Exams Are Set For Postmaster's Job At Whiteface

Another examination to fill the Postmastership at the City of Whiteface has been announced by the United States Civil Service Commission, the third such examination in two years; the others having failed to produce a person the Commission is willing to give a permanent appointment to.

The examination and the requirements remain the same as before except the maximum age requirement has been taken off which could conceivably attract several applicants who did not apply the other two times.

Applicants must take a written test and those who pass will be assigned final ratings on the basis of this test and on their experience, ability and character according to the official examination announcement. There is still a one year residence requirement which also may bring out applicants who were not qualified before. Those claiming veterans preference must be at least 21 years of age, but veterans will definitely get a preference according to the notice.

The deadline set this time, is November 29th, and the salary of the position is \$4,412 per year or about \$365 per month.

The written test will be taken at Lubbock, Texas. For further information or for applying, contact United States Civil Service Commission by applying at the post office for which the examination is being held and picking up an application blank or by writing the Civil Service Commission, Washington 25, D.C.

Morton Indians To Face Coahoma

The Morton Indians, who proved themselves and to a small gathering of fans last week, that they can win on the gridiron, will be after a second straight win Friday night when they travel to Coahoma some 150 miles away to meet the Coahoma team in a conference battle.

Morton won't be favored in the clash of two bands of "Indians" but they could very easily come up with a victory over the hosts. The Indians of Coahoma rate about a touchdown better than the Indians of Morton in a conference that has only two standout teams this year.

Coach Walker's eleven surprised a lot of fans in winning last week, after dropping seven straight to begin the season. But they weren't that bad a team, at any time, even though they couldn't seem to win. The biggest factor was winning one to convince themselves. On more occasions this year they played good enough ball during two or three quarters and then blew up in the other quarter or two. Just what caused all of these consistent losses is anybody's guess.

Friday the Indians didn't show any more offensive strength than they had previously this season; in fact, perhaps not as much. But in the defensive department they for, got the old jinx and played well the whole game. In fact, the favored Stanton team threatened just once in the game.

G. W. Lyons scored the only TD in the game and Morton, as has been their custom the past five times, added the point after a successful boot. They probably have as high a conversion percentage as any team in the conference. Wins in their last two games over not so strong opponents would salvage a fair season, and would elevate them into the district's top division under Sundown, Sengraves and O'Donnell.

Infant Dies Here

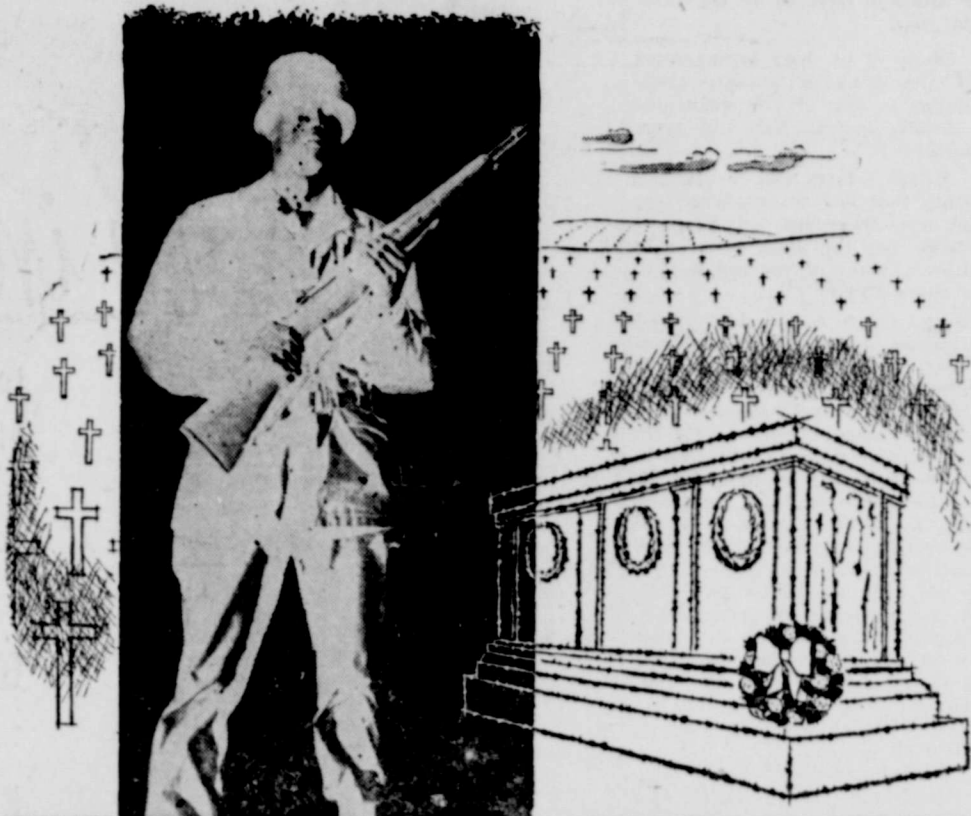

Funeral services were held at the St. Mary's Catholic Church in Morton for two month old Freddie Garza, last Monday afternoon.

The child son of Mr. and Mrs. Manuel Garza of Morton, died Sunday after a brief illness.

Funeral services were under the direction of the Singleton Funeral Home and burial was in Morton.

Farm Bureau Picks Local Mens Cousin

The new Texas Farm Bureau Queen, selected Monday night in a contest with candidates from all over the state isn't a Cochran Countyan but she's related to several. Tall, 16-year-old Myrna Thompson daughter of Mr. and Mrs. Joe W. Thompson of Dimmitt, is the cousin of Glenn and E. V. Thomas of Morton.

... THAT THESE DEAD SHALL NOT HAVE DIED IN VAIN

PROCLAMATION BY THE MAYOR OF MORTON

WHEREAS, the President of the United States has issued a proclamation calling upon all the citizens of this Nation to observe Friday, November 11, 1955, as Veterans Day to commemorate and to pay appropriate homage to the veterans of all the wars of this nation who have contributed so much to the preservation of this nation; and to solemnly remember the sacrifices of all those who fought so valiantly on the seas, in the air and on for-

sign shores to preserve our heritage of freedom, and

WHEREAS, the Governor of the State of Texas by proclamation has further requested all citizens of the State of Texas to observe Friday, November 11, 1955, as Veterans Day,

NOW, THEREFORE, I, J. C. Reynolds, Mayor of the City of Morton, Texas, do hereby call upon all the citizens of Morton to observe Friday, November 11, 1955 as Veterans Day. I request all citizens of this city, business enter-

prises, veterans' organizations and city officials to assist the state Committee for the observance of Veterans Day in every way possible for the observance of November 11, 1955, with appropriate ceremonies.

IN WITNESS WHEREOF I have hereunto set my hand and caused the official seal of the City of Morton to be affixed.

Done at the City of Morton, Texas, this 4th day of November, 1955.

J. C. Reynolds, Mayor

Still Surveying Wages

The Cochran County cotton wage rate determination remains a serious and critical problem in the county, according to County Agent Homer Thompson.

When it appeared the talk about the county being out of line on the wage had died down, it was only the jull before the storm. Though the county has received no word from the Department of Labor on the surveys taken recently, County Agent Thompson said this week, "as far as we know the wages are established at \$1.75 to the puller in the field and have been since Oct. 17, according to the Department of Labor. Do not," he continued, "let anyone give you the impression it has died down — it most certainly has not."

On Monday and Tuesday, Nov. 7 and 8, there were six representatives in Cochran County taking

more surveys. It is based on farmers using hands who are citizens actually pulling cotton in the field on these dates. Since it rained and snowed on Monday afternoon, a farmer actually pulling on that Monday morning would count in a survey for the week.

Mr. Bailey, Department of Labor representative, was in the county agent's office Monday and Tuesday to receive reports but very few farmers came in to turn in the report. It is to the farmer's advantage to do this if he wants to get his wage rate where it belongs. The basis of the survey is to get the farmer's own statement on the price he is paying citizen workers in the field, not the price paid to Nationals nor the price paid to the puller and to the farmer for information. Actually, the farmer

using citizen workers sets the wage scale for the entire county.

Agent Thompson, in continuing his statement concerning the vital farm problem reminded: "On Nov. 21 and 22 another survey will be taken in the County Agent's office to establish the price of pulling for that period. If you are still using citizen pullers, please come in on those dates. Don't forget it. If only 20 farmers come in to report, they set the county price for pulling to be paid the Nationals.

"Let me urge you again," Homer concluded, "do not pay the Nationals the \$1.75 per hundred just pay the regular price, \$1.55. It is possible that one part of the county can get by with paying \$1.55; as it is the same price paid by his neighbors, whereas, in another part of the county, \$1.75 may be claimed may or may not have to be paid, even though his neighbors did pay \$1.75. If you pay \$1.75 to the Nationals you cannot get it back, later on by the National and it sit tight on \$1.55 and see what develops.

I want to urge each grower to talk to his customers to try and get them in my office to make this report to Department of Labor officials on November 21-22. We want a representative sample by getting more farmers to make the report. This is serious business for farmers to come in and make a voluntary report."

Lions To Have Turkey Shoot Nov. 18 and 19

The Morton Lions Club netted approximately \$220 as their share of money in the sale of brooms and other household and business clean-up utensils. It was announced at the regular weekly luncheon meeting Wednesday.

The Lions thanked all whose purchases helped make the sale a big success and who helped the club take in money for its various charitable enterprises.

Joy Stripling has been named chairman of the Thanksgiving Turkey Shoot which proved so popular last year it is being repeated. The turkey shoot will be held on November 18 and 19, the Friday & Saturday preceding observance of Thanksgiving.

BULA - MOBEETIE GRID BATTLE SET FOR MORTON, THURSDAY

The City of Morton will have another "first" a week from today when Morton will be the site of the bi-district football clash between Bula, winners of District 1 6-man football honors and Mobeeite, winner of their district crown.

Arrangements were made in Canyon late Wednesday evening as the Bula Coach Claude Morrison and Supt. H. A. Reynolds met with officials from Mobeeite.

The Bula representatives were armed with a proposal by the Morton Jaycees to sponsor the game, and to go all out to try to draw from the huge group of people in and around Morton who have never had the opportunity to witness a six man game. Not only will they get that chance, but in Bula they'll be watching one of the few undefeated teams in the state, a team that hasn't even been pressed in its rise

to power this year. Their worthy opponents have a perfect district slate, having won two times each over Booker, Miami and Channing. Their only loss, a non-conference game was to a well regarded Oakley Union team.

Bula has practically annihilated all its opposition, running up large margins in every game, using all the men on their roster, and boasting one of the strongest defensive

teams ever to play in the district. They haven't lost a district game in two years and have played for the bi-district championship both times and the regional crown on their last tournament outing. Tickets are to be placed on sale almost immediately, and a substantial saving may be offered for pregame purchase, up to within two hours of game time. The Jaycees said this week they welcome the opportunity to bring the game to Morton, the chance to extend the courtesy to Bula, and the opportunity to once again pioneer something new for Morton's sports minded persons. The exact starting time of the game and other pertinent details will be worked out in a meeting of the Jaycees & Bula officials, today.

BREAK-IN REPORTED AT FORREST LUMBER CO.

The first break-in in Morton in several months was reported here Tuesday night as Forrest Lumber Company employees reported when they arrived at work Wednesday intruders had forced entry by removing the window glass from the rear door, had hanged a huge safe around for considerable time before being convinced they couldn't break it open, rifled a few dollars in change from a coke machine, & then made off with four pieces of

power machinery. The break-in occurred sometime before 7 a.m. Wednesday morning. Thieves were two Black and Decker power saws, one a six inch and one seven inch model; and two Black and Decker power drills, one a one and a half inch drill and the other a 3/8 inch model.

Sheriff Hazel Hancock said the law enforcement officers had only a few scant clues to work from. He theorized that whoever it was had an idea they might open the safe, for though it was beaten and battered, and the handles were knocked off, the combination knob was not damaged.

It wasn't until late Wednesday that the power tools were discovered missing. At first it was believed only the cash from the coke machine was taken.

Sheriff Hancock said it was the first night burglary since the entry of Morton Malt Shop several months ago. That burglar was in the hands of the law only two days after that job.

Ray Ann Ross Local Chapter FFA Sweetheart

In the recent FFA Sweetheart contest, Ray Ann Ross was elected Morton Chapter sweetheart. Her attendants are Thetis Foust and Susie Hawkins.

The FFA chapter has expressed their appreciation for all the donations made which not only helped elect the sweetheart but will help the local chapter in its FFA work this year.

The District FFA Banquet of the Levelland District will be held in the banquet room of the Cochran County Auditorium, Monday, Nov. 28th at 7:30 p.m.

At that same time the District's FFA Sweetheart Contest will also be held, this portion of the program being held at 6:30 in the Activities Building.

Nine schools will be represented at the District Banquet. To be represented will be Morton, Whiteface, Sundown, Levelland, Pettit, Ropes, Vile Smyer, Whitharral and Anton.

Guest speaker at the banquet is to be Foster Parker, Vice-president of the Texas Association.

TO INITIATE GREENHANDS The Morton FFA chapter will initiate "Greenhands" on November 17, at 7:30 p.m. at the County Banquet Room. Parents will be invited to the ceremony, an impressive affair by candlelight.

J. V. Minor Rites Held on Monday

A 78-year-old, 20 year resident of Morton was buried here Tuesday as J. V. Minor was laid to rest in the Morton Cemetery.

Minor, a retired carpenter and the father of two Mortonites had been ill for more than two years. He at 2 a. m. Monday at his home.

Final rites were conducted at the Missionary Baptist Church at 3 p.m. Tuesday conducted by Rev. Curtis Carroll, pastor, Singleton Funeral Home handled the interment.

Mr. Minor was a former resident of Littlefield and Rails. He had been in Morton almost 23 years.

Among the survivors are the wife five sons, T. U. of Hereford; L. B. and E. E. of Morton, L. W. of Littlefield and S. A. of Lubbock; two daughters, Mrs. M. C. Moody and Mrs. Leon Harrison of Lubbock; 19 grandchildren and one great, grandchild.

Three Attended Texas Conference On Education

Supt. H. A. Owens, Mrs. Lloyd Miller and Mrs. J. C. Reynolds represented Cochran County in the Texas Conference on Education, on October 31 and November 1st in Austin and Whiteface school as reported last week, also had two representatives on hand, Supt. Noah Cunningham and Elementary principal Ed Stokes.

The conference was composed of 1,000 people, lay citizens and school people from the 31 Senatorial Districts of Texas. It was a statewide conference sequel to hundreds of local conferences and 31 district conferences on education, and was a prelude to the Presidents White House Conference on Education to be held in Washington, November 28 through Dec. 1.

Although the conference was in no wise a meeting to instruct the 69 Texans who will participate in the Washington conference, it will provide the delegates a background as to what Texans expect from their schools and what are the schools most pressing needs.

The eight topics discussed at the Conference were:

What should our schools accomplish?

In what ways can we organize our schools more efficiently and economically?

Ray Ann Ross Local Chapter FFA Sweetheart

In the recent FFA Sweetheart contest, Ray Ann Ross was elected Morton Chapter sweetheart. Her attendants are Thetis Foust and Susie Hawkins.

The FFA chapter has expressed their appreciation for all the donations made which not only helped elect the sweetheart but will help the local chapter in its FFA work this year.

The District FFA Banquet of the Levelland District will be held in the banquet room of the Cochran County Auditorium, Monday, Nov. 28th at 7:30 p.m.

At that same time the District's FFA Sweetheart Contest will also be held, this portion of the program being held at 6:30 in the Activities Building.

Nine schools will be represented at the District Banquet. To be represented will be Morton, Whiteface, Sundown, Levelland, Pettit, Ropes, Vile Smyer, Whitharral and Anton.

Guest speaker at the banquet is to be Foster Parker, Vice-president of the Texas Association.

TO INITIATE GREENHANDS The Morton FFA chapter will initiate "Greenhands" on November 17, at 7:30 p.m. at the County Banquet Room. Parents will be invited to the ceremony, an impressive affair by candlelight.

In what ways can we organize our schools more efficiently and economically?

SALARY RAISE TO BE CHECKED BY COM. COURT

Cochran County's Commission, the County's governing body, is set to meet Monday, and according to a tersely worded legal notice they've already published in the Tribune, they will consider salary raises for elective county officials.

Nowhere in the announcement is there an explanation as to exactly what the law is when, why, or how it was passed—and most important of all the real intended meaning of it.

This information perhaps could be obtained from the County Judge See (SALARIES page 8)

Enrollment Higher At Morton

The enrollment in the Morton Public Schools continues to grow, Supt. H. A. Owens reminded again this week and pointed out that due to an increase since the opening of school, it has become necessary to hire two additional teachers in the first three grades.

Mrs. Myrtle Day has been added to the staff to teach a combination first and second grade and in the third grade, Mrs. Myrtle Kennedy has been added to the staff of faculty members.

Despite these additions, "we are still in need of another teacher for a second grade section and need an English teacher in High School. A substitute teacher, Mrs. J. D. Hawthorne is teaching until a high school English teacher can be employed.

Supt. Owens said the enrollment has reached 901 and in all probability will reach 1,000 before the school closes.

All available space has been taken up for classrooms and a crowded condition exists in all classrooms. Even the Board and Supt. are finding it hard to find space enough to conduct the School meetings.

Ads Available In Football Program

The Morton Jaycees announced this week, in conjunction with the sponsorship of the bi-district 6-man football game between Bula and Mobeeite next Thursday, game programs will have to be printed this weekend.

Any merchants desiring to sponsor an advertisement in the game program at a small nominal fee is requested to call the Tribune office immediately.

The cost of the advertising will help defray expenses in sponsoring the game for which the Jaycees already posted a guaranteed gate to help both participating schools.

FASHION REPRESENTATIVE TO BE AT STRICKLANDS

J. A. Etheridge, fashion authority for Kahn Tailoring Co. of Cincinnati will be in Morton all day next Tuesday at Strickland Cleaners with a special display of fabrics from the world's great mills.

Al Mortonites are invited to attend, meet Mr. Etheridge, view the fabrics, and get a line on the fashion fabric trends for winter, 1955.

PRACTICE TEACHING HERE Leon Jones, who is attending Texas Tech seeking a teacher's cer-

tificate is doing his practice teaching at Morton in Vocational Agri-

Jones has a degree in animal husbandry from Tech. He is a resident of Dula having attended school there. Last year he taught science and coached at Pop.

LETTERS TO THE EDITOR . . .

Morton, Texas November 7, 1955

Mr. Eddie Irwin, Editor, Morton Tribune, Morton, Texas

Dodge Brings "Car for Life" Promotion

DETROIT — Because of their great impact on the American reading public, nearly 4,000 newspapers will be used to carry news of the "Car for Life" contest which is being sponsored by Dodge Division, Chrysler Corporation, beginning on Monday of last week.

Jack W. Minor, sales manager in charge of advertising for Dodge, said that a heavy schedule of newspaper advertisements is being prepared. The ads will give details of the unique contest, termed the "greatest safety campaign in history" which will provide a new car every year of their lives for four lucky motorists. Eight runners-up will receive a new 1956 Dodge.

The contestants will appear on the Lawrence Welk show (ABC-TV Saturdays, 8 to 9 p.m. EST) for a total of four weeks beginning Nov. 12 being flown to Los Angeles from all over the nation. Application blanks are now available at all Dodge dealers, including Miller Motor Co. in Morton, beginning last Monday and continuing through Nov. 28, Minor said.

VISITED RELATIVES

Mrs. Willie Rose returned Tuesday of last week from a week visit with her father, C. A. Cloud, and sisters Mrs. Hester Daniel and Hetie McClinton of Graham and also spent a week with her daughter, Mrs. Ray Miller and family of Dal-

In reading last week's Morton Tribune I noticed where the County Judge had placed a legal ad informing the taxpayers of Cochran County that the Commissioners Court will meet in regular session on November 14, 1955 and are contemplating raising the salaries of the elected County officials as named therein.

I would like to make a few comments on this matter and of some things I didn't note in the Tribune.

What has happened to the lawsuit with Magnolia Petroleum Co. versus Cochran County, a protest on their 1955 tax evaluation in Cochran County?

I have heard that the District Court's decision was against Cochran County. If so, why can't we be told what the status of this suit is as of now?

If we have lost this suit, or we lose it in the future, what will it mean to Cochran County? Will it mean a complete re-evaluation of all properties in Cochran County, both personal and real? Is there a good possibility that our farms and city properties will be raised in evaluation and, likewise our taxes will be raised to meet these increased expenditures of higher salaries? If there is a possibility of these things happening, why can't we, as citizens and taxpayers be informed through our local paper so we may try to get our business adjusted for this increased load. We have been put on notice through our other newspapers and radios that farm income is down 9

per cent in the State of Texas since one year ago and even more in the last two or three years. Our cotton acreage has been cut drastically and is going to hurt our economy here in West Texas and Cochran County very much.

We as farmers and businessmen have suffered immeasurably here in Cochran County due to several years of drought. A great many of us have been finding it difficult to pay our taxes as they now stand and it looks like with our reduced income we are going to be faced with even greater difficulties in the paying of our taxes these next few years.

Lots of farmers have been forced to borrow money to pay their taxes these last three or four years and will have to do the same next year.

Many of us, both businessmen and farmers haven't actually made a dollar in four or five years due to drought, insects hail and other disasters.

I have a farm here in Cochran County that has not produced enough crop these last four years to actually pay the taxes assessed against it. Many of you are in similar shape I know.

Now I fail to see the logic or justification in raising the salaries of our elected county officials in Cochran County, when already the salaries and travel expenses have been increased tremendously in these same last four or five years, and are above the average of other counties in the area and most certainly far above what most people here in Cochran County make each month or year.

We are faced with the problem of inadequate school classroom facilities which must be met. That will mean a raise in our taxes and I have failed to see that with prudence and diligence our county taxes can't be held where they are or even can't be reduced.

I think it would behoove some of our elected county officials who are holding high public office and who are directing the affairs and destiny of our future to become taxpayers of Cochran County. Apparently, according to the delinquent tax rolls of the various tax offices here in Cochran County, some of them are not familiar with the pleasure of paying taxes to support our county schools, etc.

Glenn W. Thompson

GUEST OF SON AND FAMILY

Mr. Henry Turney spent last week visiting his son, Charlie Turney and family of Portales, N. Mex.

Dear Mr. Thompson:

I shall try, as briefly as possible, to answer your questions and your charge against the newspaper for not keeping the people informed. But with respect to the salary raise, you'll find my opinions stated in a column entitled, "edlines," and so I will not repeat in this answer.

What has happened to the suit, Magnolia Oil Co. vs. Cochran County? Well sir, the only notation I have seen since the suit was filed in the docket in the Clerk's office, which on Oct. 24th, Judge Lindsey rendered a decision, however, to understand that decision, it is better informed than we are.

We would appreciate a summary from the Commissioners Court as to the net effect of the blow.

We will, inasmuch as space in the paper permits, and time it takes to get the story into the paper, try to keep our readers informed. But if their are adverse things in the making, that county officials feel are better off untold, it will probably be a long time before we find the time to dig deep enough to uncover such facts.

As soon as we know something definite on the Magnolia case we will certainly pass it on.

Report from . . . YOUR COUNTY AGENT

4-H COTTON
Ten 4-H Club members had their cotton measured by the contest measuring committee during the month of October. There are 23 in the contest so 13 plots remain to be measured. Be sure the stakes are kept on the border line indicating the land to be measured by the committee. Some have already begun ginning; so be sure to keep your cotton gin tickets. This

is part of your record. In addition, a regular 4-H record book must be completed. These are available at the County Agent's office if you have not received yours. If there is free cotton seed needed for next year's contest for planting, please contact Homer E. Thompson. It is a little early to compare crops but there is some mighty fine cotton of all varieties, both irrigated and dryland in the 1955 contest.

FARM & HOME DEVELOPMENT
One farm and home demonstrators visit was made October 21 by the two agents, a return visit to the Rex Faulkner family. A physical inventory was taken of the farm, equipment, crop, machinery and irrigation. Plans were developed as to the needs and Rex is contemplating a second irrigation well being developed with complete sprinkler system. All will depend, of course, on credit and planning being carried out, as now conceived.

Water is available the 1956 program can be carried a step closer to the dream of the Faulkners. Connie Faulkner, the wife, and Rex were most congenial and cooperative in working out these plans together with the Extension Service workers. A few of the figures obtained must be projected on the income and out-go columns to measure the potential income and arrive at a sound conclusion for justifying the plans and credit needed. Perhaps a few changes may be necessary, but the Faulkners are ready and eager to make the necessary adjustments to carry out a feasible working plan. On the next visit it is hoped a clear picture of the plans with equipment and land, can be projected into a solid approach to the problems encountered. We expect to work them out with other government agencies in coming to a sound Farm planning demonstration.

HYBRID GRAIN SORGHUM
Four adult demonstrators are growing hybrid seed on one acre of land each for next year's hybrid yield production. The four farmers growing the male sterile heads with pollinator adjoining them are: J. D. Hawthorne, Ray Griffith, Raymond Brown and Bob Mayon. Each planted the seed that produces the male sterile head in 6 foot wide rows and between the 6 rows were 2 rows of seed planted to produce the pollination for the male heads. When the cross is obtained by the pollination the male sterile heads produce the seed for planting in 1956 for hybrid yield production. The seed can be planted only once for high production. If more growers want to plant the two kinds of seed for hybrid cross production next year please contact County Agent Homer E. Thompson for the seed. If seed is available, we expect to get seed for several farmers to produce about one acre each next year. If successful, you can plant the seeds produced on the male sterile heads in 1957 for yield production in 1958. Since seed is scarce, and indications are that they will continue to be scarce for a few years to come, this may be your best chance to get hybrid seed for future planting years.

ATTEND DISTRICT MEETING
Morton FFA chapter supervisor Elwood Harris and Melvin Keuhler local chapter member who is serving as a district officer, attended a district meeting in Levelland Tuesday night.

Are All Cold Remedies Alike?
No! For example, 666 is the wide-activity medicine, which combines 4 of the most effective, widely-prescribed drugs known, to relieve all cold miseries sooner. 666 is more potent and gives positive, dramatic, rapid relief from miseries of all kinds of colds. That's why 666 is unsurpassed in effectiveness. Try it.

No other cold remedy can match 666 liquid or 666 Cold Tablets. **666**

LEGAL NOTICE
 LEGAL NO. 82 THE STATE OF TEXAS
 To any Sheriff or any Constable within the state of Texas—Greeting:
 You are hereby commanded to cause to be published once each week for four consecutive weeks, the first publication to be at least twenty-eight days before the return day thereof, in a newspaper printed in Cochran County, Texas, the accompanying citation, of which the herein below following is a true copy.
 CITATION BY PUBLICATION THE STATE OF TEXAS TO: FERN HART, Defendant, Greeting:
 YOU ARE HEREBY COMMANDED to appear before the honorable District Court of Cochran County at the Courthouse thereof, in Morton, Texas, by filing a written answer at or before 10 a.m. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 5th day of December, A. D. 1955, to Plaintiff's Petition filed in said court, on the 21st day of October, A. D. 1955, in this cause, numbered 1089 on the docket of said court and styled C. B. Hart, Plaintiff, vs. Fern Hart Defendant.
 A brief statement of the nature of this suit is as follows, to-wit: That plaintiff has resided in Cochran County, Texas, for more than six months next preceding the filing of his suit and that he is an actual bona fide inhabitant and resident of the State of Texas, and has been for more than 12 mo. That the plaintiff and defendant were lawfully married on or about July 7, 1950, and lived together as husband and wife until on or about December 10, 1951, since which time they have not lived together as husband and wife. That the defendant's actions and conduct toward plaintiff generally are of such nature as to render their further living together as husband and wife, insupportable. That the parties have no community property. That one child was born of this marriage, to-wit: Carol Sue Hart, who is in the custody of the defendant.
 Plaintiff prays for judgement against the defendant dissolving the marriage relation now existing between the parties, and for general relief.
 As is more fully shown by Plaintiff's Petition on file in his suit.
 If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.
 The officer executing this writ shall promptly serve the same according to requirements of law, & the mandates hereof and make due return as the law directs.
 Issued and given under my hand and the seal of said court at Morton, Texas, this the 22nd day of October, A. D. 1955.
 Attest: Mrs. Lee Taylor, Clerk District Court Cochran County, Texas 34-4tc

Colored School Opens Monday. After Layoff

Morton's colored school will re-open on Monday, November 14 following a three week vacation for cotton harvest. The colored school traditionally are excused during the rush cotton pulling season and the school makes up for lost time by trimming other activities during a week earlier and saying open a week later the spring.

Joins Staff of Lola's Beauty Shop

Mrs. Wanda Gregston has joined the staff of Lola's Beauty Shop at Whiteface, it was announced this week. Mrs. Gregston, with eight years experience, formerly was in Lubbock. At the same time the Beauty Shop announced it will open a gift shop in conjunction with the Beauty Shop, the week of November 14 featuring costume jewelry and gifts for all occasions such as for showers, anniversaries, graduation and for the coming Christmas holidays.

HE SHALL BE SAVED

THAT AND BELIEVETH IS BAPTISED

The above is a diagrammatical picture of the teaching of Jesus in his final instructions to the apostles. Some of his last words before his ascensions were:

"Go ye into all the world, and preach the gospel to every creature. He that believeth and is baptized shall be saved; but he that believeth not shall be damned." (Mark 16:16)

The simple sentence is: He shall be saved. Who shall be saved? "He that believeth and is baptized." The subject of the sentence is "he." The predicate is "shall be saved." "That believeth" and "is baptized" modify "he." "And" is a conjunction giving equal importance to both modifiers.

Question: "Can one be saved without believing?" NO.

Question: Can one be saved without being baptized? Jesus said "NO," but modern sectarian preachers will say, "yes." Which would you stake the salvation of your soul on, by accepting??

Is it not a form of infidelity to see such statements as the one above in the Scriptures, and then, to conclude after reading it: "He that believeth is saved without baptism?"

WELCOME TO OUR SERVICES

If you have a supply of green tomatoes on hand, perhaps you might like this recipe for Chow Chow given to me by Mrs. Rex Faulkner:
1 quart green tomatoes
2 sweet red peppers
2 sweet green peppers
2 large mild onions
1 small head cabbage
1-2 Cup salt
3 cups vinegar
2 and 1-2 cup brown sugar
1 teaspoon dry mustard
1 teaspoon turmeric
2 tablespoons celery seed
Prepare vegetables and grind, adding salt and letting stand overnight. Drain and press out all liquid. Add other ingredients and bring to a boil over full heat, reduce to a simmer and cook for two hours. Stir mixture frequently. Pour into hot sterilized jars and seal. Makes 10 to 12 pints.

Ellie's TAMALES
GOOD! BETTER! BEST!

Laura Beth Cook, Dean Newberry To Wed, Saturday

Laura Beth Cook, daughter of Mr. and Mrs. Bob Cook of Morton and Dean Newberry of Portales will exchange wedding vows Saturday, November 12 in the Lingo Baptist Church. The pastor of the church, Rev. Bynum will officiate. Mrs. Bob Edwin Cook, sister of the bride will serve her sister as Matron of Honor and J. D. Newberry, uncle of the groom will be the best man. Laura Beth is a junior student at Morton High school and Dean graduated last spring from Causey. After a short wedding trip the couple will make their home in Clovis where Dean is employed by McDaniel Floor Covering Co.

Morton Band Will March

Morton's excellent marching band will have an extra opportunity to practice maneuvers next week as they have agreed to give a halftime show at the Bula, Mobeetle District football game. Under the direction of John M. Bealmeier, the band will be making its second guest appearance at a football game this year. Recently they performed at Eastern New Mexico University.

Power? You bet!

The fabulous Thunderbird Y-8

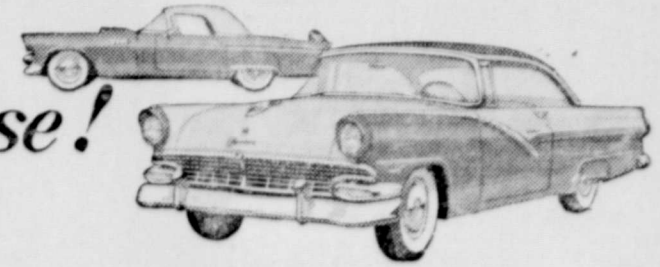

Ford goes like the Thunderbird! With this exciting new "Go" power you can smile at hills, have new confidence in passing. The Thunderbird Y-8 engine can be yours at no extra cost, for it is the standard eight in all Ford Fairlane and Station Wagon models.

Beauty? Of course!

Inspired by the Thunderbird

The new '56 Ford and the fabulous Ford Thunderbird are really look-alikes! You can see the resemblance in every long, low line . . . every graceful contour. And you can expect to be envied no matter where you may drive in your new '56 Ford.

Safety? Only FORD gives you LIFEGUARD DESIGN

Even more important than Ford's Thunderbird looks and go is Ford's new Lifeguard Design. It gives you extra protection in accidents. To cushion you from the steering post, Ford has a deep-center Lifeguard steering wheel. To reduce possibility of doors springing open under impact, Ford has Life-

guard double-grip door latches. To help lessen injuries from impact, Ford offers optional seat belts and Lifeguard cushioning for control panel and sunvisors. A new double-swivel Lifeguard rear view mirror "gives" under impact. Come in! See how safe, how beautiful, how powerful a car in Ford's field can be.

You'll be safer in a

Busy Fingers Meet At Bedwell Home

The Busy Fingers Sewing Club met in the home of Mrs. Henry Bedwell recently. Following the business meeting, members went to see the new Oldsmobiles, Chevrolet and Pontiacs. The visitors got souvenirs from the Chevrolet and Pontiac dealers and Mrs. Hawkins served cookies, cake and coffee. Members present were Mrs. C. B. Markham, Willie Taylor, R. W. Hill, Ralph Merritt, Bula Newton, B. C. Butler, Summie Williams, Erschell Roddy, L. G. Burleson, a visitor, the hostess Mrs. Bedwell & Mrs. Bud Young.

TO WED - Mr. and Mrs. Olie Darland of Morton announce the engagement and approaching marriage of their daughter Dixie to Benny Hall son of Mr. and Mrs. Dan Hall of Enoch.

Vows will be exchanged in the First Baptist Church of Morton, on November 20th at 9 a.m. with Rev. Olie R. binson officiating. All friends of the couple are cordially invited to attend the wedding.

Bedsoe Wins 6 Cage Tilts

The Bedsoe High School boys & girls basketball teams played Pop on Tuesday, November 1st and in both encounters came out with victories. The girls posted a 24 point margin of triumph, 48-24. Patay Bilbrey, post forward paced the girls with 23 points. With Jerry Bryant's 11 points leading the way, Bedsoe's boys racked up a 42-33 triumph. On Friday, November 4th, another double-triumph was posted, this time at the expense of Rogers. A 26 point surge by Patay Bilbrey led the girls to a 56-27 win. Bob Selman swished 18 counters as the boys won, 50-25. Even the Bedsoe Junior High got into the winning act as they handed Three Way a double loss on November 3rd. The girls eked out an 18-15 win with Wajsie Bilbrey accounting for 10 of the points and Jimmy Scooter's 8 point effort was the spark in a 25-9 win for the Jr. High boys.

Test the tremendous GO of the fabulous

Introducing a Big and Vital General Motors "Automotive First"
A new Strato-Flight Hydra-Matic—coupled with Pontiac's 227-h.p. Strato-Streak V-8—results in performance so new and dramatic it must be experienced to be believed.

IT'S THE GREATEST THRILL IN HIGHWAY HISTORY!

If you've come to think of driving as just routine, it's high time you tried the tremendous "go" of this masterful new monarch of the highway. Here's a car with such exhilarating drive—eager oil-smooth response and safe, secure handling—that even monotonous home-to-work driving becomes your finest hour! And out on the open highway, the fabulous '56 Pontiac comes alive with all the eager, heads-up alertness of a thoroughbred. Its blazing 227-h.p. Strato-Streak V-8, coupled with silken smooth Strato-Flight Hydra-Matic, thrives on challenges. The hill you see looming up virtually disappears before your eyes. And at any legal speed, there's such a reserve of power that your engine literally loafs—ready at a touch to spring into the most thrilling, satisfying action that ever shortened a country mile. Of course, this is only a hint of what's awaiting you. The difference in performance—in driving, smoothness, ride and control—is so terrific that it can only be appreciated at the wheel. So come in and take charge of one of these glamorous new beauties yourself. Choose your own test route and sample the greatest "go"—and enjoy the greatest safety ever built into a car. Then you'll know why the word's spreading—"They'll be a long time catching up to this one!"

Joe McCrea, Mari Blanchard

beyond our control, the judge has been busy the only three occasions on which we have been able to get to his office, and he, of his own voluntary free will has made no effort to explain to the people "why the raise?"

The meeting could prove an interesting one if a greater number of people appeared asking for explanations. It could be simply an "open house" intended simply as a gesture of allowing the public to speak but not a meeting at which anything would be accomplished. If such were the case, the old, well worn procedure is to "steer" to what anyone has to say, back them for expressing their sentiments and bid them be on their way with the words, "we'll consider what you've said." What follows is usually a speedy vote to close the issue without any consideration at all.

But these are projections, only "guesses," certainly not in any way statements of what will happen. Since the Court hasn't seen fit to explain any of the whys or wherefores to the people, we can't do anything but project thoughts.

For some reason we haven't been able to make ourselves believe the Court after the tongue-lashing it recently took for "negligence," would throw something like this back at the people as if to say the Grand Jury didn't know what they were talking about.

Surely, if we present them a list of questions aimed at nothing personal, but simply a statement of facts, they should in fairness to the people and out of a sense of duty answer these and let us carry these thoughts to the people before they vote.

We would rather think the Court hasn't even considered the issue yet, but are simply considering a brand new law laid before them, about which they know nothing.

We would rather think they haven't made up their minds yet at all. If so here are the main questions we will ask them next Monday. They will have plenty of time between now and then, to plan any answers they care to give, or to evade the issue by simply charging us with trying to stir up something or other.

First things first. What reason, if there is any at all, is there for raising salaries? Count-balance those with the reasons for actually cutting the salaries, instead of raising them.

Have you considered how untimely it is to raise salaries just after a Grand Jury has said you have been negligent in office? Do people who have been found negligent, usually ask for raises?

And now, if you're going to claim you haven't been negligent, why didn't you speak up two months ago when asked for your statement after the Grand Jury had released its message?

Have you considered how untimely it is to raise salaries just after the District Court in an adverse decision against the county, has divested this county of thousands of dollars of tax money? Remember that open budget hearing that only two of us attended? Remember telling us that you needed every penny on the rolls to pay for the increased expenses? Where are you going to make up the loss on that decision? Let alone the increased burden you'll place by raising salaries?

Please don't embarrass any of us by saying you contemplated the raise in the proposed budget. If you did, you misinformed us when we asked if you contemplated any raises and the Judge, as spokesman said none had been contemplated at all. Obviously you've made no provisions for it in the budget. Where's that money coming from?

Looks like the only out would be to increase taxes. Well sir, we figured that was coming. That had to come anyway, whenever the oil companies woke up to the fact that their property was being assessed at a much higher scale than the local taxpayer.

But we know you haven't forgotten so soon what you told us at the budget hearing. Nor have you forgotten that we took notes on what was said. We asked the questions and were interested in the answers - answers that never appear in the minute book.

Another question that needs explaining, who is to get this pay raise. Some have been told every one in the Courthouse will get a boost. The notice says only elected officials.

We'll have to admit we know a couple who could use a raise. But we also know several officers that need, by their own admission more help rather than higher paid help.

Of course there won't be many at the hearing. We may, in the long run be the only outsider to appear. People just don't like to be singled out as complainers, so they don't attend those meetings. But that doesn't mean they're not interested. . . they'd like to know the law how it happened to be passed, who lobbied for it, and might be astounded as to who actually paid for the lobbying.

Save, we know, we can do nothing about it. Two commissioners have told us they'll oppose it, the others haven't been around to discuss it. However, if it comes to a vote we know who'll have to cast the deciding vote and we know the vote will put his salary for county office and county school office very near the \$11,000 mark. And, if he does break the tie and vote for it, we'll know he has considered the \$9000 per year he already earns, as not enough.

Name Winners In Clarke's Opening

One dress, one suit of Carl Pool work clothes and ten pair of nylon hose were given away Monday during Clarke's Dry Goods formal opening.

Winners were Mrs. J. H. Cartwright of St. Route 2 Morton, the dress, and J. H. Bridges of Morton, the suit.

Being given nylon hose were Mesdames W. E. Rees, T. A. Gresham, C. B. Quales, Connie Hudson, Dorothy Truman, Nelda Rountree, J. L. Layton, C. D. Bryant, and R. E. Knowlton, Morton; and C. E. Bundarant, Baileyboro.

MAIL PACKAGES EARLY POSTMASTER CRONE WARNS

Postmaster Murry Crone this week advised local patrons that its time to get their packages in the mail for Christmas delivery, a long ways off.

You're almost never too early as far as Christmas mailing is concerned. And, by pressing your luck and waiting a little too long you may cause someone to miss the joy of opening the present on Christmas day.
