"TEXAS' LAST FRONTIER"

VOLUME X

MORTON, COCHRAN COUNTY, TEXAS, THURSDAY, JAN. 26, 1950.

NUMBER 48.

## Committees Announced for Morton Lions Negro Minstrel, March 30-31

Committees for the Lions Negro Minstrel to be presented here Thursday and Friday nights March 30 and 31, have been announced and are as follows: Tom McAllister, director; Paul Goodman, assistant director and Carl Ray, coordinator.

Candy and prizes will be in charge of Lloyd Evans, J. W. McDermott, Tom Arnn, Jr., Floyd Smith, J. B. Knox, Scott Hawkins, and Herman Crockett.

Stage and props; Raymond Strickland, Turner Beard, Mrs. Fred Stockdale, J. S. Harrison and Mrs. J. S. Harrison.

Advertising and printing, Carl England, Ann England, T. K. Williamson, Van Greene, Willard Cox and Hume Russell.

Tickets, sales and promotion: Lloyd C. Miller, C. A. Baird, W. J. Weaks, Artie Hicks and Glenn W. Thompson.

Costumes and make-up: Mr. and Mrs. M. C. Ledbetter, Mr. and Mrs. R. C. Strickland, Neal H. Rose, Carl Macon, Jack Rice and Mrs. Carl Ray.

Music and specialties: Fred Danforth, who is also the musical director for the minstrel.

Lighting and sound: Earl Crum, A. E. Sanders, R. D. Ormand, and Gene Huggins.

Finance: Murray Crone and P. B. Ramby.

Direction and Production: Tom McAllister, Paul Goodman, Carl Ray, Fred Danforth, Fred Stockdale and Raymond Strickland.

Doctor in attendance: Dr. Frank Barker.

Attorney General Price Daniel will be the first speaker of the day at the January 28 meeting of the Texas Press Association in Austin. Daniel, who is co-owner of the Liberty Indicator and the Anahuac Progress, will discuss "Texas Publication Laws." Included in his remarks will be an explanation of the application of the Mandatory Publication law passed during the 1949 session of the Texas Legislature. The new law makes it mandatory that officials responsible for printing public notices suffer loss of salary for failure to publish any legal notices required by Texas statutes. Some 300 daily and weekly newspaper publishers are expected to attend the statewide Mid-Winter Meeting.

## President's Ball for Benefit of March Of Dimes Drive Slated Monday Night

A dance will be held Monday night, January 30 at Blanton's Skating Rink for benefit of the 1950 March of Dimes, according to Mrs. L. F. Hargrove, fund chairman. A local orchestra will provide music.

Tickets for the President's Ball are now on sale or may be purchased at the door the night of the dance.

Everyone is urged to buy a ticket whether planning on attending the dance or not. Mrs.

Hargrove hopes to reach the quota for Cochran County without having to solicit funds from business firms and individuals in the county.

Coin collectors have been placed in business houses around town and the public is urged to contribute as generously as possible.

The coin collectors are fashioned to look like an "iron lung" which brings the breath of life to many Infantile Paralysis victims.

More than 42,000 polio cases were reported last year—blackest polio year on record. Total costs of patient care for that one year alone may be some \$31,000,000! And there is no way of estimating exactly how many persons will be stricken this year.

But through the 1950 March of Dimes, the American people are out to double and redouble their efforts to chalk up a record-smashing total of contributions to the fight against polio.

## Southern Baptists To begin Spiritual Advance April 9

We do not have to beg, plead with, or placate God to give a great spiritual awakening. From the days of Adam, He has been searching for man that He might lead him into a closer walk with His Creator. To crown all His work, He sent His Son, Jesus Christ, into the world to illustrate and to demonstrate the interest and concern of the Heavenly Father for His creatures.

Jesus tells us that the Father is more anxious to supply our spiritual needs than we are to feed our hungry children. This places the responsibility for an awakening on us. If we do not have this spiritual awakening it is our fault, not God's. Believing that God is awaiting our move, Southern Baptists are asking 8,500 congregations to begin this spiritual advance, April 9-23, 1950. The Baptist Churches of our community will be cooperating with this movement.

These churches plead with all the followers of the Lord to unite in praying, planning, and working for the consummation of such a movement.

## New Texas Maps Now Available Free for Asking

Want to know the best route from Boca Chica to Texline? Motorists may have the latest official Texas Highway map just for the asking.

D. C. Greer, state highway engineer, states that the 1950 map is the best ever published. Anyone desiring a free copy should contact the Texas Highway Department.

The new map has been brought up to date to show all of the recent changes in the principal highways of the state. Complete mileage tables are shown.

The highway department distributed three hundred thousand copies of the 1949 edition. An even larger demand for the new map is anticipated.

## S.S. Representative Scheduled for Visit in Morton Jan. 26th

Day after day, the Social Security Administration is receiving claims from relatives of deceased persons who have delayed applying for benefits because they didn't know they were entitled to survivors insurance. Since claims are retroactive only three months before the date the claim is made, benefits have been lost to families.

A representative of the Lubbock social security office will be in Morton at the post office at 1:00 p. m. January 26, 1950. He'll be glad to answer any questions you may have about social security and to take claims for possible benefits.

## Movies of Holy Land Slated for Sunday Night

Movies of the Holy Land will be shown at the First Methodist Church, Sunday night, January 29. The movies were made by Reagan D. Ormand while on duty with the U. S. Air Corps in Persia, Egypt and Algeria. The pictures include scenes of the Mediterranean and Red seas. Also the birth place of Christ and many other interesting and historical pictures.

The general public is invited to attend this service which will be sponsored by the Methodist Men's Club. There will be special music by a male quartet.

Rev. C. C. Armstrong, pastor of the church, extends a special invitation to those persons who do not regularly attend church services elsewhere, to attend this program.

## Cochran County Citizens Invested \$40,955 in Savings Bonds During 1949

The people of Cochran County invested \$40,955.75 in U. S. Savings Bonds during 1949, according to the annual sales report received by Judge L. L. Price, county Savings Bonds chairman, from Nathan Adams of Dallas, state chairman. This compares with sales of \$47,748.75 for 1948.

Of the 1949 total, Series E, the so-called "people's bond" accounted for \$29,438.75, as compared with \$37,248.75 E bond sales in 1948. Series F and G sales were \$11,517.00 as compared with \$10,500.00 in 1948.

Total sales for the entire state were \$191,499,089, as compared with \$196,448,280 in 1948. Mr. Adams' report said. This is a decline of 2.5 per cent. However, Mr. Adams declared that sales last year were highly satisfactory in view of economic trends and because of a 3.9 per cent increase in the sale of E bonds, from \$139,591,216 in 1948 to \$145,114,738 in 1949. Series F and G bonds accounted for \$46,384,351 of the state's sales total last year.

Mr. Adams said that the people of Texas today hold more than \$1.5 billion in Savings Bonds, a substantial share of which are owned by citizens of this county. These savings, he added, give the community, as well as the individual owners, a high degree of financial stability.

## Do You Want Beer in Morton? Pay Your Poll Tax Now

Do you want beer in Morton? Whether you do or do not you won't have any say so in the matter if and when a beer election comes up if you have not paid your poll tax.

It has been rumored that there is a beer election scheduled for Cochran County within the near future—play safe—pay your poll tax. The deadline is January 31.

To date something less than 1000 poll taxes have been paid.

Property taxes paid last fall did not have the poll tax figured in so every one who paid taxes early is advised to check and see for certain whether or not he has paid his poll tax.

## Cochran Citizens Invited to Attend Lubbock C. of C. Open House Sunday

Everyone is cordially invited and sincerely urged to attend the Open House of the Lubbock Chamber of Commerce, which will be held from 2:00 p. m. to 6:00 p. m. on January 29 in the new \$65,000.00 building located at 902 Texas Avenue, Homer D. Grant, president of the organization, announced this week.

"We want all of the people of Lubbock, and especially the surrounding area, to attend our Open House," Grant said. "We particularly want the newspaper editors and wives, the publishers and wives, Chamber of Commerce officials and wives, city and county leaders and wives, to attend. We of the Lubbock Chamber of Commerce realize that without the splendid cooperation which we receive year after year from all of the people on the South Plains we would not have been able to own such a building. We call our new building the "Community Work Shop" and this it really is since the continuous work of building a greater Lubbock and South Plains is carried on daily in its offices.

"Our building was planned with as meticulous care as to design—floor plan—layout—and the job to be done in it—as a factory would be planned by the nation's largest industries for efficient operation and production, and we believe that other community leaders might be interested in planning such a building for their own city."

The Chamber of Commerce building is declared to be the best in any city in the U. S. the size of Lubbock.

## Morton Lions to Sponsor Youth Safety Program

Morton Lions Club in regular meeting Wednesday noon, January 18, voted to sponsor a "youth safe driving" program here.

This program in cooperation with the Inter-Industry Highway Safety Committee, and National Automobile Dealer's Association, is designed to develop greater responsibility on the part of young drivers while using the family car; and is built around the use of "Man-to-Man" and "Dad-to-Daughter" agreements. The agreements are for the joint signature of sons and daughters and their fathers, and out line eight good driving practices which the young drivers agree to observe while using the family car. Membership cards for use in the formation of "Man-to-Man" and "Dad-to-Daughter" Clubs will be made available by the Lions Club.

Distributing posts for the membership certificates will be set up and announced later.

## Ceramics School Started in Morton By Mrs. Roy Hill

Mrs. Roy Hill will start a school of ceramics at her home on Pierce and East First Streets beginning Tuesday, January 31.

Mrs. Hill recently completed a course in ceramics at the Little Ceramics School in Levelland. She received several months of instruction and has on hand a large number of original and clever ceramic pieces.

Anyone interested in taking a course in ceramics is invited to contact Mrs. Hill.

## Pontiac Dealers Sales Training Course Underway

Pontiac dealers and their sales managers this month are attending a concentrated refresher course in sales management evolved by Sales Manager L. W. Ward.

The nationwide program calls for the setting up of thirty schools in the various sales zones and a forty hour course of study.

"There will be little or no theory," Mr. Ward commented. "Just down-to-earth preparation for good business management under 1950 conditions. We feel it is a true "refresher" course in that it is aimed directly at those whose sales management may be rusty or geared to the thinking of other years."

Curriculum of the Pontiac schools will deal with the sales manager's job and responsibilities, organization of a good sales department, merchandising of new and used cars, operating the sales department, and analysis with emphasis on future planning.

Pontiac is assisted in presentation of the schools by the General Motors Institute.

MR. and MRS. C. N. McClure of Hereford visited here Friday.

## American Legion Auxiliary Dues Due Before Jan. 31

Members of the American Legion Auxiliary are asked to keep in mind the deadline on payment of 1950 dues. After January 31 unpaid membership dues become delinquent.

MRS. DONA DOUGHTY was a visitor in Lubbock, Monday.

## MR. AND MRS. LUKE FIELDS VISITED HERE THIS WEEK

Mr. and Mrs. Luke Fields of Hereford spent a few days in Morton this week. The Fields, who lived in Morton for some time several years ago, now have a suburban grocery store on Grand Avenue in Hereford.

## WEEK-END VISITORS

Week-end visitors in the home of Mr. and Mrs. Truman Doss were her niece, Mrs. James Thompson and Mr. Thompson of Lubbock.

## PROCLAMATION

WHEREAS, infantile paralysis again struck the nation heavily last year, taking toll of thousands, mostly little children, and,

WHEREAS, the past five years marked the highest incidence of infantile paralysis in any previous five-year period in the nation's history, and,

WHEREAS, the 1950 March of Dimes—January 16-31—is the sole support of the National Foundation for Infantile Paralysis, which this year is celebrating its twelfth anniversary, and,

WHEREAS, during the past twelve years the National Foundation and its chapters serving every county of the Nation have prosecuted vigorously our fight against infantile paralysis, and provided for prompt and adequate medical care and treatment of infantile paralysis patients, regardless of age, race, creed, or color, and,

WHEREAS, through the National Foundation's great humanitarian endeavors, fear has been replaced by hope, panic by knowledge, and thousands of children have had restored the priceless gift of motion,

THEREFORE, I, T. L. McAllister, Mayor of the City of Morton, do call upon all residents of Cochran County to join wholeheartedly during the two weeks, January 16-31, in making the 1950 March of Dimes the most successful in history, so that the fight against this dread disease can be pressed more vigorously than ever.

Signed,  
T. L. McALLISTER, Mayor  
Of the City of Morton, Texas.

## Discovery Made in Mississippian in Landon Multi-Pay Area in Cochran

A discovery of some sort from the Mississippian lime has been made in the Landon multi-pay area of Central-South Cochran County at Texas Pacific Coal and Oil Company No. 5-D Edwards.

That development had swabbed 125 barrels of new oil in 2 hours from perforated sections at 10,408-555 feet and at 10,560-580 feet.

The upper interval had been washed with 750 gallons of mud acid and the lower zone had been washed with 500 gallons of mud acid.

Operator was preparing to treat the entire horizon with 5,000 gallons of acid, and test

## Hoffman Welding Shop Moving to Hickman Building

Hoffman's Welding Shop, operated by Raymond Hoffman, for two years on North Main Street, will begin moving to the new Roy Hickman Building on New Mexico Highway next week.

In order to finish up all work on hand and get the moving job done Mr. Hoffman will close his old shop on January 28.

He will be open and ready for business in the new location, Monday morning, February 6.

## Missy Barker Cuts Finger

Missy Barker, daughter of Dr. and Mrs. Frank Barker, had the misfortune of cutting the tip off of one of her fingers, while at play last Wednesday afternoon.

## More Americans Buying Larger Life Insurance Policies

More American people are buying larger life insurance policies today than was the case seven years ago, the Life Insurance Agency Management Association reports.

In the analysis of a recent month's purchases of ordinary insurance on adults, the Association found that 39 per cent of the policies were for \$5,000 or more and 14 per cent were for \$10,000 or more. Only 27 per cent were \$1,000 policies.

A similar survey in 1942 showed only 20 per cent of the purchases in amounts of \$5,000 or more and 4 per cent for \$10,000 or more. At that time 46 per cent were in amounts of \$1,000.

The average size ordinary policy being purchased by adults now is \$4,800, compared with \$2,680 in 1942.

## COCHRAN COUNTY GARDEN CLUB SPONSORED FUN NIGHT SLATED FOR SATURDAY NIGHT

Saturday night, January 28, is "fun" night, at Veterans Hall. The party is sponsored by the Cochran County Garden Club and will include games of Bridge, Dominoes, 42 and Canasta. Refreshments will be served.

The new location, Mid-Cent Petroleum Corporation No. 1-3 Smith Ranch, is to be one quarter mile east of the No. 1 Starnes, a pumping well. The drillsite will be 660 feet from north and west lines of the northwest quarter of section 17, block A-49, Harrison and Brown survey. That will place it 10 miles south of Lehman.

Planned depth for the venture is 5,200 feet, which will take it to the San Andres.

Further, it is hoped that the large acid injection will cause the well to kick off and flow.

This discovery had swabbed at the rate of about 75 barrels of oil per day before it was washed with the mud acid. No formation water has been developed in the Mississippian pay.

This well is showing for the first commercial production from the Mississippian on the South Plains.

The Landon field has production from the San Andres of the Permian above 5,100 feet. It also has one well production from the Pennsylvanian lime and one completed producer from the Devonian.

## CLARENCE MOORE SENIOR, SELECTED ALL TOURNNEY TEAM

Clarence Moore, a senior, two year letterman in basketball, and an all-around athlete, was selected for the all-tournament team at Sudan.

Moore was selected along with four other boys from the four teams in the tournament. The five boys were awarded gold miniature basketballs as rewards for the honor received.

## JETER IS ELECTED WAR WHOOP EDITOR

Imogene Jeter

Imogene Jeter, daughter of Mr. and Mrs. N. D. Jeter, owner of Jeter Hardware, was recently elected War Whoop editor for the second semester.

Imogene assisted with gathering news for the paper last year and was exchange editor this year. She takes journalism, is very dependable and makes good grades. She is senior class secretary, was "promoter" for the senior play presented last fall.

## MORTON FACULTY MEMBERS TO PLAY LEHMAN TEAM

There will be a basketball game Thursday night between the faculty of Morton schools and the Lehman team in the Morton gymnasium, according to Wendell Watson, principal.

The game will start at 7:00. Admission charged will be \$1.00 for adults and 35c for students. All proceeds will go to the March of Dimes Fund for 1950.

## STUDENTS MOVING

Morton High school is sorry to lose five students at mid-term. These students are: Harold Astin, moving to Plainview, Texas; 2 brothers, Lavern and Harold Corder who are moving to Portales, New Mexico; two sisters, Gwen and Donna Williams, are moving to Lubbock, Texas.

## 62 Students Hold 100% Attendance Record; Sophomores Lead

Sixty-two students have not missed a day since school started.

Seniors: Patsy Barton, Virginia Byrd, Geraldine Gandy, Dorothy Taylor, Sue Smith, Beth Winder, Jimmy Self, Melvin Yarbrough and Arnold Lamb.

Juniors: Joe Carothers, Richard Hancock, Pat Mayo, Peggy Lilljedahl, Sybil Neagle, Sammie Riddle, Mary Lee Smith, Martha Wood and Martha Willis.

Sophomores: Don Baldwin, Donald Barnett, Mike Bolton, Tommy Bowman, Darryl Bowman, Harold Corder, James Dewbre, Teddy Hammonds, Lewis Hodge, Danny Key, Kirby Lackey, Worth Marshall, Otho Mills, Carl Ray, Burlie Taylor and Clyde Ward. Twila Daniel, Betty Doyle, Jerry Harris, Helen Hodges, Glynnia Kennedy, Jeanette Mills, and Marjorie Williams.

Freshmen: Mary Lee Bolton, Geneva Cagle, Carolyn Cox, Doris Gardner, Ida Pearl Igo, Gwendolyn Jennings, Mary Carolyn Moore, Norma Mullinax, Clara Faye Peacock, Gertrude Self, Maxine Smith, Billie Sullivan, Shirley Taylor, Audrey Faye Ward, Lanar Burns, Tommy Gattis, Robbie Key, Freddie Lewis, Jack Russell, Gayland Sexton, and Harvey Zuber.

## Photographer Added To War Whoop Staff

Bunky Hargrove has recently been chosen for class photographer. He plans to attend all school activities and the journalism class will have cuts made of the pictures. As soon as possible these pictures will be seen in your school paper. Bunky has a Kodak brownie flash camera and enjoys taking pictures.

## BOYS WIN CONTEST GIRLS POLISH SHOES

The boys enrolled in journalism class won the subscription selling with 65 subscriptions. Having sold 53 subscription, the girls had to polish the boys shoes last Thursday. Out of the 232 students enrolled in high school, 118 bought subscriptions in three and one-half days. Ten teachers, the library, three school supporters; Roy Allsup, Dub Grantham and L. F. Hargrove, also subscribed to the school paper.

The seniors led in the number of subscriptions bought by 41. The junior class was next having bought 33 subscriptions. The sophomore class was represented by 18 subscriptions while the freshmen had 16.

A placard with a painted thermometer was placed in the hall and each time a subscription was sold, the mercury was run up.

Subscriptions are still being sold and are 50c for the remainder of the school year. These may be obtained from Joye Seaneay or H. L. Shakespeare.

## UNDEFEATED TEAM TAKES WHITEFACE

The undefeated team of Morton Jr. High handed the future Antelopes from Whiteface a defeat in Morton's gym Monday.

Wimp Houghton and D. J. Peters played an outstanding game for the hosts.

Several personal fouls were called but not very many of them were intentional. All the boys played hard but clean ball. Joe Daniels, Jackie Holloman, and Connie Cleavenger also played very good.

## SENIORS NET \$20.53 FROM CANDY STAND

The senior class took in a total of \$20.53 Tuesday night, according to J. B. Kempson, sponsor.

Peanuts, candy, pops, chewing gum, and cough drops were sold by Glenda Evans and Charlotte Lindsey.

The stand is operated by two seniors at all the home games.

## GRADE SCHOOL HIGHLIGHTS

Mrs. Cravy's third grade has two new students, Navel Roberts from Bula and Ruth Johnson from Crosbyton. The third grade students are beginning their Basic readers and are proud of their new "Think and Do" books to go with their readers. The third grade section has won the attendance prize for the past 3 times. For open house attendance we were given \$2.00. A committee of girls were selected to buy a picture. They chose a very interesting and educational one of Japanese Art, "The Study of Dwarf Trees."

Mrs. Bishop's fifth grade has two new pupils, Patsy Savage from Ft. Worth and Burley Roberts from Bula.

Mrs. Love's fifth grade has three new students, Peggy Brown from Littlefield, Jesse Gerrard from Plains and Elden Givens from Chillicothe.

The sixth grade has two new students, Gwen Savage from Ft. Worth and Ray Greenwood from Wilson, Oklahoma. Edna Waltrip has the unique honor of making the first A in U. S. History this year.

The eighth grade has two new students, Peggy O'Brian from Welch, Texas and Roma Greenwood from Wilson, Oklahoma.

The seventh grade has one new student, Laura Savage from Ft. Worth.

Wonder why Donnie Baker wants to know where Peggy O'Brian lives?

8-1 has taken up History and Science this semester instead of Geography and Health.

Seems the new fad of Jr. High for the girls is short hair.

8-1 has taken an interest in their home room. Sure looks nice. Jr. High boys and girls won their game against Whiteface. Good work, kids.

Suggestion: Wish you would have a "Song of the Week", more smoke signals and interviews. (Ed note: "We'll try!")

Traffic Light: A little green light that changes to red as you approach.

## BOY MAKES GOOD

Leslie White

Almost four years ago, a boy approached Mr. Carl Macon, superintendent, at the start of a new year. He had not been enrolled in school for several years but decided he had made a mistake in quitting.

This boy was Leslie White who is well known and liked by everyone in Morton High. He was too old to compete in athletics so when he became a sophomore he became manager of the football team. He had been serving as manager every year thereafter.

This story of a boy who realized his mistake in time and came back to make good. Leslie will graduate this spring.

## Home Grooming, Child Care, Sewing to Begin In Homemaking Classes

The Homemaking I girls have finished cooking and foods and have begun a unit on home grooming. After studying this unit they will take up beginners sewing.

The Homemaking II girls are continuing interior decoration until next week when they will take up child-care. They will study this until the last twelve weeks then they will take up advanced sewing.

In a few weeks the girls will begin a new project of forty hours of sewing. They do this work at home in their spare time. They have just completed a forty-hour cooking project.

## Bench Warmers

By Saradel Lilljedahl

In the tussle between Pettit and Morton January 10, the first meeting of the two rivals, Pettit won 12 to 11. The game was good and showed some good shooting arms of the Morton forwards that are improving steadily. Peggy and Saradel Lilljedahl tied for high scoring honors while Betty Doyle was trailing by one point.

As the starting players took their places on the court January 12, there was tense silence from the Morton spectators because this was Morton's strong chance for a victory from Bledsoe. In the first quarter, Morton made eight points while Bledsoe made three and then all of a sudden Morton broke loose and the final score was 27 to 5, Morton's favor. For Morton's scoring, Janelle Jones led with eight points while Betty Doyle was closely behind with six.

By scoring 18 baskets and 4 fouls for 40 points, Levelland topped the January 13 game by a lead of ten points over Morton who had 30 points. Janelle Jones landed 16 markers for high point man for Morton's team while Tipton led Levelland's scoring with 25 points.

Out of the six girls that were on the court playing against Snade last Thurs at 1 p. m. in the Whiteface tournament not a one could be classified as a good player for the forwards weren't hitting and the guards couldn't hold the Spade forwards. This was our Morton girls and they were defeated 18 to 30.

Carolyn Cox was high point man for the junior team, players under 15, with five points when the team tackled Whiteface in the Sundown tournament last Thursday afternoon at 3:45. The final score was 10 to 16 but wait until this junior team gets older and then watch Morton go places

With speed that the Morton girls couldn't cope with, the Muleshoe girls scored the highest score that has been scored against Morton this year which was 60 to 27 making them victorious by 33 points. Betty Doyle did some outstanding work for the forwards although she only played the last half. She hooped 14 points to take the honor of high point man.

## Stray Shots

By Clarence Moore

Conference play started in earnest last week for Morton. The Indians played two conference games last week. The outcome of these games left Morton fourth place in the district ratings. This and next weeks games will have much to do with the final outcome of the district. If the Indians win the rest of their games they will probably go into the by-district playoffs.

It now appears that Sudan is the team to beat and Levelland next. Should the Indians edge out one of these teams and go into the by-district playoff they have a good chance of emerging at least second.

Comparison for scores shows that Sudan and O'Donnell are the powers in the South half and have approximately the same strength. Morton edged out O'Donnell by one point.

As things shape up now the roughest competition will come from within this half of the district. The teams that represent

this half should go on to regional meet. Can Morton be one of these teams? This is another question. Some of the timers say they have the prospects of a winning team years but they have a tendency to play in spurts. Ahead looking like champions one minute and faltering badly the next. If they can iron out what obstacles that are holding them they should have a team that can turn out carefully creditable performances regularly.

Track season opened last Monday. Coach Crawford has better prospects this year than last as age and experience helped many of the hopefuls.

## LOOKING AHEAD

By George S. Benson, President, Harding College, Searcy, Ark.

### A SENSIBLE LABOR POLICY

A great labor organization got down to earth the other day with some real thinking on a resolution for the new year. An Associated Press story from Washington dated December 26 said: "The American Federation of Labor today proposed that management and labor get together in 1950 to cut production costs and that labor get a wage increase as its share of the result in saving. That's talking real turkey!"

Labor is right in suggesting that employees deserve a share of what is saved when production costs are reduced. I believe that workers ought to have higher wages, when they can produce more goods without increasing costs in other ways. Actually, there is no sound way to increase wages—except greater productivity. Our production per man day has jumped 500 per cent during the past 100 years. That explains today's good wages.

### Reward for Output

Throughout the industrial history of America, most industries have paid about all they could afford to pay in wages. There have been some exceptions. But in general, as productivity increased wages climbed higher. Because of modern methods and good tools, productivity per man day has doubled during the past 33 years. The reward for great output and efficiency has been a very high level of wages. But what's been happening

lately? In the past five years wages have been pushed upward by artificial means. Heavy pressure from both unions and government has shoved them upward faster than productivity has increased. Naturally, these methods create dislocations and encourage inflation. I believe we have reached the point where any further steps in that direction would bring unemployment and encourage depression.

### Ray of Hope

Now, this AF of L plea that labor join with management to bring down production costs for the purpose of obtaining higher wages is a real ray of hope. It makes exceeding good sense. For example, I am told that in the housing industry the cost of laying brick could be brought way down, with the right kind of cooperation of employees and management. Here is a condition that has hurt construction progress and slowed the building of homes throughout the nation.

I understand that a good bricklayer can lay 800 to 1,200 bricks a day without much difficulty. However, a good many builders have told me that the union will allow their bricklayers to put up only 350 to 400 per day. If this industry represents a fair example of what could be done with full cooperation of labor and management, surely there are great strides to be made in the years ahead toward achieving higher living standards for the people of America.

### Double It Again?

Experts tell us that America's living standards have advanced in direct proportion to productivity per man day. This simply means that increased production will bring about increases in living standards. My conviction is that good labor-management cooperation could increase productivity per man day another 100 per cent within the next 33 years. This would bring a 100 per cent increase in living standards.

This miracle will happen again, only if labor and management pull together. If they solve our industrial problems in an intelligent way America will reach higher and higher levels of output. Not only will this cooperation insure plenty of jobs and the goods we need. It will do much to reverse the trend toward statism, which threatens to reduce every American's standard of living to the same low level.

## Gain Most at Tech Silage-Fed Steers

A check-up at the end of the second period of the experiment to evaluate sorghum silage and cottonseed hulls in yearling steer feeding at Texas Tech shows that silage-fed steers out-gained the hull-fed lot.

Dean W. L. Stangel of the division of agriculture said results of the entire 56-day period gave a 2.72 pound daily gain for lots fed on silage. Hull-fed steers had a daily average gain of 2.18 pounds.

Sixty yearlings are being used in the research program, which began Nov. 22. It will end in February. The steers are divided into six lots, and the only diet variety in five lots, has come from silage or hulls. The sixth lot was fed hulls without concentrates, while the others had the same concentrates and alfalfa hay supplement.

During the initial 28-day period, a straight sorghum silage diet proved to be the cheapest. The early report showed the 100 per cent silage-fed lot gained at a cost of \$11.20 per hundred. A 100 per cent diet of cottonseed hulls cost the most—\$13.04 per hundred.

Costs for the second period have not been determined.

Mr. and Mrs. William Hill of Okeene, Oklahoma, spent the week-end here with their niece, Mrs. Harve Andrews and Mr. Andrews. They were enroute to their winter home in the valley.

Raymond Grindstaff of Ft. Worth was also a Sunday guest in the Harve Andrews home.

## Timely Tips

Meat loaf is just one of the many uses of ground meat. You can use ground meat for stuffing peppers, making meat balls and spaghetti, cheeseburgers with a spicy tomato sauce made by mixing grated cheese into the raw, ground meat, forming into meat balls and frying until brown. Then add them to the spiced tomato sauce which has been simmering for 30 minutes. Cook awhile longer and serve.

Meat loaf, where potatoes are not used in the recipe, baked in a ring mold and served with new parsley potatoes in the center, makes a pretty dish.

Serve Cauliflower now that it is in season. Cauliflower is good served with a cheese sauce.

Since apples still head the plentiful foods list use them during the holidays—keep them in a big wooden bowl just to pick up and eat—serve them in salads and desserts.

**EVERYONE TALKS ABOUT THE**

All over America, on big farms and little farms, it's proving itself "The Year 'Round Tractor"... winning fame for all 'round performance, all 'round the farm, all year 'round.

You'll respect the Ford Tractor for the way it buckles down to heavy jobs of plowing or discing. You'll like it, and Dearborn Equipment, too, for the way you can do such jobs as scraping, leveling, loading, ditching, terracing, excavating, digging post holes or sawing wood. Most Dearborn implements lift or lower at a touch on the Ford Hydraulic Touch Control. Ask for a demonstration.

### MAIL BOX

#### DEAR MRS. ENGLAND.

Since you gave the Stork Shower for M. Sgt. Simonsen such a nice write-up, we thought it only fair that you should know the rest of the story.

On Sunday, January 8 (which would have been my daddy's birthday, the late Mac W. Hancock, sr., M. Sgt. and Mrs. W. M. Simonsen became the parents of a baby girl. She has been named Barbara Lynn. Like all other soldiers he wanted a boy, but I think he'll be just as happy with his daughter as we are with ours, who was three on Dec. 31.

My mother, Mrs. Mallie Hancock who is spending the winter in San Antonio, was a Valley visitor last week. Think she likes the Valley about as well as we do, but she certainly misses Morton and all of the people there. She was leaving Saturday just as our Morton paper came; so that's one issue we missed because she took it with her. As soon as we finish the one which came today I plan to send it to her. She will be in San Antonio until the middle of March (unless she gets too homesick) so I guess our paper will have to do double duty until then. We really look forward to the day the Morton Tribune comes; wish it were here instead of weekly. It's our only source of news from Morton, especially when my mother is away.

Tell the Markhams that we are just a short drive from Pharr and on their next visit down this way we would love to have them visit us. We accidentally saw Rev. and Mrs. W. C. Wright when they were here in December. Murray Crone visited us in the summer of '48 and we hope if the blonde does say "yes" that they'll spend their honeymoon in The Magic Valley.

Would it be possible to get the Ben Dyers or the Wesley Baver's address from your paper. Think they are down this way somewhere and we would like to look them up.

Frances Hancock Scoggin. (Eds. note: Thank you Mrs. S. Your note is so chock full of news we couldn't resist using it in full. The address requested is 203 N. Ave. C, Victoria, Texas.)

## --annegrams -- by ann england --

Not that we've put them away for good but in looking over the Christmas cards again last week were especially impressed with the ones sent by the Fred Stockdales here and the Lewis Owen family at Pep.

Both are original and unusually clever. The Stockdales made a mimeographed map with greetings and instructions as to where and how to find them; this was attached to a Christmas red sheet.

While the Lewis Owens used a postal with hand drawn and colored caricatures of the nine children, papa and mama.

You've probably gathered by now that Christmas lasts longer for us than just the 24th and 25th of December. Enjoy the cards and greetings for ever so long. Often using the cards for other purposes.

After Mrs. N. J. Russell returned from California she sent us a box of the most delicious stuffed dates. And our friend Mrs. L. B. Elliot over at Colorado City was kind enough to send a beautifully hand embroidered towel—Swedish design—she did it and it is really lovely.

Our friends, the Ben Nelsons, subscribed for the Atascadero News, to be sent from California to us. It is a nice paper and we enjoy reading it as well as getting many helpful ideas.

Ben and Merle Nelson, whom we've known for many years, are delightful but mighty busy folks. And just this year have taken over as Worthy Patron and Matron of the Atascadero Order of Eastern Star.

The new feature, "Around Texas With the Exchanges" started in last week's Tribune isn't original by any means. Copied it from a number of exchange papers received in this office each week. We have so thoroughly enjoyed reading about happenings in other towns just thought we'd like to pass it on.

Had a sweet little note from Jane Wingham last week. The Wingham's formerly lived here and Jane was quite a favorite among the school crowd. They are living in Petersburg now and Jane said, "Maybe I won't be so homesick for Morton if I get the Tribune each week."

Thank you Jane for the check and your name has been added to the mailing list.

Had a nice visit last week-end with some of the spouse's family; namely his beautiful and kindly sister, J. B. Langford and her husband C. C. and brother Clarence England and his Mrs. They are all so hospitable and we enjoy very much visiting with them.

While in Ft. Worth we ran into Wayne Sellers, and his pretty wife. Wayne is the very personable young man, who by-lines, "Talks from Texas Towns" in the Sunday Star-Telegram.

He invited us to visit the remodeled and enlarged Star-Telegram plant and to watch the big press in operation. (It is the finest in Texas) but there were so many things already planned that we simply couldn't make it. However the next time we are in Ft. Worth that is going to be first on the agenda of things to do and see.

Brought aunt Addye home with us and of course she started right in on giving Vagabond House a good cleaning. It needed it but am afraid she'll wear herself to a frazzle; besides if she gets too tired she won't be able to take care of her little great niece or nephew that is supposed to put in an appearance at the Snyder home of my cousin Mildred and her husband Kendale Clark sometime in February.

I'm not speaking to Murray Crone right at the present. He promised faithfully to send me a telegram when he got married and didn't.

Likewise Fred Collins and the other KLVT staff members who were over here last Tuesday night broadcasting the basketball game. Fred called Wednesday and told me they came by AFTER the game—well every one knows we are sound asleep before ten o'clock P. M. so callers should come by early in the evening. Anyway that FC is going to have to do some mighty sweet talking to get me in a good humor.

Mrs. Minor Yarbrough was in Tuesday. She is moving her house to town and thinking of converting it into apartments. Bea, as her friends call her, looks after her two children, successfully manages several hundred

acres of farm land, is active in church work and still retains a very pleasant disposition and sunny smile for all.

Hazel Hancock thinks he is going to get rich from a bunch of cattle he brought over from Lamesa and is feeding. He told me so.

Missy Barker cut the tip end of ring finger on her left hand while playing one day last week. Missy took it like a good sport tho and after her daddy, Frank, and Dr. Monk got it sewed back Missy wanted to put on her prettiest gown and receive callers. She is a darling little girl.

The spouse and I had lunch at the school cafeteria one noon recently. They do serve the best food out there—economical too. Wish we could rake up some legitimate excuse for eating out there frequently.

Seemed to have stirred up a hornets nest by printing the county officials salaries. Can't understand WHY anyone objects. After all those records over at the court house are public and any one who wishes may go over and look at them.

However for the few who objected and said so there were many more who thanked us—so there it is. Actually I'd like to make every one happy but I'm just one defenseless gal so can't do much.

Notice that practically all the other papers not only carry salaries as a news story but also run quarterly reports, budget reports and delinquent tax notices—incidentally these last three items are requirements of Texas State Laws.

After all most the tax payers are sort of curious about what their money is being spent for. You know a man in business wouldn't keep an employee on his pay roll very long if the employee refused to tell how he was spending the bosses money.

Notice where the fashion designers have decided the gals should have flat chests, flat abdomens, and flat derrieres for the 1950 look. When you whittle it all down looks as if we are supposed to resemble a stick if we want to be in style. I keep wishing it would be fashionable too have a few curves—still if it were I'd probably bulge in all the wrong places.

Any of you have any pet peeves you'd like to get off your chest? If so why not write a letter to the editor? Of course all letters must be signed to be published. All unsigned letters received in any newspaper office just automatically go into the waste basket.

In speaking of one of our friends the spouse said, "she has lost the art of conversation, but not, unfortunately, the power of speech."

MRS. W. E. CHILDS attended to business in Lubbock Monday.

MOVES TO FARM NEAR HERE Mr. and Mrs. Mac W. Hancock, Jr., and son, Mac III, have moved to a farm east of Morton. They have been living in Lamesa until recently.

LAMESA VISITORS MONDAY Mr. and Mrs. Hazel Hancock were in Lamesa Monday. They brought back a load of cattle which they plan to feed on the Hancock farm.

From where I sit... by Joe Marsh

### Give Us Back Our Sidewalks, Slim!

I wrote that over an article in the *Clarion* last week, but I didn't like doing it. After all, the man it was aimed at—Slim Henderson—is a good friend of mine.

Slim came into quite a windfall last month, and bought the old Clarke place. The deed gave him title to all the land—right down to the street. Then Slim started to take up the sidewalk to make his lawn look better.

I felt it wasn't fair to the town and said so in my article. Next morning Slim comes around and wants to know what I mean—get-

ting folks riled against him. I felt ornery myself, and we had quite a set-tover the whole business.

From where I sit, that was foolish. Once we'd cooled off (over lunch and a bottle of beer at Andy's Tavern), Slim decided the sidewalks should stay—for the common good and I promised next time I'd take a good look at the other fellow's point of view before writing any articles about him!

## Oil Highlights for Cochran County Show 5 Completions and 4 Projects

The field in the local vicinity showed eight new completions and six new locations according to reports submitted to the Midland district office of the oil and gas division of the Railroad Commission of Texas this past week.

The field in Cochran County showed five new producers. Cochran County gained four new locations. Two new explorations were reported in Cochran County.

**Completions for Cochran**  
Hamilton McCutchen No. 7 Ham-440 feet from south and east lines of labor 17, league 63, Martin CSL survey flowed six through a 1/2-inch choke and made a calculated 24-hour potential of 289.72 barrels of 32 gravity oil. Gas-oil ratio was 120-1. Total fluid recovered was cut with six-tenths of one per cent water.

The pay section at 4,834-4,800 feet was acidized with 8,000 gallons.  
Constantin, Jr. No. 4 Deland Wright made a 24-hour potential of 165.6 barrels of 31 gravity oil. This was based on an actual pumping production of six hours. No water was present. Gas-oil ratio was 220-1. The pay section at 4,932-4,959 feet was acidized with 10,000 gallons of acid.

It is 440 feet from south and east lines of lease in labor 7, league 61, Martin CSL survey.  
Grappe-Denton Inc. No. 1-B 440 feet from north and east lines of labor 25, league 59, Martin CSL survey pumped 24 and made an initial production of 67.49 barrels of oil. Total fluid recovered was 30 per cent water. Gas-oil ratio was 50-1. The pay zone between 4,897 and 4,972 feet was acidized with 2,000 gallons.

Dr. Sam G. Dunn No. 2 Pierce, 440 feet from north and east lines of section 64, block 12, Midland CSL survey flowed six hours through a two-inch choke to produce a daily calculated potential of 30.3 gravity oil. Gas-oil ratio was 370-1. Seven-

teen per cent of the total fluid recovered was water.

The pay section at 4,860-4,900 feet was treated with 10,000 gallons of acid.

Grappe-Denton, Inc., No. 2-B Deane pumped 24-hours and made an initial production of 52.33 barrels of 30 gravity oil. Forty per cent of the total fluid recovered was water. Gas-oil ratio was 40-1.

The pay section between 4,850 feet and 4,880 feet was acidized with 3,000 gallons.  
Location is 440 feet from north and east lines of lease in labor 25, league 59, Martin CSL survey.

**New Projects for Cochran**

**VA to Refund Vets NSLI Deductions**  
Veterans who receive National Service Life Insurance dividend checks from which previous overpayments by the Veterans Administration has been deducted, were advised by Robert W. Sisson, manager of the Lubbock regional office of the Veterans Administration, that the finance division of the regional office whose jurisdiction the veterans account is maintained, would refund any overdue deduction.

In a few cases, cash payments made by the veteran and deductions previously made by the VA, plus the amount deducted from the dividend, exceed the indebtedness of the veteran to the government.

The refund of these overdeductions will be made automatically as soon as advice regarding the amounts deducted from each such individual dividend check is received by the Lubbock regional office from Washington DC. In view of the necessity for full information being supplied to the regional office by Washington, veterans are urged not to contact the local VA office, since the accounts will be adjusted automatically as soon as the information is received, Mr. Sisson stated.

**HOME NURSES TRAINED**

### NOTICE OF BOND ELECTION THE STATE OF TEXAS ) COUNTY OF COCHRAN )

To the Resident Qualified Tax-paying Voters of Cochran County, Texas, Who Own Taxable Property Within Said County, and Who Have Duly Rendered the Same for Taxation:

Take notice that an election will be held in Cochran County, Texas, on the 4th day of February, 1950, on the proposition and at the places more particularly set forth in the election order passed and adopted by the Commissioners' Court of Cochran County, Texas, on the 10th day of January, 1950, which said ORDER AND NOTICE OF BOND ELECTION is substantially as follows:

#### ORDER AND NOTICE OF BOND ELECTION STATE OF TEXAS ) COUNTY OF COCHRAN )

In the Commissioners Court of Cochran County, Texas, Be It Remembered that on this the 10th day of January, A. D. 1950, the Commissioners Court of Cochran County, Texas, convened in Regular session and the Court having convened at the regular meeting place thereof at the Courthouse in Morton, Texas, with the following members present, viz:

G. W. Thompson, County Judge and Presiding Officer  
E. C. White, Commissioner Precinct No. 2  
John Kennedy, Commissioner Precinct No. 3  
C. G. Shaw, Commissioner Precinct No. 4  
T. W. Pierce, County Clerk and ex-officio Clerk of the Commissioners Court.

And the following members absent, viz: L. M. Baldwin, Commissioner Precinct No. 1, constituting a quorum, whereupon the following among other proceedings were had, to-wit:

**Whereas**, the Commissioners Court of Cochran County, Texas, affirmatively finds that it is advisable and to the best interest of said County that a Jail Building be constructed and erected within and for Cochran County, Texas; and

**Whereas**, it is deemed advisable and necessary that the negotiable interest bearing coupon bonds of said County should be issued for the purpose of financing the cost of constructing and equipping such jail building and that it is necessary and expedient that an election be held within and for the County of Cochran for the purpose of submitting to the resident, legally qualified, property taxpaying voters of said County, who own taxable property within said county and who have duly rendered the same for taxation, a proposition to determine whether or not such bonds shall be authorized for said purposes and whether or not ad valorem taxes shall be annually levied assessed and collected against all property within the County of Cochran for the redemption of said bonds at maturity and for paying the interest thereon as it accrues;

**Now, Therefore, Be It Ordered, Adjudged, and Decreed By The Commissioners Court of Cochran County, Texas:**

I. That an election be held within and throughout the boundaries of the County of Cochran on the First Saturday in February, 1950, the same being the 4th day of February, 1950, such date being not less than fifteen nor more than thirty days from the date of this order, at which time there shall be submitted to the resident legally qualified property taxpaying voters of Cochran County, Texas, who own property subject to taxation within said county and who have duly rendered the same for taxation, the following specific proposition:

same for taxation, as provided in Section 3a of Article VI of the Constitution of the State of Texas, shall be entitled to vote at said election.

III. The ballots for said election shall have written or printed thereon the following, viz:

**OFFICIAL BALLOT**  
For the Issuance of Jail Building Bonds and the Levying of Taxes in Payment Thereof.  
Against the Issuance of Jail Building Bonds and the Levying of Taxes in Payment Thereof.

IV. The polling places and presiding officer of said election shall be respectively as follows:

In election precinct No. 1, in the Courthouse in Morton, Texas, with W. A. Woods as presiding judge, Amos Taylor, as associate judge, and Truman Smith as associate judge.  
In election precinct No. 2, in the Schoolhouse in Whiteface, Texas, with J. A. Taylor, as presiding judge, T. A. Keith as associate judge, and Claude Bowden as associate judge.  
In election precinct No. 3 in the Schoolhouse in Bledsoe, Texas, with Clyde McCormick as presiding judge, and H. H. Rosson as associate judge, and Alvie Harris as associate judge.  
In election precinct No. 4 in the Schoolhouse in Neely Ward, Texas, with B. R. Stovall as presiding judge, Roy D. Greer, as associate judge, and Clyde Weeks, as associate judge.  
In election precinct No. 5, in the Schoolhouse in Lehman, Texas, with J. W. Pond as presiding judge, F. L. Fred as associate judge, and L. C. Keith, as associate judge.  
In election precinct No. 6, in the Gin Office of White's Gin in South Lehman, Texas, with E. V. Thompson as presiding judge, Arnie Todd, as associate judge, and W. P. Houston as associate judge.

V. That in accordance with Article 704 of the Revised Civil Statutes of the State of Texas, notice of said election shall be given by posting a substantial copy of this election order in each of the election precincts of the County of Cochran and also at the County courthouse and such notice shall also be published on the same day in each of two successive weeks in a newspaper of general circulation published within said County, the date of the first publication to be not less than fourteen (14) days prior to the date set for said election.

The County Judge and County Clerk shall cause such notices to be prepared and posted and published as stipulated herein and shall make due returns thereof to this Commissioners Court.

VI. Immediately after said election has been held, the officers holding the same shall make returns of the result thereof to the County Clerk of the County of Cochran, Texas, for canvassing by the Commissioners Court and shall return the ballot boxes to the County Clerk for safekeeping.

The manner of holding such election and canvassing and making returns thereof shall be governed by the general election laws of the State of Texas, when not in conflict with the provisions of the hereinabove mentioned statutes, and the Commissioners Court will furnish the necessary ballots and other election supplies requisite for said election.

The above and foregoing order being introduced by Commissioner C. G. Shaw, being seconded by Commissioner John Kennedy, and the question being called for, the same was passed and adopted by the following votes:

**AYES:** Commissioners C. G. Shaw, John Kennedy and E. C. White.  
**NOES:** none.  
**Passed, Approved and Adopted,** this the 10th day of January, 1950.  
G. W. Thompson, County Judge  
E. C. White, Commissioner Precinct No. 2  
John Kennedy, Commissioner Precinct No. 3  
C. G. Shaw, Commissioner Precinct No. 4  
Attest:  
T. W. Pierce, County Clerk and ex-officio clerk of the Commissioners Court of Cochran County, Texas.  
THE STATE OF TEXAS ) COUNTY OF COCHRAN )  
I Clerk of the County Court and ex-officio Clerk of the Commissioners Court of Cochran County, Texas, do hereby certify that the above and foregoing instrument is a true and correct executed copy of "ORDER AND NOTICE OF ELECTION" as the same was approved, adopted and passed by the Commissioners Court of Cochran County, Texas, on the 10th day of January, 1950 and now appears on record in Volume 4 at page 191 et seq. of the minutes of said Court. I further certify that the same has not been amended, altered or rescinded in any manner and is now in full force and effect.

## Harold L. Frost Guest Speaker at Lions Club Luncheon Wednesday, Jan. 18

Harold L. Frost, chief of the weather bureau, Lubbock, Texas, was guest speaker at the regular meeting of the Lions Club, Wednesday noon, January 18. Mr. Frost was introduced by Lloyd C. Miller.

Frost explained functions of the various weather bureaus located throughout the United States. "The weather bureau at Lubbock," Frost said, "is the only one which has taken on the responsibility of predicting dew, this was done as an added benefit to farmers during defoliation season." He further stated, "there are 14 district forecast centers in the United States and 18 airway forecast centers, the latter pertaining primarily to weather as regards aircraft. The United States also has four hurricane forecast centers, which is one of the big units in the weather bureau."

Other guests introduced were L. M. Bassett of Amarillo and Merlin Roberts.

Van Greene, third vice-president, presided for the meeting. Mrs. L. F. Hargrove, fund chairman for the March of Dimes, spoke briefly on the 1950 campaign. Willard B. Cox discussed a safety program for Morton's youth drivers. The club voted to sponsor such a program for Cochran County.

Members present: Van Greene, C. C. Armstrong, V. L. Lawson, R. C. Strickland, E. A. Miller, W. B. Cox, Roy Hickman, P. B. Ramby, H. D. Crockett, Artie Hicks, Gene Huggins, L. W. Barrett, Lloyd C. Miller, Fred Stockdale, Fred Danforth, E. L. Willis.

Neely Ward Pie Supper Nets \$400  
A good crowd attended a pie supper at Neely Ward school, Friday night, January 20. Sales of the pies, which were auctioned by Hazel Hancock, amounted to \$400.00; with \$150 of this amount being donated to the current March of Dimes drive. Neely Ward Parent-Teacher Association, sponsors of the affair, retained the remainder in the P. T. A. fund.

**CARD OF THANKS**

We want to thank the Morton people for their kindness and respect shown us; for attending the funeral of our beloved brother, J. C. Markham, who had been in ill health for several years at Tatum, New Mexico. We certainly appreciated the beautiful flowers, and above all the wonderful friendship, there is nothing like having sweet friends in a time like this. We felt like shouting and crying when we saw so many of our Morton friends coming down the aisle after viewing the remains. May God's richest blessings rest on all of you. We love the people in Morton.
