## City Ordinance To Reduce Fire Hazards Passed

The ordinance appearing in this issue, recently passed by the City Commission, is designed to lessen the fire hazard in Morton. It principally has to do with the burning of cotton burs around the gins and the storage of cotton but can be applied to any excess accumulation of combustible materials, according to members of Morton's City Commission.

The design of the incinerator to be used by gins for the burning of cotton burs is one recommended by the State Fire Insurance Commission.

Since the fire record in Morton is such as to cause a 15 per cent penalty to be added to all fire insurance policies issued in the City, and as any penalty is nothing more than an indirect tax, the City Commission has attempted by this ordinance to eliminate some of the fire hazard.

During 1948, the last year for which figures are available, \$37,530.00 was paid out for fire insurance premiums in the town. The insured fire loss in 1948 was \$33,579.00. For the five year period 1944 through 1948 the premiums amounted to \$131,208.00 and the insurance companies paid on a loss of \$109,383. From these figures you can readily see the reason for the 15 per cent penalty. This would amount to a considerable saving to the ones buying fire insurance but due to the past fire record in Morton this penalty cannot be removed for at least five years so the sooner some of the hazards are eliminated the sooner this might be accomplished.

In addition to this during the past ginning season the Fire Department answered 19 calls in November, 11 in December and 9 in January, a considerable number of which had to do with cotton and practically all of the insured loss was on cotton. During the past November, December and January the City paid the Fire Department an average of \$202.33 per month or \$15.56 per fire and these firemen work for \$1.00 per fire regardless of how long it takes. To this must be added the cost of operating the equipment and of pumping the additional water used in fighting the fire.

In approving the ordinance the City Commission felt that by removing some of the fire hazards a considerable part of this cost could be eliminated.

In addition to regular collection of garbage the city is putting on an extra truck to haul trash. J. S. Harrison, city secretary, said that all trash such as tree limbs and other large pieces, would be picked up if placed near the regular garbage can. Trash should not be heavier than two men can handle and it must be off the premises, as the trash and garbage collectors cannot go into a yard proper to pick up debris.

### JO ANN LACKEY TO APPEAR WITH ENMU CHOIR

MORTON, COCHRAN COUNTY, TEXAS, THURSDAY APRIL 6, 1950

NUMBER 6

## LIONS GIVE TOP GRADE MINSTREL

Morton Lions in their annual presentation of the Minstrels laid the audience in the aisles last Thursday and Friday night with a mirth provoking two hour show.

Top grade entertainment from the opening chorus to the grand finale was roundly applauded by an audience that completely filled the school auditorium both nights of the show. Late-comers, unable to find seats stood in the aisles and entrances.

Dallas Whaley, featured guest star from Lubbock, brought down the house with his humorous impersonation of a dorkie rookie during World War 1.

Specialty acts presented by the following home town talent returned again and again for encores: Gene Benham, Tom McAlister, Miss Beverly Blackley, Jimmy Grantham, E. L. Willis, The Bowman Trio; a quartet composed of Elra Oden, Gene Benham, V. L. Lawson and Carl Macon; and the girls sextet, Misses Blackley, Martha Willis, Doris McMaster, Nelda Brisco, Pat Weakes and Joye Seaney.

Ronnie and Bobby Gast in a skit, "God's Black Chillun," and the ever popular Jive Band, under the direction of Fred Danforth and featuring Babe Vandlingham on the horn.

A surprise attraction at intermission was the hilarious "Parade of Celebrities," by Homer E. Thompson, Glenn W. Thompson, Herman Crockett, R. H. McCasland, Jimmy Willis, Orville Tilger and John Goswick, impersonating famous and otherwise females from the "Come Up and See Me Some Time" girl to Ann England, editor and staff photographer of the Morton Tribune.

### J. D. Hawthorne New County-Wide Trustee

J. D. Hawthorne was elected county wide school trustee in Saturday's school election. L. W. Bills, Whiteface, was reelected to the same office.

District trustees elected are Mrs. W. R. Hatcher and Ken Coffman, Morton; M. D. Sides, Bob Oats and O. A. McCoy, Whiteface; U. F. Wells, Neely-Ward; D. A. Ramsey and Shorty Buchanan, Bledsoe.

Mr. and Mrs. Truman Doss were Lubbock visitors Monday.

## FARMERS ARE INVITED TO IRRIGATION DEMONSTRATION

Mr. Ed Bush, Extension Service Irrigation Engineer, will give an irrigation well testing demonstration on the farm of Mr. Darwin McCasland, Monday, April 10, beginning at 8 a. m. This place is one and 3-4 miles southeast of golf course in Cochran County or five miles east and one south and 3-4 mile east of Morton.

All farmers irrigating, and well drillers who wish to attend are welcome. "Pass the word along to others contemplating digging a well," said the local County Agricultural Agent, Homer E. Thompson.

This test will begin after the well is developed this week, to determine the kind, type and size of well and motor, size of column pipe, bowl setting, size of suction pipe and etc. required.

This test will include:

1. The log on the well developed.
2. Head capacity curve for the well.
3. Head capacity and efficiency curve for the pump installed.
4. A sheet giving the pertinent information about the well which will include, size of suction pipe, size of column pipe, etc.

### City Adds Sweeper

A new street sweeper bought recently by the City of Morton, was tried out last week following three days of sand blowing.

The sand was swept from the streets into piles at the corners of the square; from where it was removed by dump trucks.

### C. L. HARRIS ANNOUNCES FOR DISTRICT ATTORNEY

C. L. Harris, Lubbock attorney, authorized the Tribune to announce his candidacy for District Attorney, 72nd Judicial District.

A formal statement with his picture will be carried in next week's Tribune.

## R. T. Tarver Is Elected Mayor Of Morton

With very little pre-election fanfare Morton voters cast a record ballot here Tuesday in the City election.

Candidates for Mayor were L. W. Ray and R. T. Tarver with Mr. Tarver winning the post as Morton's head man by 62 votes. Total of 297 votes were cast; Mr. Ray received 116 and Mr. Tarver 178.

Candidates in the commissioner's race were Jack Rice who received 90 votes; E. A. Miller, 118; Roy Hill, 197 and Charles L. Taylor, 168.

Hill and Taylor will serve as commissioners with Mayor Tarver.

## FIRST BAPTIST REVIVAL TO START ON EASTER SUNDAY

### Meet Warns Need For Local Control Of Area's Water

If Cochran counties don't want a centrally controlled underground water commission they will soon have to show interest in the present state laws which offered opportunities for local control.

Indirectly this warning was recently issued by Arthur Duggan, representative of the High Plains Water Conservation and Users Association, who appeared before the Texas Water Code Committee in Amarillo.

Last fall at a Hockley County Farm Bureau meeting here members of the Bureau discussed the possibilities of creating a local water conservation district for the county. No action has been taken at yet.

Spokesmen of this area who attended the Amarillo meeting of the Texas Legislature committee expressed the desire to see the present locally approved conservation program given some more time before a central commission be set up.

The committee said that it was concerned principally with surface water, but it is also taking testimony throughout the area on underground water supplies and uses.

### REV. HARRIS TO CONDUCT REVIVAL

Rev. R. W. (Ike) Harris, pastor of the Enoch's First Baptist Church will be in charge of preaching services for a revival beginning Friday, April 7 and continuing through Sunday, April 16.

J. D. Bayless will conduct the singing. There will be two services daily.

### Filming of Kid Movies Starts Friday Afternoon

Filming of kid movies here will start Friday, April 7, regardless of weather. It was announced here Monday by the Wallace Theatre.

All youngsters scheduled to appear in the home town movie are asked to report at the theatre as soon as school is out Friday.

## Dignitaries Praise Work Accomplished

On the West Texas ranch where girls who once had no home, will work and play in a home they can call their own, more than 5,000 visitors from ten states, Honolulu and Alaska ate barbecue, heard a program and moved through the newly completed Plains residence at Girlstown, U. S. A., Sunday.

Favored by the weather, the open house at Girlstown attracted visitors from all directions.

Visitors registered from New Mexico, Arizona, Kansas, California, Michigan, Oklahoma, Colorado, Alabama and New York. Three registered from Alaska and one from Honolulu.

The group of visitors walked through the long, rambling ranch-style structure which will provide room for 64 girls, as members of the Business and Professional Women's club in Lubbock served as guides and answered questions.

They gathered around a truck to hear the program, on which Miss Amelia Anthony, founder of Girlstown, said, "We are in our infancy," and pointed to the future as she asked visitors to glance eastward and visualize six more residences arranged in a horseshoe shape. "This is the first residence in the residential plot which will accommodate seven residences and give a home to 500 girls," she said.

Cal Farley from Amarillo, director of Boys' Ranch who was a guest speaker, said there is seldom a case when a boy is taken to Boys' Ranch that there is no

sister involved, but until Girlstown opened there was no place for those girls. He said the direction of Girlstown "deserves your support and she has our support any time we can help her at Boys' Ranch."

Farley said of the 121 boys in Boys' Ranch, 106 are from homes where the father is missing and where often the mother is away from home working. He said the problem could be reduced 75 per cent "if those old boys could be brought back to face their elaw and take care of their kids."

Frank Junell of Lubbock was master of ceremonies for the program which was opened with a speech by Dr. Travis White, pastor of the First Christian church of Lubbock. White said every girl has the inherent right to be well born, well educated and well reared and to be the "spiritual heritage of our Christian faith as the cornerstone of the home we ought to cooperate in this home that those who are helpless might be helped to the abundant life," he said.

Judge A. K. Doss, Abilene, vice-president of Girlstown, said, "This Girlstown, U. S. A., today is the only home of its kind, not only in Texas, but in the United States. It's the first. I think that you have here the makings of one of the greatest projects of its kind in the nation."

George W. Dupre, Lubbock attorney said, "We're standing upon hallowed ground." He said that the Plains residence of the

baddie of Texas should be the desire and the intention and the ambitions of every Texas citizen.

A. C. Chasher, mayor of Littlefield, said, "I have no doubt that the ambition of Miss Anthony will be carried out in the next 10 years."

Mrs. O. P. Harlan, president of the Lubbock Business and Professional Women's club said it is the aim of that club to get every Business and Professional Women's club in the United States to sponsor Girlstown. The Lubbock club is a sponsor.

V. T. Brady, Girlstown, chairman of the Lubbock County Sheriff posse, praised the home.

Miss Bobby Potts of Dallas, representing Delta Rho Delta, which sponsors Girlstown, and Wilson Johnson, city attorney of Abilene, were speakers.

Randolph Ramby, member of Lubbock County Sheriff's posse mittee for open house, estimated that 5,000 persons ate barbecue.

Other food was given by firms and individuals following the original gift of enough to serve about 4,000 persons, he said.

Members of the posse began Sunday night counting money given by visitors at the barbecue. No charge was made for the food, but the sheriff's posse had announced any money would be presented to Girlstown.

A recording of the program was made and broadcast from radio station KLVT at 4:00 o'clock Sunday afternoon.

tion pipe, size of column pipe, etc.

5. Copy of the final overall efficiency test on the well installed to become one property of the well owner.

When the test is over, Mr. Bush will hold a short school giving the facts of the well, pump, and how he arrived at the required installation of this particular well if interested—all he wants is a test pump big enough to draw the well dry, so he can plot his curve on the log of the well to get the necessary information in determining the kind, type of bowl, size of bowls, and kind of pump and size of motor needed to fill the requirements on overall efficiency of this well.

## Members Of Happy Hour Sewing Club Finish Two Quilts For Girlstown

Members of the Happy Hour Sewing Club finished two quilts for Girlstown at an all day quilting in the home of Mrs. H. S. Hawkins last Thursday.

The Hawkins home, recently redecorated and enlarged, was decorated chiefly by the two quilts in frames.

Club members brought covered dishes consisting of fried chicken and all the trimmings; which with several cakes, pies and coffee was served buffet style at noon time to Mesdames C. B. Markham, C. A. Baird, Gage Knox, Virgil Riley, L. M. Baldwin, J. S. Harrison, Dona Dougherty, R. D. Ormand, C. L. Taylor,

Carl England, A. A. Fralin, L. A. Cochran and C. H. Silvers. Several members, unable to be present for lunch, came in later to help with the quilting.

### VISITED BROTHERS HERE

Mr. and Mrs. Foy Smith of Levelland visited his brothers, Roy and Floyd, last Thursday and Friday.

### VISITED PARENTS HERE

Miss Lois Ruth Hawkins, Lamesa, spent the week-end here with her parents, Mr. and Mrs. H. S. Hawkins.

Mr. and Mrs. C. A. Moore and daughter, Mary, were in Lubbock last Saturday for the track meet.

ROY SMITH visited Sunday in Brownfield.

### GUEST OF PARENTS

Herman Bedwell, Texas Tech student, was a week-end visitor in Morton with his parents, Mr. and Mrs. Henry Bedwell.

## --annegrams-- by ann england--

Oh, dear, no wonder we've developed a reputation for nagging. Every year we have to ding-dong the Lions for Minstrel programs—in between times its apt to be anything.

We fuss continuously at club reporters and publicity chairmen for various organizations, about getting their news in.

BUT one thing we are particularly fussy about is that all names in news MUST have initials or some sort of a given name. TOO, we'd like very much for reports to contain information as to date, time and place of meeting.

Well it's a cinch we won't have to worry about reports next year from the 1936 Study Club—as Mrs. J. A. Gowdy has been elected reporter for that organization. We know her—and if she has a job to do she does it.

Next concert date for the Levelland Concert association is Saturday night, April 29. Will you ticket holders mark a big red circle around that date and then remember what the circle is for—please.

There will be further publicity in the Tribune about the performance.

Several asked us after Dr. Wiggins' talk at Lions Club if we took enough notes to write what he said. Well we always take pages and pages of notes and then suffer a nervous breakdown in writing the thing for fear we misinterpreted the speaker's meaning. Unfortunately we don't write short hand and even as fast as we slide a pencil it isn't fast enough to keep up with these long winded speakers and get their talks word for word.

Will say one thing for the speakers we've heard from Texas Technological College. They make the women folks out here feel as if they are the prettiest things in the world, and the finest cooks. The men folks, too, come in for their share of the praise.

Drs. Wiggins, Leonard and Jackson have succeeded in captivating their listeners out this way. Tech must conduct some sort of charm school in public relations for the professors.

The Lions certainly pulled a fast one on us at the Minstrel. Here we'd thought all along that not a thing escaped us. Imagine our surprise to be included among the impersonations of celebrities.

Think everyone at the show, both nights thoroughly enjoyed the whole thing. It would certainly be difficult to pick out any one person or act as "best" since they were all soooo good.

Not that we can quilt worth a darn but despite this Mrs. H. S. Hawkins invited us to a luncheon at her home last Wednesday.

### Mrs. Neal H. Rose Hosts Bridge Club

Mrs. Neal H. Rose was hostess to the Morton Bridge Club at her home Monday night, April 3.

Hand made tally and score cards were in pastel colors, egg shaped and decorated with bunnies and tulips. A mantel arrangement of tulips and on the piano an Easter cart filled with colored eggs drawn by a bunny carried out an Easter motif.

Mrs. Rose, assisted by her younger daughter, Denise, served a refreshment plate to Mesdames J. S. Harrison, Roy Hickman, Willard B. Cox, Lloyd C. Miller, Courtney Sanders, Carl England, Fred Stockdale, M. C. Ledbetter, P. B. Ramby, J. W. McDermott, J. D. Hawthorne, E. A. Miller and V. L. Lawson.

She and other members of the Happy Hour Sewing Club were finishing up a couple of quilts for Girlstown. They had a grand lunch of fried chicken and everything right there at noon so they wouldn't have to interrupt their quilting.

Miss Manley had such a nice refreshment plate for Garden Club members when they met with her last Tuesday night. We are about to reach the stage (again) where we inquire, "Do you have anything to eat besides food. I'm on a strict diet."

Mrs. Baccus gave each of us a Dahlia bulb. Ours is planted. The hyacinths and tulips we planted last fall (really nearer Christmas) have started blooming and are beautiful.

Mrs. Roy Hill, across street from us, has had bulbs in bloom for weeks, but she got hers out at the right time.

Mrs. Clyde Reynolds has lots of pretty flowers in bloom, too.

Enchanted to hear that the L. L. Morins are going to be back in Morton with us. He has bought the Morton Motor Company. Since leaving Morton, Mr. M has been superintendent of Bledsoe school. She is a pretty brown-eyed blonde. They have a good looking young son.

The spouse says, "when you argue with a fool, be sure he isn't similarly engaged."

### City Announces New Summer Water Rates

To encourage the residents of Morton to better maintain lawns and shrubbery and for the growing of gardens by those who desire to do so, the City Commission at a recent meeting changed the summer water rates from what has been customary in the past.

The new rate will have a minimum charge of \$3.50 per month but this will entitle the user to 10,000 gallons of water. All water used over the minimum will be at the rate of twenty cents per thousand gallons.

In order to avoid confusion those who desire to avail themselves of this rate should call at the City Hall and sign a statement expressing this desire.

This rate will be effective with the water statement payable May 1st through 15th to September 15th.

This rate is not intended for commercial users and is applicable only to those residing within the City.

### Final Report On Red Cross Given

Cochran county's Red Cross drive for the current year exceeded the quota by \$130.23 it was reported Tuesday by Artie Hicks, county chairman.

Amounts raised in the four Cochran county communities are Morton, \$764.37; Bledsoe, \$51.47; Lehman, \$33.73; Whiteface, \$234.16; with out of county contributions \$102.50, bringing the total to \$1,185.23.

GERALD SMITH, Texas Tech student, visited here this weekend.

## Club Leaders And 4-H Boys to Attend Tractor School

A tractor maintenance school will be held at Texas Tech, Lubbock, for 4-H Club adult leaders and 4-H Club boys over 14 years of age. The school will be two days, April 11 and 12. The school will be held at the Texas Tech shop, six 4-H Club boys and three adult 4-H leaders will attend the school with the County Agent Homer E. Thompson.

The leaders who will attend are: Francis Shifflett, Neely Ward community, Gehrone Holway, Bledsoe community, Omar Sims, Whiteface Community. The leaders have not submitted the names of the boys who will attend but will be announced later.

This school is for training in how to make the tractor last a year or two longer, and perhaps save a life and prevent carelessness around machinery. "I believe it will be, as in the past, a worth while school. Those who attend will demonstrate their learnings to local 4-H Club boys and farmers by communities later on," the county agent concluded.

### HUME RUSSELLS ATTEND WEDDING IN AUSTIN

Mr. and Mrs. Hume Russell are expected home Thursday or Friday from a trip to Austin and Dallas.

In Austin they attended the wedding of Hulen Clifton Jr., son of Mr. and Mrs. Hulen Clifton. The Cliftons Sr., and the Russells had a double wedding ceremony on St. Valentine's day some years ago.

In Dallas Mr. and Mrs. Russell attended a ginners convention. Mr. and Mrs. J. T. Austin, parents of Mrs. Russell, of Clovis stayed with Jack Russell during his parents absence.

Mr. and Mrs. Russell made the trip in a new Buick.

Dr. and Mrs. Norman A. Monk left last Saturday for a two weeks motor vacation which will take them to New York by the northern route and home through the deep south.

MR. and MRS. BOYD WILLIS attended open house at Girlstown, Sunday.

### DRILLING CONTINUES ON AREA WILDCAT

Stanford Oil and Gas Company No. 3-R-A-A Birtie Brown, an outpost to the Landon Devonian field in Central South Cochran County is drilling below 11,103 feet in lime and chert streaks and shale, in an unidentified formation.

This project is 1,320 feet from north and 660 feet from east line of section 14, block L, ps1 survey and 14 miles north of Plains.

Rev. and Mrs. C. C. Armstrong were both confined to their home earlier in the week because of illness.

## Hundreds Tell Bob Wills Of Hadacol's Numerous Blessings

Hundreds of folks, who are benefiting every day from taking HADACOL meet at the Trianon Building in Oklahoma City where Bob Wills, famous band leader, and his Texas Playboys broadcast each noon for HADACOL.

"It looks like all my fans are getting wonderful benefits from HADACOL," said Wills. "It is a real pleasure to broadcast for HADACOL because the folks taking HADACOL are so enthusiastic that I feel like I am performing a real service for mankind."

Hundreds have told Wills of the blessed benefits of HADACOL and the following statement by Miss Betty Lou Lobb, 720 College St., Bethany, a well known singer, is a good example.

"I was tired, run down and lost my appetite. I suffered with gastric disturbances. I had tried almost everything but it didn't seem to help me. I had heard about the wonderful results HADACOL had been bringing to so many of my friends. Soon after taking HADACOL I was feeling much better, had no gastric disturbances and had a wonderful appetite. I am no longer nervous. I am sure that HADACOL has helped me a great deal and I recommend it to my friends."

Miss Lobb suffered with a deficiency of B Vitamins and important Minerals which HADACOL contains.

A lack of only a small amount of the B Vitamins and certain Minerals will cause digestive disturbances. . . . Your food will not agree with you. . . . You will have an upset stomach. . . . You will suffer from heartburns, gas pains, and your food will sour on your stomach, and you will not be able to eat the things you like for fear of being in misery afterwards. Many people also suffer from constipation. And while these symptoms may be the results of other causes, they are surely and certainly the symptoms and signs of the lack of the

### Bob Wills Hears About HADACOL'S Blessings

Bob Wills, famous western music band leader, loves to talk with his fans at the Trianon Building auditorium in Oklahoma City about the blessings of HADACOL. In the picture above Miss Betty Lou Lobb, 720 College St., Bethany Okla., a very promising young singer, tells Bob how HADACOL has helped her. Hundreds of folks who are obtaining rich blessings from the precious B Vitamins and Minerals in HADACOL visit Wills each week for his network broadcast, which is originated from KBYE, Oklahoma City, Oklahoma's western music station, and sent over a leased wire to stations, KRMG, Tulsa; KWHN, Fort Smith; KGLC, Miami, Oklahoma; KLYN, Amarillo, and KWFT, Wichita Falls.

B Vitamins and Minerals which HADACOL contains. And if you suffer from such a disorder, there is no known cure except the administration of the Vitamins and the Minerals which your system lacks.

HADACOL contains not only one, but 5 of the B Vitamins. HADACOL contains not only one, but 4 of the necessary Minerals. It comes to you in liquid form, easily assimilated in the blood stream so that it can go to work right away.

It is easy to understand, therefore, why countless thousands have already been benefited by

this amazing tonic, HADACOL. So, it matters not who you are . . . it matters not where you live . . . or if you have tried all the medicines under the sun, give this wonderful preparation a trial. Don't go on suffering. Don't continue to lead a miserable life. Many persons who have suffered and waited for 10 to 20 years or even longer, are able now to live happy, comfortable lives again because HADACOL supplied the Vitamins and Minerals which their systems needed. Be fair to yourself. Give HADACOL a trial. Demand the genuine HADACOL. Accept no substitutes.

When Morton Residents don new spring fashions for the union sunrise service here Sunday morning they may in heart be commemorating the Resurrection of Christ. But in practice, they will also be following ancient traditions of paganism.

Easter dawn services, Easter eggs, and the Easter rabbit are so mixed up with paganism and folklore that only a powerful story like that of the Resurrection could survive to dominate this custom-cluttered spring day.

As you put on your new Easter bonnet and other spring finery, you are perpetuating one of the oldest traditions of Christendom—the donning of white robes by the newly baptised.

Children will hunt Easter eggs—primitive symbols of the germinating life of early spring. They will be told the eggs were laid by the Easter rabbit—a pagan emblem of fertility.

As a matter of fact, paganism is expressed in the very name of Easter. The word comes from the old Anglo-Saxon word Eostre, a Teutonic goddess of the rising light of day and spring.

The joy of Easter has been variously interpreted in every country and in every century in the Christian era. The Catholic Encyclopedia tells how priests of Bavaria in the 15th century thought it permitted them to tell funny stories in their sermons to make their churches ring with laughter.

"This Easter laughter," says the encyclopedia, "giving rise to grave abuses of the word of God, was prohibited by Clement X. (in the 1670's) and again by Maximilian III in the 18th century."

In both France and Germany Easter joy was taken to sanction ball games and dances by bishops, abbots, priests, and monks in front of the altar. It was all symbolic, of course, the ball representing the sun, which was believed to take three leaps in rising on Easter morning.

Such shennanigans were eventually banned.

One of the most ribald Easter customs is described by the Rev. Alan W. Watts in his new book "Easter." It is the story of ale drinking parties in the churches.

"The fact that almost all churches now have parish halls attached to them," writes the Rev. Mr. Watts, "is, in part, the result of excluding another Easter festivity from the church itself. This was the Easter 'Church Ale,' a convivial distribution and drinking of ales after the principal Easter service, the money derived from it being used for repairs to church fabric.

"It is certain," he continues "that Church Ales easily degenerated into brawls and for this reason were ordered out of the church itself. As a result, church houses were built or rented adjoining the church, and equipped with kitchens and drinking utensils. Some of these ultimately became taverns, while many more were retained for what is now the normal social life of the church community.

Of course, the Easter egg remains the most universal symbol of Easter. It seems to have had its origin in the fact that eggs were forbidden during Lent. When they were brought to the festive table on Easter day, they were colored red to represent Easter joy.

The habit of getting up early to find eggs and surprise each other is purely an ancient church tradition. Today this early rising is perpetuated with Easter dawn services, popularized by many of the Protestant churches in outdoor settings, such as natural amphitheatres and mountainsides.

And although thoroughly Christian, these services stem directly from pagan sun dance ceremonies of greeting the spring sun from a hilltop.

### LEHMAN SUNDAY SCHOOL DISBANDED, DONATE FUNDS TO BUCKNER'S ORPHANAGE

Due to circumstances beyond control the Lehman Sunday School disbanded some time ago.

Funds in the treasurer amounting to \$130.00 were sent on order of the class by Mrs. J. W. Pond, secretary, to Buckner's Orphans Home in Dallas.

Receipt of the contribution and a note of thanks from Hal F. Buckner has been received by Mrs. Pond.

### LEGAL NOTICE NO. 1-50

An Ordinance regulating the accumulation, storage and disposition of grass, loose cotton, cotton burrs, paper, shavings, and other bulky combustible materials; requiring cotton gins to maintain suitable equipment for prevention of dust and lint being blown into the air; declaring the accumulation of hulls and rubbish from cotton gins in and around the yards and premises connected with said cotton gins or in the operation thereof to be a public nuisance and prohibiting same; prohibiting the storage of cotton except within buildings of fire proof construction as herein defined within the corporate limits of the City of Morton, Texas; providing a penalty for violations; of this ordinance, or any section thereof, of a fine not to exceed \$200.00; directing and empowering the City Secretary to cause publication of the descriptive caption of this ordinance together with the penalty as set out herein; and declaring an emergency.

Section 7. From and after the passage and approval of this ordinance the fire marshal, any police officer, or other duly authorized agent of the City Commission of the City of Morton shall have the power and authority to require all persons to correct, remove or abate any thing or state of things done, caused or permitted by them, which would be liable or probable to cause fire; and may enter any premises to inspect the same and ascertain if anything therein be liable or probable to cause fire; and if any person shall refuse to allow such inspection, or shall refuse to correct, remove or abate the things liable or probable to cause fire, when so required by such fire marshal, police officer, or other duly authorized agent, said fire marshal, officer, or agent shall cause the correction, removal or abatement thereof, calling such assistance as may be necessary; and all costs and expenses attending such action shall be taxed against the person so failing or refusing and collected as other cost; and such person so failing or refusing shall further more be deemed guilty of a misdemeanor and of a violation of this ordinance.

Section 8. Penalty: Any person, firm, or corporation violating any of the provisions of this ordinance, and any section thereof, shall be deemed guilty of a misdemeanor and upon conviction shall be fined in any sum not to exceed \$200.00; and each day during which any violation of any section or part of this ordinance may occur shall constitute a separate offense.

Section 9. Publication: The City Secretary is hereby directed to cause publication of the description caption of this Ordinance, together with the penalty as set out in Section 8 above, as an alternative provided by Chapter 10, Page 112, Acts 1939 of the 48th Legislature, as amended by Chapter 264, Page 465, Acts 1947 of the 50th Legislature.

Section 10. The fact that it is found by the City Commission that the City of Morton, does not now have adequate regulations covering the fire hazards caused by the accumulation, storage, and disposal of the combustible matter mentioned in this ordinance creates an emergency and a public necessity requiring the suspension of the rule requiring that ordinances be read at three separate meetings of the City Commission, and said rule is hereby suspended, and it is hereby ordained that this ordinance shall be in full force and effect from and after its passage and approval.

Passed and Approved this the 13th day of March, 1950.  
T. L. McAllister, Mayor.  
Attest: J. S. Harrison,  
City Secretary.

**LEGAL NOTICE**  
NO. 2-50

An Ordinance of the City of Morton, Texas, a City duly and legally incorporated under the general laws of the State of Texas, regulating and imposing duties and restrictions on certain public utilities now enjoying or which may hereafter enjoy any Franchise or Public Privilege; providing for the regulation of rates; authorizing hearing after notice for the purpose of regulating, determining, fixing, altering and changing rates and compensation to be charged and collected by public utilities. Providing for the passage of ordinances, resolutions and/or orders in relation thereto; providing for an appeal by any person, firm, or corporation affected, and for the giving of bond during the pendency of an appeal or suit; defining the terms "rate," "Corporation," "person," "public utility" or "utility," "gas," "city commission" or "commission," as used in this ordinance; prohibiting any gift or rebate of or on any service rate, commodity, or as to

rate or service; prohibiting the making or granting of any unreasonable preference or advantage to any person, firm or corporation; providing that each public utility or person, firm or corporation engaged in such an enterprise shall submit its books, records and schedules to the commission for investigation and inspection; and providing for the attendance of witnesses upon any hearing.

The City Commission shall have jurisdiction in the regulation, compensation, regulation of rates, charges and/or fares of all public utilities; giving to the city commission the right to fix values of all public utilities; providing for the fixing of reasonable standards for measurement of quantity, quality, pressure, initial voltage, or other conditions pertaining to the supply of the product, commodity or service furnished and/or rendered by any public utility; providing for a system of accounts to be kept by each utility and for the filing of reports; and providing penalties, fines and forfeitures.

And directing and empowering the city secretary to cause publication of the descriptive caption of this ordinance together with the penalty as set out herein; and declaring an emergency.

Section 24. Any person or corporation who violates any provisions of this ordinance, or who fails, omits or neglects to obey and comply with any lawful order or ordinance or any part of its provisions thereof, legally promulgated by the City Commission, involving any of the matters herein contained, upon conviction in a court of competent jurisdiction shall be fined in any sum not to exceed \$100.00 for each offense; and each day of such violation, omission or neglect to obey or comply with such order or ordinance promulgated hereunder shall be deemed a separate offense.

Section 25. In construing and enforcing the provisions of this ordinance relating to penalties, the act, omission or failure of any official, agent, or employee of any corporation, or other person acting within the scope of his employment, shall in every case be deemed also to be the act, omission or failure of such corporation.

Section 26. All penalties accruing under this ordinance shall be cumulative and suit may be brought by the said City in any court having jurisdiction of the cause of action against the offending utility for the recovery of such penalties, and a suit for the recovery of one penalty shall not be a bar to or affect the recovery of any other penalty or forfeiture, nor shall it be a bar to any criminal prosecution.

Section 27. Actions to recover penalties under this ordinance shall be brought in the name of the City of Morton, Texas, and all criminal prosecutions shall be brought in the name of the State of Texas.

Section 28. Should any section, article, provisions or any part of this ordinance be held and declared to be unconstitutional and void by a court of competent jurisdiction, such decision shall in no wise affect the validity of any of the remaining parts of this ordinance, unless the part held void is indispensable to the operation of the remaining parts. The City Commission of the City of Morton, Texas, hereby declares that it would have passed these parts of this ordinance which are valid and omitted any part or parts which may be unconstitutional, if it had known or been advised that such parts were unconstitutional at the time of the passage of this ordinance.

Section 29. Publication. The City Secretary is hereby directed to cause publication of the descriptive caption of this ordinance, together with the penalty as set out in Section 24 above, as an alternative provided by Chapter 10, Page 112, Acts 1939 of the 46th Legislature, as amended by Chapter 264, Page 465, Acts 1947 of the 50th Legislature.

Section 31. The fact that it is affirmatively found by the City Commission that the City of Morton does not now have adequate regulations governing the operation and rates charged by public utilities within and for the said City of Morton, Texas; nor proper procedure for public hearings for the purpose of determining and fixing the rates to be charged by all public utilities as provided in this ordinance, creates and an emergency and a public necessity requiring the suspension of the rule requiring that ordinances be read at three separate meetings of the City Commission, and therefore, said rule is hereby suspended, and it is hereby ordained that this ordinance shall be in full force, effect, and operation from and after its passage and approval.

Passed, Adopted, and Approved, this the 27 day of March, 1950.
