

Hospital Group Files Reply to Injunction

Contents of Document Filed With District Clerk Friday, September 5

Cochran County Cooperative Hospital Association has filed a reply to the injunction issued in August by four Morton men asking the District Court to prevent the association from operating West Plains Hospital in accordance with its lease.

The reply, filed Friday, came within the September 8 deadline. Contents of the document, now on file in the office of W. Pierce, District Clerk, is a plea in abatement and a denial of defendant Cochran County Cooperative Hospital Association.

In a six-item answer to the injunction, the association has given its views and reasons regarding the suit filed by F. Roberts, C. B. Williams, F. McKay and J. S. Crockett. The quartet asked that the District Court give possession of the hospital to the Commissioners' Court of Cochran County.

The three-page legal reply issued by the association "denies each and all of the allegations contained in the plaintiffs' petition."

The association has operated the hospital since granting of the lease by the Commissioners' Court on July 19. The lease was the outcome of an election held in Cochran county on July 5. Ballots favoring leasing or selling the hospital by a wide majority.

Cochran's Commissioners' Court has received bids on the hospital lease, and the Cochran County Cooperative Hospital Association was the successful bidder.

Contents of the association's reply to the injunction are as follows:

No. 717
F. ROBERTS ET AL. PLAINTIFFS
VERSUS COCHRAN
COUNTY COOPERATIVE HOSPITAL ASSOCIATION, DEFENDANTS

IN THE DISTRICT COURT OF COCHRAN COUNTY, TEXAS

Now comes the Cochran County Cooperative Hospital Association, a corporation, one of the defendants, who respectfully asks the Court:

lease, and that the bid of this defendant was the best and most satisfactory bid and the highest bid made for the lease of said hospital from the County, and in its discretion the Commissioners' Court accepted such bid accordingly.

4. This defendant denies that Cochran County abused its discretion in accepting the bid of this defendant, but on the contrary says that in its discretion it considered a bid of this defendant the highest and best bid for said lease.

5. This defendant denies that a majority of the Commissioners' Court of Cochran County are members of Cochran County Cooperative Hospital Association.

6. This defendant denies that the Commissioners' Court of Cochran County secured the passage of House Bill No. 419, but on the contrary says that such act is the solemn legislative act of the Legislature of Texas and is a law of general application under which Cochran County is authorized to act.

Premises considered, this defendant prays that it go hence without day with its costs, and that the lease contract be in all things confirmed by this Court as valid, and for such further orders as may be appropriate.

KLETT, BEAN, EVANS and JUSTICE, Lubbock, Texas, By William H. Evans, Attorneys for Defendant Cochran County Cooperative Hospital Association.

A copy of this answer has been mailed to Crenshaw, Dupree, Milam and Crenshaw, attorneys for plaintiff, and to Bradley and Wilson, attorneys for defendant Cochran County.

This 5th day of Sept., 1947.
William H. Evans.

ARRIVED SAT. FROM KOREA

Sgt. James L. Hudson arrived in Morton on Saturday, September 6, from his station in Seoul, Korea where he was chauffeur for General Bruce.

Sgt. Hudson is visiting his brothers, Russell and Erwin and sisters, Mrs. B. R. Stovall, and Ruby of Morton and Mrs. Winifred Patton of Maple.

RETURNED TO HEREFORD

John L. Waller returned to Hereford last Sunday after a months vacation spent here with his parents, Mr. and Mrs. J. M. Waller.

John works with his brother-in-law, Walter Lemons at Hereford.

MISS MABEL ANN MANLEY

returned Monday from a weeks conference of Home Demonstration Agents and the 4-H Club Round-Up at College Station, Texas.

standing work along with several other club boys in the county. Charles Farmer is outstanding 4-H boy in Cochran County and he has a past record of superior rating.

Charles will be in there trying for a national scholarship award this year. Both Charles and George made the 4-H Round-Up at College Station, Texas A. and M. College last week at their own expense.

FROM ELIDA, N. M.

Mrs. Lorena Carroll and five children of Elida, New Mexico, were visitors Sunday in the home of her mother, Mrs. D. N. Holleyman. This is the first time Mrs. Carroll has visited here in four years.

ON VACATION

Mr. and Mrs. C. M. Wartes and son, A. J., who was recently released from the Navy, are on a vacation trip to central and east Texas.

losers will play losers, with two defeats eliminating the team.

Slaughter Estate is donating the use of the tournament site, south of the hospital, and the entire proceeds from the games will go toward construction of a baseball stadium. Proceeds from the games played in the new stadium will be used exclusively for improvement of the park; construction of tennis and croquet courts, a swimming pool and to buy park equipment.

Since the stadium will be the only source of revenue derived from the park it naturally follows that it must be constructed first. Supporting the tournament is in reality erecting a slide or swing for the children of tomorrow. The stadium will permit Morton to have yearly baseball tournaments, a great drawing card for any town.

The park will be something to point to with pride, a place for children to play, a place for grown-ups to relax. Prospective citizens of any city look first for schools, churches and hospitals, but high on the list of requirements for a permanent home is a town with a park. Our hopes for the expansion of Morton depend upon each of these.

"TEXAS' LAST FRONTIER"
VOLUME VIII. MORTON, COCHRAN COUNTY, TEXAS, THURSDAY, SEPT. 11, 1947. NUMBER 28.

First Games Of Post-Season Baseball Tournament To Be Played Sunday

Sunday, September 14, will mark the opening games of an eight-day sixteen game post-season baseball tournament in Morton. The tournament will be a double elimination affair, with two defeats eliminating the team. Game time for the entire session, except the final play-off, will be 1 p. m. for the first game and 3 p. m. for the second game. Finals will be played at 2 p. m. the last two days of the tournament.

Muleshoe and Springlake will play the first game Sunday, with Morton and Sundown contesting the second. Monday will bring together Brownfield and Amherst, first game, and Ropesville and Portales, second game.

Proceeds from the tournament will go into a fund to be used for construction of a baseball stadium and a community park.

Maintenance Tax For Schools To Be Tried Oct. 13

Constitutionality of Senate bill 211, enacted by the 50th Legislature at the regular session, will be tried in District Court October 13th.

The bill provides an additional tax not to exceed twenty cents on the \$100.00 valuation, which would amount to approximately \$6,000.00 in taxes, and would add about \$36,000.00 to school funds.

The voters of Cochran County voted in favor of this school maintenance tax June 21, but five men of Whiteface contend that since neither notice nor intent to apply the act was published in Cochran County or the Whiteface Independent school district in compliance with requirements of the Constitution of the State of Texas the bill is void and of no effect or force.

RETURN FROM VISIT

Mrs. W. K. Whitman returned Wednesday from San Angelo, Texas, where she had been visiting her mother.

Mr. Whitman met Mrs. Whitman in Lubbock and they attended the circus.

VISITING PARENTS

Wendall Dove, 19, son of Dr. and Mrs. W. S. Dove is spending a two weeks vacation here with his parents and sister, Marilyn, before returning to senior studies at the University of Texas.

MISS MABEL ANN MANLEY returned Monday from a weeks conference of Home Demonstration Agents and the 4-H Club Round-Up at College Station, Texas.

ANGLEYS RETURN FROM WASHINGTON AND POINTS

Mr. and Mrs. W. E. Angley returned Monday from Yakima, Washington, and other points in the north west.

Mrs. Angley stayed with her daughter and family in Yakima for several weeks while Mr. Angley made a trip back to Excelsior Springs, Missouri, where he received medical treatment.

RURAL ROUTE ONE EXTENDED 1 MILE EFFECTIVE OCT. 1

Rural Route 1 has been extended almost a mile and after Oct. 1 several families will receive mail at their own box for the first time, according to an announcement by the post master.

Changes in the route are: from Reid Corner, west to Butts Corner, north to Farmer Corner, west to Kirkpatrick Corner, north to Battles Corner, west to Toombs Corner, south to Stevens Corner, west to Tyson Corner, south, irregularly, to Lee Corner, east to Rush Corner, continue east to Thompson Corner, north to Reid Corner;

Continuing the old route to Keith Corner and Highway 290, northwest to Gainer Corner, north to Widner Corner, west to Highway, northwest on highway to York Corner, then to post office.

Families that will receive this new service must install approved mail boxes or file written statements with the post master that they will join with other families in the use of mail boxes.

Former Enochs Boy Killed As Bus Hits Bicycle

Horace Calvert, 13, son of Mr. and Mrs. W. S. Calvert, Hermleigh, Texas, recently of Enochs, was fatally injured Saturday afternoon, August 30, on the main street of the town when the bicycle he was riding was struck by a bus loaded with Negro baseball players from Amarillo.

The accident, according to Hermleigh sources, happened about 3:30 o'clock. Horace was taken to a Snyder hospital and lived an hour and a half.

The bus was driven by Henry Knight, Negro of Amarillo, and was carrying an Amarillo Negro baseball team to Sweetwater. The Saturday night Sweetwater game was cancelled.

Scurry County Sheriff Lloyd Merritt, who made a thorough investigation, quoted several witnesses as saying the accident was unavoidable. He said the witnesses stated that young Calvert cut across the highway directly in front of the bus.

Knight was held for a short time while an investigation was made of the accident, but was released Saturday night.

It is understood Horace had just traded Saturday noon for the bicycle he was riding.

Horace had planned to enter Hermleigh School as a sixth grade student. He was a member of the Church of Christ. He was born March 3, 1934.

The sixth grade student has as survivors the parents, Mr. and Mrs. W. S. Calvert; five brothers, Alfred, Aaron and Coleman of Seminole, Charlie of Enochs and Willie Rae of Hermleigh; and an only sister, Wanda B. Calvert of Hermleigh.

Funeral services were conducted at Enochs on Tuesday, September 2, for young Calvert, with interment in Enochs cemetery.

Remodeling Sale Announced For James St. Clair's Department Store

James St. Clair, owner of St. Clair's Department Store, located on the west side of the square has announced a remodeling sale starting this week-end.

St. Clair is offering bargains in practically every department of the store. He cordially invites friends and customers to come in early to make selections before stocks are depleted.

There are several racks of summer dresses, ideal for everyday wear, to go at extremely low prices.

In the children's department there are a number of lovely sweaters for school wear as well as cotton dresses for the youngsters. All these to go at bargain prices.

Also fixtures for the variety department have not been installed. Paul Goodman, manager of the department, has received a complete line of school supplies. Goodman came to St. Clair's only recently from Lubbock. He is anxious to get acquainted with the folks in this area and learn their needs so that he may stock the wanted items.

Sealed bids will be received until September 25 for carrying the mail twice daily from Lubbock to Morton, according to an Advertisement For Bids received by the post office August 21. The new service will commence October 16 and continue until June 30, 1951.

Mail will be received 13 times weekly, with only one delivery on Sundays and holidays. At present only seven trips weekly are made by the carrier.

Mail will leave Lubbock upon receipt from train, about 7:30 and not later than 8:30 in the morning and about 2:30 in the afternoon, and arrive in Morton 2 1/2 hours later, with stops at Lakewood (suburb of Lubbock), Hurlwood, Smyer, Levelland and Whiteface.

The route from Lubbock to Morton is 61.80 miles and the carrier will arrive here about 10:00 in the morning and 5:00 in the afternoon.

Highway Patrolmen To Explain New Texas Traffic Laws; Public Invited

Two Texas State Highway Patrolmen will be in Morton on Tuesday night, September 16 to explain the new traffic regulations as passed by the fiftieth legislature, according to an announcement made this week by Sheriff Mac W. Hancock.

The public is urged to be on hand for the meeting scheduled to take place in district court room of the Cochran County Court House at 8 p. m.

Proper lighting of trucks as reported by the state will be demonstrated on two types of trucks by the patrolmen.

The new traffic regulations became effective on September 5. All law enforcement officers have been instructed to enforce the law to the fullest extent.

Cochran County Received Good Rain Sunday

Cooler weather came with the rain Sunday night and promises of more showers are given by the Weather Bureau.

Almost all of Cochran County was covered by Sunday's rain, ranging from 2 1/2 inches northwest of town to light showers in the extreme north and west portions.

Officials gauged the rainfall in town at 1.12 inches, with Whiteface receiving about the same amount. Showers in the last three days have been widely scattered.

Young feed and cotton will benefit from the rain but most crops are too far advanced to be helped. Continued showers and cloudiness will cause leaf worm damage.

Elementary School Meeting Held Tuesday, Sept. 2

The children of the grades 1-3 gathered in the auditorium Tuesday, September 2. A representative number of parents were welcomed at this meeting.

After singing "America The Beautiful" and hearing a few necessary announcements the children went to the proper building, and there drew for sectionalizing.

The children of the first through the third are in the annex, which will be known from now on as the primary building.

The teachers for this building are: Mrs. Corder and Mrs. Thompson, first; Mrs. Williams and Mrs. Sid Greener, second; Mrs. Hefflin and Mrs. Winghamam for the third. The children of the fourth and fifth are in the east and west wing of the old high school building. The teachers for these grades are: Mrs. Cunningham and Mrs. Taylor, fourth; Mrs. Freeland and Mrs. Love for the fifth grade.

In the junior high school building are six sections. The sixth grade through the eighth. The teachers for these children are: Mrs. Macon and Mrs. Alford for the eighth grade home room teachers. Mrs. Macon will teach spelling and writing and Mrs. Alford will teach arithmetic.

The home room teachers for the seventh grade are Miss Lois Ruth Hawkins and Mrs. Davis McAnally. Miss Hawkins will teach English and Mrs. McAnally will teach history.

The two sixth grade teachers are Mrs. J. B. Passmore and Mrs. Alkey. Mrs. Passmore will teach geography and Mrs. Alkey will teach reading.

There were 511 white children enrolled from the first to the eighth and 24 colored children.

Mrs. L. L. Price has charge of the Public School Music from the first grade through the eighth. Her studio will be at the old high school building in the Home Economics Laboratory.

Mr. Le Maire will teach band in the south end of the barracks directly behind the Junior high school building.

Mr. Jess Tomblin is again to keep the elementary school building spic and span. He has taken excellent care of the flowers in front of the Junior High School building. They are worth stopping by to see. Pink, blue, purple, and white Asters are in full bloom at this time.

O. D. VERNON RETURNED TO LITTLEFIELD HOSPITAL

O. D. Vernon was returned to Payne-Shotwell hospital in Littlefield late Tuesday afternoon for further treatment of internal injuries received recently when he fell about 24 feet into a sewer well.

EDITORIAL

Ten years from now Morton will be proud of its amusement park and baseball stadium. Civic-minded individuals and organizations are making definite plans toward that goal, and the eight-day post-season baseball tournament slated to begin Sunday, September 14, is the first step in that direction.

A. J. Smith and Earl Cadenhead have been given the responsibility of sponsoring the tournament, business men have indicated their interest with promises of donations and the entire city is anxious to help the program in every possible way.

The tournament will be an eight-team double elimination affair, featuring some of the best teams in this area. Two games will be played daily, at 1 p. m. and 3 p. m., throughout the tournament, with the exception of the final two days. Championship play-off will be held on Saturday and Sunday, the two final days.

Muleshoe and Springlake will play the opener, with Morton and Sundown playing the second game. Monday's session will be Brownfield vs. Portales, and Ropesville vs. Amherst. Winners will play winners.

Hancock-Taylor Wedding Vows Read In Twilight Ceremony Wed., Sept. 3

Louise Taylor, daughter of Mrs. Lee Taylor, became the bride of Mac W. Hancock, Jr., son of Sheriff and Mrs. Mac W. Hancock, all of Morton, in a twilight ceremony Wednesday evening, September 3, in the country home of Mr. and Mrs. Verney Towns of Texico, New Mexico, sister of the groom. Rev. W. F. Markham read the single ring ceremony, with only members of the family attending.

The bride wore a two piece emerald green sheer wool crepe dress with lace inserts of the same shade in the bodice and brown accessories. She carried a pure white bridal corsage with cascading white satin streamers on a white Bible. She carried out the traditional something old, something new, something borrowed and something blue. Her something old was a handmade linen handkerchief, something new was her dress, her something borrowed was a triple strand of pearls belonging to Mrs. Wm. H. Scoggin, sister of the groom, and her something blue was a blue satin garter. She had a lucky penny in her right shoe.

An informal reception followed the ceremony. Refreshments of dainty sandwiches, wedding cake and honeymoon punch were served from a lace covered table centered with the tiered wedding cake topped with a miniature bride and groom.

The couple honeymooned in N. M. and will make their home at the Tolliver Apartments in Morton where the bridegroom is associated with Hancock Brothers Trucking Company.

The bride formerly employed at the West Plains Hospital, Morton, is a graduate of Morton High School. The groom attended Lamesa High School and served two years in the United States Army.

W. S. C. S. Meeting Held In Cox Home Monday, Sept. 8

Mrs. Willard Cox was hostess to the W. S. C. S. at her home on Monday afternoon with eleven members present.

Mrs. H. S. Hawkins led the devotional. She was assisted by Mrs. Andrew Essary in giving inspirational talk on "Prayer."

The group sang "Sweet Hour of Prayer" and repeated the "Lord's Prayer" in unison to bring the devotional to a close.

Mrs. C. A. Moore presided at a short business session. Following the benediction the members enjoyed a social hour.

The hostess served a refreshment plate of strawberry ice cream and cake to the guests.

Wesleyan Guild Meeting Held In Ray Home Mon.

The Wesleyan Guild met Monday night, Sept. 8, in the home of Mrs. L. W. Ray.

The study course "The Christian Motive and Method in Stewardship" was introduced by Mrs. Gayle Bishop. She was assisted by Mrs. L. W. Ray, Mrs. Carl Alexander and Mrs. Billy Proctor in presenting the study.

At the conclusion of the program a pink and blue shower was given for Mrs. Tom Rowden.

Refreshments were served the following members: Mesdames J. W. Alford, David Todd, Courtney Sanders, Cliff Davis, Carl Alexander, Gayle Bishop, Tom Rowden, Bill Proctor and Miss Geneva Famuliner.

The next meeting will be on Monday night, September 22 in the home of Mrs. David Todd.

Bridal Shower Honors Mrs. Walter Shields

Mrs. Walter Shields, nee Christine Nesbitt, was honored with a bridal shower in the home of Mrs. Hattie B. Spotts on Friday afternoon, September 5.

Mrs. Spotts was assisted in receiving the guests by Mrs. Robert Lively, Mrs. Verna Mae Lowe and Miss Leota Hood.

Entertaining rooms were decorated with garden flowers and greenery. Guests were served a refreshment plate of punch and cookies.

Attending and sending gifts were: Mesdames W. J. Waltrip, G. G. Nesbitt, Roy L. Smith, A. C. Ford, M. L. Wallace, Minor Bryant, Fred Kelly, O. S. Taylor, Earl Cadenhead, Leo Ray, Joe White, W. L. Sanefer, Fred Morrison, A. A. Kendall, John Tyson, Truman Kelly, Richard Davis, S. K. McCasland, Joe Weak, G. D. Lewis, J. T. Porter, C. J. Goldston.

Woodrow Cunningham, E. L. Polvado, Tone Young, Ralph Yeary, Cleo Crowell, Syd Coffman, G. W. Thompson, Ted Bryant, George Haskins, Rollie Hill, Kenneth Watts, Ralph Pugh, Dave Singleton, Gid Wells, Stoddard, O. R. Weaver.

Merlene Daniels, Nelda Nations, Leota Hood, Irene Rush, Hattie B. Spotts, Jeane Lively, Verna Mae Lowe, Katherine Rush, Ovella Nesbitt, Norma Joy Ford, Grace Vernon, Louise Nesbitt, Glenna Igo, Joyce Brisco, Dorothy Tarver, Audrey Kelly, Roslyn Sandefer, Jaunita Coffman.

Bertha Click, Maggie Hudson, Mildred Weaver, Margaret Boren, Laura Yeary, Elnora Cunningham, Carrie Belyew and Marie Scott.

Many Injuries To The Ears Can Be Prevented

AUSTIN—The child who cannot hear is badly handicapped. Hard-of-hearing children are often considered backward and become greatly retarded in school, when in reality they may be highly intelligent but simply cannot hear much of what is said to them. Children who appear backward in school should be observed carefully to determine if hearing is a factor in the situation.

According to Dr. Geo. W. Cox, State Health Officer, many injuries to the ear can be prevented by keeping foreign objects out of the ear canal, taking good care of the ears during colds and other diseases and observing certain precautions when swimming.

The United States flag which was photographed in the Mt. Surabachi ceremony on Iwo Jima has been preserved as an historical relic in the Marine Corps Museum at Quantico, Va.

Dr. Cox said, "Protect the ears by wearing a rubber cap, or ear plugs."

The State Health Officer declared that no hard instrument of any kind should be used in cleansing the ear canal since it may be injurious. Using ordinary precautions can do much to avoid minor ear trouble which may later lead to partial or complete deafness, the Doctor added.

1936 Study Club Begins Fall Season With Formal Dinner In Ross Home

The 1936 Study Club began another season of activities Wednesday night, September 3, with a formal dinner in the home of Mrs. Raymond Ross, honoring the incoming president, Mrs. Joe Gipson.

The long table beautifully laid with white damask, and set with china and crystal was centered with a Carl Dahl arrangement of dahlias.

Individual places were marked with place cards that had been hand made of tiny colored sea shells.

Hostesses for the dinner were

CROP and LIVESTOCK ROUND-UP

Don't kick your pigs around. Unusual noise, or simple can-slapper, will move them around as well or better, and there's no danger of bruises or injuries, says North Carolina Extension Service.

When grain is scarce, cotton meal protein has important replacement value in rations. One hundred pounds of meal in balanced fattening rations will usually save 250 to 300 pounds of corn or other grain. Cotton meal is costly, it often is used to feed cottonseed meal in amounts needed to balance rations, as the excess protein is used to supply total energy and fattening requirements.

Success of terracing may depend to a large extent on terrace design. James L. Gattis, Arkansas agricultural engineer, points out that terracing should be done as desirable places to open drainage outlets.

A good dairy cow can produce

many times her own weight in milk each year, in addition to producing a calf. To do her job well, she must have a ration that is well balanced, complete and efficient.

"Cattle are never better than the crops they eat, and the crops they eat are never better than the soils that produce them," says Dean T. B. Hutcheson of Virginia Polytechnic Institute.

Cotton is being grown successfully in young pecan orchards by Daniel Wheelchel of Phillips County, Arkansas. His cotton yield averages 3/4 of a bale per acre, and the young pecan trees average \$100 worth of pecans per acre.

Planting clover this fall is just about the best investment for future higher yields than most farmers can make.

If you don't like where your fields are, move them. When a college dormitory had to be built on a field where crops have been tested since 1891, Oklahoma A. and M. moved the field—about 500 tons of soil in the tops 16 inches of six test plots.

LOOKING AHEAD

By George S. Benson, President, Harding College, Searcy, Ark.

Tribune, Morton, Cochran County, Texas, Thursday, Sept. 11, 1947

THE "CAMEL" METHOD

Once the camel gets his head into the tent, he soon has his entire body inside. This old saw lends itself to some modern applications, but it fits none better than the current English situation. Socialism is indeed like the camel; it does not stop at part-of-the-way measures. To put it into a good old Southern expression, it's simply "whole hawg or nuthin'."

A striking feature of the British "Crisis Bill" which recently became law in that country, was a clause giving government the authority to take possession of any industry which it might pronounce inefficiently managed. Actually, what this means is that no industry in England is safe from government confiscation. The threat will always be present, for the excuse of "inefficiency" could be trumped up at any time.

Incading The Tent

For five years I have contended, in this column and in public addresses, that no country could operate successfully with a "half-and-half" economy. If it's partly private enterprise, pretty soon Socialistic schemes find excuse to invade and take over. The present English government is proving my contention. It's the old "camel" process.

England is a country that long has been known for devotion to the freedom of individuals. Yet, within two years after she started her program nationalizing major industries, it was found necessary to pass a law giving the government power to seize any industry it may choose on the excuse of "inefficiency." There's a lot of leeway there. An industry might be inefficiently managed from the viewpoint of production, or even from the viewpoint of non-cooperation with the government.

Camel Becomes Boss

Another striking feature of the crisis bill, as reported by Associated Press, was that it gave the government power to tell both men and women where to work and what to do. This includes women from 18 to 40 years of age who have no children under 16, and men from 18 to 50 years of age. This loss of freedom of individuals has been unthought-of heretofore in English speaking countries.

What does this measure mean? It means that no privately-owned industry is at liberty to hire men under the age of 50, or women under the age of 40, except through the government employment agency. It means that any woman under 40, unless she is the mother of small children, may be told where to go and what to do. All men between the ages of 18 and 50 may be told where to work and what jobs to take.

Missionary Baptist Church

"A SHADOWED CONFIDENCE"

One of the greatest hurts to the Lord's cause and to an individual, is to reach the point where you lose confidence in some one. My respect in the eyes of my fellowman is the greatest thing that I have. Respect is among the things that have the greatest value in life. To betray the confidence of your fellowman is to lose that respect and to degrade the value of your usefulness. Paul said in writing the Colossian Church, "Whatever ye do in word or deed, do all in the name of the Lord." Col. 3:17. Doing things and saying things should always be to the glory of the Lord. If we would only keep this in mind we would not give occasion for our fellowman to lose confidence in us. We hardly consider the fact that our actions speak louder than our words. The way that we conduct ourselves in everyday life proves to the people just what kind of character we are.

Many today have the idea that if they go to church on Sunday, then on Monday they can forget the Lord and play with the Devil and get by with it. Brother don't let the Devil pull the blind over your eyes like that. The Lord is watching every step you take and he is the one that you will have to reckon with in the day of judgement. Some preachers today cause people to lose confidence in them by standing in the pulpit and condemning shows and such like and then go to them their selves. I am against sin and the

hellish features of the show but what have I gained in fighting them and then engage in the same thing. Men will not have confidence in me at all and I would not be able to lead them in the right way. This living for the Lord on Sunday and patting the devil on the back on Monday is nothing but deceit. If I have the courage and my conviction is deep enough to fight the show from the pulpit or at any other time I am not going to attend one. If we do in word for the Lord let us also do in deed for him and then people will not lose confidence in our salvation. I had rather hear men say any time; he has something that I have not got, than to hear them say; I am as good as that rascal is. My life and yours reveals to the other fellow just what we think of the Lord.

Remember you have a special invitation to attend any and all of our services. Be with us every Lord's day and let us worship together. Come thou with us and we will do thee good.

**AROUND THE
HOUSE**

Use all your linens so they will all be laundered occasionally. This way they'll stay white.

Be sure to save your cancelled checks and receipts after a bill is paid. If a dispute arises over the payment of a bill, you then have the evidence.

If you have a bottle of perfume that you hesitate to use because of its heavy odor, try adding a few drops to your bath water. You will find it pleasant.

When crystal vases and bottles need cleaning, break several egg shells into the bottle or vase, add a little water, and shake until all film and dust disappears from the glass.

Oversize patterns in drapery and upholstery fabrics is the trend today; large bold patterns richly defined against neutral colors. Abstract and geometric patterns vie with floral designs in the new fabrics.

Junior's new puppy won't produce lonesome wails at night if an alarm clock is put to bed with him. The tick-tock sound will be a lullaby for the lonely pup and keep him quiet.

For quick drying of sheets, bed spreads and tablecloths, hang evenly and not quite double on the line.

When placing articles in the refrigerator remove them from the paper bags and place in refrigerator bowls. This increases cold air circulation and looks neater.

When melting paraffin for canning do not allow the paraffin to become steaming or smoking hot. Just reduce it to a liquid.

Season vegetables such as green beans, corn, or spinach with bacon or sausage drippings to give them unusual flavor.

WEEK-END GUESTS
Miss Allene Curry of Snyder, her fiancé, Leroy Flinn and Eli Smith of Levelland were week-end guests of Mr. and Mrs. Carl England. Miss Curry remained with the Englands and will return to her home in Snyder later this week.

HOMER E. THOMPSON returned to Morton early this week after attending the Agents Conference at College Station last week.

**Brumfield-Drum
Wedding August
15 Announced**

Mr. and Mrs. William Brumfield have announced the marriage of their daughter, Miss Ruth Ann Brumfield, to Lewis Duane Drum, son of Mr. and Mrs. Lewis Drum of Morton. The wedding took place at the home of the bride's parents on August 15.

The newlyweds are living in Morton, following a wedding trip. A double ring ceremony was read by W. A. Brown, local Church of Christ minister. Attendants to the couple were the bridegroom's sister, Miss Daphane Drum, and L. J. Jones.

The bride chose for her wedding costume a royal blue frock fashioned with a peplum and trimmed with a gold leaf design on the shoulder. Her accessories were white, and she carried white and pink carnations. She also used a pale pink handkerchief that belonged to her grandmother.

Miss Drum wore a pale pink dress which she wore with black accessories.

Mrs. Drum traveled in a pink suit and white accessories, when the couple left on their wedding trip. She has spent most of her life in the Dora Community, graduating from the high school there. She attended Eastern New Mexico College, Portales, and Abilene Christian College, Abilene. She has been teaching the second grade in Morton school.

Drum has spent his entire life in Texas, with the exception of several months overseas duty in the South Pacific during the war.

For the reception, which followed the August ceremony, the refreshment table was covered with a lace cloth and centered with a wedding cake holding a miniature bride and bridegroom. The bride's sister, Mrs. Mary Brown, and Mrs. Bonnie Brown served the cake and punch.

Others on the guest list included: Mr. and Mrs. William Brumfield and children, John George, Allee Jim, Addie and Rav; Mr. and Mrs. Lewis Drum and children, Mary Ellen, Deris and Sam; Mrs. Jane Brumfield, Mrs. Nettie Dulton, Mr. and Mrs. Frank Brown, Mr. and Mrs. John C. Park, Miss Doris Alford, Deloris and Jerry Brown.

**ARMY USING GERMAN
HOSPITAL FOR RESEARCH**

One of Hitler's "Youth Through Joy" hospitals which was probably the finest establishment of its kind in the world has been taken over as an American Army research center for the study of infectious hepatitis. It is located at Bayreuth in Bavaria.

The causative organism and method of transmission of hepatitis, or jaundice, which first attracted wide attention during the war, thus far have defied detection. It is a malady characterized by fever, nausea and abdominal disturbances, usually accompanied by the yellow color associated with jaundice.

RETURN TO MORTON

Mr. and Mrs. Bill Markham returned to Morton, last week-end from Memphis, Tennessee, where young Markham has been attending a Deisel school.

Notice in the Grand Saline Sun where Mr. and Mrs. Ben Dyer have taken over management of the Elk Theatre in that city. The Sun carried a nice picture and story of Ben and Ruth.

The Elk as well as Grand Saline is fortunate in having the Dyers with them.

Before settling down to a new job after leaving Morton, the Dyers had a nice holiday in several of Texas' vacation spots.

Have Andrews amused us last Saturday when he said, "Lillian and I vacationed two months at Roanoke but after having to be dipped so many times for ticks, we decided to just come on home."

We missed the Andrews while they were away and feel mighty happy that they changed their minds about leaving Morton for good.

Saw three months old Jacqueline Jean Hawkins in town with her dad and mother and big brother, "Butch," one day last week. She is a pretty, plump, blue eyed baby and has the most engaging smile.

Our two Bills here in the office certainly did a wonderful job of getting out the Tribune while we vacationed. Almost tempts us to go again and stay away longer. The boys even had to do without Harold as he was called out of town.

Another thing we thoroughly enjoyed on our trip was leather rocking chairs in a movie we attended. (Mr. Blankenship please note).

We meet the grandest people at newspaper conventions. Sometimes they are even nice enough to write us. In mind is a most pleasant and amusing letter from Carroll Smyer of Lubbock (works with Veterans Administration) whom we met at the Press Convention in 1946.

Then Charles Kelly, Texas State Fair Publicity, has written us a personal letter to attend Press Day at the Dallas Fair. We hope to accept this invitation along with the Free Passes, etc. Expect C. will have his hands full come Press Day at the Fair.

vorite bachelors tells us he likes the shy, demure type of girl—the kind you have to whistle at twice.

We were sympathizing with J. C. Reynolds for a tooth ache, when come to find out that was a wad of tobacco in his jaw. Only a chap as good looking as J. C. could get away with it.

When Roy Smith was introduced to Bill Harris in the Tribune office, he wanted to know if we couldn't get anyone to work unless his name was Bill.

I owe the butcher, baker, candlestick maker, And the electrician for wiring the new flat: But topping the list in importance.

I owe to myself a new hat.

ENJOYED FISHING IN COWLES, NEW MEXICO

R. C. Ross and L. E. Huggins enjoyed a few days fishing at Cowles, New Mexico, the last week in August.

They tried out the new camp trailer recently bought by Huggins.

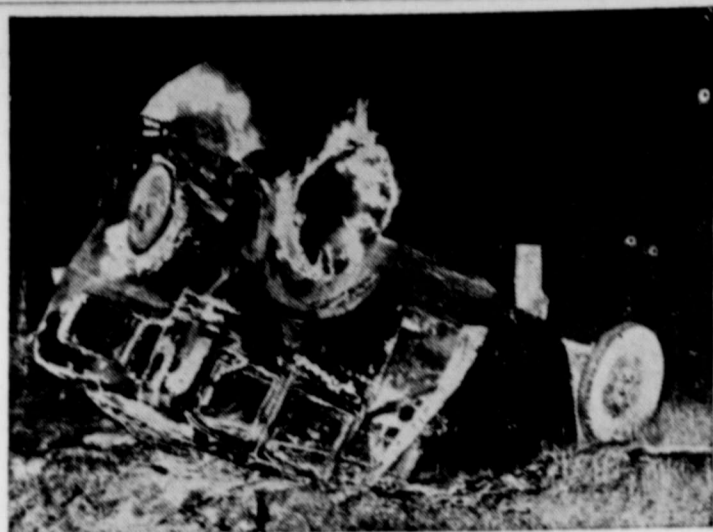

Ross and Huggins were joined at Las Vegas by Dr. Duff and Vernon Blackley. Dr. Duff flew his four place plane from his home at Anson to Morton and on to Las Vegas, where the plane was stored while the campers continued their trip by automobile.

MISS JULIA RAMBO EMPLOYED AS CLERK AT FAIR STORE

Miss Julia Rambo has been employed as clerk in the Fair Store, Mrs. M. Markowitz announced this week.

Miss Rambo who has been living in Roswell, New Mexico, formerly live in Morton.

Tribune, Morton, Cochran County, Texas, Thursday, Sept. 11, 1947

A driver who was not breaking any law, and two passengers with him, turned to death in this inferno when a reckless overtaking motorist tried to pass their car where the way was too narrow. His engine rammied into the gasoline tank, setting it afire, and the car was knocked off the road, end over end into a field, where it quickly turned into a molten furnace. The lawbreaker himself was not injured—such is the irony of highway accidents. National Conservation Bureau safety specialists report that improper passing ranked fifth as a cause of motor vehicle deaths last year; most often it was combined with excessive speed which accounted for at least 8,000 fatalities.

Life After Forty More Complicated From Health Point

AUSTIN—From a health standpoint, life after forty generally begins to be more complicated for the average individual, than it was in his earlier years. According to Dr. Geo. W. Cox, State Health Officer, the principal health foes confronting people in middle life are heart disease, cancer, kidney disease, high blood pressure, hardening of the arteries, apoplexy, diabetes, and arthritis.

Middle aged people of today are healthier than were those of preceding generations, and the present generation, when they reach middle age, should enjoy even better health than their parents of today.

"Medical care in middle life has two important phases," Dr. Cox asserts. "The first is going to the doctor at regular intervals for a complete checkup, whether or not there have been symptoms that suggest the need for medical attention. The second is prompt attention to any illness, since this may mean the difference between complete recovery and prolonged invalidism. It is difficult to say which of these phases is the more important."

It has been found that men and women who faithfully pursue the habit of regular health examinations and who follow their physician's advice arising from them, tend to live longer, more satisfactorily, and free from disease than those who simply take a chance and go to the doctor only when pain or disability forces them to give up their normal activities.

It is also a fact according to the State Health Officer, that many diseases of middle age respond to treatment in early stages, whereas if neglected until later, they often cause chronic invalidism or even death.

GEORGE A. GRAHAM III ARRIVED SEPTEMBER 3RD.

George A. Graham III arrived at the Phillips-Dupre hospital in Levelland on Wednesday, 9:35 p. m., September 3. George III weighed seven pounds and three ounces and is the son of Mr. and Mrs. G. A. Graham Jr.

Mrs. Graham is the former Zephia Neely, daughter of Mr. and Mrs. C. H. Neely of Garden City, Texas.

The paternal grandparents are Mr. and Mrs. G. A. Graham of Ruidosa, New Mexico, formerly of Morton.

ADDING MACHINE PAPER AT THE TRIBUNE OFFICE.

Agricultural Notes Of Interest

Farm real estate values for the country as a whole increased two percent during the four months ending July 1, 1947.

Buyers of farms have paid cash in more than half the farm purchases made in each of the last three years.

Since the period 1935-39, farm land values for the country as a whole have increased 95 percent.

In 1946, the commercial production of mushrooms in this country reached 63 million pounds, over twice as much as in 1938.

Last year, each farmer in the United States spent an average of \$270 on clothing for himself and his family.

Almost three-fourths of Texas' 170 million acres are in forests and grasslands.

Beavers are still reported in fairly large numbers in 42 Texas counties, being found mostly along the Pecos, Rio Grande, Colorado, and Llano Rivers and other streams in the Edwards Plateau.

One ton of farmers stock Spanish peanuts (unshelled) will produce an average of 600 pounds of oil, 900 pounds of meal and 400 pounds of hulls and foreign material.

Abilene Breeder Has Tested Dam

A registered Jersey cow owned by I. E. Duck, Abilene, has qualified as a Tested Dam under the requirements of the American Jersey Cattle Club.

Extension dairymen at Texas A. and M. College were informed by the club headquarters in Columbus, Ohio, that the dam, Gambaque Jap Noblesse of E. V. 1189437, now has three offspring with official production records which more than doubles the production of the average dairy cow in the United States. The records make the cow a Tested Dam, in the books of the American Jersey Cattle Club.

Production records of Noblesse's offspring averaged 7,794 pounds of milk and 483 pounds of butterfat per cow, with the milk testing out on an average of 5.14 per cent butterfat.

The dam's own record gives her a rating of Good Plus under the Jersey club's type classification program. That rating is equal to a score of 80 on a score card that allots 100 points to a perfect animal.

Duck has been congratulated by the cattle club's officials, who stated that the Tested Dam, through her offspring, can be a definite boost to Taylor County dairying.

- Enoch Echoes -

Funeral services were held for Cotton Calvert, 13, on Tuesday, September 2, with interment in Enochs cemetery.

Cotton, son of Mr. and Mrs. W. S. Calvert was fatally injured when his bicycle was struck by an automobile on August 30.

The Calvert family now living at Hermleigh, Texas, recently moved there from Enochs.

Enochs final baseball game of the season was played Sunday at Muleshoe between Enochs and Springlake with a score of 10 to 7 in favor of Enochs.

Sunday guests in the L. J. Jones home were his mother, Mrs. W. C. Jones of Brownfield and Mr. and Mrs. W. S. Ingram and daughter, Joy Ann of Enochs.

Mrs. Charles Van will be hostess to the H. D. Club on Thursday, September 11.

Mrs. T. W. Autry and daughter, Donnie spent Sunday with Mr. and Mrs. Elwood Autry and daughter, Jo Ann.

Sunday night guests in the home of Mr. and Mrs. W. S. Ingram and daughter, Joy Ann, were L. J. Jones Jr. and Miss Doris Alford of Morton.

Week-end guests of Mr. and Mrs. P. A. Altman and family were his brother, James Altman and family of Post, Texas, and Mr. and Mrs. K. N. Coats of Morton.

Mr. and Mrs. Clarence Vandeventer have opened their new cafe in Enochs.

The new home being built for Mr. and Mrs. A. D. Hallford is almost finished.

Construction has started on a new home for Mr. and Mrs. Arlis Autry.

Den Dal Chorlen and Bobbie Alexander, who had their tonsils removed last week at Payne-Shotwell hospital in Littlefield are reported in good condition.

Billy Hallford who attends school in Lubbock spent the week-end with home folks.

A good rain fell in the Enochs community last Sunday.

Mrs. M. L. Doyle—Reporter.

MR. and MRS. H. S. HAWKINS and daughter, GRACE ANN, took an extended pre-school vacation to the southern states during the latter part of August.

Watch Your Kidneys!

Help Them Cleanse the Blood of Harmful Body Waste

Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.

Symptoms may be nagging backache, persistent headache, attacks of dizziness, grinding up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder are sometimes burning, steady or too frequent urination.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!

DOAN'S PILLS

TO ENTER WAYLAND COLLEGE

Misses Lura and Pat Taylor, daughters of Postmaster and Mrs. Taylor plan to enter Wayland College at Plainview, Texas, Sunday, September 14.

FORD TRACTORS
ARE SOLD IN MORTON BY—

McMASTER-LACKEY
Tractor Company

½ block East of Square in Hawkin's Building

DETROIT—Farm tractors have come a long way since the Ford Motor Company built its first tractor back in 1903. The old model above boasted copper water jackets and the rear wheels came from a binder. Carl Smith explains to Gloria Carlson the advantages of modern styling on the new Ford tractor now in production at Ford's Highland Park plant, Detroit. Frank R. Pierce, president of Dearborn Motors Corporation, national marketing organization for the Ford tractor and Dearborn farm equipment, announced that Ford tractors are now coming off the production lines at the rate of 400 per day.

Summary of Southwest Farm Markets

Southwest farm products sold generally firm to higher last week with cotton and some cat- tles the major exceptions. The Department of Agriculture's Division and Marketing Ad- ministration reports. Demand for all grains continu- ed last week. Wheat and corn prices reached new peaks while oats and barley ad- vanced sharply, and corn held steady. At Fort Worth and Galves- ton, bulk carlots of No. 1 hard red winter wheat closed Friday at \$2.71 to \$2.75; No. 2 white corn at \$3.05; yellow \$2.50 to \$2.55; No. 3 barley \$1.84; No. 2 \$1.55 to \$1.60. Demand and light offer- ing kept egg prices firm last week while all classes of poul- try strength at some mar- kets. Top quality white candled eggs sold generally around 50 to

55 cents per dozen, and grade "A" mixed eggs 45 to 50. Heavy hens ranged largely from 22 to 32 cents per pound, and fryers from 32 to 39. Spot cotton marketings increas- ed last week, as picking and gin- ning moved farther north. Strict Low Middling and above found good demand, but farmers sold less freely, as prices declined \$4.00 to \$6.50 per bale for the week. Texas hog markets closed the week about even with a week earlier, while other southwest terminals gained mostly 50 cents to \$1.00 or more. Top butchers closed at \$26.75 at San Antonio, \$27.75 at Fort Worth, \$28.50 at Oklahoma City and Wichita, and \$30.25 at Denver. Sows brought mostly \$20 to \$25 and pigs \$20 to \$26. Slaughter and stocker calves

Tribune, Morton, Cochran County, Texas, Thursday, Sept. 11, 1947

Sales Promotion Campaigns Launched By Chevrolet Division and Dealerships

One of the greatest sales prom- otion campaigns in the history of American industry will be launched Sept. 1, by the Chev- rolet Motor Division, and its 6,200 direct dealers across the nation, T. H. Keating, general sales manager, announced today.

Known as the "Bring Them Back To Chevrolet" campaign, the drive will cost millions of dollars and involve more than 75,000 dealer employes in every state of the union. Objectives of the campaign, Keating said, are:

1. Obtaining of new service customers, particularly Chevrolet owners who are now having their work done outside Chevrolet dealerships.
2. Development of new whole- sale parts customers.

Each Chevrolet dealer has estab- lished quotas and enrolled service and sales employes in an all-out effort to exceed the quota figures.

"Bring Them Back To Chev- rolet" workers will be awarded points by the dealers, depending upon their sales and service re- sults, with the points being ex- changed for valuable prizes at the termination of the campaign.

Prizes include such merchan- dise as radios, pianos, furniture, household appliances, clothing, jewelry, luggage and sporting equipment. Tons of sales promotional ma- terial sufficient to fill to capacity 10 freight cars, Keating said, have been shipped to dealers ac- cross the nation. Campaign ma- terial includes:

- 75,000 catalogs; 750,000 inspec- tion and prospect cards; 360,000 balloons; 125,000 miniature plas- tic cars; 300,000 new customer ledger sheets; 600,000 sales fold- ers.

In addition, the campaign will utilize millions of direct mail let- ters and be augmented by exten- sive dealer advertising. Sales let- ters will also be sent to the fam- ilies of workers in the drive to stimulate enthusiasm and com- petitive effort.

Every sales employe of the Chevrolet wholesaler organiza- tion in the Central, Regional and Zone offices will also cooperate in the campaign, so that the "Bring Them Back To Chevrolet" drive will bring into force the full impact of the entire Chev- rolet sales organization.

The "Bring Them Back To Chevrolet" campaign will end Oct. 31.

dropped sharply at most south- west markets last week, and cows lost at some places. Com- mon to medium slaughter cows ranged largely from \$12 to \$16, and calves \$13 to \$19. Most good calves sold at \$19.50 to \$22. Com- mon to medium stocker calves brought mostly \$16 to \$18.50.

RUIDOSO VISITORS
Mr. and Mrs. Louis Linguist, Mr. and Mrs. Gilbert Holladay and Harold Howard, Shorty and Mac Hancock Jr., and Misses Marie Sheets and Louise Taylor were in Ruidoso, N. M., over the Labor Day holiday.

H. L. COON reported that MRS. COON was doing nicely follow- ing major surgery at a Little- field hospital last Saturday.

Locals Delayed From Last Week
MR. and MRS. W. B. EVANS made a business trip to Odessa last week.
MISS NORMA JEAN BURKETT, Andrews, visited with GLENDA EVANS last week.
MR. and MRS. W. B. EVANS and daughter, GLENDA, visited MRS. EVANS' relatives in Mead- ow Sunday.
DENNIS RENFRO, Tulsa, visit- ed in the C. B. MARKHAM home Monday.
MR. and MRS. C. M. CRAVY returned last week-end from a holiday trip to Colorado.
MR. and MRS. L. W. RAY were guests last Sunday in Lubbock of MR. and MRS. VOY McBRIDE.
MR. and MRS. ROY SHIREY of Levelland visited in Morton Wed- nesday.

Press Members To Meet At State Fair October 4

Plans have been completed at Wolfe City, Texas for the greatest gathering of Texas press representatives and their families ever held at the State Fair of Texas on Saturday, Oct. 4, Press and Radio Day.

Program details were worked out by State Fair officials with the aid of Paul M. Fulks, publisher of the Wolfe City Sun and president of the Texas Press Association.

Press members, long partners of the State Fair in promoting the industrial and cultural progress of Texas, will be guests at a Western-style barbecue luncheon to be served by the Odessa Chuck Wagon Club.

This will be followed by the matinee performance of "Annie Get Your Gun," starring Texas' own Mary Martin, the White Horse Revue and Hippodrome Show, and the night football game between SMU and the University of Missouri.

Weekly SURPLUS NEWS WAA

Engine parts, differentials, springs and other parts from a four million dollar inventory of automotive equipment are being separated into lots of related materials for a series of sales to be held by War Assets Administration at the Red River Arsenal, Texarkana. The first such sale will offer \$125,000 worth of the auto parts on September 10 and 11, with inspection invited during both days until 11 a. m. on the 11th, when awards will be announced on all bids. Crankshafts, fuel pumps, transfer cases, carburetor parts and ball bearings will be among the quantities of additional materials offered without priority to all buyers.

Largest crowd ever to attend a surplus sale at Grand Prairie converged on the WAA plant a week ago Monday for the start of a veterans vehicle sale. An estimated 8,000 veterans swarmed over the grounds and into the sales warehouse to participate in a drawing for purchase positions. Those who were disappointed are getting another chance this week at a bid sale of 160 vehicles in need of repair. These busses, passenger cars, trucks and other machines are located at eight Texas installations but the sale is being conducted Thursday and Friday at Grand Prairie. Veterans will complete bidding by 4 p. m. Thursday, and remaining vehicles will be offered to other buyers beginning at 9 a. m. Friday.

The continuous campaign which the Department of Agriculture is waging in Mexico against the hoof and mouth disease received some war surplus reinforcement last week. Acting for the Mexican program, the Bureau of Animal Husbandry purchased 13 ambulances, 13 carry-all trucks and one panel truck from War Assets Administration. The surplus vehicles will be shipped to Mexico City for use of medical technicians in stamping out the disease below the border.

WAA's donation of surplus machine tools will be continued into September with the addition of 83 new items to the gift list, it was announced. Most of the free

Lehman H. D. Club Meeting Held In O. S. Taylor Home

The home of Mrs. O. S. Taylor was the scene of the meeting of the Lehman H. D. Club, Sept. 3. After the usual opening routine a business session was held with Mrs. O. B. Huckabee president.

Members almost completed a quilt, that afternoon, for Mrs. Taylor. After all business was taken care of ice cream and cake was served to the following members:

Mmes. W. H. Benton, O. L. Castle, Charlie Hickman, L. W. Marlar, P. E. Liles, J. W. Pond, O. R. Huckabee, L. C. Keith, Dale Pond, Vinson, and 1 visitor, Mrs. McCaslin and the hostess Mrs. O. S. Taylor.

machine tools are in storage at the Grand Prairie NAA B plant, where they may be inspected during week days, though a few are located at Waco Army Air Field and at Todd Houston Shipyard. Qualified institutions which intend to employ the tools in a vocational training program are invited to submit written applications to the Priority Claimants Division, Grand Prairie office, before September 29.

The double bitted ax of economy and mechanization brought a new type of war surplus into War Assets inventory last week in the form of eight cavalry horses. Camp Hood, it developed, was reducing its remaining horse cavalry complement by more than a third. The horses, all geldings 12 to 13 years old, were sold at public auction by WAA's location clearance branch in accordance with federal regulations.

Eleven frame chapels at Paris' Camp Maxey were listed for sale this week by the office of real property disposal in Grand Prairie. Sale of the chapels is subject to priority groups, and applications to purchase must signify assurance that the buildings will be used as shrines, memorials or places of worship. Applications will be accepted from both priority groups and others until October 8, closing date.

LEHMAN NEWS

(Delayed from last week)

Mrs. J. W. Pond—Reporter

Mrs. Brodie Gray and children of Spade spent Saturday in the home of Mr. and Mrs. Dale Pond.

Mr. and Mrs. Don Boles and children, and Joyce Pond of Clovis were dinner guests in the home of Mr. and Mrs. J. W. Pond Sunday, August 24.

The H. D. Club of the Lehman community met at the Lehman School house Friday night, Aug. 29th for a ice cream supper, all had a nice time.

Mr. Euel Prather, is getting a long nicely, a hog bit him on the leg. Several stitches were required to close the wound.

Mr. and Mrs. J. W. Pond and children Jerry, Dirona, and Linda Gayle, spent the past week on a fishing trip. First went to Redwine, to visit the formers brother and family from there a bunch of friends and relatives had a swell time camping out. Made beds on edge rocks, but caught a lot of nice fish and spent 2 days and nights there.

MORTON, TEXAS

Big engines... long trains

mean lower cost to you

But union leaders want "half-trains"—double crews.

Big locomotives are built to do a big job in the big country which is America—a big job in peacetime as in wartime. They are built to pull long trains.

Long freight trains can handle more goods at less cost—to you—than short trains.

Long trains mean fewer trains—fewer chances for accidents—fewer interruptions to traffic.

But a few railroad union leaders oppose long trains—among their current 44 demands for changes in rules is one limiting the length of freight trains to 57 average cars. Why do they demand this?

For "safety," they say. But is it? Government figures show definitely that long trains mean greater safety to railroad employes and public alike.

Then, if safety is not the real reason—what is the reason behind this demand? It is to make more jobs which are not needed—to get more pay! This "made work" would be sheer waste. Think of big modern locomotives using only half the power.

For this waste, you—the public—would have to pay. Higher costs mean a lower standard of living for everybody. No body wants that!

Here's the record . . .

In the quarter century . . . 1921-1946 . . .

Average length of freight trains has gone up	39%
Average speed of freight trains has gone up	39%
The rate of injuries to railroad employes has gone down	60%
Average wages paid railroad workers have gone up	84%
Price of railroad materials and supplies has gone up	58%
Railroad taxes have gone up	76%
But the average charge by railroads for hauling a ton of freight one mile has gone down	23%

Cochran 4-H Club Girl Recognized State Dress Revue at A. and M.

Wilson, senior member of the 4-H Club, was among the girls given special recognition in the State Dress Revue held at Texas A. and M. on September 5. There were seventy-nine girls participating in the revue. The first prize was received by an exhibitor from the National 4-H Congress in Chicago. The girls placed received sewing machines and the next twenty received electric irons. Lois Proctor "never-lift" iron, a part of the contest each making her dress. Here is a summary of the story Lois

The clerk helped me drape the material around my shoulders. The dark blue and the light blue were to be chosen between so we draped these two again and decided on the dark blue. For the peplum lining we tried white and tan with the blue. We decided that the tan made the blue look much richer so these two colors were bought.

I chose a pattern that made me look taller and yet a little wider across the hips. When all of this was done I was ready to start making the dress. After fitting the pattern I found that the front was too small so by splitting the front and sewing in a piece of paper it was made big enough.

I did not have any trouble until I got to the peplums. I discovered that I had made both of them for the same side. The same thing happened to the sleeves, both were made for the same armhole. A little trouble still lingered when the skirt and blouse was sewed together. The seams and darts would not meet. After a little work and adjustment they met. The rest did all right.

Approximately ten hours were spent in making the dress.

The cost of the dress was two dollars and ninety-seven cents (\$2.97) and is divided as follows:

- Blue suiting—3 yards\$2.37
- Tan suiting, 1/2 yard35
- Thread10
- Pattern15
- Zipper30
- Total\$2.97

The value of this dress is \$14.95. The dress will be cared for by washing with a mild soap and ironing as any cotton material should be ironed. It can be worn to church and school. When worn to church the accessories will be a Dutch hat made of tan and lined with the blue. The bag will be a draw-string type made of the same material to match the hat. Brown shoes and gloves will be used. When worn to school the accessories will not be needed.

Other clothes I have made this year are:

A suit which cost \$12. and is valued at \$24.95, a striped chambray dress costing \$3.95 and valued at \$9.95. A green chambray costing \$5.00 and valued at \$14.95, a spring coat costing nothing because I made it from old material it is valued at \$10.95, a bathing suit made from old material, a play suit made from feed sacks and four other dresses around the same value as the others. I have found that I can save from five to ten dollars by making my own clothes.

There were fifty-two girls in the County Dress Revue and I won second place.

My clothing expenditures for 1947 have been as follows:
 Suit; Wool Green Aqua \$11.77
 School dress; grey striped chambray 3.52
 Street dress; green

FROM WEST PLAINS HOSPITAL

A seven pound seven ounce baby girl was born to Mr. and Mrs. Keith Kennedy on September 3. She has been named Barbara June.

Mr. and Mrs. M. E. Childs are parents of a five pound 15 ounce baby girl, named Judy Faye. She arrived September 6.

Twin daughters weighing five pounds and 10 ounces each and named Mary Sue and Betty Lou were born to Mr. and Mrs. Amos Taylor on September 8.

The fourth baby girl to put in an appearance at the West Plains Hospital early this week was Viane Lesley, seven pound and eleven ounce daughter of Mr. and Mrs. U. L. Lesley of Baileyboro. Viane arrived on September 9th.

MORE COLORS COMING IN IRISH LINENS

Irish linens by the yard are beautiful for making tailored blouses for wear with this season's suits. During the summer imported linens were available only in white, natural and a few pastels. Now, much larger selections will be coming into stores—10 to 14 colors which will include such shades as brown, red, navy blue and black.

MR. and MRS. C. M. CRAVY and three sons attended the circus in Lubbock Wednesday afternoon.

MR. and MRS. M. MARKOWITZ spent the labor day vacation with their daughter, MRS. FIELDS and family in Oklahoma City, Oklahoma.

- chambray 5.00
- Anklets39
- Slips, 2 5.16
- 1 pair white shoes 6.50
- Blue suiting dress 2.97
- 1 pair nylon hose 1.98
- Pink slip (cotton) to make 1.48

TOTAL\$38.00

The Revue was staged by Opal Fox Sterling who is a stylist that has been given much recognition.

Other young people attending the Round-Up as Cochran County delegates were: Mary Helen Keith, Ella Katherine Keith, Charles Farmer and George Keith.
