VOLUME XIV

MORTON, TEXAS, THURSDAY, MARCH 11, 1954

NUMBER 1

## Posse Will Ride At Brownfield, Spur; 'All Palomino' Ruling Is Repealed

Members of the Cochran County Sheriff Posse have been invited to attend a three-day meeting at Spur, April 9-10-11, hosting all members of West Texas Sheriff Posses and Riding Clubs. Included on the program will be several types of games and a coyote hunt and the big parade on Saturday afternoon at which times posesses and riding clubs will have a crack at three trophies to be awarded. The top riders will receive the handsome large trophy which will be

awarded annually until one organization has won it three times at which time it will become permanent possession of the three-time winner. The local posse has also made arrangements to open their season of riding, Saturday April 3, at Brownfield as they participate in a District American Legion Convention parade.

These plans were made at the meeting of the posse last week along with several other important changes. First of all, the posse voted to repeal a by-law made last season that only palominos will be ridden in the parades. No longer will members be required to have palominos, however, the organization stressed strongly that new members to the club and present members in the market for a horse, are urged to purchase a palomino.

All prospective club members are invited to attend the Brownfield event and the Spur program. Plans were also made to reactivate the Junior Sheriff Posse at the next regular local meeting.

Other important business on hand included the changing of the meeting place and date. The posse will now meet the first of each month instead of on Monday and will meet at the Office and Activities Building dining room.

A membership drive is now underway in the posse with committees appointed to work on the project.

## Date Arranged for County 'Spell-off'

Cochran County's spelling bee, to name a county champion who will compete on a national scale, will be held March 27. Judge Fred Stockdale announced this week. The county contests, co-sponsored by the Avalanche Journal of Lubbock and local organizations, have been under the supervision of Stockdale for several years. Local organizations will provide \$30 in plaques and awards to the winners. The local co-sponsoring groups are the Chamber of Commerce, the Jaycees and the Morton Lions Club.

The county finals will be held in the District Courtroom at 10 a. m., March 27. Stockdale has not released the names of the judges.

As usual, top students from Bledsoe, Morton and Whiteface will be invited to compete. All words will be taken from the national speller, "Words of Champions," copies of which may be obtained at the schools or from the Journal.

Winner from this county last year was Jackie Outlaw, daughter of Mr. and Mrs. Earl Outlaw, who used the words "academic" and "absolute" to project her in to the regional contests and then tripped up on another, "anxious."

## Singing Program Called For Local Church

Rev. H. T. Clark announced this week that there will be singing at the Assembly of God Church at 7:45, Friday night.

There will be special trios, quartets and duets. Everyone is invited to attend.

## Lions to Sponsor Three Way Play

The Three Way PTA sponsored play, "A Ready Made Family," will be acted in Morton, in the near future, it was announced this week by the Morton Lions who will sponsor it.

The play, with the cast made up entirely of 3-Way PTA members, teachers and school trustees, is a 3-act comedy. The program will get underway at 8 p. m. in the County Auditorium with admission set at 50 cents and 25 cents. Proceeds will go toward the Three Way FFA workshop project.

## Teachers to Attend Big Spring Meeting

The Whiteface schools will be adjourned tomorrow (Friday) to allow all teachers a chance to attend the teacher's meeting at Big Spring. According to Supt. Noah Cunningham, a large representation from Cochran County is expected to attend.

COMMANDER L. E. PAGE

## Legion Commdr. Will Speak Here Next Tuesday

What he considers a personal debt of gratitude and a debt also to the State Department of the American Legion will be formally acknowledged next week when State Commander L. E. Page of Carthage, Texas, appears here for a speaking engagement Tuesday, March 16.

Page, here to help the local post celebrate the 35th birthday of the American Legion and the 22nd birthday of the local Jesse R. Bond Post 374, will personally thank the Cochran County Sheriff's Posse for their part in making the national Legion Convention parade in St. Louis last summer a big success.

This will be the first time a state commander has ever addressed the local post, and local Legionnaires are looking forward to his visit. He visited the local post for a few minutes one afternoon on a quick swing through the 19th District, but was not here for a night meeting. He will speak in Amarillo on Wednesday night, and Wichita Falls on Thursday night of next week. These are the only posts he is addressing on this swing through West Texas.

Commander Page rode with the Cochran County Sheriff's Posse in the National American Legion Parade at St. Louis last summer, and is looking forward to renewing acquaintances with the members of the Posse and the local Legionnaires. All veterans and their wives, and all members of the Cochran County Sheriff's Posse and their wives, are invited to hear Commander Page, and all neighboring Legion posts have been invited.

## Tribune Starts 14th Year Here

With nothing special planned except the best possible publication under existing personnel and mechanical conditions, the Morton Tribune begins its 14th year of operation with this issue.

Reaffirming our constant policy to do all we can to build a better trade area for the cities and rural areas we serve, the Tribune publishers acknowledge "it takes a heap o' cooperation from the residents of the area and the merchants of the area in order for any newspaper to exist." With pardonable pride, we add, "in repayment for this cooperation we will maintain the fact that no group will do any more than us, to help the area grow."

## Will Participate In Clothing Drive

A clothing drive aimed at helping children all over the world, many in our own country, will get underway March 22 at Whiteface school and lasting five days.

The area school will participate in the SCF (Save the Children, Federation) 12th annual clothing drive. This year's goal is 3,000,000 pounds of clothing, approximately 5,000,000 garments, to be used in Korea, in many other countries devastated by war, and in backward settlements in all nations including the United States. One area in this country which will benefit is the Indian reservations where often lack of clothing presents a vital problem.

## ATTEND MOTHER'S FUNERAL

Mr. and Mrs. F. B. Ruthardt and family of Whiteface recently attended the funeral of her mother, Mrs. J. A. Gordon, in Paris, Texas. Their daughter, Mrs. Truman Watts, of Morton accompanied them.

## Four Names On Whiteface School Ballots

At least two names will appear on the Whiteface School District Trustee ballot in the elections slated for next month as Supt. Noah Cunningham advised this week that the names of L. L. Taylor and J. W. Allen have been submitted for re-election.

Taylor is completing his second term in office. Supt. Cunningham advised, Allen was appointed just a few months ago to fill the unexpired term of W. E. Thompson, who resigned upon moving to another community.

Two names have already been submitted for the one County School Trustee Office in the Whiteface area. Up for re-election is L. W. Bills, Guy Spurlock will also be a candidate.

Cunningham reminded all Whiteface School patrons that other names can be filed and placed on the ballot with the customary procedure, upon application to the Ex-Officio Supt., County Judge Fred Stockdale. The application must be signed by five qualified voters.

The Whiteface Superintendent urged that all names be filed immediately. Judge Stockdale advised that tonight (Thursday) is the deadline for filing to have names placed on the ballot.

## Two For Mayor, Seven For Council Posts

## LATE FILING RUSH PRODUCES NINE NAMES IN COMING CITY ELECTION

Joe Gipson, City Clerk, has officially posted a notice of the candidacy of nine men in the City election set for April 6th.

Eight of the nine men on the ticket for various offices were contacted after a meeting held here by interested citizens last week. They signified to the committee that they would qualify if elected and their names were entered. The ninth man, a surprise candidate, is a long time resident of Morton and is also a former City Commissioner.

The names of J. R. Ward and Max Bowers will be on the ticket running for the office of mayor. Mayor Ray Hudson declined to file for re-election.

For the two city commissioner offices, seven are candidates including one of the present commissioners, Henry Bedwell, who has announced for re-election. Roy Hill, declined to seek re-election.

Other candidates include Merle Ensor, Carl Ray, Bill Crone, Norman Amyx, Hume Russell and the former city commissioner, Charles Taylor.

Deadline for submitting names to be placed on the ballot was last Saturday night. Election judge is J. B. Knox

and J. C. Reynolds and Hume Russell were originally named clerks. However, Russell, in view of his candidacy, will be replaced by a clerk named by Knox in the immediate future.

## Porters Attend Final Rites for J. T. Porter Sr.

Final rites for J. T. Porter Sr., 81, father of J. T. Porter of Morton, were held yesterday (Wednesday) at the Methodist Church in Alvin, at 3:30 p. m.

The elder Mr. Porter died Monday after a lengthy illness during which time he suffered several strokes.

Masonic rites were held for the retired man who died in a Houston hospital. Mr. and Mrs. Porter and son Jimmy attended the services.

Survivors, in addition to J. T. Jr., include the wife, another son, and four daughters.

## Morton Girls, and Whiteface Attend Meet

Exemplification of sportsmanship on the highest level was carried out last week as the Morton girls coach and 12 members of his basketball team accepted an invitation to be the guests of the Whiteface team at the regional playoffs at Canyon last week.

The Morton team traveled with Coach Tonnie Smethers and his Whiteface girls who had defeated Morton in the district playoff and then lost to New Deal in a bi-district playoff.

The two teams watched New Deal bow to Dimmitt final winner in Class "A" competition and also saw two neighboring teams, Bledsoe and Bula, bow out of Class "B" competition after successful seasons.

The Morton coach and his team joined in thanking the Whiteface group for their fine sportsmanship.

## REVIVAL TO START

A revival beginning March 19 and running through March 28 begins at Hicks Chapel Baptist Church. Everyone is invited to attend.

## School Election Subject Of Special Meeting Here

By E. H. IRWIN

A quarter-million dollar business and its problems were aired in public, Thursday night, as a group of 30 local school district officials, including some school officers, discussed the importance of selecting the right men for the school board.

The meeting, called to get nominations for qualified school board candidates, concerned some dozens of phases of school problems. Everything from athletics to music courses was discussed. Ideas were projected by some eight or 10 persons and some pointed questions on policy were asked. Two school board members answered some of the questions. Some went unanswered.

But in the final outcome, many who had come to the meeting uninformed on all phases of the school problems, went away realizing the importance of the decision about to be made by Morton Independent School District voters.

The underlying theme brought out by most of those who volunteered to speak was that cooperation between the residents and the school board was sorely needed... that without the benefit of open discussion of the various problems which come up, board members will always be shouldering too much of the burden.

Two former school board members spoke to the group, on stressing the all important financial picture, the other explaining the myriads of laws and regulations which govern the actions a school board may take.

It was fitting that such a discussion should have been held last week, Texas Public Schools

## Twila Dean Webb Rites Held Here

Rev. Lube Petilo of Pecos conducted final rites for Twila Dean Webb, one-year-old daughter of Mr. and Mrs. Doyle Webb, last Thursday at the First Baptist Church.

The child died en route to the hospital Wednesday morning after suddenly becoming critically ill.

Survivors, in addition to the parents are both sets of grandparents, Mr. and Mrs. Orville Webb of Morton, and Mr. and Mrs. J. W. Love of Pecos.

Burial, under the direction of the Singleton Funeral Home, was in the Morton Cemetery.

## Keith Jones Listed Now As Killed

Mrs. Keith Jones of Levelland received a registered letter from the War Department this week stating that her husband, Keith Jones, who has been missing in action in Korea since February 12, 1951, is assumed dead.

Jones, the son of Mr. and Mrs. C. W. Jones of Levelland, was formerly employed at the Ford Motor Company in Morton and at the time of his induction, was employed as shop foreman at the Burison Motors in Levelland.

Mrs. Jones is the former Florence Autry and is the daughter of Mr. and Mrs. J. E. Autry of Enochs.

Jones is also survived by one son, Michael Allen, and nine sisters, including Mrs. Lutile Gurchl of Levelland, and one brother.

## Mrs. Martha Adair Will Observe 100th Birthday

A bedfast, little old lady, much like the one described in a popular hit song of recent years, only perhaps a little older, will observe a milestone few of us in this age are ever able to attain, her 100th birthday tomorrow.

Undoubtedly the County's oldest citizen, Mrs. Martha Adair will spend the day in her bed in the little house in which she has lived for 26 years. Fifteen of those years, since 1938, she has been at least partially bedfast, due to a fall and a dislocated hip at the age of 85.

Mrs. Adair will spend the day quietly. She has no hankering for fuss and bother. Unable to read any more, she has a hard time recognizing anything or anyone. But the odds are that a good many people will call sometime during the day to congratulate her on a full life.

The frail, delicate woman, weighing less than 100 pounds, lives with her son, M. D. Adair, of Morton. A daughter, Mrs. R. Long also lives here. Her husband died before she moved to this county in 1925. In 1928 she came to the county and purchased 118 acres of land and moved into the house where she now resides. She moved here from Oklahoma.

A member of the Methodist church in Oklahoma, Mrs. Adair has been feeling a little ill recently and Tuesday, when visited by the local Methodist preacher, was feeling a little better but very tired.

The location of the Adair farm is about three miles northwest of the city.

## City, County Now Paving Two Blocks

The City of Morton and Cochran County began a joint, two block paving project this week which will provide paving on the north and west sides of the County Office and Activities building.

Not only will the city and county share the cost of the paving, but they will receive some help from the landowners on the same blocks.

## UNDERGOES SURGERY

Louis Killecrease is recuperating at his home after undergoing major surgery at the Cochran County Hospital.

## AT FHA MEETING

Mrs. Harvey Hammonds, Mrs. Murry Crone, Mrs. Iva Williams, Mrs. Henry Chesshir, Freda Chesshir, Shirley Williams, Dixie Lovelace, Marla Sue Hoffman, Opal McClendon, Wanda Davis, Mary Ruth DeBord, Barbara Stovall, Erma Long and Gloria Nations attended the area FHA meeting in Canyon last Saturday.

## ATTEND MEETING

Mrs. Wayne Aikay and several of the FHA girls from the Bula Schools attended the area meeting in Canyon last Saturday.

## Seek \$1,175 In Cochran County For Red Cross

A house to house fund raising membership campaign will highlight the 1954 American Red Cross drive for 1954. County Chairman Don Allsup announced this week.

The drive will be an effort to attain the \$500 City of Morton goal. County goal has been set at \$1,175. Allsup said listing the goals as \$300 for Whiteface; \$100 for Bledsoe; \$50 for the Farmuliner Community; and \$25 each for Neely Ward, Lehman and County Line.

Locally the drive is in the hands of four teams of two workers. W. M. Butler and Tip Windom; Floyd Smith and Ollie Robinson; Neal Rose and Charles McDemmett and Arlee Barnard and Jack Rice.

In Whiteface, M. D. Galvin is in charge of the drive and for the County's rural areas, Homer Thompson and Mrs. Hazel Harrison are campaigners.

The county drive officially got underway March 1, but will continue through this month. Exact date of the house to house campaign will be announced at a later date.

## Lions Hear Local Orator In Action

The T. J. Simpsons led the Rev. Ollie Robinson by seven points in the membership attendance campaign conducted by the Morton Lions with three weeks to go, according to a report at the regular luncheon meeting this week. The losing team is to pay for a ladies night meal.

Roy Briley Johnson, winner of the District Legion oratorical contest, gave his address on the Constitution to a group of 39 members and guests present at the meeting.

Other business attended to include announcement that the Lions would sponsor the Three Way play at a future date, tabling of a vote on sending a youth to Boy's State, and announcement that nomination for officers for the coming year will be made next week.

Final financial report for the minstrel showed a decrease in attendance but net proceeds comparable to last year due to increased candy sale. Lloyd Miller reported a total intake of about \$908, before bills were paid.

A life member of the local club, J. M. Crawford of Haskell, was a visitor.

Also discussed were the possibility of naming of new Lions Scouting committee and plans to bring Camp Fire girls to the meeting next week in honor of Camp Fire Week.

## CONDUCTING REVIVAL AT WICHITA FALLS

Rev. Ollie Robinson left Wednesday to conduct a revival in Wichita Falls at the North Side Baptist Church.

J. C. Koen, pastor of the Baptist Church in Causey and teacher in the local schools, will conduct both morning and evening services Sunday, March 14.

Harold Drennan will conduct the morning service on March 21 and Rev. Robinson will be back for the evening service.

By Eddie Irwin  
WELL THE POSSE is back in the news again this week, and we're glad. When the posse is riding and the color guard is competing, at least the City of Morton and Cochran County come in for their share of glory. Someone has something to talk about besides the drouth.

the date...  
SET FOR THE posse's first competition this year is April 9-11 at a meeting of all West Texas Posse and Riding Clubs, at Spur. They'll be trying to win the coveted first place trophy that will be awarded each year until some posse has won it three times for permanent possession.

the parade...  
IS APRIL 10, and Ray Griffith has urged all present posse members and all prospective new members to attend the meeting. It'll be a good chance to get a thorough indoctrination into the local riding group.

also...  
NEWS, AS far as the posse is concerned, is the repealing of the ruling made last year to allow only palomino ponies in the parades. Since it makes the membership campaign doubly hard, looking for prospective riders who have palomino ponies, the local posse group voted to repeal the ruling.

however...  
AT THE SAME time they urged all members who are buying horses, to concentrate on the purchase of a palomino if possible.

and speaking...  
OF THE DROUTH, while it's as bad as it has been, at least the slight snowfall we had the other day gave a somewhat brighter outlook for the future. The moisture received was very

slight, but at this writing (Friday), at least the ground is still somewhat moist.  
we hear...  
THE PLAY PRESENTED at Three Way, by the school's P-TA, faculty members and school trustees, was an outstanding success last week. Not only did they play to a jam-packed house, the play was well rehearsed and brought in over \$100 in receipts.

they are...  
EVEN CONSIDERING taking the play to other communities. If they are invited. Any takers? by chance...

WE DROPPED in on local schools last Friday during Public Schools Week and were both interested and surprised at the 4th grade class being taught by Mrs. Evelyn Rose. They were all decked out in costumes of many years ago. Seated on wooden benches, carrying slates, and reciting in about the same manner as students did years ago, the class really put on an interesting show.

even had...  
THE PERENNIAL "Dunce" seated on a stool at the back of the room who informed the visitors that he gained the dubious distinction because he had "acted up."

but the...  
NICEST SURPRISE was the fact that in the few minutes we were there, five other people took time out to stop by for a visit. Maybe the parents' interest in the schools isn't as lax as we had imagined.

at first...  
WE WERE inclined to be a little disappointed at the boys of the class and their shenanigans and caper cutting. Then, as we considered the situation, it suddenly came to us that fourth grade was the grade in which we clearly remember, most of the "cutting up" in our school career.

**Morton Tribune**  
"TEXAS' LAST FRONTIER"  
OFFICIAL NEWSPAPER OF COCHRAN COUNTY  
Published Every Thursday Morning  
106 North Main Street, Morton, Texas  
MAX DALEY - BILL GLASSFORD - E. H. IRWIN  
Owners and Publishers

Entered at the Post Office in Morton, Texas, for transmission through the mail as Second Class Matter, according to an Act of Congress, March 3, 1879.

BILL GLASSFORD... MANAGER  
E. H. IRWIN... EDITOR  
Subscription Rates—In Cochran County and adjoining counties: Per year, \$2.50; six months, \$1.50; three months, \$1.00. Outside Cochran County: Per year, \$3.00; six months, \$2.00; three months, \$1.50. To insure proper service, subscribers will please notify us promptly if change of address.  
Any erroneous statement reflecting on the character, reputation or standing of any person, firm or corporation, will be corrected upon the same being brought to our attention by written statement of fact.

unofficially...  
WE DECIDED that perhaps that's the age when the boys are the hardest to take in tow. As far as we can remember, the foolishness stopped abruptly in the fifth and sixth grades and we had to really get down to the business of learning or staying after school.

we hope...  
"PETE" really misses the boat this week. The weather situation has looked about the same for so long, "generally threatening weather but no rain in sight for the Morton area" that Pete decided to give up for a week or two. He won't do any more predicting until he at least has a glimmer of hope of rain for this country.

now would...  
BE THE PERFECT time for him to be completely wrong. Don't believe it would hurt anyone's feelings.

it's a shame...  
BUT THE PROBLEM of kids running around in papa's automobile and caring very little whether they are endangering their lives or anyone else's, has been dumped squarely in the lap of the law enforcement officers. And why? There can't be a suitable answer.

we overheard...  
A LITTLE SESSION in the sheriff's office the other day in which six boys were involved. Not all in the same manner, but all a very definite part of a chain of events that could have resulted in injury to one or more people.

but the real...  
SHAME WAS, everyone seemed to be evading the issue. That is all but a few of the parents. One of the drivers kept saying, "well, I wasn't doin' over 30 miles an hour. You can't hang anything on me for that." Another one emphasized the fact that "I haven't driven my car only for about two hours today."

and two...  
OF THE PARENTS seemed nonchalant. Still another parent argued that his boy wasn't driving the car so he shouldn't have been brought in for a talking, and then began to discuss other situations in which he felt the local officers hadn't done their duty.

Double Birthdays  
Honored With Party  
Five-year-old Sandra Gandy and three-year-old Curtis Gandy were honored with a birthday party in the Ed Sullivan home last Friday.

Favors of balloons and bubble gum and refreshment of cake and sodapop were served to Norman Cook, David Lee Cook, Jimmy Jones, Douglas Scott, Rhetha Shelton, Rosie Shelton, Joe Shelton, Merle Gandy, Carlis Dupier, Wesley Dupier, Ronnie Dupier, Dottie Doyle, Joyce Shelton, Tresa Dupier, Joyce Sullivan, Mike Heflin, G. A. Heflin, Jimmie Heflin, Tommy Sullivan, Alvin Kelly and Darnell Wallace. Mothers attending were Mesdames Hazel Dupier, Betty Jones, J. C. Gandy, Fred Kelly, Helda Wallace, Orlan Cook and the hostess, Mrs. Ed Sullivan.

Barbara Waltrip Is  
4-H Club President  
A new 4-H Club was organized in the Famuliner community recently with Barbara Waldtrip being elected as the group's first president.

Other officers included Joan Faulkner, secretary, and Linda Kay and Shirley Miller, reporters. Other members present were Margaret Hodges and Sandra Cunningham. Meetings are to be held every Monday.

Games played include Grandma Fell Out of the Wagon, the Organ Grinder and Electric Shock.

All girls of the community are invited to join at the next meeting.

Will Try Again  
On Bake Sale  
The Bula Homemaking Dept. will sponsor another Bake Sale this Saturday at Ray's Hardware after being forced to cancel their last sale on account of sandstorms.

Anyone wishing to order pies and cakes in advance may do so by calling 2361.

VISIT GRANDPARENTS  
Mr. and Mrs. Lonnie Allsup visited her paternal and maternal grandparents in Mangum, Okla., over the weekend, also Lonnie's grandmother, Mrs. C. D. Allsup in Vernon. This week they visited in San Angelo with Lonnie's sister, Mrs. Bob Probst.

two of the...  
PARENTS COULDN'T be found and two others seemed justifiably worried.

but the upshot...  
OF THE SITUATION was that it seemed to sink in to only about three people what they were there for. They had been driving recklessly. They could have killed any number of people. Accidentally, to be sure, but they would have been dead as any other person buried in one of our thousands of cemeteries.

most everyone...  
WAS DOING HIS best to evade the issue. The issue that should have been the parents to cope

with... but did they cope with it? Probably not. So, what started as an argument between two boys and continued in fists being thrown, cars being driven unnecessarily reckless, grew into a real issue when one man was so incensed at the thought of young teenagers, driving recklessly endangering the lives of his small children, threatened to take matters into his own hands.

he reckoned...  
AND PERHAPS not too wrongly, he had as much right to fix them before they fixed his children.

and it finally...  
ALL WOUND up in the sheriff's office. Even there it didn't get the proper emphasis. We didn't go back to hear what the judge had to say but we hope he made it clear just how foolish the escapade was.

tech, tech...  
SOMETIMES IT seems like friendly policy, trying not to make enemies, just doesn't the job done.

**Half-ton beauty with a two-ton punch**

**GMC HYDRA-MATIC TRUCKS**

THIS new '54 GMC light-duty wasn't born just to win beauty contests. Sure, its sleek lines, full-width grille and panoramic windshield are handsomely un-trucklike. There's the same dashing air about the inside, too. Two-tone color scheme. Harmonizing, supple-as-leather upholstery. Smart instrument panel, with dials clustered for instant reading. But mister—take another look! A burly, brawny brute of an engine—a real truck engine—makes you think of a Miss America who also can bend horseshoes. 125 horsepower says that this beauty can heft a top load with ease and dash. That's more power than some makers pack into their two-ton models. That's

more usable power than in any other 6-cylinder engine in its class! And its wide, deep box holds at least 8 cubic feet more than the roomy '53 model. That tail gate is grain-tight—and sand-tight. Finally, it offers Truck Hydra-Matic Drive\* that saves you, saves your cash, saves your time. (Note to the luxury-minded: there's a DE LUXE model at extra cost, with chrome grille and trim, two-tone paint, curved rear corner windows—the works!) Come in and drive this great GMC. It will do all its own selling! \*Truck Hydra-Matic Drive standard on some models, optional at extra cost on others.

**BIRTHS**  
BIRTHS AT COCHRAN COUNTY HOSPITAL

A volunteer worker signs up another Red Cross member at the 1954 campaign. The Red Cross needs \$85,000,000 to carry on its widespread humanitarian services next year.

**IT'S OUR BALL, NOW**

The names are on the ballots. The rest is up to the qualified voters of this city and school district.

Next month, on the first Tuesday and the first Saturday of the month, qualified, tax paying citizens of the City of Morton and of the Morton Independent School District will be asked to go to the polls and select two sets of officials.

One set of leaders, three persons, will direct the business of the City of Morton for the next two years. The mayor and two city commissioners will shoulder all the burdens that go with a city government . . . that includes plenty of headaches. They'll be called upon by interested citizens, most often in very small minority groups, to act upon one problem or another. With them will rest the responsibility for making decisions that either allow the city to move ahead or go backward. It cannot stand still.

Seven men have announced their candidacy for the City offices. Five would like a chance to serve on the commission. Two would like to serve as mayor. All may be ideally suited to the job. All could be unsuited.

The prospective voter can at least, without any previous knowledge of the situation, know that the names of the men were at one time or another submitted by persons who thought enough of their qualifications to place their name on the ballot.

The prospective voter can know that a special meeting was called at which time some 52 citizens gathered to give special attention to the problem. Perhaps this is in some way convincing proof that at least some people considered the importance of the situation.

The same goes for the school election. The names of 15 persons have been submitted on that ballot. All have indicated they would like to serve the school district as a school trustee. All were mentioned and spoken for in a special meeting at which some 30 persons gave attention to the school problems.

Now it's up to the voters. Anyone who has failed to qualify himself by refusal to pay a poll tax or by forgetting to pay the poll tax, has in effect said he is not interested. He will have no gripe coming, whoever is elected or whatever they do in the course of their service.

Anyone who is qualified and fails to vote also is not entitled to a gripe whatever happens subsequent to the election.

Anyone who goes to the polls and does vote, but does so without paying any attention to the seriousness of choosing the right man, also is unentitled to a gripe.

Only those who cast their vote in a sincere attempt to select the right person for the job, have fulfilled one of their most important obligations to democracy.

The stage is set. Regardless of how many take a seat in the audience; regardless of how many purchase the ticket to the performance, the show must go on. The election will be held and someone will be elected.

Make sure you do your duty to select the right persons. Vote as you please, but please, VOTE.

**Reding, Viaille Vows Exchanged**

Joy Fern Reding, daughter of Mr. and Mrs. J. W. Reding of Pettit and Harold Viaille, son of Mr. and Mrs. P. H. Viaille of Levelland, exchanged vows in a double ring ceremony performed by Rev. Ernest Stewart Jr., in the home of C. P. Viaille on February 14.

The bride was dressed in a white faille dress with blue accessories and carried a white Bible topped with white gardenias.

Mrs. Ben Phillips of Sundown, matron of honor, wore a grey suit with black accessories and a corsage of carnations.

Ben Phillips of Sundown served as best man.

The bride is a Pettit High School graduate and is employed as a stenographer in the public welfare office. The bridegroom has just recently been discharged from the Navy. He is a Levelland High School graduate and a former student at Texas Tech.

**Shower Honors**

Mrs. Wayne Thomas

Mrs. Wayne Thomas (nee Louise Nesbitt) was recently honored with a bridal shower in the Pamuliner Community Club house.

Hostesses for the occasion were Mesdames Melvin Chandler, W. J. Waltrip, Ed Nieman, N. H. Steed, Calvin Milligan, W. B. Bertrum, W. D. Ford, Hilda Wallace, S. J. Bracken, Bert Darling, O. D. Chessier, Richard Key, Paul Blackman, Frances Cunningham, Ralph DeBord, W. C. Millsap and R. F. Coleman.

The clubhouse was decorated in yellow and white streamers with emphasis on the serving table which was covered with a lace cloth and centered with a miniature bride.

Refreshments were served to fifty-seven guests.

**Stop Taking Harsh Drugs for Constipation**

Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

When you are temporarily constipated, get relief but gentle relief—without pain, without harsh drugs. Take Dr. Caldwell's Senna Laxative contained in Senna Pepsin. The extract of Senna in Dr. Caldwell's is one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief of temporary constipation for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach ailments that constipation often brings.

Buy Dr. Caldwell's. Money back if not satisfied. Mail bottle to Box 280, New York 18, N. Y.

**A Birthday Cake for a Real American Organization**

The American Legion will celebrate the 35th anniversary of its birth March 15 to 17, 1954. Born in Paris, France, in 1919, The American Legion is the world's greatest veterans organization with close to 3,000,000 members and 17,450 Posts throughout the globe. The American Legion has earned the right to celebrate its birthday. It is a right that has been won by veterans of three wars united together to continue to serve God and Country. We know the Legion locally for its good works and community service. Nationally it stands foursquare for positive Americanism—greater National Security—rehabilitation of veterans, and a square deal for every child.

Veterans of World War I, World War II and the Korean War are invited to join Post 374 of Cochran County, to take an active part in this great organization to help preserve our American Way of Life.

**Ford rides on a Ball-Joint cushion**

...and it handles with ball-bearing ease

CONVENTIONAL KINGPIN SUSPENSION depends on hinge-like joints for movement of front wheels up and down or right and left. This system also requires lubrication at 8 points of wear of each front wheel. Doesn't permit maximum up-and-down wheel travel and is not sealed against dirt and water.

NEW FORD BALL-JOINT FRONT SUSPENSION replaces "hinges" for pivoting and up-and-down wheel movement with sealed ball joints. This eliminates 12 points of wear . . . helps keep front wheels in line longer . . . You get a smoother, more level ride. Your Ford keeps that new car "feet" longer.

It's THE GREATEST chassis advance in 20 years. And only the '54 Ford in its field has it! It pays off with the smoothest ride you've ever experienced in a low-priced car . . . easier handling . . . fewer service worries . . . and many, many other advantages.

And besides this revolutionary advance, Ford offers two brand new deep-block power plants: the 130-h.p. Y-block V-8 and the 115-h.p. I-block Six. You'll also find a new stronger frame . . . a beautiful new Astra-Dial control panel . . . new styling inside and out . . . plus all the other fine-car features that have already established Ford as America's "worth more" car!

Come in and Test Drive the '54 FORD

with New Ball-Joint Front Suspension

**Outlaw Home Is  
Meeting Place**

The S. and Q. Club met in the home of Mrs. Earl Outlaw Thursday, March 4.

A quilt was pieced for the hostess by the members.

Refreshments were served to Mesdames Ollie Smith, L. W. Marlar, W. E. Grantham, Joe Miller, and two guests, Jackie Outlaw and Imogene Betts.

The next meeting will be in the home of Mrs. Ollie Smith March 18.

MRS. DOY G. GRANTHAN

**Classroom Is Scene  
Of Campfire Meeting**

On March 2 the Wahanka Camp Fire group met in Mrs. Tokie Doty's classroom with the president in charge.

Marka Dawn Kennedy had charge of the program which included several games. She also served refreshments to Mary Ledbetter, Winona Brookshire, Sherry Grantham, Martha Jane Doty, Judy Lyons, Patsy Sybert, Katrina Hardberger, Patsy Amyx, Mrs. Grantham and Mrs. Kennedy.

The meeting closed with the singing of the Camp Fire song.

**Traveler Speaks to  
Local Study Club**

The Town and Country Study Club met March 3, 1954, in the home of Mrs. Roy Hill. Mrs. Wanda Behrends was guest speaker. She gave a very interesting talk and showed colored slides of her extensive travels in Denmark, Africa, France, Italy and Switzerland. Mrs. Behrends is the daughter of Mr. and Mrs. John Mills of Morton and is teaching one of the fifth grades in the Morton schools.

Mrs. Roy Hill and Mrs. Keith Kennedy served refreshments to fourteen members. Those present were Mesdames Rex Faulkner, Allen Gruessendorf, Zeke Sanders, E. H. Durkee, Sammy Malone, L. B. Gibson, C. A. Baird, H. A. Owens, Sammie Williams, L. A. Cochran, A. A. Fralin, L. E. Huggins and the hostesses.

**Play Cast Honored  
With '42' Party**

The Cass Stegall home was the scene of a forty-two party honoring the cast and wives of the play recently given in the Three Way gymnasium by members of the P.T.A.

Those attending included Mesdames Crawford, Jenkins, McCoy, W. T. Parker, Glen Williams, Cuvie Taylor, Tommy Galt, L. W. Chapman, Miss Carter, Mrs. Allen and the host and hostess, Mr. and Mrs. Cass Stegall.

The guests were in the cast of the play, "A Ready-Made Family," presented at Three Way on March 2.

**Miss Vyla Liles  
Formerly of Lehman,  
Married Feb. 8**

Miss Vyla Liles, daughter of Mr. and Mrs. P. E. Liles of Tullia, Texas, and formerly of Lehman, exchanged vows with Doy Gene Grantham, son of Mr. and Mrs. H. D. Grantham of Tullia, in a double ring ceremony at the Baptist Church in Clovis, N. M., at 3 p.m. on February 8. Rev. Joseph B. Underwood officiated.

The bride, given in marriage by her father, was dressed in a beige suit with a corsage of roses.

Attendants at the wedding were the parents of the bride and bridegroom.

The bride attended the White-face schools and is a '33 graduate of Tullia High School. The bridegroom is also a '33 graduate of Tullia High School and is employed by the Fore Motor Co. of Tullia. The couple is residing at 229 North Hale Street in Tullia.

The Liles formerly lived in Lehman where Mr. Liles was the Santa Fe agent.

**DINNER GUESTS**

Mr. and Mrs. J. W. Pond had as their dinner guests recently, Mr. and Mrs. Bob Pemberton and children, and Mr. and Mrs. Norris Woodall of Clovis, N.M., Mrs. R. A. Thompson and daughter Betty, Mrs. R. R. Tucker, Bruce Keller and Helen Gathright.

**RIGHTLY DIVIDING THE TRUTH**

In Luke 2:41-52, there is an account of Jesus, Joseph and Mary going to Jerusalem to observe Passover Feast. In returning to their home the parents supposed that Jesus was with them, but found after a day's journey that He wasn't, and in searching among kindred and acquaintance that He never had been with them.

When they returned to the City, the Savior was found by them in the Temple where they had left Him. Christ had not left them, but they had left Him.

This represents to a large degree the condition as it exists today. Many of us are going along supposing Christ is with us when He is not, and has said not one word of the church to which we belong, or authorized what we practice.

It would be tragic to be lost eternally because we had followed a conscience that was in error. There is no correcting that mistake when once we have passed into eternity.

The most sensible thing we can do is to examine the way in which we are traveling, see whether Christ is with us and will bless us. Salvation is a personal matter. The question is what I personally must do to be saved. Not what the thief on the cross, or grandfather or grandmother, or father or mother—but what must I do to be saved?

Many people fear to make a change religiously for fear men will scorn them and brand them as turncoats. I'd think it would be far better for a man to turn his coat after finding he had been wearing it wrong side out, than to go on and refuse to change it.

**COUNTY AGENT**

Treat for farmers of Cochran County to be given by Don Jones, superintendent of the Texas Agricultural Experiment Station

and several of his staff from Lubbock.

All farmers are invited to attend an educational program for your knowledge and benefit. The meeting is from 10 to 4 p.m., Wednesday, March 17, in the County Auditorium, in Morton.

Anyone who farms in Cochran County should not miss this meeting of facts, variety discussions of cotton, grain sorghum, irrigation-dry land farming, entomology and fertilizers and a round table discussion on popular farm subjects and questions brought up by the farmers.

The Texas Agricultural Experiment Station representatives who will discuss the subjects mentioned above and who will be here with Don Jones are: John Box, Dr. N. W. Kramer and L. L. Ray and perhaps Bob Thurman, Irrigation Specialist, Extension Service.

This Experiment Station is constantly breeding new varieties of cotton, grain sorghums, and grow all the varieties at the station each year. Accurate records must be maintained on all varieties, results of yields of each, fertilizers used and quantities of each, methods of application of fertilizers, dry land yields, irrigated yields and different varieties, irrigation practices used, cotton breeding, grain sorghum breeding, new varieties developed recently, insect control work, cotton defoliation. All these subjects will be discussed during the hours of 10 to 4 p.m., Wednesday, March 17.

All Cochran County farmers are urged to be here to keep abreast with what's new in ag-

riculture and perhaps plan your future farming operations where, by you can increase your farm income, while conserving our natural resources, says the county agent. This is the type meeting he said he believed farmers are hungry for, and perhaps need most at this time of year.

The Agricultural Experiment Station do the farming, research, plant breeding, and improve varieties under actual farming conditions; hence that's where we get the new plant seeds developed and this service is why America is ahead of the world in agricultural production. Turn out Wednesday, March 17, and let's give them a big crowd; so we can get what they know and keep what we already know.

**Mrs. Kennedy Hosts Busy Fingers Club**

The Busy Fingers Needle Club met Friday afternoon from three until five in the home of Mrs. Mark Kennedy.

Members present were Mesdames C. B. Markham, J. S. Boydston, W. M. Harryman, W. E. Angley, Bud Young, C. B. Newton, Sammy Williams, Jack Baker, Ralph Merritt, B. C. Butler, L. W. Barnett and the hostess, Mrs. Kennedy.

The next meeting will be in the C. B. Markham home, Thursday, March 18, at 2:30 p.m.

Mrs. W. W. Williams on visited her parents, Mr. and Mrs. S. B. Admire, in Estelline last week.

**Pvt. William D. Ford In AA Training**

FOROT BLISS, Texas.—Private William D. Ford Jr., son of Mr. and Mrs. W. D. Ford of Morton, Texas, is now enrolled in the Antiaircraft and Guided Missiles Branch of the Artillery School at this post.

He is spending five weeks studying Sky Sweeper, Antiaircraft Artillery Weapons Maintenance.

A graduate of Morton High School, Private Ford attended Texas Tech College at Lubbock prior to his entrance into the armed forces on Dec. 7, 1953.

At Fort Bliss, the Army's Antiaircraft Artillery and Guided Missile Center, thousands of enlisted men and officers are train-

ed each year in the employment of antiaircraft artillery and in guided missiles. These students come from the Army, Navy, and Marine Corps of the United States as well as from many allied countries.

**CUBS LEARN KNOTS AT RECENT MEETING**

—One of the Whiteface Cub Scouts met in the home of den Mother, Mrs. Ray Carter.

The boys were given ropes and taught to tie square knots.

Games were played and refreshments were served to the following cubs: David Cates, Tommy Carter, Keith Berry, Jack Brock, Gary Paxton, Royce Drennan and Ralph Hensley, and two visitors, Mrs. Smith and Mrs. Hensley.

**Panhandle-Plains Committee Named For Farm Award**

The Hoblitzelle Achievement Award for the advancement of Texas Rural Life, consisting of \$5,000 and a gold medal to the farmer or rancher who has made the most notable contribution to the advancement of agriculture in Texas for the preceding three-year period, will be made in May, 1954. The achievement meriting this award should have been accomplished during the period of January 1, 1951, to December 31, 1953.

The purpose of this award is to recognize personal accomplishment in the field of rural life improvement, by a farmer or rancher, other than scientific research and professional agricultural workers.

In the Panhandle-Plains area a regional committee headed by Art Bralley, vice-president in charge of agriculture, The American National Bank of Amarillo, has been named to receive and to make nominations of candidates for the Award which will be presented at the annual meeting and field day of Texas Research Foundation May 19 at Renner. Other members of the committee are: Homer Taff, Soil Conservation Service, Lubbock; Coby Knokright, rancher, Hereford; and Sid Payne, chairman, State Soil Conservation Board, Tulsa.

Meanwhile four other similar regional committees are at work to make nominations from their respective areas of the state.

Fred M. Shaw, secretary of the Hoblitzelle Agricultural Awards, reports that the specific award to be presented this year is given every third year to the Texan who has made the most important contribution to Texas rural life as a practicing farmer or rancher. All adults working in this broad area of agriculture are eligible for the award, irrespective of creed, color, nationality, or affiliation with agricultural organizations.

**ACCEPTS APPLICATIONS**

The Ninth U. S. Civil Service Region is now accepting applications for the purpose of establishing eligible lists for positions of:

Metallurgist, \$5060 to \$7040 a year.

For filling positions with the Bureau of Mines at Bauxite, Arkansas, and Rolla, Mo., and other Federal Agencies in the states of Iowa, Kansas, Minnesota, Missouri, Nebraska, North Dakota, and South Dakota.

No written test is required. Applicants must have had 5 1/2 to 7 1/2 years of experience; appropriate education may be substituted for most of the experience. There is no age limit for these positions.

Those persons interested in Metallurgist positions requiring less experience may submit applications for Junior Scientist and Engineer, which calls for 4 to 4 1/2 years' experience or education.

Necessary application forms or information as to where such forms may be obtained is available in any post office within the above states, as well as post offices in Arkansas, Louisiana, Oklahoma and Texas; or from the Director, Ninth U. S. Civil Service Region, New Federal Building, St. Louis 1, Mo.

Muscular Pains Relieved  
In Few Minutes

With Doctor's External Prescription

Make This 24 Hr. Test

Use MUSCLE-RUB for those tired, aching all-over muscular pains. MUSCLE-RUB gives fast, soothing relief from all nagging pains and aches. Apply MUSCLE-RUB gently on sore, aching spots, and enjoy that instant soothing warm relief that thousands of MUSCLE-RUB users have known and praised for years.

No internal dosing. No waiting. MUSCLE-RUB differs from old-fashioned liniments and rubs. Leaves no unpleasant odor. To get safe, quick relief, simply apply this pleasantly scented liquid EXTERNALLY wherever you feel pain — limbs, joints, shoulders, neck, back. Note how much more comfortable you feel all day, how many hours of restful sleep you get at night.

Don't be unprepared when pain strikes. Keep a bottle of MUSCLE-RUB handy at all times.

**Money Back Guarantee**  
Get Muscle-Rub today from your Druggist. Use half the bottle. If you are not delighted with results, return what's left to your Druggist, who will cheerfully refund your money. Regular size bottle \$1.25. You save when buying the large Economy \$2.25 size.

**Mine Mud for Beauty**

NOT ALL the clay in Georgia's hills is red. Some is pure white and is called kaolin. This silicate of aluminum is unfamiliar to most Americans. Yet, with its many uses and applications, it is an influence in every household. Plants like this process 500,000 tons annually.

ALL-IMPORTANT in the hundreds of vital tasks kaolin performs is its employment by the paper industry in coating and filling its products.

MILADY PERHAPS doesn't realize it, but kaolin is used in manufacture of face powder, rouge and numerous other cosmetics she uses every day.

AT DEPOSITS near Macen, kaolin is obtained by strip mining. Once overburden is removed, draglines move into action. They load International trucks, which move 300 tons daily to the mill.

With Your...  
**COUNTY AGENT**

By HOMER E. THOMPSON  
Many dates are scheduled for Cochran County farmers. All are important to some, and some of the meetings are important to all.

Beginning Wednesday, March 17, 1 to 4 p.m., County Auditorium Building, Morton, Don Jones, Superintendent Texas Agricultural Experiment Station and his staff from Lubbock, will be here. Varieties of all crops grown in this area will be discussed, irrigation, planting seed, insects, cultivation, and many research findings of recent date—all will be taken up.

Wednesday, March 24, 1 to 3 p.m., County Auditorium Building, Morton, Ivan D. Wood, Irrigation Engineer of the USDA Extension Service, Washington, D. C., and Bob Thurmond, District Irrigation Specialist, will be here. Mr. Woods works the entire U. S. His experience is not

new in this area. Mr. Woods will discuss all the problems you show at him in this meeting. In addition he would like for the water well drillers and pump dealers to attend the meeting.

The problems Mr. Woods expects to discuss are ground water development for pump irrigation, what causes water well failures, gravel packing, the principles and practical methods of developing water wells, what a test pump is and how it should be used, selecting the pump and power unit for the well analysis of sand and gravel. Proper size slots for water well casing, the uses and why a surge plunger may be needed in developing wells, precautions and what to look for in using a surge plunger, taking soil samples, the kind of wells that often cause trouble, and many other questions you may have in mind to ask will be taken up. This meeting will be of especial importance to farmers with wells and those who may be contemplating establishing a well and pump.

March 26, Mr. A. H. Walker, pasture and range specialist, from Texas A&M Extension Service, will be in Cochran County to discuss range problems and irrigated pastures. He will spend the morning in the county agent's office and the afternoon visiting ranchers' places.

April 10, the 4-H Land Judging Contest will be held in the district at Plainview, during the Panhandle Dairy Show. Four members make up the team.

On May 15, men, women, boys and girls will meet at Texas Tech to study the principles of land judging. This is a training meeting. We all look at cows before we buy them, but we do not dig into the subsoil and check the land before we buy it. If you attend, you'll appreciate this land judging training course.

On April 28, Wednesday evening, at 8 p.m., there will be held in Whiteface, a joint county meeting with Mr. Hensling, head of the Poultry Production, Texas A&M College and Mr. Beanblossom, Marketing Specialist, Extension Service A&M College. They will discuss poultry in all its phases.

Saturday, May 1, is the District 4-H elimination contest. All contests will be held on this day, except dairy team and land judging teams at Plainview on April 10.

During the week of May 10, Fred Elliott, Cotton Variety Specialist, Ed Bush, Gin Specialist, and Freeman Fuller, Extension Entomologist, will be here for one day for another general meeting to vie you the latest on cotton equipment, vrities and insect control.

I am not selling cottonseed, but 4-H members in the District Contest who want to plant Empire Cottonseed in this contest can receive the cottonseed free of cost from Lee Ellwood, Bryan, Texas, for the asking. His address is Texas Planting Seed Association, Bryan, Texas.

The Cooperative Oil Mill, Lubbock, is spreading \$1,000 cash awards to the District 4-H Club winners in the 4-H Cotton Contest for 1954 to six places for irrigated cotton and six places for dryland cotton. A minimum of 5 acres is required for each person

in the contest. The division goes like this: First, for irrigated cotton, \$125; second place, \$100; third place, \$85; fourth place, \$75; fifth place, \$65; and sixth place \$50. The same wards are for dryland cotton, too.

A creep fed calf usually needs less time to reach top market conditions and usually gets there before losing his bloom.

Producers must use every trick in the bag again this year to make a profit, grain prices are still high and cows have been hampered by insufficient grazing. Hence, many calves are weak and need a chance to overcome this condition by weaning time.

Some oats make one of the best growing feeds, and in this section the calf may need a little extra supplement.

A ration of 65 pounds corn or milo, 35 pounds oats is good for calves four months old. With no grass a protein supplement is usually needed, especially with no grazing. In this instance, use

10 pounds cottonseed meal, 25 pounds oats, and 65 pounds of milo or corn. Young calves do not need the grain ground, but older midsummer calves need the grain cracked when being creep fed. Don't overlook the bonemeal and salt in the diet for growing calves, and cows, too. Have this close to your creep feed boxes. Just outside the calf entrance, so both cows and calves can get their share.

Lice and tick on dairy cows can cause a sharp drop in milk production.

For lice, use 5 per cent methoxychlor or 3 per cent lindane—one spraying with methoxychlor but takes two with lindane at two weeks interval.

For ticks one per cent Rotenone, or one tenth per cent pyriithrin gives effective tick control.

Remember methoxychlor does not control ticks and lindane is not too good either as it does not have a long residual action to give results.

WILL APPEAR HERE.—Shown above, the all-male quartet of Jacksonville College that will present a program at the First Missionary Baptist Church, Saturday, at 7:30 p.m.
