NUMBER 19

L. L. Drumheller Rites Set Today At Whiteface

Funeral services are to be held today at the First Baptist Church in Whiteface at 10:00 a.m. for a long time resident, L. L. Drumheller, who died early Wednesday morning at the Phillips-Dupree Hospital.

Drumheller, 64, was a retired Santa Fe Railroad Depot Agent. He came to Cochran County in 1931 and was Depot Agent at Lehigh for six years. Later he was agent at Whiteface for six years and for three years was depot agent at Levelland.

He had then retired and was operating Drumheller Insurance Agency in Whiteface until early this year when he became ill.

He was a member of the First Baptist Church of Whiteface and was also a member of the Masonic Lodge.

Bro. H. O. Row will officiate at the final rites assisted by Bro. Frank Beauchamp of Shamrock. Burial will be in Tech Memorial Park in Lubbock.

Survivors include the wife, one daughter, Mrs. Vern Beebe of Whiteface, one brother, Grover, from Springdale, Ark., and five sisters, Mrs. Allen Owen, his twin, and Mrs. Kirkpatrick of Wichita Falls, Mrs. Nate Skinner, Mrs. Tom Wynn and Mrs. Breadlove of Dallas.

Funeral bearers will be V. N. Townsend, Orlan Cooley, A. J. Parsons, Jesse James, L. W. Bills and Harvey Whittenburg all of Whiteface.

Honorary pall bearers are Charles Booz, Hughes Smith, Charles Jones, Nathan Tubb, R. K. McCoy, Tommie Smethers, L. L. Taylor, Arthur Walker, Noah Cunningham, Lovell Wall, Connie Powell, and H. D. Galvin, all of Whiteface, and Granville Holder and Robert Burks of Levelland and Jake Wylie of Morton.

Church of Christ Bible School Attendance Good

Attendance at the Church of Christ, Morton, Bible School and meeting was reported good this week.

The meeting, which began Monday, will continue through July 20, with services each night at 8:15 o'clock. The Bible School will run through Friday, July 15. Morning services will be held on July 18, 19 and 20 at 10:30 a.m.

Minister Paul Foutz of Ft. Worth is teaching the adult class and conducting the evening services. Minister Foutz is a former Morton resident.

Attendance at Monday's Bible School was reported at 167, the second day attendance reaching 185 at Bible School.

Also, Sunday night, the evening before the meeting began, the largest crowd to attend a Sunday night service was reported.

Following the services on the morning of Sunday, July 17, a picnic will be held at the City Park, weather permitting. Otherwise, it will be held in the banquet room of the County Activities Building. All former members of the church have been especially invited to attend.

The public has been given a cordial invitation to attend any or all of the services and the Bible school.

COUNTY TO VOTE SATURDAY ON TWO ISSUES

OPEN TO 4-H AND FFA RULES ANNOUNCED FOR 1955 YOUTH COTTON CONTEST HERE

The tentative program for the annual Cochran County 4-H and FFA Cotton Contest has been completed. A mimeographed list of the rules and plans by which the contest will be run, and subject to changes, was received at the Tribune office last week. Here are the main provisions which have been set up.

The chief donors to the contest open to all County 4-H and FFA members, will be the gins and the insecticide distributors. Each gin which desires to help, will be assessed a sum of \$55 and this money is to be used for awards. Tentative plans call for an award for the last 10 places in the irrigated and the same for the dryland division. Top money in each division would be \$100 and the boys could also win a sizable cash prize in the district contest.

One contestant cannot enter the two divisions. The acreage must be designated and a report and sketch of the acreage is due in the FFA or 4-H office, now after this year, a deadline of July 1st will be imposed on those entering. For this year, tomorrow is the entrance deadline. At least five acres is the minimum of planted land. The member must own at least a half share of the cotton to be eligible to enter the contest.

Entries must be from land not irrigated the previous year. Any and all varieties of cotton are acceptable. A winner, to be eligible for a cash award, should have ginned his cotton with a gin participating in the program.

Winners will be based upon the following: Certification by three unrelated and disinterested persons. Must have entered measurements by the appointed deadline. Committee members are: Ollie Smith, chairman; Hadley Kern & Pegues Houston.

Most officials think that a man who can devote full time to the office, will collect several times what little additional salary he may make, in increased personal taxes assessed and collected. The figures showed the County is receiving in taxes and fees from the Sheriff-assessor Collector's office about \$450,000 per year.

The second issue, is whether or not to allow the Commissioner's Court to re-allocate tax money to put more money in the general fund and less in the Jury fund than is called for in Texas statutes. This move has already been done for the past several years and is a matter that must be brought to a vote of the people every six years.

Most county officials generally agree it's a good move. In our county it would appear to be not only a wise move but a necessary move in view of the fact that the Commissioner's Court has been reported to have told more than one group of local citizens that their general fund is already broke this year and still the county has several months on which they are expected to operate on last year's tax money.

There is always more than enough money in the jury fund to pay the jury expenses.

Voting will be in the usual six county boxes comprising four precincts. Voting time is from 7 a.m. to 7 p.m.

Rumored irregularities at the Courthouse, which are the result of a 9-year County audit now in progress, could have a decided effect on the outcome of both votes which will be on the same ballot, but it is not expected to since there has been no strong opposition to either issue.

Asked for figures showing the increase in County valuation and population, the present Sheriff came up with these figures. The valuation in 1940 was approximately \$8,480,000 and today, for the tax roll now being made up, the total will be \$34,000,000 or almost six times the 1940 total. In the same span of years, the County population has increased from 1,150 to 7,600 or almost seven times. Though more help is probably employed in the office, the job is still considered a half time job when it should have been a full time job several years ago.

Girls who attend are asked to bring with them, a sack lunch for their noon meal, a sack with some "dress up" play clothes which they will use during the evening style show, an empty one pound coffee can with the lid, a medium sized potato, a fork, a pallet to rest on.

Girls are instructed to wear either shorts or jeans and flat heel shoes. They are to bring NO money. Parents are requested to call for their daughters promptly at 7:30 the same evening. They also are requested to bring no jewelry, except possibly costume jewelry to be worn in the style show.

No small children, other than the Blue Birds will be allowed in the camp.

Girls who will attend the camp are requested to notify their leader by July 18.

Vote Saturday on Tax Re-Allocation And Division of Two Offices

Cochran County voters go to the polls Saturday to decide two County issues, neither of which appear to have any organized block of opposition, and both of which appear to be highly important to the well being of the County.

The first issue is whether or not the people of the County want the offices of Sheriff-Assessor Collector or separated. An affirmative vote would mean that at the next general election, an office of Tax Assessor would be created and candidates would run for that office, to take office, January 1st, 1957.

At present, the double office, in use in most county's of smaller population, is working a hardship in this county due to the fact that our evaluation is so high that our Sheriff-Assessor Collector's office handles large sums of money and is loaded down with paper work.

Asked for figures showing the increase in County valuation and population, the present Sheriff came up with these figures. The valuation in 1940 was approximately \$8,480,000 and today, for the tax roll now being made up, the total will be \$34,000,000 or almost six times the 1940 total. In the same span of years, the County population has increased from 1,150 to 7,600 or almost seven times. Though more help is probably employed in the office, the job is still considered a half time job when it should have been a full time job several years ago.

Blue Birds Plan Camp July 21 At County Park

Plans for the Blue Bird Day Camp were announced this week by local leaders.

The Blue Birds, younger group associated with the Camp Fires, will have a Day Camp, Thursday, July 21st, at 9 a.m. at the County Park.

Girls who attend are asked to bring with them, a sack lunch for their noon meal, a sack with some "dress up" play clothes which they will use during the evening style show, an empty one pound coffee can with the lid, a medium sized potato, a fork, a pallet to rest on.

Girls are instructed to wear either shorts or jeans and flat heel shoes. They are to bring NO money. Parents are requested to call for their daughters promptly at 7:30 the same evening. They also are requested to bring no jewelry, except possibly costume jewelry to be worn in the style show.

No small children, other than the Blue Birds will be allowed in the camp.

Girls who will attend the camp are requested to notify their leader by July 18.

Mother of Local Woman Dies Here

Final rites were held in Slaton at the First Methodist Church, on Tuesday afternoon at 3 p.m. for Mrs. L. J. Schermerhorn, 63, mother of Mrs. Robert Dunham of Morton, who died in the Cochran County Hospital, Sunday morning, after a long illness.

Mrs. Schermerhorn, well known to many Morton residents, had experienced illness for a couple of years and her most recent relapse had lasted three weeks. She had been a long-time resident of Slaton, since 1926, where her husband, who survives, is with Santa Fe Railroad.

Rev. R. E. Browne minister of the Church of the Latter Day Saints of Kansas City, officiated at the rites, assisted by Rev. Clarence Stephens, pastor of the Methodist Church of Muleshoe.

Going to the Fair-Turkish Style!

BEAUTY QUEENS and tractor combine to make the Izmir International Fair (July 20-August 20)—if not the "greatest show on earth"—at least the greatest in the eastern Mediterranean area. 3000 exhibitors from Turkey and 17 foreign countries will show their wares to an expected 2 million people. This means big sales for U.S. farm and industrial machinery which is "No. 1" with the Turks.

The Fair promises to be the busiest ever. Turkey is having the greatest expansion in its history. In the last four years, alone, agricultural acreage has increased by 50% and the industrial advance exceeded that figure.

All this has happened despite the fact that Turkey—a bulwark of the free world—has had to allocate 40% of her budget to defense.

39 Dogs Are Inoculated in Jaycee Program Last Week

A total of 39 dogs were inoculated Saturday afternoon by visiting veterinarian, Dr. G. D. Lindsey of Levelland.

The visit was sponsored by the Morton Jaycees, the third time the group has brought the veterinarian to town. Dr. Lindsey said he would return again later this year if he was asked to by the Jaycees.

Dogs were inoculated, owners were given a collar and a certificate, all for \$2.50, and the local Jaycees received 50 cents per animal, or \$19.50 for the afternoon of work.

Robbins, who was JP of Pct. 2 at the time he became ill, had been living with a daughter at Paint Rock for the past several months. However, he seemed to be getting along very well and was no longer confined to bed. He had come back to Whiteface to take care of his annual business only a few days before he died.

Hayes B. Robbins was 78 years old and had been a long time resident of Whiteface.

Rev. Clarence Bounds officiated at the final services for Judge Robbins and was assisted by Rev. Rufus Kitchens. Kitchens is the pastor of the First Methodist Church where the services were held, and Bounds is a former pastor of that church.

Survivors include one daughter, Mrs. Frankie Whiteside of Paint Rock; a step-son, Miller Choate of Levelland; two step-daughters, Mrs. E. L. Sente and Mrs. Otis Burson both of Levelland; a brother, Clyde Robbins; a sister, Mrs. Forrest Mavor of Colorado and six grandchildren.

All ballots can be turned into the concession stand or the scorer's booth. Both games will be played on Tuesday one at 6:30 p. m. and the other at 8:30.

Ballots can be obtained at the park but voting may be done on a blank sheet of paper. In the case of the Little Leagues, fans are requested to make their selections from all the teams and if any of the boys selected are on the host team, the player with the next highest total will be the all stars selection.

Lubbock In Finals Of Softball Tournery; Morton, Clovis, Reece, Muleshoe Advance

Two more teams will be eliminated from the invitational softball tournery tonight and still another will fall by the wayside Friday, as the tournery reaches its climactic stage.

Three teams have been ousted as Lubbock's Merchants stamped as the team to beat, topped Reece Air Base team in the most thrilling of the games yet played, with a tremendous 7th inning comeback and a subsequent victory in the 9th inning, 4 to 3, Monday night.

Working into the quarterfinals with their first victories of the two week, eight - team tournery were Morton and Muleshoe. Morton, in losing a first round game to the Merchants, came back to edge the Maple entry, 6 to 5, Tuesday night. Morton, 16 to 5 and was thus eliminated without a victory. The Printers hung up their victory at the expense of Bula, also 6 to 5. Bula had lost to Reece Air Base in their opener, 10 to 5.

Oddly enough, Enochs, the last team to play in the opening round, won that first game and then was the first team eliminated as they lost to Reece, 5 to 0, and then bowed to Clovis, on Monday night, 8 to 3.

Morton meets Reece tonight in the first game and Muleshoe takes on Clovis in the nightcap. These winners get together Friday to vie for the chance to meet Lubbock in the finals, Monday night.

An exhibition game has also been tentatively slated for the 2nd game Friday, Bula vs Littlefield. Easily the most thrilling game thus far was the corker staged by Reece and Lubbock. The Lubbock hurlers, Hubbard and Reiger, had allowed just one hit in the two games previously played against Morton and Clovis. They were easy winners in both games.

Ken Wcoff, hurling for Reece hadn't allowed a hit in his new equipment.

TELEPHONE COMPANY INSTALLS NEW EQUIPMENT; SAYS SERVICE WILL BE BETTER FROM NOW ON

Troubles with phone service in Morton, which reached almost an all time high the past two weeks have been cut to a minimum by the action of cutting in the new equipment Tuesday night of this week. That was the word brought by R. L. Brewer, Division Plant Superintendent of General Telephone Company of the Southwest.

Brewer was in Morton Tuesday checking the switchover from the old equipment to the new. He was contacted by at least one irate businessman concerning the seemingly "worse than ever" service which followed the granting of a rate raise by the City Council last winter.

Brewer said both he and the company realized the service had not been good in Morton, of late. He said he sincerely appreciated the attitude of most of the people who had contacted him about it. He said people had been very fair and very patient about it. He added that the new equipment would have been cut in last Thursday, but the company was faced with a labor walkout just about the time they were ready to cut in the new equipment.

Brewer said, naturally the new equipment wouldn't cut out all the trouble. He said there would be some troubles getting the newest equipment functioning properly & no doubt some maintenance necessary, later on. But, he affirmed most of your troubles are now a thing of the past. The new equipment is of the expandable type and it won't be hard to keep pace with the expansion of Morton.

Brewer said that most of the troubles experienced here in the past were due to the fact that the city outgrew the equipment being used.

Thundershowers Received Tuesday; Rain Still Badly Needed in County

Morton and Cochran County had a slight relief from the long drought that has prevailed for nearly two months, when a thundershower hit several parts of the County on Wednesday afternoon and dropped up to two tenths of an inch of rain on some portions of the county.

Skies remained cloudy and hopes of more moisture during the night and in the next few days were high as the Tribune went to press.

Most recent reports listed lots of dryland cotton dying in Cochran and Bailey Counties due to the

County Hires Auditor for Another Year

The Cochran County Commissioner's Court, this week, hired the firm now conducting the nine year audit on county books, for an additional year of auditing in a season held this week.

The action presumably came as the result of information which is to come from the nine year audit. Irregularities of unnamed origin are reported to have been detected in the audit. The court now wishes the audit to be complete and up to date so that if any other irregularities have occurred, they can be cleared up at the same time.

In another move, the Court was asked by the president of the Hospital Board to extend the audit to the Hospital books.

This was already assured but local hospital board members felt it should be brought to the attention of the Court, in case it was not part of the original audit plans.

The audit as called for originally did not name any one particular segment of county books to be audited.

H. B. Robbins Dies After Long Illness

Retired Justice-of-the-Peace, H. B. Robbins was laid to rest, Tuesday afternoon in the Tech Memorial Cemetery, following an illness that had set in at the time his wife died last year and claimed him in death, Saturday night, at Whiteface.

Robbins, who was JP of Pct. 2 at the time he became ill, had been living with a daughter at Paint Rock for the past several months. However, he seemed to be getting along very well and was no longer confined to bed. He had come back to Whiteface to take care of his annual business only a few days before he died.

Hayes B. Robbins was 78 years old and had been a long time resident of Whiteface.

Rev. Clarence Bounds officiated at the final services for Judge Robbins and was assisted by Rev. Rufus Kitchens. Kitchens is the pastor of the First Methodist Church where the services were held, and Bounds is a former pastor of that church.

Survivors include one daughter, Mrs. Frankie Whiteside of Paint Rock; a step-son, Miller Choate of Levelland; two step-daughters, Mrs. E. L. Sente and Mrs. Otis Burson both of Levelland; a brother, Clyde Robbins; a sister, Mrs. Forrest Mavor of Colorado and six grandchildren.

All Star Votes Should Be in By Monday Night

Local fans were reminded they must have their all-star ballots in on Monday, for both the Little Leagues and the softball League.

All ballots can be turned into the concession stand or the scorer's booth. Both games will be played on Tuesday one at 6:30 p. m. and the other at 8:30.

Ballots can be obtained at the park but voting may be done on a blank sheet of paper. In the case of the Little Leagues, fans are requested to make their selections from all the teams and if any of the boys selected are on the host team, the player with the next highest total will be the all stars selection.

In the softball league it already has been determined that Bula is the host team, so selections should be made from the other teams in the league and fans should also name a manager of the team. The final totals will be announced Monday at the final game of the first half of the Little League and at the softball tournery finals. All players are requested to be there so that they will know if they are to play on Tuesday.

GUESTS OF MRS. WALDEN
Jerry Lee, Mary Beth and Carol Walden from Farmington, New Mexico, are visiting in Morton this week with their grandmother, Mrs. Sallie Walden.

LEGAL NOTICE

Legal No. 78
THE STATE OF TEXAS
 To the Sheriff or any Constable within the State of Texas
GREETING:

T. W. Pierce, Administrator with the Will Annexed of the Estate of Sterling L. Pierce, deceased, having filed in our County Court his Final Account of the condition of the Estate of said Sterling L. Pierce, Deceased, numbered 197 on the Probate Docket of Cochran County, together with an application to be discharged from said administration, as Administrator with the will annexed, of the Estate of said Sterling L. Pierce, deceased.

YOU ARE HEREBY COMMANDED, That by publication of this Writ not less than ten days before the return day hereof in the MORTON TRIBUNE, a News-Paper printed in the County of Cochran, State of Texas, you give due notice to all persons interested in the Account for Final Settlement of said Estate, to appear and contest the same if they see proper so to do, on Monday, the 25th day of July 1953 at the Court House of said County, in Morton, Texas, when said Account and Application will be acted upon by said Court.

Given under my hand, and seal of said Court, at my office in the City of Morton, Texas, this 11th day of July A. D. 1953.

A TRUE COPY, I CERTIFY.
 Mrs. Lee Taylor
 Clerk County Court Cochran County.

Hazel Hancock
 Sheriff Cochran County.
 BY William J. Hodge,
 Deputy Sheriff. 19-11c

Writer Visits In Local Area

(Note: Frank X. Tolbert, famed Dallas Morning News writer, is making a "jeep safari" about the Texas borders, and writing a daily column on his findings. The following appeared in a recent issue of the News. How Mr. Tolbert missed a story on Cochran County we will never understand.)

Our jeep safari was going down the eastern Panhandle rim in our

DUE HOME FROM HOSPITAL. Mrs. Ed Howell, who has been in the Cochran County Hospital for more than a week is expected to be brought home either today or Friday, according to Ed Howell.

progress around the boundaries of Texas when we decided to make a side trip to Hale Center, where lives one of history's most unrelenting man hunters, J. (for Jasper) Frank Norfleet.

(Most folks here about have heard about or seen Mr. Norfleet, and many are acquainted with his niece, Mary Hope Norfleet, now Mrs. Doug Harrington, who at one time was employed here in Morton. Mr. and Mrs. Harrington are now living in Levelland.)

Frank Norfleet, now 91, is also one of the oldest and most unique active book salesmen. He retired long ago as a rancher. He is in good health except for his stove-up, horse-bowed legs. And he spends his time going to cattle sales, rodeos and other gatherings for stockmen to peddle the handsome, 388-page book which he wrote long ago on his experiences in tracking down and bringing to justice an international gang of confidence men who victimized him \$45,000.00 worth.

When he's not selling his books around the cow pens, he holds forth in the little cafes where cowmen gather. More than his well-documented exploits in capturing the bunco artists, he likes to talk about the 1870's and 1880's when he was a wild young cowpuncher working on ranches along the New Mexico-Texas border.

While a bunch of cowmen drink coffee and listen, Norfleet will tell tales like this:
 "I stumbled on one of Billy the Kid's hideouts. It was a 'dobe house' with fireplace and wood all sacked and out. Cozy place. I stayed there two or three nights. Billy never did show up. If he had, the fur, hide, blood and toenails would have sure flew. I was just as much of a fool with a gun as Billy was in those days."

In 1919, when he was a proper-cowman, Norfleet made a trip to Dallas to try to buy some ranchlands from Dick Slaughter. He was staying at the St. George Hotel and there he got into a conversation with a "mule buyer" from Hillsboro. This mule buyer, who turned out to be a swindler named Reno Hamlin, led Norfleet into a well-staged trap which cost the little rancher \$45,000.00. Leader of the confidence men was a big, sleek man, real name Joe Furey, who was called "J. T. Stetson" when he talked Norfleet out of that \$45,000.

The great detective, William J. Burns, said that "Norfleet's insignificant appearance" and his almost uncanny intelligence were responsible for his success on his great man hunt. He not only caught the five characters who'd swindled him but he also captured about 60 other confidence men while he was looking for the five.

His wife and his son, Pete Norfleet, ran the ranch while Frank went all over the United States and in Canada and Cuba looking for his men. He was so hot on the trail of Furey that he fellow ran off to Europe. Furey lived in a California mansion and posed as a rich stockbroker. Norfleet, with his mustache shaved off and a cap substituted for his usual sombrero watched this house for days, made friends with Furey's son.

He finally got Furey, after a dramatic battle in a Jacksonville, Fla., restaurant, and was taking him back to Texas when the big swindler escaped by jumping through a train window. The remorseless Norfleet got him again, and Furey died in the Huntsville penitentiary.

The four other swindlers are dead too, says Norfleet. He's not interested much in talking about the brave old days when he ranges with the likes of Pat Garrett, John Poe, Clay Allison and Black Jack Ketchum.

ATTENTION COTTON FARMERS

Look at these prices for early insect spraying. 4 States Aerial Spraying Service will apply:

1 qt. 6th toxaphene per	\$1.60	1 qt. 2-1 toxaphene and DDT per acre	\$1.60
1 qt. BHC 9.15	\$1.60	1 qt. DDT	\$1.60
* 1 pt. parathion		\$1.65	

We will run 2-5 gallons volume per acre at these prices. Using only new and modern airplanes and equipment.

—SATISFACTION GUARANTEED—
 Call Sanders Implement, Morton, Texas, Phone 5071

YOUR BIBLE QUESTIONS "Membership"

QUESTION: "Sir, must one be a member of your church to be saved?"

ANSWER: OUR answer to this question is "no." First, we do not have a church of our own. We have never established one, and we never expect to. We desire to have none of our own. Since we have no church, people who are being saved are certainly being saved out of it. We have as much right as the next person to have a church of our own. Which incidentally, is no right at all according to God's word.

Second, if we had a church of our own, there would be no salvation in it. It would not be the church that Jesus said he would establish (Mat. 16:18).

A FINAL CONSIDERATION
 If you mean by your question, the church you read about in the New Testament, it should be framed: "Can one be saved in, and only in the New Testament church?" The answer to this question is "Yes."

First, Jesus said: "I will build My church." Luke says "the Lord added such as were being saved to it" (Acts 2:47). Therefore, none but saved people are in it.

Second, Paul tells us that the church of the living God is "the house (Family) of God" (1 Tim. 3:15). The church is God's family. God has no children outside of his family. "If children, then heirs..." (Rom. 8:17).

The church, itself, does not save as if it should take the place of Christ. It is, however, the depository of the saved. Christ saves His church (Eph. 5:22-25).

Church of Christ

Morton
 Jesse Brookshire, Minister

No wonder this great '55 Pontiac is setting all-time sales records!

It's bigger, smarter and more powerful than any other car at anything like the price!

A sales success like Pontiac's starts on the drawing boards—with engineers and designers who have been schooled for years in the Pontiac idea of giving more people more car for less money.

With its long 122" or 124" wheelbase and extra, big-car heft, Pontiac provides road-hugging comfort you get in no other car near it in price! Now take this big, roomy car and surround it with the distinction of Twin-Streak styling and Vogue Two-Toning—beauty that obviously is calling the turn on the future—and you have another reason for Pontiac's phenomenal sales success.

That alone would be enough for most cars—but not for Pontiac!

Pontiac corners the market on value with the most powerful engine within hundreds of dollars of its price. The sensational 200-horsepower

Strato-Streak V-8 with four-barrel carburetor* is the most modern power you can buy. You're on even terms with anything on the road—and you enjoy the greatest economy and dependability in Pontiac history.

If by now you're thinking "This is what I've wanted all along!", we suggest you stop in and talk dollars and cents. That's when you'll get the final reason for Pontiac's record popularity—the fact that you can fit a big, powerful, future-fashioned Pontiac into any new-car budget!

You'll never find it easier to get into the finer-car class than right now! *Low extra cost option

Miss Patricia Chandler Engagement Told

Mr. and Mrs. Melvin Chandler announce the engagement and approaching marriage of their daughter, Patricia Ann, to Paul Joe Wylie, son of Mr. and Mrs. J. C. Wylie of Morton.

The wedding will take place on July 23rd, at 10:00 a.m. at the First Baptist Church in Bledsoe.

Patricia Ann is a student at the Bledsoe High School and Paul Joe is a graduate of Whiteface High and is also a former student at Texas Tech. He is employed at Baker Feed and Seed in Morton at the present time.

HERE FROM NORMANDY, TEX.

Mr. and Mrs. F. L. Cunningham, and son Dob of Normandy, Texas, are visiting Mrs. Cunningham's parents, Mr. and Mrs. Ed Garrett and sister, Mrs. Mike Walden and family.

RAINFALL . . .

able quantity received in Morton was early in June. However, since that time one fair sized shower hit near Lehman and another was received north and west, in the lower corner of Bailey County around Stegall and Baileyboro.

VISITING IN MORTON

Mrs. Gertrude Locke and children, LaJuna and Janet Kaye of Corona, California are visiting with her parents Mr. and Mrs. I. L. Self of Rural Route Two, Morton.

HERE ON FURLOUGH

Here on furlough is PFC Jimmie C. Self of Camp Hanford, Washington, Jimmie is visiting with his parents, Mr. and Mrs. I. L. Self of Morton, Texas.

VISIT JACK WATTS

Mrs. Dollie Rittenberry of Abilene is visiting her brother, Mr. & Mrs. Jack Watts.

Mrs. J. A. Vernon Recovering After Being In A Coma

Mrs. J. A. Vernon, who was taken to the Cochran County hospital last Wednesday, July 5th, and lapsed into a coma, appears to be on the road to recovery this week and is expected to be home from the hospital today.

According to her husband she had undergone recent treatments and was told to expect a sick spell.

Her sister, Mrs. Mae Adams of Texarkana, a daughter, Mrs. Hazel Packinius of Dallas; another daughter, Mrs. Dotts Willis of Roswell and sons O. D. and Oscar were at her bedside while she was in the coma. She came out of the coma on Friday night and by Sunday was feeling much better, then suffered a slight relapse, Monday.

VISITS HER MOTHER

Mrs. J. C. Shelton is visiting her mother, Mrs. Nathan Land of Hubbard, Texas.

Just look what you're missing!

Smartest car on the road—bar none! The Custom Royal Lancer by Dodge.

Not long ago, you had to figure on spending a lot of money if you wanted to step up to a big luxury car. Then along came this new Dodge—and things happened!

People who were used to paying a thousand dollars more found that Dodge offered all they could desire—at a sensible price.

Owners of medium-priced cars discovered that for the same amount of money, or

less, the new Dodge provided much more roominess, comfort, and more pride.

More, small-car owners found that several models of this big new Dodge even cost less than a tricked-up "lightweight."

Right off the bat, Dodge sales doubled! And we're taking advantage of skyrocketing sales to make you a "Drive It Home" deal you can't turn down. Come in today!

NEW DODGE

By Eddie Irwin. ALTHOUGH opinions seem to be many and varied as to whether or not Rocco Alt Base's pitcher is using a legal pitching motion, fact remains that the fans have really enjoyed their glimpse of 'hot' pitching in these ball games in progress last week and this week.

WINDS UP ON Monday, then on Tuesday we'll have the league's all-star game before going back to our regular play. The league will resume Thursday night and continue through the last few days of August.

FOR THOSE WHO are planning the County Fair. A release we got from Lubbock this week lists the date of the South Plains Fair as September 28 through October 1st, so if we plan to have some of our exhibits in that fair we'll have to hold ours a little earlier than we expected. So far, things are still in the planning stage, with our Fair. Seems that only one or two people will be able to find time to work on it. It'll take a lot more than that to put on a fair.

IN THE BULLETIN released by the Lubbock office, Texas Agricultural Experiment Station, that the trip infestations in Cochran and Bailey Counties are the worst on the plains. In fact, Cochran got more mention on the report, than any other county which could be

serious, or might mean that local groups are just checking our crop a little closer. The report didn't bring in our County. Agent did bring in a report last week, just a little too late for us to get it in the paper, and that's probably where they got their report. However, the local FFA boys are still conducting a check of the fields each week.

Friends Pay Respects to Mr. and Mrs. Jim Silvers at Recent Celebration of 60th Wedding Anniversary

Mr. and Mrs. J. W. Silvers, long residents of Roosevelt County, now of Morton were honored on their 60th and Diamond wedding anniversary Sunday, July 3, at an open house at the home of a granddaughter and family, Mr. and Mrs. Fred Danforth. Helping with hostesses duties was Mrs. Tip Barnes of Crossroads, a daughter of the Silvers. Approximately 75 guests called

between 3:30 and 6:30 in the afternoon to congratulate the honorees. Presiding alternately at the guest book were Mrs. H. O. Rogers, a daughter, and Mrs. C. H. Silvers, daughter-in-law.

Mr. and Mrs. Silvers greeted the guests and unwrapped many lovely gifts which were displayed in an adjoining room.

Mrs. Silvers wore a tan linen two-piece suit with a salmon pink corsage, gift of the hostess. The refreshment table, carrying out a color scheme of blue and white, was laid with a handmade cutwork cloth over blue. This cloth was made in Manila and belongs to Mrs. L. P. Hargrove of Morton, a friend of the couple.

Centering the table was an arrangement of various shades of blue dwarf delphinium in a crystal flower basket. White and blue tapers in crystal candelabra flanked the arrangement. A white satin streamer on the table bore the message, "60th Anniversary."

Mrs. M. A. Silvers, Morton, daughter-in-law, and Miss Nan Barnes, granddaughter, alternated at the crystal punch bowl. Mrs. Tip Barnes daughter, and Mrs. Don Hoffman, granddaughter, served the white and blue 2-tiered anniversary cake. White napkins with silver wedding bells were embossed in blue with "Jim and Sallie July 3, 1893."

Floating hostesses were D'René Danforth, Morton, and Russell Cragg, Amarillo, great-granddaughters.

The house was decorated with beautiful floral arrangements, many of which were gifts from friends

to the Silvers.

Sarah Elizabeth Morris and James William Silvers were married July 3, 1893, in Pleasanton, Texas, in a double ceremony with his sister and her husband.

After tenor farming in their native south Texas for several years the Silvers decided they wanted a home of their own and because New Mexico was open to homesteaders they started west, July 3, 1900. Their family possessions, three children, Jim and Sallie, her mother, Mrs. Elizabeth Morris, and her younger sister, Leona, started the long trek to the open country.

Silvers recalls he had two covered wagons and "trailed back" and traveling was slow. The family stopped to pick cotton on their way west. Due to snow Jim said it took his wagons nine days to come from Tahoka to the New Mexico line and he pulled into free land on December 9, 1909.

Their first night in the territory was spent with the Lindsey Shoemaker family near the present site of the town of Lingo. The next day Jim remembers riding his horse over the country and near the Texas - New Mexico line. Where the V. D. Leavitt family now lives, in the southeast part of Roosevelt County, he found an old dugout. This became the family home for many months.

The young mother and her eldest son, Charlie Henry, did all the farming the first two years while Jim supplemented the family income by working as a windmill operator on the 69 Ranch, X-Bar and others.

"I remember," he said, "at the end of the first year, I went to Portales and borrowed \$15 which was used to build us a new dugout 14 feet by 20 feet." He also remarked that while he was away on the neighboring ranches the wife and children dug the new dugout.

To buy supplies, the Silvers drove their wagons north to Redlands and traded with the late Carl Turner who operated a general mercantile store. Redland was a community south and east of the present town of Causey. If Turner failed to meet the meagre demands of these homesteaders, they had to make semi-annual trips to Portales. This was a three day trip.

In 1913 Silvers freighted from New Mexico to Lubbock. In 1916 he bought the 320 acre farm just south of him and in 1923 he moved on it. He farmed for 42 years in the new country.

Silvers was interested in his children having a good school as was possible so he served as a school board member for 24 years. The earlier part of this time, he recalls riding his horse from farm to farm collecting donations and poll taxes to pay the teacher's salary and the operational expenses. Many times the one-teacher school could operate for only five months of a year, due to lack of finances.

In 1926 the Silver's home caught fire. With high winds egging the blaze on, and no method to combat it, the family home and possessions were completely demolished. Everything the couple had strived for and accumulated was destroyed.

Kind, friendly, and sympathetic neighbors, many poor in worldly goods, came to their rescue. Before long, \$500 in cash was donated and a new frame house was constructed with volunteer labor.

The house, although remodeled, modernized and enlarged throughout the years, served as the family home until 1951. Due to poor health, Mr. and Mrs. Silvers sold their old homelace and moved to a nice

little home in Morton, near three of their five children.

The Silvers have six grandchildren and 11 great-grandchildren.

The friends who called, the messages and gifts sent, other expressions of kindness and their memories make the Silvers realize they have had a long and full life in their "adopted" western home.

OPRY GRANDDAUGHTERS VISIT IN MORTON

Mrs. Gordon Boyd and children of Burnet, Texas, and Mrs. Stanley Schwertner, of Schwertner, Texas, granddaughters of Mr. and Mrs. Alvin O'Pray of Morton visited in their home, and in the home of Mr. and Mrs. Ralph Yeary, this week

EXPANSION OF HIGH PLAINS DUE TO IRRIGATION WELLS

More than 4,000,000 acres of land is being irrigated by 33,537 wells on the High Plains of Texas, according to the annual irrigation survey by R. V. Thurmond and Ralph J. Jones of the Texas Agricultural Experiment Station.

The reports, made yearly since 1949, show the tremendous expansion of irrigation in the area. The first report showed 12,473 wells irrigating 1,711,000 acres. By 1952, the number of acres irrigated stood at 407,530.

During the past year, ending in May of 1953, 5,554 wells were added. Here's how the county's were ranked in number of wells: Hale County, 3,700; Hockley County,

3,550; Lubbock County 3,300; Swisher, 3,000 and Lamb 2,800. (Cochran County was not listed in the report but late additions of wells in this county have tremen-

dously boosted crops in the county and estimates of the irrigation wells in Cochran County are over 650.)

GRIFFITH'S GUESTS

Mr. and Mrs. H. W. Terrell of Amherst were recent visitors in the Frank Griffith home.

Local Jaycee At Tri-Regional In Plainview

Bill Glassford, immediate past-president of the Morton Jaycees, and Mrs. Glassford attended the tri-regional convention of the Jaycees at Plainview, Sunday.

The meeting was also attended by the new state president, Ed Stumpf of San Antonio who was the principal speaker. No outstanding resolutions were passed although four were introduced. Amarillo was awarded the next tri-regional meeting by a vote of the delegates attending.

One hundred and twenty-nine Jaycees and many wives were on hand for the meeting representing more than 30 Jaycee chapters. Stumpf spoke on the individual Jaycee's obligation to conduct himself in a manner so as to do credit to the Jaycees.

RETURN FROM VACATION IN CALIFORNIA

Mr. and Mrs. C. C. Swindell have just returned from a vacation trip to Sacramento, California, where they visited their daughter and husband, Mr. and Mrs. Wylie J. Barr. While there, they accompanied Mr. and Mrs. Barr on a 1100-mile tour of northern California and southern Oregon. They visited Crater Lake in Oregon, Shasta Dam, California, also Mt. Lassen Volcanic National Park, with an altitude of 8,512 feet. They reported being in a snow storm and seeing lots of snow on the way.

COLOR TV TO BE FEATURE OF 1955 TEXAS STATE FAIR

Color television will be a spectacular new feature of the 1955 State Fair of Texas, October 7-23. The only mobile unit for color TV in the world today — built and operated by RCA — will be based at the Fair throughout the 16 days and 17 nights of the exposition and live color programs will be telecast daily.

Many people will have an opportunity to see for the first time with their own eyes the wonders and beauty of this latest electronic marvel. Fairgoers will see many of their favorite network television programs in full color on the dozens of color television sets which will be in operation on the Fairgrounds and also on a gigantic movie-sized screen projected by one of the few color TV projectors in existence.

ACCIDENTAL FARM DEATHS LEAD ALL INDUSTRIES

"More accidental deaths occur in farming than in any other major industry in the nation. Texas, with its widespread farming and ranching operations, is in a position to help reduce the toll taken by such accidents," said Governor Allan Shivers in his proclamation designating the week of July 24-30 as Farm Safety Week. Earlier President Eisenhower had proclaimed the same period as National Farm Safety Week.

Dress Revue . . .

(continued from page one)

Parker and Ginger Kindie in the gathered skirt division, each winning red ribbons.

In the gathered skirt and blouse division, winners were Sandra Lemons, Chiquita Kizer and Betty Edler, red ribbons and Kay Lemons, fifth place.

Dress of skirt and blouse division winners were: Gwendolyn Parker, Betty Hutton and Virginia Klutts, red ribbons and Donita Jordan second place and Lorena Long third.

Sue Johnson won fourth in the senior division.

DEEP IN MY HEART, starring Jose Ferrer and Merle Oberon will make its appearance at the Rose Theatre, Morton, July 26 and 27. It was announced this week. The M-G-M color musical is based on the life and melodies of Sigmund Romberg, famed Broadway composer. The cast reads like "who's who" in Hollywood.

edlines . . .

ty was not among those with the heavy infestation. Bollworms and lygus bugs were found in small numbers in Cochran County fields.

A TOTAL OF 42 fields checked by the County Agent last week, 12 had already used toxaphene in an effort to control the insects. He found from one to two fleahoppers per hundred stalks examined in 26 fields out of the 42. In 16 fields three fleahoppers per hundred stalks were discovered.

we sincerely . . . HOPE YOU'LL ALL step forward and express yourself by ballot Saturday as to whether or not you want separate offices of Tax Assessor - Collector and Sheriff, and as to whether or not you'll give Commissioner's Court the right to re-allocate the taxes.

IN THEMSELVES are very, very important — but something else is much more important. The job we have to take an interest in what is going on at the Courthouse should be a lot clearer in the light of the recent developments. It's
