"TEXAS' LAST FRONTIER"

MORTON, COCHRAN COUNTY, TEXAS, THURSDAY, SEPT. 23, 1948.

NUMBER 30.

Local Legion Auxiliary Wins Honors At 30th Annual Meet, Corpus Christi

Morton's American Legion Auxiliary won two awards at the 30th Annual Legion and Auxiliary convention held September 13 and 14 in Corpus Christi, Texas.

A cash award was presented to the Auxiliary for first-place in the American Study. Third place was given to the Auxiliary on the winning essay, "Our Great American Heritage—Liberty," written by Carol Niblett, a Morton High School student. First

Farmers Field Day To Be Held At Tech Friday

Farmers Field Day will be held at the Experiment Station of Texas Tech Friday, September 24, an event of special interest to farmers who use irrigation.

W. N. Williamson, District Agent, in a letter to County Agent Homer E. Thompson, said the program will start at 10:00 o'clock in the morning at the Experiment Station. The afternoon tour will begin at 1:30 and continue until about 4:00 P. M.

Visitors will assemble at the Animal Husbandry Pavilion at 1:30 P. M. Farmers will see such projects demonstrated as irrigated pastures, gated pipe, and the beef cattle, sheep, hog and dairy program. Emphasis will be placed on the artificial feeding program now being carried out at the college.

The projects carried out at Tech are scientific experiments; comparative examples of average farming methods and the advantages of better farming habits.

The irrigation project compares frequent watering with one ground soaking before planting. The tour at Tech will give farmers a view of improvements in various methods of farming.

Indian-Wildcat Game Attended By Large Crowd

One of the largest crowds ever to attend a Morton football game gathered out Friday night to see Littlefield's Wildcats take a 25-0 victory over the Morton Indians.

Sparked by spectacular end runs and passes, the visitors lived up to earlier booking as an excellent football team.

Scoring started early in the first quarter when Srygley passed to Perkins after a Morton fumble and put the pass near pay dirt. Two more six pointers were added in the second quarter when Askew made two wide end runs of 45 and 50 yards each to score. The final tally came minutes before the final whistle as Walker, Wildcat fullback, circled left end to add six more points. One try for extra point was good, making the final score 25-0.

The Wildcat passing attack was successful for most of their parade.

The Morton team, despite a 24 pound per man weight handicap, played a gallant game from the starting whistle. Their play in the second half was somewhat stronger than in the earlier period, even though nearly all the starting eleven played the full 60 minutes of the game.

Fine defensive play by the Indian line, especially Allsup, Wood and Shaffer, kept the Wildcats on wide, sweeping end plays and quick breaking passes to make their scores. During the second half Morton used a spread formation but were never able to get their passing combination to click and never seriously threatened the Wildcat goal.

One player from Littlefield suffered a broken arm and although no Morton player received serious injury, every player came out battered and bruised, testifying to their efforts against a heavier, faster team.

Starting line-up: Morton, position and Littlefield, respectively; Wilder, L. Perkins; Chapman, I. Fowler; Hill, I. Renfro; Shaffer, C. Kirk; Wood, rg. Direckson; Allsup, rt. Cotter; Williamson, re. Curran; McDaniel, qb. Srygley; Smith, lb. Bales; Yeary, rfb. Gager; Evans, fb. Walker.

Repairs On Vet's Vocational School Building Finished

Remodeling and repairs on the Veterans Vocational School building have been completed, with the exception of the plumbing and minor finishing jobs, according to Coordinator, Ermon Miller.

The building, a 20x100 army barracks type structure, was purchased from the Childress Army Air Field at 5 percent of the appraised value, costing \$37.50. Moving the building to its present location, just east of the football field on the high school grounds, cost \$475.00.

The veterans attending classes did the repair work. They partitioned the building into two separate units, the south half being a shop room and the north section being devoted to class and assembly rooms.

The students did the concrete and paint work, and under the supervision of an electrician and plumber, are doing the wiring and plumbing.

The shop is equipped with drills, bench grinders, paint spray outfit, electric and acetylene welders, an air compressor and other allied equipment. Six full sets of mechanic's tools will be added shortly.

At present there are 83 veterans taking training in the local school, many from the southern part of Bailey county. The shop is open to these veterans at any time; they have access to any of the equipment for overhauling, painting or repairing their equipment.

Four instructors, D. E. Benham, Charlie Cravy, Pegues Houston and Ermon Miller, are employed and full time with class room instructions and field demonstrations.

American Legion And Auxiliary Sponsoring Hallowe'en Carnival

Plans are underway here by the American Legion and Auxiliary for a Hallowe'en Carnival to be held at Veterans Hall. A definite date has not been set but Saturday night, October 30 seems the most likely date.

Commander Homer E. Thompson and Auxiliary President, Mrs. Jim Gast, are at present working on a schedule for concessions and entertainment for the event.

Watch the Tribune for further details.

\$100,000 Water Extension Bond Issue Carried In Saturdays Election 129-64

The \$100,000 Water Extension Bond issue carried in Saturday's election by a vote of 129-64, according to Mayor Tom McAllister.

The City Commission was scheduled to meet Monday to canvass the returns and make plans for the earliest possible construction but power failure in Morton caused postponement of the meeting.

One fact was vividly brought out by the power failure; the need for an emergency water pump motor other than electric. This motor will be installed in the very near future.

The City Commission plans to meet with the engineer within a few days and receive his plans and specifications. As soon as the

Boy Scouts To Hold Important Meeting Monday

All Boy Scouts are requested to attend an important meeting at Veterans Hall, Monday night, September 27 at eight o'clock for the purpose of re-registration.

To date there are approximately 35 members of the scout troop.

The building of a Scout Hut here in Morton is being sponsored by the Lions Club. Donations amounting to around \$400.00 and a lot for the building has been secured, the latter a gift to the scouts.

Morton's Chamber of Commerce has offered to help with funds but in all probability a public solicitation will be made. Bob Dunham, Scout Master said.

All funds solicited here for the Hut will be applied on the building and furnishings.

All boys interested in scouting are cordially invited and urged to attend this meeting at Veterans Hall, Monday night, September 27th.

Annual Fall Flower Show Sponsored By Garden Club To Be Held Oct. 5th.

The annual Fall Festival Flower Show, sponsored by the Cochran County Garden Club, has been set for Tuesday, October 5. This marks the third event of this nature held in Morton, the first two having been highly successful.

Members of the Garden Club invite all gardeners and flower lovers to participate in the show. Awards for various arrangements as well as specimen blooms are being offered by the club.

There are sections for juniors and one special section for men.

A complete schedule of the show and entries is given in another section of the Tribune. Read the schedule carefully and make plans to enter the show as well as to attend.

Morton Indians To Play Ropes At Meadow Friday

The Morton Indians will play Ropesville at Meadow Friday in a non-conference game.

Since Ropes does not have a lighted field, efforts were made to have the game played in Morton but Meadow, about five miles from Ropes, offered their field and the game will be played there, beginning at 8:00 p. m.

Ropesville lost their game to Meadow last week 13-0, yet they have a good team, boasting a triple threat 165 pound quarterback.

The Ropesville team played their scheduled home game under the lights here last year.

The Indians have an open date next week, play at Lubbock the 8th of October and have a home game with Slaton the following week. After the road game with Sudan, Oct. 22, the Indians have three home games, Tahoka, Sundown and Mulshoe.

South Plains Fair Gates To Swing Open Monday

Gates will swing open next Monday morning in Lubbock on the 31st annual Panhandle South Plains Fair which, officials believe, will be the greatest ever held in the Southwest.

If expenditures of money and effort can make a Fair great, then the one in Lubbock will be a dandy. Cash premiums total nearly \$10,000, as compared with approximately \$6,000 a year ago.

As to entertainment, never before has so much been offered in one place within so short a time in the Southwest.

The Forsythe and Dowis carnival will be operating on the mid-week day and night every day of the Fair. This is the best and biggest carnival touring the Southwest this year. It features rides rather than tent shows. The equipment is new and safe. Prices will be reasonable—half prices prevailing on Children's Days, Thursday and Friday, ranging from a nickel for kid rides and 6 cents for the merry-go-round.

The "Queen for a Day" broadcasts, one of the most popular of all radio shows, will be the grandstand attraction Monday, Tuesday and Wednesday. The program each day will begin at noon. A pre-broadcast program will last one hour. Then the show will go on the air from 1:00 until 1:30 p. m., with an estimated 25,000,000 persons listening in. The Queen each day will be chosen from among ladies in the audience. She will receive gifts worth hundreds of dollars.

The grandstand attraction will be the "Water Follies of 1948", the biggest show of its kind ever to go on tour. It will include many acts of big time vaudeville—singing, dancing, acrobatics, etc.—in addition to swimming and diving exhibitions by world champions and precision routines by a ballet of 16 Aquabelles.

P. T. A. Forty-Two Party At Neely Ward Friday Night

A forty-two party is to be held at Neely Ward, Friday, September 24, at 8:00 P. M.

The party is sponsored by the P. T. A. of the Neely Ward community. A cordial invitation is extended to every one.

Dr. Daniel A. Harrison, jr., Added To West Plains Hospital and Clinic Staff

The West Plains Hospital and Clinic announces the addition of Dr. Daniel A. Harrison, jr., to the staff.

Dr. Harrison was born in Dallas, Texas. As a child he lived in Sanderson, in the Big Bend country, and later lived at Ozona. He finished high school at Sanderson. His father and grandfather were both Texas physicians.

The doctor received his pre-medical training at the University of Texas in Austin where he received his B. S. degree. He did his medical studies along with Dr. W. S. Dove and Dr. Sam Dunn of Lubbock at the University of Texas in Galveston. After receiving his M. D. degree he did general internship at Cleveland City Hospital, Cleveland, Ohio. Returning to Texas, he was the surgical assistant to Dr. W. B. Russ, surgeon of San Antonio, for a period of two years. After that, he entered practice with Dr. J. Kopecky, heart specialist of San Antonio and continued with him for a number of years. While with Dr. Kopecky, Dr. Harrison went to Harvard Medical School and studied under Dr. Paul White, famous heart specialist of Boston and Harvard University.

During the 8 years prior to the war, Dr. Harrison was in Kingsville where he was Chief Surgeon for King's Ranch, Chief Surgeon for Gulf Coast Lines of Missouri Pacific, as well as being in private practice.

While in Kingsville, Dr. Harrison pursued post graduate studies in medicine and heart diseases at Cook County Hospital in Chicago.

Dr. Harrison entered the Army before Pearl Harbor and served in the Medical Corps, holding the rank of Major, during the war. During the second year of the war he was assigned to New Orleans to do special work in Surgery at the famous Oschner Clinic.

The doctor thought to locate permanently in Midland, but the construction of the proposed new hospital there was stopped and he decided to accept a position on staff of the local hospital.

Pep Rally To Be Held Tonight On Court House Lawn

A Pep Rally will be held on the Court House lawn tonight, commencing at 8:00 o'clock.

The band and pep squad will assemble at the Band Hall at 7:30 this evening and march to the square.

This rally has a two-fold purpose: to increase public interest in school sports and to present the public with an evening of entertainment.

Every one is invited to join the rally.

Mrs. Riley Duff, Lubbock, Scheduled To Install Auxiliary Officers Sept. 30

Installation of American Legion Auxiliary officers will be conducted here at Veterans Hall next Thursday night, September 30, by Mrs. Riley Duff, Lubbock. Mrs. Duff is a past president of the Lubbock Auxiliary.

In accepting the invitation to install officers Mrs. Duff said she appreciated the honor and would bring other members of the Lubbock Auxiliary with her for the installation.

The meeting Thursday night will be a joint one with the Legion. All new and old members will be admitted free to the installation and supper upon presentation of 1949 membership cards. Memberships paid at the door that evening will also be accepted.

Entertainment and food is being arranged by the Legionaires in cooperation with the Auxiliary, according to Mrs. Jim Gast, local Auxiliary president.

Auxiliary and Legion members urge all old and new members to pay their 1949 dues on or before September 30.

Bake Sale To Be Held By Pep Squad Saturday

Members of the Pep Squad will hold a bake sale at Smith's Furniture Store, located on the northeast corner of the square, Saturday morning beginning at ten o'clock.

Funds realized from the sale will be applied on uniforms for the pep squad. The uniforms will be the property of Morton school.

Cox Announces Opening Of Used Car Lot In Morton

Willard Cox, owner of the local Ford agency, announces the opening of a used car lot.

The lot is located across the street north from the Ford building. A large, modernistic sign, has been erected and the used cars are on display.

Most of the cars are trade-in vehicles from this area, Mr. Cox said. Buyers of these cars are assured that the cars will be as indicated by the salesman.

Wesleyan Service Guild Meeting Sept. 27th

Wesleyan Service Guild will meet in the home of Mrs. Carl Alexander, Monday night, September 27th.

Needed Moisture Received Here Monday Evening

A heavy thunder shower late Monday afternoon and evening brought much needed moisture to about half of the county. The rain was preceded by high wind and a little hail, but no appreciable damage resulted.

Reports indicate that the southern half of the county received from one to two inches of rain. The northern and extreme western portions of the county received very light showers. The rain began in Morton about 5 P. M. and a light mist continued until mid-night. The official gauge at the Soil Conservation District's office registered 1.04 inches.

Monday's rain brought the month's total to an even 2 inches. September 8 rainfall was gauged at .96 inches.

The rain will help feed especially and will cause young cotton bolls, to mature unless an unusually frost occurs.

Highlights From Soil Conservation District Office

Fred W. Collins

Mr. E. P. Farmer, who lives five miles west and five miles north of Morton, recently overseeded approximately fifty-five acres of depleted range land to Weeping Lovegrass. Mr. Farmer has 120 acres in sudan, that will be either grazed or combined, which will also be seeded to Weeping Lovegrass. This particular land is sandy in nature and is extremely hard to hold.

C. H. and M. A. Silvers have seeded fourteen acres, just east of Morton, to permanent pasture, consisting of a mixture of Perennial Rye, Alta Fescue, Bromegrass, Orchard grass and Clover. They are using a sprinkler system irrigating this pasture and have an excellent stand of grass.

Mr. R. H. Wardrop, who lives two miles east of Morton, has leveled, bordered and reseeded four acres to permanent pasture and three acres to alfalfa. Both Wardrop and Silvers used clover in their mixture rather than alfalfa.

Merle and Vern Roberts, who live just east of Morton, are re-seeding five acres to permanent pasture this week, as well as twenty-five additional acres to alfalfa. All of their land has been leveled and bordered.

Mr. E. D. Courtney, who lives northeast of Morton, inoculated and broadcast seeded approximately fifteen acres of cotton to hairy vetch for winter cover and for soil building purposes. After broadcasting the seed Mr. Courtney followed with a cultivator to cover the seed. Irrigation water will be applied during the winter if needed.

Applications have been received recently by the Cochran-Yoakum-Terry Soil Conservation District at Morton from the following farmers: J. N. Burnett, Bill Daniel, C. B. Newton, B. O. Hurley and James St. Clair.

New co-operators of the District who have worked out a soil and moisture conservation plan on their respective farms are: T. T. Smith, Daniel Kern, A. J. Fulton, Bill Daniel, Arvel Snodgrass, Philip Simmacher and David A. Ramsey.

The C.Y.T. Soil Conservation office at Morton recorded .96 inch of rain on September 8 and 1.04 inches on September 20.

Officials Making Effort To Prevent Traffic Law Violations In Morton

Mayor Tom McAllister sounded the keynote Tuesday in a concentrated effort to prevent traffic law violations in Morton.

"Sufficient city ordinances exist to prevent traffic violations in the City, and these ordinances are going to be enforced, with partiality shown no one.

With our school children on the

streets, it is more important than ever that safe driving be practiced by every individual. We are going to protect those children and reckless drivers will be prosecuted to the extent of the law; a stiff fine, jail term and suspension of drivers license."

The Mayor added that curb parking marks will be extended into the streets a sufficient distance to enable drivers to park at the prescribed angle.

The traffic laws were designed to protect every driver and violators are deliberately endangering the lives of themselves and others as well. Ignorance of the law is no excuse; every driver possessing a license must have sufficient knowledge of the laws to enable him to secure this license.

More people die from automobile accidents than from any other cause, a fact that proves that the automobile is the most potent weapon of destruction known to man when driven recklessly.

Group Determines Where New Pipe Is To Be Installed, Assuring Maximum Benefit To Citizens Of Morton, A Call For Bids On The Actual Construction Will Be Issued. Construction Is Expected To Begin Last Of The Year.

The group determines where the new pipe is to be installed, assuring the maximum benefit to the citizens of Morton, a call for bids on the actual construction will be issued. Construction is expected to begin last of the year.

Bynum Spoke On "Fire Fighting" At Lions Meeting

L. O. Bynum, A. and M. Extension Service, was presented to the Lions Club last Wednesday by R. C. Strickland, program chairman. Mr. Bynum spoke to the group on "Fire Fighting." In closing his talk he praised Morton's volunteer fire department for their efficient handling of local fires.

C. M. Cravy, vice president, presided for a short business session, in the absence of Zeke Sanders.

Fred Stockdale, local lawyer, L. O. Bynum and Harold C. Miller, manager of Slaughter Farms were introduced as guests.

Members present were: Scott Hawkins, Al Wolfenberger, L. E. Huggins, G. W. Thompson, J. B. Knox, Bud Nairn, Roy Hickman, James St. Clair, Carl Ray, Andrew Essary, R. D. Ormand, Earl Crum, G. C. Sanders, M. T. Beard, Tom Arnn, jr., Murray Crone, Floyd Smith, Lloyd Allsup, T. K. Williamson, Jack Rice, M. C. Ledbetter, P. B. Ramby, T. L. McAllister, Jack Bullard, Walter Taylor, C. M. Cravy, Willard Cox, E. H. Timian, W. C. Wright and David Todd.

Cub Scout Pack Organized At Meeting Sept. 14

In an organization meeting held at the junior high school, Tuesday, September 14 a Cub Scout Pack for Morton was organized under the direction of Frank Atkinson, Levelland, Scout Councilor for this area.

M. C. Ledbetter, C. M. Cravy and R. C. Ross, Cub Scout committee men, were responsible for the attendance at this meeting and the Parent Training program. Mr. Atkinson spoke to the group on "How of Cubbing, and Parents Part in Cubbing."

Mr. Elmo Smith, junior high school instructor, provided a meeting place in the school for the monthly pack meeting.

Tom Rowden is Cubmaster, assisted by C. M. Cravy and J. D. Hawthorne. Den mothers are Mrs. Elra Oden, Mrs. J. D. Hawthorne, Mrs. Scott Hawkins and Mrs. John W. Tice.

Den Dads are M. B. Swanner, John Tice, Scott Hawkins and Elra Oden. Den Chiefs are Clinton Oden, Ben Allsup, Joe Carothers and Wayman Marshall.

Other parents attending the meeting were: Mrs. Bob Ramp, Mrs. Llovd Kennedy, Mrs. O. C. Burns, Mrs. Olen Harris, Mrs. Bertha Williams, Mrs. Iva Williams, Mrs. Paul Arnold, Mrs. Ray Sheppard, Mrs. Mitchell; A. H. Hancock, W. H. Purifoy, Mr. and Mrs. O. H. Horton, Robert G. Houghton and J. M. Gast.

Cub Scouts registering were: Gwendell Williams, Harold Burns, Hershel Hancock, Ronald Lindsey, Davy Mitchell, Tommy Hawkins, Ronny Paul Arnold, Truman Harris, Gerald Davenport, Daulton Oden, Sam Drum, Clyde Lindsey, Sherman Hawthorne, Bobby Ramp, Dean Williams, Charles Tichenor, Jessie and Jerry Purifoy, Kenneth and Eugene Swanner, John W. Tice, Jr., Othel Minor, Leon Buchanan and Dick Kennedy.

The regular den meetings start Thursday, September 23 and will meet regularly each week thereafter from four until five-thirty in the afternoon.

RECEIVED TREATMENT

Sammy Gast, younger son of Mr. and Mrs. Jim Gast, has been taking treatment this week for a throat ailment at Phillips-Dupree hospital, Levelland.

Fall Festival Flower Show Sponsored By Garden Club Scheduled October 5

The third annual fall flower show sponsored by Cochran County Garden Club is scheduled for Tuesday, October 5. Below is listed rules and regulations governing entries, judging and awards. Read the rules carefully and begin making plans now for arrangements and flower specimens for the show.

Rules and Regulations

- Follow the schedule—the judges will.
1. Exhibits may be entered from 9:00 a. m. to 11:30 a. m., October 5. Positively no entries received for competition after 11:30 a. m. Early entries will greatly facilitate work of committees.
 2. Exhibits must be given to entry committee at front door. No one allowed in exhibit hall but staging committee until public opening.
 3. Exhibitor must know section and class to which his exhibit belongs before registering them with entry committee.
 4. Exhibitor may have but one entry in each class or class section but may enter as many classes or class sections as desired.
 5. All entries must have been grown in Cochran County unless otherwise stated.
 6. Material entered in Cultural Classes must have been grown by exhibitor.
 7. All containers must have owners name on bottom. Owner is responsible for own property.
 8. No visible wiring or tying of stems allowed.
 9. Foliage other than that belonging to plant, or accessories is prohibited unless definitely stated.
 10. Judges will give favor to named entries.
 11. In case of a tie, Judges will give extra points for fragrance.
 12. Entries which do not conform to schedule will be disqualified.
 13. Exhibits may not be removed until show is over.
 14. Show opens to public from 2:00 p. m. to 5:00 p. m. and from 7:00 p. m. to 10:00 p. m., October 5th.

Follow the schedule.

- SCHEDULE**
- Cultural Classes:**
- Section A—Roses. Stem 12" or longer.

100,000 Square Feet of Grain Storage Available At SPAAF Near Lubbock

In answer to an inquiry by the
County Agent, Charles M. Bus-
hick, Chief, Non-Industrial Divi-
sion of War Assets Administra-
tion, Dallas, stated that storage
space is available at the South
Plains Army Air Field, Lubbock.
The individual farmer may lease
small buildings with concrete
floors or he may store his grain
with one of the three grain deal-
ers who have leased large stor-
age space.

More than 100,000 square feet
of grain storage space are still
available at the South Plains
Army Air Field near Lubbock de-
spite leasing of several of the
larger buildings this week, the
regional office of War Assets Ad-
ministration reported.

Duncan D. Myers, official in-
charge of the WAA program for
emergency use of government
facilities in alleviating a critical
grain storage situation in the
southwest, said that fourteen of
the installations larger buildings
are available to bonded ware-
housemen, agricultural cooper-
atives and other organizations. In
addition, he said, many of the
field's smaller buildings have
concrete floors and will be suit-
able for storage by individual
growers of the South Plains area.

Myers announced that leases
are being completed for eight
warehouses in behalf of the Lub-
bock Grain Storage company.
One small hanger is being leased
by Wayne George of Anton, Tex-
as, and another is being claimed
by the Herman Dawson Grain
company. Other applications for
leasing are being received daily
by the WAA regional office for
the South Plains field area and
for Pantex Ordnance plant near
Amarillo.

Ft. Sam Houston Is Employing Nurses-Dentists

Because of the needs of the ex-
panding army, Brooke Army
Medical Center at Fort Sam
Houston, Texas, is employing
nurses and dentists to fill exist-
ing vacancies in Brooke General
Hospital.

Thirty registered nurses are
needed for general duty in the
hospital and eleven dentists for
the practice of general dentistry
in the hospital clinics, according
to Lt. Col. F. H. Gibbs, director of
personnel at the Center.

Registered nurses, who are
graduates of a three year resi-
dential course at an approved
school of nursing or a two year
course with education or experi-
ence totaling another year, may
qualify for the federal civil ser-
vice position as P-1, with a mini-
mum salary of \$2,974.80 per year.
Licensed dentists of Texas
qualify for positions of P-4 at an
annual salary of \$5,232.00.

Colonel Gibbs invites qualified
persons to inquire of the civilian
personnel section, Headquarters
Building, Brooke Army Medical
Center, Fort Sam Houston, Texas,
telephone Cathedral 8411. Exten-
sion 2614, either in person or by
mail.

ROBERT C. WEED ENLISTS IN U. S. ARMY FOR 3 YEARS

Robert Charters Weed, II, son
of Mr. and Mrs. Robert C. Weed,
Box 353, Morton, enlisted in the
United States Army for a 3 year
period in the grade of Recruit.

Recruit Weed was sworn into
the service on September 14, 1948.
He departed for the 4th Infantry
Division, at Fort Ord, California
where he will receive his basic
training, and upon completion of
this training he will be assigned
to a tactical unit for specialized
training.

The agency will arrange leases
at the rate of one cent per square
foot of space per month, one
month rental payable in ad-
vance. Grain men may inspect
facilities at the South Plains field
by contacting Mr. Ray B. Salter,
WAA facility manager on the
grounds.

It was emphasized that the
WAA is cooperating fully with
the Commodity Credit Corpora-
tion in making leases.

These buildings meet all re-
quirements specified by the gov-
ernment for grain going into the
loan. At the present price of
grain, about \$2.00 per hundred,
the farmer is wise to store his
grain and accept the loan value
of \$2.28 per hundred.

"Soapless Suds" Find Wide Favor With Housewives

The "soapless suds" or synthe-
tic detergent powders have found
wide favor with housewives, as
they are generally excellent oil
and grease removers. They are
especially good for washing
greasy pans and dishes.

Mrs. Bernice Claytor, extension
home management specialist for
Texas A. and M. College, says
that this advantage—of dissolv-
ing grease—is not so good in
washing linoleum, paint or furni-
ture. "Detergents draw out the
oil, causing finishes to dry out,"
she points out. "Oil is an essen-
tial ingredient in linoleum and
oil paint."

Even ordinary soap will have
a drying effect on linoleum and
paint and should be carefully
rinsed off, Mrs. Claytor says. She
particularly warns against the
use of grease solvents on linole-
um.

"One of the best ways to keep
linoleum in good condition," Mrs.
Claytor concludes, "is to wax it
frequently. Wax restores the es-
sential oils and puts a protective
finish on either linoleum or furni-
ture and should be used often."

LUBBOCK VISITORS

Dr. and Mrs. W. S. Dove and
Mr. and Mrs. Carl England at-
tended a movie and dined at
Hector's restaurant, Lubbock,
Sunday evening.

ON VACATION TOUR

Mr. and Mrs. E. E. Alexander,
U. S. and Esten are touring sev-
eral of the western states on a
vacation tour.

Enroute to California they
visited Boulder Dam and Grand
Canyon. They expect to return by
way of the great northwest.

MRS. L. W. RAY spent several
days in Oklahoma City last
week. She returned home Tues-
day.

Agricultural Notes

Texas fertilizers sales for the
fiscal year of 1947-48 amounted
to 451,132 tons. This compares
with 1936-37 sales of nearly 85-
000 tons, 116,307 tons in 1939-40,
and over 400,000 tons in '46 and
'47.

The new "soapless suds" . . .
many of which were developed
during the war . . . are fine for
washing grease off pots and
pans, but are not recommended
for linoleum, paint or furniture.
These "soapless suds" draw out
the oils in woods and wood fin-
ishes, thus causing their drying
out.

"Feed the land and fatten the
crops" is a good slogan for Texas
farmers. And by feeding the land,
agronomists mean planting well-
inoculated and fertilized legum-
es. Legumes supply plant food
and add organic matter to the
soil.

Newcastle disease is a virus
affecting the nervous system and
breathing system of chickens. It
may also affect turkeys, pheas-
ants and pigeons.

West Texas Irish potatoes are
shipped to Oklahoma, Louisiana,
New Mexico, Mississippi, Wiscon-
son, Kansas, Illinois, Iowa, Mis-
souri, Ohio, Arkansas and Ten-
nessee.

Holes bored in the top and bot-
tom sections of the doors of
cleaning closets will provide
ventilation.

Poultry Flocks Being Attacked By "P-E" Disease

Texas poultry flocks are being attacked by a fairly new disease for this area. It's called Newcastle disease or "P-E" disease. Newcastle disease may affect chickens, turkeys, pheasants, pigeons, and maybe even quail, says Dr. W. C. Banks, extension veterinarian of Texas A. and M. College.

First diagnosed just two years ago in Texas, it has been reported in nearly all parts of the state since then.

"P-E" disease is a virus. It moves around from one bird to another by contact, feed, water, air, and probably through the egg. Lice and mites may also be carriers, as well as recovered birds.

The disease often shows up first in the young chicks, and about the first thing you'll notice is a breathing disturbance something like bronchitis. Then, from two to five days later, nervous symptoms begin to show up. You might not notice the bronchitis, says Dr. Banks, but you probably won't miss the paralysis of the birds. Most often it's in the legs, wings or neck. And when the disease paralyzes the neck, there is a twisting or corkscrew appearance. Sometimes the neck turns upward or is twisted down between the legs.

If any birds in your flock show any of these symptoms, better call a veterinarian right away. He can tell you for sure if it's Newcastle disease. In flocks four to five weeks old, there may be around a 20 percent death rate. With younger birds it's higher, and with older ones it won't be that much.

In laying flocks there may be only a few deaths, but you'll notice a few drop in egg production for three or four weeks.

Social Security Official To Visit Morton Sept. 30

Elliott W. Adams, Social Security Administration Representative, will be in Morton, at the U. S. Post Office, at 11:00 a. m., on Thursday, September 30, for the purpose of answering any questions you may have on social security; discussing possible benefits; and taking applications for social security account number cards.

Every worker should show his social security card to each employer when starting to work and be sure he copies the full name and account number correctly on his time book. This is especially important now, as often men are hired in a hurry, and a person may work for a number of different employers during a year.

CHARLES CASH ENLISTS IN U. S. ARMY; SERVING AT FT. ORD

Charles Douglass Cash, son of Mr. and Mrs. Jerome M. Cash, Box 36, Morton, enlisted in the United States Army for a 3 year period in the grade of Recruit.

Recruit Cash was sworn into the service on September 14, 1948. He departed for the 4th Infantry Division, at Fort Ord, California where he will receive his basic training, and upon completion of this training he will be assigned to a tactical unit for specialized training.

Why is the **GAS** Refrigerator Texas' growing favorite?

Only Servel gives you a 10 year guarantee

Only Servel **STAYS SILENT LASTS LONGER**

EVERYWHERE, more and more Texas families are discovering . . . you get the biggest refrigerator value in the famous Servel Gas Refrigerator. For Servel—and no other refrigerator—guarantees silent, trouble-free performance for ten years!

The secret? It's Servel's different, simpler freezing system—with no moving parts. No machinery that can wear, no motor, that can get noisy. A tiny flame of natural, butane or propane gas does the work. So Servel stays silent, lasts longer. (In fact, thousands of America's more than 2,000,000 Servel owners say their Gas Refrigerator is still doing its job after twenty years!)

You'll be delighted with Servel's new features, too. There's every one you've wanted for keeping fresh and frozen foods. Choose your Gas Refrigerator today.

Operates anywhere ON NATURAL, BUTANE OR PROPANE GAS

STAYS SILENT...LASTS LONGER **Servel** The GAS Refrigerator

SERVELS IN 4, 6 AND 8-FT. SIZES NOW AVAILABLE.

C. D. Ray

-- **annegrams** -- by ann england --

After a five day absence we came home to find hardly anything changed. Did notice a new red and yellow paint job on the fire plugs around the square.

Several people said, "Where have you been, haven't seen you in two weeks?" We hope they really feel that way and not as they do about a certain person of whom it is said, "she makes one hour's visit seem like a week." Meaning of course that we'd like very much to be the type who's presence makes time fly and who's absence makes time drag.

The spouse and three Bills really did a super-duper job on the Tribune—they got out ten pages in record time; a mighty good looking paper we might add. And all the time we had a guilty feeling about going off and leaving them.

However we believe in the value of an occasional "sabbatical separation" of married couples, in which each partner plans a little vacation for himself, and carries out his plans without interference from the other.

Pretty little Odessa Williamson is now employed in Cobb's ready-to-wear department and we'd like to bet that she makes an excellent saleslady.

To date we haven't had the pleasure of meeting Mrs. Fred Stockdale but those who have say she is most attractive, clever and talented.

We always meet the most interesting people and on this last trip we were charmed with Dr. Harry Rubin of Waco. Dr. R. has been with the Veterans Administration there since its inception. He has a sporting sense of cheerfulness, lovely manners and is kind and gentle.

In our opinion (not that anyone has asked for it) a gentle person is one who is more concerned about the other fellow's dignity than his own. He has no need to concern himself about his own dignity; he has it. And he is always careful not to put another person at a disadvantage.

Dr. Rubin asked us to convey greeting to Dr. W. S. Dove, Chief of Staff here at West Plains Hospital. Dr. Dove was at one time associated with VA.

We also brought greeting from Attorney General Price Daniels to M. C. Ledbetter. At one time Mr. Daniels, Led and our good friend,

Jake Smyth of Liberty were in school together.

We have never known Price well as he was in the service during the time we lived in his neighborhood but we did become quite well acquainted with his sister, Ellen Virginia and their mother, Mrs. Nannie Daniels.

Governor Jester didn't send greeting to anyone but he might have if we had talked with him.

We didn't confine ALL of our conversation to the men folks either. One of the nicest persons we met was Miss Elizabeth Newell who lives alone and likes it.

She isn't extremely young but neither is she old and despite a heart ailment (this she told us) she retains a blythe spirit and interest in people. She is not only interested but interesting.

As usual we were talking when we should have been listening and no less than five persons asked for copies of the Tribune, probably to find out if it is as good as we said. After listening to us brag, some one finally inquired if we were attending the Auxiliary convention or pushing circulation for our paper.

Mr. and Mrs. Fletcher Richardson of Silsbee seemed just a little sceptical, so to prove our point, we mailed a few back copies to them. He is a lawyer (probably with political ambitions) and she a very lovely and gracious lady.

Danny Ferguson, and his society orchestra, playing nightly in the Morocco Room at hotel Driscoll enchanted us with dinner-dance music.

The Driscoll is an imposing structure, magnificently furnished but a trifle on the aloof side. Before the Auxiliary concluded business on Tuesday the management asked them to vacate the Terrace room and we heard that a couple of entertainers were asked not to sing in the coffee shop. We know for a fact the same singers were welcomed everywhere else they appeared.

About the most flattered we've ever been was when Buddy Clements picked us out of the crowd in the Morocco Room and asked us to dance.

Buddy, a professional dancer, and his girl friend, a model for "The Fashion" store in Houston, very often put on exhibition dances at the Rice Hotel ballroom. To say we were pleased at this attention is a mild understatement.

Much to our regret we missed meeting A. Garland Adair, an old friend and business associate of the spouse. We learned too late that he had been to the convention and gone. Mr. A is state historical curator. We have had some very interesting and encouraging letters from him.

Knowing the spouse and having met any number of his friends we know A. Garland is of top-quality—we have yet to meet anyone who has ever been remotely associated with the spouse who wasn't strictly upper-crust.

Expect about the only time he slipped up was when he chose us but we will say he puts up with our peccadillo's beautifully.

Unless we are mistaken Bro. Wright will be in as soon as he reads this column to lecture us on "the wages of sin." We have the darndest arguments with him on beer and dancing—we don't like beer either but certainly hope Bro. W. doesn't find it out.

Noticed the Tom Mather's driving a new Cadillac and the Lem Chesehr's a Buick. Isn't that nice?

A state of cheerfulness is like jam; it is difficult to spread without getting some on yourself. It is dependent not on position, but on disposition.

**Smart Convertible in Wool—
For Men and Boys**

Here's a man's idea of real outdoor comfort—a smart jacket of 100% Emberglo wool with a convertible collar. Wear it open, or zip it up to form a turtleneck. It's Monarch-built—and that means top quality, fine workmanship and extra wearability. It's shrink-controlled, too, by the Lanaset-resin process. This wonderful value comes in a choice of colors. For men and boys.

Childs
"One Person Tells Another"

The world is not tied together by ropes!

A crazy sort of world it would be if everything had to be fastened to it.

Nor are Baptists held together by artificial devices.

It would indeed be a crazy sort of Christian denomination that had to be tied in place—like a church held in check by the decree of some council; there a preacher lashed in place by the order of some diet; yonder a man whipped in line by the threat of ecclesiastical authority.

What is it then that gives unity to Baptists? They have no organization of authority to compel loyalty. What is the secret of their strength?

The law of gravity to Baptists is the love of

Christ. This is the magnet which pulls them together. Or, to state it another way, it is the recognition of the supreme authority of God and common obedience to Him.

Baptists for expediency's sake are not willing at any point to substitute man's authority for God's Word.

For instance

• They will not make the Lord's Supper a communion for fellowship, but insist that it must be, as taught in the Bible, a memorial of the sacrifice of Christ engaged in by baptized believers.

• Nor will they change the form of baptism for the sake of convenience, but rather accept the plain Scripture teaching as to its mode and meaning.

And certainly they will not depart from God's Word as to the terms of salvation—

which they know can never be earned either by good works or by ceremonies, nor by a combination of both. Salvation is received individually by each believer as a free gift of God's love.

The sense of oneness which holds Baptists together is within.

It comes from an acceptance of God's authority, belief of the truth, a common affinity for the great drawing power of the crucified Christ, in whom they have individually and personally trusted for eternal salvation and whose will they seek to do.

We Have A Mission

The love of Christ constraineth us.—2 Cor 5:14.

ENLISTS IN U. S. ARMY

Elmer Pevey, son of Mr. and Mrs. James C. Pevey, General Delivery, Maple, Texas, enlisted in the United States Army for a 3 year period in the grade of Recruit.

Recruit Pevey was sworn into the service on September 16, 1948. He departed for the 5th Infantry Division, Fort Jackson, S. C. where he will receive his basic training, and upon completion of this training he will be assigned to a tactical unit for specialized training.

Jesse R. Bond Post American Legion Regular Meet Held

Jesse R. Bond Post American Legion of Morton held their regular bi-monthly meeting Thursday night, September 16 at Veterans Hall.

Homer E. Thompson, post commander, reported on the department convention held in Corpus Christi September 11, 12 and 13. Plans were made for a membership drive with 300 members set as the goal for this year. Each member is urged to get at least one new member for 1949.

Thursday night, September 30, the Legion and Auxiliary will hold a joint meeting for installation of 1949 Auxiliary officers, Thompson announced. A "free feed" will be served to all members of the Legion and Auxiliary who have paid 1949 dues, or to all members who pay their dues that night, Thompson said.

Every veteran in Cochran County is extended a cordial invitation to join the Legion. Any member of the organization is prepared to take new memberships.

Regular Meeting Held By County H. D. Council Sept. 14

The County Home Demonstration held its regular meeting September 14. A report was heard from the Year Book Committee on the interesting program planned for the coming year.

Committees elected for the bread show, which is to be held October 9, is as follows:

Sales Committee: Mrs. Francis Cunningham, Mrs. O. B. Huckabee and Mrs. Don Timms.

Arrangement Committee: Mrs. M. R. Chandler, Mrs. W. G. Freeland and Mrs. V. V. Williamson. Judging and Registering: Mrs. B. E. Webb, Mrs. K. P. Wilson and Mrs. P. E. Lyles.

Publicity: Mrs. J. W. Cunningham, Mrs. Charlie Sanders and Mrs. E. C. Berry.

Every Council member is urged to be present at the Annual Council Meeting, to be held in the County Court room at 3:00 p. m. October 12.

Vows Read For Jean Rogers and Tommy White

Miss Jean Rogers, daughter of Mr. and Mrs. J. A. Lee of Leveland, and Tommy White, son of Mrs. Bertie White of Morton, exchanged wedding vows at 9:35 Tuesday evening in Amarillo. Rev. Hatchett, pastor of the First Baptist Church of that city, read the single ring ceremony in the church parlor.

The bride was attractive in a brown gabardine suit, brown suede accessories and a corsage of white gardenias.

Mrs. Preston Trower of Leveland was maid of honor. She wore a pink gabardine suit, gold accessories and a gardenia corsage.

Preston Trower served the bridegroom as best man.

Mrs. White attended Lampasas schools and Mr. White attended Morton schools. The couple will reside in Leveland, where he is employed with the Wallace Theaters.

CARD OF THANKS

We wish to extend our sincere thanks and deepest appreciation to those of you who helped during the reburial of our son, Ray Cox.

We especially appreciate the services of Mr. and Mrs. L. W. Barrett, the flowers, the food brought to our home, preparation of the grave and the Veteran Pall bearers.

We are most grateful to everyone for everything done for us. May God's richest blessings be upon you.

Sincerely,
Mr. and Mrs. S. T. Cox and family.

BEVERLY PRICE RETURNS TO DELAWARE AFTER VISIT HERE

Miss Beverly Price returned by plane Monday night to her home in Wilmington, Delaware, following a three weeks visit here with her parents, Mr. and Mrs. L. L. Price.

Miss Price is employed as a research scientist in the Du Pont Laboratories in Wilmington.

CARD OF THANKS

We wish to thank everyone for their kindness, their words of sympathy and gifts of flowers, during the reburial of our loved one.

May God reward you for this kindness.
R. H. Wright, Stephens and Bell families.

RETURNS HOME FROM CALIF.

Edgar Ward, son of Mr. and Mrs. J. R. Ward, arrived home this week from California, where he spent the summer attending U. C. L. A.

Edgar met classes Monday morning at Texas Tech, where he will be a senior this year.

ENMC Greyhounds To Play Panhandle A. and M. Sept. 25

Prospects for a strong defensive line were seen as the Eastern New Mexico Greyhounds went through their first scrimmage under game conditions. But the team's offensive needs lots of polish before the first game with Panhandle A. and M. at Portales Sept. 25, Coach Al Garten says.

"We feel pretty good about the way the boys performed," Garten remarked after the rigorous workout, "but the backfield fumbled quite a bit and, of course, we will have to overcome that."

This week will be filled with drills designed to improve timing of plays and offensive blocking.

The full-fledged scrimmage session, three hours under a hot summer sun, gave the coaches a good idea of the merits of all 56 varsity candidates. Garten says a number of changes are in order this week. Some linemen may move into the backfield and a few backs may perform in the forward wall.

Kenneth Willis, a Morton sophomore will be outstanding in the

ATTENDED FOOTBALL GAME

Mortonites attending the college football game in Lubbock last Saturday night included: Mr. and Mrs. M. C. Ledbetter, Mr. and Mrs. J. D. Hawthorne, Mr. and Mrs. Scott Hawkins, Mr. and Mrs. Courtney Sanders, Mr. and Mrs. W. W. Williamson, Hume Russell and P. B. Ramby.

passing department. Willis, who did the tossing last year from the tailback spot, has moved up to quarterback for this campaign. Other capable chuckers are B. B. Lees, Big Spring, Texas, halfback; Bob Pitt, Mattoon, Ill., quarterback, and Paul Giska, Mattoon, fullback. All are freshman newcomers to the squad.

Tel Wallis, Ken Moore, and Ken Livingston, all of Portales, and Rex Ormon, Borger, are ends expected to carry the burden of the pass receiving chores. All are returning lettermen.

ATTENDED LIONS CLUB ZONE MEETING IN BROWNFIELD

Zeke Sanders, president of Morton Lions Club, David Todd, Secretary, Carl Ray and Al Wolfenberger attended a Lions Club zone meeting in Brownfield Tuesday evening.

WEEK-END IN HOT SPRINGS

Mr. and Mrs. W. L. Foust, Jr. and children, Thetis and Billy, of Maple, and Mr. and Mrs. O. B. Tyler, of Morton, spent the week-end fishing at Hot Springs, New Mexico. They brought back two large fish, one weighing 58, the other weighing 30 pounds.

H. Russell Home Scene Of 1936 Study Club Meet

The 1936 Study Club met at the home of Mrs. Hume Russell, Wednesday, September 15th, for the regular meeting.

After the Club Collect, Mrs. Raymond Ross, President, conducted the business session, during which, Mrs. F. F. Roberts was accepted as a member of the Club, and the resignation of Mrs. Truman Doss, from the club was accepted.

A committee was appointed to investigate Home Talent, for an Art Exhibit, to be sponsored by the club.

Mrs. Jess Burns, leader of the program, gave an interesting talk on "The Primitive Home" followed by Mrs. Joe Gipson, "Your Home in Relation to its Environment," and Mrs. J. A. Gowdy "The Housing Shortage." A Round Table discussion, led by Mrs. Jess Burns followed the program.

Refreshments were served to sixteen members: Mesdames Raymond Ross, J. D. Hawthorne, H. S. Hawkins, J. E. Knox, Scott Hawkins, J. A. Gowdy, Jess Burns, R. C. Strickland, Elizabeth Greer, P. B. Ramby, Luther Hargrove, James St. Clair, Pat Hatcher, Joe Gipson, M. C. Ledbetter, Hume Russell; and four guests: Mrs. Arnel Timian, Mrs. Winnie Jordan, Mrs. W. W. Williamson and Mrs. Fred Stockdale.

MAPLE NEWS

Three-Way Eagles lost their first football game.

Three-Way is proud of the 1948 graduates, four of the six students are now attending college. From where I sit... by Joe Marsh

Nicest Compliment I've Had

One of the nicest comments I've received about this column was from an editor in the Middle West I called on. And while I don't like to give myself orchids, I think it illustrates a point.

"Joe," he said, "it so happens I don't agree with everything you say, but I always like to run your column. Because it gets down to earth and talks about the right to disagree. And it only asks for tolerance towards the other person's point of view."

He went on to explain, by way

of illustration, that he never had happened to have a taste for ale or beer. But that when I spoke of the right to enjoy a moderate beverage like beer, well, he was right there with me!

And from where I sit, that's the important thing: not whether you share another person's tastes or point of view—but whether you recognize his right to exercise a free choice in a free land.

Joe Marsh

Plan Your Home...
 around these Electrical aids
 to Better Living

Whether you're planning to build or remodel, electric aids to better living are a "must" to today's modern home planners.

You'll want to plan your home around handy, work-saving electrical appliances—cool attic ventilation, an efficient, economical all-electric kitchen.

And all through the house make sure there is Adequate Wiring, and plenty of electric outlets for radios, lighting, fans, vacuum cleaners—all the appliances you will want to live better—electrically.

You'll find it the economical way of living, too—because electric service is cheaper today than ever before.

MORTON POWER & LIGHT
 LIGHT — POWER — HEAT

WHATEVER CROP GROWS HERE

THE FARMALL C WILL BE THERE, ALL THE WAY!

Grains, grasses, field row crops, vegetables—whatever is planted in this mellow, weed-free seed bed, the new Farmall C Tractor with Touch-Control will be on the job all the way. The Farmall C is shown here with the McCormick-Deering No. 10-A Disk Harrow.

For the Farmall C delivers practical 5-way power: (1) at the drawbar, for pulling trail-behind machines; (2) at its mounting pads, for pushing forward-mounted implements; (3) at the belt pulley; (4) at the power take-off; (5) at the Touch-Control power arms for raising, lowering and regulating mounted implements by hydraulic power. All at surprisingly low operating cost!

Available for the Farmall C is a full line of matched, quick-change implement units. New and simple in design, each low-cost implement mounts on the tractor to form a compact operating unit. Rear-mounted implements, likewise, are quick-change.

Implements for the Farmall C are under the complete, 2-way hydraulic control of the Farmall Touch-Control. The Farmall C pulls one 16-inch or two 12-inch bottoms; cultivates two rows of wide-planted crops. Ask for full information.

LOOKING AHEAD By George S. Benson, President, Harding College, Searcy, Ark.

YOUR FREEDOM TO READ

Among privileges we enjoy as Americans, free speech and free print are of first rank. Most of us prize these and other freedoms, though we give little thought to them. We just take them for granted. A Gallup poll on the Bill of Rights would embarrass a majority of our citizens. Try your own poll and see how many of your friends can name the First Amendment to the Constitution.

Freedom of the press is one of those freedoms. We are benefited by this freedom everyday. The information that helps make intelligent citizens comes to us freely. Our press is not curbed nor restricted by the ill-conceived notions of some tyrant or dictator. We can buy the public prints we choose, and at a very reasonable price. We can buy many of them, including those with opposing points of view, without taking very much change out of pocket.

An Independent Press

Why the small price of newspapers and magazines? Just the paper and printing costs would amount to as much as we pay for them! Does a fearsome dictator pay the difference? Do a tax-rich bureaucracy foot the bill just to keep itself in power? Are our public "prints" subsidized by Congress on a national appropriation? No, they are not. Then how do we have freedom of press, when we are able to buy for a nickel what costs so much more?

These things are accomplished through advertising. Advertising thus becomes one of the basic features of American democracy. It is easy to see that the advertising space sold by the publishers of our newspapers and magazines makes it possible for a publication enterprise to pay its bills. Because of advertising, our great press is able to remain independent, and at the same time render important service to the American people.

Educating Masses

Advertising itself performs the major service of increasing constantly the already high standard of living which America enjoys. Our industry depends upon advertising to do its share in the efficient distribution of all the things that it makes in meeting the needs and desires of the people. And whenever something

new is developed, advertising carries the message to those who may want the new product or new service. Advertising sells goods.

Not only does advertising sell goods, it also sells the desire to improve. Americans have never wanted to become static. Advertising has helped us to expect improvements, to want better things. When people have no desire for better living standards then your great output of factories will have to stop. Advertising creates the desire to buy that keeps our economy on the move. It sells goods, and in selling them it is the great educator of the masses.

Sneak Attacks

These facts show us that the business of advertising has an important bearing upon our freedom of press. If we cherish freedom of the press, we must also respect our publications as business enterprises. We need to understand that expenses of gathering news from all over the world for American readers, are paid in large part by revenues from advertising space. And just as important, we must not forget that our high standard of living depends upon advertising.

I say these things because there are those who attack the American Way by the sneak method. These destroyers (from within and without) will not attack freedom of the press. They know we cherish it. But they will attack advertising. The will not attack our high standards of living, which they envy. But they will attack the profit idea, without which American initiative and enterprise would cease to give us jobs and goods. May we ever be on our guard against those who would knock out the very props from under America!

Sept. 30th Slated As Morton Day At South Plains Fair

Thursday, September 30, has been designated Morton Day at the annual Panhandle South Plains Fair.

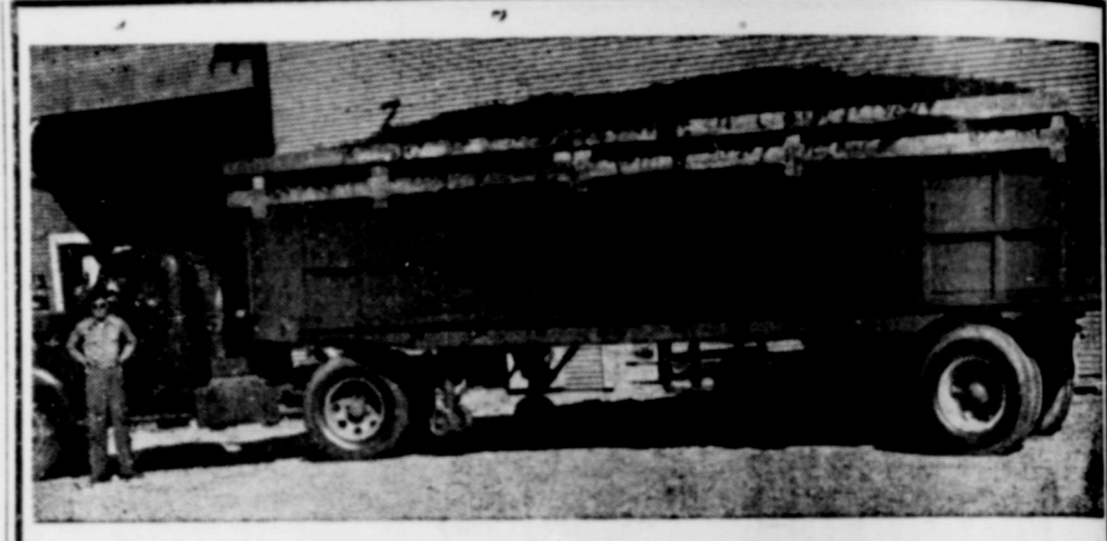

An invitation has been extended to the High School band by officials of the Exposition. The band will be admitted free and arrangements will be made for it to play at the band stand or any other desired location.

The Fair promises to be one of the best ever held in Lubbock. The best attraction ever booked will be featured. The Queen for a Day radio program will be held on the Fair grounds at noon each of the first three days; the Water Follies begins Monday night with two performances each day the rest of the week except Wednesday; the Forsythe and Dowls Shows and Rides on the midway, and the Stratosphere man, will be seen twice daily.

VAN GREENE and MURRAY CRONE attended the Texas Tech-West Texas State football game in Lubbock last Saturday night.

New Cochran Wildcat Has Proven An Extension To Levelland Field

E. Constantin, jr., No. 1 James St. Clair, located 10 miles west of Whiteface, has been completed as a commercial well. This location, 440 feet from south and east lines of labor 12, league 130 Carson County school land survey, pumped 42.92 barrels of 27-gravity oil, plus 42 per cent water, in a 24-hour potential test.

The pay section in the San Andres-Permian lime, between 4,885 feet and the plugged back total of 4,912 feet, had been treated with 7,000 gallons of acid.

In the southwest part of the county, Honolulu Oil Corporation No. 11-B Dean, 660 feet from north and west lines of the west 41.75 acres in the east three-quarters of league 89, Lipscomb county school land survey, has been completed as an extension to the Slaughter pool. It is 18 miles west of Sundown, and two miles west of the nearest producers in the southwest sector of the Slaughter field.

This well made a daily potential of 75.80 barrels of 29.8 gravity oil, with no water, and a gas-oil ratio 367-1. This test was based on an actual six-hour pumping test, after the section at 5,088-112 feet had been treated with 5,000 gallons of acid. The well had been plugged back to 5,105 feet.

Stanolind Oil and Gas Company's deep test, No. 2 Birtie T. Brown, 2,655 feet from north and 660 feet from east lines of section 4, block L, psi survey, was at a total depth of 10,542 feet and was running electric survey preparatory to running casing. The only test to date on this prospect showed that it would produce oil in commercial quantities. This test was made on the zone at 10,371-430 feet. Since then it has cored to 10,524 feet and had fairly good shows of oil in the cores.

Anniversary Party Honors Mr. And Mrs. A. H. Daricek

Mr. and Mrs. A. H. Daricek of Maple were honored with an anniversary party at their home, Saturday evening, September 18. Mrs. Marshall Parker was hostess for the event. Games of Dominoes were played by the guests. Many useful and lovely gifts were presented to the honorees.

Refreshments of cake, coffee and punch were served to the following: Mr. and Mrs. William Edwards, Mr. and Mrs. L. A. Carbell, Mr. and Mrs. Jimmie Daricek, Mr. and Mrs. Luther Edwards, Mr. and Mrs. Joe Smith, Mr. and Mrs. Robert Kindell, Mr. and Mrs. G. W. Edwards, Mr. and Mrs. George Tyson, Mr. and Mrs. Oley Youngblood, Mr. and Mrs. A. H. Daricek, Mrs. Josie Davis and Linda Kay Edwards.

Neta Carol Daricek, Paulla Jean Kindell, Mary Katherine Tyson, Alex Walker Daricek, Marietta Edwards, Ginger Kindell, Cliffo Jane Parker, George Willie Tyson, Elizabeth Dupler, Henry Parker, Deana Smith, Magdalene Daricek, Bobby Kindell, Phyllis Dwight Parker, Charles Smith, Floy Jean and Troy Dean Tyson, Barbara Ann Parker, Mildred Youngblood, Carla Jane Daricek, Marshall Dale Parker and Wyonna Mae Tyson.
