## March Of Dimes Giving Memorial To F. D. Roosevelt

March of Dimes of the National Foundation for Infantile Paralysis is a "living memorial" to Franklin D. Roosevelt, Mr. Taylor, local campaign manager of the 1947 March of Dimes declared today.

Mr. Taylor asserted that the memorial would have been the American people to honor him in a living memorial like the March of Dimes, dedicated to alleviation of suffering, rather than in monuments of stone or bronze.

statement by the campaign director said:

"The March of Dimes is our memorial to a great American humanitarian, Franklin D. Roosevelt. Stricken by infantile paralysis in the prime of life his indomitable courage in overcoming his affliction made him a hero to thousands similarly afflicted."

Through his own sufferings and great spirit flamed with a desire for all humanity. His perpetual fight to surmount his physical handicap caused by this disease encouraged and inspired hope not only to those afflicted like himself but to the people of the entire nation and the world.

"During his life he infused this spirit with his own unconquerable resolution and handed on the torch of his magnificent faith to the people of the nation. More than anything else he wished for the elimination of this disease which has left a legacy of suffering in its trail through the ages."

"Americans who believe in the spirit more than in material things, he bequeathed this great living memorial to carry on what was dear to his own great heart. It is his desire that we commemorate him not in monuments of stone and bronze but rather in his memory in a living memorial dedicated to the alleviation of human suffering."

Mr. Taylor asks that the March of Dimes cards sent out be read with your donation as far as possible, as this and the boxes in the schools will be only means used to solicit for this worth while cause."

## Meeting Called For Top Hospital Members Saturday

More than 300 members of Cochran County Cooperative Hospital Association have been called by the temporary board to meet at the Morton High School Auditorium on Saturday, January 25 at 2 p. m.

The purpose of this meeting is to discuss any questions that come up regarding the cooperative association and to elect a permanent board of directors. Members are urged to be on hand for this meeting.

## Citizens Asked To Observe State Fire Laws

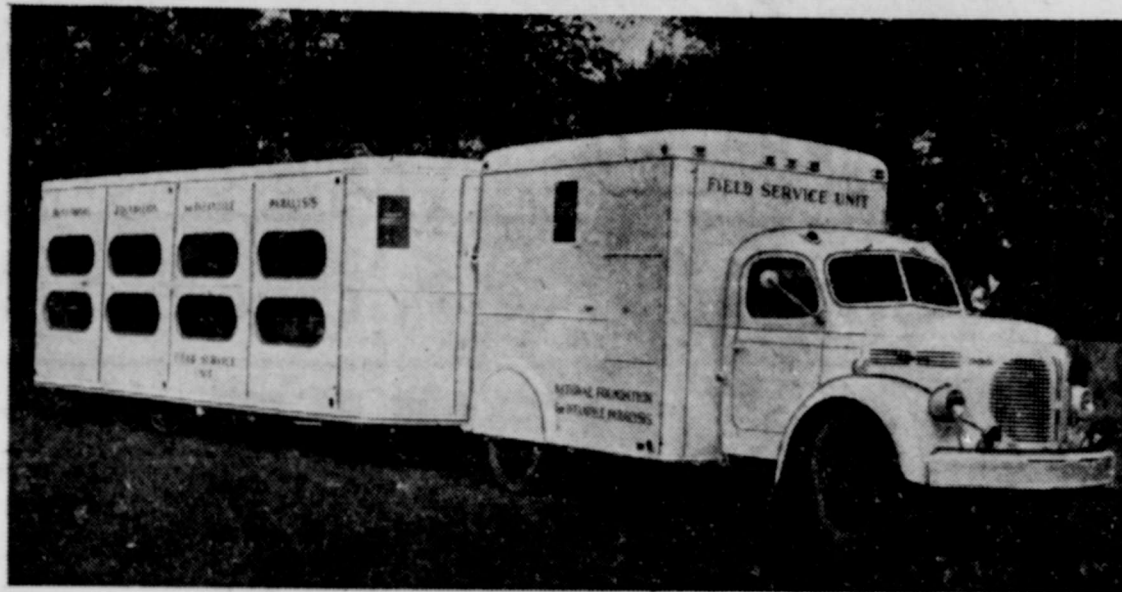

Man Crockett, Morton Fire Marshal, has issued a request that all business firms and merchants observe the State Fire Laws in regard to the burning of papers and other combustible materials.

Papers and trash are to be burned in wire baskets or containers. Where baskets are not available, a good container is to be constructed of chicken wire, according to Crockett.

During a "Clean-Up Drive" sponsored in the early summer by the Lions Club, Morton streets and vacant lots were thoroughly cleaned and several loads of trash hauled away.

It has been suggested that individual business men clean up the premises around their property clean so that it will not be necessary to have another clean-up drive.

## DIMES FINANCE MOBILE POLIO UNIT

## Mr. W. V. McKay Appointed Fourth Office Deputy

Mr. W. V. (Son) McKay, of Whiteface, at the request of Mac W. Hancock, was appointed by the commissioners court, in regular session on January 4, as a fourth deputy for the Tax-assessor-collectors office.

Further business attended to by the commissioners court was the approval of bonds, salaries and travel funds for county officials.

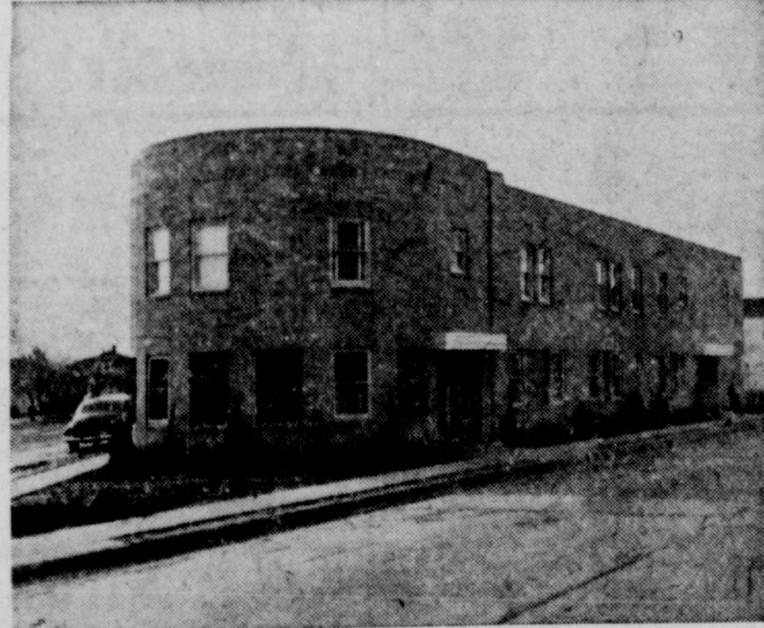

All bids for furnishing hospital equipment were turned down. New bids will be opened after the notice to bidders has been re-published.

Members of Commissioners Court meeting in regular session were: Judge G. W. Thompson, L. M. Baldwin, precinct 1; E. C. White, precinct 2; John Kennedy, precinct 3; C. G. Shaw, precinct 4; and T. W. Pierce, county and district clerk.

## FROM BROWNFIELD

Ben and U. S. Alexander, who recently purchased a grocery business in Brownfield, were visiting their parents, Mr. and Mrs. E. E. Alexander, and uncle, Carl Alexander, Sunday afternoon.

## Littlefield Optometrists Will Hold Formal Opening Saturday, Jan. 25

Drs. Ira E. Woods and B. W. Armistead, Littlefield Optometrists will hold the formal opening of their new two-story office building on Saturday, Jan. 25.

Drs. Woods and Armistead have issued invitations to the general public throughout the plains area to inspect the establishment between the hours of 9 a. m. and 5 p. m. The entire staff will be available to show visitors through the various offices and laboratories, explaining the functions of the different departments.

Drs. Woods and Armistead only recently moved into their modern building which houses their offices and laboratory in one of the most complete optometric establishments to be found in the entire Southwest. The building, one of the show-places of Littlefield, is located at 406 LFD Drive, one block east of the First National Bank.

Visitors attending the formal opening will be shown through the following departments; a semi-circular reception room, embodying a modern theme of sim-

## L. A. Cochran Farm Auction Wednesday

L. A. Cochran has announced a livestock and farm equipment auction sale that will be held at his place, 1 1/2 miles south of Morton, next Wednesday, January 29. Auctioneer Kenneth Bozeman will open the sale at 10:30 a. m.

Property to be sold by Cochran includes livestock and farm accessories, all sales to be cash and settlement made before stock is moved.

Cochran stated that all cows are Bangs and T. B. tested and papers will be furnished on all registered stock.

Sandwiches and pie will be sold at the sale and coffee served free. Visitors are asked to bring their own cups.

## VISITING MOTHER

Daniel Powell, Dallas, is visiting his mother Mrs. Edna Powell, and grandparents, Mr. and Mrs. S. L. Pierce.

Powell a former paratrooper was in the service 22 months, with seven months overseas duty in Europe.

## Garden Club Meet Held Tuesday In Hawkins Home

The Cochran County Garden Club met in the home of Mrs. H. January 21, with 18 members and two guests present.

Mrs. Elizabeth Greer, presided at the business meeting, at which time three new members were unanimously accepted into the club, they were Mrs. C. W. Jordan, Mrs. Mary Dowdy and Mrs. C. W. Sanders.

Miss Manley gave a report on the Memorial tree and shrub pull conducted by the Garden Club. Members in open forum discussed the discoveries and mistakes made in the past year in the organization.

Mrs. Albert Morrow, president-elect, asked for the club's consideration of amendments to be made to the existing by-laws.

Mrs. Roy Hill, year book chairman, presented an outline of the program planned by the year book committee for the new year beginning in March.

Refreshments of hot punch and fruit cake topped with whipped cream was served by Mrs. Hawkins to Mesdames Albert Morrow, C. W. Davis, Travis Ferguson, E. Greer, Scott Hawkins, Roy Hill, L. E. Huggins, E. R. Lytle, Carl Macon, Q. V. Winningham, J. D. Hawthorne, Lem Chessner, R. T. Ray, O. E. Stevenson, Hattie B. Spotts, C. H. Silvers, and Misses Mabel Manley and Lanora Jackson.

Guests: Mrs. A. A. Kendall and Mrs. Carl England.

## Weselyan Guild Meeting Held In G. Bishop Home

Weselyan Guild of the First Methodist Church, met in the home of Mrs. Gayle Bishop on Monday night, January 20.

The beautiful candle lighted pledge service was conducted by Mrs. Carl Alexander, assisted by Mrs. Bishop and Mrs. Jordan.

The Guild Ritual was led by Mrs. Jordan and Mrs. Chas Cravy. Mrs. Courtney Sanders read the minutes of the previous meeting and gave treasurer's report.

Mrs. R. C. Ross, vice-president, was in charge of the business session, in the absence of the president, Mrs. L. W. Ray, who was ill.

During the business meeting the meeting date of the Guild was changed to the second Monday night of each month to become effective in February.

Mrs. Bill Proctor was welcomed as a new member of the Guild.

Year books were given to the members and an outline of the year's program entitled, "Of Such Is The Kingdom," presented by Mrs. Ross.

Concluding the business, refreshments and a social hour was enjoyed by Mesdames: Carl Alexander, Gayle Bishop, Carl England, J. D. Hawthorne, J. K. Abernathy, W. C. Caffey, C. W. Jordan, Chas Cravy, R. C. Ross, Courtney Sanders, Cliff Davis, J. V. McKay, Bill Proctor and P. B. Ramsey.

The next meeting of the Guild is scheduled for February 10 at the home of Mrs. Chas Cravy.

## MRS. DOLLE IN HOSPITAL

Mrs. E. F. Dolle is receiving treatment at the Littlefield Hospital, where she was taken Sunday by Sheriff Mac W. Hancock.

## Last Rites For Whiteface Man Conducted Mon.

Funeral services for Barney A. Walker, 40, of Whiteface, who died of asphyxiation, were conducted at 3:30 o'clock Monday in Whiteface First Methodist Church with Rev. H. B. Coggin, Methodist pastor at Seminole, and Rev. C. N. Curry, Whiteface pastor, officiating.

Burial was in Whiteface cemetery, under direction of Plains Funeral home.

Mr. Walker, who was employed by the Devonian Oil company, was found dead about noon Sunday after a high pressure gas line had burst at a "switch" hole near Levelland.

An autopsy was performed Monday. Asphyxiation was given as cause of death.

Judge G. W. Thompson and Justice of Peace, Alvin O'Pry were called to conduct an inquest, Sunday following the accident.

Mr. Walker, described by his employers as a switcher, apparently had gone into the hole, similar to a storm sewer manhole, to do some work. It is presumed that when he switched gas pressure of 800 to 1,000 pounds into a line, the pipe burst, and he was overcome by the gas before he could leave the hole. People nearby said they had heard the escaping gas for 25 or 30 minutes before the body was found by Walker's foreman. He was alone.

Survivors include the wife; two daughters, Carolyn Lee and Bessie Gayle; one son, Rodney; his parents, Mr. and Mrs. T. A. Walker of Whiteface; two brothers, Hartie D. Walker of Corpus Christi and Tullus Walker of Dallas; four sisters, Mrs. Claude McLarty of Anton, Mrs. Iva Lee Grisham of Hico, Mrs. Dessie Bell Poston of Anton, and Mrs. Juanita Jones of Littlefield; his grandmother and other relatives in Alabama, where he was born.

MR. and MRS. L. B. CHILDS left Sunday for spring market in Ft. Worth and Dallas.

## Jim E. Middleton Elected Principal Of High School

The Morton Independent School Board in session Friday evening, Jan. 17 elected Jim E. Middleton as principal of high school for the 1947-48 term. Mr. Middleton is to serve as basketball coach also.

Mr. Middleton is now serving as principal and coach of football and basketball; but is resigning from the position of football coach in order to devote full time to the office of principal.

Mr. Middleton played on the state champion basketball team at Carey and on the East Texas State Teachers College team. He received his Bachelor degree from E. T. S. T. C.

## Funeral Services Being Held Today For Mrs. S. Mings

Mrs. Sallie Mings, 70, died at her home in east Morton, Sunday morning, after a six months illness.

Funeral services will be conducted by the Assembly of God pastor in Levelland, Thursday at 2:30 p. m. Under the direction of Singleton Funeral Home.

Pall bearers named are: Raymond New, Leon Hamilton, Tom Morgan, Mr. New, O. D. Vernon, and John D. New.

Mrs. Mings is survived by two step children, nine grand children and sons, Frank of Newark, California and Ray of Morton; daughters, Susie Newsum, Tulare, California; Lula Mings, and Mrs. Malone of Lamesa.

## A BABY GIRL FOR MR. AND MRS. CARILLIO; BORN DEC. 31

Mr. and Mrs. Andrew Carillio announce the birth of a baby girl on Tuesday, December 31. The baby weighed eight pounds.

Andrew, and Angelita named their daughter, Camille Carillio.

## V. F. W. Amateur Talent Show Fri. Draws Full House

The Amateur Talent Show, a new program, designed by the V. F. W. to bring clean wholesome entertainment to the community, started off with a bang Friday night at Veterans Hall, despite inclement weather and many other difficulties.

Eleven excellent and individual entries were presented to a full house by Kirby Smart, who presided ably as master of ceremonies for the event.

Musical selections were interspersed throughout the evenings entertainment by the orchestra.

Ken Coffman provided an appreciative audience with laughs during the program with his comic antics, witty jokes and interference with Smart in his microphone duties.

Contestants, number on program and awards are as follows: Miss Alice Schenck, singing "The Old Lamp Lighter," accompanied by Mrs. C. W. Jordan.

Arthur Cook, Violin Solo. Bobbie Jean and Ronnie Lee Gast, humorous Hill Billy skit, award for third place.

Miss Jeanette Allred, tap dance.

Billy Proctor and Mr. Sharon, Banjo and Violin duet, award for fourth place.

Miss Nell Brown, Piano solo, fifth place award.

Ed Neutzler, vocal solo, self accompaniment on guitar.

Irma Christine Long, vocal solo, first place award.

Waydelle Hill, coronet solo.

Tomlin Trio, string music.

Keith Kennedy, piano solo, second place award.

At the conclusion of the presentation of awards, Miss Luing favored the audience with two vocal selections and Mr. Kennedy played another piano number.

The evenings program was closed with the orchestra playing several numbers.

Tentative plans of the V. F. W. call for another talent show in February.

## John Deere Show Attracts Large Crowd Friday

275 persons took advantage of the big free John Deere show, sponsored by McAlister-Huggins, last Friday afternoon at Veterans Hall.

Farm implements were on display at the McAlister-Huggins Implement House, where the group was served lunch at noon.

Mr. G. C. Carr of Dallas, Publicity Salesman for John Deere was projectionist for the three hour movie shown on Friday afternoon.

Mr. G. B. Lacy of Lubbock, territory manager for John Deere, assisted McAlister and Huggins in showing the farm equipment.

In addition to "The Windjammer", four other new all talking pictures were shown. They included, "Headliners in Tractors"—the story of the new John Deere models "A" and "B" Tractors for 1947... "New Power for the smaller farm"—an important announcement of a new tractor with a complete line of integral equipment for the small acreage farmer.

## Red Horse Service Station Robbers Apprehended

According to a report from the Sheriff's office, three boys who participated in the looting at the Red Horse Service Station and the office of L. F. Hargrove, on Monday night, January 6, were apprehended in Lubbock and charged with about 21 thefts in various parts of the Plains area.

Sheriff Hancock stated that one boy was on a month furlough from Gatesville and the other two were sentenced and all three removed to Gatesville on Wednesday of this week from Lubbock.

## Lone Star Trading Post Opens Office

Mr. K. K. Krebs of Maple has announced the opening of The Lone Star Trading Post in Morton.

The Trading Post is located next door to the telephone office east, just off the square.

Krebs is very anxious to have everyone in this trade area come in and get acquainted and let him explain the set-up of the Lone Star Trading Post.

## WESTON HOMEPLACE DESTROYED BY FIRE

The Weston homeplace in the Pep community was completely destroyed by fire Monday, January 20th.

## Joins Marines

Bob Graham, Morton High School Senior and former Tribune employee, now in Marine Corps.

## Morton Lions Club Regular Meeting Held Wednesday

Morton Lions Club met in regular session and lunch at the Methodist Church, Wednesday noon, January 22.

Lion Ramby led the group in the singing of two songs, with piano accompaniment by Mrs. L. F. Hargrove.

Lion T. L. Bullard gave the invocation.

Lion Bowers was appointed tail twister.

Lions present: Willard Cox, Louis Smith, P. B. Ramby, James St. Clair, Carl Macon, Robert Porter, M. C. Ledbetter, R. C. Strickland, Paul Arnold, J. B. Knox, Carl Ray, Carl England, Walter Taylor, Jack Nelson, Roy Hickman, Max Bowers, Earl Bowers, Courtney Sanders, Zeke Sanders, Jack Bullard, J. V. McKay, Floyd Smith, Tom McAlister, Earl Crum, L. W. Barrett, T. W. Ferguson, A. A. Kendall, J. W. McDermott and T. K. Williamson.

Guests introduced were W. L. Lively, Construction Engineer with local F. S. A. office, of Jack Nelson; Jim Middleton, of Carl Macon; Grady Hughes, Lubbock, of Max Bowers; K. C. Young, Ft. Worth of Tom McAlister.

Lion Program Chairman Porter introduced his guest, Albert Morrow, who spoke on candidates for Boy's State to be held in June at Austin, Texas, under the sponsorship of the American Legion.

Lion Macon spoke briefly on the needs of the Junior High school athletic department for equipment.

The next meeting of the Lions Club will be Ladies Night, Thursday, January 30, 8:00 p. m. at the Methodist Church.

## Ford Motor Co. Reduces Prices \$15 to \$50 On Cars

The Ford Motor Company in a move to halt their spiral of mounting costs and prices reduced the price of every Ford car from \$15 to \$50.

In making the announcement Henry Ford, president, said "although more than one million of our customers are waiting for delivery of their cars at present prices, we are immediately reducing the price of every Ford car, some models as much as \$50. This is a down payment toward a continued high level of production and employment in the months ahead. We believe that the stock treatment of prompt action is needed to halt the insane spiral of mounting costs and rising prices and to restore a sound base for the hopeful period of post-war production we are now entering."

Mr. Ford said the company had made a modest profit for the last three months of 1946 and intended to continue to operate in the black. He stated that the millions of dollars lost since V-J Day had been accepted as "an item of the cost of a great and victorious war."

"Because they must build up depleted cash reserves or because they are still losing money, many businesses may not be able to follow suit," he said. "But we hope that our suppliers, our employees and our other economic partners will back each to his own ability, our attempt to return to the economic pattern which has helped to make America great, the principal that higher wages and a higher standard of living for all depend upon lower costs and lower process through increasingly efficiently large scale production."

MRS. CHAS CRAVY and three sons, returned home last week from a three weeks visit in Spur, Texas, with her mother, other relatives and friends.

### Legion Auxiliary Meeting Held Thursday Night

American Legion Auxiliary met Thursday night, January 16 in Auxiliary Room at Veterans Hall with eight members present.

Mrs. W. B. Evans, led the group in singing, "The Star Spangled Banner."

Mrs. Walter Taylor gave the invocation.

Minutes of the last meeting were read by Sec. Mrs. John L. McGee and approved as read.

Auxiliary President, Mrs. Roy Hill, appointed Mrs. Carl England as a representative from the Auxiliary to assist the American Legion in presenting a short course in parliamentary procedure to boys selected to attend Boy's State.

Refreshments of coffee, cookies and candy was served by the Legionaires to the Auxiliary.

The next meeting will be held at Veterans Hall on Thursday night, February 6. Program will consist of installation of new members and a Valentine Party.

Mrs. W. B. Evans, social chairman, will have charge of the party arrangements.

#### VISITORS HERE THURSDAY

Mr. and Mrs. Forrest Weimhold of Levelland were business visitors in Morton last Thursday.

### Social Security Manager Will Be Here January 30

Elliott W. Adams, Manager of the Lubbock office of the Social Security Administration, will be in Morton, Thursday, January 30, 1947 at 11:00 a. m. at the Post Office for the purpose of assisting possible benefits and taking claims from persons who seem to be entitled to benefits; and taking applications for Social Security Account Number cards.

High school boys and girls who have been working in business or industrial jobs and who have returned to school are urged to take care of their Social Security account number cards. Students will need their cards again when they take other jobs during holidays, during next vacation and throughout life. The card is the key to an insurance policy with Uncle Sam, and only one number should be used by every worker throughout life. Wage credits, on which future benefits will be based, are posted to each worker's individual ledger sheet under both his name and number since many people may have the same name but not two can have the same Social Security number. More than one number may cause some loss of the wage credits.

### VA Subsistence Checks Slated To Reach Most Veterans On First Of Each Month

The all important VA subsistence check will reach a greater majority of veterans, taking on the job training or going to school under the GI Bill, right on the first day of each month, than heretofore possible, according to C. E. Pickens, Veterans administration regional finance officer at Lubbock.

A new system has been installed whereby more veterans will receive their subsistence checks the first of the month; however, receipt of a few checks, approximately 5 per cent necessarily be delayed until the 4th or 5th of the month.

"As a result of the Treasury Department's installation of rapid mechanical equipment, it is now possible to move the 'cut-off' date for submission of VA payrolls up to the 27th of the month, which enabled more veterans to be placed on the roll.

This means that more veterans will receive their checks from 10 to 30 days earlier than previously possible.

In this manner better service can be rendered the majority of veterans, while delaying only a small number for a few days. Furthermore, the same veteran's check will not be delayed each time under this system.

It is requested that veterans refrain from calling the regional finance office if a check is not received on the first day of the month. Give the check four or five days to show up. Hasty inquiries slow down the finance office and may actually be the cause of some delayed checks." Pickens pointed out.

### 667,245 Vehicles Produced By Chevrolet In 1946

DETROIT — "Operation Assembly Line"—the 1946 production battle of the titans of the automotive industry—has resulted in retention of its long-time volume leadership by Chevrolet, it was disclosed here today with announcement by Nicholas Dreystadt, general manager of this largest G. M. division, that 667,245 cars and trucks were built by Chevrolet in 1946.

The figure tops total output this year by any other single manufacturer, Mr. Dreystadt asserted. Likewise, it gives Chevrolet clear lead over all other producers in total passenger car production and total truck output. Chevrolet's 1946 total was composed of 397,108 passenger cars; 270,137 trucks.

While production did not get underway until after the first quarter of the year, during which period its plants were strike-bound, the division registered steady gains throughout the final three quarters, with marked advances made in the closing months of the year. December output alone totalled 96,695 passenger cars and trucks, highest postwar production achieved by any manufacturer in a single month, the G. M. vice-president said.

Although attaining less than half the volume of 1941, last prewar production year, Chevrolet noted two production milestones in 1946. On November 11, the division announced its 500,000th Chevrolet built in 1946, the first producer in the industry to attain that volume. Less than a month later, the 19,000,000th unit to be produced in the 35 years of Chevrolet's history came from the assembly line.

Coincident with today's announcement, Mr. Dreystadt said that Chevrolet's production potential for 1947 will be increased with the completion of two new assembly plants under construction in Flint, Mich., and Van Nuys, Calif.

"A nationwide manufacturing system such as Chevrolet's is dependent upon a host of suppliers, both of raw and processed materials, as well as upon the transportation industry, rail and highway. To achieve anything like maximum output means that every phase of our national economy must be united in cooperative, productive effort.

"And it is only through such universal unity that all elements of business and industry can contribute to the prosperity that is this nation's heritage," Mr. Dreystadt added.

#### MRS. LILLY NEBHUT OBSERVES 87TH. BIRTHDAY

Mrs. Lilly Nebhut observed her 87 birthday on Sunday, January 12th.

Mrs. Nebhut, bedridden for several years, makes her home with her son, Mr. M. J. Nebhut and Mrs. Nebhut, in east Morton.

Mrs. Bessie Boss, Washington, daughter of Mrs. Lilly Nebhut, is visiting in the Nebhut home and helping in the care of her mother.

### LET'S TALK ABOUT "MAGGIE"

If trouble of any kind develops with the magneto on your McCormick-Deering tractor, please talk it over with us.

It can nearly always be fixed and adjusted for less money than you would pay for a new one . . . even a cheap "will-fit" variety.

And you'll find it pays to have all IH parts in your tractor.

MRS. VERA MAE LOW has accepted a position as clerk in County Judge Glenn Thompson's office.

## A Three Minute Sermon

T. L. (Jack) Bullard

TEXT—The word is nigh thee, even in thy mouth; Rom. 10:8. Much is being said today about God's word but very little is being done about it. Today the Bible does no longer hold an important place in many of our minds. It is a definite fact that the word of God will stand forever, (Matt. 24:35) and the sooner we quit trying to destroy it and begin to believe it, the sooner our Nation will begin to receive God's blessings in a greater way.

Any erroneous reflection upon the character of any person or firm appearing in these columns will be gladly and promptly corrected upon being brought to the attention of the management.

Paul on this occasion was speaking of the word of Faith, which has today been forced to take a back seat and practical thinking has taken its place. Yes through practical thinking, today many things are outstanding in the hearts and minds of the American people. We can except practical thinking and perhaps dislodge many teachings of the Bible but which is the most important in our life. Think of the WORD for just a moment; what does it mean in my life and yours? Can we afford to go down lives way without it? What major importance does it hold for the individual? Dear reader,

## Lt. Bill Lindsey Transferred To Berlin, Germany

Lt. Floyd (Billy) Lindsey has been transferred from Paris, France to Berlin, Germany. He was accompanied by his wife who arrived in Europe November 14, aboard the USAT Jarrett M. Huddleston.

Mrs. Lindsey reports that seeing Europe is wonderful but a jeep ride from Paris to Berlin in December over bombed out highways in no fun.

They are taking a tour of Switzerland and Rome in February.

Lt. Lindsey is assigned to the 808th Air Engineers Sqd. as test pilot. He is the son of Mr. and Mrs. W. A. Lindsey of Morton.

Mrs. Lindsey is the daughter of Mr. and Mrs. L. G. Fred Pettit.

And where there is no big I, and little you, but where God is magnified and glorified, where the word can find its way into your heart. I heard this story once; an old man ask an old darkey why so many negroes were Baptist? Well, said the old darkey, Baptist are just to dumb to spiane away the Bible and they just have to take it as it is. Baptists or what not let us just take the Bible as it is.

MR. and MRS. C. N. HOOD took PAUL back to Dallas for a check-up Friday.

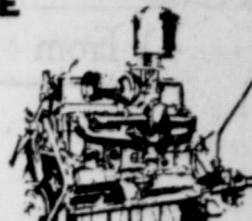

Tribune, Morton, Cochran County, Texas, Thursday, Jan. 23, 1947

MR. JACK RICE of Cobb's Department Store is attending spring market in Dallas this week. BABE and BUDDY VANLANDINGHAM and BUDDY SETLEFF from Lubbock were Morton visitors over the week-end.

DR. B. W. ARMISTEAD

**New Woods and Armistead Building**  
Open for Your Inspection from 9 a. m. to 5 p. m.

The formal opening of this new office building culminates the planning of years, and it is with pride that we invite our friends, patients and the general public to inspect the building which was planned to give adequate space for offices and laboratory equipment.

The lower floor of the new building is devoted to the private offices of the doctors, reception room, two refracting room, business offices, visual training rooms laboratory and lounge. We feel that the new enlarged and newly equipped offices will enable us to give you every professional service essential to eye comfort and visual efficiency.

**Willie Goes to School at 23**

Everybody's joshing Willie Wells about going back to school. They remember when Willie would hide out in the woodshed—scared to bring his report card home to Pa. But under the G.I. Bill of Rights, Willie (who has a wife and baby) is getting a free education at the Agricultural College. And Uncle Sam is giving him a fine report: "Department, excellent; Progress, above average." That goes for all those undergraduate veterans. Like Willie, they appreciate an education more than

ever now. They're industrious and well-behaved—their favorite beverage is milk, or a temperate glass of beer. For them the "three R's" seem to mean: Responsibility, Resourcefulness, Restraint.

From where I sit, cynical folks who thought veterans wouldn't want to return to school—wouldn't stick to steady habits of work and moderation—have their answer in "undergraduates" like Willie.

**Mrs. Bill Butler  
 Honored With  
 Gift-Tea Sunday**

The home of Mrs. R. T. Tarver on East First was the scene of a lovely gift tea Sunday afternoon honoring Mrs. Bill Butler, recent bride.

Hostesses were: Mrs. R. T. Tarver, Mrs. J. B. Knox, Mrs. Lloyd Evans, Mrs. P. B. Ramby, Mrs. L. F. Hargrove and Mrs. Carl England.

The tea table covered with an Italian cut work linen cloth, was centered with miniature bride and groom on a blue reflector, nosegays of white sweetpeas tied with blue ribbons outlined the edge. Blue candles in low silver holders flanked the center arrangement.

Miss Dorothy Tarver and Miss Carol Evans served hot spiced apple cider and individual cakes embossed it blue and white to the guests.

Incidental piano music was furnished by Mrs. J. B. Knox, A trio composed of Miss Dorothy Tarver, Miss Carol Evans and Miss Katherine Graham, presented several vocal selections. Miss Tarver also read a poem dedicated to the bride.

The many beautiful and useful gifts were attractively displayed.

Guests registering in the white satin, hand painted brides book were: Mesdames: J. B. Knox, L. F. Hargrove, P. B. Ramby, and Barbara, Lloyd Evans, Carl England, Billie R. Proctor, Chas. L. Taylor, Joe Gipson, Gene Huggins, Robert Lively and Master Lively, Harve Andrews, George Graham, Louis Smith, Albert Morrow, Mary Nebhut, Mary Dowdy, Alva Cravy, C. W. Jordan, M. C. Ledbetter and Mary, Mary Graham, Tom Arnn, Tom Arnn, Jr., C. B. Markham, John Holloman, John L. McGee, J. N. Young, Clyde Reynolds, Roy Hill, and Marion Porter. Misses Clydene Hodge, Lubbock, Carol Evans, Katie Graham, Dorothy Tarver and Geneva Famullner, Morton; Misses Nila E. Smith and Geneva Kirby, Portales, N. M.

Gifts were sent by many unable to attend the party.

Mr. and Mrs. Butler are making their home in Lubbock, where he attends Texas Tech.

The ceremony was read by Rev. Hubbert of Muleshoe. Attendants of the couple were Miss Florene Wright and Mr. Merle Ensor.

The bride was dressed in a blue-green suit with white accessories and for the traditional something "old" she wore a pearl necklace belonging to Mrs. Leon Lemmons, "new" a pair of white gloves, given by her sister, "borrowed" a white Bible from Mrs. Russell Hudson and for good luck a penny and dime in her slippers.

Guests present for the wedding were: Mr. and Mrs. R. H. Wright, parents of the bride; Mrs. Gates, Muleshoe, mother of the groom; Lorene and Jack, Morton, Dave and Leonard of Lonsburg, N. M., sister and brothers of the groom.

Mr. and Mrs. Jr. Bylue of Hobbs, N. M.; Mr. and Mrs. Russell Hudson, Morton; Mr. Earl Doyle and Miss Emma Lou Elliott, Enochs; Ruth Hodge and Kathleen Rush of Morton; and Rev. Hubbert and family of Muleshoe.

## Operation Costs Of Public Schools Are Derived From Three Sources

(Article II)

Money to operate the public schools is derived from three sources: Local, state, and federal. During the school year 1945-46, the local school districts contributed 46.6 per cent, the state 47.8 per cent and the Federal government through vocational, Latham Act, and Hot Lunch Fund appropriations 2.6 per cent or \$5,512,606.

The state provides money through two sources for the public schools. The Available School Fund is described on a per capita apportionment basis and the Equalization Aid appropriation from the General Revenue Fund of the State.

Equalization Aid is made to school districts with a scholastic population of 1250 or less that can show need for special state assistance. The annual appropriation is \$14,000,000 per year for the present biennium ending August 31, 1947. Schools receiving equalization assistance comprise roughly 475,000 scholastics and

16,000 teachers. 200,000 children are transported daily from their homes to accredited schools.

The Available School Fund provided a per capita apportionment this year of \$35.00 per child of school age.

What are local communities doing to help educate their own children is a question often asked? Local support has kept ahead of state support consistently although the constitution provides that the legislature shall provide funds for the operation of the public schools for a period of not less than six months. Local school districts last year collected for maintenance and bond purposes \$88,768,161 as compared to the state's contribution of \$71,049,911.

The Legislature in 1945 provided that local school districts could levy an ad valorem tax rate not to exceed \$1.50 on the \$100 of property valuation instead of the maximum of \$1.00. On September 1, 1946, sixty-nine of 1,000 independent school districts were levying the maximum tax of \$1.50; 27 were levying between \$1.25 and \$1.50; 29 were levying \$1.25 and 34 were levying a rate between \$1.00 and \$1.25. This number does not include a very large number of common school districts that also levy a rate above \$1.00 nor the dozens

## Weekly SURPLUS NEWS WAA

War Assets Administration has announced that educational and public health institutions will receive a 95 percent discount on ten items suitable for use in such institutions. The five per cent of the fixed price that WAA will receive will cover approximately the cost of care and handling.

The items, all in long supply, are object detection apparatus (radar and loran), field hospital food carts, field hospital laboratory incubators, tracing paper (transparentized), mobile and water purification units, thermocompression distillation units, carbon paper, typewriter ribbons (ink ribbons), child care equipment units and clinical and infirmity equipment units. Eligible institutions may obtain complete information from their nearest regional or district WAA offices.

Tax-supported and non-profit and public-health institutions may now buy surplus aircraft and equipment through WAA at a 40 percent discount from list prices. The new amendment provides for the 40 per cent discount on aeronautical equipment for any use the purchaser may desire. Surplus aircraft parts and equipment for flight use also are included in the discount. WAA stated that qualifying institutions may purchase aircraft at the discount directly from storage fields if the planes are in long supply. This includes training planes, some types of utility cargo and light transports. Surplus aircraft components and parts may be purchased from the National Aircraft Component Sales Center, WAA, 6200 Riverside Drive, Cleveland 32, Ohio, or from the Western Aircraft Components Sales Center at Torrance, California. Aircraft engines, however, must be purchased through the office of aircraft disposal, WAA, 425 Second Street, N. W., Washington 25, D. C.

All government-owned surplus abrasives, totaling nearly \$15,000,000 in acquisition cost, are being offered for sale on a competitive bid basis in a new national program by WAA. The sales program includes paper and cloth-backed sticks, stones, hones and other types, and all natural and synthetic, crude and manufactured products except natural carbon abrasives (industrial diamonds) and grinding wheels. The material will be offered in lots of not less than \$1,000 in acquisition cost. Although the abrasives are located primarily in the seven industrial regional offices—Detroit, Cleveland, Cincinnati, Chicago, New York, Philadelphia and Boston—it is anticipated that most WAA regional offices will have stocks for offering.

Approximately \$750,000 worth of surplus sulfa drugs, including sulfathiazole, sulfadiazine, sulfaguanidine and sulfapyridine, in powder and tablet form, are being offered for sale at fixed prices.

of independent and common school districts that have increased their property valuations for the purpose of paying better teachers' salaries.

Texas ranks sixth in population figures; yet thirty-third in per capita expenditures for the education of her children. What effect does such an inverse ratio have on qualification and pay of teachers and the opportunities for the best schools possible for Texas boys and girls?

Get more "go" for your dollar with our power tested gas and oil.

## Mahon Asks Water Authorities To Obtain Full Facts On Plains' Supply

WASHINGTON, D. C.—Congressman George Mahon advises that he has personally appealed to William Wrather, Director of the Geological Survey in Washington, for an intensive study of the underground water supply of the High Plains of Texas. He emphasized that such a study should be made and an authoritative report given the people at the earliest possible date.

This report would be for information purposes only, Mahon stated. It would enable farmers, ranchers and city officials to better plan their water conservation programs. In commenting on the matter, Mahon stated: "I want to emphasize that the Federal Government in Washington has no authority to impose any regulation on the use of water in the High Plains of Texas for irrigation or otherwise. I personally feel that Federal interference would be both illegal and improper. Mr. Wrather said that the Government had followed and would continue to follow a strictly hands off policy as to

legislation and regulation.

"Many West Texans have sought for years to get the fullest possible information in regard to our High Plains water supply. In 1936 I was able to secure an appropriation of Federal money for a study of these water resources and this study has been carried on more or less continuously since that date, and the study is still in progress. Several preliminary reports have already been made, but the reports are not sufficiently conclusive as to the quantity of water which can safely be withdrawn for irrigation purposes. A more aggressive effort to get the facts must be

Tribune, Morton, Cochran County, Texas, Thursday, Jan. 21, 1946

made.  
"Director Wrather of the Geological Survey, the Federal Agency charged with making investigations of our national water and mineral resources, states that present studies indicate conclusively that the High Plains' underground water supply is replenished from rain which falls on the High Plains and not from a water current which flows underground from outside the area."

Mahon stated that steps are being taken in West Texas to determine all the facts were in the public interest.

**To Reinstate**  
**NSL Insurance**

Veterans in West Texas who have let their National Service Life Insurance lapse or become inactive, were reminded today by S. Roscoe Clark VA Contact Representative at Lubbock that they have until February 1, 1947, under existing regulations, to reinstate policies without physical examinations.  
 Reinstatement can be made in most cases by the veteran signing a statement that his health is as good today as it was when his insurance lapsed.  
 After February 1, 1947, term policies lapsed more than six months or permanent policies, such as Ordinary Life, etc., lapsed more than three months, will require a physical examination, VA's insurance service reported.  
 All or part of the policy may be renewed and back payments do not have to be paid on the term insurance. Only two monthly premiums on the account to be reinstated must accompany the reinstatement applications, which can be obtained at any VA contact or Regional Office.  
 National Service Life Insurance policies issued for war-time service can be converted to any of the standard permanent forms of insurance during the term period. Insurance issued prior to January 1, 1946, may be carried for eight years from the date of issue.  
 Policies issued since January 1, 1946, may be carried for five years or converted during the

five years to a permanent plan of insurance.  
 Under liberalized provisions, veterans may designate any beneficiary to receive the proceeds of their policies in a lump sum.

**Tuberculosis Is**  
**Still Very Serious**  
**Problem In State**

AUSTIN — "Carelessness and ignorance represent two of the most powerful factors in spreading communicable disease from man to man. No more emphatic example of this fact exists than the continued ravages of tuberculosis. In spite of the knowledge of its cause and spread, and of curative methods, tuberculosis is still a very serious problem not only in Texas, but throughout the United States," states Dr. Geo. W. Cox, State Health Officer.  
 "It is true that tuberculosis no longer is first on the list of killing diseases, as it was formerly," Dr. Cox said, "but despite having been reduced to fifth place in Texas, it still is responsible for more deaths between the ages of fifteen and forty-five than any other disease. And this fact exists even though the majority of tuberculosis patients could have their condition arrested if it were recognized early and proper treatment applied.  
 "Treatment of the early recognized case is essential. It is of equal importance, from a public health viewpoint, that the spread of this devastating infection be

prevented. A more intelligent appreciation of this fact would result in the saving of thousands of lives.  
 "When a diagnosis of active tuberculosis has been made, examinations of all of the other members of the immediate family should follow as a matter of course. Tuberculosis runs in families, not because of any special susceptibility to the disease, but because it is communicable, being usually transmitted through close and prolonged contact with the active case."  
 To reduce the number of deaths caused by tuberculosis, Dr. Cox suggests periodic examination of all adults, a check-up by physicians of the known active cases and contacts, regular examinations of high school children, isolation or hospitalization of the active tuberculosis case, and a more intelligent application of hygienic living principles.

**MR. HENRY FORD, II THAT'S THE WAY TO DO IT!**

Certainly prices have gotten all out of reason. The economy of the Nation cannot stand for a continuation of skyrocketing prices. It's time to get prices back where they belong.

Your announcement about the \$50 cut in Ford prices will set the pace for industry and labor to "halt the insane spiral of mounting costs and rising prices" which would break the American system of free enterprise and high standard of living.

Despite the fact that you have over 1 million unfilled orders and these million people are willing to pay the highest prices. This is, in our opinion, a down payment on the future of America.

Now we can say "There's a Ford in your future at a lower cost."

Willard Cox—in cooperation with Ford—is offering immediate reductions on all Used Cars.
