

edlines..

By Eddie Irwin

A **HANDFUL OF** members who know what is needed and know considerably more than others how to get it done are responsible for a wonderful transformation out at the Morton Country Club.

It became... EVIDENT to most of the members as far back as two years ago that if they were to protect their investment in the golf course, something would have to be done to improve the golf links. Two years of hot, dry winds and almost no rain had turned the course into a little dust bowl and vegetation was almost nil.

as far as... **SAND GREENS** go, the local greens were alright but gradually the local membership began to drift toward Levelland, Littlefield, and Lubbock, once or twice a week to play grass greens and grass fairways.

naturally... IT WAS A HUGE job just getting the present project started. Members of a Country Club are like members of any club; they

aren't expected to agree on everything. And when the majority could agree on the need for water wells, the expense of laying the irrigation system was to be tremendous and they all knew it.

anyway... TO MAKE LONG story short, those who knew what had to be done took the bull by the horns and about six months ago began the important preparation for getting the water. An engineer laid out the course and local boys had the well dug and installed the pipe.

the next step... WAS FOR THOSE who could to take over the greens and get them sewed. Then the tedious job of tending the greens and it isn't finished yet.

the course... LOOKS WONDERFUL NOW. Not just good, but very, very good. Pros and other golfers from around the area have come in to praise the work that's been done. They've praised the layout and the water system. They've estimated it will, in time, become one of the best golf courses in this part of the country, in spite of the country in which it has been built.

but... THAT INCLUDES lots of "ifs"

The big job isn't half finished. In this country it's easy to lose a golf course if you're not able to stay after the greens and the watering. In a year they may be nearly back where they started if they can't get the right amount of care and the right people to do it.

but today... THE SUCCESS of the course falls squarely on the shoulders of some 20 or so people who were officers, directors and workers during the big project; and the other members are to be complimented for going along with the project in the face of added expense, and even though many of them didn't know what to expect.

if they... HAD GOTTEN worked up over the cost of the work being done to protect their investment, the whole thing could have blown up. But instead they stood by and let those who would try, get the work started.

men like... **BUTTON SILVERS**, Babe Van, Bill Williamson James St. Clair, Tom McAllister Ruel Kelly, Joe Nicewarner Tip Windom, Earl Crum, Neal Rose, Lloyd Evans and another 8 or 10 are taking care of the various greens now and they'll soon be playing on them.

we didn't... INTENTIONALLY skip a name. There are others who have worked long and hard. They know who they are and the members know. The members appreciate it too. And we, as an interested outsider think they've all done a bang-up job.

it was... ANOTHER FINE homecoming for Morton, Friday night and we can't for the life of us figure out why it is the bigger high schools in larger cities have an awful time trying to get people out to their homecomings, and a little school, in a small town, like Morton brings 'em in by the dozens.

and they had... A JAM UP TIME, we're sure of that and certainly should have gone away tickled to death with Morton's second-half power drive that was almost as amazing as the first half inept.

in a way... WE HAD TWO OF THE most unusual wrecks last week you'll be likely to hear about in Cochran County in a long time. One involved a trailer which cut loose from a truck cab and suddenly began rolling toward a local woman in a parked car.

she quickly... PUT THE CAR in reverse and rammed back into another car behind her. It was the only way she could get out of the way. The trailer just missed her by inches and would have probably demolished the car if it had hit it.

the other... FOUND THE only train between Bledsoe and Lubbock, a train that seldom comes along at the time to make anyone stop for it at Whiteface, Lehman or Bledsoe, involved in a collision with a man from Ingram, Texas.

kind of... IRONICAL and humorous in a way but certainly it wasn't humorous to the man involved.

Mr. Hale... PRINCIPAL of our grade school, had something important to say this week and the way he said it put the idea across as well as we've ever heard it stated.

he said... "I'VE GOT about 300 youngsters in my buildings, most of them just getting started in school. They're just about all I care about and I just hate the thought of any of them getting hurt. Would you please tell everybody that those little tykes aren't as careful as older people when it comes to watching for traffic as they go to and from school.

please... DRIVE VERY carefully and also, if you don't have to take the road past the grade school in the mornings when the kids are coming to school and in the evenings when they're going home, why not take another street. We don't want to create any more traffic for them to have to watch for than is necessary."

it makes... GOOD SENSE. Why drive down the road that borders the grade school when it might be just as easy to turn down another street. And of course, if you must drive near the schools, it's always very important to drive very slowly. These youngsters get lots of things on their minds and sometime forget to look out for traffic. But you, an adult, know you have to keep your mind on driving.

remember... IF YOU EVER got the death of one of those children on your mind, whether it was your fault or not you'd never get it off your mind.

could be... THERE'S SOME people with

the wrong idea about why radar units would be installed to check the speed on automobiles and any other vehicle, for that matter. Some are inclined to think in terms of speed traps. They think the highway department is trying to trap people and get fines out of them.

that isn't... THE IDEA AT ALL. If the Highway Department were convinced that just to install the device every two miles along the road would cause motorists to slow down and drive carefully, they'd find some way to get the money and install the radar units immediately.

all that... OUR TRAFFIC men are concerned with, is how to cut down the accidents and reduce the number of traffic injuries and deaths. That is the guiding goal behind every theory that is put into practice. With radar, they don't intend to trap anyone. The roads will be marked and the radar units won't be hidden behind bushes or signboards.

with your... COOPERATION, installation of radar units will cut our traffic accidents some 30 percent just as it has done in other states.

Entire School In Special Program At Whiteface

WHITEFACE (Sp.) — Whiteface schools will not host a Halloween party this year as is done in many area schools, but will instead have an all-school Thanks, giving program, Tuesday, Nov. 3rd, Supt. Noah Cunningham has announced.

The program will be held in the school gymnasium at 7:30 p.m. and preparations are under the direction of J. Fred Stoughton, band director.

All of the three Whiteface schools, elementary, junior high and high school will take part in the program to be held the evening before the school lets out for Thanksgiving holidays.

Wahanka Girls In Camp Fire Ceremonial

The Wahanka Camp Fire Ceremonial was held in the County Activities Room, last week, with Mrs. Tokie Doty, group leader, heading the ceremony.

Mrs. W. E. Grantham and Mrs. Mark Kennedy, sponsors, assisted with the ceremony by presenting the girls with their beads, having passed the Wood Gatherer Rank of Camp Fire work. Mrs. Doty explained the significance of the beads.

Lighting candles were Katrina Hardberger, Winona Brookshire, and Sherry Grantham. Extinguishing candles were Judy Lyons, Martha Jane Doty, and Mark Dawn Kennedy.

Mary Lou Ledbetter showed her scrapbook, explained the signs engraved on the book, the meanings, how the book was made, its contents, and the purpose for which each girl must have an individual scrap book.

Patsy Svbert explained the four ranks of Camp Fire.

Patsy Amyx told the story of the beginning of the Camp Fire organization.

Members of the Wahanka Camp Fire Group receiving beads were: Linda Cole, Patsy Svbert, Martha Jane Doty, Judy Lyons, Sherry Grantham, Katrina Hardberger, Mary Ledbetter, Patsy Amyx, Winona Brookshire, and Marka Dawn Kennedy.

Camp Fire Mothers present were: Mesdames Norman Amx, Everett, Luke Cole, Earl Svbert, J. W. Brookshire, M. C. Ledbetter, Grant, ham, Doty and Kennedy. Members of the Wesleyan Service Guild of the First Methodist Church, which sponsors the group, present were: Mesdames Fred Stockdale, H. B. Spotts, J. L. McGee, Paul Goodman Carlton Luper Lem Chosher, J. W. Askew, Arlee Barnard, Hazel Harrison, Bill Wood, Bill Glassford and Miss Ruby Kempson, a new member of the Guild.

Wayne Gilliam, Betty Massey and Dean Bryant, Barbara Turner Wed

Double wedding ceremonies were held at the Church of Christ in Clovis, New Mexico, Oct. 3rd for Betty Jo Massey and Wayne Gilliam and for Barbara Turner and Dean Bryant.

Mr. and Mrs. Bob Turner of Hereford and Bryant is the son of Mr. and Mrs. Belton Bryant, also of Enochs.

The two couples were united in marriage by Bro. Earnest Hires and immediately left for a short wedding trip to Carlsbad, New Mexico and then returned to Hereford, Texas where the two men are employed in oilfield work.

The brides were dressed in identical blue dresses with black accessories.

Betty is the daughter of Mrs. Opal Massey of Morton and Gilliam is the son of Mr. and Mrs. C. E. Gilliam of Enochs.

Miss Turner is the daughter of

New FORD THUNDERBIRD

A personal car of distinction ...with Trigger-Torque performance

You'll be delighted at the wealth of conveniences the Thunderbird offers. Two tops are available: a disappearing fabric top... and an easy-to-lift-on hard top. The extra-wide vinyl upholstered seat is foam-rubber-cushioned... power-operated 4 ways. Windows roll up... by power, if you like. There is a tachometer... and a clock with a sweep second hand. There is a telescoping steering wheel. And you can have power steering and power brakes.

Something totally fresh is here—a bewitching new all-steel beauty that sets the styling keynote for other Ford cars to come.

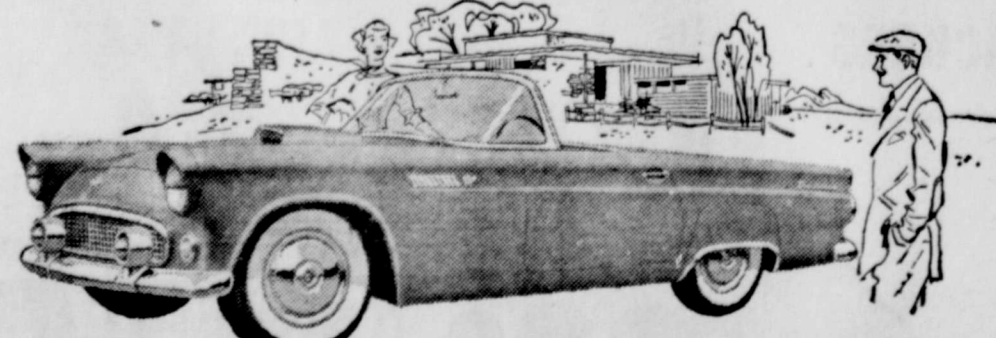

But, styling gives the merest hint of what the Thunderbird has to offer. In traffic and on the open road the Thunderbird's Trigger-Torque performance is literally a revelation. Here is hair-trigger response... fleet, liquid agility... backed by a reserve of swift, sure power to meet safety's every demand. Trigger-Torque performance stems from Ford's new Thunderbird Special V-8—a high-torque engine with 4-barrel carburetor, dual exhausts, wide-opening valves and Ford's famous low-

friction design. And you can have the Thunderbird with the transmission of your choice—Conventional, Overdrive, or new Speed-Trigger Fordomatic.

Ford's Ball-Joint Front Suspension not only velvet-cushions your ride, it also allows the Thunderbird to handle with utmost ease—to corner with greatest stability.

But, more important, the Thunderbird is the product of the same advanced engineering... the same manufacturing skills that have made Ford products so dependable, so value-full and so desirable to so many.

Come in today for complete information

JOHN A. MILLS MOTOR COMPANY

219 WEST WASHINGTON

MORTON

Morton Nips Whiteface; To Face O'Donnell

A combination of bad breaks, a few of their own making and sluggishness at intervals in the first half, ignited a fuse that enabled the Morton Indians to storm from behind, Friday night and hammer out a 20-6 triumph over Whiteface before several hundred delighted homecoming fans.

There's little doubt about it, the Indians were mad by the time the second half rolled around. They were mad at their own sluggish playing. They were mad because of some very bad breaks. They were mad because of some rough handling they'd received. By the time they'd stopped Whiteface after picking off to them in the second half, it was too late for the Antelope to stem the tide. Morton ground out yard after yard using five ball carriers, in addition to two quarterbacks and running over every conceivable portion of the Whiteface line.

The Indians trailed 6-0 at the halfway mark and it was mostly their own fault, although they could see how the aspect could have been much brighter. They'd had one TD nullified when one of their men was guilty of clipping near the start of a 58 yard pass interception and run. They'd been lucky to escape a safety or perhaps a Whiteface touchdown when Neagle reached for a high punt, missed holding it, and only an alert burst of speed by Holloman allowed Morton to recover the pigskin deep in Morton territory. They'd been guilty of a personal foul deep in their own territory. And they'd been the victim of a trap as Whiteface's W. T. Hall hit Reece Washington for the only Antelope touchdown. It should have been prevented.

These things lighted the slow burning fuse under Morton's explosive attack; these things plus the failure of an official to call roughing the kicker as Donnie Waller was roughly handled by a charging Whiteface lineman. By this time the Indians were hopping mad and they showed it on the last two or three tackles as the first half ran out. Then they simmered in the dressing room. They came back on the field. They kicked off to Whiteface and held them on a

parade. This one took seven plays and one Morton penalty before Donnie Waller burst through the line for a beautiful 30-yard touchdown romp. Waller kicked the point.

Whiteface got their only second half first down in the next series of plays but Hall was smeared for seven and 22 yard losses on successive play and again the Antelopes were in minus yardage as Morton took over.

Again the grinding started and Morton moved 43 more yards before Holloman fumbled and Hall recovered for Whiteface. Three plays were halted and Whiteface had to kick. Neagle fumbled away the pigskin and Whiteface had one more chance. They couldn't move an inch. The game ended after Morton began another drive.

Second half statistics aptly show the story of a team triumph. Morton rushed to 296 yards without ever throwing a pass. A stout Morton defense held Whiteface to seven yards, and a minus one yard after the very first series of downs in the second half. Whiteface didn't complete a second half pass.

Yet in the first half Whiteface had maintained an edge in yards, 94 to 91. Of the final Whiteface total, 92 of 101 yards came on passing. Morton piled up 380 on the ground and 6 yards on one completed pass. Morton rushed for 22 first downs to five for Whiteface.

Whiteface gallantly fought the first half and their backfield had a tremendous weight advantage over Morton. But the Indian line wore down the Antelope line and especially some 110 and 120 lb boys who just couldn't stem the tide.

It was the first District win for the Indians in two battles and was Whiteface's second straight District loss.

COMPLETE STUDY

Members of the Enochs Baptist Church completed a Training Unit study course Oct. 3rd with Mrs. Jackson as teacher.

ARM IS INJURED

DeWayne Neel, one of Bula High School's key players, had his arm in a cast last week as the result of an injury received in playing football.

IS SHOWER HONOREE

A pink and blue shower was planned for Mrs. Bobby Don Henderson (formerly Ruby Pearson) on Oct. 15, at the M. J. Gibson home.

VISIT ENOCHS

Mrs. Duane Bryant and son Richard were visiting in Enochs last week.

MOVE BACK HOME

Mr. and Mrs. Emmet Thomas moved back into the Enochs community last week. Emmet has recently completed his term of service in the armed forces.

Mrs. Thomas is the former Cherry Sanders. They have one child, a daughter, two years old.

ENOCHS RAIN HEAVY

Rains averaging two and one half inches or more fell in Enochs during that recent area rainfall and fell slowly enough so that little damage was reported to the cotton in the field. Most dryland farmers had not yet begun harvesting but the rain did halt some of the harvest operations.

VISIT GIBSON

Mr. and Mrs. John Klinger and Alice Harry and daughter were visitors in the home of Mrs. Roland Gibson recently.

MRS. JOHNSON HOSTS HOMEMAKER'S CLUB

Enochs Ladies Homemaker's Club met with Mrs. D. T. Johnson last Thursday at the usual hour of 2 p.m.

CHECKUP SET

Mrs. T. J. Sullivan says her father, J. W. Rogers is to report back to doctors in Austin for a Checkup, soon. He has apparently completely recovered from the effects of surgery performed in Austin earlier this year.

HOME FROM TECH

Jim Gage and Richard Skinner, both students at Texas Tech, were at home at Bula over the weekend recently.

MCCALLS HAVE SON

A son has been born to Commissioner and Mr. R. P. McCall, popular Enochs residents. The new arrival, fourth child for the McCalls, appeared Oct. 11 at the Lubbock Memorial Hospital. McCall has been commissioner of the precinct in South Bailey county for so long now, people can hardly remember when he wasn't.

Three Way News—

By MRS. FRANK GRIFFITH

GUESTS FROM LOVINGTON

Mrs. Harvey McDaniel of Lovington Mrs. Sullivan and son also of Lovington Mr. and Mrs. Pollard of Tucuman and Mrs. J. C. Terrell visited in the Carl Pollard and Marvin Holt home Sunday.

GRIFFITH'S GUESTS

H. W. Terrell of Amherst Mr. and Mrs. I. V. Griffith and children and Mr. and Mrs. Jack Johnson of Shallowater visited in the Frank Griffith home, Saturday and Sunday.

THURSDAY BRIDAL SHOWER HONORS LUCY CLARK

A miscellaneous bridal shower was given in the home of Mrs. Paul Powell, Thursday afternoon, honoring Lucy Clark, bride elect of Rahma D. Whiteside.

Co-hosts with Mrs. Powell were Mesdames Y. L. Sinclair Hugh Dupler, Carey Stafford, Bud Warren, A. E. Robinson and C. L. Taylor.

Guests calling were Mesdames W. H. Eubanks, Geo. Tyson, Cliff, Ford Dupler, R. R. Kindle, C. H. Byars, M. E. Casey, J. A. Whiteside G. W. Garvin, Oran Reeves, John Criner, B. H. Tucker, Garvin Bridges, H. T. Clarke, Homer Richardson, Cecil Mann, Frank Griffith, A. R. Coleman, D. V. Terrell Archie Sims, Gene Pierce, and Bill Mann. Also, Miss Mary Ann Short, Lois Collins, Faye Renfrow, Laura Whiteside and Mary Sue Byars.

SISTERS GET TOGETHER

Mrs. Jeff McGennis and children of Lubbock visited in the home of Mr. and Mrs. Marion Walker, Mrs. McGennis and Mrs. Walker are sisters.

LUCY CLARK MARRIES R. D. WHITESIDE

Lucy Clark daughter of Mr. and Mrs. H. T. Clark of Maple became the bride of R. D. Whiteside, son of Mr. and Mrs. J. A. Whiteside of Maple, Saturday evening in a ceremony performed at the Maple Baptist Church.

Rev. A. R. Coleman read the ceremony before an archway of fall flowers.

Mrs. Bill Mann, sister of the bride, was Matron of Honor, and Laura Whiteside, sister of the bridegroom served as Bride's Maid.

Sue Warren played the Wedding March and Peggy and Maimie Fowler sang, "Wonderful One," and "Tell Me Why," accompanied at the piano by Mrs. Jimmy Wheeler.

The bride chose a blue tulle suit for her wedding and matching black accessories.

CHOOL MENU SET

The Lunchroom menu for Oct. 18-23.

Monday, ranch style beans, creamed potatoes, hot rolls, butter, honey and milk.

Tuesday Hot dogs, potato chips, lettuce and tomatoes, pie and milk.

Wednesday, fried steak and gravy, candied yams, sliced tomatoes, cake and milk.

Thursday, baked macaroni and cheese, pork and beans, potatoe sild blackberry pie and milk.

Friday, English peas, creamed potatoes hot rolls, butter, honey and milk.

MOVE TO MULESHOE

Elder and Mrs. Glen Williams moved to Muleshoe, Monday. Glen will take over the office of Bailey County Judge in January.

VISITING EAST TEXAS

Mr. and Mrs. Frank Knox are visiting in East Texas.

Junior High Wins Over Sudan, 14-7

Morton's Junior High gridders fought a long, hard battle Monday night in squaring their season series with Sudan by hanging on to win, 14 to 7.

Jim Middletons gridders grabbed an early 7-0 lead and then ran it to 14-0 within the first two minutes of the fourth quarter. Then Sudan suddenly came to life. They drove deep into Morton territory coming up with a first down on the local's seven yard line. Morton braced and held. Then Sudan came roaring back up field with a passing attack that had Morton hanging on the ropes at the final gun.

A 37-yard pass play netted one TD and they added the extra point with just three minutes to play.

The visitors got the ball again with only a little more than a minute to play and drove to the Morton 20-yard line as the game ended.

Earlier in the year Sudan had defeated Morton by one touchdown, but this week the scrappy Indian paposes were not to be denied. It was a team triumph, several men standing out in effectiveness. Melvin Davenport on offense and defense used his size to great advantage.

33 Attend 4-H Meeting at Bledsoe

The Bledsoe 4-H Club met at the Bledsoe school house October 12, 1954. There were 33 members present.

Old business from the last meeting was to elect two adult leaders and a song leader. Virginia Nichols was chosen song leader and Mrs. Loyd Brown and Mrs. H. Altman were elected as adult leaders.

Mrs. Harrison discussed the plans for the coming year. Jr. leaders were also elected for different positions.

Selling name labels was decided upon to raise money for the club. The meeting was adjourned at 10:00. The next meeting will be held on October 26, 1954.

WHITEFACE SENIORS BEGIN ANNUAL SALE

WHITEFACE (Spl.) — Annual sales are underway for the Whiteface High school yearbook, "The Antelope" it was announced recently after the staff met, selected a cover and laid plans for a subscription contest among the seniors. A free annual will go to the senior selling the most yearbooks.

A general audit of the books, records and accounts of the county from 1946 through 1954 for the purpose of enabling said court to determine and fix proper appropriation and expenditure of public moneys, and to ascertain and fix a just and proper tax levy for the year 1955.

Attend Meeting Of School Administrators

WHITEFACE (Spl.) — Supt. Noah Cunningham and Junior High School Principal Ralph Bradley of Whiteface schools attended the Texas Association of School Boards and Administrators conference at Austin recently.

B. H. Tucker, whose farm joins the Tanner farm, has also just finished planting six acres of alfalfa. Tucker has installed a sprinkler irrigation system.

W. M. Harryman, who farms seven miles west of Morton, has recently planted 5 acres of alfalfa with rye as a nurse crop and twenty per cent super-phosphate at the rate of 200 lbs. per acre.

F. L. Fred who farms six miles south of Morton has recently planted 10 acres of alfalfa. He also applied two hundred lbs. of 20 percent super phosphate per acre, prior to seeding.

NEIL ALLEN HEADS WHITEFACE 8TH GRADE

WHITEFACE (Spl.) — Neil Allen has been elected president of the Whiteface Eighth grade class with LaQuita Todd as vice-president; James Bryant, Secretary; Anita Reynolds, treasurer and Mary Ann Smith, reporter.

Legal Notice

Legal No. 48

NOTICE TO BIDDERS

Notice is hereby given to all individuals, partnerships and corporations actively engaged in the profession of public accounting and auditing under laws of the State of Texas that the Commissioners Court of Cochran County, Texas, will meet in regular session on November 10, 1954, at 10:00 o'clock a.m. in the regular meeting place in the courthouse at Morton, Texas, for the purpose of receiving bids and interviewing applicants for the following contract:

A general audit of the books, records and accounts of the county from 1946 through 1954 for the purpose of enabling said court to determine and fix proper appropriation and expenditure of public moneys, and to ascertain and fix a just and proper tax levy for the year 1955.

All of which purpose being contained in a certain resolution filed by the commissioners court on its own motion on Sept. 15, 1954, duly published for hearing at the next regular term in accordance with the provisions of Article 1641 of

the Revised Civil Statutes of Texas, said term and date thereof being this 11th day of October, 1954; and the same being duly considered, it was moved and seconded that said resolution be passed and adopted by the court; voting Aye on said motion were commissioners Hill, Keith, Foster and Dewbre; the vote for passage being more than the number required by said Article 1641 the vote was duly approved by the County Judge and

the date of November 10, 1954, being one of the days of the regular November term was the date set for letting of said contract or contracts.

All applicants to qualify for consideration must be Certified Public Accountants or Licensed Public Auditors.

This 11th day of October, 1954, Fred Stockton County Judge 32.4tc

THE JAILER CONVERTED

The account of the imprisonment of Paul and Silas at Philippi and the conversion of the jailer is recorded in Acts, chapter sixteen, Paul and Silas had been scourged and thrust into the inner prison, but instead of being discouraged they were

singing and praying unto God at midnight. During the night an earthquake opened the doors of the jail. The jailer awoke, and supposed that his prisoners had escaped, he started to kill himself, Paul stayed his hand. The jailer secured a light, brought them out of the prison, and asked the notable question: "What must I do to be saved?" (verse 30).

Since the jailer was a heathen, knowing little or nothing of Jesus Christ, he must first believe (verse 31). So, that he could believe, Paul and Silas spoke the Word of the Lord to him and to his household (verse 32). Faith comes by hearing the Word of God (Rom. 10:17).

What was the result of the sermon to the jailer's household? Did they repent? Evidently so, because they were ready to be baptized the same hour of the night. It is further indicated that their lives were changed, by the fact that they washed the wounds the preachers had received. It goes without saying that they believed the message they heard. The jailer and his household were then baptized the same hour of the night (verse 33). This matter of salvation was too important to them to delay a single moment longer than necessary. They did not stop to ask friends, parents, preachers, or priests what they thought or believed about the matter. They went the same hour of the night (vs. 33). How often today we are compelled to plead with people to get them to see the necessity of this plain positive command. Will you believe on the Lord, turn to God, and obey him by being baptized for the remission of your sins? "Today is the accepted time! ! !"

If you have Bible questions that you would like for me to give you a Bible answer to, send them to us at: Box 273 Morton, Texas.

The Basic Idea Behind the All-New 1955 PONTIAC

On Display October 29 and 30

ABOUT 30 years ago General Motors Corporation presented to America a new car called Pontiac. This new car was the direct result of a very specific idea.

The idea was this: to create a car which took its style, its engineering principles and its features from the very best and most expensive in America—and to build these into a car priced just above the very lowest!

Naturally, such an idea produced a wonderful and highly popular car—a car which millions of satisfied owners have driven with outstanding pride and pleasure.

Now, nearly three decades later, an entirely new Pontiac has been created for 1955—a car completely new from the ground up!

One thing, however, about the 1955 Pontiac remains unchanged—its basic idea—to offer the American public the very finest car that can possibly be built to sell at a price within easy reach of any new-car buyer.

When you see the new Pontiac on Friday or Saturday—Oct. 29 or 30—you will be immediately impressed by its remarkable new styling. No other car in the world looks like this new Pontiac!

When you drive it you will be astonished at its performance. For the 1955 Pontiac introduces the powerful new Strato-Streak V-8, an all-new engine that has already been proved in more than 3 million test miles!

When you price the new Pontiac you will come face to face with the basic Pontiac idea—you will be agreeably surprised that so much car, so much sparkling newness, so much luxury, so much downright goodness can be priced so near the very lowest.

We cordially invite you to come in on Friday or Saturday and see for yourself what a superb all-new General Motors masterpiece has been created to carry the wonderful name "Pontiac" for 1955.
