Only a complete collapse now will keep Bula and Whiteface from winning their District Titles. However, this collapse could come - so our advice to both teams is to not let up until the crown is sure enough in the bag. Both schools have done a fine job - especially Whiteface, still undefeated. We're pulling hard for the Antelopes to go all the way for a state title. As for Morton and Three Way, things haven't been so good. Though, with victories in their last two games Three Way can finish with an even record. And Morton is resting this week prior to starting off on a long winning streak beginning next week against Friona. That'il be the last game of the season for us.
