

Park Bond Petition Will be Circulated Soon

Citizens Flash Go Ahead Sign At Rally Monday

Last minute ruling from the Attorney General's office in Austin, which had proposed a 20 cent valuation tax on the new service station, has been changed to a 10 cent valuation tax. This change was announced Monday afternoon and was advised that under the present set-up, only a 10 cent tax per 100 dollar valuation could be levied. In other words, only \$300,000 could be borrowed at this time. That let a lot of air out of the plan.

With due apologies for the mixup and a determination to go ahead if it were so proposed, Mon Tanner, President of The Farm Bureau and President of the Morton Chamber of Commerce, J. W. McDermott outlined the original plan.

It called for \$56,000 per year tax receipts from the \$28,144,471 valuation in Cochran county. The program would extend ten years. It was pointed out that where the first plan would have meant an average tax per capita of \$1.59 per person, the tax would now only be \$.79 per capita. Thus a revenue of \$28,000 would be taken in each year to retire the

softball fields. Then the ax fell. Fred Stockdale and M. C. Ledbetter telephoned the Attorney General's office in Austin late Monday afternoon and were advised that under the present set-up, only a 10 cent tax per 100 dollar valuation could be levied. In other words, only \$300,000 could be borrowed at this time. That let a lot of air out of the plan.

With due apologies for the mixup and a determination to go ahead if it were so proposed, Mon Tanner, President of The Farm Bureau and President of the Morton Chamber of Commerce, J. W. McDermott outlined the original plan.

It called for \$56,000 per year tax receipts from the \$28,144,471 valuation in Cochran county. The program would extend ten years. It was pointed out that where the first plan would have meant an average tax per capita of \$1.59 per person, the tax would now only be \$.79 per capita. Thus a revenue of \$28,000 would be taken in each year to retire the

bonds. Mr. McDermott pointed out that recent tax reductions by the Commissioner's Court had saved the county taxpayers \$84,000 per year. With the new bond passed, the saving would still amount to \$56,000 per year. Resident land-owners would pay 17% of the tax.

The disappointment was evident in the faces of Mrs. Avie Harris who had worked with the Bledsoe group and had drawn up plans for a community building, and Art Wall, popular Whiteface resident who had placed the ideas before the Whiteface community. Mrs. Harris said that she felt the people of Bledsoe would want to go ahead with the plan and get what was possible. "If it means cutting our plans a little," she said, "then maybe we can finish the complete plan later."

Art Wall then took the floor and became the first to go on record as saying, "Let's go forward, now." He pointed out the necessity for drawing together and cooperating. "These kids

need recreation," he said. "There never was a plan conceived that didn't have its setbacks. Please, let's go ahead while we have the ball rolling. If we let the idea slip now, we may never get the program underway again."

Homer Thompson and Mabel Ann Manley, County Agent and Home Demonstration Agent pointed out the needs of buildings at least somewhere in the county where the meetings could be held. Classes in cooking, sewing, and canning and demonstrations of all sorts must have a place to convene, they pled.

Willard Cox, head of the Morton committee threw in his lot to go ahead and volunteered his services to "get hot on the plan before it dies."

Open discussion was held in which everyone who participated asked that the plan go ahead and then McDermott called for a vote. Almost unanimously, the group voted to go ahead. Out of approximately 100 in attendance, only five dissenting votes were counted.

Rain Sends Group Inside Courthouse For Bond Rally

Heavy rains Monday evening put a damper on the Chamber of Commerce-Farm Bureau Bond Rally to be held on the Court House lawn. Rain forced the cancellation of a program with radio entertainers from KLVT in Levelland and the entire contingent had to move indoors to the District Courtroom.

Nearly every seat in the Court room was filled as residents from Morton, Whiteface and Bledsoe spoke. Charlie Shaw from Neely Ward called to the attention of the committeemen that his community had not even been advised of the plan. He pointed out that the people of Neely Ward had elected him Commissioner and he could not be for the plan if his community were completely left out.

August Building Permits Scarce; Work Continues at Full Scale

Despite the fact that August saw only three building permits issued in Morton the city building program continued full force on the strength of June and July permits.

Permits for \$4,250 worth of construction were issued this month at city hall. One was in the form of a permanent residence of frame.

But full scale construction continued on Cobb's Department Store which may be ready for occupancy by the end of the month and on the new home of the obWman cleaners. Finished during the month were the Morton Electrical Supply building, Jiggs Baker's Drive Inn Restaurant and the L. A. Cochran Service Station which opened this week. In addition the Babe Vanlandingham residence was finished late last month or early this month.

The new home of Allsup Chevrolet is fast taking shape on the corner of East 1st and Washington streets. Another building being erected caddy corner to the square is the Phillips Station formerly known as The Boys Service Station.

Several other residences are in various stages of completion among them the new homes of Homer Thompson, Lloyd Evans, Doc Lawson, Rev. Stephens and Ray Baker.

It is more than likely that the

the coming weeks and taper off before cold weather sets in. No more work has been put in on the Drive In Theatre since last reported a month ago that the ground had been cleared. The boom will continue to abate in

Whiteface Rodeo Is Reported Big Success

Cochran and Hockley countians and a number of other West Texans, had a big time Thursday at the Whiteface parade, barbecue, rodeo and street dance.

About 2,500 rodeo fans witnessed the parade at 10 o'clock that morning, some 1,500 attended the combination barbecue and rodeo and 1,000 persons turned out to take part and watch the evening street dance. Lee Eaton, Whiteface rodeo committeeman, reported this week.

Dub Garrett was general chairman of the 100-member Whiteface Rodeo association's big event. Each of the 100 members paid fifteen dollars for membership in the organization.

All of the money raised from the event will be applied on the 10 acres that has been purchased as a site on which to hold the yearly shows.

Others on the committee were Pick Flowers, Allen Reynolds and Claude Drennan.

Heading the parade as color-bearers were Flowers and Jake Wiley.

Fred Steele and his string band, as well as other instrumentalists, entertained the crowd prior to the barbecue.

Hubert Taylor was master of ceremonies for the musicians and handled the public address system during the parade.

The rodeo events: Professional calf roping, Leon Jones, Bula, 13; Billy Wynn, Brownfield, 13.2; L. D. Hayes, Dora, N. M., 14.4.

Amateur calf roping, Clinton Imol, Floyd, N. M., 14; Bob Clunch, Bula, 15.9; Jimmy Graham, Levelland, 17.4.

Daily cow milking, J. D. Doran, Lovington, N. M., 22.7; Buddy Fort, Lovington, N. M., 27.5; Jimmy Hayes, Dora, N. M., 31.9.

Horse riding, Junior Rushing, Plains, riding Upset, first; Gene McCutcheon, Dallas riding Sauer Block, second; Bob McCargo, Plains, riding Loco.

Junior calf ropers, none of whom received time for their rides included Don K. Tipton, Lamesa; Johnny Denny, Bledsoe; Rodney Walker, Charles Lyons, Morris Don Flowers, Donald Ray Reed, Robert Riddles, Billy Fred Stegall, Harry Rauls and Ronald Taylor, all of Whiteface.

Miss Glenny Rowe of Sundown, who was named queen of the rodeo prior to the show and won first place in the sponsors contest which was in the form of a clover leaf contest.

Miss Wanda Lee Wiley of Whiteface took second with a time of 22, and Miss Wanda Lee Gibson of Enochs, third, 22.4.

Others in the contest were Miss Martha Degraffenread of Whiteface and Miss Riley Pearson of Enochs.

John Selvey of Whiteface received a broken collar bone when a mule threw him. He received bruises about the face and body.

Woody Sullivan, Sundown deputy sheriff, led a group of Whiteface boosters on goodwill trips for two days prior to the rodeo.

DOYCE R. BLACK GRADUATES AT A & M CEREMONIES

A Morton youth, Doyle Ray Black has received his diploma in the August 25 graduation ceremonies held at Texas A. and M. College at College Station, Texas.

AMERICAN LEGION AUXILIARY

Farmers Reminded Of Important Dates Coming Next Week

Sept. 14th, 1950, Thursday, all farmers of Cochran County are invited to attend the tour at Substation No. 8, Experiment Station, Lubbock, Texas. Every year this station comes up with some worth-while farming developments with either new or proven facts about farming practices of this area. If you attend you can bring a sack lunch and cold drinks will be served at the station. Be at Texas Tech to start and 9:30 a.m. Sept. 14, said County Agent Homer E. Thompson.

Sept. 15, 1950 is the date for Farm Bureau members to assemble in the Lubbock Hotel, Lubbock, Texas, for District 2. The meeting opens at 10:00 a.m. Cochran County should be well represented at this meeting as important features of the Farm Program will be discussed.

Sept. 16th is 4-H Club Leaders and 4-H Club boys day at Texas Technological College, Lubbock, Texas. This is the Annual Feeder's Day program put on by the college. You see results and hear the discussion if you attend this there for you to see. All 4-H boys program. The animals will be are urged to attend as this will be a big day's schooling for you. If you want to attend contact the county agent. The 16th is on Saturday made for your day out of school, said Thompson.

Morton Goes On Air Thursday, September 9

Mortonites will be able to hear the general news of the area and a sports roundup over radio station KLVT, Levelland, in twice weekly broadcasts starting today at 8:15 a.m.

Area sports fans are invited to tune their radio dials to 1230 on Friday at 8:15 as sportscaster, Eddie Irwin, Morton Tribune staff writer, takes to the air.

Today and on every Thursday morning at 8:15 news of Cochran County people and events will be featured.

MR. AND MRS. HARLEY WARD and children and relatives from Colvis, N. M., went apple picking in the Fort Sumner, N. M., valley, Saturday, August 26.

Cochran's New Service Station Holds Formal Opening Saturday

The Morton building boom continues unabated with the announcement this week of the formal opening of L. A. Cochran's new Texaco Service Station on the southeast corner of the

old Cochran station was closed July 9 and work began immediately on the demolition of old building and the erection of the modern brick structure.

Cochran opened the doors to the new station Tuesday but the formal opening ceremonies will not take place until Friday when he will give away pop and ice cream and many other prizes. Guests will register for chances at the gifts from Friday until Saturday.

The new station located at the intersection of the Muleshoe and Lubbock-New Mexico highways features a spacious building with three low set, modern pumps. It has one sheltered wide room for two cars and a wide drive on the outside for trucks too tall to use innerdrive.

Cochran's Texaco Service is equipped with separate pump and wash rooms. The new room has a brand new and a pressure pump in the

wash room will take care of the stubborn mud caked in around the fenders and wheels. Free grease jobs, car washes, and oil changes will be included in the gifts to be awarded Saturday.

The station is white with green trimmings. It features Registered Rest Rooms of modern design, and in addition to Texaco gasoline, all popular brands of oil and a complete stock of Firestone Tires. Cochran will begin his 3rd year at the new location and in his 5th year in the Service Station business in Morton. He formerly operated the Red Horse station in Morton and then three years ago moved into the small 14 x 16 foot Texaco building. His modern station will measure 42 by 59 feet.

Mr. Cochran has been Cochran county for 14 years having formerly farmed. He is married and has two daughters, both of whom are now married.

Mrs. D. E. Benham Takes Top Prize At Trades Affair

Mrs. D. E. Benham became the next to the last trades day jackpot awards winner as she claimed the top prize last week 11th ticket number 050400.

Little Patricia Ann Norman drew the prize winning numbers last week as checks were also handed out to Mrs. Alvie Harris, Nell Brown, and Mrs. Beryl Williams in that order. It was the next to last trades day award of the year according to Neal Rose, announcer.

The final drawing will be held Saturday again on the east side of the Courthouse.

VISIT IN HEREFORD

Mr. and Mrs. J. W. Pond and family were guests last Friday and Saturday in Hereford, Texas, with their daughter, Mrs. Don Boles and family also Mrs. Pond's brother, F. A. Tucker and family.

Mr. Boles is associated with the Hereford Radio Station.

Local Water Control Wanted By Farmers

Five Cochran County agricultural representatives attended the underground water hearing for a proposed district in Plainview, Texas, Tuesday, August 29th. The state water board of Engineers heard representatives from 17 counties at this meeting on establishing a proposed High Plains Water Conservation District.

The representatives from Cochran County were: Homer E. Thompson, county agricultural agent, Glenn Thompson, County Judge, Woodrow Cunningham, Paul Hood and Mr. Webb, farmers.

Two main features were unanimously agreed upon by all the farmers at the hearing; first, they wanted local control, secondly, to supervise and run the District by a board of farmers residing within the district and to have full authority to establish their own control measures.

The present water conservation law has nothing to fear by farmers if they establish their own district, as it does not limit number of wells to be drilled, nor does it limit the amount of water that can be pumped. It was pointed out at the hearing said County Agent Thompson. It is not like the New Mexico law because the Texas law does give the farmers the privilege of doing the two features named above, if they do organize, to do the conservation measures necessary as the farmers board sees fit.

All counties of the 21 listed for irrigation were voted to be given an invitation to come in the High Plains Water District, who are not already in it, said Thompson.

This is now up to the irrigation farmers to take active part in this program. If a district boundary is established and farmers fail to organize to run the district, sooner or later they may lose this privilege, it was pointed out at the meeting.

MRS. M. MARKOWITZ spent a few days this week in Oklahoma.

Five County Reservists Called To Take Physical Examinations

Cochran County reservists and prospective draftees were getting a thorough going over this week as at least 5 men in the reserve got their call to report for physical examinations and 6 more faced the selective service draft.

Merle Ensor, W. G. Heflin, Curtis Chapman, Gordon Howton, and T. A. Rowden were the reservists who were called this week. Ensor and Heflin received their examinations at Reese Air Force Base in Lubbock and now will receive orders that are forthcoming from Austin, Chapman, Howton and Rowden will report for physicals Friday.

The other six men were called for initial examinations prior to entry into service via the selective service route. Several have already had their physicals and are expected to be inducted within the next two weeks. They are: Jerry Winder, Roy Aiken, B. Merritt, Ken Weed, Jack Baldwin, and Otto Barnett.

3 CASES DISMISSED IN DISTRICT COURT, 1 DIVORCE GRANTED

One divorce action was granted, one future case was called, and three cases were dismissed in Civil Court action at Judge Dan Blair's District Civil Court Tuesday.

The cases dismissed included two suits for school taxes but upon receipt of evidence that said taxes had been paid, Judge Blair ordered the cases dismissed.

Opens Revival

Rev. H. M. Reeves of Littlefield will conduct the revival meetings scheduled at the Morton Assembly of God Church, starting Sunday night, September 17.

The meetings will be held each evening at 8 p.m. with singing in addition to the sermon. No definite ending date for the meetings has been disclosed.

The Morton Assembly of God Singers will be in Levelland this Sunday.

School Merger With Neely Ward Turned Down

The proposed consolidation of Neely Ward and Morton schools was turned down last Tuesday by voters with 49 voting against and 27 for in the Neely Ward box. Morton voted 39 for and two against consolidation.

In order to pass the vote would have had to carry in both voting precincts.

Neely Ward located about nine miles West of Morton has three teachers and usually about 53 students in grades from first through the eighth.

A consolidation of the schools would have meant closing down Neely Ward plant and transferring all students in that area to Morton schools.

TYE ADDS ANOTHER TROPHY TO COLLECTION

Tye Willaimson, cashier of Morton's First State Bank, added another trophy to his extensive collection at the August 27, skeet shoot in Lubbock.

Tye shot 97 out of a possible 100 birds and 25 out of 25 in a run-off with Farley, who shot 22 out of 25 birds.

Quiz Show Will Climax Lindsey's Mike Contest

The Lindsey brothers, co-owner of Lindsey Feed and Seed in Morton have announced a new quiz contest featuring a new, "Mike."

Last year the Lindsey's had a contest of hogs named Mike and who were fed on different feeds. Purchasers of feed were rewarded at the end of the contest when the hogs were given away.

This year, the brothers will sponsor a quiz show to be held in Morton on December 30. The show, designed to see who knows anything about hogs, will climax the contest and at that time Mike will find a new home.

For particulars about this fastening new contest see the Lindsey's at their store. We know you will want a chance to participate in this quiz program.

KLVT To Broadcast Morton-Abernathy Game Saturday morning

The first football game of the season will be recorded during the game in Abernathy Friday night and broadcast from station KLVT, Levelland, Saturday morning at 10 o'clock.

Those unable to attend the game will be able to hear a play by account of the game through the courtesy of several merchants.

Mrs. A. H. Huddleston has returned to Morton after spending several weeks in Plainview with daughter and family.

Bridal Showers Honors Mrs. Ken Neavitt

Mrs. Ken Neavitt, nee Yvonne Gipson, was honored last Friday evening with a beautifully appointed bridal shower in the home of Mrs. P. B. Ramby. Assisting Mrs. Ramby in hostess duties were Mrs. Hume Russell, Mrs. Pat Hatcher, Mrs. E. L. Willis, and Mrs. James St. Clair.

Mrs. Billy Dane Burns and Mrs. Tubby Holloman alternated at the tea table. Barbara Ramby registered guests.

The lace-covered refreshment table was decorated with a low arrangement of roses in crystal bowl, flanked by lighted white tapers in crystal holders.

After viewing the lavish display of gifts, guests were shown through the recently enlarged and redecorated Ramby home.

Roses and golden glow completed the decorative decor. Mrs. Neavitt was wearing a trousseau frock of embossed taffeta in plum color with bustle back. Her corsage was a pastel arrangement of gladioli.

FLOYDADA VISITOR IN IN SMITH BROTHER'S HOME

Mr. and Mrs. Milton Harrison and children, Sue and Rex, of Floydada were guests here earlier this week of Mrs. Harrison's brothers, Floyd and Roy Smith.

Sheep and Goat Raisers Auxiliary Sponsors Home Sewing Contest

The Woman's Auxiliary of the Texas Sheep and Goat Raisers' Association in co-operation with the National Wool Growers and the Wool Bureau, Inc. announces the opening of the fourth jointly-sponsored Annual Home Sewing contest designed to interest young girls in sewing with virgin wool and mohair fabrics, and to promote skill in styling and making garments from these fabrics.

The "Make It Yourself With Wool or Mohair" contest is open to girls between the ages of 14 through 22 years of age. The contest is divided into three classes:

Junior Class for contestants from 14 through 17 years of age.

Senior Class for contestants from 18 through 22 years of age.

Original Design Class for contestants from 14 through 22 years of age.

The Junior and Senior Classes

AMERICAN LEGION AUXILIARY DELEGATES TO STATE MEET

Delegates elected to represent Morton American Legion Auxiliary at state meeting in Galveston this week-end are: Mrs. Carl England, Mrs. Albert Morrow, Mrs. Hattie B. Spotts and Mrs. John L. McGee. Mrs. Homer E. Thompson is the alternate.

are for home sewers whose garments are made from commercial patterns and the original Design Class for those who have created their own fashion design.

The age of the contestant on December 1, 1950 determines the Class in which she belongs.

Any garment entered must fall into one of the following three categories as defined:

SUIT: a two piece garment consisting of skirt and a lined jacket or a three piece garment consisting of skirt, a lined jacket and a lined top coat, all of which are to be worn as one apparel unit.

DRESS: A one piece garment, or a two piece ensemble consisting of a dress worn with a self jacket, a bolero, or redingote, or a skirt worn with an unlined bolero or jacket.

COAT: Any length coat lined and made to be worn as a separate outer garment over suits and dresses.

The entry garment must be made SPECIFICALLY for this contest and MAY NOT BE worn until after the State Contest is held.

All garments must be made of 100% virgin wool or 50% virgin wool and 50% mohair. Coat and suit linings and inner facings may be of non-wool material. Coat interlinings must be of wool.

A contestant may enter as many as four different classifications in the area contest—Coat, Dress, Suit—in her age class and the original design class. Only ONE of these garments, however, may be entered in the State and then the National contest.

Any person wishing to enter the contest should contact the county home demonstration agent before November 1st for rules and regulations in the contest. Girls entering need not be members of 4-H, F.H.A. or Home demonstration groups to be eligible.

Miss Mabel L. Erwin of Texas Technological College is the West Texas area chairman, Lubbock Area.

Squint's Drumming For Fair Play

Squint Miller's mighty proud of the lot he owns that fronts on River Road—one of the prettiest spots around here.

He's been in a stew about it lately, though. Seems that trash-dumpers take one look at his property, stop their car or truck, and out goes a load of rubbish, spilling all over his place and the roadside, too. Wouldn't that make you mad?

Last night Squint dropped by the house. Over a friendly glass of beer, he tells me what he's done. "I put a couple of empty old drums

out there," he says, "with a big sign reading: 'If you must dump trash—use these—I like to keep my property clean!'"

From where I sit, Squint's sign should make any would-be roadside trash-dumpers pretty darned ashamed of themselves. Now and then some folks just have to be reminded that they ought to have as much regard for their neighbors' rights as they do for their own.

OVERHEARD ON THE FAIRWAYS OF MORTON COUNTRY CLUB

Brother, can you spare a dime? What six carpenters, three plumbers and two electricians, (painters haven't arrived yet) have done to this Molar Mechanic's pocket book the past two weeks is a shame. All my golfing from here on for several months will have to be done on "credit."

Now I've learned a lot of things that you should not try to do since this house deal came up. One thing, don't stop Bill W from playing golf with James St. C on a hot afternoon and try to borrow several "grand". He won't let you have it and besides you should have more sense than to ask for it, especially when he's got a hot match on. I guess James must have given him a going over like he did yours truly not so long ago.

I had an idea that this new Pro out our way would cause lots of increased interest among the golfing regulars. They've been practicing religiously. So I'm told, here of late and a very marked improvement is noted in most every one's game. I hate to think what is in store for me when I finally return to the fairways again. I imagine that groceryman, Ford dealer and Prexy are gonna have some fun outa me. I haven't had a golf stick in my hand now for nearly three weeks.

I did receive the nice trophy that was given for the championship flight winner. I hardly think I was deserving of such a swell one, but then on the other hand, beating such noble gentlemen as Prexy and Sno-ball must receive some kind of

thoughtfulness. Thanks a million to the kindness and I hope to give all dissatisfied opponents, a chance to get their revenge soon.

Neal Rose tells me that everything is under control out there and that I need have no fear but that the course will still be in operation regardless of when I return to see what's going on. He informs me that a most enjoyable time was had by Mr. and Mrs. Button Silvers, Mr. and Mrs. Tip Windom, Mr. and Mrs. Babe Vanlandingham and he and his Mrs. at Ruidoso last week. Now that must have been some crowd of Par Busters on that trip. I'll bet they did have a barrel of fun and enjoyed the golf course too.

I used to enjoy playing there at Crea-Meadows and then driving over the mountain road to Cloudcroft and playing that nine hole layout. The rains interfered a lot but those little "dog-houses" on the side of the fairways made me feel entirely at home. I'd been in the dog house before, but not while playing golf.

The last of the golf tournaments of this surrounding area will be played today at Big Spring Country Club. Now they really have a huge time over there and I would like to see the final match today (Labor Day).

One of my best friends is the "under dog" in today's match. He's Buster Tuttle of Lamesa and one of the swiftest fellows a guy ever ran across. Buster is about 6 feet four inches tall and talks a blue streak all the time. He kids everyone he plays with and hits the old ball almost out of sight. He is matched with Billy Maxwell of Odessa in the finals. Billy is about twice as highly rated to win, but, make no mistake, Buster can beat any golfer that wears pants, when he is right. This wet rainy day is made to order for him too. They used to have about as large a crowd at Big Spring in the tournament as Lubbock's invitational.

I just wonder if by chance Dear Old Prexy drove over and entered. I haven't had a chance to talk to anyone hardly but I know he likes it over there and would not be surprised if he didn't "win the tenth flight."

That Ford dealer knows what I'm thinking about as he is building him a Mansion out on his farm. I'm told it's a huge thing and he can entertain all his golfing buddies royally out there when it's finished. I hope it will improve his golf game at least where he can make it interesting for Sno-ball.

Now that Uncle Sam has quit writing me for the time being. I have one less thing to worry about. Some of our close friends are going into service tho and these golf lessons can wait till they return. In the meantime, there's no need for golfing in "Korea."

I wonder if they are still having those swell Steak Barbecue's out there. My mouth gets to "watering" every time I think about it. I love my golf all right, but that good food has a higher priority with me. In the meantime till this rain slacks up a bit, and these carpenters, painters, electricians and plumbers take what little money Prexy, Sno-ball and Willard didn't get, and until I can borrow some from Bill W this is gonna make "tooth-pullin" come purty hi till I kinda recover. Adios.

CITATION BY PUBLICATION THE STATE OF TEXAS

To: Robert F. Sale Greeting: You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A.M. of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday the 2nd day of October, A.D., 1950, at or before 10 o'clock A.M., before the Honorable District Court of Cochran County, at the Court House in Morton, Texas.

Said plaintiff's petition was filed on the 23rd day of June, 1950. The file number of said suit being No. 852.

The names of the parties in said suit are: Doris Sale as Plaintiff, and Robert F. Sale as Defendant.

The nature of said suit being substantially as follows to-wit: This is an action by the Plaintiff, Doris Sale, against the defendant, Robert F. Sale, wherein the said Plaintiff sues Defendant for a divorce and prays for the court to dissolve the marriage relationship between plaintiff and defendant, and as grounds for such action, the plaintiff alleges excessive and cruel treatment on the part of the defendant of such a nature as to render their further living together as husband and wife wholly insupportable.

Issued this 16th day of August, 1950.

Given under my hand and seal of said court, at office in Morton Texas, this 16th day of August, A.D., 1950.

Clerk of the District Court, Cochran County, Texas. By Juanita McBee, Deputy.

Civic Center Program Unfolds For Whiteface

By ART N. WALL

At a community meeting held in the Whiteface school auditorium on the night of September 1st discussions were held in regards to what Whiteface would like in the way of a civic center.

There was not a large crowd at this meeting probably due to the fact that Whiteface had held its annual rodeo the day before which was followed by a street dance on that night which in all kept a large portion of our people up rather late.

All in all there were good discussions among the small crowd that met in the auditorium and it was generally agreed that if a civic center was built in Whiteface it should be an all out program and that a community building with an adequate seating capacity should be built along with a park and swimming pool. Other centers might be added onto this as the program unfolds such as a softball diamond and maybe pens for stock shows and so forth.

The people of our community should remember this, that this is all in the planning stage, that no promises are made in any way concerning all this and that an all out war could stop any building.

Regardless of this we should plan ahead and make every effort to create something for the benefit of the young people and the old. There was never an undertaking made in regards to construction of this kind that there was not obstacles to confront. At least we can always say, we tried.

If Whiteface wants this they most certainly are going to have to get behind this program and no one can deny that it is not a worthwhile program.

Remember this is not only Whiteface in this civic center program. This is a county wide program launched to every community. Bledsoe, Lehman, or any of our other communities are entitled to any civic center construction that they think they need.

This plan is being sponsored by our Cochran County farm bureau. The farm bureau has worked long on it and discussed it thoroughly. These efforts are indeed appreciated.

At the meeting in the school auditorium on September 1st it was decided a committee should be chosen to work along with the farm bureau and our county officials on this civic program. Though all the men chosen for this committee were not present

it is indeed hoped they will serve and will eventually be contacted to see if they will serve. The following men were chosen: P. L. Flowers, Hubert Taylor, Warden Hudgens, Joe Louis Taylor, H. C. Stephenson, G. W. Garrett, Charlie Coffman, Berry Lyons, Ray James, L. L. Taylor, and A. N. Wall.

The main duties of this committee will be to try to find out from Whiteface and the surrounding community what the people really want in a civic center. Then a meeting of this committee will take place in order to pool all ideas and vote on a set plan towards the construction of a civic center as nearly as possible to what the people are asking for. It should be remembered that if any person in our community has any ideas they would like to place before this committee they should contact any member of this committee and state what they would like as they are cordially invited to do this and also attend the committee's meetings.

The writer of this sincerely believes that never before in the history of Whiteface has a com-

mittee been chosen that has before it a more worthwhile task than the construction of this civic center. Even if all plans fail every member of this committee and the people of our community will have to admit it was a good job to make a try on.

Let us all wake up to the possibilities that we have in this plan. Our children have got to have some kind of recreation and can anyone say that there is other things that have more value than them?

Attending the civic meeting in Whiteface on Sept. 1st were: Cochran County Judge Glenn Thompson, judge-elect Fred Stockdale, sheriff-elect W. M. Harryman, and president of the Cochran County Farm Bureau, M. A. Tanner, and Commissioner of Precinct two, E. C. White.

Morton Opens Season at Abernathy Friday

Enochs, Olds Vie For Championship

Enochs Win Thursday Necessitates Playoffs For Second Half Title

Enochs first half winners and Hawkins Oldsmobile tangle this week in a 2 out of 3, pre-tourney series to see who has a right to claim the second half championship.

The Enochsmen won their way into a tie for the crown with a resounding 21 to 8 victory over Texaco in the next to the last game of the season. A five run first inning and three scores in the second gave Texaco a temporary 8 to 4 margin but Enoch went to work to score 15 runs in their last two innings to clinch the issue.

Enochs pounded out 19 hits off two Texaco hurlers including home runs by E. Thomas and Cal Johnson. Johnson hurled six hit ball for Enoch but walks and 7 Enoch errors allowed several Texaco runs. B. Sides and Orville Cunningham collected two hits each for Texaco.

The first game of the playoff was slated for Tuesday, September 5th and any additional

games would follow at the rate of one or possibly two each night.

Should Enoch capture the playoff that would give them first place in each half of the season and would leave second place Hawkins and Arnn Motor who tied for 2nd place in the first half to battle it out in another 2 out of 3 game series to see which team wins the right to play Enoch in the Second Annual City Finals.

Line score:
Texaco — 5 3 0 0 — 8 6 9
Enochs — 4 2 8 7 0 — 21 19 7

Hawkins Beaten At Lovington In Pitcher's Battle

After a one victory stand in which Hawkins Oldsmobile pounded out a 10 to 2 victory over the Clovis Redbirds and eliminated them from the softball tourney at Lovington, New Mexico, the local boys lost out to Lovington No. 2 in a heart breaker.

With one loss charged to them at the hands of Lovington's city champions, Hawkins bumped up against the second place Lovington team and lost a 3 to 2 heart-breaker in the late stages. Junior Mills, on the mound for Hawkins, twirled three hit ball but that wasn't enough as his mates came up with two costly errors and Mills himself booted the most costly one in the all important 5th frame.

Hawkins jumped on Smoky Joe Jackson for three hits and a pair of runs in the opening inning but Lovington came back to knot the count on a pair of doubles and a costly three base error in left field. After that spurt Hawkins collected just three more hits in the game and Lovington got just two.

When Jackson walked the lead off Hawkins batter in the 3rd inning he was jerked in favor of Fred Glover. The lean reliever responded to the call by throttling Hawkins on three hits and fanning eight. Hawkins left men stranded in scoring position in the 3rd, 4th, 5th and 6th innings.

Lovington got its game winning marker without the aid of a hit in the 5th inning. Glover walked and went to third when Mills grabbed Phillips' attempted sacrifice and whirled to throw to 2nd on an easy double play attempt. Neither the shortstop or second baseman came over to cover the base and Mills tried to hold up his throw but instead heaved the ball into centerfield. Glover scored when the Hawkins shortstop elected to play the next ground ball to first base instead of trying to cut off the run.

Line score:
Hawkins — 2 0 0 0 0 0 — 2 6 3
Lovington — 2 0 0 0 1 0 — 3 2 2

Tribune, Morton, Cochran County, Texas, Thursday, Sept. 7, 1950

Tribune Sport Page

Team Averages Show Why Enoch Took 1st Half Flag; 2nd Half Tie

The Enoch softball team was able to point to the record book this week as evidence as to why they led the Morton City Softball league for the first half and tied for the leadership in the second half.

Enochs as a team batted a healthy .369 to lead Arnn by 6 percentage points. Hawkins wound up 3rd in batting, less than a full point behind Arnn at .362; West Side was fourth at .336; Maple and Reynolds each had a .330 team average and hapless Texaco without a victory during the campaign batted an anemic .279.

Hawkins' 27 home runs paced the teams with Arnn Motor a step behind at 26. S. L. Keeler, the Hawkins first baseman led the league with 7 circuit clouts.

Enochs' runs batted in total of 175 was just one better than Arnn Motor's but in total runs scored Enoch had a 16 run margin of 279 to 263. Keeler's 27 RBI's was again tops individually.

Final Softball Team Standings

Hawkins	13	5	.722
Enochs	13	5	.722
Arnn	12	6	.666
Maple	11	7	.611
Reynolds	7	11	.388
West Side	7	11	.388
Texaco	0	18	.000

Lovington Pounds Hawkins 6 to 3 In Tourney Fray

Hawkins Oldsmobile ran into tough opposition in the tournament at Lovington, New Mexico, last Tuesday night as they dropped a 6 to 3 decision to Lovington No. 1.

The Lovington team, champions of the Lovington city league during the past season, scored three times in the top half of the seventh inning to break a 3 to 3 deadlock and claim the victory. The winning rally opened with a single and an attempted sacrifice that went for a single. A force out at second base put runners at first and third and Junior Mills walked. Anderson to load the bases. Roberson flied deep to center field with the runner scoring easily after the catch. On Johnson's throw to the plate, the other two runners advanced to 2nd and 3rd. A wild pitch scored one run and when the man on second kept right on running the Morton catcher overthrew the pitcher who was covering and he also scored.

Lovington had led 2 to 0 but Hawkins came back with a run in the 1st inning on an error, two stolen bases, a walk and a single. After Lovington had added a run, Hawkins came back to knot the count in the bottom of the 4th. Bill Scram walked to lead off and Johnny Van was hit by the pitcher. Mills singled to drive in one run and Johnny Vandeventer scored on a wild pitch.

Hawkins just missed another pair of runs in the 5th inning when Bill Scram flied to deep center field with a man on base. The outfielder, off with the crack of the bat, stretched out to catch the ball in his finger tips while on the dead run away from the plate.

Hawkins collected just four hits off Dwain Schroeder. He fanned 10 men including three in the 2nd and 7th innings. Don Lamar collected two of the blows and Charlie Vandeventer and Junior Mills the others. All were singles.

Mills gave up 7 hits including a double to leadoff man Trammell. He walked two men and fanned one.

Line score:
Lovington — 2001003—6 7 2
Hawkins Olds 1002000—3 4 4

GOOD YEAR FLOORING

EVERYTHING FOR THE HOUSE

Indians Size May Prove Important

The Morton Indians, as small as they are, may field a team 6 to 10 lbs. heavier than the Abernathy Antelopes for the first and perhaps the only time during the entire season.

This few lbs. could mean the difference between victory and defeat for Morton. In total poundage they will outweigh Abernathy 5 pounds per man in the line and with both teams fielding their heaviest starters Morton would average 173 lbs. on the line to 166 for Abernathy.

In the backfield the story is slightly different. The two teams are almost identically matched in weight, size, and experience with Morton featuring an even amount of weight throughout the entire backfield and Abernathy concentrating on one or two heavier men.

Morton's heaviest backfield man expected to be ready for the opener will be Don Baldwin at 150 lbs. He will have to give away 30 pounds to the top Abernathy backfield man. Both teams average approximately 140 lbs. in the backfield.

But why all this talk about weight? The reason is simple. With everything else so evenly balanced, the weight takes on a very important aspect. In depth, Morton finds itself behind the eighth ball. Most teams it will face can at least field two full teams of somewhat near strength. Morton cannot. When the first string is gone, Morton has left only lightweight men, with no experience and nothing but courage to hold them in the game.

Nevertheless, Morton can look forward to a humdinger of an opening game and its a pity, such an evenly matched game, could not have been scheduled later in the season when both teams had more experience under their belt.

Morton's hopes will rest on the strong shoulders of its small quarterback, sophomore Lanar Burns. He will engineer the team from its modified "T" formation and should carry most of the passing duties. His main offensive help will come from Don Baldwin and Kirby Lackey, the former a line bucker and Lackey

Football Squad Lineup For Friday

Abernathy		Morton	
Goldsdton	LE		Hill
Apperson	LT		Mills
Smith	LG		Lindsey
Wooten	C		Polvador
Myatt	RG		Dewbre
Loper	RT		Green
Sandefur	RE		Shipp
Cunningham	QB		Burns
Hammond	RH		Wilson
Miller	LH		Lackey
Barron	FB		Baldwin

a breakaway type man.

Waydelle Hill and Kenneth Wynn seem to be tall enough to gather in passes at the end positions but may not have the necessary speed so essential in spot pass plays. Leon Mills and Sonny Dewbre, both 200 lb. linemen will be counted on to clear a lot of holes this season with co-captain Johnny Green to help.

All in all, Friday's game promises to provide some of the best football local fans have seen in a long time and will certainly reward those who will drive over to Abernathy.

Amateur Football May Appear Here This Season

Plans for an amateur football team in Morton are in the formative stage this week. The team would be composed of former high school stars or sandlotters in the County who would care to participate.

Thus far, approximately 11 men have signified their desire to play. Games would be held with any teams from Littlefield, Levelland, Muleshoe and other cities in the area. At present the important thing is to see if enough men are interested to see that the plan goes ahead. It is estimated that at least 22 men would be needed to provide ample substitutes.

If the response is heavy, then attempts will be made to find a sponsor, a coach, and all the equipment possible. It is possible that games could be played on the local softball diamond if it were marked off.

Those interested are requested to leave their name, age, weight and position at the Tribune office immediately.

Antelopes Hopes Rest On Swiftiness

A six foot-two inch, 180 lb. sophomore quarterback will be the man for the Morton Indians to watch Friday night as they make the long journey to Abernathy to open their 1950 season.

Harold Cunningham with a year's experience tucked under his belt will handle the passing duties from the Antelopes Wing T-Formation. And, Cunningham will have a pair of lettermen at the end positions to gather in his heaves.

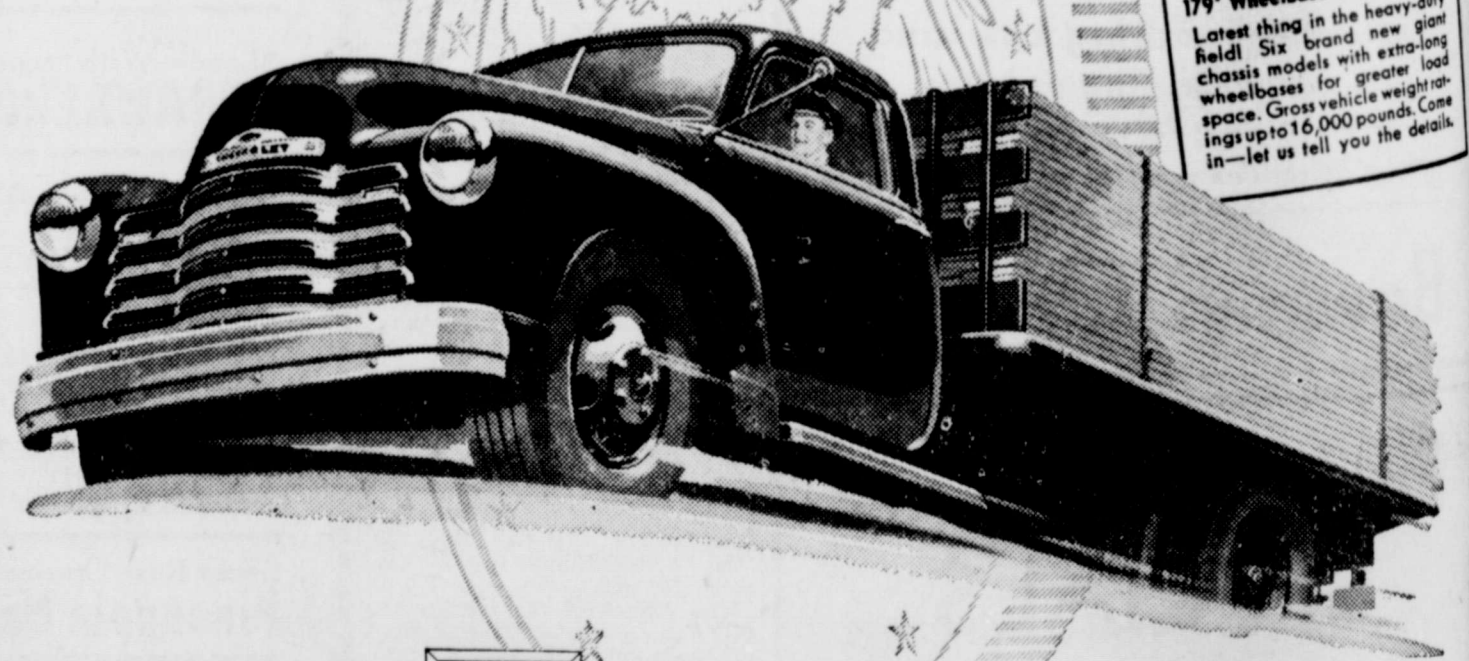

All told, Coach Boyce Box will field a team with 9 returning lettermen including Jimmy Miller, 160 lb. scabbard who was named all district second team last season. Backfield is the highlight of Coach Box's returning men. Miller has four letters already. Wayne Hammond, 145 lb. Jr. is hoping for a third letter and Verolyn Barron's 150 lbs. will be hustling for a second letter.

Out to atone for a hard last season last year, the Abernathy Antelopes may be rough to handle. Last year they won five contests but three of these were taken away via the forfeit rule when it was discovered they were playing an ineligible man. The left the Antelopes with a single victory and blood in their eyes this year.

The lack of a letterman at guard position and at one backfield post didn't hinder Abernathy last week as they muddled over Tahoka in a scrumming tilt. In that game experience played a big part in the rough Abernathy line opened holes for the fleet backs. The complete list of linemen in first string to freshman averages just 158 lbs. which is light but about average weight for a small school. At one time using his letterman, Coach Box can field a line averaging 170 lbs. from tip to tip including 200 lb. tackle, John Loper, an all district choice for sure. The heaviest backfield star is listed at 180 lbs.

Coach Box is a graduate of North Carolina University and also attended West Texas State. His assistant is Earl Carter of McMurray College.

CHILDS' "One Person Tells Another"

Wright Family Reunion Held In Lamesa

Children, grandchildren, great grandchildren and in-laws, gathered Saturday, September 2, in Lamesa at the H. J. Wright home for a reunion of the W. N. Wright family. Mr. W. N. Wright, 80, had just returned from San Benito, where he had undergone major surgery.

This was the first time the family had all been together since 1939. The day was spent in reminiscing, getting acquainted with newer members of the group, picture taking, and horse back riding.

A barbecued beef with all the trimmings was served at noon. Three members and their families unable to attend the Saturday get-together had visited their father the previous week, they were Rev. Arthur Wright, Sebastian; Dawson Wright and Mrs. Eugene Ham of San Diego, California.

Attending the all day reunion Saturday were: H. J. Wright and Wanda Jean, Lamesa; Mr. and Mrs. O. T. Ernest, Brownville; Mr. and Mrs. Otis Wright, Jimmy, Irma Lee, Nelda and Bonnie, Lamesa; Grady Wright and Will Royce, Lamesa; Rev. and Mrs. W. C. Wright, Norma Ruth, Ross, Carl and Harry, Morton; Mr. and Mrs. Jack Fambrough, Theresa and Judon, Hereford; Mr. and Mrs. Raymond Franks and Larry, Sebastian.

Mr. and Mrs. Leon Bodine, Reba Nell and Zella, Ackerly; Mr. and Mrs. Wayland Maxwell, Linda Lou, Gary and Forrest, Fort Worth and Mr. and Mrs. Raymond Ernest, Milton and Bruce of Lamesa.

J. O. Harris Instructs First-Aid At Muleshoe

J. O. Harris, employee of highway department, started a class in first-aid at the court house in Muleshoe Monday night.

There is no charge for instruction and any one may enroll Mr. Harris said. It is the standard course sponsored by American Red Cross in cooperation with highway and fire departments and other organizations.

The study requires 18 hours to complete.

CANADIAN TOURISTS RETURN HOME

Van Greene, accompanied by his mother, sister and brother-in-law, Mrs. Joe Greene, Lamesa, Mr. and Mrs. Bill Minnix, Snyder, returned last week from Canada.

The trip was made in Mr. Greene's private plane. At Hardy they visited Mr. and Mrs. Lloyd Coffman. En route home they stopped at Calgary and Banff for sight seeing tours and again at Colorado Springs, Colorado.

WICHITA FALLS VISITORS IN LOCAL HOMES

Mr. and Mrs. O. L. Barnes and family of Wichita Falls, Texas arrived here last Thursday to visit in the home of her parents and sister, Mr. and Mrs. H. A. Barnes and Mr. and Mrs. T. M. Tanner.

Another recent visitor in the Barnes home was his sister, Mrs. F. D. West of Waco, who Mr. Barnes hadn't seen in about 15 years.

The H. A. Barnes and T. M. Tanners returned early last week from a vacation trip in New Mexico and Colorado. While on the trip Mrs. Barnes fell and broke her right arm.

DALLAS GUESTS IN HARRISON HOME

Mr. and Mrs. M. E. Bolding and children, Jimmy Muriel and Dicky, of Dallas have returned to their home after a visit here with Mrs. Bolding's parents, Mr. and Mrs. J. S. Harrison.

VISIT IN CORPUS CHRISTI

Mr. and Mrs. Earl Cadenhead left last Saturday for Corpus Christi, where they will visit their son, Herbert.

MR. AND MRS. CLYDE F. CARSON JR. and children, Ronnie, Maisie and Margery spent the week-end at Kermit, their former home.

COOPER RECEIVES TREATMENT IN DALLAS

MRS. P. B. RAMBY HOSTS MORTON BRIDGE CLUB

Mrs. P. B. Ramby was hostess to the Morton Bridge Club Monday night, September 4.

Four tables of bridge were played followed by a refreshment plate served to these guests and members: Mrs. J. B. Knox, Mrs. James St. Clair, Mrs. C. M. Cravy, Mrs. Lem Chesher, Mrs. Raymond C. Ross, Mrs. E. L. Willis, Mrs. Roy Hickman, Mrs. Carl England, Mrs. Willard B. Cox, Mrs. J. D. Hawthorne, Mrs. Neal H. Rose, Mrs. Lloyd C. Miller, Mrs. J. W. McDermott, Mrs. Courtney Sanders, Mrs. J. S. Harrison, Mrs. Hume Russell and Mrs. Scott Hawkins.

The club will meet next with Mrs. Miller.

CALIFORNIANS VISIT IN HAWKINS HOME

Mr. and Mrs. Arthur Duke of Los Angeles, California visited here this week in the home of her brother, H. S. Hawkins and family.

They left for Fort Worth where they will attend the wedding of their nephew, Bobby Livingston Bruner.

Mesdames Raphael and Danforth Host Faculty Tea

Mrs. Herman Raphael and Mrs. Fred Danforth were hostesses to a tea honoring new faculty members last Thursday evening at the Danforth home.

The color scheme carried throughout consisted of pink and green in napkins, tapers and floral arrangements.

The table was centered with pink roses from the garden of Mrs. Roy Hill.

Punch and individual cakes were served to:

Mr. and Mrs. Carl Macon, Mr. and Mrs. Wendell Watson, Mr. and Mrs. Neal Rose, Mr. and Mrs. James Vandever, Mr. and Mrs. Murray Crone, Mr. and Mrs. Ermon Miller, Mr. and Mrs. C. M. Cravy, Mrs. W. C. Gray, Mrs. M. T. Beard, Mrs. Fred Stockdale, Mrs. J. A. Gowdy, Miss Lonora Jackson, Miss Essie Lee Denny, Herman Raphael, Elmo Smith, Fred Danforth, Jack Eudy, Bill Hartgraves, Glenn Reeves, and R. T. Wilson.

VAN GREENE attended to business in Abilene, Texas, Monday.

Tribune, Morton, Cochran County, Texas, Thursday, Sept. 7, 1950

LEGION AUXILIARY ELECTS OFFICERS

New officers for American Legion Auxiliary elected in August are Mrs. Carl England, president; Mrs. Bill Proctor, first vice-president; Mrs. Jaunita McBee, second vice-president; Miss Helen Butts, secretary-treasurer; Mrs. John L. McGee, sgt.-at-arms; Mrs. E. Lytle, historian and Mrs. T. W. Roberts, chaplain.

Initiation of the new officers will be held in September, date to be announced later.

Some people get the point too soon and therefore never learn anything.

Former Cochran Resident Marries In Colorado

An extremely simple but beautiful wedding of interest to friends in the Whiteface area was solemnized in Saint Martin's Chapel, in Denver, Colorado, September 2 at high noon, when Mr. Alan James Lamb, son of Mr. and Mrs. Harold H. Lamb, formerly of Whiteface, now of Eaton Colorado and Miss Eleanor Anderson, daughter of Mr. and Mrs. William W. Anderson of Denver were married. The bride wore traditional white satin, fashioned along classic lines. The wedding keynoted by two sentiments as the bride's only adornment was hand made lace forming the cap for her finger tip veil which is a gift from Paris from her brother, Ensign William Anderson, now in the Pacific and the wedding ring belonging to her grandmother Anderson, which has been re-sized for Mrs. Lamb. She was given in marriage by her father. Ushers were Carl Davis, Robert Gale and Norman Kehmeier. "Perfect Love" and "The Lord's Prayer" was sung before and during the service, by Edwin Amend.

Immediately following the wedding breakfast the young couple left for Happy Jack, Arizona where Mr. Lamb is stationed with the U. S. Forest Service and will later in the winter move into Flagstaff where Mrs. Lamb plans to complete her Senior year in the University.

Both young people were active in the Independent groups of Colorado A. & M. College in Fort Collins, Mr. Lamb graduating with honors in June, being a member of Beta Xi, Beta Beta Beta and Xi Sigma Pi fraternities.

ROBERT AND GLENN YEARY HERE

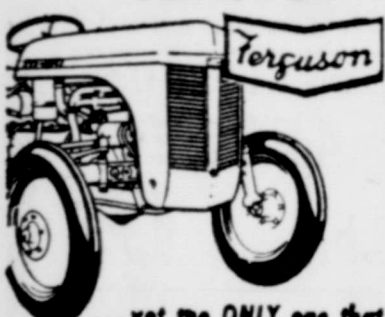

Robert and Glenn Yeary of San Angelo are guests here of their mother, Mrs. Laura Yeary. Robert plans to enlist in the air corps within the very near future. The brothers are both Morton High School graduates.

-- annegrams

— by ann england —

Looks as if we'll have to start all over again on that pretty party for Barbara Allsup at Ellie Barnards, Monday evening, Aug. 28.

Funny thing we sat and talked with Bessie Tilger about Ellie's attractive house and B told us Ellie had worked 3 days getting everything in apple pie order for the party—wouldn't even let Arlee come home for lunch Monday for fear things would get out of order.

So what do we do? Dash to office and write up the story saying it was held at the Tilgers—Mrs. T was hostess etcetera etcetera.

Now don't ask me why these errors occur I just don't know. The two sisters, Ellie Barnard and Bessie Tilger, are tops among Morton's young matrons but even so that doesn't excuse me.

On top of that it was the Barnards who spent the week-end in Amarillo and not the Tilgers.

Just leave it to me to open her mouth and put her big foot in it.

Oh, well that isn't the first mistake we ever made and probably won't be the last one unless this influenza germ that's been inhabiting the old model for several days gets the upper hand.

At any rate we aren't like the grammar student who said, "I ain't never made but one mistake and I seen it when I done it and takened it right back."

Monday we were delightfully surprised when Mary Helen Keith brought in a souvenir plate from Muskegon, Michigan. MH attended camp recently in Michigan. She is Cochran county's top-most 4-H Club girl.

So many of our friends congratulated us upon the Tribune's winning first place in the West Texas Press contest. Mr. and Mrs. W. E. Angley sent us a beautiful congratulatory greeting card; Roger Southall too, took time out to write such a nice letter on merits of Tribune etcetera.

Finally got that redecorating job done—only one mishap—made the mistake of lighting a cigarette while cleaning brushes—that stuff is inflammable—now we're singing with the rest of them. "Look pa, no eye brows."

The day we decided to put the border on, the spouse was gone and we couldn't get those things in the house he fixes for us to stand on so phoned down to Roy Smith for a ladder (we had in mind buying the thing) so R left his business and brought a kitchen stool (new) and when leaving said, "Ann call me when you've finished and I'll come pick it up."

Can you imagine any one being that nice? Just go off on a busy Saturday afternoon and leave ones business—and the strange thing is both Roy and Floyd never seem to mind these accommodations.

They are just that nice to every one too. No wonder everyone is so fond of them. It's a well known fact they are two of our favorite young men.

Talking with Mr. H. S. Hawkins a few days ago about his softball team. Mr. H. has gone to great deal of personal expense in sponsoring this team (NOT that he has ever mentioned it) and we think he has really enjoyed doing his part in promoting a clean

recreational program for the community. He gets such a big charge out of seeing his boys win—and win they do.

Another project that Mr. H. takes a great deal of interest in is the annual fat stock show. White we were talkin Mr. H had occasion to mention that he'd never called on Tom Arnn for anything he didn't get.

Nearly everyone is willing to help out on civic projects and of course there are those who always have in mind the possibility of cashing in, in one way or another; while others just do their bit in order to promote the welfare of the community.

Such a nice party at Mattie's last Friday eve. Her house is so pretty since all the remodeling. That huge living and dining room really takes everyones eye. And Fifer's den is so inviting.

Yvonne certainly hit the jack pot on gifts. We've been trying to think of some excuse for some one to give us a shower. Katherine Miller suggested we have a baby—which might have been a good idea a few years back.

Mrs. T. A. Rowland was there, also her little daughter, Gail, who is a precious youngster.

Mary Ormand, pretty little brown-eyed, blonde, daughter of the R. D. Ormands, started to school Monday. When we were talking with her she'd bought crayolas, pencils and paper and was counting the hours until Tuesday morning.

Mary Katherine (Tooter) Miller was none to happy at being left at home when Shirley Ann started off to school Monday. Helen Doss told us that Michael insisted he must go along with Teresa Kay when she left for school.

Ronnie Carson (son of the Clyde F. juniors) was cool enough about his first year at school; think his mommy and little sisters were far more excited. Maizie the middle Carson celebrated her fifth birthday last Friday.

Mrs. H. A. Barnes had the mis- fortune of breaking her right arm while vacationing recently with

New Operator At Modern Beauty Shop

Mrs. Jean Graham, experienced beauty operator, joined the staff at Modern Beauty Shop last week.

Mrs. Lucille Cunningham has been with the shop for some time.

Mrs. Graham came to Morton from Dallas where she operated her own shop. She has had 15 years experience.

Both operators are specialists in permanent waving; in order to introduce the two operators to patrons of the shop, the summer reductions on permanent waves will be in effect for a few more weeks. Test curls are given on each permanent wave.

Mrs. Graham is a sister of O. L. Benefield. She and her husband, Tex, are making their home at present with Mr. Benefield.

her husband, daughter and son-in-law, Mr. and Mrs. T. M. Tanner. Think Mr. B got puny too while on the trip. However, they didn't let that stop them.

The V. L. Lawsons home is pretty well along toward completion. Of course the doctor won't be worth a darn until it's finished.

L. A. Cochran's new filling station is a beauty. Still say it keeps us bouncing to keep up with all the new buildings—and then we don't.

If it keeps on raining THIS could happen here.

STUBBORN SO-AND-SO
During a flood in a little Ohio town, a neighbor girl was perched on top of a house with a small boy.

As they sat watching articles float along with the water, they noticed a derby hat float by. Presently the hat turned and came back, then again turned and went downstream. After it went a ways down it again turned and came back.

The little girl said, "Do you see that derby? First it goes downstream, then turns and comes back."

The boy replied, "Oh, that's my father. He said, 'Come hell or high water,' he was going to cut the grass today."

Minnie's Shop

Morton, Texas

Morton, Cochran County, Texas, Thursday, Sept. 7, 1950

EDITORIALS

It Has Been Fun

With Saturday's Trades Day drawings, the Morton Chamber of Commerce brings to a close another successful, promote Morton, campaign.

The Trades Day drawings have accomplished their purpose in the area, but they have provided the people of Morton something to look forward to each weekend. That is an important contribution to life. If we can go through life with something to look forward to, then we will have less to look back on the unpleasant things.

There is little doubt that the Trades Day drawings have been such a success that they will have to be continued next summer. The Chamber of Commerce and the Morton merchants hope you have enjoyed the Saturday event. If they have been benefit to the community in any way, they will have fulfilled the duty of the Chamber of Commerce.

Faith Can Do So Much

One of the unsung public servants with the biggest possible influence in the community is the person who has dedicated his or her life to the education of children.

This week the children of Morton went back to school with others all over the county, state, and nation. The work of the teachers will not be easy.

First graders who have never attended kindergarten must be taught to get along with others. So many who have never had to face the problem of respecting others rights must learn the hard way. And, in modern America, all this is supposed to be taught without the aid of a ruler, a strap, or a stick.

We at home can help a great deal. It isn't fair that the teachers should shift our duties onto the teacher. Its the teachers job to educate a child. It's the parents job to discipline a child.

From time to time the Morton teachers are going to ask for your help. With 12 years of schooling ahead of him, your child is going to slip up somewhere and need aid. Let's respect the teachers who have perhaps the most thankless job in the world. Respect the teachers and give them all the cooperation they ask for. They need it.

A Whale Of A Big Job

So many businessmen in Morton have constructed new buildings in Morton during the past two months, it is virtually impossible to congratulate each and every one.

The foresightedness and activity of these businessmen is a spark that makes a city grow. Those who are willing to gamble on the future of a community are the backbone of that community.

It is certainly with pride and pleasure that the citizens of Morton can point to the new buildings erected by Wallace Bates, Morton Electrical Supply, Morton Drug, L. A. Cochran, and the many that are on the verge of completion. Several merchants anticipated the future of Morton in the years gone by and sometime within the past 10 years erected business establishments that are still modern, adequate, and beautiful. We are proud of this type of citizen. We are proud of the citizen who is not afraid to come out and say, "I believe that Morton will grow and I am behind that growth 100 per cent."

Even the merest glance at what has been accomplished in Morton within the past 5 years will bring to light all sorts of improvements that have been for the benefit of all. The Tribune salutes the merchants of Morton. Through their participation in the Retail Merchants Association and the Chamber of Commerce; through your building programs; through your active support of all community projects you have put renewed faith in the small communities of the country. Census figures may have shown that small communities all over the country have suffered a loss in population at the expense of bright city lights. But census figures cannot console us that the small city will die. Properly and efficiently managed, built upon the cooperation of the people, and deeply rooted in democratic principles Morton will continue to survive and continue to grow.

John Ben Shepperd Approves Morton C. of C. and R.M.A.

Austin—Secretary of State John Ben Shepperd has announced his approval this week of the following new corporations in Morton.

Morton Chamber of Commerce. Morton 8/14/50. 50 years. Chamber of Commerce. Capital Stock: None. Incorporators: J. W. McDermett, Neal H. Rose, W. B. Cox.

Morton Retail Merchants Association. Morton 8/14/50. 50 years. Board of Trade. Capital Stock: None. Incorporators: M. T. Beard, L. W. Ray, Tom Arnn Sr.

Personal Hygiene Helps Prevent Poliomyelitis

In addition to the general instructions for community sanitation which are important in preventing poliomyelitis, Dr. George W. Cox, State Health Officer, today issued an urgent warning to every individual in Texas to practice strict personal hygiene to protect his own health and that of those about him.

"Of course, cleanliness and personal hygiene are ordinarily taken for granted," Dr. Cox said, "but at this time with the incidence of poliomyelitis having reached a total of 1395 cases, I would like to re-emphasize some personal sanitary measures which may help in preventing the spread of this crippling and often fatal disease."

The State Health Officer stressed the importance of scrupulous cleanliness of the person. Frequent bathing and immaculately clean clothing are vitally necessary. Oral hygiene with thorough brushing of the teeth and the use of a mild antiseptic are recommended. The nasal passages should be kept clean and dental defects corrected immediately.

Sanitation and thorough cleanliness in the home are instinctive with the average housewife, but at this time their importance to health must be re-emphasized. Home sanitation includes those taken-for-granted measures as washing the dishes in hot soapy water and rinsing them in hot clear water; keeping sinks, bathtubs and fixtures scoured clean and rinsed with a mild antiseptic solution; sunning and airing bed clothes, ridding the home of flies, rats and roaches which, since poliomyelitis is believed to be a filth-borne disease, are suspected as being responsible for transmission.

"If good personal hygiene is combined with good community sanitation and hygiene, it is hard to get a foothold," Dr. Cox said. "With such a dread disease as poliomyelitis prevalent in the state, no precaution should be overlooked and no bars should be left down for its entrance."

Steam Air Finisher Proves Blessing in Cleaning Plants

The new Adjusta Form Steam Air Finisher that has been in operation for several months at Strickland's Cleaning plant is truly an amazing contraption. A product of the Wichita Precision Tool Company, the finisher steams and dries coats, dresses, and blouses of all sizes and leaves the garments pressed to perfection.

The Adjusta Form is not a new piece of equipment in the cleaning industry. It has been tested and proved for several years. Few small cleaning establishments can afford one. By means of chain adjustments, the Adjusta Form can be expanded or diminished in three places. One chain will allow the top of the form to expand to fill the upper part of the garment. Once fitted to the garment, the Adjusta Form steams and then dries by hot air.

Sleeves are also pressed and either creased for the gentlemen or left rounded in ladies coats. It takes just a few minutes to put the finishing touches on the bulkier of winter coats.

NOTICE TO BIDDERS

Notice is hereby given that the Commissioners' Court of Cochran County, Texas, will receive bids at the Court House in Morton, Texas, until 10 o'clock a.m. September 25, 1950 for the purchase of one tandem drive diesel powered (100 H. P. minimum), power control motor grader with electric starter, hour meter, mufflers, enclosed cab, 13 foot moldboard, one 2 foot extension, 14.00-24 tires on all wheels, hydraulic power control for each adjustment, including hydraulic power steering. One used Gallion motor grader will be traded in as part payment, and the Commissioners' Court reserves the right to reject any and all bids.

By Order of the Commissioners' Court of Cochran County, Texas.
Glenn W. Thompson,
County Judge.

FIRST BALE GINNED

First bale of cotton from the 1950 Motley county crop was ginned here Monday about 5 p.m. at West Texas gin. It was grown by Boone Simpson in the Northfield community.

First bale of cotton ginned from 1949's 35,000-bale crop was eight days earlier (August 20, 1949).—Matador Tribune.

MERCHANTS WARNED

It is reported that a promoter was attempting to sell advertising on school book covers at Denver City this week. The superintendent of schools there reported that the covers perform no useful purpose, that they are seldom used, and he urged merchants not to fall for the scheme. This is an old graft and the out-of-town promoter get away with the lion's share of the money expended.—Gaines County News.

COUNTY, CITY '50 FINANCIAL REPORT MADE

Financial statements for the year are being published in this week's Post Dispatch by both the county and city.

Readers interested in the financial condition of their local government can read these statements on other pages of today's papers. A report on bonds and warrants outstanding is included in the county statement.

According to acting Mayor T. L. Jones, a statement is being prepared on the water and sewer bonds voted two years ago. It is to be published in next week's Post Dispatch.—The Post Dispatch.

HOSPITAL SHOWS BIG GAINS IN WORK DURING 3rd YEAR

Giant strides were made by the Crosbyton Clinic hospital in its third year of operation, which ends today, Thursday, the report of Mr. T. J. Taylor, business manager, indicated Wednesday afternoon.

Big increases in both the number of patients hospitalized and in clinical visits have caused the board of directors of the institution to map plans for immediate

enlargement of facilities. Plans are now under way, according to announcement last week by Jim Reed, president, for the construction of a 12-room addition this fall. — The Crosbyton Review.

The summer program was designed to give the children of Canyon a chance to spend their leisure time doing something worthwhile. Dramatic, art, drawing, singing, twirling, swimming and story telling classes were offered in addition to the regular playground activities. — The Canyon News.

PRESIDENT PANHANDLE PRESS RECALLED TO MILITARY DUTY

J. C. Howell, president of the Panhandle Press Association and publisher of the Wheeler Times, has been recalled to military services, reporting today.

Howell was instructor in radar during World War II and his services are needed to carry on this branch of the Army Air Corps. Albert Cooper will assist Mrs. Howell in publishing the Times.—The Canyon News.

WORK UNDERWAY FOR NEW SWIMMING POOL

Construction began Friday on the new all-steel swimming pool for Levelland.

The community Recreation Center association of Levelland authorized the shipment of the steel last week from Amarillo. It is being placed in the new city park just west of the West Elementary school.

The pool will be 50x120 feet when completed and will be located on the south-central side of the forty-nine acre city park.

City Manager Ray Drain said last week that the foundations were ready for the erection of the pool. It is being put together by the Superior Manufacturing company of Amarillo.

According to reports, the pool will be ready for Levelland and Hockley County youngsters by next summer. The steel's total cost was \$9,600, including erection work.—The Sun-News Levelland.
