

TEXANS TO CONVERGE IN AUSTIN ON GAS TAX HEARING

Delegations of farmers, ranchers, county officials, dairymen, school officials, rural letter carriers and business men are expected to converge on Austin, Monday, March 7th, to attend a hearing before the House Public and Taxation Committee on Representative C. S. McCall's bill No. 59.

This bill proposes an occupational tax on the production of natural gas for the purpose of building a system of local county roads of a type not now included in the State Farm-to-Market road program.

The future of the small town business man is as vital-

ly affected by this measure as that of the farmers themselves," according to Jim Cantrell, Princeton banker and president of the Texas Rural Road Association, sponsors of a plan calling for a 10-year program to build 10,000 miles of rural farm roads each year, to be paid for, in part, by using a portion of the tax proceeds from natural gas.

"Our natural resources are a capital asset and it is only prudent that the State adopt a policy of placing some of this tax yield into permanent improvements which will remain long after the natural resources that have

meant so much to us, no longer remain to be taxed. It is highly important that every citizen in Texas interested in rural roads attend this meeting," Mr. Cantrell said.

"It is of vital importance to the future of Texas that our school systems be served by busses traveling over all-weather roads and that the farmers have the benefits derived from such uninterrupted transportation. I urge each public official in this State to bring a delegation to this hearing," said Judge John S. Simmang, Ciddings, president of the State Association of County

Judges and Commissioners.

According to C. H. Davis, Austin, Rural Letter Carriers of Texas Road Chairman, the rural people of Texas are not interested in super-duper highways, all they want is a road over which the mail carrier can travel every day in the year.

Mr. Davis estimated that less than 30 per cent of the 82,000 miles of rural mail routes in Texas are of all-weather construction.

"As Texas' basic economy is agriculture, the farmers who are interested in a program that will build the type and miles necessary to bring them

out of the mud, should appear before this committee hearing in support of H. B. 59," urged Loyd D. Barbour, Wichita county farmer and Chairman of the Texas Farm Bureau Rural Roads Committee.

It is Mr. Barbour's opinion that the bill is designed to place the administration on a local basis, in the hands of local authorities, who know best the type of road and location necessary. "Such a plan," he said, "is practical, as there is nothing wrong with local administration that an election every two years can not cure."

The Texas Farm Bureau has for many years been very ac-

tive in their support of a system of all-weather roads to serve the rural people of Texas.

"Statements are frequently made," Rep. C. S. McLellan, Eagle Lake, author of House Bill 59, said, "that when the present so-called Farm-to-Market road program is completed, 90 per cent of our farmers will be within one mile of a highway. It is this last mile we seek to improve and make all-weather."

The Texas Rural Roads Association was formed last year as a non-profit group, pledged to devote their highest cooperative efforts toward establishing a low-cost system of permanent all-

weather rural farm roads.

"We are 100 per cent in accord with Governor Jester's plan to appropriate twenty million dollars from the General Fund surplus to carry on the State Highway Department's Farm-to-Market program," said Col. J. I. McGregor, central Texas automobile distributor of Temple, a Vice President of the Texas Rural Roads Association, "but our program is separate and distinct from this State program. We want to build those low-cost county roads that will link the farm and ranch to the State farm-to-market paved roads."

Morton Lions Hold 10th Anniversary Banquet

Morton Motor Co. to Show the Daring New 1949 Dodge Friday, February 25

Morton Motor Company, oldest automobile dealer in the county, has scheduled the showing of the new Dodge Friday, February 25. Roy Reynolds, senior partner of the father and son ownership, began business in Morton in 1924. "Sliding was a bit rough during the first two years," Mr. Reynolds said. "We began business on a vacant lot north of the courthouse. Our merchandise was new and used machinery. A short time later we tried the hardware and variety business in partnership with Cecil Barker. This business was sold in '35 and we set up station and parts business, one that we have retained until the present time."

Mr. Reynolds, in partnership with Willie McCulloch, acquired the Dodge and Plymouth business in February 1941. A year later the business reverted to the present owners, Clyde and J. C. Reynolds.

Morton Motor Co. moved into the building it now occupies in March 1945; in the fall of that year the shop building was added and late last year a new addition for a showroom, parts base and office space was added.

visit our showroom for the showing of this daring new Dodge," Mr. Reynolds said. "It is through the splendid cooperation and continuing patronage of our customers that our business keeps growing."

Cochran Farmers In Process of Plowing Land

It was reported Tuesday that at least half of the farmers in Cochran County are now in the process of plowing their lands to prepare them for the 1949 crop.

It was estimated that they should all be through by the end of next week.

Large cotton acreage is expected this year. The next largest acreage will be devoted to grain sorghums.

Morton Seniors to Present Class Play 'Seventeen'

It has been announced that the play "Seventeen," by Booth Tarkington, will be presented by the Morton High School seniors at 7:30 p. m., March 11. The play will be presented in the high school auditorium.

The leading role, that of a restless boy of 17, will be played by Burl Deavers.

Deavers made his first appearance last year in "The Elusive Bachelor."

The rest of the cast are: Lois Wilson, Raymond Marshall, Wanda Yarbrough, Audrey Faye Kelley, Kenneth White, Wanda Hancock, Elick Cox, Bill Ed McDaniel, Jim Winder, Glen Yearly, Marvie Ann Fincher, Wayne Shaffer and Grace Vernon.

The play is being sponsored by Alan Bryan, O. L. Tiger, and Mrs. Fred Danforth. Harold Neagle and Jamette Jeter are stage manager and business manager.

County HD Council Meeting Held Tuesday, Feb. 1st

The County Home Demonstration Council met February 1 at 3:00 p. m. Mrs. P. E. Lyles had charge of the meeting in the absence of Mrs. Rex Faulkner.

The 1949 by-laws were approved and adopted by the Council. Miss Mable Manley gave a very interesting talk on "Being An Officer."

Miss Hill, District Agent, is to meet with the club at the next meeting, which is scheduled for March 18.

Members present were: Mrs. P. E. Lyles, Mrs. O. S. Taylor, Mrs. Charlie Sanders, Mrs. J. B. Freeland, Mrs. K. A. Wilson, Mrs. Benefield, Mrs. D. A. Ramsey, Mrs. M. R. Chandler, Mrs. O. D. Chesser, Mrs. Francis Cunningham, Mrs. Woodrow Cunningham and Miss Manley.

Approximately 150 Attend Party Friday Evening

Approximately 150 Lions, their ladies and guests attended the tenth anniversary celebration of Morton Lions Club here Friday night, February 18.

Tables in Veterans Hall, in which the big party was held, were beautifully decorated with baskets of spring flowers. Streamers in Lions colors of purple and gold were festooned from the ceiling to the stage where a large card bore the words, "Happy Birthday."

The large frosted birthday cake, baked and donated by W. D. Fleenor of Morton Bakery, was cut by M. C. Ledbetter. A quartet, composed of Truman Doss, V. L. Lawson, R. C. Strickland and David Todd, sang, "Happy Birthday."

Out of town guests were introduced by A. E. Sanders, president of the club, and included: Bill Rutherford, district governor, Dumas, Rev. and Mrs. W. P. Brian, Plains, Mr. and Mrs. Joe Greene, Lamesa, Dr. and Mrs. Doyle D. Jackson, W. R. Rollen and Mrs. Lloyd Crabb all of Lubbock, T. J. Capps, A. M. Walker and G. W. Garrett all of Whiteface, Marlowe C. Fisher, state secretary of Lions Clubs, Austin, and Mr. and Mrs. J. W. Miller, Tulla, Texas.

Dr. V. L. Lawson, master of ceremonies, introduced the speakers. Following talks by Mr. Rutherford and Mr. Fisher several vocal numbers were presented by Mrs. Edith Hall, accompanied by the piano by Mrs. David Todd.

Dr. Doyle D. Jackson, deputy district governor of Lubbock, was featured guest speaker, and upon completion of his address presented nine Lions club charter members of the organization with awards.

Explains Prosperity

Jackson spoke on "America's 50 years in the Sun." He pointed out that America has enjoyed 50 years of prosperity and explained that other nations also had enjoyed like prosperity in past years but had "fallen."

The Tech education professor explained that America probably owed its continuing prosperity to incentive to work, incentive to earn, incentive to save, incentive to invest, and that all these culminated in incentive to produce.

Rutherford spoke on Lions principles, with special praise for 10-year Lions. P. J. Capps was lauded for personally holding the Whiteface Lions club together through the depression.

Fisher outlined his work with the Texas Lions organizations. Charter members receiving awards for 10 years service with the club were Willard Cox, J. B. Knox, P. B. Ramby, R. C. Strickland, J. B. Nicewarner, Roy Hill, Truman Doss, James St. Clair and Hume Russell. Loyd Kennedy, only deceased charter member, was represented by his wife.

FIRE DEPARTMENT CALLED TO EXTINGUISH WEED FIRE IN SOUTHWEST MORTON

The volunteer fire department was called out Tuesday afternoon to extinguish a weed fire in the southwest part of town. The fire was on the Mike Waldon place, across from the school. With the exception of only two or three, the entire department answered the call. No damage was done.

Cochran Farmers Requested to Meet With Texas Legislature on March 7

Roy Lewis, President of the Cochran County Farm Bureau, has received a letter from J. Walter Hammonds, President Texas Farm Bureau, requesting that several farmers of Cochran county meet with the next Texas Legislature March 7, 1949.

The purpose of this meeting is to get the Legislature to pass a state farm-to-market road program in the state of Texas. This concerns House Bill No. 49, advises Mr. Lewis. This farm-to-market road bill is about what the farmers want. A copy of this bill is in the mail to Mr. Lewis.

About two car loads of farmers are expected to go from Cochran county. They will leave Morton about 5:00 a. m. Monday, March 7th in order to arrive in Austin at noon. Upon arriving in Austin, they will immediately contact Marvin Carter, Farm Bureau representative, at the Stephen F. Austin Hotel.

4-H Club Contests Announced That Boys May Enter

There are a number of 4-H Club contests which club boys can enter in 1949. Some of the contests are: Better Methods Electric Contest, Dairy Production, Farm Safety, Field Crops, Garden, Health, Home Beautification, Meat Animal, Soil Conservation, Poultry, County Achievement, Tractor Maintenance, etc.

There should be a number of boys entering these contests particularly field crops because cotton and grain sorghums are our principal crops for Cochran county. The cotton contest is available for any club boy who wishes to enter in it. Local prize money can be made available besides the state money, principally from Anderson-Clayton. The rules and regulations of the county cotton contest will be the same as the state contest.

American Legion To Celebrate 30th Anniversary

Organization of Morton's American Legion will be celebrated with a giant birthday party, probably on the night of March 17, it was learned this week from Homer E. Thompson, local Legion commander.

Committee chairmen for the event program, and the date in case of change will be announced in next week's Tribune, Thompson said.

Pfc. R. B. Gladden Begins Training At Keesler Field

Pfc. R. B. Gladden, 18, brother of Mr. L. P. Gladden, Star Route 2, Morton, has reported to Keesler Field, Mississippi to begin training in the Airplane and Engine Mechanics School located there.

Keesler Field, a Base of the Technical Division, Air Training Command, is the home of the world's largest Airplane and Engine Mechanics School.

The training Pfc. Gladden receives in the School will extend over a period of approximately 28 weeks and will include instruction in aircraft electrical systems, engine operations, fuel and oil systems, propellers, structures, instruments and inspections. This training will qualify him to perform maintenance on all conventional type aircraft flown by the USAF.

School for Cotton Farmers to be Held in Lubbock

A school for cotton farmers only who desire to attend the cotton classing school will be held in Lubbock from May 16 to May 27th. This is a ten day school and will be free to cotton farmers.

The school starts at 9:00 a. m. and will end at 3:00 p. m. daily except Sundays. This will be five hours per day with one hour off for lunch.

The school will be conducted under the supervision of L. O. Buchanan, Government Cotton Classing Office, 1701 Avenue H, Lubbock, County Agent Homer E. Thompson would like to see all farmers interested in this school attend.

Record Books for Farms Available From Thompson

The county agent has available the Texas Farm Record Book for 30c a copy. This is the cost of the book. It has been approved by the Extension Service of Texas.

The book is very simple and easy to fill out. Plenty of columns are available for every item of entry on the farm including animals, poultry, feeds, etc. Farm sales columns are ample and can be executed in a hurry.

These books will come in handy at the end of the fiscal year especially around income tax time. Very little assistance is necessary in filling out the book because of its simplicity. If you do need any assistance please call on the county agent's office. We will give any assistance possible.

W. C. WRIGHT CALLED TO LAMESA MONDAY BECAUSE OF HIS FATHER'S ILLNESS

Rev. W. C. Wright was called to Lamesa Monday because of the illness of his father, W. N. Wright. The elder Mr. Wright is in a Lamesa hospital and will receive minor surgery Thursday morning.

Last week Mr. Wright returned by air from California where he had been visiting with a daughter. Prior to his return to Texas he had suffered an attack of pneumonia. He will be 80 years old the first of May.

MRS. MORROW ATTENDS MEETING IN AUSTIN

Mrs. Albert Morrow, 19th district president of American Legion Auxiliary, was in Austin this week-end for an executive board meeting of Girl's State. She was accompanied to Austin by Mrs. Howard Hudgins of San Angelo, Texas.

19TH DISTRICT LEGION AND AUXILIARY TO MEET APRIL 2-3

The American Legion and Auxiliary of the 19th district will convene in Lubbock on Saturday and Sunday, April 2 and 3.

1949 Red Cross Drive Scheduled to Get Underway in County in March

1949 drive for funds for Cochran county chapter of the American Red Cross will get underway early in March, according to Carl Ray, county fund chairman.

Goal for Cochran county has been set at \$600.00, considerably less than in previous years. An audit of the treasurer's report, show Cochran county funds at a low ebb, according to A. E. (Zeke) Sanders, treasurer.

Lions to Sponsor Red Cross Fund Drive in Whiteface

W. R. Rollen, representative of American Red Cross, Lubbock, conferred with Red Cross chairmen in Whiteface last Friday, at which time members of Whiteface Lions Club agreed to sponsor the drive in Whiteface.

Truman, Ike, and Radio Artists To Launch Campaign

With President Truman and General Dwight D. Eisenhower heading one of the most distinguished groups ever assembled for such a purpose, the 1949 Red Cross Fund Campaign will be launched at 9:30 p. m. (EST) Monday, February 28, over the nation-wide facilities of the American Broadcasting Co.

Participating stars from the entertainment world will include Helen Hayes as the feminine lead in a specially-written tone poem, and Wayne King and his orchestra. Radio Producer Homer Fickett, well-known director of the Theatre Guild of the Air, will have charge of the program. All are volunteering their services.

President Truman will make his Red Cross appeal from the White House during the last four and one-half minutes of the half-hour program. He will be introduced by Red Cross President Basil O'Connor. This part of the

program will also be carried by the Mutual Broadcasting System, Columbia Broadcasting System and National Broadcasting Company networks.

Gen. Eisenhower, long and closely associated with the Red Cross as a military leader, will address the nation from Chicago where the program will originate before 6,000 persons expected to attend a fund campaign rally at Medina Temple.

The narrative poem for Miss Hayes was written by Ken Greenberg, author of the transcribed Red Cross series, "Errand of Mercy." A supporting cast of well-known actors and actresses will dramatize some of the highlights of Red Cross accomplishments.

The Red Cross Fund Campaign will begin officially March 1 when approximately two million volunteers will start the task of raising \$60,000,000 needed to continue Red Cross services to the nation during the coming year.

Drillstem Test Made on No. 2 Edwards Well

A drillstem test was run by Stanolind Oil and Gas company No. 2 Edwards, outpost to the Landon-Strawn field of South-Central Cochran county, in an unidentified Pennsylvania lime thought to be the strata which developed shows when the same company's No. 1 Adams drilled through.

The examination, on well at 10,264-337 feet for one hour. Recovery was an 1,800-foot water and 30 feet of slightly gas cut mud. More hole was being made.

Location is 660 feet from north and 528 feet from west lines of section 13, block L, psl survey.

In the same area, Stanolind No. 1 Adams, flanker which failed to make production in the Landon-Strawn formation and is continuing on down for a deep wildcat test, was drilling ahead from 11,130 feet in lime.

It is 1,063 feet from west and 457 feet from north lines of the south half of the south half of section 13, block L, psl survey.

Athletic Banquet Slated to be Held Monday Night

Over half of the tickets to the athletic banquet for Monday night at 7:30 at the school cafeteria have been sold, according to Miss Betty Barnett co-sponsor, Peggy Lillejdahl, sophomore, has sold the majority of these.

This banquet is open to anyone interested and tickets may be obtained by calling the school, 741 or contacting Peggy, Kat Kennedy, Jean Alford, or Barbara Barton.

Jamette Jeter will be toast-mistress and welcome the guests. Coach Melvin Crawford will speak on the objectives of the newly organized "M" clubs and introduce Marvie Ann Fincher and Glen Yearly who will represent the two organizations and say a few words.

Announcement of the new Pep Squad leaders for next fall will be made by Wanda Yarbrough, senior, who will also make a short talk on "Looking Forward." Closing the program, the school song will be led by Fred Danforth, band director.

The Pep Squad leaders are chairman of the various committees, Jamette Jeter, assisted by Mrs. Marie D. Benham, is in charge of the Food. Chicken will be served, Joye Seaney, and Mrs. Charleyrene Danforth, are in charge of decorations and a St. Patrick's theme will be used. Barbara Barton and Kat Kennedy are directing the publicity and sale of tickets, and Miss Barnett is program chairman.

Big Crop Losses From Grasshopper Can be Avoided

Big crop losses attributed every year to the grasshopper can be avoided by taking early precautionary steps.

Dr. A. W. Young, professor of plant industry at Texas Technological college, insists it is not necessary to feed the grasshopper all spring so he can do his customary dirty work in the late summer. Several of the newer chemicals were used last year with great success. Chlorinated champhenes as Chlordane and Toxaphene are especially recommendable, Dr. Young said. These insecticides are usually available in both dust and spray forms. County agents can suggest which is best for each area's particular treatment.

Although indications are that infestation will not be so high in the immediate high plains district this year, Dr. Young suggests farmers and ranchers be prepared with insecticides to stop the grasshoppers on their first appearance. High infestation has been reported in other parts of the state.

Over Four Million Persons View 1949 Pontiac Line

Although the 1949 Pontiac line has been unveiled nationally for about a week, the new cars have been inspected by more than four million persons in dealer showrooms, Harry J. Klingler, general manager of Pontiac Motor Division, estimated today.

Mr. Klingler based his estimate on figures contained in thousands of congratulatory telegrams from dealers, reporting the greatest public enthusiasm ever generated by a new Pontiac model. A substantial percentage of orders are being placed by showroom visitors, the wires reported.

"This is undoubtedly the greatest public reception of a new Pontiac model in my fifteen years experience with the Division," Mr. Klingler said. "It is particularly gratifying in that our openings throughout the West and Southwest were accompanied by the worst weather in the recorded history of those sections.

"Following the Waldorf showing in New York we felt sure we had a winner. The reception across the country appears to give us a unanimous verdict."

Pontiac now is employing 12,138 persons and in building more than 1,000 cars per day at Pontiac and in the Division's six assembly plants, Mr. Klingler said.

Vets Taking On-Farm Training Must Report '48 Earnings to VA by March 1

West Texas veterans taking institutional on-farm training under the GI Bill must submit reports of their 1948 earnings to the Veterans Administration Regional Office at Lubbock by March 1, 1949, in order to continue receiving subsistence allowances, Robert W. Sisson, VA Regional Manager, said today.

Failure to submit the reports before the deadline may result in suspension of subsistence payments until such time as the reports reach VA.

The reports—covering income from productive labor only, for the calendar year 1948—will be used by VA as the basis for adjusting each veteran's subsistence for the current year, 1949.

Under the law, subsistence allowance will be reduced if a veteran's monthly income from productive labor plus his subsistence allowance exceeds \$210. A month if he has no dependents, \$270, if he has one dependent, or \$290, if he has more than one dependent.

The annual earnings report is based upon farm accounting records kept by the veteran farm-trainee as a part of his course of instruction.

In the case of a veteran operating a farm for himself under the training program, income from productive labor is computed by deducting from his yearly net farm income, (1) the interest on his capital investments and (2) an amount for unpaid family labor, and by adding an estimated value for family living furnished by the farm.

His net farm income is derived from the difference between inventories at the beginning and end of the year and from a detailed account of all receipts and expenditures in connection with

his farm business.

Veteran trainees received necessary VA Forms (Form No. 7-1922) early this year. As a part of their course of training they receive assistance from their instructors in closing their books for the past year, and in transferring data to the VA Form.

The VA Regional Manager stated that on December 31, 1948, a total of 4,426 veterans in the West Texas VA Region were enrolled in institutional on-farm training courses under the GI Bill; of this number 729 were disabled veterans.

How's Your Listening Time?

Buck Howell and I were in Balaville last week. Dropped in at Bob's diner where some friends were sitting around talking about whether to sell hogs now or wait.

Buck plunges right into the discussion. He's lecturing away when suddenly they all stand up and start stomping their feet like it was an Indian war dance.

I'm flabbergasted. But Buck only looked sheepish and explains, "Guess I was talking again, when I should've been listening. When a person's talking time gets out of

line with his listening time around here, the gang reminds him by standing up and stomping."

From where I sit, that's a good system. Everyone has a right to his opinions—but others have a right to theirs, too—whether it's deciding between to sell or not to sell, apple pie or cherry pie, or a glass of mellow beer or cider. Life's more interesting that way, and hang it if you don't sometimes learn something!

Riding Circle Around Whitefaces

by Art. N. Wall

With good weather and road graders busy on rural roads the Whiteface Public School is operating steadily on towards the end of the school season. School plays appear to be the general talk among students. With February half gone and May just around the corner, the seniors have a right to wonder what the future will bring.

On March the 5th the FHA will hold their area meeting in Whiteface. At that time there will be approximately four hundred members present. We wish to bring this to the community's attention due to the fact lodging will have to be furnished to these

members. Many visiting members will undoubtedly spend the nights during this area meeting with fellow members who live in and around Whiteface. Please keep this date in mind and assist in every way to make visiting members comfortable.

Miss Pauline Reid, second grade teacher, has been ill the past week. Mrs. A. J. Parsons has been teaching in Miss Reid's place.

Mr. and Mrs. O. C. Rankin left for Oklahoma the 14th due to the death of Mr. Rankin's father. The Rankin children, Mary Kay and Jimmie, are in a Lubbock hospital with the mumps.

Something for we in Whiteface to notice and abide by is the new city limit signs at the edge of town stating that the speed limit is twenty miles an hour. With a school as large as ours and children all over town, that is a good law.

The city limit signs are erected too, at a good time, because of the pavement to Bledsoe. This will naturally create more speed and more traffic and therefore every precaution will be necessary to prevent an accident.

Mr. White, road commissioner, brought something to this column's attention. Money used to buy license plates in this county is spent upon our roads. So many do not realize this and every where it is handy to an individual to buy a license they will do so regardless if it is out of their county. The law states one should buy their license plates in the county they reside in. So the next time you travel a rough road ask yourself where you purchased license plates. It is true all of our roads can not be up to perfect shape all the time but we can help improve them by registering our cars in the right county.

Mrs. Gerald L. Crupper entertained at her home on the night of the 14th. The occasion was a food demonstration presented by Mr. Jack Naylor of Sundown. This was followed by card games, forty-two, and Chinese checkers. Those present were Mr. and Mrs. H. L. Berry and daughter Lavoye, Mr. and Mrs. H. L. Osborn and family, Mr. and Mrs. Ben Neal and family, Mr. and Mrs. Rayburn Williams and family, and Mr. and Mrs. A. N. Wall and family.

Roping strays—Received a letter from Wyoming. In one place it stated, "Where cars are snowed in along the highways, signs are often placed near them that a car is buried there. The drifts are so high no part of the car can be seen. You can not imagine what it is like here." We in this community have had lots of needed moisture with the prospects of plenty more. We have not suffered because of it. We have lots to be thankful for. Those people in the northern states will in all probability have floods to worry about later.

Lone Star Club to Sell Silk Flags and Give Assembly

"The Lone Star Club will sell little silk flags for ten cents on Independence Day, March 2 and are planning a program for that day," according to Jo Beth Russell, reporter.

All members are urged to have their dues paid by March 2 and a map and flag will be purchased, Jo Beth added.

A financial committee composed of Sybil Neagle, Herman Bedwell and Mark Grimsley was appointed by Lonnie Ailsup, club president.

The committee appointed to make the constitution were Patrick Mayo, Muryl Ruthardt, and Worth Marshall.

Morton Progresses

By Glenna Kennedy

The first school in this part of the country was the Minnie Veal School which was established some time before 1923. In 1924 another one-room, one-teacher school was established and this was the first Morton School. Mr. Rupert McCasland, who is the school tax assessor now, was the first teacher. He taught Miss Lanora Jackson, our present librarian, when she was in the fourth grade.

For the school year of 1924-25 the Bull Camp school was organized. In 1925 all three schools consolidated and designated Morton as the site of the new school. This school had approximately 70 pupils and three teachers. Classes were taught up to the tenth grade. Great progress was made as the first brick building which has the auditorium was constructed.

The old Minnie Veal school building became the present home of J. L. Winder, the Bull Camp building is now the Primitive Baptist church, and Carl Macon, present superintendent, is living in the old Morton School building. The school has had six or seven superintendents, beginning with Charley Stringer down to our present supt.

Athletics became a part of the school as far back as 1927. There were boys and girls basketball teams and they played on an outdoor court. The first graduating class with five seniors was made possible that year. Football teams were organized in 1934 with J. P. Cotman as the first coach.

At present Morton Schools consist of six buildings, 34 teachers, and a total enrollment of approximately 900 students.

BANNER RECEIVED

The Home Economics department has received their FHA emblem. The emblem and "Future Homemakers of America" is red felt on a white background. Edwina Williams and Vera Coon hung the banner in the department.

"Facts About Fabrics" was a movie the group saw at the recent FHA meeting," according to Sybil Barnett, reporter.

The Grades Report

Mrs. Corder's first grade gets new pupils every day. There are 29 enrolled now. Several room mothers attended their Valentine party.

Mrs. Gray's room reports 11 cases of measles. A new pupil, Bill Bledsoe, from Pettit has enrolled in the first grade.

Mrs. Winingham's third grade presented the assembly program recently. This included a safety play, a thrift play, piano solos by Ray Ann Ross and Barbara Ramby, and a song, "Buttons and Bows" sang by a group of girls. For this song the boys were dressed as girls.

Maureen Weed, a seventh grader won first prize in the Junior High Poetry contest recently. Second prize went to Jack Russell, eighth grader, with Bert Holcomb's entry winning third. Bert is also a seventh grader. The contest subject was "Books." The winning poem will be printed on book marks for the library.

Barbara Stovall and Steve Bracken were elected Best Citizens of the week for the six-one English class.

Mrs. Gowdy announces that the eighth grade speech class is studying a unit on puppets.

The traditional Valentine box was a feature of the party given the eighth grade by the teachers and room mothers last Monday. Refreshments of heart-shaped cakes and Dixie cups were served.

Patsy Patterson is the new president of the 8-1 Science club organized Jan. 22. Assisting her is Freddie Don Lewis as vice-president. Norma Wright serves as secretary and Lanar Burns, reporter. Parliamentarians are Barbara Kendall and Dot Trice is program chairman. Committees were appointed by the president.

We never did learn whether Kilroy settled down, or Richard got the door open.

JAMES ROBERT LIVELY ENTERTAINED FRIENDS WITH VALENTINE PARTY

On Friday afternoon, February 11, James Robert Lively entertained friends with a Valentine party at the home of his grandmother, Mrs. Hattie B. Spotts. A series of Valentine games were played with Norton Willis and Lowell Hatcher the prize winners. The living room was decorated with red hearts and the table was centered with a large heart shaped cake and red candles. Refreshments of cake, ice cream and candy were served.

-- annegrams -- —by ann england—

The cat is out of the bag now—about the expected addition to the L. B. Childs family that is. The little one is expected around the latter part of March.

★ **Minnie was the prettiest thing** at her shower last Thursday evening and oh, my, so excited she could hardly open the gifts. Don't know when we have seen so many lovely things—but then Minnie is loved by all: she has been here a long time and knows everyone.

★ **All the gals looked stunning**—there was Eltha, the chief hostess, in a beautiful black dress with four tiered skirt and gardenia corsage, Mattie in black with sort of draped doo-dads across front and red carnation corsage. Dutch Gipson also wore black, a two piece bustle back affair, her corsage was of pink carnations. Geneva had on black, and Ruth was wearing a grey bolero suit, little Lulu had on a spring print and our dress was an old black number: we did have a new corsage of sweetpeas tied with a bunch of pastel ribbons.

★ **Lillian Williamson was there**, practically barefoot, she did have a pretty black sath boudoir slipper on one foot and must have been Bill's sock on the other (just the day before she had stepped on a nail).

★ **Mrs. C. C. Reynolds and Mrs. Roy Hill** came in together. Mrs. R. was wearing a lovely head fitting hat with tall plumes and Mrs. H's hat was a white feather one. They wore something else too, but we were so intrigued with their hats failed to notice what their dresses were like.

★ **Kate Hargrove's hat** was pink with a bunch of soft feathers on top, her dress had a pink eyelet ditty around the neck. Her mother, Mrs. Greer, looked unusually nice too, she had on a pretty black spring hat.

★ **Mrs. Cap Lindsey**, always beautifully groomed, wore steel grey crepe and with her silver hair it was most becoming.

Dan A. Harrison, M. D. announces the REMOVAL OF OFFICES —to— **Green Hospital and Clinic** Muleshoe, Texas

★ **Mrs. Charlie Glenn** was wearing grey, a light shade, with a bustle back and plaid trimmed, her hat was a soft grey off the face model.

★ **Oh, dear we got initials** all mixed up last week. It was Mr. Charlie Taylor at the Morton Drug, who escorted pretty Mrs. R. T. Tarver Jr., to the Jamboree.

★ **Sometimes tho we wonder** how we manage as well as we do on names and initials. Of course everyone (well nearly) remembers us—after all there is only ONE ann england—while we have about 3000 to remember.

★ **Mrs. Willard Cox** has a new hair arrangement, she is wearing her beautiful black hair shorter and curled. We thought nothing could be prettier than the old style but declare this new arrangement extremely becoming.

★ **Mrs. Robert Lively (Jeanie)** had on a precious dark green taffeta with tiny black figures and a pleated skirt. Her halo hat of iridescent green and black feathers was most becoming.

★ **We were fascinated** with a green grosgrain ribbon around the neck of Mrs. Scott Hawkins, a nose-og of moss rose buds was attached to it and was simply perfect. Her dress was black crepe and satin.

★ **T. K. Williamson** has a new black convertible Oldsmobile. Expect his dad will have a time keeping him in the bank now, until the new wears off anyway.

★ **Mrs. Lloyd Crabh, Lubbock**, came home with Paula Brown the other day and those gals have been sewing like mad on new spring and summer clothes. Doing a mighty good job too, we might add. Mrs. C has the blackest hair and twinkling dark eyes. Paula is a pretty girl too and her husband, Milton, is the nicest old boy—Friday night after Lions party he called the story in to Lubbock for us.

★ **Billye Taylor** was a member of our party for the Lions to-do. She looked mighty sweet in a black dress with gardenia corsage. Bill Rutherford and Marlowe Fisher came by Vagabond House for a few minutes, mainly to shave and change clothes before the banquet.

★ **We certainly are proud** of the way the various committees handled the tenth anniversary celebration. Everything went off beautifully. Dr. Lawson is a capable master of ceremonies, and of course Rutherford, Fisher and Jackson past masters at speech making.

★ **Special guests invited** for a free dinner at Jake's Cafe last Sunday were Mr. and Mrs. Roy Hill and Mr. and Mrs. Bill Weatherly. The Hills were present but the Weatherlys were visiting in Oklahoma.

★ **Sunday, February 5**, Mr. and Mrs. Truman Doss and Mr. and Mrs. Lloyd Evans were chosen as guests of the management but both couples were unable to accept the invitation.

★ **Next Sunday Mr. Carroll** has announced that Mr. and Mrs. Maurice Lewallen and Mr. and Mrs. Jake Minor have been selected as his guests.

★ **Robin Rollen**, who accompanied us on the trip says, "Some vacationists go away for a little change, but come back with a lot less."

★ **We talked with Janie Graham** for a few minutes. Janie has really grown up since leaving Morton and is such a pretty girl. The Grahams have recently completed a new and lovely home at Ruidoso.

★ **Dr. Jackson never did** introduce the gal sitting on his left; don't know whether she was his wife or girl friend. Anyway we like him, he very kindly noticed and complimented the beautiful corsage of carnations the spouse had sent us for the occasion.

★ **Bought a magazine** the other day containing instructions on "how to become beautiful in 14 days", now if it doesn't work we aim to demand a refund.

★ **We have just been reading** "When Editors were Men" by Wayne Gard in the January issue of American Mercury. It is amusing as well as interesting.

★ **For instance, G. W. Robson**, editor of the Frontier Echo at Jackboro, wrote up weddings with such a flourish and with such compliments to the bride that it became customary to reward him with a big cake with white frosting. Another western editor put birth, marriage, and death notices under the headings: Hatched, Matched, and Dispatched.

★ **Editing seems to have** changed considerably the past few years—progress of civilization and inclusion of women in the field may have something to do with it.

★ **Anyway editors are** certainly not as out spoken now as J. Guy Reid, who published a little weekly at Cotulla and once was wounded in a gun battle. Reid had a habit of popping off in print at people he didn't like and on one occasion he referred to a sheriff as the offspring of a razorback hog sired by a ring-neck buzzard. Mr. Gard goes on to say that Reid kept an arsenal in his office—which we don't doubt the necessity of at all.

★ **We had a delightful** trip to Ruidoso this week-end. Been up there so much it is almost like a second home. The spouse thoroughly enjoys (so do we) Ray Reed's singing with his string band, especially when R. R. accomodates by singing "Tennessee Waltz" several times. Understand Mr. R and his boys are soon to be featured on a radio program.

★ **We have always fancied** that Bobby Boyce never knows we are on the place but still he invariably sends his pretty little wife around to do something extra nice for us.

★ **We talked with Janie** Graham for a few minutes. Janie has really grown up since leaving Morton and is such a pretty girl. The Grahams have recently completed a new and lovely home at Ruidoso.

★ **Robin Rollen**, who accompanied us on the trip says, "Some vacationists go away for a little change, but come back with a lot less."

DODGE TO INTRODUCE NEW KIND OF CAR BUILT FOR TODAY'S BIGGER TALLER AMERICANS

Daring New Dodge establishes new trend . . . provides more head room, elbow room and leg room, at the same time decreasing outside dimensions. Extreme lines, uncomfortable seats and cramped interiors have no place in Dodge thinking.

Army statistics revealed that the G.I.'s of World War II averaged 1 1/2" taller than the Doughboys of World War I. The same statistics showed they were also heavier and more active.

DODGE SAID "NO" TO THIS... repairing dentel or torn fenders is sure to be costly when fenders are formed right into great masses of sheet metal. Now look below and see why Dodge owners don't have this worry.

DOWN GO REPAIR COSTS! No costly-to-repair, massive sheet metal fender sections in new Dodge. Fender unit is bolted (not welded) to body; easily removed, repaired and even replaced, if necessary, at reasonable cost.

"NECK-CRICKING" CONTOURS ARE ALREADY OLD-FASHIONED," says Dodge. How can today's bigger, taller Americans be comfortable in a car where it's even hard to lean back or sit up straight?

DODGE ROOMINESS IS ROOM ALL AROUND... The new Dodge shows you more elbow room . . . more head room . . . more leg room . . . that today's bigger Americans will welcome.

LOWER ON THE OUTSIDE . . . Higher on the Inside • SHORTER ON THE OUTSIDE . . . Longer on the Inside
NARROWER ON THE OUTSIDE . . . Wider on the Inside

DEAVER GIVEN LEAD IN "SEVENTEEN"

Burl Deaver has been selected to play the leading role in the 14 character senior play, "Seventeen", according to the sponsors. Deaver's past experience in "The Elusive Bachelor" has proven his capability and assurance of presenting fine acting.

His parents, Mr. and Mrs. Baxter will be played by Wayman Marshall and Wanda Yarbrough. Lois Wilson copped the part of his sister, who tells all!

Lola Pratt who wins the boys' hearts with her cute "Baby Talk" will be played by Audrey Faye Kelly. Other characters are Joe Bullitt, Jimmy Winder; Genesis, Kenneth White; Johnnie Watson, Bill Ed McDaniel; George Crooper, Glen Yeary;

Wallie Banks, Wayne Shaffer; Mr. Pareher, Elick Cox; May Parcher, Wanda Hancock; Ethel Boke, Marvie Ann Fincher; and Mary Brooks, Gracie Vernon. Jamette Jeter will be stage manager. Tentative date for this play is set for March 11, at 8 p. m. in the school auditorium.

Juniors Present Class Favorites

By Sue Smith
This week the War Whoop takes pleasure in presenting the Junior class favorites.

Dorothy Taylor

Dorothy Taylor is class favorite for the second time in her high school days, the other honor was bestowed upon her during her "fish" days. Her favorite color is red and she likes basketball. She has a collection of 18 pocket knives, varying from very small ones to extra large.

Dot apparently doesn't mind working, she works in the library two periods a day and at Ramby's drug store two nights a week, and on the week-ends.

Vaughn Killion

The favorite junior boy is Vaughn Killion. He is an expert boxer but his favorite sport is basketball. When it comes to eating, he prefers blackeyed peas every day. In colors he likes blue. Vaughn spends his spare time reading. He is serving as assistant secretary of his class.

New Students Enroll

Fred Stockdale from Ft. Worth, Texas, Nena Lois Bledsoe from New Home; and Sue Rose from Spade are the new students who enrolled in high school last week.

Fred plays the baritone in the band and has had over a years experience. He attended Carter Riverside High school before moving to Morton. He is majoring in science.

Nena Lois Bledsoe is a sophomore and is majoring in Home Economics. Her favorite past time is singing and playing the piano. Sue Rose is a freshman from Spade. She is a cute blue eyed girl.

EIGHTH GRADERS LOSE TWO GAMES

by Gene Williamson

The Whiteface eighth grade basketball team invaded the local gymnasium Thursday and carried off both games of a well-played double header. The girls, paced by Rauls 14 points took a 26-19 thriller. Patsy Patterson had 10 and Norma Wright caged 7 to pace the locals.

Bizzel used a mystifying hook shot from far out on the side to pace the boys with 13 points. The smallest man on the court, Smith, of Whiteface had 10 points. Burke and Mohmood paced the locals with 9 and 11 points respectively. It took Morton exactly 21 minutes of playing time to get "warmed up" but by then it was too late, and Whiteface took the game, 34-26.

Maybe the cost of living is too high; but most of us are sure trying to get our money's worth.

It is easy to meet expenses nowadays. You run into them everywhere.

Hume Russell Home Scene of Shower Thursday Honoring Mrs. L. B. Childs

Mrs. L. B. Childs, affectionately known as "Minnie", to her many friends, was honored at a beautifully appointed Tea-Shower in the Hume Russell home, Thursday evening from six until eight o'clock, February 17. Assisting Mrs. Russell with hostess duties were Mrs. John L. McGee and Mrs. Joe Nicewarner, who presided at the silver coffee and tea service. Mrs. Charles L. Taylor, Mrs. Joe Gipson, Mrs. L. W. Ray, Mrs. Carl England and Mrs. P. B. Ramby, Mrs. E. L. Willis, another of the hostesses, was called out of town.

Decorations in the spacious Russell home carried out a spring theme with rose colored snapdragons flanked by tall, lighted pink tapers on the spinet piano. Bowls of vari-colored sweetpeas were placed at vantage points about the rooms.

The lace covered refreshment table was centered with a low bowl filled with sweet peas. Tall pink tapers in crystal holders were placed at either side of the floral arrangement.

Guests registered in a pink moire covered "Baby" book. Hundreds of gifts were opened by the honoree and displayed in the

guest bedroom. Mrs. J. B. Knox and Mrs. L. F. Hargrove, alternated at the piano. Mrs. Edith Hall, vocalist, was presented by Mrs. Joe Gipson, in a series of songs including the beloved "Lullaby" by Johannes Brahms.

Mrs. Childs was very attractive in a two-tone brown crepe frock with brown reptile accessories. Her corsage was a shoulder arrangement of yellow jonquils tied with green and brown ribbons.

Guests who registered, other than those mentioned, were: Mesdames C. C. Reynolds, Roy Hill, Cap Lindsey, H. J. Andrews, J. T. Porter, Roy Hickman, W. W. Williamson, J. A. Gowdy, Elizabeth Greer, Charles Glenn, Carl Macon, John Alford, D. M. Woolam, M. T. Beard, Tom Arnn Jr., F. F. Roberts, C. A. Baird, Hessie B. Spotts, Robert Lively, Ara Lee Harris, Roy Weekes, Tim Tanner, Lloyd C. Miller, R. D. Ormand, W. B. Cox, E. H. Timian, E. L. Cox, Frank Barker, J. D. Hawthorne, M. C. Ledbetter, Scott Hawkins, H. S. Hawkins, James St. Clair, English Cox, E. Scott, C. M. Cravy, Andrew Essary and Lem Chesher.

ROY RAY DYKES NAMED TO DEAN'S LIST AT ETSU

Roy Ray Dykes, son of Mr. and Mrs. W. T. Dykes of Morton, has been named to the Dean's List for the 1948-49 fall semester at East Texas State College. This announcement was made by Dr. C. B. Wright, chairman of the scholarship committee.

To be eligible for the Dean's List, students must have a semester grade average of better than a "B".

After all is said and done, we keep on saying and doing.

Seems everybody... everywhere... is saying CHEVROLET is the most Beautiful BUY of all

The most Beautiful BUY for Styling

Millions of people all across America—and undoubtedly your friends and neighbors, too—are hailing the "luxury look" of Chevrolet for '49. It's the beauty-leader, all right—inside, outside, and from every point of view! For the bodies are by Fisher—finest of all car bodies—found only on Chevrolet and higher-priced cars.

The most Beautiful BUY for Comfort

You'll enjoy a new and finer kind of comfort in this car. The perfectly relaxed comfort of "Five-Foot Seats" plus extra-generous head, leg and elbowroom. Moreover, it's a "car that breathes" for an advanced heating* and ventilating system inhales outside air and exhales stale air.

* (Heater and defroster units optional at extra cost.)

The most Beautiful BUY for Driving and Riding Ease—with new Center-Point Design

What a thrilling experience will be yours when you take your first ride in Chevrolet for '49! New Center-Point Design—including Center-Point Steering, Center-Point Seating, Lower Center of Gravity and Center-Point Rear Suspension—provides driving and riding results heretofore available only to owners of more costly cars. Here is another "first" for Chevrolet—another vital contribution to low-cost motoring—another treat for Chevrolet owners! Remember—only new Center-Point Design can give these finer motoring results; and only the new Chevrolet offers Center-Point Design at lowest cost.

The most Beautiful BUY for Performance

For real thrills and thrif—for the finest balance of performance and economy—owner after owner will tell you there's nothing like a Chevrolet! Its world's champion Valve-in-Head engine—now setting a trend for high-priced cars, but remaining exclusive to Chevrolet owners in its field—holds all records for miles served, and years tested and proved.

The most Beautiful BUY for Safety

To buy one of these brilliant new Chevrolets for '49 is to give your family *fivefold* safety protection found in no other low-priced car: (1) New Certi-Safe Hydraulic Brakes; (2) Extra-Strong Fisher Unisted Body Construction; (3) New Panoramic Visibility; (4) Safety Plate Glass in windshield and all windows, and (5) the super-steady, super-safe Utilized Knee-Action Ride.
