

Morton's Christmas Lights Around Square to Go On December 1

Date Set By Chamber of Commerce Members At Meeting Held Monday

Christmas lights will go on around the square of Morton Wednesday night, December 1. The date was set by members of the Chamber of Commerce at a meeting Monday night in the County Court House. Installation of the lights will be made by Bud Nairn and Earl Crum. Last year the Chamber of Commerce sponsored the Christmas lighting and purchased one thousand dollars worth of equipment for this purpose.

The need for a second fire truck to be used in county fires, erection of sign boards at four highway entrances to Morton, and holiday closing dates were brought out in a round table discussion.

Roy Hickman, C. C. secretary, read a report from the State Fire Commission at Austin, regarding fire insurance rates. The Chamber recommended the purchase of another fire truck by the county for the protection of adjoining communities; due to the fact

that the one fire truck now owned by the city is not supposed to leave the city limits.

Members voted to recommend that all business observe the following dates throughout the year by closing: July 4, Armistice Day, Thanksgiving and Christmas.

Letters were read by the secretary from out of town men who were interested in establishing businesses in Morton. Complete data on possibilities and opportunities in and around Morton will be sent inquirers by the secretary.

Bud Nairn suggested the Chamber of Commerce promote a county-wide recreational and amusement program. The organization of a roping club with periodic roping events was discussed at length.

Members present for the meeting were: Willie McCulloch, Roy Hickman, Tom Arnn, Earl Crum, Roy Allsup, Bud Nairn, J. B. Knox, Henry Bedwell, Glenn W. Thompson, David Todd, Van Greene and Mrs. Carl England.

Sheriff's Department and Patrolmen Had Busy Week-end, Records Show

The Sheriff's department and Department of Safety patrolmen had a busy week-end according to the county records.

All three courts, Justice, City and County, were in session all Monday taking care of the various cases.

A negro brawl about 9:00 o'clock Sunday morning resulted

in the trial of two negroes. Both pled guilty and paid fines in Justice Court. Another peace disturbance, involving eight Mexicans, resulted in the arrest of one individual charged with assault. The man pled "not guilty" in County Court and the case, with a jury, has been set for November 30.

One bootlegger was arrested and pled guilty. A number of tickets were issued for speeding and for driving without license.

Sheriff Hazel Hancock said that in a two hour period 6 trucks were stopped because of inadequate lighting. Only one driver had license. Driving without a license gives the impression that the driver is not qualified to handle the vehicle, even in a car, and the situation is much more grave when a heavy truck enters the picture. The driver of a car, granting he has a license and is fully qualified to operate the vehicle, is at the controls of a destructive weapon if used improperly. A huge truck, with a driver who is not qualified, becomes a very destructive monster to meet.

Forty-seven 4-H Club Boys-Girls Reap Awards

Forty-seven 4-H club boys and girls reaped the awards of their club when announcement was made of 1948 state winners this week by the Texas A. and M. College Extension Service.

Individual awards range from expense trips to the National 4-H Club Congress, to \$25 savings bonds.

Twenty-nine of the youngsters will make up the delegation to the Congress in Chicago November 28-December 2, and it is possible that the delegation will pick up additional members, as several of the girls and boys are entered in sectional and national contests which offer the expense trip award.

Texas' representatives will go to Chicago in two groups—one from Fort Worth and one from Amarillo. Both groups will leave by train November 26. The Fort Worth group will be accompanied by J. W. Potts, state boy's 4-H club leader, Gladys Martin, assistant state home demonstration agent and Fannie Brown Eaton, extension district agent for District #2, while the group from Amarillo will be accompanied by H. Jones, extension district agent for District 9.

Lots Wilson, Morton, was named winner in Girl's Record book contest, sponsored by Montgomery Ward. She will make the trip to the National 4-H Club Congress.

Most of Morton's Firms Slated To Close Nov. 25th

Indications were this week that most of Morton's business firms will close Thanksgiving day, November 25.

Thanksgiving as well as Armistice Day, Christmas and the fourth of July have been suggested by the Chamber of Commerce as all day closing dates for all firms in town.

Girls Basketball Teams Defeated Bledsoe Tuesday

Morton girls basketball teams, both A and B, defeated the visiting Bledsoe teams Tuesday night.

The first game, between the two A teams, was a walk-away victory for the home team with the final score reading 60-10. Monroe found the basket for 26 points, with Wages and Fincher scoring 20 and 14 points respectively. Other forwards were Jeter, Lindsey and Russell. Guards were Yarbrough, Alford, Zuber, Briscoe and Barnett.

Bledsoe forwards were Coffman, Foster and Brown; guards Selman, Shelton, Altman, Edwards, Chadd, Shaw and Miller.

Morton took the B game 39-14 with Lilljedahl leading her team mates with 19 points. Other forwards and scores were: Russell 2, Lindsey 10, Barton 4 and Winder 4. Winder, Brown, Willis and Williams were guards. Bledsoe forwards and scores were: Chadwick 2, Miller 2, Foster 4, Coffman 2 and Selman 4. Guards for the visitors were Edwards, Selman, Campbell and Shelton.

C. A. Moore And Leroy Perry Kill Two Deer On Trip

C. A. (Shorty) Moore and Leroy Perry drove in from Hondo, New Mexico, Wednesday morning with a two hundred eight point buck deer and a one hundred and seventy five lb. nine pointer, respectively.

The two men and their wives started the hunting trip last Friday with the ladies returning to Morton Saturday.

This is Moore's first hunting trip since leaving California several years ago. He got his deer Tuesday afternoon.

Junior Red Cross Enrollment To Start Monday

Enrollment of a Junior Red Cross unit will get underway in Cochran county schools, Monday, November 22, according to Mrs. D. Hawthorne, chairman.

Mrs. Hawthorne has called a committee meeting of teachers and members of the Junior Red Cross at her home Thursday night, November 18. Teacher-sponsors will be appointed by Carl Macon, superintendent of schools.

Complete details of the organization, its aims and projects will be published in the Tribune at a later date.

MRS. WHITMAN REPORTED IMPROVED; BREAKS HIP FROM FALL WHILE IN HOSPITAL

Mrs. W. K. Whitman, a patient in Payne-Shotwell Hospital, Littlefield, was reported to be in an improved condition early Wednesday morning.

Mr. Whitman talked by telephone early Wednesday to Bill who reported that his mother was propped up in bed eating her breakfast.

Mrs. Whitman received major surgery on Friday, November 5, and the following week was up and about making preparations to return home.

Last Friday while still in the hospital she fell and broke her hip and has been quite ill up until Wednesday morning. Tuesday she was given a blood transfusion and Mr. Whitman said he expected she would be given another Wednesday afternoon.

Mr. Whitman and son, Bill, and members of the First Baptist Church have alternated in staying with Mrs. Whitman.

Morton Observes 30th Anniversary Of Armistice Day

Morton's Armistice day parade led by color bearers of the local posts of American Legion and V. F. W. was witnessed by several hundred persons.

The Whiteface school band in colorful blue uniforms with gold trim were next in line, followed by the brightly clad Morton band members in black and gold.

After marching around the square the two bands were grouped on the court house lawn. The National Anthem was played by both bands followed by each band playing two selections.

Homer E. Thompson, American Legion Commander, speaking from the court house steps, greeted guests and introduced Waggoner Carr, county attorney-elect of Lubbock. Mr. Carr spoke briefly, using as his theme, "Peace."

THANKSGIVING DAY

Gas Line Running From "Texas-To-California" Nearing Completion

The El Paso Natural Gas "Texas-to-California" gas line is nearing completion, according to W. B. Evans, one of the owners of Morton Gas Co.

The line will run from Dumas to California, cutting just north of Whiteface, for a total of 1,100 miles. Pipe has been laid from Dumas to Amherst and from Whiteface to California. The remaining 25 miles, between Whiteface and Amherst, is now being laid and completion is expected within 45 days, Mr. Evans said.

The line is 24-30 inches and will carry 750 pound pressure and is expected to deliver 305 million feet of gas per day to California.

This is one of the largest and longest gas lines in the world and will carry 100 percent sweet gas to users on the west coast. Morton will receive gas from this line when it is completed.

Mr. Evans estimated that 8,800 cars of pipe would be required to finish the line. More than 200 cars of pipe have been unloaded at Whiteface in the last few days. The pipe weighs about 100 pounds per foot.

Mrs. E. Barnard Opens Piano Studio In Home

Mrs. Ellsworth Barnard, who recently moved with her family to Morton from Canyon, has announced the opening of a piano studio in her home.

Mrs. Barnard graduated from West Texas State College at Canyon with a major in music. She has been teaching piano in her home at Canyon for the past two years.

Lesson hours will be arranged for the convenience of students. Mrs. Barnard said. She will give instruction to advanced piano students as well as beginners.

The Barnard family live in the first house south of the Amos Taylors. Mr. Barnard is employed at Piggly-Wiggly. They have one child, a son, Rob, who is two years old.

Have A Heart

Please have a heart and get your news and advertising in to the Tribune office early next week.

The Tribune will be printed and mailed out early Wednesday morning. The office will be closed all day Thanksgiving, November 25.

The paper is mailed out early in order to give readers and merchants advantage of the advertisements and news. So remember, get your news and ads in not later than Monday afternoon.

Band Sweetheart Crowned Thurs. At Football Game

Miss Glenda Evans, junior, daughter of Mr. and Mrs. W. B. Evans was crowned "Band Sweetheart" by Gene Williamson, band president at the half of the Morton-Muleshoe game Thursday.

The band was lead on the field by Majorette Nell Brown. After the Pep Squad and Band spelled the words "Mom" and "Dad" honoring the parents of the football players the band formed a heart and played, "Let Me Call You Sweetheart."

Glenda is drum major this year, and has lead the band in performances at Eastern New Mexico College Homecoming, Sudan, Meadow, Levelland, all home games, and the Armistice day parade.

Public Invited To Field Tour, 2:00 P. M. Friday

The public is invited on a field tour to see what some of the Cochran-Yoakum-Terry Soil Conservation District co-operators in Cochran County are doing on their farms.

The tour will start at 2:00 p. m. Friday, November 19 from the Veterans Administration shop on the east side of the football field.

Points of interest to be seen will be deep plowing, terraces, grasses and clover for pasture under irrigation, permanent grasses under dry land conditions and trees for windbreak purposes, both under dry land and irrigated conditions.

Ginning Census

Census report shows that 5,382 bales of cotton were ginned in Cochran County from the crop of 1948 prior to November 1, as compared with 8,703 for the crop of 1947.

Football Tussle Between VFW and Ex-Morton High Team Thanksgiving

The Thanksgiving Day football tussle between the V.F.W. and the ex-Morton High teams promises to provide an afternoon of hilarious entertainment.

The vets have 21 potential athletes, according to Post Commander Ken Coffman, and Fred Morrison has been named coach.

Melvin Crawford, Morton High football coach, will be piloting the exes squad. It has been rumored that either coach could eliminate half his team in a 30 minute work-out.

Vets that have re-instated their G. I. Insurance and taken other necessary precautions are: Harold Key, Gayle Bishop, Ira McCasland, Keith Kennedy, Muri Ensor, S. C. Kelley, Ruel Kelley, Ed Shirley, Ken Coffman, Percy Dewbre, George Igo, Charlie Money, Tom Arnn, Jr., J. C. Reynolds, Winston Jerden, Earl Burleson, Jackie Deavers, Claude

Breakfast at Vets Hall Thursday Attended by 75

The Veterans Breakfast at the Hall Thursday morning was enjoyed by about 75 members. They were served bacon and eggs, hot cakes and coffee prepared by members.

Between the hours of 9:00 and 10:00 the 24 veteran's graves in the local cemetery was decorated with poppy wreaths.

The parade at 11:00 was led by the color bearers followed by the Whiteface and Morton school bands. Veterans in uniform and civilian dress joined the parade from the Veterans Hall to town. The procession gathered on the south side of the court house and the bands entertained for a few minutes, followed by an address by Waggoner Carr, County attorney-elect of Lubbock county.

The highlight of the afternoon's activities was the Muleshoe-Morton high school football game. This was the final Conference game for the teams and was the only day time game of the season for the Indians. The Hornets defeated the Indians by a score of 31-6.

The Veterans Hall was open to the public Thursday night and a large crowd enjoyed an evening of entertainment.

Three Oilers In Levelland And Slaughter Pools

Three new oilers, one in the Slaughter field and two in the Levelland pool, were brought in for Cochran county during the past week. All are good producers.

H. E. Chiles, Jr., No. 1 Kennedy, 440 feet from south and east lines of the lease in FO sub-division 2, league 131, Carson County school land survey, was finished for a 24-hour pumping potential of 160.72 barrels of 32 gravity oil, and a gas-oil ratio of 1,089-1.

The pay at 4,955-88 feet was treated with 4,000 gallons of acid. The oil produced on the potential test was cut with 10.4 per cent water.

Ralph Lowe No. 1 Veal, 660 feet from north and 440 feet from west lines of tract 6, league 114, Potter County School Land survey, made a daily flowing potential of 176.64 barrels of oil and no water.

Gravity of the petroleum was 31 degrees. Gas-oil ratio was 602-1. The producing horizon at 4,875-4,696 feet had been treated with 9,000 gallons of acid.

Honolulu Oil Corporation No. 9-B Blake, 1,450 feet from north and 1,338 feet from east lines of labor 13, league 54, Oldham County School Land survey, made a daily flowing potential of 194 barrels of 32.3 gravity oil. Gas-oil ratio was 526-1. The pay at 5,026-96 feet, was treated with 5,000 gallons of acid.

Quarterback Club Held Final Meet Of Season Tues.

The Quarterback Club held its final meeting of the season Tuesday night in the Junior High auditorium with President M. C. Ledbetter in charge.

The Club reviewed the football season and declared the coach and team had done a good job. Coach Melvin Crawford listed the graduating players and young players that will be next year's team. The coach said the team would be faster in the back field and the entire squad would be heavier next year.

Roy Allsup suggested that transportation be furnished for the team to see the Littlefield-Post game Wednesday afternoon. Other members readily agreed and sufficient cars were pledged by the group.

During the meeting Mr. Ledbetter discussed the possibility of a new gym for the school and said that tax valuation in the district has increased sufficiently to vote bonds for the project without raising individual taxes.

Coach Melvin Crawford thanked the Club for their support to the football team; transportation furnished after practice games and other support the Club had pledged the team.

No other meetings are scheduled for the Club but Mr. Ledbetter told the coaches they should call on the organization for any assistance it could render.

Hancock Arrests Man Wanted For Questioning

Arrest of a 25-year old man, wanted for questioning in connection with a shooting in Portales, was made Wednesday night by Sheriff Hazel Hancock.

The suspect was arrested near Bledsoe Wednesday night after a call had been sent out by Sheriff J. N. McCall of Portales.

Sheriff Hancock received a tip that the man in question might be in a cotton pickers shack a few miles from Bledsoe. The suspect was later returned to custody of the Portales officers.

H. J. McCrary, Portales, was hospitalized with knife and gunshot wounds that were described as serious. McCrary allegedly suffered these wounds from a fight with the suspect held in Morton.

According to Sheriff McCall, McCrary was shot in the right arm, right side and suffered a knife wound across the back.

Senator-Elect K. Corbin Addressed Lions Club At Regular Noon Meeting

Senator-Elect Kilmer Corbin of Lamesa, Texas, addressed Morton Lions Club at regular noon meeting, Wednesday, November 10.

Mr. Corbin, present Dawson County Judge, in his own inimitable and friendly manner very quickly put his audience at ease by starting his talk to Lions in humorous vein.

Senator-Elect Corbin expressed his appreciation to the club and Cochran County for support given him in this summer's election. He pointed out the necessity of small communities binding themselves together in order to achieve more and effective legislation; to promote the welfare of all; and to counteract the subversive acts of foreign powers.

Corbin stressed the importance of public officials knowing what the people desire of their government and suggested that this could best be accomplished by representative groups keeping in

touch with their public officials and making the wishes of the people known.

He particularly emphasized the need for redistricting of Texas, suggesting that trouble might be encountered and that all the people would need to be on the alert to see that this legislation is passed.

He predicted further development and prosperity for the South Plains area and left as his parting message these words: "We must face the future with courage and fortitude."

R. E. Dunham, Scout Master, announced the boy scout show for Monday night explaining that scouts would receive half the proceeds from the sale of tickets. He introduced as his guest, Kinney McMaster, member of the scout troop.

P. B. Ramby, chairman of Lions Club constitution and by-laws reminded members of the rules regarding soliciting of funds during a Lions meeting.

W. B. Cox announced captains of attendance teams as Lloyd Allsup for Team I and Murray Crone, Team 2.

Guests other than Corbin and McMaster were Mrs. Carl England, Sheriff Hazel Hancock, Darwin Stringer, Frank Barker and Dan Harrison, the three latter became members of the Lions Club at the close of the meeting. Members present were: Hume

War Time Wills And Powers Of Attorney by Vets

We quote the above subject from a timely bulletin we received from Robert H. DeKay, State Affairs Commission of the State of Mississippi.

During the war, the military authorities urged all service men and women to make wills and also to execute powers of attorney authorizing some person to handle their business affairs, before going overseas.

These unrevoked and often forgotten wills and powers of attorney are loaded with dynamite in many instances. There is a chance that the veteran may lose his possessions while living if the old power of attorney is not revoked or have his possessions fall into the hands of persons other than those near and dear to him at his death under the provisions of an old war time will which is still in force.

This matter should be given publicity through the press, at veterans meetings and on all personal contacts by service officers with veterans.

Quoted below is an editorial that appeared in the Jackson, Mississippi, Daily News on October 10, 1948, pointing out the danger to many veterans who made these wills and have forgotten them.

RACKET IN WILLS

"The California Bar Association has discovered a situation that is of immediate concern to all veterans who made wills before they went overseas, but have forgotten to revise the documents since they came back.

"In some cases their circumstances have changed so that the wills they made before going abroad would not now dispose of their property as they wish. The Bar Association warns them that they had better look over those instruments and see that the property is not bequeathed to a war bride who is no longer a bride.

"Some of the war marriages did not last, but the veteran's will still gives the property to the estranged bride.

"The magazine Trusts and Estates cites a specific case in which property went to the wrong persons:

"With little property and no family responsibilities, a young soldier at a canteen dance met and fell in love with a young woman on the eve of his departure for Europe. As a gesture of affection, he made a will bequeathing her all his property. In time they drifted apart; she married another, but he remained single. In time also, he forgot about the will or neglected to change it. When he returned home his aging parents deeded him their large and prosperous farm, believing he would support them for life. But soon afterwards infantile paralysis struck him down. When the will was presented to the court, the judge had no choice but to hand over the farm to the young woman, leaving the parents destitute."

"That example ought to be enough to start veterans digging out the wills they made before they went overseas and bringing them up to date."

LIVESTOCK LIFE-LINES

Overfeeding the nursing sow can cause pigs to scour.

Animals that are losing weight are not good breeding prospects.

Powdered hog hoofs are reported to have value as a poultry feed.

Feeding on hairy vetch has been shown to have a toxic effect on chickens.

A blanket made from a grain sack is good protection for calves in cold weather.

Keeping calves in the sunny corner of the barn helps to protect them against infectious diseases.

Hay harvested in June and stored in a barn may lose up to 75 per cent of its carotene by December.

Successive dipping in two germicidal solutions is an effective way to destroy bovine mastitis germs on teat cups.

Besides being rich in vitamins, bovine colostrum (first milk after calving) contains substances that help to protect baby calves against dangerous diseases.

Silent Guest Plan Month Proclaimed Nov. 25-Dec. 25 In Texas by Governor

On Thanksgiving Day the American Silent Guest Plan for relief to distressed Europe will be inaugurated over the nation for a second consecutive year. Governor Beauford H. Jester has announced.

The Governor has proclaimed the month November 25 to December 25 as Silent Guest Plan month in Texas.

Last year's drive netted more than \$1,400 for Texas' share of the aid to Europe's poverty-stricken people—war orphans, widows and old folks. The Governor expressed confidence that donations in 1948 will exceed those collected last year.

As projected through the nation, this plan calls for each American family to invite a "Silent Guest" to eat at his table for one month, sharing in a Thanksgiving and a Christmas dinner.

Mindful of the fact that it would cost a family approximately \$30 to feed a guest for one month, the Governor has suggested that those families with

limited incomes may "share" a Thanksgiving meal, or that and a Christmas dinner.

After calculating the cost for feeding this extra person, the family may mail a check or money order, covering that sum, to the Governor's Office in Austin. The collections will be forwarded then to Committee headquarters for purchase of food packages from the nonprofit, government-approved organization, CARE, for delivery to needy families in Europe. Governor Jester said.

CARE, the Cooperative for American Remittances to Europe, Inc., was chosen by the American Silent Guest Committee last year to handle the funds because it represents all of the major religious and nationality groups, and is the only organization of its kind so comprehensive in scope.

The value of clothing issued to new enlistees in the Navy during 1946 was \$143.20 per man.

Riding Circle Around Whitefaces

by Art. N. Wall

The Whiteface Antelopes, a hard fighting football team if there ever was one, declared war on Idalou Nov. 5th. Idalou made no attempt to make peace talk and made strong medicine. The gods of war must have been listening to the braves of Idalou because when the two teams met on the field of battle Whiteface never raised a scalp. They returned home, much wiser Antelopes, and this writer has never heard the score mentioned aloud or even in a whisper nor can I pump it out of the "Old Guard" that hangs out at Stephenson's Drug.

Graham, Texas recently was visited by the Whiteface F. H. A. officers, consisting of Mrs. Waters, sponsor, Miss Thelma Roulain, Miss June Grant, Miss Pearl Hill, Miss Joyce Grant and Miss Lavoy Berry. This is one of the meetings of Area II. The Spring meeting of F. H. A. will be held March 5th at Whiteface. All F. H. A. chapters are invited.

Mr. A. C. Ramey, his mother, Mrs. A. C. Ramey, her mother, and the A. C. Ramey family, last week visited Wichita Falls.

Mr. Gorman Ledbetter had the misfortune of having his new car burn up last Saturday evening.

Mr. and Mrs. Fred Smidt, pumper for Stanolind Oil and Gas Company and whose residence is near Sundown, Texas were in Whiteface Sunday evening and driving a new car.

Mr. and Mrs. M. H. Power visited their granddaughter in Portales, N. M. over last week-end. Last Sunday at the Church of Christ, Brother Byron Willis delivered the sermon. The congregation who listened to this sermon was large but this church would appreciate it to have more people with them each Sunday to study God's word. Each Sunday there is Bible study at 10:00 A. M.

Brother Hughes of the Baptist church is in Houston, Texas this week attending the state convention. He is expected to return to Whiteface Saturday the 13th.

The program of the Baptist church for Sunday: church school 9:45 A. M.; Morning Service, 11 A. M.; Evening Service, 7:30 P. M.

The Methodist church are trying to launch two more church service programs, a women's guild and a junior choir. Anyone connected with this church will freely admit that these two services are very much needed in the church's progress.

A Methodist church fellowship meeting will be held in the very near future. Watch this column for date. Every man who is interested in this church's welfare

should turn out for this meeting. Too, if he is good at pitching horseshoes, washers, or silver dollars, or if he can play dominoes, drink strong coffee and sleep all night, please come for there will be plenty of all of this.

The Whiteface Lions Club met at the Methodist Church educational building, Thursday, Nov. 11. The Methodist Women's Missionary Society served. The Lions were entertained by part of the Whiteface High School band.

Mrs. Cecil Thompson, who lives at the Stanolind Oil and Gas Company's Mallet "G" camp, spent Friday the 12th in Lubbock.

PTA meeting will be held at the Whiteface school cafeteria at 7:30 P. M. Thursday the 18th. Every parent should put a red circle around that date, then say, "That's a must. Its PTA night."

Methodist church program, church school, 9:45 A. M.; Morning service, 11 A. M.; Young people, 7 P. M.; Evening service, 7:30 P. M.; Rev. Roy Patterson, Pastor.

Side glances—The many trucks that are hauling big inch pipe and stringing it from the Stanolind Oil and Gas Company's new plant to above Amherst. This line will carry fuel gas to replenish the El Paso Gas Company's supply. The many loads of cotton that are traveling the roads into the Whiteface gins. Still it is said the present crop is estimated lower than the 1947 crop. Mr. T. J. Capps enlarging his barber shop. Tiling on the ground at the Church of Christ for the building of class room and baptistry.

Rumors—That the employees of the Stanolind Oil and Gas Company's Mallet "G" camp will have four days off this Thanksgiving. A tip, fellows, lets take our safety teachings with us on our Thanksgiving trips, put those teachings in practice and return home alive—drive slowly. That there is going to be an overload on Christmas mail this year so lets help our postmistress out, as she has us all too often—and mail early. Why create her a lot of hard work when a little foresight by us will save her from it? That the movie at the Whiteface school Saturday night the 13th is a hum-dinger, so come on kids.

After thoughts—Now that traffic is getting thicker in Whiteface lets ease Sonny McKay's mind, the parents mind, and the school faculty's mind by placing school warning signs out in front of our school and at intervals along the new graveled road that runs from the Morton hi-way on up between the Gulf Station and school. These signs should warn of children in this vicinity. Anyone with any sense knows that our school has children five days a week but it is surprising how many people has such little sense but what they will forget this and speed around our school. Lets do this before some child's life is lost. Children will get out in the street, mine included, they just got so dang much American in them, there independent.

Clyde Reynolds Attends Dodge Dealers Meeting

C. C. Reynolds, owner of Morton Motor Company attended a Dodge dealer's meeting in Oklahoma City Friday and Saturday of last week.

Dealers were shown the new Dodge route van truck. Reynolds expects to have the new trucks here soon.

Mr. Reynolds returned by way of Amarillo where he saw the Pampa-Amarillo football game Saturday afternoon.

Red Raiders Have Greatly Improved Offense Playing

When Texas Tech's coach Dell Morgan, one of the nation's best defensive coaches, predicted last summer that his Red Raiders would be greatly improved on offense, he apparently spoke accurately.

With two games yet to be played, the Raiders have scored 170 points, as against 72 last season and 133 in 1946, and have picked up 1,748 net yards, as compared with 1,342 in 1947 and 1,678 in 1946. The average per carry this fall is 4.9 yards, while in 1947, it was 3.6 and in 1946 a 3.8 average.

Halfback Cal Steveson of Brownfield led Tech ground gainers last season with 300 net yards and 5.7 average. This season he has 266 yards and 4.4 average. Leading the team are Fullback Bud Conley, Quanah, and Halfback Glen Lewis, Quitaque, each with 275 yards. Conley, who has only 101 yards and a 4.6 average last fall, has a 9.9 average now, with Lewis 6.7.

Halfback Bill White, Vernon, who has not lost a yard all fall, has the best average, 8.4 yards, with 126 yards net. In second spot is Halfback Charles Reynolds with 205 yards and an 8-yard average. White last season averaged 4.75 and Reynolds an even 7.

Other averages include: J. W. Thompson, Odessa, 6.15; Ike Stuver, Ysleta, 6.1; Earl Jackson, Phillips, 5.3; Zac Henderson, Quanah, 5.2; Tim Hatch, Wellington, 5.1; and Walter Maloney, Roscoe, 4.7.

It cost 251 million dollars for maintenance of the entire Navy in 1935; in 1945 the Navy's food bill alone was over 670 million.

From where I sit... by Joe Marsh

It's Your Fight, Too!

Bing Crowley was "beefing" the other day about all that Our Town's doing in the way of sending food and clothes to Europe. Bing felt that those struggling democracies should look after themselves.

But most agreed with Judge Cunningham who said: "So long as any family or individual in Europe is helping hold the line for freedom—against the forces of intolerance—it's common sense, and common decency, to help 'em."

Because that's everybody's fight: To see that individual freedom is

preserved in every aspect, big or little—whether it's the right to vote, or the right to enjoy a temperate glass of beer or ale with friends.

And from where I sit, no liberty's too small to overlook. Because the minute one small freedom is threatened, all the others are in jeopardy—just as the minute one small country loses freedom, all its neighbors are in danger!

Well, letters to Santa have started arriving. A cute one came in from Willard Cox, Jr., but due to a lack of facilities here in the Tribune we can not reproduce it.

Willard Jr. drew quite a nice picture in colors of Santa. Despite his not asking for anything we feel confident the old gentlemen in the red suit will remember Willard generously.

It isn't a bit too early to start Christmas gift buying. The stores around town are already showing practical as well as luxury items—and from all appearances the toy supply this year is unusually good.

We went conventioning again last week-end. Attended the American Legion and Auxiliary convention at Big Spring. They have a nice big building there and with the exception of the luncheon at noon, all meetings were held in the hut.

Everyone in the host city made us feel welcome and we thoroughly enjoyed every minute of the whole affair. And as usual got some new subscribers to the Tribune. It is pretty flattering to know how many people like the paper well enough to pay for it.

We also met some very interesting people and couldn't help but notice that the little town of Plains had as good representation at the convention as Morton.

Clayton Lovelace, Yoakum County Service Officer, a cousin of our own Mickey Lovelace Garrett, was present from Plains as were Mr. and Mrs. Jim Storey, O. H. Myers and H. G. Sprawl, the latter is county agent over there, a very good looking chap and an excellent dancer.

Of course we only danced once, that is from the time the music started until it ended.

Miss Mae Murphy, well known around Morton, attended the convention and was introduced during the joint session Sunday

morning, oh, yes, so were we—much to our delight.

And there was the cutest little old lady, Mrs. J. G. Merritt of Colorado City. She has been active in the Auxiliary since World War I. Mrs. M was with Elizabeth Elliot, who is also very active in her local organization as well as district and state.

Two months old Nancy Lynn Webb visited us in the office Monday morning. She is a darling blue-eyed baby and has already developed a most engaging smile.

Alan Bryan, pastor or whatever he is called, of Morton's Church of Christ, and a teacher in the local schools did a beautiful job of reporting the Cochran County Teacher's meeting here last Tuesday night. Despite our levity we have the deepest respect for the Church of Christ—as well as all other churches and their leaders.

Not only were we dashing around trying to get the Tribune out ahead of schedule because of Armistice day but we had guests from out of town and so found it impossible to attend the teachers meeting.

Ken Coffman, commander of V. F. W. is quite enthusiastic over a football game to be played here on Thanksgiving afternoon between the Vets and Morton High school exes.

Fred Morrison is to coach the vets while Melvin Crawford will round up the exes and see if he can instill the rudiments of football. Melvin had grand luck with the boys in school but we are curious about what he will do with some of the boys such as Truman Doss, Snowball Willis and others who have put on weight since school days.

Ellie Barnard buzzing around getting Christmas cards ordered for Allsup Chevrolet. Do wish every one would remember to get greeting card orders in early.

Morton Motor Company building certainly is in a mess. We were down there the other day and they had the floor all torn out. In order to get out of the flying concrete we expect Clyde Reynolds to take off fishing just anytime. He doesn't care for hunting—in his own words, "Hunting is too much like work."

Speaking of messes—that court house takes the cake. Desks, books, papers and county officials have all been piled out in the corridors since redecorating started on the interior.

Just about the time work is complete the water works on the top floor will probably spring a leak and ruin everything.

Some one left a silver link bracelet in the dressing room at Veis Hall the night of the Halloween Carnival. Owner may pick-up same at Vagabond house.

To most of us our memory is the thing we forget with.

Cochran County Teachers Association Honored With Banquet Here, Nov. 9th

Members of Cochran County Teachers Association were honored with a banquet in the school lunch room here Tuesday night, November 9.

The banquet was served by Home Economics Class of Morton High School under the direction of Mrs. D. E. Benham. The food was prepared by the regular lunch room personnel under supervision of N. H. Corder. The meeting was in charge of Wendell Watson, Association president. Alan Bryan gave the invocation.

Several numbers were sung by the Morton School Choral Club, directed by Fred Danforth. Speakers on the program included Miss Leah Jackson, American Red Cross representative, she was introduced by Mrs. J. D. Hawthorne, chairman of Cochran County Junior Red Cross.

Miss Jackson explained the following concerning the Junior Red Cross: It was not to be a superimposed curriculum or any extra burden on teachers. It was to accomplish four goals:

1. Sense of sharing work of community.
2. Growing sense of responsibility.
3. Broaden horizons.
4. Satisfactory way toward maintenance of world peace.

Services performed by Junior Red Cross:

Preparing materials for veteran and children hospitals. Cooperating with Forest Service, preventing forest and prairie fires. Preparing gift boxes to be sent to needy abroad. Developing tangible attitudes of cooperation, brotherhood, etc., in children.

Also the following guests received a special introduction by Mr. Watson. Each expressed appreciation for opportunity to be present. Judge Thompson, County School Supt., L. L. Morin, Supt. at Bledsoe, Mrs. T. G. Kennedy, representing Neely Ward, Mr. H. P. Clemons, Supt. of Whiteface, who spoke on the following matters:

Read humorous satire entitled "Trial of a Teacher". Urged support of federal aid for education. Said, "If we are intelligent enough to fight for and get federal aid, we are intelligent enough to maintain our own controls of this aid."

Advocated federal aid for two reasons: 1. Equal educational opportunities; 2. Better educational opportunities.

Concluded with a poem, "A Teacher."

Mr. Carl Macon, Supt. of Morton schools was introduced. He gave findings of Gilmer and Aiken Committees of Texas State Legislature. This committee advocates following for every school system:

Twelve years of school. Nine full school months. Vocational and advanced training for adults. One teacher for every 25 pupils in average daily attendance. New compulsory attendance laws. Special counselors and librarians. Minimum salary for all teachers, \$2400.

The following new officers were elected:

President, Nathan Tubb, Whiteface; vice president, Andrew Essary, Morton; secretary and treasurer, L. L. Morin, Bledsoe; delegates, Herbert Lindsey, Whiteface; Mrs. J. A. Gowdy, Morton; Mr. Elmo Smith, Morton.

Present for the meeting from Morton: Mrs. W. C. Gray, Mrs.

Richardson-Abbe Vows Exchanged Tuesday Morning

Miss Berta Jean Richardson, daughter of Mr. and Mrs. E. B. Richardson, and Charles William Abbe, son of Mr. and Mrs. H. B. Abbe, were married Tuesday morning, November 16, at the home of Mr. and Mrs. Byron Willis. Alan Bryan, minister of the Church of Christ, officiated for the single ring ceremony.

The couple was attended by Miss Daphane Drum and Billy Watts, minister of the Church of Christ, Welman, Texas.

The bride was wearing a gray suit and black accessories. Her bridal corsage was a shoulder arrangement of tiny white mums. Guests present were the parents of the bride and groom, and Mr. and Mrs. Byron Willis, Mr. and Mrs. Mitchell Lee Abbe and their son, Mayland.

When they return from a wedding trip, Mr. and Mrs. Abbe will be at home near Maple where he is engaged in farming.

Engagement Announced

Mr. John Huffman, Carrollton, Missouri, has announced the engagement and approaching marriage of his daughter, Dorothy Jean, to Mr. Sherman S. Famuliner.

The wedding will take place in Carrollton on December 5. The Famuliner family formerly lived in Cochran county.

Iva Williams, Mrs. J. A. Love, O. L. Tilger, J. F. Michael, Melvin Crawford, Bill Hartgraves, Elmo Smith, Andrew H. Essary, Carl Macon, Mrs. M. T. Beard, Miss Betty Barnett, Miss Marie Baldwin, Miss Minnie Monroe, Mrs. J. A. Gowdy and Fred Danforth.

Attending from Whiteface: H. P. Clemons, Mrs. H. P. Clemons, Betty Jo Cone, Mrs. W. W. Snodgrass, Nathan Tubb, Miss June Carthel, Mrs. Herm an Elliott, Mrs. Orville Rankin, Helen Waters, Mrs. L. R. Fitzgerald, Pauline Reid, W. W. Snodgrass, L. S. Salser, Nathan Tubb, Roger Harvey, Herbert Lindsey, Mrs. Roy Patterson, Mrs. Herbert Lindsey, Mrs. Roger Harvey.

Present from Neely Ward included: Mrs. F. G. Kennedy, Mrs. C. C. Nettles; representatives from Bledsoe: Mrs. Lee Selmer, Naomi Blasingame, Mrs. J. C. Shelton, Mrs. L. L. Morin, L. L. Morin.

Neely Ward 4-H Club Meet Held Tuesday, Nov. 16

Homer E. Thompson, County Agent, met with the Neely Ward 4-H Club Nov. 16. There were ten members present. Four new boys were enrolled in 4-H work. They were Wayne Davis, Johnny Howton, Jerry White, and Richard Haren.

At this meeting two local adult leaders were elected by these club boys to council club boys in their community. These two club leaders are Cecil Masten, Star Route 2, Morton, and Bill Martin, Star Route 2, Morton.

The club elected a new president, vice president and a secretary and treasurer and reporter. Wilson Hodge is the new president, John Wilkes Masten, vice-president, and Wiley Hodge, secretary-treasurer and reporter.

The club leaders in the Neely Ward community will be contacted by the county agent. It is hoped that joint visits can be made with the county agent and adult leaders to attend every 4-H Club demonstration in the community at least twice a year.

While the club boys are enthusiastic in their club work, the leaders and agent have the best opportunity to see that these boys turn in good demonstration results and to mold them into good citizens.

Mary Ledbetter Celebrated 7th Birthday Nov. 10

Mary Ledbetter, seven year old daughter of Mr. and Mrs. M. C. Ledbetter, celebrated her birthday Wednesday, November 10 with a party.

Games were played and all the little girls took turns riding Mary's new bicycle. The many gifts received were opened and enjoyed by the guests.

After blowing the candles out on the birthday cake and making wishes a recording of "Little Black Sambo" was played for the entertainment of the group.

Mrs. Ledbetter was assisted in serving refreshments by her mother, Mrs. J. A. Gowdy and Miss Marie Baldwin, who is Mary's teacher.

Guests for the birthday party were: Jimmie Margaret Alford, Nancy Taquino, Betty Kuehler, Sherry Grantham, D' Rene Danforth, Mary Hill Fuqua, Marks Kennedy, Barbara Ramby, Ray Ann Ross, Marilyn Sue Hawkins, Carrie Ann Mullinax, Mary Ruth Henry, Myrlan Cox, Theresa Kay Doss, Patricia Davenport, Vivian Betty and Charles Coleman Ledbetter.

Mrs. Winard Buck Honored With Birthday Dinner

Mrs. W. A. Johnson, Jr., Lubbock honored her daughter, Mrs. Win Buck and Mrs. P. B. Ramby with a birthday dinner at the Johnson home last Thursday night.

Mrs. Buck's birthday is November 11 and Mrs. Ramby observes her birthday on November 20. The two have alternated in celebrating their birthdays on the respective dates for several years.

Other guests for the dinner were Mr. Johnson, Mr. Buck, Mr. Ramby, Barbara Ramby and Wyn Alec Buck.

48 Football Season Over

From the first kick-off of the season until the final whistle of the Armistice Day game, Morton players and fans lived and talked football. Considering every game entering into the season's matches the Indians won every game they were supposed to win. The Tahoka game that could have gone either way. Six boys have gone, leaving the both ends vacant and the half-back position unfilled. Coach Crawford has some good boys coming along, small but fast.

STEP-CHILDS OF SPORTS
With the passing of football and the opening of basketball season the fact that the latter sport is definitely a step-child in school sports is evident. The girls game with Bledsoe Tuesday night was an example of the lagging interest shown this sport. The crowd consisted of players, substitutes, their families and school children, yet the seating capacity was taken up.

Morton's gym is pitifully inadequate. Few residents recall when it was built; more than twenty years ago. The ceiling is not high enough to hang long shoos and the loose floor rattles with each step. The seating capacity is slightly more than a late model car.

M. C. Ledbetter, president of the Quarterback Club, during a meeting Tuesday night, said that he believed a bond issue should be petitioned and passed to the school board. Mr. Ledbetter said that \$100,000 in bonds could be issued without raising taxes. That statement has as its basis the fact that building permits in Morton have greatly increased in the past year; at least ten oil wells are expected to be completed in this school district this

Fifty Parents Were Honored Thursday

Over fifty parents were honored at the half time of the Morton-Muleshoe game Thursday afternoon.

Morton Indians close their season with 3 wins and 3 losses—their job well done!

"It isn't always the number of games won that means winning. It's learning to co-operate with others, being good sports, and maintaining high scholastic averages that makes a winner," said Coach Melvin Crawford.

The Indians were unfortunate and lost three players. Gene Williamson, Lonnie Allsup and Joe Sherman due to injuries.

"Prospects for next years team are brighter than ever!" Coach added.

SWEETHEART HONORED

Approximately sixty-five band members and their guests attended the band party honoring their "Sweetheart," Glenda Evans, last Thursday evening at the gym," according to Gene Williamson, president.

Games were lead by the entertainment committee. Jimmie Coats, Beth Winder, Jo Beth Russell, Estelline Weed, Jimmy Robinson and Burl Deavers.

Ice cream and sandwiches were served by Glenda Evans, Martha Willis, Nell Brown, the refreshment committee.

The gym was decorated byelda Brisco, Gracie Vernon, Betty Monroe, Gene Williamson and Lavern Corder. Favors were little snare drums.

year. These sources of revenue for the school alone could build a gym without raising taxes.

The school trustees would undoubtedly call an election soon after a petition was presented to them. If quick action was taken on this matter Morton could have a gym by next basketball season.

Football, with all its color, is a fair weather sport lasting only a few weeks. A gymnasium offers a means of recreation for school children of all ages, and especially offers the girl athletes an opportunity to compete with other schools in other sports. Many fans appreciate basketball and attend games regularly although they seldom sit through a football game in cold weather. Younger children get much benefit from a gym; they have a warm place to play during the cold weather months.

A gym for Morton is high on the list of things most needed by the school.

847 Animal Brains Found Positive For Rabies By S.H.L.

AUSTIN—The "dog days" of the mid-summer months originally derived their name from the prevalence of rabies spread from rabid dogs at that season of the year, but actually rabies occurs at all times of the year. During the past year the State Health Laboratory found 847 animal brains positive for rabies. Four deaths occurred in humans.

Dr. Geo. W. Cox, states, "Few persons need to be warned that rabies is a fatal disease yet proper precautions against its spread are often neglected. Stray dogs should be humanely destroyed or impounded, and all household pets should be vaccinated. Annual vaccination efficiently practiced will stamp out rabies in Texas."

The State Health Officer stressed this fact as important: A dog suspected of being rabid should not be killed at once, but should be kept confined for ten days, since this is the infective period before death of the animal. If the dog does not develop rabies within ten days, the individual bitten is safe as far as that particular bite is concerned. Further observation of the animal should be at the discretion of the veterinarian since many other conditions resemble rabies.

The head of the suspected animal should be packed in ice and sent to the State Health Department for examination. Freezing the brain, or killing the dog prematurely or in such manner as to injure the brain may make correct laboratory findings impossible.

Mere handling of a rabid animal is not sufficient reason for treatment, as scratches by the animal's paws ordinarily do not constitute exposure. It should be understood that rabies is transmitted only through exposure to saliva which gains entrance into the body wound, ordinarily through a bite.

Recent surveys at the Naval Training Centers at San Diego, Calif., and Great Lakes, Ill., show that 98.6 percent of all Navy recruits are under 21 years of age.

Winter Carnival Plans Discussed At PTA Meeting

Morton Parent-Teachers Association met Friday afternoon at 4:00 o'clock in the Junior High auditorium with approximately 30 members present.

The devotional was given by Mrs. John Tice and Mrs. M. C. Ledbetter discussed "The Home—A Pattern for Building Sound Character and Moral Values."

At a meeting of the teachers and room mothers Tuesday afternoon plans were discussed for the Winter Carnival to be held December 10. Each room and organization will be responsible for a booth at the Carnival. More information regarding this event will be published later.

LOOKING AHEAD

By George S. Benson, President,
Harding College, Searcy, Ark.

DOING THINGS TOGETHER

"The American success is the story of large numbers of people doing something together. When an enterprise prospers, everybody connected with it prospers, and the success legend must be divided among them." Those words were said recently to the successful employees of a successful company by a successful executive, all of whom are doing their part to make the American community the best on earth.

Now, when the rest of us get out and talk that way, I believe that we will begin to see the greatness of America. The statement was made by Mr. Crawford Greenwalt, president of the Du Pont Company, who believes that America's unique position was achieved "not because we have more coal or more gold or more land, but because we have more incentive, more venture, more determination."

No Mere Accident

If management thinking at Du Pont is any key to the attitudes generally held in industry, I think we may all be encouraged to expect greater and greater things as America goes ahead year after year. Indeed, "the greatest good to the greatest number of people" is a description that just fits America. But it is no accident. It includes the ways we cooperate, capital with labor and labor with capital—until actually there are no differences.

This president of a great corporation said: "Everyone who saves and is thrifty is a capitalist. Most people who work save,

so that by and large the great industrial structure of the United States is owned by the people who work for it in a cooperative venture that brings great good to all of us. No, the idea that worker and stockholder sit on opposite sides of the street and try to pull in different directions is one of the greatest misconceptions of the day. It is just not true."

Better Than Average

When you consider that persons willing to deny themselves put up their savings to the tune of \$13,500 for each worker at Du Pont, you see how the stockholders cooperated. That makes a good solid investment behind the average Du Pont worker. It's higher than average. Proper and wise use of tools and human energy enabled this average worker to collect \$10,600 for his part of production. That's higher than average.

Out of this \$10,600 had to come costs of producing the goods. About 42 per cent, or \$4,410, went for raw materials, power, and other necessary expense. This average worker himself was paid \$3,330. The government tax bill was \$1,030. There was put aside \$730 to replace and modernize tools that wore out. All these costs came to \$9,500, which taken from \$10,600 leaves a profit of \$1,100. On an investment of \$13,500 that's about 8 per cent. That's not bad either.

What Makes America?

However, stockholders were asked to leave \$280 of this profit in the business, making \$13,780 for this average worker to use

Mrs. Love Reviews For Book Lovers Club Thursday

Book Lovers Club met on Nov. 11 with Mrs. J. A. Love reviewing an interesting book on the northern portion of the state of Maine and its people. The book was entitled "Pine, Potatoes, and People." Mrs. Bill Garrett was hostess to the club on this meeting.

The president, Mrs. E. L. Willis, was in charge of the business session. Mrs. J. Wendall Watson read the minutes of the last meeting. Mrs. Fred Danforth was voted into the club by secret ballot as a new member.

Refreshments of coffee and cream cake were served by the hostess to the following members: Mesdames Joe Gipson, M. C. Ledbetter, Andrew H. Essary, Wendall Watson, C. M. Cravy, R. E. Waddell, Reba Farmer, J. A. Gowdy, J. A. Love, E. L. Willis, Frank R. Barker, John Tice, J. W. Alford, and Misses: La Vern Mullins, Marie Baldwin, Lanora Jackson, Betty Barnett, Mabel Ann Manley and the hostess, Mrs. Bill Garrett.

The next meeting will be in the home of Mrs. Frank R. Barker on November 18, with Mrs. Bill Garrett as the reviewer.

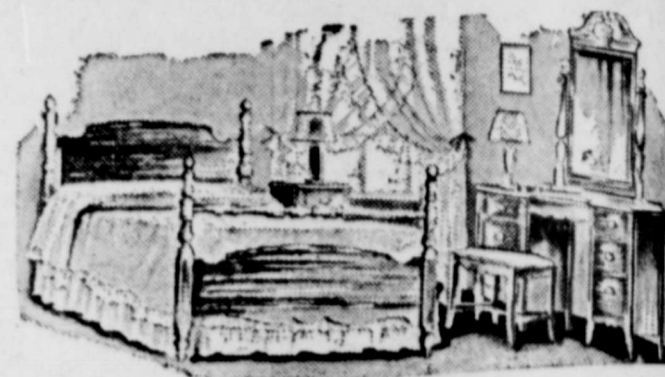

the following year. Stockholders were then paid \$820 in dividends, or about a 6 per cent return on their money. This is the way that Du Pont's annual report reads, in terms of each worker. It represents wonderful coordination of the worker-management team. When you duplicate this many times, with big and little businesses, you've got what makes America.

The measure of America, then, is how well all of us cooperate. We've done a wonderful job in the past, despite misunderstandings here and there. This system, that permits us to use all our talents and all our resources, is sometimes called "competitive enterprise." But it is also a wonderful adventure in cooperation. More than any other land today, more than can be found of any nation in history—we have succeeded in bringing "the greatest good to the greatest number of people."

Weekly Cotton Market Review

Spot cotton prices were a little stronger this week, according to the Department of Agriculture. Trading in spot markets was rather slow and the volume of reported sales was only half as large as in the corresponding week a year earlier.

The November crop forecast of 25,166,000 bales was slightly higher than the October forecast. Cotton ginned through October 31, 1948, totaled 10,433,000 bales against 8,369,000 to the same date last year. Cotton is averaging lower in grade and consider-

ably longer in staple length compared with a year earlier. Picking and ginning made fair to good progress this week in most sections of the belt.

Cotton prices were steady to a little stronger this week. Prices for Middling 15/16" cotton in the ten spot markets averaged 31.27 cents per pound on Wednesday, Nov. 10. On Thursday of last week the ten market average was 31.19 cents and a year ago 32.98 cents.

Spot market prices which turned upward early this month continued to gain a little during the week. However, reports indicate low in relation to central and futures market prices. Prices for near month futures tended to edge upward this week whereas the more distant months registered rather sharp advances.

W. W. Williamson and Judge Glenn Thompson Attend WTCC Meeting

W. W. Williamson, president of Morton's First State Bank and director in West Texas Chamber of Commerce, and County Judge Glenn W. Thompson, attended the annual meeting of the WTCC in Abilene, Monday, November 8.

West Texas Chamber of Commerce directors meeting in Abilene, Monday, November 8, committed the organization to an all-out fight to assist West Texas cities and towns in defending their legal priority to surface and underground water for domestic and municipal use.

They gave rousing applause to the report by C. E. Coombes of Stamford, legal counsel for the group's water resources development commission, when he urged the 134 cities represented to "go home and organize your citizens to tell the power companies and the legislature, 'thou shalt not steal our water.'"

The priority of domestic and municipal water use over other uses has been written into every permit granted by the state since the water law provisions of 1931 were enacted, he asserted, in appealing for watchfulness in the legislature against any attempt to repeal the statutes guaranteeing that priority.

Rights Committee Urged
Among resolutions adopted was one directing the executive board to form a municipal water rights committee, composed of mayors of West Texas cities, charged with the responsibility of defeating any and all legislative efforts to invalidate or becloud the prior rights of municipalities to water.

Homer Hunter of Dallas, consulting engineer for water resources committee, reported that preliminary drafts of the industrial surveys being made of the area agree that "water supply must precede industrialization."

Studies made thus far, he enumerated as including cotton textile, the industrial potential of sorghum grain, wool, leather goods and the full feeding of cattle.

"These things are not going to 'just happen'—we've got to make them happen," he cautioned, adding that "if they happen we've got to have water, because it takes 60,000 to 80,000 gallons of water to make one ton of cotton textiles as one example. Texas produces 58 per cent of the sorghum grain in the nation, and you can make anything from sorghum grain—from girdles to tooth paste. We ship off half a million head of cattle and 400,000 sheep and lambs every year that come

back in the shoes we buy—but we're not ready yet for the tanning industry. The crux of the problem is our shortage of water.

Paul Carrington, Dallas attorney, reported at the annual luncheon on the analytical study now being made of the need for revision and streamlining of the Texas Constitution. Collaborating in this are the East, West and South Texas Chambers of Commerce, Texas Civil Judicial Council, Texas State Bar, Junior Chamber of Commerce, Texas Federation of Women's Clubs and other groups. He pointed out that there have been 115 amendments voted since the present constitution was adopted 72 years ago.

Ed Nunnally, San Angelo, secretary of the WTCC, Latin American relations committee reported that 50 West Texas Chambers of Commerce have pledged themselves to work for local elimination of discrimination against Latin Americans. He told of efforts being made to have a Mexican consulate established in West Texas, a free bridge at Del Rio, a West Texas member appointed on the Texas Good Neighbor Commission and toward realization of the proposed railway connection from Sonora to the Mexican railroad at Villa Acuna, opposite Del Rio.

Directors accepted the proposal by Marvin C. Ulmer, Midland, nominated by the local member—that hereafter new directors be ship in each city, rather than by a nominating committee named by the WTCC president.

Social Security Official To Visit Morton Nov. 24

Elliott W. Adams, Social Security Administration Representative, will be in Morton, at the U. S. Post Office, at 11:00 a. m., on Wednesday, November 24, for the purpose of answering any questions you may have on social security; discussing possible benefits and taking claims from persons who seem to be entitled to benefits; and taking applications for social security account number cards.

When a worker starts on a job in industry or business, he should show his social security card to his employer. The employer will enter the exact name and account number in the company's records and use it to report the wages to the Social Security Administration.

JUSTIFICATION IS BY FAITH, NOT LAW

Speaking of Justification of the individual we find that the law of morality is the greatest obstacle that is found. The law of morality has been the means of bringing distance between man and God all down through the ages. When the individual realizes that God is needed in his or her life, the law of morality is the first thing that they are able to find. They seem to entertain the idea that all they need is to be just a little better than what they are and they reach the conclusion that they can do that themselves. Through the law of morality we leave God completely out of the matter and that is a tragic mistake. Men go down in defeat trying to do the thing themselves.

In the Galation letter, Paul gives this message. "We who are Jews by nature, and not sinners of the Gentiles, knowing that a man is not justified by the works of the law, but by the faith of Jesus Christ, even we have believed in Jesus Christ, that we might be justified by the faith of Christ, and not by the works of the law; for by the works of the law shall no flesh be justified. For if I build again the things which I destroyed, I make myself a transgressor." Let us paraphrase this in short. "If we Jews, in seeking to be justified by faith in Christ, take our places as mere sinners, like the Gentiles, is it therefore Christ who makes us sin? By no means. It is by putting ourselves again under law after seeking justification through Christ, that we act as if we were still unjustified sinners, seeking to become righteous through law-works." Christ is become of no effect unto you who are under the law.

Paul said again, "I am crucified with Christ; nevertheless I live; yet not I, but Christ liveth in me; and the life I now live in the flesh I live by the faith of the Son of God, who loved me and gave himself for me. I do not frustrate the grace of God: for if righteousness come by the law, then Christ is dead in vain." The Son of God has a desire to live in every heart if we would only give him a chance. When we see the good things of life being done by the individual, let us bear in mind that it is the Lord working in that individual and not the individual himself.

"O foolish Galatians, who hath bewitched you, that ye should not obey the truth?" When we as individuals fail to obey the truth we have been bewitched by some one, not to obey the truth. We will be the one that will have to pay the price for allowing such things to come in our lives.

Highway Patrol Urges Motorists To Dim Lights at Night for Safety's Sake

Don't dazzle 'em—DIM 'em. Motorists are thus urged to use their dimmers for safety's sake on the highways and on city streets, in the traffic safety program of the Texas highway patrol.

"Blinding an oncoming driver with your headlights is one of the most foolish and unnecessary things a motorist can do," Colonel Garrison, Director of the Texas Department of Public Safety, said. "You are threatening your own life when you fail to lower your headlights for an approaching car. Only a few seconds of light blindness can result in tragedy."

It's not only good manner to dim your lights when meeting another car. It's often a matter of self preservation. And it's safer and more courteous, too, to use the lower beam when overtaking cars. Lights glaring into a driver's eyes from the rear-view mirror can dazzle almost as readily as when they are head-on.

Here are some pointers Mr. W.

J. Elliott, Chief of the Texas Highway Patrol gave for safer use of headlights and dimmers:

1. Dim lights well ahead when meeting a car on a level road.
2. Dim before a car coming over a rise or around a bend in the road catches the full force of your bright lights.
3. Dim when overtaking to avoid blinding the driver through the reflection in his rear-view mirror.
4. Use city beam (dimmers) on heavily traveled two-lane highways and in lighted areas of settled communities.
5. Check the level and aim of your headlights frequently and see that they are correctly beamed at all times.

"The special emphasis program on night traffic accidents is part of a continuing safety educational program coordinated by the Texas Highway Patrol, and sponsored nationally by the National Safety Council, said Captain E. L. Posey of the Lubbock office of the Texas Highway Patrol.

"Texas law requires that headlights be 'dimmed' when an oncoming vehicle approaches within five hundred (500) feet," he said.

BOYCE HOUSE

'Gives You Texas'

When I was a boy in Memphis, Tenn., I met Capt. Dabney M. Scales, a hero of the Confederate navy.

Not long ago, interesting details of his service were encountered in an old book.

Captain Scales was attending the United States Naval Academy when the Civil War broke out. He resigned and became the youngest officer in the navy of the Confederacy. He served on the famous raider, the Shenandoah, which cruised the seven seas, seeking Union vessels.

One day, south of Australia, they overtook a ship which was flying the British flag but they thought this was a ruse. The vessel was hailed and proved indeed to be British—and then the Confederates learned an amazing thing. The war was over and had been for eight months!

Because a federal court held that the activities of the Shenandoah were in violation of the law—though actually its officers and crew were merely waging war, though of a daring nature—Captain Scales lived in Mexico for two years.

Then he returned to Tennessee and practiced law. In the War with Spain, he volunteered and was navigating officer on a ship.

He was an old man with snow-white hair and mustache when this columnist, then a schoolboy, knew him. He never mentioned anything about his service in two wars. Just an old book, out of print, tells a little about his career.

Oporto, Portugal is famous for its port wine.

Inventory To Be Made Of Texas Reserve Officers

The Department of the Army has directed that the 16,000 Texas Organized Reserve Officers be inventoried of their qualifications. Colonel Oscar B. Abbott, Senior Army Instructor for the Organized Reserves in Texas, announced at Austin. The questionnaire for 300 Officers assigned to the Adjutant General's Department Reserve are already in the mail and the remainder will be sent out by branch of service within the next few months.

"It is realized that many of our Texas Reserve Officers have changed their qualifications since they were separated from the service immediately after the war," Colonel Abbott said. "Some have graduated from college and now hold degrees which should appear on their records, while others have entered professional fields of which activity the Army has no record."

The information gained from the inventory will be used by the Army for various utilizations. First, to establish for each reservist a speciality based on their military and civilian experience and education. Second, to allow the Army to give a mobilization assignment to the individual reserve officer. Third, to allow the Army to establish a balanced basis for the Organized Reserve Corps, and, fourth, to give consideration to the request of the reserve officers in their desires for assignment and participation in the organized reserve program.

"During the last war we had many experiences of officers being assigned to jobs other than the one he was fitted for. This is a further attempt of the Army to fit the square pegs in the square holes and the round pegs in the round holes," Colonel Abbott said.

Have You Heard These Things About the Church of Christ . . .

You may have heard many rumors about the Church of Christ during your lifetime, but have you ever honestly investigated to learn if these things were true?

It is said that members of the Church of Christ are usually odd, backward people who cling to their religion because of their ignorance.

Others have told that the Church of Christ practices an over-emotional "hallelujah" type of "Holy Ghost deliverance" not based on intelligent reasons.

Another rumor heard is that we condemn all people to hell that do not "join our church" and accept "our brand" of religion.

Still worse is the claim that we accept only a bigoted, pre-

judiced interpretation of religion and will not reason with others as to our attitude in religion.

If these things were so the Church of Christ would have long since vanished from the face of the earth. Fortunately, these are only rumors spread to prejudice the minds of individuals against any truth that might be taught by the Church of Christ.

The Church of Christ is growing by "leaps and bounds" throughout the world and is recognized today as being the fastest growing religious body in Texas.

If you care to investigate our teachings we invite you to any and all of our services or you may write us for information.

Cranberries Are Now Plentiful
A trite old saying goes like
this, "He is just as busy as a
cranberry merchant." According
to the U. S. Department of Agri-
culture a person that busy would
be pretty busy. Cranberries are
listed high upon the supply of
plentiful foods.

Cranberries are just naturally
thought of as a tart jelly sauce
to eat with the holiday turkey,
baked ham or duck. There are
ever so many other interesting
ways to prepare them. A few of
the varied ways sound very in-
teresting. Here are a few of them:
Spicy Cranberry sauce, Cranberry
Holiday Spread, Cranberry Citrus
Relish, Cranberry Orange Relish,
Cranberry Pie and Cranberry
Cake.

The recipe for Spicy Cranberry
goes like this:
4 cups fresh cranberries, 1 1/2
inch stick cinnamon, 1/2 tsp.
whole cloves, 2 cups water, juice
1/2 lemon, 2 cups sugar.
Combine water, spice and lem-
on juice, bring to a boil. Add
cranberries, cook until skins pop
open. Add sugar and blend, cook
rapidly for 2-3 minutes. Cool be-
fore serving. Makes one quart of
sauce.

Cranberry Citrus Relish
4 cups fresh cranberries, one
orange, quartered and seeded, 1

lemon quartered and seeded, 1/2
small grapefruit, quartered and
seeded and 2 1/2 cups of sugar.

Put the cranberries, orange,
lemon and grapefruit through
food chopper. Add sugar and mix
well, chill in refrigerator before
serving.

Cranberry Pie
4 cups cranberries, 1 1/2 cups
sugar, 2 tablespoons flour, 1 tsp.
salt, 3 tablespoon water, 1 table-
spoon melted butter.

Wash berries, drain, chop them
and mix with other ingredients.
Line pie pan with pastry. Pour in
filling, arrange strips of pastry in
lattice fashion over top of pie.
Bake in hot oven (450F) 15 min-
utes. Reduce temperature to mod-
erate 350F and bake 30 minutes
longer.

The county home demonstra-
tion agent has a collection of 30
recipes using cranberries that she
would be glad to share with any
body desiring them. Just drop her
a card asking for the Cranberry
Recipes or call by the Extension
Office and ask for them.

**Business Session
Held Friday By
Neely Ward PTA**

The semi-monthly PTA of
Neely Ward met in the school
building Friday afternoon for a
scheduled business session.

Mrs. McCulloch's primary class
gave a brief skit as part of the
entertainment.

The teachers and parents ex-
pressed their appreciation to the
business men of Morton for their
donation of gifts for the Hal-
lowe'en Party held at the school
October 29.

Parents attending the meeting
were Mesdames Ray Jackson,
Howton, Bolton, Dewbre, Kern,
Hill, Cecil Masten, W. C. Masten,
Ward, Billington, Henry and
Martin. Teachers present were
Mrs. McCulloch, Mrs. Cunning-
ham, Mrs. Nettles and Mrs. Ken-
nedy.

The next scheduled meeting
will be a Thanksgiving Supper,
November 24 in the school house
with a school program as enter-
tainment.

**Clinic To Be Held
for Children With
Cerebral Palsy**

A clinic for the examination of
children with cerebral palsy
(sometimes called spastic para-
lysis or birth injury) will be held
Monday, November 22 at the
Cerebral Palsy Treatment Center,
1317 Tenth Street, Lubbock. Or-
thopedic specialists from Fort
Worth and Amarillo will be pre-
sent to examine patients.

Parents planning to bring
children to the clinic are request-
ed to register the children at the
Center prior to the date of the
clinic. Information regarding the
clinic may be obtained by writ-
ing Miss Esther Snell, Director or
calling Lubbock 6541.

**Enochs Club to Host
Thanksgiving
Supper Nov. 25th.**

The Enochs H. D. Club met
Thursday, November 11, in the
home of Mrs. P. A. Altman with
13 members and 3 visitors pre-
sent.

Mrs. J. B. Vanlandingham,
president, was in charge of the
business session. Plans were dis-
cussed and made for the Club to
serve Thanksgiving supper at the
Enochs Gin office Thanksgiving
Day; adult plates \$1.00, children
plates \$.50.

After the business was taken
care of the members quitted for
the hostess.

Refreshments of cake, candy
and coffee were served by the
hostess to members and visitors.
The next meeting will be with
Mrs. T. D. Johnson December 2.

All members are asked to be
present. This is the day when a
decision will be made regarding
the Christmas Party.

COTTONSEED REVIEW

The movement of cottonseed to crushing mills increased in Oklahoma but decreased in Texas, according to the certificates received by the Cotton Branch. Light rains and cold weather in West Texas and Oklahoma retarded harvesting to some extent during the week.

Cottonseed prices in Texas for wagon-lot seed f.o.b. gins increased during the week. Average price for the state was \$74.90 per ton compared with \$73.50 per ton last week. Reported prices ranged from \$65.00 in District 5 to \$85.00 in Districts 1 and 2. The average price in Oklahoma was \$75.20 per ton compared with \$73.50 per ton last week.

Cottonseed grades in Texas averaged 102.5 which is unchanged from last week.
