliaries at Veterans Hall, Thursday (tonight) at 7:30 p. m. All members of both auxiliaries are urgently requested to be present for this meeting.

Indians Will Close Football Season By Playing Muleshoe Here Friday

The Morton Indians play host to the Muleshoe Yellowjackets Friday night, November 15, which is the last game of the season for both clubs. This game was originally scheduled for Thanksgiving Day but was changed to the 15th because each team would have two idle week-ends.

The Yellowjackets are a strong ball club having won five games out of eight starts, losing to Littlefield, 45 to 20; Sudan, 14 to 7;

Several hundred persons jammed Morton's square Monday for the Armistice Day celebration.

The program got underway with a breakfast at Veterans Hall beginning at 7:30, approximately 60 veterans were present. Between the hours of 9 and 10 the graves of deceased veterans were decorated with wreaths of poppies.

At 10:30 a colorful parade composed of veterans from all branches of the service, a red, white and blue decorated float, sponsored by the VFW and American Legion Auxiliaries, private cars with gold star mothers and families passed in review around the square in honor of the dead heroes of both world wars. At eleven the veterans were called to attention for a minutes silent salute to the heroes of all wars for peace.

The Guinea Chase began when the guinea was let loose by Herman Crockett, assisted by John Crockett, from the roof of the courthouse. The guinea flew immediately to a tree and was frightened away by two boys climbing the tree. After a chase of several blocks, the guinea was caught and returned to the judges stand by James Holloman, young son of Fred Holloman. James received the \$10.00 award given by the American Legion and VFW and an additional \$1. given by Kenneth Bozeman of Lubbock. John L. McGee bought the guinea from James for two dollars and immediately presented the fowl to the veterans to be sold at auction.

W. K. Smart, local young business man, officiated as Master of Ceremonies for both the guinea chase and auction.

The auction, well handled by W. L. Hancock, local auctioneer, W. F. Hays, Jr., Muleshoe and Kenneth Bozeman of Lubbock, added to the American Legion and VFW building fund \$348.10. All items auctioned were donated by local merchants, business firms and individuals. The three auctioneers donated their services to the two veterans organizations free of charge. The veterans have asked the Tribune to publicly thank all those who so generously donated articles to the sale and to the auctioneers who donated their services.

The football game between the Morton vets and Levelland vets took in \$539.13 in cash. Story of the game is published in another portion of the Tribune.

The 1946 Ford given by the vets to L. G. Green immediately following the game made \$5,466.61.

The day's festivities were concluded by a bridge and 42 tournament at Veterans Hall, sponsored by the American Legion and VFW Auxiliaries. Funds made by the Auxiliaries will be used in buying furnishings for the building. Mmes. Roy Hill, E. C. Strickland, Willie Rose and E. R. Lytle served refreshments to the players during the evening.

Poppy Sales Net \$161.08 Saturday

Poppy Day sales in Morton Saturday totaled \$161.08, one of the largest amounts ever collected here from the sales. Mrs. Oscar Vernon, chairman of the campaign sponsored by the American Legion Auxiliary, announced here Tuesday.

Poppies were sold around Morton's square by the Brownie Scouts with first prize being awarded to Martha Morrison, daughter of Mr. and Mrs. Fred Morrison, for selling the most poppies.

Funds derived from the sale of the Poppies are used in the Auxiliaries rehabilitation program, which includes local, state, national and foreign rehabilitation work.

The Auxiliary wishes to extend their wholehearted gratitude to the Brownies for their wonderful cooperation.

Legion Auxiliary Meeting Held Tuesday Night

The American Legion Auxiliary met in the home of Mrs. R. C. Strickland, Thursday night, November 7, for their regular meeting.

Members of the V. F. W. Auxiliary met with the group to complete plans for the Armistice Day celebration.

The following committees were appointed for the Armistice Day program: Ticket booth at football game: Mmes. W. J. Weeks, John L. McGee, L. B. Childs and Earl Cadhead; soda pop and pop corn booth for football game: Mmes. C. C. Nettles, L. M. Baldwin, Kenneth Coffman and Oscar Vernon; decorating of truck for parade: Mmes. Kate Smith Heads Polio Campaign

Kate Smith, famous radio star, is national chairman of the 1946 Sister Elizabeth Kenny campaign for Infantile Paralysis, which campaign will be conducted throughout the nation, November 15 through December 7.

The Texas quota has been set at \$150,000. George C. Francisco, Jr., of Houston, chairman of the Texas Executive Committee, announced, and funds will be used to send graduate nurses to the Kenny Institute in Minneapolis for two year training as technicians, so that there will be available trained Kenny Technicians wherever polio breaks out in epidemic stage, and to eventually build Kenny clinics in the state.

Counties are being organized throughout the state. Campaign chairmen have now been appointed in more than 100 counties and committees are being organized. However, volunteers are needed throughout the state. Interested persons can contact the Kenny State Headquarters at the Driskill Hotel in Austin.

Methods Given For Controlling Fruit Tree Borers

Many fruit trees in Cochran County have been killed or damaged this year by borers, and the trees that are infected will probably be killed next year unless some control methods are used in the near future according to Roy Hickman, Jr., County Agent.

The control of these insects may be affected by the use of Paradiachlorobenzene (P. D. B.) or Ethylene Dichloride emulsion. If the borers are going to be controlled treatments should be made in the near future.

If P. D. B. is used the soil crust should be broken for about 18 in. around the tree and all grass and weeds removed. The P. D. B. should then be placed in a circle around the tree about two inches from the base. Immediately after the P. D. B. has been applied it should be covered with dirt and the dirt packed with the back of a shovel to make a cone shaped mound around the tree. After about six weeks the mound of dirt should be torn down and the P. D. B. removed. It will take about an ounce of P. D. B. per tree.

To control the borer this treatment should be made before the 15th. of November.

Eleven F. H. A. Girls From Whiteface Attended Meeting In Anson Nov. 2

Eleven sleepy F. H. A. girls of their sponsor, Mrs. Cordray Whiteface at 4 a. m., Nov. 2, to Anson for the first Anea meeting to be held in five years. During the morning session we were given a report on the happenings at State Camp this summer by our Anea President, Miss Ann Scott. The Anea Parliamentarian reviewed the old constitution for us and it was decided that since it was not up-to-date that we would adopt and accept the National Constitution. A committee of three schools was appointed to revise it so that it would be used in the Anea. It was decided that two Anea officers, song leader and historian, would be added; thereby, giving the schools a chance to be represented with Anea officers.

At the noon hour the group engaged in addition to eating, group singing, a truth of consequences program, games, and square dancing for those who cared to participate.

After noon we were privileged to hear an enlightening address emphasizing the foundation of

the home as set up by Jesus, given by Rev. Edwin Kinby of McMurray. This was followed by a radio program and reading sponsored by Stamford chapter.

To close the program, Miss Courser, Anea Advisor, told us about our State Camp and our National Organization, and some things clubs were doing, which made us want to do more.

Special songs and group singing were enjoyed at different periods throughout the day. Billie Taylor—Reporter.

BETTER CROP OUTLOOK

"Reasonably favorable weather during the 1947 season should result in larger plantings and also favor higher yields. A more favorable labor situation and increased machinery supplies are expected to facilitate higher production. Present prices, if sustained, would allow cotton to compete more effectively with alternative enterprises."—1947 Outlook Issue, U. S. D. A. "Cotton Situation."

Former Chaplain Has 500 Marriages To His Credit

With 500 marriages to his credit, Ed Brimberry, former Army chaplain who is now a graduate ministerial student in Brite College of the Bible, TCU, remembers one day back in Roswell, N. M., when things got a little out of hand.

That day, seven newly commissioned second lieutenants and their brides appeared to be married. The strain was not too great on the chaplain, but his wife became hoarse supplying all the singing.

With photography as his hobby, Brimberry has pictures of all the couples he has married. He performed two trans-Pacific weddings by radio-telephone.

His authoritative observation, based on his experience in 500 weddings: "The bride glories in it; the groom wants to get it over. So the girl is usually calm, the man very nervous!"

Enlistments Now Open For Army Pacific Divisions

The Army Recruiting Office in Lubbock announced today that enlistments are now open for certain Pacific Theatre Divisions, namely the 1st Cavalry, 6th, 7th, 24th and 25th Infantry Divisions.

The Regular Army today requires a higher standard of technical skill than the world has ever known before. The men of our New Regular Army must be capable, efficient and able to handle many instruments of modern military science from Robot Bombs, Television, Radar and Atomic Energy to Jet-Propelled Planes. The New Regular Army of highly trained men has the stature that will win for this nation the goodwill and respect of the whole world. The high mental, moral and physical standards of the men who now comprise the Regular Army merits the respect and support of their fellow citizens while performing the high task laid upon them of making this world of ours one of peace and security for all. Opportunity is given to men to take part in shaping the world of the future by enlisting in the Regular Army, an opportunity which offers advancement, good pay, education, travel and security and a career in pace with technological advancements of age. For further information see your nearest Recruiting Office.

Miss Mary Nell Richard Wed To Gerald R. Vest

Miss Mary Nell Richard, daughter of Mrs. A. J. Richard, Morton, became the bride of Mr. Gerald R. Vest, son of Mr. and Mrs. Roy Vest, Whiteface, Saturday at the home of her sister, Mrs. Alton Green, Bula.

The single ring ceremony was read by Rev. Alfred Richard, brother of the bride and pastor of Temple Baptist Church, Abilene.

The bride was attended by Miss Wanda Johnson, who was attired in an aqua wool suit with black accessories. Mr. Billy Gene Vest served as his brother's groomsman.

The bride wore a blue wool suit with black accessories and a shoulder corsage of white carnations.

At the reception a tiered wedding cake and fruit punch was served from a table covered with a lace cloth. The house party included Mr. and Mrs. A. J. Richard,

Birthday Dinner In J. A. Vernon Home Honors 3

A birthday dinner honoring Bertha Nairn, Mrs. Verna Vernon, and Rev. W. K. Johnston was enjoyed in the home of Mr. and Mrs. J. A. Vernon Sunday, November 10th.

Bridal Gift Tea Honors Norma Lou Brisco Fri.

Honoring Miss Norma Lou Brisco, bride-elect of Melvin Childs, a bridal gift tea was given Friday in the W. L. Miller home. Serving as hostesses were: Mmes. W. L. Miller, J. B. Nicewarner, C. B. Markham, T. D. Marshall and R. W. Harris.

The Miller home was lavishly decorated throughout; featuring white chrysanthemums in crystal containers in the living room. Pastel colored Chrysanthemums in matching pottery bowls decorated the remaining rooms.

Refreshments of tea, coffee, dainty cheese sandwiches and cookies were served by Mrs. Wendell Watson and Misses Nelda Brisco, Billy Jo Reid and Nelda Joy Childs from a table covered with a lace cloth, and a center arrangement of golden tea roses and lace fern in a crystal container on a mirror reflector. Lighted white candles in crystal holders were wrapped with white satin ribbons with the names, "Norma and Melvin" lettered in gold.

Miss Brisco, attractively gowned in a sequined aqua crepe trousseau frock received many lovely and useful gifts. Many of those sending gifts were unable to attend. Guests attending the tea: Mmes. Mac W. Hancock, L. T. Lemons, Mary Dowdy, V. V. Williamson, L. L. Wedgeworth, C. V. Fraley, J. R. Ward, L. W. Barrett, W. L. Taylor, Birdie Baker, M. L. Baker, L. T. Doss, Hattie E. Our fan mail continues to give us a "lift", a very recent and much appreciated letter was from Pat Patterson at Sun Ray, Texas, asking that we renew his subscription, and closing with some very nice compliments to the Tribune.

We saw Geneva Famuliner Tuesday in the best looking kelly green suit with black and white checked top coat. Geneva always looks pretty but this outfit was especially becoming.

Now we know why W. Kirby Smart was dubbed "Smarty" by the Navy, Kirby is not only a getter in the business world of Morton but a first rate Master of Ceremonies. He has a darling blonde wife and twin boys too.

Colleen Smith, attractive young daughter of Mr. and Mrs. Louis Smith, is wearing a gorgeous diamond on her engagement finger.

Mrs. J. B. Passmore, Jr., from the VFW Auxiliary helped with decorating the parade float, she is a charming person and J. B. is most certainly a handsome young fellow.

As usual we are running an hour late and a dollar short; asked Bill Markham to go with us to Whiteface Tuesday and offered him a cup of coffee which he had to pay for.

Noticed in one of the dailies where a famous Phychiatrist says we are all schizophrenics and we thought we had a monopoly.

The Carl Alexanders are moving into their new home in the Evans addition. Mrs. A is beside herself, she is so anxious to get settled and everything in order.

Noticed in a garden journal that now is the time to plant pansies, snapdragons, columbine and bulbs for spring flowering.

The spouse is the most obliging person, a recent guest in our home accidentally broke a crystal glass but his apologise were cut short by these consoling words, "Forget it, we still have seven glasses and we never have more than seven guests at a time."

Helen Doss was too cute at her recent shower—we are still wondering why she only had on one shoe? Maybe she kicked it off in the excitement and didn't know it.

Mrs. L. B. Childs (Minnie to most of us) was looking very smart in a red short coat and black skirt ensemble, when we saw her at a recent party. Confidently we think Minnie was lonesome while L. B. was away on a hunting trip.

We chuckle every time we see a gang start on a hunting trip with a house trailer attached to their car. It seems to us like hunting a dinner with a dining room.

Infantile Paralysis Campaign Fund Starts Monday

AUSTIN—The 1946 campaign for the Sister Elizabeth Kenny Infantile Paralysis Foundation Campaign will get underway in Texas on Monday, November 18. This will follow a formal launching of the campaign by Kate Smith, the national chairman, Saturday, November 16, over a national radio broadcast, from 9:00 to 9:30 p. m., Bing Crosby, chairman of the national executive committee, and Rosalind Russell, chairman of the women's division will also be heard on the opening broadcast.

Chairman for more than 150 counties have been named throughout the state and solicitation will get underway on the opening day of the campaign. However, George C. Francisco, Jr., chairman of the Texas Executive Committee, has sent out a state-wide appeal for workers and has asked them to write into State Headquarters at the Driskill Hotel in Austin to volunteer their services. The state quota is \$150,000.

Every county in Texas has been assigned a quota and all donations sent direct to State Headquarters will be credited to the county from which they are received.

MMES. L. W. RAY and W. W. WILLIAMSON returned Tuesday from a trip to South Texas.

Hunters Urged To Take Precautions Against Tick Bites

AUSTIN—With the hunting season now open, Dr. Geo. W. Cox, State Health Officer, is urging that all hunters or other persons spending time in wooded areas use all possible precautions against being bitten by ticks which may infect the victim with relapsing fever. He further advises that when a tick is found, it be removed from the body as soon as possible and that care be taken not to crush the ticks in handling them.

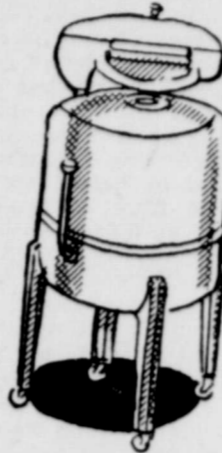

"Tick-bite fever is contracted, Dr. Cox explained, "either from the bite of infected ticks or by absorbing the infectious material through breaks or scratches in the skin." According to Dr. Cox, the disease does not spread from person to person by direct contact but only through the bite of an infected tick or body louse. Prompt removal of the insect is of the utmost importance.

Relapsing fever, commonly called tick-bite fever, is characterized by sudden onset, intense headache located in the front part of the head and pains in the back and limbs. The fever lasts from

three to five days before slowly declining. The temperature will then remain normal for about a week when the fever repeats itself. There may be three, four, or even more such relapses, which accounts for the name of the disease.

Dr. Cox said that the wearing of suitable clothing so as to prevent ticks getting next to the skin is of importance in the prevention of this disease. The insects may be removed with the

fingers but the use of tweezers is recommended since this helps to prevent leaving the head embedded in the skin. After removing or handling a tick, the hands should be washed carefully with soap and warm water.

LOOKING AHEAD

By George S. Benson, President, Harding College, Searcy, Ark.

YOUNG ECONOMIST

I met a young economist in England. His thinking revealed that he would like to see the complete crumbling of the present order and the ultimate nationalization of all England. His discussion showed too that he would thoroughly relish failure of "the capitalistic order" in America, which he boldly predicted would surely come within a few years.

Notable thing about this young man is that he is very influential in the Labor government. He talked freely and with spirit, and the enthusiasm he exhibited shows conclusively which school of thought in England is on the defensive. It is unfortunate when

Tribune, Morton, Cochran County, Texas, Thursday, Nov. 14, 1946

truth and right are no longer on the crusade, but instead must be called to the defensive.

Influence of Youth

I asked this young economist the secret of the growth of the Socialist party in the United Kingdom. Displaying political acumen which is engendered only from a thorough understanding of reality and a knowledge of facts, this economist said that victory in the last election in close districts came because of the vote of the young people.

"In fact, the percentage of young people who voted the Socialist ticket was greater than the percentage of older people in the ranks of Labor," he told me, adding a fact I knew already: that the growth of Socialism has been more rapid among young people and among skilled workers. The influence of higher education, he stoutly affirmed, was

a definite factor in the spread of Socialism throughout the Kingdom.

I did not encourage him in this regard about America, but the parallel was clear. I found myself wishing that our own high schools and colleges were doing a better job of building into the very fiber of American youth a deep appreciation for the fundamental principles of our American way of life, lest our youth someday lead this nation down that same unfortunate road. Strange irony it is, that wealth, created by honest work is used in the form of taxes and grants as means to destroy the philosophy which begot our freedom and our wealth. Small wonder that this young economist declared the voting age must be lowered quickly, a step which would insure the continued success of Socialism in Britain.

Competition Needed

Even the government officials in London do not seem quite sure that the principle of nationalization is sound. Some uncertainty exists, for they are already detecting basic weaknesses. During the week of July 15 a London newspaper quoted the London County Council as saying that the London Transport (a government monopoly operating street-cars and buses) needed competition. In the same week another writer stated his opinion that the British Broadcasting Corporation, the weaknesses of which were at that time under fire in Parliament, needed the competition of other broadcasting companies in England.

Failure of the private enterprise system in America, our young economist said, would soon come because of the inability of business to operate at a loss. This thing the government could do indefinitely, just for the sake of maintaining employment, he affirmed, insisting there is no limit to deficit financing available to government-owned enterprise.

I have never been able to convince myself that Socialistic and Communistic minded economists could be sincere in advocating this philosophy, characteristic though it is of their thinking. If the principle were workable, why does not some Communist nation issue a million dollar credit to each of its citizens and let them all enjoy wealth in a nation that cannot go broke?

Results Given Of Tues. Election

With an estimated 50 per cent of Tuesdays ballots counted, and only about 20 per cent of potential vote going to the polls, results were:

Amendment 1—For 104, against 25.
Amendment 2—For 76, against 53.
Amendment 3—For 134, against 17.

CARD OF THANKS

We thank you for every thing that you did during the illness and at the death of our mother. You couldn't have done more. And we pray God's blessing on you.

Veterans' News

Aliens who served in the Armed forces of the United States during World War II have less than three months left to qualify for quick citizenship under the Second War Powers Act of 1942, the Veterans Administration warned this week.

The act expires on December 31, 1946, and affects all aliens who enlisted or were inducted into the service before December 28, 1945.

Recent reports indicate that approximately 100,000 service-men and veterans have failed to take advantage of the right to obtain American citizenship as provided under the act.

Those affected are not required to file the customary declaration of intention, need not have lived in the United States for any specified time, are not required to speak the English language or meet educational tests.

Honorably discharged aliens who wish to take advantage of the law should apply to the nearest office of the Immigration and at their nearest VA office.

Six thousand books—all brand new—are on their way to war veterans in the 11 Veterans Administration hospitals of the Southwest.

Roy E. Eury, Special Services director for VA's Dallas Branch, said both fiction and non-fiction obtained from the Army are being distributed among VA hospitals in Texas, Louisiana and Mississippi.

These books will boost the number of volumes in patients' libraries to nearly 50,000 Eury said.

During September, patients in veterans hospitals in the tri-state area checked out 10,140 books and showed a strong preference for fiction, or "escape" reading.

One book-loving veteran at the Legion, Texas, hospital set some kind of a record, reading 1,500 books during his two-year stay at the tubercular hospital.

Approximately 8,100 children in Texas, Louisiana and Mississippi, whose fathers died as a result of World War II service, are receiving monthly compensation benefits, VA reported this week. Throughout the country, about 90,000 children are receiving these.

Q. Are there any circumstances under which the guaranty may exceed 50 per cent of the loan?

A. Yes. Where a Federal Agency has made, guaranteed or insured, or is to make, guarantee or insure a loan for any of the eligible purposes and the veteran needs a second loan to complete the purchase price, the second loan may be fully guaranteed if:

(a) The amount involved is not in excess of the veteran's guaranty.

(b) The loan is not in excess of 20 per cent of the purchase or cost.

Q. May several veterans use the guaranty to acquire property jointly?

A. Yes, but the total amount guaranteed may not exceed 50 per cent of the loan or the total entitlement for guaranty of the veterans, whichever is lesser. No loan may be guaranteed or insured by a Federal Agency.

T. C. U. Student Attending Classes In Wheelchair

T. C. U. students have been wondering at the courage of a veteran who comes to classes in a wheelchair.

The veteran is Austin Crouch, who entered T. C. U. this semester after many months in the hospital. He served both with the 36th and the 32nd divisions.

But he wasn't injured in combat. He fell out of a pecan tree!

"I went through the war with only one small leg injury that I scarcely felt," Austin relates. "Then, eight days after I got home, I fell out of a pecan tree and broke my back."

How to Handle a Fortune

Some months ago I reported in the *Clarion* how Mel Bate's uncle died up north, and left him with a tidy fortune.

Naturally, our town was curious to see how Mel would spend it: Traveling around the world . . . getting a new house or car . . . wearing fancy clothes . . . or dining on cold pheasant and champagne . . .

We can now report, Mel hasn't changed a bit! Drop in on him any night, and you'll find him in his shirt sleeves by the fire, chatting

with the Missus, sharing a mellow glass of beer with friends.

From where I sit, Mel has learned the art of handling money—as well as handling people. You don't let cash-in-the-bank push you around any more than you let people push you around. If you like the simple, homey life; companionship and quiet ways; a glass of beer and friendly talk—that's worth a fortune, after all!

Maple Farm To Market Road Nears Completion

S. C. McCarty, District Engineer, Texas Highway Department Lubbock, Texas, stated that on a recent inspection trip to the project extending from US Highway 84 North to the town of Maple, Mr. Jimmy Kerr, Contractor, said that he expected to be able to place his asphalt surface and complete the road by November 15th. Mr. Shaw, County Commissioner, was also present and seemed to be quite pleased to see this road completed and accepted into the State Highway System.

Weekly SURPLUS NEWS WAA

Long sought motor vehicles for which veterans have held certificates from WAA, in some instances for many months, are to be available in a one-day sale at Camp Hood Tuesday, Nov. 26. More than 130 used passenger sedans, pickup trucks, jeeps, weapons carriers, truck tractors, motorcycles, carryalls and other former army equipment recently declared surplus, will be sold. Inspection at Camp Hood may be made from Nov. 18 to Nov. 25, except Saturdays and Sundays. Oldest dated certificate holders will be served first on the day of the sale.

Karl E. Wallace, former army colonel and Ft. Worth business man, has been named the new regional director for WAA in the Fort Worth region which comprises 105 counties of Central, West and North Texas. He was formerly head of the Veterans Division and through his efforts on behalf of West Texas veterans was instrumental in establishing the plan of field certification visits at regular intervals to key cities of the region, including Lubbock, Amarillo, Wichita Falls, Big Spring, Brownwood, Abilene and San Angelo. This plan has materially aided veterans in surplus property acquisitions.

Caylor-Riddle Wedding Vows Read Nov. 4th.

Mrs. Vera Caylor has announced the marriage of her daughter, Miss Vera Mae Caylor to Mr. Robert Weldon Riddle, son of Mr. and Mrs. C. A. Riddle.

The ceremony was read by Rev. Arthur Kendall in the Methodist Parsonage, Monday evening, November 4.

The bride was attired for the wedding in a blue suit with black accessories.

The bride attended Morton High School and has been employed as operator at the local telephone office for several months.

Mr. Riddle was recently discharged from the army.

other priority claimants. And they are right on hand too—at the Fort Worth QM Depot. WAA offers them starting Nov 7th at low prices to get them in circulation quickly. Veterans may buy for as little as 4 cents a pair and quantity purchases are from 6,000 to 60,000 pair minimums, depending on the business classification. Orders may be placed with the Fort Worth WAA office, T and P Bldg.

All silk—and a yard wide, that's the latest War Assets Administration offer—and exclusively to veterans of World War II. A million yards of pure silk in taffeta weave, 36 inches wide, 800,000 yards of which is in natural white. Minimum purchases are set at 5000 yards—maximum at 30,000. Prices range from 90c a yard for green and brown camouflaged silk to \$1.15 for white. Veterans must submit case number and date of preference certificate with orders to WAA. Orders should be placed with the Louisville, Y. WAA office.

The toy market for the Christmas season is having its troubles supplying the demand, but WAA did its part to help alleviate that shortage. Some ingenious toy manufacturers have purchased \$8,000,000 (original cost to the government) worth of Gas Masks which they have converted into toys for the Christmas trade.

Farm Bureau Organized At Meeting Held In Neelyward Thursday, Oct 31

Farmers in the Neelyward community met Oct. 30th. to start a county organization of the Farm Bureau.

Forty-four members were secured that night; several other members have joined since that time bringing the total county membership to about sixty.

Mr. Bill Tilson, District Director, Farm Bureau, and Mr. Edwards, District Field Man, were at the meeting. They made some good talks to the group and assisted them in starting the organization.

This organization is not intended to be on a community basis, but county, and all farmers and business men interested in farming are being encouraged to join the organization. The intention of the group is to get strong a county organization as possible, and by doing so the State and National organization will be strengthened.

The general sentiment of the group was that farm organization is going to be necessary if the farmers are to protect themselves in the re-adjustment period which should take place in the near future, and to represent the farmers interest in legislative matters in the states and at Washington.

Farmers who have joined today are: R. D. Butts, B. H. Tucker, Hedley Kern, Gerald Johnson, France Baker, Rex Faulkner, John Harrison, Ralph Gardner, Leon Hobbs, R. E. Tisdale, J. H. Lowe, P. J. Aumus, Roy Hickman, M. A. Tanner, T. G. Brown, Alton Ainsworth, H. B. Abbe, Ira Self, H. D. Ruthwardt, L. A. Sinclair,

Former Morton Boy Married In Amarillo Friday

An informal ceremony united in marriage Louise Skinner, 2505 Van Buren, and Cecil R. Clement, 2500 West First, last Friday afternoon at 3 o'clock in the parlor of the First Baptist church. Officiating was Dr. A. D. Foreman, Jr., pastor.

Baskets of fern and pink gladioli and seven-branched candelabra holding lighted candles formed the background for the single ring ceremony. At the piano, Ruth Dunn played the traditional wedding marches for the professional and recessional and "Flower Song" and "I Love You Truly" during the service.

The bride wore a blue suit with black and white accessories and carried a Bible topped with white gardenias. She was attended by Beatrice Green, maid-of-honor, who was dressed in a lighter shade of blue with corsage of red roses.

Cousin of the bridegroom, Earl Clement of Wellington, served as best man.

The bridegroom's parents are Mr. and Mrs. H. R. Clement. His mother wore a black ensemble with a corsage of pink carnations and Inez Skinner, sister of the bride, wore black with a corsage of white carnations.

Mrs. Clement is a graduate of Clarendon High School and Clarendon Junior College. She is presently employed as desk clerk for Bell Telephone Co. The bridegroom was graduated from Mor-
