

Cotton Guessing Contest Promotes Much Interest

A cotton guessing contest sponsored by the Morton Tribune has promoted quite a bit of interest with guesses ranging from 30,000 bales overall production to 60,000 bales.

The contest closes Saturday, October 1. Any one interested in entering the contest may do so by card, letter or coming in the Tribune office.

The person guessing the nearest total bales of cotton ginned in Cochran county will receive a three year subscription to the Tribune. Second prize will be a two year subscription; while the third guess rates a one year subscription.

Field Inspection Tour last Wednesday included the A. C. Chesher Ranch, located on rocky field, this land was seeded to native grass in 1946, under supervision of CYT Soil Conservation District; adviser

W. W. Smith, district supervisor. Homer E. Thompson, Cochran County Agent, is pointing out the growth of side cuts gamma and blue gamma which seems to predominate in this spot.

Note seed on grasses matured. The rocky soil is spongy, which shows that grass roots build up the soil by increasing water holding capacity and humus in soil.

Lloyd Miller on Field Day tour of Cochran County, Sept. 21, sponsored jointly by CYT Soil Conservation District and County Agt. H. E. Thompson.

Note there are no spindly stalks of cotton where effective flea hopper control has been done. Note the many lateral branches with several grown

cotton bolls on each branch on the lower portion of each cotton stalk. Approximately 90 farmers and business men made the Field Tour.

County Field Tour Made Wednesday By 90 Farmers and Business Men

Wednesday, September 21, a county-wide tour was held for business men and farmers of Cochran County. The educational tour was sponsored by the C. T. Soil Conservation District and the County Agricultural Agent, Homer E. Thompson. This was a result conservation tour showing demonstrations of the operators of the S.C.S. and Extension Service. The tour was well attended with about 90 to 100 farmers and business men making the tour.

Included in making this trip were E. C. Wynn and W. W. Smith, C. Y. T. District Supervisors, Dick Perry, District Soil Conservation Supervisor, Fred Collins and Gordon Howton, local soil conservation technicians, H. E. Sprawls, County Agricultural Agent of Yoakum County, and County Agricultural Agent Homer E. Thompson and many others.

The first place visited was the Elm tree windbreak on Charlie Taylor's place, 2 miles north of Morton. At A. C. Chesher's place we saw native grasses planted in 1946, 1947, and 1948, with side cuts and blue gamma grasses predominating as well as sand and weeping love grasses. Many farmers on this tour expressed

their views as hoping to see more of this on the blow-sand farms in the county.

George Haskins, the third place visited, we saw permanent pasture which was planted in May on land that was bench leveled. Much interest was expressed at this site because of the productivity of the land on the steep slope.

Mrs. Valentine's place at Whiteface was the fourth place visited. We saw dry land cotton which had flea hopper control on the 4th day of July and on succeeding dates. This site brought out the many stalks of cotton with loaded branches which is not frequently seen in this county.

The fifth place, W. P. Houston's, showing weeping love grass planted in 1949. This had had weed chemical control applied at a later date to show its effectiveness. Grass was in excellent condition and green and ready for frost to make it cure.

This again opened up the eyes of many farmers on the tour demonstrating what we can do in Cochran County on Soil Conservation.

The last two places were C. P. Drennan's and C. B. Evans'. Both of whom sprayed effectively for flea hopper and climbing cut worms. Both Mr. Drennan and Mr. Evans' have done an excellent job and believe both will be in the high bracket when ginning time comes.

One farmer expressed his opinion as; the trip was worth seeing any one of the places visited.

County Agent Thompson was gratified to see such a turnout to observe this type of work and feels sure that the crowd would have been double if District Court had not been going on at the same time.

Similar trips will be arranged for next year, advises the county agent. The county agent will endeavor to publish the yield of the fields visited so the farmers making the tour can get the final results of the tour.

MORTON, COCHRAN COUNTY, TEXAS, THURSDAY, SEPT. 29, 1949.

NUMBER 3L

Neal H. Rose Buys Western Auto Associate Store from Wolfenberger

Change in ownership for the Western Auto Associate Store has been announced by the new owner-manager, Neal H. Rose.

The store was purchased recently from Alvin Wolfenberger, who has accepted the position of school principal at Plains, Texas.

The Western Auto Company is famous for its home-owned and operated associate policy. The store is located in the Evans building one quarter block east of Piggly-Wiggly.

Mr. Rose emphasizes that "we are going to be the friendliest store for folks in Cochran County. We welcome old patrons of the store and invite new ones to come in and take advantage of

Friday's Football Game to be Aired By Station KLVT

The Morton Indian versus Seagraves Eagles football game will be broadcast from the local field here Friday night by radio station KLVT.

The main broadcasting station located in Levelland will have a special leased wire from Morton. Jack Lee, KLVT sports announcer, will be on hand to give a play by play broadcast of the game.

The Indian-Eagle game will be the second broadcast from Morton. The first was the beginning game of the season when the Indians played Witharral here on September 9.

"Trench Silos Mean More Dollars Per Acre", Says Agent Thompson

More grain sorghums per acre than ever produced over Cochran County is about ready to be harvested.

Granaries are costly to build but loan support price on grain sorghums will just about take care of the cost of a new storage place on the farm this year, 1949. That is where combined grain sorghums are stored on the farms. "If farmers are in a tight for money, it is my understanding that Commodity Credit Corporation is now lending money at 4 percent interest, with five years to pay back, up to 85 percent of the value of constructing a granary," said County Agent Thompson.

Now there are other methods of storing grain and fodder which is cheaper and probably better.

That is, Trench silos. For example, at Texas Tech's Field Day Friday, September 23 for Livestock feeders of this area, a trench silo was being filled. Two had been completely filled and three more were on the waiting list.

W. L. Stangle, Dean of Agriculture, Texas Tech, said, "this silo is being cut in the field and it is averaging 24 tons to the acre. The largest yield we have ever received. At \$8.00 per ton value of this ensilage that's \$192 per acre. It is costing us 83c per ton of put this in the silo."

"Now those are some figures," said Agent Thompson, "But a first grader could figure out a net cotton profit per acre won't come close to this silo return per acre this year." If the feed stalks are green, no water need be added. The protein stays in the feed when silaged properly. 80 percent loss in protein when feed dries in the stack. When silaged, there is no protein loss, no waste, no drying out, no sand pile or sanded feed, no rat losses, and trench silos are easy to build and inexpensive. Just build as long as you wish but make the width and depth to fit your herd. See the county agricultural agent for more information if interested.

Lions Sponsored Ball Games Nets \$168.00 for Band

Due to the efforts of the Lions Club and members of the Enochs and VFW ball teams, \$168.00 has been collected toward the payment of the two new Sousaphones recently added to the Morton High school Band, according to Fred Danforth, Bandmaster.

The Lions Club sponsored the ball games and donated the proceeds to be used on the payment of the horns. The Band sold cold drinks, candy, popcorn and coffee at both games amounting to approximately \$160.

The Band greatly appreciates the interest taken by the town people at these ball games and their activities this year," stated Danforth. "And we wish to sincerely thank the Lions Club, ball teams, town people and every person who has helped the band."

This year the band has played all football games and has participated in a parade at Littlefield. Bandmaster Danforth announced that the group will play for the International show to be presented by the E. L. Banks Company this coming Saturday. He also plans to take the band to the Eastern New Mexico University's Homecoming at Portales, New Mexico, Saturday, October 15. This is an event looked forward to by all band members who have attended in either the two past years that the Morton Band was present.

Bargain Days in Morton Again Slated by Stores

Advertisements in this week's issue of the Tribune by Cobbs and St. Clairs Department Stores again announce two big bargain days during their dollar day sales. Dates scheduled are Saturday October 1 and Monday October 3.

These monthly sales have been conducted by Cobbs and St. Clairs for considerably over a year. The sales have proven so popular with the buying public that Mr. Jack Rice, manager of Cobbs and Mr. James St. Clair, Owner of St. Clairs, have decided to continue them.

Customers of the stores are invited to come in on either or both days and look over the sales merchandise on display.

Steak House Adds Spanish Dining Room; Opens Sat.

A modern dining room has been added to the Steak House for the exclusive use of Latin-Americans.

Formal opening of the dining room will be observed Saturday, October 1. Free coffee and doughnuts will be served all day, Saturday to visiting Latin-Americans.

Complete dining service will be offered. The cafe opens at five in the morning and closes at 11:30 p. m.

Lubbock Visitors

Mr. and Mrs. P. B. Ramby and daughter, Barbara, were in Lubbock Wednesday. They attended a merchandise show and the Panhandle South Plains Fair.

Enochs Wins Two Straight Games In Benefit Series

David Todd, Lion Club President, expressed personal thanks for himself and the Lions Club for the wonderful support given them in the softball series played here Thursday and Monday nights for the benefit of the school band.

Todd said, "we appreciate greatly the wonderful cooperation of the VFW and Enochs All Star ball teams in making this event possible, also the many fans who attended the games."

Enochs All Stars won both 9 inning games. The score on Monday night was 7 to 4. While Thursday night game was 11 to 5.

Batteries for Enochs on both nights were Vandeventer and Oden. Thursday night batteries for VFW were Pollard and Winder; on Monday night Kernell joined the VFW as pitcher.

After paying expenses of the two games about \$150.00 was realized, according to Todd, for benefit of Morton Band.

Fred Danforth Opens Barber Business Monday

Fred Danforth opened the Sanitary Barber Shop Monday in the space in Taylor building formerly occupied by The Steak House.

Mr. Danforth, band instructor in the local schools, is a graduate of Eastern New Mexico College. He served three years with the air forces during World War II. Prior to entry in the army Mr. Danforth had been in college for two and one half years. He studied the barbering trade at Amarillo Barber College, following his release from the armed service. He worked at this trade during the remainder of his college studies.

Equipment installed in the Sanitary Barber Shop was moved here from Manitou Springs, Colorado, where it had been stored since Mr. Danforth entered college.

While Mr. Danforth will be in the shop on Saturdays only there are two other well qualified barbers on duty each week day. They are Charley Vandeventer of Enochs and Millard Martin.

Patrons of the tonsorial arts are cordially invited to visit the Sanitary Barber Shop.

Purity of Strain Evidenced on Uniform Height of Grain

Lubbock VISITORS

Mr. and Mrs. P. B. Ramby and daughter, Barbara, were in Lubbock Wednesday. They attended a merchandise show and the Panhandle South Plains Fair.

Bailey County Polio Case Moved To Plainview

Pauline Warren, 12 year old daughter of Mr. and Mrs. L. E. Warren of Enochs, was transferred from West Plains Hospital to Plainview, Texas on September 19 after diagnosis of polio by local physicians.

Pauline, who suffers paralysis of right leg and foot was reported by her parents as in an improved condition this week.

Another child of the Warrens, John Wesley, aged 5, was checked on September 24 by doctors at West Plains Hospital and since symptoms of polio were present he too was referred to the Polio Center at Plainview, Texas.

Both youngsters are reported in an improved condition.

Morton Band

Due to the efforts of the Lions Club and members of the Enochs and VFW ball teams, \$168.00 has been collected toward the payment of the two new Sousaphones recently added to the Morton High school Band, according to Fred Danforth, Bandmaster.

Cochran County Gardens on Parade, Theme of 1949 County Flower Show

"Cochran County Gardens on Parade" is the theme to be used in the 1949 flower show, sponsored annually by the Cochran County Garden Club.

The show, as in the past, will be staged at Veterans Hall. This year the general public may visit the display of home grown flowers and plants on consecutive afternoons, Saturday, October 8 and Sunday, October 9. A complete schedule, rules and regulations for entering the show are given elsewhere in this issue of the Tribune.

Every gardener in the county, whether a club member or not, is invited and urged by Garden Club members to enter the show.

The three flower shows held here in the past have proven so successful and popular that it will probably be maintained as a permanent project by the local garden club.

Of interest to most flower lovers are the special classes for arrangements as well as specimen blooms, potted plants and shrubs.

Clubs and civic organizations also have a place in the show. Too, the juniors have not been overlooked and provision has been made for a number of different exhibits for them.

E. L. Banks Company's Big Farm Equipment Show Slated Saturday

Raymond Ross, manager of E. L. Banks Company, and personnel will implement house here everything in readiness for a big all day International Investor Equipment Show, Saturday, October 1.

International trucks, combines, tractors and other machinery have been moved in and set up and are ready for demonstration by factory trained men.

Refrigeration units, of interest to the housewife, and uses will be shown by a trained home economist at Saturday's meet.

Morton High School band will

provide a program of band music.

Free coffee, cold drinks and ice cream will be served visitors during the day.

Owners of Farm all tractors may secure a free set of spark plugs by driving the machine in to E. L. Banks on the day of the show.

Press representatives and cameramen from International Harvester, Chicago, will be on hand to make pictures.

The general public has been invited by E. L. Bank's Company, to attend the all day show.

Lloyd C. Miller in grain sorghum field during Field Trip last Wednesday. Grain is

of uniform height with outstanding purity of strain. Good seed and water in

Cochran County produce giant heads with easy combining qualities.

INDIANS WIN 30-12 VICTORY OVER TAHOKA

With cooperation from the other ten, Jimmy Coats scored 3 touchdowns, Allsup 1, and Baldwin 1, making a score of 30 to 12 for the Indians against Tahoka in a non-conference play last Friday night on the Bulldog's field.

At the half the scores were 24 to 0. Johnny Green and Don Baldwin had received slight injuries the first half.

After the half Tahoka made two touchdowns but Morton came back for one more score. Beautiful interference was run when Baldwin ran about 44 yards for a touchdown in the first half.

The entire team played exceedingly well. Leon Mills did excellent blocking.

Approximately seventy members of the pep squad attended the game, doing a good job of cheering.

The band performed at the half with drum major Glenda Evans leading them in making a "T" and "M".

Due to bus trouble the pep squad and band members did not arrive in Morton until 4 a. m.

DOWN TOWN

Morton School News

Tribune, Morton, Cochran County, Texas, Thursday, Sept. 29, 1949

Blackley Elected "Lohah" Editor

Beverly Blackley, senior, has been chosen Editor of the Lohah for the year '49 and '50.

Other officers are as follows: Jackie Shipp, assistant editor; Sue Smith, business manager; Martha Willis, assistant business manager; Pat Weeks, feature editor; Jean Alford, assistant feature editor; Patsy Barton art editor; Marvin McDaniel, assistant art editor; Sara-del Lilljedahl, girls sports editor; Peggy Lilljedahl, assistant girls sports editor.

Royce Smith, boys sports editor; Jimmy Coats, assistant boys sports editor; Joye Seane, Nelda Brisco, snap shot editors; Nell Brown, assistant snap shot editor; Ted Wood, Lonnie Allsup, Clifford Wall, N. H. Steed, Corky Evans, Doris McMaster, Billie House, Beth Winder, Joyce Rountree, Imogene Jeter, Senior layout workers.

Jean Alford, Peggy Lilljedahl, Janelle Jones, Barbara Barton, Junior layout workers; Glynn Kennedy, Mike Bolton, Sophomore layout workers; Lamar Burns, Nancy Blackley, Freshman layout workers.

LAMESA'S LOSS IS MORTON'S GAIN

Jeanette Shue, sophomore from Lamesa, Texas, is one of the four new students in our school.

In interviewing Jeanette we find she is a typical high school girl of sixteen. She has dishwater blond hair and light blue eyes.

Jeanette's favorite sport is football and her hobby is collecting poems, likes anything that is good to eat, favorite pastime's are driving a car and going with N. H. Steed.

Speaking for the entire student body we extend a hearty welcome to Jeanette.

BEVERLY BLACKLEY, Lohah Editor

Akin Leads Series In School Paper

Dorothy Akin, daughter of Mr. and Mrs. W. E. Akin, was born on December 21, 1934 in Wellington. She is a senior in good old Morton High School this year and is the first senior of the fifty to have a general write-up in the War Whoop. This is the beginning of a series for seniors.

Dorothy wants to be a secretary after her school days are through. She loves skating and writing although she has been employed at the Wallace theatre for one and one half years. Her favorite subject is typing and if she has any spare time after all her activities she listens to the radio.

Dorothy has been in the 4-H Club for five years and was also an office girl in the high school office one year. Dorothy is 5'3" and is of medium build and get this boys—she isn't going steady.

Seagraves Plays In Local Stadium

Seagraves journeys to Morton for a non district clash next Friday night. The Seagraves starting eleven is on equal terms in weight but the reserve strength is heavier.

The Red and Black Seagraves Eagles are a strong contender for their district with 14 returning lettermen. The Morton Indians are expecting a hard night.

Grade School Highlights

Mrs. Fred Stockdale's first grade has some new students this year. They are as follows: Ronald Sprouse, Paula Havens from Sweetwater; Pete Houghton from Houston, and Patsy Arlene Crutsinger.

The second grade is just about over their colds. Mrs. Williams room won the \$2.50 prize for having the most parents present for the PTA meeting recently.

Section 3-2 has 37 students and they are getting started nicely. Mrs. Cravy's third grade lost the prize at the first PTA meeting because their mothers were not there. We urge every mother who is interested in what we are doing in our room to come to the PTA meetings and talk with Mrs. Cravy.

We were all very happy to have our pictures made on Tuesday.

There are 70 students in the two fourth grade rooms. Mrs. Dorothy Brunson, a new fourth grade teacher, taught in San Angelo last year.

Mrs. Bishop's fifth grade room has a new pupil, Bertha Ray, formerly of White Rock, near Sherman, Texas.

The class has been making piggy banks from papier mache and modeling from clay obtained in Cochran County.

8-1 elected class officers and they are as follows: Rodney Fralin, president; Ruth Redman, vice president; Erma Long, secretary and Marie Hancock, reporter.

The Jr. High Pep Squad was organized last Tuesday. The leaders are: 8th grade, Erma Long and Anna Lois Alford; 7th grade, Betty House and June Scott; 6th grade, Martha Barnett and Arba Deen Taylor.

SEE ANY FORD DEALER NOW!

BEAUTY QUEEN CONTEST SPONSORED AGAIN

The War Whoop is sponsoring its second annual Beauty Queen Contest, according to Sue Smith, editor.

All clubs, classes and organizations are invited to enter a contestant. An entry fee of \$2.00 for each candidate is required. All entries must be in by 9:00 a. m. Friday, September 30. Turn entries in to Sue Smith, editor.

All candidates pictures will be taken individually in formals next week. These photographs will be sent to an impartial judge who will select the high school Beauty Queen and two runner-ups from the photographs.

Tentative plans are for the crowning ceremony and program to be Friday night, Nov. 18, at the high school auditorium.

The journalism class will announce the judge at a later date.

Music Aptitude Tests Given

A Music Aptitude test was given last Wednesday to all students interested from fifth through eleventh grades.

Approximately four hundred took the test, two hundred fifty from grade school, and one hundred fifty from high school. Out of this group Jackie Crowder ranked first with a grade of 98. There were quite a few band students that made 92, 94, and 96, according to Fred Danforth, band director.

FIRST AGRICULTURE MEETING SLATED FOR SEPTEMBER 29

The first Agriculture meeting of this school year will be held September 29, at 7:30 p. m. Officers will be elected for the coming year, according to Mr. Walker, advisor.

All students enrolled in Vocational Agriculture are urged to attend.

New Sousaphones Added to Band

Members of the Morton High school Band are in high spirits this week, due to the adding of two new Sousaphones to the Band department, according to Fred Danforth, Bandmaster.

The two new instruments were first used at the Littlefield football game. They are being played by Melton Jennings and Ronnie Gast and are expected to be a great improvement to the band, since bass horns have been needed very badly.

This year the Band is expected to be the best since it was organized.

Pictures Taken for Annual Tuesday

Paul Benton of Hennington Studios, Wolfe City, Texas, took individual pictures of all the Morton students from first grade to senior class, Tuesday, Sept. 20.

The class officers took individual pictures, and the football boys took pictures in football suits.

EDITORIAL

By Sue Smith

One of the improvements at Morton High this year is a lawn in front of the building. Have you stopped to notice the difference where it has been walked on and where it hasn't?

On the south side of the walk the grass is abundant. On the north side there is a streak from the front door to the road in the direction of the lunchroom that is a sad sight in an otherwise beautiful lawn. What are you doing about it?

Most of us just walk right on across without even thinking. It takes only a few seconds to walk around. You may not be the first in the lunch line or on the bus but please be considerate of that poor grass. Every time you walk on it you practically crush the life out of each little blade of grass. How would you feel if somebody stepped on you all the time? That's the way the grass feels and it's up to you to let it live and help it live by reminding others to "Keep off the grass!"

GOING OUT!

Freshman: "Please, mama, could I go out tonight?"

Sophomore: "May I go out tonight? I'll be home by ten o'clock."

Junior: "I'm going out tonight."

Senior: "Good night, folks. I'll bring in the milk."

Flowers

For a Happy Birthday

It takes three to make a birthday. You, the cake and the flowers.

Remember her birthday always with her favorite flowers. We will deliver them to her whenever and wherever you specify.

Why not register birthdays and anniversaries with us. Then you'll always be sure the right people get the right flowers at the right time.

Lavern Mullins Reviews at Book Lovers Meeting

The lovely home of Mrs. C. H. Mullins was the scene for the regular meeting of Book Lovers. Mrs. Silver's niece, Mrs. Fred Danforth, was hostess.

The president, Miss Lanora Jackson, was in charge of the business session. Miss Marie Mullins' resignation was accepted and Mrs. Lloyd C. Miller stepped in as a new member.

Miss Lavern Mullins gave an enjoyable review of "Especially Father" by Gladys Taber which kept the group laughing throughout the review.

A delightful refreshment plate of coffee, cake, and sandwiches was served to 19 members and two visitors, Mrs. Danforth's small son, and Mrs. Ina Fern Gray.

The next meeting will be with Mrs. D. E. Benham and Mrs. Erwin A. Miller will be the reviewer.

NEAL ROSE returned to Morton Sunday night after a two weeks business trip to Kansas.

BIRTH ANNOUNCEMENT

Mr. and Mrs. R. J. Pemberton of Clovis, New Mexico are parents of a baby girl, Theresa Sue. The baby was born in Clovis, Monday, September 19.

Mrs. Pemberton is the former Joyce Pond. Mr. Pemberton is employed as clerk at the Clovis Post Office.

Maternal grandparents are Mr. and Mrs. J. W. Pond of Lehman and paternal, Mr. and Mrs. James Pemberton of Olney, Texas.

Mrs. Pond spent a week in Clovis with her daughter and the new grandchild.

TECH STUDENTS ASKED TO HELP IN COTTON HARVESTING

Students at Texas Technological college have been asked to help South Plains farmers pick what appears to be a record cotton crop. The students will spend free afternoons and Saturdays in the fields until the crop has been harvested.

NEW EXTENSION CLASSES

New extension classes in education are now being offered in Seminole, Denver City, Seagraves and Levelland by the Texas Tech college extension service.

MAIL BOX

September 24, 1949

Mrs. Ann England
Morton Tribune
Morton, Texas

Dear Mrs. England:
It was indeed a pleasure for the Good Neighbors of Lubbock to meet you and visit with you for a short time during your visit to your fair city last Thursday morning.

You, no doubt, will be interested in knowing that the reception in your fine city was the friendliest encountered by the Good Neighbors of Lubbock during their four booster trips of 1949. This friendliness was exhibited by the adults as well as the youngsters.

Please accept our thanks and extend them to those who helped you to meet and greet us.

Sincerely yours,
LUBBOCK CHAMBER OF COMMERCE,
George Bond, Jr.,
Assistant Manager.

Mr. Carl Williams visiting recently in Colorado overheard a conversation between hunters that prompted him to write the following on the killing of mourning doves.

PROTECT THE DOVE

Editor: Announcement is made that "this is the open season for the hunting of mourning and turtle doves."

It is a disgrace to Texas that these beautiful and harmless birds should be slaughtered at any season of the year; their musical cooing, their symmetrical and graceful bodies are familiar to every bird lover everywhere. I ask what kind of an immature mind can anyone possess who can go out and deliberately slaughter and destroy this beautiful creation of the Great Father of Life?

Doves are unfit for food and even if they were this supplies no alibi for the alleged sportsman, certainly the law should close the open season on Doves and keep it closed now and forever. Let the Doves multiply; for me I'd like for one to light on my shoulder in distress the last few minutes of life. Let us all stop and think before killing one of these birds.

C. B. WILLIAMS,
Box 27, Morton, Texas.

Sept. 25, Tahoka, Texas
The Morton Tribune
Morton, Texas
Mr. and Mrs. Carl England,
Dear Englands,

The enclosed clipping from The Lynn County News shows evidence that football is front page news—even the Bulldogs have lost every game played this season.

We looked the Tribune over from cover to cover and finally found a small schedule of the Indian's games.

After seeing the Indians in action against the Bulldogs, we are convinced they (the Indians) should be front page news, too.

Morton Lions Club Regular Meeting Well Attended

Thirty seven Lions and six guests were present for the regular meeting and noon luncheon of the Morton Lions Club, Wednesday, September 21.

Royce Smith and Ted Woods, captain and co-captain of Morton football team spoke briefly and expressed appreciation to the Lions for support given the school and football team. They were guests of Carl Macon. Other guests were Herman Raepfelt, Melvin Crawford, Mrs. Carl England and H. G. Sprawls, Yoakum County Agent, Plains, Texas.

Committees to assist in the soft ball series were appointed by Lion President Todd.

Members present were: Raymond Strickland, C. C. Armstrong, Paul Goodman, Van Greene, Tom Arnn, Jr., V. L. Lawson, C. A. Baird, E. A. Miller, Herman Crockett, Hume Russell, T. K. Williamson W. J. Weaks, Carl Ray, W. B. Cox, L. W. Barrett, W. C. Wright, Zeke Sanders, Lloyd C. Miller, David Todd, James St. Clair, Roy Hickman, J. S. Harrison, J. W. McDermott.

Murray Crone, R. C. Strickland, E. L. Willis, R. D. Ormand, Fred Stockdale, G. W. Thompson, H. E. Thompson, Carl Macon, P. B. Ramby, Truman Doss, Fred Danforth, Artie Hicks, J. B. Knox and John Goswick.

MR. AND MRS. MARVIN DOSS PARENTS OF A BABY GIRL

A baby girl, weighing six pounds and 14 ounces was born to Mr. and Mrs. Marvin Doss at West Plains Hospital Saturday morning, September 24.

The baby named, Vickie Lynn, is the first child of Mr. and Mrs. Doss. She is the former Joyce Redden. Paternal grandparents are Mr. and Mrs. L. T. Doss and maternal, Mrs. Jaunita Stone of Levelland.

Morton has a very good team and we are wishing them much success.

Yours truly,
The W. K. Smarts.

Wallace Theatre To Show "The Green Promise"

Tapping a really new background for its action, Glenn McCarthy's initial production, "The Green Promise," stars Marguerite Chapman, Walter Brennan, Robert Paige and Natalie Wood in a warmly human story of a farming family and the famous 4-H clubs.

Brennan portrays a stubborn and domineering farmer of the old school, a man who has ruined one farm by his ignorance and who is starting all over again in a new place. Ruling his four motherless children with an iron hand, he tries to break up his oldest daughter's romance with the county agricultural agent, scorns the agent's suggestions for improving his farm, and blocks a younger daughter's efforts to join the local 4-H Club.

How the older girl takes over when Brennan is injured in an accident and sets about straightening out the family problems, makes for the dramatic progress of the plot.

Brennan is said to have one of the best roles of his career. Miss Chapman plays the older girl of the family, with Paige as the County Agricultural Agent. Little Natalie Wood is the younger daughter who finds happiness in the 4-H. Connie Marshall, Ted Donaldson, Robert Ellis, Irving Bacon, Milburn Stone and Jeanne La Duke are featured, the last named being the Mt. Vernon, Ind., girl chosen to play a real life 4-H Club character.

SEAGRAVES VISITORS

Mr. and Mrs. Carl England spent Saturday night and Sunday in Seagraves, Texas as guests of Mr. and Mrs. Earl Louder.

VISITED IN ACRH, N. M.

Mr. and Mrs. M. C. Ledbetter and children, Mary, Vivian, Betty Lou and Charles, Mrs. J. A. Gowdy and Mr. H. C. Ledbetter were Sunday guests of the James A. Gowdy family in Arch, New Mexico.

TWO LOCAL LADIES ATTEND TEA HELD AT LUBBOCK

Mrs. M. C. Ledbetter and Mrs. J. A. Gowdy attended the tea at the Hilton Hotel Saturday given by the Lubbock Branch of the American Association of University Women. Mrs. Gowdy, a graduate of Texas Tech, is a new member of the association.

STORED FOR SILAGE

Sumac sorghum is being stored for silage by the animal husbandry department at Texas Tech college. The department will use the sorghum, some 2,300 tons of it, for feeding college-owned livestock.

QUOTES ON COTTON

World Needs It—"The world needs not only cotton fiber but the oil and other seed products. The value of cotton as a food crop is not so generally recognized as it should be."—Times-Herald, Dallas, Texas.

Use Best Seed—"The new acreage reduction program will make it imperative to select the best planting seed available in an attempt to get the most and best cotton possible."—C. C. Smith, Staple Cotton Cooperative Assn., Mississippi.

More Value Per Acre—"Cotton is unique in the range and vital nature of the products made from its two products, lint and cottonseed. It produces more value per acre than any other major agricultural crop."—Dr. A. B. Cox, University of Texas.

\$100 for \$6—"The investment of \$4 to \$6 for planting an acre in winter legume seed paid off \$80 to \$102 return per acre in increased cotton production at North-east Louisiana Experiment Station."—L. W. Carson, Louisiana Extension Service.

Fight Weevil Now—"Now is the time to begin the fight against the boll weevil next year. We should use every means available to get the cotton stalks destroyed as early as possible before frost."—R. W. Harned, U. S. Department of Agriculture.

Very good, comrade professor—now if we could only duplicate the State Fair of Texas!

Rules, Regulations and Schedule Announced for 1949 Annual Flower Show, October 8-9 at Veterans Hall

"COCHRAN COUNTY GARDENS ON PARADE"

Rules and Regulations

- Exhibits may be entered from 9:00 a. m. to 11:30 a. m. Oct. 8. Early entries will greatly facilitate work of committees.
- Exhibits must be given to entry committee at front door. No one allowed in exhibit hall but staging committee until public opening.
- Exhibitor must know section and class to which his exhibit belongs before registering them with the entry committee.
- Exhibitor may have but one entry in each class or class section, but may enter as many classes or class sections as desired.
- All entries must have been grown in Cochran County unless otherwise stated.
- Material entered in cultural classes must have been grown by exhibitor.
- Foliage other than that belonging to plant, or accessories is prohibited unless otherwise stated.
- In case of a tie judges will give extra points for fragrance.
- No visible wiring or tying of stems allowed.
- All containers must have owners name on bottom. Owner is responsible for own property.
- Entries which do not conform to schedule will be disqualified.
- Exhibits may not be removed until show is over.
- Show opens to public from 2:00 p. m. till 5:00 p. m., October 8 and from 2:30 p. m. till 5:00 p. m., October 9.

FOLLOW THE SCHEDULE Cultural Classes

- Section A—Roses; stem 12" or longer. Single blooms only.
- Specimen bloom; Radiance.
 - Specimen bloom; Tea.
 - Polyanthus; 1 spray.
 - 3 blooms; one or more varieties.
- Section B—Dahlias; stem 12" or longer. Single blooms only.
- Decorative; Formal.
 - Decorative; Informal.
 - Cactus.
 - Semi-Cactus.
 - Ball.
 - Pompon.
 - Miniature (a miniature does not exceed 4").
 - Any other type worthy of exhibit. Labeled as to type.
- Section C—Gladiolus.
- 1 spike; any color.
 - 3 spikes; 3 colors.
- Section D—Chrysanthemums.
- Large type; 3 blooms.
 - Small type; 1 spray.
- Section E—Cannas; 1 stalk stem. 12 inches or longer.
- Red.
 - Yellow.
 - Any other type worthy of exhibit.
- Section F—Fall Flowering Perennials; one spray, not over 2 ft.
- Asters.
 - Daisies.
 - Golden glow.
 - Any other type worthy of exhibit.
- Section G—Annuals.
- Zinnias, stem 12" or longer.
 - Giant flowering, 1 bloom.
 - Giant flowering, 3 blooms, 3 colors.
 - Fantasy or Curly Petal, 1 bloom.
 - Miniature 5 blooms, stem 5" or longer.
 - Petunias.
 - 5 blooms, 5 colors.
 - 3 blooms, 1 color.
 - Peniwinkles, 3 sprays.
 - Bachelor buttons, 3 blooms.
 - Corn flowers, 5 blms.
 - Snaptags, 3 blms.
 - Cockscombs.
 - largest bloom.
 - Green, 1 bloom.
 - Princess feather type, 1 spray.

- Asters; stem 5" or longer.
 - 1 bloom.
 - 3 blooms, 3 colors.
- Class 32. Marigolds; stem 15" or longer.
- Large type, 1 bloom.
 - Dwarf or African, 3 blooms stem 6" or longer.
- Class 33. Any other annual not listed must be named.
- Section H—Flowering Shrubs; not over 2 ft.
- Specimen branch.
 - Pyracantha; 1 branch.
- Section J—
- Class 35. Collections of Vegetables and/or Fruit. Must have been grown in Cochran County.
- Section K—Potted Plants; must have been in exhibitors possession for 90 days.
- Class 36. Blooming plant; any variety.
- Class 37. Foliage plants.
- Upright plants.
 - Trailing plants.
 - Ivy.
 - Ferns.
- Class 38. Any other plant worthy of exhibit.
- Be sure and soak flowers in deep water for several hours.**
- Section L—Arrangements.
- Class 39. Holiday arrangements.
- Hallowe'en.
 - Valentine.
 - New Years.
- Class 40. Winter bouquet.
- Class 41. Arrangement of fruit and vegetables for dinner table. Fruit and vegetables may be purchased.
- Class 43. Foliage arrangements.
- Arrangement of foliage in greens—ie. green, blue green grey greens.
 - Arrangement of foliage in reds and yellows—ie. Foliages that are turning for fall or natural reddish foliage.
- Class 43. Church arrangement; filler permitted.
- Class 44. Arrangement of Zinnias in suitable container.
- Class 45. All white arrangement; medium size, accessories permitted.
- Class 46. Arrangement of roses in clear (glass or crystal) container.
- Class 47. Arrangement of Petunias; in suitable container.
- Class 48. Horizontal arrangement in Analogous colors.
- Class 49. Vertical arrangement emphasizing line.
- Class 50. Miniature; not to exceed 3" over all.
- Class 51. Small arrangement, any flower, 6" to 8" over all.
- Section M—Corsages.
- Formal corsage.
 - Informal corsage.
 - Corsage to wear to football game.
- Corsages should be in pilofilm or cellophane.
- Section N—Special Displays.
- Christmas arrangement; by organizations or clubs of Cochran County. To be displayed on individual card tables.
- Section O—Educational Display; All educational groups or clubs of Cochran County are invited to fix a display in any way they choose.

JUNIOR DIVISION

- Section A—
- Bird houses.
 - Picture collections.
 - Collection of birds.
 - Collection of flowers.
 - Collection of mounted materials.
- Section B—Diagrams.
- Section C—Doll dressed to represent different tribes or races of the world. Label as to race or tribe. Must have been dressed by exhibitor.
- Section D—Arrangements.
- Arrangement in animal container.
 - Small arrangement; 4" over all.
 - Medium size arrangement, 6" to 8" in suitable container.

Efforts Continued To Make No. 2 Holt a Producer

Stanolind Oil & Gas Company continues its efforts to develop flowing production from the Devonian at its No. 2 Holt, one-quarter of a mile north outpost to the discovery for petroleum pay in that horizon in the Landon-Deep field of Central-South Cochran County.

Up to now the best yield reported from the development was the recovery of 231 barrels of fluid in 17 hours of swabbing on the section at 11,747-794 feet.

That zone had been treated with 500 gallons of mud acid and with 2,000 gallons of regular acid prior to that 17-hour test.

The 231 barrels of fluid was cut with from 12 to 20 per cent drilling mud. The remainder was new oil. There was no formation water.

In a subsequent 11-hour period of swabbing on the same section recovery was 14 barrels of oil, with a small cut of drilling mud.

It appears that the pay section is pretty well filled up with drilling mud. That condition likely will cause the well to continue to show mud along with oil it produces for a considerable time in the future.

Operator has now re-treated the 11,747-794 foot horizon with 5,000 gallons of acid and is swabbing to clean out the acid load and residue, and then make a production test.

The project will be completed as some sort of a commercial oil well in the near future. However there is a possibility that it will have to be finished as a pumper—and a well that has to get its oil from below 11,700 feet by pumping is rather expensive to operate.

This development is 660 feet from south and east lines of section 3, block L, psl survey. That makes it one-quarter of a mile north of the same company's No. 2 Edwards, the initial producer from the Devonian in the Landon-Deep field.

Stanolind No. 1 Grollman, another stepout from Devonian production in the Landon area, and 660 feet from west and 4047 feet from south lines of section 1, block L, psl survey, had penetrated past 11,000 feet in Pennsylvania shale, and was boring deeper. Up to now it has not found any signs of possible production in any of the horizons it has penetrated below 5,100 feet.

State Fair Poultry Show to Emphasize Breeds Which Predominate in Texas

In a completely new approach to poultry shows, the 1949 State Fair of Texas, Oct. 8-23 will skip the strutting blue ribbon rooster and the homely prize hen in favor of flocks of "working" fowl exhibited under typical farm and backyard conditions. Ben E. Cabell, chairman of the State Fair Poultry Committee, announced.

The revolutionary All-Industry Poultry Show will emphasize breeds which predominate in Texas. White Leghorns, New Hampshires, Rhode Island Reds, Barred Rocks, White Rocks and Wyandottes will be displayed by the Texas Record of Performance Chicken Breeders Association.

In daily drawings, the association will give away 100 R.O.P. candidate chicks, to be delivered next spring. Anyone who owns chickens is eligible. The Texas R.O.P. Turkey Breeders Association will give away 25 R.O.P. turkey poultlets daily in similar drawings.

Many firms allied to the poultry industry will present constructive exhibits of interest to poultry raisers and consumers alike. Informational movies will be shown daily in the theatre room of the redecorated Poultry Building. The Texas A. and M. College Poultry Department and the Texas Poultry Improvement Association, representing 600 hatcheries, are cooperating.

The State Fair Egg Laying Contest will open Oct. 7 and close Oct. 22.

Timely Tips

1. While peaches are "best buys", plan to preserve some for next winter.
2. Latest tests show that packing peaches in a syrup is better for freezing than a dry pack. Flavor and color are better—and it takes less time.
3. Build late summer meals around hearty main dishes—they're tempting, tasty, thrifty, and so popular with the family.

Old Faithful, Yellowstone National Park's famous geyser, erupts once every hour.

From where I sit ... by Joe Marsh

A Big Boost For Smitty!

Stepped into Smith's Department Store the other noon and saw the strangest thing. "Sis" Davis was coming up the stairs from the basement with a bundle of wash.

"Is Smitty taking in washing these days?" I asked. "Not quite," she says. "He's just put in a new automatic washing machine, so the girls who work here can get their laundry done while they're eating lunch. Means more time to relax at night and on weekends."

I thought what a swell boss Smitty must be. Human relations between the boss and employees

have certainly taken a big step forward during my lifetime.

From where I sit, people seem to be doing a better job of seeing our neighbor's viewpoint these days. Though his ideas and tastes may not be ours, we can understand his preference for a certain breakfast cereal, a favorite movie star, or for a temperate glass of beer or ale. That's the way it should be in a free country.

Joe Marsh

Cancer Ranked Second as Cause of Death in Texas

Dr. Geo. W. Cox, State Health Officer, in speaking of cancer, said that it ranked second as a cause of death in Texas, being exceeded only by heart disease. Last year approximately 6900 Texans died of this disease. One of the reasons so many people die of cancer is because the disease usually exists some time before it is recognized. By then it has progressed from a small local cancer to a large and dangerous one.

In the beginning cancer is not painful so many persons do not consult a doctor. Any lump, especially in the breast, should be looked upon with suspicion. Other suspicious symptoms are any sore that does not heal about the tongue, mouth or lips; sores caused by broken teeth or ill fitting dental plates should receive attention; irregular bleeding or discharge from any opening of the body is a danger signal. Persistent indigestion with loss of weight is a symptom of cancer of the stomach. With any of these signs one should go immediately to a doctor. Many times the suspicion of cancer will have been unfounded but it is much better to be safe.

It is desirable to treat all diseases in their early stages, but in no case is it more important than cancer. Periodic examinations made with cancer in mind affords the best protection against this disease. Surgery, x-ray and radium are the main weapons which are used to combat cancer.

ROY RAY DYKES ELECTED PRESIDENT OF KAPPA DELTA PI, ETSTC, COMMERCE, TEXAS

Roy Ray Dykes of Morton has recently been elected president of Kappa Delta Pi, national honorary and professional fraternity in education, at East Texas State Teachers College. It is one of the highest honor fraternities on the campus of the college.

Organized in 1948 at East Texas State, Kappa Delta Pi is an organization to foster high standards of preparation for teaching. To be eligible for membership students must be upperclassmen in the education field and must have a grade average of at least 90 in all college work.

Man's first weapon in warfare was the slingshot.

Seven New Completions and Six New Locations Reported for Oil Field Area

During the past seven days seven new completions and six new locations in the area oil field were reported to the oil and gas division of the Railroad Commission of Texas.

The Cochran County field had six new oils wells. The Slaughter field of Hockley County gained one new producer.

Applications were filed for three new projects in each of Cochran and Hockley Counties.

Completions for Cochran County
G. P. Livermore No. 3 W. B. Calhoun, 440 feet from south and west lines of lease in labor 16, league 63, Midland CSL survey, pumped six hours and made a calculated 24-hour potential of 195.96 barrels of 32 gravity oil. Gas-oil ratio was 267-1. No water was present.

The pay section at 4.844-4.868 feet was acidized with 10,000 gallons.

Alma McCutchin No. 2-A Coffman, 450 feet from north and 660 feet from east lines of lease in south 112 acres in labor 19 and 47 acres in labor 22, league 62, NP&SF survey pumped eight hours to produce a daily calculated potential of 148.27 barrels of 31 gravity oil.

The pay section between 4.863 feet and 4.891 feet was treated with 8,000 gallons of acid.

F. R. Jackson No. 1 L. R. Ramby 440 feet from south and east lines of tracts 7 and 8, section 21, block 5, P. B. Penny survey, pumped 24 hours and made an initial production of 10.8 barrels of 31 gravity oil. The gas-oil ratio fluid re-

covered was water.

Sells Petroleum, Inc. No. 4-A D. S. Wright made a 24-hour potential test of 221.84 barrels of 31 gravity oil. This was based on the actual pumping production during six hours. Gas-oil ratio was 435-1. No water was present. The pay section at 4.914-4.935 feet was acidized with 10,000 gallons.

Location is 440 feet from north and west lines of labor 4, league 60, MCSL survey.

George P. Livermore, Inc. No. 3-A D. S. Wright, 440 feet from north and east lines of lease in labor 5, league 94, Mills CSL survey flowed eight hours through a 1-2 inch choke and made a daily calculated potential of 124.2 barrels of 31 gravity oil. Gas-oil ratio was 302-1. No water was present.

Yarbrough and Son and W. A. Phillips No. 1 D. S. Wright, 660 feet from south and west lines of labor 2, league 94, Mills CSL survey pumped 24 hours and made an initial production test of 140.76 barrels of 30 gravity oil. The gas-oil ratio was 391-1. No water was present.

The pay section between 4.865 feet and 4.925 feet was treated with 15,000 gallons of acid.

New Locations

Coline Oil Corporation No. 2-E N. W. Willard, 541.2 feet from north and 440 feet from east lines of outlet No. 7, league 64, Midland CSL survey, rotary, 4,950 feet depth, starting at once.

New! High Speed OLIVER COTTON HARVESTER

Here's the new 2-row Oliver Cotton Master ... a completely modern power-driven, power-lift harvester. It operates efficiently at speeds up to six miles per hour ... picks as much as 20 bales a day.

Specially designed stripping teeth, and wide, flared gathering-unit throat openings gather cotton that is high or low on the stalk. The 38-inch spacing of the gathering units will handle all conventional row widths. Adapted to the harvesting of storm-proof varieties, the Oliver Cotton Master does a thorough job of separating the cotton from the stalks, breaking open bolls and knocking out moates, trash and dirt.

See us for full information on this new pull-type Oliver Cotton Master that is quickly attached to any tractor ... that speeds up the cotton harvest, and helps you deliver a high-grade product to the gin.

Veterans Administration Announces GI Life Insurance Dividend Scale

The Veterans Administration's first calculations on amounts proposed to be paid nearly 16,000,000 veterans in the \$2.8 billion special National Service Life Insurance dividend have been received by the Veterans Administration Regional Office at Lubbock, Robert W. Sisson, Manager, announced.

Maximum possible amount that any veteran can receive will be \$528. Other payments, based on age groups will run to lesser sums. The dividend will be paid on both term and converted insurance policies, and will be paid only for the period that the policy was in force prior to the policy anniversary in 1948. No payments will be made for periods of lapse, VA emphasized.

According to Carl R. Gray, Jr., Administrator of Veterans Affairs, the estimated rate of the dividend was arrived at after long actuarial studies, and that the rate of payment will be the same for both term and converted policies, as the dividend is based on mortality savings since there are no excess interest earnings.

In arriving at the dividend scale, standard insurance practices were followed, whereby dividends on a life insurance policy represent a return to the insured of the excess of premiums paid over the amounts required to pay claims and set up necessary reserves. This is not necessarily proportional to the premium paid.

While portions of the premium originally estimated as necessary to pay claims may turn out to have been too high and can return a dividend, the part of the premium that goes into building up reserves cannot return a profit unless the fund earns a rate of interest higher than that assumed in the premium calculations. This has not been done in the case of National Service Life Insurance.

In computing the maximum payment of \$528, the dividend was based on a \$10,000 policy in force for 96 months, (the longest possible period), on a veteran aged 40 or less at the time the policy was taken out. This represents a payment of 55 cents a month per \$1,000 of insurance. As the mortality rate for the age group of 40 and under did not vary greatly, a single dividend rate will apply to this whole group.

The rates of payment will be: Those under 40 years of age at the rate of 55 cents per month per \$1,000 of insurance; those 41 to 45 years of age, scaling down from 52 cents to 40 cents; those 46 to 50, 37 cents down to 25 cents; those 51 to 54, 24 cents down to 21 cents; those 55 and over, 20 cents per thousand.

The proposed scale does not apply to insurance on a permanent plan which has been surrendered for a reduced paid-up amount. These cases will be handled separately.

Mr. and Mrs. Bob Pemberton, Mr. and Mrs. Don Boles and children and Mr. and Mrs. Dale Ponds and son, all of Clovis, New Mexico, visited in the home of their parents Sunday, Sept. 18.

Mrs. J. P. Sanders and children of Friona, Texas visited over the week-end of Sept. 18 with the Charlie Sanders.

Charlie Sanders went fishing at San Angelo the week-end of the 18th.

Mrs. E. L. Freeland gave a birthday supper for her husband Sept. 13.

Mrs. Garrett from Dallas visited a week with her sister and family, Mrs. Wesley Gunter, returning home wed., Sept. 21.

Mrs. Bill Reid visited Mrs. Olen Darland Tuesday.

Mrs. Paul Liles attended a pink and blue shower in the home of Mrs. Rex Faulkner Tuesday, Sept. 20.

Mr. and Mrs. Johnny Fred, Morton, visited his parents, the F. L. Freds Sunday. Also visiting the Freds are their daughter, Mrs. A. W. Roberts and small daughter.

Dinner guests in the P. E. Liles home Thursday night were Mr. and Mrs. Velon Townson and children of Whiteface, Mr. and Mrs. Cecil Ferrell and daughter and Mr. and Mrs. W. G. Freeland and children.

Mr. and Mrs. Cecil Ferrell visited in Levelland over the week-end.

Bridal-Tea Held Tuesday in Roy Hill Home Honors Two Recent Brides

Mrs. Bobby J. Rhyne and Mrs. Marie Monroe, were honorees at a beautifully appointed Bridal-Tea at the Roy Hill home Tuesday afternoon from five until seven o'clock.

Mrs. Rhyne, nee Minnie Miller, and her sister-in-law, Mrs. Monroe, the former Mrs. Zuber, were recipients of hundreds of gifts which were on display for guests in two bedrooms of the Hill home.

Mrs. Hill was assisted in hostess duties by Mrs. R. W. Hill, Mrs. Roy Brown, Mrs. Clyde Craven, Mrs. Elma Seaney, Mrs. W. Weeks, Mrs. R. C. Strickland, Mrs. Burt Reed, Mrs. James St. Clair, Mrs. Jake Johnson, Mrs. J. Reynolds and Mrs. R. J. Hill.

Mrs. R. J. Hill and Mrs. J. C. Reynolds presided at the lace covered tea table. An unusual arrangement of "Peace" roses centered the table, green candles in crystal holders completed table decorations. Roses were used throughout the house in various arrangements. Mrs. Johnson had charge of the brides' books.

A prelude of vocal music was presented by Miss Pat Weeks, Miss Beverly Blackley, Miss Nella Brisco and Miss Joye Seaney, they were accompanied by Miss

Norma Ruth Wright, accompanist. Guests registering were: Mrs. Woodie Combs, Mrs. W. C. Wright, Mrs. Steve Monroe, Mrs. Cecil Monroe, Mrs. J. H. Rhyne and Betty, Mrs. J. W. Rhyne, Mrs. Boyd Willis, Mrs. W. T. Zuber, Mrs. Herman Raphael, Mrs. Ruel Kelly, Mrs. Jesse Paulk.

Mrs. Derwood McClintock, Mrs. Bud Nairn, Mrs. M. B. Swanner and Jo Ann, Mrs. J. O. Gathright, Mrs. Carl England.

Mrs. Carl Macon, Mrs. Tom Brown, Mrs. Joe Bennett, Mrs. Norman A. Monk, Mrs. J. A. Gowdy, Mrs. M. C. Ledbetter, Mrs. Connie Gray, Mrs. Truett A. McCuiston, Mrs. Joe Nicewarner, Mrs. W. W. Williamson, Mrs. Elizabeth Greer, Mrs. L. F. Hargrove, Mrs. T. D. Marshall, Mrs. C. B. Jones, Mrs. Wendall Watson, Mrs. L. M. Igo, and Linda and Mrs. J. O. Mills.

Miss Martha Willis, Miss Helen Gathright, Miss Joyce Ramsey, Miss Lavern Mullins and Miss Janelle Jones.

Indians to Meet Seagraves Here Friday Night

Morton Indians with three out of four football victories to their credit this season are in fine fettle for their encounter with the Seagraves team on the home field here Friday night, according to coach Melvin Crawford.

General opinion is that both teams are pretty equally matched as to weight and playing ability.

A large delegation of Seagraves supporters are expected to be here. Practically the entire population of Morton has signified intention of being on hand for the game.

A play by play broadcast of the game will be given by Jack Lee, sports announcer for radio station KLVU, Levelland. The game will be sent across the airways from Morton by leased wire.

Morton Indians And Seagraves To Play Friday

Morton Indians, three time winner out of four football games played this season, will meet the Seagraves eleven on the home field Friday night.

The Indians, coached by Melvin Crawford, Herman Raephelet and Bill Hartgraves, are in good condition, with exception of a few slight injuries, and are expected to give the Seagraves team a tough fight.

Advance reports indicate a large number of Seagraves fans will be on hand to support their team. Mortonites will be out in full force for Friday nights game.

New Permanent Wave Procedure Makes Debut Here

A sensational new permanent waving procedure, 'Dobre', made its debut in Morton following the attendance of beauty operators from here at a demonstration in Lubbock last Sunday.

According to the manufacturers, "Dobre" "normal" permanent wave is the result of over ten years of untiring and arduous study and research on the part of chemist, Stephen Molchan. Exhaustive tests, laboratory, mechanical and physical have been made from every conceivable aspect, that could possibly be considered detrimental, injurious or ineffective to attain the desired end results. These tests have proven 100 percent successful with complete satisfaction to all concerned.

Beauty Shops in Morton, giving the new 'Dobre', invite their patrons to come in and have, particulars of the new wave explained.

Miss Manley H. D. Agent, Supt. of 4-H Clubs Exhibit

Miss Mabel Ann Manley, Cochran County Home Demonstration Agent, is for the second year superintendent of the 4-H Girls' clubs display at Panhandle South Plains Fair, Lubbock, now in progress. She has a solid background of preparation for the work.

For the past six years she has been with the Agriculture and Home Economics Extension service at A and M college. For one year she held a position as Home Demonstration agent in Garza county and for five years has been agent in Cochran county. Her interest in 4-H Club work began when she was a 4-H member in Delta county.

MR. and MRS. LESTER BACCUS were business visitors in Amarillo, Tuesday.

Cochran County Garden Club Meeting Held Tuesday in Lester Baccus Home

Mrs. Lester Baccus, president of the Cochran County Garden Club, was hostess to the club at her attractive country home, Tuesday night, September 27.

Mrs. Carl Macon presented a very interesting paper on "How to Know and Buy Good Bulbs." She brought bulbs from Morton Floral for demonstration of size, quality and suitability.

In her talk on bulbs Mrs. Macon gave suggestions on points to look for in purchasing bulbs for exhibition, mass planting and general garden beauty. She stressed the importance of (1) choosing bulbs for suitability for purpose intended, (2) select firm bulbs, free from disease, (3) and bulbs with an embryonic flower.

Mrs. C. W. Davis substituted on the program with a paper on "Little Bulbs for Fall Planting;" the part originally assigned to Mrs. R. E. Dunham, who was unable to attend because of illness. Some of the smaller bulbs recommended for fall planting to produce early spring blossoms were Crocus, Daffodils, Grape Hyacinths, Lady Tulips, Spanish Bluebells, the latter especially adaptable to extremely shaded areas, under trees, etc.

Mrs. Baccus reported purchase by the club of 2500 assorted bulbs to be offered for sale at the flower show to be held here October 8 and 9.

Flower Show Committeemen requested that all members meet

Mrs. Russell, Mrs. Fincher Open Sewing Room

Mrs. N. J. Russell and Mrs. E. R. Fincher are opening a sewing room in the Russell home. They invite ladies of the community to visit them for any sewing requirements.

The ladies also do buttonholing, cover buttons and make custom belts. They have on hand a supply of buttons and will add more to the supply at customer request.

Both Mrs. Russell and Mrs. Fincher are well known in this community. Mrs. Russell has been engaged in custom dress-making for several years until an illness about two years ago incapacitated her.

The establishment is located two blocks south of the Willard Cox Ford House or on the corner, one block south of the Church of Christ.

Mrs. Russell and Mrs. Fincher will appreciate inquiries and will be happy to consult with those wishing sewing done.

ATTENDED COSMETIC SCHOOL
Mrs. Roy Weekes of Weekes Beauty Salon attended a cosmetic school and demonstration in Lubbock last Sunday.

SHERIFF'S NOTICE OF SALE
THE STATE OF TEXAS,
COUNTY OF COCHRAN

Whereas, by virtue of a certain execution and order of sale issued out of the District Court of Cochran County, Texas, on the 27th day of September, A. D. 1949, wherein H. F. Lafferty is Plaintiff, and B. H. Odom and wife, Hallie Odom are Defendants, on a judgment rendered in said court on September 6, 1949, against said Defendant and in favor of the said Plaintiff, for the sum of Three Thousand Seven Hundred Thirty One (\$3,731.73) and 73/100 Dollars, with interest thereon at the rate of 10 per cent per annum, from date of judgment, together with all costs of suit; I have levied upon said land on September 27, 1949, and will on the 1st day of November, A. D. 1949, being the first Tuesday of said Month, between the hours of ten o'clock a. m. and four o'clock p. m. at the Court House door of said County, proceed to sell for cash to the highest bidder, all the right, title and interest of B. H. Odom and wife, Hallie Odom in and to the following described property, levied upon, to-wit:

Lots Nos. 7 and 8, Block No. 173 Original Town of Morton, Cochran County, Texas.

The above sale to be made by me to satisfy the above described judgment for \$3,731.73 in favor of Plaintiff, together with all costs of suit and sale, and the proceeds to be applied to the satisfaction thereof.

Dated this 27th day of September, A. D. 1949.
H. D. Crockett, Sheriff,
Cochran County, Texas. 33c

Morton Women Attend Beauty Show in Lubbock

Mrs. Jesse Paulk, owner of Modern Beauty Shop, and Mrs. Billie Weed, operator, and two guests, Mrs. A. Baker and Mrs. Fred Morrison, attended a beauty show and permanent waving demonstration in Lubbock at the Hilton Hotel, last Sunday.

Mrs. Fred Morrison served as model for Mrs. Weed as she gave one of the new 'Dobre' permanent waves. Mrs. Weed was assisted by Mrs. Maurine Rowden of Cur-

Homecoming at ENMU, Portales, Slated October 15

Four events will highlight the 1949 Homecoming at Eastern New Mexico University on Oct. 15, according to G. Walter Scott, general chairman of the celebration.

The four events are the annual parade at 10:30 a. m., the football game at 2 p. m., the Homecoming banquet at 7 p. m., and the Homecoming Ball at 9.

Alumni of the university, their relatives and friends, will be admitted to the four main events of the day upon presentation of their membership cards in the association. Two dollars is the fee for membership and alumni may purchase associate memberships for their relatives and friends.

The Homecoming football game will be played with Adams State from Alamosa, Colo. The Alumni Association will have a short business meeting during the traditional alumni banquet.

TWO WEEKS HOLIDAY

Mr. and Mrs. C. A. Baird left last Thursday for a two weeks holiday. They plan on visiting their daughter and her family in Oklahoma City and other points in Oklahoma as well as Kansas.

Riding Circle Around Whitefaces

by Art. N. Wall

It is canning season. It seems like every time I step into the kitchen the wife has a fresh pan of this or that on the stove cooking and jars setting everywhere. I wonder now where we will store all this. The wife has reminded me that cellars after all are used for something else besides diving into every time a storm cloud comes up. I have no cellar. I suppose this was a gentle hint from her to dig one.

Mr. Ben Neal has built a new garage. It is made of c'ropsiding, has a sheet iron roof and one of those fancy overhead doors. Too, the garage has a cement floor. Ben has no car. Just his farm truck. When I asked him, "What are you going to do, Ben, buy a new car?" He just sort of grinned. As it is now Mrs. Neal is storing lots of things in the new garage. Before I drove off Ben put three nice watermelons in the back of my pickup. They sure were good eating.

What are we going to do about these confounded mosquitos? Some people suggest that we spray by air these lakes with DDT. Others say that just by pouring kerosene on the water of the lakes it will soon thin these mosquitos out. Everyone agrees that we have had more bugs this year than ever before. One thing, colder nights are due before long and bugs will soon disappear.

Was in the Whiteface Variety Store the other day and believe me Claude Bowden has a nice assortment of work clothes. Also childrens clothes. He has rearranged his store to where it allows him more space. The Whiteface Variety Store is now able to supply us with anything from a birthday gift for any age on up

to a suit of overalls.

Mr. and Mrs. David Alvarado from Rosemead, California are now intending to make their home here in Whiteface. They arrived here from Rosemead on the 17th of this month. Dave is employed in the construction of the new gasoline plant near Leveland. Mrs. Dave Alvarado is the former Miss Margarete Spurlock. At the present time Dave and Margarete are at the home of Mr. and Mrs. Guy Spurlock at the Stanolind Mallet "G" Camp.

Mr. Jess Henson told me he was going to do some improving on his Gulf Service Station. He said he wanted to do some stuccoing on the inside, painting and install some new sheetrock. Say it is fun to be there at this station at noon hour and watch the kids come over from school and buy candy. Those youngsters in the first, second and third grades really deliberate a long time before spending their pennies. For instance, "I want five pennies worth of candy." Jess: "What kind?" The kid: "One penny of stick candy, one jaw breaker,—now lets see.—how much have I got now mister?" Jess is the right type for this. He has all the patience in the world.

September the 28th is Morton day at the Panhandle South Plains Fair in Lubbock. School will be dismissed at noon here in Whiteface. Of course all the kids are well pleased over that fact.

Talked briefly with Mr. Bascomb, father of Kenny Bascomb, whom we all know so well here. Kenny is in Brownwood going to Howard-Payne College. Kenny is working in spare time at butchering. Kenny took such an active interest in all of our school affairs. He graduated last year. This year he is greatly missed in the school's activities.

Did you ever take up one carpet and lay another without moving the furniture of the room outdoors or in an adjoining room? I tried to remove one carpet and lay another in our front room the other night, hoping I could do it by just tilting the furniture a bit and slipping the carpet underneath. I never found a job where you work against yourself so much as when doing this. You find yourself standing on the carpet and at the same time trying to lift a piece of furniture and shove the carpet you are standing on underneath the furniture you are lifting. Before it is all over you start plotting on how to blow the house to pieces.

Something to read that is really good in The Reader's Digest for October entitled, "Doesn't Anybody Like Kids?"

This article gave me an idea. Why couldn't we have Kids Day. We have Labor Day, Decoration Day, and other days. Why not a Kid's Day. Kite flying, firecrackers, foot races, ice cream and all.

The grand opening of the L and H Grocery in Whiteface will take place on September 24th. This business was formerly known as the Berry Lyons frozen food locker business. Berry built a large addition on to his frozen food locker building and has now a large assortment of groceries in this new addition. Mr. Arthur White is partner with Berry. They have some type of program where on Sept. 24th they will give away \$50.00 worth of groceries. Too, with each \$5.00 purchase they will give you a \$1.25 nylon brush. We wish Berry and Mr. White success in their new business.

Here is a letter from my bud in Houston which seems appropriate in winding this weeks' column up with: "I receive now the paper with your column. I enjoy reading it very much. I can now keep up with what is going on in your neighborhood. Incidentally, I can also keep up with your mental progress or its deterioration—which ever occurs. Meanwhile, I will keep my fingers crossed." This from my own bud, too. Till next week, goodby.

TECH COVERS 2,000 ACRES
The Tech Technological college campus at Lubbock covers 2,000 acres—1,700 of which are used by the animal husbandry, dairy manufacturers and other agriculture departments.

Saleslady: (at greeting card counter): "Here's one with a lovely bit of sentiment, "To the One and Only Girl I Ever Loved." Sailor: "Fine, I'll take a dozen."

Ledbetter Home Scene of 1936 Study Club Meet

Mrs. J. A. Gowdy was hostess to the 1936 Study Club at the M. C. Ledbetter home, Wednesday afternoon, September 21.

The program, first in a series of study on the "South in Fiction", was given by Mrs. J. D. Hawthorne. Mrs. Hawthorne's discussion dealt with the life of Settlers in Kentucky as portrayed by Elizabeth Roberts in her novel, *The Great Meadow*.

The hostess served a refreshment plate to Mesdames Jess Burns, Joe Gips on, Elizabeth Green, Scott Hawkins, L. F. Harrowe, J. B. Knox, R. C. Strickland, Albert Morrow, R. C. Ross, James St. Clair, H. S. Hawkins, J. D. Hawthorne, Hume Russell, Frank Barker, M. C. Ledbetter and one guest, Mrs. C. C. Armstrong.

Joan Lackey New Secretary Kappa Delta Alpha

Three vacancies in offices of Kappa Delta Alpha social sorority at Eastern New Mexico University have recently been filled. Peggy Rogers, Texico, has been elected vice-president.

Joan Lackey, Morton, was selected to fill the office of secretary and Neta Pierce Gant, Clovis, will be the new historian.

In addition to filling vacancies, the sorority has also chosen two new patronesses. Both faculty members' wives, Mrs. Jack W. Mears and Mrs. James E. Rowan were honored by the members of the group.

Angie Mathews, Cameron, is president of the sorority.

DR. SANDERS RETURNING TO MORTON OCTOBER 1ST

Dr. H. W. Sanders has written friends here that he expects to be back in Morton permanently October 1. Dr. Sanders has been in Houston for several weeks taking post-graduate work and special study in the medical field.

FAIR VISITORS TUESDAY

Mr. and Mrs. Mike Walden and daughters, Patsy and Reva Carol, were visitors at the Panhandle South Plains Fair, Lubbock, Tuesday.

--annegrams--

— by ann england —

Looks as if we aren't the only one who gets confused. Received a letter and subscription renewal for A. R. McDaniel and he'd written return on envelope thus: A. R. Morton, Morton, Texas.

★ **And such a nice note from Mrs. C. B. Smith of Ft. Worth,** (of course we feel like a dog for saying what we did about hunting thru the old files. But we're usually talking when we should be listening.) Mrs. Smith had this to say:

Dear Mrs. England: I received the chocolate cake recipe the other day and thanks so much for sending it. However I'm sorry you had to go to so much trouble to look for it—so I promise I won't lose it again.

Bennie (my husband) and I were in Morton the week-end of the fourth to attend Ruth Price's wedding. We knew that the photographer there must be you and did hope to meet you, but it seems there were so many we knew at the reception that you were gone by the time we had the opportunity.

However, as ardent readers of your most interesting Annegram column each week, we feel as if we already know you.

Thanks again for sending copy of the recipe.
Sincerely,
Wilma Smith.

★ **Thank you, Wilma, we too are sorry** the opportunity didn't arise for us to meet.

★ **Incidentally the pictures we made** turned out all right. We were so long finishing the pack that we won't be able to use the pictures in the Tribune.

★ **Beverly Price also made pictures** of the wedding as did a younger brother of the bridegroom, Don Morris, of Paris. Flash bulbs were popping all over the place. Think we were the only one to try a picture immediately after the ceremony—but we got it—there they are. Ruth and her doctor husband, big as life and twice as natural.

★ **Goodness—softball fans and band** enthusiasts certainly put on a show Thursday night before the benefit game. Bill G told us Friday morning that \$100.00 was realized from the first game.

★ **Dr. V. L. Lawson was kind** enough to tell us he thought we did a good job on advertising the series. We saw him with his pretty wife, Florence, and darling little daughter, Judy, in the grocery store. Mrs. L is teaching this year and Judy attends nursery school.

★ **Almost missed the Lubbock** booster party the other morning. After buzzing around telephoning various people who needed reminding that they were supposed to be there and then Judge Thompson had to call us. Never saw so many good looking men all in one bunch. That George Bond is a particularly nice person.

★ **We do appreciate the cooperation** of Mayor T. L. McAlister, County Judge Glenn W. Thompson, Lion President David Todd, deputy sheriff John Goswick and all the others for taking time out to meet the group.

★ **We fuss and fume with the** various city and county officials, and heads of organizations around here but still we've never asked any one of them to do a thing that they didn't respond beautifully.

★ **Have you noticed how much** improvement on unpaved city streets has taken place this summer? After each rain practically every street in town has been gone over with the grader.

★ **Too the decontamination truck** has made regular runs; fly and mosquito population has been kept at a minimum all season.

★ **Weeds have grown considerably** since the spring "clean-up" drive and really should be cut again. Each of us should keep weeds on premises cut and trash burned and the town wouldn't get in such a mess. Think we'll grab a hoe right now and go chop down a few that are spoiling looks of back and side yard at Tribune office.

★ **Noticed some one suggests a** simple way to polish silver; "drop it in a pan of sour milk, leave for half an hour, remove, scald and wipe. The silver will be shining bright."

★ **Who ever has a pan of sour** milk on hand—or half hour to fiddle around while its doing its do? For a quarter we'll tell you where to get a cloth that does the work much quicker. Van Greene furnished the elbow grease that goes with using the cloth but it didn't take him more than fifteen minutes to polish a whole chest of sterling for us, including a coffee spoon that was completely black from having been lost in the guest house drain pipe since last December.

★ **Have you been down to see** Mike and Ike at Lindsey Feed and Seed store? We have, and for hogs they are right cute. Told Mr. Lindsey we wouldn't mind having one of them, strictly for ham and bacon purposes, but the catch is one has to buy 100 pounds of feed to get a ticket—then that ticket might not be the right one. Besides what would we do with 100 pounds of feed?

★ **Regretted missing the farm** tour last Wednesday afternoon but the spouse and Bill were here trying to get last section of Tribune off press and we just couldn't leave. Do appreciate the invitation from Fred Collins and Homer E. Thompson. We also want to thank Reagan Ormand and Lloyd C. Miller for taking the Tribune camera along and making some mighty fine pictures.

★ **Don't know names of fellows** playing softball with the Enochs All Stars and Morton VFW. We'd like to thank them personally and individually for putting on the softball series for benefit of Morton High School Band.

★ **Noticed Ruth Weimhold has** resumed her column "On the Level" in the Hockley County Herald. Don't see how she does it with all the other things she does, including a 30 minute woman's eye view of the news daily over KLVTV.

★ **But then Ruth can do more and** do it well than any other half dozen gals we know.

★ **She has a nice lad on the** program with her, another Fred Collins. Fred graduated last spring from University of Texas. He is a personable young man with the caressing voice (via the airways) nearly ever heard.

★ **Morton Indians walloped** Tahoka Bulldogs Friday night. Mortonites are just bursting with pride these days.

★ **One of the school buses had** bad luck on the return trip, engine trouble developed near Brownfield and a bus load of weary students and teachers came dragging in home about 3 a. m.

★ **Start grooming your flowers** now for the annual flower show Saturday and Sunday, October 8 and 9.

★ **Conscience gets a lot of credit** that really belongs to cold feet.

Mike and Ike Making Hogs Of Themselves

by ann england

Mike and Ike, the two pigs, being fed at Lindsey Feed and Seed Store, are making hogs of themselves. At least that is the general idea; to date Ike, the pig being fed on grain and shorts, has gained eight pounds, BUT he may eat himself into a reduction of rations, since his total food intake has cost the Lindsey Brothers, Pete and Kap, four dollars more than the amount spent on Purina feed for Mike.

This is the writer's second interview with a couple of hogs, the four legged variety that is, and while it isn't the most absolutely devastating experience it is rather fascinating to watch the little red Durocs grow.

At the time of purchase, September 5, Ike was a 68 pound porker. In fifteen days time he has eaten 53 pounds of feed grain and seven pounds of shorts with a gain in weight of eight pounds. Some women we know would be delighted to be able to eat as much and not gain anymore. Ike's rations have cost the firm \$15.00.

On the other hand Mike, the Purina fed pig, weighed 55 pounds at the beginning of the feeding demonstration. He has consumed 33 pounds of Purina grain and nine pounds of hog chow with a net gain of 11 pounds at a cost to his sponsors of \$11.00.

Mr. Lindsey explained that the four dollar difference in feeding costs might possibly mean either a profit or a loss to a hog owner.

The two pigs are kept in separate pens in the Lindsey Feed and Seed Store. Accurate records of food consumption are kept and the pigs are weighed every 15 days.

The two pigs, or hogs as they will be by December, are to be given away on Saturday, December 31. They are expected to weigh around 200 pounds or more by that date.

Anyone interested in a ham or so, few slices of bacon, some lard and cracklings for cornbread making purposes may inquire at Lindsey Feed and Seed Store for particulars.

Tribune, Morton, Cochran County, Texas, Thursday, Sept. 29, 1949

Fair Boosters Visit Morton Schools

Boosters for the Panhandle South Plains Fair arrived at 9:50 a. m. Thursday to advertise the fair. They came in two chartered buses and one panel truck.

To promote good will and lots of visitors to the fair several men passed through the crowd of students and gave away tickets, rulers, pencils, balloons and small newspapers titled "Fair News", while in the background music played over the public address system.

The boosters announced that Morton's Day at the fair will be Wednesday, September 28, and that they sincerely hope that each and everyone of the students from the Morton school can be there for the grand time every one is sure to have.

Bow Tie Fad Seen In Morton High

Of all fads and fashions the boys of MHS picked Bow Ties! In honor of the photographer who came Tuesday approximately one third of the boys turned out with bow ties of all colors and kinds. Most of them had indescribable designs while a few were plain polka dots.

Speaking of striking creatures we believe the boys almost topped Frank Sinatra. Some of the boys wearing this spectacular fashion, accompanied by a majority of white shirts, were: Johnny Green, Royce Smith, Randell Redmond, Jimmy Chapman, Curt Rathbun, Ted Wood, Harold Astor, Worth Marshall, Lonnie Altsup, Jimmy Coats, Clifford Wall, Leon Mills, Don Baldwin and many others.

LIVESTOCK LIFE-LINES

Swine erysipelas is a common cause of lameness in pigs. Hog cholera spreads rapidly in herds that are closely confined. Pigs are not likely to become ill from eating too much salt if they have plenty of fresh drinking water close to the salt. Milking herds should receive about 1 percent of salt in the grain ration and be given free access to loose salt in a box in the exercise lot. Nails and pieces of wire strewn around pastures or carelessly allowed to fall into feed racks are a frequent cause of severe internal injury in cattle. Livestock health authorities estimate that eecal coccidiosis causes the death of between 12 and 20 percent of all chicks hatched in the United States. Hay and pasture are the cheapest and best sources of nutrition for growing heifers, but they should be supplemented daily with 1 lb. of grain per animal. Pullorum disease testing saves the poultry industry well over a million dollars a year, by detecting and eliminating birds that otherwise would spread this disease.

FAMULINER COMMUNITY NEWS

By Mrs. O. D. Chesshir

Friendship Club Meets

The Friendship Club met Wednesday, Sept. 21 in the lovely home of Mrs. Burl Reed. A double wedding ring quilt was quilted on by the piece. The quilt was a gift to Mr. and Mrs. Burl Reed from Mr. Reed's elderly mother of Lamesa. Secret pal gifts were exchanged among the women during the late afternoon. The club gift that is drawn for every time the club meets was drawn by Mrs. Jack Gunnels. The Friendship club will meet next in the home of Mrs. Hardy Rhyne. Delicious refreshments of cheese sandwiches, punch, and orange nut cake were served to Mesdames Hardy Rhyne, Clyde Cravens, Ted Wallace, Rolly Hill, Loyce Igo, Charles Jones, Jack Gunnels, Roy Brown, Mitchell Lee Abbe, Tom Brown, O. D. Chesshir, Ollie Smith, one new member, Mrs. A. C. Ford, and a guest Mrs. John Buchanan.

Pink and Blue Shower

Mrs. Woodrow Cunningham was the honoree at a pink and blue shower in the lovely farm home of Mrs. Rex Faulkner, Tuesday, September 20 with Mesdames D. A. Ramsey, N. H. Steed, Francis Cunningham, and O. D. Chesshir assisting with hostess duties. The entertaining rooms were appointed with garden flowers carrying out the pink color scheme. Games were played after the honoree opened a large array of beautiful gifts. Games were directed by Mrs. O. D. Chesshir and prizes for the games were won by Mesdames Richard Key, Clyde Shue and Mrs. Ralph DeBord. Refreshments of pink punch, pink and blue cake squares. The plate was appointed with novelty "stork" napkins and the long legged "Mr. Stork" himself, fashioned from the safety pins and tied with a pink ribbon. Guests registering in the baby book were: Mesdames G. P. Lynch, J. A. Hobbs, B. E. Reed, P. L. Bryd, J. H. Buchanan, E. L. Cox, L. P. Cunningham, T. A. Lynch, P. E. Liles, W. G. Freeland, O. W. Cunningham, L. H. Hooper, Jackie Hooper, Amos Taylor, Richard Key, Rex Faulkner, Frances Cunningham, Clyde Shue, Dee Ramsey, O. D. Chesshir, Ralph DeBord, D. L. Linder, Edith Linder, W. E. Grantham, Paul Byrd, W. C. Millsap and N. H. Steed. An outstanding number of gifts were sent by those unable to attend.

LOCALS

Mr. and Mrs. Nick Miller and baby son, Freddy Paul of Pueblo, Colorado, arrived Sunday for a visit with Mrs. Miller's parents. Mr. and Mrs. N. H. Steed. Mr. Miller is employed in a steel factory in Colorado which is on strike at the present. The H. D. Club met Wednesday in the home of Mrs. Clyde Shue. The "Good Neighborhood" meeting was held in the home of Mr. and Mrs. Frances Cunningham for a weiner roast and social Tuesday night. Mrs. P. E. Lyles, of Lehman, and Mrs. Frances Cunningham will attend the South Plains Fair Oct. 1, with Miss Manley and give a demonstration on making biscuits, cookies, cakes, and muffins from a master mix. Mrs. Ralph DeBord has been on the sick list with sinus and cold this week. Mr. Robert Walker and son, Frankie, of Levelland, visited briefly in the home of his sister, Mrs. Ralph DeBord Sunday evening. Mrs. DeBord's father of Levelland is ill.

County Line News

By Mrs. W. K. Courtney

Gene Williamson, son of Mr. and Mrs. V. V. Williamson, spent the week-end at home. Gene is attending college at Texas Tech. Mr. and Mrs. Ben Eubank and Johnny, J. C. Phillips and Misses Lula and Hazel Ruth Davis were guests in the J. G. Eubank home Sunday. J. C. Phillips of Premont, Texas is visiting in the home of Mr. and Mrs. Ben Eubank, J. C. and Ben were buddies in the army. Mr. and Mrs. E. D. Courtney, Mrs. O. T. Pryor and Mrs. W. K. Courtney visited in the home of Mr. and Mrs. A. J. DeBord. Larry Taylor spent Sunday with Melvin Courtney.

Wynn and Dewbre King of Extremes

Kenneth Wynn and James Dewbre still remain kings of the extremes this year. Kenneth stands 6 feet and 3 inches while James weighs 200 lbs. Kenneth grew 1 inch as James put on 10 lbs. James is closely followed by Leon Mills who weighs 190 lbs. These boys are not through either for Kenneth is a Junior and James is only a soph. A railroad car chassis of stainless steel has twice the strength of one built of ordinary steel, designers say.
