Honor Students Of Morton Schools Guests Of Lions At Thursday's Meet

The Morton Lion's Club met their regularly weekly dinner Thursday evening at the Methodist Church.

Group singing was led by Lion Nairn. Lion J. B. Knox gave invocation.

Lion Roy Hickman was appointed tail-waiter for the evening. Lion P. B. Ramby introduced the honor students attending Morton public schools as guests of the club, they were: Bobbie J. Gast, sixth grade; Joe Daniel, fifth grade; Freddy Lewis, sixth grade; Gaylon Simmons, sixth grade; Lowell Wagon, third grade; Carl Proctor, third grade; Betty Lou Hoffman, fifth grade; Gloria Reese, fourth grade; Vernice Sandefer, third grade; and Virginia Gable, third grade.

The children when introduced, responded with appropriate words of thanks to the Lion's club for the privilege of dining with them.

Captain J. K. Abernathy, on leave from the army, introduced by Lion Carl England. Abernathy responded with favorable comments on Morton and the people here.

Lion McKay was appointed a member of the Boy Scout Committee.

Lion Jack Nelson was asked to assist Bud Nairn in installing Christmas Lights on the court house.

Lions Crum and Nairn were appointed to attend to an outdoor Christmas tree for the Lions club.

In informal discussions Lions McKay, Ramby, Cravy and Ledbetter suggested the Lion's Club behind the Boy Scout movement and initiate programs to help the boy's interested. Committee type activity was stressed by Lion McKay.

The question of youth activities discussed by Lion Cravy, suggested the Lion's Club give serious consideration to a

plan for youth recreation.

Lion Ledbetter emphasized the club's responsibilities in developing a progressive community spirit. In his talk, Ledbetter further stated, "If we want to have championship football players in Morton High, we must begin with the younger boys, the juniors have been practicing without uniforms and balls, and we can start now to develop these boys as football players by helping them to get suitable equipment."

While the attendance at this meeting was unusually small, the lively round table discussion made the meeting one of the most interesting to date.

Members present were: Zeke Sanders, Bud Nairn, Floyd Smith, D. E. Benham, M. C. Ledbetter, Chas. Cravy, J. B. Knox, Gayle Bishop, Earl Crum, Roy Hickman, J. V. McKay, Robert Porter, Jack Nelson, P. B. Ramby, and Carl England, and press representative, Mrs. Carl England.

SENIOR PLAY PRESENTATION FRIDAY NIGHT

A comedy in three acts, "Never Too Late" by Don Elser, will be presented Friday night, December 13, by the Senior Class of Morton High School, at 7 p. m., in the school auditorium.

The play promises to be one of the most entertaining and mirth provoking of any ever put on in Morton.

In the play, Mr. Lee, who has devoted most of his life to making money, decides to give it up, become a family man and build birdhouses, plant a garden, repair the roof, and "paint" the lightning rods on the house!

His sudden decision is prompted by the discovery that he is losing contact with his family due to his extreme financial ambitions. Goaded on by his faithful secretary, Miss Stanley, he starts out to prove that it is never too late for him, financial wizard and powerful figure that he is, to do anything he sets out to accomplish.

For once in his life, however, he apparently is stumped. He tries desperately to win back his wife's affection, unspoil a slightly spoiled daughter, set right a bewildered son, and straighten out a young fellow who is persisting in becoming his son-in-law.

Complication after complication arises before he begins to make much headway. Naturally he succeeds—in his own words he has never failed in anything, but not before the audience is treated to an evening of wholesome ideas and side splitting laughter.

"Never Too Late" is being directed by Mmes. Jess Burns and D. E. Benham.

Mr. Forrest Martin is stage manager.

The cast is as follows: Mr. Lee, Gerald Lemon; Mrs. Lee, Colleen Smith; Deedie, Clyde Hudson; Miss Stanley, Louise Taylor; Lewis, Joe Ed Sullivan; Arthur, Bob Graham; Charles, Roy Dean Seaney; Kathryn, Margaret Ann Weak; Virginia, Mindora Kennedy; And a number of non-speaking characters.

County Officials Attend Judges And Commissioners Meet In San Antonio

At the annual convention of County Judges and Commissioners association, held in San Antonio, December 1, through the 4, the members heard Judge Gilbert Smith of Jones county discuss needed reforms in county governmental machinery.

Sweeping reforms in county governmental machinery through out the state, including a reduction of the number of counties and a shakeup in the method of electing commissioners, was advocated by Judge Smith in the keynote address at the opening session of the convention in the Alamo City.

He urged present laws providing that a commissioner be a road overseer "be tossed out the window," that the office of county treasurer be abolished, and that it be made mandatory upon each county to employ an auditor and purchasing agent.

Judge Smith, who is president of the American Institute of Local Highway Administration, said, "as long as we continue to operate our system under the present plans, we will continue picking the public's pockets."

In what he termed radical changes from the old state constitution, he indicated preference of a board of commissioners selecting their own chairman and operating as business managers of the county. They would compose the budget officers, hire the supervisor or superintendent of roads, and be given the authority

to manage the fiscal affairs of the entire county.

"We as counties are grappling with the moulding relics of 100 years ago and can not meet today's demands. We are pushing the people away, and they are turning to state and federal agencies to bridge that local gap," he said.

The group heard addresses by Hon. Allan Shivers, Lt. Gov. elect of Texas; D. W. Stakes, Supt. of Texas Prison System; Gibb Gilchrist, president of A and M College; and Hon. Beauford Jester, Gov. elect of Texas.

Hon. M. O. Goodpasture, Hall county judge, spoke to the group on "Soil Conservation."

Attending the convention from Cochran county were: Judge R. C. Strickland, County Judge elect; Glenn Thompson, Commissioners J. R. Ward and C. G. Shaw, county-auditor Earl Cadenhead, and Sheriff Mac W. Hancock.

Butler-Smith Engagement Announced Sun.

Announcing the engagement of her daughter, Miss Colleen Smith to Mr. Bill F. Butler, Texas Tech student, Mrs. Louis Smith entertained with a three course breakfast Sunday morning at her home.

A lace cloth, handed down to the honoree from her great great grandmother covered the table. A wedding cake topped with miniature bride and groom, flanked on either side with crystal candle holders containing ice blue tapers formed the centerpiece.

The guests were presented white napkins, tied with blue ribbons, containing the announcement scroll, "Colleen and Bill, December 22."

Mrs. Smith was assisted in serving breakfast by Mrs. Albert Morrow, mother of the groom-elect, to the following guests: Misses Nila Smith and Geneva Kirby, Portales, N. M., Dorothy Tarver, Carol Evans, Lois Ruth Hawkins, Yvonne Gipson, Katherine Graham and Mrs. George Graham, all of Morton.

Miss Smith was wearing a tulle gown of soldier blue with fuchsia trim and a corsage of white carnations.

Wedding attendants will be announced later.

The marriage will take place at 5 o'clock, the afternoon of December 22 at the First Methodist Church, all friends of Miss Smith and Mr. Butler are cordially invited to attend.

COCHRAN FHA COMMITTEE WILL START REVIEWING APPLICANTS MONDAY FOR LEHMAN FARMS

On Monday, December 16, the Cochran county FHA committee, Mr. W. A. Woods, chairman, Floss Baldwin and Virgie H. Bewley, will begin the grueling task of reviewing applicants on the basis of relative qualifications, and selecting from approximately 200 applications, the 29 lucky veterans who will purchase a farm from the Lehman Farms, south of Morton.

Intermediates Christmas Party Held Monday

The Intermediate Department of The First Baptist Church met in the Church basement Monday evening for their annual Christmas party.

The intermediates brought covered dishes for the supper. Christmas carols were sung around a beautiful Christmas tree and gifts exchanged.

Teachers in the Intermediate department are: W. J. Weak, Floyd Grimsley, W. B. Mitchell, Mmes. C. C. Renfro, Roy Grimsley, Carl Macon and Ike Harris. Mrs. Roy Hill is department superintendent.

Rev. and Mrs. W. C. Wright were guests of the Intermediates for supper.

Following the supper and Christmas tree program, the Intermediates and large number of guests assembled in the Church auditorium for a showing of "The Child of Bethlehem."

The picture, with a musical background, depicted the life of Jesus from his birth in the manger until the age of twelve. The picture was an inspiration to the entire audience and served to impress upon the minds of all a much clearer understanding of the birth and early life of Jesus.

The feature was followed by a technicolor hymnal ode, "Silent Night", from the Carl Englund private collection of musical films.

Morton Boy Scouts Meeting Will Be Held Monday Eve

All members of the Morton Boy Scouts are invited to attend a meeting at Masonic Hall on Monday evening, December 16, at 8 o'clock.

Movies made by Dr. J. V. McKay, while stationed in Europe, will be shown, as well as sound technicolor films from the England film library.

At the last meeting the Boy Scouts enjoyed an evening at the L. E. Huggins home where they were shown how the short wave radio transmits

Veterans Agriculture School Making Soil Conservation Part Of Study

The agricultural training school sponsored by the Veterans Administration is making soil conservation a part of its course of study. In order to make this part of the course realistic and practical, a number of the enrollees are working out soil and moisture conservation plans for their own farms with assistance of Soil Conservation Service personnel.

Mr. Rex Faulkner, the instructor, planned this part of the study to fit into his regular class schedule and Mr. Morin, Work Unit Conservationist for Cochran county is aiding by using a part of certain class periods to conduct group planning meetings.

Mr. Morin's second meeting with the class was held Monday night, December 9. His principal theme was soil capabilities. He emphasized the fact that soils, like living things, have definite limits to their capacities and stressed the need for an appreciation of those limitations. Class IV and Class VI soils were identified as the two soil classes in Cochran county that require especially careful management.

After discussing generally accepted management practices for different soils, Mr. Morin exhibited a map including a number of farms owned by members of the class. From the map the owners were able to see the exact types of soils found on their farms and will have some time to consider plans for proper use of the various classes before their next

planning meeting.

A field study is planned for the class on Wednesday, December 18. The work that day will be conducted by J. G. Thompson, a soil scientist stationed at Muleshoe.

Mr. Brock served as County and District Clerk of Stonewall county for several years.

Mr. Brock recently bought the Standard Abstract company from S. L. Pierce and is now operating the abstract business with the help of Mr. Pierce.

Mr. Pierce will continue the Real Estate and Loan business with offices in the Standard Abstract building on the south side of the square.

Mr. and Mrs. Brock are occupying the Morrow home two blocks from the square on the Levelland highway.

Their son, Bill, remained in Aspermont, to finish school. He works part time on the Aspermont Star.

The four Brock children here are: Patsy, 6; Harold, 14; Anna May, 11; and the baby girl, Donna, age 1. The three older children attend Morton schools.

Mr. Pierce and Mr. Brock extend to the public an invitation to come in the office for a get acquainted visit at any time. They promise to render the same reliable and prompt service in the future as has been enjoyed by patrons of the Standard Abstract in the past.

Wreck Victims Removed From Hospital Tues.

The three Whiteface teachers injured in an auto-truck collision on December 4, near Levelland have been removed from the hospital to their homes. It was reported in Whiteface Tuesday.

Three members of the Whiteface school faculty were hospitalized as a result of a head-on collision of a truck and a sedan Wednesday night, Dec. 4, six miles west of Levelland on Highway 290.

L. S. Salsar, 36, Herbert E. Lindsey, 33, and Weldon Snodgrass, 40, were hospitalized at Phillips-Dupre Hospital.

Nathan Tubb also a Whiteface High School instructor was only slightly injured.

Mr. Tubb was in the automobile with the three other Whiteface teachers.

Mr. Lindsey the more seriously injured is in a cast and is expected to remain in it for several weeks.

According to information gathered by Texas highway patrolmen of Lubbock, D. P. Yeary, 35, of Morton, was driving the truck west when he came upon trailers being pulled by tractors going west. He swerved the truck to the left and the truck and the sedan, driven east by Mr. Salsar, collided.

Two tractors, pulling the trailers, were driven by C. J. Bolt and A. O. Warren, both of northwest of Levelland, who told patrolmen that, while the trailers were not equipped with reflectors, the tractors were off the pavement at the time of the accident.

Mrs. Passmore Honored With Surprise Party

Mmes. Roy Hill, Reba Farmer and Miss Mary Norfleet entertained in the Hill home, Sunday afternoon with a Pink and Blue surprise shower for Mrs. J. B. Passmore.

Mrs. Passmore, unaware of the honor until a baby bed was rolled in, by tiny Misses Penny Farmer and Shonnie Waddell, laden with lovely gifts, was delightfully surprised.

The little ladies, to the delight of the guests, assisted in showing the gifts, received by the honoree from the guests and many unable to attend the party.

Refreshments of chocolate, dainty cheese sandwiches and ping and blue cookies were served to Mmes. Charles Hans, Tom Brown, Harvey Blackstone, Agnes Shakespear, M. A. Bennett, Reba Waddell, J. B. Nicewarner, J. A. Gowdy, Joe Bennett, W. W. Williams, Rolly Hill, Hattie B. Spotts, J. C. Reynolds, A. Baker, Ray Baker, M. L. Abbe, Carl Macdon, Andrew Essary, Pat Hatcher, Beryl Reed, J. B. Knox, Tom McAllister and D. E. Benham.

The refreshment table, covered with a lace cloth, had a center arrangement of white and orchid mums on mirror reflector with two baby figures and a stork. In direct lighting cast a soft glow of light on the figures.

LION'S MEET TONIGHT

Lion's Club meets Thursday (tonight) at 7 p. m. at the Methodist Church.

John W. Marshall Loses Foot In Combine Accident

Mr. John Marshall, who farms five miles north of Morton, suffered a crushed and mangled foot when the member became entangled in the mechanism of a combine Monday about four o'clock.

Mr. Marshall was taken to a Littlefield hospital, immediately after the accident, where doctors amputated the injured foot.

Mrs. Marshall is at her husband's bedside. They have one son, Darwood Wayne, Morton school boy.

Dr. Michael Shadid Gave Advantages Of Co-op Hospital In Address Friday

Dr. Michael Shadid, who organized the first cooperative hospital in the United States addressed an attentive group at the Morton School Auditorium, Friday, December 6.

In the main course of his speech he outlined the advantages of a cooperative hospital.

Advantage No. 1. Doctors have deserted the small towns throughout the nation. The old doctors have passed away or retired and the younger generation of doctors refuse to practice medicine, except in places where they have access to hospitals, laboratories and other professional facilities. So they locate in the larger centers of population where they are most needed.

A co-op hospital, by furnishing needed facilities and equipment and guaranteeing adequate salaries attract good doctors. "For instance," the doctor said, "the town of Moreland, Okla., with a population of 500 people, has a co-op hospital with 5 doctors on the staff."

Advantage No. 2. A co-op hospital delivers better medical care than a mere family doctor. "Medicine," said the speaker, "has become complex and technical, so that no one or two doctors can deliver good medical care. It takes a group of physicians, specialists, dentists and technicians organized around a hospital, to deliver adequate medical care. Whenever a group of people can band together and organize a modern hospital, this group can get good medical services, because with their prepayment they can maintain a staff of medical men."

Advantage No. 3. A cooperative hospital in addition to attracting doctors to its community and giving better medical services, make it possible for low income people to avail themselves of better medical care.

"Good medical care," explained the speaker, "has become costly and beyond the reach of most people. The ordinary man can pay a few dollars per month, but he cannot pay a few hundred

dollars for a case of illness, requiring surgical operations and hospitalization."

Advantage No. 4. By paying a given sum each month of each year for medical care, a family can feel free to take advantage of preventative medical care. People call the doctor before it is too late. They call on doctors for regular checkups before sickness strikes. They do not wait until a cold develops into pneumonia, or until the appendix ruptures, or until diabetes develops into coma or unconsciousness, and they take preventive inoculations against colds, typhoid fever, whooping cough, tetanus and other diseases. "The prevention of disease," said the doctor, "must become the chief aim of the doctor." The co-op hospital makes the beginning.

If the services of preventative medicine can begin in infancy and continue through adult life for all the people, the average span of human life can be increased beyond our wildest dreams," Dr. Shadid said.

Advantage No. 5. The doctor explained that under the cooperative system the physician has a stake, not in sickness, but in health, and the less sickness there is the more time the doctor has for study and recreation.

Forty percent of the illness that send patients to doctors are due to fear, to unhygienic living or to social maladjustment. Dr. Shadid pointed out. These people need re-education and assurance. They do not need medicine, or surgical operations, or x-ray.

Dr. Shadid explained that cooperative medicine is especially advantageous to the doctor, for every good doctor likes to practice with a group of doctors, so he may practice better medicine and limit his practice to his particular specialty. In this manner the doctor makes fewer mistakes. Furthermore under the cooperative system, the doctor is assured an adequate salary and is free from overhead expense. He enjoys economical security and does not magnify his patients' worst delusions for livelihood.

American Legion Auxiliary Meeting Held Thursday At Veterans Hall

The American Legion Auxiliary met at 8 p. m. Thursday, December 5, at Veterans Hall, with 11 members and one guest present.

Plans were completed for a Christmas party to be held in the Hall the evening of December 19th.

Each member is asked to bring a basket supper, consisting of a meat, vegetable and dessert.

The members of the American Legion have been invited to attend this party. There will be an exchange of gifts, musical program and other entertainment.

A committee composed of Mrs. E. R. Lytle, Hessie B. Spotts, L. M. Baldwin, Sam Proctor and Carl England was appointed by Aux president Mrs. Hill, to decorate the tree.

Mrs. W. B. Evans is chairman

of the Christmas party.

A very interesting report of the 19th district convention, held in Colorado City on December first was given by Mrs. Albert Morrow.

Mrs. Morrow is district vice-president of the American Legion Auxiliary.

Mrs. Morrow stated that the keynote of the convention was the Legion's plans to "down all isms except Americanism."

All members were urged to turn in their used clothing for foreign relief to Mrs. Byron Willis.

Members were also requested to get their gifts for the Veterans Gift Shop in as quickly as possible, as the package must be mailed soon.

Mrs. L. M. Baldwin served home made coconut cake to the

LOOKING AHEAD

By George S. Benson, President, Harding College, Searcy, Ark.

INFLATE OR DEFLATE?

Inflation is one of those things you talk more about when you do not have it. We have a mild case of inflation now. We do not want it, but we are perhaps less scared about it now than we were before it came. Most of us do not mind adding to the spiral a little bit, though we may dislike to see other folks do so. We seem assured that there is "turn about for everybody" in the inflation spiral.

Some features of our snarled-up labor-management relations, with the consequent paltry production and lower income for strikers, would represent deflation of a sort. But we must know that when we push our wages up and up, we simply must have production to justify these increased costs. If we do not, we may expect prices to follow or even shoot ahead, as the laws of economics begin to make adjustments.

Plain Economics

Higher wages without increased production create a situation that bears some resemblance to strikes without production. Either one will cripple American industry, and this is a time when labor cannot afford to contribute to industrial chaos. People the world over need goods desperately, even people with an inflation already well past our own. The only answer is production! We must produce, produce, produce.

Without production, any wage premiums which labor asks and wins represent the direst sort of inflation and public liability. We have already approached the danger point. Now, without price control, it is easier to see plain economics in operation. Labor costs represent most of the cost of our manufactured goods. Any increased costs as well as the costs of scarcities, will be passed directly to the people.

Coal for Example

Suppose the nation's coal supplies are shut off. Bituminous coal provides 55 per cent of our industrial energy, 62 per cent of our electric power, and 95 per cent of our industrial power. No coal means no steel, and the shortage pressures then begin operating to force up prices of everything we buy. Suppose the miners win a financial premium through striking, the possibility of which no one has yet discussed to any extent.

Higher prices for coal mean higher prices for steel. Steel is one of the basic ingredients of thousands of things we require daily, and soon up goes the general level of prices for consumer goods and for services as well.

The Spiral, Again

Again suppose the miners win wage increases. Their success is eyed by wage earners in varied other industries and crafts. Already the industrial unions have made top billing of a new drive for increased wages. Up go prices again. That's plain economics.

We like inflation for ourselves,

members and Legionaires.

Auxiliary members present were: Mmes. Roy Hill, Albert Morrow, John L. McGee, Hessie B. Spotts, S. W. Hawthorne, Carl England, W. B. Evans, L. M. Baldwin, Sam Proctor, C. N. Hood, E. R. Lytle and Mrs. W. A. Woods, former member of the Auxiliary.

The next meeting of the Auxiliary will be the Christmas Party at Veterans Hall on Thursday evening, December 19.

when it is going our way, but generally we prefer to deflate the other fellow. It is time somebody thought of the Golden Rule. May I submit that production is the Golden Rule way to steer ourselves out of this jam and to keep the traditional American freedoms we so much cherish.

Swing Of Southwest Farm Markets

Cattle held about the only strong position at southwest markets last week. Hogs registered the greatest losses while other farm products were about steady to weak, reports USDA's Production and Marketing Administration.

Cotton prices declined only slightly last week as demand continued good, especially for lower grades. The coal strike caused increasing concern as to immediate effects on transportation, embargoes on movement of cotton and mill supplies. Grain markets were disturbed

by the strike also. Wheat, corn, barley and sorghums declined. Oats went down, too, but regained most of the loss. Rice stood at top OPA levels. Feedstuffs dropped sharply as more feed grains were used in the place of commercial mixtures. Bran and shorts were off \$4 to \$6 per ton, linseed meal \$3 and cottonseed meal \$2.

Peanut crushers bought farmers' stock mostly at support prices last week. Demand has slackened but offerings have been fairly well cleared to date.

First carlot shipments of Texas spinach left the winter garden area last week. Prices held steady at \$1.10 per bushel basket under moderate demand. The Lower Rio Grande Valley reported dull market for tomatoes, steady prices for peppers and weaker bids for increased citrus offerings. Colorado noted some strength on potatoes last week, but the onion market remained dull. Louisiana sweetpotatoes were about the only southwest vegetable bringing firm prices under good demand.

Demand for poultry and eggs followed the usual post-holiday lull. Prices held about steady for fryers and chicken hens, but tended weaker for turkeys with few sales reported. Eggs declined slightly as favorable weather increased fresh receipts.

Cattle went up 25 to 50 cents per hundred at most terminals last week. Beef cows appeared to have made the most gains. Common and medium cows brought \$9.50 to \$12.75 at Houston; \$10.50 to \$13.50 at Wichita and \$11.50 to \$14 at Denver. Medium and good cows realized \$11.50 to \$14.25 at San Antonio and \$12 to \$14.50 at Fort Worth. At Oklahoma City beef cows reached a top of \$16.50.

Hog prices tumbled as much as \$2 to \$3 per hundred last week as marketings began to increase seasonally, especially at northern terminals. Top butchers were quoted last Friday at \$23 at San Antonio; \$23.50 at Fort Worth; \$24 at Oklahoma City; \$24.25 at Denver; and \$23.50 at Wichita.

Sheep and lambs were strong to 25 cents per hundred higher at Oklahoma City but weak to lower at other southwest markets last week. Medium lambs brought \$15 to \$17.50 at San Antonio and medium and good fat lambs realized \$17 to \$20 at Fort Worth. Closing top was \$23 at Oklahoma City for good and choice lambs. Denver sold medium and good truckins at \$22. Good and choice native lambs moved at \$22.25 to \$22.75 at Wichita.

Domestic wool trading was extremely slow last week. New advances in prices about ended the little buying going on in Boston and Texas.

IRISH WAR BRIDE IS NOW INSTRUCTOR AT TECH

Adding a cosmopolitan note to the faculty of Texas Technological College is Mrs. Charles Cobb, attractive young Irish war bride who is now an instructor in English at Tech.

The wife of a Lubbock lawyer, Mrs. Cobb arrived in the United States last May. Before her marriage she taught English and French in Lurgin College and Belfast Technological College in Ireland.

Send Out Final Appeal For Kenny Campaign Funds

AUSTIN—A final appeal for support in the 1946 Sister Elizabeth Kenny Infantile Foundation fund campaign has been made by George C. Francisco, Jr., of Houston, Chairman of the Texas Executive Committee of the Foundation.

Chairman Francisco said that support to the campaign had been gratifying throughout the state and that practically every county which was organized had reported "over the top". Reports from the county organizations were being received at the State Headquarters in the Driskill Hotel in Austin.

There was no organization in a number of Texas counties and it was to these counties that Chairman Francisco issued the final appeal for support in the campaign to combat polio, which struck Texas worse in 1946 than in many years. He said that campaign contributions, which are deductible from income tax returns, could be mailed direct to the Driskill Hotel headquarters and that all such contributions would be credited to the quota of the county from which they were received.

The campaign came to an official end on last Saturday but contributions are still being made. In several of the larger counties of the state, the cam-

Effective Measures For Prevention Of Athlete's Foot

AUSTIN—The common disease, popularly known as athlete's foot, is said to be the third most common disease seen by skin specialists during the summer, and the fifth most common disorder in winter. It is due to a little mold-like growth or fungus which thrives best where there is moisture and warmth. Therefore

the feet make an ideal place for the growth of this germ.

"To have athlete's foot, the infection must be gotten either directly from someone else," states Dr. Geo. W. Cox, State Health Officer. "The most common places to contract the infection are around shower rooms, baths or bath houses, locker rooms, and other public places where persons go barefoot. And it is probable that at least one-half of all adults suffer from the infection at some time."

Dr. Cox suggested the following as some effective measures for preventing and avoiding recurrent attacks of athlete's foot:

1. After bathing, dry carefully and thoroughly the spaces between the toes.
2. Liberally apply a plain, unperfumed talcum to those areas and sprinkle it freely in socks, stockings, and shoes.
3. Wear properly fitting hose, that are absorbent but not too coarse.
4. Wear shoes that are not too tight, nor too large. They should fit the foot comfortably.

County Line News

The County Line Baptist Church has called Bro. Ike Harris of Morton as pastor. Bro. Harris accepted the church Wednesday night at the prayer meeting service. He will begin his work next Sunday, Dec. 15th.

We regret to see our good neighbors, the Wall family, leave. They have sold their place here and purchased a place near Portales, N. M. We know they will be leaving soon as we see them pass often taking things to their new home.

Mrs. J. W. Anderson was given a lovely pink and blue shower in the home of Mrs. E. D. Courtney Nov. 26. Those attending were: Mmes. H. T. Pugh, Vernon Blackley, Charles Jeffrey, O. T. Pryor, Herman Taylor, Louie Taylor, Lawrence Taylor, L. A. Lewis, W. K. Courtney, Mother Blackley and the hostess Mrs. E. D. Courtney. Many sent gifts who were unable to attend.

Guests of Mr. and Mrs. B. H. Odum on Sunday were: Mr. and Mrs. C. M. Smith and Mrs. W. H. Smith; Andy, Etta Marie and Jr. Wall; Claxton Tubby and Bert Vick; Carroll and Clyde Eubank; Billy and Barion Burns and Wayne Fulton.

Mr. and Mrs. J. G. Eubank visited his parents, Mr. and Mrs. Eubank of Matador last week-end.

Mr. and Mrs. H. T. Pugh and children visited in the home of Mr. and Mrs. W. E. Pugh of Muleshoe on Sunday evening.

Mr. and Mrs. Lloyd Wall and children and Mr. and Mrs. Orville Summers and children visited in the E. C. Wall home Sunday.

Mr. E. D. Courtney is driving a new maroon Chevrolet.

Mr. and Mrs. E. L. Jeffries took dinner in the home of J. W. Anderson Sunday.

Barney Odum is home from the army with a discharge.

Most of the farmers have their grain all harvested but there are a few who have not finished. The lovely weather was very good for gathering crops.

Cochran Garden Club Entertained December 3 By Mrs. Andrew Essary

Mrs. Andrew Essary was hostess to the Cochran County Garden Club on Tuesday, December 3rd.

During a business session the club decided to conduct a county wide poll on a choice of trees adaptable to this climate to be planted by home owners in Morton and surrounding area as a living memorial to World War II dead.

The Club also voted to assist with the planting of shrubs in front of the new school building.

Officers elected for the coming year were: president, Mrs. Albert Morrow; 1st vice president, Mrs. Roy Hill; 2nd vice president, Mrs. Travis Ferguson; secretary, Mrs. E. O. Stevenson; treasurer, Mrs. R. T. Ray; parliamentarian, Mrs. Andrew Essary; librarian, Miss Lanora Jackson.

Representatives For WAA To Make Final 1946 Visit

The final visit of 1946 by field representatives of the War Assets Administration from the Fort Worth regional office will be made to Amarillo, Lubbock and Plainview this coming week.

Melvin M. Calvin and James L. Adkins, WAA representatives will be in Lubbock for one day Thursday, December 19, at the County Service Office, 910 Texas Avenue from 9 to 12 and 1 to 5. Veterans who have never applied for certifications and desire to exercise their buying rights to acquire surplus property, need only present a copy of an honorable discharge in order to be cer-

Veterans' Questions & Answers

Q. If a disabled veteran completed his on-the-job training and is unemployed can he draw unemployment compensation?

A. Yes, Under Public Law 346 (G. I. Bill), he may be entitled to readjustment allowance up to a maximum of 52 weeks provided he is able to, and available for, work at the time. Any prior periods used for such purpose would be deducted from his maximum eligibility.

Q. May the wife or child of a veteran be granted hospital or domiciliary care by Veterans Administration because of the relationship to the veteran?

A. No. Admission to a veterans Administration hospital or home is based on the service of a person in the armed forces and may be granted only to persons who served.

Q. Is Veterans Administration issuing prosthetic service cards to amputee veterans?

A. Yes. Veterans wearing artificial limbs and who are entitled to repairs at Government expense may obtain a prosthetic service card. The card enables the veteran to obtain immediate repair service up to a limit of \$35 without prior approval from Veterans Administration.

Q. Is it possible for a disabled veteran taking vocational training under Public Law 16 to make a small loan from the Government?

A. Yes, but loans cannot exceed \$100 and they are made only to veterans approved for vocational rehabilitation when the need is shown.

A Chappella Choir Programs Given To Six Assemblies

PORTALES, N. M.—Eight members of the Eastern New Mexico college A Cappella choir presented programs to six school assemblies Tuesday and Wednesday of this week.

Featuring three soloists and a small chorus, the program was directed by H. T. Tucker, associate professor in music. Soloists were Dorothy Frear, Clovis; Katherine Brown, Barrington, Ill.; and Asa Couch, Big Springs, Tex.

Others in the group were Wanda Taylor, Portales; Dot Ann Hogan, Morton, Texas; Dave Stevens, Rio Linda, Calif.; Leroy Jacobs, Portales; and Bob Byers, Clovis.

The program was presented at Melrose, Ft. Sumner, Santa Rosa, Mountainair, Estancia, and Vaughn. Dr. Eunice C. Roberts, director of personnel accompanied the students.

Complete information on current and future sales offerings may be obtained from the WAA men.

Calvin and Adkins will be in Amarillo at the Veterans Information Center, Sixth and Taylor Streets, Tuesday and Wednesday December 17 and 18 before visiting Lubbock. On Friday, December 20 they will be in Plainview at the Hale County Courthouse. Veterans are urged to see the WAA representatives at any of the three Panhandle cities.

Weekly SURPLUS NEWS WAA

Two important changes in the interests of better serving veterans of World War II in acquiring surplus property were made by War Assets Administration this past week. From now on, all veterans who hold WAA certificates will be sold on a "first come, first served" basis, regardless of date of certificate according to Harold S. Gish, chief of the veterans division in Fort Worth.

No further certificates will be issued for the numerous items on the veteran "set aside" list due to the large number of unfilled certificates nationally. A speed up drive is to be made endeavoring to sell all "set aside" items to veterans by February 28.

Texas veterans will have two big buying opportunities to secure badly needed lumber, wiring, plumbing and hardware items for the construction of new homes starting next Monday, December 16. A sale of approximately 4,500,000 board feet of lumber, builders hardware, electrical supplies and fittings will be held by WAA at Camp Howze, near Gainesville, starting Monday, December 16. On the same date a similar sale of stockpiled building materials from the demolition of more than 300 buildings at the former Prisoner of War Camp at McLean will get underway.

In both sales, WAA will serve only holders of HH priority certificates which are issued by the National Housing Agency or the CPA and veterans or contractors seeking to build a home for sale to a veteran will each be permitted to buy not more than sufficient materials to complete one individual five room dwelling.

Approximately 400 foot lockers and 2800 locker boxes of army surplus will be sold by War Assets Administration by means of sealed bids which will be opened next Tuesday, December 17. Veterans, other priority claimants and commercial dealers may all participate in the sale and orders should be submitted to the Fort Worth WAA office.

Large quantities of surplus telephone and telegraph equipment are to be offered for sale by WAA starting Monday, December 16 in a sale which will last to December 30. Switch-

Tribune, Morton, Cochran County, Texas, Thursday, Dec. 12, 1946

boards, telephones, test sets, cordage and telephone cable are included. Complete description of all items may be obtained by inquiring at the Fort Worth WAA office in the T and P Building.

Nearly 2000 steel folding cots located at the former POW Camp at McLean, Texas, and some 50,000 double-deck wood beds with steel springs are being offered by the Fort Worth WAA office in a sealed bid sale which closes Tuesday, Dec. 17. Veterans, priority claimants and commercial dealers may all submit orders concurrently.

Cochran Garden Club Entertained December 3 By Mrs. Andrew Essary

Mrs. Andrew Essary was hostess to the Cochran County Garden Club on Tuesday, December 3rd.

During a business session the club decided to conduct a county wide poll on a choice of trees adaptable to this climate to be planted by home owners in Morton and surrounding area as a living memorial to World War II dead.

The Club also voted to assist with the planting of shrubs in front of the new school building. Officers elected for the coming year were: president, Mrs. Albert Morrow; 1st vice president, Mrs. Roy Hill; 2nd vice president, Mrs. Travis Ferguson; secretary, Mrs. E. O. Stevenson; treasurer, Mrs. R. T. Ray; parliamentarian, Mrs. Andrew Essary; librarian, Miss Lanora Jackson.

Representatives For WAA To Make Final 1946 Visit

The final visit of 1946 by field representatives of the War Assets Administration from the Fort Worth regional office will be made to Amarillo, Lubbock and Plainview this coming week.

Melvin M. Calvin and James L. Adkins, WAA representatives will be in Lubbock for one day Thursday, December 19, at the County Service Office, 910 Texas Avenue from 9 to 12 and 1 to 5. Veterans who have never applied for certifications and desire to exercise their buying rights to acquire surplus property, need only present a copy of an honorable discharge in order to be cer-

Veterans' Questions & Answers

Q. If a disabled veteran completed his on-the-job training and is unemployed can he draw unemployment compensation?

A. Yes, Under Public Law 346 (G. I. Bill), he may be entitled to readjustment allowance up to a maximum of 52 weeks provided he is able to, and available for, work at the time. Any prior periods used for such purpose would be deducted from his maximum eligibility.

Q. May the wife or child of a veteran be granted hospital or domiciliary care by Veterans Administration because of the relationship to the veteran?

A. No. Admission to a veterans Administration hospital or home is based on the service of a person in the armed forces and may be granted only to persons who served.

Q. Is Veterans Administration issuing prosthetic service cards to amputee veterans?

A. Yes. Veterans wearing artificial limbs and who are entitled to repairs at Government expense may obtain a prosthetic service card. The card enables the veteran to obtain immediate repair service up to a limit of \$35 without prior approval from Veterans Administration.

Q. Is it possible for a disabled veteran taking vocational training under Public Law 16 to make a small loan from the Government?

A. Yes, but loans cannot exceed \$100 and they are made only to veterans approved for vocational rehabilitation when the need is shown.

A Chappella Choir Programs Given To Six Assemblies

PORTALES, N. M.—Eight members of the Eastern New Mexico college A Cappella choir presented programs to six school assemblies Tuesday and Wednesday of this week.

Featuring three soloists and a small chorus, the program was directed by H. T. Tucker, associate professor in music. Soloists were Dorothy Frear, Clovis; Katherine Brown, Barrington, Ill.; and Asa Couch, Big Springs, Tex.

Others in the group were Wanda Taylor, Portales; Dot Ann Hogan, Morton, Texas; Dave Stevens, Rio Linda, Calif.; Leroy Jacobs, Portales; and Bob Byers, Clovis.

The program was presented at Melrose, Ft. Sumner, Santa Rosa, Mountainair, Estancia, and Vaughn. Dr. Eunice C. Roberts, director of personnel accompanied the students.

Complete information on current and future sales offerings may be obtained from the WAA men.

Calvin and Adkins will be in Amarillo at the Veterans Information Center, Sixth and Taylor Streets, Tuesday and Wednesday December 17 and 18 before visiting Lubbock. On Friday, December 20 they will be in Plainview at the Hale County Courthouse. Veterans are urged to see the WAA representatives at any of the three Panhandle cities.

Weekly SURPLUS NEWS WAA

Two important changes in the interests of better serving veterans of World War II in acquiring surplus property were made by War Assets Administration this past week. From now on, all veterans who hold WAA certificates will be sold on a "first come, first served" basis, regardless of date of certificate according to Harold S. Gish, chief of the veterans division in Fort Worth.

No further certificates will be issued for the numerous items on the veteran "set aside" list due to the large number of unfilled certificates nationally. A speed up drive is to be made endeavoring to sell all "set aside" items to veterans by February 28.

Texas veterans will have two big buying opportunities to secure badly needed lumber, wiring, plumbing and hardware items for the construction of new homes starting next Monday, December 16. A sale of approximately 4,500,000 board feet of lumber, builders hardware, electrical supplies and fittings will be held by WAA at Camp Howze, near Gainesville, starting Monday, December 16. On the same date a similar sale of stockpiled building materials from the demolition of more than 300 buildings at the former Prisoner of War Camp at McLean will get underway.

In both sales, WAA will serve only holders of HH priority certificates which are issued by the National Housing Agency or the CPA and veterans or contractors seeking to build a home for sale to a veteran will each be permitted to buy not more than sufficient materials to complete one individual five room dwelling.

Approximately 400 foot lockers and 2800 locker boxes of army surplus will be sold by War Assets Administration by means of sealed bids which will be opened next Tuesday, December 17. Veterans, other priority claimants and commercial dealers may all participate in the sale and orders should be submitted to the Fort Worth WAA office.

Large quantities of surplus telephone and telegraph equipment are to be offered for sale by WAA starting Monday, December 16 in a sale which will last to December 30. Switch-

These are what my brother and sisters want for Christmas: for Ginger, a rubber doll that says mama, for Billy some leather shaps and vest, for Earnestine, some gloses and leather gloves, and bring me some gloses and gloves and a bicycle for all of us.

Love, Barbara Stovall.

DEAREST SANTA CLAUS,

It is almost Christmas and I'd like for you to bring me a pair of skates, a little washing machine, a little sewing machine, a little doll that takes a bottle and has to have his diaper changed and anything you would select for me.

Santa Claus, please don't forget the other small children the land over.

Remember, I've moved since last Christmas, but I'll leave a light. I'll let you know if I go to my grand mothers.

Good-bye, I'll see you Xmas,
Patsy Rawls; Bledsoe, Texas.

DEAR SANTA,

Will you bring me a football suit and padding, a good football, a helmet, and football shoes.

Love, Donald Macon.

DEAR SANTA,

This is what I would like for you to bring our family, a little blue coat for Judy, a rubber ball and a pair of boots for Dinnis, a football for Bill, and Joan, also a little tricycle, a basketball for Frances, a Piano for Neva, a pair of spurs for Harvey, a suit for dady, a coatsuit for mother, and a fiddle for me.

Good-bye Santa,
Frank Head.

DEAR SANTA,

Will you please bring me a football and baseball and a bat. Don't forget my mother, father, brothers and visitors. We would certainly enjoy some candy and nuts.

Your friend, Connie Carter.

DEAR SANTA,

I want a bicycle for Christmas and my sister wants a doll. I know how to ride a bicycle now. I am nine years old and in the fourth grade. My sister is six and in the first grade. Bring us a lot of candy.

Get Phillips 66 Gasoline

Phillips regulates "66" gasoline to your seasonal driving conditions—that's why you get those quick starts on cold mornings! That's why your car will warm up faster than it does with low volatility gasoline.

We draw on our vast reserves of high-test natural gasoline to give you more highly volatile elements in your fuel as the weather gets colder.

Try Phillips 66. See if this "controlled volatility" doesn't give you quicker starts and easier warm-ups in cold weather. Drive in at the next orange-and-black "66" sign!

Besides Christmas parties and other festivities connected with the holiday season the public will be treated to a first class comedy this Friday night, when the Senior Class of Morton High put on their annual play.

"Never Too Late" has a wonderful cast and is being directed by Mesdames Jess Burns and D. E. Benham.

Both teachers are outstanding in ability and we are thoroughly convinced the play will be a "dilly."

The cat is out of the bag. "Colleene and Bill" will tie the knot on Sunday, December 22.

Colleene is the lovely daughter of the Louis Smiths and Bill Frank is one of our favorite "boy friends" around Morton.

The most beautiful rainbow was seen extending across the sky from north to west Monday morning. Must be a good omen.

Jack Nelson, Papa of a new daughter is thrilled to a polka dot. Naturally, thinks he has the prettiest daughter in the world. We haven't seen Jackie Bea as yet, even though she is only two weeks old, she has gone on a visit to grandmothers.

Mrs. E. R. Lytle has certainly done more than her part on the gifts for the Veteran's Gift Shop.

She cleared the Tribune window for decorating purposes and then took the gifts out of the window, wrapped and mailed them to the hospital.

The spouse took us on a little trip to Clovis last week-end. The only loot we came home with was a potted African Violet.

Clovis is beautifully decorated for Christmas and we did thoroughly enjoy all the gay Christmas lights.

Even the light posts were wrapped in evergreen branches, giving the town a festive air.

Eva Tubbs of Brownfield, formerly of Morton, writes original verse and has sent her friends in Morton a charming Christmas Greeting that we are taking the privilege of printing.

The Anniversary of Christ's Birth by Eva Tubbs:

"As we celebrate the Birth of Christ Each year on Christmas Day. Instead of being so hilarious We should stop, think and pray We should think more about Jesus,

And the humble place of his Birth. His coming and His going, And His stay upon this earth. We should think of the Virgin Mary,

And of John, who carried her afar, And of the three shepherds Who were guided by the star. It's such a beautiful story— But how many of us to-day Give a serious thought of the occasion,

And bow our heads and pray. So, on Christ's Birth Anniversary Let us all tarry awhile, And read the beautiful story Of the Birth of the Holy Child!"

We have received two copies of the new magazine, "Texas Week" and it is really quite a nice piece of work.

Mrs. G. E. Worley made us feel mighty good by saying, "I looked forward to getting the Tribune, while I was visiting in California."

Morton has a very attractive newcomer, Mrs. J. K. Abernathy, who recently moved here with her husband and small son. Mr. Abernathy bought the Maytag laundry.

The Santa Claus letters are really pouring in now. We think, after reading some of them that not only small children but some of the larger ones write to Santa.

One letter is from a darling little blonde girl that we know, she asked for a doll and a big train. She has no brothers, but we understand her Dad is mechanically inclined.

We saw a pretty pastel Christ.

mas day and were told it was very simple to do. It seems one dyes the angel hair (spun glass) by placing the glass in a sack with a mixture of tempra paint in the desired color and flour and shaking vigorously.

"The Child of Bethlehem" shown in sound movie at the First Baptist Church Monday evening was an inspiring and beautiful picture.

The Intermediate Department sponsored the showing of the movie. Their Department Superintendent is Mrs. Roy Hill.

Crowded school conditions and the shortage of teachers is no more serious in Texas than in any other state, according to H. H. Bernhardt, educational counsel for Newsweek magazine, who visited Texas Technological College last week while making a survey of national educational conditions for his magazine.

"Never before have we felt a greater need for additional educational facilities," he said, "because as we undergo revolutionary social, economic and psychological changes in our shift from war to peace, it is imperative that students know what is happening and why."

Bernhardt advocated organization of current events discussion groups in social science classes to help students develop a perspective of world affairs. A serious lack of information on important historic and current events, as shown by recent surveys among American adults, he termed a hindrance to development of world peace and security.

Application for adjustment in the rate must be made to the VA regional office having jurisdiction before the beginning of the semester for which the adjustment is asked.

VA is allowing all schools until December 3, however, to submit their requests for adjustments for the present semester if the term began on or after September 1.

**Veterans'
News**

Schools and colleges that must provide additional facilities to train disabled veterans may ask the Veterans Administration to pay more than their usual tuition charges for these veterans, VA announced this week.

The adjusted rate, VA said, must not total more than the school's teaching and supply costs.

New regulations providing for adjustments in tuition payments for disabled veterans enrolled under the Vocational Rehabilitation Act apply only to non-profit, tax-supported institutions, VA said.

VA has provided for the adjustments because it recognizes that many schools do not have a flexible income from taxes, endowments and other sources to cover additional expenses incurred during the present rush of thousands of veterans to college.

VA has made similar provisions for adjustments in tuition of students enrolled under the G. I. Bill.

GI Bill jobless pay is "so much money in the bank" and should not be consumed indiscriminately, General Omar Bradley told veterans this week.

The Veterans Administrator who has always cautioned veterans to use their various benefits judiciously, was referring to Readjustment Allowances of \$20 per week allowed unemployed veterans up to a maximum of 52 weeks.

General Bradley, at a conference of state directors for veterans affairs, also warned that many veterans buying houses on today's markets will lose them "when the boom ends."

"We feel many of the loans just won't pan out," he stated. "Veterans are very much in need of counsel which can be given to them only in their own communities."

MR. and MRS. RAYMOND STRICKLAND of Carlsbad visited his parents and sisters family this week-end.

**A Grand
American Tradition**

Dark Cuppers had a grand old reunion last week—for the time since the war.

and little Cuppers came, by train, from as far west as Nebraska and as far east as Pennsylvania. They crowded Dee and her house, set up quarters in barns, or stopped with neighbors—and a jollier gathering you can't have imagined!

They asked for their final Saturday night supper, when they sang songs, drank beer and cider, and danced. Dark Cuppers and blonde ones—Vermont accents and Alabama draws—doctors and farmers... all with their differences of taste and politics, yet as close and harmonious in spirit as a group could be.

From where I sit, it's a great American tradition—not just family reunions, but the ability to get along as one harmonious family, regardless of differences of taste—whether it's taste for politics or farming, beer or cider.

**FARM FACTS
WORTH
KNOWING**

Q. Do you know what would cause our doe to become very thin?

A. Thinness may be a symptom of disease, of improper feeding, or of poor care, although in itself it doesn't indicate much. Does often become thin, even though in the best of health, because of heavy milking, as the strain of producing large quantities of milk drains the body's reserves. It is a good idea to check all conditions of health and care when any goat starts to lose flesh, particularly because the trouble may be caused by an infection of parasites.

Q. Is it all right to substitute soybean oil meal for corn in feeding hogs?

A. Work on this at the Research Farm of the Ralston Purina Company showed that soybean oil meal can replace only a limited amount of corn or other cereal grains in swine rations. Even when supplemented with minerals and vitamins, it can satisfactorily make up only about 20% of a swine growing ration. The following table shows the results obtained at the end of 180 days when soybean oil meal was used in the ration:

Pen 1	Pen 2	Pen 3	Pen 4
Oil meal	20%	40%	60%
Final weight	211	186	164
	151		

Q. In feeding lambs, is there any advantage to grinding sorghum grains and roughages instead of chopping them?

A. Trials at the Kansas Experiment Station showed that it pays to grind sorghum roughages but not sorghum grains. Whole grain apparently is utilized more efficiently. Ground sorghum roughage, however, was found to be more palatable and produced larger gains than the same kind of roughage chopped.

Q. Some of my growing chicks have been losing their feathers. What is the cause of this?

A. There are several causes. First, all chicks molt during the growing period. Second, there is an inherited factor, which is often found in the general purpose or heavy breeds which causes a tendency to slow feathering. Third, overcrowding and other poor management factors cause a loss of feathers in growing stock.

Entertained With Covered Dish Dinner Tuesday

The Business Women's Circle of the First Baptist Church, entertained their husbands with a covered dish dinner in the home of Dr. and Mrs. Travis Ferguson, Tuesday night, December 10.

Mrs. Bessie Curtis is chairman of the circle but was unable to attend because of illness.

The guests were served at tables for four, grouped in the living and dining rooms.

The attractive Ferguson home was decorated throughout with a Christmas motif.

Gifts were exchanged from a beautifully decorated and lighted Christmas tree. These gifts will be sent to Buckner's Orphanage in Dallas, a Baptist sponsored institution.

The mantel was unusually attractive with a snow scene, topped with snow men candles and greenery.

Guests other than the members and their husbands were: Rev. and Mrs. W. C. Wright and Rev. and Mrs. Ike Harris.
