MORTON, COCHRAN COUNTY, TEXAS, THURSDAY, OCT. 2, 1947.

NUMBER 31.

Local Church Serves As Collection Center For War Torn Areas Overseas

C. Wright, pastor of Morton First Baptist Church, announced this week that the church here would serve as a collection station for supplies to be sent to war refugees in overseas areas.

Immediate help is needed in the community to assist in collecting clothing, shoes, food, bedding, household equipment and other first aid supplies. Supplies collected in Morton will be sent to a clearing house in New Orleans. From there supplies will be distributed directly to Chaplains and Christian workers in the war zones.

Life giving necessities are being distributed according to need by impartial workers. There is a partial list of items and equipment needed: clothing for all ages; all items clean and in good repair; shoes, coats, shirts, dresses are especially wanted; quilts and household items as well as kitchen equipment has been asked for.

Morton Indians will meet the Springlake eleven on the local field Friday night for Morton's first home conference game. The Indians have met stiff competition in their first two games but the boys are shaping up nicely. Friday's game should show definite improvement and with plenty of side-line backing Springlake's chances for victory are lessened.

Levelland May Be Added To Big Slaughter Field

AUSTIN—The Railroad Commission will consider on Oct. 22 whether the 65,000-acre Slaughter field, second largest in the nation, shall be increased by addition of the newer Levelland pool.

Slaughter extends into Cochran, Terry and Hockley Counties and is exceeded in area only by the East Texas field. It contains 2,175 wells. Levelland field, Hockley County, has 104 wells.

The hearing notice declares that development is bringing the two fields close together, making it difficult to determine which spacing rules apply.

Morton Indians To Play Springlake Here Friday Night

VFW Call Meeting Thursday Night

A call meeting of the V. F. W. will be held Thursday night, October 2, in the Legion Hall, immediately following the Legion's regular session.

The purpose of this meeting is to debate the amount of money they will give to the City Park Fund. All members are urged to attend.

Every School Should Have Definite Health Program Says Health Officer

AUSTIN—Every school should have a definite school health program. Situations such as, the kind of drinking water, arrangements for the school lunch, the lighting, seating, ventilation and cleanliness of the schoolroom, and the personal practices of the teachers and children are the bases of the school health program, said Dr. Geo. W. Cox, State Health Officer.

Every school has tremendous opportunities to promote the health of its pupils and of its community. From early childhood to early manhood and womanhood, most children are enrolled in schools and are under the supervision of school staffs for a substantial part of the day for approximately half the days

Keith and Farmer Competing In 2 State 4-H Contests

George Keith, Whiteface, and Charles Farmer, Route 1, Morton, two outstanding 4-H Club boys of Cochran county are competing in two contests in the state. George had his complete 4-H Club record and history forwarded to J. W. Potts, College Station, State 4-H Club leader. This entry was for the Santa Fe contest.

Charles had his records and history sent to the state office handling the competition records for the National 4-H Meat Animal contest.

There are other 4-H boys in the county building up a nice record and making history which will be to their credit in competing for these State and National awards in the future.

A few registered dairy heifers are being brought into the county and awarded to club boys who are doing a fine job with their feeding program of registered Duroc gilts. This is being sponsored by local business men realizing the necessity of good dairy cattle on the farms.

Second Annual Flower Show Slated For October 11th At Veterans Hall

Cochran County Garden Club has set Saturday, October 11 as date for the second annual flower show to be held in Morton.

The initial show held last October 15, was an outstanding success and garden club members are anticipating even a bigger and better show for this year.

Entries are confined to flowers, fruit and vegetables grown in Cochran county. The schedule for exhibitors must be strictly followed, otherwise entries will be disqualified.

All entries must be at Veterans Hall by 11:30 a. m. the morning of the show, with the proper class and section designated.

Read the rules, regulations and schedule in this issue of the Tribune for complete data on entries for the show.

U. S. Alexander Buried Wed. In Lubbock Cemetery

U. S. Alexander, 82, was buried Wednesday afternoon in the Lubbock Cemetery following services at the Methodist Church in Lorenza, Texas at 2:30 p. m.

Mr. Alexander, who had been visiting his son, Carl Alexander and family here for about a month died Tuesday morning after several months of failing health.

He had made his home with his children since his wife's death in 1939, at O'Donnell, Texas. The Alexander family moved to the plains in 1925 from Wise county.

Survivors include four sons: Marvin M. Fort Worth; R. J. Lorenza; Ernest E. Weatherford and Carl Alexander of Morton; fifteen grandchildren and 13 great grandchildren. Mrs. J. D. Hawthorne and Ben Alexander of Morton and Carlos Alexander of Enochs are grandchildren.

Mailing Dates and Specifications for Overseas Xmas Parcels Announced

Christmas mail for members of armed forces overseas is to be mailed between October 15 and November 15, according to instructions received from the Third Assistant Postmaster General.

Parcels must not exceed 70 pounds in weight or 100 inches in length and girth combined. The various services have pointed out that members of the armed forces are amply provided with food and clothing and the public is urged not to include such matter in gift parcels.

Christmas parcels and cards destined for delivery in Japan, Korea, and the islands in the Pacific should be mailed as early as possible, preferably not later than November 1, in view of the distances involved. Greeting cards sent overseas must be sent

in sealed envelopes and at first-class rate.

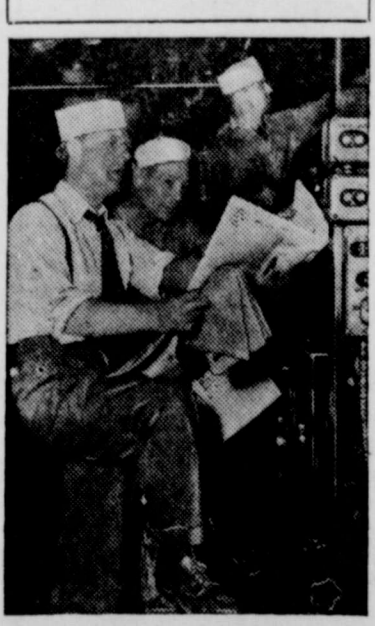

The boxes used for shipment of gifts outside the U. S. should be of metal, wood or solid fiberboard. They should be securely tied with strong cord, preferably by four separate pieces, two lengthwise and crosswise, knotted at crossings. The articles should be closely packed and a list of the contents placed within the box, to aid in identification of articles from a crushed container. Valuable articles should be registered or insured and perishable goods will not be accepted.

Intoxicants, inflammable materials (including matches of all kinds and lighter fluids), and poisons, or compositions which may kill or injure another, or damage the mails are unallowable. Cigarettes and other tobacco products are prohibited transmission for delivery through A. P. O.'s in Germany, France and Austria, and also Navy numbers 913 and 963 in Germany. The transmission of parcels addressed to any overseas A. P. O.'s containing penicillin is prohibited.

The addresses must be legible, in typewriting or ink, and should be written directly on the outside wrapper and not on labels. Sales slips from retail stores should not be used as address labels, since experience has shown that the labels frequently fall off when subjected to moisture.

Parcels should show, in addition to the name and address of the sender, the name, including the full first name, rank, Army serial number, branch of service, organization, A. P. O. number of the addressee, and the post office through which the parcels are to be routed.

Printer's Devil

Former newsboy Kay Kyser, now famed as the 'O' Professor, helps pressmen check an edition of the New York Herald Tribune during a visit in honor of National Newspaper Week, October 1 to 8. That week also marks the switch of Kay's 'College of Musical Knowledge' program to Saturdays at 10:00 p. m. EST over NBC, starting October 4.

Cotton Opening Rapidly In Cochran County: Harvesting Labor Needed

White fields high priced cotton await the hands of pullers in every Cochran county farming community. Only a few cotton harvest hands are available. County Agent Homer E. Thompson said that at least 2000 pullers are needed in the county. State labor authorities say that West Texas may expect a fair flow of pickers within two weeks.

County ginning which totals very little to date would skyrocket if adequate pullers were in the fields. Efforts are now being made to secure pullers in all cotton producing counties.

Unusual situation in the cotton producing areas of the state has resulted in acute shortage of harvesting labor. East and South Texas are about 30 days late in maturing cotton while West Texas is approximately 30 days in advance of the usual maturity date due to dry weather.

Highest prices of any cotton producing area contacted is being offered by Cochran county farmers. Most farmers are paying \$1.50 and \$1.75 delivered to gin, while some are paying \$1.75 and \$2.00 delivered to gin. In some places in this section, the Latin Americans are refusing to work for \$1.50 and \$1.75 but this can't last for over a week if farmers will hold together. Mexican laborers are hanging around Lubbock now for \$2.00 pulling if farmers get anxious for pullers now.

Several million acres is now ready for harvest in Texas (total acreage is 12 million). It is estimated to require one puller for six acres of cotton. About 80,000 Mexican migrant pullers will be

Morton Lions Club Resumes Old Meeting Schedule

At the regular meeting of the Lions Club last Wednesday it was agreed to hold meetings each Wednesday instead of every other week, allowing a period through the summer for vacation.

Roy Hickman gave a report on the cabinet meeting of District 2 T 1 held in the Hilton Hotel, Lubbock, September 14. The Bird Dog Team, including Gayle Bishop, G. C. Sanders, T. L. McAllister and P. B. Ramby, was chosen to take charge of the Boy Scout activities.

Whiteface Lions To Sponsor Show Saturday Night

The Whiteface Lions Club is sponsoring a show in the school auditorium each Saturday night. The first of the series started on Saturday night, September 27 with a good attendance reported.

Culpepper and Son Purchase Flash-O-Gas Business

A father and son combination has purchased the local Flash-O-Gas business and will be known as Culpepper and Son Flash-O-Gas.

The Culpeppers are not strangers in this locality. Mr. J. E. Culpepper and family moved to Morton twelve years ago and went into the laundry business. Later a feed and seed store was opened and had eight years of successful operation.

Buddy served 19 months with the Naval Seabees, with 14 months of the time spent in the Western Pacific, mostly on Okinawa. Mr. and Mrs. Culpepper have one daughter, Evelyn, who is attending the local school.

Culpepper and Son have expressed their confidence in the expansion of Morton and the prosperity of the community by their purchase of this business.

Morton Motor Co. Opens Station

Morton Motor Company has recently installed a complete one-stop service station in addition to their sales and repair business.

The two pump station distributes Cosden gasoline and features a complete line of motor oils, tires and tubes.

TREVA THOMPSON SHOWING IMPROVEMENT

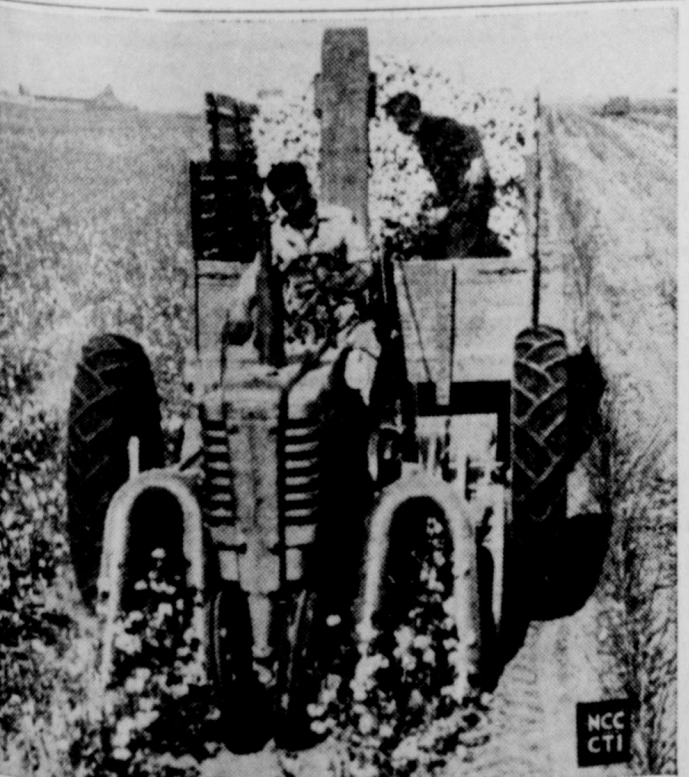

Treva Thompson, who was transferred from West Plains Hospital, last Wednesday evening to an iron lung at the Lubbock Hospital is showing improvement, according to her father, Judge G. W. Thompson, who has been at her bedside constantly since she became ill.

VISITING IN LUBBOCK

Mr. and Mrs. J. D. Hawthorne took his mother, Mrs. S. W. Hawthorne and aunt, Mrs. Ada Hawthorne of Los Angeles, California, to Lubbock last Sunday where they are visiting in the county home of A. M. Hawthorne.

WITNESSED IN BROCK HOME

Present visitors in the Fred Brock home were his brother, the Brock and family of Asper, Texas, and Al Moore of Wichita, Kansas.

Fifteen thousand mechanical cotton harvesters, mostly of the type shown in the picture, will help gather the 1947 crop this fall, the National Cotton Council reports. Though far from enough to help relieve the widespread farm labor shortage, their increasing number promises a day when Cotton Belt farms will equal those anywhere in the nation in production efficiency.

BAND UNIFORM CONTRIBUTOR

In the list of contributors for band uniforms published last week the name of Charley Cravy was left out. Mr. Cravy donated \$35.00 to the fund, according to reports from the Chamber of Commerce.

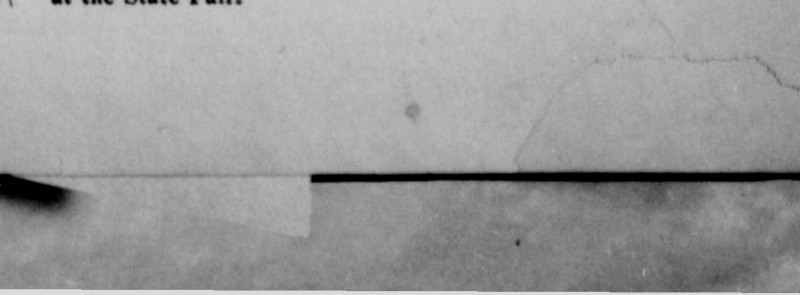

INJURES ARM IN PRACTICE

Charles Farmer injured an arm in football practice late Tuesday. Charles, a quarterback in the reserves will probably not be able to play in the Conference game here Friday night.

ATTEND LUBBOCK GAME

Mr. and Mrs. W. A. Johnson attended the football game in Lubbock last Friday. Their daughter, Mrs. Winard Buck and Mr. Buck returned here with them for the week-end.

THOUGH HE APPEARS FEROCIOUS, Bozo is full of fun and ready to welcome the two million visitors expected to attend the State Fair of Texas, at Dallas, Oct. 4-19. Bozo is just one of many thrill rides and topnotch attractions on the million dollar Midway at the State Fair.

EDITORIAL

National Newspaper Week

The slogan "Serving Freedom by Serving You" has been chosen by the National Newspaper Week committee to be used in observance of National Newspaper Week, October 1 to 8.

A free press is an indication of democracy in progress; a suppressed or controlled newspaper is an open declaration of undesirable activities. Hitler suppressed the newspapers of Germany before he was able to convince an uninformed public of the advantages of his policy of aggression.

The newspaper is an instrument of public opinion with its chief duty to inform the people. Also it is a true representative of the people. The words that make the newspaper are the words of the people—not of the editor.

More than sixty million persons read newspapers daily. The newspaper is responsible for the education of the youth; the newspaper performs this role as educator of the adult. Current events, national and international news, trends in thought, new inventions, better methods of living, and most of all, your local news, are all expected of your newspaper.

National Letter-Writing Week

The Post Office Department has announced that it will again participate in observing National Letter-Writing Week, which will run from October 12 to 18 this year.

This week is specially set aside to encourage personal letter writing to renew home ties, to recapture old friendships and discover new ones.

Any personal letter you write is your own work of art; a portrait of yourself conveyed in a most intimate and pleasing manner. It may not convey the true nature of the individual but a letter to individuals as they really are.

A letter is your medium of exchange for love, joy and encouragement. Correspondence brings together people who live apart, bridges the distances and years. Even if they must sometimes carry their letters, the very nature of these missives is personal, thoughtful.

A letter never written is the most discouraging ever received.

National Fire Prevention Week

October 5-11 has been designated as National Fire Prevention Week and will be observed in various ways all over the nation.

This would be the ideal time for every individual to eliminate fire hazards, observe rules for fire prevention and become thoroughly conscious of the danger of fire.

Most fires start in the home and in more than half of the cases a blaze is a direct result of carelessness. Oil and grease soaked rags thoughtlessly tossed into the closet offer an ideal opportunity to spark to start a fire.

Carelessness with inflammable fluids is a very common practice. Servicing machinery while smoking is an open invitation to disaster. Burning trash in a high wind in an open incinerator often results in an uncontrollable blaze. An open flame from the cook stove or heater becomes doubly dangerous in a draft. Unattended stoves, especially in homes with small children, can result in disaster. Above all, don't leave fires burning when you are gone from the house.

One of the most spectacular demonstrations was a Communist funeral procession through the streets of the city. The Communists claimed that the anti-Communists were responsible for the killing of a child who belonged to a Communist family. The child's casket was carried down the street on the shoulders of six young men, preceded by four huge red flags. The bands played and hundreds of flowers were carried in the procession. The marching crowd extended for several blocks and was estimated at 15,000 people.

A Report From Europe

By George Mahon

This is being written from the city of Trieste, a town of about 300,000 on the shore of the Adriatic sea. I am here in Trieste with a Congressional sub-committee charged with making a study of our foreign aid program. I had hardly heard of this city prior to the war and that is probably true of most Americans. It is now one of the danger spots of the world.

The place belonged to Austria before World War I and to Italy after World War I. The city and a small bit of land surrounding the city have now been set up as a free state which is to have a governor appointed by the United Nations. The city of Trieste is only five miles from Yugoslavia.

At the conclusion of the war, Yugoslavia and Russia demanded that the city be made a part of Yugoslavia—America and Britain refused to agree as most of the people in the city are Italians, and the Free State was finally agreed upon.

A force of 5,000 American troops and a similar number of British troops occupy the city of Trieste. The city is the dividing line which separates Russia and Yugoslavia from the western world. It may be our first line of defense against Russian aggression. In addition to maintaining our troops here, we are spending about \$800,000 per month to help feed the people of the area. A ship load of American wheat arrived recently and there are no signs of starvation here. The Port was heavily bombed during the war. Our government is supporting a program to make the place self-sustaining.

During the stay of our Committee in Trieste, Treaty provisions have gone into effect setting up the new state, and Ratification Day has been celebrated. It has been a very precarious time for American and British military forces.

The Commanding General of the Yugoslav Army served notice upon our military headquarters that his army contrary to the provisions of the peace treaty was marching into the city of Trieste at 10 o'clock at night on Ratification Day. Our forces manned the roads to the city with instructions to prevent the entry of the Yugoslav army. The Yugoslavs engaged in some military maneuvers and threats, but when it became apparent that Americans and British had called their bluff, they withdrew their forces.

There has been an air of uneasiness throughout the city during our stay here. There have been numerous riots and demonstrations by the Communists. Bombs have been exploded in the streets and a few people have been killed. The Yugoslav army outnumbered the Anglo-American forces in this area, but the presence of American war ships in the harbor and the flight over the city of our four-engine bombers have had a stabilizing influence on the situation.

One of the most spectacular demonstrations was a Communist funeral procession through the streets of the city. The Communists claimed that the anti-Communists were responsible for the killing of a child who belonged to a Communist family. The child's casket was carried down the street on the shoulders of six young men, preceded by four huge red flags. The bands played and hundreds of flowers were carried in the procession. The marching crowd extended for several blocks and was estimated at 15,000 people.

Mrs. J. W. Pond—Reporter

A family reunion was held Sunday in the home of Mr. and Mrs. O. S. Taylor, celebrating Carl Trapp's birthday. He is a brother of Mrs. Taylor. Those attending were: Mr. and Mrs. W. L. Rice and children of Sudan; C. W. Trapp also of Sudan; Mr. and Mrs. Sam Beard and children and Mr. and Mrs. Henry Owens; Mrs. Don Yearly and children of Morton and Mr. Lewis Harris of Enochs was an afternoon visitor.

Mrs. Dale Pond spent last Wednesday in the home of her parents, Mr. and Mrs. Brodie Gray of Spade.

Mr. Vernell Fannin and son of Arkansas is here visiting with Mr. and Mrs. Neut Darland. His wife has been here several weeks with her mother. They will return home this week some time. Mrs. Neut Darland seems to be feeling some better.

Miss Wynelle Prather is spending this week with relatives in Lamesa.

Mrs. J. W. Pond and daughters, Anna and Linda, spent the past week visiting relatives in Dallas, Gainesville and Hood. The Pond's married daughter, Mrs. Don Bolles and children of Clovis, N. M., accompanied them.

Henry G. Hammerly, formerly a carpenter's mate, second class, in the Navy's Seabees, is constantly reminded of his wartime association with his fighter-bomber buddies and the Seabee motto "Can Do". Henry's hometown is Cando, N. D.

peace and stability. Trieste is headed for trouble unless the United Nations is able to pursue a firm policy and establish a strong civilian government. We have conferred also with local citizens and officials. The majority of the people in the city of Trieste are Italian, but there are also many Yugoslavs in the area.

Among the 5,000 American troops in Trieste are 137 enlisted men from Texas. I had a pleasant visit with two of them from West Texas, Max Carpenter of Sundown, and Cecil Drake of Big Spring, Texas. All our troops seemed to be in fine shape and morale appeared to be high.

Send Relief to War-torn Lands thru Christian Channels

Join Hand and Heart with Christian Relief Agencies who will not only feed the body but who will Give the Gospel to Hungry Hearts.

Baptists have always contended for complete religious and political freedom for ALL MEN EVERYWHERE. Today they seek to clothe and feed the hungry bodies of men everywhere and to perpetuate the God-Given rights of all men. Baptist World Relief Agencies are now administering to the needy in many lands.

The First Baptist Church of Morton is now collecting the following for War Torn Lands:

- CLOTHING:** Clean and in good repair; All sizes, All kinds, layettes, shoes, diapers, dresses, shirts, coats; cotton, woolen.
- BEDDING:** Blankets, patchwork quilts, comforters, household linens.
- HOUSEHOLD SUPPLIES AND EQUIPMENT:** Kitchen utensils, tools, soap, sewing materials, hospital supplies, candles.
- FOOD:** Bulk quantities, powdered milk, tin-canned goods of high protein value (beans, dried peas, meats, fish).
- SERVE CHRIST** by Sharing Your Plenty with those who have nothing.

Bring bundles and articles to the First Baptist Church or call 163 or 50 and bundles will be called for. All items will be carefully packed and sent through CHRISTIAN CHANNELS to those in greatest need.

NAGGING BACKACHE
May Warn of Disordered Kidney Action. Don't Neglect It!
Modern life with its ceaseless hurry and worry, irregular habits, improper eating and drinking, exposure, constipation, whatnot, keeps doctors busy, hospitals crowded. The after effects are disturbing to the kidneys and sometimes people suffer without knowing that disordered kidney action may cause the trouble.
After colds, fever and similar ills there is an increase of body impurities the kidneys must filter from the blood. If the kidneys are overtaxed and fail to remove excess acid and other harmful waste, there is poisoning of the whole system.
Symptoms of disturbed kidney function may be nagging backache, persistent headache, dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of strength and energy. Other signs of kidney or bladder disturbance sometimes are burning, scanty or too frequent urination.
In such cases it is better to rely on a medicine that has won world-wide approval than on something less favorably known. Use Doan's Pills. They have been winning new friends for more than forty years. Be sure to get Doan's. Sold at all drug stores.
THE REASON DOAN'S ARE FAMOUS
All over the country grateful people tell others: "Doan's have helped me; I recommend them to you." That is why we say, Ask your neighbor!

Single Ring Ceremony Unites Katherine Graham and Babe Vanlandingham

Mrs. W. C. Vanlandingham, the former Katherine Graham, who was married here Friday, September 26th.

In an impressive single ring ceremony read by W. A. Brown, Miss Katherine Graham, daughter of Mr. and Mrs. G. A. Graham, Ruidoso, New Mexico, became the bride of W. C. Vanlandingham, son of Mr. and Mrs. Charles Vanlandingham, Enochs, on Friday evening, September 26 at the home of Mr. and Mrs. Mike Walden.

The wedding scene was provided by an improvised arch, blanketed by candles and tall baskets of flowers. Mrs. Billy Proctor sang "Always" as the candles were lighted by Misses Yvonne Gipson and Lois Ruth Hawkins. The couple was attended by her sister and brother, Miss Mary Graham and Mr. G. A. Graham, Jr. "Because" was sung during the ceremony by Mrs. Proctor, vocalist.

The bride was dressed in a new grey suit with blue blouse and accessories of black, she carried a borrowed white Bible topped with bridal corsage of red rose buds. Something old was a locket given her by the groom. Mrs. Vanlandingham attended Morton school. Mr. Vanlandingham graduated from Bula High School. He served in the army two years during World War II. A reception was held following the ceremony for the bridal party

Great Art Show To Be Exhibited At Dallas Museum

One of the greatest art collections ever exhibited in the Southwest—\$1,500,000 worth of paintings by old masters—will go on display in the Dallas Museum of Fine Arts during the State Fair of Texas, Director Jerry Bywaters has announced.

The collection is being loaned by the Metropolitan Museum of Arts, New York City. Painted over a period of four centuries, the pictures to be exhibited are representative of six schools of art, Dutch, Flemish, French, German, Italian and Spanish. Many are paintings long familiar to everyone. There will be "The Horse Fair" by Rosa Bonheur, two Rembrandts, "Portrait of an Admiral" and "Portrait of the Admiral's Wife." Sir Anthony Van Dyck's "Portrait of a Man," Peter Paul Ruben's "Virgin and Child," and many others. The values of these paintings are fabulous. The Rembrandts are worth \$100,000 each. "The Horse Fair" is said to be valued at \$75,000. Another painting, "Pieta" by Carlo Crivelli, is valued at \$100,000.

In addition, there will be the striking "Christ's Descent into Hell" painted in the first quarter of the 16th century by Hieronymus Bosch, and Joos van Cleve's "The Lost Daughter." Altogether 30 paintings from the Metropolitan Museum will be exhibited, Mr. Bywaters said. Another section of the museum will be devoted to contemporary artists, many of them illustrators for popular magazines. These include Norman Rockwell, Steven Dohanos, Winslow, Warren Baumgartner, Milton Caniff and forty-four others.

Review Of Southwest Farm Markets

Commodities moved to unsettled markets last week, with moderate to sharp declines on many products, according to the Production and Marketing Administration, U. S. Department of Agriculture.

steadily. White corn losses totaled 35 cents, to close Friday at \$2.50 for No. 2, while yellow dropped 15 to 20 cents to sell at \$2.35 at Fort Worth and Galveston. Oats, barley, and sorghum grains netted little change.

Spot cotton prices declined from \$4 to \$6 per bale during the week, and there was a further weakening of the basis. Demand was good for Army Purchase qualities but only fair for domestic purchases. Harvesting made rapid progress.

Cattle closed the week generally 50 cents to \$1 or more lower. Calves felt the heaviest pressure. Good calves sold at \$17.50 to \$19.50 at Houston, and choice heavy calves moved at \$21 to \$23 at Oklahoma City. Good and choice calves turned late in the week at mostly \$17 to \$19 at San Antonio, \$16.50 to \$19 at Fort Worth, and \$16 to \$18 at Wichita. Denver's practical top was \$21.50 for calves and vealers.

Hogs suffered losses of mainly 25 cents to \$1 for the week, and pigs fell as much as \$2 at some markets. San Antonio closed the week at a top of \$27.50. Fort Worth and Oklahoma City at \$28, Wichita at \$27.75, and Denver at \$28.75. Sows brought \$24 to \$25.50 at Fort Worth and Oklahoma City, and \$23 to \$26 elsewhere.

Good demand held poultry prices firm during the week, and young chickens tended higher. Some turkeys moved largely at

Salute to National Newspaper Week By Kay Kyser

Hey chillun, pay attention! Class is now in session and this is your Ol' Professor telling you it's about time you paid tribute to one of America's greatest institutions—your hometown newspaper!

This is National Newspaper Week and that's no "Comedy of Errors." In fact, it's time we all agreed nothing's more fun than a newspaper. Feeling very scholarly at the moment, I'd say that as the immediate reflection of a community's taste and opinion, your local newspaper is the crystallization of public thought and feeling. Not only that, but you can swat flies with a newspaper and what's better for lining bureau drawers?

Being a high class student myself, ever since I rocked Rocky Mount by winning the zinc-plated yo-yo for being best orator in the drum and bugle, chowder and peanut racing corps, I remember when Shakespeare referred to the seven ages of man. Now we can do that through newspapers. First a baby has the comics read to him, then he learns for himself. Soon the sport pages begin to interest him and then in school current event classes

Tribune, Morton, Cochran County, Texas, Thursday, Oct. 2, 1947

cause the news section to play a part in his life. The amusement section is added when dating comes along. Then as young manhood is reached he begins to realize the "news" can affect him personally. Editorials become required reading. The last stage is reached when Grandpa removes his uppers and turns to the obituary page first instead of the comics.

America's free press is one of the greatest bulwarks of democracy. Tip my tassel to it and recommend we all do the same.

Bill's retired

And he's only six months old! Yes, the Treasury Department says the average dollar bill holds up only about half a year before it goes to pieces!

But any housewife can tell you the life expectancy of a greenback is even shorter than that. When a dollar goes to market nowadays, it lasts hardly any time at all—and seems to buy less

But don't forget electricity! Actually the service you get for your electric dollar is just about the biggest bargain in your budget. If yours is an average Plains family, that dollar buys you about twice as much electricity as it did 15 years ago!

Break it down into terms of service, and that little greenback lasts a long while. It can run a radio for 100 evenings—or do your family wash for 5 months—or tell you the correct time for more than a year and a half! It'll even vacuum clean 600 rugs—or brew you 1,000 cups of coffee!

No matter what service you want it to perform for you, that electric dollar has a very long life, indeed!

Mrs. Bill Harrison Honored With Bridal Shower

Mrs. Bill Harrison, (nee Sue Cochran), was honored with a bridal shower in the home of Mrs. L. F. Hargrove on Friday afternoon, September 19.

Hostesses for the occasion who received the guests and assisted in serving were: Mesdames Gage Knox, Jesse Paulk, Charles Glenn and L. F. Hargrove.

The lace covered tea table was centered with a round mirror containing gold bowls of blue flowers. The names "Sue" and "Bill" were outlined in tiny blue flowers around the mirror.

Mrs. Harrison attractively dressed in a plum colored frock studded with nail heads was assisted in opening the many gifts by her mother, Mrs. L. A. Cochran.

We still feel tired after watching Miss Frazier and Miss Purvis move their things into the guest rooms at Vagabond House. Last time we looked they had boxes and boxes piled in the middle of the floor and were just sitting there wondering where to put everything.

The spouse sort of got out of patience with us when he sent for 40 feet of wall paper canvas and we came home with 40 yards.

Saturday we saw Bonnie Brown Blackstone and sister Berta Abbe having pictures made of their offspring. The sisters Brown are certainly a good looking bunch including little sister Nell a Morton High School student.

Harold Brock, our printer's devil, has now decided that he doesn't mind casting mats in hot metal so much, particularly since an announcement was made at school that classes will be dismissed for cotton picking purposes.

Our neighbor, Mrs. Roy Hill, has been in the hospital again; it isn't funny but we usually don't know about our neighbors unless some one from across town tells us.

Bro. Wright wrung our heart with his tale about the war refugees but still we doubt if any of the w r's would be caught dead in our Sunday clothes, much less any of our discards.

Seriously tho the Baptist Relief Mission will greatly appreciate anything that folks in this country can give to be sent overseas. As we understand it the packages will be sent direct to Chaplains and Christian workers in the devastated areas and distributed to the most needy.

It is quite true that all of us can spare something and it would most certainly be a fine thing for folks in and around Morton to make up some nice

boxes for Brother Wright to dispatch overseas.

Our friends and relatives came across very generously with birthday greetings and presents for our 7 birthday on October 1. Altho we dislike having the years roll around so fast we do love being remembered on the anniversary of our birth.

Members of the V. F. W. are buzzing around with plans for making money. As we heard it they plan to use a portion of the funds to help on the playground project.

And speaking of playgrounds the P. T. A. is urgently in need of some 2 and 3 inch pipe to be used in the construction of playground equipment at the school. So if you have any old pipe laying around just call some member of the P. T. A. and it will be picked up.

The small fry enrolled in Dutch Gipson's "Little Folk's School" apparently enjoy the school very much as we have certainly heard some mighty nice things from the youngsters.

Jimmy Porter is particularly anxious to learn to read and Norton Willis wants to do a color job perfectly for his mother.

Mrs. Paula Robertson was in the office early this week, looking mighty pretty with an up swept hair-do and becoming print dress.

We are looking forward to a trip to Ft. Worth and Dallas this week-end. Possibly the chief attraction is the ride down and back with the Weimhold's in their new car.

The flower show sponsored by the Cochran County Garden Club is scheduled for October 11. Rules and regulations for exhibitors are in this issue of Tribune. The show will have to go some to be better than the one last year.

Weekly SURPLUS NEWS WAA

One of the biggest automotive parts sales ever held in Texas will take place at the Red River Arsenal near Texarkana Tuesday through Thursday, October 7, 8 and 9, with \$700,000 worth of war surplus parts up for informal bidding. A total of 500 lots will be on display at six warehouses in the arsenal, most of them small for the "little buyer" as well as the commercial dealer. Included will be such materials as engine assemblies, bearings, battery acids, maintenance equipment, oil seals and filter elements. Inspection and bidding has been set for from 8:30 a. m. to 3:30 p. m. next Tuesday and Wednesday, with opening of bid boxes to commence at 8:45 a. m. Thursday.

Creation of a fast-moving sales organization in each of the six War Assets Administration Zone offices to dispose of the remaining inventory of surplus war plants and other real property has been announced by WAA officials. Disposal of surplus real property is now well past the half way mark, with \$4,780,420,000 disposed of or leased and \$3,560,735,000 remaining at the end of August. The new plant is expected to give disposal the final push.

A veterans merchandise section to the war surplus sales facilities of the WAA's Customer Service Center has been added to the Grand Prairie office. Only very limited stocks of set-aside items for veterans are anticipated for the time being. Under the plan, veterans may buy and take with them merchandise available in this section.

The sale of 562 buildings at Gulf Port Army Airfield at Gulf Port, Mississippi, was recently postponed on account of damage wrought by the recent hurricane. War Assets Administration announced that new sales dates would be posted some time in the future.

A quantity of construction and farm machinery is being offered by WAA to both priority and commercial buyers through its Grand Prairie Customer Service Center until November 3. The sale opens October 17. Included in the offering are a tandem road roller, crawler type tractor, towed type grader, drum hoists and booms. The booms are unused; the remainder being used. The equipment is being offered at fixed prices.

When they jerked a fellow out of a wrecked car the other day, he said that except for his marriage, that was the worst fix he had ever been in.

Sometimes we are forced to agree with uncle Mose who made the following observation:

It was just before harvest time, and Uncle Mose was extremely short of cash. But the old Negro farmer brought to church all that he had—four pennies. He was somewhat startled by the loud sound the coins made when they fell into the tin contribution plate, and after the services the philosophical old man was moved to observe to his good wife:

"Mandy, if dat had been four quiet dollar bills 'stead of four noisy pennies, dey wouldn't uv made a sound. Yo know, Mandy, people is jes lak money; dem dat makes de mos' noise ain't all ob de mos' account."

"FAITH"

Faith is one of the greatest subjects in all of God's word. It means more and is demonstrated less than any other thing among Christian people. According to Paul, Faith is the substance of things hoped for and the evidence of things not seen. Just why faith does not have a greater place in our lives is more than I am able to understand. Maybe it is because we have no reason for Faith. Faith without a reason is no faith at all. Or to say the least of it, it never accomplishes anything. There is a reason for faith if we have faith but if we do not have faith then there could be no reason for faith.

Let us think of some of the reasons for faith. First, faith assures success. There are many places in God's word where faith assured success with the individual.

STATEMENT OF THE OWNER-SHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1912, AS AMENDED BY THE ACTS OF MARCH 3, 1933 AND JULY 2, 1946

Of Morton Tribune, published weekly at Morton, Texas for October 1, 1947. State of Texas) County of Cochran)

Before me, a Notary Public in and for the State and county aforesaid, personally appeared Carl England, who, having been duly sworn according to law, deposes and says that he is the Publisher of the Morton Tribune and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management and if a daily, weekly, semi-weekly or tri-weekly newspaper, the circulation, etc., of the aforesaid publication for the date shown in the above caption, required by the act of August 24, 1912, as amended by the act of March 3, 1933, and July 2, 1946 (section 537, Postal Laws and Regulations), to wit:

1. That the names and addresses of the publisher, editor, managing editor, and business managers are: Publisher, Carl England, Morton, Texas; Editor, Ann England, Morton, Texas; Managing editor, Ann England, Morton, Texas; Business manager, Carl England, Morton, Texas.

2. That the owner is: Forrest Weimhold, Levelland, Texas.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 percent or more of total amount of bonds, mortgages, or other securities are: First State Bank, Morton, Texas.

4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholders or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stock, bonds, or other securities than as so stated by him.

5. That the average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the twelve months preceding the date shown above is 1660.

Carl England, Publisher. Sworn to and subscribed before me this 23 day of September, 1947. T. K. Williamson. (Seal) (My commission expires 6/1, 1949)

ual. For example, II Chron. 20:20, Luke, 8:15. Second, faith is a fundamental duty. It is impossible to please God without faith. Letting faith become a fundamental duty in your life you will believe on God. John, 6:28:29. Third, faith is a defensive weapon. Eph. 6:16. Faith serves as a shield to the Christian. Without it we would be overcome by Satan. Faith is very essential in prayer. Without faith we could not approach a throne of grace and receive the blessings of our Heavenly Father. We receive blessings from the Lord according to our faith. This being true can't we see how little our faith in the Lord is. It is through faith that we are justified. Not by works of righteousness which we may do but by faith in our Lord Jesus Christ. Many today are in dire need of that saving faith, which leads men to the knowledge of their salvation.

Faith in Jesus Christ is the assurance of eternal blessings and abiding peace. The revised version gives the word, "Substance" in Heb. 11:1 as assurance. Assurance in Paul's day meant a Title-Deed. Then that being the case, we who have faith in our Lord Jesus Christ have a title-deed to the things of his. Jesus said that he was going to prepare a place for us and that he would come again. This being the case we who have faith in him, have a title-deed to that mansion.

Be with us in service next Sunday and study God's word with us.

The Invisible Man Is Out Garrison Says

Fix your lights so that you can be seen by the other fellow and your brakes so that you can stop, and you'll be all right under the new traffic law, which went into effect Sept. 5.

You must have two burning headlamps and a burning red tail light. The only thing which every motorist has to have after Jan. 1, 1948, which he may not have now is a little white light over the rear license plate. Formerly, reflectors were enough on trailers of all kinds, but after Jan. 1 a burning red tail light is required for any vehicle whatsoever on the road. Trucks and busses under 80 inches wide must have in addition to other lights a stop light and two red reflectors on the rear.

Trucks or busses over 80 inches wide or having an actual or registered gross weight in excess of 3,000 pounds must have the following lights besides the headlamps, tail light, license plate light, stop light, and two red reflectors:

Amber clearance light at front outermost top corner on each side; red clearance light at back outermost top corner on each side; red side marker near rear on each side; amber side marker near front on each side; amber side lamp near front on each side; red side lamp near back on each side.

When disabled upon the highway, all types of trucks, busses, and trailers must have three properly spaced warning devices such as spot flares, electric lanterns, etc.

All brakes, must be capable of stopping the vehicle going 20 miles per hour within a distance of 30 feet on a smooth, level surface and must be maintained in good working order so as to be applied evenly on all wheels. Any type trailer having an actual or registered gross weight in excess of 3,000 pounds must have a separate set of brakes thereon.

From where I sit... by Joe Marsh

"It's Living That Counts"

I stole the title of this column from a magazine article that said a whole lot better than I can what farm and country life can mean.

We talk about farm profits, production, research, and mechanical improvements... but isn't it true, what we really value is the life country living offers us?... the chance to be close to our families and neighbors... children sharing in the chores... working with our own hands at a worthwhile job.

And country pleasures are simple: good talk at day's end, and

a glass of mellow beer with friends... the companionship of man and wife, untroubled by distractions of the city... the mutual tolerance of one another's tastes—in choosing a friend, or a glass of beer, or a candidate for Governor.

Mind, I'm all for material improvements. But from where I sit, the real goodness of our country life is that spirit of tolerance, moderation, and good fellowship.

Livestock Life Lines

Tuberculous hens usually grow long claws.

Pullets should be vaccinated against pox when they are 8 to 12 weeks old.

Vitamin A deficiency is one of the major causes of sterility in farm animals.

Heifers train well to fast milking when they are placed in the milking line about a month before freshening.

Dogs that do not get enough fat in their diet may grow poor coats or suffer from excessive falling hair and itching.

Bovine mastitis develops readily in bruised teats, because injured tissues are favorable to the development of mastitis germs. Curled-toe paralysis in chickens is due to a deficiency of riboflavin; powdered milk or whey supplies this vitamin in abundance.

Failure to feed liberally and failure to feed a balanced ration are the most serious faults in average livestock feeding programs.

Pigs treated with hog-cholera vaccine two weeks after weaning are considered to be immune to cholera infection until they reach marketing age.
