

Eighteen First Graders Examined In Slim Pre-School Clinic Turnout

A discouraging representation of only 18 county first graders turned out for their pre-school examinations at the clinic held Tuesday afternoon.

The clinic held at the Morton primary school by County School Nurse, Thelma Collins and City Health Officer, Dr. Frank Barker, was open to all children within the county who will enter first

School Official Asks Accrediting Of Bledsoe High

The Bledsoe High School has been recommended to be accepted as an accredited High School by the District Deputy State Superintendent, E. H. Boulter, Lubbock.

Boulter's recommendation, in effect, means that the High School students would have the opportunity to earn 1 1/2 credit hours per semester and would thus make Bledsoe an accredited High School for the first time.

This is a very important step in progress for any school. Students in that area no longer will be the need of transferring to another school for fear that their credits at Bledsoe would never be accepted by higher institutions.

School Cafeteria To be Managed by Mrs. J. Redmond

The Morton Schools will again conduct a cafeteria for the service of all students," Carl Macon, superintendent announced last week.

Mrs. J. R. Redmond will be the new manager of the cafeteria and will announce later who will be employed to handle the various duties.

The cafeteria is expected to have three lunch sessions daily to handle the students who will eat at school. It will feed approximately 250 at one time.

Arrangements are being made to offer the students more of a choice for their meals this year, whenever possible, while at the same time assuring a properly balanced meal. The enrollment at Morton is expected to be slightly higher this year and therefore the cafeteria is ready to feed a larger number.

Local Members of DES Attend Santa Fe Chapter Service

Several members of the local DES, were guests Thursday night, Aug. 18, of the Santa Fe, N. M. chapter. A special service honoring Past Patrons and Past Patrons was celebrated as well as the 43rd birthday of the Santa Fe chapter.

Morton members who attended the meeting with Mrs. H. D. Ponder, who is a member of the Santa Fe chapter were: Mrs. P. B. Ramby, Mrs. Charlie Cravy, Mrs. James Porter, and Mrs. Fred Morrison.

Following the meeting the above named were guests of Mrs. Frances Reese, mother of Mrs. Ponder, for a Mexican dinner.

Mrs. Ramby was met in Santa Fe by her sister, Mrs. F. M. Limbaugh of Albuquerque, N. M., who also attended the meeting.

M. Lewallen Opens "The Burger Bar" On Morton Square

A new cafe, specializing in short orders and sandwiches, opened in Morton last week under the direction of Maurice Lewallen in the building formerly occupied by Lewallen's Electric Shop.

The establishment to be known as the Burger Bar will be open each morning at about 6:30 and will close at midnight or a little before. Mr. Lewallen plans to stay open 24 hours during the fall rush.

grade when school opens next week. Of the 18 that appeared to receive complete physical examinations, none were from the Whiteface, Lehman, Neely Ward, or Bledsoe areas. All 18 will enter Morton.

Mrs. Collins estimated that the group comprised less than a third of the first graders of this year. She termed the results as "rather discouraging."

It was hoped that Clinics could be held in each school district but Dr. Barker found that he could only leave his hospital duties for one afternoon. "After all," said Mrs. Collins, "We felt that if the parents were interested in having their children properly examined, they would bring them in."

In addition to their complete physical checkup which included an examination of eyes, ears, teeth, chest, height, and weight, the children received inoculations against Small Pox, Typhoid, Diphtheria and Whooping Cough.

First graders who failed to receive their examinations and shots will probably receive them soon after school starts, the nurse said. At least the small pox inoculation is compulsory under the state law.

Mrs. Collins again emphasized the progress made in this area since she became Health Nurse last year and reiterated her hope that through aid from the Parent Teacher Association, eventually all parents will realize the need for their children to be immunized against communicable and contagious diseases.

The School Nurse will be available throughout the county when school starts, spending some time each week in every school district. She will be at the Morton school every afternoon of the week and at Whiteface on Monday, Wednesday, and Friday mornings. Tuesday morning she is at Bledsoe and Thursday mornings she appears at the Neely Ward School and at the Morton Colored School.

Local Taxpayers Told of Raise in Tax Evaluations

In accordance with state laws, the City of Morton last week mailed notices to all citizens whose property was assessed at a higher rate than last year.

The Equalization Board, composed of John Holloman, Roy Allsup, and C. C. Reynolds upon completion of their task of considering all city property, ordered notices mailed August 16 setting August 29 as the date for taxpayers to appear and show cause why their property should not be raised.

The assessments quoted by the board concern both real estate and personal property. The tax rate is \$1.50 per one hundred dollars evaluation set by Equalization Board. However, that evaluation is one half the real value of the property.

M. Lewallen Opens "The Burger Bar" On Morton Square

A new cafe, specializing in short orders and sandwiches, opened in Morton last week under the direction of Maurice Lewallen in the building formerly occupied by Lewallen's Electric Shop.

The establishment to be known as the Burger Bar will be open each morning at about 6:30 and will close at midnight or a little before. Mr. Lewallen plans to stay open 24 hours during the fall rush.

According to Lewallen the Burger Bar will serve all kinds of food except lunches. Ala carte orders, sandwiches, coffee, and other drinks will be available.

Lewallen recently sold his radio repair equipment to Orlan Cook who moved into an establishment on the North side of the square. Lewallen will continue to do electrical wiring.

Bledsoe Precinct Divided by Court; New Box Created

The County Commissioners Court has created a new election precinct to be known as election precinct No. 6 in the Bledsoe area.

Acting on complaints of several persons in the county, the Court met last Friday to consider the possibility of redrawing the area as to precincts. They determined "that it was to the best interest and for the convenience of the voters of Cochran County, Texas, to leave election precincts Nos. 1, 2, 3, 4, and 5 established as they now are on record except to divide the 3rd precinct.

The new election box is located in the south central and southwest part of the county covering several G. I. farms. Originally these men had to go out of their way to Bledsoe to vote. Under the new arrangement it is expected that they will vote at the gin in that area.

It is emphasized in the legal notice issued by the commissioners' court, that the entire area will however remain in Justice precinct No. 3.

Exact location of the boundaries of the new precinct may be found in the legal notice published on the inside of the Tribune this week.

Lost Fliers Avert Forced Landing Under Direction of Two Local Pilots

Two young fliers from Midland were mighty grateful for the quick thinking of Mortonites, Judge Glenn Thompson and E. R. "Jiggs" Baker, last Saturday evening when the pilots became lost over Morton and were unable to locate the airport.

The pair were flying Piper Cubs from Clovis to Midland and had planned to stop at the Morton Airport overnight. They entered the area at about 8:15 p.m. with still enough daylight to guide them in to a landing, had they known where the airport was located.

An old map in their possession showed the airport just West of the baseball diamond but they soon realized that there was no airport there. Local softball players, seeing the pilots swoop low over Slaughter field, feared that they would try to land on the diamond and maybe crash into the wires. They switched the lights off.

Judge Thompson and Jiggs Baker, sensing that the fliers were probably lost headed for the airport where Baker parked his car on the end of the runway with his lights pointing down the landing strip. He blinked his lights on and off. Thompson backed his car into a ditch where his headlights would flash up in

Rat Contaminated Grain Not Edible To Farm Animals

County Agent Homer Thompson has succeeded in retaining the services of Tom Sparks and Carl Jacobs, representatives of the Extension Service Rodent Control office in Lubbock.

The men will remain here until all farmers who have requested aid have been serviced. It is hoped that they will complete the job by grain harvest time.

The Agent advises that due to the considerable number of rats abounding on some farms in the area, it would be impossible to store the grain before the rats are exterminated.

"Twenty rats will eat as much grain as one cow and will spoil what they do not consume. Cattle and other animals will not eat the contaminated grain," the agent advises.

SUNDAY VISITORS IN C. S. SIMMONS HOME

Sunday visitors from Lubbock in the C. S. Simmons home were her mother, and three sisters, Mrs. M. F. Bullock, Mrs. G. W. Pharr, Mrs. Jack Slagle, Mr. Slagle and their son, Jimmy and Miss Geraldine Bullock. Another visitor was Mrs. Walter Hulce of Dallas, an aunt of Mrs. Simmons.

REURNS FROM ABILENE

JAMES ST. CLAIR RETURNS FROM 5-DAY FISHING TRIP

James St. Clair returned Sunday from Pagosa Springs, Colo. where he had been on a five day fishing trip with his brother, Irvin St. Clair of Muleshoe. The fishermen reported a fair catch of trout.

VISITED IN CHILDRESS

Mr. and Mrs. J. O. Mills and children left Saturday for Childress to take Mr. Mills mother and sister, Mrs. O. O. Mills and Barbara, Mrs. Mills and Barbara have been spending the summer here.

Carl England has been appointed chairman of the publicity and public relations committee for the 19th district American Legion. W. T. Bridges of Levelland is 19th district commander. England, member of Jesse R. Bond Post American Legion served overseas with the 7th division during World War I. He is also a member of the local Veterans of Foreign Wars. England is publicity director for both veterans organizations and Morton Lions Club.

Truckers Warned "Get Lights Now, Before the Rush"

The sheriff's office, in conjunction with local Highway Patrol officers, has issued a warning to all truck and truck-trailer drivers in this area to get their vehicles equipped with the proper lights.

Sgt. T. A. Rowland and Wayne Walthall of the Highway Patrol are anticipating the heavy traffic of trailers and trucks on the road this fall hauling grain and cotton. They have orders to stop every violator.

"The cost of the fine and the trouble it will take to get the violation straightened out will more than likely run higher than the cost of properly equipping the vehicles in the first place," the patrolman said.

Requirements for trucks and trailers are based on the weight of the vehicle. Up to 3000 pounds the specifications say "2 reflectors and 1 burning tail light." Over the 3000 pound limit, the vehicle must be completely equipped with 6 reflectors and clearance and side marker lights. This means day and night.

Other cautions to the truck drivers are the installation of proper turn signals and the speed limit of 45 mph. All trucks, trailers, pickups, and panel trucks have a speed limit of 45 mph on the road.

"An increase in traffic will mean an increase in hazards and probably and increase in accidents if these safety laws are not complied with," the sheriff said.

MOVED TO CHILDRESS

Mr. and Mrs. Virgil Simmons and children, Macie and Freddy, moved to Childress last week where Mr. Simmons will operate his own garage. The Simmons have had their home here for the past three years.

REDECORATIONS AND REPAIRS COMPLETED ON SCHOOL BUILDING

Summer repairs and redecorations have been completed on the Morton schools in preparation for the fall semester beginning September 5.

Buildings have been repainted and new toilets were installed in the 4th and 5th grade building. Grass was sodded at the High School building and the football field has also been resodded.

Odis Echols and Melody Quartet To Appear Here

Odis Echols and his famous Melody Boys Quartet will be presented in Morton at the school auditorium Thursday night, eight o'clock, September 1.

The quartet is presented by Stamps-Baxter, sponsored by Jesse R. Bond Post of the American Legion. The Melody Boys Quartet are heard over radio station KSEL, Lubbock and are widely known from coast to coast as entertainers.

The program to be presented here includes a variety program of comedy, westerns and hymns. Red headed Toby is the comedian with the show.

County Chided for Lack of Facilities At Local Airport

J. D. Church, District Airport Engineer and S. E. Travis, Chief, Airports Division made a surprise visit to the local airport recently but were unable to get into Morton.

In a letter to the County Judge, Mr. Travis bemoaned the fact that the airport was unattended, transportation unavailable, and no telephone was available by which they could summon transportation.

"Your airport is a portal through which you may expect a great deal of commerce to enter the county in future years," he wrote. "If you are to realize full benefit from your airport, it is imperative that you take one further step, that of providing the minimum services necessary to insure that air visitors to the county will be sufficiently impressed to want to come back again and again."

The minimum facilities necessary to sell an airport to the public are an attendant, comfortable shelter, a telephone, and fueling facilities."

Mr. Travis complimented the county on its progressive attitude toward the airport and suggested that the number of small planes located at the local field convinced him of the local interest in the airport. He suggested however that interested persons be prodded into providing the necessary facilities now lacking at the airport.

Adding machine paper at the Tribune Office Supply Dept.

--annegrams — by ann england —

Received a cute announcement card from Peggy and Don Allsup in Honolulu about Donna Jo, her arrival etcetera. We had already published the good news, having secured information from grandpappy Allsup after Don telephoned in. The Allsup's address is 426 8th Street, WHA No. 2, Honolulu, Hawaii; in case anyone wants to write.

Noticed this note in last week's Gaines County News:

Two welcome visitors in The News office this week were Mr. and Mrs. Creighton Hogan. The attractive young couple will teach in the Seagraves schools this fall. Hogan as band director and Mrs. Hogan in the English department. We hope they will like Seagraves and we are sure they will make many friends here.

Mrs. H is Morton's own Dot Hargrove—daughter of Mr. and Mrs. L. F. and sister of Bunky.

Mrs. J. S. Harrison, tall good looking spouse of Morton's city secretary is quite an ardent horsewoman—or was until she fell off her pony a few days ago, the accident occurred right in front of Vagabond House—but we missed it—darn it!

Monday morning we took time out to go by and look over the wonderful presents Clara Taylor received at a pre-bridal shower last Friday. Never saw so many beautiful and useful items. But since Clara is marrying a preacher its probably a good thing.

Never heard of a preacher getting rich at his profession. Altho Mrs. Brunson, who was visiting the Taylor while we were there said, "I'm from a preachers family and it is the happiest life in the world." Expect we are simply too materially minded and while we appreciate the fact that preachers are a necessary (we almost said necessary evil) and the world couldn't do without them it does seem they should be subsidized or something so their families would at least be assured of three squares a day.

The shower for Betty Monroe Adams at Mrs. Stricklands the other day was unusually nice. Betty too was deluged with lovely presents.

The gals giving Ruth Price's shower Sunday afternoon went all out in presenting a clever program along with the gifts. Those little Ledbetters, Vivian

Tribune, Morton, Cochran County, Texas, Thursday, August 25, 1949

Ann and Betty Lou, Bill Ed Rice and Jimmy Porter, who dressed up and took part in the presentation ceremony were, too cute. The young men handsome in their frock tail coats and the little girls, beauties.

Merlyn Cox always sweet looking, was precious in a long white formal, as she sang a vocal solo.

Mary Ledbetter, eldest of the four Ledbetter children, was also present. She was wearing a pretty blue frock, very becoming to her blonde hair and blue eyes.

Mary Lois, mama of the brood and grandmother Gowdy just "beamed" as their beautiful offspring performed.

Barbara Ramby, fast growing up, did an excellent job of registering the guests.

We ALWAYS enjoy attending parties at the C. L. Taylor home. Sadie has such pretty things and we can always depend on an extra cup of coffee-splashed in the kitchen. Addie, one of Morton's nicest colored ladies, was in charge of affairs in there, we always expect and get a big friendly smile from her.

Ruth, a pretty as well as very talented girl, was quite excited over the whole thing (who wouldn't be?) she was wearing a lovely green velveteen suit, probably part of her trousseau—and we imagine pretty warm but looking very fetching nevertheless.

We offered to relieve her of some of the wedding presents, namely cups as we always seem to be fresh out but she said Bill (the lucky man in this case) was coming in ahead of time and she planned to have him pack them carefully for the long trek back to Delaware.

Ruth and Forrest Weimhold were over the other day after attending the West Texas Press Association convention in Brownwood, where F was elected president of the association. They brought us greetings from our dear, dear friend, Mr. Bowen Pope over at Hamlin.

And to say we were thrilled at the notice we got in Mr. A. M. Jackson's Slaton Slatonite last week is a mild understatement. Too, we were flattered at having an excerpt from AE appear in the Post Dispatch AND a whole editorial from the Morton Tribune (was reprinted in the Canadian Record).

Margaret Turner, the very capable Woman's Editor of Avalanche-Journal, took time out in her Woman's Angle last Sunday to give proper recognition to the house wife who also holds down a job. Not long ago we had luncheon with Margaret and she told us what a struggle she'd just been through trying to keep house, look after her brothers etc while their mother was visiting in El Paso.

Let's let Margaret tell it—she is a past master at juggling words and having them come out right.

IT'S A JOB

That old saying about "you never miss the water until the well runs dry" could apply to almost anything. You never miss anything as long as you have it, do you? And that includes possessions that range from your health to a million dollars, cattle out west or a mother who keeps the household running so well you rarely give a thought to how much trouble it must be.

In trying to manage a house, cook, push the right buttons and turn the correct twists during a week's absence of Mother, in addition to holding a full time job, we have wondered if at any time there has been a disparaging remark in these columns about those who work and run a house. If so we apologize. We also make a bow to any woman who can do

both house work and office work and do them successfully and with any sort of grace.

If there is a scene more depressing than a silent house with dishes in the sink, unmade beds and heaping ask trays we've yet to see it. And a thin film of dust on all the furniture, stacks of magazines and newspapers here and there and the laundry still in the hall, because you forget to call about it, doesn't help your feelings at the end of a hot, nagging day.

It's preparing lunch and supper that seems the most difficult of the daily routine. One of our titles is food editor, but don't let that mislead you for in our case it doesn't mean a thing. Chocolate cake and white sauce are our two specialties and one at a time they are all right, but hardly palatable together.

Of course women who manage home and office work out a system. Perhaps they have help when it comes to watering the lawn, emptying the garbage, trying to think up meals, going to the grocery, writing a note to the milkman and answering the telephone every ten minutes when they are busy at home. But even at that it is a difficult task we believe and moreover it certainly is the most thankless job on earth.

We'll we do both—or at least make an attempt at same—can't say how successful we are or with how much grace we execute same. We haven't brothers to look after, the spouse does help—at least the garbage is left until it is practically stacked to the ceiling and he finally takes the hint and moves it out. He also attends to most of the yard watering.

As to system we are not so sure but we do make the beds and wash dishes before leaving the house—ash trays are generally emptied fairly promptly as we use only small ones and accumulation is not possible.

Sometimes it is even possible to get in Vagabond House without falling over stacks of magazines and piles of papers but right now we are wondering how and when we will get to a three weeks stack of ironing and the ribbons run in some undershirts.

Then just recently on top of the hustle and bustle one of our doctor friends said, "If you were a man I'd say if you don't slow down you are going to drop dead—but I don't think it possible to kill you." Well it is a very comforting and satisfying thought that gender makes so much difference. Still wondering tho about that ironing.

Talk about hospitality. We were guests last Thursday night along with the Albert Morrrows of Mr. and Mrs. C. A. Baird at their country home south of town. Mrs. B had the best dinner and the most of it that we've ever been exposed too—served as usual with her charm and grace. She was very ably assisted by her good looking husband.

Noticed Eddie wrote quite a complimentary editorial on local cooperation in promoting softball this summer. What E failed to mention is that from all we hear he has been one of the most influential in promoting a successful season.

That Eddie is too modest for his own good. Why one day he practically won Morton's game with Tatum and when he wrote up the story he didn't even mention his name. Not so AE—whether we do or don't do anything we manage to cook up something to mention our own name with pretty regular regularity.

Of course E is a journalist and we are only the ad salesman but we are thoroughly convinced that it pays to advertise, and after preaching this six days a week

we have to practice it on all seven.

Oh, dear, almost overlooked one of the very nicest missives received here lately. The following letter is from T. B. Klepper, editor and owner of The Foard County News, a general excellence winner on all counts for several years.

Mr. and Mrs. Carl England, Morton, Texas.

Dear Mr. and Mrs. England: We have been receiving your excellent paper since the Press Association and we have really enjoyed every issue of it, and appreciate you putting us on your list for exchange.

You are really giving your community a real jam-up good paper and from the advertising patronage you receive I am sure the people appreciate it. Every department of a good weekly paper is being kept up in an unusual manner.

Sorry to read about your big hail storm and the destruction of crops. If you ever pass through Crowell, call us up if we don't happen to be open.

With very best wishes, I am, Sincerely yours, T. B. Klepper.

Thank you Mr. K.

Riding Circle Around Whitefaces

by Art. N. Wall

Ramah, New Mexico, August 25—I judge that this little town has about five hundred population. High poplar trees shade the streets. The buildings are old, very old. This is a cattle and sheep country with considerable irrigation right around Ramah. This year it was not necessary to pull on the water from Lake Ramah for irrigation due to excess rainfall. A sandwich shop was the first building we saw. We were tired, hungry and very muddy from what is generally considered a seventeen mile trip from El Morro but due to wash-outs, detours, we had probably traveled thirty-five miles. The sandwich shop was a good size cafe. An elderly woman and her husband ran the place and they were very nice. The husband told me few people visited Ramah. Those who did were generally people who lived in Gallup and who drove over on week-ends to fish in the lake.

The hottest chili I ever ate in my life was in that cafe. It was made up of tomato soup thickly mixed with cayenne pepper. I imagine with chili like that people in that country don't care how cold it gets. After lunch we visited the Ramah Trading Post. Indian traders in New Mexico have formed a trader's association. The purpose of this association is to protect themselves and their customers. These traders by years of experience know Indian goods such as silverware, blankets, and jewelry. They sell to their customers that Indian goods that is made by the Indians.

The Ramah Trading Post belongs to this association. Each rug or blanket bore the tag "New Mexico Trader's Association". For an hour we looked through a beautiful assortment of Navajo rugs. The most beautiful rug was on the floor in the living quarters of the trading post manager. Vegetable dyes were used in the making of this rug, which in Navajo rugs is not unusual but the variation of colors showed the tedious dying and weaving which must of took many months, before this rug was completed. There was one, another rug in the manager's living quarters. The wife looked at me and I looked at her. Indian craft to her and myself is an old story. We had both lived in New Mexico. For years now, each summer, we had camped practically all over the state. This rug though was different. When we left the rug was with us.

We were told the fishing was very good. The lake was right at the edge of town. We drove to the lake. It was not a big lake. When I first saw this lake I got mad. I had no colored film in my camera. The lake was something out of this world. High jagged rocky cliffs, red in color, formed a half circle around the lake. The reflection of the cliffs showed in the water. Where John and I drove our cars up to the lake was the only road approaching it. This lake had been created by man. The mountains and the high red cliffs formed a perfect

dians are artists. You will see Calvin Finley Chavez from Winslow, Arizona, a Laguna displaying his paintings. For a small sum he will draw your picture in charcoal.

The best work an Indian does whether in blanket work, whether in the making of a rug, in silver work, or jewelry work, he holds back for display in the Indian Art Building at Inter-Tribal Ceremony time.

Gradually as the Indians gather in Gallup their camping ground grows and it is always located at the ceremonial grounds. This year New Mexico appropriated \$10,000.00 to help put on this Inter-Tribal Ceremony. The expense of this is terrific. Thirty tribes arrived in Gallup. The total was four thousand Indians. To these Indians wood has to be hauled twenty miles. Free beef must be furnished for barbecue. Hay for horses. Water too.

In my opinion the first night program is far the best. The first day of the ceremonies which is on the 10th there is with the exception of the Indians moving into Gallup, not much entertainment. That night though the first part of the ceremony commences and is considered by most everyone the most beautiful. As darkness descends a large fire begins burning on a high hill. As it dies down, near the ceremonial ground another fire starts blazing, then suddenly six campfires stacked high with wood begin burning in front of the huge grandstand. The night is filled with a blaze of smoke. By the flare of the fires only, Apache, Sioux, Hopi, Navajo, Kiowa, Choctaw, and many other tribes all in their native dress parade, before the grandstand. As the last Indian files past a huge circle is formed by these Indians. The Indians standing before the grandstand now represent the best dancers and performers of each tribe.

These dances are un-rehearsed. Even the officials of the Ceremonial Board do not know what dances each tribe will bring forth. As the Indians stand there a voice through a loud speaker states, "We welcome you. We want you to know us. We want you to understand us. Visit us at our camp ground."

Each tribe's dance is announced through the speaker and what tribe is giving it. For three hours the Indian puts on his show of the year. You are again living with him when the west was his.

The Inter-Tribal Ceremonies are on.

The ceremonies are over and vacation is nearly over. We arrived back into Estancia, New Mexico and on Monday, 15th we received a wire. A nephew of the wife had drowned near Borger, Texas. A fine young man of seventeen years who was well liked by all who knew him. He stood six foot three and enjoyed all sports and had won a trophy at boxing. The one sport he had not learned was swimming. Last Sunday the 14th in the afternoon while scuffling with another boy in a stock tank a mile or so from Borger he got in too deep a water.

We are home now. It is five thirty P. M. Friday the 19th. My Indian rug is laying in the front room and it makes me think of Ramah, New Mexico and the tall poplar trees. It makes me think of the big one in the lake there that got away. My waders are put away. The fishing pole is in its case. I see a few leaves falling. Next year, if God is willing, a new fly will be cast in Lake Ramah and I will have a fresh chance at the "big one".

VISITING PARENTS

Mr. and Mrs. Leon Hulse left Friday on a weeks vacation trip which will include visits in Quinlan and Commerce with their parents.

RETURNS TO HOME IN CISCO

Mary Dale Stinson returned to her home in Cisco Monday, Aug. 15, after spending about three weeks here with her sister, Mrs. Jesse Clayton and family. The Claytons have a new daughter, Sharon Elaine, born August 5.

American Legion Auxiliary Officers Installed Friday

The American Legion Auxiliary installation of officers for the coming year were held at the American Legion Hall Friday night, 7:30 p. m., August 19th, in a joint installation service with the officers of the American Legion, Jesse R. Bond Post No. 374.

Mrs. Albert Morrow, past District President of the Auxiliary, installed the new officers for the Auxiliary in a very impressive service. The officers being installed were:

Mrs. Homer E. Thompson, President; Mrs. Lem Chesser, First Vice President; Mrs. W. B. Evans, Second Vice President; Miss Helen Butts, Secretary and Treasurer; Mrs. Myrtle Roberts, Chaplain; Mrs. Marjorie Johnson, Sergeant-at-arms; Mrs. Buddy Culpepper, Historian.

Business Briefs

In only 15 years, from 1934 through 1948, the annual production of stainless steel has increased 1,000 per cent.

More than 35,000 pounds of stainless steel were used in the huge atom smashing cyclotron at Argonne National Laboratory in Chicago.

Stainless steel can be rolled into strips thinner than a human hair. A stack of 1,000 pieces would be only one inch high.

Old Egypt goes modern. Stainless steel will be used extensively in the construction of a greenhouse for the Egyptian Royal Palace at Cairo.

The world's first office building with a stainless steel exterior was recently completed at Schenectady, N. Y.

Mirrors of stainless steel are being used to provide motorists with a view of approaching cars at blind intersections.

A wire fender protector made of stainless steel 'sings out' when the car approaches a curb or other obstacle too closely.

"Don't Let Boll Worm Get a Head Start", Farmers Cautioned by Agent

The boll worm is making a pretty strong appearance in a few fields in Cochran County checked by the county agricultural agent. Many eggs are being observed. These eggs are pearly white and usually found stuck to the top side of the leaf on the top two or three leaves of the stalk.

It requires about three days for the eggs to hatch and they will turn brown just before hatching. As many as five worms to one hundred stalks is considered serious infestation and dusting should begin. The control of this worm is not so difficult if you get him before he enters the cotton boll. The U. S. Department of Agriculture to date recommends only dust for the control of this pest. The dust application should be applied every five days until the worms are under control.

The following material in order of their preference is recommended for the boll worm: 2% gamma benzene hexachloride, 10% DDT, 40% sulphur; (2) 10%

DDT, 40% sulphur; (3) 5% DDT, 75% sulphur, when using this mixture 25 pounds per acre should be used; (4) lead arsenate; (5) cryolite; (6) and calcium arsenate.

Every farmer is urged to check his field at least twice weekly to determine when the infestation is serious enough to dust and begin in time. The best time to control this worm is from the time he hatches and get him when he is working his way down the stalk to the larger boll.

10 New Locations; 17 Completions in Area Oil Field

Ten new completions for the oil field area were reported according to reports submitted to the Midland district office of the oil and gas division of Texas this past week. There were seventeen newly completed, report listed nine new locations. This is a decrease of one from last week's total.

The Levelland field of Cochran County claimed six of the new producers.

The Hockley County side of the Levelland field reported three new completions. The Slaughter field of Hockley has one newly completed well.

Applications were filed for six new projects in Cochran County. One amended application was also filed in that county. Hockley County also reported two amended applications.

Fall Garden Tips Emphasize Need For Special Care

"Fall is just around the corner and with the past few cool days it seems like it is already here. Now is the time to get those fall gardens into the ground," Miss Mabel Ann Manley, County Home Demonstration Agent advises.

Soil preparation for the fall garden is just a little different from the spring garden. A good well rotted compost is much better than the fertilizer. This compost should be spread evenly over the garden plot and the ground broken to a depth of not more than eight inches. The fall garden should be watered just as well as the spring garden. Some of the things that do well in the fall garden are: beets, mustard, collards, kale, and spinach. If you are an adventurous person you can try English peas, carrots and some of the quick maturing green beans.

If you would like some nice green tomatoes for pickles, chow chow, and green tomato preserves give your old tomato plants a side dressing of a good commercial fertilizer. A good formula for this fertilizer is 4-8-4. This mixture should not be put right on the tomato plants but should be worked into the ground about eight inches away from the plant. Use about three table-spoons to each plant. If you prefer a liquid fertilizer, mix a tablespoon of the 4-8-4 in a quart of water and water the plant. Care should be taken not to pour any of the solution on the leaves of the plant.

Insects are always with us. When you buy your fall garden seed buy some .75% to 1% Rotenone dust. This is a good general insecticide. However, "Black leaf 40" is still a pretty good treatment for aphids or plant lice.

WOMAN'S WORK IS EASILY DONE... ELECTRICALLY

Remember when grandmother sighed over the wisdom in the old saying "Man works from sun to sun—woman's work is never done?" It's not like that today—thanks to electricity.

In a home where electricity is used, woman's work can be done much more easily, and rapidly than in the old days. Too, it's done economically, because the cost of dependable electrical service is so low.

Look around your home and notice in how many ways electric service is making it easier for you to be a real homemaker. You'll be surprised and pleased, and odds are you'll soon be shopping for more electrical appliances to take even more work off your hands.

Elaborate Pre-Bridal Party in Taylor Home Sunday Honors Miss Ruth Price

Peach gladioli, yellow candles in crystal holders and a lace cloth over blue were used on the reception table when Mesdames L. Taylor, Ed White, F. F. Roberts, P. B. Ramby and J. T. Porter entertained with a pre-bridal shower last Sunday afternoon in honor of Miss Ruth Price, bride-elect of Dr. James William Morris.

Cut flowers in pastel shades were used throughout the Taylor home, carrying out the bridal theme in decorations.

Guests were received by members of the house party and were registered in the bride's book by Barbara Ramby, Mrs. White presided at the refreshment table.

The presentation program consisted of a miniature bridal party with Myrlin Cox singing "Serenade of the Bells," accompanied at the piano by Mrs. David Todd, who also played the wedding march as Betty Lou Ledbetter, representing the bride, and Bill

Ed Rice, as bridegroom, entered. Vivian Ann Ledbetter was bride's maid and Jimmy Porter, ring bearer. A blue pillow containing a large gold wedding band was presented to the honoree with instructions that gifts for her were in the adjoining room.

Gifts of flowers were presented by the little girls to Miss Price. Gifts were opened by the honoree, assisted by her mother, Mrs. L. L. Price, and displayed to the guests.

Concluding the program Mrs. Billy Proctor sang, "Forever and Ever," with Mrs. Todd as accompanist.

Approximately seventy five registered at the party and gifts were sent by many unable to attend.

PICNIC IN LUBBOCK SUNDAY
Mr. and Mrs. A. D. Rowden, Jr., met relatives of Mrs. Rowden's in Lubbock Sunday for a picnic at McKenzie State Park.

Brother of Mrs. W. A. Woods Died Sat. in Lubbock

Ralph S. (Robbie) Roberson, 38, whose good bass voice and willingness to brighten various programs as a member of the Plainsman quartet made him known to thousands of South Plains residents, died in Lubbock Saturday night.

Roberson, a resident of Lubbock since 1941, died in St. Marys hospital about 9:30 p. m. Saturday. He had been ill and a patient in the hospital about nine days.

Bryan McDonald & Son Funeral home announced last night that funeral service were conducted at 10 a. m. Monday in the First Baptist church. Rev. J. F. Nix and Rev. C. K. Roberts officiated.

Member Of Popular Quartet
Roberson was a charter member of the Lubbock chapter of the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America, Inc., and had taken active part continuously.

He was a member of the "Lone Star Four" quartet for a number of months, but was best known as a member of the Plainsman quartet which he joined over two years ago. The Plainsman quartet, composed of Jack Hall, Bob Dennis, Bob Hufstetler, and Roberson, sang at numerous gatherings and functions over the South Plains and surrounding area. The quartet appeared here at Veterans Hall last year on several occasions. Last year they participated in the district contest of the S.P.E.B.S.Q.A. in Kansas City. This past June they sang at the International contest at Buffalo, N. Y.

Roberson taught school in Coleman, Llano, and San Saba counties prior to moving to Lubbock in 1941. He was employed as bookkeeper for the Lubbock Coca Cola bottling company for a number of months and later operated a service station at Nineteenth and Ave. O. in Lubbock. He opened a service station at Twenty-eighth and Ave. Q last April and was operating it at the time of his death.

Survivors, in addition to the wife, include two daughters, Nancy, 8, and Sherry, 5; two sons, Paul, 4, and F. M. III, almost 2; his parents, Mr. and Mrs. F. M. Roberson of Lubbock route 3; four brothers, Otis Roberson of Ajo, Ariz., Erie Roberson of Goldthwaite, Earl Roberson of Plainview, and Don Roberson of Odessa; three sisters, Mrs. W. A. Woods of Morton, Mrs. Harold Phillips of Seattle, Wash., and Miss Nena Roberson of College Station.

Thanks to You, and You, and You

It is seldom indeed that the citizens of a city, collectively, receive a pat on the back. Maybe they don't often deserve it, or maybe no one takes the time to administer the pat as long as everything is running smoothly. We would like to take some space this week to accomplish what we feel is a duty.

In May of this year a group of local men, interested in the recreational benefits of softball got together and organized a softball league. The idea snowballed quickly into a 6 team circuit but oldtimers within the community shook their heads and sighed, "We've seen this tried before. It won't last."

At first, the games were played in the late afternoon but soon players and fans found that they had to close their shops early and hurry their meals or miss the games. They decided that it would be much more convenient to play at night under lights. But lights cost money, and it seems like a great deal more money than it really is when you have to ask for donations.

Businessmen in Morton responded generously. A few, who actually could spare the time no more than you or I, nevertheless found time to go out and purchase the lights, put them up, wire them in, fix the field, build a new backstop, set up a speaker system and within the space of a short while had Slaughter Field very well equipped for good softball games. Some people griped that there weren't enough lights, some said they were too close together, still the oldtimers shook their heads and sighed a little harder. "Who's going to pay for the lights each night," they queried. "We're not going to pay to see the games. They tried this once before and couldn't even pay for the light bill."

The rest is an unfinished story. Perseverance usually will go a long way. The games were started and each night the local boys played a little better ball. They found that with a little practice they could play close, tight, clean ball; the type of game that fans like to watch.

Some thought that the teams should charge fans for seeing the games. We asked them why. Why should fans be charged to see games in a field which their donations built. It was found that by merely passing the hat every third night enough money would be donated to pay for the lights for three nights with a little left over to purchase a few bats and balls.

Now the season is almost over. It has been a huge success but every bit of credit for the success belongs to the people in this area. They liked the games or they wouldn't have come back; they liked to see the local players or they would have gone to Lubbock to see better teams; they, the fans, made the success possible.

There has been a little friction because the season was underway before sufficient plans could be made. We hope that next year plans can be made to eliminate games completely on Wednesday nights so as not to interfere with Church prayer meetings. We hope to space the games out a little more, so that people and players will not tire of playing and watching games too often. We hope to have our own loudspeaking system instead of having to borrow the one the Wallace Theatre has so graciously loaned us each night. We hope to build a board fence around the outfield, possibly some grandstands.

But these things will wait. If we continue to give the fans a good break they will support the project. With the cooperation of everyone Morton has profited a great deal from this project. No one individual would ask to be thanked individually for his part. Together we have given Morton a full summer of good entertainment at a cost well worth the price.

Sorry Son, Maybe Dad Knows Why

Tucked away in a corner of the classified advertising page of last week's Tribune was a small notice paid for by T. W. Roberts. It simply stated that the irrigation tank owned by him had been condemned for swimming purposes.

That notice summed up, neatly and concisely, the efforts of local youth to get relief from the scorching sun by a refreshing dip in cool waters.

You have already read too many times about the need for a swimming pool in Morton. We do not intend to harp on the situation again and again. You, the people of the county, defeated a proposed tax to supply parks and possibly swimming pools for your children or for your own needs.

Suffice it to say that Cochran county parents, just like the parents in every city or county in this nation have no possession they treasure any more highly than their children. Their one wish is for a "full and happy life for our children."

This wish has not been fulfilled without good, clean, wholesome recreation. A full portion of work in the fields by these children deserves a full portion of recreation when it is over. Cochran county still needs a swimming pool. It needs it more than ever since the authorities were forced to do their duty by prohibiting swimming in the city's "old swimmin' hole."

The experts tell us that the nation has a cushion against a depression; that may be so but when things begin to drop, how can we be sure that we will land on the cushion?

Life's Little Problem: Trying to decide whether the stir and bother, connected with going off on a vacation trip, is too much to undergo.

Government planners might do well to remember that the female codfish lays 2,000,000 eggs—and then all the other cod come around and try to eat them!

The blessing of work cannot be over-estimated but there are times when we suspect that there are blessings connected with loafing.

The sincerity of a man in public office is often tested by the failure of good citizens to actively support an intelligent vote.

Nearly every city and hamlet in the nation brags about its climate but any of our readers can tell us which one has the best.

If history repeats itself, why do they have the kids spend so much school time studying it?

A council report was given and discussed by the members during Wednesday's meeting. Mrs. Ramsey discussed food spoilage and its causes.

The hostess served a refreshment plate of orange-aid and cake to Mrs. Paul Byrd and Virginia; Mrs. Ralph DeBord, Mary

Local Social Clubs To Start Season In September

Morton's social, study and cultural clubs will begin the new year in September.

L'Allegro Junior Study Club, one of the newest clubs to be organized and federated with the state will meet on September 1 with the president's dinner.

New officers for 1949 to be introduced at this meeting are: Mrs. J. C. Reynolds, president; Mrs. R. D. Ormand, first vice-president; Mrs. Paul Goodman, second vice-president; Mrs. Raymond Strickland, secretary-treasurer; Mrs. Charlie Money, corresponding secretary; Mrs. H. B. Barker, parliamentaria; Mrs. Bob Dunham, historian and Miss Yvonne Gipson, reporter.

Cochran County Garden Club will hold the first fall meeting September 13. Mrs. Lester Bacous is the 1949-50 president of the Garden Club.

One of the oldest organizations in the county, The 1936 Study Club will begin its official year with a meeting September 7. Mrs. C. M. Cravy is president of this club.

Book Lovers Club, with Miss Lanora Jackson, as president will get underway September 1.

All of these organizations have contributed in one way or another to civic improvement of Morton and Cochran county. Through the efforts of club members a County Library has been established, gardens and homes have been beautified, a county school nurse has been employed and many other cultural and civic benefits realized.

CARD OF THANKS

We take this means of thanking our friends for the many beautiful bouquets of flowers, the greeting cards and other expressions of friendly concern received by Mrs. Merritt during her recent hospitalization at West Plains Hospital.

We also wish to say a most hearty and grateful "Thank you" to all the nurses and the doctors at the hospital. Your every kindness and attention is very greatly appreciated.

Sincerely,
Mr. and Mrs. R. J. Merritt.

MR. and MRS. W. L. NESBITT and family of Lubbock visited with the G. G. NESBITT family Sunday.

Miss Doris Wages, Charles Stevens Married Saturday

Miss Doris Wages, daughter of Mr. and Mrs. E. E. Wages and Mr. Charles Stevens, son of Mrs. Jack Burkes, were married Saturday morning, August 20, at the Missionary Baptist Church with Rev. T. L. Bullard of Gilmer, officiating.

Attendants were Miss Jo Ann Lackey and Kenneth Burkes, brother of the bridegroom. Miss Lackey wore an aqua cotton frock, white accessories and a corsage of red roses.

The bride wore a blue satin dress with matching accessories and carried a white Bible topped with gladioli.

Wedding guests were Mr. and Mrs. Jack Burkes, Mr. and Mrs. E. B. Wages, Mr. and Mrs. Truman Anglin, Mrs. Ran Holliman and Mr. Verlin Anglin of Lubbock.

The young couple returned Tuesday from a wedding trip to Carlsbad, New Mexico, and are at home in Lubbock.

Miss Bonnie Hanna Honored Tues. with Going-Away Party

A surprise going-away party Tuesday night, by the staff members of the West Plains Hospital, honored Miss Bonnie Hanna who leaves shortly to enter nurses training at the Lubbock Memorial Hospital.

At the party, held in the home of Mrs. H. D. Ponder, Miss Hanna received many lovely gifts as a token of the friendships she has made at the hospital while employed as a nurse's aid.

From an attractively arranged table carrying out the nursing profession as a motif, the guests were served ice cream topped with strawberries, party mints, and nuts.

A cut out of a nurse, surrounded by red and white gladioli, formed the centerpiece for the table around which were placed pictures of nurses uniforms dating back to 1865.

Those present were: Misses Betty Cantrell, Effie Knott, Ovelia Nesbitt, Louise Nesbitt, Bertha Roberts, Barbara Wright, La Verne Mullins, Dessie Mae Robertson, Mary Graham, Mesdames Lawrence Nesbitt, Thelma Lindsey, J. B. Lilljedahl, the hostess, Mrs. Ponder and the honoree.

ORDER OF COMMISSIONERS' COURT

On this the 19th day of August, 1949, at the regular August term of the Commissioners' Court of Cochran County, Texas, there came on for consideration the proposition of dividing the county into convenient election precincts, and after due consideration the court determined that it was to the best interest and for the convenience of the voters of Cochran County, Texas, to leave election precincts nos. 1, 2, 3, 4, and 5 established as they now are of record but that in addition thereto one additional election precinct be added which shall be a part of Justice Precinct No. 3 and also a part of what is now election Precinct No. 3 and that such new additional election precinct be known as election precinct No. 6.

It is therefore accordingly ordered by the Commissioners' Court of Cochran County, Texas that election precincts Nos. 1, 2, 3, 4, 5, as now designated and on record in the commissioners' court minutes be and remain as they are therein described except election precinct No. 3 shall be divided and the new election precinct territory taken from said election precinct shall be known as election precinct No. 6 and shall consist of the following described territory in Cochran County, Texas all of which is wholly located within the boundaries of Justice Precinct No. 3 and described as follows, to-wit: Beginning at a point in the south right-of-way line of the Panhandle and Santa Fe Railway Company where said right-of-way line intersects with the east boundary line of League No. 129, Carson County School Land.

THENCE, West along the south right-of-way line of said Panhandle and Santa Fe Railroad Tract to a point where the same intersects with the east boundary line of League No. 149, Randall County School Land.

THENCE, South along the east boundary lines of Leagues No. 149, 150, 151, and 152 to the Southeast corner of said League No. 152.

THENCE, West along the South boundary line of League 152 to the Northeast corner of Section No. 53 Harrison and Brown Survey.

THENCE, South along the East boundary line of Sections Nos. 53, 52, 51, 50, and 49 to the Southeast corner of said Section No. 49, all of said sections being in the Harrison and Brown survey.

THENCE, West along the South boundary line of said section No. 49 to the Northeast corner of Section No. 2 in Block L, Public School Land in said Cochran County, Texas.

THENCE, South along the East boundary line of said section No. 2 to the Southeast corner thereof.

THENCE, East along the South boundary line of Section 3, Block L, to the Northeast corner of Section No. 15 in Block L.

THENCE, South along the East boundary of said Section 15, Block L, to a point where the East boundary line of said Section 15, Block L intersects with the Cochran and Yoakum County line.

THENCE, East along the Cochran and Yoakum County line to a point where the same intersects with the East boundary line of Section 8 in Block L.

THENCE, North along the East boundary line of said Section 8, Block L to the Northeast corner thereof.

THENCE, West along the North boundary line of said Section 8, Block L to the Southeast corner of Section 7, Block L.

THENCE, North along the East boundary line of Section 7, Block L to the Northeast corner thereof.

THENCE, West along the North boundary line of said Section 7 to the Southeast corner of Section 19 Harrison and Brown Survey.

THENCE, North along the East boundary lines of Sections 19, 20, 21, 22, 23, all in the Harrison and Brown Survey to the Northeast corner of said Section No. 23.

THENCE, East along the South boundary line of League 132 Carson County School Land to the Southeast corner of said League 132.

THENCE, North along the East boundary line of League Nos. 132, 131, 130, and 129 of the Carson County School Lands in Cochran County, Texas to the place of beginning.

It is further ordered by the Commissioners' Court of Cochran County, Texas that this order be published in the Morton Tribune, a newspaper of general circulation in Cochran County, Texas, for three consecutive weeks beginning with the first issue immediately following the passage of this order.

Single Ring Service Unites Miss Clara Taylor, Mark Daniel Tuesday Morning

Miss Clara Elizabeth Taylor, eldest daughter of Mr. and Mrs. Walter L. Taylor, became the bride of Mr. Mark H. Daniel at the home of the bride's parents, Tuesday morning, August 23.

The single ring service was read by Rev. W. E. Lovelace, formerly of Morton, now residing in Albuquerque, New Mexico and pastor of the First Baptist Church at Bernalillo, New Mexico.

Wedding music was presented by Mrs. Billy Proctor who sang, "Because". Miss Lura Taylor attended her sister as maid of honor. She wore a beige suit with brown accessories and a shoulder corsage of pink gladioli. Jesse Woodward, Wayland College, Plainview, served the bridegroom as best man.

The bride given in marriage by her father wore a brown tweed suit with brown accessories. Her bridal corsage was an arrange-

ment of pink rosebuds. Immediately following the ceremony a reception for members of the wedding party and guests was given by Mr. and Mrs. Taylor and their four younger daughters, Pat, a student at Wayland College, Lura, Dorothy and Jimmy.

The three tiered wedding confection topped with miniature bride and groom was served with punch from a flower decked table by Misses Carol Reeves and Betty Banta.

Guests other than members of the bridal party were Miss Chero-lene Roberts, Harvey Dean Hammonds, L. T. White, Wayland College, and Hoyt Lovelace, Albuquerque.

The young couple left for a brief honeymoon and will make their home in Ft. Worth where both will be students at Baptist Theological Seminary. Mr. Daniel

If They're Wild, They Belong To Tik!

Saw Tik Anderson last week and was reminded of the first time I ever spoke to him. The missus had sent me out one Saturday afternoon to hunt for some blackberries.

I took a long hike and couldn't find any. Finally, I came to Tik's house along that low stretch east of the fork on River Road. "Hi there," I says, "any blackberries around here?"

Tik says, "There used to be—but I don't know much about things that grow wild." Later, I found how Tik supports his family by picking berries. Ever since, I've

been like the rest of folks in town—respectful of his right not to tell where "his" berries grow.

From where I sit, respecting other folks' rights comes natural in our town. In America for that matter! Whether it's a person's right to enjoy a temperate glass of beer or ale, or whether it's Tik Anderson's right to keep secret where his berries are, it's all a big part of a real democracy!

Proposed Constitutional Amendments

SENATE JOINT RESOLUTION NO. 1

Proposing an amendment to Section 2 of Article VI of the Constitution, repealing the provision relating to the payment of a poll tax as a qualification of an elector; and providing for the general registration law for general registration law for the necessary election, proclamation and publication by the Governor, and providing for an appropriation.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. Section 2, Article VI of the Constitution of the State of Texas be and the same is amended, hereby so as to read hereafter as follows:

Section 2. Every person subject to none of the foregoing disabilities, who shall have attained the age of twenty-one (21) years, and who shall be a citizen of the United States, and who shall have resided in this State for one (1) year next preceding an election and the last six (6) months within the district or city in which such person offers to vote, shall be deemed a qualified elector; provided that no person shall be deemed a qualified elector before the day of such election. This provision shall be self-enacting. The Legislature shall pass a general registration law requiring registration of voters at a time not later than the first day of February for each election to be held that calendar year, and the Legislature shall have power to prescribe a registration fee. The Legislature may authorize absentee voting.

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the State at an election to be held on the 8th day of November, 1949, at which election all ballots shall have printed thereon (or in counties using voting machines the said machines shall provide for) the following:

"FOR the amendment to the Constitution of the State of Texas repealing the provisions in the Constitution making the payment of poll tax a requirement for voting, and providing for a general registration law."

"AGAINST the amendment to the Constitution of the State of Texas eliminating the provisions in said Constitution making the payment of poll tax a requirement for voting, and providing for a general registration law."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment; and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said amendment, the same shall become a part of the Constitution of the State of Texas.

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

Section 4. The sum of Five Thousand (\$5,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the State not otherwise appropriated to pay the expenses of publication and election.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 19 of Article 16 of the Constitution of Texas be amended so as to hereafter read as follows:

Section 19. The Legislature shall prescribe by law the qualification of grand and petit jurors; provided that the qualification of a person for service on grand juries or on petit juries shall be the same, and no person shall be exempt from service on grand juries or on petit juries on account of sex."

Section 2. The foregoing Constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the second Tuesday in November, 1949, at which all ballots shall have printed thereon:

"FOR the amendment to the Constitution qualifying grand and petit jurors."

"AGAINST the amendment to the State Constitution qualifying women as grand and petit jurors."

Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment.

Section 3. The Governor shall issue his proclamation calling said election and have the same published and said election held in accordance with this Resolution and the Constitutional Laws of this State, and return shall be made and the votes canvassed and counted as provided by law; and if said amendment is adopted by the vote of the qualified electors of this State, the Governor shall issue his proclamation as required by law.

HOUSE JOINT RESOLUTION NO. 5

Proposing an Amendment to Section 5 of Article III of the Constitution relating to sessions of the Legislature and what may be considered thereat and an Amendment to Section 24 of Article III relating to compensation of Members of the Legislature; specifying the time when the Amendment shall take effect if ratified; and providing for the submission to a vote of the people.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 24 of Article III of the State Constitution be amended to read as follows:

"Section 24. Members of the State Senate and House of Representatives shall receive from the State Treasury an annual salary of Three Thousand Six Hundred Dollars (\$3600), to be paid in monthly installments on the first of each month.

"They shall also be entitled to mileage in going to the seat of government for each session of the Legislature and returning therefrom, which mileage shall not exceed Two Dollars and Fifty cents (\$2.50), for every twenty-five (25) miles, the distance to be computed by the nearest and most direct route of travel from a table of distances to each county seat prepared by the State Comptroller."

Section 2. That Section 5 of Article III of the Constitution be amended to read as follows:

"Sec. 5. Two (2) regular sessions of each Legislature shall be held; and until otherwise provided by law, the time of the convening of the first regular session shall be at noon on the second Tuesday in January of each odd-numbered year, and of the second regular session, at noon on the second Tuesday in January of each even-numbered year.

"At other times, when called by the Governor, the Legislature shall convene in special session. Appropriations for monthly recurring expenses and salaries paid by the State shall be made for a period of not more than twelve (12) months.

"At the second regular session of each Legislature, only proposals to amend the Constitution and to make appropriations to pay monthly recurring expenses and salaries and such other measures only as four-fifths (4/5) of the Membership of each House may determine shall be considered."

Section 3. The Amendments proposed herein, if ratified by the people, shall become effective January first, A. D. 1950.

Section 4. The foregoing Constitutional Amendments shall be submitted to a vote of the qualified voters of this State at a General Election to be held throughout this State on the Second Tuesday in November, 1949, same being November 8, 1949, at which election all ballots shall have printed thereon:

"FOR the Constitutional Amendments relative to sessions of the Legislature and to compensation of its members."

"AGAINST the Constitutional Amendments relative to sessions of the Legislature and to compensation of its members."

Each voter shall express his vote on the proposed Amendment in the manner provided by law.

Section 5. The Governor of this State shall issue the necessary proclamation for said election and shall have same published as required by the Constitution and laws of this State. 4t/20c

SENATE JOINT RESOLUTION NO. 5

Proposing an amendment to Article III of the Constitution of the State of Texas, authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III of the Constitution of the State of Texas be and the same is, hereby amended by adding to said Article a new section, to be known and designated as Section

48-d, reading as follows:

"Sec. 48-d. The Legislature shall have the power to provide for the establishment and creation of rural fire prevention districts and to authorize a tax on the ad valorem property situated in said districts not to exceed Three (3) Cents on the One Hundred (\$100.00) Dollars valuation for the support thereof; provided that no tax shall be levied in support of said districts until approved by vote of the people residing therein."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the state at an election to be held on the second Tuesday in November, 1949, at which election all ballots shall have printed thereon (or in counties using voting machines, the said machines shall provide) the following:

"FOR The Constitutional Amendment authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts; and

"AGAINST The Constitutional Amendment authorizing the Legislature to provide for the creation and establishment of rural fire prevention districts."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed amendment; and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said amendment, the same shall become a part of the Constitution of the State of Texas.

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this state.

Section 4. The sum of Five Thousand (\$5,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the state not otherwise appropriated, to pay the expenses of such publication and election.

HOUSE JOINT RESOLUTION NO. 19

Proposing an amendment to the Constitution of the State of Texas authorizing the Legislature to provide for Civil Service in certain counties upon a vote of the people therein.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article XVI of the Constitution of the State of Texas be and the same is hereby amended by adding to said Article a new Section, to be known and designated as Section 62-c, reading as follows:

"Section 62-c. The Legislature is authorized to provide for the creation of Civil Service Systems for county employees in the respective counties of this State, but any system so authorized and established shall be approved by a vote of the people in said county. Any Civil Service System established by virtue of this Section shall apply to appointive offices only, and the limitations on term of office heretofore provided by Section 30 of this article shall not apply, but the duration of such offices shall be governed by the provisions of such Civil Service System. This section shall not apply to counties having a population less than seventy-five thousand (75,000) people."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the State at an election to be held on the second Tuesday in November, 1949, at which election all ballots shall have printed or written thereon (or in counties using voting machines the said machines shall provide for) the following:

"FOR The Constitutional Amendment authorizing the Legislature to provide for Civil Service in counties upon a vote of the people therein; and

"AGAINST The Constitutional Amendment authorizing the Legislature to provide for Civil Service in counties upon a vote of the people therein."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment, and if it shall appear from the returns of said election that a majority of the votes cast are in favor of said Amendment, the same shall become a part of the Constitution of the State of Texas.

Section 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have the same published as required by the Constitution and laws of this State.

Section 4. The sum of Five Thousand (\$5,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the Treasury of the State not otherwise appropriated, to pay the expenses of such publication and election.

HOUSE JOINT RESOLUTION NO. 22

Proposing an Amendment to Article V, Section 7 of the Constitution of the State of Texas providing that the Judge of the District Court shall conduct its proceedings at the county seat of the county in which the case is

pending, except as otherwise provided by law; providing for election proclamation and submission to qualified electors of the State.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 7 of Article V of the Constitution of the State of Texas be amended so as hereafter to read as follows:

"Sec. 7. The State shall be divided into as many judicial districts as may now or hereafter be provided by law, which may be increased or diminished by law. For each district there shall be elected by the qualified voters thereof, at a General Election, a Judge, who shall be a citizen of the United States and of this State, who shall be licensed to practice law in this State and shall have been a practicing lawyer or a Judge of a Court in this State, or both combined, for four (4) years next preceding his election, who shall have resided in the district in which he was elected for two (2) years next preceding his election, who shall reside in his district during his term of office, who shall hold his office for the period of four (4) years, and shall receive for his services an annual salary to be fixed by the Legislature. The Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law. He shall hold the regular terms of his Court at the County Seat of each County in his district at least twice in each year in such manner as may be prescribed by law. The Legislature shall have power by General or Special Laws to make such provisions concerning the terms or sessions of each Court as it may deem necessary.

"The Legislature shall also provide for the holding of District Court when the Judge thereof is absent, or is from any cause disabled or disqualified from presiding.

"The District Judges who may be in office when this Amendment takes effect shall hold their offices until their respective terms shall expire under their present election or appointment."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on November 8, 1949, at which time all ballots shall have printed thereon:

"FOR the Constitutional Amendment providing that the District Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law; and

"AGAINST the Constitutional Amendment providing that the District Court shall conduct its proceedings at the county seat of the county in which the case is pending, except as otherwise provided by law."

Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment. In counties or other subdivisions using voting machines, the above provision for voting for and against this Constitutional Amendment shall be placed on said machine in such a manner that each voter shall vote on such machine for or against the Constitutional Amendment.

Section 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the Constitution and Laws of this State. 4t/20c

HOUSE JOINT RESOLUTION NO. 32

Proposing an Amendment to Article I of the Constitution of the State of Texas, by adding thereto another Section following Section 15, providing that the Legislature may provide for trails in lunacy cases without a jury; further providing for the submission of this Amendment to the voters of this State; prescribing the form of ballot; providing for the proclamation and publication thereof.

Section 1. That Article I of the Constitution of the State of Texas be and the same is hereby amended by adding another Section thereto following Section 15, to be designated Section 15-a, to read as follows:

"Section 15-a. The Legislature shall have the authority to enact all laws necessary to provide for the trial, adjudication of insanity and commitment of persons of unsound mind and to provide for a method of appeal from judgments rendered in such cases. Such laws may provide for waiver of trial by jury in cases where the person under inquiry has not been charged with the commission of a criminal offense, and shall provide for a method of service of notice of such trial upon the person under inquiry and of his right to demand a trial by jury."

Section 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electorate of the State at an election to be held on the second Tuesday in November, 1949, at which election all ballots shall have printed thereon (or in counties using voting machines the said machines shall provide for) the following:

"FOR the Amendment to the Constitution of the State of Texas authorizing the Legislature to provide for the establishment and creation of hospital districts; and

"AGAINST The Amendment to the Constitution of the State of Texas authorizing the Legislature to provide for the establishment and creation of hospital districts."

Each voter shall scratch out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment. In counties or other subdivisions using voting machines, the above provision for voting for and against this Constitutional Amendment shall be placed on said machine in such a manner that each voter shall vote on such machine for or against the Constitutional Amendment.

Lubbock Nine Trips All Stars 12-5 As Mortonites Commit Nine Errors

After surprising several hundred home town fans by playing Lubbock's Barber College softball nine to a standstill for 7 innings, the Morton All Stars blew sky high in the 8th inning and dropped a 12-5 decision, last Wednesday evening.

Morton should have tucked the game safely away in regulation time but three costly errors in the 6th inning enabled the Barbers to battle back to a 5-5 tie and the game went into the 8th inning.

Charles Carter led off the big 8th frame with a Home Run. Alton Perry reached second base on two errors by the shortstop and Drake walked. Both runners scored on stolen bases and two passed balls. Theford popped to the pitcher. Charlie Vandeventer was safe at first on an error at shortstop and stole second. He went to third on a passed ball and then scored when the Morton 1st sacker dropped a throw and allowed Lloyd to reach 1st safely. Brashear was safe on a fielders choice and Lloyd moved to third. Jim White poled a long home run over the cars in left field to end the scoring.

Lubbock took a 1st inning lead when Leroy Brashear lined a single to center field which went for a home run when the center fielder slipped and fell.

Morton came back with three big runs on hits by Jimmy Willis, Howard Harris, and Jerry Winder

Technicality is Important Factor In Morton Defeat

A technicality may have cost the Morton All Stars a ball game last Wednesday night it was learned after the game had been completed.

In the 1st inning, left fielder Irwin crawled under a car to get Brashears roller but the Lubbock shortstop had made a home run before the ball could be retrieved.

After the game, umpire Bob Dunham stated that the game was played under a ground rule that any ball lodging underneath an automobile would be held to a double. The batter following Brashears fled out to end the inning.

The fact that the ground rule was not announced gave Lubbock the run that tied the score in regulation innings and forced the teams to play extra innings.

and a base on balls. The Barbers combined two hits for a run in the 2nd inning and then tied it up in the 4th on a walk and Alton Perry's triple.

Morton's starting pitcher was forced to retire from the game in the 3rd inning and Johnny Vandeventer took the hill. Two hits and a walk by his mates gave him back the lead 5-3 at the end of 4 innings.

The All Stars collected 7 hits off Jim White, Barber hurler. He fanned two and walked three. His mates played errorless ball. Lubbock also collected only 7 hits off Montgomery and Vandeventer. Jack allowed no walks and fanned one batter. Vandeventer walked five and fanned one.

Morton's downfall came with none away in the 6th. Two men walked and then the Morton left fielder dropped an easy fly ball. Irwin's throw to third went past Jerry Winder and one run came across. The tying run came across few moments later on an error by the pitcher.

Atlantic Crushes Westsiders 26-7 For 2nd Triumph

Pounding out 19 hits good for 26 runs, the Atlantic Refiners overwhelmed West Side 26-7 in a softball game at Slaughter Field last Wednesday night.

West Side was charged with 17 errors in the shortened game which saw Atlantic push home 16 runs in the 2nd inning, a league record. West Side had tied the game at 4-4 in the top of the 2nd with four solid base hits but Atlantic paraded 21 men to bat in the big inning.

Jimmy Willis pounded out two home runs in that inning to drive home 5 tallies and tie him for the league leadership in homers at 4. Crone also homered, his 4th of the season and Hermann blasted a four bagger with two aboard.

All but one Atlantic batter collected at least two hits off West Side hurler Jim Hill. West Side garnered 9 hits.

"Thirty-Six Man Squad in Shape," Says Coach; Need Work on Timing

The 1949 Morton Indian Football team, 36 men strong, returned to the city Saturday after a week long training trip at Roaring Springs and began intensive drills for the opener against Whatharrel next week.

Coach Melvin Crawford and assistant Bill Hartgraves said that they were well satisfied with the condition of the boys. This was the main purpose of the training trip. They emphasized that the boys have not had time enough to learn to run their plays smoothly and as yet several of the starting berths are wide open.

With ten lettermen and eight other returnees around which to build his squad, Coach Crawford seemed to have more backfield worries than anything else.

Eight of the ten lettermen returning are linemen and the Indian eleven is at least one deep at every position in the line.

This season Morton has a line coach in Herman Raphaelit who comes to Morton from Hardin Simmons University.

The coaches are holding two sessions daily behind the school building. As much as possible, they are leaving the football field alone until the opener. It has been resodded this season and should be in good condition for the Whitharrel fray. Practices are held at 9 a. m. and 2 p. m. with some night work scheduled for next week.

Clarence Moore, Waydell Hill and Royce Smith are returning lettermen at the end positions with H. L. Shakespeare and Paul Gunter rounding out the group.

At guard positions the Indian squad has lettermen Bo Allsup and James Dewbre back and Jackie Shipp, Rex Faulkner, Pete Lindsey, Don Lindsey, and Harold Corder.

McAlister Hurls Texaco to 10-5 Win Over Enochs

The Texaco Fire Chiefs became the first league entry to master Johnny Vandeventer and his Enochs softball team this season by pounding out a 10-5 triumph over the league leaders Thursday.

Texaco parlayed 7 hits into 10 runs with the aid of 9 Enochs errors and five walks by Vandeventer. Six of those runs came in the 1st two innings coupled with 7 errors and 2 hits to put the game out of reach.

All the Enochs runs came in separate innings with Bill McAlister effectively scattering the 10 Enochs hits. The league leaders pounded out two home runs but in both instances no one was on base. They left 8 baserunners stranded.

Grady Long was the only Texaco batter with two hits and every Fire Chief hit was a single. Star of the game was Charlie Vandeventer of the Enochs crew who collected 3 hits in 3 trips to the plate, scored 4 of the 5 Enochs runs, and clubbed a long home run in the 5th. Gilliam also homered for Enochs.

Barbecue Monday Heralds Additions To Country Club

The tennis court now under construction at the Morton Country Club will be completed in time for the formal opening at the barbecue Monday night, it was announced this week.

Club members planned the barbecue to unveil the new court and the brand new clubhouse. The two new units are located just West of the golf course.

The tennis court has a surface of rolled, crushed, cliche and is bounded on each end by a high screen. It is hoped that the new addition to the club will stimulate an interest in tennis in this area and maybe later force club members to build more courts.

as a letterman and will probably receive aid at that position from either Fred Saunders or Fred Stockdale.

The six men considered for tackle positions are lettermen Ted Wood and Jimmy Chapman and Joe Carrothers, Don McDermott, Leon Mills and Harold Aston.

The 15 remaining men will yield the Indian backfield combinations. Of the group only Don Baldwin and Veryl Webb are lettermen. Others include: Lanar Burns, Clifford Wall, Johnny Green, Jimmy Coats, Kirby Lackey, DeWayne Burkes, Mike Bolton, Lewis Hodge, Worth Marshall, Kenneth Wilson, Walter New, Bunky Hargrove, and Billy Joe Mohmood.

Antelope Eleven Expects Crack at District Diadem

A small but determined band of Whiteface Antelopes opened their pre-season football training on Duggan Field Monday night with a great deal of enthusiasm. There was an air of expectancy as Coach L. S. Salser and Assistant Coach Nathan Tubb issued equipment and talked to the 14 boys who turned out.

The Antelopes are preparing for a victorious season with 9 lettermen returning and 5 new men already having reported. Coach Salser has indicated that he is satisfied with the prospects and he expects a district winning ball club.

Equipment has been issued to Daniel Gilbert, Max Dickerson, Darwood Marshall, Tollie Hooper, Dean Reynolds, Paullie Joe Wylie, Wendell Walker, Johnnie Plunkett, Jimmie Smith, Alton Kerns, Clifton Bizzel, Tommie Galvin, Charles Newton, Jimmie Reynolds.

Homers Drive in 9 Runs as Chiefs Drub Lehman 18-7

Home runs and walks was the recipe for a Texaco victory over Lehman last week as the First Chiefs pounded out a convincing 18-7 triumph on only 7 hits.

Texaco got 6 runs on one hit in the 1st inning, a bases loaded home run by Bill McAlister, his 4th of the season. They got 6 more runs on 4 hits in the 2nd frame, this time the payoff blow a homer by Jerry Winder with two men on base. Their final two runs in the 5th came on Kenneth Burke's two run homer.

Texaco drew 7 walks off Thompson and Keeler and three other batters were hit by pitched balls. Five Lehman errors also figured prominently in the shellacking. Lehman outhit the winners in getting 8 hits off Bill McAlister. Bill, wilder than usual, gave up 5 walks in going the route.

The victory put Texaco in 3rd place in the league standings, one game behind VFW.

Veterans Swamp Westsiders 17-1 On 3 Hit Hurling

VFW kept a secure hold on 2nd place in the city softball league Thursday night with a lopsided 17-1 victory over West Side. The Vets came within an ace of being the first club of the entire season to turn in a shutout but the Westsiders pushed across an unearned run in the 3rd inning on a walk and two errors.

The Vets banged out 14 hits and took advantage of 15 West Side errors in compiling their total. Howard Harris' 4 for 5 and pitcher Harold Pollard's three hits paced the Veterans attack.

Pollard hurled three hit ball in shackling the Merchant bats effectively over the 5 inning route. He fanned four batters and walked only one.

Jim Hill hurling for the West Siders climaxed one record breaking string in the 5th inning when he walked Earl Burleson for his first pass issued this season in 5 games. It was the 4th victory against 1 defeat for the Vets and the 5th defeat in a row for the losers. Line score:

Lehman Drops Atlantic 18-7; Vets Hurler Hurt as Merchants Triumph

The Lehman and East Side softball nines pulled a double upset in the city softball circuit Friday with Lehman ousting Atlantic's Refiners from 4th place with a 18-7 triumph and the East Siders pounding out a 13-10 verdict over VFW.

Lehman jumped on Jack Montgomery, one of the circuit's best pitchers for 15 hits including 3 home runs before Hermann replaced him on the slab in the last frame. Eight errors, 5 walks, and a hit batter contributed heavily to the Atlantic downfall. Lefty Hall gave up 13 hits to Atlantic but the Refiners left too many base runners stranded.

East Side's victory was a dramatic one with the Merchants coming from behind three times before winning. Trailing 8-4 in the top of the 7th frame, the East Siders bunched 3 hits and 2 VFW errors to score two runs and put Fred Morrison on 3rd base. Fred broke for the plate on a passed ball and scored upsetting VFW pitcher Harold Pollard at the plate. Pollard's arm was injured on the play and he was forced to retire from the game.

Cadenhead pounded the 1st pitch off Allsup for a home run that tied the score. East Side then bunched 3 hits for 5 runs in the 9th inning to ice the game.

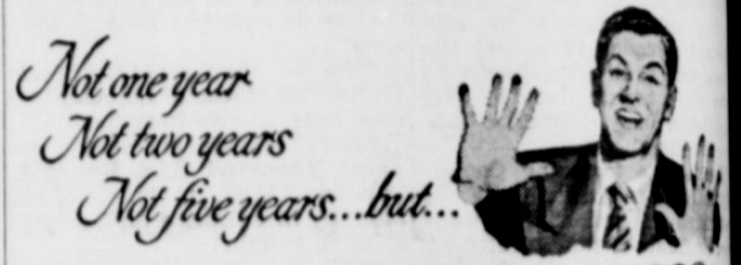

McDonald hurled 7 hit ball in East Side in hanging up his victory of the season. He struck out 4 men and fanned 7. The defeat left VFW tied with Texas for 2nd place in the circuit.

Extent of the injury to Pollard's arm was unknown Saturday but it was feared that he may be lost for the season. VFW had no replacement signed when contacted Monday morning. Scores:
