

# WILLARD COX WILL HOLD FORMAL OPENING JUNE 18

## Cochran County People Invited To Visit New Willard Cox Building Fri.

Cochran County people have been invited Friday to visit and be shown through the new building that now houses Morton's Ford agency owned by Willard Cox. The attractive new building located just west of the square on Washington Street—the paved driveway that leads out to New Mexico.

Of tile and brick construction, the new Ford agency building is one of the newest and most modern in the area. The structure has 640 square feet of floor space. Careful consideration, Mr. Cox said, was given in planning the building. Construction and decoration was planned to provide for the safety, health and comfort of the employees and company patrons, he emphasized.

Outside color scheme blends brown, tan and white tile with red brick and plate glass show-window windows at the front of the recently completed business house. Designating the location in addition to the regulation red neon sign is a neon andenameled porcelain sign that reads "Willard Cox."

The owner's name is in 24-inch neon letters that are eight inches deep with rose-pink neon outline. Style of the front of the building is called "bulkhead," Mr. Cox said.

Bent glass forms a round corner for the 30 by 56-foot showroom. Motor and accessory displays are just inside the window. Lounge furniture is to the left of the showroom, and a ladies' rest room is back of the lounge.

The attractive showroom has a razzo flooring and fluorescent lighting. Two tones of light green paint were used on the walls.

Rounding counters just back of the showroom set off the main front office and parts department and harmonize with the outside modernistic effects. Built into the office is the only fireproof vault other than the bank in Morton, the Ford dealer pointed out.

Private offices for Mr. Cox and the sales manager open off a hallway back of the business office.

An unusually large stock of genuine Ford parts is within easy reach of the parts manager, arranged in numerical order in factory steel bins. A service window opens at the back of the parts department, providing a convenient spot for issuance of parts to the service department.

Additional storage space for bulky parts such as motors, springs and radiators is provided in an upstairs storage balcony that is 56 by 30 feet in size. A portable hoist traveling on steel beams adds to the convenience and speed of the mechanics and parts man in moving the bulky parts from trucks to the storage balcony and back to the floor when needed.

Natural light enters the service department through large windows on the west, south and east. These are built with industrial metal sashes and double ventilation adaptations. Walls and ceilings are painted white, adding to the already well-lighted department. Two overhead doors directly opposite each other on West Second Street and the east side of the building eliminate parking difficulties in the department.

Entrance to the washing and lubrication departments is on Washington Avenue. Two large overhead doors make this part of the building easy and handy to enter.

Latest in motor analyzing needs, motor building and car cleaning and lubrication equipment has been installed in the service department. For lubrication there is a pressure washer, four large white 100-pound grease dispensers. A hydraulic lift is provided for both the washing and lubricating departments.

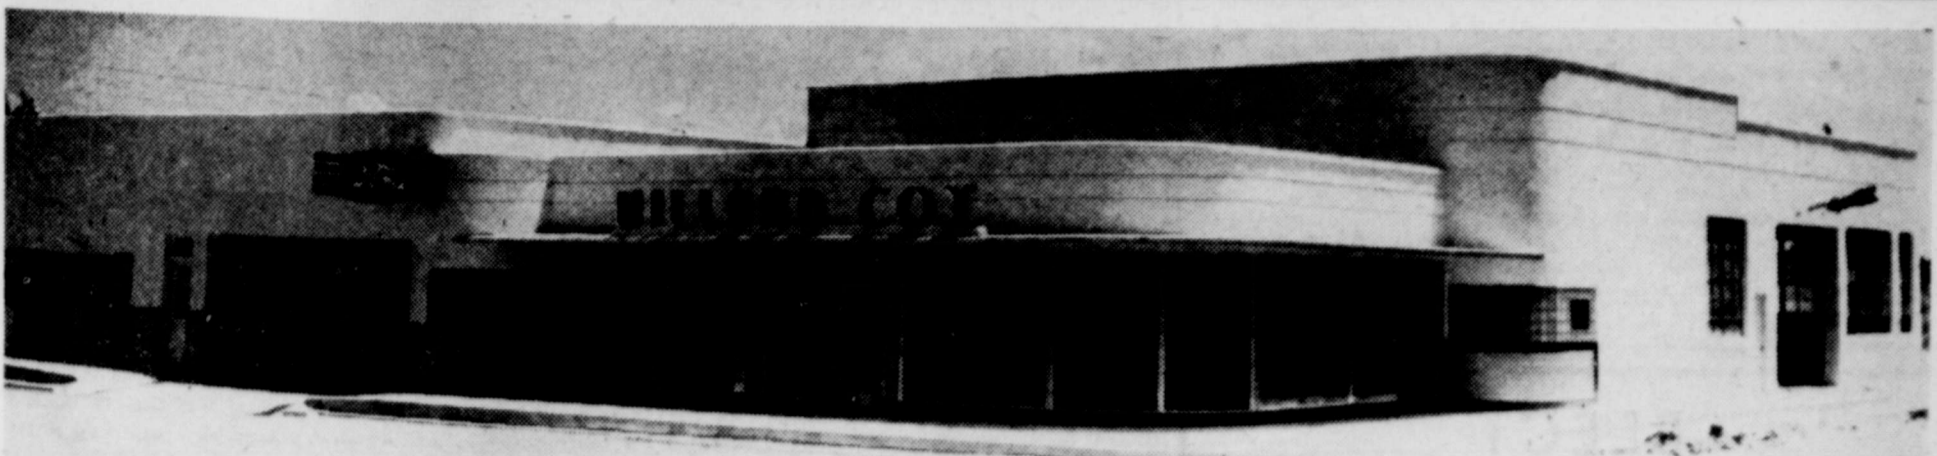

Construction work on the new building was started by Mr. Cox in early October last year. The work was just recently completed.

Mr. and Mrs. Jake Minor are building a nine unit tourist court on the Levelland highway just on the outskirts of Morton. Minor hopes to have a portion of the modern motel ready for occupancy by mid-July. He said the rooms would all be air-conditioned, each would have a radio and inner-spring mattresses had already been secured for the court.

## 9-Unit Tourist Court Being Built By Jake Minor

Mr. and Mrs. Jake Minor are building a nine unit tourist court on the Levelland highway just on the outskirts of Morton. Minor hopes to have a portion of the modern motel ready for occupancy by mid-July. He said the rooms would all be air-conditioned, each would have a radio and inner-spring mattresses had already been secured for the court.

VOLUME IX.

MORTON, COCHRAN COUNTY, TEXAS, THURSDAY, JUNE 17, 1948

NUMBER 16.

## Public Cordially Invited To Opening And To See 1949 Fords On Display

Formal opening for the new building that now houses Willard Cox's Ford agency in Morton will be held Friday. The public is cordially invited to visit the new building and see the 1949 Fords on display.

"We have already seen several new Fords, and the public will not be disappointed in them. After seeing the 1949 model I am sure Cochran County people will agree with us that the new Ford is the 'car of the year,'" Mr. Cox emphasized.

In connection with open house at the new business building will be the initial local showing of the 1949 Ford. Ford Motor Company has promised the Morton dealer that two new cars will be on the showroom floor for the day and another will be on hand to be used as a demonstrator throughout the day.

## Morton Motor Co. Entered, Robbed Friday Night

Two cash drawers at the Morton Motor Company were robbed by burglars last Friday night. Approximately ten dollars was taken from the two boxes, C. C. Reynolds, owner of the establishment said.

Entrance to the building was gained through an outside window in the men's rest room. The prowlers forced an inside door open in order to get into the parts department where the cash drawers are kept.

Mr. Reynolds said nothing else was missed and not all the money removed from the boxes.

## Candidate For Sheriff

TOM MORGAN, former Mayor of Morton, candidate for Sheriff, Tax Assessor-Collector of Cochran County.

## Lehman Farms Annual Rabbit Drive And Barbecue Slated Thurs., June 24

The Lehman Farms Annual Rabbit Drive and Barbecue will begin at 8:00 A. M. June 24, with the meeting place set at the Twin Mills on the Hughes Smith farm, 15 miles southwest of Morton.

The drive is under the sponsorship of Morton Chamber of Commerce and this organization will furnish the barbecue and bread for the noon meal. Ladies of the community are requested to bring basket lunches to augment the main meat course on the menu. Refreshments will also be served.

Approximately 100 hunters participated in last year's drive, bagging about 450 rabbits. L. A. Cochran took first prize with 40 kills. First, second and third prizes will be awarded this year and the public is invited to take part in the day's activities.

Hunters will use shotguns and are requested to bring their own shells. No dogs will be allowed to accompany the party and rifles are strictly forbidden.

Plans for the drive are similar to the event last year. A prescribed area, to be decided before the drive, will be covered in the morning and another area will be covered in the afternoon. Every hunter will have an equal opportunity to show his skill as there will be no still hunting. The entire column will proceed abreast across the pasture until the given area has been covered.

## Week-end Arrests Reported By Marshall Neal

A Littlefield man was arrested Thursday morning by Sheriff Hazel Hancock and City Marshall Tom Neal on charges of transporting beer through a dry territory. The man had 36 cases of beer in his possession at the time of arrest. He was tried in county court and released upon payment of \$200.00 fine and \$44.00 court costs. Other arrests were reported over the week-end by Tom Neal.

One negro was charged with reckless driving and driving without a license. He was tried in city court Monday morning. A plea of guilty was entered and he was released with a \$14.00 fine on each of the two counts.

Another negro pled guilty to drunkenness and was released after payment of a \$14.00 fine.

A Mexican pled guilty to speeding and driving without a license. He paid the \$14.00 fine assessed against him on each of the two counts and was released.

One white man was tried in city court Monday morning. He was charged with drunkenness and was released after payment of a \$14.00 fine.

Another white man was arrested Saturday night, charged with drunken driving. He stayed in jail Saturday night and was released Sunday morning on a cash bond of \$250.00.

## Ford Dealer, Kentucky Native, Takes Pride In Modern New Business House

By Allene Curry Flinn

Kentucky-born Willard Cox lost his Southern accent someplace—he doesn't remember when nor where. In its stead he picked up just plain West Texas talk.

Thirteen years ago last January 1, Willard Cox moved to Morton from Albuquerque, N. M., where he traveled for Reynolds Tobacco Company. Maybe he dropped his Southern drawl and took charge of his "r's" while he was traveling about.

Anyway he's pretty proud of that new Ford agency building, and he wants Cochran County folks—all of them—to drop by for a visit in the new building for formal opening events Friday.

First in the grocery and dry goods business here, Cox went into the automobile business in 1937. His automobile business started in the old McCasland building, located across the street from the present post office in Morton.

This building was 26 feet square, and the local man employed one mechanic.

His real chance came in 1939, when he heard that Ford Motor Company might consider a dealer in Morton. A hurry-up trip to Dallas, conferences and then bringing two company representatives back to Morton to investigate the proposition eventually carried no weight with Ford

Motor Company—no action resulted.

Well, Cox was persistent. A month later he asked for reopening of the case. That brought about his securing a sub-dealership.

Then in the spring of 1940 Willard Cox was given a direct franchise as a Ford dealer. Since then he has gradually enlarged his business, and Friday he will hold open house in the new building which now houses his business in Morton.

In the summer of 1935 Cox married a Texas Technological College, Lubbock, student from San Saba. Mrs. Cox, who is known around Morton as "Doc," was his bookkeeper and parts clerk in the automobile business until two years ago.

"My wife," Cox said, "knows as much about car parts as most any man."

The couple has three children—Carolyn, 11; Myrlan, 7; and a three-year-old son, Willard, jr.

Both Mr. and Mrs. Willard Cox have been active in civic affairs in Morton through their years of local residence. He is a past president and has also served as secretary for Morton's Lions Club.

Also, Cox is secretary and a director of Morton Homes, Inc., local organization promoting construction of new homes in Morton—a non-profit organization.

Cochran county political candidates have been invited to speak at a box supper to be held in the Morton school auditorium, Saturday night, June 19 at 8 p. m.

The box supper is being sponsored by the Rebekah Lodge of Morton and the general public is cordially invited to attend.

## SUNDAY GUESTS

Mr. and Mrs. L. W. Ray were Sunday guests of Mrs. V. B. McBride and son, Melvin Franklin and family at Buffalo Lake.

## Rebekahs To Hold Box Supper Sat., Candidates Invited

Cochran county political candidates have been invited to speak at a box supper to be held in the Morton school auditorium, Saturday night, June 19 at 8 p. m.

The box supper is being sponsored by the Rebekah Lodge of Morton and the general public is cordially invited to attend.

## County's First Wheat Is Sold Monday

Cochran County's first load of wheat went to the elevator Monday afternoon. The grain was purchased by Hawkins Grain Co., Lehman, and brought the owner, Shorty Waldrop, \$2.00 per bushel. The grain tested 13 percent moisture and 60 pounds per bushel.

Mr. Waldrop has a 25 acre block of irrigated wheat 3 miles east of town. It was volunteer growth from last year's hail destruction. An estimated 8 bushels per acre was plowed under after the hail beat the combine to the field.

Mr. Waldrop watered the block four times and grazed cattle on the field during the spring. He believes that the value received from grazing more than paid for the water.

R. J. Hill combined the grain with a six foot machine and had to drop to first gear to handle the straw from such a heavy stand. The rough ground also

## 1948 Crop Interim Cotton Loan Announced

To provide price support for early harvested 1948-crop cotton, the Department of Agriculture has announced an interim loan of 27.50 cents per pound for Middling 7/8-inch cotton, with premiums and discounts for other grades. An increase in parity prices boosted this year's rate above the interim rate of 24.75 cents for the 1947 crop.

This interim loan applies almost entirely to South Texas.

The base rate for the regular 1948-crop cotton loans will be announced in August, following determination of parity prices at the beginning of the 1948 marketing season. Loans on the 1948 cotton crop are mandatory at 92½ percent of parity as of August 1. The regular loans will be available until May 1, 1949, and will mature July 31, 1949, or earlier upon demand.

## Webb Purchases Morton Welding-Blacksmith Shop

After an absence of several months Mr. and Mrs. Orville Webb and nine year old son, Clinton, have moved back to Morton.

Mr. Webb has bought the Morton Welding and Blacksmith shop, two blocks north of the square. He has installed new equipment and offers twenty-four hour service on welding, blacksmithing and portable welding.

The Webbs originally moved to Cochran county in 1941. He was formerly engaged in farming.

Since December they have been making their home in Munday, Texas.

## TO PLAY THURSDAY

Retreads (ex-leaguers) plays Morton All-Star at local field Thursday; benefit of Junior Legion team.

## FATHER'S DAY PROCLAIMED

AUSTIN—Governor Jester has proclaimed June 20 'Father's Day' with the theme "Good Citizenship Begins at Home—Honor Father, Builder of Our Children's Future."

## 591 Enrolled For Summer School At Abilene College

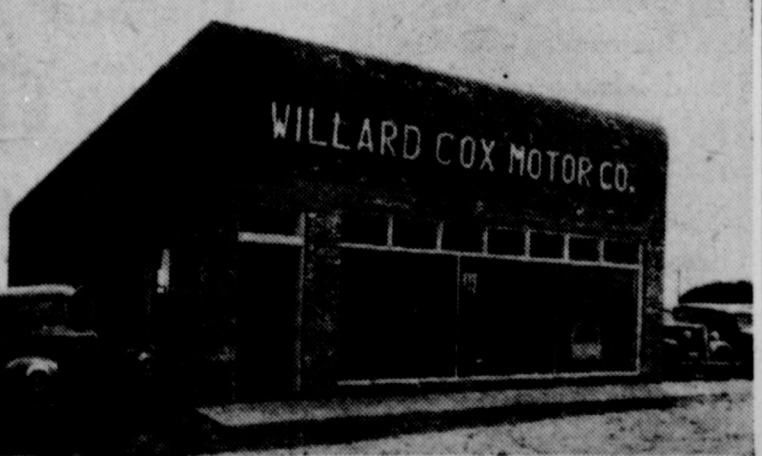

Abilene Christian College, Abilene, Texas, opening the first semester of its 1948 summer school June 8, has enrolled 591 students from 26 states, the District of Columbia, South Africa, Australia, Mexico and India. The second summer semester will open July 20.

Included among the students in Abilene Christian College are two from Morton. They are J. B. Passmore, son of Mr. and Mrs. J. B. Passmore, sr.; and Lura Lee McCasland, daughter of Mr. and Mrs. R. H. McCasland, route one.

## RETURN FROM VACATION

Dr. and Mrs. W. S. Dove returned Wednesday from a fifteen day vacation trip to California. They returned by way of Grand Canyon, Arizona.

Mr. and Mrs. Wyn Buck and month old son of Lubbock, were week-end guests of her parents, Mr. and Mrs. W. A. Johnson.

ORIGINAL BUILDING—Built in the spring of 1940, the structure pictured above, was the original operations site for Willard Cox's Ford agency in Morton. The new modern building just completed takes in a remodeling job on this structure.

REMODELED LOCATION—Picture of the first remodeling job on the Ford agency building took place in the fall of 1941, when Willard Cox added working space to the business house completed a year and a half before. This space has been made into a service department for the present spacious new building.

**You Still Have Time To Grow Favorite Shrubs**

If you have been slow about putting out cuttings of your favorite shrubs, take heart. You still have time to grow some of the plants. Cuttings of most of the plants can be grown at this time, but you will need to give them plenty of water and some shade, says Sadie Hatfield, extension landscape gardening specialist of Texas A. and M. College.

Shrubs and trees are not the only things that can be grown from cuttings. Some of the ordinary plants such as pinks, carnations, tomatoes, and many others can be grown from cuttings, too.

During the early part of the growing season plants may root within a few hours after being placed in the warm, moist soil.

Wood the size of a new pencil is about right, although larger or smaller pieces may be used. Select young cut stems of shrubs and trees, but they should be old enough to be hard. Take off all the leaves except the top two of each cutting. If many of the leaves are left on, the cutting may die, and if no leaves are left on, rooting may be slow. Plant three-fourth or more of the cutting underground. Keep the cuttings moist, well-drained and in half shade. Some people plant their cuttings on the north side of the house.

For plants that are liable to wilt, some people turn fruit jars over their cuttings and put a light shade over the jar. The jar becomes a small greenhouse for each cutting.

Now is a very good time to think of rooting some of your favorite shrubs and trees for your friends, says Miss Hatfield. They will make nice gifts for next Christmas. The plants may be grown in pots, tin cans or in the open ground.

JOHN A. FERRIN, District Soil Conservation office, Littlefield, visited the local office here Monday.

**"SERVICE"**

May we think for a moment on this subject in connection with ourselves and not the other fellow. In Matt. 4:10 Jesus said: "Thou shalt worship the Lord thy God and him only shalt thou serve." John 12:26 "If any man serve me, let him follow me." The word serve means to work for or to worship. It would be well for us to think of this in terms of the full meaning of the word. If we are Christians we are going to worship the Lord and surely we should serve him. Are you working for the Lord? Are you doing your best? The Lord expects every one of his people to work for him and he expects their very best.

How shall we serve the Lord? Considering Paul's writing in the Hebrew letter we find that we must have Grace, whereby we might serve him. Grace and Faith play an important part in our service to the Lord and the greater our Grace and Faith the greater we will be able to serve him. The how, where and when we will serve the Lord, is something that needs our consideration. Some say today that they can serve the Lord just as well at home or some where else as they can at church. Good neighbor if you are one of this group may I ask you this question: Are you doing it? When our minds become so foolish that we kid ourselves into believing things like that, we are seeking some way in which we can justify our own selves in accomplishing our own desires. Don't let Satan have that much of your life and service.

We have no time to loose, because time is too short and valuable. Jesus stated in John 8:4, "I must work the works of him that sent me while it is day; for the

## New Cox Building 16 Times Size Of Original Automobile Business House

New building recently completed by Willard Cox to house his agency, service and parts department is almost 16 times size of his original automobile business house in Morton.

The new, modern business building is just about 16 times the sizes of his original 26-foot square operations space. Mr. Cox started out with one mechanic, and now nine workers help him to operate his automobile business.

**Dr. M. G. Kennedy**  
DENTIST  
Phone 133—Levelland  
2 doors south of City Hall

In the spring of 1940 Mr. Cox built the original Ford agency building a half-block west of the square along side the present Highway 290.

Space of this building was increased in the fall of 1941 to almost double the working area housed in that first structure.

Now the old headquarters has been extended west to the end of the block. Floor space of the building now totals 10,640 square feet to compare with the 676 foot-age in his first automobile business house in Morton.

Tribune, Morton, Cochran County, Texas, Thursday, June 17, 1948

**PARTS HANDLER**—Leon Hamilton, above, an ex-student of Morton High School and a Navy veteran, manages the Ford parts and accessories department for Willard Cox, in his recently completed new building.

## Social Security Official To Visit Morton June 24

Elliott W. Adams, Social Security Administration Representative, will be in Morton at the U. S. Post Office, at 11:00 a. m., on June 24, for the purpose of answering any questions you may have on social security; discussing possible benefits and taking claims from persons who seem to be entitled to benefits; and taking applications for social security account number cards.

When you multiply your social security account numbers, you stand a good chance of dividing your future benefits, because only wages posted to the account of the worker involved are considered when a claim is filed. Unless the applicant can furnish a record of all numbers he has used, some wages on which he has paid social security taxes won't be counted.

Protect your future social security benefits by asking for a "duplicate" instead of a new card to replace the card which has been lost or worn out.

### RETURN FROM VACATION TRIP

Mr. and Mrs. Roy Turney and children, Betty and Benny and Rolfae Ledford returned last week-end from a vacation trip to Grandfalls, Ft. Worth, Dallas, Decatur, Texas, and Ardmore, Oklahoma.

While in Decatur they attended funeral services for Paul Bearden, uncle of Mrs. Turney, who died of a heart attack, while the vacationers were visiting in Decatur.

## State Fair Of Texas Feature Egg-Laying Contest

Here is the announcement by which the State Fair of Texas hopes to send barn-yard biddies all over the State into dithers of anticipation.

Another big-time egg-laying competition sponsored by the State Fair is scheduled to start Friday, October 8, at 6 p. m., and will continue until Saturday, October 23, at 8 p. m.

Prize for the winning pen of eight hens will be \$25. State Fair visitors will be able to keep posted on the race by means of a scoreboard in the contest area.

Last year's contest was won by eight production White Leghorns owned by George M. Heberer of San Antonio, with 109 eggs during the 16 days of the fair.

Walter Burton of Arlington, Texas is general superintendent of poultry for the 1948 State Fair.

Prospective exhibitors interested in further details on poultry classifications may obtain the 1948 Fair premium list by writing to the State Fair of Texas, Dallas 10, Texas.

## Coffee In Russell Home Honors Miss Weatherly

Miss Nelma Weatherly, bride-elect of Johnny Holloman, was honored Friday morning with a coffee in the Hume Russell home.

Guests were received by the hostesses Mrs. Russell, Mrs. P. B. Ramby, Mrs. W. A. Johnson and Miss Weatherly.

Miss Yvonne Gipson presided at the coffee service. Mrs. Tom Arnn, Jr., registered the guests.

Spring flowers formed decorations in the new spacious Russell home. The refreshment table was covered with a hand crocheted ecru cloth and centered with a bowl of spring flowers on a reflector.

Soft recorded music was played during the calling hour.

Hostesses presented Miss Weatherly with a set of pastel linens.

Guests registering were: Mesdames Louis Taylor, M. C. Ledbetter, H. B. Barker, Carl Englund, J. T. Reynolds, C. L. Taylor, W. W. Williamson, Jesse Paulk, Willard Henry, Billy Proctor, Murline Daniel, J. A. Gowdy, Andrew Essary, Bill Weatherly, J. B. Knox, J. D. Hawthorne, Carl Alexander, L. A. Cochran, Jess Burns, J. A. Holloman, W. B. Cox and Miss Marie Scott.

MR. and MRS. E. M. FINCHER of Austin, Texas visited here last week in the J. C. FINCHER home.

### RETURN FROM VISIT

Mr. and Mrs. Tom Rowden and baby daughter, Jeanetta, returned last Thursday from Zepher, Texas, where they had visited for a week with her parents, Mr. and Mrs. W. M. Rankin.

From where I sit... by Joe Marshall

### How to Live Longer

Someone asked Pappy Miller last week how he stayed so spry at ninety. Pappy told him:

"Well, sir—when I work, I work hard. When I set, I set loose. When I think, I go to sleep."

According to Doc Hollister, that formula isn't far amiss. "Hard work," says Doc, "never wore out anyone before his time, providing he knew how and when to relax."

Doc himself works overtime, with his daytime patients at the office, and his evening calls. And when he gets home he takes it easy with a mellow glass of beer and chats with the missus until it's time to go to bed.

From where I sit, relaxing is a fine art—especially in these tense, fast-moving times. And there's nothing like a temperate glass of beer—enjoyed with pleasant company—to restore that easy frame of mind that one needs after a hard day's work.

## South Plains Oil News Centered Around Gaines County Past Week

South Plains oil news centered around Gaines county the past week with the announcement that Shell Oil company, Inc. No. 1 Hawkins, 12 miles southwest of Seminole, would start drilling on a 12,000 test. This strata of the Ellenburger has not been explored sufficiently in any field on the Plains to determine its over-all productivity but some observers believe that possibilities for outstanding production from this level.

C. U. Bay, et al, No. 1 Ralph Gardner, five miles southeast of Lehman, bottomed at 4,978 feet and had a string of 5 1/2 casing cemented at 4,863 feet. That zone was cored and the specimen from it had considerable porosity and some bleeding oil. The venture is expected to be completed as some sort of an oil well and a new discovery.

Seaboard Oil Company of Del-

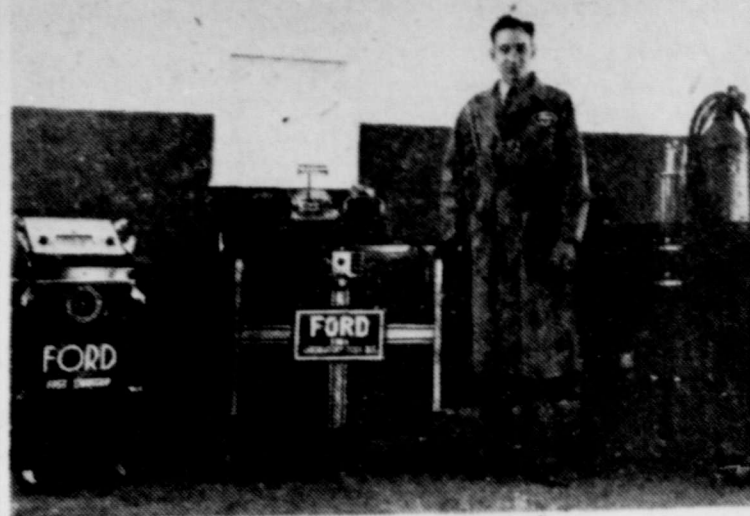

aware No. 1 Masten, eight miles southeast Bledsoe, encountered water from 5,000 feet to total depth. The hole has been plugged back to that level and was swabbing to test, at last reports. Chances for production are rather remote.

Anderson-Prichard Oil Corporation No. 1 Dorothy L. Slaughter, et al, four and one half miles south of Lehman, was testing on open hole at 4,851-4,951 feet. No official test has been run but some free oil has shown and chances for a commercial producer are good.

### FROM LEVELLAND

Mrs. Leroy Flinn came over Friday from Levelland to help in getting out this week's issue of the Morton Tribune.

Mr. Flinn, mechanical superintendent for the Hockley County Herald came over Saturday night.

**SERVICE MANAGER**—William (Bill) Purifoy, pictured above, is service manager for Willard Cox's Ford agency in Morton. Purifoy has been employed by the local Ford dealer the last four years.

## Scheduled For Cake And Bread Show Announced

The schedule for the Cochran County Bread and Cake show was announced Tuesday, June 8 to the Home Demonstration Council by the County Home Demonstration Agent. The show will be divided into five divisions of yeast breads and three cake divisions. The yeast breads will be 1. loaf of bread, 2. six dinner rolls, 3. Swedish tea ring, 4. Filled sweet rolls and 5. six cinnamon rolls. The cake for the show will be divided into three divisions. The one egg, two egg, and three egg plain butter cakes. This is the first bread show for the county and the entries are being limited in variety.

The scoring of the baked products will be done on a point basis. Those scoring between 94-100 will be given a blue ribbon. Those scoring 89-94 will fall in the red group and those scoring from 84-89 will be in the white group.

The Better Baking program in the county is being sponsored cooperatively by the Extension Service of Texas A. and M. College and Bewley Mills of Fort Worth. October 16 is the date set for the show.

## Offer To Local Teachers For Mexico Study

A scholarship for a six weeks term of study in Mexico is being offered to local teachers, or if no teacher is interested, to a qualified high school student.

In a letter to Glenn Thompson, the Monterey Institute of Technology offered a scholarship, valued at \$50, to teachers of Spanish and Latin-American studies from High Educational Institutes of the United States.

The summer session will begin July 12 and continue through August 21 of this year.

Room and board for the six weeks term will cost \$180 (U. S. currency). This includes dormitory residence and the offer is made only to teachers and mature High School, Junior College or University students. This is an excellent opportunity for a Spanish teacher, or student, to study in Mexico at a nominal cost.

Interested individuals should contact Judge Thompson for further details.

## Third Birthday Celebrated By Ray Cravy

Ray Cravy, three year old son of Mr. and Mrs. C. M. Cravy, celebrated his third birthday with a party at the Cravy ranch home on May 31.

Ray greeted his guests in the summer house presenting each with a colorful balloon. Each guest presented Ray with a gift. Pictures were made of the children playing on the spacious lawn.

Mrs. C. M. Cravy, mother of the honoree served ice cream, punch and birthday cake to: Jane Sanders, Gerry Essary, Jan Hawthorne, Carolyn Houston, Joan and Bob Faulkner, Charles L. Vivian, Betty and Mary Ledbetter, Mary Lois and Sandra St. Clair, Howard Warren and Kenneth Wesley Smart, Lindsay Gay Key, Mike Todd, Anna Jo, Susan and Terry Linda Watson, Sandra, Stella and Sheila Martin, Patsy Walden, Art and Carolyn Dunham and Dan Cravy.

Mothers of the small fry present were: Mesdames Andrew Esary, Courtney Sanders, J. D. Hawthorne, Rex Faulkner, M. C. Ledbetter, James St. Clair, Jerry Smart, David Todd, Wendell Watson, Forrest Martin, Mike Walden, R. E. Dunham and Richard Key.

## THREE SISTERS VISIT L. F. FITZGERALDS FOR FIRST TIME IN TWENTY SEVEN YEARS

After a ten day visit in the home of their brother, L. F. and Mrs. Fitzgerald, his three sisters returned to their homes last Saturday. This visit was the first time Mr. Fitzgerald and his sisters had all been together in twenty seven years.

The sisters are Mrs. T. E. Fain of Port Arthur, Texas; Mrs. Annie Martin of San Luis Obispo, California and Mrs. Nora Jamison, Mrs. Jamison is the mother-in-law of Boyce House and makes her home with her daughter and Mr. House in Ft. Worth.

Mr. House' column is carried frequently as a feature in the Morton Tribune.

## ODD FELLOWS, REBEKAHS ATTEND ONE DAY MEET IN LUBBOCK THURSDAY

A one day school of instruction for Rebekahs and Odd Fellows held in Lubbock last Thursday was attended by Mr. and Mrs. Olen Harris, Mr. and Mrs. D. M. Lewallen, Mr. and Mrs. L. B. Kelso, Omer Barnett, Bertie Pyburn and Ladis Tanner.

## WEEK-END IN RUIDOSO

Mr. and Mrs. Babe Vanlandingham and Mr. and Mrs. George Graham, jr., and son, George III, spent the week-end in Ruidoso, New Mexico with Mr. and Mrs. George Graham.

Janie Graham returned to Ruidoso with them. She had been visiting here since closing of school.

## Attended Annual Methodist Youth Conference

Sue Smith and George Greer Hargrove returned Saturday from McMurry College, Abilene, where they attended the 32nd annual session of the Northwest Texas Conference Young People's Assembly, June 7-12. They went as delegates from the Methodist Youth Fellowship of the Morton Methodist Church.

Sue studied "The Work of the District and Sub-district" taught by Miss Irene Stewart, and took "Worship" as her interest group topic. Bunky choose "The Life of Jesus" under Mr. Walker and "China" as his interest group.

The Rev. George Harper, Executive Secretary of the National M. Y. F., of Nashville, Tennessee, was the assembly speaker.

They report a profitable and enjoyable week of study, inspiration and recreation.

They rode a chartered bus from Lubbock with thirty-six other young people from the Lubbock District. In all, there were 310 young Methodists at this year's assembly.

"The Home of the Future for your Ford in the Future"

# COME ON IN!

The door is wide and we want you to be our guest

## On Friday, June 18th

### Willard Cox's Eleventh Anniversary in the automobile business

... And his ninth year as your Ford dealer in Morton Opens for your inspection his new building, and will hold the first public showing of the great '49 FORD

## No Increase In Labor Prices

We have given our employees numerous salary increases—Their wages are tops in the industry. Our labor rate is the same as it was when we were under O. P. A. price control. We believe improved equipment, better working conditions for our men and a larger volume of business will enable us to continue to hold our labor prices down.

We feel that a person living in the Morton trade territory is entitled to just as good service,

Our Service Department is designed to best care for the needs of the customer.

Providing the most efficient and convenient working conditions for our trained men.

Our building is built to service 12 to 15 cars at one time.

Looking to the future in Morton with Ford.

and to enjoy as good facilities as anyone living in a metropolitan territory. We can sincerely say that nowhere can you secure more efficient service, have the facilities or better equipment than right here in our new modern Ford service department.

Every effort will be made to maintain one of the cleanest service departments in Texas. Dirt ruins motors, you know it and we know it. Visit our motor repair department and see what you think.

Your Friendly Ford Dealer

# WILLARD COX

In A Brand New Building

With A Brand New Car

Both As Modern As Tomorrow

### Thanks To Everybody

As proud as we are of our beautiful new building we appreciate the fact that none of this could have been accomplished without the friendly cooperation of our customers and encouragement of our friends.

To all of you we say Thank You and our most sincere gratitude.

## Takes Efficient Employees To Operate Business

It takes efficient employees to operate a business in the way that it should be operated, and Willard Cox, local Ford dealer, is not the first businessman to admit it.

Efficient, courteous and accurate are words that Mr. Cox uses to describe his fellow workers.

Some of the employees with Willard Cox Motor Company are well-known in Morton and Cochran County. Several are new men here. "All of these men," Mr. Cox said, "know their jobs and will continue to give the public the kind of Ford service to which they are accustomed."

Present staff of employees at the Cox Motor Company lists nine men in addition to the owner and active manager himself.

They include E. L. Cox, bookkeeper; William (Bill) Purifoy, service manager; Leon Hamilton, parts and accessories manager; Emil H. Timian, salesman; E. L. Toney, Keith Jones and A. D. Rowden, line mechanics; Earl Davis, head of the car cleaning and lubrication department; and Fabian Flores, porter.

Most of these men own their own homes in Morton, Mr. Cox pointed out.

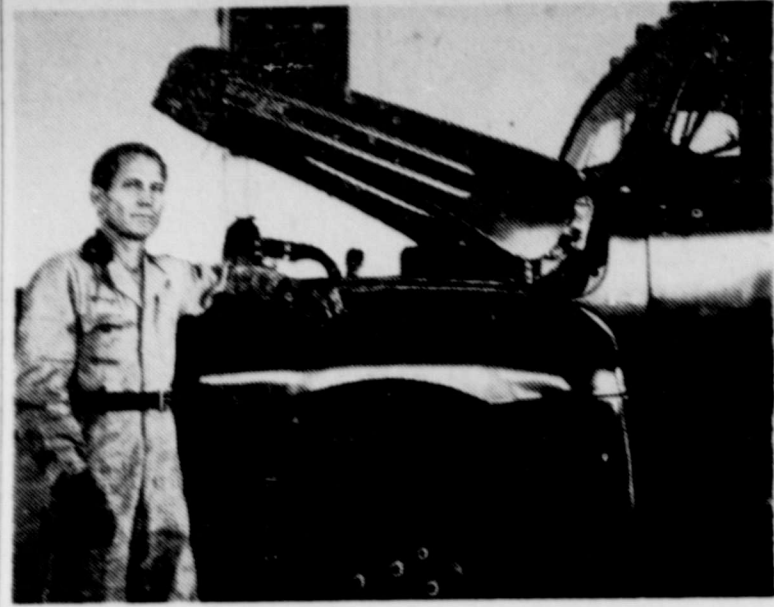

The firm's bookkeeper, E. L. Cox, is Willard Cox's uncle, and the two have worked together for the last two years. The E. L. Coxes own their own home here, and Cox has been a bookkeeper for 40 years. In addition to keeping the regular company books, Cox posts and keeps the parts stock control, which is the latest method in stocking.

William (Bill) Purifoy, service manager for the local Ford house, has been with the company for the last four years, and previously had a number of years experience. Mr. and Mrs. Purifoy have four children, and they, also, own their own home in Morton.

Willard Cox describes Purifoy as "one of the best men on Ford motor testing equipment in West Texas. During the war, Purifoy was inspection supervisor for the Lone Star Defense Corporation in Texarkana. His job was to supervise 32 bomb line inspectors, and he carries a card awarded to him by the corporation showing no time loss because of accident among those inspectors."

Leon Hamilton, manager of Willard Cox's parts and accessories department, is a Morton

Tribune, Morton, Cochran County, Texas, Thursday, June 17, 1948

**EXPERIENCED MECHANIC**—With 20 years of mechanic's experience behind him, E. L. Toney started work for Willard Cox in Morton three months ago.

man, having attended high school here before he went into the Navy. He has been with the local firm for eight months and is on the GI Training program. The Hamiltons, who have a baby son, own their own home here.

In the Navy for three and a half years, Hamilton spent three

years of that time in naval aviation. He held an aviation machinist's mate rating at his discharge, which followed service all over the South Pacific.

Here for only a month Emil H. Timian, salesman for the local Ford dealer, came to Morton from Lubbock. Formerly a state health

inspector, Timian was City Health Inspector at Lubbock the last two years.

Mr. and Mrs. Timian, whose family consists of two young daughters, have recently bought one of the new Albert Morrow houses in Morton.

Twenty years as a mechanic is the training background for E. L. Toney, line mechanic here with Cox for the last three months. He's been around this area for six months. Previously Toney worked in Florida, Missouri and Mississippi.

Car cleaning and lubrication is the department of Earl Davis, a native of Arkansas, at the Willard Cox Motor Company. He came to Morton on April 21 to work with Purifoy, whom he had known in his native state. Davis, also, is married.

It was with the Combat Army Engineers that Davis gained much additional knowledge in motor lubrication. He was in that group's motor pool for two years and eight months. He spent 23 months overseas in the European theatre of operations.

Keith Jones, a line mechanic, is another of the employees working under the GI training program. He's not married, the firm owner explained, and he is eligible! Jones went into the Army from Morton and returned here after 18 months of service. He spent a year in the Philippines and in Japan.

Newest member of the local motor company's service staff is A. D. Rowden, an East Texan who has been around here since January 1. Rowden, who is married, is also under the GI Training program. He served in the Army Air Forces' radar division for 35 months, and his overseas service was in Germany.

Porter for Willard Cox Motor Company is Fabian Flores, a local Latin-American.

L. M. THOMPSON, John Deere representative, Lubbock, visited in Morton last Friday.

## Willard Cox's New Business Building Described As "Dream Come True"

Willard Cox's new business building in Morton, formal opening of which will be held Friday, has been described by the local Ford dealer as a "dream come true."

For two years now, Mr. and Mrs. Cox have been dreaming about the building—but constructively. The two drew up all the plans themselves, Cox said, and every detail was carefully planned.

Two years ago the two started examining modern business buildings. Then a year ago the Coxes made a trip to Fort Worth and Dallas, where they secured from Ford Motor Company a list of locations of the most modern garage buildings in the area.

The inspection trips made by the couple to view the selected buildings took in not only looking at the structures, Cox explained, but also talking with department managers. To them the various men described their likes and dislikes concerning the construction, arrangement and

planning. "We even went into the mechanical departments and parts departments to talk with the superintendents," the local man said.

With these men's ideas and keeping in mind their own individual needs Mr. and Mrs. Cox planned and drew plans for their new business building in Morton.

**Policy Followed  
By Willard Cox In  
Delivering Cars**

End of the war brought scarcity of new cars of every make—including the Ford. Willard Cox, Ford dealer here, said Saturday that he has followed the policy of delivering all new cars and trucks in his trade territory.

"I have never sold a new car or truck to a used car lot or anyone connected with a used car business," Mr. Cox emphasized.

"That we are regularly servicing 80 percent of all cars and trucks delivered by our agency since 1946 is evidence of satisfied customers," he pointed out.

**VISITING IN AMARILLO**

Mr. and Mrs. Bud Nairn left Saturday for Amarillo for a few days vacation. Butch, their young son, stayed here with his grandparents, Mr. and Mrs. J. A. Vernon.

**NOTICE OF TIME AND PLACE  
OF HEARING AND  
SHERIFF'S NOTICE**

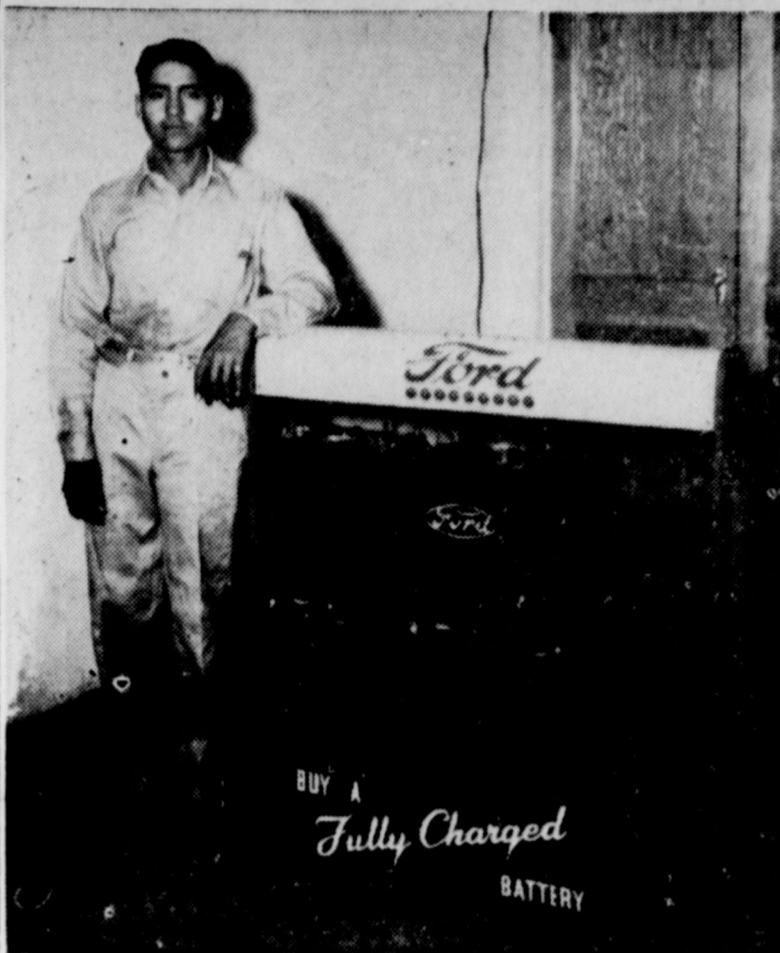

STATE OF TEXAS VS. NO. 118  
W. E. Dennis, Nelson W. Willard,  
C. B. Hudson, Lone Star Townsite  
Company and J. T. Russell  
In The County Court of  
Cochran County, Texas,  
May Term, A. D. 1948.

On this 14th day of May A. D. 1948, J. B. Knox, W. E. Angley and Fred B. Brock, Special Commissioners, appointed by the Court to assess damages owing by the State of Texas to the defendant's by reason of the construction, reconstruction, and opening of Highway No. F. M. 595, upon, across, and through certain real estate described in Plaintiff's petition, reference to which is here made, to which real estate the fee simple title is in the said W. E. Dennis, Nelson W. Willard, C. B. Hudson, Lone Star Townsite Company and J. T. Russell as is more fully set out in said petition of the State of Texas, acting by and through the Commissioners' Court of Cochran County, Texas, vs. W. E. Dennis, Nelson W. Willard, C. B. Hudson, Lone Star Townsite Company and J. T. Russell

filed with the Honorable County Judge of Cochran County, Texas, on the 12th day of May, A. D. 1948, said Commissioners having been sworn to assess said damages fairly and impartially, and in accordance with law, do hereby appoint as the time and place for hearing said parties on the matter, the Office of the County Judge of Cochran County, Texas, at Morton, Texas, in said County on the 28th day of June, A. D. 1948; a copy of this order shall be served upon W. E. Dennis, Nelson W. Willard, C. B. Hudson, Lone Star Townsite Company, and J. T. Russell, together with the unknown spouses of each of said defendants who may be married, and the unknown heirs of each of said defendants, their heirs and legal representatives, (and each of them respectively), and service thereof shall be notice to said Defendants(s) and each of them, to appear at said time and place at Ten o'clock, A. M. at the Court House for the purpose of offering any evidence they may desire as to the amount of damages to be assessed against the State of Texas, and to be paid to the said W. E. Dennis, Nelson W. Willard, C. B. Hudson, Lone Star Townsite Company, and J. T. Russell, (and each of them respectively) for the right-of-way and strip of land described in said Plaintiff's original petition filed with the County Judge of Cochran County, Texas.

WITNESS OUR HANDS this 14th day of May, A. D. 1948.  
J. B. KNOX  
W. E. ANGLELEY  
FRED D. BROCK  
Special Commissioners.

**HANDY MAN**—Fabian Flores, Latin-American, is porter at the new Ford agency, sales and service, building in Morton. Pictured above, Flores does the janitor work and odd jobs around the building.

**"Drive A Safe Car" Advises Homer  
Garrison, Texas Director Of Safety**

"To save your life," said Colonel Homer Garrison, Jr., Director of the Texas Department of Public Safety, "you couldn't think of a more logical traffic safety rule than this: Drive a safe car."

W. J. Elliot, chief of the Texas Highway Patrol, requests every motorist in the community to "Check your car—check accidents." This is the slogan of the traffic safety program the Texas Highway Patrol is carrying on as a part of a year-round safety educational program. The continuing program is a part of a nation-wide traffic safety promotion of the National Safety Council.

"When you 'check your car' to 'check accidents,'" Captain Polk Ivy of the Amarillo District Office of the Texas Highway Patrol, said, "Make sure that the following parts either are in safe operating condition or that needed repairs or replacements are made at once: headlights, tail and stop lights, brakes, steering assembly, muffler and exhaust system, glass, windshield wipers, rear-view mirror, tires and horn."

The Texas Highway Patrol suggests these questions to check your car's safety score:

1. Are you a one-eyed driver? Is the light cut down by dirty lenses? Do your headlights shoot up in the air to blind oncoming motorists?
2. Are your tail lights clean and bright and stop lights in good working order?
3. Is the braking power good enough to stop your car in an emergency for instance, if a child should run in your path? At 29 m. p. h. you should be able to stop on all wheels without "grabbing."
4. How is your steering and wheel alignment? Too much play in the wheel is a danger sign, and running against curbs or driving on rutty roads can get wheels out of alignment before you know it.
5. What about your muffler and exhaust system? Even if the muffler is not getting noisy—a sure sign of wear—the system should be checked frequently to be sure no carbon monoxide gas is leaking into your car.
6. Are your windshield and

windows clean and clear? They're made to see through, you know. So keep them clear of dirt, discoloration and ornamental stickers.

7. And your windshield wipers? It can't always be fair weather. Don't risk having to "drive blind" should a storm catch you with wipers in need of repair.

8. How about your tires? Are they properly inflated, well mated, with good treads, and without cuts, blisters and exposed fabric? If they're old, and you feel you must use them a little longer, respect their age and hold down your speed.

9. Is your rear-view mirror clean and clear? Don't let dirt, cracks or discoloration blind the eyes in the back of your head."

10. And your horn? Keep it in good working order, so you'll have it when you need it. "Don't take your car for granted. Check it for safety's sake—and drive carefully at all times," Captain Polk Ivy of the Amarillo District Office of the Texas Highway Patrol, said.

**It's The Car  
of the Year!**

We'll have it Friday . . . The Car of the Year, the Ford Forty Niner! It's the one and only NEW car in its field, and you can see it at our showrooms Friday! There never was an automobile like this before. There is no other like it today. The revolutionary, new '49 Ford is a complete break with the past. It was designed by you—all the way through. Yes, in surveys, letters and personal interviews, you told Ford what you wanted. And it's on its way! It looks like a custom-built car!

Just for the thrill of it, look at the list of new features. And for an even bigger thrill—your biggest thrill of the year—see the '49 Ford, "The Car of the Year", at our showrooms Friday!

*It Will Be  
At Our  
Showrooms  
June 18!*

- NEW!** You wanted ROOM. So we gave you a 57" front, and 60" rear seat, new frame, extra head room.
- NEW!** You wanted SAFETY. So we gave you a 59% more rigid "Life-guard" Body, "Magic Action" King-Size Brakes, and new "Picture Window" Visibility.
- NEW!** You wanted COMFORT. You GET comfort in a new "Mid Ship" Ride, new "Hydra-Coil" Front Springs, "Para-Flex" Rear Springs.
- NEW!** You wanted ECONOMY. New V-8 and SIX engines. Up to 10% more gas economy. (Up to 25% greater savings with new Overdrive, optional at extra cost.)
- NEW!** You wanted BEAUTY. Well, you'll see for yourself June 18! It's "The Car of the Year!"

**WILLARD COX**

YOUR FRIENDLY FORD DEALER

## 1949 Ford Reveals Radical Changes; On Display In Morton Friday, June 18

A precedent has been established in the low-priced automotive field by combining hand-someness and beauty with durability and comfort in the interiors of the 1949 Ford cars.

Ford has broken away from the neutral tones which have been traditional for mass production automobiles as designers have turned to textured fabrics popular in fashions and interior decorating.

Of the three new fabrics, the most unusual is a soft gray tweed mixture with a blue stripe which gives the 1949 Ford interiors a freshly tailored look. It has been combined with a bolster of blue-gray broadcloth to protect the upper section of both front and rear seats.

The same tailored good looks are obtained with the other fabrics—a smooth green striped broadcloth and two new adaptations of mohair in a green and maroon stripe and green and gray stripe combination. In proper combination, they complement the new Ford exterior colors such as Sea Mist Green, Birch Gray, Arabian Green and Bay-view Blue.

The instrument panel of the new Ford has been simplified. All instruments are combined in a single cluster directly in line with the driver's view. Projecting slightly for better visibility, the large figures on a telescoped dial indicate speed, fuel level, rate of battery charge and oil pressure. The clock dial has been center-

FRONT END of the new Ford for 1949 that will be shown in Morton by Willard Cox at the formal opening of his new building Friday, June 18, is shown above. The smooth, flowing lines of the

1949 Ford passenger cars are accentuated by the simplicity of the air-scoop grille. Fresh air for the pressurized ventilation system also enters through the grille, according to Willard Cox.

### Best Wishes and Congratulations . . .

### Revolutionary Changes In 1949 Ford Station Wagon and Convertible

Revolutionary changes in the 1949 Ford cars are reflected in the styling, utility and ruggedness of the station wagon and convertible models.

The 1949 station wagon is the only one in the low-priced field with a two-door, all-steel body. Beauty of wood paneling has been enhanced directly to the steel body.

A number of new and important safety features have been engineered into the new station wagon. Outstanding is elimination of the rear doors and enlarging the two front doors. Careless

ed on the panel and placed higher. Night glare is eliminated on all instruments by "black lighting."

Chrome trim throughout the car has been reduced. On the panel it is expressed in a neat arrangement of uniform knobs which control choke, windshield wiper, lights, heater and defroster.

On each door, the chrome strip makes a decorative arc over the heavy artificial leather kick pad at the bottom. Flame-shaped center pillar lights provide plenty of illumination for the interior and for stepping into and out of the car.

Interior door handles pull up instead of down to open the door. This eliminates the possibility of the car doors swinging open if the handle should be pressed down accidentally.

The new Ford's functionalism has been extended to the roomy seats—57 inches wide in front and 60 inches in the rear, plenty of room for six persons. New windows demonstrate the new trend. The rear window alone is 88 per cent larger—as large as the ordinary windshield. The windshield is deeper and wider.

or playful children can't accidentally lean against or bump the door handles to open the doors while the car is in motion.

The new type of construction is designed to eliminate squeaks and rattles. Ruggedness has been achieved by transfer of all body stresses and strains to the all-steel construction as well as elimination of two doors.

To provide greater strength and safety, because of heavier loads often carried in station wagons, it is equipped with a special X-type frame. Ford engineers say there is enough built-in protection in the 1949 station wagon to meet the exacting safety requirements for school buses.

The station wagon has seats for eight passengers but the new arrangements permit easy loading of baggage without opening the end-gate at the rear. The extra large doors provide easy access.

Two rear seats may be removed easily so that large loads may be carried. The wagon also is equipped with end-gate and easily operated lift-door at the rear.

The 1949 convertible is long, low and graceful yet embodies all the advanced engineering provided in other body styles. There is greater comfort, performance and economy.

Front seat is six and a half inches wider, and the rear seat eight inches wider than the 1948 models. There is ample room for three persons in each seat. Luggage space under the rear deck totals 28 cubic feet, nearly twice as much as in previous models, and all usable.

The ride of the new convertible has been improved with low-frequency "hydra-coil" springs in front, and extra-long longitudinal springs at the rear combined with direct acting airplane type shock absorbers.

According to a veteran Ford test driver: "It rides like a car five hundred pounds heavier and performs like a car five hundred pounds lighter."

#### BOYCE HOUSE

### 'Gives You Texas'

Maybe here's an Abe Lincoln story that you hadn't heard:

Lincoln said of a certain judge, "He's so strict, he'd hang a man for blowing his nose on the street but he would quash the indictment if it didn't specify which hand he blew it with."

Everybody in Eastland is talking about oil.

Used to edit the paper at Eastland many years ago so the other day I re-visited the "old home town" and was amazed to find the place is really "stepping out."

One company, they told me, has leased 40,000 acres in the county. That's a lot of land and indicates a strong belief in future oil possibilities—and there have been several blocks of 8,000 acres each.

Eastland County was the scene, back in 1918-20, of one of the biggest oil booms in history. Wouldn't it be odd for the county to have another real oil rush after 30 years? And yet it seems quite possible.

We told recently of the sideshow which advertised "See the horseless carriage," this being in the early day of the automobile which was known as the "horseless carriage." Folks paid their quarter and saw a buggy drawn by two mules.

This reminded a reader of the Carrizo Springs Javelin of a similar "sell." E. C. Smith writes from Redondo Beach, California about a sideshow along about 1900 in San Antonio which had a sign reading "See the horse with the tail where his head should be." People paid their dimes and saw a horse with his tail tied to the trough.

Oslo is the capital of Norway.

## The New . . . Ford Home

is a building of beauty and lasting usefulness to our fast growing city.

**NEW SALESMAN**—Emil H. Timian, formerly of Lubbock, who is shown in the above picture, moved to Morton to become a salesman for Willard Cox's Ford agency. Timian will be on hand to greet visitors at formal opening of the firm's new home on Highway 290.

**LEHMAN NEWS**

Mrs. J. W. Pond—Reporter

Vacation Bible school is now in progress at Lehman. Thirty children attended on Monday.

Mr. and Mrs. P. E. Liles and children, visited with Mr. and Mrs. Lamone Keith and sons, at Mesquite, Sunday.

Mr. and Mrs. Rice of Sudan visited in the home of the latter's sister, Mrs. O. S. Taylor and family, Sunday.

Mr. and Mrs. Harry Tapp were called to Lubbock last Friday on account of the death of Mr. Tapp's sister. She had been ill some time.

Mrs. J. W. Pond and children were dinner guests in the home of Mr. and Mrs. Dale Pond and family of Littlefield last Saturday.

The Dale Ponds returned home with them and spent the weekend.

J. W. Pond, Dale Pond and Don Boles of Clovis made a business trip to Mineral Wells, Saturday night.

Miss Joyce Pond left Sunday for Clovis, New Mexico where she will work.

Merlene Rhodes is resting nicely following suturing of a leg injured in an accident Sunday.

Mr. and Mrs. Charlie Williams spent the week-end with relatives at Hereford, Texas.

Rev. D. H. Burgan and family of Maple were dinner guests in the home of Mr. and Mrs. L. C. Keith, last Sunday.

Mr. and Mrs. L. O. Buchanan of Lubbock were guests last Wednesday and Thursday in the Homer E. Thompson home.

**LUBBOCK BUSINESS VISITORS**

Mr. and Mrs. R. T. Ray were business visitors in Lubbock Tuesday.

Wednesday they left for Memphis, Pampa and Lakeview, Texas for a visit with friends and relatives.

**ERNEST O. NORTHCUTT**

**Candidate For Associate Justice of the Court of Civil Appeals**

Ernest Northcutt became interested in law at an early age, worked his way through law school, received his law degree and entered private practice in Amarillo in 1919.

Judge Northcutt practiced law in Amarillo until he was elected County Judge of Potter County in 1940. He is now serving his fourth elective term.

Ernest Northcutt has tried cases in all Courts over the Panhandle. His trial work carried him into the State and Federal Courts and into all Appellate Courts, State and Federal. He is familiar with the duties of the Office of Associate Justice of the Court of Civil Appeals. He has tried hundreds of Civil cases. **THERE IS NO SUBSTITUTE FOR EXPERIENCE.**

Judge Northcutt is 56 years old, married and has three children. He is active in civic work, a member of the Baptist Church and was President of the West Texas Judge's and Commissioners' Association in 1947.

Your Vote and Influence Will Be Appreciated

The 1949 Ford station wagon is new and revolutionary in every respect. It is the first to use two extra width safety doors, the first full size eight passenger wagon to employ all steel construction. Wood panels are bolted directly to the steel frame. Extra strength built into chassis and body assure quiet, trouble free operation.

**LOOKING AHEAD** By George S. Benson, President, Harding College, Searcy, Ark.

**NO IRON CURTAIN**

The Communist attitude is getting to be pretty well known to Americans. Even the Iron Curtain has not been able to hold behind its barriers the ideas and thoughts of men. We have come to understand what the Russian Communists think by watching the actions of their American comrades. Everybody knows the Communist party in this country watches Moscow closely. We can believe that Moscow keeps them in line too.

Everybody knows also that the Communist party in the United States is not very powerful. In terms of what it can do legally as a party, the average American gives it very little attention. However, what the party would

do if it thought it could get away with it—that is another thing. In this respect, home-grown Communist opinion is very enlightening.

**Outside the Law**

Recently, William E. Foster, top man for the Communist's in America, told the Senate his party would not support the nation in event of war with Russia. He was testifying before the Judiciary Committee on the Mundt-Nixon bill, which would put strict controls on Communists. Foster defiantly told the committee that if the bill should become law the party would not register with the Department of Justice as required.

Foster shouted that Russia would never attack the United States. His reason: Russia is not an imperialistic nation. At the same time, he said that America has embarked upon an imperialistic program, the greatest in history. (Imperialism means the practice of seeking control or dominion over other lands and peoples.) Why the American Communists have the situation sized up bears no kinship to the plain truth in international affairs.

**Who's Imperialistic?**

Any school boy knows that America has no ambitions for the control and domination of other countries. On the other hand, what Russia is doing in eastern Europe looks like the most obvious kind of "taking over." It is this same William E. Foster who once swore that the Communist party would take over the United States government and liquidate the free enterprise system, along with the Republicans and Democratic parties and our religious institutions.

The darkest kind of imperialism known today may be seen in the Communist International, to which all world Communists are responsible. This world organization exists for the purpose of coordinating the imperialistic ambitions of Russia's political rulers. It works by having from within it men Communists who once they are in place, the overthrow of other governments by force. It fosters revolutions wherever Communists stand to gain.

**Watch Their Tactics**

What would the Communist party in this country do if given a war? It would cause as much dissension and create as much friction as it could. In fact, it has done this already, both in peace and in war. Communists will continue to do everything possible, by whatever methods, to hamper America's peace and prosperity. They seek to set worker against employer, to create racial hatred and divisions that use the American public and weaken billions of dollars.

The Communists will do these things during the peace time. No good may be expected from them, either in time of war or peace. As good American citizens we must study their tactics, so that when we see the truth in Communist propaganda, we can stand up to it. The Communist party and those who work with it are not to be trusted. They are not our friends and they are not our allies.

**Miss Joyce Brisco And R. J. Hill Married Thursday**

Miss Joyce Brisco, daughter of Mr. and Mrs. J. F. Brisco, became the bride of Mr. R. J. Hill, son of Mr. and Mrs. R. W. Hill, Thursday evening June 10, at the home of the bride's parents.

Miss Nelida Brisco, sister of the bride, furnished the music. Rev. W. C. Wright read the double ring ceremony. Mr. J. C. Reynolds was best man. Mrs. Melvin Childs, attended her sister as brides matron. Mrs. Childs wore a brown and white two piece dress and a corsage of carnations. The bride, given away by her father, wore a pink suit and a gold bracelet belonging to her mother. Her bridal corsage was a shoulder arrangement of orchids.

At a reception in the Brisco home following the wedding Mrs. Brisco, Mrs. Hill, Mrs. Reynolds and Mrs. Childs presided. A two tiered wedding cake, topped with miniature bride and groom centered the refreshment table. Bouquets of carnations were placed at vantage points in the entertaining rooms.

Members of the wedding party other than those named above were: Mr. and Mrs. G. W. Kirtrell, and daughter, Jeffie Ann of Loonans, Mr. and Mrs. Jake Johnson, R. W. Hill and Jug and Melvin Childs.

After a wedding trip to New Mexico the bridal couple will be at home in Merion.

**BROWNS TO GRASS VALLEY TO ASSIST IN A REVIVAL**

Evangelist W. A. Brown and family left Monday for Grass Valley, California, where he will assist in a church of Christ revival. While in California the Browns will visit relatives in Los Angeles and San Francisco.

**WEEK-END AT LAKE KEMP**

W. W. Williamson, W. A. Johnson, Chas. Stafford and Bob Sanders, the latter two of Maple, spent last week-end at Williamson's camp, Lake Kemp.

**VISITED IN COLORADO**

Mrs. Oscar Coats and Mrs. Carl Williams recently spent a delightful vacation in Colorado. They visited Everet Park's grove at beautiful Seven Falls and many other scenic spots in the vicinity of Colorado Springs.

**We can visit with knights and ladies** and hobnob with kings and queens.

**Oh a book is a trip on the ocean** a pathway to fairy land.

**Alladin's lamp isn't so precious** as a good story book in the hand.

**Last week I got lost in James St. Clair's new department store.** I was looking for the elevator. As large and spacious as it is James still has time to visit while he flips your check to let the ink dry—to me he asks about my grandchildren; to Mrs. Knox—"How do you make that delicious chicken pie?"; to Lem Chesher, "can he chin himself yet—does he have any spurs?" He may have a cified department store but he is still a friendly country merchant who could dig out another dozen (when there were none to be had) for every new baby.

Tribune, Morton, Cochran County, Texas, Thursday, June 17, 1948

LUBBOCK VISITOR

**ARKANSAS NATIVE**—Pictured is Earl Davis, a native of Arkansas, who will be among the employees on hand for formal opening of the new Willard Cox automobile house here Friday. Davis is in charge of the car cleaning and lubrication department.

**"Private interprise" is not just** a word; it is the way to build a town, where your children and mine can go to Sunday School and school, where they will be understood because we know their parents and grandparents and their adoring aunt Sallie.

**Sadie Taylor's gift department** is a compliment to her good taste and to her love of beauty. No need to go to the city for a suitable and lovely present. Sadie is a nice person to visit with and does not become too impatient if one is slow to make up one's mind.

**Are the trees and green grass** of the well kept lawns in Morton as satisfying to you as to me? They speak of proud home owners. Home owners are happy people whose little children have a sense of security and develop no complexes because of not being wanted.

**The young mothers of Morton** are a lovely and interesting group. They talk of their children—yes—but they also talk of national affairs as well. They express preferences for this presidential candidate or that and tell why—

**Mrs. Hawthorne is a lovely** young woman who is a good home maker, wife, and mother, yet is well read and a delightful conversationalist.

**Mrs. Tom Mather is a woman** I should like to know better. So few people have good speaking voices. Hers is musical and clear, and I like to watch her facial expressions.

**Mrs. Retha Riley is a spreader** of good cheer. If she was ever depressed no one ever heard about it. I believe she could be a good substitute for the fountain of youth.

**Have you had your grocery** order taken over the telephone by Little New Mrs. Doss? She acts as if it were a privilege to see that you get large strawberries, small uniform potatoes for baking, and that your steaks be thick and juicy. Her young husband is a good picker of brides.

**A "thank you" to the handsome** City Marshall for his courtesy to an absent-minded old lady who parked by a fire hydrant.

**Have you lived in Morton long** enough that you say "We must do something about that nuisance" instead of "why don't they—?" I have—this is my town—these are my people, and a friendlier, happier people would be hard to find.

**My brother Patrick Claiborne** Harper from Vallejo, Calif. spent two days with me last week. The flow of conversation was unchecked night or day. That is the talkiest man I ever saw, as well as the most Irish. Not only did we re-fight all the wars from the invasion of Ireland by the Vikings to the Second World War—but we brought up several childhood grudges and fought those over. He flew in and he flew out—"He came, he saw, he conquered." It is seldom I admit being out talked, but, oh Brother, I was!

**I shall not be here next week** to substitute for Annie, but I am giving Ann a "Dissertation on Dirty Dishes" that she may use if she wishes. Dish washing is such a universally disliked task I am not afraid of shocking my friends (if any) by letting them in on the secret that I hate and abominate doing them.

— by Mrs. J. A. Gowdy —  
**Thank you, Mrs. Gowdy,** we read every word and didn't change a single one.—ae

**Did You Know--**

that the oldest bale of cotton in existence was produced in 1862 and is now preserved in a glass case on the floor of the New Orleans Cotton Exchange—The bale was picked and ginned by slave labor and so far as known the original bagging which is the ordinary jute, is still on the bale.

**STATE HIGHWAY PATROLMEN GET PREVIEW OF NEW PUNCTURE-SEALING TUBE**

State Highway Patrol Officers W. A. Adair and Stanley Adomaitis look at a fully inflated tire into which 301 puncture-sealing tubes have been driven through both tread and tube. Yet the tire has not lost a single pound of air!

(left) Manager of General's Field Engineering Service. The tire is equipped with the new General Puncture-Sealing tube which refuses to go flat from ordinary punctures while the car is in motion.

The many convenient features of a puncture-sealing tube are readily apparent. No more flats when you're

in a hurry. No more flats when you're all dressed up. No more having to get out on the side of the road and change tires . . . a mean job any time . . . and worse in the rain, as usually happens. These new top-quality General Puncture-Sealing tubes can be purchased from
