## Good News—City of Morton Reduces Tax Rate; Discount to be Allowed

The City Commission, meeting in regular session, Monday night, September 12, set the tax rate for the City at \$1.30 per one hundred dollars valuation. This is a reduction of 13 percent over the rate of last year which was \$1.50 per hundred dollars, according to a report made by City Secretary S. S. Harrison.

A discount of 3 percent is allowed if taxes are paid in October; 2 percent if paid in November; and an allowance of 1 percent reduction if taxes are paid in December. A penalty and interest will be charged on all delinquent taxes. 1949 taxes are payable between October 1 and January 31.

Policy of the City Commission is to pass savings on to City taxpayers whenever possible. Estimates indicate that the reduced tax rate of \$1.30 will yield sufficient money to pay all debt requirements so far as bonds and interest are concerned.

Funds received by the city from the sale of water and other miscellaneous income is expected to provide sufficient funds for normal operating expense of the city. Tax monies will be applied to indebtedness.

According to the City Secretary there is at present a considerable amount of delinquent taxes on the rolls that could and should be paid. This delinquency is increasing from month to month due to penalties and interest being added. If taxes were paid promptly it might be possible to make further reductions in the next year, Harrison concluded.

## Fall Revival at Three Way to Start Sept. 16th

Rev. Wayne Perry

## Entomologist to Check Boll Worm Situation in Area

Mr. Guy Carpenter, District Extension Entomologist, will be in Cochran County, Thursday, Sept. 15 to check the boll worm situation with County Agent H. E. Thompson.

Pictures will be made both of harmful and helpful insects to be shown at a later meeting that the farmers can attend to learn to identify insects.

County Agent Thompson would again like to point out that a heavy infestation of boll worms can do serious damage in three days. This applies not only to the production but it lowers the cotton grade. Farmers should check five or six stalks in at least five or six different places in the field. One or two boll worms per stalk is more than serious. The application of 10 percent DDT should be used immediately, that is, if a rain cloud is not in sight.

## SEASON'S FIRST BALE OF COTTON FOR COUNTY GATHERED FROM G. W. CARTER FARM SATURDAY

### South Plains Fair Boosters to Visit Morton Sept. 22

Lubbock Chamber of Commerce Good Neighbor committee will be in Morton, Sept. 22 at 9:15 A. M. to boost the 32nd annual Panhandle South Plains Fair, which will be held Sept. 26 through Oct. 1, at Lubbock.

Carl Macon, school superintendent, said students would be permitted to leave classes for the boosters program.

Making the Good Will trip will be a number of Lubbock's leading businessmen who will extend a welcome to Morton to visit Lubbock during the Fair. A special emphasis will be given to the invitation extended school children of Morton.

A gala program of music and songs will be offered, plus loads of novelties for all who visit the program.

"Advertising the Fair is not the only purpose of this visit to Morton," Homer Hensley, general chairman of the Good Neighbor committee, said. "Enjoying a visit with old friends and meeting new friends is much more important. The Good Neighbor committee hopes that every one will turn out to visit with us."

Fair officials predict that the largest crowd ever to attend the exposition will be present Sept. 26 through Oct. 1.

George Carter, farming 180 acres of cotton, one mile north of Bledsoe brought in the first cotton to be ginned in Cochran County for the 1949 season. The first bale was ginned free by Morton Gin Company last Saturday night.

Picking over 26 acres Carter brought in 1480 pounds of seed cotton, it ginned out a 405 pound bale and 610 pounds of seed.

The bale is now on display on the Morton Court House Square and will be sold at auction this Saturday, September 17, at 2:30 in the afternoon.

## Miss Helen Taylor Selected as 1949 Cochran County Farm Bureau Queen

Miss Helen Taylor, daughter of Mr. and Mrs. J. A. Taylor, Lehman, was selected as Farm Bureau Queen Monday night, September 5.

The contest was held on the stage of the Wallace Theatre, judges were Artie Forehand, Hockley County Agent, the Hockley County Agent's Assistant and his wife.

## Legion's District Convention Site To be Brownfield

W. T. Bridges, 19th District American Legion Commander, has announced the convening of the District Convention at Brownfield, Saturday and Sunday, October 1 and 2.

The convention is held each year to plan the program in the district for the coming year. Voting strength of each post is determined by the size of its membership.

Each Legion post is urged to have at least one representative present and as many as possible. The local Jesse R. Bond Post has not announced how many of its members will be present.

## Rainfall Tuesday Adds 1.56 Inches To Areas Total

An already soaked ground received a downpour of 1.56 inches of rain Tuesday. The rain starting about 9:30 Tuesday morning continued throughout the day and intermittently during the night. Unofficial temperature readings were 42 degrees at nine o'clock Tuesday morning.

Rains ranging from less than one inch to 3 1/10 inches were reported for Morton and Cochran County from last Tuesday through Sunday morning.

Pat Hatcher, who has 400 acres in cotton just out of the city limits northeast, reported a rainfall of 3 and 3/10 inches on his place last week.

Unpaved streets of Morton were still wet Monday from Saturday's downpour.

Master farm headquarters west of town reported about an inch of moisture received during the week.

Grain and cotton crops in general are looking good all over the county. Gins here are all set to go and Cochran County's first bale of cotton was ginned last week-end.

## COMMUNITY SING-SONG FOR PUBLIC SCHEDULED AT FIRST MISSIONARY BAPTIST CHURCH

Community sing-songs, to which the general public is invited, are being held here at the First Missionary Baptist Church every third Sunday. The second singing will be held Sunday afternoon, September 18, 2:30 o'clock.

## Lindsey Brothers Conducting Pig Feeding Contest

The Lindsey Brothers, Purina Dealers, are conducting a pig feeding contest at the Lindsey Feed and Seed Store one block west of town on Washington Street.

The two pigs, Mike and Ike, full blooded Durocs were bought September 5 at the age of three months. They have been placed in separate pens at the store, where they eat at will. Mike is being fed on Purina Hog Chow and Ike on wheat shorts and ground grain.

The contest is sponsored nationally by Purina manufacturers to prove the superior qualities of Purina feed over ordinary feed.

The pigs will be kept at the store about 90 days and a record made of food consumption and weight gains. The pigs are weighed every 15 days.

Everyone is invited to visit Lindsey Feed and Seed Store and watch the progress of this feeding contest.

Mr. Pete Lindsey has intimated that the two pigs may be "given away" at the end of the feeding period.

## Dr. V. L. Lawson Winner in Local Golf Tourney

Dr. V. L. Lawson was declared winner of a golf tournament held at Morton Country Club last Sunday and Monday afternoons. In the Championship flight runner-up was Morris A. Silvers, T. L. McAlister received the consolation award.

First flight winner was Tip Windom with David Todd as runner-up. Lefty Bowman took the consolation.

Capt. Bob Lively was first winner in the second flight with Harvey Hammonds second.

In the third flight L. F. Hargrove took first place with Jack Russell runner-up. Earl Crum and M. C. Ledbetter tied for consolation.

MR. and MRS. G. G. NESBITT visited friends and relatives in Hobart, Okla., last week-end.

## MORTON INDIANS TO FACE STRONG LITTLEFIELD WILDCATS FRIDAY IN FIRST CONFERENCE PLAY

A man sized job, that of cutting down Littlefield for their first conference victory of the season, faces the Morton Indians Friday evening in their first venture away from home this season. The Indians, with two very important victories already chalked up against non-conference competition, are expected to go all out in quest of their first District A triumph in 2 seasons.

The odds are all against the local boys with strong Littlefield regarded as a title contender and Morton rated only an also ran chance. For Coach Crawford it will be a rugged assignment indeed to tune his boys for what may be the hardest battle of the season. The pluck, fight, and will to win will be needed more than anything else to take the place of little experience.

Morton will be outweighed heavily, possibly as much as 25 lbs. per man, but the local fans will be banking their hopes on the rapid advancement of play caller Sonny Burns, cast runners Johnny Green and Clifford Wall, and line crashers Jimmy Coats and Don Baldwin.

A Morton victory would give the local team a 3 game winning streak, its longest streak in 7 years, and also would assure them of their best overall season record in 4 years.

The tussle is the first of two straight battles away from home with the Indians venturing to Tahoka the following week before entertaining Seagraves at Morton in the 3rd home fray.

Coach Crawford can promise nothing from his still green team that has impressed local fans in their two previous triumphs. He definitely believes that with a few breaks the Morton team has a good chance for victory. The boys also "know they can win."

Encouraged by two pre-conference wins Morton football fans are expected to make the trek to Littlefield Friday night in whole hearted support of the Indians when they meet the Littlefield Wildcats in the seasons first conference game.

The Wildcats defeated Roscoe Plowboys last Friday night but had lost the game played September 2 with the Dalhart Wolves at Dalhart.

## C. C. Reynolds, Prominent Citizen And Civic Worker, Died Tuesday

C. C. Reynolds, 47, prominent businessman and civic leader of Morton, died here at his home Tuesday morning.

Clyde, as he was affectionately known, had been critically ill for three weeks. He was brought home from Baylor Hospital, Dallas, last Thursday where he had been hospitalized for medical treatment and the surgical removal of a tumor on his left shoulder. Prior to August 1, Mr. Reynolds had complained of frequent "headaches" but had carried on with normal activities.

He was an ardent sportsman and enjoyed fishing, hunting and golfing.

Mr. Reynolds had been a member of the Volunteer Fire Department since moving to Morton. He was a Mason, member of the First Baptist Church, director in the Chamber of Commerce, and former member of the local Lions Club. He took an active interest in all civic improvement programs and gave liberally of his time and money to all worthy causes. He had recently been appointed area chairman of the National Automobile Dealers Association.

Mr. and Mrs. Reynolds and their son, J. C., moved to Morton in 1934 from Shallowater, Texas. He was owner of Morton Motor Company, and other business property. He established the first car dealership in Cochran County.

Survivors beside his wife and a granddaughter, Pamela B. Sullivant appointed new city policeman.

Mr. and Mrs. R. B. Sullivant of children, Inez, 12, and Willie, 2 1/2, have moved to Morton and are living in one of the new houses east of the hospital.

Mr. Sullivant is city policeman, appointed to that office recently by the City Commission. He has eight years experience as a law enforcement officer and came to Morton from Brownfield where he had been with the police department of that city for months.

## Cochran Farmers Invited to Attend State Experiment Station Field Day

Next Friday, Sept. 16 is Cochran County field day at the State Experiment Station, 3 miles east of Lubbock, advises County Agent Homer E. Thompson. All farmers are invited to attend, bring lunch; cold drinks will be available at the station.

Tours will be made to see what the station is finding out for good farming practices. It will soon be defoliation time for storm proof cotton, and farmers will get to see the latest results of new defoliation material which has been applied. Other things of interest will be irrigation practices on cotton and grain sorghums. Methods of applying the water and frequency of application, cotton breeding, improvements of

varieties and yield of these varieties in past year. The same results will be given out for grain sorghums. Insect control and methods for controlling insects, showing results on the spot.

All farmers who are to continue tilling the soil should by all means make this field day tour, as it will be worth while, advises the county agent. "I hope that it is possible for all to make this fact finding tour strictly for farmers," Thompson concluded.

### VISITED IN ESTANCIA, N. M.

Mr. and Mrs. English Cox and daughter, Minnieola, visited over the week-end in Estancia, New Mexico with the Alvin, John and Ed Ingie families.

## Carter Receives \$534.00 and Other Prizes for Bringing in First Cotton

G. W. Carter of Bledsoe who brought in Cochran County's first bale of cotton received \$534.00 in cash as well as a subscription to the Ft. Worth Star-Telegram and car wash and grease job as an extra bonus for producing the seasons first cotton.

H. H. Scott, Star-Telegram representative for this area, donated the subscription and Miller Motor Company gave the free "wash and grease" job. Firms and business men contributing cash were Cobb's Dept. Store, Childs Men's Store, Rays Hardware and Furniture, L. A. Several business men were out of town the day the contributions were made up.

MR. and MRS. BOB J. RHYNE, who were married here September 1, are at home at 108 Pierce Street.

## County's First 1949 Milo Maize Cut By Troy Hanson, North of Morton

Troy Hanson, farming three miles north of Morton cut the first of Cochran County's Milo Maize Monday morning.

The maize, fully matured, weighed 62 pounds to the bushel.

### MRS. J. A. VERNON, GRACIE RETURN FROM DALLAS VISIT

Mrs. J. A. Vernon returned home from Dallas where she was a guest of her daughter, Mrs. Hazel Packenius. Gracie Vernon returned home with her grandmother and is visiting this week in Denver City with her brother, Oscar and Mrs. Vernon. Another guest in the Oscar Vernon home is her mother, Mrs. Cook of Shamrock, Texas.

### District Contestant

Miss Taylor was a contestant in the Farm Bureau district contest held in Lubbock Wednesday, September 14. Expense of the trip was paid by the County organization. Winner in the Lubbock contest will receive an all-expense trip to the state convention in November. State winner will receive an all-expense trip to New York City. The bureau is holding 25 bi-district meetings throughout the state between September 6 and 21.

At the Lubbock meeting President Walter Hammond reminded farmers of the saving of \$45,000,000 which has resulted from the organization's efforts during the wheat crisis alone.

### CAPT. AND MRS. BOB LIVELY TO SACRAMENTO, CALIFORNIA

Captain and Mrs. Bob Lively and son, Robert, left this week for Sacramento, California. Mrs. Lively and son have been here several months with her mother and brother, Mrs. Hattie B. Spotts and Fred Saunders. Captain Lively has been stationed with the army in Washington D. C. until the new California assignment.

### VFW WINNER IN LAST HALF SOFTBALL SERIES

The last half of the softball series was played off here Monday night at Slaughter Field with the VFW team winners by a close margin. The score was 11 to 10 when the VFW team slugged it out with Lehman.

## Lions Get Pep Talk From President Todd at First Meeting of Season

David Todd, president of Morton Lions Club, in speaking to members Wednesday said, "the street marking project has not progressed with the enthusiasm expected when we first started the plan of numbering houses and marking streets, home owners seem anxious for the numbers but Lions have fallen down on the selling job, we hope that with resumption of meetings the drive will get started and finish

ed within record time."

Murray Crone, chairman of the project asked that all Lions meet Wednesday afternoon, September 14 around 5:30 at Ramby's Pharmacy for the purpose of reorganizing the committees and making further efforts to sell the numbers.

Several songs were sung preceding the luncheon, led by P. B. Ramby, Fred Dunforth accompanied. Pledge to the flag was given

in unison with J. B. Knox giving the invocation.

Guests introduced were Dr. N. A. Monk, R. W. Kelly and C. V. Singleton of Seminole, Fred Danforth and Mrs. Carl England were the other guests.

Members present were: Lloyd Miller, Tom Arnn, Jr., Paul Goodman, J. S. Harrison, Lloyd Allsup, Murray Crone, J. W. McDermott, M. C. Ledbetter, Carl Ray, E. L. Willis, W. J. Weaks, Van Greene,

## Rat Killing Now In Progress in Cochran County

A rat killing campaign is now in progress in Cochran County, advises County Agent Homer E. Thompson. Those farmers who get their name on the list in time that need this service may get the Extension Rodent Control man, Carl Jacobs, out at their farm to assist in this work. Several applications have been made at the county agent's office.

Mr. Jacobs said, "This county is one of the worst infested that I have ever seen. Grain storage will be a problem where no control methods are used on some of these farms."

County Agent H. E. Thompson urges those who need rat control service, to take advantage of this service.

## "Take Me Out to The Ball Game" to Show at Wallace

With the excitement and color of a big-league ball park as its background, M-G-M offers an infectious new Technicolor musical in "Take Me Out To The Ball Game", showing Sunday and Monday at the Wallace.

Its stars are Frank Sinatra, Esther Williams and Gene Kelly, with Betty Garrett, Edward Arnold and Jules Mueslin (the comic waiter of "Easter Parade") in supporting leads, which in itself is a guarantee of home runs in song, romance and laughter. And "Take Me Out to the Ball Game" has all three in a big way.

The fun revolves around two members of a ball team whose owner unexpectedly arrives in Florida to supervise spring training. Shortstop Kelly, First Baseman Mueslin and Second Baseman Sinatra, who form the outstanding infield combination, are all prepared to put the owner in his place but they hadn't reckoned on its being a girl. It's Esther Williams, of course, and she proves not only curvaceous but able to put over a mean curve on the diamond. When Esther starts laying down the law about training rules, etc., Kelly tries to win her over with some smooth hoofing and some even smoother romancing. Meanwhile, it's bashful Sinatra who finds himself hopelessly head-over-heels in love with the team's beguiling owner.

### SON BORN TO MR. AND MRS. JOHN GOSWICK SEPTEMBER 6

Mr. and Mrs. John Goswick of Morton are the parents of a son weighing 9 pounds, 4½ ounces, born at 6:01 p. m. Tuesday, September 6, in Lubbock Memorial hospital. The father is deputy sheriff for Cochran County.

## Riding Circle Around Whitefaces

by Art. N. Wall

We are short on news concerning homefolks this week. It seems that the opening of school has stopped even the week-end trips so that Johnny or Hilda will be fresh for school on Monday morning. Every parent I suppose is like the wife and I. When the boy comes home from his first day at school we look over all the books that were issued him. We examine his first graded lessons closely, and we ask him countless questions. Our weakness is that we do not keep this interest up all through the school season. It appears that when school opens the child is the parents but as school continues on through the season the child is gradually handed over to the school. More home interest in the child and school would certainly help a hard trying teacher.

Mrs. Sweeney has charge of the school cafeteria this year. The fine looking meat that Mr. Lyons was cutting up for the cafeteria the other day shows that the kids are getting some pretty good eating.

Mrs. Gerald L. Crupper spent the past week visiting her mother and father who reside near Borger, Texas.

We have a young man who by his actions is going to live here in the Stanolind Mallet 'G' camp for awhile. Anyhow he hasn't tried to get up and run off. He seems perfectly satisfied with his surroundings but I understand at night he does most of his "beefing" about conditions in general. This young chap is Junior Stockton. He was born last Sunday the 4th at 3:00 P. M. at the West Plains Clinic in Lubbock. He is the son of Mr. and Mrs. John L. Stockton. John said that everything would have been O. K. but when he came home to the Mallet 'G' camp from Lubbock after the son was born there was his dog with eight puppies. Mr. Stockton claims that this is just too much all in one day.

Some of the farmers claim we do not need this rain but lots of sunshine to bring this cotton out. The ducks are "going over" early. This is supposed to be a sign of an early and hard winter.

When coming home from work Thursday, September 8th, off towards the south, the other side of the Slaughter Field Gasoline plant, was one of those tornados. I set in my car and watched the thing for awhile. I had read somewhere that tornado seasons were over. Ever who published that statement should have seen this one. Soon this one rose and then tried to form again. It was lucky for we people it did not form again but past over. There was very little damage from this tornado but radio station from Amarillo to Midland and on to San Antonio reported that we had one.

A man who is well thought of by all who know him is Mr. L. L. Bechtol, superintendent of the Stanolind Oil and Gas Company, production department, Slaughter area. Mr. Bechtol retires the last of October. He came up the "hard way". Through roustabouting on to driller, all the jobs on to his present one. Always patient, never in a hurry, a fellow who likes to visit and talk with all the men. He knows nearly all the boys by their first name. Hunting and fishing is his favorite sports. He has made big game hunts to Alaska and other

places. Photography is another hobby. He has some wonderful movies he has made on hunting trips. In a talk to a few of us boys on Friday afternoon the 9th I left Mr. Bechtol with this thought—and I feel that this impression is right, for I have known him since 1921 and that is Mr. Bechtol does not want to retire. He would rather be with us boys than take retirement. We may all look forward to retirement but when it comes it is not easy to leave people whom you have associated with over a great many years.

I did not make my Estancia trip that Mr. Howard Brown and myself had scheduled for September 3rd and 4th. Mr. Brown had to go to Lubbock on September 3rd and I accompanied him. A Saturday spent in Lubbock is like facing a football team all alone—you feel heat all to pieces when evening comes. Here after I will take Morton on Saturdays. You can at least go into any of the business houses and set down and rest your weary feet and too, not have a crowd of people to push against all day. It seemed I walked a thousand miles in Lubbock. Why I don't know. Just a country boy in a large town, I guess.

Each week I receive the Buffalo Bulletin. This paper is about the size of our Morton Tribune. It is printed in Buffalo, Wyoming. Like the Morton Tribune it is published weekly. The Buffalo Bulletin on August 18th celebrating sixty years of continuous publication. In the August 18th edition it printed 44 pages of current and historic news. The historic news was re-printed from the

Tribune, Morton, Cochran County, Texas, Thursday, Sept. 15, 1949

### MR. AND MRS. EDMUND IRWIN RETURN TO INDIANAPOLIS

Mr. and Mrs. Edmund Irwin and son, Michael, left early last Friday morning for Indianapolis, Indiana, where Mr. Irwin will resume studies at Butler University.

Mr. Irwin's parents visited in Morton briefly, arriving here Thursday from a tour of Texas and the Ozark region of Arkansas.

Mr. Irwin has been employed since June by the Morton Tribune.

Members present were Mesdames: C. M. Cravy, Ermon Miller, Wendell Watson, J. A. Gowdy, M. C. Ledbetter, E. L. Willis, Joe Gipson, Reba Farmer, Fred Danforth, Frank Barker, Hume Russell, Miss Lavern Mullins and the hostesses.

### A. C. Ward Donates Follies for Drawing At Gaines Fair

Four blooded follies will be given away to children between the ages of 10 and 18 at the Gaines County Fair, to be held in Seagraves, October 6, 7 and 8.

A. C. Ward of Seminole, formerly of Cochran County, has donated these four fine animals. Officials of the Gaines County Fair and Livestock Association have disclosed that these animals will be given to the four children who are winners at the fair.

Plans for the drawing and for the distribution of cards to the children of the county have not been fully made in all particulars. It is contemplated that tickets will be distributed to children through merchants all over the county in advance of the fair itself.

### FAMULINER COMMUNITY NEWS

By Mrs. O. D. Chesshir

The Good Neighbor Club of Famuliner Community met Tuesday night, August 30 in the home of Mr. and Mrs. Woodrow Cunningham.

Mr. Key, chairman, presided for the meeting; at which time a soil conservation program was discussed. The members voted to sponsor a speaker on soil conservation for sometime within the very near future.

Funds derived from games of "42" played during the evening activities were added to the club treasurer.

The financial committee presented several suggestions for fund raising, with monies acquired to be used in construction of a community recreation center.

Coffee and cake was served to Mr. and Mrs. Johnny Brooks and family, Mr. and Mrs. Paul Byrd and family, Mr. and Mrs. O. D. Chesshir and family, Mr. and Mrs. Ralph DeBord and family, Mr. and Mrs. Rex Faulkner and family, Mr. and Mrs. Richard Key and family, Mr. and Mrs. N. H. Steed and family, Mr. and Mrs. Lynch and Mr. and Mrs. Cunningham.

Mrs. Woodrow Cunningham, who was celebrating her birthday, was serenaded by the group singing, "Happy Birthday" and presented with a box of gifts.

Program for the September 27 meeting in the home of Mr. and Mrs. Frances Cunningham has not been announced.

Mr. T. C. Richardson of Dallas visited Wednesday with Miss Manley and officers of the Famuliner Community.

Mr. Richardson is associated with the Farmer Stockman magazine. He complimented the officers on their fine start and hopes that every family in the community will be attending these meetings before the contest closes in March, 1950.

We feel honored that Mr. Rich-

Last Tuesday Mrs. S. W. Hawthorne came in to give us a bit of news, in tow was her small granddaughter, Jan, who was spending the day with "grandmother" while her mother and father were in Lubbock. Since Jan is almost as "big" as grandmother it was difficult to tell who was caring for who.

★ Have an idea that Jan led grandmother a merry chase—as she is quite a spirited little girl.

★ Such a nice letter from Charles Graham stationed with the army in Japan. Included in Charles letter was a check on the local bank. It was scorched around the edge so must have been in the

fire that practically consumed everything in the bank here about three years ago. Imagine the traveling that little piece of paper has done!

★ Charles, the son of Mr. and Mrs. G. A. Graham of Ruidoso, wrote:  
Eta Jima, Japan  
25 August 1949

Dear Englands,  
Enclosed you will find a check that will cover the charges for the renewal of my subscription to the Tribune.

I look forward to receiving the paper and even tho it is almost a month old when it arrives, it is still news to me.

I was happy to learn that the paper won a prize this year. I sure showed it off that week. A lot of my buddies enjoy reading the Tribune and I find that by comparing it with some of the papers they receive from the States, it is far better in many respects.

I will close now, looking forward to receiving the Tribune some more.

Cpl. Charles E. Graham  
18311059, Hq. 7th Inf. Div.,  
(G-3) APO 7, c/o Postmaster  
San Francisco, California.

★ The Grahams formerly lived in Morton and another son, Bobby, worked here with us. Bob is stationed with the Marines some where.

★ G. A. Graham, Jr., his wife and small son, Andy, live here, as do two of the sisters, Mrs. Babe Vandlingham and Miss Mary Graham.

★ What with all the weddings, parties etcetera last week we were certainly busy on the writing end. Had pictures too but most of them arrived too late for use in last week's issue.

★ Mrs. Albert Morrow and her spouse have just finished redecorating their home. Have all-over carpeting in the living room and hall—very pretty.

★ The Morrow home took a beating last winter during a freeze. Albert was in the hospital and she had been to see him and when she got home a pipe had frozen and burst, practically inundating the house. She said she opened the door and everything inside came floating out.

★ The roses at Vagabond House haven't been doing any too well this summer. So we took a plant specimen to the clinic to be diagnosed. We were told "the plants are suffering from a vitamin deficiency, use more sulphur

and copperas worked in the soil around the bushes, water ground around plants, do not spray". What no malasses?

★ Anyway this is encouraging—we too, have sort of turned brown around the edges—had just about become reconciled to the fact that it was caused by "advancing" years—now have decided maybe we too are suffering a nutritional deficiency and have doubled the dosage of vitamin consumption.

★ Front of Minnie's Shop underwent a "face-lifting" last week. New plate glass windows installed and floors in the show windows lowered. Nice improvement.

★ Mrs. C. B. (Bennie) Smith wrote from Ft. Worth, asking for that mayonnaise cake recipe. Couldn't remember when we'd used it so searched through all the files and finally located it. She said, "It is a delicious cake but I've misplaced my recipe." Just wonder if it could have possibly been as misplaced as ours was?

★ That is remindful—we thanked Roger Southall for hunting up a mat we wanted that had been used in Avalanche-Journal and he said, "Oh, think nothing of it—it's simply nothing, all I had to do was go down in the basement and search through a years old files to find it." Poor Roger—Poor anyone who has to hunt for things in a newspaper office.

★ If Roger didn't have such a fine disposition we wouldn't dare say all these things about him. The spouse is another who doesn't call our hand when we quote him as saying something that he wouldn't say even if he thought it.

★ We were all set to be big and brave about Eddie's leaving but Friday morning when we arrived at office and found his farewell note we felt like putting black crepe on the door.

★ Incidentally Eddie asked us to "thank" all of Morton for the many kindnesses shown him, his wife, Dot, and their little boy, Michael. Personally we think the Irwins three, more than contributed their share.

★ They say:  
A dress  
May impress;  
But a sweater  
Is better.

## Automen Win 9-7 Tie for 4th Spot; Will Face Texaco

Fighting back tooth and nail for a last chance survival, the Dodge-Plymouth nine reached a climax in their comeback trail by hanging a 9-7 defeat on VFW. The victory left them knotted with Texaco in a 4th place tie. It qualified them to face Texaco in a battle for undisputed 4th place and the right to enter the playoff.

Carl Kernell, DP hurler was the hero of the fray in setting down VFW with 6 hits and blasting a two run single himself. Balko collected 3 hits in 4 trips and drove in 4 runs.

VFW, already assured of a playoff spot, lost a chance to play Texaco in the opening play round while the top two teams would have battled it out for the other final berth. Now VFW must defeat leading Enoch's to advance to the finals and then probably meet Lehman.

Harold Pollard, with possibly two more straight games to pitch, refused to bear down and the Automen raked him for 11 bingles including Balko's homer. Babe Vanlandingham got half of the VFW hits with two doubles and a single. Harold Pollard slammed a 3-run homer.

Each team made two errors in an exceptionally clean game unmarred by any arguments.

## Lehman Cops 7th Circuit Triumph For Second Spot

Lehman's heavy hitting Warriors, picked by many as the team to beat in the City Softball Playoffs, showed their true strength in closing their regular season schedule with a resounding 32-4 victory in 5 innings, over an impotent West Side crew.

Blasting Jim Hill and Bill Markham for 23 hits, the Warriors pushed across 6 runs in the 1st inning, 7th in the 2nd, 8 in the 3rd and climaxed their scoring with an 11 run blast in the 4th. They batted around in each of those innings. In the 5th frame they went out 1-2-3.

Lefty Hall hammered out 4 hits including 2 triples to lead Lehman. E. Hall, Thompson, and Johnson collected 3 hits apiece. Thompson on the mound for Lehman coasted to a 7 hit triumph, the Warriors saving Lefty Hall for the playoff.

Melvin Crawford, Head Football Coach for Morton Indians, who have chalked up two pre-conference victories. Friday night's upset, a 27-0 win over O'Donnell in the face of predictions that the Indians "didn't have a chance" puts new life into the Indians for the conference games.  
This is Crawford's second year with the Indians. He is assisted by Herman Raepfelt, line coach and Bill Hartgraves, junior high coach.

MORTON INDIANS FIRST STRING. Reading from left to right: Royce Smith, Jimmy Chapman, Ted Wood, James Dewbre, Curt Rathbun, Bo Allsup and Waydelle Hill. Back row: Clifford Wall, Don Baldwin, Jimmy Coats, Lanar Burns and Johnny Green. The Indians play Littlefield Friday.

## VFW 12 Hit Attack Pace 7-1 Win In Opener of City Softball Finals

Coming back to pitch his second game of the night after hurling 5 innings against Dodge-Plymouth, Lefty Hall just didn't have his stuff against VFW and the Vets copped the 1st game of the finals 7-1. The victory put them one up in the finals with the deciding games set for Monday. If the Vets take the next game it will be all over but if Lehman wins, a second game Monday night will decide the crown.

Hall was touched for 12 hits by VFW, four men garnering two apiece. There can be no doubt that some of his trouble must have been due to the long pitching although the Vets got all their runs in the 1st 3 frames and then settled down to play steady ball afield.

The Vets, probably the best fielding team throughout the season, again turned in a good game afield with a major share of the credit going to third baseman Lloyd Pollard with 4 sparkling plays at the "hot corner."

Lloyd's brother, Harold Pollard, again pitched great ball in setting hard hitting Lehman down on 6 hits. He fanned 3 men and walked but one. All of the Lehman hits were singles.

The Vets collected 4 doubles, 8 singles and capitalized on 3 Lehman errors. Burleson and Irwin each got a single and a double in 4 trips.

## Morton Indians Victorious in Second Preconference Game Over O'Donnell

Morton Indians scored their second victory in pre-conference football when they downed the O'Donnell Eagles with a score of 27 to 0 on the local gridiron last Friday night.

Playing on a water soaked field the Indians scored in every quarter. A down pour of rain at the half sent fans scurrying to cover but the hardier ones returned to the stands as play started on the second half.

The Indians were in complete domination throughout the game, scoring the very first time the ball came into its possession. Clifford Wall climaxed the first drive on a 15-yard run for the touchdown, and Veryl Webb kicked the first of three conversions, in the first five minutes of the game.

The Eagles from O'Donnell were never able to get started, being rushed by the Morton line, and they did not score a single first down compared to 18 for the Indians. Fumbles were frequent, and a light rain fell intermittently throughout the encounter.

The second score came on a drive of 50 yards, with Jim Coats carrying over for the marker.

A spectacular 80-yard run over the left side by Don Baldwin was the biggest thrill of the night in the third quarter. Lanar Burns passed to Royce Smith for a 27-yard gain in the fourth quarter to set up the final tally and he then hit Waydell Hill for 15-yards and

the touchdown. Outstanding defensively were Jimmy Chapman, Ted Woods and Clarence Moore. The whole Morton line played good ball.

Morton Indians and several hundred fans will make the trip to Littlefield this Friday night for the season's first conference game. This game is anticipated as one of the Indian's toughest encounters. With two overwhelming victories to their credit, it is entirely possible that the tough Indians may bring home the Littlefield Wildcat's scalps.

## Carl Kernell's One-Hitter Gains Dodge-Plymouth Playoff Spot, 13-1

Dodge-Plymouth stamped themselves as the dark horse team of the Playoffs as Carl Kernell hurled them to their 4th straight win, a 13-1 victory over Texaco that put the Automen in the Playoffs.

For Kernell it was a 1-hit hurling effort giving him the impressive record of allowing just 7 hits in the last 2 games. It was the 2nd time this season heavy hitting Texaco has been set down on one bingle and eliminated them from the playoff.

The Automen banged Texaco hurler Stats Spence at will,

pounding out 15 hits, all but one singles. Marvin Swanner collected 4 hits in 4 trips.

Seven Texaco errors figured heavily in the DP scoring while the Automen were bobbling 5 times. The lone Texaco run was unearned as a result of two DP bobbles.

Dodge-Plymouth won the right to oppose Lehman on the bottom half of the initial playoff bracket. The winner of that game meets the winner of the VFW-Enochs game in a two out of three series for the crown.

## Vets Drop Enochs From Playoff, 8-7; Move Into Finals

In an initial playoff tilt that provided as many thrills as any game all season long, league leading Enochs was dropped from the playoff by VFW's late inning rally which tied the score, and a lone tally in the first extra inning.

The 8-7 defeat was extremely hard for Enochs to swallow after they had led most of the game and went into the last half of the seventh inning with a 7-5 margin. Lloyd Allsup walked to open the 7th and advanced to 3rd on Howard Harris line double to right. Babe Vanlandingham's fly to right plated Allsup and sent Harris to 3rd. Burleson fanned for the second out and Irwin had two strikes on him when Catcher Charlie Van dropped a pop foul that would have ended the game. Harris scored on a wild pitch to tie the score just one pitch before Irwin fanned to end the inning.

Harold Pollard scored the winning tally in the next inning when he walked, advanced to third on a single, and scored on a bouncing ball to short.

For Pollard it was a great game to win. He scattered 7 hits throughout the 8 innings, only one in which more than one Enochs man hit safely. Pollard fanned 6 and walked two. Johnny Vandevanter out-pitched Pollard in defeat. VFW was able to obtain only 4 scattered hits; 1 in the first 5 frames. It was errors, walks, and passed balls that cost Enochs the ball game.

## Lehman Goes Into Finals with Strong 19-5 Rout Over DP

## McMurry College Set for Toughest Gridiron Schedule

Forty-five football candidates are going through twice-a-day workouts at McMurry College as the Indians prepare for their toughest schedule in history.

McMurry opens with the University of Tulsa there Sept. 17.

Coach Wilford Moore's squad, numerically small, includes 16 lettermen. His starting line is expected to average 212 pounds; his starting backfield, 192.

Seeking his third straight Texas Conference championship, Moore expects a lot of trouble from all league members. "They are all considerably improved," he points out. Moore figures his Indians will be stronger also, but not to the degree that his opponents will probably be.

Following the battle with Tulsa, the Indians go to Canyon to meet West Texas State of the Border Conference Sept. 24. Then they play the state's strongest independent, University of Corpus Christi there Oct. 1.

Smashing out 15 hits, 3 of them for extra bases, the Lehman softball nine powered their way into the City Softball Championship finals Thursday night with an overwhelming 19-5 triumph over Dodge-Plymouth.

The victory put the Lehman team in the championship fight. Lehman battered Carl Kernell, DP hurler at will in the early innings and sewed the game up in the second inning with a 6 run blast. They capitalized on 12 DP errors and exactly the same number of runs were unearned because of that.

Lefty Hall scattered 7 DP hits over the short 5 inning route. His mates behind him committed only two errors. Hall also aided his own cause at the plate with 3 hits in 3 trips to the platter. He scored 4 runs and batted in 2 more. E. Thompson also collected 3 hits. Monk's triple was the long blow of the game for Lehman.

On the DP side of the ledger there was little rosy. Kernell pounded out a triple for the long hit but Lefty Hall was tight in the clutch and left 9 base runners stranded.

**Sure You Haven't A "Blind Spot"?**

As I was driving down Main Street last Saturday, another car swung out right in front of me. It turned out to be Buck Blake. He wasn't going fast. It was just that he had something else on his mind at that particular moment.

Buck's really one of the nicest fellows I've ever known. But, sometimes he gets to day-dreaming on the road. He sort of gets a "blind spot" to what's going on about him!

Now, lots of normally considerate folks have their "blind" spots.
