

# VANDALS BREAK INTO SANDERS IMPLEMENT CO. OVER WEEK-END

G. Courtney Sanders, owner of the Sanders Implement Company, reported Monday that his building located east of town, was broken into some time between closing hours Saturday night and

## Window Broken At Ford Tractor Co. Mon. Night

Wes Lackey of McMaster-Lackey, dealers in Ford Tractors, reported Tuesday morning that a window in the building occupied by him and his partner was broken sometime Monday night. George Newman, night watchman, noticed the broken rear window around mid-night as he made his rounds and notified Mr. Lackey. Mr. Lackey said no trace of the intruders had been found and so far they had not missed any money from the place of business.

### BABY DAUGHTER FOR MR. AND MRS. L. B. CHILDS

A baby daughter, weighing six pounds, was born to Mr. and Mrs. L. B. Childs at St. Mary's hospital, Lubbock, Tuesday night, March 29. The baby was delivered by caesarian operation at 11:30 p. m. Mother and babe were reported in "fine" condition as the Tribune went to press. Mrs. Childs, the former Minnie Cox, is the owner of Minnie's Shop, a ladies ready-to-wear establishment. Mr. Childs is the owner of Childs Store, furnishings for men and boys.

## Limited Membership Offered Here By Levelland Concert Association

Members of the recently organized Levelland Concert Association have offered a limited number of memberships to residents of Cochran county, including Morton and Whiteface.

## You May Be the Lucky One, Enter Contest Now

W. W. Smith, local Kaiser-Frazier dealer, announced this week that \$1,000.00 toward the purchase price of either a new 1949 Kaiser or Frazier car will be given some person in this community by the Kaiser-Frazier Corporation. Entry blanks and complete details may be secured at the Cochran County Motor Company, located in the Sanders Implement Building, east of the square, Mr. Smith said.

## Revival at Three Way Attracting Large Crowds

The Revival at Three Way Baptist Church is attracting large crowds, according to a spokesman from the church. There have been 14 additions to the church to date, and services will continue through Sunday, April 3. Rev. Robert L. Wittner, District Missionary of Alpine, Texas is the Evangelist, he is a graduate of Baylor University, and of the southwestern Seminary of Ft. Worth. His District is the largest in Texas, covering some 365 in length. His messages are direct, and of the heart of a great Christian.

Carroll Holtzclaw, pastor is directing the song services, the public is cordially invited to attend the closing services of the revival, 10:00 a. m. and 7:30 p. m. Goals for record attendance in Sunday School and Training Union have been set for Sunday. Persons living in this section and not attending worship anywhere, are invited to come to the church for a special invitation to come and worship at Three Way Baptist Church. "Come thou with us and we will do thee good."

### GUESTS AT BANQUET HELD IN LEVELLAND MONDAY

Mrs. J. B. Knox, Mrs. J. A. Cowdy, Mrs. Hume Russell, Mrs. B. Ramby, Mrs. David Todd and Mrs. Carl England were guests at a banquet Monday night at the West Ward school, Levelland. The banquet was given by the Levelland Concert Association.

reopening of the building Monday morning.

Entrance to the building was thought to have been obtained through a back window in which the glass was broken by the intruders, Sanders said.

One of the employees was in the building Sunday and noticed the broken window, Mr. Sanders said. However the employee reported that some change, around two dollars, was still in the cash box at the time he was in the building Sunday. This money with exception of a few nickels was gone Monday morning, Sanders reported. Sanders was of the opinion that the vandals broke the window Saturday night and then came back sometime during the night Sunday and got the money.

## Friendship Night Held Tuesday By Eastern Star

Morton Chapter No. 841 Order of the Eastern Star held its annual Friendship Night Tuesday evening, March 29 at Veterans' Hall.

Visitors from Lubbock, Muleshoe, Ralls, Denver City, Seagraves, Lorenzo, Southland, Sundown, Levelland, Littlefield, Slaton, Sudan and Brownfield were greeted by Mrs. E. L. Willis, Worthy Matron, and her corps of officers.

The hall was decorated to represent a flower garden with peach and plum blossoms and pots of red geraniums. A skit on spring and friendship was given.

MR. and MRS. FORREST WEIMHOLD of Levelland visited here Sunday afternoon.

Six guests from Morton were invited and attended a banquet in Levelland Monday night on the invitation of the Concert Association, of which Mrs. Forrest Weimhold, Levelland, is secretary. Four guests were present from Whiteface, Mrs. H. P. Clemmons of Whiteface has been invited to serve on the board of directors for the association.

A representative of the Lucius Pryor Concert Service, outlined the forthcoming program for the 1949-1950 season. Programs will be chosen by the board of directors from a selection of outstanding artists in the entertainment field; such as Raymond Lewenthal, pianist; Anne Bollinger, Soprano, Metropolitan Opera Association; Henry L. Scott, America's first concert humorist; Robert Rouseville, Tenor, New York City Opera Company; Sidney Harth, Violinist; Gainey-Rondahl-Poleri Trio; Omaha String Symphony; Paganini Quartet; and selected modern plays, speakers, etc.

Memberships for residents of Cochran county are available at Morton Tribune, Ramby's Pharmacy, Todd Furniture Store or by writing Mrs. Carl England, Mrs. Hume Russell, Mrs. J. B. Knox, Mrs. P. B. Ramby or Mrs. David Todd. The price per membership is \$4.80 for adults, tax included and \$2.80 each for students. No memberships will be sold after April 2 and there will be no tickets sold for the performances. A new auditorium with seating capacity of 1200 will be completed in Levelland in time for these programs. It was announced at the banquet Monday night. Persons holding membership in the Concert Association will be entitled to all privileges of the association.

## Cochran County Garden Club Met Tuesday, March 22

Mrs. C. A. Baird was hostess to the Cochran County Garden Club Tuesday, March 22.

Mrs. Roy Hill, Mrs. Fred Stockdale and Mrs. Cliff Davis were elected as delegates to the District convention at Hereford to be held April 8-9.

The project committee reported that shrubs and evergreens had been set out at two of the school buildings.

Mrs. A. A. Fralin gave a very interesting talk on "Study of Texas Trees."

Delicious refreshments were served by the hostess and bud vases were used as favors.

The next meeting will be held in the home of Mrs. Fred Stockdale, April 12 at 8:00 p. m. Each member is to bring some type of flower or shrub for the yearly flower exchange.

## SCHOOL TRUSTEES FOR COUNTY-DISTRICT TO BE HELD SATURDAY

County and district school trustees will be named in an election to be held Saturday, April 2, Cochran County Superintendent G. W. Thompson has announced.

Voters will name trustees in their respective districts throughout the county and county trustees will be named from Precinct No. 3 and No. 4. Also, trustees for the County-At-Large.

District trustees will serve three year terms and county board members will be named for two-year terms. Persons named to these positions must be taxpayers and qualified voters of their respective districts.

The district elections will be held at the school houses in the respective districts. The polls will open at 8 A. M. and close at 7 p. m.

County trustees whose terms are expiring are W. A. Woods, trustee-at-large, and H. G. Griffith, Precinct No. 3 and Cecil Masten, who resigned in Precinct No. 4.

The Morton Independent School District voters will name three trustees. Completing three-year terms in this district are C. D. Ray, Raymond Ross, and George Igo. All of these whose term expires are on the ballot for this election.

Other trustees whose terms are expiring include D. G. Henry, Neely Ward school district and H. H. Rosson and C. O. Bryant, Bledsoe Independent School District.

Morton Independent School District: Roy Hill, George Igo, A. R. (Pete) Lindsey, C. D. Ray, Raymond C. Ross, B. R. Stovall, E. V. Thompson and Pete Todd.

Whiteface Independent School District: Lester Baccus, F. E. Baldrige, Lee Castle, Charles Coffman, J. H. Davis, J. T. Hall, G. C. Keith, T. F. Peacock, J. W. Pond, Leo Roulain, J. P. Smith, V. N. Townsend, Art N. Wall, Harvey Whittenberg and Melvin Woodley.

Bledsoe Independent School District: C. O. Bryant and H. H. Rosson.

County Trustee-At-Large: V. H. Bewley and W. A. Woods.

County Trustee Precinct No. 3: Syd Coffman.

County Trustee Precinct No. 4: Joe Hodge.

## Country Club Golf Tourney Ended Sunday; Winners Awarded Prizes

The Country Club Golf Tournament ended Sunday and prizes were awarded to the following men: First flight, first and second place, Dr. V. L. Lawson and E. L. Willis; Second Flight, first and second place, Mr. W. W. Williamson and P. B. Ramby, consolation prize, C. M. Cravy; Third Flight was not completed; Fourth Flight, first and second place, Joe Bennett and M. C. Ledbetter. Mr. E. L. Willis was medalist with a score of 36.

Four golf balls were given to the winner of each flight and two balls to the second place winner.

The consolation prize was two golf balls and the medalist was given four balls.

All members are asked to remember the election and general meeting to be held Thursday night, April 7.

MR. and MRS. DAVID JETER and family visited relatives in Brownfield Sunday.

MR. and MRS. W. M. ASHWORTH returned Monday after a three months visit in Hot Springs, New Mexico.

## EXPERIMENTAL CROP OF ONIONS PLANTED ON ROBERTS' FARM

Five acres were planted to onions here Monday on the irrigated farm of Merlin and Vern Roberts in the edge of Morton to the east.

110 Mexicans from South Texas, under the supervision of Clyde London, Corpus Christi, set

## Listings of Blood Donors Wanted At Judge's Office

There are 35 persons listed here as possible blood donors but many more listings are needed.

Anyone willing to give blood in case of an emergency is requested to leave name and type blood at the Cochran County Judge's office. If anyone does not know his type the county will provide for typing at no cost to the donor.

On several occasions in the past emergency transfusions have been given that in all probability saved a patient's life.

### VISITING IN ESTELLINE

Mrs. W. W. Williamson is spending this week with her mother, Mrs. S. P. Admire at Estelline, Texas.

## Mrs. Albert Morrow Nominated as 1949-1950 Garden Club President

The name of Mrs. Albert Morrow has been submitted by the nominating committee Garden Clubs Inc., District 1, for District Councillor. Election of officers will be held at a district convention in Hereford, Texas, next week-end.

Other names submitted by the committee are Mrs. Carroll Boyd, Dumas, 2nd vice-councillor; Mrs. H. A. McCall, Odessa, 3rd vice-councillor; Mrs. Tony Vaughn, Phillips, 4th vice-councillor; Mrs. J. A. Fortenberry, Lubbock, 5th vice-councillor; Mrs. Obie Bristol, Big Spring, 6th vice-councillor; Mrs. N. D. Bartlett, Jr., Hereford, 7th vice-councillor; Mrs. P. D. Berthelot, Amarillo, recording secretary; Mrs. Joe Deason, Amarillo, Treasurer and Mrs. Rex Russell, Midland, parliamentarian. The first vice-councillor is state appointed.

Mrs. Morrow, former school teacher in Morton public schools, has been active in church, civic

and social organizations for several years. She is president of the 19th district American Legion Auxiliary, past president of both Cochran County Garden Club and 1936 Study Club.

## Wood-Sides Vows Read by Rev. Jack Bullard Saturday

Mr. and Mrs. L. C. Wood announced the marriage of their daughter, Nettie Marie to Wallace Sides.

Vows were taken here Saturday, March 26, at 8 p. m. in the Missionary Baptist Church. Rev. Jack Bullard presided.

The bride wore an aqua dress with white accessories.

The reception was held in the home of the groom's aunt, Mrs. M. D. Sides.

After the reception, the couple left for a short wedding trip to Amarillo. They will make their home in Whiteface.

Mr. Sides is from Amarillo. The bride attended school in Whiteface.

### AMERICAN LEGION AUXILIARY TO MEET THURSDAY NIGHT

American Legion Auxiliary will meet Thursday night, March 31 at Veterans Hall. All members urgently requested to attend.

Mr. and Mrs. Alvin Wolfenberger spent the week-end in Midland visiting friends, Mr. and Mrs. Lloyd Bell.

## Important Meet of VFW and Legion Thursday Night

There is to be a joint meeting of the American Legion and V. F. W. Posts, Morton at Veterans Hall Thursday, 8:00 P. M. March 31. All veterans are cordially invited to attend. This is a joint business meeting to take up pertinent business matters that the posts have in common.

Some of the problems to be discussed are: putting asphalt tile on floor of Auxiliary room and main room of building, purchase of piano, chairs, landscaping yard and improving the recreation room.

At this meeting the Legion will select a young promising boy, a junior in high school to attend Boy's State at Austin, Texas, advises Commander Homer E. Thompson. The committee to select the boy for the post will have the candidates ready at this time to make the selection.

All veterans are invited to take part in this program whether or not a member.

## Local Club Boys Enter Calves in Lubbock Show

Byron Gunter and Clarence Moore showed a 4-H and FFA Angus calf respectively at the South Plains Fat Stock Show, Lubbock, Texas March 21, 22 and 23.

Byron's Angus placed 12th in the class, and Clarence Moore's Angus placed 15th in same class. Other club boys who entered calves from Cochran county were Thomas Lynch and Billy Kinser. All calves from Cochran county were dry lot fed and County Agent Homer E. Thompson was well pleased with these boys showing at Lubbock.

"The South Plains Jr. Fat Stock Show was the best ever held and would equal any show in the nation as far as fat calves are concerned," said Thompson. "Yes, many of the calves at Lubbock were milk-fed and I would guess some had close to a \$500.00 feed bill, too," Thompson added. "All of these lose money except the winners. In Cochran county the dry-lot feeding is the only practical method and that is why we teach 4-H feeding this way," said Thompson. "No objection to milk feeding," says Thompson, "it is not practicable though."

### ANDREW ESSARYS TO MAKE HOME IN LAMESA SOON

Mr. and Mrs. Andrew Essary and son are leaving Morton soon to make their home in Lamesa where Mr. Essary will be the manager of a feed store. The Essarys have made their home in Morton for twelve years. Mr. C. M. Cravy will take Mr. Essary's place as Vocational Agriculture teacher.

### VISITED FRIENDS IN MIDLAND

Mr. and Mrs. Alvin Wolfenberger spent the week-end in Midland visiting friends, Mr. and Mrs. Lloyd Bell.

## STEPS TAKEN BY STATE HEALTH DEPARTMENT TO WIPE OUT T. B.

A meeting was held Monday, March 28 in the County Commissioner's Court to discuss the coming drive for chest X-rays.

Presiding over the meeting was Philip W. Gauss, Jr., field representative for the State Health Department.

This meeting was the first of the many steps to be taken in preparation for the coming of the State Health Department's mobile chest X-ray unit which is due in Morton, May 11. Previous to the meeting a unanimous approval was given to the program by the Cochran County Medical Society.

It was pointed out during the discussion by Gauss that the survey will be of little value without a large representation of the people of the county. The main purpose of this meeting was to insure this large representation.

"Our plan," said Gauss, "is to wipe out T. B. within the next 10 years." He went on to say that this can be done with the cooperation of large groups of people such as in Cochran county. The present program of X-rays is the first step in this plan, its purpose being to first locate the disease. Gauss stressed the point that many people who have Tuberculosis do not know it until the disease has reached an advanced stage. He also pointed out that although the answer to Tuberculosis is known, more people between the ages of 15 and 44 die from it than any other infectious disease.

Gauss put special emphasis on several points that should be made well known to all people concerned.

Every person in the county should know that although the X-rays are free, they are not charity. People of all incomes are urged to take advantage of this opportunity.

The mobile unit will be especially attempting to X-ray healthy people. The common symptoms of T. B. do not become apparent until the disease has reached an advanced stage. Past experience has shown that large numbers of people who have no idea that anything is wrong find out through these X-rays that they have Tuberculosis in one stage or another.

No person is too old to have

## Morton Baseball Team Slated to Play Sundown

Morton High School baseball team will play Sundown here at Slaughter Field Thursday afternoon at two o'clock.

The local team has had a very successful season so far, according to Melvin Crawford, coach.

The team played Lubbock High School Monday in Lubbock, losing the game 8 to 7. Two extra innings were played as the score was tied at the seventh inning.

Tuesday the team played Whiteharral there.

Thursday's game promises to be a good one and Crawford urges attendance. Bill Ed McDaniel will probably pitch, Crawford said.

County track meet will be held at Whiteface Friday with Bledsoe, Morton and Whiteface entering the competition.

### FROM CALIFORNIA

Mr. Fred G. Sanders of San Diego, California is visiting here with his son, Dr. H. W. Sanders.

MRS. W. A. JOHNSON of Lubbock was a guest of the P. B. RAMBYS Sunday.

Mr. and Mrs. Lloyd Crabb, Jr. of Lubbock, Mrs. Crabb's mother and sisters, Mrs. Sam Easley, Clare and Dorothy Easley of Georgetown, visited in the Milton Brown home Sunday.

Tuberculosis and all persons over 15 years of age are urged to have an X-ray made.

The minimum age that the unit is allowed to take is 15. All previous tests have proven that Tuberculosis is practically non-existent in children under 15. For this reason mothers are urged not to bring children under 15 to be X-rayed.

It has been definitely proven that Tuberculosis is in no way hereditary. Simply because no member of your family before you has had T. B. is no reason why you should not have an X-ray made. If you have been exposed to the disease in its infectious stage the chances are that you may have contracted it.

All information regarding these tests will be held strictly confidential. If you have an X-Ray made and the result is negative, a report will be sent to you within two weeks. If the tests show a possibility of Tuberculosis, or any other disease that can be detected by X-Ray, a report will be sent to your family doctor and you will be notified that you should see him for a check-up. Gauss pointed out here that his group cannot diagnose a case, but merely report the possibility of infection.

It was especially stressed that no undue stress will be necessary for the tests. Past surveys have met with almost complete failure due to the fact that the false rumor was spread that it was necessary to disrobe in order to have the X-Rays made.

It was also pointed out that very little of the individual's time would be needed in order to have an X-Ray made. The average time is two minutes per person.

The unit will be open and operating for four days: May 11, 12, 13 and 14. It will be open from 9 a. m. until 6 p. m. on all days except May 14, when it will be open from 10 a. m. until 5 p. m.

Gauss outlined several committees which should be formed in order to insure the success of the survey. They were: Publicity committee, clerical assistance committee, hostess committee, location and planning committee, loading and unloading committee, house-to-house campaign committee, transportation committee, and finance committee.

Those present for the meeting were: County Judge Glenn W. Thompson, R. C. Strickland, Home Demonstration Agent Mable Manley, County Agent Homer Thompson, Dr. Frank Barker, A. D. Sanders of the Lions Club, Artie Hicks, Betty Jo Cone, Mrs. Pick Flowers, Pauline Reid, Mrs. Willard Henry, Mr. and Mrs. Jim Gast, County Nurse Thelma Collins, and Mr. and Mrs. Alan Bryan.

A committee of three was appointed by Judge Glenn Thompson to select a general chairman for the survey. They were: Thelma Collins, Homer Thompson, and Mable Manley.

## 42 Club Meeting Held Thursday in Strickland Home

The 42 Club met Thursday night at the home of Mr. and Mrs. R. C. Strickland. After a potluck supper, games of 42 were played. Guests and members present were:

Mr. and Mrs. L. F. Hargrove, Mr. and Mrs. J. W. McDermott, Mr. and Mrs. Gage Knox, Mr. and Mrs. L. A. Cochran, Mr. and Mrs. J. B. Knox, Mr. and Mrs. Lem Cheshier, Mr. and Mrs. Al Mullinax, Mr. and Mrs. Chas. Glenn, Mr. and Mrs. L. W. Ray and Mrs. E. Greer.

### VISITED MILTON BROWNS SUN.

Mr. and Mrs. Lloyd Crabb, Jr. of Lubbock, Mrs. Crabb's mother and sisters, Mrs. Sam Easley, Clare and Dorothy Easley of Georgetown, visited in the Milton Brown home Sunday.

## Simplified Reporting System for Vets Training Under GI Bill Announced

Veterans training under the GI Bill—as well as their schools and training establishments—will have less paper work to do under a simplified reporting system which goes into effect April 1. Veterans Administration Regional Manager, Robert W. Sisson, said today.

After that date, VA no longer will require monthly progress reports for veteran trainees in job-training establishments and in schools other than colleges and universities.

Instead, reports of conduct and progress will be incorporated in a report of earnings, which veterans now file and which they will continue to submit to VA every four months.

As a result of the new procedure, VA Regional Offices will process at least 5,000,000 fewer forms a year, with an appreciable savings in clerical work.

Schools below college level after April 1 also will report veterans progress and conduct on the VA report of earnings.

The one page report is simple. The veteran merely provides necessary information, signs his name and turns the form over to the official of the school or training establishment, who reports on conduct and progress and, when appropriate, earnings over the past four months.

As in the past, colleges and universities will not submit reports of conduct and progress, except to notify VA in case of those students for whom conduct or progress has been unsatisfactory.

VA emphasized that schools

and training establishments must continue to report promptly the discontinuance of any veteran from training.

VA urges veterans to make certain the required reports of earnings reach the VA Regional Office at Lubbock before the tenth of the month following the date the reports are due.

Failures to submit reports in time might result in delays in subsistence checks, the VA Regional Manager said.

### BOB SUTTON NAMED DISTRICT LANDMAN FOR CITIES SERVICE OIL CO. IN PERMIAN BASIN

Bob Sutton has been named district landman for Cities Service Oil Company in the Permian Basin. He replaces Joe G. Sauer who resigned to become an independent oil operator.

Sutton was the district landman for Cities Service in West Texas and Southeast New Mexico before leaving that company in 1942 to join the British American Oil Producing Company.

While working with British American, Sutton spent two years in Tulsa, three years in Oklahoma City, and a year in Fort Worth.

### VISITED ORMANDS SUNDAY

Mr. and Mrs. Lee Minyard of Hagerman, New Mexico and Mr. and Mrs. Ernest Minyard of Sudan were Sunday guests in the home of Mr. and Mrs. Reagan Ormand.

### Tribune Want Ads Get Results.

## Driver Training Courses Favored In High Schools

A plea to parent-teacher associations to encourage a course in high school driver training in every major city and town in Texas next semester was made today by W. A. "Cap" Williamson, Vice President of the Texas Automotive Dealers Association.

Started in 1943, high school driver training in 1948 was taught in 350 schools where credits were given, and in an additional 236 schools which granted no credit, a total of 586 schools.

Franchised new car dealers in 75 cities, members of the state association of automobile dealers, had given outright or had loaned automobiles to schools for "behind the wheel" training.

Training of youths of high school age in theory of safe driving and actual driving experience has the approval of the Texas Congress of Parents and Teachers, the Texas Safety Association, the Department of Public Safety, Texas Automotive Dealers Association, and other groups.

"Driving habits are largely a matter of early training," Mr. Williamson said. "If a child grows up knowing the safe, courteous thing to do when he is behind a wheel, he has a much better chance of being an accident-free car driver."

The State Department of Education has recognized the need to teach good driving to our future citizens at an early age, Mr. Williamson pointed out.

During 1948, 13 courses in driver education and training were offered by the state at widely scattered colleges and universities. In these courses certificates were awarded 282 teachers and 143 prospective teachers. Thus, teachers themselves are trained before attempting to instruct students on how to drive a car.

The course is popular, and only in rare instances has it failed to receive the fullest cooperation from all agencies involved after being installed in a high school, Mr. Williamson said.

## Baptists To Hold Training Union Meet March 31

Six thousand Baptists from all over Texas are expected to meet in Abilene March 31-April 2 for the fifty-ninth annual state Training Union convention. Headquarters for the meeting will be Rose field house on Hardin-Simmons university campus.

All general sessions of the convention are to be held in the field house auditorium. Departmental sections from nursery age children through adults will meet in the First Baptist, University Baptist, First Christian, First Presbyterian and St. Pauls Methodist churches.

Dr. Guy Newman, pastor of the First Baptist church, Denison, is state Training Union president. He will preside at all general sessions.

The convention will be the scene of three state-wide church contests—the better music and better speech competition and the intermediate drill for proficiency in locating and understanding Bible scriptures. Winners of the speech and Bible tournaments will represent Texas in the Southwide contests in Ridgecrest, N. C., in July.

Approximately 200 people are to appear on the convention program, according to Dr. T. C. Gardner, Dallas, state Training Union secretary. Among the speakers are Dr. Robert G. Lee, Memphis, Tenn.; Dr. Joe Burton, editor Home Life magazine, Nashville, Tenn.; Dr. J. Howard Williams, state Baptist executive secretary, Dallas; and Dr. W. R. White, Baylor university president, Waco.

Special groups who will participate in the meeting include children from the state school for the deaf in Austin; students from foreign countries now enrolled in Wayland Baptist college, Plainview; and the world-famous Hardin-Simmons Cowboy and Cowgirl bands.

An antique exhibit of old Training Union quarterlies, record books, study course diplomas, photographs, posters and newspaper clippings will present the history of Baptist Training Union in Texas since its beginning in 1888.

### MRS. TANNER ATTENDS ODD-FELLOW GRAND LODGE AND REBEKAH ASSEMBLY IN WACO

Mrs. T. M. Tanner returned Thursday from Waco where she attended the Oddfellow Grand Lodge and Rebekah Assembly as representative of the Morton Rebekah Lodge. The assembly was in session from March 19 through March 23.

Adding Machine Paper at the Tribune Office.

## Merit System Council Examinations to Be Held May 7 for Positions in State

The Merit System Council, which serves as a "clearing house" for positions in the State Department of Public Welfare and the Texas Employment Commission, will hold open competitive examinations on May 7, for a number of positions now open in those agencies, according to Chas. S. Gardiner, Director of the Merit System Council.

There is an increasing need for workers in the State Department of Public Welfare and the Texas Employment Commission. The immediate need for professional workers consists of Field Worker, with the Public Assistance Program; Child Welfare Worker and Senior Child Welfare Worker; with the Child Welfare Program; and Interviewer III with the Texas Employment Commission.

Stenographic and clerical needs consist of Stenographer II, Junior Stenographer, Clerk-Typist, Clerk IV, Apprentice Clerk, and Key Punch Operator.

## 4-H Club Girls' Records Being Judged this Week

Records of 4-H Club girls are being judged this week to determine the girl from each club who will attend the district 4-H Encampment. The encampment will be held at McKenzie Park, Lubbock, July 19, 20 and 21.

Each of the eight clubs will be allowed one member to attend and six of these will be delegates that will vote. Seventeen counties will participate in the encampment which will be under the direction of the Extension Service, A. and M. College.

The records will be judged by members of the various communities who will be selected by 4-H Club sponsors.

## Varsity Show at Tech Slated for April 4, 5 and 6

April 4, 5 and 6 are the dates for the annual Varsity Show presentation at Texas Technological college at the Lubbock High school auditorium.

The show this year is "Milestones in Melody", a three part musical. It was written by Miss Ruth Cook, a senior home economics student from Orchard, Bill Parsley, a freshman from Lubbock, has been chosen for director. The lead roles are played by Joe Meador of Matador; Bill Wright of Midland, and Gordon Hilton and Dave Fawcett of Lubbock.

### "Old Stand-bys" in Tomato Varieties May Not be Suited for Western Texas

Some of the commonly considered "old stand-bys" in tomato varieties may not necessarily be best suited for the western Texas growing season and climate, experiments in tomato growing at Texas Technological college reveal.

Dr. A. W. Young, head of the plant industry department, said he and Dr. W. W. Youcum have recently concluded statistics on the department experiment proving four varieties, Sioux, Porter's Triumph, Porter's Pride and Firesteel outstanding in early production and total production.

Tomato-wise gardeners are already getting their plant boxes for tomatoes, Dr. Young said, and warned the new gardener preparation of boxes and setting of plants should begin now. The tomato plants usually take places in the garden after the last danger of frost which is usually after April 15. Dr. Young said.

The ten varieties tested in the 1948 growing season include Marglobe, Rutgers, and Break-O-Day, the common tomatoes, and several new varieties chosen for resistance to tomato wilt, include Firesteel, Grotham's Globe, Matchless, Pan American, Porter's Pride, Porter's Triumph and Sioux.

Individual yields were: Sioux: 7,336 pounds per acre; Porter's Triumph, 6,681, pounds; Firesteel, 5,816 pounds, and Porter's Pride, 5,764 pounds. The variety, Break-O-Day averages 5,554 pounds. Porter's Triumph began production about two weeks earlier than the others, and by Sept. 1 had produced about 769 pounds per acre.

Three replications were made in this trial garden. The growing season was extremely hot and dry, unfavorable to best growth and production of tomatoes.

Dr. Young said the other five varieties in this test are late tomatoes. They were seriously curtailed in production by the hot, dry weather which caused their flowers to drop without setting any fruit until very late. Practically no fruit was harvested from any of these five varieties before Sept. 1.

Russians may be striving for world peace, as they contend, but they are clever at hiding their efforts.

**BUY  
EASTER SEALS**

One small plea on behalf of thousands is made by two-year-old Gordon Strickland of Orange, Texas, who like 20,000 other handicapped youngsters in Texas, is receiving assistance made possible by the annual Easter Seal Sale of the Texas Society for Crippled Children. This year 1,000,000 Texans will receive sheets of the Easter Seals with the request that they buy and use them. The sale dates are March 21 through April 17.

#### LOOKING AHEAD

By George S. Benson, President, Harding College, Searcy, Ark.

##### PARALYSIS

On March 14, at the direction of one man, our nation's coal production was choked off. More than 400,000 coal miners were asked to leave their jobs for two weeks to be followed by 67,000 railway employees whose jobs depended upon transporting coal. Thousands more in allied industries were thrown out of work by the shutdown. Our important above-ground coal reserves were cut by one-third.

The cause for this paralysis to a large section of our economy was not any grievance about working conditions, pay, pensions, or vacations. It appears, however, to result from personal dislike of one man for another. In response to the president's appointment of Dr. James Boyd as director of the U. S. Bureau of Mines, John L. Lewis ordered his United Mine Workers on a two-weeks layoff.

##### Excessive Power?

Within his field, John L. Lewis possesses the nearest approach to dictatorial powers of anyone to appear on the American scene. He has defied presidents and congresses, crippled production in the face of economic crises and flouted the war effort by strikes in wartime. By directly controlling the output of a basic industry, he holds power to strangle our entire economy with a prolonged strike.

This type of power is dangerous anywhere within our economy, but much more alarming when flaunted under the noses of the people of the entire nation. Lewis is showing his willingness to expand his control. With this "spite" strike he has encroached upon two basic fundamentals: (1) The right of government to make appointments free of pressure, and (2) Freedom to work.

##### Warning Sign

This action presents a real danger signal to the American public. It shows what can happen when irresponsible leadership of a great body of influence—American labor—goes on a rampage. The implications are alarming. If any one individual were powerful enough to dictate governmental appointments with threats of strikes, a new era of demagogues would indeed be at hand. Such power would be potentially disastrous.

The weapon of indiscriminate strikes is one which labor leaders alone control. Neither government possesses such a power. The rank and file of labor, too, because of their organization, are subject to the orders of those leaders. Many labor leaders recognize this situation and act in a farsighted manner. However, the selfish actions of any one leader casts unfavorable reflections on the whole movement.

### Devonian Pay Section Extended As Test Flows

More Devonian pay section was proven for Stanolind Oil and Gas Company No. 2 Edwards, discovery from that formation in the Landon-Strawn area of extreme South-Central Cochran County.

A three-hour and seven-minute drillstem test at 10,915-955 feet, using a 1,800-foot water blanket, showed oil at the surface in 53 minutes. The flow was gauged for the remainder of the test period, making 35.29 barrels of oil the first hour and 35.98 barrels the second hour.

Perforations will likely be shot in the section of pipe above 10,714 feet, the initial discovery zone, and the well probably will be completed from that section and the open hole at 10,913-955 feet.

This new field opener is 660 feet from north and 528 feet from west lines of section 13, block L, psi survey.

# COBB'S Department Store

West Side of Square MORTON

-annegrams presents

-- annegrams -- by ann england --

Patsy and Mary Evelyn Butler, daughters of Mr. and Mrs. James Butler.

Patsy was six months old March 14 and Mary Evelyn celebrated her third birthday on March 7.

The little girls are granddaughters of Mr. and Mrs. A. D. Hallford, Whiteface and Mrs. Bertha Butler of Morton.

MISSIONARY BAPTIST CHURCH ANNOUNCES BROTHERHOOD TO MEET ON FIRST FRIDAYS

The Missionary Baptist Church announces that the Brotherhood meetings will be held the first Friday night of each month. The second meeting will be held this Friday at 8:00 p. m. All men in this community are invited to attend.

Sat by Mr. Joe Yates in the cafe a few days ago and he was kind enough to say, "I read your column first thing each week—just wonder where you get all that stuff?" Evidently Mr. Y doesn't realize how much nonsense a female can accumulate over a period of years.

★ Prettiest tulips, hyacinths and narcissus blooming in Mrs. Roy Hill's flower beds.

★ Beautiful flowering shrubs in several yards around town, notably in the A. A. Fralin and Cliff Davis yards.

★ Michael Doss celebrated his second birthday Sunday. Mike's birthday was Saturday but all the family were too busy in the store so cakes were saved and the occasion observed Sunday. He received two beautiful birthday cakes as gifts from dotting relatives, as well as play pretties of all sorts.

★ We thoroughly enjoyed the banquet in Levelland Monday night as guest of the concert association over there. Ruth Weimhold is secretary of the outfit and will make a dandy as she really gets any job she tackles done.

★ Ruth, who visits in Morton occasionally was looking unusually attractive in a lovely brown dress, reptile accessories and a corsage of jonquils.

★ The program to begin next fall sounds extremely interesting and

we feel that the few memberships offered in Morton will be grabbed right off.

★ The ladies who accompanied us to the banquet were quite enthusiastic and we all agreed that the one thing longed for in Morton by both young and old was really good entertainment.

★ Of course we did a little talking beside the concert association. All agreed that Mrs. J. B. Knox is the best coconut cake baker in town; Mattie Ramby took honors as THE tamale pie maker; Mrs. J. A. Gowdy specializes on chicken pie; Donna Todd cooks up light bread and fancy rolls and Mrs. Hume Russell is a past master on bran muffins. Oh, we make beautiful biscuits (the kind out of a can).

★ After several years here as city clerk, Mr. W. K. Whitman has resigned and with Mrs. W. is moving right away to San Angelo, Texas.

★ We shall miss fussing with Mr. W. but sort of envy him because he told us he was "retiring" and planned to spend about half his time sitting on the banks of the Concho just fishing.

★ Another family that will be missed is the Essarys. They are moving to Lamesa, where Mr. E. will take over a feed store. Both Mr. and Mrs. E. have been very active in civic and church work in Morton.

★ A note from Roy Hickman, still in Rising Star, saying the classified ad he sent on the sale of a tractor got the job done in record time. Nice of R to take time out to write this. He expects to be home shortly.

★ Haven't found out yet how many from Morton plan to attend the 19th district American Legion and Auxiliary convention in Lubbock this week-end. We have reservations but even at that may not make it.

★ There are just simply too many conventions. Our friend, Rubi Le Brown (Mrs. Harold P.) of Snyder has asked us to the Federated Club Convention in Lubbock, Monday and Tuesday. This is the district convention that in times past we attended regularly. We have been trying to kid ourself that we do NOT miss these club affairs. But still when convention time arrives, all the gals put on their spring finery and take off—we have a hankering to do likewise.

★ Hope to get around soon to see Kate Hargrove and her pink piano.

★ The Auxiliary is having a meeting Thursday night (March 31) at Veterans Hall. Plans will be completed for the Fiesta. All

Wesleyan Service Guild Meeting Held Monday Eve

The Wesleyan Service Guild met Monday evening at 8 o'clock in the home of the hostess, Mrs. Ermon Miller.

The subject for the evening's program being Korea, Mrs. Effie Askew brought out in her devotional the many things the Methodist Church has done for the long suffering people of Korea.

Mrs. Lloyd Miller gave an interesting talk on "Korea, Land of the Morning Calm", explaining that this small country near China was anything but a peaceful land.

Following a short business meeting the hostess served refreshments.

Members present were: Mesdames J. D. Hawthorne, C. M. Cravy, Raymond Ross, Effie Askew, Orville Tilger, Lloyd Miller, Curtis Chapman, Gayle Bishop, Courtney Sanders, Joe Michael and Ermon Miller.

members who can at all or urged to attend.

★ Looks as if the Lions Club is really getting on the beam. The street marker committee with Murray Crone as chairman, had a man out here last week demonstrating some very nice intersection markers and house numbers. Home owner will buy the house numbers but Lions will attend to purchase and installation of the street markers.

★ A fine thing too as it is becoming more and more difficult to give directions with all the new houses that have been built. And nobody knows where anybody lives anymore.

★ J. S. Harrison will be the new city clerk. To date we haven't much data but understand he is by profession an engineer and has been living in Lubbock. A family man too, we understand.

★ Traded Oscar Vernon two shrubs for an electric iron. O said if the bushes didn't live he was coming after his iron—that's what he thinks—we didn't guarantee the things—they have grown beautifully for us.

★ Wish these rose cultivators and advisors would get together. First we read where some one says, "Prune 'em"—so we do, clear down to the ground practically and then the next day read another article where some wise-guy says "don't prune."

★ Just like these darn cosmetic ads. We tried that 14 day beautifying course and don't notice any difference. The spouse said the only thing wrong with our face anyway was that it had been here too long. According to our wrist measurement we are an inch too big around the waist but the spouse said he didn't think it was noticeable or worth worrying about.

★ Finally got a new wax and polish job on the living room floor at Vagabond House followed by a super sand storm.

★ That tree we have growing in the living room seems to intrigue everyone so soon we are going to have a coming in party. Plan to invite folks to "come-in" and see for themselves.

★ Had a good laugh in reading a letter from our friend Katherine Redwine in Snyder. K and 10 year old daughter accompanied their doctor husband and father to a medical convention in New Orleans and while he was conventioning they saw NO and Mobile. K said, "we got picked up by two Frenchmen so thought we did pretty well, considering our ages." (If the doctor doesn't know about this, it is only a figment of ae's imagination)

★ Which reminds us of how anxious we are to think the wolf whistles heard are meant for us while ten years ago we would probably have felt only indignation.

★ Too bad about D'Rene Danforth breaking her leg. She is a lovely little girl and was one of the band mascots this year.

★ Do little girls still set doll tables and serve tea to their little friends and dolls? We did and it was more fun.

GUESTS OF PARENTS  
Mr. and Mrs. Bill Burns of Lubbock visited this week-end with Mrs. Burns parents, Mr. and Mrs. Lloyd Evans. Also guests of the Evans were Mr. and Mrs. Roy Scrimshire of Lovington, New Mexico.

TO SAN ANTONIO  
Mrs. Roy Allsup and son, Lloyd Allsup, left Monday for San Antonio where they will see Mrs. Allsup's daughter who is in a hospital there.

FLOYD and ROY SMITH were Sunday visitors in Floydada, Texas.

COOKING UP A CONVENTION—The 19th District American Legion Convention to be held in Lubbock next Saturday and Sunday, April 2 and 3, is really being "cooked up" by J. R. Eagan, Commander of Allen Bros. Post, and Mrs. Fred Kincaid, President of the Auxiliary. Eagan in chef's cap prepares to stir up a mixture of all the things that go to make a successful Legion Con-

vention as Mrs. Kincaid pours in ingredients to be added by the Ladies' Auxiliary. Hosts for the convention promise that the "dish" will not be half baked nor altogether a stewed affair.

District Commander T. A. Thippen of Big Spring urges full attendance of all Legionnaires in the 19th District, stating that many important matters of interest to veterans

in this district will come before the convention, and, according to Commander Eagan of the Lubbock Post, nothing is being left undone to make this convention the most outstanding in recent years. "The 'welcome mat' is out at Lubbock to all Legionnaires and veterans of this District," Commander Eagan stated. Legionnaires are asked to remember the date Sat. and Sun., April 2-3.

Mrs. G. McDaniels Honored with Pink and Blue Shower

Mrs. Glen McDaniels was the honoree at a pink and blue shower in the home of Mrs. P. B. Ramby, Tuesday, March 22. Mrs. Joe Nicewarner, Mrs. Lee Taylor, and Mrs. P. B. Ramby shared hostess duties.

Mrs. Hume Russell and Mrs. Nicewarner presided at the lace covered tea table which had a bowl of pink sweet peas as a centerpiece.

Mrs. C. M. Cravy gave a musical "Baby of the Family" and was accompanied by Mrs. J. B. Knox.

Those registering were: Mesdames E. P. McDaniel, Hume Russell, M. C. Ledbetter, Cecil Masten, C. W. Webb, Roy Hill, Charles Taylor, W. A. Woods, W. C. Vanlandingham, Bob Mahurin, C. M. Cravy, Virgil Riley, Vernon Blackley, W. C. Childs, Roy Hickman, Jr., J. B. Knox, Lowell Webb, A. Baker and Misses Ruby Hudson and Barbara Ramby.

WEEK-END IN LUBBOCK

Artie Hicks, business manager of the West Plains Hospital, spent the week-end in Lubbock visiting his mother and friends.

TUESDAY VISITORS

Mr. and Mrs. Don Turner of Levelland and Mrs. Turner's mother, Mrs. Forest Copeland of Amherst visited the P. B. Ramby's Tuesday, March 22.

SUNDAY GUESTS

Mr. A. D. Rowden, Sr., and Mr. and Mrs. Ed Jones of Lubbock visited Mr. and Mrs. A. D. Rowden Sunday.

CLYDE CRAVEN and C. D. RAY left Sunday for a business trip to Dallas.

ARLEE BARNARD HOME SCENE OF FAMILY GATHERING SUN.

The Arlee Barnard home was the scene of a family gathering Sunday. Mr. Barnard's mother, Mrs. A. L. Barnard of Bakersfield, Calif., and his brothers and sisters, Mr. and Mrs. Ralph Guest and children, Amarillo; Mrs. Virgil Harris and son, Amarillo; Mrs. Sherman Cox and son, Happy, Texas; Mr. and Mrs. R. E. Barnard were present.

TO HOUSTON

Mr. and Mrs. Royce Fred left Thursday for Houston where they will make their new home. Mrs. Fred was formerly a nurse at West Plains Hospital.

MR. and MRS. CARL ENGLAND visited briefly in Seagraves, Brownfield and Lubbock last Sunday.

MRS. C. MONEY EXPECTED TO RETURN HOME FROM HOSPITAL THURSDAY

Mrs. Charlie Money is expected to return home Thursday from Littlefield Memorial Hospital where she has been since last week.

A pre-mature infant daughter born to Mrs. Money by surgery in the Littlefield hospital died a few minutes after birth.

Carmen Ann Money, three year old daughter of Mr. and Mrs. Money, is visiting with her grandmother, Mrs. O. B. Coats.

VISITED IN ESTELLINE

D. C. Bowman and Harvey Hammonds visited relatives in Estelline over the week-end.

MR. and MRS. CARL SELF visited in the DAVID TODD home over the week-end.

### How To Make Good Coffee—Every Time

**T**HE average coffee-pot, believe it or not, is the most frequently used piece of equipment in the American kitchen. Unfortunately, judging from results, it is sometimes the most mis-used too. Uniformly good coffee—full-bodied, clear as dark amber, fragrant—is merely a matter of following directions. Once you have learned how to make coffee the proper way, you will never think of making it otherwise.

The basic rules for coffee making—that is, the rules that apply to every type of coffee-maker—are simple. Here they are:

1. Keep your coffee-maker sparkling clean, and scald it before using.
2. Start with fresh, cold water.
3. Allow two level tablespoons of fresh coffee to each three-quarters of a measuring cup of water. For demi-tasse service, use one-and-a-half as much coffee to the same amount of water.
4. Never boil coffee.
5. Be sure your coffee is the proper grind for your coffee-maker.
6. Serve coffee immediately after brewing—and serve it piping hot.

To make good coffee in a drip coffee-pot, first bring water to rolling boil. Measure coffee, carefully into coffee basket. Then measure amount of boiling water to allow three-quarters of a measuring cup

to each two tablespoons of coffee. When water has dripped through, stir hot coffee thoroughly to insure an even brew.

If you use a vacuum coffee-maker, follow the same proportions of water and coffee. Heat water to boiling point in lower bowl. Insert filter in upper bowl and measure coffee into it. Turn down heat under lower bowl and insert upper section. When most of the water has risen to top, stir water and coffee briskly. After two or three minutes, remove coffee-maker from heat.

Cloth filters should be kept in water in the refrigerator between uses—never wash them with soap. For percolator, measure cold water into pot and heat to boiling point. Remove from heat, measure coffee into basket and return to heat. Let it percolate gently for six to eight minutes. That's all there is to it.

Don't forget that there are a number of interesting ways you may serve coffee. Try it with a twist of lemon peel, for example—it's colorful and delicious. If you like sugar in coffee, try a tablet of saccharin to cut calories. Then there is cafe au lait—hot milk and hot coffee poured into the cup together. Or, for an elusive flavor, stir your coffee with a stick of cinnamon. The old standbys, however, are cream and sugar, still the favorites of millions.

### Fishermen and Hunters to Select State Champs

Shooting for fun instead of training for war will be the order of the day on the old Camp Bowie rifle range near Brownwood next week as Texas hunters and fishermen set about the business of selecting state champions.

In the course of the four-day Texas Sportsmen's Competition April 7-10, state championships will be decided in plug casting, fly casting, pistol marksmanship, rifle marksmanship, skeet, trap, coonhound racing and in four types of hunting dogs. The meet, first statewide competition of its kind in the United States, is sponsored by the Texas Wildlife Federation, and organization of 250 Texas hunting and fishing clubs.

In addition to the events of the competition during the daylight hours, both entrants and observers will participate in the night-time festivities—square dancing, campfire singing, tall story telling and just plain camping out pleasures.

The schedule of events for the competition is as follows:

Skeet shooting—Friday, Saturday and Sunday, 100 targets and shells, \$13 entry fee, team shooting to run concurrently.

Trap shooting—Friday, Saturday and Sunday, 50 targets, \$7 entry fee.

Plug casting, fisherman's distance event and fisherman's accuracy event—Saturday, entry fee \$1 with separate divisions for men, women and juniors.

Plug casting, accuracy—Sunday, entry fee \$1.

Dry fly and wet fly casting—Sunday, entry fee \$1.

Pistol tournament—Friday, Saturday and Sunday, entry fee \$1 per match with 18 matches scheduled.

Small bore rifle tournament—Friday, Saturday and Sunday, entry fee \$1.50 per match with 16 matches scheduled.

Bird dog bench show—Friday, entry fee \$3 per dog.

Coonhound race—Saturday and Sunday, entry fee \$3 per dog.

Coonhound bench show—Saturday, entry fee \$3 per dog.

Foxhound bench show—Sunday, entry fee \$3 per dog.

### "Every Girl Should Be Married" to Show at Wallace

Revolving around a modern girl's campaign to win herself a husband, "Every Girl Should Be Married", beginning Sunday at the Wallace Theatre, is hailed as one of the season's gayest comedies.

Cary Grant, Franchot Tone, Diana Lynn and Betsy Drake have the starring roles. Grant as a successful doctor, Tone as a wealthy department store owner, and the two girls as clerks in the store. Miss Lynn is a conventional damsel, but Miss Drake has advanced ideas on the subject of matrimony; she thinks it unfair that a man has all the advantages in courtship, and sees no reason why a girl shouldn't be permitted to go right out after the man she wants for her husband.

Putting this theory into practice, she concentrates upon the doctor. Her campaign, and its unexpected consequences, motivates the sparkling plot of the Dore Schary presentation, which features Alan Mowbray in principal support.

### Morton Seniors Honored by WSCS With Luncheon

The Morton High School seniors were honored Monday with a luncheon given by the Women's Society for Christian Service in the Methodist Church dining room.

The tables were set with an Easter motif and place favors were tiny Easter baskets filled with candy Easter eggs.

Rev. A. A. Kendall gave the invocation after which the meal was served. Mrs. Andrew Essary, president of the W.S.C.S., began the program with a welcome to the seniors and the response was made by Wayne Shaffer. Mrs. Essary then introduced the guest speaker who was Miss Erna Smith, instructor and field representative of Texas Wesleyan College in Fort Worth. Miss Smith spoke on "Personality, 1949 Model". Mr. Fred Danforth, band director, presented a brass quartet.

Guests were members of the senior class, their sponsors, Mr. Carl Macon, and Mr. Wendell Watson.

### Hospital News

Medical patients admitted to the West Plains Hospital since March 22:

Mrs. S. T. Tucker, Morton; Mrs. N. B. Evans, Whiteface; Jerry Sullivan, Morton; Mrs. Elmer Whitehorn, Morton; Loralee Copenhaver, Morton; R. C. Lemons, sr., Morton; Mrs. A. L. Hicks, Morton; Dale Johnson, Morton; Nelda Briscoe, Morton.

Surgical and accident patients admitted since March 22: Mrs. W. R. Welch, Baileyboro; Mrs. Elmer Whitehorn, Morton; John Robert Sullivan, Morton; D'Gene Danforth, Morton; Henry Reid, Maple; Mrs. A. L. Beggs, Morton.

**CONGRATULATIONS TO:**

Mr. and Mrs. Darwin McCasland on the birth of a 5 lb. 1 oz. baby boy, born March 24, and named Samuel Rodney.

Mr. and Mrs. Loyce Igo on the birth of a 7 lb. 6 oz. baby girl, named Linda Diane. The baby was born March 28.

### Nearly 6000 Crippled Children Treated by Scottish Rite Hospital

Six hundred and five crippled children of Texas received surgery and medical attention at the Texas Scottish Rite Hospital for Crippled Children in Dallas, according to the recent annual report released by Asher Mintz, secretary.

In addition to the 605 in-patients for the year, 5311 clinic treatments were given other crippled children, who came to the hospital from all corners of Texas. A large number of cases were orthopedic or bone patients, under the care of Dr. Brandon Carrell, chief surgeon.

Approximately 100 of the permanent bed patients were oral cases under the treatment of Dr. A. L. Frew. There were 165 polio patients treated during the 1948 epidemic.

The annual Christmas fund-raising campaign showed receipts sufficient to cover only about one-third of the annual financial needs of the hospital, and that operating costs have doubled over the pre-war period, Mr. Mintz's report indicated.

### HOME SEWING BOOM

Economy is out of the reasons attributed to the growing interest in home sewing. In most instances, a top-quality dress can be made at home for less than half the price of a ready made one.

Adding Machine Paper at the Tribune Office.

**NEW DEEP TEST**

It was reported Wednesday that Humble Oil Co. is making ready to drill a deep test about five miles west of Morton.

This will be the first deep test well in that area. Drilling is expected to start within the next few days.

## Salaries of Cochran County Officials

The Tribune has been asked by several prominent citizens and tax-payers to publish the salaries of our county officials. For the benefit of those who foot the bills, we herewith give a list of the officers and salaries received annually.

Effective January 1, 1949, the salaries of Cochran county commissioners were increased \$500 per year—each commissioner now receives \$3,000.00 per annum. Annual salaries for other county officials are: County judge, \$4100; secretary, \$2450; county clerk, \$4700; 1st deputy \$2450; 2nd deputy, \$2450; county treasurer, \$3600; county attorney, \$4100; sheriff, tax-assessor and collector, \$5127.50, plus 7c per mile actual mileage; 1st deputy, \$3000, plus 7c per mile actual mileage; 2nd deputy, \$2775; 3rd deputy, \$2450; 4th deputy, \$2600; Justice of the peace, \$1200; constable, \$1200; county auditor, \$4508; county agent, \$2400, plus \$50.00 traveling expenses; home demonstration agent, \$1800; service officer, \$2400.

## Mobile X-Ray Unit Meeting Held Mon.

The meeting held here Monday night regarding a mobile x-ray unit for the purpose of examination of the entire community for tuberculosis was not too well attended. The early detection of tuberculosis is of extreme importance in effective treatment and cure of the disease.

Cooperation of all civic, social and other organizations in Cochran county is necessary to put this program over. If properly organized and carried to a finish this project will not consume too much of any one person's time.

Another organization of an entirely different nature has been culminated; it is the formulation of the Levelland Concert Association. A group of civic minded citizens of Levelland have banded together to bring to Levelland and the surrounding community a worthwhile program of music and cultural entertainment. Morton and Cochran county as well as Sundown and Whiteface has been offered a limited number of memberships in the association.

The program as outlined at a banquet held in Levelland Monday night is one to attract the interest of all who enjoy the finer type of entertainment.

Morton's city streets in several places are already beginning to show signs of wear and tear. It is hoped the proper repair is made before streets are further damaged.

Driver's around town have been pretty careless lately. Several instances have been noted of fast—far too fast—driving on the city streets. Let us all remember that there are children crossing streets and drive with-in the speed limit. It behooves each and everyone of us to be on the look-out for any traffic hazard.

While on the subject of drivers and driving it has been reported to the Tribune that teen-agers are playing games with cars at night which could prove disastrous. The idea of driving a car without lights any time at night is certainly not a good one. Parents of youngsters doing this might take away their car privileges if necessary to curb this act. Officers should be on the look out for such flagrant disregard of safety rules and regulations.

School trustee election for Cochran county comes up again on April 2. We all want good schools, so let us remember to go to our respective precinct on that date and cast our vote.

The Tribune is in receipt of a letter from Congressman George Mahon in which he says, the congress now in session is especially important and questions being considered will affect all of our people.

Mr. Mahon writes from Washington, "It is helpful to me to have the advice and suggestions of the folks at home, and I hope you will not hesitate to call upon me at any time. You may be sure of my best efforts in dealing with the many difficult situations here."

Homer E. Thompson, Cochran county agent, at a recent meeting of farmer's urged them and all others interested in the agricultural development of this county to write their congressmen of their wishes and desires regarding pending legislation.

It is important that we let our representatives in Washington as well as the state know what we want. After laws have been passed it is exceedingly difficult to do anything about them.

## Largest Easter Seal Sale in Texas Launched

The largest Easter Seal Sale in the history of the Texas Society for Crippled Children has been launched with the mailing of more than 1,000,000 sheets of the seals in Texas. This is exclusive of the 1,500,000 school packets which are purchased by children.

The Texas Society for Crippled Children entered the 16th annual Easter Seal Sale with 125 organized county affiliates, according to Martin M. Ricker, executive director. In all of these counties, 91.8 percent of the money derived from the sale remains to care for local children. In the unorganized counties, where the Texas Society renders direct aid, the Easter Seal Sale was assisted by volunteer workers from the Dallas Women's Forum who stuffed and addressed the Easter Seal envelopes.

In a letter announcing the 1949 Easter Seal Sale, president Roscoe L. Thomas points out some of the year's accomplishments of the Society. Through special legislation sponsored by the Texas Society, Special Education offers opportunities to 11,000 children who, because of physical disabilities, are unable to attend regular school; Rehabilitation teaches trades and business to 2,000 handicapped; Hospitalization and Medical Care have been provided 7,500 less fortunate children; Transportation was furnished 80 children who did not have the means to travel to medical centers; there are 14 Cerebral Palsy Treatment Centers in which 1,113 children are being started on the road to a more normal life.

## Rose Gardeners Urged to Take it Easy on Bushes

Rose garden fanciers should resist the lure of fast-topping rose bushes and pruning shears these bright spring days, Dr. W. W. Yocum, professor of horticulture at Texas Technological college, warns.

"You can't have bountiful roses and cut the bushes down before warm weather is here to stay," he explains. "The danger period for pruning is not over until after the threat of frost or more specifically this year until after the middle of April. Then is the time to do a little pruning, but even then, don't get too enthusiastic or you will find your bushes bearing only a few roses. For quantity prune sparingly, for every time you clip roses you are pruning your bushes."

A few handfuls of powdered sulphur around the bushes will be about the only soil service needed in this area, he said, since the soil here is rich enough for roses. He warned again not to burn up rose gardens with piled on fertilizer. Organic matter such as leaf mold placed around rose bushes is beneficial because it will help hold water around the plants that otherwise drains off.

## \$31 BILLION OF PRODUCTS

American farmers marketed about 31 billion dollars of products last year, according to the U. S. Department of Agriculture. This was 3 per cent above the previous year and probably established an all-time record. Inasmuch as production expenses also were greater, net income was down slightly from the previous year.

A dog's life is better now—in modern kennels with stainless steel cages and fencing that do not corrode and discolor.

Tribune, Morton, Cochran County, Texas, Thursday, March 31, 1949

## My Neighbors

"Today's high prices are the result of the tremendous supply of money." Hurrah for the supply of money but darn the high prices!"

## This Will Taste Good in Texas

RECIPE OF THE WEEK

**Master Mix (for 13 cups)**  
9 cups sifted all-purpose flour or 10 cups sifted softwheat or cake flour  
1/3 cup double-acting baking powder  
1 tablespoon salt  
2 teaspoons cream of tartar  
1/4 cup sugar  
2 cups shortening which does not require refrigeration  
Stir baking powder, salt, cream or tartar and sugar into flour. Sift together three times into a large mixing bowl or onto a large square of plain paper. Cut in shortening until Mix is consistency of cornmeal. Store in covered containers at room temperature. To measure the Master Mix, pile it lightly into cup and level off with a spatula.

**Donut Muffins**  
2 cups mix  
2 tablespoons sugar  
1/3 cup milk  
1 egg  
**Coating**  
1/2 cup butter (melted)  
1/2 cup sugar  
1 teaspoon cinnamon  
Stir sugar into the Mix. Combine milk and beaten egg. Stir into the Mix until well blended. Bake in small, well greased muffin tins in a hot oven (400°) 20 minutes. Dip one at a time into melted butter. Remove quickly and shake in a sack containing the sugar and cinnamon. Serve Hot. Yield: 18 small muffins.

**Complete Menu**  
Sausage and apples  
Scalloped Irish potatoes  
Marinated String Beans  
Carrot and celery calad  
Cornbread—Butter  
Donut muffins—Cocoa

## Timely Tips

1. Make your own master mix. It costs less than commercial mixes in most instances.
2. Such items as biscuits, muffins, griddle cakes, waffles, cornbread, nutbread, coffee cake, gingerbread, cakes and cookies can be made with the Master Mix plus various ingredients.
3. Serve pork sausage with various kinds of fruits for variety and appetite appeal.

## Agricultural Short Shots of Interest

Spring planting season is just around the corner and farm machinery will be on the move again. Check it over carefully and get it in good shape before the work starts. Look for defects in hitches, seats, clutches, wheels, brakes, fuel lines, steering and unguarded gears or shafts.

Two pounds of lead arsenate and three pounds of hydrated lime in 100 gallons of water is recommended for a spray to kill the curculio. Plum and peach trees should be sprayed at the first petal fall.

Boys' 4-H Club enrollment for Texas reached an all-time high in 1948 with 42,763 boys enrolled in the program. By way of comparison, only 24,900 were enrolled in 1938.

Early season dusting is a good investment to insure early fruiting in cotton growing areas where aphids, trips, fleahoppers or boll weevils alone, or all of them, cause damage every year.

When housecleaning, work in as comfortable a position as possible. Sit whenever you can, and rest a few minutes in between jobs. Short rest periods keep the worker in better condition and results of housework are likely to be more uniformly good.

## MISS WILLIE RAY ZUBER ENTERTAINS FRIENDS SUN.

Miss Willie Ray Zuber entertained friends Sunday afternoon. Ice cream and cake was served to the following guests: Speedy Lindsey, David Rozell, Durwood Holt, Buddy and Bonny Hanna, Marvie Fincher, Mary Williams, Oveta Smith, Roy Dean Hill and Leon Mills.

## VISITED DAUGHTER

Mrs. C. D. Ray visited her daughter and son-in-law, Mr. and Mrs. Junior Taylor and son, Garry Don in Lubbock Sunday.

Tribune Want-Ads Get Results!

## Parents Urged to Watch for Defects in Childrens Eyes

If all parents as well as all physicians who treat infants will look for and recognize eye defects, there will be fewer totally blind children, Dr. Henry L. Hilgartner of Austin, prominent eye, nose and throat specialist writes in the current issue of the Texas State Journal of Medicine.

"There are two ocular conditions which can be helped materially if detected early," Dr. Hilgartner who is head of diagnosing and treating eye conditions at the Texas School for the Blind states in the article. "These two conditions are congenital cataract and juvenile glaucoma and the responsibility for detection falls upon the obstetrician, the general practitioner, and the pediatrician," he writes.

Though congenital cataract may be difficult to detect due to the smallness of the obstacle, Dr. Hilgartner explains, many patients show evidence of faulty vision which would lead to an examination. Any manifestation of defective vision, with which many school children are afflicted, should be examined at once, he warns, additions that parents should pay more attention to improper lighting, frequent blinking of lids, cross eyes and other complaints that the child may make in regard to his eyes.

Early surgery is the solution in the case of congenital cataract, the Austin specialist continues, and is imperative in cases of juvenile glaucoma.

Juvenile glaucoma is more easily detected, he explains in the article, since the afflicted child has extremely large, beautiful eyes, much larger and more prominent than other children of the same age. The eyes are not inflamed or irritated, but the child is extremely sensitive to light preferring a dark room or even hiding his head in a pillow.

If surgery is not performed to correct juvenile glaucoma the eyes continue to enlarge and the vision decreases progressively. If an operation is postponed until the patient is three or four years old, Dr. Hilgartner warns, the condition becomes helpless and blindness results.

From where I sit... by Joe Marsh

### Remember How We Talked?

From where I sit, it's easy to criticize the other person when we don't take a good long look at ourselves. Sure, there'll always be some differences. I'm fond of a temperate glass of beer and maybe you would prefer ginger ale—but let's just live and let live. Because when we go out of our way to find things to find fault with in others, chances are they can find a few in us, too.

Joe Marsh

It went like this at the Hooper's the other night. Hap's eighteen-year-old daughter is talking about "a real gone guy—solid—out of this world, but def."

"Now what kind of language is that?" Hap barks. "Can't she speak English?"

"I'll translate it for you," Ma Hooper says, "in the language of the twenties, when you were about twenty years old. She simply means this fellow is the 'cat's whiskers.' Remember how we used to talk sometimes?" Hap went back to reading his newspaper.

**Riding Circle Around Whitefaces**

by Art. N. Wall

Believe it or not it appears that this column is read. I told Bill Garrett of the Morton Tribune that due to the fact that I would be gone off and on thus not in and around Whiteface sufficient to gather news, that I felt that I should discontinue this column. I missed one week of writing this column and during that week I have had people plainly tell me what they thought of me. Such as, "Yea, sell me the paper thea fail to write the Whiteface news in it." Then here is another, "You ought to be tared and feathered you swindler." And another, "Staking you down in an ant bed and pouring sugar on you would only poison the ants." Now if the Morton Tribune refuses to publish this column any longer, I'll just tell the wife and boy goodby then try and ease out of the country through the night. It seems I got myself in a jam.

March the 15th Whiteface had a baby show. Our 4-H girls put this show on and congratulations to them. It was well planned and Mary Helen Keith was splendid in the way she handled the program. Little Alston Garrett, age two, won first prize as to the boys and Gary Gene Crupper won second prize. Gary Gene, is four years old. Mr. and Mrs. Nathan Tubbs' daughter, Elizabeth, took second prize and first prize went to a little blonde lady, age two, whose name I could not secure.

March 22nd those people who attended PTA were entertained with an interesting program. The Whiteface school band, led by Herbert Lindsey, played several selections and any time our school band plays they can rest assured they have listeners. This band is good. Following the band selections Miss Janice Snodgrass gave a flute solo accompanied on the piano by Miss June Carthel. Janice cannot only play wonderfully on a flute but too she is equally good with an accordion. Everyone enjoys Miss June Carthel's piano playing. Anytime Miss Carthel plays she holds the audience attention. Miss Carthel is our public music teacher. After music selections the crowd was entertained with a quiz show. This writer was selected to ask the questions and award the prizes. My regret was that everyone couldn't have a prize. Cause the kids are all just wonderful and—well, the grownups are all good friends of mine. Thanks, PTA for the honor of asking the questions and awarding the prizes. The 4-H group gave out interesting information on their activities through a round table discussion and thusly facts came out concerning their program which was of great interest. The 4-H's program works in so nicely with the PTA's it would be good for them to work often together.

Wednesday the 23rd the Methodist church of Whiteface had a social. There was plenty of eats and there was plenty of fun. This was a farewell social also. Mr. John Moss and his wife who have resided in this country for nineteen years and who are charter members of this church are leaving for Arkansas. Not only the church but the community as a whole will miss John and his wife. They have always taken a working part in any program that would benefit the community and it is with the deepest regret that his friends have at their leaving but all wish them good luck in their new home. Mr. and Mrs. Ralph Ford are also leaving Whiteface and will move twenty-two miles this side of Lubbock. Ralph and his wife along with the John Moss's were given farewell gifts at this social. Mr. and Mrs. Ford have only been in this community a short time but have made a host of friends. Ralph is an employee of Honolulu Oil Company. Mr. Moss farms or did farm north of Whiteface.

We all know Bonnie and Cline. No one hardly says, "Mr. and Mrs. Cline Stephenson." Its just Bonnie and Cline—because they are so well liked by all who know them. Too, they were practically raised in this community. Cline helped fight a war then after receiving his discharge worked in the oil fields here a while then he began operating Stephenson's grocery. Well, now we are all going to have to get

use to saying, Bonnie and Cline and Big Boy. Big Boy was born to Bonnie and Cline on the 25th of this month and he weighs seven pounds and nine ounces. Congratulations, Bonnie and Cline and you, Big Boy.

Mr. Carlton Bizzell was injured the 25th of this month in an oil field accident and is now in a Levelland hospital. It is reported that he fell from a platform of a drilling rig. The fall causing his a break some ribs.

Mrs. Joe Lewis Taylor is in a Levelland hospital. At this writing this column does not know how serious her illness is.

The congregation of the Church of Christ will enjoy hearing Brother Ganus of New Home who will preach Sunday the 27th at 11 A. M. and Sunday night at 8 P. M. Visitors are welcome.

Roping Strays—I generally use this final space to criticize something or to suggest something but this time I can only say, "Thanks", to all who went out of their way to tell me they missed my column in the paper last week. I honestly didn't believe the thing was read much and though news is very hard at times for me to get I will do my best with it.

Editor's note: Thanks Mr. Wall, we too missed "Riding Circles on Whiteface". We hope you are able from now on to write the column.

**GRAIN HARVESTING**  
Although most grain is harvested in this country within a space of four months, it is consumed in its finished form during the entire year. In this connection, the centralized grain exchanges make it possible to accomplish an orderly distribution of the grain throughout the entire year with a minimum of price fluctuation.

**VISITED IN FT. WORTH**  
Mr. and Mrs. N. H. Lovelace and Dixie Dean visited with relatives in Ft. Worth and Dallas over the week-end.

Tribune Want Ads Get Results.

**Young Men Have Opportunity In Army Program**

Young men from the South Plains area interested in pilot training and a career as an officer in the United States Air Force have a splendid opportunity in the new expanded Aviation Cadet Training Program according to information reaching Major Harold Fulghum in charge of the U. S. Army and U. S. Air Force Recruiting Station at Room 203, Postoffice Bldg., Lubbock.

"The quota for 1949, beginning with the April 4th Class, is the largest in peacetime history," said Major Fulghum. "Previous to this time there were only three Aviation Cadet Classes a year and now those classes have been raised to eight."

Those desiring to become Aviation Cadets, must be between 20 and 26½ years of age, have two years of college or be able to pass an equivalent Air Force examination, and have high moral, personal and physical qualifications.

"This expanded program is necessary to meet the future needs of the Air Force," continued Major Fulghum, "while the Air Force has an ample pool of pilots trained before and during the war, it lacks younger pilots trained to fly postwar aircraft and prepared for future leadership."

The Cadet Program, providing 12 months of flight, academic and military training has an estimated value of \$35,000. Graduates receive pilot's wings, a Reserve commission as a second lieutenant in the Air Force, and an assignment to three years of active duty at a salary beginning at approximately \$4000 a year.

For additional information, visit your local Recruiting Station at Lubbock.

## Before Remodeling an Old House be Sure That House is Built Well, Sound

Before you get too deep into plans for remodeling an old house make sure first that the house was well built and is still sound, says Mrs. Bernice Claytor, extension specialist in home management of Texas A. and M. College.

Do some checking before you decide to remodel, advises Mrs. Claytor. Examine the house from foundation to roof and estimate the needed repairs and their cost. Check the location from the standpoint of good drainage, protection from cold winds which make a house hard to heat, protection from flooding during heavy rains, good sewage disposal and convenience to the highway. Don't forget the water supply. Water should be plentiful and tested for safety.

If the house and its site pass inspection, and remodeling seems a wise investment, USDA housing specialists say it's wise to give as much thought to remodeling plans as you would to planning for a new house, Mrs. Claytor points out.

She suggests that careful attention be given to the following points: Plan for enough rooms to take care of your family's needs. Well located doors and windows will help solve the lighting and ventilation problems in the house and don't forget a closet near the back door for the men's work clothes.

Are house entrances convenient to the drive? Are all rooms easily reached from the back door? Are

work and living areas free from traffic? Do bedrooms and bath open from a hall and are the halls wide enough to allow for moving furniture?

Kitchen and work areas should be arranged to save labor and unnecessary steps. Allow working space for more than one person. Plan plenty of storage space for supplies and equipment where they are used and a place for them to wash other than the kitchen sink.

The living room should be large and comfortable.

The sleeping space should be sufficient to allow for separate rooms for parents, boys and girls—not more than two persons per room.

Is the water supply plentiful and safe? Plan an adequate sewage disposal system. Is there hot and cold running water in the kitchen, bathroom and laundry? Have you planned for enough well-located lighting fixtures, switches and wall plugs?

From the plans you have made do you think the house will appear pleasing both inside and out? Does it have good proportions and simple lines?

Now that plans are made, will the cost of remodeling be less than for a new building?

If you can answer "yes" to most of these questions, says Mrs. Claytor, your planning is good. If you "yes" only a few, try to improve your plans before starting the remodeling job, she concludes.

## More Windbreaks Needed In Every County in State

A windbreak to protect the flowers and shrubs about the homesteads is needed in every county in the state.

That's the advice from Sadie Hatfield, extension landscape gardening specialist of Texas A. and M. College, who explains that the destructive mechanical action of the wind often mars the beauty of shrubs by spoiling their shapes and destroying the blooms.

Besides this, tender plants are hindered in growth or may be killed by the wind. Unless there's a natural windbreak to protect the farm homestead, planting live pine, western willow pine, red cedar and Arizona cypress

one is the logical first step in landscaping a home, says Miss Hatfield. It will pay special dividends by breaking the force of the wind and modifying the temperature.

There is a combination of trees and shrubs that are well adapted for use in windbreaks, says Miss Hatfield. Among those which have been successfully planted for this purpose are desert willow, tamarix or salt cedars, native to the locality are good ones to use for windbreaks.

The landscape gardening specialist points out that the plants

In areas free of root rot, the Chinese elm is a strong favorite because of its rapid growth. All plantings should include several varieties of trees, because it's not a good idea to depend on just one variety.

Where root rot is found black walnut, cedar elm, red cedar and Chinese pistacia are often grown for windbreaks because of their resistance to this disease, says Miss Hatfield.

## History of Texas' Public Domain Finally Written

Land Commissioner, Bascom Giles, has seen a long-time ambition gratified—a History of the Texas Public Domain has finally been written.

The story of how Texas disposed of its 187 million acres of domain will be released by the Steck Company, Austin, on Mar. 28. It is entitled "Lots of Land."

"Then this menace to our tidelands popped up," said the Commissioner. "I felt it was more of a public duty than ever to get such a history into print."

Thus Giles turned over his personal collection of material, as well as the historical research done by various members of his staff, to Curtis Bishop, whose syndicated feature, "This Day in Texas," appears in several papers.

"I guess you can call me the sponsor, collaborator and now chief booster," smiled Giles. "I defy any intelligent person or even the U. S. Attorney General to read this book and then deny that the tideland oil properties belong to the Public Free School Fund of Texas."

## Smallpox Cases Hit New High In Past Week

AUSTIN—With the appearance of an unusual number of smallpox cases during the past week, Dr. Geo. W. Cox, State Health Officer has issued a warning that this dangerous, disfiguring and often fatal disease can once again become a widespread health problem unless vaccination is used to protect the public against it.

Four cases of smallpox were reported from one county, and while that number may not seem great, it is nevertheless the same total as was reported for the whole State during the entire year of 1948.

"Smallpox vaccination, which affords complete immunity from this disease, is a painless, inexpensive procedure, which should be used to protect every individual in the State", Dr. Cox said. "When we grow lax about our vaccination and allow susceptible persons to be exposed to smallpox, it follows that the disease will spread throughout the unvaccinated population, bringing serious illness and possible deaths."

Dr. Cox urged all parents to see that their children have been properly vaccinated, and if there is doubt about the immunity still being in effect, they should be given another vaccination. If they are immune, the vaccination will not "take", but if it does take, then the immunity was low and the vaccination was needed for their protection. "This same thing applies to adults," Dr. Cox said. "Check and be sure that your own immunity is established, as well as that of your children," he advised parents.

## Gunter to Enter Calf in Show at Plainview April 1

Byron Gunter, 4-H Club boy of Cochran county, will enter one calf in the Plainview Fat Stock Show, which begins on April 1st and lasts through noon on April 2nd. All calves shown will be taken to Kansas City, Mo. for sale by club boys and county agents in this area.

Saturday afternoon, April 2, the calves will be loaded for shipment. The next day, Sunday, the boys will take busses to Kansas City. The round trip ticket will cost the boys \$12.00. A well planned educational program is arranged for the two days.

The boys will see their calves sold, and will see them on the carcass and will see the finish and other factors affecting the meat, hide, and waste values advises County Agent Homer E. Thompson.

## Patricia D'Rene Danforth Breaks Leg in Swing Fall

Patricia D'Rene Danforth, small daughter of Mr. and Mrs. Fred Danforth, suffered a broken leg when she fell from a swing last Thursday.

D'Rene is confined to West Plains Hospital and it will be later this week before attending physicians are certain just what means will be used in reducing the fractured limb, it was reported Tuesday.

### VISITED IN McBEE HOME

## April Observed National Cancer Control Month

Throughout the nation April is observed as National Cancer Control Month, and on April 10, 17, and 24, the Texas State Department of Health is presenting special broadcasts over WOAI in San Antonio, at 7 a. m., outlining twenty different sites of cancer, the common age at which they appear, the accepted methods of treatment, the percentages of cures, and any known preventive measures.

Dr. Geo. W. Cox, State Health Officer says that cancer patients today have a brighter prospect for recovery than at any time before in history, and agrees wholeheartedly with the national movement to stamp out cancer through educating the public that "early discovery can mean recovery."

"Surgery, radium and x-ray therapy are working wonders in many different types of cancer," Dr. Cox said. "In all types of cancer except leukemia there is a possibility of cure if the patient is diagnosed in the very early stages. Any suspicious symptoms should be investigated by a competent physician at their first appearance, and if cancer is found to be present and treatment instituted at once, there is every reason to hope for complete recovery. The important thing to remember is the cancer can be cured; but it depends entirely on early discovery and proper treatment."

All persons interested in cancer control are urged to hear these special broadcasts on April 10, 17, and 24, on WOAI, San Antonio, at 7 a. m.

## 200 Attend Band-Choral Concert Held Fri. Night

Approximately 200 persons heard the band and choral concert presented here Friday night, according to Gene Williamson, high school senior and featured soloist of the band.

C. M. Stokley, band director at E.N.M.C., Portales, was guest conductor for the concert. Proceeds will be used for the purchase of jackets for senior members of the band.

Approximately 25 members make up the band, while there are 26 members of the choral group. Fred Danforth is director of both groups.

## Rev. Sidney Maddox Guest Speaker At Lions Regular Wednesday Meet

Rev. Sidney Maddox, pastor of the First Baptist Church, Las Cruces, New Mexico, was guest speaker at Lions regular meeting, Wednesday noon, March 23.

Rev. Maddox gave a brief summary of three essentials necessary in living a worthwhile life. He said, "point 1, clubs and individuals need to realize their full potentialities; what each is capable of and then work and live using each separate talent to its fullest extent. Point 2, most of us confuse personality versus materialism, we each need to use our own judgement; take time out to get a good, clean, clear look at ourself. Point 3, we all need to accept and share our part of the responsibility in today's world."

Rev. Maddox suggested original thinking instead of accepting the written word verbatim. He said much more happiness would be derived from one's acceptance of his full share of responsibility and in promoting worthwhile projects for the community at large, than in devoting all of one's time to making money, building an empire, etc.

Mr. Maddox followed Mr. George E. Toby on the program. Mr.

Toby, representing a street marking company of Sherman and Dallas, Texas, explained the Toby street marking and house numbering system. He was introduced by Murray Crone, street marker chairman.

James Simpson, Lyford, Texas, Baptist layman and well known singer, was presented in a vocal solo, "Ivory Palaces", he was accompanied at the piano by Emil Timian.

Rev. W. C. Wright, introduced both Rev. Maddox and Mr. Simpson.

The club voted during Wednesday's business session to sponsor a Cochran county girl for Girl's State.

Guests other than the three taking part on the program were Carl Russell of Bowie and Lions member at large from Gatesville, Texas; Mack Woodrum, Veterans Administration, Lubbock, and Mrs. Carl England.

Members present: Dr. V. L. Lawson, E. H. Timian, C. A. Baird, Lloyd C. Miller, Jack Rice, Lloyd Allison, Carl Ray, Fred Stockdale, David Todd, Artie Hicks, R. D. Ormand, E. L. Willis, Raymond Strickland, R. C. Strickland, M. T. Beard, J. B. Knox, Zeke Sanders, Floyd Smith, Andrew Essary, E. A. Miller, L. W. Barrett, Jack Bullard, James St. Clair, Paul Goodman, Van Greene, P. B. Ramby, C. M. Cravy, Carl Macon, Willard Cox, Murray Crone, Tom McAlister, Hume Russell, Glenn W. Thompson, Earl Crum, Courtney Sanders, W. C. Wright and M. C. Ledbetter.

## LEHMAN NEWS

Sunday school attendance at Lehman is improving. New comers to Lehman, not affiliated with another class are cordially invited to attend Sunday School here.

Lehman Home Demonstration club will meet April 6th at 2 p. m. in the home of Mrs. L. C. Keith.

Mr. and Mrs. P. E. Liles, Tom Lynch, Bill Butler and Woodrow Cunningham were visitors in the W. G. Freeland home Tuesday night, March 22.

A 42 party was held Friday night, March 25 at the school house in honor of Mr. and Mrs. Euel Prather who moved from this community recently. Games of 42 were played. A table lamp was presented to Mr. and Mrs. Prather.

Mrs. H. C. Griffith, Mr. and Mrs. Ray Griffith and son Sherrill of Morton, Mr. and Mrs. Cliff Mawhiney and daughter, Reta Gayle of Lehman and Mr. and Mrs. G. V. Bluhm and daughter, Alice Faye of Lubbock were guests in the Jimmy Clampitt home Sunday, March 27.
