Now that the roses have started blooming again we have that old urge to make a rose jar or potpourri as some call it (actually we thought potpourri was a mixture of meat and stuff). Have two or three recipes but can never find all ingredients necessary.

★ Naturally fragrant roses are best, use only fully blown petals. Place petals on sheets of newspaper (old read out Tribunes will do) in an airy room (nearly any room in Morton will serve). Watch that they do not mold (stir occasionally). Add dried lavender flowers and rose-geranium leaves. Mix well and add following powdered or ground spices: cloves, cinnamon and mace, coriander, all spice, gum storax, gum-benzoin, orris root powder and violet powder, these to be added sparingly. Rose petals, after being dried, should be placed in a paper sack, a bit of salt added and the whole well mixed before spices are added.

★ Mentioned some time ago a surprise that Fred and Wilma Morrison had in store. Well the deal has gone through and they will build in the lots just north of Dorthea's Beauty Salon. At the time we were talking with W the abstracts etcetera had not been completed.

★ People around Morton are eating, sleeping and thinking of nothing but softball. Even the kids from 8 on are all lined up to play practically all summer. It is good exercise and all that and at one time in our career we played ball, did fine until we got bopped in the head with a bat—never been quite the same.

★ H. S. Hawkins was in the other day before going to Lubbock for sale of club calves. He certainly takes a lot of interest in the youngsters. He had talked with Wallace Blankenship and Mr. B. told Mr. H to buy two calves for him. Everyone around here is anxious to see an agricultural building go up.

★ First spring we were in Morton the Fat Stock Show was staged right on the square—mostly on West side.

★ Milton Brown called us last Monday. Most of you remember the Browns were with us here for almost a year. While talking Milton informed us that he and Paula are expectant—November that is—which is some time in the future.

★ Such a nice note Friday from Ralph Ater in Amarillo. He was explaining "why" the movies did not arrive for show the spouse planned to give Miss Huff's fourth graders.

★ Ralph's letter does a much better job than we are able to do so we will just reprint same.

Dear Mrs. England:  
Mr. Townsen, our agent at Whiteface, called today saying that the films which you wanted for today had not arrived. As we promised, the films were sent to him last Monday afternoon, but due to the firemen's strike no trains were operated out of Lubbock and there was no way for the films to be delivered to Mr. Townsen.

**NOTICE OF GUARDIAN'S APPLICATION TO MAKE OIL & GAS LEASE**  
No. 144

RE: ESTATE OF BETTY ANN GLADDEN & DONA SUE GLADDEN, MINORS IN THE COUNTY COURT OF COCHRAN COUNTY, TEXAS, IN PROBATE

TO ALL PERSONS INTERESTED IN THE ABOVE MINORS AND THEIR ESTATES:

You are notified that I have on the 10 day of May, 1950, filed with the County Clerk of Cochran County, Texas, an application under oath for authority to make an oil, gas and mineral lease on that certain real estate belonging to such minors, described as follows:

An undivided 2/5ths interest in and to the North 120 acres of Labor No. 24, League No. 125, Coke County School Lands, Cochran County, Texas;

said interest in said land being more particularly described in said application on file, reference to which is hereby made.

That Honorable G. W. Thompson, Judge of the County Court of Cochran County, Texas, on the 10 day, May 1950, duly entered his order designating the 22 day of May, 1950, at 10:00 o'clock A.M. in the county court room in the courthouse of Cochran County as the time and place when and where such application would be heard, and that such application will be heard at such time and place.

Layfayette P. Gladden, Guardian of the Estates of Betty Ann Gladden and Dona Sue Gladden, Minors. 12c

**LINDSEY CHILDREN HERE FOR MOTHERS DAY**

Children of Mrs. W. A. Lindsey who were guests in her home for Mothers Day were Mrs. G. V. Humphrey and Donna Kay; Mrs. Vincent Viaille and Mr. Viaille and boys, all of Levelland; Mrs. Emmett Jones, Neida and Christine of Clovis, New Mexico, and Mr. and Mrs. Cecil Lindsey and sons.

MRS. BERTA SWAFFORD arrived Wednesday from Lubbock to visit with her daughter, Mrs. W. B. Evans and family.

MR. AND MRS. R. L. McKENZIE left Monday for an extended sight seeing trip to Arkansas.

We are very sorry that you were disappointed by not receiving the movies, and after operations have returned to normal, if you wish, we shall be happy to send them to you again.

With best personal regards, I am  
Sincerely yours,  
Ralph W. Ater.

★ Needless to say we are all grateful to Reagan Ormand for jumping in on the spur of the moment and giving the youngsters a fine show from his own personal film library.

★ Saw Mrs. W. E. Angley in town Friday afternoon. She has been to Dallas lately. Mae Ivy looked fine and was wearing a very becoming blue chambray dress.

★ Ronald Carson, six year old son of the Clyde F's, celebrated his birthday Thursday and then Friday buzzed up to see Thelma Collins and get his small pox shot. Ronnie is looking forward to starting school in September.

★ For you folks who have been swiping roses from the garden at Vagabond House DON'T DO IT. If you want roses we feel sure that Mr. or Mrs. Chessher will be happy to sell them to you.

★ We have been generous with flowers and will continue to give them to our friends. To date we have never turned any one down who asked for them but we do not want them removed without our permission. Our advice is to grow some of your own.

★ Mrs. N. J. Russell is living in Lubbock for the time being.

★ Heard Betty Barker spent her first week in Sweetwater in the hospital. Seems she got sick en route to new home and was taken on in by ambulance.

★ The following advice to husbands seems pretty good. "Don't ever shoot your wife, send her an orchid corsage, invite her out to dinner and a show and she'll drop dead from shock."

**Praise for  
Famuliner Folks**

Cochran County can well be proud of one of its outstanding communities, according to Miss Mabel Ann Manley and Homer E. Thompson.

The people should know this Famuliner Community of Cochran County is in the money for 1949-50 in the "Rural Neighborhood Progress Contest." This program is sponsored jointly by the Texas A & M Extension Service and the Farmer-Stockman.

Mr. T. C. Richardson, Texas Editor of the Farmer-Stockman will have an appointment at the Famuliner Community Thursday evening May 25, 1950 at 8:00 p.m. at the Ralph De Bord home to present a \$100.00 cash award to the Famuliner Community.

"Congratulations to the Famuliner Community," said the county agent.

"This contest is open to any and all rural communities in the county and I'd like to see more enter this contest," Thompson said. "I believe two other communities have already made application to enter. This contest is based on community action, group organization, co-operation, home improvement, farm buildings, livestock and crop improvement practices, soil building practices, and getting together to obtain what the community needs in whatever endeavor," he concluded.
