Elsie the Cow who is now in her 19th year as an advertising character for the Borden Company, is now traveling in luxury. For the past 16 years Elsie has had to pack up six and one-half tons of equipment every time she put her "traveling boudoir" show on the road.

Now she and her bull-calf son, Beauregard, are traveling in a 45-foot custom built Fruehauf trajier. Besides having luxurious equipment throughout, Elsie will be provided with an oid-fashioned gramaphone with her favorite records such as "Mooin' Over Miamit"

Elsie's program, however, is not one of complete levity. She and her exhibit carry important messages to rural America with interesting and instructive hims such as General Electric's "More Power to America" and "Atoma for Peace" which have been touring Italy and the Near East under suspices of the United States Information Agency.

YOUR BIBLE QUESTIONS " THE CHURCH "

OUESTION: "Sir. Under what figures is the Church of Christ set forth?

ANSWER: First as a temple, "In whom each several, building fitly framed together groweth into a holy temple in the Lord." Second; as a family. "For ye are all sons of God, through faith, in Christ Jesus. For as many of you as were baptized into Christ did put on Christ. There can be neither Jew nor Greek - for ye all are one man in Christ Jesus." (Gal 3: 26-29). Third, as a royal priesthood. "But ye are an elect race, a royal priesthood, a holy nation, a people for God's own possession, that ye may show forth the excellencies of Him who called you out of darkness into his marvelous light. (1 Pe.

ter 2:9) Fourth, as a lighthouse. "Do all things without murmurings and questionings; that ye may become blameless and harmless, children of God without blemish in the midst of a crooked and seen as lights in the world, holding forth the word of life ... " (Phil. 2:14-16). Fif-

to as the body of Christ (Eph 1:22.23) "And hath put all things under His feet, and gave Him to be the head ov. er all things to the church, which is His body, the fullness of Him that filleth all in all." Sixth, as the kingdom of heaven- Christ promised to build his church or the kingdom-(Mat. 16:18-20) "And I say also unto thee, that thou art Peter, and upon this rock I will build my church; and the gates of hell shall not prevail against it. And I will give unto thee the keys of the kingdom of heaven; and whatsoever thou shalt bind on earth shall be bound in heaven; and whatsoever thou shalt loose on earth shall be loosed in heaven." Seventh, the word "church" itself means "called out". The figure, then is that of one being separated from the world. "If ye were of the world," said Jesus, "the world would love its own; but because we are not of the world, but I chose you out of the world, therefore the world hateth you." (John 15-19)

Nothing GOES

like a Chevrolet Y8!

It's the new winner in stock car competition . . . and it's winning new, young-minded friends faster than you can say America's hottest V8. Because of its liveliness, its looks, and because it holds the road like it loves it—which it does.

Come try it, won't you, if only for the fun of it!

NOTHING (not even the high-priced cars) HAS GOT SO MUCH TO GO WITH!

let's "Turbo-Fire V8!" So efficient that it needs only 4 quarts of oil instead of the usual 5. Shortest stroke of any V8 in the industry. Delivers more horsepower per pound than any engine in Chevrolet's field.

Davy Crockett Meets Indian

Mark Welch, 5, is puzzled by the strangest-looking redskin he's ever seen in a busy career of pioneering. To art connoisseurs, however, the Indian is "Thunder," a 104-pound jade statue by Donal Hord. It represents an American Indian enticing rain by beating a drum. The piece, valued at \$25,000 is one of numerous exhibits of fabulous jewels and art objects at Arthur A. Everts Company, pioneer Dallas jewelers, following opening of the concern's new store. Mark is the great grandson of the store's founder.

Aid For Lost Parakeets

ROCHESTER, N. Y .- This is the season when thousands of parakeets succumb to the lure of outdoors and leave their happy homes — mostly through open doors and windows.

Most find that life outside is not what they expected, but by then it is often too late to find their way home again.

their way home again, What can be done about this?

Several things, according to Buell Culver, executive director of French's Pet Bird Institute. * He points out that many para-keets are lost because they ride outdoors unnoticed on the shoulders or heads of their owners. Be sure to check the whereabouts of your pet before you
open a door or window, and
double check for unscreened doors
and windows before allowing your
pet to fly around at all.

Another precaution Culver

Another precaution, Culver says, is to note the number on the leg band, if your bird is banded. If he isn't, have him banded, or teach him to recite his name and phone number.

If your bird does escape, here are a few ways to retrieve him.

are a few ways to retrieve him:

1. Do not chase him or throw
things at him. This will frighten
him and make him fly farther.

2. Try approaching him with a
large mirror. This may intrigue
him sufficiently so that he will
allow you to reach him.

reach, squirt a gentle spray from a garden hose over his head so spray dampens him. He can't fly well if his feathers are wet.

 Try placing the bird's cage in the yard with bird seed leading up to it and inside. The bird may return to feed when he bec hungry.
5. Advertise. Many birds,
