

"Excavation On New Wallace Theatre In 10 Days"

General Manager Of Wallace Chain Makes Promise In Letter To Editor

Morton's much talked about new theatre will become a reality in the very near future according to Wesley B. Blankenship, General Manager of the Wallace Theatre chain.

Within ten days after the news release, dated July 10, excavation will be underway and as soon as possible, Morton's second theatre will be opened.

The modern, two story, brick building will be the creation of architect Harvey Alton from Lamesa and will seat 1,000 movie goers. It will not only be the most modern in the Wallace theatre chain but it will be the largest.

Measurements for the theatre are listed as 56 feet by 120 feet and a building permit has been issued by the City Clerk's office for \$50,000.

Location for the new theatre, as yet unnamed, will be on the northeast corner of the square, directly on an angle from the present Wallace. The two Wallace theatres will give the fans a combined seating capacity of approximately 1600.

Wallace Theatres also announced the purchase of 12 acres of land 1-mile north of Morton. The land, former home of a dance hall, will be the future sight of a modern Drive-In theatre but the theatre ownership has assured Morton residents that all work will be concentrated on the new downtown theatre until it is ready to open. The dates for the starting of construction on the Drive-In has not been announced.

The downtown theatre will be of all steel supported construction and promises to be a fine addition to the buildings of downtown Morton.

The Wallace Theatre chain, owned by Wallace Blankenship, embraces 10 towns on the South Plains and includes 16 theatres at the present. There are four located in Levelland, three in Tahoka, and two in Seagraves. One is located in each of Morton, Ralls, Petersburg, Sundown, Andrews, Lorenzo, and Ropesville.

CCC To Pool 1947 Crop Loan Cotton After August 1st.

All 1947-crop loan cotton still under loan on Aug. 1, 1948, will be pooled by Commodity Credit Corporation for the producer's accounts. G. C. Keith, chairman of the Cochran County Agricultural Conservation Committee, reminded cotton farmers of Cochran county this week.

Mr. Keith said that all 1947-crop cotton under CCC loan that is not redeemed by Aug. 1, 1948, will be placed in pools and sold in an orderly manner by CCC. After July 31, 1948, producers will be entitled to order the sale of the cotton. The loans mature on that date.

When all the cotton in the pools has been sold, the net proceeds, if any, after deduction of advances, interest and accrued costs, will be distributed among the producers whose cotton was placed in the pools. Payment will be made to producers at the time their cotton is placed in the pools.

Before July 31, 1948, farmers, with loan cotton, may either sell their "equity" in the cotton or redeem it from the loan and sell in the open market.

Plane Slightly Damaged In Forced Landing

The light plane, owned by the Morton Flying Club, suffered only minor damage in a forced landing early Monday morning.

Lloyd Allsup, piloting the plane, made a dead stick landing in a pasture fifteen miles west of Morton about 7 o'clock in the morning. The motor conked out at 200 feet when the carburetor froze up. Lloyd had a choice of a wheat field and a pasture for a landing field and he chose the pasture. Damage to the plane consisted of a ripped portion of the wing fabric, a warped wing and a broken wing rib.

Repair parts for the trainer were secured in Lubbock and the plane was ready to fly again twelve hours after the accident.

Earl Crum flew the plane back to the airport, using the adjoining wheat field for a runway.

This was the second forced landing by a member of the club but no serious damage or injury has resulted from either mishap.

Contractor To Start Work On 2 County Projects

County Judge, Glenn W. Thompson, talked with C. E. Blakeman, the successful bidder, who was awarded the contract on the two road jobs in Cochran County. One is running from Bledsoe north to Oasis and the other starts one mile north of Morton and runs four miles east.

Blakeman stated he would start construction on these roads the last of this week or first of next week. His plans are to rush the construction as fast as possible.

This road will have a twenty foot asphalt top and be built to state specifications.

Bryan and Hoffman, contractors for the county farm-to-market roads, will complete their construction work east of Morton into Whiteface by the last of this week and will start the construction and grading work on the other section of their contract, north and west of Morton.

County Oil Notes

Oil activity in the county has lessened considerably within the past few weeks. Only two reports are available from last week.

C. U. Bay, et al, No. 1 Ralph Gardner, five miles southeast of Lehman, 440 feet from north and west lines of lease F.O subdivision 2, league 131, Carson county school land survey, was swabbing at the rate of four barrels of 90 per cent oil and 10 per cent sediment per hour late last week.

A pump is to be installed and it is expected to be completed in the near future.

Stanford Oil and Gas Company No. 2 Birtie T. Brown, a seepout from the lone producer from the Pennsylvania lime in the Landon deep field, in south-central part of county, had progressed below 6,892 feet in lime and was drilling ahead. This well is 2,655 feet from north and 660 feet from east lines of section 4, block L, ps1 survey.

MORTON BOY ADMITTED TO SCOTTISH RITE HOSPITAL

Don Franklin Fleenor, 11-year old son of Mr. and Mrs. W. D. Fleenor of this city, was admitted to Texas Scottish Rite Hospital for Crippled Children in Dallas for treatment on Wednesday, July 7.

The Scottish Rite Hospital, which is supported by individual contributions, offers the best possible medical care and attention free to Texas crippled children who are accepted for treatment.

Mrs. Lilly E. Jeter of Brownfield was a guest here last week in the homes of her sons, W. W. and Dave Jeter and their families.

Morton League Team Wins Thrilling 2 to 1 Triumph Over Ropesville Sun.

The Morton baseball team held undisputed possession of first place in the State Line loop today after a thrilling 11 inning, 2 to 1 triumph over Ropesville Sunday evening at Slaughter field.

The game, originally scheduled for an afternoon affair, wasn't over until late in the evening after being held up nearly an hour by a sand storm and a rain squall. But the three hundred fans who paid to see the tussle certainly got their money's worth when Bill McAlister drilled a long single to deep center with one away in the eleventh and pitcher Huckabee scampering across the plate with the winning run.

The game, billed as the toughest of the season for Morton, was a pitcher's duel from the start to the finish with Morton collecting only three hits in the game and Ropesville garnering four. But despite the fact that Ropes hurler Poly fanned sixteen men and pitched one hit ball for 10 innings he dropped the decision in the eleventh.

Huckabee fanned ten Ropes batters and the four hits he allowed were scattered effectively throughout the game none going for extra bases.

In the third inning, after a ten minute delay for a sandstorm Ropes took the lead on a hit by manager Bradshaw, a walk and a Morton error but Morton tied it up before the rain squall on

"TEXAS' LAST FRONTIER"

VOLUME IX.

MORTON, COCHRAN COUNTY, TEXAS, THURSDAY, JULY 15, 1948.

NUMBER 20.

Pictured above are Herman Crockett, deputy, and Hazel Hancock, sheriff with more than eighty cases of liquor and beer confiscated in this county in a 30 day period.

Tom Neal, city marshal, shown at right, was not around when the picture was taken but brought in his share of the booty during the period.

Officers Capture Negro Friday After Forrest Lumber Company Robbery

Law enforcement officers swooped down quickly last Friday to capture a robber who had entered the offices of the Forrest Lumber company, Thursday night, bludgeoned open the safe, and escaped with several checks.

R. E. Storms, negro, who had been working in this city, slipped over the back fence at the lumber yard and battered in the top of the safe with a pick, an axe, and a crowbar stolen from stock.

Officials of the company said that the safe was unlocked and had the combination printed on a slip of paper on the front of the safe but evidently Storms was in too much of a hurry to bother with trying the door.

No cash was kept in that safe. It was used for papers and checks and the cash was kept in another part of the office not noticed by Storms.

After passing two of the checks in the city of Morton, Storms had gone to Levelland and was spotted by a deputy there. The Cochran sheriff was notified and rushed to the scene to apprehend Storms as he was attempting to

pass another check in a store. Upon seeing the police he had torn up the check and thrown the pieces away. When arrested he took the officers to the spot where he threw the pieces.

Storms was brought back to the city where he is awaiting trial October 11.

Sheriff Hazel Hancock said that Storms had signed a statement admitting the robbery.

County Campaign Against Diseases Has A Good Start

The Cochran County campaign against communicable diseases has a good start according to nurse, Mrs. Thelma Collins. In the first three days of inoculating, Mrs. Collins has administered 196 injections which will go a long way toward halting the spread of Smallpox, Typhoid, Diphtheria, and Whooping Cough.

The county nurse will attempt to be at each of the schools and districts each week at the same time until changes are published. She will be in Neely Ward today, Thursday, from 9 to 11:30 a. m. and back in Morton this afternoon from 1 to 4 p. m.

Included in the total for the first three days were 72 Smallpox injections, 27 Typhoid, 20 Diphtheria combined, and 7 boosters. A report from Austin, released by the Texas State Department of Health has exposed the prevalence of Diphtheria throughout the state this year and it is expected that many more people will be asking for Diphtheria injections.

Dr. George W. Cox, State Health Officer has stated that 90 per cent of all children receiving Diphtheria Toxoid will have lifetime immunity to the disease.

Mrs. Collins added in her report that the urgency of help needed by the farmers in cotton chopping and other crop chores prevented many families from bringing their children in for injections the first week.

The schedule for weekly appearances is:

Mondays—Morton High School from 8 a. m. to 4 p. m.

Tuesdays—Morton Colored School from 9:30 a. m. to 11:30 a. m.; Bledsoe, 1 p. m. to 4 p. m.

Wednesdays—Whiteface School

Morton Team Winner Of First Berth In North Section of Dist. 2 Tourney

Morton's American Legion baseball team ran into the toughest opposition available in the district tournament last Tuesday night at Rosenthal Field in Lubbock when they tackled the undefeated Lubbock "A" team.

They dropped a 10 to 12 decision to the Lubbock team that had been expected to run roughshod over them. Lubbock was shut out in six of the nine innings an achievement that the Morton team is plenty proud of.

Brownfield was trounced by Spur and thus Morton will face Brownfield in the second round of play and Spur tackles Lubbock. Should Morton lose to Brownfield they would be eliminated but if the local boys win they still must face the winner of the Lubbock-Spur game in the third round of play.

Morton, winners of the first berth in the North section of District 2, lost five games during the season and wound up in third place but won the tourney berth because the first and second place teams were not certified with Legion officials.

The tourney is a two-defeat affair in which each team must lose two games before they are out.

The final winner in this district will be sent to regional play to represent District 2 where a Texas winner is crowned to represent Texas in the American Legion National Tournament.

Under the double elimination system the district tourney may last four nights but officials expect to crown a winner at the end of three.

John King and Red Norman have been named officials of the tourney.

9 a. m. to 2:30 p. m.; Colored School, 2:30 p. m. to 4 p. m.

Thursdays—Neely Ward, 9 a. m. to 11:30 a. m.; Morton High School, 1 p. m. to 4 p. m.

Fridays—Lehman, 9 a. m. to 11:30 a. m.; Morton High School, 1 p. m. to 4 p. m.

Largest Single Load Of Liquor Taken In County This Year Nabbed Thurs.

Cochran county law enforcement officers "cleaned house" last Thursday afternoon when they delivered 80 cases of beer and whiskey to the Liquor Control Board only to have another 54 cases dumped in their lap Thursday night.

Revenue agents had picked up the local haul, taken in the last forty days, and delivered it to the court house in Lubbock only a few hours before W. V. (Son) McKay, deputy sheriff from Whiteface nabbed the largest single load of liquor taken in this county this year.

Robert "Red" Hagen, Lubbock, was attempting to transport 47 cases of beer and 9 cases of whiskey from Odessa, Texas to Lubbock when he had a flat tire on the outskirts of Whiteface. Hagen pulled off the road into a clump of high weeds where he was spotted by McKay and arrested. His 1947 Chrysler sedan was filled to the brim with the cases and two cases were under the hood.

McKay could only put about half the load in his Chevrolet and he left someone to guard the remainder of the load while he brought Hagen in.

Hagen was fined \$500.00 and court costs by Judge Glenn Thompson and the Liquor control board had to make another trip with the additional liquor.

Upon arrival at the court house in Lubbock the liquor was given over to Liquor Control Board Authorities who will circulate bid sheets to various liquor stores throughout wet portions of the state.

The highest bidder will make arrangements to pick up the goods from the Control Board and the proceeds of the sale will come back to Cochran county where it is put into the state fund for old age pension.

Morton Baseball Club To Play Bledsoe Sunday

Roy Allsup's Morton baseball club tangles with the undefeated Bledsoe nine on the local field Sunday afternoon at 3:00 p. m.

Bledsoe, winners of their only three starts, boast "the best pitcher this side of the Rockies" and indications are that Bill Bullock can live up to that reputation. Bill has been twirling for several teams in the last few years and has been acclaimed by opposing batters many times.

Local manager Roy Allsup asserted that Bullock would probably be one of the toughest pitchers faced all season.

The game is a non conference affair and will not affect the league standing of the first place Morton State Liners.

Heifer Receives Broken Leg When Hit By Car Sun.

A year old heifer, owned by J. W. Pond of the Lehman community, received a broken leg late Sunday evening when hit by a car driven by Weldon Taylor.

The accident occurred about sundown Sunday evening. Young Taylor was on his way to church at the time.

Mr. Pond had turned the animal out to pasture about a half hour before and she apparently pushed through the fence and was grazing along the bar ditch when frightened by the approaching car. The heifer bolted directly in front of the Taylor car. The hind leg of the animal was broken above the second joint and the flesh was bruised very badly. The front fender and light of the car was damaged also.

Mr. Pond decided against trying to repair the broken leg and the animal was butchered and put in the locker Sunday night. Neighbor men and the driver of the car helped in dressing the beef.

Minnie's Shop Adds New Line Of Smart Frocks

Mrs. L. B. Childs of Minnie's Shop, announced this week addition of Marie Dressler line of frocks to the already large stock of nationally advertised merchandise carried in the store.

The Marie Dressler line features half sizes in flattering frocks for the larger woman at economical prices. A large shipment of these new dresses has just been received. Your inspection of these new frocks is invited and will be welcomed by Mrs. Childs.

Plans For 4-H Club Encampment Completed By Committee Monday

The girls 4-H club camp committee met Monday, July 12 to start plans for the Cochran-Gaines 4-H club camp. The camp will be held at the Lubbock Camp Grounds August 12 and 13.

The camp committee is headed by Martha Willis who was elected chairman of the two county camps last August. The other members are: Mrs. G. C. Keith, chairman of the 4-H Clubs' Sponsors Committee, Mrs. Willie Taylor, sponsor for the Morton Junior Hi 4-H Club; Mrs. Frances Cunningham, sponsor of the Bledsoe 4-H Club; Mrs. G. W. Garrett, sponsor of the Whiteface Junior 4-H Club; Mrs. Cecil Masten, sponsor of the Neely Ward 4-H Club; Mrs. J. R. Chapman sponsor of the Lehman 4-H Club; Mrs. Boyd Willis, sponsor of the Morton Senior 4-H Club.

The girls serving on the committee are Katherine Fleenor, Louise Baldrige as Camp Secretary, Lois Wilson, Cltha Burt, Patricia Masten, Billy Ashly, Shirley Taylor, Jeanette Mills, Ella Katherine Keith, Mary Helen Keith, Thelma Roulain and Glynna Kennedy.

The camp fee this year is to be \$3.35. The fee will cover meals, board, craft supplies, and a \$3.50 sickness and accident policy that will cover injuries and illness up to \$500.00 that incur during camp or on the way to or from camp.

It is very necessary for all club girls that plan to attend the

county camp to notify the home demonstration agent right away so that the application for the insurance can be made.

The following people were appointed to serve on the different camp committees by the camp chairman: Inspection and clean up: Mrs. Boyd Willis, Katherine Fleenor, and Louise Baldrige; Registration: Mrs. G. C. Keith, Lois Wilson and Cltha Burt; Recreation: Mrs. Frances Cunningham, Patricia Masten, Billy Ashly, and Glynna Kennedy; Food preparation: Mrs. Cecil Masten, Mrs. Taylor, Mrs. Chapman, and any other mothers that go to camp, Shirley Taylor and Jeanette Mills; Craft: Mrs. Garrett, Ella Katherine Keith, Mary Helen Keith and Thelma Roulain.

The camp committees will meet again in a general meeting August 3 to complete camp plans. A full program of fun and activities are being planned for the 4-H club girls from the two counties.

MISS STOKER VISITED BRIEFLY IN MORTON THURSDAY

July 31 Deadline For Reinstating NSL Insurance

Robert W. Sisson, VA Regional Manager, today reminded veterans that July 31 is the last day for reinstatement of lapsed National Service Life Insurance on a "comparative health" basis.

Before August 1, an eligible veteran may reinstate any amount of term insurance—from \$1,000 to \$10,000 in multiples of \$500—regardless of the length of time it has been lapsed, and usually without a physical examination. He need only fill out a simple application form, in which he certifies that his health is as good as when the policy lapsed, and pay premiums for two months.

The privilege of reinstating on this basis will be available after July 31 only to veterans whose policies have been lapsed for less than three months. Where the period of lapse is three months or longer, the veteran will be required to take a physical examination and qualify as an insurable risk, the VA Regional Manager said.

MR. and MRS. EARL CRUM were visitors in Ft. Worth and Dallas over July 4th week-end.

Skeet Shooters Practiced Sun. On Local Range

Local skeet shooters, joined by members of the Enochs Trap shooting team, continued to practice their skeet shooting Sunday morning on the local range southeast of town.

About 12 men in all practiced Sunday but no scores were reported. Most of the shooters in nearby communities are trap shooters but as yet the traps have not been installed in the local range, and local shooters favor skeet shooting.

R. E. Dunham, T. K. Williamson, Tom Arnn, sr., Tom Arnn, jr., and J. L. McGee are some of the local members of the Morton Gun Club who are practicing regularly in preparation for skeet competition.

The local snipers usually shoot at least once a week and the majority of the time they meet on Sunday mornings. All men interested in shooting are urged to come out and join the group. The range is located 1/2 mile east and 1/2 mile north of the airport on the Fred Crow farm.

National Food Preservation Week, July 19-24

Secretary of Agriculture, Charles F. Brannan has announced that the week of July 19-24 will be designated as National Food Preservation Week.

The words "Food Preservation" automatically make most people think of canning. Preservation of food includes freezing, storing, and drying as well as canning.

Mr. Brannan said in his news release "Food is still the most important factor in the fight for World Peace. We cannot afford to let the abundances of our farms and gardens be wasted, when with a little planning and a little extra effort, these supplies can be used to maintain the health and vigor of our families and add to the total world food supply."

In anticipation of interest in new and modern methods of food preservation in Cochran County a supply of new food preservation bulletins has been received by the county Home Demonstration Agent's office. The new bulletins include "Preparing Vegetables for Freezing," form number C-257; "Preparing Fruits for Freezing," form number C-258; "Canning Fruits in Water Bath," form number C-224 and "Canning Vegetables in Pressure Canner" form number C-223.

Any or all of these bulletins can be obtained from the County Home Demonstration Agent by sending a postal card requesting them or by calling by the office. If a written request is sent to the agent the name and form number of the bulletin requested should be given.

Unnecessary waste of perishable foods during periods of peak seasonal supply is a never-ending problem. Secretary Brannan said in his release, "Food preservation, by canning, freezing, drying, and storing, can act as a kind of inventory control for both the farmer and consumer. It is a means of stretching the abundance of summer over into the winter months when fresh produce is less plentiful and higher in price. A well-planned National Home Food Preservation Program will provide expanded food markets for commercial producers of fruits and vegetables and better nutrition for consumers."

WESTERN ABSTRACT CO.
M. C. Ledbetter J. B. Knox

LOOKING AHEAD
By George S. Benson, President, Harding College, Searcy, Ark.

CONGRESS MAKES A COMEBACK

The 80th Congress was our first post-war Congress, and it faced mountains of problems. Moreover, it was a Congress of a different party from that of the President. Thus handicapped, the 80th Congress worked hard to get as far as it did. By working hard, sometimes despite disagreement with President Truman, the Congress that recently adjourned ran an independent course and made a great record.

During depression days a bewildered Congress took orders straight from the strongman. This was approved by many as the best kind of unity for the nation. Unity is a fine thing. When purposes are sound and methods are right, unified action can benefit the people. But the United States Congress was not created by the founding fathers to always say yes to the nation's president.

No Rubber Stamp

The whim and fancy of a political leader, no matter how great the leader, may not be to the best interest of our people. That is perhaps why the founding fathers created the three branches of our government as they did: the legislative to pass the laws, the executive to carry them out, and the judiciary to provide justice. Knowing these things, many persons wondered whether Congress would ever regain its rightful place.

The 80th Congress has done just that. It ever a Congress denied the rubber stamp process, this one did so. The stature and dignity of Congress appears to be returning. It would hardly be possible for Congress in a nation

like ours to ease everyone. But everyone of can be thankful that the 80th Congress has done much to restore the integrity and strength that our national legislature should have.

The People's Safeguard

This Congress did not always answer yes to the President. There were times when it said no. At least four major bills were passed over the veto of the President. Congress did not do this just to nettle Mr. Truman. The 80th Congress was doing things upon its own conviction, following its own best judgement. Doing this, Congress showed that the ultimate welfare of the nation was its objective.

There was no vindictiveness, but instead a determination to rely upon its own judgement rather than upon that of the executive alone. Our people can find no quarrel with this, once they think about it. It is only that kind of Congress which will continue to safeguard the welfare of our nation under the Constitution. We can never afford to forget the importance of Congress, as the people's will in this republic.

More Than 1,000 Bills

The hard work of the 80th Congress is shown by the fact that it passed more than 1,000 bills and conducted numerous investigations. It studied and acted upon nearly 30 major pieces of legislation. Among these was the Taft-Hartley bill—called the "slave labor bill"—which has not enslaved but has already shown its workability. Of great significance too was the leadership that Congress showed in world affairs.

The 80th Congress led the nation out of isolationism and into the leadership of freedom-loving nations of the world. Congress did much to retrieve lost prestige for America in the realm of international affairs. I believe every citizen should appreciate the great job the 80th Congress did in bringing back the integrity of a legislature which was set up to represent the people. I am grateful to our hard-working legislators.

Agricultural Notes Of Interest

The main purpose of National Farm Safety Week, which will be held July 25-31, is to do away with 30,000,000 farm hazards. This goal can be reached easily if every farm family will do away with at least one hazard for every member of the family.

Heat from an electric light bulb kept burning in the closet will often keep the air dry enough to prevent mildew on shoes and clothes. Frequent airing with an electric fan also helps.

Careful planning, wise buying and good cooking can do much to hold down food expenses in the family, but even these may not outweigh the expense of catering to whims and special tastes.

Wash handkerchiefs before they are badly soiled so that they need little or no rubbing to become clean. An hour's soak in cool water will loosen much of the dirt and saves strenuous washing.

The number of farms getting electricity from central power plants was three times as many in 1947 as in 1937.

Tests in building home freezer units show that six inches of insulating material is the best thickness. Thinner insulation runs up the operating costs and more insulation makes the box too bulky.

Window curtains play an important part in home furnishings, as they soften the hard lines of the window frames, thus making the room more attractive.

LEHMAN NEWS

Mrs. J. W. Pond—Reporter

Lehman H. D. Club met in the home of Mrs. E. L. Freeland on Wednesday, July 7 at 10 a. m. for a demonstration on yeast breads. A delicious meal of fried chicken, cake, and salads was served at the noon hour to the following: Mesdames P. E. Liles, F. L. Fred, Charlie Sanders, V. V. Scott, J. W. Pond, Woolsey, Carpenter, A. Akin and daughter of Morton, V. V. Williamson and daughter of County Line, W. L. Marlar and daughter, and a host of children. Mrs. O. S. Taylor helped Mrs. Freeland with the demonstration. Next meeting will be in the Lehman school house on July 21st.

An ice cream supper will be held in the Lehman school building Friday night, July 16. Candidates are invited as well as the entire community.

Sunday School was still low in attendance last Sunday. Bro. D. H. Burgin from Maple preached at the 11 o'clock service.

Mr. and Mrs. Charlie Sanders and children were dinner guests in the home of the latter's parents of Lubbock Sunday.

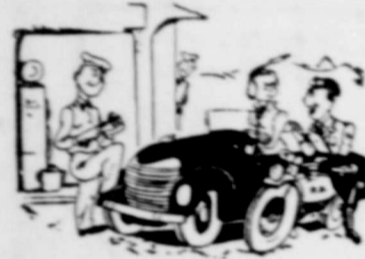

Quite a few have measles in our community at present but don't seem to be hurting them so bad.

Rev. and Mrs. Jackson of Higgins, Texas, are visiting with the latter's parents and her sisters.

Funeral services were conducted at Lamesa Thursday afternoon for the infant son of Mr. and Mrs. Bob Bacon of Hobbs, N. M. The baby was born at West Plains Hospital, Tuesday evening at 3 o'clock and died at 8 that night. Maternal grandparents are Mr. and Mrs. H. C. Tapp.

Enochs H. D. Club Meeting Held In T. W. Autry Home

Mrs. T. W. Autry was hostess to the Enoch's H. D. Club on Thursday afternoon, July 8. Eighteen members and one visitor, Miss Anna Maryrett Gunter, were present.

During the business session arrangements were made for two members of the club to go each day and help a needy family in the community who has illness in the home.

A committee was appointed to make plans and have an archway built at the cemetery. Delegate to represent the club at T. H. D. A. was elected.

Concluding the business a reading was given by Mrs. Jaunita Parsons.

The hostess served a refreshment plate of iced punch and cookies. The next meeting will be with Mrs. T. A. Thomas on July 22.

To The Voters And Citizens of County:

I take this means of asking your vote and influence in the July 24th election for sheriff, tax assessor-collector.

I'm doing my best to see everyone. If I miss anyone, it is unintentionally.

Most of you know me or know of me. I came to Cochran county in 1929 and have lived here most of the time since. If you see fit to elect me as your next sheriff I will do my very best to make you as good a one as you have ever had. My full time will be devoted to making Cochran County a better place in which to live, if elected.

Thanking you in advance for your support,
J. S. (Bud) Pierce.

LEHMAN COMMON SCHOOL DISTRICT NO 5 NOTICE OF ELECTION TO CONSOLIDATE DISTRICTS STATE OF TEXAS COUNTY OF COCHRAN

NOTICE IS HEREBY GIVEN that an election will be held on the 31st day of July, 1948 at the school building in the Lehman Common School District No. 5 of this County as now constituted to determine whether or not a majority of the legally qualified voters of said District desire that Lehman Common School District No. 5 of Cochran County as now constituted shall be consolidated with Morton Independent School District of Cochran County as now constituted for school purposes.

W. P. Houston has been appointed Presiding Officer for said election and he shall select two Judges and two Clerks to assist him in holding the same and he shall, within five days after said election has been held, make due return thereof to the Commissioners' Court of this County as is required by law for holding a General Election.

All persons who are legally qualified voters of this State and of this County and who are resident voters in said District shall be entitled to vote at said election, and all voters who favor the proposition to consolidate the said Districts for school purposes shall have written or printed on their ballots the words:

"FOR CONSOLIDATION"

And those opposed to the proposition to consolidate the said Districts for school purposes shall have written or printed on their ballots, the words:

"AGAINST CONSOLIDATION"

Said election was ordered by the County Judge of this County by order made on the 6th day of July, A. D. 1948, and this notice is given in pursuance of said order.

DATED the 6th day of July, A. D. 1948.

Here it is almost election time again—about all we have heard out of the various candidates is, "I will appreciate your vote and influence." Personally speaking we haven't any influence and only one vote but we do go strong for promises.

Seriously tho we do think each voter should weigh carefully the relative merits of the candidates and vote accordingly.

Find out (if possible) what each candidate stands for, his intentions etc—then after election if he doesn't live up to expectations you can call his hand.

The best news we've heard in sometime is that construction will start on the new Wallace Theatre within ten days.

Sorry we missed seeing Mr. Blankenship and his son when they were out here last Friday.

Sunday afternoon the Doves invited us to a movie and dinner in Lubbock. On the way over we encountered just about everything in the way of weather, including a sandstorm at both ends with terrific hail and rain in the middle. Alice did some beautiful driving through it all—of course she was aided by some very good back seat driving from the doctor.

Eddie, newest assistant to the editor, is very versatile. Sunday while reporting the baseball game he also acted as umpire for it. Morton won too.

If anyone wants to know the advantages of advertising just ask Roy Allsup, (baseball club sponsor); or Minnie Childs, who staged a big anniversary sale last week and cleaned out, or up or something. Anyway she really is pleased with her advertising.

Some gal on the Seagraves paper certainly writes a breezy and entertaining little column called, "Skirt-tales." She evidently isn't inhibited (or maybe she hasn't a spouse) as she writes in the first person singular—something the spouse here absolutely forbids.

Never have heard what the prizes were for the champion rabbit hunters on the last Lehman drive but from hints L. A. Cochran has let drop we know he would settle for a shotgun.

Wish tho that the Chamber of Commerce would distribute the prizes and then get busy on the telephone company again. We still haven't seen anything of the dial system we were supposed to get within one year, two years ago.

While we're wishing will include a country club house. That organization is apt to fall by the wayside if something isn't done to stimulate interest. We have heard several members say that they have never even been out to play golf.

Vickie Whitman Honored On 4th. Birthday, July 10

Vickie Whitman observed her fourth birthday with a party at the home of her parents, Mr. and Mrs. W. A. Whitman, on July 10. Little guests brought Vickie presents and they in turn were presented with colorfully wrapped candy as favors.

Games were played and Mrs. Whitman served punch and individual cakes decorated with candles to the guests, who were: Cathy Huggins, Jimmie, Sandra and Mary Lois St. Clair, Reva Carol and Patsy Walden, and Jimmie Porter.

Mothers attending were: Mrs. J. T. Porter, Mrs. James St. Clair, Mrs. L. E. Huggins, Mrs. Mike Walden and Vickie's grandmother, Mrs. W. K. Whitman.

What happened to Morton Homes Incorporated?

Ronald Ray and Donald Roy, twin sons of Mr. and Mrs. Johnnie Layton, paid us a visit on the occasion of their first birthday, July 2. They were all dressed up in cowboy clothes. Both are darling little blondes and have the most winsome grins.

One of our friends says that the best ten years of a woman's life are between 29 and 30—we wouldn't know.

July 13 marked the third anniversary for the brother's Ray, L. W. and Carl, here in the hardware business. Lou is off this week attending a service school. Little Lulu intended to go but decided it would be too warm for her in Dallas.

Sorry to say that several of our subscribers failed to get their papers last week. So far we haven't found the reason. Usually they ask at the post office first and are sent on over here but we get even by sending them right back.

No use worrying about life—you'll never get out of it alive anyway.

Surgery for Ward Boys Performed On Same Day

Bill Ward and Donnie Ray Ward, sons of Mr. and Mrs. A. C. Ward of Seminole, were both operated on recently for acute attacks of appendicitis at the Tombs hospital in Seminole.

The Ward family well known in this area, formerly lived in Cochran county.

Bill, who is 15, was operated on at ten a. m. and Donnie Ray, 16, went to the operating room at four o'clock on the same day. The two boys are now at home and doing fine, according to doctors reports.

The Ward's have recently added the McWhorter ranch in Andrews county to their extensive ranch holdings. The 75 section McWhorter lease in conjunction with the Higginbotham, Curry and Hudson leases brings to a total about 200 sections now being ranched by the Wards.

Mr. Ward bought approximately 2300 head of cattle from McWhorter's at the time he leased the ranch.

Farm-Home Improvements Discussed At County Line H. D. Club Meeting

Miss Mabel Ann Manley, Cochran county home demonstration agent, discussed adequate "storage" when she met with the County Line H. D. Club at the home of Mrs. K. A. Wilson on Thursday afternoon, July 1.

In her picture illustrated talk Miss Manley said, "It saves time and labor to have a certain place for frequently used items, and all articles should be returned to their places as soon as one has finished using them."

A well ventilated cellar with shelving of the proper size provides good storage space for can-

ned goods, Miss Manley said. She also pointed out the efficiency of small closets in or near the kitchen for brooms, mops and other articles used in house cleaning.

Other storage spaces recommended by the agent were adequate closets in bedrooms for clothing and bedlinens; medicine cabinets in the bathroom for toilet articles and medicines, closets and shelves in the tool shop to accommodate, paints, brushes and other odds and ends.

Mrs. Dan Tims was winner in a series of games played during a social hour. Mrs. Elvin Berry, recreation leader, offered new games ideas and requested that all members hand in a favorite game to be played.

A cake baked by Miss Lois Wilson and punch was served by the hostess to the members present.

The club will stage a bread and cake show in the very near future. Date and place to be announced later.

Four Whiteface Women Attend Kansas City Meet

Reports from four Whiteface women representatives to the national Future Homemakers Association convention in Kansas City, Missouri, indicate the association is making rapid strides toward becoming a world organization.

Mrs. R. L. Condray, Joyce Grant, Thelma Roulain, and Billie Faye Taylor all of Whiteface state that the meeting has been highly satisfactory.

Dr. Hazel Frost, national advisor of the group, spoke on the possibilities of the growing organization and her talk was augmented by reports from Hawaiian and Puerto Rican visitors who were strong for the formation of the Future Homemakers Of The World group.

One day was set aside to discuss the ways and means of promoting international good will and representatives listened to reports from Mexico, France, and Germany on this important topic. On the schedule for one afternoon was a tour of Kansas City in which the members to the convention were passengers on more than forty buses.

Sub regional meetings, a program in developing leadership, and a climaxing banquet were to follow on the agenda of activities before the convention breaks up.

L. W. RAY and BUSTER STEPHENS left Sunday for Dallas where they will attend a four day Maytag Service School.

MR. and MRS. CURTIS PETREE and son, JIMMY, have returned home this week after a four day trip to Austin.

CARD OF THANKS

We wish to thank those who sent flowers to J. G. Wilson while he was in the hospital.

Forrest Employees Entertained At Ranch Party July 4

Employees of Forrest Lumber Company were entertained on July 4 with an all day party at the Forrest Ranch near Slaton, Texas.

Horse back riding, baseball, horse shoe pitching, fishing, games of forty two and comedy movies were offered for entertainment of the guests. It is reliably reported that M. T. Beard of the local yard took his fourth of July recreation by sitting under the shade of a big tree all day and eating his fill of barbecue at the noon luncheon.

Attending from Morton were: Mr. and Mrs. Beard, Mr. and Mrs. Preacher Childs, Mr. and Mrs. Roy Turney, Mr. and Mrs. Derrell Woolen and baby daughter, Linda, and Mr. and Mrs. Howard Johnson.

Romantic Comedy To Be Shown Here Sunday-Monday

Columbia's "The Mating of Millie," a romantic comedy starring Glenn Ford and Evelyn Keyes, will open on Sunday and Monday, July 18-19, at the Wallace Theatre.

Heralded in all advance reports as the hilarious story of a girl who needed a husband quickly (and for the strangest reason!) and a guy who didn't object to marriage as long as it didn't happen to him, "The Mating of Millie" features Ron Randall and Willard Parker. Eight-year-old Jimmy Hunt, Mabel Paige, Virginia Hunter and Virginia Briscoe are also seen in key roles.

A Casey Robinson production, "Millie" was written by Louella MacFarlane and St. Clair McKelway from a story by Adele Comandini. Henry Levin directed.

Notes From County H. D. Agent's Office By Miss Mabel Ann Manley

Are you having trouble making your "food dollar" stretch as far as you think that it should? Most people are during this time of inflated food prices.

The U. S. D. A. published a bulletin in April that should help answer the problem of making that food dollar go farther. The title of the bulletin is "Money Saving Main Dishes" number AIS-69.

This little bulletin is a real jewel for the home maker who wants to feed her family on less. It gives 150 tested recipes, a chart showing the amount of each kind of meat and meat substitute that should be purchased for each member of the family, information on how to buy, how to make tough meats tender and any number of helpful hints that can be used in preparing tasty main dishes.

A large supply of the bulletins has been sent to the agent by the Extension Service, A. and M. College. To get your copy write a postal card to the agent, giving your name and address, and asking that the bulletin be sent you.

Several people in the county have been interested in a food chart that gives the number of calories as well as the vitamin and mineral content of the different foods. This past week a commercial concern shipped a number of these charts to the agent. If you would like this chart come by the office and ask

Ladeane Cravens Honored With Birthday Party

Mr. and Mrs. Clyde Cravens honored their daughter, Ladeane, with a party celebrating her 13th birthday, at their home on July 1. Games were played and refreshments of birthday cake and punch were served to the following:

Glynnia Kennedy, Jeanette Mills, Gay Sullivan, Wanda and Paula Wiley, Shirley and Jimmie Robertson, Twila Daniels, Doris Niblett, Don Lindsey, Lonnie Allsup, Waydelle Hill, Darwood Marshall, Floyd Brundregg, Dannie Key, Carolyn Folk, Shirley Arnold, Jaudine Alexander, Kerby Lackey, Ronnie Gast and the honoree, Ladeane.

the agent or the Extension secretary for a copy.

The evening of July 8 a meeting of 22 Whiteface 4-H Club members and their mothers was held in the recreation hall of the Methodist Church. "Milk Drinks" was the subject of the demonstration. Mrs. G. C. Keith and Mrs. G. W. Garrett are the local leaders for the three Whiteface 4-H Clubs. These two energetic mothers are doing a good job working with the 4-H Club girls in their community. A large number of the Whiteface 4-Hers have indicated that they plan to attend camp.

Morton Baseball Team Defeated By Muleshoe

There were few heavy heads and no excuses handed out when the Morton American Legion baseball team suffered a 25 to 10 defeat at the hands of a slugging Muleshoe nine at Muleshoe last Thursday.

The Muleshoe aggregation proved too tough for the Morton boys who kept fighting right up to the end but were unable to cope with heavy hitting, fine fielding, and good pitching. The same brand of baseball had carried Muleshoe to a 7 to 5 victory over the Lubbock "B" team earlier this week.

For one inning Burke was able to hold Muleshoe in check and Morton jumped off to a one run lead in the top half of the second but that was as far as the party went.

Muleshoe broke out with a rash of six singles in the second inning for four runs and then added three in the third on three singles and a double.

P. Williams' first home run made it 8 to 1 in the fourth inning and D. Williams and Griffiths homered in the fifth for Muleshoe.

Three walks and a single netted Morton a run in the fifth and two more passes, a double, and an error made it 10 to 4 at the end of six innings.

Morton added six runs on six hits in the last two innings including Cliff Wall's homer, doubles by Evans and Winder, and a triple by Burke but Muleshoe really put on their hitting clothes in their last two turns at bat.

Muleshoe paraded 13 men to the plate in the seventh inning and scored 8 runs. P. Williams triple and Griffith's second homer of the game were the big blows in that attack.

In the eighth, P. Williams hit his second home run of the game to highlight a seven run Muleshoe splurge. That gave P. Williams four hits, six runs batted in, and four runs scored in the game. His teammate, Griffiths, garnered five hits, batted in five runs and scored five times during the fray.

Cliff Wall, Burns and Evans had two hits apiece for Morton with Burke, Hill and Winder collecting the other three.

Totals:
Mrtn. 010012042-10 98
Mule. 04312087*-25 234

Batteries:
Burke, McDaniel (7), Hill (8) and Cotman; Sid, Taylor (3), Precure (5) and Griffiths.
Home Runs: P. Williams (2), Griffiths (2), D. Williams, and Wall.

Mrs. Hill Honored At Bridal Tea Held In Tarver Home

Mrs. R. J. Hill, nee Joyce Brisco, was honored at a bridal tea given by Mesdames R. T. Tarver, H. B. Barker, J. A. McBee, Earl Cadenhead, C. C. Reynolds, Homer Thompson, Bessie Curtis, Verney Towns and Hershel Pruitt in the Tarver home Friday, July 2nd, from six until eight o'clock.

Guests were entertained by Miss Nelda Brisco and Mrs. C. L. Taylor, pianists. Mrs. Billy Proctor, popular vocalist sang, "Because" and "When I Grow to Old to Dream". Miss Wanda Tolliver, vocal student of San Francisco, California, sang, "Cribbribin" and "Always." Mrs. Proctor and Miss Tolliver also sang a duet, "Let the Rest of the World Go By."

Mrs. J. C. Reynolds and Miss Nelda Brisco registered the guests.

Mrs. Hill's bridal colors of pink and white were carried out in a clever table arrangement. A heart shaped white cake embossed in pink with center bouquet of pink daisies and pink ribbon streamers extending from a large bow were reflected in a mirror; lighted pink tapers in semi-circle formed the background for the cake and punch bowl which was laid with a lace cloth over pink. Mrs. Melvin Childs and Mrs. Homer Thompson served.

Guests registering were: Mesdames L. A. Cochran, Gage Knox, Joe Gipson, R. D. Ormand, C. L. Taylor, J. F. Brisco, Melvin Childs, Hardie Rhyne, T. C. Hodges, J. H. Barker, Kenneth Watts, Billy Ray Proctor, W. E. Childs, H. E. Tolliver, Lem Chesher, L. M. Baldwin, J. C. Wylie, Roy Hill, John L. McGee, Roy Gunneis, Loyce Igo, George Igo, J. C. Reynolds, M. C. Ledbetter.

Misses Nelda Brisco, Mabel Ann Manley, Helen Butts, Jacklyn Crowder, Mary Graham, Yvonne Gipson, Wanda Wylie, Geneva Famuliner and Wanda Tolliver.

Out of town guests were: Mrs. Roy Tarver, Jr., Lubbock; Mrs. G. W. Kittrell and Alex and Misses Mary Lee Weston and Jeffie Ann Kittrell, Lorenza; Mrs. Albert McBride and Annette McBride, Post, Texas.
