

MAYOR SAYS FOLLOWING OF FIRE TRUCKS "MUST STOP!"

Mayor Tom McAllister, on the morning of an early Sunday morning fire here, said that efforts of men in controlling the fire were hampered by curious people driving in and getting in the way.

McAllister also pointed out that each time the ambulance starts on an emergency call it is followed by a whole parade of cars. In speaking of the smash-up south of town Saturday night, which two persons were seriously injured, McAllister said there were cars and trucks following the ambulance, this unnecessary following of an ambulance makes the errand even more hazardous and must stop.

McAllister asks that all persons except those directly connected with the fire department or ambulance stay away from scenes of fire or accident.

House Numbers Sales Lagging

The sale of house numbers in Morton is lagging. Apparently the lag is not due to an unwillingness among householders but because Lion members are not getting out with the numbers and calling on prospective buyers.

The season, vacations and so on, are probably responsible as much as any one thing; but it is a well known fact, that until a sufficient quantity of house numbers are sold there will be no street markers.

Purchase and erection of street markers depends almost entirely upon the sale of the house numbers.

There may be a few persons in town, who when asked to buy house numbers, feel the price is too high or that they are simply making a donation to the Lions Club. Neither of these surmises is wholly true.

The price for a set of numbers is two dollars—and it is quite true that numbers may be purchased elsewhere for less; but with the purchase of a set of numbers from the Lions Club you also are helping in the cost of buying and erecting street markers.

Lion street marking captains and crew members are donating their time and services in this civic improvement project.

It is true that less than half the town has been approached but it is thought that with summer vacations about over and most families returning home in order to get children ready for school the house numbering campaign will soon get into full swing.

Lion Club and City officials hope the house numbering campaign may soon be completed so that erection of street markers can be started.

Murray Crone Is Named Morton Postmaster Job

In a series of appointments throughout the United States, President Harry Truman named Postmasters for various cities, among them Murray Crone Postmaster of Morton.

Mr. Crone had been acting Postmaster of Morton since January of this year when Walter Taylor resigned as Postmaster and transferred to rural route carrier for this district.

Murray has been a resident of Morton since 1928 when his family moved here. He started working at the post office as a part-time clerk in 1939 and has been employed there ever since, exceeding the time he served in the armed forces.

He entered the army in 1941 as a member of a cavalry division. Later he was transferred to the Air Force where he underwent pilot training and then bombardier instruction. He was discharged in 1945.

The new appointments must be confirmed by the Legislature and this technicality is expected to be executed at any time. Murray is Secretary-Treasurer of the Lions Club and a member of the Chamber of Commerce.

Mother Collapses On Grave of Son At the Morton Cemetery Thursday

Mrs. S. T. Cox, died Thursday night, only a few hours after collapsing on the grave of her son at Morton Cemetery.

Mrs. Cox had been suffering for about five years with arthritis but was able to be up and about and one of her greatest joys was tending the grave of her baby son, Ray P. Cox, killed in action at St. Lo, France, in 1944. Pvt. Cox was buried here last September, and since that time his mother made almost daily visits to the grave, where she had planted flowers and shrubs.

Thursday evening Mrs. Cox accompanied by her husband and daughter, Mrs. Jewell Sipes and son, Jerry Sipes of Amarillo, went to the cemetery where they had worked for an hour on the grave. At seven o'clock Mrs. Cox fell across the grave, before losing consciousness she asked her daughter to take care of a plant that had been broken when she fell. She was taken immediately to West Plains Hospital, and died at 8:50 p. m. without regaining consciousness.

The Cox family have lived in Morton for 15 years. Besides her husband Mrs. Cox is survived by her mother, Mrs. Jane Roberts, Grant, Texas; two sisters, four brothers, 12 grandchildren, six great-grandchildren, five sons.

Lee Taylor Vacationing

Mrs. Lee Taylor left Thursday, Aug. 4, for a vacation visit in Laredo with her daughter and family, Mr. and Mrs. Mac Hankins, Jr. and new son, Mac III.

Cochran, Gaines 4-H Clubs Meet At Annual Camp

The annual Joint 4-H Club Encampment for girls from Cochran and Gaines counties will get underway today at Lubbock's McKenzie State Park, as a climax of the 4-H Club work for the year.

The camp grounds will be the site of the two day affair scheduled for August 11-12 which features classes in handicraft, first aid, publicity, and recreation.

For recreation the girls will study and practice camp cookery and will be taught various games. An amateur night on August 11 and swimming the following morning are listed on the recreation docket.

Girls from the group who have previously attended District camp and the 4-H Club State Round-up will conduct classes in recreation and handicraft. Mary Helen Keith, Lavon Cunningham, and Norma Harvey from Cochran county will be instructors in the games division.

Camp cookery will be under the direction of Shirley Tucker, Jowynn Chesher, Mary Lee Bolton and Katherine Fleanor. Handicraft teachers include: Shirley Dean Taylor, Beatrice Darland, and Martha Garrett.

Home Demonstration Agents from Cochran and Gaines counties have arranged classes in first aid and publicity for Friday morning. First aid classes will get underway at 8 a. m. and the classes in publicity will be held from 9:30 to 11:30.

Ann England, editor of Morton Tribune, will conduct the classes in publicity and news writing.

Barracks on the camp grounds under direction of Miss Mable Ann Manley and Vivian Vance, Home Demonstration Agents for the two counties, will serve as the home for the girls during the encampment. Meals will be prepared by the cookery class and the camp sponsors.

Forty-one girls from Cochran county will attend the encampment making the trip by school bus. Camp officers will be: Mary Helen Keith, chairman, Martha Willis, vice-chairman and Ruth Nell Willis (Gaines County), secretary.

Board Allows 56 School Transfers 20 More Rejected

Fifty-six transfers from one school district to another have been granted by the County School Board for the coming school year, it was announced Tuesday by Glen W. Thompson, County School Superintendent. Twenty applications were rejected.

Among the total were 9 granted from Morton to Whiteface; 5 granted from Whiteface to Morton; 66 granted from Whiteface to Sundown; 1 from Bledsoe to Whiteface; 2 from Bledsoe to Neely Ward and 5 from Bledsoe to Morton.

Biggest single group to transfer are the 25 boys and girls granted transfers from Neely Ward to Morton. Four received transfers from Neely Ward to Three-Way.

The totals showed a large change from last year's figures where every application was accepted and 53 transfers were recorded from Lehman to Morton and Whiteface. After these were accepted last year, Lehman and Whiteface voted to consolidate and this year no transfers were recorded from Lehman to Morton.

In 1948 not one application for transfer from Morton to another district was shown in the report as against 9 for this year.

Girlstown Share Of Proceeds Will Total Near \$1,000

Over 2000 people attended the first annual celebration at Whiteface, according to H. P. Clemmons, general chairman, who reported that approximately \$1000 would be realized from the event for Girlstown, USA.

Ticket sales to the rodeo held Thursday afternoon, totaled 1600. Clemmons said, adding that a fine show was put on with some of the closest competition in all events.

KLVT, the Herald radio station, broadcast a show from the band stand on the barbecue grounds at the Whiteface schools from 1:15 to 2:15, and Mason's put on their program from the same site. Featuring Whiteface musicians as well as KLVT's regular musicians, the group played throughout the barbecue.

A parade was started from the schools and followed down through the business section of Whiteface before the rodeo.

In the rodeo results, Clemmons announced that in the matched roping, Billy Winn of Brownfield defeated Bobby Meeks of Sundown.

Other results showed Lewis Dowell, Charles Rhodes, Bill McCutcheon, Gene McCutcheon, Raymond Vest, Shorty Cowan, H. L. Lucy, Jimmy Graham, Dale Book-out, J. A. McCutcheon and Lewis Dowell, each rode two broncs to take double purses.

In the team tying, Billy Winn posted a time of 18.6 for first place money. Pat Howard was second with 20.5 seconds and Bill Harris was only two tenths of a second behind for third place, tying his steer in 20.7. John Givens took fourth place with 29.4 seconds.

In the girls barrel race, less than one second difference was posted in the first and fourth place winners, with one tenth of a second determining the first three persons.

Winners of the barrel race were: Betty Meeks, first place with a time of 19.9; Helen Payne, placed second with 20 seconds flat; Wanda Lee Wiley posted a time of 20.1 for third place and Patsy Swanner was fourth with 20.9 seconds.

Billy Winn made a clean sweep of the roping events when he took first money in the jackpot roping with a time of 13.1. Limey Thomas took second place with 15.1 and Bill Harris third with 17.7. Bill Blackstock won fourth money, tying his calf in 22.5 seconds.

A big success in the first trial, Clemmons expressed his appreciation for the cooperation of the townspeople in staging the celebration, and to the many visitors who attended the barbecue and rodeo.

"We feel sure that this will grow each year and as worthy a project as can be found will receive the full benefit from any profits we can make. Whiteface is proud of Girlstown," Clemmons concluded.

White Elephants And Sacred Cows Not New Terms

Jeter's Hardware store is featuring its annual White Elephant sale, merchandise galore at giveaway prices. The term White Elephant dates back hundreds of years to India, that mysterious land where cows and white elephants are sacred to the Hindu religion.

Anyone owning a white elephant was not allowed to kill it. He had the obligation of feeding it until its natural death or else gave it to someone who would then assume the obligations. Cows are still sacred to the Indian religion and may not be killed for food.

The term Sacred Cow, something that is the boss' pet and must not be touched; and the term White Elephant as a gift, have come down to us from these customs.

Jeter Hardware is featuring these "gifts" at outstanding bargain prices. For as little as 3c you can take home a white elephant, a gift made possible once each year at the annual Jeter White Elephant Sale.

Visitors In C. C. Armstrong Home

Mr. Bill Armstrong of Anson visited here this week-end with his parents, Rev. and Mrs. C. C. Armstrong. Another son and his family, Mr. and Mrs. C. C. Armstrong, Jr., and sons, Jimmy and Larry of Angleton, also arrived Saturday to spend this week visiting in the Armstrong home.

Dry Your Tears; Edward Getting Another Calf

There was hardly a dry eye in the entire area last week after the loss of Edward Courtney's calf was publicized but now every one can dry their tears. Edward was given another calf by Mr. W. K. Dickinson of Lubbock after he learned details of Edward's loss.

Edward Courtney, eight year old son of Mr. and Mrs. W. K. Courtney of Morton route 1, took the loss hard a few days ago when his calf broke through a fence, ran about four miles and then died, apparently of exhaustion, as it was being returned in a trailer.

Young Edward paid \$100 for that calf and was planning to fatten it. Dickinson heard of the boy's

loss while visiting the district 4-H encampment fair grounds and sought out the boy. He promised to give him another calf.

Homer Thompson, Cochran county agent, will go to Tatum, N. M., to get the calf to replace the one that died. He had visited Tatum last week to obtain seven calves, two of which were for Edward and his brother, Melvin.

The calf was Edward's first. He exhibited a pig last year in the 4-H and FFA show and won second prize of a \$50 war bond in the free gilts class. That class was composed of pigs which had been given to new 4-H club boys. Under the plan, a boy receives a pig, then from its first litter gives a pig chosen by the county agent to another 4-H club boy.

TRUCK FIRE ON SQUARE CAUSES EXCITEMENT SUNDAY MORNING

A steel wheel roller caught fire about 7:15 Sunday morning while being "gassed" at the Friendly Service Station, located on the southwest corner of the square.

C. W. Perkins, driver of the vehicle, was enroute to work on a street paving job in northeast section of town, commonly known as the "flats" and had stopped at the station to buy gasoline. Attendants at the station and Mr. Perkins all said that the ignition switch had been cut off and that no gasoline was spilled during the filling process.

Jim Fanning, Lubbock paving contractor is owner of the machinery. Mr. Fanning was not present when the fire occurred but by-standers estimated the cost of the machine at about \$3,500.00 and fire damage about 6 or \$700.00.

The flaming vehicle was pulled out of the service station into the middle of Washington Street by a truck that was parked nearby. No damage was done to the service station.

Firemen used all available chemicals and then turned two hose of water on full stream in putting out the fire. It was about an hour from the time the fire was discovered until it was completely extinguished.

Liquor Violators Pay Heavy Fines In County Courts

Fifteen fines paid in the Justice of the Peace court and the County Court brought a total of \$689.50 during the month of July, according to the sheriff's department.

More than half of that total was assessed 3 liquor law violators who were convicted of bringing in 29 cases of beer and whiskey for the purposes of resale. Liquor law fines for the month totaled \$388.90. One liquor case was dismissed and one is still pending.

Seven other cases are still pending within the county for the month of July and two cases have been bound over to the Grand Jury and set for later dates.

Among the fines paid were 2 for driving while under the influence of liquor, several parking tickets, and Judge O'Pry's JP Court found several guilty of defective lights.

Morton Couple Seriously Injured As Truck Overtakes Near Lehman

Mr. and Mrs. Grady McEuen of Morton are still in the West Plains Hospital following a truck accident 15 miles south of town Saturday evening.

Both were reported considerably better after being listed as in critical condition since the accident. Mr. McEuen, about 31, is suffering from multiple head injuries and remained in a semi-conscious condition until late Monday evening when he regained consciousness.

Mrs. McEuen, driver of the truck, received numerous cuts and bruises and was to be x-rayed this week for a chest injury believed to be a broken or fractured bone. She was given oxygen soon after being admitted to the hospital.

The McEuen's driving a Chevrolet panel truck which they owned, were traveling south at the time the accident occurred. It was presumed that the driver lost control of the car upon hitting a soft shoulder and then turned over several times.

Mr. L. C. Keith, Lehman, was driving behind the McEuen's at the time of the accident and he notified the local sheriff and called an ambulance.

The McEuens have lived in Morton for about a year and at the time of the accident he was employed as deliveryman for the Morton Bakery. His family is believed to live in or near Dallas. Mrs. McEuen's parents are Mr. and Mrs. R. H. Wardrop and a sister, Mrs. Tom Arnn all of Morton.

Paper Crippled Temporarily By Tuesday's Storm

The half inch of rain which fell in Morton Tuesday night sent the year's precipitation figures soaring closer to the average mark of 16.5 inches per year with still another four months to go.

USDA recorded .52 inches in the latest downpour giving Morton slightly less than 15 inches of rainfall since January. Early, well spaced rains have already given promise of the greatest crop ever for this area. Tuesday's storm crippled the Morton Tribune temporarily when the transformer that controls the main press was knocked out by lightning just as the pressman was preparing for a run. Quick response by Earl Crum to the Tribune's call of help averted a major disaster for the paper and enabled us to make the deadline.

Editor of Tribune To Speak at 4-H Encampment

Mrs. Carl England, editor of the Morton Tribune, assisted by Edmund Irwin, Tribune staff writer, will speak to seventy-five 4-H Club members at their annual encampment at McKenzie State Park, Lubbock, Friday morning, August 12.

MEET FOR FAMILY REUNION

Mr. and Mrs. Olen Harris and family and Mr. and Mrs. B. R. Deaver and family met with relatives from Oklahoma and New Mexico Sunday for the Thomason family reunion. The reunion was held in Lubbock at McKenzie State Park.

Edward Courtney, center, was surprised at the 4-H encampment to receive an offer of a new whiteface calf from W. K. Dickinson at Lubbock. Dickinson made the offer after he learned a calf the boy bought a few days ago died. Homer Thompson, right, Cochran county agent, will go to Tatum, N. M., to get the calf given by Dickinson and take it to the youth. (Photo by D. F. Eaton, Lamb county agent.)

A passing thought about South-west Conference football teams: Texas — Bob Allen of Waxahachie will probably do most of the chunking for the Longhorns this year. He's the better passer of three players Blair Cherry can use as quarterback. The others are Paul Campbell and Bobby Coy Lee. Campbell, who held the No. 1 quarterback spot last season, may lose it to Lee this year.

Southern Methodist — All-America Doak Walker and Kyle Rote can handle the Mustangs' passing. Young Fred Benner is a third possibility. Where Matty Bell will miss Gil Johnson most is in the final minutes of play. A good passer when the Mustangs were ahead, Johnson always became a great one when they trailed.

Texas Christian — If Lindy Berry's passing has improved, Dutch

Meyer's triple wing will cause more than its usual confusion . . . Berry is "it" again for the Frogs. Texas A. and M. — Jim Cashion no doubt will be Harry Stiteler's first choice to ramrod what passing attack the Aggies will muster. But Cashion is no Buryl Baty.

Arkansas — It looks like the Razorbacks are going to come out with the T. The question of who will do the passing loses importance to who will do the quarterbacking.

Baylor — Dudley Parker will be a good bet to pass behind the good old Baylor line . . . in fact, he might do better than all right.

Rice — The Owls have a fine passer in Tobin Rote, but whether they use him is another question. The feathered flock has never been known as a pass-minded aggregation. A change of heart might make the Owls as hot in October as they usually are in November.

James H. Stewart, executive director of the Southwest Conference and the man who handles tickets for the Cotton Bowl, has moved his office. He's now located at 1342 National City Bank Building, Dallas.

PENCILINGS ALONG THE WAY

by Howard R. Smith

Port Arthur, Texas—In the East this fabulous area on the Gulf of Mexico is being referred to as the "Gold Coast."

Gold Coast region being generally the area from Lake Charles to Corpus Christi.

The natives may not be able to see the forest for the trees, but outsiders may glimpse nugget gleams all about. Just a few moments ago I glanced from my ninth floor window here in the Sabine hotel and saw a huge tug pushing a barge train. Close behind was a large ocean liner approaching the draw bridge . . . a stone's throw from the heart of town. Immediately the divided span began ascending into the air, clearing the way for ship channel traffic.

This inland waterway carries an enormous quantity of traffic, lending considerable authenticity to the "Gold Coast" tag.

The world's largest oil refinery is located here. Lesser refineries and chemical and other industrial plants dot the landscape in every direction, except seaward.

Governor's Home Town

Not the least of Port Arthur's claim to distinction lies in being able to claim Governor Allan Shivers. And the home folks like him.

There's a degree of sadness in my visits to Port Arthur. Just one block from my hotel is the point where I last saw Bill. To the United States Air Corps he was Captain William Robert Ross, hero of many Pacific battles. But to me and many others he was just Bill. The hero stuff didn't interest Bill.

Except for the newspaper publicity, which was frequent, I doubt if his mother would have known that he won a presidential citation and half dozen or so of other awards.

When you mentioned medals to Bill he just grinned and said: "They don't mean anything . . . They passed those medals out by the bushel."

He rarely, if ever, wore them.

But many American mothers owe a debt of gratitude to Bill for his skillful flying during those terrible days when he was evacuating hundreds of wounded men from battle scenes to hospital areas. He had learned plenty about Jap Zeros during six months as a fighter pilot, which was all to the good, because hundreds of Zeros were assigned to the job of shooting down hospital transports.

Bill had close calls.

Once a flock of Zeros was only two minutes behind him, but he out maneuvered them and landed his bleeding, suffering human cargo safely.

When I last saw him he was on duty as an instructor, a veteran of six years of flying. The day we parted here in Port Arthur, he left to report for duty at Fort Benning.

A few months later, while his discharge papers were being processed, Bill, with 14 other military personnel, lost their lives in a storm, an army transport crash near Vicksburg, Mississippi.

Saddened survivors, including his bride of a few months, found consolation in the fact that Bill had made Eternal preparations at the age of 12.

Guess we're way behind but that in the world is a whopped... Read an account of an especially elaborate wedding in the society columns of one of the leading daily newspapers... the description of the bride's dress was, "Given in marriage et cetera, etcetera, the lace bodice and an off-the-shoulder (That's what it said) neckline. The chopped skirt of organza was trimmed with wide bands of chantilly lace insets."

One reads strange things the in nearly any paper—sometimes even in the Tribune.

We saw another item that caught our eye. It was an account of the death of a 77 year old lady who died in a Philadelphia Hospital where she had been taken fifty years ago in a horse-drawn ambulance.

Which just shows to go—one never actually knows how long he will have to stay in a hospital.

Bro. Wright is quite pleased with Leveland's radio station WLV and was complimentary of Bill Spiller, station manager.

We must say Bro. Wright has a nice sounding voice via the radio. We are so pleased that we get up EARLY in order to hear his 8 a. m. pre-view of the Sunday school lesson.

And Ruth is on the air too. Ruth Weimhold that is. She has the ladies program around 9 a. m., discussing recipes, fashions and things of general interest to the gals.

Bill Whitman was up from San Angelo recently and pleased us a great deal by saying he wished he still lived here. Nearly everyone who leaves here says the same thing.

However, at this point will admit we are disappointed — You know—or do you, that Cochran County had an election Saturday, July 30 and only about 225 people stirred themselves out to vote?

The park issue lost. So that means unless the community gets busy and promotes something else citizens of Morton, Whiteface, Bledsoe and other Cochran County communities will have to continue to drive miles and miles for picnic and recreational purposes.

ton business men and firms contributed liberally with cash to help defray expenses for the celebration.

South Plains area has received an unusual amount of moisture this year. We have about decided that the weather man has been arranging this as an accommodation for the new reporters on the Lubbock Avalanche-Journal. If the boys haven't something to write home about, at least they can write up plain and fancy weather stories for their paper.

Not only that, but Mr. Charley Guy must be hard pressed at times to find work for all that bunch, so he just gives them each a telephone and assigns them to "operations weather."

Some of these days when we again visit the Avalanche-Journal, we are going to stop and count the telephones. Mr. Guy showed us around the plant one day and we saw that big ol' press that prints all colors. Reminded us of the time an enterprising salesman sold us a pencil that would write all colors—and several years later, we are still just about as gullible.

Bro. Armstrong must be a Scotchman, we don't know any thing about his penny pinching, but he is the stingiest man with words-written ones that is. We have asked him to turn in wedding cards that he performs and he very obligingly does, quite brief and to the point.

Mrs. Armstrong is the cutest little dumpling. So far we've only met one of the Armstrong offspring, Jess, who is a fine looking lad. He is a senior student at SMU but home for the summer.

He told us he was looking for a job and we suggested the numerous cotton fields around here but Jess said, "A hoe handle doesn't fit my hands."

Think every one in Morton turned out for the barbecue at Whiteface last Thursday. Whiteface may well be proud of the fine day of entertainment and every one certainly enjoyed that fine food.

Just by the merest accident we brought Bill's portable radio to the office Thursday and about the first thing we heard was something about Morton and Ann—you can imagine how our ears picked up. It was Ruth Weimhold and Fred Collins reading a card of congratulations we had sent them.

Dropped in on pretty little Dorothy Barker last Wednesday. She was in the throes of moving into the house out on South Main only recently vacated by the Gene Huggins.

Riding Circle Around Whitefaces
by Art. N. Wall

We are camped about sixteen miles up Hondo Canyon. That is we are about sixteen miles from Taos. We made camp here Tuesday afternoon the 2nd. It is only a few feet from the tent to Hondo creek. Tuesday afternoon as we pitched the tent a slow rain started in. High over the Sangre De Cristo mountains dark clouds hovered. I tried to gather up dry fire wood and got a small pile stacked up before all the wood got wet. We cooked supper over a gasoline camp stove that evening.

All night the rain pattered on our tent. By six a.m. the next morning the rain had ceased and I hiked on up stream about one and a half miles and fished down. I never saw the like for catching small trout below the six inch limit. These of course had to be thrown back. Even that eight year old boy of mine caught one. I hated to toss it back in and he hated to see me do it but it was one way to show him that there was such a thing as sportsmanship in fishing.

At 3 p.m. I had two the legal limit about eight inches long. I caught them with a Rio Grande special fly. I did not feel bad about catching only two fish that day. I met several fishermen who had caught none.

When I got into camp with these two fish the wife had hot coffee and while I was drinking a Pontiac eight drove up. In it was a niece of the wife's and her husband from Sherman, Texas. We were sure glad to see them. We had told them about three weeks ago we would be camped in this place right after August 1. They decided to visit us. So we now have camping with us Mr. and Mrs. John Campbell. John is a wheat farmer. He can't get over the fact that some of the wheat near Taos is not harvested yet.

Thursday August 4th and I do hope Whiteface had a big crowd for the celebration. John and I left camp in his car and drove up into the canyon as far as we could go. We planned on fishing at Blue Lake. We were told we could not get into the lake as the Indians were having a ceremonial dance there and the lake was restricted to all whites. We decided not to fish this morning but pick up the wives at camp and go to Arroy Seco for supplies. We thought it best to buy up a goodly amount of groceries because the road from here to that little town of Arroy Seco has a bad habit of washing out when it rains.

Arroy Seco is strictly a Mexican town. It seems like every building houses a grocery store. Everything is high. Butter ninety cents a pound. Steak ninety five cents a pound. I don't think the wife will complain about high prices at home from now on. Needless to say we bought "oleo" and bacon as part of our groceries.

After we got back to camp I began writing this. There have been some Indians go by camp on up to the lake. The Indians are more on the highways now all traveling towards Gallup, New Mexico. The reason for this migration to Gallup is the Inter-Tribal ceremonies to be held there August 9, 10, 11. I visited the Inter Tribal ceremonies in 1939. John attended one held in 1940. We both now have our minds made up to be in Gallup for this years ceremonies. It is something one never forgets nor can words describe the color, the dances, the one time our American Indians band together, all tribes. Indian craft of all kinds is displayed. Indian rodeos, foot races, games of all sorts are played. It is the Indian's hour.

Speaking of Indians, in this state one should not complain if

I have the tail board of the pickup down and the typewriter setting on it. I bought some wagon hoops from Ray's Hardware in Morton. I took these wagon hoops and placed them over the bed of my pickup. Over the hoops I have a tarpaulin spread. Under this tarp I have my bed. Right now in the cool of the evening from where I am sitting I can see the wool blankets and do they look warm! Down a ways from the pickup John, his wife, and my wife have a camp fire going. They are roasting marshmallows.

que started growing during the war and has never stopped.

An old timer in Estancia was talking of gambling. "There are lots of gambling in this state," he said. "But why stop it? The whole world is gambling now. With the atomic bomb, with the war weapons in general, you the whole world is gambling. What does the gambling in Asia, with fast planes, with the New Mexico amount to? Nothing."

Wish you all were here.

Albuquerque is a booming town. The city has a ten million dollar building program on. Too it has a five million dollar payroll. This payroll is from the army air base there. Albuquerque

World's Largest Sunday School Meet To be Held at San Antonio, Sept. 7-9

The world's largest Sunday School convention will meet in San Antonio September 7-9. Over 5,000 Sunday School workers from all over Texas are expected at the conference being planned at the state Sunday School department of the Baptist General Convention of Texas.

Nine well-known pastors, educators, Sunday School leaders and teachers are to speak before the convention. Fourteen others will lead conferences for every age-group as well as special conferences on music, library work, and church architecture.

Arrangements for the meeting are being made by Andrew Q. Allen, state secretary for the Sunday School department. Dr. W. L. Howse, Ft. Worth, is president of the state organization and will preside at the convention. Sessions of the three-day meeting are to be held in the First Baptist church and the municipal auditorium, San Antonio.

Among the speakers to appear before the Sunday School workers are Dr. Forrest Feezor, pastor, First Baptist church, Waco; Dr. W. R. White, president, Baylor University, Waco; Perry M. Hayden, president of the Dynamic Kernels Foundation, Tecumseh, Michigan; Earl Gaston, Pensacola, Florida, Sunday School superintendent;

Dr. J. M. Price, Southwestern Baptist seminary, Ft. Worth; Dr. H. H. Hobbs, pastor, First Baptist church, Oklahoma City; Dr. J. Howard Williams, executive secretary of the Baptist General Convention of Texas; Dr. J. H. Landes, pastor, First Baptist church, Wichita Falls; and Dr. Ellis Garnett, pastor, Travis Avenue Baptist church, Ft. Worth.

Texas Baptist Sunday Schools now have a total enrollment of more than 700,000, Mr. Allen said.

20 Texas Tumor Clinics Aid Cancer Control Program

Where would your doctor send you for a diagnosis, if he suspected that you had cancer?

"That is a question that few Texans can answer," Dr. William F. Mengert of Dallas, Chairman of the Committee on Projects and Allocation of Funds of the American Cancer Society, Texas Division, pointed out today, while discussing cancer control facilities in the state.

"Few Texans realize the great strides toward a control of cancer which have been achieved in Texas in just a few short years," Dr. Mengert continued. "Four organizations are devoting almost constant effort to improve cancer diagnostic and treatment facilities in the state, and their results have been very noteworthy. They have sponsored and assisted the establishment of 20 tumor clinics. It is to one of these tumor clinics that your doctor would send you for a diagnosis and treatment. These four organizations are also conducting a cancer educational program to warn Texans that cancer can be cured, if caught in time."

Dr. Mengert listed the four organizations as the American Cancer Society, Texas Division; the Cancer Committee of the State Medical Association of Texas; the State Board of Health; and M. D. Anderson Hospital for Cancer Research.

The 20 Texas tumor clinics which are doing so much to combat the nation's second major cause of death are as follows: The Potter County Medical Society Tumor Clinic, Amarillo; The Wichita County Medical Society Tumor Clinic at Wichita Falls; The El Paso County Medical Society Tumor Clinic, El Paso; Tarrant County Cancer Clinic at City-County Hospital, Fort Worth; Harris Hospital Tumor Clinic, Fort Worth; Baylor University Hospital Tumor Clinic, Dallas; Parkland Hospital Tumor Clinic, Dallas; St. Paul's Hospital Tumor Clinic, Dallas; Bowie-Miller County Medical Society Tumor Clinic, Texarkana; three in Temple, located at King's Daughters Hospital, Scott and White Hospital, and the Veterans Administration hospital; five in San Antonio—at Baptist Memorial Hospital, Nix Hospital, Santa Rosa Hospital, Brooke Memorial Hospital, and Robert B. Green Memorial Hospital; Nueces County Medical Society Clinic, Memorial Hospital, Corpus Christi; the clinic at M. D. Anderson Hospital for Cancer Research in Houston; Jefferson Davis Hospital Tumor Clinic, Houston; and the tumor clinic at the University of Texas Medical Branch, John Sealy Hospital, Galveston.

Nonsectarian Church Organized In Dallas

A nondenominational church, with a charter membership of 100 has been organized in Dallas. It is called the First Community church and is modeled on the First Community church in Columbus, Ohio.

The Columbus church is a part of a Community church movement in the United States which now has 1,250 congregations banded together in a National Council of Community Churches.

Leaders of the new Dallas church say it will fill a need of families who face the problem of what church to attend when the husband belongs to one denomination and the wife to another.

L. H. Lacy and Ernest Alexander, two of the Dallas members, said backgrounds of the members include Disciples of Christ, Congregational, Baptists, Roman Catholics, Methodists and others. Sixteen members of the Dallas church attended the recent annual meeting of the National Council of Community Churches at Berea, Ky. Two others have observed the Columbus church.

Some of the innovations of the Columbus church which will serve as the model for similar activities here include marriage, vocational guidance and prenatal clinics.

The Dallas church will follow a preacher trained in psychiatric and sociological work to put similar activities into practice here, Lacy and Alexander said.

Dr. Roy Burkhardt, pastor of the Columbus church, has promised

AT BARBECUE IN WHITEFACE

he will visit Dallas in September to help the new church get started.

The Dallas church will follow a congregational-type government with the control exercised by a board of directors elected by members. The congregation will determine its own policies.

No special creeds or beliefs of any denomination will be followed. Members will be baptized the way they prefer. New members will be received by statement of faith or on profession of faith.

The church will sponsor missionary work in or out of Dallas as members desire.

Poll Tax Or Registration Fee

One of the ten proposed amendments to the state constitution which you will be asked to vote upon November 8, is a proposal to do away with the poll tax. This would be a step in the right direction provided that the need for poll tax funds no longer exists.

As it stands now, payment of the poll tax is a requirement before a person can become a qualified voter. In a country where the citizens are supposed to be free to elect their own governing officials, certainly the enforced payment of poll taxes as a requirement before obtaining voting privileges is, theoretically, an infringement on the rights of the people. We must however, realize that in some areas the funds from poll tax payments are needed to allay the costs of said elections.

That a poll tax may act as a factor in "class distinction", cannot be denied. But, many of our present laws inadvertently act in this manner. It is our duty to eliminate prejudice, to the best of our ability whether it be racial, religious, or class prejudice.

There is also another factor to be considered in this proposal. The amendment clearly states that to vote for this resolution, is to vote out the poll tax and to vote in the possibility of a registration fee. It does not state what this registration fee would consist of. It could be a larger fee than our present poll tax or under this plan it may never be levied at all. The Legislature is not commanded to exercise this right to assess voters a registration fee.

Is this then the answer to our question as to whether the need for the funds from a poll tax still exists? Is this to cover the need for election funds whenever it becomes necessary? Isn't it possible that this registration fee, in the hands of the wrong group, could be raised to cover the costs of other things besides the elections?

As it is now the constitution states just how much the poll tax will be. As it is now we believe that the poll tax is high enough, maybe more than enough.

In the long run, this proposal seems to be simply a bit of legislation calculated to please everyone who does not take the trouble to think it out. Those who favor the poll tax are told that the Legislature will retain power to assess a registration fee which is the same thing as a poll tax; those opposed to the poll tax are led to believe that this amendment will do away with all the evils of the poll tax.

We would like to see the abandonment of the poll tax only if there will not be an even higher, an even more discriminating fee to follow. Look this one over carefully. You may be voting in an even higher assessment. You cannot better an evil by simply changing its name.

Louise Massey, Famed Girl Singer Appears on Wallace Stage Tuesday

Louise Massey, the glamour section of the popular "Louise Massey and the Westerners" radio program is to make a personal appearance on the stage of the local Wallace Theatre here on Tuesday, August 16.

This will be one of the first personal appearances Miss Massey has made in the state of Texas. She is well known in this section of the country for her radio program "Louise Massey and the Westerners". Most of her personal appearances, prior to this time, have been in New York and Canada.

Miss Massey was born in Texas and reared in the Ruidoso Hondo Valley of New Mexico. In 1928 she got her first chance to prove her singing ability by touring the United States and Canada. Following the tour on the first contract Louise landed in Kansas City. There she played radio shows and night clubs for five years besides studying at the Kansas City Conservatory of Music.

From Kansas City Louise went to Chicago, where she was to

realize many dreams. Here she auditioned for the National Dance, . . . won the contract, and made "Mexican Rose" a hit song from coast to coast.

While on the National Dance, Louise took a trip to New York City and contracted Columbia studios there. Here she recorded the song that started her on the real road to fame and she took the song "White Arizona" to the top spot in the nation.

Soon came the war and Louise did her job by singing in veterans' hospitals, benefit shows, and war bond drives.

After the war Louise slowed down and took time out to try her hand at song writing. She wrote the song which rose to the top on the hit parade and made every juke box in the country, "My Adobe Hacienda".

After years of hard work, Louise returned to her valley and built her adobe hacienda, the home of her dreams.

Farm To Market Roads Have Traffic Hazards

Hundreds of Texans are likely to be killed or injured because of the farm-to-market road program in Texas.

This will happen, the Texas Safety Association and the Texas Highway Patrol said this week in a joint statement, unless rural people learn quickly to use these roads properly and to police themselves.

Last year 221 persons were killed in county road accidents in Texas. For the first half of this year, only 77 were killed, for a 37 per cent reduction in the death rate.

"This is National Farm Safety Week," said Charles A. Miller of Houston, President of the Safety Association, "and its observance centers attention on rural traffic as one of the most important of farm safety problems."

"As rural roads are improved, rural people must remember that a good farm road is a sub-standard highway, likely to be narrower and to have sharper turns and grades," Miller said. "Another dangerous factor is the tendency people have to think that they have the road all to themselves. This is revealed especially in failure to observe proper precautions at intersections, coming to a full

stop and proceeding cautiously when entering a highway."

W. J. Elliott, chief of the Highway Patrol, said his force has more than it can do to patrol 31,000 miles of principal highways and cannot possibly patrol additional miles of farm roads. "We're praying that rural people won't start making racehorses out of plowhorses on these roads," Elliott said. "Our only hope is that the people will be their own safety patrol, for the sake of self-preservation. Unless they do, enough blood will be spilled on these roads to paint a red stripe down the center of them from one end to the other."

Specs And I See Eye To Eye

Asked Specs Allen to go hunting last week. Known him all my life, so I wasn't surprised when he showed up with no gun. Specs doesn't like to kill anything.

Couldn't ask for a better hunting companion, though. We tramp around the woods, and whenever the dogs flush a bird, I blaze away while Specs just watches.

Told him once I was surprised he went along... feeling the way he does about shooting anything. "Well, Joe," he says, "you do what you think is right and I'll stick

to what I think is right. I've no call to dislike you for not seeing everything the way I see it."

From where I sit, open-mindedness is a wonderful quality. There are plenty of things Specs admires that I don't care for. Like his fondness for buttermilk. I'd rather have a glass of beer anytime... but Specs Allen and I don't let little differences get in the way of something big like friendship.

WOMAN'S WORK IS EASILY DONE... ELECTRICALLY

Remember when grandmother sighed over the wisdom in the old saying "Man works from sun to sun—woman's work is never done?" It's not like that today—thanks to electricity.

In a home where electricity is used, woman's work can be done much more easily, and rapidly than in the old days. Too, it's done economically, because the cost of dependable electrical service is so low.

Look around your home and notice in how many ways electric service is making it easier for you to be a real homemaker. You'll be surprised and pleased, and odds are you'll soon be shopping for more electrical appliances to take even more work off your hands.

6th Inning Home Run Gives Atlantic 26-25 Win In Wild Fray

With virtually every man on the field raising his batting average and most of them lowering their fielding average, the Atlantic Refiners knocked over Texaco in a league encounter by the wild score of 26-25.

In the softball game which should have been billed as football from the indications of the score, the two teams banged out 37 hits, received 12 walks, and were charged with 14 errors.

Practically everyone in the large crowd that witnessed the fiasco could look back and see a dozen chances each team had to win the game but few could spot the break that actually clinched it for Atlantic. The game-winning blow was Crone's second home run of the evening, a terrific blast to deep left center with one man on base and two away in the 6th. It put Atlantic ahead 26-24.

Both teams shuffled their pitchers for this game and the results were disastrous. Montgomery, who has been very effective on the mound for Atlantic, shifted to second base to start the game and shortstop Hermann ascended the mound. He was banged for 9 runs on 6 hits in the 1st inning. Montgomery came in to relief pitch in the 2nd with the score 9-4.

Actually Montgomery only

gave up 10 hits in the 6th innings he twirled but his mates committed 7 errors, he walked two and hit two batters. Four of the errors, four hits, one walk, and a hit batsman came in a bunch in the 5th frame to give Texaco 10 runs.

Texaco ran the count to 11-4 in the 2nd, Atlantic came back with four more, and Texaco got 3 in the third and the count was 14-8, Texaco.

Atlantic slammed out 7 hits good for 11 runs in the 4th and took a 19-14 lead. They blanked Texaco in the 4th and garnered four more in the 5th to lead 23-14, before Texaco again came to life. A 10 run 5th inning gave the Chiefs a temporary lead, 24-23.

Atlantic ended its scoring in the 6th with 3 runs and Texaco came to bat in the last of the 7th inning needing two runs to tie. Grady Long fled to center but Bynum kept their hopes alive when he reached first by being hit with a pitched ball. Hawkins popped to the catcher but Lloyd Evans second triple of the game sent Bynum scampering home and put the tying run on third base. Shot Mills popped to short to end the game.

Neutzler's Home Run Blast In 6th Gives Enochs 7-5 Nod Over Lehman

With Ed Neutzler playing the Horatio Alger role for the Enochs softball team, they kept their record unbeaten and claimed a tie for first place in the City Softball Circuit with a 7-5 win over Lehman Monday night.

Neutzler came to bat with men on 2nd and 3rd and two out in the last of the 6th inning and poled a towering home run over the left fielder's head. Up to that time Lehman had held a 5-4 lead. The hit was only Neutzler's second blow of the season, both of them coming in succession Monday evening and driving home four important tallies.

Each team garnered 7 hits in the game. Johnny Vandeventer struck out 6 men, walked 3, and hit one batsman in the role of the winning hurler. Carl Kennel struck out 7 Enochs batters and didn't walk a man but he hit four batters with pitches. Nine errors turned in by Lehman eventually beat them. Enochs did not have an earned run in the game.

Lehman — 1 0 0 3 1 0 6 — 5 7 9
Enochs — 0 1 0 0 2 4 — 7 7 1

Doc Takes Over 1st In Golf Crown Juggling Match

Snoball Willis and Willard Cox got together last week on the local Country Club links to drop Mayor Tom McAlister out of the lead in the CC golf standings but their triumph was short-lived. Dr. V. L. Lawson took the crown back from Snoball Sunday as Willis missed an 18 inch putt on the 7th green.

Dr. Lawson, recent tournament victor and an off and on leader in the local standings thus took over the top spot followed closely by Willis and Cox.

McAlister salvaged 4th spot in the circuit trailed by C. B. Mackham, Artie Hicks, P. B. Hamby, and Button Silvers. Also in the top ten are the Club Tournament nears are W. W. Williamson and Bill McAlister.

Enochs Captures Circuit Lead With Second Win; 13-10

Taking advantage of a flock of walks, errors, and passed balls in the 4th and 5th innings, Enochs punched 5 runs across in each of those innings to turn back East Side 13-10.

The winners advanced into 1st place in the league standings with two wins against no losses, but they won it the hard way. A big 7 run 3rd inning for East Side had put them ahead 9-2 and had Enochs starter Johnny Vandeventer, reeling in the ropes. In that frame the first nine men at bat reached first safely as East Side took advantage of 6 errors, 3 walks, and 3 hits including a two run homer by Davidson. Then Johnny settled back and pitched himself a ball game. He gave up but one hit in the next four innings and ran his strikeout total to 10 for the game.

Cleo Hall's home run with two men on base was the big blow in the 4th inning for Enochs as they pulled within two runs of East Side 9-7. That was when the roof fell on relief pitcher Davidson who had taken over from Bo Phillips who was forced to the sidelines with a leg injury. Baker relieved Davidson on the mound in the 5th and promptly ran into a 5 run blast in the 5th inning. Two walks, two singles, two errors, and two passed balls did the damage.

Chick Simmons with three hits in four trips to the plate paced Enochs. Kenneth Watts hit a two-run homer in the first. Morrison garnered two hits for East Side. Line score:

E. Side ... 1 1 7 0 1 0 - 10 7 6
Enochs ... 2 0 0 5 1 1 - 13 11 7

1214 Victory Over Dodge-Plymouth Ties VFW For League Leadership

After a shaky 1st inning the VFW softball nine settled down to play ball like champions and hammered out a 12-4 victory over the Dodge-Plymouth team at Slaughter Field Thursday evening.

Two misjudged fly balls which fell for singles and two other clean singles with none away in the first inning, put DP out in front 3-0. They added another in the top of the 2nd frame but there the DP scoring hit a snag. Pollard scattered four hits the rest of the way and shut out the Mechanics as his mates jumped on Odie Vernon for 14 hits.

VFW got the 4 runs back in the 2nd inning on 4 hits including doubles by Tarver and Vanlandingham. They smashed a cross 6 more in the 3rd on 7 solid hits including doubles by Key, Pollard, and Vanlandingham.

Babe Vanlandingham's 3rd hit of the game with 2 away in the last half of the 6th started the VFW aggregation on the way to another pair of runs. H. Harris and Burlison followed with singles to drive home the two tallies.

Once again the VFW team got good support from the field being charged with only two errors. In 9 regularly scheduled games the VFW has committed but 18 bobbles, an average of 2 per game. The DP fielding was also good, two errors being charged

Lehman Captures First League Win In 8-6 Thriller

Lehman's new league entry in the Morton Softball circuit pushed across two runs in the bottom of the 6th inning to break a 6-6 tie and go on to defeat West Side 8-6 for their first league win.

It was the second consecutive defeat for West Side's Merchants who are also new in the circuit, and dropped them into the cellar.

The West Siders had bunched 3 hits for 4 runs in the top of the 3rd inning to take a 6-2 lead. Wollum's double and singles by Bill Harris and J. B. Carter finally drove starting hurler Thompson to cover in the frame. Lefty Hall gave West Side only two hits the rest of the way to receive credit for the triumph.

Ernie Hall's triple with none away and a man on 1st started Lehman on the road to recovery in the last half of the 3rd frame. He scored on Thompson's single to make the score 6-4. A hit and an error in the 4th and a hit and three errors in the 5th tied up the count at 6-6 as Lehman came to bat in the 6th. Two hits and three errors brought the two winning runs across.

Jim Hill gave up 8 hits, struck out two and walked none for West Side but was charged with the defeat. West Side also collected 8 hits off Lehman hurlers and one walk. Lefty Hall fanned four men. Line score:

W. Side ... 0 2 4 0 0 0 - 6 8 12
Lehman ... 2 0 2 1 1 2 * - 8 8 3
Hill and Carter; Thompson, L. Hall (4) and Coffman.

Tatum Wins 8-1, Evens Score With Morton This Year

Johnny Vandeventer, of Morton and Jack Smith of Tatum hooked up in a six inning pitcher's duel at Tatum Sunday before Tatum blew the roof off the stadium with a big 6 run last inning to win the encounter 8-1.

The defeat was the first of the season for the Morton All Stars who had previously beaten Tatum at the visitors field. Vandeventer had allowed only three hits in the first 6 frames and Smitty yielded a pair to the Morton Crew but Tatum held a 2-1 lead on the strength of an unearned run.

Three errors and four hits in the first half of the 7th inning gave Tatum the biggest portion of their margin. The two teams battled to a standstill for the first 4 innings with only one hit, a single to left by the Tatum pitcher, marring the pitching records. A Morton man had reached first on an error in the 3rd inning but got only as far as 3rd base before the side was retired.

A single, a fielder's choice, and an overthrow of 1st base broke the ice in the 5th as Tatum went ahead 1-0. Morton came right back to tie up on Winder's single, a stolen base, and a single to center by Lloyd Allsup.

Tatum led the game in the 6th when Dooley scored from 3rd base on an infield out. The teams will meet in Morton Sunday. Line score:

Tatum — 0 0 0 0 1 1 6 — 8 7 2
Morton — 0 0 0 0 1 0 0 — 1 3 5

Girls Nine Plays At Home Thurs. After Twin Loss

The West Plains Hospital girls softball team dropped a pair of encounters last week in preparation for their encounter Thursday evening with McDonald, New Mexico.

The Morton team was defeated at Sudan 14-5 Friday evening and then lost a 14-9 decision to McDonald at the home park of the New Mexico team last Sunday.

This week the West Plains nine ventured to Littlefield Tuesday but the score of that game was not received in time for publication. The Thursday night battle will precede the men's game at Slaughter Field.

4-2 Victory Gives Eastsiders Third Place In Circuit

In an abbreviated battle called at 5 innings because on the long length of the first game on Friday's twin bill, East Side's Merchants downed their counterparts from the West Side 4-2 in a close game.

Baker hurled 2 hit ball for East Side but his wildness almost got him in trouble. He loaded the bases with walks in the 3rd inning with nobody out but Oden was forced out at the plate and Harris and Carter popped out to end the threat.

East Side grabbed a two run lead in the 1st on three singles and an error and then added two more for insurance in the 3rd on two hits and two errors. Only the fact that 8 East Siders were left on base in their four innings of batting and 2 were cut down at the plate prevented further scoring.

West Side got their two runs in the 5th on a walk, a single and an error before going down to their third straight defeat of the season. East Side collected 9 hits off Hill who fanned one batter and walked none. The victory put East Side into third place in the circuit standings. Line score:

West Side — 0 0 0 0 2 — 2 2 3
East Side — 2 0 2 0 * — 4 9 3

8 to 5 Win Over Texaco Puts Vets In Circuit Lead

VFW and Texaco locked up in their third battle of the season Monday night and as usual it turned out to be a nip and tuck battle until the last stages of the game. When it was all over VFW remained on top of the softball circuit, unbeaten, with an 8-5 victory.

Two runs in the first inning gave the VFW the early lead but Texaco came right back to even the count when left fielder, Eddie Irwin committed a 4 base error on a high fly in the 2nd frame. Texaco added another pair in the top half of the 4th inning but VFW knotted it at 4-4 when they had batted in the 4th.

The 6th frame was the payoff inning for VFW. Four hits including Lloyd Allsup's triple to left paid off for 4 runs and that was enough to seal the verdict. Texaco added another in the 7th. VFW battered Burke, Texaco hurler, for 12 hits in the game. He went the route walking one man and fanning none but some wild baserunning cost VFW 3 runs. Harold Pollard chucked 6 hit ball for VFW and kept them well spaced. He walked two men, hit one batter and struck out one.

Texaco's 5 errors hurt their cause considerably and the 3 VFW made were responsible for 3 of Texaco's 5 tallies. Line score: Tex — 0 2 0 2 0 1 — 5 6 5
VFW — 2 0 0 2 0 4 * — 8 12 3

Proposed Constitutional Amendments

SENATE JOINT RESOLUTION NO. 1

Proposing an amendment to Section 2 of Article VI of the Constitution, repealing the provision making the payment of a poll tax a qualification of an elector; requiring the Legislature to pass a general registration law for electors; providing for the necessary election, proclamation and publication by the Governor, and making an appropriation.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. Section 2 of Article VI of the Constitution of the State of Texas be and the same is amended hereby so as to read hereafter as follows:

Section 2. Every person subject to none of the foregoing disqualifications, who shall have attained the age of twenty-one (21) years, and who shall be a citizen of the United States, and who shall have resided in this State for one (1) year next preceding an election and the last six (6) months within the district or county in which such person offers to vote, shall be deemed a qualified elector; provided that no person shall be deemed a qualified elector who has not been registered as an elector before the first day of February next preceding such election. This provision shall be self-enacting. The Legislature shall pass a general registration law requiring registration of voters at a time not later than the first day of February of each election to be held that calendar year, and the Legislature shall have power to prescribe a registration fee. The Legislature may authorize absentee voting.

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the State at the 8th day of November, 1949, at which election all ballots shall have been printed thereon (or in counties using voting machines the said machines shall provide for) the following:

"FOR the amendment to the Constitution of the State of Texas repealing the provisions in the Constitution making the payment of poll tax a requirement for voting, and providing for a general registration law."

"AGAINST the amendment to the Constitution of the State of Texas eliminating the provisions in said Constitution making the payment of poll tax a requirement for voting, and providing for a general registration law."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment; and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said amendment, the same shall become a part of the Constitution of the State of Texas.

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

Section 4. The sum of Five Thousand (\$5,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the State not otherwise appropriated to pay the expenses of such publication and election.

SENATE JOINT RESOLUTION NO. 4

Proposing an amendment to the Constitution of the State of Texas by amending Section 19 of Article 16, so as to provide that the qualification of no person to serve as a juror on grand juries or on petit juries shall be denied or abridged on account of sex; providing that existing provisions of the Constitution shall be construed in conformity herewith; providing for the submission of this amendment to a vote of the people of Texas; providing the time, means and manner thereof; and making an appropriation for such purpose.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 19 of Article 16 of the Constitution of Texas be amended so as to hereafter read as follows:

Section 19. The Legislature shall prescribe by law the qualification of grand and petit jurors; provided that the qualification of a person for service on grand juries or on petit juries shall be denied or abridged on account of sex, and no person shall be exempt from service on grand juries or on petit juries on account of sex."

Section 2. The foregoing Constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the second Tuesday in November, 1949, at which all ballots shall have been printed thereon:

"FOR the amendment to the Constitution of the State of Texas repealing the provisions in the Constitution making the payment of poll tax a qualification of an elector; requiring the Legislature to pass a general registration law for electors; providing for the necessary election, proclamation and publication by the Governor, and making an appropriation."

"AGAINST the amendment to the State Constitution qualifying women as grand and petit jurors."

Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment.

Section 3. The Governor shall issue his proclamation calling said election and have the same published and said election held in accordance with this Resolution and the Constitutional Laws of this State, and return shall be made and the votes canvassed and counted as provided by law; and if said amendment is adopted by the vote of the qualified electors of this State, the Governor shall issue his proclamation as required by law.

HOUSE JOINT RESOLUTION NO. 5

Proposing an Amendment to Section 5 of Article III of the Constitution relating to sessions of the Legislature and what may be considered thereat and an Amendment to Section 24 of Article III relating to compensation of Members of the Legislature; specifying the time when the Amendment shall take effect if ratified; and providing for the submission of the proposed Amendment to a vote of the people.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 24 of Article III of the State Constitution be amended to read as follows:

"Sec. 24. Members of the State Senate and House of Representatives shall receive from the State Treasury an annual salary of Three Thousand Six Hundred Dollars (\$3600), to be paid in monthly installments on the first of each month.

"They shall also be entitled to mileage in going to the seat of government for each session of the Legislature and returning therefrom, which mileage shall not exceed Two Dollars and Fifty cents (\$2.50), for every twenty-five (25) miles, the distance to be computed by the nearest and most direct route of travel from a table of distances to each county seat prepared by the State Comptroller."

Section 2. That Section 5 of Article III of the Constitution be amended to read as follows:

"Sec. 5. Two (2) regular sessions of each Legislature shall be held; and until otherwise provided by law, the time of the convening of the first regular session shall be at noon on the second Tuesday in January of each odd-numbered year, and of the second regular session, at noon on the second Tuesday in January of each even-numbered year.

"At other times, when called by the Governor, the Legislature shall convene in special session. Appropriations for monthly recurring expenses and salaries paid by the State shall be made for a period of not more than twelve (12) months.

"At the second regular session of each Legislature, only proposals to amend the Constitution and to make appropriations to pay monthly recurring expenses and salaries and such other measures only as four-fifths (4/5) of the Membership of each House may determine shall be considered."

Section 3. The Amendments proposed herein, if ratified by the people, shall become effective January first, A. D. 1950.

Section 4. The foregoing Constitutional Amendments shall be submitted to a vote of the qualified voters of this State at a General Election to be held throughout this State on the Second Tuesday in November, 1949, same being November 8, 1949, at which election all ballots shall have printed thereon:

"FOR the Constitutional Amendments relative to sessions of the Legislature and to compensation of its members."

"AGAINST the Constitutional Amendments relative to sessions of the Legislature and to compensation of its members."

Each voter shall express his vote on the proposed Amendment in the manner provided by law.

Section 5. The Governor of this State shall issue the necessary proclamation for said election and shall have same published as required by the Constitution and laws of this State. 4t/20c

SENATE JOINT RESOLUTION NO. 5

Proposing an amendment to Article III of the Constitution of the State of Texas, authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be, and the same is hereby amended by adding to said Article a new section, to be known and designated as Section

48-d, reading as follows:

"Sec. 48-d. The Legislature shall have the power to provide for the establishment and creation of rural fire prevention districts and to authorize a tax on the ad valorem property situated in said districts not to exceed Three (3c) Cents on the One Hundred (\$100.00) Dollars valuation for the support thereof; provided that no tax shall be levied in support of said districts until approved by vote of the people residing therein."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the state at an election to be held on the second Tuesday in November, 1949, at which election all ballots shall have printed thereon (or in counties using voting machines, the said machines shall provide) the following:

"FOR the Constitutional Amendment authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts;"

"AGAINST the Constitutional Amendment authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment; and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said amendment, the same shall become a part of the Constitution of the State of Texas.

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this state.

Section 4. The sum of Five Thousand (\$5,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the state not otherwise appropriated, to pay the expenses of such publication and election.

HOUSE JOINT RESOLUTION NO. 19

Proposing an amendment to the Constitution of the State of Texas authorizing the Legislature to provide for Civil Service in certain counties upon a vote of the people therein.

Section 1. That Article XVI of the Constitution of the State of Texas be and the same is hereby amended by adding to said Article a new Section, to be known and designated as Section 62-c, reading as follows:

"Section 62-c. The Legislature is authorized to provide for the creation of Civil Service Systems for county employees in the respective counties of this State, but any system so authorized and established shall be approved by a vote of the people in said county. Any Civil Service System established by virtue of this Section shall apply to appointive offices only, and the limitations, on term of office heretofore provided by Section 30 of this article shall not apply, but the duration of such offices shall be governed by the provisions of such Civil Service System. This section shall not apply to counties having a population less than seventy-five thousand (75,000) people."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the State at an election to be held on the second Tuesday in November, 1949, at which election all ballots shall have printed or written thereon (or in counties using voting machines the said machines shall provide for) the following:

"FOR the Constitutional Amendment authorizing the Legislature to provide for Civil Service in counties upon a vote of the people therein;"

"AGAINST the Constitutional Amendment authorizing the Legislature to provide for Civil Service in counties upon a vote of the people therein."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment, and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said Amendment, the same shall become a part of the Constitution of the State of Texas.

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and Laws of this State. 4t/20c

HOUSE JOINT RESOLUTION NO. 32

Proposing an Amendment to Article I of the Constitution of the State of Texas, by adding thereto another Section following Section 15, providing that the Legislature may provide for trials in lunacy cases without a jury; further providing for the submission of this Amendment to the voters of this State; prescribing the form of ballot; providing for the proclamation and publication thereof.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article I of the Constitution of the State of Texas be and the same is hereby amended by adding another Section thereto following Section 15, to be designated Section 15-a, to read as follows:

"Section 15-a. The Legislature shall have the authority to enact all laws necessary to provide for the trial, adjudication of insanity and commitment of persons of unsound mind and to provide for a method of appeal from judgments rendered in such cases. Such laws may provide for waiver of trial by jury in cases where the person under inquiry has not been charged with the commission of a criminal offense, and shall provide for a method of service of notice of such trial upon the person under inquiry and of his right to demand a trial by jury."

HOUSE JOINT RESOLUTION NO. 22

Proposing an Amendment to Article V, Section 7 of the Constitution of the State of Texas to provide that the Judge of the District Court shall conduct its proceedings at the county seat of the county in which the case is

pending, except as otherwise provided by law; providing for election proclamation and submission to qualified electors of the State.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 7 of Article V of the Constitution of the State of Texas be amended so as hereafter to read as follows:

"Sec. 7. The State shall be divided into as many judicial districts as may now or hereafter be provided by law, which may be increased or diminished by law. For each district there shall be elected by the qualified voters thereof, at a General Election, a Judge, who shall be a citizen of the United States and of this State, who shall be licensed to practice law in this State and shall have been a practicing lawyer or a Judge of a Court in this State, or both combined, for four (4) years next preceding his election, who shall have resided in the district in which he was elected for two (2) years next preceding his election, who shall reside in his district during his term of office, who shall hold his office for the period of four (4) years, and shall receive for his services an annual salary to be fixed by the Legislature. The Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law. He shall hold the regular terms of his Court at the County Seat of each County in his district at least twice in each year in such manner as may be prescribed by law. The Legislature shall have power by General or Special Laws to make such provisions concerning the terms or sessions of each Court as it may deem necessary.

"The Legislature shall also provide for the holding of District Court when the Judge thereof is absent, or is from any cause disabled or disqualified from presiding.

"The District Judges who may be in office when this Amendment takes effect shall hold their offices until their respective terms shall expire under their present election or appointment."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on November 8, 1949, at which time all ballots shall have printed thereon:

"FOR the Constitutional Amendment providing that the District Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law;"

"AGAINST the Constitutional Amendment providing that the District Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law."

Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment. In counties or other subdivisions using voting machines, the above provision for voting for and against this Constitutional Amendment shall be placed on said machine in such a manner that each voter shall vote on such machine for or against the Constitutional Amendment.

Section 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and Laws of this State. 4t/20c

Section 2. That the foregoing Constitutional Amendment be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on the second Tuesday in November, A. D. 1949, at which election all ballots shall be printed thereon:

"FOR the Amendment to the Constitution of the State of Texas providing that the Legislature may provide for trials without a jury in lunacy cases;"

"AGAINST the Amendment to the Constitution of the State of Texas providing that the Legislature may provide for trials without a jury in lunacy cases."

Each voter shall scratch out one (1) of said clauses on the ballot, leaving the one (1) expressing his vote on the proposed Amendment. In counties or other subdivisions using voting machines, the above provision for voting for and against this Constitutional Amendment shall be placed on said machine in such a manner that each voter shall vote on such machine for or against the Constitutional Amendment.

Section 3. That the Governor of the State of Texas issue the necessary proclamation for said election and have the same published as required by the Constitution and Laws of this State.

Section 4. The sum of Five Thousand Dollars (\$5,000), or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the State not otherwise appropriated, to pay the expenses of such publication and election.

HOUSE JOINT RESOLUTION NO. 36

Proposing an Amendment to Article III of the Constitution of the State of Texas authorizing the Legislature of the State of Texas to provide for the establishment and creation of hospital districts; providing for the Governor's proclamation and submission to the electorate.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be and the same is hereby amended by adding to said Article a new Section to be designated as Section 60, reading as follows:

"Section 60. The Legislature shall have the authority to provide by law for the establishment and creation of hospital districts in the counties of this State under such conditions as the Legislature may fix by law, and to provide for the support of said districts by a tax on the ad valorem properties situated in said counties; providing, however, that before any such district shall be created in said counties; that before any such district shall be created it shall be approved by a vote of the people in said district."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the State at an election to be held on the second Tuesday in November, 1949, at which election all ballots shall have printed thereon (or in counties using voting machines the said machines shall provide for) the following:

"FOR the Amendment to the Constitution of the State of Texas authorizing the Legislature to provide for the establishment and creation of hospital districts;"

"AGAINST the Amendment to the Constitution of the State of Texas authorizing the Legislature to provide for the establishment and creation of hospital districts;"

Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment. In counties or other subdivisions using voting machines, the above provision for voting for and against this Constitutional Amendment shall be placed on said machine in such a manner that each voter shall vote on such machine for or against the Constitutional Amendment.

Section 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and Laws of this State. 4t/20c

Texas authorizing the Legislature to provide for the establishment and creation of hospital districts."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment, and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said Amendment, the same shall become a part of the Constitution of the State of Texas.

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and Laws of this State.

HOUSE JOINT RESOLUTION NO. 38

Proposing an Amendment to the Constitution of Texas by adding to Article XVI thereof a new Section to be Numbered 63 and authorizing the Legislature to provide for a statewide system of retirement and disability pensions for appointive officers and employees of the several counties of this State; providing that participation therein by counties shall be voluntary, and authorized by the qualified voters of such county, and providing that administration of said system may be committed to the same body set up to administer the statewide municipal retirement system authorized under Section 51f of Article III.

Section 1. That Article XVI of the Constitution of the State of Texas be amended by adding thereto a new Section, to be numbered Section 63, which shall read as follows:

"Section 63. The Legislature shall have the authority to provide for a statewide system of retirement and disability pensions for appointive officers and employees of the counties of this State under such a plan and program as the Legislature shall authorize; provided, that participation therein by counties shall be voluntary, and shall first be authorized by vote of the qualified voters of such county. Administration of such system may be committed to the same body as may be set up to administer the municipal retirement system provided for by Section 51f of Article III."

Section 2. The foregoing Constitutional Amendment shall be submitted to the qualified electors for members of the Legislature at an election to be held throughout this State on the second Tuesday in November 1949; and at said election the ballots shall have printed thereon the words "FOR the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees," and "AGAINST the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees." Each voter shall strike out one of said clauses on his ballot, leaving the one unmarked which expresses his vote upon the proposed amendment.

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and Laws of this State. 4t/20c

Section 4. If at said election, a majority of the votes cast are "FOR the Constitutional Amendment authorizing a statewide system for retirement and disability pensions for appointive county officials and employees," the foregoing proposed amendment shall become Section 63 of Article XVI of the Constitution of Texas, and proclamation shall be made by the Governor thereof.

Section 5. The sum of Five Thousand Dollars (\$5,000), or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the State of Texas not otherwise appropriated, to pay the expenses of such proclamation, notice and election. 4t/20c

HOUSE JOINT RESOLUTION NO. 38
