MORTON, TEXAS, THURSDAY, AUGUST 26, 1954

NUMBER 25

'Sparky' Wallace Rites Today at First Baptist

Nine-year-old John Silas Wallace II, aptly named "Sparky" by his many friends in Morton lost the valuable spark that had kept him alive early Tuesday morning at the Plainview Polio Clinic only scant hours after his Little League teammates and classmates had played a polio benefit game on the local diamond and had raised \$145 to be donated to the March of Dimes drive.

"Sparky", always noted for his peppiness and dubbed by doctors at Plainview as one of the pluckiest of all patients there, passed away at 4:45 a.m. inside the iron lung to which he had been confined almost continuously since he was stricken with the dreaded disease, August 3rd.

Only last week Sparky had told doctors he had to get out of the iron lung so he could go home and start to school. Though almost completely paralyzed, he'd told them he'd walk out of the hospital just like he walked in.

Mr. and Mrs. Wallace were notified at home in Morton and were en route to Plainview at the time of the boy's death. They had attended the benefit ball game the night before and were to take to Sparky a baseball used in the game and autographed by all of Sparky's teammates.

Funeral services are to be held at 4:30 this afternoon at the First Baptist Church here with Rev. O. L. Robinson and Harold Drennan conducting. Burial will be in the Morton cemetery.

Born at Laredo, Texas, Sparky was in the fourth grade of school here. His family had moved here from Maul, Okla., in 1952.

Survivors include the parents, a brother Sandy and a sister, Sara Jo, and the maternal and paternal grandfathers, J. S. Wallace (after whom Sparky was named) and T. G. Lackey both of Maul, Okla. Pallbearers will be J. C. Reynolds, Speedy Lindsey, G. D. Lewis and M. C. Ledbetter and honorary pallbearers are his Sunday school classmates and friends.

Regulations for Elementary Pupils Are Announced

Regulations for the pupils entering in elementary school either for the first time, or in the 2nd through 4th grade have been announced here.

All pupils entering the first grade are to report to the auditorium, Sept. 6th. They are to bring their birth certificates plus the following supplies: 1 large pencil, 1 wide-lined tablet, 1 box of (16) crayons, pointed scissors and bath mat or blanket to rest on.

Those re-enrolling in the second, third and fourth grades will find their names posted on the door of their respective grade telling them the room to which they have been assigned.

Pupils for these grades entering the Morton schools for the first time report to Mr. Hales' office. They will be assigned to their classes.

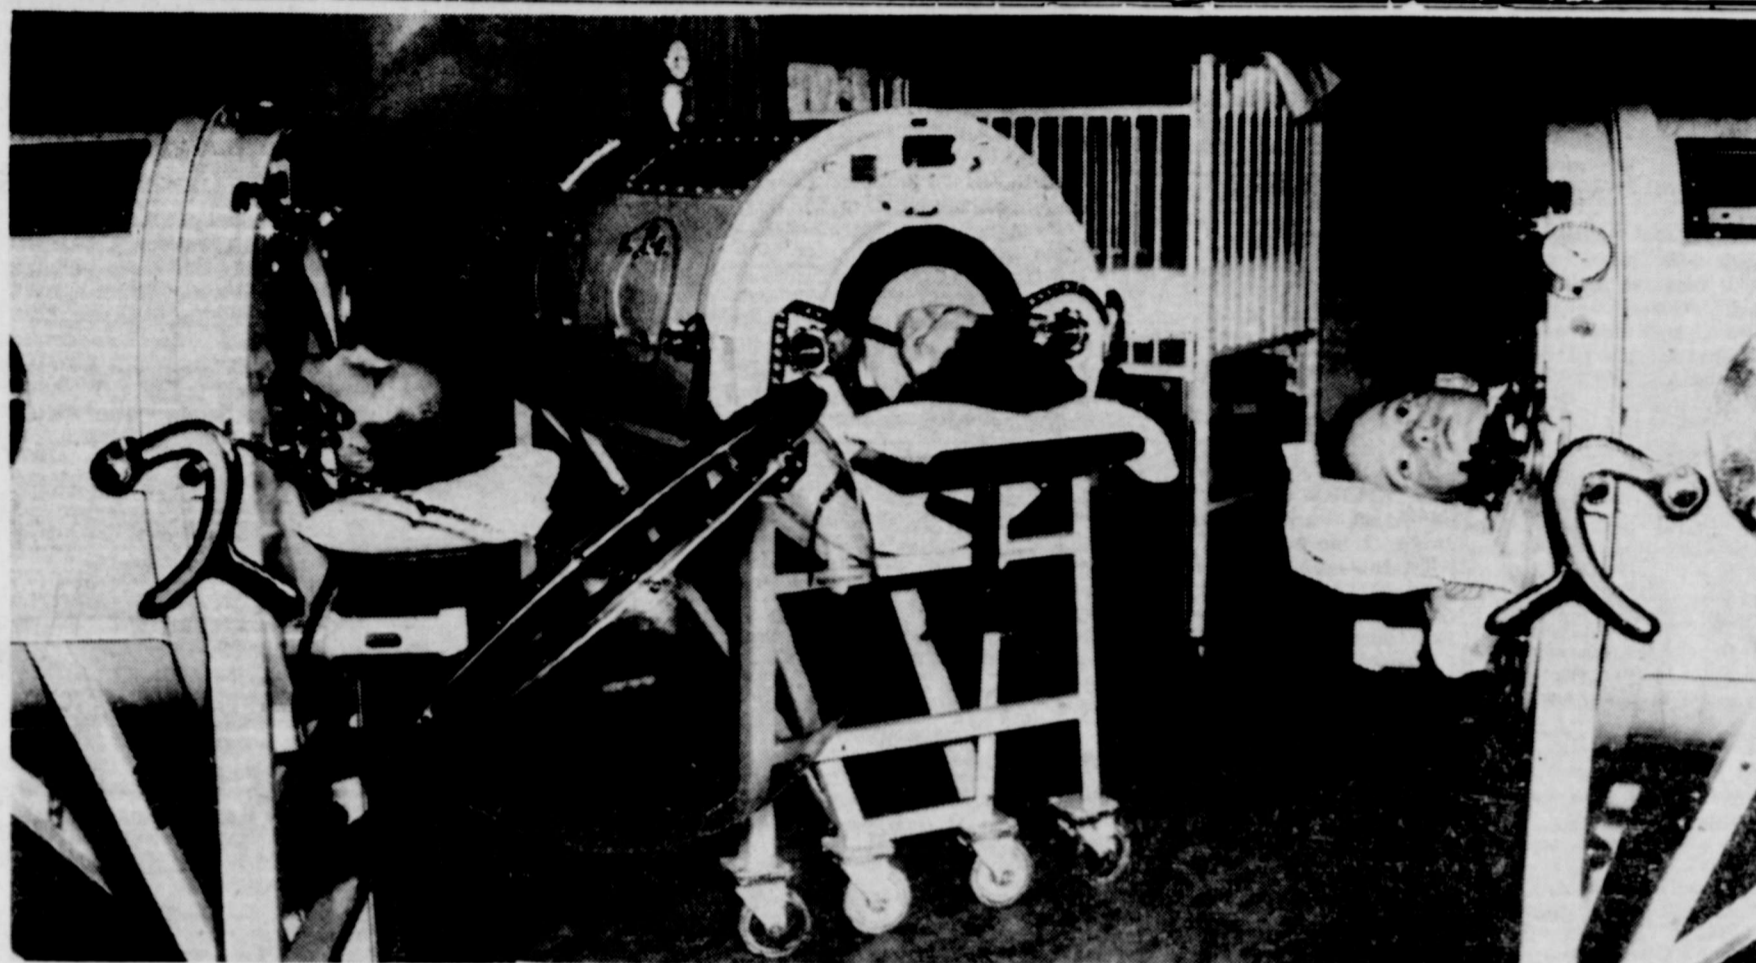

Lunches for the first four grades will be 25 cents per day. It may be paid by the day, week or month. They will not use lunch tickets in these grades. Supplies for the second grade include the regulation tablet (not wide lined), one No. 2 pencil, sharp pointed scissors, a bottle of paste, 1 twelve inch ruler, and one box (16) crayons.

ASC Delegates Named After Committee Meets, Canvasses Votes

Tuesday, Aug. 24, the nominating committee for Cochran County met and counted the ballots for election of the committeemen from each of the 5 communities in the county.

The delegates were determined by the number of votes received. In each community, the committeemen receiving the highest number of votes was declared the delegate to attend the county convention. The one receiving the next highest number of votes was declared alternate delegate. These delegates will assemble in a few days to elect the county committeemen.

The names of the committeemen and community they represent are as follows:
Newly Ward Hadley Kern as delegate; B. O. Hurley, alternate; Roy D. Greer, member; B. R. Stovall, first alternate and B. H. Tucker, second alternate. Whiteface — Leonard Guiner, delegate; E. J. French, alternate delegate; Omar Sims, member; Frank Gillespie, 1st alternate and Melvin Bierman, 2nd alternate. Lehman — J. P. Romans as delegate; Keith Kennedy, alternate delegate; Ralph Gardner, member; Gordon Brown, first alternate; Stuart Roullan, 2nd alternate. Morton — W. R. Hatcher, delegate; W. A. Woods, alternate delegate; T. T. Smith, member; J. S. Boydston, 1st alternate; Haskell Milligan, 2nd alternate; Bledsoe — Syd Coffman, delegate; H. H. Rosson, alternate delegate; C. O. Bryan, member; W. B. Dunn, 1st alternate and J. C. O'Brien as 2nd alternate.

Cecil Henderson's Mother Dies; Is Buried Tuesday

Funeral Services were conducted Tuesday at the Whitharral Baptist Church for Mrs. Milinda Elizabeth Henderson, mother of Cecil Henderson of Whiteface.

Mrs. Henderson, longtime Hockley County resident, died at 7:30 a.m. Monday at the home of her daughter, Mrs. Ila Edwards in Levelland.

Rev. Bob Robbins, pastor of the Trinity Baptist Church in Levelland officiated at the funeral. Burial was in Whitharral Cemetery under the direction of George Price Funeral Home.

County Benefits By General Rain Of Two Inches

The most important rainfall of the year, about 30 days too late to help many farmers harvest a crop this fall but giving lifeblood to hundreds of other acres of cotton that were in need of water, covered the county Saturday night and Sunday.

The Soil Conservation office spokesman estimated the overall average at two inches throughout the county. But Morton's gauge showed only about 1.5, including Monday's shower.

The area of the county most benefited was the extreme north. West where up to four inches of water fell and sent farmers into heavy preparation for sowing a winter wheat crop. Much of the land had not received enough previous moisture to be sowed in cotton.

E. E. Scott Died Monday; Funeral Today

Funeral services have been scheduled for 2:30 p.m. this afternoon at the First Baptist Church of Morton, for Everet Eddie Scott, 69, of Morton who died suddenly of a heart attack at 5:45 p.m. on Tuesday at his home here.

Known as Scotty to his many friends, Mr. Scott had been ill and in failing health for about three years. He was a re-ired farmer but previous to sustaining a lung injury a few years ago he had done considerable trucking around the country.

Survivors include his wife, Mrs. Carrie Scott whom he married in August 1921, at Buffalo, Missouri, where he was born on August 18, 1885. Others are the four children, Marie, Bobby, Bill and June, all of whom make their home in Morton.

Scotty moved to Morton from Breckenridge in 1928. He had been a member of the First Baptist Church here since 1932.

Burial is to be in the Morton cemetery with Frank and Willis Smart of Westlake, Calif., serving as honorary pallbearers.

Friends and relatives attending the funeral from other parts of the country include Miss Anne Scott of Pasadena, Calif., W. H. Scott of Buffalo, Mo., and Mrs. Maude Blackburn, Mrs. F. H. Bingham and Mrs. Eva McJally of Springfield, Mass.

HERE'S THE CHIEF REASON . . .

Here's why the March of Dimes needs money now. Not because people get polio, or because it takes money to fight polio or because gamma globulin is being produced to fight polio . . . these are reasons, but actually they are less important. The big reason is because polio sometimes gets so bad it puts our youngsters like these, and older ones, too, into iron lungs. The chief reason we need to donate all we can, today is because polio is claiming lives. The little youngster on the far left is Sparky Wallace. It's probably the last picture taken of him, alive. Tragic? Of course. Heart rending? Yes. Too realistic? No. When human lives are involved, we can't get too realistic. We can't face too many facts. Instead we should wake up to the call for more money. Here in Morton, where we have so many polio cases we're going to be asking for help from the National Foundation, at least we should be prepared to give everything we can, to keep boys and girls out of iron lungs. COMMISSIONER, TWO CONSTABLES

Runoff Election Saturday Draws Wide Interest

A handful of Cochran County candidates completed last minute plans for the August Second Democratic Primary election this week along with several candidates for state office.

All the Cochran County races were precinct races including two in the Pet, that were expected to draw high interest. Due to the fact that a "red-hot" Governor's race is expected to draw large crowds to the polls local races could well expect the highest number of runoff votes in the history of the county.

In Pet, One, incumbent J. O. (Jim) Hill was looking for re-election as Commissioner and his opponent was M. R. (Ran) Holloman. Hill collected 221 votes in the 1st Primary and Holloman ran second in a field of eight with 136.

Granddaughter of J. F. Lackeys Died Monday

Funeral services for Norma Ruth Lackey, 14, granddaughter of Mr. and Mrs. J. F. Lackey of Morton, was held Tuesday at the YL Church in Muleshoe at 3 p.m. The Rev. L. J. Helm, Methodist minister from Nolan and former YL pastor officiated.

Norma Ruth, a junior high student, died Monday following brain surgery at West Texas Hospital in Lubbock.

Burial was under the direction of Singleton Funeral Home of Muleshoe. Interment was in the Muleshoe Cemetery.

Survivors besides her grandparents include her parents, Mr. and Mrs. W. D. Lackey, one sister, Mrs. C. W. Riddle of Plainview, a brother, Walter Wayne Lackey, 8, and her maternal grandparents, J. G. Roeder of Lawton, Oklahoma and Mrs. E. E. Frost of Lawton.

Cooper Asks For Support Saturday

To all who have given me encouragement in the recent campaign, I'd like to take this opportunity to say thanks. Once again I say, if elected your constable, Pet. One, I'll do the job to the best of my ability. The recent illnesses in my family have prevented me from being as active in the campaign as I'd like to have been. However, I still hope to see you all before the election to personally ask for your vote and support, Saturday in the runoff.

Thank You,
H. L. Coon.

COOPER FAMILY

HOLDS REUNION

A reunion was held this past week-end in the G. F. Cooper, Sr. home with all of his brothers and sisters and their families attending.

Those present were Mr. and Mrs. Will Cooper, Margaret Cooper and Mr. and Mrs. Alvin Plowman of Big Spring; Mr. and Mrs. Charlie Pumphrey and Meridian, Mrs. Oscar Cooper, Mr. and Mrs. Bill Cooper and children all of Odessa; Mr. and Mrs. Marvin Mitchell of Durango, Colo.; Mrs. B. L. Pumphrey and daughter Wilma Simpson of Fort Worth;

Mr. and Mrs. T. G. Roddy of Bullard; Mr. and Mrs. Gene Peisker and son of Belton; Mrs. Robert Brims and boys of F. Worth; Mr. and Mrs. G. F. Cooper, children and grand children, Mr. and Mrs. G. O. Cooper and children, Mr. and Mrs. Joe Greaschem and son, Mr. and Mrs. Melvin Cooper of California; Mr. and Mrs. Virgil Willis and boys of Muleshoe;

Also Mr. and Mrs. Bobby Wallace and children of Muleshoe; Mr. and Mrs. Buddy For and children of Lovington, N. M.; Mr. and Mrs. Junior Cooper and boys; Mrs. Chester Miller and children of Morton. Chester was unable to attend due to his confinement in the hospital.

TO HALT POLIO MENACE

City Commission Passes Ordinance Requiring Covered Garbage Cans

The Morton City Commission moved swiftly Tuesday night on the recommendations of the city's two doctors, to pass an ordinance which will, within a very short time make it mandatory that all garbage be kept in covered containers.

The recommendation was made at a special called meeting of the commission when Morton's 8th polio case was reported last Sunday night and the most serious local case resulted in the death, early Tuesday of Sparky Wallace, 9-year-old son of Mr. and Mrs. Jack Wallace.

Dr. Dan Brown and Dr. N. A. Monk told the Commission that still no proof is available to show exactly where polio comes from and how it is transmitted. However, in view of the fact that a heavier than usual incidence of polio has been reported here, it was advisable to begin immediately in cleaning up the city.

The ordinance, after allowing suitable length of time for all residents to secure a covered garbage can, will provide a penalty to all who refuse to comply. Papers can be stored and burned in the large barrels already used. But the covered container, not more than 30 gallons in capacity must be used for wet garbage. Dr. Brown also added that it is very advisable to wrap the wet garbage in paper.

That wasn't the only move made, either. City Clerk Joe Gipson was instructed to proceed, at the earliest moment with spraying of the city with insecticide. Boy Scouts were to be used in passing out of pamphlets which will explain the need for the newest cleanup measures.

Morton borrowed a sprayer from Sundown, in lieu of the fact that the city's sprayer is "on the blink." The city was sprayed Tuesday night and was to be sprayed again this week and then once each week thereafter. If necessary, more men will be employed to step up the garbage collection.

Area Schools Open Monday

Bledsoe, Three Way, Bula and Whiteface schools completed last minute plans for registration of students and the opening of their schools Monday, August 30, this week.

Bledsoe, later to announce the scheduled opening plans according to Supt. J. E. Roane, had to replace only one teacher in their entire setup. Hired recently was Joe W. Conaway of Greenwood, Ark. who will coach girls basketball and teach social science.

Registration at Bledsoe will be Friday with school buses running that day. Everyone from the 1st through the 12th grade is expected to be at school on the registration day. When school opens Monday, Roane said, he expected a full day of school work.

Roane also said the school cafeteria would open on Monday for the first time.

At 9 a.m. in the school auditorium, Monday, an assembly and opening school exercise will be held and patrons and friends are cordially invited to attend. County Judge and Ex-officio Superintendent Fred Stockdale is scheduled to be on hand.

Roane also announced that two new teachers have been moved into Bledsoe from Lubbock on a turnkey job.

Whiteface and Three Way had previously announced their opening schedules and Morton postponed theirs for one week.

VISITS PARENTS

Mrs. Junior Cooper and boys George and Jerry Don were visitors in the home of her parents, Mr. and Mrs. Homer H. Hope in Snyder, Okla., last week-end.

Billy Alvin Stark, nephew of Mrs. Coopers returned home with them for an extended visit. Mr. and Mrs. Hope are former Mortonites.

breeding places. Flies breed on filth, mosquitoes breed on water. The caption of the new ordinance is published in the Tribune this week and residents are urged to contact the city hall if they wish a garbage can delivered to their residence, immediately.

Howell Child Is Latest to Contract Polio

One other polio case was added to the previous list of cases reported from Cochran County when Bryan Edward Howell, 18-month old son of Mr. and Mrs. Edward Howell of Morton was taken to Plainview Polio Center Sunday night.

The child, the only one of the family's children that was too young to receive gamma globulin shots was partially paralyzed but was not in serious condition according to the latest report received by the Tribune.

It was the 8th case reported from this area, 7th from Morton this year.

Morton School Opening Date Is Postponed

Acting on the advice of State Health Department authorities who said that since school has not already started here it would be advisable to postpone the opening for one week until temperatures drop and until Morton recovers from a polio scare, the Morton School Board Tuesday announced that school will not open for the 1954-55 school year until the week of September 6.

Health department officials assured Mortonites "there is no epidemic evidenced in Morton" despite the fact that several cases of polio have been reported here and one Morton boy has died. The incidence is running a little higher than usual but that is attributed to the fact that August to October is usually the worst time for polio. When temperatures begin to drop, the polio is expected to decline also.

Supt. H. A. Owens said that a new registration schedule has been drawn up for all students. A general faculty meeting has been called for Sept. 1st, at 10 a.m. in the High School Study Hall.

Registration begins, Sept. 2 at 9 a.m. for freshmen. Seniors will register at 1 p.m. the same day. Juniors will register at 9 a.m. on Sept. 3 and sophomores will register last, at 1 p.m. on the 3rd.

General registration for all elementary and junior high students will be September 6. Buses will run on the 6th and the cafeteria will be open to all students.

Holloman Makes Statement

Friends and Voters, Due to the untimely death of my nephew, I haven't felt like this has been the proper time to continue my campaign for election as Commissioner, Pet. One, Cochran County.

I won't be out campaigning any more between now and election time. If I've missed you, it was accidental. I appreciate the support you've given me in the past election, your encouragement in between election, and will sincerely appreciate your support Saturday.

Sincerely,
Ran Holloman.

Merchants, Clubs Plan Benefits On Polio Drive

All money collected Friday at the Maytag Laundry on the help self machine will go to the County's March of Dimes drive, G. E. Nichols, owner, announced this week.

At the same time the Steak House announced that all coffee money taken in Saturday will go to the same cause according to J. T. Porter.

A bake sale sponsored by the Morton Jay-Ceetles will be conducted Saturday morning at the Smith Furniture Co. with all proceeds being turned over to the polio drive.

edlines..

By Eddie Irwin

WERE, quite frankly, getting fed up with people who "blow their top" because this or that story didn't get into print in a particular issue of the paper. They, without even asking or caring to ask simply assume that someone has something in for them.

we have

IN A NEWSPAPER shop, problems very similar to other business. Sometimes a story brought in on Tuesday is plenty early. Other times, we have progressed far enough along toward getting out the paper that to wait for 10-20 stories to be set on the machine would cost us \$50-\$100.

that's only

A FEW OF the problems. Sometimes we have more type than we can squeeze in the paper and we have to try to decide which stories can hold for next week and not lose as much importance as others. For instance, a meeting coming up is much more important than a meeting that has already been held, unless the later meeting has developed more important information for the community.

sometimes

WE HAVE a hole to fill, say five inches deep by one column and we have some stories but all are too big. We make the move which is most advisable on the spur of the moment. . . . rewrite a story, cut one down, or put in another

story of slightly less importance.

why

WE HAVE BEEN asked do we sometimes run "canned" columns such as political columns, etc. in place of local news. Ninety-nine times out of a hundred the political column was in the office ready to be set when the linotypist had time to set it on Thursday or Friday and the local news didn't come in until Tuesday or Wednesday.

we've seen

ALMOST IDENTICAL things happen in other businesses. Both of our TV dealers have been caught without the exact set a customer wanted. They'll get it right away. They place an immediate order. Sometimes he goes to Lubbock. Not very sporting or fair to our dealers, but it's a customer's privilege.

how many

PEOPLE HOLD out and even change grocers over a particular brand of catsup, beans, or any particular food. It's the customer's privilege but the grocer can't always stock every brand name that is demanded.

if we

CLOSED OUR doors at 5 p.m. every evening and they remained closed until 8 a.m. we'd feel a little guilty over some of the ways we've failed to please our customers. But those who take the time to check will find our doors open, not a little longer, but far longer than any other business establishment except the hospital. That's because we're trying to do

the most complete job we can.

we're here

WHEN THE SHERIFF goes to bed, most of the town's night owls can tell you that, Man's the night we've seen the neighborhood pharmacists open up to fill an early morning prescription. One young lady knows we're up, two weeks in a row she called us at 3 a.m., Thursday morning and wanted to know if she could get two stories in the paper, frankster? Sure, but she found the last run of the paper not yet even on the press a little

PATIENCE and we'll try to get every story in the paper. But we'll still miss a few, forget a few, fail to have time to run down a few. Never will we intentionally slight a single human being, regardless of race, creed, religion, social standing, etc. Our convictions will be well known and we'll make them clear as possible, under editorials well labelled.

the first

THREE GAMES OF the softball league playoffs were certainly among the most entertaining the fans have witnessed all season long, even if they may not have been as sharply played as they could have been.

West Side

IN PULLING out two consecutive 8-inning decisions over Enochs far outplayed the Bailey County boys but almost got beat both games because they were out. In the long run it was superior play afield that meant the difference and the West Siders, in winning their first playoff round of competition in four years showed good play in the clutch.

the other

GAME PLAYED was definitely classed as an upset although Hawkins in losing a 13-9 decision was definitely outplayed and out. Maple could wrap it up with another win tonight but you can bet always scrapping Oldsmobile will be favored to win.

we may

YET HAVE a tournament after the regular season is over, depending upon how many teams seem to be interested in staging it.

won't get

THE SOFTBALL season completed before football is on everyone's mind. The Morton Indians, as per TIL rules are already working out and they look pretty fair.

they'll get

AN EXTRA week to concentrate on practice since school opening is to be delayed on account of the recent polio upsurge. And speaking of that, the two local doctors and the city council got together the other night (Tuesday) and talked over some very needed precaution for helping keep down the polio incidence.

the one

THAT DREW the most attention was the need for a covered garbage can ordinance and it was passed. In other words you'll be required to have a covered garbage can instead of the big barrels many people are using. You'll be given ample time to secure the covered garbage can.

the need

FOR THIS and more frequent sprayings of the city with the city's spraying and fogging machines were pointed up by both doctors. The city deemed it so important they acted immediately made the effective date of the ordinance immediate, also.

it all

BOILS DOWN to the problem of basic sanitation. City Clerk Joe Gipson told the group. It's hoped that everyone will do his or her utmost to maintain this basic sanitation and get that polio incidence way down to where it should be.

the tragic

STORY OF SPARKY Wallace has many Mortontites up in the air over polio and well it should. We hope that they continue to be up in the air until every possible step is taken to break up what might be polio causes.

and yet

IT'S LIKE grasping for straws. We don't even know exactly what we're trying to do. We just assume that the eradication of flies, mosquitoes and other insects will cut down the polio menace. The odds are with us, too.

Enochs Hammers Shaw Construction

Enochs, second-place league entrant here played their first exhibition game of the season here Saturday night and handed Howard Shaw Construction of Sundown a 19-3 defeat on the local field. Paced by Wayne Gilliam's three home runs, Enochs grabbed a 13-0 lead and coasted to victory behind three different pitchers.

Howard Shaw is slated for another game in Morton next Saturday night.

West Side Loses, Maple Wins In Crucial Games

West Side's Merchants, battling for a playoff berth in the City Softball League, lost a valuable ground Friday night as they fell victim of Hawkins for the third time this season.

West Side put themselves on the spot dropping an 11-7 verdict. The defeat left them needing to win the rest of their games to edge into playoff contention. Meanwhile Maple came through with a last inning rally in the 6th frame to edge the Muleshoe Printers and keep alive their playoff hopes. The Printers held a 12-6 lead at one time but Maple took home a 14-13 win in a stubbornly contested game.

The Maple kept in the league running at least until the final week of play. As this week opened, there was little to choose between the chances of Enochs, West Side, Bala, Maple and REA playoff spots.

Cpl. Edgar Lanrill Helps Construction Of Korean School

I CORPS KOREA—Cpl. Edgar L. Lanrill, whose wife, Darla, lives in Morton, Tex., recently helped construct a school in Korea with other men from the 96th Field Artillery Battalion.

Lanrill is a gunner in Battery C of the battalion, which provided technical supervision and materials for the project under the Armed Forces Assistance to Korea program.

Maple Wins 1st Playoff Battle In 8-Innings

In a hard fought, nip and tuck battle, West Side came from behind to tie the game and then won an 8-7 decision in the 8th inning as they went 1-up in their playoff series with Enochs Monday night.

West Side took a 2-0 lead, saw it tied up at 2-2 in the 4th inning, upped it to 5-2 and then hung on for a 5-4 lead as the teams entered the 7th inning. Then, with two out, Pollard's walk and triples by Wayne Gilliam and Leo Polard put Enochs ahead, 7-5.

West Side tied the count in the last half of the inning after getting two on with none out and then, after holding Enochs scoreless, the Merchants won it on a walk, a single, and Dexter Nebut's long single over the left fielder's head.

In the preliminary game, staged for the benefit of polio, two Little League teams battled five innings to a near stalemate as fans paid \$115 into the MOD drive in a game played for Morton polio victim "Sparky" Wallace. Red Willingham's team finally got the nod over a team managed by Leon Patterson but the game was cooly contested all the way.

DAUGHTER ENGAGED

Mr. and Mrs. George G. Wilkins, Sr. announce the engagement and approaching marriage of their daughter, Wanda LaJune to Joe Ed Sullivan, son of Mr. and Mrs. Ed Sullivan. The wedding will be held September 5 in the home of the bride's parents.

To Farmington

Mr. and Mrs. Mike Walden and children spent several days recent traveling in Farmington, N. M. in the home of his brother-in-law, Mr. and Mrs. Euren Walden.

Carol Sexton In Training Windup At Lackland

Carol G. Sexton, 19 son of Robert C. Sexton, Star Route 1, Morton, Texas is completing his Air Force basic military training course at Lackland Air Force Base, the "Gateway to the Air Force."

Lackland Air Force Base at San Antonio, is the site of Air Force basic military training for men and women, headquarters of the Human Resource Research Center, and home of the USAF Officer Military School.

His basic military training is preparing him for entrance into

Force technical training and or assignment in specialized work. The course includes a scientific evaluation of his attitude and inclination for following a particular vocation and career.

IF YOU WERE GOVERNOR OF TEXAS WHAT WOULD YOU HAVE DONE?

—Statement by Adlai Stevenson, (Aug. 19, 1952) upholding Truman's veto of the tidelands bill, handed to Governor Shivers at Springfield, Ill.

- IF . . .** You considered the future and welfare of TEXAS the most important part of your public career, and
- IF . . .** You knew that the future of TEXAS was vested in the education and training of TEXAS youth, and
- IF . . .** You knew that the loss of Texas tidelands would mean depriving TEXAS school children of \$32,000,000 annually in educational funds, and
- IF . . .** The democratic convention in session at Amarillo in September, 1952, INSTRUCTED you to do all within your power to RETAIN THE TIDELANDS FOR TEXAS and protect this income for TEXAS SCHOOL CHILDREN, and

FINALLY . . . IF . . . WITH THIS IN MIND, YOU SAT FACE TO FACE AND ASKED HIM IF HE WOULD SUPPORT TEXAS IN ITS RIGHTFUL FIGHT TO RETAIN THE TIDELANDS FOR TEXAS — FOR THE SCHOOL CHILDREN — AND THE ANSWER WAS NO — VERIFIED BY LETTER!

THEN, I ASK YOU . . . WOULDN'T YOU, OTHERS WHO PREFER THE TEXAS WAY OF LIFE? HONESTLY, PUT TEXAS AND TEXAS SCHOOL CHILDREN FIRST? I HAD TEXAS IN MY HEART! SO . . .

WOULDN'T YOU HAVE REMAINED A TRUE TEXAS DEMOCRAT ALONG WITH MILLIONS OF . . . THAT'S EXACTLY WHAT I DID!!!!

RESPECTFULLY,

WON'T YOU HELP ME SAVE TEXAS FOR TEXANS?

50% better mileage—

NOT 5¢ FOR REPAIRS IN 34,400 MILES!"

Here's the typical performance record of GMC Hydra-Matic trucks as being reported from all parts of the country

A WHOLESALE BAKER, supplying his entire state, put Hydra-Matic GMC's on his longest routes. In racking stop-and-go-work, they're averaging 58 delivery stops per day, 28,000 miles per year.

Here's what their carefully kept records show:

The Hydra-Matic GMC's are getting 12.2 miles to the gallon—50% more than their standard trucks.

In use now up to 34,400 miles, not a nickel has been spent on repairs for any one of them.

Brake linings, usually replaced at 25 or 30 thousand miles, are still in good shape.

Clutch replacement, usually necessary at about 16,000 miles, is completely eliminated.

And the drivers of these Hydra-Matic GMC's are the happiest, most job-contented men you'd want to employ!

Now, how about you? From Pickup to heavy-duty hauler, there's a Hydra-Matic GMC to better any trucking operation. Come in and let's see about yours.

*Standard on many models, optional at extra cost on some others

W. F. Lisenbees In 60th Anniversary

Mr. and Mrs. W. F. Lisenbee were honored recently in their home in Morton, on their 60th Wedding Anniversary with their children serving as Host and Hostesses. A lovely dinner was served to approximately twenty members of the family and others called throughout the afternoon. The children presented their parents with a gift of silver. Throughout the day everyone enjoyed the sing-song, prayers and fellowship together.

Among those visiting were Mrs. Dee Petree, Joe Dee, Edith and Darrell of Seagraves, Mr. and Mrs. I. L. Ashley of Lamesa, Mr. and Mrs. Joe T. Lisenbee and Jorene and Mrs. Sealy of Andrews, Texas, and Mrs. Sealy of Kermit, Mr. and Mrs. S. A. Ramsey, Gerald, Geraldine, Betsy, Sue and Peggy of Morton and Rhoda Lisenbee of Morton.

Mr. and Mrs. Lisenbee have reared a family of ten children. 2 sons have passed on. Paul passed away in 1920 and Wesley in 1937. Eight children are enjoying a happy life with their parents. Mr. and Mrs. Lisenbee also have 34 grandchildren and 15 great-grandchildren. The children living are: Miss Rhoda Lisenbee, of Morton; Mrs. John B. Dudley of Fresno,

Calif.; Mrs. Dee Petree of Seagraves; Mrs. S. A. Ramsey of Morton; Mrs. Ira L. Ashley, Lamesa; W. L. Lisenbee, Kermit; Joe T. Lisenbee, Andrews; J. E. Lisenbee, Seagraves;

Visiting Parents
Mrs. J. T. Carlile Jr. and daughter Patty of New London, Conn. are visiting here in the home of her parents, Mr. and Mrs. K. S. Head. They will join their husband and father in New London on Sept. 1. Mr. Carlile is at present on a tour of sea duty with the U. S. Navy.

VISIT DOYLE HOME
Visitors in the Earl Doyle home in Lubbock last Sunday included Mr. and Mrs. M. L. Doyle and family and Mr. and Mrs. Ed Sullivan and family of Morton and Mr. and Mrs. Lewis Doyle and daughter of Levelland.

The Earl Doyle's, formerly of Morton, are the parents of a baby boy born Aug. 17. The baby weighed 8 1/2 pounds at birth and has been named Richard Lewis. The Doyle's have one other child 2 1/2 year old, Bobby.

Sweet El Fleming

Elvis Eugene Fleming, better known to his friends as "Sweet El" is visiting friends and relatives in this area during the week beginning Saturday, August 21. The talented, six-foot-four-inches, 185 pound, year old singer is vacationing from the "All Star Country Road-show", which originates from

Fort Worth's North Side Coliseum, and Texas' newest and biggest concert of country music. The "Road-show's" regular star formerly played in the band of Bobby Durham, popular KLVT disc-jockey and local band-leader. Sweet El expects to play several personal appearances and radio shows with Bobby while he is in this area.

Sweet El's parents, Mr. and Mrs. E. B. Fleming, live near Maple,

where he graduated from Three Way High School in 1953.

GET MASTER DEGREE AT BAYLOR UNIVERSITY

Mr. and Mrs. L. T. White are visiting in the home of her parents, Mr. and Mrs. Walter Taylor.

Mr. White received his master degree at Baylor University this summer and he will teach in the Sherman schools.

WEEKEND IN S.A.

Mr. and Mrs. R. C. Sexton and son Paul and Bobby and Mr. and Mrs. John A. Hobbs spent the week-end in San Antonio visiting their son and brother Gayland Sexton who at present is stationed Lackland Air Force Base.

SAVE-SAVE-SAVE — \$35.00 a bale on your cotton with the JOHN DEERE COTTON HARVESTER, McAllister-Huggins, Use the John Deere Credit Plan.

NOT IN THE BIBLE

We have been suggesting that you ask your preacher for the Bible teaching on a number of things that are taught in the religious world today, (as the Bible applies to us today). We do this not to be different, but because we are interested in the salvation of the souls of men and women. In an effort to get you to investigate the things that you are being taught, Christ said, "Ye shall know the truth, and the truth shall make you free." (John 8:32) Again, the apostle Peter said, "Ye have purified your souls in obedience to the truth." (1 Pet. 1:22) Therefore, we beg of you to ask your preacher where these things are taught in the Bible for us today.

SABBATH KEEPING: The Christian was never told to keep the sabbath, but the Jew WHO LIVED UNDER THE LAW OF MOSES was. He was told, among other things, to (1) rest from all labor; (2) not to go over a sabbath day's journey (about 1/3 of a mile); (3) offer animal sacrifice; (4) and kill all those who worked on the sabbath. It is plain to any honest, intelligent thinker that God did not tell men today to keep the sabbath and no man keeps it today, as he above requirements will readily show. God appointed another day in which we are to worship him, which is the first day of the week and not on the seventh (sabbath) which is Saturday.

MIRACULOUS HEALING: When a Christian gets sick he needs to call a physician according to Jesus. (Mat. 9:12) The physician prescribes medicine and the Christian takes it. (Prov. 17:22). The Christian prays for aid in being healed. (James 5:14) When a person has cancer, or is mangled in a car wreck, he should not be advised to trust ENTIRELY in the Lord for healing. The person who teaches him that it is sinful to take medicine or call a physician is guilty of teaching an untruth, and sometimes guilty of murder and will answer for his sins. The greatest racket that has ever been palmed off on the religious of today is the MIRACULOUS HEALING RACKET.

LEGAL NOTICE
CITY OF MORTON, TEXAS
ORDINANCE NO. _____

An Ordinance for the preservation of the Health, Sanitation and Safety of the public, providing for the collection, removal and disposal of garbage, trash and rubbish within the City of Morton, Texas: defining the various kinds of garbage: requiring all owners, occupants, tenants or lessees or residences, churches, schools, lodges, commercial and industrial business or other buildings within the city to provide containers and receptacles with covers for garbage and trash; specifying that containers and receptacles be placed at convenient locations on the premises where they may be emptied and the contents removed at regular intervals and prohibiting the placing of garbage or any article or material in the streets and alleys of the City of Morton, Texas; providing for service charges: providing a

saving clause in the event any part of the ordinance should be declared unconstitutional: fixing a penalty for the violation thereof: repealing all ordinances or parts of ordinances in conflict herewith: providing an effective date: and declaring an emergency.

Passed and adopted by the City Commission of the City of Morton, Texas, the 24th day of August, A. D., 1964.

MAX M. BOWERS,
Mayor

Attest:
JOE GIPSON,
City Secretary. 25-3tc

Mrs. Bobby Word Has Bridal Shower

Mrs. Bobby Word, nee Maurine Weed, was honored with a bridal shower August 17 in the Fred Stockdale home.

The serving table was laid with a white linen cloth and centered with a Crystal punch bowl. The receiving room was decorated with bronze chrysanthemums. Refreshments of punch, cookies, nuts and mints were served to approximately 30 guests.

Hostesses for the occasion were Misses Velda Baldrige, Norma Jane Mullinax, Alice Thompson, Betty Hoffman and Linda Stockdale.

Stork Shower for Mrs. David Rozell

Mrs. David Rozell was honored with a stork shower in the home of Mrs. Elmo Smith August 17.

Hostesses for the occasion were Mesdames W. A. Woods, W. L. Taylor, Keith Kennedy, John D. Lackey, Lowell Webb, Leonard Kelly, Francis Sheffet, S. M. Monroe, Winston Jerden and Elmo Smith.

The serving table was laid with a white lace cloth and centered with a stork and an arrangement of summer flowers.

Refreshments of cookies and pink punch with blue ice cubes were served to Mesdames D. L. Smith, O. R. Darling, R. L. Lindsey, A. R. Lindsey, T. L. Greer, C. H. Jerden, Ernestine McCasland, R. J. Hill, Bill Crone, Billy Lemons, Speedy Lindsey, Jesse Hawthorne, and Miss Alice Faye Thompson.

Shirley D. Taylor Shower Honoree

The E. J. French home was the scene of a bridal shower honoring Shirley D. Taylor, bride elect of Hershel M. Tanner, on August 18.

Serving as co-hostesses were Mesdames: Roy Allsup, B. C. Butler, R. J. Merritt, C. R. Melton, E. J. French, E. L. Willis, Henry Bedwell, H. T. Clark, J. J. Baker, R. C. Cotton and Gage Knox.

The bride's table was laid with a white cloth and centered with an arrangement of red roses. Refreshments of punch and cookies were served to approximately 50 guests.

Bridal Shower for Miss Sue Smith

Miss Sue Smith was honored with a Bridal Shower in the J. T. Porter home last Thursday morning.

Assisting Mrs. Porter with the hostess duties were Mesdames Will and Henry C. A. Moore, Joe Gipson, M. C. Ledbetter and Miss Laura Sue Waller.

The serving table was laid with a white lace cloth over pink. Arrangements of summer flowers were placed at vantage points throughout the receiving rooms.

Refreshments of coffee and rolls were served to approximately 35 guests.

WEST SIDERS IN CHAMPIONSHIP BY STOPPING ENOCHS

West Side's Merchants battled their way into the championship round of the City Softball League playoffs, Tuesday night as they hung up their second straight extra inning victory over Enochs, 9 to 8.

Again the West Siders pulled the game out of the fire in the late innings after trailing most of the way. They will play the winner of the Hawkins-Maple series for the league championship.

Maple pulled one of the year's biggest upsets as they lashed out a barrage of heavy hits to swarm over Hawkins, 13.9 to take a lead in their semi-final series. Oldsmobile must win the game tonight to stay in the running for the title.

County Agents Sends Extension Director, List of Drought Program Faults

To County Ag. Agents of Drought Disaster Counties:

The following telegram and queries has been received from Mr. Wm. L. McGill, State Coordinator of Defense and Disaster Relief:

"We are receiving disturbing reports to effect that many farmers and stockmen in drought disaster counties are unhappy over a strict eligibility requirements of emergency grain and hay programs and oversharp rises in prices of these commodities since programs were announced. Governor has asked me to request your assistance in getting for his office reports as frequently as possible on such dissatisfaction as is being manifested and on prevailing prices in the named counties as compared to those before programs were announced. It is requested that these reports be sent to governor's office as provided from the counties. It not being necessary to await receipt of reports from all concerned. Governor will be grateful for this information and for any suggestions you have to make in this regard."

Please let me have your reply by return mail. Also continue reports each week for the duration of the drought conditions or until further notice. Our purpose is to be in position to assist state and federal officials with reliable information on drought conditions and effectiveness of relief measures.

Very truly yours,
Signed: G. G. GIBSON,
Director,
Morton, Texas
August 24, 1954

Mr. G. G. Gibson, Director
Extension Service
College Station, Texas.

Dear Mr. Gibson:

In reply to your letter dated Aug. 17 concerning telegram received from Mr. Wm. L. McGill. Will see the ranchers here are not satisfied with the drought emergency feed program. Their remarks run like this:

1. Grains will not fit into feeding our herds as we have no feeding equipment facilities as troughs, etc. to put the grain in.
2. We can feed protein feed as cake pellets, etc. but no such feeds available under emergency program.
3. We are using hay — as the hay producers with irrigation live in adjoining counties. Since the emergency program was announced the price of hay has jumped \$5.00 to \$10.00 per ton. The ranchers feel this program is not helping them, but hurting them locally in Cochran County.
4. A good many say that cotton seed meal and cake could be furnished them at cost at oil mill and farmers pay the freight would be a tremendous help. Lubbock is not too far and that is where they seem to make a lot of the stuff.
5. This is a grain sorghum county and grain sorghum should be available in 60 days right here, but why be required to bale the stuff, feed is feed whether in bundle, bale or what not?

Now, some of the ranchers are already out of business and a herd are nearly out. All are striving to get by some how. The grass here is about zero. The little rain which fell this week-end Aug. 21 and 22 will not be immediate help for cattle grazing.

Protein feeds purchased in cubes or pellets from 16 to 20 per cent protein value, are just about as high in price as 40 per cent protein cake; so why buy the 20 per cent feed. This is a frequent comment by ranchers.

As far as price of grain going up since the program has been announced, there has been no notice

made of it. In fact, 100 pounds of grain sorghum feeds are selling 10.65c less per sack in Morton, Texas — today, than it did two weeks previously — advises Jack Baker, manager Baker Feed and Seed. His source of supply is Lubbock, Texas, and Jack says the price he pays for the grain has been reduced that amount in Lubbock Texas.

I trust this information is what you wanted. My observation agrees with the above given ideas. These are based on what I hear and see.

Yours very truly,
Homer E. Thompson
County Agri. Agent,
Morton, Texas.

Three Way News— By Mrs. Frank Griffith

Miss Evelyn Stockard of Portales visited Brenda Griffith the past week.

Congratulations to Mr. and Mrs. Ted Thetford on the birth of a baby boy born Monday, Aug. 16, at Plainview, Texas. Mrs. Thetford and the baby are due home from the hospital this week.

The million dollar rain we've been looking for finally made its appearance over the weekend. Better than four inches of moisture fell over the community. Wheat farmers will begin sowing their fields with winter wheat before too many days now.

Mr. and Mrs. Ira Griffith of Shallowater visited the Frank Griffith's last week. Paula and Bailey accompanied them home to spend a few days.

The Three Way school lunch room will serve the first meal of the 1954-55 school term on Monday, Aug. 30. The charge for each meal will be 25 cents for all students. Parents of children who wish to get lunches at reduced prices should contact Mr. Sims at the school building. Tickets will be on sale Friday, Aug. 27 and on every school day thereafter at the school office. Tickets may be purchased by the week, two weeks or on a monthly basis.

School lunchroom menus for the first week are: Monday, August 30, meat and cheese sandwiches, pickles, lettuce and tomatoes, potato chips, cake and milk; Tuesday, Aug. 31, Red beans, salad, creamed potatoes, hot rolls and butter, honey and milk; Wednesday, Sept. 1, meat loaf, cream potatoes, corn, beans, blackberry pie and milk. On Thursday, Sept. 2, blackeye peas,

Shivers

(Continued from Page One)

Texas politics become important to not only Texans but to influential politicians in other states. Why have organizations outside the State of Texas suddenly teamed up to urge support of Ralph Yarborough?

Could it be that in Allen Shivers they find a man who always fights for Texas?

And coming back, again and again, is the thought, why did Yarborough's own neighbors vote against him. They know him as a Sunday school teacher, successful lawyer, happily married man, good neighbor, etc. They don't say a thing against him for these things. But they seem to know Shivers too. And they seem to be convinced that Shivers has shown what he will do for the State of Texas. They seem convinced Yarborough cannot fulfill his extravagant claims. They probably feel as we do, the fact that George Parr and Co. are supporting Yarborough certainly doesn't add to his stature.

Remember in the first primary, Travis County Pct. 229 voted 893 for Shivers to 367 for Yarborough, and that's where Yarborough hangs his hat.

cream carrots, potato salad, hot rolls, buter, honey and milk. Friday, Sept. 3, sausage, English peas with sauce, salad, cream potatoes, peach pie and milk.

Mr. and Mrs. Norman Underwood and girls and Peggy Fowler went to Brownwood last week to attend a reunion there.

The L. D. Sandersons' went to Lubbock Friday to enter their hog in the swine show, there.

A total of 151 members of the Dr. D. T. Jordan family, formerly of Morton, gathered at the Morton home of Mrs. Roy Turney, one of the daughters, to hold their first

reunion since 1936, last Sunday.

The group gathered at the agricultural barn at the County Park for a picnic get together at which they honored Dr. Jordan, 76 and his wife, 68. The couple came to Morton in 1931 and left here in 1943. For many years he was the only doctor in the county. When Dr. Jordan came here there were 400 persons in the county.

Of the seven boys and seven girls in the family, 12 were able to attend, two sons, Olan, now in Pennsylvania and Bobby, on duty in Japan being the only ones absent. In all, 13 members of the immediate family couldn't attend. Other children include: Truman of Oklahoma City; Irwin of Albuquerque; Carl of Fort Worth; D. T. Jr. of San Antonio; Mrs. Edgar Walters of Littlefield; Mrs. Roy Ledford of Abernathy; Mrs. Claude Smith of Roswell; Mrs. Weldon Glaze of Odessa; Mrs. Frank Anderson of Odessa; Mrs. Forrest Gibbs of Big Spring and R. K. Jordan of Jackson, Miss.

by Mrs. Frank Griffith
Mickey Sowder, Mr. and Mrs. Cecil Cole, Ann and Kay left for Arizona last Thursday, to be gone several days.

ELECTED BAILEY COUNTY FARM BUREAU QUEEN
Miss Ann Cole, daughter of Mr. and Mrs. Cecil Cole was elected Bailey County Farm Bureau Queen in a contest held in the Muleshoe High School Auditorium Monday evening, August 9.

Miss Cole will represent Bailey County in the district contest in Lubbock in September.

Miss Cole graduated from Three Way High School last spring and attended EMMU this summer.

In the county contest she wore a white cotton pique dress that she had made.

AT Family Reunion

Mr. and Mrs. J. M. Phillips of Stegall and all their children gathered at the Phillips home for a family reunion Sunday August 15.

Those present were Mr. and Mrs. Phillips, Clifton and Sidney; Mr. and Mrs. E. W. Kelton, Muleshoe; Mrs. Hazel Cunningham, Sue Jeanette and Cecil of Three Way; Mr. and Mrs. Lloyd Pollard, Larry and Lamar, Enochs; Mr. and Mrs. Howard Julin and Eddie, Lamesa;

Mr. and Mrs. Don Lamar and Herschell and Haskell, Goodland; Mr. and Mrs. Monroe Phillips, Jerry and Monte, Hart; Mr. and Mrs. J. O. Phillips, Aubrey, Laverne, C. J. Gentry and Johnnie, Rogers, N. M.; Mr. and Mrs. J. W. Phillips, Alvin, Roba, Kenneth, Alta, from Hermiston, Oregon; Mr. and Mrs. O. P. Phillips, Wanda, Weldon and A. J. from Earh; Mr. and Mrs. J. C. Phillips, Joyce Arnold and Alice Faye, Galt, California; Mr. and Mrs. Calvin Alexander and Kathy from Hart; Otis Roy King, Springlake and Mrs. Elizabeth Pierce from Mays, Washington.

Mr. and Mrs. Roy Crawford and children have been vacationing the past week.

Glenn Williams flew to Fort Worth Saturday to keep preaching appointments there Saturday and Sunday.

McAlister Guests

Week-end guest in the T. L. McAlister home were Mr. and Mrs. Charles Hans of Midland and Mr. and Mrs. Joe Bob Nunley and son Tommy of Lubbock.

Mrs. Hans and Mrs. Nunley are daughters of Mr. and Mrs. McAlister.

Attend Reunion

Mr. and Mrs. V. G. Pierce and Mr. and Mrs. B. Freeland attended the Calahan County Old Settlers Reunion in Cross Pines on August 13. They also spent a few days visiting relatives in Baird, Abilene and Weatherford.

HOLDING REVIVAL

Hicks Chapel Baptist Church is in a summer revival. Rev. Doc Love of Sour and Bob Allen are conducting the services.

The meeting will continue through August 22 with services at 10:30 in the morning and 7:30 in the evenings.

Every one is welcome to attend.

West Side, Maple Join Hawkins and Enochs In Playoff

The regular City Softball League wound up in the frenzied manner in which it has been all season long last Thursday and Friday as Bula and REA were forced out of the playoff contention and Hawkins, Enochs, West Side and Maple edged into the championship semi-final round.

A four way tie for second through fourth place was averted by Enochs in the last game Friday night as they battled REA 11-4 to grab second place. It left Maple and West Side tied for third.

Maple and West Side then stood by as a coin was tossed to see which teams would be paired in the championship playoffs which started Monday night.

Bula was beaten out when West Side edged Maple 3-2 Thursday night in one of the weirdest games played yet. Both teams finished the game under protest but the protest was disallowed by the Commissioners.

West Side took a 3-0 first inning lead in the game they had to win to stay in the running. Then, began a combination of stalling that kept spectators in a constant uproar and seemed to confuse both teams. The first base umpire stopped the game on numerous occasions to warn the West Side pitcher against illegal pitches and three batters were allowed to come back to the plate and bat again after they were declared out. The West Side manager simply utilized every possible minute to stall for time while the umpire had called time out and the regulation time ran out at the end of four innings with West Side leading 3-1. Maple protested they hadn't had enough time to play and West Side began to leave the field.

The umpires announced an additional 10 minutes of play would be allowed and West Side finally

BIRTHS AT COCHRAN COUNTY HOSPITAL

Mr. and Mrs. R. J. Vanliw, baby boy—Aug. 3.
Mr. and Mrs. Charles Albrecht, baby girl—Aug. 3.
Mr. and Mrs. Dale Trull, baby girl—Aug. 3.
Mr. and Mrs. E. A. Bass Jr., baby girl—Aug. 5.
Mr. and Mrs. Bill Proctor, baby boy—Aug. 6.
Mr. and Mrs. Rowland Mears, baby boy—Aug. 12.

Mr. and Mrs. Lonnie Laxton, baby girl—Aug. 16.
Mr. and Mrs. Francis Sublett, baby boy—Aug. 16.
Mr. and Mrs. J. B. Carter, baby boy—Aug. 17.
Mr. and Mrs. Billy Joe Mohmood, baby girl—Aug. 17.

CONGRATULATIONS

Mr. and Mrs. Billy Joe Mohmood are the parents of a baby girl born August 17 at the Cochran County Hospital.

The baby weighed 5 lbs 5 oz at birth and has been named Vickie Lynn.

Mrs. Mohmood is the former Ethel Amos daughter of Mr. and Mrs. Bob Amos of National City, California. Parental grandparents are Mr. and Mrs. Mohmood.

consented to play the 5th inning. Maple tallied one run and had the tying and winning runs on bases when Ed Neutzler whistled two long flies down the left field line, foul. Then he popped out to end the threat.

It was the third consecutive game in which Maple had been involved where the time limit was a vital factor. They were allowed an extra inning against a Muleshoe team and came from behind to win. Then they edged Enochs in a game called at the end of six innings because of time.

The final standing during the regular season showed:

TEAM	W	L
Hawkins	20	1
Enochs	13	8
Maple	12	9
West Side	12	9
REA	11	10
Bula	11	10

Homer E. Thompson
Pasture is a crop all livestock
wish. It's cheap meat production.
With the diverted program of
some nature coming on, it might
be well to plant about an acre per
animal unit.

From the standpoint of winter
soil protection—winter pastures
are a paying proposition. Pasture
provides a cover to the land and
helps prevent washing and wind
erosion with aid of grass roots.
Roots and residue add organic mat-
ter to the soil.

Now grass requires some water
to grow and rain will bring it up
if duded in ahead of time. Did you
know that it requires about 30
lbs of water to produce one pound
of grass dry matter. It does
require rain to make good grass for
pasture.

It is a bad year for irrigated
farmers because of cotton flea-
hopper. This pest is very destruc-
tive. This year compared with other
years. He seems to know where
peas are growing and that
irrigation is taking place.

think mesquite is helping your
pasture land—perhaps you need
several irrigation wells. Any-
way, mesquite can be controlled with
2-4-D. Leave the grass to grow
By controlling mesquite you
can have more water to produce
more grass.

Now you irrigators can have
grasses and legume combination.
This is not native grass unless
you have a good seed bed.
Actually, a good seed bed
gives longer production. The com-
bination of longer grazing period and is higher
protein and minerals.
Generally, oats, rye, barley and
wheat are better in some areas
in combination with legumes.

H. D. Agent Hazel C. Harrison

Eggs are still on the plentiful
cheap list. Take advantage of the
low cost and try this recipe for
Snooze Cake: 1 lb. shelled
Brazil nuts, black walnuts,
6 almonds, hazelnuts or
pecans, 1 teaspoon cream of tartar,
10 eggs, 1 1/2 cups sugar, 1 teaspoon
vanilla extract.

Preheat oven at 375 degree F.
Line bottom of a 10-inch tube pan
with waxed paper. Grease the pan
with medium blade sift flour and
cream of tartar together and mix
with the ground nuts and mix
gradually. This requires about 15
minutes with electric mixer. Add
vanilla flavoring. The rock mix-
ture should be light in color. Beat
until they hold a precise peak.
Strinkle flour-nut mixture over
beaten egg whites and gently mix
fold all ingredients together, but
only enough to disperse all patches
of white. Pour batter into pan.
Bake 50 minutes in 375 degree
F oven or until cake tester comes
out dry when tested in center of
cake. Invert cake on wire rack—
cool about 1 to 2 hours.

This unusual cake can be served
in many ways. It is delicious
served as it or serve with a scoop
of ice cream or whipped cream on
top.

*Nuts must be weighed. A cup
measurement will not work.
Add extra nourishment to a cup
of flavored milk by serving choco-
late syrup. Beat egg drink. Beat
late syrup. Serve with buttered
toast or crackers.

You can help the egg producer
and yourself by eating one or more
eggs per day—breakfast, lunch
supper, or snack.

Some fields have a good stalk but
forms have not been set due to the
flea hopper and lygus bugs. These
are usually controlled with a
minimum amount of insecticide. To
set forms set early usually the 1st
of middle of July is the proper
time to apply one or two applica-
tions at weekly intervals. The
ed for two weeks will normally be
big for the flea hopper to do
not damage. If your cotton is
late now to work on its not
Normally be to work on this pest.
Some of your cotton should have
bloomed that is going to make
cotton. We have too short a grow-
ing season to let the flea hopper
hurt us.

WARNING!

TEXAS FARMERS-RANCHERS WARNED OF CIO LABOR PLANS

AUSTIN, Tex., Farmers and ranchers of Texas were warned this week that the CIO plans to organize the farm workers of Texas if its candidate wins the Governor's race.

This warning came from Governor Allan Shivers who charged that the backers of his opponents "want to turn the state government over to the same bunch that is trying to wreck Port Arthur."

"One of the first things they would do is put one of their red-hot organizers from Port Arthur in as labor commissioner. Then every time a farmer or rancher wanted to hire someone he would have to go through the CIO."

Governor Shivers said there was no doubt in his mind that the aim of the CIO after the job of organizing industry in Port Arthur and along the Gulf Coast is finished is to begin organizing farm labor in all parts of Texas.

"You can imagine what will happen when the CIO starts dictating how many laborers are needed to plow ten acres of land, refusing to allow a man to work more than thirty-five hours a week during the harvesting season and telling how much a farmer can charge for his crop," he said.

The Shivers administration, the Governor said, has worked hard to help preserve and protect the rights of the working man.

"But as long as I am Governor, the professional labor bosses who have been sent to Texas from the East—specifically those in the CIO and its Political Action Committee—are not going to run our State Government," Shivers promised.

Shivers said the average working man in Texas appreciated good government and that they were not going to let CIO bosses and professional organizers from the East do their thinking—and voting—for them.

HIGHLIGHTS AND SIDELIGHTS FROM YOUR STATE CAPITOL

By — Vern Sanford

By Vern Sanford Texas Press Association AUSTIN, TEX. — Charges and counter-charges flew fast as the race for governor rounded the turn for the final lap.

Judge Ralph W. Yarborough, quick to accuse Allan Shivers of misdeeds, found fault with state printing contracts awarded to the Times Publishing Company of Mission because Shivers had been a stockholder in the company in 1946.

From Attorney General John Ben Shepperd came the retort that "I have investigated the whole transaction and there is nothing wrong with it."

Another Yarborough charge was that Shivers had withdrawn the Rangers from politically-hot Duval County.

This statement, said Range Captain Alfred Y. Alce, was "utterly untrue." Captain Alce testified that the Rangers are still in Duval County.

And Colonel Homer Garrison, director of the Texas Department of Public Safety, asserted that no request had been made to pull the law officials out of George Parr's domain.

Yarborough's political promises, came in for attack. When he pledged himself if elected, to support a Galveston County project—a \$5 million bridge across San Luis Pass—a statement came from John S. Redditt of Luffin.

Redditt, former chairman of the state highway commission, former state senator and former president of the Texas Good Roads Association, said: "In all my experience the Texas Highway Department has operated without this kind of political interference from the governor, the Legislature, or any other source. This policy has given Texas the nation's finest roads per dollar expended."

Yarborough Campaign Otherwise his campaign INDIAN DRIVE-IN MORTON, TEXAS SATURDAY & SUNDAY AUGUST 28 & 29

SPECTACULAR! color by TECHNICOLOR SLAVES OF BABYLON

speeches, Yarborough: Promised to build 40 new dams in South Texas.

Charged that a "vast army of state employees" had been forced to leave their jobs and campaign for Shivers.

Proposed the creation of a new Texas water board and advocated the investment by the state of \$400 million in water conservation projects.

Charged that Shivers spent \$2 million in his first primary campaign. In his campaign appearances, Shivers:

Rapped Yarborough for being "the only man I know of in Texas who has cast doubt on Texas' tide-lands claim to the 10 1/2 mile limit."

Charged that Yarborough misled Negro voters in the first primary by announcing that he was for segregation and then later stating his opposition to the U. S. Supreme Court's segregation decision.

Told Port Arthur listeners in a public rally that people who represent Communist-dominated unions and opposed the present state law outlawing the Communist Party are supporting Yarborough.

Received praise from B. A. Stufliemere, Grand Prairie member of the State Prison Board, for cooperating to make the system "one of the best."

Absentee balloting reports from over the state indicate a good possibility of the August 28th Democratic run-off primary bringing a heavier turn-out than did the first primary: according to various county clerks.

In Austin, Travis County absentee ballots were coming in at a rate approximately five times that of the July primary, according to County Clerk Emilie Limberg.

A Short Bulletin Texas voters August 28th in the Democratic run-off primary will

Now Double Frontier Saving Stamps on Washing, Greasing Oil Change, Filters

RED HORSE Service Station TOMMY BARNES, Owner One Block South of Traffic Light

have one of the shortest run-off ballots in years.

Only two state-wide run-off races, the gubernatorial contest between Allan Shivers and Ralph Yarborough, and the Supreme Court race between Alfred M. Scott and Few Brewster.

There will be 21 district races composed of two runoffs for Congress, one for district judge, three for district attorney and fifteen for state representative.

New Bridge Texas Governor Allan Shivers will be the chief speaker at August 21 ceremonies opening the \$25 million surfside highway bridge at Brazosport.

The bridge is the only fixed span over the Intercoastal Waterway. It has a 78-foot vertical and 201-foot horizontal clearance for water traffic.

Road Bids Bids for construction on 288 miles of state roads were scheduled to be opened by the State Highway

and Wednesday with estimations running around \$9 million.

Bids were to cover some 182 miles of farm roads and 106 miles of state and federal highways. A large portion of the total cost will go for expressway construction in Austin and Dallas.

Farm Income Texas' farmers earned more during January-June of this year during a like period last year although farm prices were declining the University of Texas Bureau of Research has reported.

The bureau said that farm income was running nine per cent over that of the six months of 1953. Increased revenues from cotton and cattle were primarily responsible for the increase, the bureau said.

VISIT RUIDOSO Mrs. Roy Allsup and daughter Glenna, Mrs. Lonnie Allsup and Nadeau Perry spent several days recently visiting in Ruidoso, N. M.

VOTE for a Texan with GUTS VOTE for the Texan who—regardless of organized pressure—thinks first of Texas and Texans' interest. VOTE for the Texan who fought for Prison reforms that cut prison expenses 50 per cent. VOTE for the Texan who backed the farm-to-market road system. VOTE for the Texan who supported the old Age Assistance Constitution amendment you vote on this fall. VOTE for the Texan who works to improve Texas' Soils. VOTE for the Texan who called a special session of the Legislature to improve the deplorable conditions of our "unfortunate patient" state hospitals. VOTE for the Texan who believes in Local Government. VOTE for the Texan with convictions — and courage enough to tell us about them. Vote For Allan Shivers (Paid Political Advertisement)
