"TEXAS' LAST FRONTIER"

VOLUME X.

MORTON, COCHRAN COUNTY, TEXAS, THURSDAY, OCT. 6, 1949.

NUMBER 32.

Burnett Dolle Fatally Injured in Car Accident Friday Night Near Hobbs

Burnett Dolle, 14, son of Mrs. Rose Dolle of Hobbs, New Mexico, formerly of Morton, was fatally injured last Friday night when his car struck a car stalled on the highway.

Young Dolle, his brother, Clarence, and sister, Kathleen, 9, were on their way to Hobbs when the accident occurred. Clarence and Kathleen received minor injuries. According to a report from Mrs. Bo Tisdale, sister of the injured, the stalled car was on the highway without lights at the time it was struck by the Dolle car.

Burnett died about fifteen minutes after admission to the Hobbs General Hospital. Funeral services were conducted at the Sacred Heart Church, Littlefield, Monday morning. Burial in a Littlefield cemetery.

Mrs. Rose Dolle, mother of the accident victim, was a surgical patient at West Plains Hospital at the time of the accident. She was permitted to attend the funeral.

Survivors include the mother; sisters, Kathleen and Euclale; Mrs. Bo Tisdale, Morton; Mrs. E. W. Brenek, Littlefield; brothers, Marvin Dolle, Morton and Clarence Dolle, Hobbs.

Mrs. Dolle and family moved from Cochran county to Hobbs last February.

County Farmers Given Advice on Mexico Pickers

With cotton peak about to swing into high gear, farmers are becoming quite concerned about the availability of help needed for cotton harvesting.

"I understand that the Co-op Gin and other gins are individually arranging for Mexican Nationals for their customers. The farmers who want this service should make their application to the appropriate gin or person so needs can be determined and taken care of in advance," said County Agent Homer E. Thompson.

"Those farmers from Cochran county who have made application with B. T. O'Connell, Texas Employment Service, Lubbock, are urged to leave their application in because you may or may not want these and you can cancel your request for pullers after you have been notified the Nationals are ready at El Paso, Texas. If your application calls for 30 pullers you can reduce that to the number desired when you are down there. You do not even have to go after them if you find you do not need them," Thompson said.

Every farmer who thinks he may want to go after a load of pullers should put his application in at the Lubbock office with Mr. B. T. O'Connell advises the county agent. "It requires about two weeks to process the application through channels, then the farmer will have the privilege of going after them, or canceling his order. Better play safe, then if you secure pullers locally and save a trip, that will be in your favor."

Morton Indians Tackle Levelland Lobos in Friday Night Game

Twelve Cochran County Farmers to Receive FHA Awards at State Fair

More than three hundred Texas farmers who have mixed good farming practices and hard work to pay off their Farmers Home Administration tenant purchase loans more than thirty years before due will be awarded certificates of achievement at ceremonies in the State Fair Park auditorium on October 12, County Supervisor, Robert C. Cross announced this week. Of the number, 12 farmers of Cochran county will receive awards, the supervisor said.

Auto Parts Firm Moves to New Arnn Building

Morton Auto Parts, operated by Amos Taylor, moved a few days ago to a new location in the Arnn building. Mr. Taylor is assisted in operating the store by Paul Arnold.

The building, recently completed by Tom Arnn, is located one half block east of North Main Street. It is an addition to the original Arnn building on North Main.

Floor space occupied by Morton Auto Parts is 30x56 feet, approximately twice as large as the building formerly used by the firm.

Taylor and Arnold have added considerable more stock to the already existing stock of auto, truck and tractor parts and accessories.

Parts for every make and model automobile, truck and tractor are carried by the firm. When in need of automotive parts or accessories Mr. Taylor and Mr. Arnold invite you to look over their complete stock.

Conference Game To be Played at Morton Stadium

Trying for a conference win, the Indians will be host, Friday night, to the 1948 runner-up conference champs—the strong Lobos of Levelland.

The Seagraves Eagles just managed to sneak past the Indians here last Friday night to win 7-6. In four previous games the Indians have tallied three wins.

Out of five games this season the Indians have won three, while the Lobos playing three games to date have chalked up only one win.

In the opening game of the season, September 2, the Indians, playing on the home field, ran the score up to 26-7 against Whitharral. Again playing at home, September 9 the score was 27-0 when the Indians met O'Donnell.

The first conference game, played at Littlefield, gave the Littlefield Wildcats a score of 36 against Morton's 6.

Morton Indians held the Tahoka Bulldogs to 12 as against the Indian's 30. This game was played at Tahoka, September 23.

Levelland Lobos played Lamesa with a 7-0 score for Lamesa; the Levelland-Herford game at Herford wound up with a 6-0 for Herford. The Levelland Lobos trounced Sunday for an overwhelming victory of 38-7.

Friday night game is expected to attract a large crowd of Lobo supporters. Morton Indian boosters will be out in full force.

The game will be carried over the airwaves from the Indian stadium by radio station KLVT. Jack Lee, popular sports announcer, will broadcast a play by play account of the game.

19th District American Legion and Auxiliary Convened in Brownfield

Howard-Henson Post of the American Legion, Brownfield was host to the 19th district American Legion and Auxiliary Saturday and Sunday, October 1 and 2.

Brownfield ladies of the Auxiliary entertained visiting members with a bridge-tea Saturday afternoon. Convention guests were honored with a dance in the Legion Hall Saturday night.

Mrs. L. B. Elliot, Colorado City, district president of the Auxiliary, presided for the Auxiliary meetings. W. T. (Pete) Bridges, Levelland, 19th District Commander, was in charge of the Legion's business sessions.

Officers of the district were honored with a stag breakfast at the Esquire Cafe on Sunday morning. B. R. Carraway, Post Commander, Levelland, was in charge.

Mr. Carraway also conducted the memorial service during a joint session of the Legion and Auxiliary Sunday morning.

The Sunday afternoon session was concerned mainly with reports from various committees. W. H. Sohl, 5th Division Com-

mander, Alpine, Texas, was introduced and spoke briefly. Bill Cummins, Department Director of Youth Activities, Austin, also spoke to the group.

Several members of the Morton American Legion and Auxiliary attended the two day affair. All expressed appreciation to the host organization for the hospitality and many courtesies extended them during the convention.

H. E. Latham Died Here Thursday; Last Rite at Lufkin

H. E. Latham, transient laborer, from Lufkin, who had been in Morton since December, died in Morton, Saturday, Thursday, September 29 after a brief illness.

Funeral services and burial for the 40 year old man were held in Lufkin, Saturday. The body was taken from Morton to Dallas by Singleton Funeral Coach.

Stage Set for Cochran Garden Club Flower Show Saturday and Sunday

The planning and staging committee of Cochran County Garden Club, sponsors of the annual flower show, have completed plans and the stage is set for Morton's fourth flower show. The theme this year is, "Cochran County Gardens on Parade."

The show is open to anyone living in Cochran County. There will be two days of the show this year, Saturday and Sunday afternoons, October 8 and 9, at Veterans Hall. Doors open at two o'clock.

Hostesses for the social hour Saturday are Mrs. J. A. Gowdy, Mrs. H. P. Clemons and Mrs. A. A. Fralin. Sunday afternoon hostesses will be Mrs. Hattie B. Spotts, Mrs. T. M. Tanner and Mrs. C. A. Baird.

Suggestions Given For Show

Flowers to be exhibited in arrangements or as specimens should be water soaked for several hours before the show, particularly since they will have to last through two days. It has been suggested that flowers be cut Friday and placed in deep containers of water and kept in a dark cool place, placing stems deep in the water. Hardy shrubs may be laid down in container and almost covered with water; be careful not to bruise or break any of the foliage or stems.

Space will be provided and those who wish may make arrangements at the hall Saturday morning. If participants are not sure of class or section to which exhibit belongs the classification committee will assist in proper identification.

Entries with visible wiring or tying will be disqualified by judges. However wiring and tying of flowers in arrangements is acceptable provided it does not show.

Specimen roses are exhibited 1/2 to 3/4 open, one bloom to a stem. Dahlias are exhibited in full bloom. A miniature dahlia does not exceed four inches, a pom-pom two inches in diameter. Foliage on specimen blossoms should be as nearly perfect as is possible.

Annuals for exhibit should be bright and fresh with good foliage with no scorched petals or leaves.

Sections have been arranged for annuals and other flowers not mentioned in the schedule and

WEST SIDE SOFTBALL TEAM DONATES \$13.00 TO BAND

Funds, amounting to \$13.00, left in treasury of the West Side Softball team after season was completed, have been donated to the Morton School Band.

CHICK ANDERS ON attended the 19th District American Legion convention in Brownfield last week-end.

those worthy of exhibit may be entered.

Any child who wishes may enter the Junior division. Last year entries made by children proved very popular and successful.

The Garden Club has purchased several hundred bulbs to be sold during the flower show. These include early spring blooming bulbs such as Dutch Hyacinths, Crocus, Grape Hyacinths, Tulips and Daffodils.

The Garden Club plans to sponsor a placement show early in 1950 using spring blooming bulbs. Bulbs planted now will be in bloom for the show.

Another feature of this year's flower show will be a "wishing well". Details of the "well" may be obtained at the show.

Smith Re-elected Soil Conservation Supervisor Mon.

W. W. Smith was reelected District Soil Conservation Supervisor of Sub-District 1 of the CYT District, at a meeting held Monday night at Cochran County Court house.

J. H. Chesshir and T. D. Marshall were temporary chairman and secretary, respectively, elected to hold the election.

An interesting as well as educational skit on "Soil Conservation, District Operation, What it is and How Works," was presented by Patricia Nell Masten, Mary Helen Keith and Robert Keith.

Twenty six educational slides on "Soil Building Pays" were shown by Homer E. Thompson.

The group heard a general discussion on recent legislation and its effect on the farmer by State Representative Preston Smith, of Lubbock. Mr. Smith stressed the fact that a recent appropriation would aid the farmers of this area in securing more farm to market roads. He said, "the new appropriation will give you about an average of eight miles of rural roads per year, which doesn't sound like much, but is a definite improvement over allocations in the past." He also mentioned a new measure on water conservation that will be to the advantage of land owners in the Panhandle and South Plains area. "This measure," he said, "is on the books and is a step toward heading off the power the State has taken in that ground water rights are owned by the State."

Mr. Smith spoke briefly on reforms for Texas State Prison System and the new board set up for revision of State Hospitals, their management and buildings.

Texas Citizens to Vote November 8 On Ten Proposed Amendments

Ten amendments are to be approved or disapproved by voters of not only Cochran County but the State of Texas on Nov. 8th.

All ten of these proposed amendments were carried in full recently in Morton Tribune. Much concern is evidenced throughout the state over these amendments. Voters are urged to study the propositions and vote according to his own dictates.

The amendments are:

1. Authorizing a civil service system for county employees. If approved by the legislature, it would authorize counties to provide for civil service of county employees upon a majority vote of the people.

2. Annual session and salaries of legislators. If enacted, it would be effective following the first term of the legislature Jan. 1, 1950.

3. Authorize the legislature to provide for hospital districts in the counties of the state, which could be applied in any county upon a majority vote living in proposed hospital district.

4. Abolition of poll tax, which provides in the event the amendment carries, the poll tax would be eliminated. And before a person was eligible to vote they must register as a voter before Feb. 1 preceding the election.

The amendment will become effective immediately if the majority of the people favor it by vote.

5. Provides for county-city health unit if it carries the legislature shall have authority to provide for city-county health unit. If units become effective in county it will be by a majority of the vote of the people in the city and county.

6. Authorizes the legislature for state-wide system of retirement and disability for appointive officers and employees of the counties of the state.

7. Provides that the judges of the district courts shall conduct

proceedings at county seat of county where case is pending.

8. Provides for rural fire prevention, if it carried the legislature will have power to provide rural district with protection.

A tax not to exceed three cents on the \$100 valuation, will be levied.

The proposal will also be by a majority vote of the people.

9. Trial in lunacy cases without a jury, provides in case of permanent commitment defendant in the case may waive right of trial by jury.

10. Women on jury. Provides that the legislature prescribed by law grand and petit jurors provided that qualification for service on juries and petit juries shall be denied on account of sex.

Grand Jurors for October Court Session Chosen

Grand Jurors called by Jury Commissioners of the 72 District Court of Cochran county, Texas, are:

Hume Russell, L. D. Burrell, James St. Clair, Hubert F. Taylor, Whiteface; David K. Barnard, Lehman; W. E. Gunter, Lehman; Byron B. Lee, Whiteface; G. C. Keith, Whiteface; Gehrome M. Holloway; Hadley H. Kern, Syd Coffman, Bledsoe; J. T. Williams, Bledsoe; L. H. Drum, I. D. Kitchens, H. J. Andrews and D. L. Tucker.

Jurors are to appear at the Cochran County Court House at 10 a. m. Monday, October 10, to serve as Grand Jurors for the October term of court.

CYNTHIA ARNN ON SICK LIST

Cynthia Arnn, six months old daughter of Mr. and Mrs. Tom Arnn Jr., has been quite ill but is reported improved.

Rathburn Awarded Merchandise By Western Auto Associate Store

H. T. Rathburn was winner of \$17.95 in free merchandise at the "Blow-out" party Saturday evening held at Western Auto Associate Store, according to Neil H. Rose, owner-manager.

Mr. Rose said more than 200 registered at the store during the day. Guesses were placed on the number of strokes, by hand auto pump, that would be required to burst a 600x16 tube.

Mr. Rathburn's guess was 3500 strokes, nearest number given to the 4585 strokes actually required.

FRIDAY EVENING VISITORS IN CARL ENGLAND HOME

Friday evening visitors in the Carl England home were Mr. and Mrs. Earl Louder, Seagraves; Mr. and Mrs. Forrest Weimhold, Mr. and Mrs. Bill Spiller, Mr. and Mrs. Jack Lee, Mr. and Mrs. Bill Davis and son, Gene, Don Daniels, and Fred Collins of Radio Station KLVT, Levelland and Neil Rose, Morton.

After the football game the group was treated to coffee and birthday cake in honor of Mrs. England's birthday, which occurred October 1.

The cake was made by Mrs. Louder and presented to the honoree.

Quarterback Club Sponsors Special Football Train to Slaton October 14

A Special Football Train with eight or ten coaches, depending upon the number of tickets sold within the next few days, will pull out of Whiteface Friday afternoon, October 14, loaded with 500 or 600 noisy Indian Boosters headed for Slaton and the Morton-Slaton football game, scheduled for that night.

The train has been the dream of the Quarterback Club since its organization last year and with the agreement by several of Morton's business men Tuesday morning to underwrite the initial

cost of securing the train the dream became a reality. Arrangements have been made with Mr. V. N. Townsend, Santa Fe Agent at Whiteface, for the train. Mr. Townsend told Quarterback Club members in a meeting Monday night that the railroad would furnish the very best equipment and service for the chartered trip and that he, as well as other Santa Fe officials was more than happy to cooperate with the club in making the trip possible.

Due to Morton's geographical position and the fact that the town is not located on a railroad,

many youngsters of the community have never ridden on a train. Hence the Quarterback's intense desire to provide some sort of train trip for the entire school population.

Boosters making the trip will board the train around five p. m. the afternoon of the fourteenth at Whiteface. The trip from Whiteface to Slaton by way of Lubbock will require approximately two hours. Upon arrival in Slaton boosters will be furnished transportation to the football field by Slatonites.

Since the trip will be made during the dinner hour sandwiches, cookies, fruit and possi-

1,490 Register at International Show Here Sat.

Visitors from Lubbock, Brownfield, Muleshoe, Levelland, Sudan, Littlefield, Portales, New Mexico, and the immediate trade territory registered at the International Harvester Show held here last Saturday by E. L. Banks Company. Total number registering was 1490. Raymond Ross, manager of the firm, reported.

Nine representatives from the international company were on hand to give demonstrations on all the equipment. Morton High School Band, under direction of Fred Danforth, was presented in concert during the show. Several meal numbers were presented by a girl's sextet from the local school. In appreciation for the fine work done by the band they were presented with a check for fifty dollars by Mr. E. L. Banks, owner of the firm.

Borden Milk Company furnished several cases of chocolate milk for the all day party. 100 gallons of coffee was made and served along with 1000 cookies, about 500 nickel suckles and 25 cases of Coca-Cola.

The show was quite successful and the entire E. L. Banks Company expressed appreciation for the wonderful response," Mr. Ross said.

New Sanitary Facilities Added At Ramby Drug

Ramby's Pharmacy has recently added several dozen aluminum holders and disposable containers to the modern soda fountain.

P. B. Ramby, owner of the pharmacy said, "it is more satisfactory and convenient to use disposable containers and as an added precaution and protection to the health of our customers we have added this equipment."

NEAL McDONALD SUFFERS BROKEN LEG IN GIN ACCIDENT

Neal McDonald, 17, was taken to Lubbock Memorial hospital Monday night for treatment of a broken leg suffered in an accident at a gin near here about 9 p. m. Hospital attendants said the youth's leg was broken above the ankle when it became entangled in the belt of a motor. He is the son of Mr. and Mrs. E. E. McDonald.

Quarterback Club Sponsors Special Football Train to Slaton October 14

A Special Football Train with eight or ten coaches, depending upon the number of tickets sold within the next few days, will pull out of Whiteface Friday afternoon, October 14, loaded with 500 or 600 noisy Indian Boosters headed for Slaton and the Morton-Slaton football game, scheduled for that night.

The train has been the dream of the Quarterback Club since its organization last year and with the agreement by several of Morton's business men Tuesday morning to underwrite the initial

5 County Students Are Enrolled at Wayland College

Five Cochran County students are among the 480 enrolled at Wayland College, Dean Raymond E. Mendenhall announced today.

They are Robert Noel Lewis, from Whiteface; and Oveta Ruth Smith, Mary Lois Wilson, Velma Justine Bryant, and Eugene Bragg, all from Morton.

Lewis, son of Mr. and Mrs. R. M. Lewis, is majoring in music, and minoring in history.

Miss Smith is the daughter of Mrs. D. T. Smith.

Miss Wilson, daughter of Mr. and Mrs. K. A. Wilson is majoring in home economics.

Miss Bryant, daughter of Mr. and Mrs. W. M. Bryant, is majoring in psychology and education, and minoring in English.

Bragg, son of H. B. Bragg, is majoring in English, and minoring in Spanish.

Wayland's maximum enrollment, set at 500 by trustees, has almost been reached. Along with the new students, there are 13 new faculty members.

Improvements on the Wayland campus include a newly renovated basement in the administration building, which houses the journalism and photography departments, the Wayland World Press, and a student recreation center. A new dining hall will soon be built.

ATTENDED LEGION MEETING

Mr. and Mrs. Homer E. Thompson and Mrs. Hessie B. Spotts attended the American Legion District convention in Brownfield last week-end.

Steak House. Guests for the occasion were, reading left to right: Mrs. and Mr. A. R. Burgess and two children, Mr. and Mrs. J. B. Lilljedahl, Mrs. J. T.

Lilljedahl, Glenda, Mrs. Lilljedahl, Saradel, Peggy Lou and Carroll Wayne Lilljedahl and Jean Alford. (annepic)

Rodent Control Man Employed by County Through Farmers Efforts

Through the efforts of the farmers of Cochran county and with the assistance of County Agricultural Agent Homer E. Thompson the Commissioner's Court employed a temporary man to kill rats for the farmers. The man employed is Voil Drennan, Morton, who is doing an excellent piece of work and the county wide rat killing campaign is now in full swing.

There are several farmers on the waiting list now and the list is lengthening every day. Mr. Drennan began work September 14, 1949. Carl Jacobs of the District Extension Rodent Control Office, Lubbock, worked with Mr. Drennan to train him for this difficult task. The first fourteen days Mr. Drennan worked, he had visited thirty-eight farms, ten farmers were not at home but he killed rats on twenty-eight of these farms. To date Mr. Drennan has used sixty-one pounds of cyanogas and five pounds of Red Soull and has traveled 675 miles.

All the farmers are required to do is buy the poison used on his farm to get rid of the rats. Some mighty pleasing reports

have already come from some of the farms visited. Ray Griffith, Morton, said, "We killed 80 per cent of the rats the first time. Little odor was noticed as most of the rats were in burrows when the cyanogas was used."

Ray James, Whiteface said, "We really killed the rats and I am glad to see the county helping us out. I believe we killed 2,000 rats if the truth was known, as we counted fifty in the open where we saw them die."

County Agent H. E. Thompson says, "There are more rats in Cochran county than has ever been seen, because there are one or two acres of rats around some of the farm dwellings whose farms have recently been put into cultivation. These are pack rats, which are burrowed up under the sod and under buildings and the job of killing them is being done very effectively with cyanogas."

Everybody knows how much destruction rats cause and it is certain that many of these farmers would have been unable to store their grain sorghum had this campaign not been started.

The farmers are being notified through radio and by newspaper of this campaign and are requested to report their request to the county agent's office to obtain the services of Mr. Drennan.

Cochran 4-H'ers Feeding Twenty-Six Beef Calves

Fourteen 4-H Club boys and girls are now feeding twenty-six beef calves in Cochran county. Three of them expect to increase their herds and three more club members expect to get calves within the next few days. Safely say there will be between 35 and 40 club calves fed out in Cochran county for the coming spring show. The club members feeding calves at present are:

Clarence Moore, four calves; Jackie Farmer four calves; Moore one calf; Billy Kinser one calf; Robert Taylor two calves; Melvin and Edward Courtney one calf each; Byron Gunter two calves; Robert Keith two calves; George Keith two calves; Mary Helen Keith one calf; Melvin Yarbrough two calves; Alfred Coats one calf, and Thomas Lynch two calves.

These members are enthusiastic and are giving a good account of their feeding program, because of good pastures and grain sorghum crops. The winner next year will have to do an outstanding piece of work to win this show, because all are doing an excellent job and all have several years of experience behind them. All have top feeder calves and the county agent is checking them periodically. This winter the county agent will do some on the spot demonstration work for cattle grub control with pressure spray machine.

Cochran county always has a good result show for calf feeders which is sponsored by business men of Cochran county and the Chamber of Commerce of Morton. Last year these men and the civic organizations put up over \$800.00 in premium money and in addition sold the calves for \$1200.00 more than market price, advises the county agent.

REEL NEWS

By Wallace Theatre

"The Stratton Story" is the story of a real-life American who came from the sandlots of Texas to win fame as a pitching star with the Chicago White Sox. After two seasons that appeared to put him on the verge of all-time greatness, he suffered a hunting accident that caused amputation of his right leg. How he came back, eight years later, to resume a pitching career in the game he loved and to be named the "Most Courageous Athlete of the Year" is one of the most inspiring stories in the history of sports. Stratton himself came to Hollywood to work as technical advisor on the picture.

For James Stewart the picture brings one of his most colorful roles, as well as his return to M-G-M for the first time since the war. Opposite him for the first time is June Allyson. Following her roles in "Little Women" and "Words and Music". She steps into the dramatic portrayal of Stratton's sweetheart and wife whose encouragement proves the inspiration behind his whole life.

Supporting them is one of the year's outstanding casts, made up of noted performers both on the screen and on the baseball diamond. Frank Morgan, Angus Moorehead and Bill Williams head the list of Hollywood actors, and Jimmy Dykes, Bill Dickey, and Gene Bearden, portray themselves.

SUNDAY VISITORS

Mr. and Mrs. Verney Towns, Karolene and James, from Texico, New Mexico, spent Sunday with Mrs. Towns' mother, Mrs. Mallie E. Hancock, and other members of the Hancock family.

2 County 4-H Club Members to be Honored at Fair

Among the 50 outstanding Four-H Club girls and boys, Future Farmers and Future Homemakers to be honored by the State Fair of Texas with a banquet in the Texas room of the Baker Hotel, Oct. 14 at 7 p. m. is Mary Helen Keith and Robert Ed Keith of Whiteface.

The 1949 State Fair will present Honor Awards to the girls and boys for outstanding achievements during the year. They will be introduced to Texas business leaders attending the State Fair of Texas annual banquet in the Crystal Ballroom.

Approximately 75,000 farm girls and boys from every corner of the state will attend the Fair on Oct. 15, Rural Youth Day.

The purpose of the day is to help rural youth to become better citizens. Fair officials feel that this can be achieved by increasing their knowledge of the latest trends in agriculture and by encouraging them to profit through the experiences of others.

TEL Class of Three Way Baptist Met September 28th

The T. E. L. class of the Three Way Baptist Church met in the home of Mrs. Earl Humphrey, Wednesday afternoon, September 28th, for a called meeting and re-election of officers. Mrs. Amos Sedwick brought the devotion with reading of 2nd Proverbs.

Following the business and re-election of officers delicious apple pie and coffee was served to Mrs. M. D. Gaddy, Mrs. Louise Neutzler, Mrs. Amos Sedwick, Mrs. Roland Shepherd, Mrs. H. L. Baker, Mrs. Carroll Fort, Mrs. Andrew Wittner, Mrs. Bill Key, Mrs. Albert Ellis, Mrs. J. C. Hamlin, Mrs. Earl Humphrey and a visitor, Mrs. Lorene Bagwell.

Oil Activity on Increase for Area

Activity reported for the area increased the past week. Twelve new locations and six new completions were reported to the Midland district office of the oil and gas division of the Railroad Commission of Texas.

Applications were filed for seven new projects in Cochran County. Two amended applications were also reported.

Hockley County reported four new locations. One new project was listed in Hale County. The field in Cochran County gained three new completions. The Slaughter field of Cochran County had one newly completed well.

In Hockley County, the Slaughter and Smyer fields each gained one new producer.

CANDIDATES ELECTED FOR BEAUTY CONTEST

Nov. 18 Date for Crowning Beauty Queen

By Doris McMaster
Candidates have entered Morton High School Beauty Contest, sponsored by the Whoop staff, announces Sue editor.
Those entering and their sponsors: Muriel Ruthart, Choral; Alford, Pep Squad; Barbara Band; Jimmie Taylor, Yelda Joye Childs, FFA; Jones, Football Team; Winder, Seniors; Janice Junior; Glenna Ken-Sophomore; Nancy Black-Freshman.
Two dollar entry fee was paid in to Sue Smith last night. This fee will be used for pictures taken of each candidate.
Friday night, November 18, at

7:30, is the tentative date for the program, and crowning of the queen.
The pictures of the last year beauty candidates and ceremony are now on display in Mrs. Danforth's room, if anyone wishing to see them.

Morton School News

Tribune, Morton, Cochran County, Texas, Thursday, October 6, 1949

Seagraves Eagles Edge Indians 7-6

A large crowd filled Morton stadium to see the Seagraves Eagles edge the Morton Indians seven to six in a hard fought nonconference battle. The first half went scoreless as each team held in one goal line stand.
It was Morton who first threatened in the early minutes of the game. The first play of the game the Indians recovered a fumble deep in enemy territory. Two

plays later found the ball on the two yard line with a first down. Here the Seagraves eleven recovered a fumble and kicked the ball out of danger.
Late in the first quarter a fourth down pass to Eagle end, Jack Hale, placed the ball deep in Indian ground. Here the attack bogged down, however and the Indians took over on the two yard line. This ended the scoring threats in the first half as the two battled back and forth.
Early in the third quarter a pass placed the Indians deep in and Seagraves drove over for a touchdown a few plays later. Point after touchdown was made from placement. Minutes later quarterback Burns faded to pass, though seemingly trapped behind the line, he made a sparkling 30 yard run to set up the Morton tally. Two plays later he scored on a quarterback sneak through the center of the Seagraves line. Very Webbs try for point was low and wide to the left.
The Indians, though they played a fine defensive game stopping two Eagle drives within the five yard line, were never able to stop Seagraves fullback, Bennett Smith. The Morton offense never got started except for short periods.
A pregame ceremony was held with both Indian and Eagle bands participating. The bands jointly played the National Anthem and were led by Seagraves bandmaster Crichton Hogan. The bands went through their regular performances at the half.

BAND PERFORMS, SEXTET SINGS AT IHT PROGRAM SAT.

The band marched through town last Saturday and to the International Harvester Implement House to give a short concert. The sextet sang a few numbers and helped serve coffee, cookies, cold drinks, ice cream and doughnuts. The band and the sextet did this to help carry out the plans for the Implement show.
Last week the band participated in a parade in connection with the Littlefield Fair.

Band Receives 19 New Instruments

By Lavern Corder
There were 19 new instruments bought by individuals on Wednesday night, September 21, from a representative of the Caldwell Music Co., according to Fred Danforth, band director. The ones that bought new instruments are listed below:
Audrey Fay Ward, Bootsie Shakespeare, Nelma Pierce, and Freddie Stockdale all bought new clarinets.
Ted Shafer, Sidney Harrison, Don Akin, Johnny Stockdale, Gene Thompson, Tommy Hawkins, Sam Drum, Robert Taylor, Pat Mayo, Clyde Ward, Cal Lavender, and Freda Chesshir all bought new cornets.
Burlie Wayne Taylor, Carroll Lilljedahl, and Harvey Zuber bought new trombones. Others are buying second hand instruments and all will greatly add to the band.

SIX WEEKS TESTS

Six weeks tests will be given Thursday, Oct. 13th and Friday, Oct. 14th during regular class periods, according to Wendall Watson, principal.
"Again, we want to remind you that students having a 75 percent average or above will be exempted," Watson added. "Each absence will deduct five points from your grade. It is believed there will be quite a few exemptions."

Grade School Highlights

All of the first grade students had a surprise Tuesday. Mrs. Redmond called them to the lunch room and gave them a pear each.
The first graders really showed excitement when the Fair boosters came, Mrs. Stockdale stated.
Mrs. Stockdale also added that the three first grades all received new work books.
Mrs. Cravy's room drew from the hat names of mothers to help with their parties and picnics. They are as follows: Mrs. Henry, Mrs. Mullinax, Mrs. Gast, Mrs. Holliman, Mrs. Green, Mrs. Betts, Mrs. Gardner, Mrs. Purifoy, Mrs. McCustion, Mrs. Hodges, Mrs. Melton, Mrs. Davis, Mrs. Hawthorne, Mrs. Hawkins, Mrs. St. Clair and Mrs. Seaney.
Mrs. Wendall Watson, fourth grade teacher got sick Wednesday morning and had to leave. In the shortage of substitute teachers Sue Smith taught in her place.
Mrs. Bishop's fifth grade section 1 is making book cases from pear boxes obtained from the lunch room.
7-1 has a Citizenship Club and Mrs. Gowdy is the teacher. Harvey Winder, president; Joan Amis, secretary; Jerry Mills, reporter; Mozelle Mayo, program chairman.
The 8-2 class organized a Citizenship Club. Jimmy Goodman, president; Barbara Jeffries, secretary; Nancy Corder, reporter; Bootsie Shakespeare, program chairman.
8-2 has chosen as their project to plant flowers in front of the Junior High building.

Lone Star Farmer Degree Received By Clarence Moore

Clarence Moore, senior, was presented the Lone Star Farmer's Degree by Harvey Walker, Agriculture teacher, at the FFA meeting last Thursday night, according to Kenneth Wynn, president. Clarence is the first boy in the Morton FFA chapter to receive this award. Of the four degrees to achieve, Clarence has received three.
Charley Cravy and Andrew Esary, Ag. teachers last year assisted Clarence in making application last spring. He received a certificate and gold charm.
Some of the requirements are to take agriculture four years, be a senior, rank in the top 50 percent of the class in grades, and show a \$250. profit on the project record book. Clarence showed a profit of \$1,000.

Wynn Elected F.F.A. President

Officers were elected at the FFA meeting last Thursday evening, according to Harvey Walker, Ag. teacher.
Clarence Moore is District Vice President. Kenneth Wynn is local president with Veryl Webb as vice president. Noel Crow was elected reporter and N. H. Steed, treasurer. Secretary is Clyde Ward.
"FFA will meet the first Thursday night each month," says president Kenneth Wynn, "and we urge all members to attend regularly."

President of Senior Class Leads Series

Royce Smith has been chosen to lead the senior boys in an interview series beginning this week.
Royce is 5' 11" tall and he weighs 141 lbs. He is 17 years of age and will be 18 next month. He has light brown hair and gray eyes.
Royce has gone to the Morton schools since he was six years old.
This year Royce is president of the senior class, and is co-captain of the football team.
He has been in track, football, basketball, and baseball ever since he has been in high school. His hobby is girls.

Math Department Under Supervision Of J. B. Kempson

J. B. Kempson, the new math teacher is six feet and three inches tall and weighs 220 lbs.
Kempson went to high school at Levelland and played center on the football team in the years '34 and '35. While in McMurry College, where he graduated last spring, his intermural basketball team won the championship.
His favorite sports are football, basketball and baseball. His hobby is playing forty-two and pinocle.
He was in the Army 37 months, 18 of which he spent in Italy.
His favorite foods are green vegetables and cornbread.
He thinks two things that would improve MHS are: intermural sports and for the students to start acting their age.

School Telephones Being Installed

The farm engineering class is installing school telephones throughout the school. These telephones were secured from the war surplus last year.
There will be a telephone in the principals office, one in the agriculture building, one in the lunch room, one in the grade school building, one at the bus shed, and one at the football field.

FHA PRESIDENT ELECTED

In individual class meetings Sept. 28, Beverly Blackley was elected high school FHA Club president. Other officers have not yet been elected. The president stated that the FHA Club was looking forward to a good and prosperous year.

Research Test on Sorghum Grain Flour Being Made

A research project to test the possibilities of sorghum grain flour as a substitute for wheat flour mixtures is now under way at Texas Technological College. Sorghum grains are grown extensively in the South Plains area and proof that the grains could be used in a local food supply might give the area an economic boost. Shallu, a sorghum grain developed and adapted to the South Plains, has been milled and used in combination with all-purpose wheat flour. The project is being conducted by Mrs. Jonnie M. Michie, head of the food and nutrition department, and Fay Hattox, food and nutrition instructor.

Riding Circle Around Whitefaces

by Art. N. Wall

The Whiteface Quarterback Club met at the school house last Monday night. Discussions were held concerning the improvement of Duggan Field. Also there was discussion on past football games and the future games and the care of the teams while on trips. Quarterback clubs have organized in many towns and have done much good. The Quarterback Club in Whiteface is active and has been needed.

P. T. A. met Tuesday night at the Whiteface school cafeteria. This meeting was more of a reception for the teachers and was the first meeting of the school year. This organization should always be well attended. Our school enrollment is gradually increasing each year. P. T. A. furnishes every parent direct contact with the operations of the school and the meetings also furnish entertainment and fellowship.

Here is one suggestion for our school: At noon hour why not detail student policemen to watch the children on the streets and help control traffic. This may sound odd for Whiteface but there is lots of traffic in Whiteface at noon hour. A child's life may be saved by the control of student policemen. Our youngsters will dart back and forth across the streets. Remember we have a Bledsoe hi-way now in front of our school. Anyhow student policemen will make the kids traffic conscious.

Mr. and Mrs. Jerry Dane Barnette and son, Joe Dane, of Borger, Texas will in all probability make their home in this community. Mr. Barnette is employed in the construction of the new gasoline plant near Levelland. At the present time Mr. and Mrs. Barnette and son are at the home of Mr. and Mrs. Gerald L. Crupper who live three miles west of The Stanolind Mallet "G" camp. Mrs. Barnette is Mrs. Crupper's sister.

There are two people in this community who are making many friends. They have not been living here too long—about two months. Their names are Mr. and Mrs. J. B. Burtner. They are operating what was formerly known as Stephenson's Drug. Mr. Burtner was formerly employed by the Sinclair Refining Co. in Oklahoma. Retirement age finally came and Mr. Burtner began looking around for a business. His son was employed at the Stanolind Oil and Gas Company's gasoline plant near Sundown. The Burtners wished to locate near their son and as Stephenson's Drug was available they obtained it. Mrs. Burtner is a wonderful woman and when talking to her you feel that you have known her for years, she is just that sort of a neighborly person. Mr. Burtner is never in a rush, one of these "take your time" fellows. The Burtners are carving a huge niche of friendship in this community. They are the kind of people that makes this community so nice to live in. We wish them ever success in their business.

Last Thursday evening while issuing the Morton Tribune out to various homes in Whiteface, I stopped at the Orin Dennis home. Orin and I talked of oil field work. Here is a tip to you men who work in the oil fields—Orin has laid pipe line, pumped, rousted, roughnecked, and is a genuine oil field worker. If at any time you oil field parents, especially the dad, get talking to Orin about oil fields you will find he can really talk your language. Mr. Dennis is principal of the Whiteface grade schools. He expressed a desire Thursday evening that he wished he could visit all parents. He felt that parents hesitate about coming to his office at school and talk to him about their children and school. Visit Mr. and Mrs. Dennis. You will like them. They are regular people.

Another place I like to leave the Morton Tribune is at Mrs. Caudle's home. She is better known over our community as Grandmother Caudle and she certainly is a mother to all who know her. I don't know of anyone who has ever mentioned Mrs. Caudle's name but what hasn't said something nice about her. It must be nice to get along in years and still be thought so well of as Mrs. Caudle is.

Just think—its nearly Thanksgiving. They say turkeys will be cheap this year. Its odd how they jump in price right at Thanksgiving. I guess that's why turkey is always so good, it costs so much.

Want a Royal Portable Type writer with or without tabulator? Inquire at Morton Tribune.

SHERIFF'S NOTICE OF SALE

THE STATE OF TEXAS,)
COUNTY OF COCHRAN)

Whereas, by virtue of a certain execution and order of sale issued out of the District Court of Cochran County, Texas, on the 27th day of September, A. D. 1949, wherein H. F. Lafferty is Plaintiff, and B. H. Odom and wife, Hallie Odom are Defendants, on a judgment rendered in said court on September 6, 1949, against said Defendant and in favor of the said Plaintiff, for the sum of Three Thousand Seven Hundred Thirty One (\$3,731.73) and 73/100 Dollars, with interest thereon at the rate of 10 per cent per annum, from date of judgment, together with all costs of suit; I have levied upon said land on September 27, 1949, and will on the 1st day of November, A. D. 1949, being the first Tuesday of said Month, between the hours of ten o'clock a. m. and four o'clock p. m. at the Court House door of said County, proceed to sell for cash to the highest bidder, all the right, title and interest of B. H. Odom and wife, Hallie Odom in and to the following described property, levied upon, to-wit:

Lots Nos. 7 and 8, Block No. 173 Original Town of Morton, Cochran County, Texas.

The above sale to be made by me to satisfy the above described judgment for \$3,731.73 in favor of Plaintiff, together with all costs of suit and sale, and the proceeds to be applied to the satisfaction thereof.

Dated this 27th day of September, A. D. 1949.

H. D. Crockett, Sheriff,
Cochran County, Texas. 33c

Traffic Hazards Outlined at Lions Club Luncheon by Tom Rowland

Tom Rowland, state highway patrolman, spoke to the Lions Wednesday, September 28, on traffic hazards including state and local aspects. He was introduced by Dr. Frank Barker, who had charge of the program.

Patrolman Rowland said "our traffic problems concern not only the officers on duty but you and your family." He gave pertinent statistics on fatal accidents for this year to date as compared with those last year, emphasizing the fact that there are more automobiles on the road but fewer fatal accidents.

In discussing the local problem Rowland said, "sandy shoulders in the immediate area seem to be the cause of more accidents than any other one road fault." He also stressed the apparent inattention of drivers, driving while intoxicated and driving too fast as other causes of accidents.

Rowland asked the cooperation of all automobile drivers in eliminating traffic accidents, saying, "when you take the wheel of a car you not only have to drive the car you are in but pay particular attention to the drivers of all other cars."

Officer Rowland mentioned hunting and trespassing laws now in effect in Texas saying, "do not invade property without owner's consent." Rowland brought attention to a law that prohibits the pulling of two trailers.

In order to eliminate the traffic hazard on the southwest corner of the square Rowland suggested the installation of an effective stop sign on that corner.

Five guests besides the speaker were present. Dr. N. A. Monk, Neal H. Rose, Wayne Walthall, G. C. Shaw and Mrs. Carl England.

Members present were: Raymond Strickland, Paul Goodman, W. J. Weakles, L. W. Barrett, R. C. Strickland, Zeke Sanders, J. B. Knox, Bob Cross, James St. Clair, E. A. Miller, V. L. Lawson, C. C. Armstrong, J. S. Harrison, Carl Macon, Herman Crockett, John Goswick, Murray Crone, E. L.

Willis, G. W. Thompson, Homer E. Thompson, David Todd, R. D. Ormand, Fred Stockdale, Floyd Smith, M. C. Ledbetter, Roy Hickman, Hume Russell, W. B. Cox, Courtney Sanders, Earl Crum, Frank Barker, Artie Hicks and C. M. Cravy.

Christmas Parcels for Members of Armed Forces Overseas to be Mailed Between October 15 - November 15

The Post Office Department in cooperation with the several Departments of the National Military Establishment has completed arrangements for the acceptance of Christmas parcels for members of the armed forces serving outside the continental United States.

Post Master Murray Crone urges Cochran County residents to observe the mailing dates for Christmas mail designated for overseas delivery.

Many persons in this country wish to send special Christmas parcels to their loved ones overseas, and these instructions are, therefore, issued with a view of assuring their delivery on time and in good condition. Patrons may, if they desire, endorse each such gift parcel "Christmas Parcel" and special efforts will be

made to effect delivery of all Christmas parcels mailed during the period, October 15, 1949, to November 15, 1949, in time for Christmas.

The term "armed forces overseas" includes the personnel of armed forces, members of their families and authorized United States civilians employed overseas who receive their mail through an APO or Fleet Post Office, care of Postmaster, New York, N. Y., San Francisco, California; or an APO care of Postmaster, Miami, Florida; New Orleans, Louisiana; or Seattle, Washington.

Time of Mailing

The importance of mailing Christmas parcels during the designated period cannot be emphasized too strongly—the earlier the better. Parcels destined for delivery in Japan, Korea, and the islands in the Pacific should be mailed as early as possible.

Size and Weight

The size and weight restrictions for mailing other domestic parcel post are applicable to Christmas parcels for the armed forces except that a limit not to exceed 50 pounds has been established for parcels addressed for delivery to APO's 124 and 125, care of Postmaster, New York, N. Y.

Preparation

Boxes for overseas transmission must necessarily be of strong construction. It is absolutely necessary that all articles for overseas be packed in boxes of metal, wood, solid fiberboard or strong double faced corrugated fiberboard, testing at least 200 pounds. Each box should be securely tied with strong cord.

Postage

The domestic rates of postage are applicable, and postage must be fully prepaid.

Addressing

Addresses must be legible and prepared in typewriting or ink. It is preferable that the outside addresses be hand printed directly on the wrappers of the boxes rather than on labels. It is highly desirable that a slip of paper containing the names and addresses of the sender and addressee, together with a list of contents be enclosed in each parcel so as to provide identification and proper disposition of the mail. In the event the addresses on the outside become defaced or the parcel broken open.

For further particulars concerning overseas mailing consult the local Post Office.

Sports Briefs

Seacoast fishermen like stainless steel rods and tackle because they don't rust or corrode, even in salt water.

The feet of firefighters will be protected from heat, glass and nails by a newly developed stainless steel insole for shoes and boots.

A new side-view mirror made of stainless steel is adjustable from inside the automobile.

Corrosion, maintenance and sanitation problems at the Philadelphia zoo have prompted wide use of stainless steel in cages, fences and feed kitchens.

An aircraft manufacturer plans to reduce engine noise by installing stainless steel mufflers on his planes.

Outdoor cooking enthusiasts are turning to stainless steel barbecue grills and skewers that don't rust and are easy to keep clean.

Oil Highlights for Cochran County

Stanolind Oil & Gas Company No. 3 Bertie T. Brown is to be a 12,200-foot exploration to test into the Devonian in the Landon-Deep field of Central-South Cochran County, about 25 miles south and slightly west of Lehman.

It is 1,320 feet from north and 660 feet from east lines of section 14, block L, psl survey. Operations are to start at once.

MAPLE NEWS

By Lillie Faye Caplinger

The Three Way "Outside Women" have organized a basketball team. They will play their first game soon.

Travis Kelley made a business trip to Lubbock Wednesday.

Dr. Charles Jennings from Lubbock visited Mr. and Mrs. C. G. Castleberry and family Sunday.

Three Way organized a PTA Thursday night. Mrs. Bob Sanders is president.

The Three Way Eagles will play their first home football game Friday night when they meet the Bula Bulldogs.

The Maple post office has recently been moved to a new location.

Duey King has recently moved to Memphis, Texas where he is employed at the theatre. Duey was a resident of Morton before he moved to Maple where he was employed at the Maple Mercantile as a butcher.

Wesley Warren, son of Mr. and Mrs. Bud Warren is in the Plainview hospital with polio. He is a brother to Pauline Warren who is also in the polio ward at Plainview.

Jim Lackey, has returned home from the veterans hospital at Amarillo.

Louise Gibson, daughter of Mr. and Mrs. Clyde Gibson and Jack Bundrant, son of Mr. and Mrs. C. A. Bundrant, were married recently. They are at home in McDonnell, New Mexico.

Mr. and Mrs. O. H. Harton and children and Miss Lillie Faye Caplinger attended the Lubbock Annual South Plains Fair Wednesday. While in Lubbock Mr. and Mrs. Harton were guests of Mr. and Mrs. W. O. Ledbetter and family. Lillie Faye was a guest in the home of Mr. and Mrs. Joe Chism.

Mr. and Mrs. R. G. Burns and Ronnie visited in the home of her parents, Mr. and Mrs. C. B. Caplinger Sunday.

Stanolind No. 1 Grollman, a Devonian prospector in the Landon-Deep region, and 660 feet from west and 407 feet from south lines of section 4, block L, psl survey, had reached 11,098 feet in shale and lime, and was making more hole. It is to go to around 12,000 feet, and possibly deeper, to test the Devonian.

Stanolind No. 2 Holt, which has shown for some sort of production from the Devonian in the Landon area, and which is 660 feet from south and east lines of section 3, block L, psl survey, continues to swab on the interval at 11,747-794 feet.

That section had been treated with acid, through casing perforations. On the last test reported the exploration swabbed 20 barrels of water and 63 barrels of oil in 20 hours.

There is a possibility that the well will be squeezed off with cement, and then the pipe will be perforated slightly higher.

Such activity would be to try to get above the level of the water which might be coming from the lower end of the perforations now under test.

Lion Oil Company No. 1 Masten is to be a three-quarter of a mile southwest stepout from the nearest production from the San Andres-Permian on the southwest side of the Levelland field in Central Cochran County.

It is 440 feet from north and east lines of labor 12, league 132, Carson County School Land survey.

Drilling to 5,200 feet to test the pay section will begin at once.

WEEK-END IN MORTON

Vanna Louise Butler, infant daughter of Mr. and Mrs. Bill Butler, Lubbock, spent the weekend in Morton, while her parents attended to business in Big Spring, Texas.

RAMBY'S PHARMACY

Tribune, Morton, Cochran County, Texas, Thursday, October 6, 1949

4 Oil Completions For Cochran Area

Texas Gulf Producing Company No. 3 C. S. Dean, 440 feet from north and 1,984 feet from west lines of league 113, Potter CSL survey, flowed six hours through a 1.2-inch choke to produce a daily calculated potential of 162.60 barrels of oil. Gravity of the petroleum was not given. No water was present. Gas-oil ratio was 1,064-1.

The pay section between 4,952 feet and 5,051 feet was treated with 44,000 gallons of acid.

Skelly No. 1 W. L. Shed, 440 feet from north and east lines of lease in labors 3, 8 and 23, league 132 and 131, Carson CSL survey, flowed six hours through a 5.8-inch choke to make a calculated 24-hour potential of 259.20 barrels of 28.6 gravity oil. No water was present and the gas-oil ratio was 507-1.

The pay section at 4,975-4,998 feet was acidized with 4,500 gallons.

The Ard Drilling Company No. 1-A Wright, 660 feet from south and east lines of labor 14, league 95, Mills CSL survey, pumped 24 hours to make an initial production of 48.26 barrels of 30.3 gravity oil. No water was present. Gas-oil ratio was 480-1.

The pay section at 4,886-4,930 feet was treated with 12,000 gallons of acid.

Big Chief Drilling Company No. 3 Superior-Dean, 440 feet from east and 660 feet from south lines of lease in section 80, league 91, Lipscomb CSL survey flowed six hours through a two-inch choke and made a calculated 24-hour potential of 446.76 barrels of oil. Gravity of the petroleum was not given. No water was present.

Y. W. A. Meeting Held Monday in Sullivan Home

The Y. W. A.'s met in the home of Gay Sullivan, Monday night at 7:30 p. m. The program was entitled, "Observing the State Mission Week of Prayer." After the program the president, Marvie Ann Fincher, took charge for the business meeting and the following committee chairmen were appointed:

Community Missions, Nelda Brisco; Stewardship, Jimmie Taylor; Publicity, Sue Macon; Mission Study, Shirley Arnold.

After the business, refreshments of ice cream and cake were served to the following:

Sue Macon, Nena Bledsoe, Lude Silhan, Martha Bledsoe, Doris Hanna, Ruth Williams, Shirley Arnold, Mary Lee Lackey, Nelda Nations, Jimmie Taylor, Jo Beth Russell, Janelle Jones, Martha Willis, Peggy Lilljedahl, Marvie Ann Fincher, Norma Wright, Joye Seaney, Nelda Brisco, Janice Grimsley, Florence Hodnet, Mrs. Herman Raphael and the hostess, Gay Sullivan.

ATTENDED LUBBOCK GAME

T. K. Williamson and Mr. and Mrs. Jiggs Baker attended the Texas Tech-West Texas State football game in Lubbock last Saturday night.

annegrams presents

Nine months old Billie Rae Proctor, Jr., son of Mr. and Mrs. Billie Rae Proctor. The young man is a blue eyed blonde and the possessor of a very friendly disposition.

Billie's grandparents are Mr. and Mrs. Sam Proctor and Mrs. Mary Vallarelli of Brooklyn, New York. (anepic)

Come See The Complete Home Furnishings at Todd Furniture.

--annegrams -- by ann england --

Well—not only are we enchanted with all the nice things that happened to us on our birthday—but also slightly overwhelmed. Doesn't matter at all now if we live another 60 years.

Our original intention was to list all the senders of cards, letters, gifts etcetera but we never dreamed there'd be so many and since we and her birthday probably is of very little concern to anyone except her we'll just say a great big THANKS to everyone for making Saturday, October 1, such a wonderful day.

Of course we will be bound and compelled as we go along to mention some of the really outstanding things that were said and done. We especially appreciate all the lovely dedications from Radio Station KLVT.

One of the nicest things was a visit from our friends the Earl Louder of Seagraves. They came over Friday night for the football game and brought a beautiful and extra good cake. This we kept until after the game and on the stroke of 12 blew out the candles (all five) then cut and served with coffee to eleven members of our favorite people, namely the Forrest Weimholds and staff members of Radio Station KLVT.

As we explained to Mr. C. W. Ratliff of the Avalanche-Journal, Saturday when he wished us "Happy Returns" the five candles denote mental age and not physical. He's sweet.

Mr. Charley Guy, the Plainsman of Avalanche-Journal had already settled the age question by saying, "congratulations Ann, you don't look a day over 60." Of course the answer to that is, usually we don't EVEN feel a day over sixty. Besides a woman of sixty can usually get away with anything she's able to do.

Saturday evening in Brownfield we had such a nice visit with Waggoner Carr, Lubbock's good looking County Attorney, and much to our surprise discovered we were twins (except he is 31). Mr. Carr was born in Hunt County, so were we and we found that we had lots of likes and dislikes in common, including a feeling that we were born under a "lucky star."

Another October firster is darling seven year old Diane Robertson.

We are still enjoying lovely flowers sent by the spouse, Jewell Chesher and Rubie Brown of Snyder. The cake, unfortunately, is all gone.

Friday night at the game Rex Faulkner amused us no end by saying, "Wish I'd worn my overcoat, that is if I had had an overcoat." It is cold on that grandstand, especially on the top rail.

The boys doing the radio work had an awful time trying to keep warm—maybe by next year the Indian stadium will have a real press box.

Jack Lee, the sports announcer, climbed and bounced around all over that perch just like a monkey. He really did a bang up good job of announcing the game. Any number have told us how nicely the program came in over the airwaves.

Another thing we were proud to hear was so many people complimenting the two football teams on the cleanness of the game. Actually it was wonderful.

Mr. Carl Macon really hit the right note last Friday morning when he saw us in Ramby's Pharmacy and said, "Why Ann I thought you were a school girl sitting there." We couldn't say anything less than, "Thank you Mr. M would you like to have half of the front page of the Tribune free next week?" P. B. Ramby said, "There are certain advantages to having a woman editor of the local paper, wish I'd thought of something like that."

Received a most complimentary letter from Mrs. Lewis Owen (or is it Owen Lewis) at Pep last week. We see Mr. L. C. (or O. L. as the case may be) occasionally but have never met her. Guess she stays home pretty close as she has nine children. Anyway Mrs. O sent along a wonderful recipe for Chutney and since tomatoes are just right we will use the recipe in this column next week.

The spouse has just informed us that the Tribune is getting crowded for space so we will have to cut a short.

Did want to mention that Mortons and Cochran countians can be looking forward to an interesting article on Cochran County in the October 23 issue of the Amarillo Times. Nugent Brown, farm editor and feature writer for that paper was out here last Wednesday and Thursday gathering up the material and Nugent is about the best when it comes to writing. He stayed the night Wednesday at Vagabond House and only thing wrong was that his charming wife, Edith, wasn't along. We see her now and then at the press conventions.

Of course we had all this in mind to say even before reading about half a column of really flattering things in Monday's Amarillo Times.

On top of having reached the saturation point in excitement along comes the Quarterback Club with plans for a Special Football Train to carry Indian boosters to Slaton on Friday, October 14.

We are as enthusiastic as some of these kids who have never ridden a train—and we've ridden one. Several as a matter of fact. Even got on one one time going the wrong way. Got as far as St. Louis, Missouri enroute to Keokuk, Iowa, and found our ticket read to Chicago which is the opposite direction. We were grown too and broke we might add—anyway after a few salty tears (ours) the station superintendent put us on another train with a good looking young chap to look after us and buy our dinner. But it was Christmas and everyone is nice at that time, besides we were going home to mama.

Received a tax notice from the county tax assessor a few days ago. The envelope was printed out of town so we just decided to let the out of town printer pay our taxes. If we don't get the work here we haven't the funds to pay the thing.

Guess Mr. Brunson wouldn't like it at all if we called him by his wife's name, but we don't know his, anyway we saw him Monday shopping with his little two year old blonde daughter, she is a darling. Mrs. B—Dorothy that is, is one of the third grade teachers here.

A card Monday from Amy Stevenson. The Stevensons lived here when we came to Morton but moved later to Mertzon and Amy wrote to tell us they are moving to Crane, Texas. She said, "you see I'm gradually working back up toward the Panhandle—love it, sand storms and all." All of us love Amy too.

Rene Danforth, mascot of the Morton Band, really got the applause for her performance at Friday nights game.

You think it doesn't pay to advertise? Raymond Ross told us Monday that he had around 1500 to register Saturday at the International Show and Neal Rose (we invariably call him Rose Neil) had a good day too, at the Western Auto Associate Store.

Does confusion reign in your dresser drawers? You can establish law and order very easily, says the Woman's Home Com-

Hospital News

New Babies:

A daughter, Connie Sue, weighing 6 pounds 8 ounces, born Sept. 27th at 6:59 p. m. to Mr. and Mrs. T. C. Hodges of Morton.

A daughter, Cathy Lynette, weighing 6 pounds 14 ounces, born Sept. 28th at 2:10 p. m. to Mr. and Mrs. Jack Sherley of Morton.

A son, Jesse Wayne, weighing 9 pounds 1 ounce, born Oct. 1st at 10:12 a. m. to Mr. and Mrs. J. W. Henson of Whiteface.

You ought to be driving a **49 PONTIAC**

You can Think yourself into this!

If you are going to buy a motor car—you can think yourself right into a Pontiac!
Think of the most beautiful car you've seen this year—think of the car that's nationally famous as a wonderful used car—think of the things that make General Motors' cars outstanding year after year—think of the low-priced car that looks most at home before smart hotels and clubs everywhere!
You will find that in every case you are thinking about Pontiac! As a matter of fact, you will find that it's time to stop thinking and start walking—right down to our display room.
We'll put you behind the wheel of a 1949 Pontiac—and we're ready to let that you'll be there for "keeps". For here's the easiest car to fall in love with in the whole wide world!

Carl Enlands Attend Lubbock Press Luncheon

Mr. and Mrs. Carl Enland along with thirty members of the fourth estate from Lubbock, Anton, Spur, Levella and Slaton, Tahoka and Seagraves, attended a luncheon in the Hilton Hotel, Lubbock, last Saturday as guests of directors of the Panhandle South Plains Fair Association.

Neil H. Wright, Jr., president of the fair, was master of ceremonies at the luncheon. He welcomed the visitors and thanked them for their support of the fair.

"We've been coming here so long that we feel that we're a part of Lubbock and that it's our fair," H. G. Richards, president of the association, declared in a brief response.

Miss Joyce Wendborn, "Miss Lubbock" of 1949, entertained with two vocal numbers, accompanied by Jack Burgess at the piano; and the Three Debutantes from the fair's "A Trip Through Wonderland", also sang several numbers, accompanied by Sam Baker at the piano. Don Boldon, emcee for the show, did a juggling and acrobatic act and danced on his hands. Randolph Avery, manager of the show, spoke briefly.

High Speed OLIVER COTTON HARVESTER

Here's the new 2-row Oliver Cotton Master . . . a completely modern power-driven, power-lift harvester. It operates efficiently at speeds up to six miles per hour . . . picks as much as 20 bales a day.

Specially designed stripping teeth, and wide, flared gathering-unit throat openings gather cotton that is high or low on the stalk. The 38-inch spacing of the gathering units will handle all conventional row widths. Adapted to the harvesting of storm-proof varieties, the Oliver Cotton Master does a thorough job of separating the cotton from the stalks, breaking open bolls and knocking out moats, trash and dirt.

See us for full information on this new pull-type Oliver Cotton Master that is quickly attached to any tractor . . . that speeds up the cotton harvest, and helps you deliver a high-grade product to the gin.

FAMULINER COMMUNITY NEWS

By Mrs. O. D. Chesshir

GOOD NEIGHBORS MEET

The Good Neighbors Club, composed of families living in the Famuliner Community, met Tuesday night, September 27 for a weiner roast in the home of Mr. and Mrs. Francis Cunningham.

Richard Key, president of the organization, presided for the business meeting. Mrs. O. D. Chesshir, secretary, called the roll and read minutes of previous meeting.

Mr. Key gave a report on the visit to the community by Mr. Richardson, editor of the Oklahoma Farmer-Stockman. The Oklahoma editor visited with several members of the community recently.

Ways and means of improving the community was discussed by all the members during the general business session.

Enjoying the get-together were Mr. and Mrs. Rex Faulkner, Rex, Jr., Bob and Joan Faulkner; Mr. and Mrs. Richard Key, Linda, Robby and Danny Key; Mr. and Mrs. N. H. Steed and Carolyn Steed; Mr. and Mrs. O. D. Chesshir; Ernest Gene and Donald Ray Chesshir; Mrs. Byrd and Virginia Byrd; Mr. and Mrs. Buford Webb; Winona, Patsy and Jimmy Webb; Mr. and Mrs. J. H. Buchanan; Donald and Clovia Buchanan; Mrs. D. A. Ramsey and Glenn Ramsey; Mrs. Johnny Brooks and Scott, Edgar and Sonny Lynch; Mr. and Mrs. Woodrow Cunningham; Mr. and Mrs. Francis Cunningham; Lavonne and Jimmy.

The next meeting will be Tuesday, October 25 in the home of Mr. and Mrs. J. H. Buchanan. One of the newer projects attempted by the Good Neighborhood Club is that of marking lanes and roads in the community. This project, when completed, will add to the attractiveness of the community and will also aid

visitors in locating the 30 families living in the community.

Grand Champion Sire
Primrose Nixie's Heartbreaker (Willie) Guernsey sire, owned by Johnny Brooks took first prize and Grand Champion at the Hockley County Fair, held in Levelland week before last.

County Agent and Amarillo Newsmen Visit

County Agent Homer E. Thompson, and Bob Cross, F.H.A. supervisor, accompanied Nugent Brown, farm editor and feature writer of the Amarillo Times, on a visit to this community last Thursday. A special article on the Famuliner Community will be published by the Amarillo Times in the October 23 issue.

While visiting in the community Mr. Brown made several pictures.

Famuliner Community and the Good Neighborhood Club contest is gaining in popularity. When newspaper writers take time out of their regular duties to come out and feature this community in their Panhandle newspaper, we should all strive harder to take an active part in the meetings and in the improvement of the community.

We have made definite progress and all "pulling" together will go even further and with everyone working together we will have a community to be proud of.

Those of us who have been meeting have missed the fellowship of those who haven't attended; too, you've missed something. Won't you join us at our next meeting?

The project uppermost in our mind at present is a community building. This building is needed, not only for adult meetings but for recreational activities of the youth of the community. There are 60 young people in the Famuliner Community. When our fund raising campaign for this building gets underway we hope all of you remember the benefit it will be to the youth of the community, who are our future leaders.

Fair Visitors

Noted at the Panhandle South Plains Fair last Wednesday were Mr. and Mrs. Burl Reed; Mr. and Mrs. Buford Webb and children; Mrs. Frances Cunningham and children; Mrs. Clyde Cravens and daughters; Mr. and Mrs. A. Baker and son, Donnie; Mr. and Mrs. Mitchell Lee Abbe; Mr. and Mrs. J. H. Chesshir, Wanda, Freda and Glenda; Mr. and Mrs. P. B. Ramby and daughter, Barbara; Mr. and Mrs. Julius Bracken and sons, Wayne and Steve; Donald Joe Cox and Lavern Chesshir; Jerry and Gayle Brvant, Dorothy Shaw and Louise Nesbitt, all of Morton.

Personal Notes

Mrs. Ralph DeBord visited Wednesday in Levelland with her parents, Mr. and Mrs. J. R. Walker. Mr. Walker was brought to Morton Wednesday night by ambulance where he entered West Plains Hospital. He was transferred to a Lubbock hospital Monday and may go on to Dallas for further treatment. He was visited in the local hospital Sunday by Mr. and Mrs. Derrel Walker, Brownwood and Robert Walker of Levelland. Mrs. DeBord accompanied her father to Lubbock.

Mr. and Mrs. T. C. Hodges are parents of a girl born Tuesday evening, September 27. The baby weighed six pounds and eight ounces and has been named Connie Sue. She is a name-sake of Mrs. Rex Faulkner. Mrs. Hodges took the baby to Lubbock Monday for surgery. Connie Sue has two brothers, John and Norman and four sisters, Gloria, Helen, Margaret and Kay.

Mrs. Rose Dolle, Hobbs, New Mexico, mother of Mrs. Bo Tisdale, received surgery at West Plains Hospital last Friday. Mrs. Dolle's 15 year old son died following a car accident Friday night, a brother and sister with him were also injured. The Famuliner Community extends deepest sympathy to the Tisdale family and Mrs. Dolle in this dark hour.

Mr. and Mrs. Nick Miller and son, Freddy Paul, returned Friday to their home in Pueblo, Colorado, after a visit here with her

parents, Mr. and Mrs. N. H. Steed and his parents at Needmore. Mrs. Garner and son, Tommie, of Turkey, Texas, visited her daughter, Mrs. T. C. Hodges and family last Friday and Saturday.

Mr. and Mrs. Richard Key and children attended the Panhandle South Plains Fair in Lubbock last Saturday.

Mrs. Frances Cunningham, Mrs. P. E. Liles and Miss Mabel Ann Manley were in charge of a booth at the Panhandle South Plains Fair, Lubbock, last Saturday, where they demonstrated the variations of a master dough mix. In the interesting demonstration the trio made biscuits, cookies, muffins and cake.

Sunday visitors and dinner guests in the Richard Key home were Mr. and Mrs. W. C. Key, Lex and Clovia of Morton and a married sister, Maxine and family of Clovis, New Mexico.

Mr. and Mrs. Derrel Walker, Brownwood; Robert Walker, Wanda and Frankie of Levelland were Sunday dinner guests in the home of Mr. and Mrs. Ralph DeBord. Frankie stayed on for an indefinite visit in the home of his aunt, Mrs. DeBord.

Mrs. Shue Host to Homemakers

Mrs. Clyde Shue was hostess to the Homemakers Club at her home, Wednesday afternoon, September 28. Miss Mabel Ann Manley, County H. D. Agent, gave a program and demonstration on pantries.

C. C. ARMSTRONGS ON TRIP TO SOUTH TEXAS AREA

Rev. and Mrs. C. C. Armstrong left Tuesday for a vacation. They plan on touring the South Texas area around Laredo, Brownsville and return by way of Corpus Christi.

Rev. Armstrong is pastor of Morton's First Methodist Church. Morning services Sunday, October 9 will be conducted at the First Methodist Church by Mr. Halsell, school principal at Pettit, Texas and on the following Sunday, October 16, by Coach Rucker of the same school.

MR. and MRS. PAUL ADAMS, Lubbock, were out here Friday night for the Morton-Seagraves football game.
