

Mayor McAlister and Wife Escape Serious Injury When Car Overturned

Mayor and Mrs. T. L. McAlister escaped with painful but not serious injuries when their late model Buick roadmaster sedan overturned between Lovington, Texas, Mexico and Denver City, Texas, Saturday night about 10 o'clock.

Mrs. McAlister, who was driving at the time the accident occurred, received several broken ribs, cuts and bruises. The Mayor, bruised and cut, was at first thought to have injuries to the neck vertebrae but further study Tuesday of x-ray pictures indicated no fractures, it was reported by Mrs. June Nunnally, daughter of the McAlisters.

Mr. and Mrs. McAlister had attended a football game in Roswell Saturday afternoon, returning by way of Lovington for tractor supplies. They were traveling between Lovington and Denver City when the car overturned several times after hitting a soft shoulder. The car was completely demolished, Mrs. Nunnally said.

A passing motorist moved the McAlisters from the scene of the accident to a Denver City hospital, where they stayed the remainder of Saturday night, they were brought home Sunday by son, Bill and Monday removed to Lubbock Memorial Hospital, where a series of x-ray pictures and other examinations were made.

Both Mr. and Mrs. McAlister were released from the Lubbock hospital Tuesday and are convalescing from their injuries at their home on South Main Street.

District 4-A Changes Announced; No Split District in '50 Under New Setup

A new district 4-A has just been announced by the Interscholastic League in Austin and according to the news release the district will not be divided.

Teams that will comprise the

new district 4-A are: O'Donnell, Tahoka, Post, Slaton, Brownfield, Levelland, Littlefield, Morton and Muleshoe.

Brownfield will move back into class A classification due to the fact that they do not have enough scholastics to be awarded class AA competition. Sudan and Sundown will move into class B competition since their scholastics are not enough to keep them in class A.

This change in the district set-up puts nine schools in district 4-A which means that each school will have only one off football game a year unless a school chooses to play a complete 10 game schedule which isn't very likely.

With this change in the 4-A setup, it will become one of the toughest districts in Texas. Littlefield, Levelland, and Brownfield will be the powers in the district with all the other teams being dark horses in the race.

Morton Business Firms to Take Time out to Give Annual Thanks by Closing up for Thanksgiving Day, Thursday

Fall hustling and bustling in Morton will come to a halt Thursday when everyone takes time out to give annual thanks for a year of blessings and to eat a too big Turkey dinner.

School will close at noon Wednesday until Monday morning, School Superintendent Carl Macdon, said.

The post office will be closed, Postmaster Murray Crone, announced.

The First State Bank has declared a holiday. Offices in the county court house and city hall will be closed all day. Food stores, department stores and practically all small businesses will remain closed, throughout the day.

Large numbers of Mortonites will leave town for visits with friends and relatives; many taking advantage of the Thursday holiday to remain away until Monday.

Several large family parties

have been planned locally for those who expect to remain in town.

Dr. and Mrs. Frank Barker are entertaining with mid-day dinner for a number of their friends. Mr. and Mrs. Neal Rose will have out of town relatives in their home for Thanksgiving.

Mr. and Mrs. W. A. Lindsey will spend Thanksgiving with relatives in Levelland.

The H. S. Hawkins family, who customarily have a family Thanksgiving party, will celebrate a quiet Thanksgiving this year. Their daughter, Grace Ann, Texas Tech student, will be at home for the holiday week-end. Mr. Hawkins was in Oklahoma

City earlier in the week. Lois Ruth Hawkins, teacher in the Lamesa schools, will visit in Eastland and Cisco.

Fred Stockdale and Glenn W. Thompson made a flying trip to El Paso Wednesday. Upon Stockdale's return he and Mrs. Stockdale and three children, Fred, Jr., Mary Linda and Johnny, left for Ft. Worth to spend the holidays with friends and relatives.

Hub Cadenhead, Texas Tech student, came in Wednesday evening and will visit here with his parents, Mr. and Mrs. Earl Cadenhead. They have not planned any special Thanksgiving festivities, according to Mrs. Cadenhead, but will "just visit with friends and relatives."

The Truman Dosses will spend most of the day resting. Mrs. Doss said.

Artie Hicks, business manager at West Plains Hospital and Clinic; plans to spend the day with his mother in Lubbock.

Four Club Boys Receive Honor Awards at Rally

Four Cochran County 4-H Club boys received honor awards at the county wide achievement rally held Nov. 9th in the Veteran's Hall, Morton.

Kenneth Wilson, Jr., received the Gold Star Pin for his outstanding club work.

Clarence Moore was awarded the meat animal award for his outstanding club work with meat animals. Clarence showed the Grand Champion calf this year in the Annual Fat Stock Show. He also won first in the Junior Class of fat steers, second in the senior yearling class and placed second with his pen of three calves.

Herb Tanner received the Danforth Foundation's award which is awarded to an outstanding club boy in the county each year.

Leroy Wilson received the Achievement Award for Cochran County.

League Proposes 19 Year Limit

AUSTIN — Interscholastic League member schools throughout Texas may be given a chance to vote on a 19-year age limit for athletic competition and a change in the semester rule, if a League legislative advisory council recommendation is approved by the League's committee.

Other recommendations under consideration are limitations on member schools' basketball games, prohibiting college tryouts for high school athletes and increasing League membership fee.

Brisk Business for Local Sheriff's Office Reported

Drunks, liquor law violators, one run-away Mexican, and other law breakers have kept the sheriff's office busy for the past few days, records indicate.

Twenty one arrests for drunkenness have been made since last Wednesday; five persons have been arrested for disturbing the peace; one run away Mexican National was apprehended and returned to Mexico; and charges of assault filed against one person. Two persons have been arrested and charged with driving without licenses.

Sheriff H. D. Crockett and Deputy John Goswick, received a \$50.00 reward from N. C. Moore of Bailey County for finding and returning a trailer that had been stolen from him. Two men from Sherman were arrested by Crockett and Goswick and held for Muleshoe officers, who had charged them with the trailer theft.

A negro man from Dallas was arrested and charged with liquor law violation in Cochran county near Lehman last Wednesday. He pled guilty in County Court and paid a fine of \$150.00 plus court costs. When caught the negro had in his possession 48 one-half pints of whiskey; a case of wine and two cases of beer.

Janelle Jones Crowned Beauty Queen of Morton High School at Coronation Ceremonies Held Friday Night

GLENNA KENNEDY, Attendant

JANELLE JONES, Beauty Queen

NELDA JOYE CHILDS, Attendant

Football Squad's candidate, Janelle Jones was crowned Beauty Queen of Morton High School Friday night, Nov. 18 by Kenneth May, staff member of the *Blanche-Journal*, Lubbock, the Editor Charles A. Guy selected her from portraits of 10 other candidates. Janelle was selected Beauty Queen last year when the First Beauty Queen contest was sponsored by the War Whoop and Floyd D. Golden, president of Eastern New Mexico University made the selections.

Attendants were Glenna Kennedy, sophomore candidate and Nelda Joye Childs, agricultural Club candidate. The ag. club sponsored Janelle last year. The auditorium of Morton high school was packed for the Coronation ceremonies.

Following the program all candidates and their escorts were introduced. They were Jean Alford and Johnny Green; Barbara Barton and Corky Evans; Nancy Blackley and Lanar Burns; Nelda Joye Childs and Bunky Hargrove;

Betty Lou Hoffman and B. J. Peters; Janice Grimsley and Noel Crow; Janelle Jones and Clifford Wall; Glenna Kennedy and Royce Smith; Muryl Ruthard and Bob Polvado; Jimmie Taylor and Lewis Hodge; Beth Winder and Leslie White.

The program consisted of two plays presented by Literature I classes under the direction of Mrs. Fred Danforth and Mrs. Bob Rhyne; and an audience participation program.

New 1950 Shelvador Refrigerator to Be Awarded by Jeter Hardware

A revolutionary new design and the latest in features are incorporated in the new 1950 Shelvador refrigerator to be awarded locally by Jeter Hardware Store, Morton, as part of the giant national \$2,000,000 "giveaway" being conducted by the Crosley Division, Avco Manufacturing Corporation and its dealers.

"The new Shelvador," Dave Jeter said, "provides up to 23 per cent additional storage capacity in the same size exterior cabinet. This new design provides close to two cubic feet of "plus" storage space at the "convenience level", where foods are easy to reach without bending or stooping", he pointed out.

"The exclusive Shelvador fea-

ture," he said, "has been restyled with sturdy white plastic shelves that are completely recessed within the interior of an extra thick insulated outer door."

"A unique feature," he said, "of the Shelvador CB-9 is the "butter safe", a compartment for butter storage built into the door of the refrigerator. It is electrically heated and thermostatically controlled to keep butter at the proper spreading consistency. Constructed of white plastic, it is easily removable for thorough cleaning."

"An outstanding feature of this model," Dave Jeter stated, "is the separate horizontal freezer and frozen food compartment that hold up to 53 pounds of frozen foods and ice cubes. In the full-width freezer compartment there is a freezer shelf with sub-zero temperatures for home freezing. The frozen food compartment provides extra space for ice trays and day to day supplies of frozen food."

"Among the many additional features," Jeter said, "is the exclusive new door latch that provides for effortless opening of the door and a firm door-seal. Maximum shelf flexibility is provided by lift out and sectional shelves. The interior is finished with acid-resisting porcelain enamel. All models in the Shelvador line are powered by the "Crosley Electro-saver Unit" hermetically sealed and self-lubricated."

Farmers May Move Seed Cotton for Ginning Only in Designated Areas

Federal Quarantine 52 as well as the State Quarantines for the Pink Bollworm of cotton in the States of Arizona, New Mexico, Oklahoma and Texas authorizes the inter and intra-state movement of seed cotton only from slightly infested areas into (1) contiguous regulated counties in which similar conditions of infestation exist; (2) to designated areas (operating under Dealer-Carrier Permit) located in free areas but immediately adjacent to the regulated areas for ginning for which no permits are required. Any other movement of seed cotton (including grab-bags or bolls) or parts of the cotton plant shall be made only under permit duly authorized by the appropriate quarantine officials.

In view of the large amount of seed cotton produced within the pink bollworm regulated areas located in the States of Arizona, New Mexico, Oklahoma and Tex-

as for the crop year of 1949-50, it is deemed advisable at this time to call to the attention of all concerned the importance of adhering strictly to the above provisions of the Pink Bollworm Quarantines under question. Inspection for the pink bollworm during the current crop has revealed the intensity and degree of infestation of the pink bollworm existing in the various pink bollworm regulated areas.

For the guidance of growers and ginners in the case of cotton produced in Northwest Texas, Eastern New Mexico and Southwestern Oklahoma, seed cotton will be allowed inter-county movement for ginning in the grouping of counties indicated below:

- Group 1. Oklahoma Counties.
- Group 2. Texas, Counties of Grav, Wheeler, Donlev, Collingsworth, Hall and Childress.
- Group 3. Hardeman, Wilbarr, er, Wichita, Motley, Cottle, Ford,

King, Knox, Baylor, Stonewall, Haskell, Throckmorton, Shackelford and Callahan.

Group 4. Scurry, Fisher, Jones, Nolan, Taylor, Brown, Coleman and San Saba.

Group 5. Quay, Curry and Roosevelt, New Mexico, and Bailey, Lamb, Hale, Floyd, Cochran, Hockley, Lubbock, Crosby, Dickens, Yoakum, Terry, Lynn, Garza, Kent in Texas.

Group 6. Sterling, Coke, Runnels, Tom Green, Concho, Mason, Schleicher, Menard, McCulloch, Irion and Reagan.

Group 7. Lea, New Mexico; Gaines, Dawson, Borden, Andrews, Martin, Howard, Mitchell,

Ector, Midland, and Glasscock in Texas.

Seed cotton produced in Group 1 may move into Groups 2 to 7 inclusive for ginning; seed cotton produced in Group 2 may move into Groups 3 to 7 inclusive for ginning; seed cotton produced in Group 3 may move into Groups 4 to 7 inclusive for ginning; seed cotton produced in Group 4 may move into Groups 5 to 7 inclusive for ginning; seed cotton produced in Group 5 may move into Groups 6 and 7 for ginning; seed cotton produced in Group 6 may move into Group 7 for ginning; seed cotton produced in Group 7 must remain in Group 7.

This statement shall be construed by ginners to be an amendment to their Dealer-Carrier Permits which amendment shall authorize acceptance of seed cotton only in a manner outlined above. In other words, ginners in Hardeman County which is in Group 3 must not accept seed cotton from Lubbock County which is in Group 5. This modification of Dealer-Carrier Permit issued ginners is not to be construed as prohibiting such ginners from accepting seed cotton produced within or contiguous to their ginning territory. In other words, there will be border-line cases where seed cotton has normally been moving across these group lines as now designated. As an example: It is not intended to prohibit a ginner located in Scurry County from receiving seed cotton from a few miles across the line in Borden County. It is essential, however, that long distance movements of seed cotton for ginning be discontinued and ginners will be held strictly accountable and will be expected to refuse to gin cotton produced a long distance from their gin.

Deadline on Bean Guessing Contest Set December 15

The typesetter or the make-up man in the mechanical department of the Morton Tribune apparently had Christmas and Santa's visit in mind when the Bean Guessing Contest Advertisement was set up.

Actually the contest ends on December 15, and not December 25 as stated in the ad.

Twenty dollars isn't a bad sum to receive for doing nothing; of course there are those who probably consider it work just to guess but nevertheless twenty bucks will be given the person, man, woman or child, who guesses nearest the number of beans in the jar at Armn Motor Co.

Drop by Armn Motor Company at any time and hazard a guess at the number of beans—drop by anytime that is between November 25 (when the contest opens) and December 15, closing date of contest.

In checking ad proof it was discovered that the ad copy writer made the original error in the Bean Guessing Contest advertisement. Typesetter and ad lay-out man are entirely innocent of charges made earlier in this story.

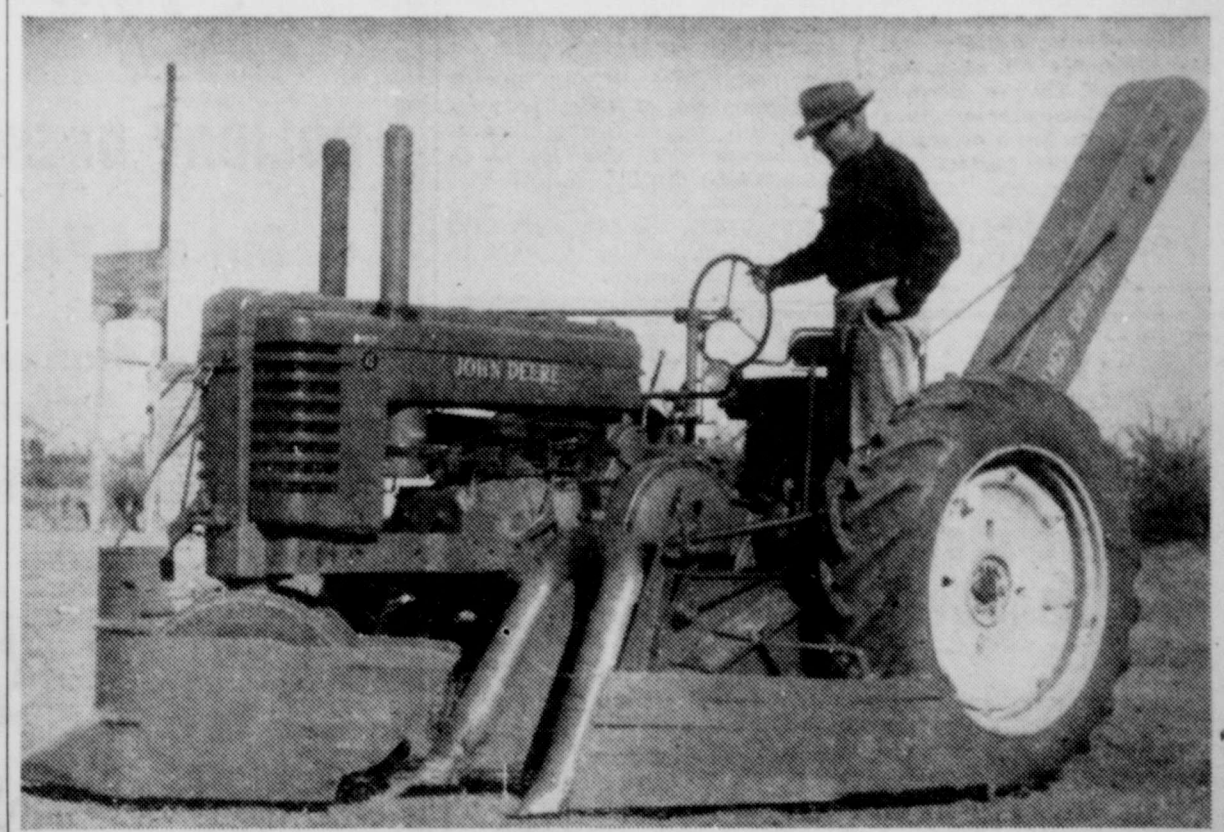

As the Tribune goes to press—early this week on account of Thanksgiving—no one has been able to ascertain thoughts of ad writer at time above mentioned copy was under construction. Makes a good story anyway.

Cotton Report

Census report shows that 6,448 bales of cotton were ginned in Cochran County from the crop of 1949 prior to Nov. 1, 1949 as compared with 5,382 bales for the crop of 1948.

FROM TEXAS TECH

Miss Grace Ann Hawkins, Texas Tech student, spent the week-end here with her parents, Mr. and Mrs. H. S. Hawkins.

Max Bowers and tractor with attachments designed and made by him for cleaner and more efficient cotton harvesting. Purpose of the front point is to lift cotton from ground and push it to one side so that it may be picked up by throat of cotton puller; while the wheel shields raise the limbs to one side thus preventing the wheels from rolling the cotton into the ground.

The fender and shield turn with the front wheel. At the time the picture was made Bowers was harvesting cotton on his farm five miles east of town.

Cochran Home Demonstration Club Women Take Part in Coat-Suit Shows

The Cochran County Home Demonstration Club women took part in two coat and suit shows during the week of November 13 to 19. The first show was a local show held in the Morton Junior High School auditorium at 5:00 p. m. November 15th.

The show was the result of a tailoring course taught to eight leaders last spring by Miss Mary Ruth, clothing specialist, for the Extension Service. Eighteen women modeled or had garments modeled in the local revue.

These women were: Mrs. F. L. Fred, Mrs. V. H. Bewley, Mrs. Bill Martin, Mrs. D. L. Woolsey, Mrs. Woodrow Cunningham, Mrs. G. W. Freeland, Mrs. K. A. Wilson, Mrs. W. K. Courtney, Mrs. P. E. Liles, Mrs. Francis Cunningham, Mrs. J. W. Pond, Mrs. Herman Taylor, Mrs. Earl Akin, Mrs. Cecil Masten, Mrs. Wendell Watson and Misses Mary Helen Keith, Lois Wilson, Jerry Harris and Little Misses Barbara Akin, Genell Taylor, Lois Courtney, Anna Jo Watson, Terry Watson and Susan Watson.

Each person participating in the show received a certificate for a pair of nylon hose by either Cobb's or St. Clair's Department Store.

The District show was held in the Aggie Auditorium Wednesday, November 16. The show was sponsored by the Extension Ser-

vice and the businessmen of Lubbock. Fifty-two women from five counties that had received training modeled. Cochran county women modeled in the show were: Mrs. V. H. Bewley, Mrs. Cecil Masten, Mrs. W. K. Courtney, Mrs. O. L. Woolsey, Mrs. F. L. Fred, Mrs. P. E. Liles, Mrs. G. W. Freeland and Miss Mary Helen Keith. Five Cochran county children modeled coats made for them as a result of the tailoring school. They were: Lois Courtney, Genell Taylor, Anna Jo Watson, Terry Watson and Susan Watson.

Miss Margaret Weeks, Dean of the School of Home Economics at Tech, was given the 4-H Honor Award for outstanding service to 4-H Club work as a part of the program. The award was made by Catherine Foltz, Chairman of District 2 4-H Club Encampment.

Watch Out For The Symptoms!

Laughed out loud when I heard Hoot Davis was down with Chicken Pox. A man of forty-five catching a kid's disease!

So I went to see him, armed with jokes about "second childhood" but forgot them fast when I got there. Hoot looked terrible and had quite a fever.

While we talked, I came to think of how Chicken Pox is a lot like other "diseases"—diseases of the character, such as intolerance, self-righteousness or just plain ignorance. They're excusable in children, but when they come out in

adults they're ten times as bad—and can be mighty "contagious."

From where I sit, we should all watch out for the "symptoms"—little things like criticizing a person's preference for a friendly glass of temperate beer or ale. We've seen personal freedom wither away in other countries, when individual intolerance was allowed to get out of hand and become a nation-wide epidemic.

In The Classes

About 50 percent of the annual has been completed by the Journalism class. This group has been working every morning in class. Under the direction of the editor, Beverly Blackley, a sponsor, Mrs. Fred Danforth, the class believes they will meet the deadline, December 1.

Five journalism students, Beverly, Sue Smith, Saradel Lilljedahl, Beth Winder and Bunky Hargrove sold annual ads in Lubbock last Wednesday. Fred Danforth, one of the senior sponsors accompanied the group.

The Journalism class sponsored the Beauty Queen Coronation program to night. Proceeds will help finance the annual and school paper.

The Choral Club has received six new numbers of music. They are "Play Gypsies—Dance Gypsies", "Toyland", "You Tell Me Your Dream, I'll Tell You Mine", "All I Want for Christmas Is My Two Front Teeth", "By the Light of the Silvery Moon", and "Liza", according to Fred Danforth, choral director.

The second year Homemaking classes are closing out their Food Unit by serving a tea and a buffet luncheon.

Approximately 25 ag. boys and their sponsor, Harvey Walker, attended the tea served Tuesday afternoon the fourth period. Refreshments of open face sandwiches, cookies and punch were served.

Seven beginners have purchased instruments and are taking band lessons. New members are Wayne Crabtree, trombone, Fleta Crabtree, clarinet; Dixie Darland, Marjorie Williams and Erling Patrick, and Donna Rita Williams, snare drums; and McHenry Morris, cornet.

The Reader's Digest which ordinarily sells for 25 cents, may now be purchased through the school for only 15 cents, by students, according to Fred Danforth, civics teacher.

In Orville Tilger's typing class he reports on one minute test, Janelle Jones types 50 words per minute with one error, Billie House, 48 words per minute with no errors, and Saradel Lilljedahl makes 47 words with no errors.

Students in Mrs. Danforth's shorthand class are writing letters to out-of-town business firms asking them to advertise in the school annual. Mrs. Danforth dictates these letters to the class at a speed of 40 words per minute. The students are given an allotted amount of time to transcribe these letters. Before each letter is mailed it has to be perfect.

Students of M.H.S. Employed at Town

Approximately 48 students work on Saturdays and some of them are even more industrious and work after school every afternoon.

The students who work and the business firms for which they work are:

Joyce Daniels, Martha Wood, Joye Seaney, Katherine Fleenor, Shirley Arnold, Jowynn Cheshir, Charlotte Lindsey are employed at Ben Franklin.

Beth Winder, Ladeane Cravens, Donna Williams, Johnny Green, Lavern Corder, Kirby Lackey, Buzzy Glenn, Corky Evans, Melton Jennings, Curt Rathburn, Jimmy Coats all work for Evans Piggly Wiggly.

Dorothy Taylor, Jimmy Taylor, and Gwen Williams work at Ramby Drug.

Peggy Mullinax, Martha Willis, Twila Dean Daniels, Arnold Lamb, Darryl Bowman and Marvin McDaniel are employed at Willis Food Store.

Royce Smith, Ted Wood and Nelda Joye Childs work at Childs Men's Store.

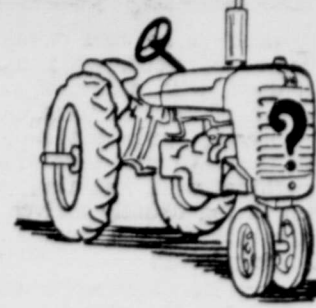

Imogene Jeter works at Jeter Hardware; Paul Gunter is employed at James St. Clair Department Store; Jimmy Chapman and Pat Weaks work at Cobb's Department Store.

Jo Beth Russell, Clifford Wall, Dewayne Burks, H. L. Shakespear and Joe Carothers work at Truett's Grocery; Joyce Rountree works at Western Auto; Billie House works at Burn's Cafe; Kat Kennedy works at The Steak House; Waydelle Hill works at Seaney and Evans Grocery; Freddie Stockdale and Worth Marshall work at Doss Food Store.

Patsy Barton works at Glenn Electric; Bunky Hargrove works at Morton Drug; Barbara Lee works at the Fair Store; Beverly Blackley works at Morton Electrical; Doris McMaster is employed at Dunham's Jewelry Store.

--annegrams-- by ann england--

It used to be that when we became depressed, we just settled down with a box of candy and a good book or went out on a shopping spree but now we scan the mail and sure enough something soul inspiring and spirit lifting usually arrives just in the nick of time. Such as the following letter:

Eastern New Mexico University Portales, New Mexico

Mrs. Ann England Morton Tribune Morton, Texas

Dear Mrs. England:

I've been telling myself for months that I'd write to you and tell you just how much I enjoy your "Annegrams". I work in the publicity office here at the University and one of my jobs is reading all the papers we get and clipping out any ENMU news items for our morgue. Of course, when the Morton Tribune comes along I just take out 15 or 20 minutes and read your column from top to bottom. I feel now that most of the people you mention are just like old friends and I know Morton must be a nice town from the many nice things you say about the people who live there.

Sincerely, Helen Marsh Fry (Mrs. Glen Fry)

Do you remember the little note sent in by Cricket Hickman and reprinted in this column concerning a stork shower for a prospective father?

Well the Bill Scoggins (she is the former Francis Hancock) read it and as a result Bill gave a party. Mrs. Mallie Hancock (Francis' mother) brought the following clipping from a Harlingen paper in the office Monday. It is too good not to share.

HARLINGEN, NOV. 7.—The boys at the Harlingen Army and Air Force recruiting office got together the other night and had a stag party. The following day's report went like this:

"Master Sgt. William H. Scoggin honored Master Sgt. W. M. Simonsen with a stag party in the form of a stork shower last night at 7:30 p. m. The Scoggin home was the scene for the gala event. A baby theme was used as decoration throughout the house. Dainty dressed Baby Coo dolls slept peacefully in twin beds, stuffed animals were displayed in the nursery, and pink flowers in baby pots were beautiful in the receiving rooms. "Doughnuts were passed in a lovely blue baby pot to the guests. Many lovely and useful gifts were presented Sgt. Simonsen from an Army duffel bag. "Guests registered for the evening were Mr. Claude Rogers, Mr. George Ferez, Mr. Norman Anderson, Mr. John Tate, Sgt. Bruce Garrett, Sgt. Ronald Case, Jack Lee Gould and the host and honoree."

For the benefit of those ex-G.I.'s by now squirming in their chairs, it was reported that the rest of the stag party followed normal channels, complete with cold cans and a movie projector.

In passing we might say that in something over three years in Morton, Monday was the first time we'd actually met Mrs. Hancock—not only that but she is a near neighbor of ours. She is pretty and gracious and it is our loss that we have not known her all along.

Talked with Neal Rose Monday; he is delighted with the personal and business reception given since he and his family came to Morton. Our 2c worth is that Neal deserves everything that has come his way—it isn't just a stroke of luck that Neal is enjoying friends and a nice business—most of it is due to his dynamic personality; willingness to work hard and his untiring efforts to please his customers.

W. R. Rollen, friend of ours who maintains a bachelor apartment in Lubbock, invited us over for dinner and to stay the night Saturday. Even the spouse admitted Robin one of the nicest hosts he'd ever been entertained by.

Much to our surprise he cooked ALL the dinner—fried chicken, hot biscuits and everything. A friend of his, Maxine McMillan, made the salad. We had such a good visit. To make it perfect another of our favorite people, Roger Southall, came by Sunday morning for breakfast—which lasted from 9 a. m. until about two p. m.

That good looking boy who was out here Friday night to crown Janelle Jones as Beauty Queen was Kenneth May. The report in Avalanche said, "The queen was crowned by an Avalanche-Journal reporter"—goodness such modesty! The attractive blonde with K was his wife—he said.

We arrived home Sunday in time to attend the lovely bridal shower given in the C. L. Taylor home for Ruby Hudson.

Ruby is marrying Bill Goodman on December 5. She certainly has a lot of friends as evidenced by the beautiful gifts—and sooo many. She was excited, naturally, and to add to her confusion she was wearing her first pair of high heels.

While dancing at the VFW hall Saturday night we ran into Bob Porter and spouse. Bob practiced law here for a few months soon after we moved to Morton.

Mattie Ramby told us Monday that the PTA was going to have concrete sidewalks put around the school. The school grounds could certainly stand a little improvement.

The yard around Veterans Hall needs a lot of work and landscaping too. Takes time to get around to everything. Laying linoleum on floors inside the hall certainly helped in appearance.

Mrs. S. W. Hawthorne was in Monday. She was pleased as punch over a birthday dinner given in her honor Sunday. Mrs. H is 66, keeps her own little house, about a block south of the square, and often looks after her grandchildren.

Thursday is Thanksgiving—we have many things to be thankful for—health, friends and the privilege of living in the grandest town, in the biggest state, in the finest country in the world.

SUNDAY IN LITTLEFIELD

Mr. and Mrs. E. L. Cox and Mr. and Mrs. L. B. Childs and daughter, Jeannette, visited Sunday in Littlefield, Texas.

Miss Loraine Mills and Leonard Pittman Married in Double Ring Ceremony

Miss Johnnie Loraine Mills became the bride of Mr. Leonard Pittman in a double ring service read by the Reverend J. W. McKinney at the home of the bridegroom's parents Sunday morning, November 20.

The bride is the daughter of Mr. and Mrs. John Mills. The bridegroom's parents are Mr. and Mrs. A. E. Pittman of Perryton, Texas.

Miss Yvonne Vernon, Portales, New Mexico attended the bride. Imel Seago was best man. Miss Vernon wore a grey gabardine suit with matching accessories; and a corsage of white carnations.

The bride wore a blue gabardine suit with matching accessories; her bridal corsage was an arrangement of white carnations.

A reception was held immediately following the ceremony. The linen covered bride's table was centered with a three tiered bridal cake topped with miniature bride and groom.

MR. AND MRS. ELMA SEANEY VISITED SUNDAY IN PORTALES, N. M., WITH SON, ROY DEAN

Mr. and Mrs. Elma Seaney visited Sunday in Portales, New Mexico with their son, Roy Dean, who is a student at Eastern New Mexico University.

Roy Dean was a runner-up in the King contest for the ENMU Fall Festival held Thursday night, November 17, in the school gymnasium.

The festival was sponsored by the Home Economics Club and had all the usual carnival concessions including an hour of dancing to music furnished by the Collegians.

SUNDAY DINNER GUESTS OF MR. AND MRS. W. A. LINDSEY

Mrs. Vincent Viaille and Mrs. G. V. Humphrey and Donna Kay of Levelland and Mr. and Mrs. Cecil Lindsey and boys were dinner guests in the W. A. Lindsey home Sunday.

Mr. and Mrs. W. A. Lindsey plan on spending Thanksgiving with their children in Levelland.

CHILDREN LEARN SAFETY

The Red Cross last year distributed safety instruction guides to teachers of more than 2,000,000 children in elementary schools.

SERMONETTE

By Gen. Jonathan Wainwright

PRAYER OF THANKSGIVING

Oh, God, our Father, today we give Thee thanks for the things we take for granted, for freedom, for security of life, for food and shelter, and the presence of loved ones . . .

We thank Thee that once again men may have hope, opportunity to work and plan for a better future, a chance to secure peace, and an ample life for themselves and their children.

Keep us humble in the day of victory, make us wise in the presence of great problems, strong and brave in the face of any danger, and sympathetic and generous as we face the appalling need of a war-torn world.

In gratitude for all those who paid the price of victory we now ask Thy guidance as we dedicate ourselves to that cause for which they gave their last whole measure of devotion. Lord of Hosts, be with us yet, lest we forget! Amen.

Lord, make me an instrument of your peace; where there is hatred, let me sow love; where there is injury, pardon; where there is doubt, faith; where there is despair, hope; where there is darkness, light; and where there is sadness, joy. O Divine Master, grant that I may not so much seek to be consoled as to console; to be understood as to understand; to be loved as to love; for it is in giving that we receive; it is in pardoning that we are pardoned; and it is in dying that we are born to eternal life. (Prayer of St. Francis of Assisi)

By Mrs. W. K. Courtney

Kathryn Cotten has been on the sick list.

Mr. and Mrs. Wayne Baller, Barbara and Charlene of Lubbock visited in the home of Mr. and Mrs. E. D. Courtney Sunday afternoon. Mr. and Mrs. Baller also visited in the home of Mrs. Baller's sister, Mrs. Ira Perry of Whiteface.

Mr. C. O. Durham was a Sunday dinner guest in the E. D. Courtney home.

Mrs. J. G. Eubank is still sick with a sore throat and cold.

Mrs. R. J. Davis has been receiving medical care at the Phillips-Dupree hospital in Levelland for bronchial pneumonia.

Mrs. E. D. Courtney, Mrs. O. T. Pryor, Mrs. W. K. Courtney, Melvin Edward and Lois visited Mrs. R. J. Davis Sunday evening.

Mrs. O. L. Woolley, Mrs. Poeman Taylor and Janell, Mrs. W. K. Courtney and Lois attended the coat and suit show in Lubbock Wednesday, Nov. 16.

GUESTS OF I. A. VERNONS

Mr. and Mrs. Walter Kyle, Texarkana, Texas, were week-end guests of her aunt, Mrs. J. A. Vernon and family.

Other visitors in the Vernon home were Mr. and Mrs. Oscar Vernon, Denver City, Texas.

Miss Ruby Hudson Honored at Bridal Shower Sunday

Miss Ruby Hudson, bride-elect of Bill Goodman, was honored at a beautifully appointed tea-shower in the C. L. Taylor home Sunday afternoon.

Mrs. Taylor, her daughter, Mrs. J. T. Porter and Mrs. Joe Gipson were hostesses. Autumn berries and foliage were used in arrangements throughout the house.

A musical prelude was given by Mrs. Billie Proctor, vocalist and Mrs. C. L. Taylor, pianist.

Yellow candles and an arrangement of yellow snapdragons centered the lace covered refreshment table.

Approximately fifty guests registered during calling hours.

MEET THE MORTON HIGH SENIORS OF 1949 - 1950

SARADEL LILLJEDAHL

Saradel Lilljedahl, chosen as senior girl of the week, is also a new student of MHS. She moved to Morton August 28, 1949, putting her hobby to work, "which happens to be making friends," she didn't take long in getting acquainted with everyone.

Saradel is a 5' 3", brown headed, blue eyed seventeen year old and enjoys a good laugh at all times.

Saradel was elected "Indian Maid" this year and says it was the happiest moment of her life. Her many contributions to the school helped to win her this honor.

Her favorite pastime is going to nice teenage dances, and riding around with a bunch of girls in her Dodge. Favorite sport is basketball, favorite food is fried chicken with all the trimmings.

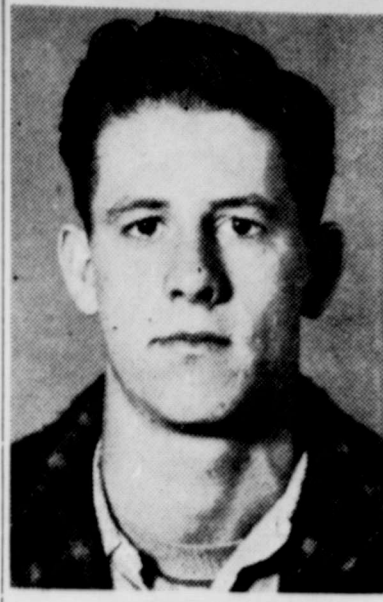

Activities she has participated in since she was in High School are: FHA three years, Basketball four years, Treasurer of Freshman Class; Junior Play, Drama Club, Senior Play, War Whoop staff, Annual staff, and Girls football team, one year.

She plans to attend Texas Tech after this year, and will major in P. E. to become a coach.

This week the senior boy chosen for an interview is Corky Evans. Corky has lived in Morton ever since he was six years old. Corky was born in Oakville, Tenn., Feb. 23, 1930. He entered the first grade there but later in the year he moved to Morton and entered school here.

Corky has played football three years but lettered only two years. Corky filled the office as president of the jr. class one year.

Corky's favorite color is pink, favorite food is liver and his favorite pastimes are smoking and listening to the radio.

FARMERS PROGRESS

By Noel Crow

The FFA had a meeting recently and initiated the Green Hands. There were 31 members present. The Chapter voted to feed chickens for a Parent and Son Banquet, and the president appointed John Rhyne, Pete Lindsey, Clarence Moore, and Joe Carothers as a committee to decide when to get the chickens and where.

The following boys were initiated as Green Hands: Donald Buchanan, Rex Faulkner, Tommy Gattes, Robbie Key, Ed Knox, Wayne Kuefer, Pete Lindsey, Milton Martin, Jerry Ruzicka, Harry Zuber, and Truman Benham.

The Shop boys have installed water in the shop.

Ed Knox has purchased a calf for his project.

Subscriptions Being Sold By Junior Class

The Juniors are selling subscriptions to all magazines published by the Curtis Publishing Co. This same project was carried on by the seniors last spring, proved successfully financially, and everyone received their magazines. The commission made on these sales goes to the Junior class.

The boys are competing against the girls. Sammy Riddle is leading in the sales. A small radio and two watches will be given to the leading salesmen.

Billie Grace Lee, sr. of '49, won a radio last year in this same contest.

"The contest closes Friday," added Glen Reeves, co-sponsor of the Juniors.

SCHOOL TO DISMISS FOR THANKSGIVING HOLIDAY

School will be dismissed for the Thanksgiving Holidays beginning Thursday, Nov. 24, and school will take up Monday, Nov. 28, according to Wendell Watson, principal.

For the Christmas Holidays, "school will be dismissed Wednesday afternoon, Dec. 21. Classes will be resumed January 2, 1950," added the principal.

"Do you think late hours are bad for one?" "Yes, but they're all right for two."

A modern girl doesn't chase a man. But then a mouse trap doesn't chase a mouse either.

JOHNNY GREEN JUNIOR PREXY

JOHNNY GREEN

Johnny Green, son of Mr. and Mrs. G. C. Green, has been elected to lead the junior class. Johnny was born Dec. 4, 1933, at Bridgeport, Texas. He came to MHS from Levelland at mid-semester of '49.

Taking part in all school activities, Johnny has been very active. Other than jr. pres. he was selected as junior favorite and handsomest boy in school. He has taken part in basketball '49; track '49; and football '50.

Johnny's favorite pastime is taking part in athletics. His favorite food is cherry pie while his favorite color is red.

A and B Teams Lose to Levelland

Morton Girls Basketball Team traveled to Levelland last Tuesday night to play two games that ended by margins of 17 to 23 for the B team and 22 to 36 for the A team with both games in Levelland's favor.

The 12 new gold satin suits, recently purchased by the school were issued and worn for the first time, according to Mrs. Bob Ebyne, coach.

The B team started the first game at 7 p. m. with the Morton girls leading the first half. Glynn Kennedy was the most spectacular player of the game. She was high point man of the B team and was second to Martha Willis in the A string game. Martha made 8 points and Glynn six.

Five girls were selected to play on the B team from the Freshman P.E. class. They are Carolyn Cox, Minnie Ola Cox, Norma Ruth Wright, Billie Sullivan, and Doris Hanna.

"M" CLUB OFFICERS ELECTED FOR YEAR

The Morton "M" club, a club for lettermen organized last year, held its first meeting of the year Thursday, November 10. The purpose of this meeting was to organize and elect new officers.

Officers elected are: President, Jimmy Chapman, Vice President, Clifford Wall; Secretary, Lanar Burns; Treasurer, Clarence Moore; Reporter, Royce Smith and Sergeant of Arms, Bo Allsup. A committee was appointed to set up the parliamentary procedure for the organization.

The "M" club is an organization to create more sportsmanship, team work and cooperation and to promote more spirit and fellowship among the players. One of its chief aims is to protect the "M" awards.

What's Thanksgiving Without Good Gravy; Some Easy Methods Given

In just a short while now, the tantalizing aromas of Thanksgiving dinners in preparation will fill the air. All the family will be making frequent trips to the door into the kitchen to ask "how long before we eat?"

The spicy smells of the stuffing and the gravy will mingle with those from other foods soon to be on the table.

On modern gas and electric ranges, it is more efficient to make the gravy in a round, flat-bottomed saucepan the size of the heating unit than to try to make it in the roasting pan. The ingredients can be combined ahead of time except for the drippings, so that it's just a matter of swishing the mixture around the roasting pan to absorb all those yummy drippings.

Without a flurry, you carry steaming giblet gravy to the table with the crisp cold relishes that must be brought on at the very last minute. Here's an easy method:

Turkey Giblet Gravy

Ingredients: One quart of water, turkey giblets and neck, 1/2 cup flour, 1 cup water, 2 teaspoons salt, 1/2 cup fat, 2 teaspoons kitchen bouquet.

Method: Bring quart of water to boil and add giblets and neck. Cover and cook slowly until tender, removing liver when it is done. Drain off the broth, adding water to make 3 cups. Mince giblets and meat from neck. Add to broth. Combine flour, 1 cup water and salt by shaking in a jar with a light cover.

Add flour mixture gradually to broth, stirring constantly. Bring to a boil and cook 2 minutes.

When turkey is done, drain fat from roasting pan, returning 1/2 cup. Add hot cooked giblet sauce and kitchen bouquet, stirring until well blended.

Bring to boil again. Makes 1 quart of delicious turkey giblet gravy.

To make giblet gravy for roast chicken or duck, proceed in the same way, using half the amounts called for.

When it comes to the stuffing, allow 1 cup to each pound of bird.

Here are several stuffing recipes, the first a traditional herb bread stuffing that should prove useful at Thanksgiving.

Herb Bread Stuffing

Ingredients: Two gallons 1/2-in. bread cubes, 4 teaspoons sage, 4 teaspoons thyme, 4 teaspoons rosemary, 4 teaspoons salt, 1/2 cup chopped parsley, 1/2 cup minced onion, 1 cup butter or margarine, 3 cups turkey or chicken bouillon.

Method: Combine bread cubes, sage, thyme, rosemary, salt, parsley, onion and butter. Add turkey bouillon and mix well. Makes 1 gallon stuffing.

Cranberry Bread Stuffing

Ingredients: 2 cups fresh cranberries, ground; 1/2 cup sugar, 3 tablespoons butter or margarine, 1/2 cup chopped celery, 1 tablespoon chopped parsley, 2 quarts 1/2-inch bread cubes, 1 teaspoon salt, 1/4 teaspoon sage or marjoram, 1/2 cup milk or bouillon.

Method: Grind cranberries and add sugar. Melt butter in skillet; add celery and saute until tender. Combine cranberry and sugar mixture, celery, parsley, bread cubes, salt, sage and milk.

Some families will have neither turkey nor chicken, but duck or goose. This recipe for stuffing is very good with duck or goose.

Orange Bread Stuffing

Ingredients: One gallon soft bread crumbs, 3 cups orange sections and juice, 1 teaspoon salt, 1/2 teaspoon celery salt, 1/4 cup melted butter.

Method: Combine ingredients. Makes 1 gallon stuffing.

The birds may be stuffed just before they go into the oven or several hours in advance. When stuffed ahead of time, care must be taken to cool hot dressing before putting it in. Then wrap the stuffed bird loosely in waxed paper and refrigerate immediately.

More Money Available for Building Hospitals, Health Centers in Texas

More money is now available for building hospitals and health centers in Texas, State Health Officer Geo. W. Cox has announced.

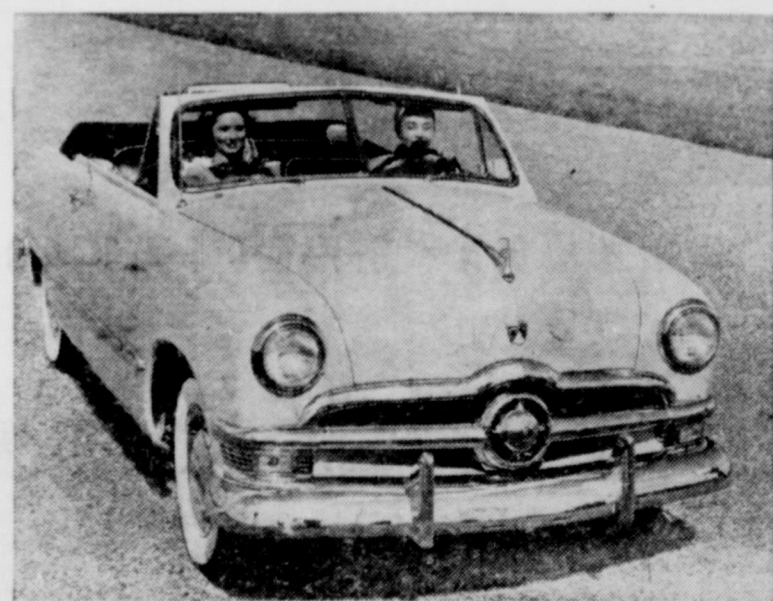

Federal money channeled to the states for hospital construction has been increased from \$75 million to \$150 million, and the program of federal assistance to hospital construction has been extended through the fiscal year ending June 30, 1955. The increase in time and money is contained in an amendment to the Hospital Survey and Construction Act.

Under provisions of the Act the various states, to which the federal money is appropriated, makes the money available to local areas for hospital or public health center construction, if a survey shows the area is in need

of such facilities. As of October, when the Amendment became effective, the states will put up half the money for new construction, and the local area in which the hospital or public health center is to be built, must provide the other half of the total construction costs.

Prior to October, the states put up only one-third, and the local area was held responsible for raising two-thirds of the total construction costs. On new projects which had been approved prior to October, the local area must still put up two-thirds of the entire cost.

Several hospitals have been completed in Texas under the program. Other projects are currently under construction throughout the State.

Sportsman green — a beautiful chartreuse which comes with a chartreuse and black leather trim or a combination of black leather and Bedford cord — and Matador red metallic — a medium red color trimmed with black and red leather or Bedford cord combination — are new and exclusive colors on the new 1950 Ford Convertible Coupes now on display in dealers' showrooms. Nine other colors with attractive trim combinations also are available in the smart new Ford convertibles which feature an improved top mechanism and improved weather sealing. Foam rubber front seat cushions and an improved regulator handle for the quarter windows are other features.

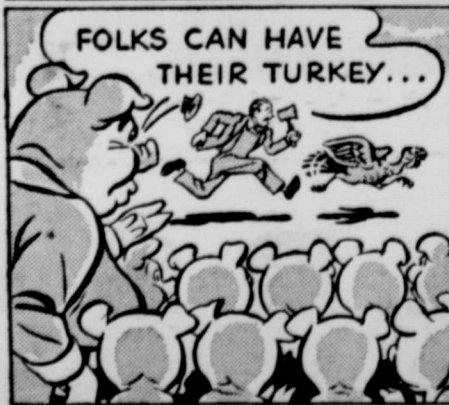

Let us all pause to give thanks on this historic Day for the plentifulness and continuing spirit of freedom afforded us through the years by this great country of ours.

We also wish at this time to personally thank the good folks of this community for their friendliness and splendid patronage during the short time we've been in Morton.

STRAY SHOTS

FROM THE WAR WHOOP—
By Clarence Moore

The MHS basketball hopefuls held their first practice of the year Monday afternoon. Approximately 35 boys attended the first meeting.

The Morton team is expected to be much stronger this year than last year. The team of last year was made up almost entirely of inexperienced players. These players after a years seasoning should be much better than a year ago. It will also have much more reserve strength as many Freshmen and Sophomores are greatly improved.

The Morton squad will boast seven returning lettermen. Four of these were regulars. Thirteen boys earned letters last year. Two, Joe Coleman and Wayman Marshall, were lost through the graduation route.

Vaughn Killian is eneligible because of the 18 year old restraining age and the other, Bill Brock, has moved. Joe Coleman was the only regular in the group.

Returning regulars are: Forwards, Waydelle Hill and Lonnie Allsup; Center, Kenneth Wynn; Guard, Clarence Moore. Guard, Clifford Wall was a sub last year. "B" string lettermen are: Forwards, Royce Smith and Melvin Farborough.

The squad will be divided into two periods. The traveling squad will work out the sixth period and the rest will be in the fifth period.

Coach Hartgraves says, "Every position on the team is open and the individual hustle and spirit of the players will determine the starting five. The first game will be November 22, with Three Way."

The Morton Indians played last to the Seagraves Eagles last night. The visitors won two games to the hosts one. The future Indians won their game by a score of 32 to 0. The Indians will have a very strong squad next year with several returning lettermen. The grade school team promises much good material to come to the High School for they played hard clean football last night and although they lost we would like for them to know that we are very proud of them.

The eighth grade girls played the freshmen girls in basketball Wednesday. The score were 18-8 in favor of the eighth grade.

"Neptune's Daughter" Showing Here Thurs. and Fri.

Cinematic star Esther Williams is back in another form-fitting role as the heroine of M.G.M.'s captivating new Technicolor musical, "Neptune's Daughter", big attraction at the Wallace Theatre Thanksgiving Day, also Friday

night. Red Skelton co-stars in the hilarious role of a would-be polo player, with romance, laughs and melody supplied by Ricardo Montalban, singing Betty Garrett, comic Keenan Wynn and Xavier Cugat and his orchestra.

Agricultural Short Shots of Interest

Don't overlook the importance of planning for future electricity needs or uses in the new farm buildings or in those that may be remodeled. Be sure that you're using the right size wire and that plenty of circuits are included to take care of future needs.

Using both hands will work wonders in cutting down the actual time required for doing household and farm chores. Practice makes for perfection.

The juice from pickled fruits, such as crabapples, peaches and pears can be used to baste smoked ham.

Before a new garment is worn, touch the center of each button with transparent nail polish. It seals the threads so you won't have to re sew so often.

New concrete on the farm can be cured by covering with earth or straw. Cover it as soon as possible, then keep it moist for at least five days.

NOTICE OF ELECTION THE STATE OF TEXAS) COUNTY OF COCHRAN) CITY OF WHITEFACE)

To The Resident, Qualified Electors Of The City Of Whiteface, Texas, Who Own Taxable Property In Said City And Who Have Duly Rendered The Same For Taxation:

TAKE NOTICE that an election will be held in the City of Whiteface, Texas, on the 12th day of December, 1949, on the proposition and at the place more particularly set forth in the election order adopted by the Board of Commissioners of the 15th day of November, 1949, which is as follows:

"RESOLUTION

By the Board of Commissioners of the City of Whiteface, Texas, Calling an Election on the Question of the Issuance of \$50,000.00 Gas System Revenue Bonds.

WHEREAS, the Board of Commissioners of the City of Whiteface, Texas, deems it advisable to issue the bonds of said City for the purposes hereinafter mentioned;

Be It Resolved by The Board of Commissioners of The City of Whiteface, Texas:

1. That an election be held in said City of Whiteface, Texas, on the 12th day of December, 1949, at which election the following proposition shall be submitted:

"Shall the Board of Commissioners of the City of Whiteface, Texas, be authorized to issue the bonds of said City in the sum of \$50,000.00, maturing serially in such installments as may be fixed by the Board of Commissioners, the maximum maturity being not more than Thirty (30) years from their date, bearing interest at a rate not to exceed Five (5%) per cent per annum, for the purpose of purchasing the existing gas system and improving same, to be issued in accordance with and secured in the manner provided in Articles 1111-1118, both inclusive, of the Revised Civil Statutes of Texas, 1925, as amended, each bond to be conditioned that the holder thereof shall never have the right to demand payment of said obligation out of funds raised or to be raised by taxation, secured by a pledge of the net revenues from the operation of said Gas System."

2. The said election shall be held at the City Hall, within said City, and the following named persons are hereby appointed directors of said election, to-wit: T. A. Keith, Presiding Judge, Claude Bowden, Judge, G. B. Lyons, Clerk.

3. The said election shall be held under the provisions of Chapter 1, Title 22 of the Revised Civil Statutes of 1925, as amended, including the provisions of Article 704, as amended by Chapter 382, passed at the First Called Session of the Forty Fourth Legislature, and only legally qualified electors who own taxable property in the City and who have duly rendered the same for taxation shall be qualified to vote at said election.

4. The ballots for said election shall have written or printed thereon the following: "For the Issuance of Gas System Revenue Bonds" "Against the Issuance of Gas System Revenue Bonds"

Concerning said proposition, each voter shall mark out with black ink or black pencil one of the above expressions, thus leaving the other as indicating his vote on the proposition.

5. A substantial copy of this resolution signed by the Mayor of said City and attested by the City Clerk shall serve as proper notice of said election. Notice shall be given in accordance with Article 704, Revised Civil Statutes of 1925, as amended by Chapter 382, passed at the First Called Session of the Forty Fourth Legislature, supra. The Mayor is authorized and directed to have a copy of said notice posted at the City Hall and at two other public places within said City not less than fifteen days prior to the date fixed for holding said election. He shall also cause said notice to be published on the same day in each of two succes-

"I don't believe in advertising," a merchant in a small Georgia town said many years ago to Henry W. Grady, the young editor.

Next day, that merchant was swamped with cats. People brought the animals in by the dozens. Grady had put in a very small ad, "We will buy cats" and had placed the business man's name to the ad.

He sent for Grady and bought a full-page ad. He was convinced that people do notice the ads and he became a consistent advertiser.

Incidentally, in that first ad, he put right in the middle, "We are not in the market for cats."

The first time that E. H. Sothern appeared on the stage, he had just one line to say—and forgot it!

Ask grandpa; he will tell you that Sothern became one of the greatest actors of his time.

Henry W. Grady, the famous

Southern editor mentioned above, once said, "A reporter who subsides into an able editor means a loss to journalism."

This columnist has always felt that there's no work to compare in interest with newspaper work—and no work on a paper that is as interesting as being a reporter.

There was a Kentucky colonel who served in the Union cavalry during the Civil War. His favorite commands were "Huddle up" and "Scatter out."

And this I call poetic justice: A lawyer defended a man accused of counterfeiting and, by an eloquent speech, won an acquittal. The client paid him off—in counterfeit money.

Cochran Wildcat Drilling to Begin By December 15

Drilling on a 5,200-foot wildcat in Central Cochran County is to be started by December 15.

The new venture will be R. E. Williams and S. L. Parham of Midland No. 1 C. R. Starnes. It will be nine and one half miles south of Lehman, and one and five-eighths of a mile south of Lion Oil Company No. 1 Masten, recently completed flowing producer which extended the field three quarters of a mile to the southwest.

The Williams and Parham prospector is located 660 feet from north and east lines of section 23, Harrison and Brown survey.

The 5,200-foot objective for this venture will take it into the San Andres lime which is the pay section in that respective field.

Rotary tools will be used to drill the exploration.

High School Band Clinic at Tech May Draw 1,200

High school bands—some 1,200 strong—are expected to invade the Texas Tech campus Dec. 9-10 for the seventh annual Tech-Lubbock public school band clinic. D. O. Wiley, director of Tech bands, says.

Wiley said bandmen will be divided into five different groups for the clinic. All AA1 and AA players will use the 1950 music lists, while bands from class A, B and C schools will be divided into separate groups. Tech's Concert band also will participate in the two-day program.

A Friday evening smoker will provide "off-duty" entertainment for the visiting bandmen.

"We had 1,000 band members visiting us in 1948 and we expect at least 200 more this year," Wiley said.

TAXES AND YOU

As citizens of the biggest tax-paying country in the world, we have as individuals largely ignored the fiscal problems of the nation. In other words, we have cultivated in our thinking the idea that "taxpayers" can't mean us, but refers to somebody else. The other fellow, maybe somebody rich, we suppose, is the poor geezer who has to foot the bills that Uncle Samuel runs up. Let 'em soak the rich! Blood doesn't come out of turnips, we think.

Well, here in America today, we have the highest taxes in our history. Those sums the government collects runs the biggest spending organization in the world. Our national budget is described in billions, not just millions. In fact, President Truman has made proposals that if adopted eventually would increase the tax load by nearly \$40 billion in coming years—just about doubling what the tax burden is now. That's your welfare state!

How You Come In

But, already the government takes more than 25 cents out of each dollar of national income. Not out of your income, you say? Possibly not directly, but consider what your wages or your income might be, without that 25 per cent levy upon your actual earning power. If you were able to keep 100 cents on the dollar of the portion of national income that is yours, it would mean that

your living standards would be considerably higher than they are now.

Consider your taxes another way. On the whole, the American people spend more for taxes than they do for food. And food, in the average household, is most always the item that takes up the bulk of the pay check. Taxes, then are an important item in the lives of each of us. Just the federal part of our tax burden averages \$282 apiece for every American and \$1,128 for every American family of four.

If You Live, You Pay

In other words, if you are a consumer you are also a payer of tax. Consumers are not one group and taxpayers another. Contrary to ideas of some of the socialist-minded government planners, it is impossible for us to dream up a scheme that will make American consumers better off by having them subsidized by taxpayers. After all, taxpayers are consumers, and consumers are taxpayers. Money for subsidies doesn't come out of thin air, you know.

If the government spends billions, these billions have to come from somewhere. A government cannot run counter to the laws of economics by spending billions of dollars without ever showing the money. If things done by the government, federal and state and local, cost money—then obviously, it is the people who pay this money in order that government may have it to spend. Of course, the money may be borrowed money. If it is debt, somebody will have it to pay.

On Hiding Taxes

The hiding of taxes is an old art. Down through the ages, the despots and tyrants got that way by fooling the people one way or another while taxing them. If we care to look about, we today can watch our standard of living go down as taxes go up and as our freedoms are one by one turned over to the welfare state. It's interesting how these things are: the more we are taxed by government the less we are able to do for ourselves.

The Tax Foundation has counted up 116 different taxes in an inexpensive suit of clothes, all hidden away in the purchase price, and this count did not include local taxes. So many taxes are hidden that they're hard to find. A good statistician can surprise you about how much of the money you spend goes into taxes. But every dollar of those billions being spent by government needs to be watched. We've got to start looking at this tax problem as if it were our own. It is our money being spent by the government.

Riding Circle Around Whitefaces

by Art. N. Wall

This past week Mr. and Mrs. Hays B. Robbins made a trip to Point Rock, Texas, where they were guests of their daughter, Mrs. E. R. Whitesides. Also this trip was made by the Hays B. Robbins to visit that wonderful granddaughter that Hays and his wife think so much of. This granddaughter's name is Jane Whitesides. Mrs. Whitesides is a former Whiteface girl and attended school in Whiteface. Mr. Hays B. Robbins is our justice of peace in Whiteface.

Some of the boys down at Harry's Welding Shop in Whiteface seem to be duck hunting near Mule Creek last week. After crawling about three hundred yards in order to get a shot at some ducks setting on a lake and when they were about ready to shoot, here came a "Tin Lizzie" rattling up the lake with some young boys in it and of course far away flew the ducks. (Maybe it's things like this that cause so much crime now days).

Have you tried any of those big thick malts down at Whiteface Drug? Mr. and Mrs. J. B. Barber and Mrs. Toms can really make them delicious. Everyone who loves malts whether they live in Levelland or Morton and who have ever sampled the malts at Whiteface Drug, agree they are the best made and the biggest.

Someone said turkeys will be cheaper this year. O. K. where I buy a turkey for Thanksgiving? I am in the market for one and something tells me it will be just as high as last year. Someone please tell me where I can get a turkey for Thanksgiving?

This column will be a year old this coming Thanksgiving. I am continually surprised at the friends I have made through this column. It has been a pleasure writing it. I missed one time, one week, in writing it up in a whole year now. I want to thank Mr. and Mrs. Carl England and Bill for their help and patience in handling this column.

Believe it or not it is getting to be a problem to find a parking place in Whiteface at late evening. Son McKay said it looked like we were going to have to stretch the town. Of course you can go off on a side street and park but who wants to get away from main town and the bright lights?

The dormitory at Girlstown looks quiet a bit of work before it is completed. Miss Anthony hopes it will be completed by Dec. 15th. Let us hope so as it is really needed.

What about Whiteface displaying a lot of Christmas decorations this year? A town showing Christmas lights and located near busy hi-ways always has a tendency to bring in more trade. Maybe we could have a contest as to what home has the most beautiful Christmas decorations.

I wish we had a church in Whiteface with a church tower holding a bell. It seems to me a church bell tolling on a Christmas morning makes Christmas much more wonderful. Why is it that we don't have many church bells now? I remember when I was a kid every church bell in town would ring out on a Sunday morning. Such is the story of the young G. I. who during the last war was detailed to outpost duty to watch for enemy action and during the long tense night he could plainly hear the church bells ringing out in his home town. Is our lack of church bells now due to the fact our nerves

**Chevrolet Sedans
On Loan to Driving
Schools by Dealers**

A 50 per cent increase in high school driver training is indicated by records of the Chevrolet Motor Division which reveal 2,336 Chevrolet sedans on loan to schools by dealers.

The total compares with 1,576 Chevrolets in use a year ago, which in turn represented a steady climb since the program was launched under sponsorship of the American Automobile Association at the end of the war. "Chevrolet is glad to co-operate in this program because we believe driver instruction in schools is one of the most important contributions to the future safety of travel," commented W. E. Fish, general sales manager. "The vast majority of present-day drivers have not had the benefit of expert counsel. Many of the bad driving habits encountered on highways can be directly traced to this lack of a sound basic training."

Under an arrangement with the American Automobile Association, Chevrolet dealers supply dual-equipped training cars to their local high schools. To qualify for an automobile the school must meet certain standards of instruction set by the association.
