NUMBER 47

Burl R. Deaver Dies En Route To Hospital

Mr. Burl Richard Deaver, 56, died in an ambulance near Levelland early Sunday morning, January 14, while enroute to a hospital in Lubbock.

Mr. Deaver, well known blacksmith, had been hospitalized for five days, but was thought to be improved and was removed to his home. He was only at home one day when his condition became worse and the family was taking him back to the hospital when he died at 3:30 a.m., Sunday morning.

The deceased would have been 57 on August 22. He was born in Mangum, Oklahoma; lived at White Deer in 1926; Littlefield in 1928; Enochs in 1929 and came to Morton in 1932, where the family has lived since that time. He attended school in Wellington, Texas, and Madge, Oklahoma. He was a member of the Church of Christ and American Legion.

Mr. Deaver was married July 26, 1926 to Miss Evelyn Sadler at Pampa, Texas. They are the parents of five children, four of whom survive. Earl Neal Deaver, twin brother of Burl G. died in infancy.

Mr. Deaver was a quiet person who made friends everywhere he lived. He was devoted to his family and an active member of his church, of which he was treasurer until recently.

Last rites were conducted at the Church of Christ here Monday at 2:30 p.m. by A. D. Forehand, interment in Morton Cemetery under direction of Singleton Funeral Home.

Survivors include the wife, mother, Mrs. Margie G. Deaver; three sons, Jackie W., Billie R. and Burl G. Deaver and a daughter, Nancy K. Deaver; one grandchild, Sherry. Three brothers, Albert Deaver of Borger; Clarence Deaver, Levelland; and Cecil Deaver, Levelland. Two sisters, Mrs. Belle Hunsaker, Causey, New Mexico; and Mrs. Belle Capps, Portales, New Mexico.

NEW SPEAKER SWORN IN

Secretary of State John Ben Shepperd is shown administering the oath of office to the new Speaker of the House of Representatives of the 52nd Texas Legislature, Rep. Reuben Senterfitt of San Saba. Shepperd officially opened the House of Representatives Tuesday, January 9, and presided until the unanimous election of the San Saba attorney as Speaker. Representative Senterfitt is beginning his sixth full term in the Texas House. He is the senior member of the law firm of Senterfitt, Crump and Jameson in San Saba. The Secretary of State convenes the initial session of each Legislature according to requirements of the Constitution and Texas law. Both Shepperd and Senterfitt, in opening remarks to the legislative body, termed this Legislature as one of the most important and crucial in the history of the state.

W. B. Cox Family In Austin For the Inauguration of Reuben Senterfitt

Mr. and Mrs. Willard B. Cox and children, Carolyn, Merlyn and Willard Jr., were in Austin last week for the inauguration of Mrs. Cox' brother, Reuben Senterfitt, as Speaker of the House of Representatives.

The oath to office was administered by Secretary of State Shepperd. The Speaker is elected by fellow-representatives and is one of the most powerful men in the state government; his influence compares with that of the governor and lieutenant governor.

What kind of man is Reuben Senterfitt, who will occupy this important position in the Legislature which begins its session this month?

He is a native of San Saba County, where his grandparents settled a hundred years ago. He has two brothers and five sisters.

As a boy, he lived on his parents' farm-ranch and went to a two-teacher school. Later, at San Saba High school, he developed into a good scholar and graduated as class valedictorian. He received various honors at the University of Texas, where he earned a law degree. He went back to San Saba to practice his profession and was elected to the Legislature the first time he ran.

legislation that established the veterans' land program. Senterfitt is a sober, serious, hardworking man, but he has a sense of humor and a pleasant, slow, sincere smile. He is not likely to do anything before he has thought it all out first.

During the legislative session he and Mrs. Senterfitt and their three adopted children will live in the Speaker's apartment in the Capitol.

Senterfitt believes that the word "politician" should not be used scornfully — that responsible people must serve in public office if this state is to have good government. He sees hopeful signs. In a recent speech he said, in his somewhat classic language:

"It should appear wholesome to us, and quite reassuring . . . that out of the expansion and enlargement of our state government in recent years have come men of character and stature capable of rising above the old label of politician."

"Their conduct, contributions, integrity, and abilities in many instances have restored public confidence . . ."

Leaion Auxiliary Will Meet Tonight

The American Legion Auxiliary will meet Thursday (tonight) at the home of Mrs. Carl England, 108 Pierce.

About 200 Attend Bowman Cleaner Formal Opening

Approximately two hundred persons registered last Saturday for the formal opening of Bowman Cleaners. Flowers and greetings were sent in profusion to the establishment.

Three prizes were awarded with Mrs. J. W. Pond of Lehman receiving a certificate for a pair of tailored trousers or slacks. Roy E. Smith received a certificate entitling him to five dollars on a cleaning order as did Leo Nippert.

Mr. Nippert had stopped to deliver some freight and while visiting in the new building registered and in so doing placed himself in a position for one of the free awards.

D. C. Bowman and the entire staff at the cleaning plant expressed gratitude to the public for the wonderful response given to the opening of the new building.

Reagan Ormand Returns From Flight To Cuba

R. D. Ormand, local jeweler and private pilot, returned late Sunday afternoon from a trip to Havana, Cuba. Mr. Ormand was accompanied on the trip by his mother, Mrs. A. W. Ormand of Sudan, Texas.

They flew by way of Ft. Worth; Alabama, Mississippi and down the eastern seaboard to Miami, Florida.

During the air show in Miami on January 6 and 7 they saw some of the nation's foremost air personalities, including Zack Moseley, creator of the popular comic strip, "Smilin' Jack"; Al Williams, famed precision flier; Joe Mackey, 1936-'37 stunt champion and Len Povey, test pilot for Fairchild Aircraft.

Monday, January 8, they joined 300 other private pilots for a flight over water to Havana, Cuba, where a two-day program of sight seeing and other entertainment was given them by the Cuban government.

Mrs. Ormand made the return flight from Cuba to Miami by commercial airliner. En route home from Miami the Ormand flight was delayed three days by bad weather.

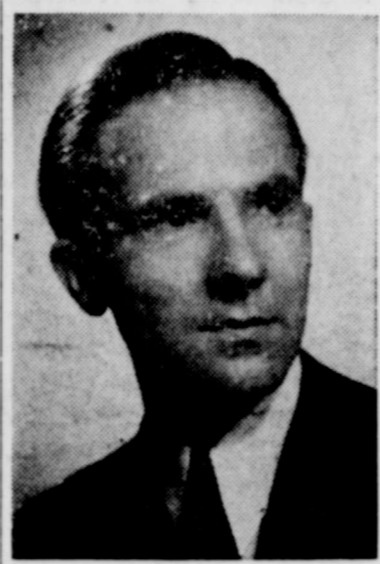

LION J. B. KNOX SETS PERFECT ATTENDANCE MARK

J. B. Knox is one local Lion who never has to make the statement, "I'll be there if I can possibly make it." Local Lions already take that for granted.

Lion Knox is heading toward his 11th straight year of a perfect attendance record in Lions Club meetings.

LOYD MILLER ATTENDS MINERAL WELLS CONVENTION

Lloyd C. Miller attended an agricultural convention in Mineral Wells, Texas, last week-end.

EMILIO OSTA, pianist, appearing January 23, with his sister, Teresita. Concert under auspices of Levelland Mutual Concert Association.

Costumes Are Integral Part of Dance Routines

Teresita Osta, lovely interpreter of Spanish and Latin-American dances who will appear in Levelland with her pianist brother, Emilio, on Tuesday, January 23, at the High School Auditorium, is not only an artist of the dance but an artist of costuming as well.

There is more to her professional wardrobe than the material and design that go into it. While her Spanish antecedents give her a natural understanding of things Castilian, she has supplemented this knowledge with research on Spanish, Latin-American and Indian customs.

Her Peruvian costume, no less than the dance in which it is used, reflects the Inca civilization. This costume was designed for her by the Peruvian Indian who taught her the dance. Vivid in coloring—purple, yellow, orange—of warrior origin, and suggesting the rugged terrain of the Andes, it weighs twenty-five pounds. A feature of it is the warrior's sling (a device which in its original and less artistic form was used for hurling stones at an enemy) made of llama's wool—an intricate and beautiful piece of weaving.

One of the most beautiful creations worn by Teresita is made of white imported French lace. She sewed its many sequins on herself, because her dress maker threw up her hands in horror at just the thought of the job.

Peasant costumes were a war casualty, and it is still impossible to buy the vivid wool in flower designs of which they are traditionally made. In a little New York shop, one day, she discovered a supply of special kerchiefs in bright yellow green and red flowers, and by sewing these together she obtained the exact effect she wanted.

Each of Teresita's costumes is authentic in every detail, and the fact that she has helped make many of them herself is a matter of great pride to her.

Cochran County Commissioner's Court To Operate Local Hospital

The local hospital will be operated by Cochran County Commissioners' Court it was decided by Commissioners at a meeting Monday night.

This decision follows several days of discussion between Commissioners, the recently appointed County Hospital Board of Managers and others interested in the hospital question.

The hospital, subject of widespread controversy, has been operated by West Plains Health Association since completion in 1947 until December 1, 1950.

According to County Judge Fred Stockdale the Commissioners' Court agreed to rent office space in the hospital building to Dr. G. A. Spiller, who presently maintains an office in the hospital and also to Dr. Norman A. Monk, now associated with Temple Clinic.

The Commissioners' Court, Judge Stockdale said, would leave the matter of operation and staffing of hospital to the County Board of Managers. This board consists of Neal H. Rose, chairman; Willard B. Cox, secretary and E. V. Burton, J. A. Taylor, Alvie Harris and B. R. Stovall. Three of the board members will serve a one year term and the other three a two year term.

The board is charged with the responsibility of operating the hospital to the best advantage of the people. Specific rules, governing management of a county hospital are set forth in the laws of the State of Texas.

A joint meeting of Commissioners' Court and the County Hospital was held Wednesday. At this time contracts for the two doctors, who have agreed to rent office space in the hospital, were to be drawn up. The meeting was held too late for results to be published in this week's issue of the Tribune.

Dr. Monk will be here to resume the practice of medicine on February 1, he told Mr. Rose in a telephone conversation Monday night.

Dr. G. R. Spiller, who has been in Morton since last fall, will continue the practice of medicine and surgery here.

Polio Benefit Movie Friday Afternoon At Home Theatre

The movie "Scudda-Hoo! Scudda-Hay!" featuring June Haver, will be shown Friday afternoon at the Home Theatre in Whiteface, beginning at one o'clock. Whiteface school children have been invited to see this popular Technicolor movie; all funds received will be contributed by Jack Holman, owner of the theatre, to the current Cochran County Polio Fund Drive.

Morton Indians Defeat Littlefield Cagers In Overtime Game, 35 to 34

By WAYDELL HILL

Journeying to Littlefield Tuesday night, January 9, seeking their initial conference victory were the local hoopsters, who defeated Littlefield boys "A" team with a score of 35 to 34. The Indian Maids took a victory over the Littlefield girls totaling 27 points to their 15. Morton's "B" boys lost their game 15 to 32.

The Indians were ahead 18 to 9 at the half. In the third quarter the Wildcats staged a comeback making a large number of points to the Indians' 4 points.

With three minutes left in the fourth quarter the score was 30 to 25 in favor of Littlefield. With Kenneth Wynn making three field goals and a free toss, and Waydell Hill a field goal and free toss the score was tied 32 to 32.

A three minute overtime was played with Littlefield making two points. Then Burns dropped in a free throw and Bowman made a field goal. The score at the end was 35 to 34.

The girls showed impressive speed and skill in their 27 to 15 victory over the Littlefield girls' team. Most of the local squad saw action in this initial clash of the two teams.

Betty Doyle again led the local lassies with 13 counters. She was ably assisted by the efforts of Glenna Kennedy, Jeanette Waller, and Louise Baldrige with 4 points each, and Jeanette Mills hitting 2 points.

Indians Drop First Conference Game To Muleshoe Five

By BOB POLVADO

The Morton Indians "A" team was defeated last Friday night by the Muleshoe Mules. It was a hard fought ball game all the way with the Mules leading. At the half-time intermission the score was 14-21 favor of the Mules. The first part of the third quarter the Indians closed the gap to tie the score up. The Indians and Mules fought hard all the way and during the last remaining minutes of the ball game Johnny Green and Darryl Bowman fouled out.

Lanar Burns, Kenneth Wynn and Waydell Hill did a fine job of ball handling. After a five game winning streak this is the first game the Indians have lost. The Indians are tied for district with a one won and one lost record.

Nancy Blackley, and Doris Hanna all saw much action from the three guard positions. All did exceptionally well holding the Littlefield team to only 15 points.

Wimpy Houghton, Worth Marshall, Tommy Bowman, Donnie McDermott, David Stephens, Joe Tone Daniels, Dannie Key, Charlie Souder and James Gathright saw action in the B team clash only to fall before an avalanche of points by the Littlefield B team cagers.

The fans from Morton were well represented at the games, in fact there was more local fans than there were Littlefield fans.

Indian B Team Downed by Mules

The "B" String bowed to the Muleshoe "B" string Friday night to a tune of 20 to 38. The "B" string was outplayed all the way through.

The Mules had the advantage over the Indians because of their height.

Starters were guards; Wimpy Houghton and D. J. Peters; forwards, David Stephens and Tommy Bowman; and center, Donnie McDermott.

Another team was sent into the game the last two minutes, they were Joe Tone Daniels, Worth Marshall, Danny Key, James Gathright and Charles Sowder.

Grade School Tourney to Begin Here Tonight

The Morton Grade School Invitational Basketball Tourney for both boys and girls gets under way tonight, with games scheduled again for Friday and Saturday.

Eight teams including Morton's "A" and "B" in Junior High, Bula, Three Way, Pettit, Whitharral, Bledsoe and Whiteface are entered.

Trophies for 4 places in each division are to be presented. Elmo Smith coaches the girls' team and Bill Hartgraves coaches the Jr. High boys. Both teams have been playing outstanding games this year.

Admission is 20c and 40c. The Home Economics Dept. will have charge of the concession stand again.

ARE YOU A BOWLER??

One or two additional bowlers are needed to fill out the Morton team. Contact Clyde Carson.

THE WINNAHS—The strain of 32 minutes of tough basketball shows clearly on the faces of these 10 victorious Morton Indians who have just accomplished a 49 to 48 victory over Levelland to capture the Morton Invitational Tourney. Left to right,

Morton Paposes and Little Maids Win First Places in Three Way Tourney

By KENNETH WYNN

The Morton Paposes and their little Maids captured the Three Way Tournament last week-end. Both teams won first place.

In the first game Morton played Three Way and clipped the Eagles' wings 42 to 20. Jerry Don Mills dropped 10 points in the bucket, and Harvey Winder came second with a close 9 points. Coach Bill Hartgraves played his first string 9 minutes

and they made 23 points. The "B" string took over and scored 18 points.

"They really surprised me," stated Coach Hartgraves.

In the second game the Paposes played Pettit and dumped them 41-23. It was Mills and Winder again, Mills made 23 points, 7 out of 9 were charity tosses. Winder hit 9 again. Those two victories put Morton in the finals Saturday night with Levelland. The Paposes outscored the Lobo Pups 15 to 14. It was strictly a defensive battle, but Mills

came through with 8 points to capture high scoring honors. Mills was high point man of the tournament with 42 points. Other boys who made these victories possible were Donnie Waller, Clyde Lindsey, and Don Macon. Without these boys the shots wouldn't have been set up. The "B" team should get credit as well as the "A" string on the first victory of the tourney. These boys are Paul Cox, Royce Hanna, Sid Harrison, Alfred Coats, and Richard Greer.

Girls' Bracket

In the girls' bracket Elmo Smith's hustling 8th grade girls also took first place. In the first game Morton beat Three Way 26 to 6 with June Scott hitting 12 points, and Pierce was next with 10. Morton played Bula in the second game taking a 16-8 victory with Pierce hitting 6 for Morton. In the finals, Morton nosed out Whiteface by a margin of 2 points the score 16-14. Pierce was high point man with 11 points. Both boys and girls teams received a 12" trophy for their efforts.

Morton Eighth Grade Cagers Down Bledsoe

Morton eighth grade boys defeated Bledsoe boys 18 to 16, with the seventh grade girls losing to Bledsoe girls 44 to 15. The freshmen girls of Morton defeated the eighth grade girls in a close game by 15 to 13.

The first five boys for the eighth grade were Greer, Smith, Burleson, Ramsey and Hanna. Burleson was high point man with six points and Greer and Ramsey with four points each. Holleyman and Lilljedahl tied with two points each. Danvist was highpoint man for Bledsoe with eight points.

The starting lineup for the freshman team for the girls were: Velda Ruth Baldrige, Mariene Weed, Alice Fav Thomson, Anna Lois Alford, Nancy Corder and Boots Shakespeare.

Bootsy was the high pointer with six points and Mariene followed with five. Velda Ruth and Anna Lois had two points each. Amv was high pointer for the eighth grade with seven points. Pierce and Scott tied with three each. Nations and Hanna played a good game.

The starting lineup for the seventh grade girls were Gattis with three points. Browning and Williams tied for high points with six each. Fincher and Ross played a good game. The high pointer for Bledsoe was Webb with a large score of 26 points.

Morton Girls Beat Muleshoe 30 to 29

Morton's Indians Maids defeated Muleshoe in a nerve wracking 30-29 basketball game last Friday night at Muleshoe.

With her usual calm steady manner, Betty Doyle calmly netted 16 points. Jeanette Waller, a quiet little freshman threw in 8 points. Glenna Kennedy made 4 and Louise Baldrige made 2.

Shirley Tucker did an outstanding job guarding. Other guards on their toes were Jean Alford, Joyce Ramsey and Doris Hanna.

Many Mortonties were out at Muleshoe to witness the most exciting girls' game played this year.

Printing Industry Pays Tribute To Its Patron

The printing industry of the United States pauses this week to pay homage to its patron, Benjamin Franklin, whose 243rd birthday was celebrated Wednesday.

Ben Franklin more than others, personifies the achievements of the printing industry to its members.

The future counselor to statesmen and inventor got his start in printing at an early age. He became an apprentice to his brother, founder of the New England Courant, one of America's earliest newspapers. While working for the paper, he learned the printing trade and learned it well.

When later he went to New York and Philadelphia to work for other printers, he proved his worth as a printer. His reputation became known to all and, when he was but seventeen, the Governor of Pennsylvania induced him to go to England to buy type and equipment for a printing shop of his own.

The Governor had promised to arrange the necessary finances. But when Franklin arrived in England, he found the governor's promises worthless.

Franklin was on his own in a strange land.

But he was not found wanting. He stayed in England one and a half years, earning subsistence as a printer.

In 1727, at twenty-one, he established a printing house and made it the most flourishing business of its kind in the English colonies within ten years.

Two years later, he purchased the Pennsylvania Gazette. It was a dull, poorly-printed weekly. The Franklin touch made it lively and gave it the largest circulation of its day in America—10,000.

The Gazette eventually was taken over by Franklin's partners. They published it until 1815. One of the partners, Samuel C. Atkinson started the Saturday Evening Post in 1821.

Thus, in a way, Franklin lives on today. The Post, claiming its beginning as the Pennsylvania Gazette, publishes his picture in every issue.

In observing Franklin's birthday the nation's printers will use all means at their disposal to publicize their craft.

Printing — Companion of Achievement is the slogan they wrote for this year's observance. This slogan will be proclaimed to all the people of the land in posters, window displays, exhibits, radio broadcasts, television shows, meetings and banquets. It will remind all of the vital part of the nation's economy that printing is—and of its patron, Benjamin Franklin.

Local Shorthand Students Visit University Classes

Eight girls accompanied their shorthand teacher, Mrs. Fred Danforth, to Eastern New Mexico University at Portales, recently, where they visited Dr. Becky Sharp's beginning simplified method shorthand class.

The two classes are studying the same text book and the high school girls took the 60 words per minute dictation on new material easily.

In class most of the students take dictation at 80 and transcribe with an accuracy as high as 98%.

"I think the girls are doing excellent work," Miss Sharp stated.

The top four who plan to enter shorthand in Interscholastic League contest are invited to return in March for further practice.

After class the girls had their pictures made with the college class; toured the campus and visited with Joye Seaney and Pat Weeks, former Morton High School students.

Those making the trip were Jean Alford, Louise Baldrige, Peggy Lilledahl, Svbil Barnett, Janelle Jones, Svbil Neagle, Martha Wood and Katherine Fleenor.

Soil Conservation Conference To Be Held February 20 in Oklahoma City

More than 2,000 farmers and conservationists will converge in Oklahoma City, February 20 for a three-day conference devoted to the one interest common to all of them—conservation of the nation's soil and water resources.

The occasion is the annual convention of the National Association of Soil Conservation Districts, expected to attract the nation's best leaders of soil conservation in all parts of the country and from its territories.

Oklahoma City's central location, increasing interest in soil conservation, and the key spot occupied by agriculture in the nation's defense picture are factors which make Waters S. Davis, association president, confident that attendance at this year's meeting will top 1949's. Davis estimates a convention figure of 2,000 by at least 500 persons.

Davis, South Texas cattle rancher, and other association members have arranged a varied and comprehensive program which includes speeches by Secretary of Agriculture Charles F. Brannan on the convention's opening day, and Dr. H. H. Bennett, chief of the U. S. Soil Conservation Service, on February 21.

The program also includes sessions devoted to regional soil and water problems, panel discussions led by nationally recognized conservationists, presentation of achievement awards, election of new officers and directors, and a full round of entertainment for delegates and their families.

Stated at a time when the American citizen is openly concerned about the prospect of world conflict and what it could mean, the convention promises to be a brass tacks, "do something" affair.

The work of soil conservation districts in developing a more dependable wartime agriculture, the speeding up of the job of protecting and improving the nation's productive land, and water conservation and river basin development these are among problems to be discussed by the convention delegates.

Commented President Davis, "I am counting on every delegate to roll up his sleeves and help us plan working policies. With the present international situation, these policies will help gain recognition of soil conservation districts, and their program as one of the most important elements of our long range national planning."

Visitors interested in agricultural flood control may see an outstanding example of this work on the Washita River watershed in Oklahoma. Many thousands of acres of Washita River bottomland are now turning in a profit as the result of the protection they are getting. And in the other aspects of soil and water conservation, Oklahoma offers the visitors a splendid chance to see the effectiveness of many other coordinated practices, which keep soil in place and provide for continuing soil improvement.

The local leaders of the nation's program to use soil and water scientifically will have headquarters at the Skirvin Hotel and hold convention sessions at Municipal Auditorium.

1951 MAID OF COTTON—Miss Jeannine Holland of Houston will represent the cotton industry as she tours the United States, Europe and South America. A senior student at Texas State College for Women in Denton, Miss Holland is in New York City where she is being outfitted with a new cotton wardrobe.

Polio Cripples 30,000 Children, Adults In 1950

Polio struck down well over 30,000 children and adults in 1950. This was the second worst year in the history of this crippling and costly disease.

Your dimes and dollars given to the Cochran County March of Dimes will enable the National Foundation for Infantile Paralysis to give help promptly to every polio patient in need. Half the money raised remains with the local Chapter for local patients or, in emergencies, supplements national epidemic aid wherever needed.

Last year in Cochran County 4 people had polio. Campaign Director Glenn W. Thompson said. The Chapter spent all its funds for patient aid. The National Foundation sent \$1,000.00 for local use. Such advances totaled \$7,700,000 to 990 chapters in 46 states, toward the \$25,000,000 patient bill for 1950.

Polio is Expensive

When infantile paralysis strikes, very few families can afford to pay the entire cost of patient care. This may range from a few hundred dollars up to \$15,000 or more, depending upon the degree of physical involvement and the months or years of necessary care. March of Dimes money is a Godsend, available to everyone who needs it.

For example, March of Dimes funds amounting to \$17,000 have helped one Texas boy stricken in 1948. Hospital and physical therapy charges came to over \$11,000 and nursing almost \$5,000.

Everyone giving this year to the Cochran County March of Dimes is asked to remember that the National Foundation for Infantile Paralysis today faces its greatest patient load, at a time when the value of the dollar has decreased. More money than ever is needed to pay for hospital care, professional help, iron lungs, hot pack machines and braces.

Mrs. Carl England Hosts Morton Bridge Club

Mrs. Carl England was hostess to the Morton Bridge Club at her home, Monday night, January 15.

At conclusion of four tables of bridge a refreshment plate of peach balls, small open face sandwiches and fruit punch was served to Mesdames E. L. Willis, Neal H. Rose, Courtney Sanders, J. D. Hawthorne, Scott Hawkins, J. C. Stripling, Lloyd C. Miller, and P. B. Ramby.

The hostess presented each guest with a small gift.

Mrs. Scott Hawkins will host the club on Monday night, January 29.

Mrs. F. Danforth Reviews For Book Lovers

Fourteen members of Book Lovers met with Mrs. E. L. Willis last Thursday evening and heard Mrs. Fred Danforth review "Virginia Reel" by Virginia Gilbert, a story of a widowed mother who had sent three daughters to school with nothing but wit, resourcefulness and ambition to help her.

During the business meeting, Mrs. W. W. Smith was declared Poet Laureate. Mrs. Fred Stockdale is to review next Thursday evening and Miss Mabel Ann Manley will be hostess.

A salad plate was served by the hostess to two guests, Mrs. Wendell Watson, and Mrs. Lloyd Miller, and the members, Mrs. Murray Crone, Mrs. Maude Davis, Mrs. J. A. Gowdy, Mrs. Joe Gipsen, Miss Lonora Jackson, Mrs. M. C. Ledbetter, Miss Manley, Mrs. Ermon Miller, Mrs. Nell Rose, Mrs. Hume Russell, Mrs. C. H. Silvers, and Mrs. Elizabeth Greer.

A Son For Mr. and Mrs. Buddy Fort

Mr. and Mrs. Buddy Fort, Lovington, New Mexico, are parents of a son, their second child, born at local hospital, Monday 6:50 p.m., January 15. The baby weighed eight pounds and two ounces. The family have not decided on a name for the newest addition to the family.

The Forts have a little girl, Marguerite, who is three years old.

Mrs. Fort is the former, Betty Cooner, daughter of Mr. and Mrs. G. F. Cooper, Cochran County.

Value Your Health More Than Riches

Some folks think that fine clothes and fine, big houses are the most important things in life, but these things really don't mean too much if a person doesn't feel well enough to enjoy them. Most folks don't realize this, but Mrs. Lucy Braswell, of Route 2, Stone Mountain, Ga., realizes it very well. Mrs. Braswell takes HADACOL, and by taking HADACOL she found she is helping her system overcome deficiencies of Vitamins B₁, B₂, Niacin and Iron, which HADACOL contains.

Here is Mrs. Braswell's own statement: "I have been sick for some time with stomach disturbances. I began taking HADACOL and I have been taking it about six weeks. I am so much better and much stronger. I will continue to take HADACOL. It sure has helped me. I tell my friends about HADACOL. I can't praise HADACOL too much. I am 59 years old."

Miss Virginia Nell Tanner Becomes Bride of Walton Hansen Here Sunday

Miss Virginia Nell Tanner became the bride of Walton Hansen at high noon, Sunday, January 14, in the home of her parents, Mr. and Mrs. M. A. Tanner.

Rev. Joe H. Wilbanks officiated for the single ring ceremony. Traditional wedding music was presented by Mrs. Charles M. Taylor, pianist; Mrs. Bill Proctor sang, "Because."

The bride-groom is the son of Mr. Antone Hansen of Carrizo Springs, Texas, formerly of Cochran County.

The couple was attended by Miss Jaunita Beard, aunt of the bride and Hugh Hansen, brother of the groom. She wore a light blue jersey dress with crystal bead trim and a blue halo hat. Her corsage was a shoulder arrangement of pink carnations.

her father, wore a two-piece, street length, rose satin dress.

The bride, given in marriage by Her head dress was a halo of rose veiling. She carried a white Bible topped with an arrangement of white rose buds and satin streamers.

White carnations, gladiola and rose colored sweet peas were used in decorations.

Twenty guests were present for the wedding and reception which followed. Mrs. R. E. Tisdale and Miss Mabel Ann Manley presided at the bride's table and served the two-tiered bridal confection with fruit punch. Miss Thelma Jo Tanner, sister of the bride, had charge of the guest book.

When the bride and groom left for a wedding trip she was wearing a tan suit with navy accessories. They will be at home in Levelland where Mr. Hansen is in business.

Manufacturers Offer Awards For Community Work

An annual "free enterprise" public-relations competition for Chambers of Commerce and other community organizations was announced today by the Texas Manufacturers Association.

The three objectives of the competition were listed by Ed C. Burris, TMA's executive vice-president, as activities designed to strengthen faith in the competitive-enterprise system, to maintain a favorable atmosphere for business in Texas, and to stimulate action in politics by businessmen and businesswomen as individuals.

"One of the most grave questions now facing Texas and the nation is the fate of the competitive-enterprise system," Mr. Burris said. "The floods of propaganda attacking our system in recent years have naturally had a considerable effect upon public thinking. At the same time, the restrictions and regulations which have been placed upon the economic life of the nation have accustomed virtually a generation to abnormal governmental controls. We must all face up to this problem if the competitive-enterprise system is to survive the difficult years ahead."

TMA will award plaques and personal mementos to local chambers and other community organizations in four city-population classifications. Mr. Burris said. The awards will be presented during the 29th annual Conference of Texas Industry in San Antonio next October.

F.F.A. Boys to Purchase Chicks

F.F.A. Boys will again purchase baby chickens for the purpose of observation and for the annual F.F.A. Banquet.

The boys plan to start a flock of 200 about January 22. The chickens will probably be ready to sell and for use of the boys for the banquet the latter part of March.

The group plans to get 100 White Plymouth Rocks; 25 Buffs; 25 Hampshire Reds and 25 White Wyandottes. Each boy is asked to contribute 50 pounds of Milo or \$1.00 to help complete the project.

The chicken house has been moved south of Agricultural building with the understanding that the house and surrounding premises be kept clean; also that stucco be applied to the house. The new location of the chicken house will offer the advantage of closer and better observation of chickens.

Caponization of three of the roosters by chemical method and three by mechanical means will be done in order for results to be studied by the Future Farmers of America.

Miss Beth Winder and Leonard Gandy Wed In Double Ring Ceremony Here

Miss Beth Winder and Leonard V. Gandy were married in a double-ring ceremony Wednesday evening, January 10, in the home of her aunt, Mrs. R. T. Tarver. Rev. Clarence Stephens officiated.

The bride is the daughter of Mr. and Mrs. C. F. Winder. Mr. and Mrs. Vallie Gandy are parents of the groom.

The couple was attended by Mrs. H. E. Barker, matron of honor, and Walt Hansen, best man. Mrs. Barker was wearing a grey suit with navy accessories and a corsage of white carnations.

Mrs. Bill Proctor, vocalist, sang "Always," and "Oh, Promise Me." Traditional wedding music was provided by Miss Glenna Kennedy, pianist, during the ceremony.

The bride chose for her marriage a toast brown suit, with

black accessories. Her bridal corsage was a shoulder arrangement of red carnations.

Only relatives and intimate friends were present for the ceremony; which was followed by a small reception.

The bride's table was centered with a two-tiered wedding cake flanked by lighted tapers. Mrs. C. Tarlton, Mrs. R. W. Hill Jr., and Jimmy Winder presided.

The young couple will live here after a wedding trip to San Antonio and Houston, Texas.

NEW in more ways than cars costing up to \$1,000 more

AT A SECRET PREVIEW THESE FAMOUS AMERICANS SAID:

TED WILLIAMS—"When I first saw this new 1951 car, its smart good looks and its new engineering advances made me put it in the expensive car class," says Ted Williams, baseball's great left-handed slugger.

BETTY HUTTON—"It's so big, so roomy, with greater visibility for every passenger," says Betty Hutton, famous for her own exuberant way of putting over a song. "And so luxuriously appointed, inside and out!"

DALE CARNEGIE—"I think I know what influences people, and this new car will do it," says famous author of "How to Win Friends and Influence People" and "How to Stop Worrying and Start Living."

*Soon to be seen in Cecil B. DeMille's "THE GREATEST SHOW ON EARTH," a Paramount Release, Color by Technicolor

Now YOU can see it! The new 1951 car that thrilled hundreds in secret previews coast-to-coast! Yes, famous Americans and people in all walks of life—engineers, stylists, architects, mechanics—were excited by its stunning new beauty and host of engineering improvements... were amazed that any car offering so much sells for so little!

New Riding Principle! New Oriflow shock absorber system brings you a truly new kind of ride... lets you "float" down roads that stop other cars. Here's a new kind of smoothness—over the same roads that jarred and "hammered" you in the past! Whether it's cobblestones or country ruts—wheels stay on the ground.

New Watchtower Visibility! Here's visibility for all passengers through the new wider windshield and deeper, wider panoramic rear window—for greater safety, comfort. Here's a new spaciousness inside to let you ride relaxed, uncrowded. Yet outside, its new beauty is sleek and trim for easier handling and parking.

Hope Margaret Turner, over at the Avalanche-Journal, doesn't mind our clipping the following from her column which appeared last Friday.

Here's a poem called "Society Editor," written by Caroline Cain Durkee and sent to the Woman's Angle by Mrs. F. L. Boyd of 2623 Auburn.

In school she dreamed of days to come when she,

Whose pen dropped magic syllables, should write

Exciting tales from early history

To fill her modern readers with delight,

Now, in her later years, that self-same pen

Moves toward the daily deadline it must meet,

With stern regard for who, what, where and when,

Each item timely, accurate, complete.

She sighs sometimes above her routine stint

For undeveloped plans, for dreams long dead;

While townfolk, proud to see their names in print,

Clip her accounts of what they did and said.

She writes the day-by-day biography

Of living men and women in their quest

For happiness through hospitality:

Americana at its social best!

Someone has said that all newsmen and women plan to write a book someday and, of course, a number has written books and gained a fair amount of fame, if not wealth.

The writer has planned to write a book for a number of years, collaborating with our former associate and longtime friend, Mrs. Evelyn Boyd of Post.

For the last decade we have waited for normal times, planning to drop out of existence and get our masterpiece done in about a year.

Perhaps it will remain only a dream, since what we like to think of as normal times seem more remote at present than the possibility of the book becoming a reality.

Wish things would level off so that both Margaret and Evelyn could get that book written. We know Margaret and have met Evelyn and have deepest admiration for both of them.

Don't know who it was that said ALL news men and women plan to write a book some day—maybe most of them do but very definitely not this news female.

Of course, not being a writer, probably explains very clearly just why we aren't ambitious along that line.

Our plan for dropping out of existence includes retiring to a rocking chair with all the good books written by other folks at our disposal.

Well Lavina Goodman certainly gave old Mr. Stork a slip by making the acquaintance of Master Goodman several days ahead of schedule. We were delighted Friday morning when we dropped by Ben Franklins to inquire after Lavina (and papa Paul) to hear that the baby boy had arrived.

Fortunately they did get into their new home and had things fairly well in order before the hospital rendezvous.

Saw Mrs. C. W. Webb in town the other day with her granddaughter, the youngest of the Lowell Webb's two little girls. This one is a cherub too and just smiled all over when we spoke to her. She isn't as big as a minute.

Mrs. Neal Smith of Route 1 and her cute little son were in Friday. She wanted to renew subscription to Tribune.

Tall good looking John Gunter Jr., was in too for the same purpose. The Gunters are such pleas, ant folks and we are happy to have a small acquaintance with them. Mrs. G. who teaches music, has the Tribune print her recital programs. We nearly always have the privilege of a friendly chat with Mr. Gunter when he leaves the order or calls for the finished work.

The only thing wrong with the people in the outlying communities is that we don't get to see them often enough. Wish they'd come to town more frequently.

Morton is really a mighty nice little town, friendly merchants, modern stores and just about everything here that is to be found anywhere else.

After years of wondering what Tucumcari, New Mexico, is like we finally made a trip over there Saturday with the spouse and Allene Curry, a friend of long standing.

Leaving here a little after four we arrived in Tucumcari about 7 or 7:30. Incidentally from Portales on we drove in a blinding

snow storm—it was beautiful but a little tricky for driving purposes.

Tucumcari is a very nice town—about 28 wonderful tourist courts and one of the widest awake Chambers of Commerce we ever heard of. They not only have welcome greetings for all tourists but pass out booklets "all about Tucumcari" for the information and enlightenment of visitors.

The town and surrounding area looked especially pretty covered with snow. Came home by way of Hiways 66 and 39 which includes, a mountain pass, Clovis etcetera. Only saw one wreck, a car passed us soon out of Tucumcari (driving at a terrific rate of speed) and a few miles later on we saw this same car standing on its top at side of highway.

We followed the snowplow from Tucumcari all the way to the top of that pass.

Just as we were leaving Clovis (still on main street) the Buick died—deader than a door nail (that has always been the strangest expression) and who should come along to push us into a service station but Leo Nippert. As most of you know Leo brings freight in here by truck from Lubbock. Never were so glad to see anyone.

Reckon Samuel Johnson was about half right when he said, "Every man has a right to utter what he thinks truth, and every other man has a right to knock him down for it."

Art Dunham Is Six Years Old

Art Dunham, son of Mr. and Mrs. R. E. Dunham, was honored by his mother, Wednesday, January 10, with a birthday party. Art was celebrating his sixth birthday.

Games were enjoyed by the small guests, who also assisted Art in opening his birthday gifts.

Birthday cake, punch and ice cream was served by Mrs. Dunham to red haired Art and Rodney Holloman, Gary and Ricki Coffman, Everett Jones Jr., Ronnie, Maisie and Margie Carson, Patsy Ann and Reva Carol Walden, James and Patsy Beseda, Judy Lawson, Jan Hawthorne, Carol and Loretta McCuiston, Michael Irwin, Pamela Reynolds, Linda and Vicki Reynolds, Cynthia Ann, Linda Carol Buck, Susan, Terry and Anno Jo Watson, Jack Barnett, Karen, John and Ann Dunham.

Mothers present were Mesdames Tom Arnn Jr., Raymond Strickland, J. C. Reynolds, Wendell Watson, Mike Walden, Ken Coffman, Clyde F. Carson Jr., Edmund H. Irwin and V. L. Lawson.

Retirement Not Necessary For S. S. Benefits

It is not necessary to be wholly or permanently "retired" to get retirement payments under the Old-Age and Survivors Insurance system, according to John G. Hutton, manager of the Lubbock Social Security office. The numbers of people coming into his office confused on this point prompted him to make the explanation.

"Actually," Hutton pointed out, "the new Social Security law makes it possible for insured people 65 and over to collect retirement benefits while still earning up to \$50.00 per month on covered jobs. The old limit of \$14.99 was changed on last September 1. The \$50 limit does not apply to people age 75 or over."

"The law is simply that a person between 65 and 75 years of age cannot collect benefits for any month in which he earns more than \$50 from work covered by Social Security. No amount of earnings or income from other sources will affect his right to benefits. Insured people age 75 or over can collect even though working full time on jobs covered by Social Security, or for that matter, any job."

"Another point we'd like to get across," Hutton continued, "is that anyone now age 65 or over very likely is insured if he has worked as much as a year and a half, at any time back to January 1937, on Social Security-covered jobs."

Hutton invite residents of this area who are eligible for benefits under the new law to get in touch with the representative of the Lubbock office on his next visit to Morton which will be Thursday, January 18, 1951, at 1:00 p.m. at the Post Office.

THE LAW AND YOU

By ROBT (Bob) KIRK
Attorney, Lamb County

Do You Know what "community property" is in Texas?

This is the designation given to the joint property of the husband and wife. It includes all the property acquired by them after marriage, except that property given specifically to one, that property received by one as part of an inheritance, and that property exchanged for separate property belonging to one.

Both husband and wife have an equal interest in the community property, and all property belonging to them is presumed to be community property, unless the contrary is clearly shown.

Upon dissolution of the marriage contract by divorce the wife is entitled to one-half of the community property, and the husband is entitled to one-half of the community property. Even though the parties should separate and not live together, so long as the marriage contract exists all the property acquired by them, subject to the above exceptions, continues to be presumed to be community property.

Upon the death of either party one-half of their community property vests in the survivor, and the other half passes to the heirs of the deceased.

C. OF C. PLANS "BUY AT HOME" PROGRAM HERE

The need for a program to stress "buying at home" was discussed at a meeting of the Seagraves chamber of commerce directors Monday noon. It was pointed out that Seagraves retailers carry a wide variety of merchandise and offer practically any type of service. Yet many residents, including some of the employees of local firms, have formed a habit of making purchases out of town or through mail order houses. Often such items can be purchased locally at the same or a lower price.

The directors agreed that stimulation of local trade is an important function of the chamber of commerce. It was suggested that it is important for the individual firm to feature its merchandise and prices through advertising, store displays and salesmanship. Nevertheless, it was agreed that a cooperative program should be sponsored to push buying at home among employees and residents in the community.—Gaines County News.
