NUMBER FIVE

GRAND JURY IS SUMMONED

Headlines...

By Eddie Irwin

WERE GLAD TO NOTE that a Grand Jury has been summoned to look into the matter that has been the object of so much conversation around here.

We feel...

IT CANNOT fail to do one thing, it will give anyone who wants to make any specific charges the opportunity to do so. It will also be the very nature of its business, put an end to a lot of wild rumors. For when the Grand Jury gets ready to meet, those people who know nothing, will suddenly clam up.

The fact...

THAT A Grand Jury should have been called can hardly be disputed. As long as the talk that has been going on persists, it is bound to hurt everyone in the courthouse family. The natural question from the man on the street is to want to know if a shortage of funds means someone is criminally involved. As long as no one knows any facts, this question can't be answered and the man on the street begins to suspect all sorts of things. So it is to the advantage of everyone in office to have whatever is to be done get done, and give them a clean bill of health.

and now...

THE QUESTION arises, what is to be investigated. Well, that will depend a lot on what actually can be deducted from the auditor's report. But one official who declined to be named, has said that the jury will be ordered to investigate any office that it appears may need investigating.

of course...

WE ASSUME an audit of the county books, means just what it said, a complete audit of all of the county's financial records. That's what was asked for and that's what the Commissioner's Court ordered. After all, now is the time to complete the whole job, so after it is over things can simmer down & get back to normal.

the reason...

WE CAN'T SAY any more than we have about the rumors and the investigation is simply because an official statement hasn't been issued. No one has anything that can be backed up to say, until the audit is complete. Only then will the Commissioner's Court, the District Attorney, the County Attorney or even the Grand Jury have something to proceed on.

STILL NO STATEMENT ISSUED ON RUMORED COUNTY SHORTAGE

On an order issued by 72nd District Court Judge, Victor Lindsey and filed through the instructions of District Attorney, Travis Shelton, the Cochran County Grand Jury has been summoned to investigate "matters of importance to the county".

Although the Order Recalling the Grand Jury did not state specifically what would be investigated it could be assumed it has to do with the rumored shortage of County funds since the Grand Jury wasn't instructed to meet until August, 3rd and Shelton said the delay was due to the fact that a needed report from the auditing firm which had been hired to audit the county books, would not be ready until that time.

There still was no specific statement of charges from any of the county officials.

The same Grand Jury that was dismissed in April until further called will be in charge of the proceedings. Ordinarily they would not have been called back until October, but this is a special convening of the Grand Jury.

The Commissioner's Court, last winter, after a group of local citizens met with them and asked for an audit, so ordered the audit and hired a Lubbock firm to do the job. The audit was expected to be completed sometime in May or early June, although the auditing firm did not make any guarantee.

There has been no statement by the firm as to when they'll finish the job of auditing books for the past eight years.

Approximately 100 farmers attended the meeting, he said. The FFA co-sponsored the meeting.

Insects and insecticides were discussed by Dr. Owens of the Lubbock Experiment Station. Demonstrations were given by O. Webb, on tractor equipment and O. A. Sark on plane equipment in application of insecticides to cotton fields.

Local agricultural offices, especially are working hard this year to arouse all farmers to insect control measures to insure against a possible recurrence of disastrous insect damage such as occurred here last year.

INSECT MEETING WAS BIG SUCCESS HARRIS ANNOUNCES

Results of the Cochran County insect meeting held last Tuesday were considered outstanding, according to Elwood Harris, local FFA instructor.

Approximately 100 farmers attended the meeting, he said. The FFA co-sponsored the meeting.

Insects and insecticides were discussed by Dr. Owens of the Lubbock Experiment Station. Demonstrations were given by O. Webb, on tractor equipment and O. A. Sark on plane equipment in application of insecticides to cotton fields.

4-H GIRLS PLAN TO HELP GIVE DEMONSTRATIONS

The "New You" was the theme of the 4-H Camp for club girls in District Two, last week, reports the HD Agent, Miss Leila Petty.

Attending the camp from Cochran County were Dixie Lovelace, Margaret Hodges, Paula Burnett, Mary Casey and Zada Bee Snodgrass. Mrs. W. J. Waltrip attended as adult leader.

ASSEMBLY OF GOD REVIVAL OPENS HERE, TODAY

A former pastor of an area Assembly of God church will open a two week revival meeting at the local church today, Sunday, with a regular Sunday service and one service each weekday night.

Sister Dorald Bell of California, former pastor of the Maple Assembly of God church, will begin a revival here at the Assembly of God Church Sunday, July 3rd, it was announced this week.

VETERINARIAN WILL INNOCULATE PETS IN MORTON

Mortonites, and any of our neighbors who have pets which have not been inoculated against rabies, may have that done next Saturday as the Morton Jaycees bring a veterinarian into town for the third straight year.

Dr. G. D. Lindsey, Levelland veterinarian, will be at the City Hall, Morton, from 2 to 5 o'clock on the afternoon of Saturday, July 9, it was announced this week by Harold Drennon, president of the Morton Jaycees.

ATTEND IOOF LODGE OPEN HOUSE AT PLAINS

Mr. and Mrs. Olen Harris, Mr. and Mrs. Otto Barnett, J. C. Buchanan, Joe Mohrman and Bill Mohrman of Morton were among the many South Plains IOOF members who attended the open house held Thursday night at the new Plains IOOF hall.

BRIDGES REPORTED BETTER

Bill Bridges of Morton, injured in an auto accident last week that claimed the life of a friend, was in slightly improved but still critical condition it was reported Friday.

VISIT IN LEVELLAND

Mrs. Ed McLeellan and Mrs. Willie Rose spent Wednesday in Levelland visiting Mrs. Nettie Alsbrooks and Mr. and Mrs. Richard Langhill.

BRIDGES REPORTED BETTER

Bill Bridges of Morton, injured in an auto accident last week that claimed the life of a friend, was in slightly improved but still critical condition it was reported Friday.

VISIT IN BRISTOL, TENN.

Mr. and Mrs. J. C. Stripling are visiting their son, R. C. Stripling and family in Bristol, Tennessee.

MR. AND MRS. JIM SILVERS CELEBRATE 60TH WEDDING ANNIVERSARY, SUNDAY

Two of Morton's longtime residents and perhaps the County's longest married couple will be honored by relatives and friends this afternoon, Sunday, on the occasion of their 60th wedding anniversary.

The Fred Danforth home will be the scene of an open house Sunday afternoon from 3:30 until 5:30 in honor of Mr. and Mrs. Jim Silvers who will be celebrating their 60th wedding anniversary.

PHONE COMPANY TO CUT IN EQUIPMENT SOMETIME TUESDAY

The General Telephone Company of the Southwest says that installation and testing of the new central office dial equipment for Morton is almost completed and according to present plans the switch from the old equipment to the new equipment will be made Tuesday night, July 5.

This change of equipment is being made to keep in pace with the growth of Morton and to insure Moton telephone subscribers a good service, it was announced.

CHURCH OF CHRIST REVIVAL WILL START JULY 10

The annual summer revival at the Church of Christ, Morton, will begin July 10 and continue through July 20, it has been announced.

Minister Paul Fouts of Lubbock, who was preaching here when the present church auditorium was erected, will conduct the meeting.

Vacation Bible School will be conducted at the church during the first part of the meeting, July 11 through 15, every youngster will be invited to enroll.

CASH AWARDS MADE LAST WEEK IN 1954 4-H COTTON CROP CONTEST

Friday evening, June 24th, the cash awards program was held in the Agricultural Building in Morton, Texas for 4-H Club members participating in the county cotton contest. There were 35 members who entered the 1954 contest. Of this total, nineteen completed their records according to County Agent Homer Thompson.

The committee felt that everyone who completed a record was due some consideration as records give the final results of the demonstration. After considerable discussion the \$200 in award money was divided as follows: for the first three places in each division, an award of \$35, \$20, and \$12.50 was given. All others who completed records received \$5 each.

The top award in the irrigated class went to David Cate who had a yield of 1014 lbs of Northern Star variety cotton. Lee Benham was second with 939 lbs of Dunn 7, and Douglas Zuber's 856.8 lbs of Delta Pine was good for third money.

In the non-irrigated field Loy Kern's Lankart brought 327.45 lbs. and top money. W. B. Snodgrass was second with Northern Star, and Jimmy Cunningham was third with Macha variety.

The \$200 in awards money was donated by Karl Griffith Gin and Cochran County Cooperative Gin. Many other girls in the county donated cash awards, according to the County Agent, these were paid to the individual boy who gained with them and raised the most per acre. Thompson did not have the complete list of these girls.

A thank you to all who encouraged the program was voiced by Thompson on behalf of all the 4-H boys and their parents.

The following farmers were selected at the meeting to work up rules and regulations for the 1956 county-wide cotton contest: Ollie Smith, chairman; Pegues Houston, and Hadley Kern. They have set an early meeting date according to the chairman and both FFA and 4-H boys will be eligible.

PORTALES TO BE PONY LEAGUE FOE ON WEDNESDAY

Morton's Pony League will have an out-of-town opponent next Wednesday, and possibly may have two opponents.

Joe Carroll, Morton coach, director who is summing in Portales and going to school will bring his Babe Ruth league team to Morton for a game with the local boys and if possible will bring two of Portales' teams and play a twin-bill.

The Kiker Auto Cardinals will be the opposition and will either play one of the local Pony League teams, or one team made up out of the two local teams. Games will probably get underway at about 3:30 or 4:00 p.m.

The teams will play Pony League rules and Carroll will play only his 13 and 14 year olds. The Babe Ruth League age limit is 15.

COUNTY COTTON MEASURING UNDERWAY; ACCORDING TO ASC OFFICE REPORT

Cotton measuring was started on June 20th in Cochran County, according to an announcement from the local ASC office.

A reporter will visit each cotton farm in the County as soon as possible. The farm operator or his representative should be present to assist the reporter and to sign the forms.

Producers who have cotton acreage in excess of their allotment will have 30 days from the date of Form CSS-594, Notice of Measured Cotton Acreage, to dispose of the excess acreage and notify the county office. A charge of \$2.00 per farm, plus \$1.00 for each plot over one will be made for checking of plowed-up cotton.

Cotton growers who believe that their cotton acreage measurement was incorrect, may obtain a re-measurement by depositing \$5.00 per farm plus \$2.00 for each plot over one, with the County ASC office. The deposit will be refunded if it is found that the acreage planned in cotton is not in excess of the allotment.

Farmers who choose to remain over-planted will be subject to a penalty on their excess acres equal to fifty per cent of the parity price as of June 15th. In addition to the penalty, farmers who are overplanted are not eligible for price support on any of their 1955 cotton crop.

Thrip infestations continue to be light in general, with occasional medium to heavy infestations reported in some fields. Insecticide applications for thrips control has been started in a number of fields. Thrips are on the increase in most fields according to the report.

Light infestations of fleashoppers were noted in occasional early planted fields.

Only a few spider-mites have been reported up to this time.

During early season control of cotton insects, fields should be inspected twice weekly. After early season controls have been completed, farmers are urged to inspect each cotton field once a week for destructive insect infestations and to apply insecticides only where infestations warrant control measures.

With Your... COUNTY AGENT

By Homer E. Thompson

Each year more vacationers take to the road. The majority are in private cars, and the average car is driven 1,200 miles during vacations. A few suggestions are in order to help take some of the boom out of accidents.

Give the car a thorough checkup before starting and keep an eye on any signs of trouble along the way. Don't block your vision by improperly loading the car. Good vision is a must for safe driving.

Be prepared for emergencies; first aid kit, maps, permits, identification, driver's license a flashlight and a tool kit with a few spare parts should be carried along. Do not allow yourself to get fatigued; plan the trip to allow rest stops during the day; and the driver should get a good night's sleep every night. Do not try to drive and see the sights at the same time. Know and obey your state's traffic signs. Be sure you recognize the shapes of the signs. Adapt your driving to fit the conditions.

Take safety with you on your vacation. It will bring you home in good shape and you can look forward to next year's trip.

REVISED SANITATION STANDARDS FOR WHEAT

Farmers who want to put wheat under the 1955 price support program must be prepared to meet more specific standards of grain sanitation. In line with this enforcement program, the Commodity Credit Corporation has revised the regulations governing the wheat price support program. Under the new provisions, 1955 crop wheat must meet the food and drug minimum sanitation requirements to be eligible for price support loans. 1954 crop wheat which has been under price support loan, or covered by purchase agreement, must meet the minimum sanitation requirements to be eligible for "resale" loans. 1955-crop wheat under loan and re-sealed 1954-crop wheat must meet the minimum sanitation requirements (those in effect when the wheat went under loan) upon delivery to CCC at the end of the loan period. If it does not, the "settlement" value will be the price at which the wheat is sold by CCC to the highest bidder for feed, or for industrial uses other than food or beverages. Producers, of course, may redeem the loans if they wish 1955-crop wheat which is covered by purchase agreements will not be eligible for delivery to CCC if it

THE SANITATION REQUIREMENTS

Under the Food and Drug program, wheat does not meet the minimum standards for food use if: it contains more than two rodent pellets per pint or comparable amounts of other contamination, or it contains two percent or more, by weight, of kernels visibly damaged by insects.

The great bulk of the wheat that leaves United States farms is clean grain — well above these minimum standards. Wheat is a food grain. Its price support is based on use for flour milling and baking industries have always demanded very high sanitation standards.

News From Bula and Enochs...

PINK AND BLUE SHOWER FOR MRS. BOB NEWTON

A pink and blue shower was presented to Mrs. Bob Newton June 23, at the home of Mrs. W. R. Adams.

After games were played and the gifts were presented to Mrs. Newton, the hostess gifts were presented to Mrs. Adams, by members of the Enochs Ladies Club who were sponsoring the shower.

Refreshments were served to Mesdames: Lov McBee, Houston Mansell, L. G. Harris, W. A. Pool, Ray Spence, L. J. Jones Sr., A. P. Fred, A. N. McBee, Bob Newton, Sealey and the hostess.

COMPLETE BIBLE SCHOOL AT ENOCHS BAPTIST

The Enochs Baptist Church completed their annual Bible school for children on June 17. About 75 attended the school, the largest number ever recorded at a Bible School in Enochs church.

ENOCHS WOMEN HOPE FOR FORMATION OF CEMETERY GROUP TO CARE FOR PLANTS

Watering of the shrubs at the Enochs Cemetery was being continued by a few ladies of the community this past few weeks. But, funds were being expressed locally for the continued care of the plants and trees set out earlier this year. No cemetery group to care for the

plants has been formed. The ladies club has spent several hundred dollars over the past few years in improvements and it is hoped that the community churches will get together to form an association to care for the cemetery. Enochs folks have been noted for their ability to work well together on projects of this kind.

WEDDING SHOWER HELD FOR CPL. & MRS. FRED

A wedding shower was given on June 15th at the Enochs Methodist Church for Corporal and Mrs. Bobby L. Fred.

The bride is the former Helen Faye Williamson, daughter of Rev. Williamson who is pastor of the Pettit First Baptist Church.

Corporal Fred is with the Air Force and is currently stationed at Mather Field in Sacramento, California, where he is to report following a 20-day leave.

Hostesses for the event were Mesdames: H. H. Snow, John Gunter, Zed Robinson, Willie Welch, M. J. Gibson, L. J. Jones Sr., D. T. Johnson, Fort and J. Logan Green.

MOTHER IS HOSPITALIZED

Mrs. Hanover, mother of Mrs. Baker Johnson has been in the West Plains Hospital, but was able to go home last week.

FORMER RESIDENT VISITS

Benton Marberry, formerly of this community, now living in Lubbock, visited Jim Henry Johnson on Saturday and Sunday.

VISIT IN LUBBOCK

Mrs. and Mrs. Tunnell visited with Mrs. Marberry and sons of Lubbock, Saturday.

TO LOVINGTON ON VISIT

Mrs. Albert Ellis is visiting her daughter, Mrs. John Richardson of Lovington.

VISITS SON WHO IS IN MCKINNEY HOSPITAL

Frank Knox went to McKinney, Texas, Friday, last week, to see his son, Don who is hospitalized there. Don was allowed a 3-day leave from the hospital but was unable to stay out more than a half day.

DISMISSED FROM HOSPITAL STILL CONFINED TO BED

VISITORS FROM PORTALES

Mr. and Mrs. Beryl Green of Portales visited the G. G. Edlers on Sunday evening.

Donald O'Connor, left, and Dan Da'ey are indicating to Ethel Merman that it's thumbs up and "on with the show" in the very best must - go - on tradition of the business in "There's No Business Like Show Business", coming next beginning today, at the R se Theatre in Morton. Also starred in the extravaganza are Mallyn Monoe, Johnny Kay and Miti Gaynor.

RETURN FROM TRIP

Mr. and Mrs. Parnell Sehon and son have returned home from a long visit with relatives & friends in Oklahoma, Utah and California.

VISITING WATTS HERE

Mr. and Mrs. Clyde Stone of Ft. Worth are spending the week with Mr. and Mrs. Jack Watts and Mrs. Kenneth Watts.

Morton Drug MONTHLY NEWS

A message from Charles Jones "Your Pharmacist"

IN YOUR PRESCRIPTIONS are medicines that are the results of much research and study by Pharmaceutical chemists, Scientists, and Health foundations.

BY LECTURES, DIRECT MAIL, and articles in Medical journals, we Pharmacists and Physicians are informed about these new drugs, and as soon as they are available a supply is sent to our prescription department.

DURING 1954 MORE THAN 430 MILLION DOLLARS was spent for the research and informative publicity necessary before these new drugs could be ready for prescription use.

LAST YEAR OVER 400 MILLION PRESCRIPTIONS were compounded, and in the price you paid for your prescription, this research expense averaged about \$1 per prescription. Of necessity it is part of the whole, sale costs of the price we pay for the ingredients of the prescriptions we compound.

IT IS A TRIBUTE to Pharmacy, and the American free enterprise system, that more than 50 per cent of the prescriptions we compound for you cost you less than \$2, and the average charge for all prescriptions we compound is less than \$3.00.

Sox Overwhelm Cards, 24-10

In a game that was more of a fiasco than a baseball game, the Sox copped their third victory of the season by clobbering the Cards 24-10 Thursday evening.

The loss left the Cards still winless in five games, but most of it was their own fault. They were guilty of 12 errors in the game and also their pitchers gave up 12 bases on balls. The Sox only got seven and errors allowed nearly every base runner they got on in the entire evening to score.

Nor did the Sox play an exceptionally fine game. They made six errors and gave up 11 bases on balls. The Cards collected six hits. Chancy, Weir and Carrasco each collected two hits in the long game that took nearly two hours to play even though it was called at the end of the top half of the fifth inning.

Mrs. Holloman Is Jaycette Hostess Last Tuesday

The Morton Jaycettes met in the J. T. Holloman home Tuesday night for the monthly social.

A short business meeting was held preceding the social hour. Mrs. S. M. Monroe, secretary gave a report on the bake sale in which \$25 in proceeds were donated to the Cemetery Association fund.

Games were played and refreshments were served to Mesdames Dexter Nebhut, Merlin Roberts, Hub Cadenhead, Fred Payne, Bill Glassford, Buddy Hanna, Eddie Irwin, Monroe, J. T. Holloman and a guest, Mrs. John E. Holloman.

In Reverence...

Let us this July 4th halt in our activities and give thanks unto Him for this nation... brought forth by our grandparents under the grace of God, and dedicated to the good things of life... Icccream, fireworks, and visiting friends are all part of the 4th, but we must remember that only by constant alertness will we maintain our nation as one of the few where man is served by his government rather than a servant unto the government...
