"TEXAS' LAST FRONTIER"

PAGE VIII.

MORTON, COCHRAN COUNTY, TEXAS, THURSDAY, NOV. 13, 1947.

NUMBER 37.

## Last Rites Held For Loyd Kennedy; Well Known West Texas Lawyer

Funeral services were conducted November 11 for Loyd R. Kennedy, well known Cochran county and West Texas lawyer. Mr. Kennedy died in Hermann hospital at Houston at 2 a. m. Sunday. Services were held at the Baptist Church, Morton, by W. C. Wright, assisted by T. L. Bullard and Rev. A. A. Hall. Interment was in Mortuary with Masonic rites.

Mr. Kennedy was born at Texas, April 25, 1897. His family moved to Ft. Worth in his youth and his high school education was completed in that city. He held a B. A. degree from A. and M. College and a law degree from Cumberland School, Lebanon, Tennessee. Commissioners Court appointed Kennedy as County Attorney in 1930 and he served five consecutive terms in that capacity, resigning to enter private law practice during the war years. Mr. Kennedy served as chairman of the draft board and as assistant County Attorney during the war years. Mr. Kennedy started his law work in 1927 and was a member of Lodge No. 148, F. & M. Temple A. O. N. M. S., El Paso, Texas, and a member of the Red Cross and a member of the El Paso Symphony Orchestra for the last two years, while her husband was in Wm. Beaumont Hospital in that city.

## Public Invited To Reception In Honor of Coopers

A public invitation is being extended by Rev. W. C. Wright and members of the First Baptist Church to the entire community to attend a reception from three until five o'clock Sunday afternoon at the home of Mr. and Mrs. Roy Hill in honor of Mr. and Mrs. Bob Cooper.

Cooper is associated with the First Baptist Church here as educational director.

Bob spent his early childhood in the Bitterroot Valley of Montana and graduated from Darley High School. Just prior to the war his home was in Los Angeles.

After receiving his commission as Navigator in the Army Air Force in December, 1943, at Hondo, Texas, Bob attended Bombardier school at Roswell, New Mexico. He was assigned to B-25's and served in New Guinea and the Philippines. He was wounded by flak in December, 1944.

He organized and directed choirs and choruses at Army bases at San Antonio, Houston, Harlingen, Hondo, Texas and New Guinea and Biak.

Bob is a sophomore at Eastern New Mexico College, majoring in Religious Education and Music, studying voice and piano.

Mrs. Cooper, the former Margaret Harlan, daughter of Mr. and Mrs. R. B. Harlan, Roswell, New Mexico, graduated from ENMC in 1945 with a degree in Music Education. She played the violin in El Paso Symphony Orchestra for the last two years, while her husband was in Wm. Beaumont Hospital in that city.

Bob Cooper, educational director at the First Baptist Church.

## Winningham To Open Grocery Store Here Soon

Q. V. Winningham plans to open a grocery store in his building east of town on the Levelland highway in about 30 days.

Repairs are now being made on the building and equipment is being installed.

Winningham stated that there would be plenty of free parking space. He plans to carry a full line of groceries and invites the public to watch for opening date.

## Less Than 1/4 Of County's Cotton Crop Harvested

Local ginners estimate less than one-fourth of the County's cotton crop has been harvested to date. The frost during the night of November 2 and the freezing temperature during the early morning hours since that time have completely killed the foliage on the cotton and is causing the green bolls to open.

Within the next ten days, with ideal weather, the real rush portion of the season will be evident. Farmers who have been bringing one or two bales a day to the gin will begin using mechanical harvesters and shop made sleds, capable of harvesting as much cotton as fifty men.

Last Thursday's sand storm cost the farmers approximately \$20.00 for each bale in the field. The conservative estimate includes the lower staple, additional cost of harvesting and ginning.

Persons receiving mail at Lehman must make new arrangements for receiving their mail. The carrier on Star Route 2 will deliver the mail if boxes are erected and notices requesting this service is delivered to him.

Morton post office will handle all mail formerly delivered by the Lehman office.

## George Keith Wins Santa Fe Award; Trip To Club Congress In Chicago

George Keith, outstanding 4-H boy of Whiteface, has been named one of the winners in the Santa Fe Award, entitling him to an expense trip to Club Congress to be held in Chicago in December.

George won the trip on his exceptional record of 4-H Club activities over a period of seven years, and particularly on his animal and crop demonstration.

During the seven years George has been a member of the 4-H Club, he has established quite a record. He has been president of the club for two years, fed out calves, 38 swine, had 6 calves in demonstration, sold \$19,190.00 worth of livestock, with a profit of \$6,245.00, and earned \$300.00 in prize money from various exhibits as well as calves and gilts awarded by business men and organizations.

1946 George was awarded a trip to Boys State at Austin to represent the 4-H Clubs of Cochran county, and fed five calves in winning \$45.00 in prize money.

The Morton Chamber of Commerce has awarded George a reserved gilt and Hank Gowdy, a New Mexico, has given him a black Angus calf.

Mr. R. C. Childs has joined the faculty of Morton High School in the capacity of English instructor.

Mr. Childs holds an A. B. Degree from the Louisiana State University and a M. A. Degree from George Peabody College for Teachers, and is at present working on an advanced academic degree at the University of Texas.

In addition to numerous newspaper and magazine articles Mr. Childs compiled a research study on student veteran education at Texas A. and M. College which was published in the July, 1947, issue of The Texas Outlook.

## Bailey County Teachers Assn. To Hold Annual Meet

The annual meeting of Bailey County Teachers Association will be held at Three Way High School Tuesday night, November 18th.

Dinner will be served and a program has been outlined for the association. Representatives will be selected to attend the State Teachers Association at San Antonio Thanksgiving week.

## Dr. C. R. Richardson Is New Member On West Plains Hospital-Clinic Staff

Dr. Charles R. Richardson and family arrived here Monday from their home in Clifton Springs, New York. They are living in the house formerly occupied by Mr. and Mrs. Carl Self in southeast Morton. The doctor is associated with the West Plains Hospital and Clinic.

Dr. Richardson was educated in Washington D. C., receiving a Bachelor of Arts degree at George Washington University. In 1939 he graduated from the George Washington University School of Medicine. Following a year's internship at the George Washington University hospital he was on the surgical staff at The Doctor's hospital in Washington D. C.

In 1940 he moved to Clifton Springs, where he practiced internal medicine for three years at the Clifton Springs Clinic.

During the war years Dr. Richardson served in the army as internist with the 112th evacuation hospital, 7th army, through France and Germany. Since his discharge from the service and until his removal here Dr. Richardson has been engaged in private practice at Clifton Springs.

Mrs. Richardson is the former Marion Iglehart, daughter of Dr. and Mrs. Charles W. Iglehart of New York City, where the doctor is a professor at the Union Theological Seminary. She was born in Japan and lived there for 17 years, attending American and Canadian schools in the orient until she entered Ohio Wesleyan. She later attended Syracuse University and holds a Master's degree from the Yale University School of Nursing.

Following her graduation she was affiliated with the obstetrical department at Duke University hospital in Durham, North Carolina. At the time she met Dr. Richardson she was night supervisor of nurses at The Doctor's Hospital in Washington D. C. They were married in 1940 and have three children: Charles Iglehart, 6; Randolph L., 4 and Elizabeth Stewart, 6 months.

## Ralph Roberts Awarded 1947 Chevrolet Tues.

Ralph Roberts, veteran of war II, and owner of the Roberts Boot and Shoe Shop here was awarded the 1947 Chevrolet given away Tuesday afternoon by the Veterans of Foreign Wars.

Pretty little Patsy Walden, three year old daughter of Mr. and Mrs. Mike Walden, drew the card bearing number 1353 from the tumbler. The name of Roberts was read by Herman Crockett. In appreciation, Roberts gave Patsy \$15.00.

Morton Boy Scout Troop is to receive 20 percent of the money received by the V. F. W. from donations made here recently. Lloyd Allsup, Scout Master, thanked the V. F. W. and purchasers of tickets on behalf of the scouts.

Approximately 1400 tickets were sold, according to Kirby Smart who acted as master of ceremonies during the drawing.

## Annual Staff Starts Work On 1947-48 "Lohah" Edition

The Annual Staff of Morton High School has started work on its 1947-48 edition of the "Lohah."

The sale of ads for the annual has begun and a member of the staff will go to each business establishment to help them select an ad after it is purchased.

The sale of subscriptions for the annual has also begun and may be purchased from the persons selling ads: Bobby Cook or Gene Williamson.

This will be the seventh edition of the annual and the students are trying hard to make it the best edition.

Reports have been received in Morton that Miss Wanda Tolliver is seriously ill in a Berkeley, California hospital following a recent operation for appendicitis.

## Northeast County Wildcat Running Drillstem Test

Ray A. Albaugh No. 1 Slaughter, Northeast Cochran county wildcat, about eight miles east of Morton, a considerable distance north of nearest production on the north side of the Whiteface extension to the Slaughter field, and 440 feet from north and east lines of labor 84, league 82, Shackelford county school land, was running a drillstem test at 4,680-4,713 feet, in the San Andres-Permian.

The section at 4,690-98 feet logged soft drilling. A core at 4,698-4,713 feet, recovered 13 feet of brown, granular dolomite, with fine porosity, and with some slight oil stain and oil odor.

George P. Livermore, Inc., and Honolulu No. 1 Williamson, northwest Hockley county wildcat, in the vicinity of Pettit, and 578 feet from north and 494 feet from east lines of labor 48, league 74, Haskell county school lands, had reached 4,552 feet in lime and anhydrite, and was making more hole.

Stanolind Oil and Gas company No. 1 Hall, South-Central Cochran county wildcat, to a round 12,300 feet, to try to find and test the Ellenburger, had progressed below 11,064 feet in an unidentified chert zone.

This prospector, located 1,980 feet from south and 538 feet from east survey, and 15 miles south of Lehman, had a possible production of 20 barrels per hour flowing in the Pennsylvanian zone at 10,401-483 feet. No shows of oil or gas have been logged below that zone.

## Morton Merchants Urge Citizens To Do Their Holiday Shopping Early

Merchants here are urging early holiday shopping in view of the fact that merchandise stocks are fast being depleted by itinerant workers here for the cotton harvest.

Acute shortages are being noticed in all lines of holiday goods particularly in toy and other gift items.

Most stores in Morton are already showing Christmas goods and are featuring a lay-away plan for the convenience of their customers.

Cobb's and St. Clair's Department stores have on display many practical gifts to aid the early shopper in holiday selections. Managers of both stores have been notified by manufacturers that quantities are dwindling and that it is entirely possible goods will be very scarce for several months.

## Parent-Teacher Meet Scheduled November 17th.

Morton P. T. A. is scheduled to meet at the junior high auditorium on Monday evening, November 17 at 7 o'clock.

Supt. Carl Macon, will be the principal speaker, his topic will be, "Schooling For the Years Ahead."

Mrs. L. L. Price will have charge of a musical program to be presented by the junior choir.

Parents, friends and patrons of the school are cordially invited to attend.

## RETURN FROM DALLAS

Mrs. Roy Hill and Mrs. C. C. Reynolds returned Sunday from Dallas where Mrs. Hill had been under the care of Dr. Shelmire, skin specialist.

## Morton Lions Sponsoring Texas Food For Peace To Go On Friendship Train

The Morton Lions Club is sponsoring Texas Food For Peace to go on the Friendship Train that is leaving Lubbock November 16th. It was agreed that donations be encouraged and the money used to buy the food in bulk already crated instead of asking for contributions in food items that would have to be packed before shipment.

All Lions Clubs in America are participating in this movement and indications are now that the Friendship Train will wind up hitting the east coast with four sections instead of two. Several cities in Texas are donating a car load of food.

Citizens of Cochran county and Morton trade territory are asked to leave their donations with one of the following: P. B. Ramby, L. B. Childs, Lloyd Evans or with any other member of the Morton Lions Club. This must be done by Saturday, November 15th, because the food will have to be delivered at Lubbock that day.

Friendship train food will be distributed abroad by combined American Relief Council which is composed of YWCA, YMCA, American Quakers, Baptists, Catholics, Catholic Welfare Council and about a dozen relief groups. By this procedure they plan to get the food direct to the people.

Identification labels will be placed on each donation carrying the following message: "All races, colors, and creeds make up the vast melting pot of America, and in a democratic and Christian spirit of good will toward men, we the American people have worked together to bring this food from our fields to your doorsteps, hoping that it will tide you over until your own fields are again rich and abundant with crops. This gift is sent you by: Name of donor and address."

We believe that during the present emergency that threatens the peace of the world, once again Texas will glorify herself

## Morton Indians To Muleshoe Today

Morton Indians will travel to Muleshoe Thursday, November 13, for next to their last football game of the season.

The game, formerly scheduled for Friday night, has been moved up a day to prevent any conflict with the Littlefield-Levelland game November 14.

## State-wide Farm Bureau Meeting November 17-19

A state-wide meeting of the Texas Farm Bureau will be held at the Herring Hotel in Amarillo November 17-19, and all members of the bureau are invited to attend.

Cochran County has 68 old members, entitling the county to two delegates, each having one vote at the meeting. Delegates will have their hotel room and meals paid for while at the meeting. Legislation effecting the farmers will be studied and the Bureau will have a representative, acting in an advisory capacity, in the state capitol pulling for laws beneficial to the farmers.

The membership goal for Cochran county has been set at 300, according to P. J. Ausmus, president of the County Bureau. The harvest rush has prevented an extensive drive for new members but letters have been sent to all old members urging them to aid in expanding the organization.

## Homecoming For Texas Tech Slated Nov. 29th.

Texas Technological College ex-students will have a busy time at Homecoming, Nov. 29, if they attend all functions planned for them. D. M. McElroy, executive secretary of the Ex-Student association, has announced. Over 4000 homecomers are expected.

Festivities will start Friday night, Nov. 28, with a pep rally in the gymnasium and the traditional bonfire near the gym. Saturday at 9 a. m. registration will start in the new recreation hall on the campus and in downtown hotels. At 10 a. m. a parade is scheduled, with social clubs and other organizations entering floats.

The annual buffet luncheon hosted by the Texas, New Mexico and Oklahoma Bus company and the Lubbock City Bus company is scheduled for noon in the gymnasium, followed by the annual business meeting at 1 p. m. At the meeting Dr. W. M. Whyburn, president of the college, will report on Tech progress; McElroy will discuss a challenge to the alumni; Elmer Tarbox, retiring association president, will introduce new officers. Bill Nugent, Amarillo, president of the Tech Student association, will give the welcome address.

Following the football game between Tech and Hardin-Simmons University in the new Clifford B. and Audrey Jones stadium, social clubs will hold open house from 6 to 9 p. m. Persons not attending these functions are invited to an open house in the recreation hall. The annual dance is scheduled for 9 p. m. in the hall, followed by a standby breakfast in the new college cafeteria from 11:30 p. m. to 1 a. m.

Ex-Student association executive council is to meet at 8 a. m. Saturday in the Hilton hotel to draft policies for the coming year and to elect new officers.

The Ex-Lettermen will meet at 11 a. m. in Aggie Memorial auditorium to map plans for greater cooperation with the Tech athletic program.

**THREE-MINUTE SERMON**

By T. L. (Jack) Bullard, Pastor  
Missionary Baptist Church

"CONVERSION"  
I know of no better way to think along this line than to think in terms of God's word. Paul was a great character and his conversion is outstanding with most every one. Let us notice the outstanding facts in his conversion. First, did as all others have done and will do if they become christians; He called upon the Lord. When he was stricken down on the road to Damascus he cried out with fear and said, "Lord what wilt thou have me to do?" In this we find that Paul was willing to do what the Lord ask him to do. That is the reason that so many today do not become christians is because they are not willing to do what the Lord wants them to do. A willing mind and heart is very essential

to Salvation. Paul made this statement in Rom. 10:13 "For whosoever shall call upon the name of the Lord shall be saved." Paul no doubt spoke those words from personal experience. Paul was willing to keep the word of the Lord and proved it by his actions. Jesus said in John 14:23, "If a man loves me, he will keep my words; and my Father will love him, and we will come unto him, and make our abode with him."

We find Paul praying to the Lord on this occasion and the Lord sent Ananias to where he was to tell him the things that the Lord wanted him to do. We find that Ananias in coming to Paul called him Brother. Surely Paul had received the forgiveness of his sins and had become a christian or Ananias would not have called him Brother. The next step in Paul's life was the filling of the Holy Ghost. The ninth chapter of Acts gives us this record. Paul was called to the ministry on this occasion. Some today do not believe in the Divine call to the ministry but the Bible definitely teaches that one thing.

Next we find that Paul was born again. This may seem strange but some time after Paul met the Lord he verified this one thing. In writing the Church at Corinth he said, "And last of all he was seen of me also, as of one born out of due time. We find that Paul submitted himself for Baptism and then began his work for the Lord.

Now summing up these things we find that Paul, first came face to face with the Lord. He then submitted himself to the will of the Master and called upon his name. He received the commission to preach and was filled with the Holy Ghost. This was all done before he was Baptized but in Baptism a manifes-

Civil Service Region, New Federal Bldg., St. Louis 1, Missouri; or from the Regional Director, Fourteenth U. S. Civil Service Region, 210 South Harwood Street, Dallas 1, Texas.

ation was given to show forth his relationship with the Lord. We must believe and submit to the will of the Lord before we can receive baptism. May we think today of our relationship with the Lord and make our peace calling and election sure.

**TRAIL DUST**

By **DOUGLAS MEADOR**

If we could see ourselves thru the eyes of others it is possible the scene would be surprisingly uninteresting.

Within a few moments the great plane had departed from the earth like an anxious soul winging its way to eternity. The transition was rapid with fog pressing against the flexing plastic windows, then suddenly a great white world laid with a carpet of clouds. Below us lay endless tranquility; gossamer beauty and a serene aloneness. Spilling gold along the path, the sun hurried toward its rendezvous with night. The plane seemed suspended on a motionless swing in the sky. Purple shadows rose from the eastern horizon and the sun fell through a hole in the clouds. The plane lights snapped on and night had arrived with the suddenness of an uninvited guest.

Beyond the outskirts of Guatemala City is a night club which was once the home of a coffee plantation owner. It is old now, a recluse, trying to hide with memories of more dignified days, amid the tall, whispering trees.

Only the dexterity and stamina of a Mayan taxi driver could find the dim road, like a faint whelp on the moon-bleached earth. The trip is like a tour to the brink of oblivion until the scattering lights filter thru leaves. The lower floor seems vacant, with long, empty halls lighted with antiquated lamps. Upstairs are a few scattering tables where strange characters pour beer from tall green bottles. The lighting is fluorescent and leaves a strange cast on faces, like the ghostly whiteness of a corpse. Two juke boxes, changed to fit the small Guatemalan nickle, provide the only music and the dancing of a few couples provides the club's entertainment. It is said only the unhappy and unlawful lovers are customers.

Along the coast the sea was dipping up ladles of white froth and spreading it on ragged beaches. The winding pavement twisted its way over the hills and through orange groves, past doll-like homes with windows to the sea. Busy little hamlets were strung on the road like bright ornaments on a ribbon. A mist kissed wind pressed the cigarette smoke out of the long bus and twisted the woman's uncombed hair as she slept. She was small and thin with cheap stockings wrapped about her legs. Jostled by the motions of the bus, she rode in slumber like a sack of soiled laundry tossed into the double seat. At intervals she spread a thin, worn coat over her shoulders and clutched at it sleepily as it slid slowly to the floor. Once when the bus stopped suddenly she rose on her elbows

and fumbled in the shoddy red purse for a cigarette. She ground it out with the heel of her scarred shoe and slumped back into the seat. Bright, gay cars hummed their ways past the bus and laughing girls tossed their heads in the California sunlight but the sleeping woman shaded her eyes with a wrinkled hand. A paunchy, bald man was waiting at the city depot; a man with heavy eyes and worry on his face. He tried to embrace the woman as she stepped from the bus, but she twisted herself free and walked rapidly across the street to a beer counter. He watched her for a moment, then turned dispairingly and walked away.

Religion is the most important force devised by society. It is the strength of the frequently emaciated soul which may perish before asking for food.

Little material is required to make a fool but a hundred bolts of golden fabric are not enough to hide one.

Life is good and sweet and young, so long as love is more important than the achievement of our own selfish desires.

Man has conquered the sea and the air; he has harnessed the lightning and compelled it to work for him. Who shall say that he can not evolve a means of bringing lasting peace to a world whose people want peace.

There were about 250,000 more people working on farms the first of October this year than a year ago.

**Oklahoma Couple Married At Local Church Saturday**

Miss Doshie Pritchard, daughter of Mr. and Mrs. Jim Pritchard, Ryan, Oklahoma and Carl Taylor, son of Mr. and Mrs. Jess Taylor, also of Ryan were married last Saturday afternoon.

Rev. T. L. Bullard read the double ring service at the Missionary Baptist Parsonage. Wedding guests were the bride's mother, Mrs. Jim Pritchard and sister, Mary Frances; the groom's brother, Albert and Walter and Mrs. Walter Taylor and Miss Loyce Owens.

The bride chose a grey street length dress with red accessories for her wedding. The young couple are living here in the Clyde Gilbreth house in southwest Morton.

**Mrs. Reeves Night Supervisor At W. P. Hospital**

Mrs. Winifred Johnson Reeves of Henrietta, Texas, joined the nursing staff at West Plains Hospital this week. She is supervisor of nursing on the eleven o'clock to seven a. m. shift.

Mrs. Reeves graduated from the Consolidated Deaconess hospital school of nursing at Great Falls, Montana, in 1944. Her parents, Mr. and Mrs. R. C. Johnson live at Big Timber, Montana.

Mrs. Reeves was accompanied to Morton by her husband, a veteran of war II and their year old daughter, Patricia Kay. They are living at the Church of Christ Parsonage.

**Abilene College Will Pay \$60,000 to Working Students**

Abilene Christian College, Abilene, Texas, will pay a total of \$60,000 to approximately 300 of its students this year. The students, part-time employees of the college, are hired on their ability to do the job and their need for the work. Supervisor of the hiring program is vice-president W. R. Smith.

Duties performed by the student workers include work in the college dining hall, the students' exchange, the library, the various administrative offices, and in the dormitories. More students

work in the dining hall than any other one place on the campus.

Most of the ACC faculty members have student secretaries and graders. Other students work in the ACC maintenance department, in the ACC print shop, and at jobs ranging from laboratory assistants in the science departments to information girls.

Among the student helpers in the college dining hall is Billy Watts, son of Mr. and Mrs. J. J. Watts of Morton.

MR. and MRS. BILL FUQUA and daughter, Mary, are visiting his mother and other relatives here.

From where I sit ... by Joe Marsh

**Prissy's Got a Man! (Maybe)**

Yesterday Sis Martin, our Hararian, found an article cut from their file copy of the Clarion. When she compared it with another copy that I gave her she found it was my column on "How to Keep a Husband Happy."

Nothing unusual about that. Except the last person seen reading the paper was Prissy Hoskins (our town's proverbial Old Maid)!

Well, if Prissy has finally got a man, more power to her. And more tolerance to both of them ... because that's what my column was

about: Tolerance of a husband's taste for old hats, old pipes, old friends, and mellow beer. And tolerance on the husband's part of a wife's tastes and habits.

From where I sit, nobody begrudges Prissy taking that clipping from the Clarion. But I'd like to hint that if she'd just subscribe, she'd get my thoughts on tolerance firsthand. And in return I'll treat her to a glass of beer.

## Two Local Boys In ENMC Tau Kappa Tan Fraternity

Greek social organizations on the campus of Eastern New Mexico college accepted 85 students as Greek pledges at the end of a two-week rushing period last week. Pledge ribbons representing each of the three sororities and two fraternities are now worn by pledges until pins are received.

Informal initiation, traditionally known on the campus as "Hell Week", began Monday, Nov. 10, and continued throughout the week. Highlight of the initiation will be an assembly program for the student body with each group's contributing a stunt.

At the completion of membership requirements, pledges of each group will be presented at a formal dance as active members.

The Greeks announced the acceptance of the following pledges: Tau Kappa Tan Fraternity: from Morton, Billy McAlister and Kenneth Willis.

## Kidneys Must Work Well-

**For You To Feel Well**

24 hours every day, 7 days every week, never stopping, the kidneys filter waste matter from the blood.

If more people were aware of how the kidneys must constantly remove surplus fluid, excess acids and other waste matter that remain in the blood without injury to health, there would be better understanding of why the whole system is upset when kidneys fail to function properly.

Burning, scanty or too frequent urination, sometimes warns that something is wrong. You may suffer nagging backache, headache, dizziness, rheumatic twinges, getting up at night, swelling.

Why not try Doan's Pills? You will be using a medicine recommended the country over. Doan's stimulate the function of the kidneys and help them to flush out poisonous waste from the blood. They contain nothing harmful. Get Doan's today. Use with confidence. At all drug stores.

## Whiteface Wins First Honors Over Shallowater In All-Girl Track Meet

Billie Reynolds paced the Whiteface High School girls track team to victory Saturday when she tied the girls high jump state record of four feet and four inches, and personally tallied 40 points of her team's winning 196.

The Whiteface All-Girl Track Meet, one of three of its kind held annually in Texas, turned into a three way duel for individual honors when it became apparent that the home stars would walk away with the event. Betty Reynolds, twin sister of Billie, was leading in personal high point scoring, trailed closely by Nancy Ashburn of Shallowater, when adjournment was called at noon for lunch. Billie Reynolds was a close third at that time.

When final points were announced at close of the meet, Billie Reynolds had copped first with 40 points; Betty placed second by scoring 34, and Ashburn was in third with an even 30.

Almost overshadowed by the three stars was Whiteface's victory with a grand total of 196; trailed by second place Shallowater with 86 points.

The home track team jumped into the lead when three of its members placed first, second and third in the 50-yard dash event. They were, in order, Betty Reynolds winning at 8.6 seconds, Padgett, and Keller, of Whiteface followed in second and third places. Ashburn of Shallowater was fourth across the line.

Betty Reynolds sprinted to another first in the 100-yard dash, in the fast time of 19.2 seconds flat, followed by Padgett and Gilbert of Whiteface, second and third, respectively; with Ashburn again trailing in fourth place.

Twin sister Billie Reynolds hopped, skipped and jumped 20 feet, 8 1/2 inches to take first in that trial. Fitzgerald of Whiteface leaped in second, Ashburn

captured third place, and Betts of Shallowater was fourth.

Ashburn swung a wicked arm to toss a baseball 139.2 feet for first honors in the horseshoe throw; Arnold of Shallowater, smallest of the girls, competing Saturday, threw a mighty 132.6 feet for second; Padgett copped third; and Lawrence of Whiteface was fourth.

Whiteface relay team came in first in the 240 yard shuttle relay. Elapsed time was 35.4 seconds.

The home team repeated in the 120 yard relay with 17.3 seconds.

Moss of Whiteface heaved a lusty 24 feet, five inches to take first in the shot-put; Phillips of Whiteface was second; Ashburn was third; and Whitaker of Shallowater, fourth.

Billie Reynolds and Gilbert of Whiteface tied the State record in high jump event, stopping at four feet, four inches. The girls flipped a coin to determine first place medalist and Billie won.

Vaughan of Shallowater stopped at four feet three inches for third place, in the interest-holding contest.

Whiteface sprinted to a first place win in 300 yard dash, covering the ground in 27 seconds.

Billie Reynolds captured another first place honor when she leaped twelve feet eight inches in the broad jump. She was followed by two other home team members, Fitzgerald and Gilbert, for second and third; and Vaughan was fourth.

The locals made a clean sweep of racing events by winning first medal in the 160 yard relay to conclude the meet.

L. S. Salsler, Whiteface coach, and Assistant Nathan Tubb, directors of the meet, expressed themselves as being well satisfied with results, and before activities had ended were talking of next fall's trials. They expect more entries than they can handle at that meet, which they say will be early in October.

An outstanding feature of the meet Saturday was the fine attitude of sportsmanship exhibited by all participants. Spectators remarked upon that attitude and sponsors Selsler and Tubb were particularly elated at the smooth manner in which the event was reeled off. Charlie Booz, coach of the second place Shallowater track club, praised the work of both his girls, and of others competing.

A cold north wind blowing sand before it did not put a damper on enthusiasm of the teams, but did make spectators scarce during the before-noon events.

## Joyce Alexander Married In California City

Miss Joyce Alexander, Bakersfield, California, daughter of Mr. and Mrs. E. E. Alexander of Weatherford, and Fred Wilkerson, son of Mr. and Mrs. H. E. Wilkerson, Bakersfield, were married recently in that city in the Little Chapel of Sacred Memories. Rev. Willard J. Rand officiated for the candlelit service.

Vocalist was Charles Turner who sang "Love Shall Abide", "The Lord's Prayer" and "Through the Years." Mr. Turner is tenor soloist on the Haven of Rest radio program, Hollywood.

The chapel was appointed with white gladioli for the occasion. Eighty-five guests were present. Attendants were Mrs. Don F. Barnard, sister of the bride, and Dick Johnson of San Jose, California. Ushers were Charles Lynch and Bill Broome.

The bride wore a royal blue afternoon dress, studded with rhinestones, and a white feathered hat. Her corsage was a white orchid, and she carried a white prayer book.

Mrs. Barnard was attired in a grey, two-piece frock, complemented by a pink hat and gloves, and wore a corsage of pink rosebuds.

Mrs. Wilkerson attended Morton schools, graduating from high school here in 1945.

Her husband, attended College of the Pacific at Stockton before serving two and one-half years in the navy. He is now completing his education at Bakersfield college.

Following a reception held at the groom's parents' home after the ceremony, the couple left on a honeymoon trip to San Diego and other Southern California points.

Mrs. Wilkerson was recently feted at a lingerie shower, with Mrs. Charles Dewey acting as hostess at her home in Bakersfield. Twenty guests were present.

## 'Gives You Texas'

Upon what little things, great achievements sometimes depend. Many years ago, there came to the mining rush town of Virginia City, the most famous humorist of the day—Artemus Ward. After the lecture that night, Ward and several newspapermen did a little celebrating which climaxed with Ward and a young and obscure reporter walking over the roof-tops in the business district. They were almost fired upon as burglars. The reporter was Mark Twain.

Did you ever hear the "rebel yell?" I Hardin, secretary of the Kentucky Historical Society, wrote your columnist, asking for assistance in preserving the battle-cry of the Confederacy for posterity. . . The distinction of being the youngest member of a Chamber of Commerce goes to Vanessa Sharyl Bryan, one day old. Her father, Vance Bryan, a former Texan, is owner of the luxurious Jack Tar Courts in Hot Springs, Ark. . . Neal Estes, Carthage editor, stops his car at all railroad crossings. He said

that he once drove across soon after a train had passed and his brother, an attorney remarked, "It's true that one train went by just a little bit ago but the railroad owns the line and it reserves the right to run a train every minute."

And that reminds me of the story of the young ranchman who was strolling along with a pretty girl when they saw a calf on one side of a fence thrust its head through the fence and rub its nose against its mother's face, in the adjoining pasture. The rancher sighed romantically and said, "I wish I could do that." The girl said, "Well, why don't you? It's your cow, isn't it?"

**LOOKING AHEAD**

By George S. Benson, President, Harding College, Searcy, Ark.

**NEED FOR UNITY**

The United Nations is a young organization. It was formed about two years ago and now comprises 55 nations. During the past year, it is said, the different divisions have held a total of 1,911 meetings. The chief avowed purposes are to bring peace to the world and to prevent starvation as an aftermath of the war. Great sums of money have been used to provide food for peoples that are considered destitute.

At first it was thought that 1946 would be the critical year and every effort was made to get people through that year. Now, we are approaching the winter of 1947. Some reports say there will be more hunger this winter than last. From various countries in Europe the reports show no improvement. These countries are not getting to their feet so they can stand up and solve their own problems. And they are not sure what attitude they should take toward the United Nations.

**Certain Objectives**

We are also much nearer to another war than we were two years ago, or even one year ago. Naturally, then, people have a right to ask why the efforts of the United Nations do not meet with greater success. It would seem there is enough power and strength in 55 nations to help this muddled world get somewhere. And surely enough money has been spent to help those hungry nations to begin feeding themselves.

The answer is not hard to find. The United Nations has not demonstrated real unity of purpose. Even the leaders among the 55 nations have worked at cross purposes. Each nation has been intent upon achieving certain objectives of its own. This is as true of the "Big Four" as it is of the smaller nations. Therefore, despite the 1,911 meetings and the hundreds of millions of dollars spent, the situation has grown worse rather than better.

**No Cross Purposes**

It is my hope that in some way the United Nations may find unity of purpose and intention. The most I can get out of this present situation, however, is an important lesson for our own country. What is the application? In America we have found a good measure of unity, historically speaking. Though we are made up of states and other kinds of groups, we have shown appreciation for the same fundamentals of democratic living.

What is true of the United Nations as a whole is true of nations individually. If we are going to continue to be a prosperous and healthy republic, we too must have unity of purpose. Workers, managers, industrialists, farmers, educators—we must all keep our purposes controlled in the direction of full unity. If one group wants to destroy the capitalist, and another wants to destroy labor unions, these are at cross purposes.

**Three Goals**

If one group wants to eliminate private ownership of property, and another group wants to preserve Constitutional government, these also are working at cross purposes. If we have everybody working at cross purposes, then conditions in our country will grow worse rather than better. It is imperative that the entire nation be united on fundamentals. It is necessary that all groups work for certain goals.

Right now, I would like to suggest three goals we can all

achieve together. First, economy is being saved. Second, a program of maximum productivity that can attract the enthusiasm of capital, management, labor, agriculture. Third, a re-dedication of all our groups to preserve individual freedom for the entire nation. With this kind of unity right now, in 1947, no one need fear the future prosperity and well-being of our nation.

Mrs. James St. Clair talked on National Education and Book

Week which will be celebrated the second and third weeks of November respectively.

Mrs. Hawthorne served a delicious refreshment plate to the following members: Mesdames Jess Burns, Chas Cravy, Joe Gipson, Mary Gowdy, Scott Hawkins, Luther Hargrove, J. B. Knox, M. C. Ledbetter, Albert Morrow, Raymond Ross, James St. Clair, H. S. Hawkins, and Elizabeth Greer.

The next meeting will be in the home of Mrs. M. C. Ledbetter with Mrs. Gowdy as program director.

#### WORLD WAR II VETERANS

World War II veterans serving in the Enlisted Reserve Corps may enter active duty on a purely volunteer basis to participate in paying homage to the war dead being returned from overseas.

The Department of the Army explained that in order to provide fitting escorts and ceremonies for returning dead, enlisted reserves may return to active duty for six-month and one-year periods at the option of the applicant.

Dairy cows must have 3 to 5 times as much water as they produce milk. Insufficient water reduces production, increases costs and wastes feed.

The spouse bought a new hearing aid and has been loud in praise of its improvements, advantages etc., over the old one—So far the only advantage we've been able to notice is that it takes up less space in the dresser drawer.

Brrr—certainly has been cold around here the past few days—and after eleven years of faithful service old iron-sides (Our beaten up car) decided to give up the ghost and is now at the mechanics awaiting hard to get parts.

However the gals (Norine and Ione) felt sorry for us on these cold mornings and have offered the use of one of their cars for our convenience. Needless to say the offer is much appreciated.

Saw Mrs. Louis Smith at the Lions Club party looking very pretty. Mrs. Smith had been ill for sometime prior to surgery this summer but apparently she is now in perfect health.

Met Mrs. Charles R. Richardson and the three small fry soon after they arrived in Morton. The two boys, Charles and Randolph are typical, rowdy little boys, busily engaged, when we saw them, in giving their tricycles a working over.

Baby Elizabeth is a darling, blue eyed roly polly and Mrs. R. an attractive blonde.

Dr. Richardson is a fine looking young chap but a bit overwhelmed with the vastness of the Texas Plains.

Our young readers may be interested in knowing that we will again accept letters to Santa Claus for publication in the Morton Tribune. There are only about 40 days left for shopping before Christmas so if you want old Santa to know your wishes get letters in early.

People keep talking about making a grand new world; that sounds like a pretty large order with so many of the same old people in it.

Good hog butchering weather and we'd certainly like some good old crackling cornbread but we haven't any cracklings.

The expression on Ralph Robert's face when his name was called as recipient of the new Chevrolet was something out of this world. Ralph didn't have a car and everyone we heard, said they were glad to see him get it.

Grace Ann Hawkins, who is a senior in Morton high this year has received a lot of votes toward a scholarship from the Sweetbriar Shop in Lubbock. She is very grateful to all her friends for the votes and will certainly appreciate any others who buy at the Sweetbriar and leave votes for her. Grace Ann is a lovely little girl. Well in our opinion all the Hawkineses are mighty nice folks.

Sydna Glenn, daughter of Mr. and Mrs. Charlie Glenn, wears the prettiest plaid suit.

Mr. R. C. Childs, new English instructor here, paid us a call Tuesday evening. He is so smart we are embarrassed. We have noticed that the most brilliantly educated and genteel persons are usually the most unostentatious and we find Mr. C. fitting into that category. We feel that if he does criticize us it will be constructive.

If we could persuade Al Capps the creator of Lil' Abner to write a new speller we'd be happy.

Tubby Holloman is driving a pretty red Chevrolet convertible.

Heard L. M. Baldwin almost missed the trip to Monterey when he and Mrs. B. were down south at the commissioners meeting because she wanted to make pictures. It seems L. M. got off the bus at the custom house to declare their camera and the bus driver went off without him, forcing L. M. to hire a taxi and catch up about ten miles out of Nuevo Laredo.

President H. S. T. called for meatless Tuesdays, practically all the days of the week are Tuesday as far as we are concerned and have been ever since meat got so expensive.

A subscriber writes in to inquire why older married women cry at weddings. No one knows better than they that it's no laughing matter.

Between the early '20's and early '40's, farmers increased production per acre of cropland 23 percent; production per animal unit of breeding livestock 30 percent, and output per worker 64 percent.

## Weekly SURPLUS NEWS WAA

"Fair, fast and final" is the way 4,000 buildings will be sold to the general public at Camp Bowie on November 18, 19 and 20. Inspection will continue until November 17. Buildings offered in this sale include barracks, recreation, supply, administration, storehouse, officers quarters, mess halls, maintenance buildings, hutments and various other types. All structures are to be removed from the camp site by purchasers. The sale will be fair in that you have the same chance as your neighbor to buy one or as many buildings as you desire and all awards will be made to the highest bidders. The sale will be fast in that you can bid, pay and carry your purchase away the same day or later as desired. The sale is final in that all sales are on an "as is, where is" basis, subject to War Assets Administration rules and regulations and terms and conditions of sale.

Quantities of recreational equipment, hardware, textiles and a limited amount of photographic items will be available to both priority and commercial channels at fixed prices until November 28 through the Customer Service Center of the Grand Prairie office of War Assets Administration. Inspection may be made at locations until the sale closes. Most of the items offered are at various locations in and around San Antonio, only a small portion being at the Corpus Christi Naval Air Station. Included are mosquito bars, tent flies, tents of various kinds, axes, compasses, food-meat chopping machines, photo lamps, flood-light filaments, lamp guards, flying winter jackets and junior drafting machines. The items are offered on an "all or none" or on minimum and maximum bases.

As wide open to the public as the plains of West Texas is the non-priority sale of 248 buildings at Dalhart Army Airfield and its Auxiliaries Nos. 1 and 2 to be held November 25 and 26. Along with such buildings as dormitories, apartment, pump house with motors, recreation, barracks, mess halls, warehouses and officers quarters will also be offered hogproof fencing, barbed wire, picket fencing and lattice fencing. Buildings are to be sold with all the fixtures they now

## Citizens Duty To Help Prevent Disease Spread

AUSTIN—It is the duty of every citizen, young and old, to help in preventing the spread of disease. Every man, woman and child in Texas has a personal obligation to keep as well as possible, and to protect others from illness. Even the kindergarten age child can be taught to cover a cough or sneeze, to help in preventing the spread of colds or other infectious diseases that start with the symptoms of a cold.

Dr. Geo. W. Cox, State Health Officer, emphasizes the fact that the local health officer can do little to break the chain of communicable disease in the community if he does not have the whole-hearted support of the people. Every case of illness that looks suspicious of being a communicable disease should be promptly reported to the health officer. Physicians report to the county health officer the cases of communicable disease they diagnose as such, but parents often fail in this duty. The local health officer cannot institute control measures if he is not informed of cases, or suspected cases of communicable diseases.

Some signs and symptoms which often accompany communicable disease are: red and running eyes; running nose; coughing and sneezing; dizziness or faintness; swelling about the neck; sore throat; unusual paleness; earache or running ears; feverish appearance; rash, nausea; vomiting or diarrhea; irritability or other change in normal behavior and appearance.

contain. Inspections may be made between November 17 and 24 any time from 8:00 a. m. to 4:30 p. m., Saturday and Sunday excepted.

A part of war surplus miscellany originally valued at \$186,500, and recently offered in a WAA sale, appeared headed for export to foreign markets. An exporting company purchased 12 of 45 lots offered at high bid on a non-priority basis. The materials comprised a wide variety of surplus ranging from lumber and auto supplies to wire cables and aluminum sheeting.

**RETURNED TO DUTIES**  
Miss Helen Osborne, R. N. returned to her duties at West Plains hospital, Monday, after a flying trip to Ft. Worth last Friday night to visit her mother who was quite ill following surgery.

### Seventh Grade Class Organized

The seventh grade class of Morton Junior High School met Wednesday night, November 5, for the purpose of organizing the class. The following officers were elected to serve the entire year: President, Jack Russell; Vice-President, Dewayne Burke; Secretary and Treasurer, Betty Jean Leming; Reporter, Doris Gardner. The meeting was turned over to the president, Jack Russell, who appointed the following committees: Program Committee, Barbara Kendall, chairman, Carolyn Moore, Ed Knox and Clinton Oden; Recreation Committee, Norma Ruth Wright, chairman, Boggie Gast, Gaylon Hammons and Wayne Keuehler. After deciding on Wednesday, November 12, at 11:15 as the next meeting of the committees the session was dismissed. Doris Gardner—Reporter.

### Feature Fruit In Place Of Flour and Eggs Now Critical

Now that flour and eggs are on the list of critical foods, it's a good idea to feature fruits in desserts for the family. A variety of fruits, fresh, canned and dried, are on the market this fall, and there is plenty of sugar and sirups for sweetening. All homemakers know that baked pears and baked apples are easy to prepare as well as good to eat. Dried apples, peaches, apricots and prunes can be served many ways. Raisins add taste and texture variety to such dishes as baked apples, apple-raisin marmalade, fruit and waldorf salad. Real friendship is a slow grower, and never thrives unless grafted upon a stock of known and reciprocal merit—Lord Chesfield.
