"TEXAS' LAST FRONTIER"

MORTON, COCHRAN COUNTY, TEXAS, THURSDAY, SEPT. 14, 1950.

NUMBER 29

Local Talent Show, Barn Dance, and Tiny Tot Popularity Contest Here Monday and Tuesday

A Morton Lions Club sponsored talent production, "Uncle Sam's Hayloft Jamboree," will take place Monday and Tuesday, September 18 and 19, at the school auditorium.

Proceeds from the production will be used toward the prevention of malaria within Cochran County. It will be maintained as a separate fund within the city toward cleanup drive in the present campaign.

The play will be modeled after the famous WLS National Barn Dance and Grand Old Opry programs heard on the air from coast to coast. An all local cast

will be featured in the program and in conjunction the L'Allegro Club of Morton will sponsor a Tiny Tot Popularity Contest and a final performance, cake walk and party will be held.

In the Barn Dance portion of the program, local personalities will take the parts of Joe Kelly, master of ceremonies, Uncle Ezzy, Hiram Hicks, Lulu Belle the sweetheart of the Barn Dance and her famed singing husband, Skyland Scotty.

The Morton Drifters, The Square Dance Club, Robert Dunham, and Norman Amyx are just a few who have agreed to take part in the cast.

Joe Kelly's Quiz Kids will not be forgotten. Actual questions from the well known program will be answered by students from the Morton schools who will be "quiz kids" for a night.

Local couples will be featured in the ever popular square dancing portion of the program, and here is where the members of the Morton Square Dance Club will shine for the entertainment of all.

The Tiny Tot Popularity Contest will be open to children up to six years of age. Photographs

of all the entrants are on display at Smith's Hardware Store according to Mrs. R. D. Ormand, L'Allegro Club president. The proceeds from this part of the program will go toward the library book fund. Boxes with the children's photos pasted on, will be at various stores. Every penny put in these boxes counts as one vote for the tot entered. A king queen, prince, and princess will be crowned on the stage the final night.

Standings will be listed daily at the Smith store, and also the location of the various voting boxes will be listed.

An amateur talent feature is another big attraction on the program. Vocalists, specialty dancers, instrumentalists, and all others with special talents are requested to compete in the contest for cash awards. Winners will be chosen by the ticket holders at the programs. All who wish to participate in this talent portion of the show are requested to contact Carl Ray.

Advance tickets purchased from Lions Club members will count two votes for one amateur and tickets purchased at the door count one vote.

Mrs. Robert H. Kelley, a representative of the Empire Productions Co. of Kansas City, Missouri is in Morton to direct the show. She will be glad to see anyone wishing to compete in the talent division at the Morton Hotel.

Performances start at 8:15 on each of the two evenings and following the last night's program the cake walk and party will be held. Ladies are invited to bring home made cakes for this event. No charge will be made for this party. Everyone is asked to remain after the show and join in the fun.

C. of C. Directors Hold Meeting Tuesday, Sept. 12

Chamber of Commerce directors held regular weekly meeting and luncheon, Tuesday noon, September 12, in private dining room of Steak House.

J. W. McDermott, president of the meeting, Murray Crone, president of Morton Lions Club, was a guest, he spoke briefly to group on behalf of Lions Club.

W. B. Cox reported on a committee meeting held last Thursday night, at which time a county wide improvement program and bond election was discussed.

Guests other than Mr. Crone were Earl Crum, Max Bowers and Mrs. Carl England. Members other than president McDermott were J. B. Knox, Hume Russell, Albert Morrow, Fred Stockdale, W. B. Cox and M. C. Ledbetter.

Two New Wells, New Location Reported Here

The Levelland area reported new completions and five new locations according to reports submitted to the Midland District office of the Oil and Gas Division of the Railroad Commission of Texas this week.

The Cochran County field gained two new producers and listed new project.

The 1950 State Fair of Texas will mark the Mid-Century point in history for future generations by burying a Time Capsule with instructions not to open until 2050 A.D.

The Time Capsule, containing data of historic interest about life in Texas during the first half of the 20th Century, will be sealed and buried on the final day of the 1950 State Fair Mid-Century Exposition.

Disinterment of the hermetically sealed metal cylinder 100 years hence will probably be a high point of the next Mid-Century Exposition. Its contents will enable Texans at the 2050 Fair either to marvel or smile tolerantly at the way we lived in 1950.

Prominent among exhibits to be included in the Time Capsule to give a true picture of Texas in 1950 will be copies of the front pages of virtually every newspaper, daily and weekly, in the Southwest. The front pages will be photographed on microfilm, which will be specially treated and sealed in an air-tight container of its own.

A Morton Tribune has been forwarded to Fair officials for inclusion in the capsule.

Other items will include documents and photographs pertaining to the history of Texas and the State Fair and a description of the everyday life of today. The Atomic Age Science Show of the 1950 State Fair also will be described in great detail.

"The Science Show at the 1950 State Fair will present a graphic picture of the near-miracles which have been accomplished by Science in the first half of the 20th Century," said James H. Stewart, executive vice-president and general manager of the Fair.

"At the next Mid-Century Exposition, when the Time Capsule is opened, who can predict what unimaginable marvels may be revealed at the Science Show of that far-in-the-future Fair? At any rate, it may be amusing to our descendants to see how amazed we today are at the Atomic Age accomplishments of the Fair."

of all the entrants are on display at Smith's Hardware Store according to Mrs. R. D. Ormand, L'Allegro Club president. The proceeds from this part of the program will go toward the library book fund. Boxes with the children's photos pasted on, will be at various stores. Every penny put in these boxes counts as one vote for the tot entered. 4-H Club Girls Offered Chances In 16 Contests

A total of sixteen National Contests that Cochran County 4-H Club girls can enter have been announced by the county home demonstration agent's office. They are: Achievement, Canning, Clothing, Farm and Home Electric, Farm and Home Safety, Food Preparation, Frozen Foods, Gardening, Girls Record, Home Grounds Beautification, Home Improvement, Leadership, and Poultry. There are two contests that a 4-H Club can enter as a single unit. They are Health and Community Recreation.

All of these contests offer medals for county winners of any age. The state and regional award for those girls over 14 years of age by January 1, 1950, are paid trips to the National 4-H Congress in Chicago. The Congress is held the first week in December.

Girls that are interested in any of these contests should come by the county home demonstration agent's office and ask for record books and standard report forms. All reports must be finished and turned over to a county judging committee by September 22.

The Gold Star and Junior Award 4-H Club candidates should have their reports finished by September 22. Any girl entering a National contest may use the same set of 4-H Club records and reports for both contests.

TURNEYS ATTEND BROTHER IN LAW'S FUNERAL SUNDAY

Mr. and Mrs. Roy Turney attended funeral services in Littlefield Sunday for her brother-in-law, Joe Walters.

Walters died from injuries received in a plane crash last week. He was dusting cotton crops Friday when his plane hit some power lines at about noon, 2 miles east of Littlefield.

Tribune Included In Time Capsule To Be Buried At Texas State Fair

The 1950 State Fair of Texas will mark the Mid-Century point in history for future generations by burying a Time Capsule with instructions not to open until 2050 A.D.

The Time Capsule, containing data of historic interest about life in Texas during the first half of the 20th Century, will be sealed and buried on the final day of the 1950 State Fair Mid-Century Exposition.

Disinterment of the hermetically sealed metal cylinder 100 years hence will probably be a high point of the next Mid-Century Exposition. Its contents will enable Texans at the 2050 Fair either to marvel or smile tolerantly at the way we lived in 1950.

Prominent among exhibits to be included in the Time Capsule to give a true picture of Texas in 1950 will be copies of the front pages of virtually every newspaper, daily and weekly, in the Southwest. The front pages will be photographed on microfilm, which will be specially treated and sealed in an air-tight container of its own.

A Morton Tribune has been forwarded to Fair officials for inclusion in the capsule.

Other items will include documents and photographs pertaining to the history of Texas and the State Fair and a description of the everyday life of today. The Atomic Age Science Show of the 1950 State Fair also will be described in great detail.

"The Science Show at the 1950 State Fair will present a graphic picture of the near-miracles which have been accomplished by Science in the first half of the 20th Century," said James H. Stewart, executive vice-president and general manager of the Fair.

"At the next Mid-Century Exposition, when the Time Capsule is opened, who can predict what unimaginable marvels may be revealed at the Science Show of that far-in-the-future Fair? At any rate, it may be amusing to our descendants to see how amazed we today are at the Atomic Age accomplishments of the Fair."

which then will no doubt be something from the realm of antiques."

The Time Capsule will be buried at an impressive ceremony at 3 p.m. Sunday, October 22. Officials of the Fair are consulting engineers concerning the type of cylinder to be used and how best to preserve it in its resting place for the next 100 years.

Dates of the 1950 State Fair are October 7 to 22.

Second Order of Street Markers Under Shipment

A shipment of 71 sets of street markers to conclude the Morton Lions Club street marker project will be underway to Morton within the next four weeks.

Previously, 40 sets of the markers had been installed in Morton and the total number of new sets will make 111 intersections in the city marked with street signs.

Each post is equipped with two markers showing the name of the street that runs East and West and the name of the road running North and South. Replacements for some sets that had been broken in shipment and handling will also be forthcoming at the same time according to Murray Crone, President of the Morton Lions Club.

Morton Quarterback Club Members Undertake Game Policing Duties

The Morton Quarterback Club, at a meeting Tuesday evening, prepared to stand guard at local football games to keep down any possible trouble arising over decisions. It was pointed out that the home team faces suspension from the Athletic Conference and loss of the games by forfeit if fights are started. The Quarterback Club was asked to handle the police job.

Season tickets to Morton High school games have been placed on sale. Quarterback Club members are helping sell the ducats for adults which will be good for all five home games starting Friday. Tickets both for adults and children are also on sale at the school.

Membership cards have been printed and will be distributed this week. Football programs are nearing completion.

The next meeting of the quarterback club will be held Tuesday in the new gymnasium at 8 p.m.

Indians Open Home Season Against Ralls Jackrabbits Friday Night

Hepped up over reports of fine play by the Morton Indians last week, a full house of gridiron fans is expected to turn out Friday when the Morton Indians go in quest of their first victory of the season in their home debut.

Both teams are considered evenly matched in the weight department with Morton rating the nod on experience. The game will get underway at 8:30 p.m. with station KLVU doing a recording of the proceedings. The record will be played back on Saturday morning for the benefit of those unable to attend the game.

The Morton starting lineup remains unchanged from last week.

For the Ralls Jackrabbits, it will also be the second game of the season. They dropped a an opening encounter to New Deal on the Ralls field last Friday

Maps and Data Wanted on Cochran County

Littlefield—The State Board of Water Engineers is seeking maps and written data giving evidence of the geographical area and extent of the underground water reservoir in a 21-county Panhandle-South Plains area.

The board made the request for written material following a recent 21-county hearing in Plainview at which it received oral testimony on the ground water supply.

They are chiefly interested in receiving information about areas which will, or will not, support irrigation wells producing at least 107 gallons per minute (or 150,000 gallons per day).

The dry areas, together with 160-acre tracts of grazing land not irrigated, and areas where water is not suitable for commercial irrigation purposes, will be excluded from a proposed underground water conservation district.

The High Plains Water Conservation and Users Association, with offices in Littlefield, has members in 14 counties who are cooperating by submitting written data on the ground water supply.

Any individual who has information on the extent of the reservoir should communicate with the State Board of Water Engineers, H. A. Beckwith, chairman, Austin, Texas.

Information is sought from the following counties: Armstrong, Bailey, Briscoe, Castro, Cochran, Crosby, Deaf Smith, Dickens, Floyd, Garza, Hale, Hockley, Lubbock, Lamb, Lynn, Oldham, Parmer, Potter, Randall, Swisher and Terry.

Monday Noon Fire Rapidly Brought Under Control

A noon hour trash barrel fire behind the Seaney-Evans grocery store alerted Morton's Volunteer Firemen Monday at about 12:40 p.m.

The fire started in a steel drum used for trash purposes and spread around to trash lying beside the barrel. The firemen used the fire after about 10 minutes. No estimated damage was announced.

3000 Acres of Peas in County Ready for Harvest Soon

Blackeye peas, about 3000 acres in Cochran county, will be ready for harvest around September 25, according to Hazel Hancock, farmer and buyer of the peas.

Hancock has been buying and shipping blackeye peas from Cochran county to canning and drying plants for several years.

The blackeye, a favorite dish of beans and southerners in general, has gained increasing popularity the past few years.

This year's large acreage is due to late rains in the county, lack of which prevented planting earlier crops.

Market prices on peas will be eased by Hancock nearer harvest date, he said.

R. T. Tarver, mayor of Morton, and long time Morton business agent is blackeye agent for Plains Food, Inc. in announcing his new agency. Mr. Tarver stated that he would be happy to take Cochran county pea growers through the canning plant at Plainview.

P.T.A. Social Is Slated for Tuesday

A P.T.A. social meeting has been scheduled for Tuesday, September 19, at 7:30 p.m. in the Junior High School gym. Adults are invited to the social hour and movies will be shown for the children in the auditorium.

MRS MORRISON IMPROVED

Mrs. Fred Morrison is reported in an improved condition following major surgery at St. Mary of the Plains Hospital, Lubbock, last Friday.

4-H Feeder Day Sept. 16, 1950 At Texas Tech

On Saturday, September 16, all 4-H Club boys of Cochran County, their parents and club leaders are especially invited to attend Feeder's Short Course, Texas Technological College, Lubbock, Texas. The meeting will begin at 9:30 a.m. in the Livestock pavilion barn near the Agricultural Building.

All attending should bring a sack lunch and drinks will be furnished free by the College. Drinks will consist of milk chocolate, sweet milk and soda pop. This will be an interesting discussion and will be educational for your feeding back home.

You will get a chance to see the animals, see how they are grazed, cared for and rationed. All this will be explained. I hope you can be there said County Agent Homer E. Thompson in order that you may ask any questions at the discussions.

Beverly Crisswell Polio Victim

Beverly Crisswell, four year old granddaughter of Mr. and Mrs. Will Corder, with whom she makes her home, is a patient at the polio center in Plainview, Texas. Beverly was taken to the center last week.

Hap Rogers Danforth, young son of Mr. and Mrs. Fred Danforth, was also taken to Plainview but his illness was diagnosed as "cold and flu", according to Mrs. Danforth, who also gave the information about Beverly.

Farm Machinery Equipment Show Here Next Week

The Supervisors of the Cochran-Yoakum-Terry Soil Conservation District are sponsoring a farm machinery and equipment show to be held at Morton Tuesday morning September 19, 1950 on the block east of the International house. All Cochran County implement dealers are invited to display any kind of equipment that they sell. We are especially interested in breaking plows that can be pulled with regular farm tractors.

Plans are being made for a deep breaking demonstration in the afternoon, details will be announced at the show.

All farmers are urged to take advantage of this opportunity to see what the various local dealers have to offer.

Cochran's Opening Fills 1744 With Pop and Ice Cream

L. A. Cochran, owner of the brand new Texaco Service on the southeast corner of the square, dispensed 744 ice cream bars and 31 cases of soft drinks to attest to the fact that his grand opening last Saturday was a whopping success.

In formal open house festivities for which guests registered all week long, Cochran gave away 20 awards. Winners of grease jobs were: Mike Dowdy, Virginia Thomas, Cecil Boal, and Mrs. Ellington. Oil change winners were: G. W. Nalley, J. W. Marshall, Mrs. Willard Henry, and A. F. Neagles.

C. B. Betts, Carl Williams, W. M. Mapes, Mrs. J. C. Brittain, and Truman Doss will receive car washes. Rust proofings were given Mrs. Maud Martin, Joe Yates, H. D. Tarlton, Al Mullinax, and Mrs. Ford Hawkins.

Flowers and congratulatory message poured into the new station all day long welcoming Cochran back into the service station business after a layoff of two months while the new structure was being completed.

Miss Mabel Ann Manley attended the ceremony at Tech last week honoring Mary Helen Keith.

Assembly of God Revival Underway

The Revival Meeting at the Assembly of God Church is in progress this week. It opened last Sunday, a week earlier than was reported in the Tribune. No closing date has been announced. The meetings are held each evening at 8 p.m. with Rev. H. M. Reeves of Littlefield conducting.

VISITORS TO HOME OF CORNELIA LYTLE

Mr. and Mrs. Dugan Lytle and daughter of Weatherford and Mr. and Mrs. Richard Lytle of Big Spring visited their stepmother, Mrs. Cornelia Lytle in Morton

Tea Honors Mrs. Roy Dean Hill

Mrs. Roy Dean Hill of Childress, nee Jo Beth Russell, was honored at a tea and gift shower Monday afternoon, August 28. Mrs. John Buchanan and daughter, Clovia and Mrs. N. H. Steed and daughter, Carolyn, Famuliner community, were hostesses for the affair.

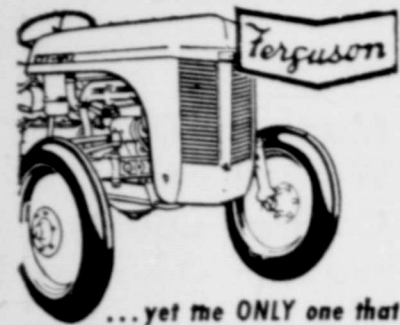

Marigolds, fern and dahlias were used in arrangements in entertaining rooms.

The honoree was wearing yellow organza over yellow taffeta with black accessories.

Games were directed by Misses Buchanan and Steed. Many unable to attend sent gifts. A refreshment plate was served to the following: Mrs. Arthur White, Mrs. W. O. Stallcup, Mrs. Burl McCasland, and Ginger; Mrs. W. R. Key, Mrs. T. C. Hodges, Mrs. O. D. Chesshir and Mrs. Dub Taylor of Fort Worth.

Also Miss Linda Key, Miss Vera Coon and Miss Bessie White.

FAMULINER COMMUNITY NEWS

(Delayed from Sept. 7 issue of The Morton Tribune)

Famuliner community met Thursday night, August 31 at the work shed of Woodrow Cunningham with Mr. and Mrs. W. E. Trice, as hosts.

Mr. Cunningham, chairman, presided for the meeting and introduced Miss Mabel Ann Manley, who spoke to the group.

She gave important factors considered by judges in the community contest last year; with these points in mind it is hoped that Famuliner will win again this year in the contest.

Mrs. Frances Cunningham directed a series of games for adults and young folk present.

Thirty five persons, representing 13 families were present for the meeting.

Miss Carolyn Steed entertained a group of friends Saturday night, September 2. Games of "flying dutchman," spin the bottle, and "dog and bone" were played under flood lights in back yard of the Steed home.

At conclusion of games a refreshment plate was served by Danny and Robbie Key, Clovia and Mickle Buchanan, Zelta, Kennes and Davis Millsap, Rex Faulkner Jr., Donald Rhea Chesshir, Mary Ruth De Bord, Linda Key, Kiehlie Millsap and the hosts.

Adults present were Mr. and Mrs. Richard Key, Mr. and Mrs. W. C. Millsap and daughter, Mr. and Mrs. N. H. Steed and Mrs. O. D. Chesshir.

Mr. and Mrs. A. J. De Bord of County Line; Mr. and Mrs. Ralph De Bord, Dale and Mary Ruth, returned a few days ago after a week's visit in Oklahoma and Arkansas. They visited with relatives and reported a very nice vacation.

Mr. and Mrs. Clyde Craves and daughters, La Dene and Twana have returned from a vacation trip in California.

Mrs. Dub Taylor of Fort Worth visited her parents, Mr. and Mrs. T. C. Hodges recently. Mrs. Taylor is the former Gloria Jo Hodges, she and her husband have recently purchased a new home in Fort Worth, where she teaches school and he is employ-

ed by Swift and Co.

Mrs. Rex Faulkner will host Home Makers Club, Wednesday, September 13.

Mr. and Mrs. Paul Byrd were among those attending the Whiteface Rodeo, August 31.

Mr. and Mrs. Woodrow Cunningham attended the rodeo barbecue at Whiteface, August 31.

Mr. and Mrs. J. R. Walker of Levelland and son, Robert, and grandchildren, Wanda Lee and Frankie, were guests in the Ralph D Bord home, Sunday, September 3.

Jennings Waitrip has recovered from a tonsilectomy performed recently at Phillip-Dupree Hospital, Levelland.

Wallis Stallcup was a guest of Donald Rhea Chesshir on Sunday, September 3.

Mr. and Mrs. Roy Dean Hill of Childress visited recently with her sister, Mrs. O. D. Chesshir and family in the Famuliner community. Enroute home they were guests of her mother and brother, Mrs. N. J. Russell and Jack in Lubbock. Jack, employed by Santa Fe Railway, is now working with a crew at Abernathy.

Mr. and Mrs. B. B. Harwell of Breckenridge and son Hugh, who plan to move back to their farm in about two months were out recently. They did some painting on their home.

Funeral services for Whiteface Man held Monday

Funeral services were held early this week for 80-year-old M. A. Cook of Whiteface who died in the West Plains hospital last Friday. Cook had been a pioneer resident of the county moving here in 1925.

Rev. O. A. Graydon, Lubbock Methodist minister came out of retirement to officiate at the services held in the Whiteface Methodist church of which Mr. Cook was a long time member.

Surviving are the wife; two sons, Earl of Holtville, Calif., and Zola of Shawnee, Okla.; three daughters, Mrs. Dona Cunningham of Levelland, Mrs. Marie Melton of Lubbock, and Mrs. Viola Yarborough of Detroit, Mich.; 12 grandchildren and 8 great grandchildren.

Also two brothers, W. F. of Levelland and I. B. of Clinton, Ark.; and two sisters, Mrs. Margaret Couch of Clinton, Ark., and Mrs. Anna Rutherford of Bronte.

Pall bearers were Leo Roulain, Fube Hudgens, G. D. Lyon, L. Bridges, C. W. Woods and Mr. Weeks.

September Finds Plenty of Work On Hand for Enterprising Farmers

By Homer E. Thompson

September is a month that a good many farming activities should be done, besides fighting leaf worms and cotton boll worms on cotton in 1950.

September is a month of planting cool season grasses and legumes, or should be in Cochran County. Grasses, as wheat, barley, rye, perennial rye, broom, all are cool season varieties and will produce well if moisture is available to start them. Usually it is in September, as it is now in Cochran County. By using the combination planting of a grass and a legume, you are killing two birds with the same stone, so to speak. Yes, a cash crop for grazing, harvest, or both, and a soil building crop growing at the same time.

By planting wheat as a grass and madrid clover as a legume, with normal fall weather and planting these two crops in between cotton or feed rows (Sept. 1, long before the feed or cotton is ready to harvest is an excellent plan.

About twelve weeks the cotton or feed will be all harvested, and your grass and legume will then be already established. Time is saved in this double cropping system by the dove tail method. Your land will have a winter crop to prevent blowing, but better still a cash crop or two perhaps, by grazing through the winter up until about March 1, 1951. Yes, and still another cash crop may be had, if weather conditions are still favorable (and sometimes it is). Take the cattle off the wheat and let it go till ready to harvest.

Besides a cash crop or two, one of the big reasons is the legume will not interfere with the wheat if harvested. Then, the legume is putting nitrogen back in the soil from the air and soil, most important here on sandy land, the legume is putting organic matter in the soil. Yes, tightening up of sandy land and loosening up of tight land.

Madrid Clover root is capable of growing down into the ground five or six feet deep, producing a root as big as your arm. It is a biennial. Think of two or three hundred thousand holes in the ground, 5 or 6 feet deep, 2 or 3 inches in diameter on one acre of land. Would this enliven the sandy soil here, would this hold a good deal of wind erosion, would this sink rain water, would this give the soil air in which to breathe and prevent water logging as seen this year on many farms in Cochran County by you and the county agent, too? Try it, and you'll know the answer.

Mr. and Mrs. Arlee Barnard and Mr. and Mrs. C. M. McMaster made a trip to Amarillo and Claude, Texas, Tuesday of last week.

Funeral Services for Whiteface Man held Monday

Funeral services were held early this week for 80-year-old M. A. Cook of Whiteface who died in the West Plains hospital last Friday. Cook had been a pioneer resident of the county moving here in 1925.

Rev. O. A. Graydon, Lubbock Methodist minister came out of retirement to officiate at the services held in the Whiteface Methodist church of which Mr. Cook was a long time member.

Surviving are the wife; two sons, Earl of Holtville, Calif., and Zola of Shawnee, Okla.; three daughters, Mrs. Dona Cunningham of Levelland, Mrs. Marie Melton of Lubbock, and Mrs. Viola Yarborough of Detroit, Mich.; 12 grandchildren and 8 great grandchildren.

Also two brothers, W. F. of Levelland and I. B. of Clinton, Ark.; and two sisters, Mrs. Margaret Couch of Clinton, Ark., and Mrs. Anna Rutherford of Bronte.

Pall bearers were Leo Roulain, Fube Hudgens, G. D. Lyon, L. Bridges, C. W. Woods and Mr. Weeks.

Ramseys Grow Vegetables in Six Foot Plot

The Elza Ramsey's grow vegetables in a six foot plot in back of Morton Hotel, which they own.

Mrs. Ramsey has fed her family on the garden fresh produce all summer and in addition has canned 25 pints of pinto beans, gathered from two short rows; and nine pints of butter beans.

Just now coming into their own now are "yard long" beans. This particular vegetable bears pods form eight to 12 inches in length.

The garden is irrigated at regular intervals.

MRS. FRALIN IMPROVING

Mrs. A. A. Fralin, who suffered a heart attack about three weeks ago, is improved but still observing rest periods each day on doctor's orders.

Adding Machine Paper at the Tribune Office Supply Dept.

NOTICE TO BIDDERS

Notice is hereby given that the Commissioners' Court of Cochran County, Texas, will receive bids at the Court House in Morton, Texas, until 10 o'clock a.m. September 25, 1950 for the purchase of one tandem drive diesel powered (100 H. P. minimum), power control motor grader with electric starter, hour meter, mufflers, enclosed cab, 13 foot moldboard, one 2 foot extension, 14.00-24 tires on all wheels, hydraulic power control for each adjustment, including hydraulic power steering. One used Galion motor grader will be traded in as part payment, and the Commissioners' Court reserves the right to reject any and all bids.

September Finds Plenty of Work On Hand for Enterprising Farmers

By Homer E. Thompson

September is a month that a good many farming activities should be done, besides fighting leaf worms and cotton boll worms on cotton in 1950.

September is a month of planting cool season grasses and legumes, or should be in Cochran County. Grasses, as wheat, barley, rye, perennial rye, broom, all are cool season varieties and will produce well if moisture is available to start them. Usually it is in September, as it is now in Cochran County. By using the combination planting of a grass and a legume, you are killing two birds with the same stone, so to speak. Yes, a cash crop for grazing, harvest, or both, and a soil building crop growing at the same time.

By planting wheat as a grass and madrid clover as a legume, with normal fall weather and planting these two crops in between cotton or feed rows (Sept. 1, long before the feed or cotton is ready to harvest is an excellent plan.

About twelve weeks the cotton or feed will be all harvested, and your grass and legume will then be already established. Time is saved in this double cropping system by the dove tail method. Your land will have a winter crop to prevent blowing, but better still a cash crop or two perhaps, by grazing through the winter up until about March 1, 1951. Yes, and still another cash crop may be had, if weather conditions are still favorable (and sometimes it is). Take the cattle off the wheat and let it go till ready to harvest.

Besides a cash crop or two, one of the big reasons is the legume will not interfere with the wheat if harvested. Then, the legume is putting nitrogen back in the soil from the air and soil, most important here on sandy land, the legume is putting organic matter in the soil. Yes, tightening up of sandy land and loosening up of tight land.

Madrid Clover root is capable of growing down into the ground five or six feet deep, producing a root as big as your arm. It is a biennial. Think of two or three hundred thousand holes in the ground, 5 or 6 feet deep, 2 or 3 inches in diameter on one acre of land. Would this enliven the sandy soil here, would this hold a good deal of wind erosion, would this sink rain water, would this give the soil air in which to breathe and prevent water logging as seen this year on many farms in Cochran County by you and the county agent, too? Try it, and you'll know the answer.

Junior High Welcomes Gift of Allegro Club

A brand spanking new set of World Book Encyclopedia has been added to the Junior High library as a gift of the Allegro Club. Plans are being made by a committee composed of Mrs. Wilson, Mr. Key, Mr. Massey and Mrs. Gowdy, chairman, to catalogue the Junior High Library and operate it in a modern manner under the supervision of the above teachers. It is hoped that the school library may become a greater center of interest to all students. Members of the L'Allegro Club have been making annual additions to the Junior High Library club project. We invite them and any other interested patrons to come by and see the library materials and special books.

MILLER MOTOR COMPANY
MORTON, TEXAS

-- annegrams -- by ann england --

Noticed Courtney Sanders STILL passing out cigars and his son is now nearly a week old. Little G. C. Jr., will have to go some to be as cute as his two big sisters, Ann and Jane.

Understand Jane considered trading him off for a shetland pony right at first.

Well its nice Vivian has some one to stay home with her since Jane started to school this year. Ann has been going now for three years.

We knew it—Mrs. Gowdy got the 1936 Study Club report in bright and early Monday morning. Saw her at Yvonne's shower and she looked soooo nice—actually believe she gets younger as the years pass. Of course a lovely summer vacation and a new grand baby might have something to do with it.

Mrs. T. W. Roberts came by Saturday evening—we were piled up in bed—could hardly have been anywhere else since Dr. Metzner had strapped us with adhesive for pleurisy ridding purposes. Before he strapped us we couldn't breathe (bad habit we have) and afterwards that was all we could do.

Anyway we thoroughly enjoyed Mrs. R. She is gracious, cultured and charming and just as pretty as pretty.

Auxiliary nominating committee MAY have erred in selection of other officers (at least one of them) but retaining Mrs. Roberts as chaplain was a smart move.

As far as we personally can see (maybe still one exception) the new list of Auxiliary officers is all right.

We hope to get the thing rolling with a meeting at Vagabond House this Saturday afternoon of new and retiring officers. Anyway plans for installation will be made along with tentative outline of year's program.

Mr. and Mrs. C. A. Baird came by for awhile Friday evening. Brought three kinds of cake—which was much appreciated and enjoyed along with coffee.

Saturday night Mrs. J. A. Holman brought the spouse's supper—and he certainly appreciated it. Don't see how she managed as she had two sick grandchildren at home and was trying to get ready to attend a family reunion Sunday in Portales.

Lot of this new fangled medical treatment is beyond our

comprehension (we, being of the old whiskey and mustard plaster school). Dr. M sent a Rube Goldberg contraption, through which we were supposed to breathe and in so doing cover the respiratory tract with a fine medicated powder. It took the spouse an hour to put the thing together.

Jewel Chesher has had a cold and flu, as well as a lot of others around here. Talked with J Monday and she said she wasn't improving very fast so just decided to get up and go on with usual activities. That is about the same attitude we took.

Couldn't resist passing on a very nice letter received from Mrs. Andrew Essary:

Please renew our subscription to the Morton Tribune. We don't think we can get along without it. It's like making a visit home every week.

Please send it to the above address rather than the one you've been accustomed to sending it and I will be all finished with it by supper time. Andrew brings it in from the store at noon (when he doesn't forget it) and hasn't had time to read it of course, then he complains because I stay hidden behind it while he eats his lunch in complete silence, except for an occasional question which bounces back in his face like an echo. I still say it is the newsliter paper we read and the best, of course.

We still miss the Essarys around here and everyone says their new baby girl, Eltha (Mrs. Russell's namesake) is just darling. We are most grateful for your kind letter, Geneva.

Had to miss Guild picnic Monday night. Fried chicken too—but we have so many things scheduled beginning this weekend, felt we must stay in out of the night air and make further effort to get rid of our ailments.

Monday noon we drove around a bit looking at the new homes. So many—and such large places—goodness Morton is growing.

The E. L. Willis place looks as if it is nearly finished; the exterior is a pretty soft shade of green; couldn't get in, as door was locked.

Walked all through the Lloyd Evans place and it is unusually attractive; as is the Willard Cox home. The former has the most storage space we've ever seen in a house that size; lucky Mary.

The Ray Baker house is enormous; it seems to be getting done rapidly too. Expect Birdie thinks it mighty slow, since she is waiting to move in.

We remarked that Vagabond House certainly looked shabby in comparison, so the spouse very generously offered to buy another can of paint so that we might do some more redecorating.

Talked to Fred Morrison earlier in the week—he had just returned from Lubbock where he'd been with Wilma since Friday, when she was operated on for the fifth time. At the time he left she was feeling better after several rocky days.

The spouse says, "In some of the modern steps, dancers exercise everything but discretion."

Whiteface F. H. A. Chapter Holds First Meeting

The Whiteface F. H. A. Chapter met for an organizational meeting in the Home Economics room on September 6, 1950.

The following were elected to hold offices: president, Donna Roulain; vice-president, Sandra Fitzgerald; secretary, Judy Carter; treasurer, Jean Wood; reporter, Jean Brown; parliamentarian, Gayle Webb; song leader, Ruby Rauls; game leader, Norma Davis and historian, Wanda Wylie.

Plans were made for money making, socials, and the Year Book.

An invitation party for the first year chapter members was held on September 11, 1950.

Back in 1880 it was considered an insult to receive a typed letter. The recipient's attitude was "I can read ritin!"

L'Allegro Jr. Study Club Holds Dinner Honoring Mrs. R. D. Ormand, President

Honoring their new president, Mrs. R. D. Ormand, the L'Allegro Jr. Study Club had a buffet dinner at the home of one of its members, Mrs. Charles McDermott last Thursday evening at 7:30.

A floral arrangement of pink roses flanked by three branch candelabras with green tapers decorated the linen covered table. Tomato cocktail, chicken creole, frozen salad, relishes, hot rolls, coffee and sweets were served by the hostesses Mrs. R. H. Barker, Mrs. Raymond Strickland, Mrs. Bob Dunham, Mrs. J. C. Reynolds, Mrs. Paul Goodman, Mrs. Tom Arnn Jr., Mrs. Ken Neavitt, and Mrs. Donna Todd. Members and guests were seated at quarter tables.

The program included the introduction of the new president by Mrs. Wendell Watson, first vice-president; the President's Greetings from Mrs. Ormand, and presentation of the Yearbooks by Mrs. Tom Arnn Jr. Recognition was made by the president to the program committee, Mrs. Watson, Mrs. Tom Rowden, and Mrs. Norman Monk, formerly of Morton, for the program planned for the year. The study course is "Better

Homes, Better Citizens, A Better World." The other committee receiving special recognition was the yearbook committee composed of Mrs. Charles McDermott, Mrs. Tom Arnn and Mrs. Paul Goodman. The club projects for the year are to sponsor the Blue Bird organization, aid the colored school, and start a scholarship fund for a deserving senior.

Special guests for the dinner were Mrs. C. M. Cravy, present advisor, Mrs. Joe Gipson, a past advisor and Mrs. J. W. McDermott, visitor.

Other members present besides the hostess and special guests were Mrs. Hettie Rowland, Mrs. Wendell Watson, Mrs. Tom Rowden, Mrs. J. T. Porter, Mrs. Fred Danforth and the honoree Mrs. Ormand.

The next meeting will be with Mrs. Ken Neavitt, Sept. 21. "Our Part in Spiritual Guidance" is the topic to be discussed on the program by Mrs. Herman Raphael.

TRIO TO LUBBOCK
Mrs. Roy Hill, Mrs. C. C. Reynolds and Mrs. Elizabeth Greer spent last Thursday in Lubbock.

1936 Study Club Holds Annual President's Dinner

The 1936 Study Club held its first meeting of the year, September 6, 1950 at 8:00 p.m. in the home of Mrs. J. D. Hawthorne, with a President's Dinner honoring Mrs. Scott Hawkins.

The formal dinner was followed by a lively forum discussion of the Declaration of Independence pointed up by references from the Bible, showing Man's inhumanity to Man.

Hostesses for the evening, as well as members of the discussion forum were Mrs. E. A. Miller, Mrs. P. B. Ramby, Mrs. Elizabeth Greer, Mrs. James St. Clair, Mrs. Mary Ellen Gowdy, Mrs. H. S. Hawkins and Mrs. Hawthorne.

Members, other than the hostesses, present were: Mrs. C. M. Cravy, Mrs. Joe Gipson, Mrs. W. R. Hatcher, Mrs. L. F. Hargrove, Mrs. Scott Hawkins, Mrs. Gage Knox, Mrs. J. B. Knox, Mrs. M. C. Ledbetter, Mrs. Loyd Miller, Mrs. J. B. Nicewarner, Mrs. Neal Rose, Mrs. R. C. Ross, Mrs. F. F. Roberts, Mrs. Hume Russell and Mrs. Fred Stockdale.

MISS GRACE ANN HAWKINS left Wednesday for Lubbock where she will again attend Texas Technological College.

MR. AND MRS. L. B. CHILDS attended a showing of fall merchandise at the Hilton Hotel in Lubbock, Sunday.

OVERHEARD ON THE FAIRWAYS OF MORTON COUNTRY CLUB

Rain, rain, go away, come again another day. Amen. Now I'm not a regular member of the Amen Chorus at church, but I guess enough of a good thing is enough. I believe that we have had enough rain. This is supposed to be a droughty country and it is turning out to anything but that.

It interferes with our golf game, it makes the farmers unhappy because they have spent a lot of money on DDT and more appetizing chemicals for these bugs, worms, insects or something. An Entomologist would be in his seventh heaven out here with all these different kinds of things above mentioned. Practically every one I've talked to lately thinks the worms are going to eat up everything they have grown so far.

The worms haven't bothered the "Rough" at the Country Club. I guess this is the one place in the entire county that is not bothered by worms. It is as prolific as I have ever seen it. Just last Sunday I saw Bill Williamson, James St. Clair, and Hume Russell inspecting the "Rough" and thought they were looking for Boll Worms, but instead James accidentally hooked one into "No man's land" and they were hunting it.

Saw Mrs. Williamson, Baldwin, and Willis out there swinging and swaying and they were right down the middle too. I even asked Mrs. Williamson to hit one for me like that beauty on No. 1, but she declined.

Tip Windom looked as tho he was selling Babe Van and Button Silvers a big bill of Phillips 66. He had his hand out behind him on several of those holes.

Sure enough, that prexy did slip off and wander down to Big

Spring last week. Kinda nonchalantly he decided he'd just visit the Country Club there and see what was going on. It's amazing how he "just happens" to drop in on those occasions, but he did and believe it or not he is carrying around a beautiful gold Cigar lighter (he doesn't smoke cigarettes, his friends won't give him any), with his name engraved on it. Practically everyone in town has seen it by now. He won the 6th flight Consolation. This is all he had time to tell me yesterday morning while I was sipping that dime coffee at Ramby's drug.

I had been warned ahead of time that he wanted me to ask him about it. You see, Snoball and Brother Cox and yours truly enjoyed a big laugh Sunday afternoon while playing nine, telling about how Prexy fooled 'em. Since he wasn't along with us, we could talk all we wanted to. I am exactly thirty cents richer than I was, and all I need to satisfy a certain banker now is nine thousand, nine hundred, ninety nine dollars and seventy cents. At this rate Methusala would have been a youngster, before I could pay off the debt.

I guess Jerry Stone left a good impression on a lot of golfers, cause I saw more of them in the fairway Sunday than I had seen all summer, at one time. Wish he had come our way a little sooner. So until next summer's tournament rolls around, we'll string along takin and puttin till another sucker comes along. Adios.

Friends Surprise Charley Taylor On Birthday

C. L. Taylor, confined to his home with a broken hip, was pleasantly surprised by a number of friends last Friday evening on the occasion of his birthday.

Mr. and Mrs. M. W. Ellington of Bledsoe brought in the principal part of a birthday dinner with other guests furnishing cake and other goodies.

Those attending including Mrs. Taylor and the J. T. Porter's and son, Jimmy, were Mr. and Mrs. C. A. Baird, Mr. and Mrs. Joe Gibson, Mr. and Mrs. F. F. Roberts, Mr. and Mrs. Alton Bursen, Mr. and Mrs. John L. McGee, and Mr. and Mrs. Tom Standifer of Bledsoe.

IT'S A BOY FOR THE G. C. SANDERS

Mr. and Mrs. G. Courtney Sanders are parents of a son, their third child, born Thursday, September 7, in a Levelland hospital.

The baby weighed seven pounds and has been named Grady Courtney. The Sanders have two other children both girls, Ann, 11, and Jane, 6.

Mrs. Sanders and the baby are at home, both doing fine, according to reports.

SINGING SUNDAY AT ASSEMBLY OF GOD CHURCH

An old-fashioned singing will be held Sunday afternoon, two thirty until four thirty, at the Morton Assembly of God Church.

The general public is invited to attend. Charley Pace, son of the pastor, will direct singing.

HILLS RETURN FROM VACATION

Mr. and Mrs. Roy Hill returned Monday from an extensive trip to Colorado and Wyoming. In Wyoming they visited Yellowstone National Park. They accompanied out of town friends on the trip.

Mary Helen Keith Awarded Tech Scholarship

College scholarships, the first in the entire state to be awarded 4-H girls on a district basis, were presented to Mary Helen Keith of Cochran county and Novella Crump of Lubbock county. Both are well known in extension service in District 2 for they have been winners in 4-H contests on numerous occasions.

In making the announcement, Miss Kate Adele Hill, district agent, says Miss Keith's scholarship is for \$500 and Miss Crump's for \$250. Funds for the scholarships were provided by the Home Demonstration Clubs, Farm Bureaus and by other interested individuals and firms in the area. The purpose of the scholarships is to assist worthy 4-H club girls who are capable of doing outstanding work in home economics and related fields and who are interested in attending Texas Technological College.

The scholarship funds will be handled by the Registrar of Texas Tech. Part of the scholarships will be available in September and the second installment will be paid at the beginning of the second semester if the student is doing creditable work. The funds are to be used to cover such items as tuition, room and meals, laundry, books and other school supplies and medical fees.

The awards were presented to the winners in special ceremony held in the Aggie Memorial Auditorium, Texas Technological College campus, September 9 at 11 a.m. Miss Hill says that all donors, families and friends of the two winners received special invitations to attend the ceremony. Mrs. B. M. Harris, Plainview, who is the custodian of the funds, made the presentation.

Miss Keith, 18, is the daughter of Mr. and Mrs. G. C. Keith, Whiteface, Cochran county, and is best known for her leadership activities in 4-H work. She is a veteran of eight years in 4-H, a Gold Star girl, State Fair Honor Award winner, 1949 state winner in Girl's 4-H Record Contest which was an all-expense trip to National 4-H Club Congress, Chicago and this summer she attended the American Youth Foundation Camp, Shelby, Michigan, after she had been named the most outstanding "four square" 4-H girl in Texas.

In commenting on the future of the scholarship program, Miss Hill says the County Home Demonstration Council chairmen of District 2 will meet in January, 1951 to decide whether or not the program will be repeated. She says the response to the plan was so generous this year that indications are good that it will be continued. Many individuals and firms made contributions to the fund without solicitation.

The district winners were selected by a judging committee composed of three county home demonstration agents of District 2; Miss Graham Hard, Lynn county; Miss Helen Dunlap, Terry

LEHMAN NEWS

by Mrs. Charles Sanders

The Lehman Home Demonstration Club met with Mrs. W. E. Gunter Wednesday, Sept. 6.

Mrs. J. W. Pond presided and the secretary, Mrs. O. L. Castle read the minutes and called the roll. Eleven answered.

The business of the day was a all day meeting to be held for the next meeting at Mrs. P. E. Liles on next Wednesday. The purpose is to quilt and bring a covered lunch and visit.

Mrs. G. V. Smith gave her report from the Texas Home Demonstration Association Convention held in Big Spring.

Several received gifts from their secret pals.

Miss Manley gave a demonstration on display of vegetables at a county fair. It was very nice and arranged correctly on the table.

Mrs. Gunter served delicious coconut cake and ice cream to all the members and one new member Mrs. Don Wilks.

Mr. and Mrs. C. L. Sanders and children spent Sunday evening with her brother, Robert Nance and family in Levelland.

Mr. and Mrs. L. C. Keith and Mrs. W. E. Gunter have returned from a trip to College Station and Marlin.

Mrs. O. S. Taylor has her house almost completed and will be moving into town pretty soon.

Mrs. Roy Hill and Mrs. Hessie B. Spotts attended a tea at the Littlefield Woman's Club last Wednesday.

Both Mrs. Hill and Mrs. Spotts are members of the Littlefield Art Club, which met in Littlefield, Friday.

Wesleyan Guild Holds Picnic At Church

Members of the Wesleyan Service Guild held the annual family night picnic in recreation room of the First Methodist Church, Monday night, Sept. 11.

The picnic originally scheduled for city park was moved to the church because of inclement weather. Many families were unable to attend because of illness and conflicting engagements.

Those attending and enjoying an evening of fellowship were Rev. and Mrs. Clarence Stephens and family, Mr. and Mrs. Arlee Barnard, Mr. and Mrs. P. B. Rambo and daughter, Mr. and Mrs. R. D. Ormand and children, Dr. and Mrs. V. L. Lawson and daughter, Mr. and Mrs. Lloyd C. Miller and daughters, Mr. and Mrs. Raymond C. Ross and children, and Mrs. J. D. Hawthorne.

TRAINING UNION LEADER ILL

Miss Jewell Merrill, who has been conducting a revival for the training union of First Baptist Church, has been quite ill a few days this week.

Field representatives of the American National Red Cross

Nursing Service were in Morton Wednesday conferring with local Red Cross chairmen in an effort to establish home nursing training courses in Cochran County.

RED CROSS TRAINING COURSE

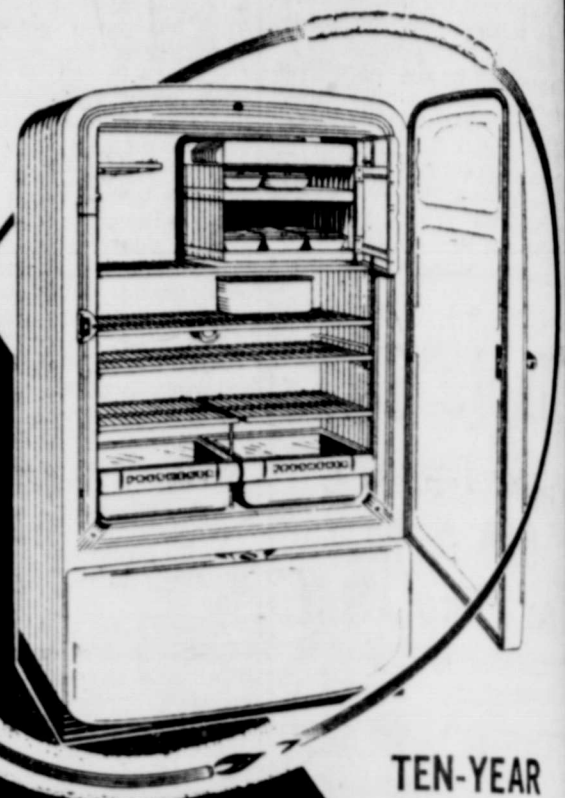

A 30 hour trainin course for home nursing instructors will be conducted by American National Red Cross at Legion Hall, Levelland, beginning November 1.

Girl Dies from Poisoning
 Kay Bryan, 19 months old, granddaughter of Mr. and Mrs. Vernon Wright died from poisoning. The child's illness was not noticed until Wednesday, Sept. 5, of her death at San Angelo hospital, where she had been taken after discovery that she had eaten the material. They left immediately upon receipt of the message for Ballinger, Mr. and Mrs. Steve Bryan, parents of Janice Kay. Bryan is the former Vernon Wright. She attended school in Morton and has visited here recently.

SUE SMITH ENROLLED AT TEXAS WESLEYAN
 Sue Smith, spring graduate of Morton High School, has enrolled as a freshman at Texas Wesleyan College, Fort Worth, she was taken to Fort Worth last week by her father, W. W. Smith. Sue plans to major in Religious Education.

ABILENE VISITORS HERE
 Mr. and Mrs. W. R. Cabanes and son, Ralph, of Abilene, Texas, were week-end visitors here in the home of her sister, Mrs. H. S. Hawkins and family. Funeral services were held Wednesday in Ballinger for the baby. Mr. and Mrs. Wright returned from Ballinger this week.

New Plants Program Introduces Foreign Flora to United States

The Texas Agricultural Experiment Station has launched a "new plants" program and already more than 2,000 foreign introductions and collections from the wild flora are included in the program.

Plants have been collected from practically all corners of the earth, except Russia and her satellites. Many have come from Central and South America, Africa, India, Turkey and the Philippines.

The purpose of the program is to find out if the crops under investigation can be grown commercially in Texas or if they can be used in the plant breeding work being done by the Station. Many of these plants may be resistant to diseases and the plants breeder will try to breed this resistance into new or improved varieties of our basic crops.

The program is being handled by a committee composed of Dr. R. G. Reeves, professor of agronomy and genetics, who is chairman; Dr. R. C. Potts, department of agronomy; Dr. O. E. Sperry, department of range and forestry; E. Mortensen, horticulturist, Winter Garden Experiment Station and Dr. H. T. Blackhurst, department of horticulture.

Substations and field laboratories of the Texas Station are studying each crop that the specialists feel may be adapted to the area in which the substation is located.

At Texas A. & M. College, the departments of agronomy, horticulture, range and forestry.

Fair Boosters in Morton Thursday September 28

Lubbock.—A group of Lubbock businessmen will be in Morton on Thursday, September 28 at 9:15 a.m. to pulicize the 33rd Annual Panhandle South Plains Fair to be held October 2 to 7.

The goodwill tourists are functioning under the auspices of the Lubbock Chamber of Commerce Goodwill Committee, headed by O. L. Gibson. A special program, including a costumed group from the cast of "Panorama of the Plains," will serve as a cordial invitation to the citizens of Morton to visit Lubbock during the fair.

Special invitations will be extended to the school children of Morton, and novelty souvenirs will be distributed by the Boosters. School children and Texas History enthusiasts will be especially interested in this year's feature attraction, "Panorama of the Plains." The giant production will retrace the development of this area with accurate scenes from the colorful history of the Panhandle South Plains. Approximately 1,000 people will re-enact the historical spectacle.

Other outstanding attractions at the fair will include a cotton exhibit which will explain the process required to change cotton from a seed into yarn. The Bill Hames Shows will provide carnival fun for all, and a greatly increased number of educational exhibits will be installed this year.

The premium list this year has been boosted to \$12,500. The chief increase in departments can be pointed to an approximate \$2,000 boost in the livestock division.

Fresh paint and paving have changed the appearance of the fair grounds this year. Workmen have been active completing a \$25,000 improvement program which includes paving of the streets and Midway, and the walkways in the livestock and swine barns.

LUBBOCK VISITORS HERE
 Miss Inez Culpepper of Lubbock visited here last week with her parents and family, also Mr. and Mrs. Bill Harris and Mrs. Roy Weekes. Miss Culpepper was en route home from a vacation trip to Albuquerque and Santa Fe, New Mexico.

FROM LAMPASAS
 Mr. and Mrs. Charles Cole of Lampasas are visitors this week in the homes of Mr. and Mrs. John Holloman, Mrs. Cornelia Lytle and Walter W. Lytle.

Miss Beth Winder Leads County in Queen Contest

Competition in the queens' contest for the title of Miss South Plains has shown increased intensity during the past week.

The contest is being sponsored by the Lubbock Junior Chamber of Commerce as a special feature of the 33rd Annual Panhandle South Plains Fair to be held in Lubbock October 2 to 7.

The young lady who wins Miss South Plains title will be awarded an expense paid trip to Havana, Cuba, or a \$500 cash prize. Contest Chairman W. O. Keeney said that thus far the queen contestants have sold approximately \$1,500 in tickets. The girl who turns in the greatest total ticket sales will win the South Plains title. Lubbock girls are trying for the Miss Lubbock County title, which furnishes the same awards.

A second meeting of the Lubbock girls held last week indicated that the battle for votes will begin in earnest here. The girls have been scheduled for radio broadcasts, and to appear on civic club programs. Similar plans are being completed in the area contest.

Standings thus far in the area are as follows:
 Miss Laquita Roberson of Tahoka, in Lynn County, is leading the field of contestants for "Miss South Plains" with 159,000 votes. Others from Tahoka include Miss Jo Horan, 70,000 votes; Miss Wanda Faye Marlin, 60,000; and Miss Patsy Claudine Locke, with 11,000.

In Lamesa, Dawson County, girls and votes are: Miss Shirley Magill, 38,000; Miss Phillip Martin, 26,000; Carol Jones, 32,000, and Winifred Burleson, 18,000.

In Brownfield, Terry County, Miss Carlon Brady is leading contender with 128,000 votes. Her opponent, Miss Diana McIlroy has 33,000.

In Littlefield, Lamb County: Miss Connie Wray Honning totaled 72,000 and Miss Nancy Jane Garrett has 68,250.

Morton, in Cochran County, are: Miss Beth Winder, 78,000; Mrs. J. C. Reynolds, 67,500; and Katie Lou Smith, 39,400.

Muleshoe, Bailey County, contestants are: Billie Faye Graves, 33,000 votes; Dixie Lee Jennings, 27,500; Gay Sanders, 20,150; Mrs. Melba Fudge, 38,900, and Miss Kay Malone, 10,000.

Plains, Yoakum County, Mrs. Louise O'Neal has 72,200 votes.

Plainview, Hale County, Miss Virginia Fields, 131,500. And from Hale Center in Hale County Betty Thomas has totaled 94,700 votes. From Abernathy, Janelle Stambaugh has 79,500; Pat Dyer, 41,000; and Jerry Norris has 41,000.

The only entrant from Crosby County is a Ralls girl, Miss Betty Ruth Noble who has 69,100 votes. In Hookley County Miss Sylvia Francelle Bingham of Anton has 62,000 votes. In Levelland its Miss Thelma Dee Keel with 110,000; Alma Deere with 76,500, and Lela Paxton with 85,000.

One girl from each of the above counties will become princess of the Panhandle South Plains Fair, October 2 to 7. The top vote-getter in all of these counties will be Miss South Plains. Princesses will be awarded a \$25.00 savings bond and other prizes, and will take an active part in "Panorama of the Plains," a historical pageant to be staged during the fair.

Morton Indians Face Ralls in Home Opener Here Tomorrow

Fans Poised For Wide Open Attack As Indians Seek First Victory

The Morton Indians with an impressive showing against Abernathy last week, returned home to open their local slate against the Ralls Tigers, Friday.

Somewhat disheartened because of the closeness of their 7 to 6 defeat, the Indians were nevertheless determined to hit the comeback road for local fans. Outgained and outrushed by the Antelope eleven, Morton drew lots of favorable comment despite the loss. The Abernathy team was picked to win their conference crown and Abernathy's staunch supporters said they hadn't remembered when any team had stopped Jimmy Miller from scoring at least one touchdown in a game.

Coach Herman Raphael was more than satisfied with his Indian showing commenting that the boys would drill this week on fundamentals. The Ralls crew dropped a game to New Deal last Friday.

Jimmy Coats was expected to be back in shape for the Ralls encounter after being forced from the Abernathy game last week with a head injury. His return should bolster the aggressive defensive lineup that rose up in the clutches last week to slap down several Abernathy scoring threats.

Indications were that Morton fans might expect some more passing this week. Quarterback Lanar Burns, with only a limited display of his passing wares, impressed fans last week with his bulletlike bullseyes.

Two of the most heartening points to the credit of the Indians were the fine ball handling that resulted in just one fumble in the entire opening game and the excellent pass defense that netted Morton a pair of pass interceptions and a near miss on another.

Morton is expected to be at full strength for the game. No report on the condition of the Ralls

team after their game last Friday, has been received.

The starting lineups for the Morton-Ralls game plus some individual information about the game may be found on page one of the Tribune.

7th Inning Error Gives Arnn Motor 7 to 6 Triumph

From hero to bum in one easy lesson was the plight of the Hawkins left fielder, Bob McCarty at the softball diamond Monday night. McCarty, with Hawkins trailing Arnn Motor 5 to 4 in the first half of the seventh inning of their tournament game, smashed a two run homer to put Hawkins ahead 6 to 5.

Then, with two away and two men on base in the Arnn half of the final inning, McCarty raced in to camp under a short fly ball only to drop the ball and while it was being fielded and thrown in, the tying and winning run scampered home.

By virtue of their 7 to 6 triumph, Arnn qualified to meet Enochs on Tuesday. Hawkins was set to play Maple in a do or die 2nd game. The tournament is a double elimination event.

Line score:
Hawkins — 0 1 0 0 3 0 2 — 6 7 5
Arnn — 2 0 1 1 1 0 2 — 7 10 5

Enochs Routs Maple in Playoff By 12 to 4 Count

A 6 run, 6th inning blew the Maple-Enochs playoff game wide open Monday night as Enochs raced to an easy 12 to 4 victory. Enochs only was able to collect 11 hits off Ford and Sowder but six Maple errors, two hit batsmen, and three walks added to the Maple downfall.

Johnny Vandeventer hurled four hit ball for Enochs but two of the hits were home runs and accounted for three runs. Neutzler and Stafford hit circuit clouts for Maple.

Enochs — 0 2 1 2 0 6 1 — 12 11 3
Maple — 1 0 2 0 0 0 1 — 4 4 6

Morton's bowling team will open league play in Lubbock Wednesday night at the Plamor Bowling alleys.

Abernathy Trips Indians, 7-6 On 1st Quarter Blocked Punt

One fine play by Abernathy's gigantic, 220 lb. guard, John Loper cost the Morton Indians a victory in their season opener last week at Abernathy. Although Abernathy out rushed and outgained the Indians all night long, they scored just one time when Loper threw himself at Morton's Lanar Burns and blocked a punt deep in Indian territory. Erby Rhodes, 145 lb. Senior halfback then recovered the pigskin behind the Morton goal and that was Abernathy's touchdown.

Actually the kick for extra point by Jimmy Miller was the payoff boot for Abernathy. Miller's educated toe directed the ball squarely between the uprights and thus added the margin of defeat as the Indians bowed 7 to 6.

But kicking wasn't the only accomplishment of Miller. It was his twisting runs and driving line smashes that ate up most of the 210 yards the Antelopes gained from scrimmage. The other thorn

in the Indians' side was, as had been anticipated, Harold Cunningham. The 6' 2" sophomore quarterback proved too tall for onrushing Morton linemen. Time and again he was able to execute hand offs and laterals over the heads of would be tacklers.

Certainly no one can take anything away from the Abernathy team. They outrushed Morton all evening long and picked up 13 first downs to 10 for the Indians. Coach Boyce Box had his men in good shape and at several points in the game, only scrappiness on the part of Morton kept the Antelopes from scoring again.

Actually the turning point in the game for Morton came when fullback Jimmy Coats was injured early in the fourth quarter. Coats, both on offense and defense was easily the outstanding man on the field. He picked up better than half the Morton yardage and several times was the only defender who could stop Jimmy Miller. On the second play of the final stanza, Coats carried the leather from the Abernathy 44 to the 41 where he was hauled down by a vicious head and neck tackle. Coats had several previous head injuries and he had to be half carried off the field.

The Morton drive got ten yards closer to the Antelope goal and then, without their power runner, they bogged down and never had another chance to score.

It would be hard to single out any other defending Morton stars. Lanar Burns' passing and Waydelle Hill's receiving were a

threat throughout the game but they just didn't get together often enough. The Morton line played doggedly and determinedly but a lack of polish on fundamentals showed clearly. Their tackles were not clean and too often Morton defenders hit the runner high on the legs and were thrown off harmlessly. The lightness also showed markedly in several of Morton's littler men found themselves unable to stop the drives of Miller, Barron, and Cunningham.

But from the Morton side of the ledger the picture was perhaps a little better than had been anticipated. It must be noted however that if Coats' injury keeps him sidelined, the Indians will have lost their best defensive back. If he gets back in the game soon, the Indians may be hard to handle.

Hawkins Errors Give Enochsmen 4 to 3 Triumph In Playoff Tilt

Enochs took advantage of four Hawkins errors to defeat the Oldsmobile team 4 to 3 and claim the second half championship. The two teams had tied previously for the crown and this game was played to decide the standings in a Shaughnessy playoff which was scheduled late last week.

Enochs outhit Hawkins 9 to 8 in a game that was close all the way. But the actual margin, in fact all of the Enochs runs, were the result of Hawkins errors. After Hawkins had bunched three hits in the opening stanza for a pair of tallies, they remained in the lead until the last half of the third frame.

In the 3rd, Arthur Van singled with one away and stole second. The Hawkins second baseman dropped Dukes' pop fly in center field and then the shortstop threw the ball away. Harry Pollard was safe on an error at third loading the bases. Lamar's long fly scored one run and E. Thomas and J. Green singled to plate the other two tallies.

What turned out to be the winning run scored in the 5th when Pollard and Lamar put together singles and an error at first base plus a passed ball pushed across the winning run.

A Hawkins rally in the 7th frame fell one run short as

Hawkins grounded out second first to end the game. Enochs played errorless ball. Johnny Vandeventer who recorded a pair of strikeouts and a pair of walks. Hall issued one walk and fanned none.

Line score:
Hawkins — 2 0 0 0 0 1 — 8
Enochs — 0 0 3 0 1 0 — 4

Reynolds Takes Games from Westcamp Team

The Reynolds Tiresmen took their fourth and fifth straight victories of the season over Westcamp in a double header game at Muleshoe last Sunday. Reynolds triumphed in the first 13 to 5 and then came back to take the afterpiece, 10 to 7.

Arnold Groce twirled the victory for Reynolds, a man affair in which his mates pitched out an even dozen walks. Earl Kernell won the nightcap, spicing 6 hits over the 7th route.

FOOTBALL TEAM ROSTER GROWING; 27 SIGNED
Twenty-seven men have signed up for the outsiders football team being organized in Morton.

Softball Playoff Changed Because Of Bickering

Bickering back and forth over who was qualified to play for the Morton city softball championship has resulted in a revision of the playoff arrangements for this year.

Several players refused to participate in the tournament as it was originally planned back in April and as a consequence the local commissioners decided to make arrangements which would be agreed upon by all, rather than split the league wide open at such a late date.

Under the new setup, the City Softball League will conduct a Shaughnessy Playoff in which the top four teams participate. Just the standings in the second half of the season are being used and that pits the first place team, Enochs against fourth place Maple, Arnn Motor and Hawkins meet in the other first round games. As scheduled now, the playoff will be conducted not as a series but as a double elimination event. The losers of the first two games will meet and the winners will meet.

The playoff was scheduled to start last Monday evening. Enochs, by virtue of a victory over Hawkins, became the winner of first place in the second half of the season giving them a sweep of both championships.

Football Tonight Pits Grade School Against Sundown

Morton football fans will have a chance to get a first hand look at the 1950 7th and 8th grade football teams in action tonight on the local high school gridiron. The 7th graders will meet the Sundown 7th grade team at 7:30 tonight and immediately after the conclusion of that game the 8th graders will square off.

Under the coaching of Bill Hartgraves, it is hoped that a grade school knowledge of football fundamentals will turn out better Morton High School teams of the future. The system was started last year and paid off with two of the best grade school teams in the area. Several members of that 8th grade squad are bolstering the Indian High School team this season.

The real payoff shouldn't come for about two more years. At that time, nearly every boy that enters Morton Senior High school with the intention of playing football will have three years of good training under his belt.

The 7th grade team will have on its roster: Jerry Hanson, Dick Kennedy, Ronnie Arnold, and Eugene Swanner at ends; Eugene Thompson, Tommy Robinson, Jessie Purifoy and Aeron Rowland at guards; Kenneth Welch and Douglas Betts at tackles; and Reed Crockett, Lowell Bowman, Max White, Bobby Neagle, Cloyce Ford, Gail Odom and Ed Lloyd at backfield posts. The center is Floyd Nesbitt.

The 8th graders are: Alfred Coats, Don Hammonds, Frank Williamson and Paul Cox at ends; Gerald Ramsey, Don Maccon, Ross Wright, and Connie Carter at tackles; Bobby Smith, Frank Head, Don Wilson and Sid Harrison at guards; Donnie Waller and Curtis Cleavenger at center; and Jerry Mills, Clyde Lindsey, Royce Hanna, James Holleyman, Harvey Winder, Richard Greer, Lyndall Bursleson, and Floyd Ruthardt in the backfield.

What's What With the Bond Issue?

The turnout for the bond rally last week at the Courthouse certainly heartening. Despite the fact that rain forced the meeting to be held indoors, nearly 100 persons went along to see the plan unfolded.

Never before in the history of Cochran County has so much cooperation been shown between the various communities. The people of Cochran County know what they want. Only a little understanding about all the issues stands between them and defeat of the plan.

Those who are in charge of the various committees must see to it that all the way. No halfway job will insure passage. The project seems to be rolling along very well. Now, two very important issues must be decided upon by the people and then put to the people. First, the people must know what the community is going to receive before they even vote on the issue. Secondly, they must know how much money is going to be raised for each project.

The surest way in the world to defeat the plan which has been worked so hard to get, is to find ourselves unable to give the voters what they are going to get. A vague idea is not enough. Generalizations are dangerous. Stalling them off to make someone suspicious of the intentions of the leaders and the plan.

Let's get this park issue out in the open, now, before any one has a chance to make up their mind that one certain person or group of persons is pulling a fast one.

What Are Street Names For?

Last year, when the Morton Lions Club spearheaded the street naming and house numbering project in Morton, many of the residents were uninterested until it was pointed out that street naming and house numbering would have to come later if the town was to grow.

The idea caught on and street numbers were assigned to each building and names were assigned to each street. At least some of the markers that were to be installed found their way to the proper destinations.

Right now there are still many residents who do not have their numbers on their homes. There are also several interchanges that have no markers, but this week an order for 71 sets of markers was placed. The people of Morton should learn to adopt the numbers system.

By far the majority of people in Morton still give directions by many blocks east and so many blocks south of a certain location. As long as this continues, the city of Morton will never progress.

It would be a simple matter for everyone to at least learn their house number and the name of the streets that surround the block in which they live.

By simply adopting the habit of calling the streets by name, we can soon learn the names of all the streets in our town. An added emphasis placed on house numbers and street names would soon gradually cause others, who have no numbers on their house, to find out their house number and put it on their house.

Let's all get together and learn to use our street names and numbers.

LOOKING AHEAD

By George S. Benson, President, Harding College, Searcy, Ark.

It seems clear now that our federal government must make war-scale military expenditures for an indefinite period. Regardless of the duration of the Korean conflict, it already has demonstrated that neither our present nor our previously planned military strength would be sufficient in an all out showdown with the sprawling Communist war machine. Our government must therefore spend heavily, at least during the next several years, to build up the fighting strength of the armed services.

The new spending for actual war, piled on top of the already huge "cold war" outlays and the other staggeringly expensive federal government services which have mushroomed in the past 20 years, creates a whole new series of national problems and dangers. In war time or in any prolonged preparation for war, a danger that can be equal to that of war itself is the abnormal growth of government in size and power and cost.

An Historic Danger

Power once conferred upon an individual is seldom voluntarily given up. The same truth applies in government, only more so. History confirms this. Many of our federal government's controls, taxes and spending programs adopted as emergency measures prior to and during the last war are still in force—five years after the end of the war (for instance, travel and communications taxes). Our free enterprise economy has survived this burden but not without injury; and any new controls and burdensome taxes that might be extended over a long period could very well fatally cripple our system.

Another danger about which our people need to be alerted is the intensification of the undercover work of those movements seeking to scrap our capitalistic enterprise system. Probably the greatest menace created by the 500,000 American Communists and fellow travelers will be in their Fifth Column work fomenting strikes in vital industries, otherwise sabotaging war production, and agitating for disunity. The menace of the disguised Socialists, or Planned Economy advocates, will not be so easily recognized, and that fact makes their movement the more dangerous.

England's Example

We now know that the British Socialists did their decisive work in England while opponents of Socialism were preoccupied with the war. To a few Fabian strategists and a few alert observers who had watched the infiltration of the slyly disguised Socialist propaganda into all British thought, the sudden rise to power of the Fabian's Labor-Socialist Party at the end of the war was no surprise. To almost everyone else, in England and America, it was.

If our economy should become critically strained because of the terrific burden of this new war effort following so closely upon the sapping cost of the last one, our capitalist system might be able to promise only "blood, sweat and tears"—something like the sacrifices, hard work and heartbreaks experienced by our forebears who established freedom in America. The disguised American Socialists would step forward then, as they did in England, with their rainbow of promises—"the good life, jobs for all, security for all from cradle to grave, fair shares"—all provided by the "Welfare Government."

Wisdom Needed

Therefore the health of our national financial structure—our economy—is of paramount importance. Even the wisest and sanest management of the government's fiscal affairs will be fraught with constant dangers.

Gen. Omar Bradley, chairman of the Joint Chiefs of Staff, himself recognized these dangers when he observed there was a limit on what a nation could spend "without imperiling its economic survival."

And so to sum up: The nearer we come to balancing all government budgets, federal, state and local, whatever the cost in temporary sacrifices, the less will be the inflationary pressure and the more certain we can be of economic survival. And above all else, each citizen should serve as a committee of one to expose the disguised Socialists at work and to keep the public everlastingly aware of the value of individual freedom—so we won't lose it at the end of the war emergency like England did.

Former Mortonite Receives Degree At SMU University

Jesse Albert Armstrong, son of Rev. and Mrs. C. C. Armstrong formerly of Morton, has received a BS Degree in the College of Business Administration at Southern Methodist University the Tribune was informed this week.

FIGHTING CRAB GRASS

The prize crack of the week comes from an Arkansas farmer who has been fighting crab grass all his life. He declares that when crab grass is pulled up by the roots, piled on top a flat stone and dried for weeks, and then burned, it will take root and flourish wherever its smoke touches the ground.

THE LAW AND YOU

by Rob't. (Bob) Kirk
County Attorney
Lamb County, Texas

Do You Know what a Power of Attorney is, and what authority it gives?

A power of attorney is a delegation of authority from one person to another. The one giving the power of attorney is designating another to do certain things for him, just as if he, the giver of the power, were present and doing the same. A power of attorney may be restricted to one single act, or it may be broad enough to authorize the attorney in fact to do any act, or exercise any authority that the grantor of the power could do in person.

Powers of attorney are very useful in many situations, but one giving the power, should be very careful to whom he gives the power, and should be certain that the power gives exactly the

authority of the attorney in fact that he wishes him to have. An attorney in fact is limited by the exact wording of the power, so sufficient authority should be given; but it should be borne in mind that the attorney is limited only by the power, and should not be given more authority than necessary.

Just because she's always up in the air and harping about something doesn't make her an angel.

Gala Spectacle to be Highlight of 33rd Annual South Plains Fair

Highlighting the 33rd Annual Panhandle South Plains Fair October 2 through 7 will be one of the greatest spectacles ever presented in West Texas. Fair officials announced recently. The spectacle is entitled "Panorama of the Plains" and will be presented nightly in front of the grandstand during the fair. Over one thousand people will make up the cast and the production will be presented on a 300 foot stage. The spectacle will be arranged and directed by the John B. Rogers Producing Company of Fostoria, Ohio.

Patrons who see the spectacle will witness the breathing, living history of the colorful past of the South Plains. All of the beauty and grandeur of West Texas will be portrayed, the Rogers Company stated, that persons sitting in the most remote spots in the audience will be able to hear—and the lighting and scenery should actually make the history of the South Plains come to life in front of the eyes of many old timers.

Lubbock is in store for loads of fun prior to presenting "Panorama of the Plains." In advance of the spectacle the Hub City will virtually live the colorful past of the history of the South Plains. Bearded gentlemen with neat derby hats and women wearing gala costumes and spectacle hats will be a common sight around town. But even more odd, wooden money that has a real face value will be circulated in the city.

The next few weeks in Lubbock will include: Queen Contest: Two young ladies, winners of the Queen's Contest, will receive an expense paid trip to Havana, Cuba, for each of them and a companion of their choice—or \$500.00 in cash each. One girl from Lubbock County who gets the most votes will be crowned as Miss Lubbock County while another girl outside Lubbock will represent one of the 15 surrounding counties as Miss South Plains. The 14 remaining runners-up will act as princesses of the Queen's Court during the spectacle and will receive valuable gifts. W. O. (Bill) Keeney is the chairman of the Queen's Contest for the Junior Chamber of Commerce.

Beard Contest: Beginning the latter part of August all men in Lubbock will be expected to grow beards for the Beard Contest to be held at the "Panorama of the Plains." Any male in Lubbock,

who does not wish to participate in the event may purchase a shaving permit from one of the members of the South Plains Spectacle Committee—otherwise he will have to answer to a hard-boiled, gavel-swinging judge at a kangaroo court, which will be very active prior to the spectacle. Victims who "sweat-out" their beards may enter any one of the Beard Contests such as: whitest beard, blackest beard, longest beard, shortest beard, ugliest beard, most beautiful beard, etc.

Miscellaneous Attractions: Other events tentatively planned in advance of the "Panorama of the Plains" are: music parades, pre-celebration dances, costume contests, etc.

John E. Vickers, President of the South Plains Spectacle, Incorporated, said, "We hope all of our neighbors on the South Plains will come to the Lubbock many times prior to the "Panorama of the Plains" and join in the pre-celebration festivities of one of the greatest spectacles ever to be held in our area. We are anticipating one of the largest area crowds to be present at the spectacle than at any other attraction ever held in Lubbock. And we believe that the educational value and entertainment offered at the "Panorama of the Plains" will be appreciated and enjoyed by all who attend.

CARD OF THANKS
We want to express our heartfelt gratitude to every one for the many kindnesses extended our loved one, Ethel Crockett, during her long and final illness. Flowers, visits of her friends and the many messages, meant so much to her while she was bed-fast.

Every thing you did for the family at the time of her death is deeply appreciated. The beautiful floral offering and messages of condolence made our sorrow easier to bear.

Sincerely and gratefully,
J. S. Crockett and family.

Mrs. O. D. Vernon Honored With Bridal Shower

Mrs. O. D. Vernon was honoree at a bridal shower in the home of Mrs. J. A. Holloman, Tuesday evening, September 5. Assisting Mrs. Holloman in hostess duties were Mesdames E. McLellan, R. H. Langrill, Ran Holloman and Herman Crockett.

Refreshments of punch and cookies were served from a lace covered table centered with an arrangement of scarlet dahlias. About 25 registered during calling hours. Gifts were received from many unable to attend.

ARTIE BACK ON JOB AFTER VACATION AT FORT CLARK RANCH
Artie Hicks, business manager at West Plains Hospital, is back on the job after spending eight days at the Fort Clark Ranch near Brackettville, Texas.

Mr. Hicks was joined at the popular resort by his brother, Doug and Mrs. Hicks, of Houston. The holiday were spent in fishing, swimming, horse back riding and other vacation activities.

MORTONITES TO O'DONNELL
Mr. and Mrs. Lem Chesher and son, Lem, and Mrs. Lillie Scott visited Sunday in O'Donnell with Mrs. Scott's daughter, Mrs. Homer.

CITATION BY PUBLIC THE STATE OF TEXAS
To: Robert F. Sale Green
You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock of the first Monday after the expiration of 42 days from the date of issuance of this Citation, the same being Monday, the 22nd of October, A.D., 1950, at the Honorable District Court of Cochran County, at the Court House in Morton, Texas.

Said plaintiff's petition filed on the 23rd day of September, 1950. The file number of said being No. 852.

The names of the parties said suit are: Doris Sale as Plaintiff, and Robert F. Sale as Defendant.

The nature of said suit is substantially as follows: The Plaintiff, Doris Sale, against the defendant, Robert F. Sale, who she said Plaintiff sues Defendant for a divorce and prays for court to dissolve the marital relationship between plaintiff and defendant, and as grounds for such action, the plaintiff alleges excessive and cruel treatment on the part of the defendant of such a nature as to make her further living together with her husband and wife wholly unportable.

Issued this 16th day of August, 1950.
Given under my hand and seal of said court, at office in Morton, Texas, this 16th day of August, A.D., 1950.
Clerk of the District Court, Cochran County, Texas.
By Juanita McBee, Deputy
