VOLUME XVI Serving Texas' Last Frontier

MORTON, TEXAS, THURSDAY, JANUARY 31, 1957

Covers Texas' Last Frontier Like the Dust NUMBER 48

James O. Harris Dies; Rites Were Held Saturday

Funeral services were held at the County Activities Building on Saturday, January 26 for James O. Harris, 53, County Superintendent of the Highway Department, who died suddenly early Friday morning after suffering a heart attack.

Harris, who was not known to have had previous heart trouble, had been working on the church building after supper and became ill. Early Friday morning he was rushed to the Cochran County Hospital where he died at 2:00 a.m.

Mr. Harris, a well known civic worker, had come to Morton with his family in January of 1933 and he had been with the Highway Department since 1939. He would have been eligible for retirement in less than two years.

A member of the Church of Christ for many years, he was one of the charter members of the new East Side Church of Christ. He had been active in church work & in the Boy Scout movement in Morton for many years. He was also very active in the I.O.O.F. lodge. He held three degrees in the Odd Fellow lodge; three degrees in the encampment and three degrees in the Canton. He was former Grand Patriarch and had held every post in the local lodge.

He had been Foreman of the Morton District for the past two and one-half years.

In his Boy Scout working capacity he was the Secretary Treasurer of the Morton chapter, and only a day before his death had turned in the annual fund drive report to the Tribune.

He was local chairman of the Lubbock Christian College, and he worked with another local East Side Church of Christ member on the project. Again, only last week a report on the progress of the new college was turned in and it appears in this week's Tribune.

He was appointed by the Grand Master of the Odd Fellows Lodge of the State of Texas as Program Director for 1956 and 1957.

He was first above everything, a church worker. At the time of his passing he was song director of the East Side Church of Christ.

He was also the chairman of the Building Committee of the Church of Christ, the project on which he was working when he was stricken.

Services were held at 2:30 p.m. and prior to that time, from 10 a.m. Saturday morning the body had lain in the East Side Church of Christ.

Bro. R. L. Allen and Bro. Grover C. Ross of Portales conducted the services. Bro. Allen was a former pastor of the local First Church of Christ.

Survivors include the wife, Lola; three sons, Howard and Elmer of Lubbock; Truman of the home; a daughter, Mrs. Ramona Bright of Loveland; his father and mother, Mr. and Mrs. Walter Harris of Dallas; one sister, Mrs. Leon Corner of Ball and a brother, Rev. J. A. Andrews. He was also survived by 8 grandchildren.

He had only a couple of weeks ago been named district vice-president of the Texas Public Employees Association, a group comprising a twenty county area.

Funeral services were held at the home of Mrs. Harris on Saturday, Jan. 26. Burial was in the Morton Memorial Cemetery.

The district Highway Department men, with whom Harris had been working for the past 18 years, served as honorary pallbearers & a large group of them attended the final rites.

Champion Better Government Bills

Rep. John Lee of Kermit and Sen. Preston Smith of Lubbock, left to right above, were among the first of many Texas legislators to introduce one of the "Better Government" Bills sponsored by the Texas Press Association. TPA has prepared 15 Bills for legislative action. Each bill is designed to correct evils that exist in present Texas laws. "Had the TPA bills been in effect there would have been no veterans land or Duval County scandals," said Senator Smith. "Loopholes in present laws have made possible the scandalous events of the past few years, wherein public monies have been misappropriated," stated Representative Lee. The two Legislators are urging the public to back them in their determination to effect passage of the TPA Legislation. Lee's bill is HB-38. Smith's bill is SB-55. Both bills are known as The Mandatory Publication Act. They do not create any new publication requirements. But they do call for removal from office of any public official who refuses to publish financial reports called for under existing laws

MOTHERS MARCH ON POLIO WILL GET UNDERWAY AT 7:00 TONIGHT

Tonight at 7 p.m. one of the biggest projects of the annual March of Dimes campaign, the Mother's March on Polio will carry the drive into the homes for approximately one hour.

Led by the chairman Mrs. Bob Cook, some 18 to 20 mothers divided into groups, will attempt to cover the residential section of town in one hour.

Residents are asked to turn on a porch light if they will give a donation, and also to please "open up the dogs" according to Mrs. Cook, "so we timid souls will be able to complete our mission."

Immediately after the March the mothers will meet at Joe's Place to make out their report. They hope to collect at least \$300 for the drive.

Choral Boosters Sponsor ENMU Glee Club Program

The Morton Choral Boosters are selling tickets this week to the Monday appearance of the Easton New Mexico Men's Glee Club, at the County Auditorium.

The ENMU group agreed to the special concert, opening their annual tour of area schools, in order to help the local choir group raise funds to send the choir to Austin for an appearance before the Texas State Legislature. The date of the choir's appearance in Austin has not yet been announced.

Tickets for the concert by the famous musical aggregation will sell for \$1 for adults and 50c for children.

New Licenses On Sale Friday

The sale of 1957 auto license plates begins tomorrow, Friday, February 1st at the office of Assessor-Collector in the Courthouse.

The new plates will begin in the 7000's, according to Mrs. Demey, precluding the possibility that anyone could get his telephone number in the Morton exchange.

Mrs. Demey said, Monday, if anyone requests the holding of a certain number, they must present the title, and post a deposit for the car tags to be reserved and they will then be notified when the office is ready to open the package with their number in it.

863 POLL TAXES PAID; THE DEADLINE IS TODAY

Approximately 863 poll taxes had been paid in Cochran County by Wednesday evening according to the Cochran County Assessor-Collector's office.

Urging as many people as possible, and eligible, to be at the office today, the final day for payment of Poll Taxes. She estimated a good day's sale could possibly bring the final total of paid poll taxes to 1,000 but at least 125 or more must be sold today in Morton and Whiteface to reach that total.

You can help write history — and also help to determine your own living conditions — if you remember to pay your poll tax TODAY.

If you do, it is entirely possible that your vote alone could change the course of history. It has happened before. More than a century ago, one vote sent a certain man to the Indiana State Legislature. A vote cast by this legislator sent Edward A. Hannegan to the United States Senate. And the vote cast by Senator Hannegan was the margin by which Texas was admitted to the Union.

One vote was also the margin by which an Indiana Congressman was elected. . . and a single vote, cast by that same Congressman in 1876 made Rutherford B. Hayes President of the United States.

Texas has had many close elections — some so close that a mere handful of votes determined the outcome. So remember: pay that poll tax today. Tomorrow (Friday) will be too late. Texas needs your vote. As a citizen of a free country it's not only your right, but your solemn duty to vote in every election.

Funeral services will be held this morning (Thursday) at 10 o'clock at Carlsbad, New Mexico, for 50 year old Crede Watkins, who died at the Cochran County Hospital Tuesday morning after an illness of 25 years.

Anton Girl Was Talent Winner

Ten contestants were entered in the talent division of the show and the winner was Joyce Rykin of Anton, entered by her local FFA, who sang, "True Love."

Second place went to a local boy's quartet composed of Clayton Flanagan, Davy Mitchell, Perry Don Senney and Johnny Stockdale. They sang "Tell Me Why."

Third place winner was Gary Middleton, entered by the Sonmore class playing the "Poor People of Paris" on the steel guitar. He was accompanied by his father, Jim Middleton.

Winners received \$10, \$7.50 and \$5 for the efforts. An Anton pianist, a Whiteface girl soloist were other out of town entries.

Part of the proceeds of the annual affair were to go to the March of Dimes.

Rodeo Group Has Elected A President

The organization of the 1957 Rodeo Association has been announced this week by Roy Gentry who is the reporter for the group.

Herb Hillman, Director representing the Sheriff Posse has been elected President of the group and his wife, Dade Hillman has been named secretary. She is a director at Large.

Other directors on the Association Board are Joe Seagler, representing the Jaycees, Don Hoffman, representing the Roving Club and Gentry, the Lions' Club representative.

The 1957 "Texas Last Frontier Rodeo" will be held on Aug. 2nd and 3rd.

Speed Limits Will Be Lowered On Lubbock Highway

Word has come from the Sheriff's office that the official speed limit on the road between Morton and Whiteface — that is on the State Highway — will be cut to 40 miles per hour when construction gets underway soon.

3-Way Junior Play Is Tonight

Tonight is the night at the Three Way Auditorium that the Three Way Junior Class will present the stage production entitled "Date With Me."

The public is cordially invited to attend the play directed by Mrs. Doney class sponsor. Proceeds from the show go to the Junior - Senior Class Funds.

Crede Watkins Rites Set Today At Carlsbad, N. M.

Funeral services will be held this morning (Thursday) at 10 o'clock at Carlsbad, New Mexico, for 50 year old Crede Watkins, who died at the Cochran County Hospital Tuesday morning after an illness of 25 years.

First Come, First Served, On Newest Farm Program

Apparently applications will be taken on a first come first served basis when the Great Plains Soil Conservation Program goes into effect.

That was the word this week from Fred Collins, work unit conservationist for Cochran County.

Incidentally, Collins is ready now to go over plans with any farmer interested.

It is a program whereby soil conservation objectives can be realized, it is believed.

The plans call for paying the farmer 80 percent of the total cost of applying any given soil conservation practice.

The big hitch, apparently, will be that under the present setup the government can invest only \$25 million in any one year — so no doubt it will be first come, first served.

The program will be administered locally by the SCS office — it is separate and apart from all other farm programs.

It can't be doubled up with the soil bank, but can be operated in conjunction with ASC, FFA, and all other farm programs.

No one contract can run for more than ten years, apparently no minimum time has been set up.

And, should the producer violate terms of the contract, his contract becomes void and he is to forfeit all further payments or grants under the contract and refund to the United States, all payments or grants received thereunder.

Payments will be made for practices needed on the farm — this will apply to concrete and steel pipe, fertilizers, terraces, grasses, etc.

The program is to go into operation July 1, but as Collins said this week, now is the time to apply.

Observers believe the program to be one of the best to fight loss of productive soil.

JAYCEES MOD BREAKFAST FRI.; BENEFIT BASKETBALL GAME TOO

The Morton Jaycees put the finishing touches on two projects to be held here Friday for the March of Dimes.

At their meeting Monday, the group set 5 a.m. as the time members are expected to gather at the Community Building Friday morning to begin peeling potatoes and getting ready for the serving of a breakfast for the March of Dimes.

The Jaycees have tickets to the breakfast at \$1.00 each available. Eggs, potatoes, toast, bacon and coffee will be the menu, and the eggs will be cooked as the person arrives to assure a good, warm meal.

But that won't end the Jaycees' March of Dimes activities. They will put the cooking utensils away at 9 a.m. but will gather at the High School gym on Friday night at 7:30 p.m. to warm up for the benefit basketball game with the Three Way Sandhill Cranes. The collection for the game will be taken up at the gate, no tickets sold in advance.

The general public is invited to attend both events and are assured their money's worth for a good cause.

Bessie Jackson Dies Here Tues.

Funeral services are to be held at Thorton, Texas Sunday, February 3rd, at 1 o'clock, for Mrs. Bessie Jackson, 47, of Morton who died at 1:45 p.m. Tuesday at the Cochran County Hospital.

Mrs. Jackson, a resident of Morton about 14 years, was born at Hempstead, Texas. She was the proprietor of a cafe in the "flat" section of town and had worked for several Morton ladies during her stay in Morton.

Bessie had been ill for most of the past year.

Burial will be at Thorton, Tex. Survivors include the husband, Charlie, two step-daughters, Mrs. Jessie Mae Campbell, and Mrs. Hazel Brooks of Dallas, and a number of nieces and nephews.

Ethridge Rites At Ropesville

Funeral services were held at the Nazarene Church in Ropesville, at 2 p.m. Friday, January 25, for Henry Wiley Ethridge, 50, a relative of several Mortonites and former Mortonites.

Mr. Ethridge was the nephew of Ed Lytle of Morton and was also a distant relation of Mrs. E. H. Irwin, and Maurice Lytle of Morton, Mrs. Thurl Lemons of Baileyboro, and Mrs. Donald Brown of Bladestown.

Ethridge, 50, a veteran of World War II, had been ill for several years. He died at his home, Wednesday, at a reunion of a heart attack. Results of an autopsy made on Friday morning did not reach the Tribune.

Rev. Dan Jones, pastor of the Ropesville Nazarene Church conducted the services. Burial was in the Ropesville Cemetery under the direction of Rix Funeral Home of Lubbock.

Survivors included the wife, one daughter, Lynell, 54, three sisters, Mrs. A. C. Tapp, Grand Prairie; Mrs. Irene Rhodes, Balldown; Callie; and Mrs. C. C. Best of Amarillo; and two brothers, L. E. Ethridge and H. C. Ethridge, of Dallas.

Mr. Ethridge had lived in Ropesville for about four years, and formerly lived in Lubbock.

Lehman Break-in May Be Solved

Cochran County Sheriff Hazel Hancock, Wednesday evening said at least one of the recent county break-ins, the burglary at B and B Grain Elevator in Lehman about three weeks ago, now appears to be practically solved.

Hancock has in custody six persons, five of them he will book on the burglary charges, he said late Wednesday.

Details on this break-in and the chase to pick-up the men will be fully explained in the Dollar Day paper this weekend.

To-Wan-Ka's Get \$95 For Polio Drive

The To-Wan-Ka Camp Fire girls took in a total of \$95 at their March of Dimes booths on Saturday, January 19, making them second highest among the Camp Fire girl donations this year.

Girls working and assisted by their leader Mrs. E. C. Roddy, were: Jan Hawthorne, Betty Lou Ledbetter, Linda Kev, Kay St. Clair, Mary Beth Wilson, Carolyn Houston, Darlene Roddy, Miki Hefflin, Rita Beldridge, Carolyn Kover, Barbara Akin, Lauretta McCauston and Christene Howell.

Bula Sponsoring Game Nite - Tonight

Cake, sandwiches and coffee will be served tonight (Thursday) in the Bula lunchroom to benefit the March of Dimes.

Mrs. F. L. Simmons, Community MOD chairman, heads the project. She is assisted by the Bula student Council.

The program begins at 8 o'clock and admittance is \$1.00 for adults. Persons whose names begin with the letters A through G are asked to bring cakes. H through J, pies; and K through Z sandwiches.

Forty-two and other games will be played. An auction of cakes, pies etc. will be held during the evening.

BAILEY COUNTY ELECTRIC COOPERATIVE; FIVE AREA TELEPHONE COOPERATIVE HELD MEETINGS AT MULESHOE; NEW DIRECTORS ARE ELECTED; FINANCIAL CONDITIONS ARE REPORTED

A sizable crowd gathered in Muleshoe on Friday, January 18 to attend either one or both of two cooperative meetings.

The occasion was the annual membership meeting of the Bailey County Electric Cooperative, first on the agenda Friday afternoon, & the annual meeting of the Five Area Telephone Cooperative as a second meeting on the agenda.

The Muleshoe High School Auditorium was the scene of the two separate meetings.

A near full house was on hand to hear Secretary - Treasurer Glenn W. Thompson reveal in his report, a net margin for the year of \$145,763.78.

The general business report of a year of activities made public the following things. The membership grew from 2357 to 2599; the revenue increased from \$769,000 to \$819,253. The line serving members increased from 1,783 to 1,817 and the members average bills went from \$18.29 to \$18.78 due to increased use of electricity.

Joe Sooter, president of the Cooperative, presided over the meeting which saw two directors elected by the membership: one a reelection, Ray Axell of Springlake, district 3; and Roy Young of Bala, district 6, had expired terms of office. Thurl Branscum was added as a candidate from district 3 and D. C. Snitker's name was added to the list as a candidate in district 6. Young was re-elected and Branscum replaced Axell. Sooter was re-

lected president; R. L. Kimbrough was re-elected vice-president and Glenn Thompson was re-elected secretary treasurer.

Nominating committee for the 1958 meeting at which time directors for District 1 and 2 will be nominated; posts now held by Sooter and Kimbrough; were chosen and include W. E. Myers, Ross Goodwin, Robert Blackwood and Lloyd Stevens. In a general business discussion, the members voted to approve four objectives for the cooperative:

1. Repay long term debt according to or ahead of schedule.
2. Maintain a good credit rating.
3. Inform each patron of the amount of patronage capital provided by him.
4. Pay patronage capital to the estate of deceased members upon application.

Bob Craig, farm specialist from A & M College, gave a demonstration on the misuses of electricity.

Door prizes were handed out to lucky members.

The biggest news in the Telephone Cooperative meeting was the fact that it did \$45,000 worth of business since its formation in April and showed a net loss of \$2,970.05.

Seven directors were elected by members of the cooperative, C. E. Roark was re-elected from district 1; O. M. Jennings was named from district 2; Jarvis Angley was re-

Monday is Dollar Day in Morton

Monday, February 4, is Dollar Day in Morton. The public is cordially invited to attend the play directed by Mrs. Doney class sponsor. Proceeds from the show go to the Junior - Senior Class Funds.

New Ford Trucks Go on Display Fri.

The all new Ford Ranchero will go on display Friday, Feb. 1, at the local authorized Ford dealer, Mahan Motor company, Morton.

It was the first annual meeting of the cooperative, and directors, in order to set the term of office pattern will draw lots at their organizational meeting Monday, Feb. 4, to see who holds the one, two and three year terms.

The cooperative showed a very good record for the short time it has been in existence. Jarvis Angley read the financial statement, and Walter Damon, acting president, presided over the meeting.

Door prizes were also awarded to lucky members at this meeting.

With your . . . H. D. Agent

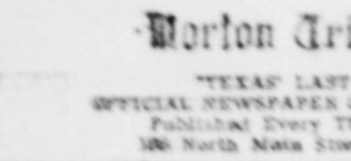

B. LULA PETTY
TRAINING MEETINGS
A training meeting for secretaries and resisters in Home Demonstration Clubs was held in the H. D. Agent's office at 7:15 Friday.

Fixed leaders in Home Demonstration Clubs attended a training meeting in the Activities Building on Monday afternoon, Jan. 28, at 7:15 p.m. The leaders will give a demonstration in their local clubs in February.

COMMITTEE MEETING
The Education, Expansion Committee of the County Home Demonstration Council met Monday afternoon to decide on recommendations to present to Council members on February 12. The Committee is made up of a Chairman and a member from each Commissioner's Precinct.

Attending Monday's meeting were:

EGGS ARE GOOD BUY
Eggs are plentiful in January & these will be eggs and have eggs in February. So give the family a treat and cook those good egg dishes that you have been putting off cooking—like sponge cakes, meringue pies and souffles.
Try this quickie lunch dish while eggs are plentiful.
Mix 8 slightly beaten eggs with 1 can of cream of celery soup undiluted. Add 2 tablespoons of butter in a saucepan and put in the mixture. Cook over low heat. Stir occasionally with a fork until set but moist. Season with 1-4 teaspoon salt. Serve with crisp bacon.
Eggs contain high quality protein and valuable minerals and vitamins needed every day for good health. Make the most of eggs while they are plentiful.

re Mrs. Raymond Benham, Chairman; Mrs. John King, from Precinct 2; and Mrs. Lon Harrison of Precinct 3. Other members are Mrs. C. C. Benham, Precinct 1, and Mrs. B. H. Kelley, Precinct 4.

Although it is a little late to be exactly in time with this tip, it still holds true that this time of the year is an excellent time to take stock of your supply of sheets, towels and other household linens. January is not only an excellent time to restock linens but also an excellent time to buy for future gifts. Many department stores annually offer excellent values and the January White Sales have become an annual custom with many homemakers. For best values, read ads, then read labels, then read prices at the stores and compare offerings.

WASHINGTON AND "SMALL BUSINESS" BY E. WIGSON HARDER

There is every indication that the new Congress will be somewhat different than those of past few years. The outcry by Rep. Alvin O'Kronski (Rep., Wis.) against bringing Communist Title to U. S. for visit was just one indication that at the grass roots level the American conscience is on the march.

Now, monopoly business has received all governmental favors it can expect. Monopoly business has been well paid by government for past favors.

This Week in AUSTIN by Senator Preston Smith

The first hint of agreement between Gov. Price Daniel and House Speaker Carr came out in the open when the Governor made public his list of first problems to be faced by the 55th Legislature.

Like Carr, the Governor pointedly avoided the question of integration in Texas Schools.

Carr had suggested earlier that integration be postponed until the latter part of the term, because of the amount of discussion which would undoubtedly become a part of any action concerning integration.

While the integration problem has been prominently excluded from much public comment by men and women of the 55th Legislature, there's little doubt in any one's mind here that segregation problems are going to be discussed with plenty of feeling, fireworks and friction.

Meanwhile, regular business goes on within the Capitol. Appropriations, taxes and financial matters dominate the chambers, and non-essentials are being set up.

Legal No. 111 NOTICE OF SALE OF STATE LAND

Subdivided lands covering the sale of land located at the office of Mr. S. C. McCarty, District Engineer, Lubbock, Texas, until 2 p.m. March 1, 1957, and then publicly opened and read.

The property consists of approximately 27.78 acres of land with a frontage of 175.28 feet on State Highway 118 and 182.3 feet on East 5th Street, having a depth of 125.8 feet on the West side and 182.3 feet on the East side, in the City of Morton, Texas. It is a part of Block 86 located on Labor 7, Section 102 of the Jeff Davis County School Land.

Each bid shall be accompanied by a Certified or Cashier's Check on a State or National Bank of the State of Texas in the amount of \$200.00 made payable without recourse to the order of the State Highway Commission of Texas, as a guarantee that the bidder, if successful, will consummate the purchase.

The right is reserved to reject any or all bids and to waive all technicalities. When submitted by mail, the bids shall be addressed to Mr. S. C. McCarty, P. O. Box 111, Lubbock, Texas, and the envelope marked "BID ON SALE OF STATE LAND" with the date and hour of bid opening shown.

Bid terms and additional information may be obtained from William M. Freed, Acting Maintenance Foreman, located at the Maintenance Warehouse on State Highway 118. Certified or Cashier's Check of the highest bidder may be retained until after the purchase is consummated. Checks of all except the highest bidder will be returned within forty-eight hours after opening bids.

Lions To Use Show Intermission For Charity Sale
The Morton Lions club will be conducting a sale of new and used clothing and accessories during the intermission of the Stamps Quartet Concert to be held here on Friday, February 8, at the County Auditorium.

The club used to use the intermission period for charity purposes but had not announced yet what would be sold. The program is under the sponsorship of the Northern Star Seed Farms of O'Brien, and C. E. Light, local Northern Star representative, announced the program featuring the famous stamping appropriation, admission to the concert is free.

The program will get underway at 7:15 p.m. and will also include a short film.

There is no doubt in minds of many Congressmen that the future lies in keeping open freedom for private enterprise.

Yet for at least 20 years governmental action has encouraged monopoly growth.

Provisions of tax laws, handling of credit, awarding of government contracts, Washington's obsession with internationalism, have all had effect of stacking deck against free enterprise.

As matter of fact, monopoly business has even had special tax considerations.

There have been able to build new facilities through a provision providing for rapid amortization of these facilities.

Thus both parties are committed to do something about the pervasiveness of American independent business. The problem has been recognized. In many respects the problems have been defined. All that is needed now is action.

DeWayne D. Burke Mrs. Boydston Is Hostess for Busy Fingers Club

Mrs. Boydston was hostess to the Busy Fingers Sewing Club in her home in Lubbock, Thursday, Jan. 31st.

Dinner was served at noon to six members who attended.

The afternoon was spent making sofa pillow tops. AE reported a wonderful day.

The next meeting will be with Mrs. L. W. Barrett on Thursday, February 7th.

VISITS IN AMARILLO
Mrs. Tom Yarbrough was in Amarillo last week attending a World Bank Encyclopedias training class. While there she visited her brother, V. N. Motterson.

Cranes Riding Tough Luck In TAAF Loop

The Three Way Cranes were in the mood to believe this week that the fates are working against them—but they were at a loss to explain why. To support their theory, you first have to go back to the beginning of the TAAF season as the Three Way team surveyed the situation and felt they were doing alright. They had beaten Muleshoe three times and felt that was one team in the league they could surely handle. Then they thought they had a strong enough team to whip the Armstrong implements of Hart. As to Dimmitt, reportedly the strongest team, they didn't know—but with the other two teams scalps on their belts they felt a break or two in their favor could equalize the Dimmitt game and perhaps could give them a victory.

Their figuring turned out to be just about right except for a few unusual circumstances. The night they met Muleshoe in their first "TAAF" game, two of their regular boys were out because of death in their family. The result, Muleshoe upset Three Way.

They had taken this unfortunate circumstance in stride and were ready to step for times when they met Hart. With a 15 point lead, midway in the third quarter, Don Lamar decided to let the subs get in some playing time. Before he could get the regulars back in, the Hart team had out the margin to five points. Then the regulars were unable to stem a hot shooting streak and a game they had in the bag slipped away.

Then, on Monday of this week, came Dimmitt, the team they figured would be the toughest, and with just a break they thought the Three Way team might come out on top. Dimmitt had already embarrassed the Muleshoe and Hart teams.

Three Way played them a real rugged game. With their full team in tact, Three Way trailed only by 10 to 48 at the half and waited patiently for the break that never came. Final score, Three Way 51, Dimmitt 93.

So a real road Three Way team, one that certainly should be classed at least second best in their TAAF league, rides the cellar of the league.

They'll be in Morton Friday night to play the Morton Jaycees in a March of Dimes benefit game.

WHITEFACE SUPT. URGES COLLEGIATE TO CONSIDER TEACHING PROFESSION

Supt. Nathan Tubb of the Whiteface School District today urged college graduates in this area to give serious consideration to opportunities available to them in the teaching profession.

Supt. Tubb explained that the need for more teachers is especially critical in some areas of the State and that more than 2,000 persons have had to be assigned to teaching positions this year on the basis of emergency teaching permits.

"I especially want to call your attention to the state side teacher education courses now being presented over television," Supt. Tubb said. "A person with a college degree can enroll in the Let's Teach television series and begin his preparation for teaching. Even a teaching vacancy may be available to you at the moment credit for the Let's Teach series will be valid from one to three years in any school district as long as you have made the minimum fully qualified teacher's requirements."

The state-wide Teacher Education program is sponsored by the Education Annex through the operation of local school and state officials, with the assistance of a grant from the Fund for the Advancement of Education (Fund Foundation).

Any person desiring complete information about the Let's Teach program should contact the county superintendent or address: Teach, Texas Education Agency, Austin, Texas.

Eighteen On H. S. 'A' Honor Roll At Whiteface
Eighteen Whiteface High School students have been placed on the 3rd Six Weeks Honor Roll. It was announced this week by Edwin D. Stokes, Principal.

In the group, the Junior Class was the most heavily represented with eight who made top grades. Only one Sophomore, four seniors and five freshmen were included on the select list.

Seniors with top grades were Darlene Cable, Rita Garrett, Billy Frank Hamm and Margaret Henderson.

Juniors honored were Janie Coffey, James Groen, Carylon Johnson, Kenneth Welch, Gloria Medley, Florene Baldwin, Charles Newton and Patricia Powell.

Sophomores, Jimmy Little, Freshmen on the list, Barbara Dickson, Daniel Galvin, Nita Moore, Anna Pond and Nathan Moore.

Met Thursday With Mrs. R. Tarver, Jr.

The Y. M. J. Study Club met in the home of Mrs. Roy Tarver, Jr. Thursday night, January 24.

Each member invited a teen-age girl. Mrs. Lottie Russell presented a very interesting program on "Our Father's Chosenness" and on "A Christian Home."

Those attending were: Betty Sullivan, Nancy Deavers, Glenda Cole, Susie Hawkins, Delores Stephenson, Mary Ledbetter, Kay Doss, Ray Ann Ross, Sara Jo Walker, Marvin Cox, Care Ann McElrath, Judy McCauston, La Juan Wesson, Patie Subert, and the following members: Maudine Billy Gandy, Jerry Winder, Freddie Saunders, Leola Russell, Steve Monroe, Bill Bridge, Joe Curdell, Buddy Hanna, Jack Loran, Kenneth Watts, Bob Mayson, Don Huffman, W. B. Merritt, Jug Hill and Roy Tarver, Jr.

Matching the Wheel to the Job

New front wheel arrangements for Ford new crop tractors permit the farmer to match the tractor to his needs. In addition to a standard front wheel tractor, the new Ford wheel options have been designed by Ford Motor Company's Tractor and Implement Division, and are available for all Ford new crop tractors.

As you see, the tractor with the standard front wheel arrangement will allow a farmer to select a tractor with a wheel arrangement that will give him the most efficient tractor for his needs.

Security Office explain the social security program. Many questions were asked by the farmers and a lot of important information was given.

Last Thursday, in the auditorium Mr. Nichols of the Income Tax di-

vision office in Lubbock discussed internal revenues as they affect the farmer. Tax planning, business transaction tips, tax deduction allowances, tax management, net operating losses, sales of machinery and purchases of machinery & how they affect taxes, and many other important topics were discussed. It was considered a very beneficial in the light of the fact that it lasted two hours and the major portion of that time was spent in answering specific tax questions of to fifty or more farmers who attended.

***LOSE A POUND A DAY... FOR 14 DAYS WITHOUT SUFFERING HUNGER PANGS OR LOSS OF ENERGY!**

There are really only two basic reasons for reducing weight - we need to reduce because overweight is dangerous or there is a desire to reduce so that we may look better, feel better, be more fit.

However, to reduce we must eat less (fewer calories) and when we do eat less we may feel the uncomfortable, almost painful pangs of hunger. We may also become nervous and irritable because of the lack of sufficient vitamins and minerals in a restricted diet. Now, with Kessamin Tablets, Formula #14, and the Kessamin Reducing Plan this can never happen!

SEE WHAT THE KESSAMIN REDUCING PLAN OFFERS!

1. A reducing diet (The Kessamin Booklet) prepared by a physician and a dietitian to give you the best possible diet.
2. Vitamins to prevent deficiencies which cause nervousness, irritability and that tired, worn-out feeling. Also supplemental minerals and iron to help prevent nutritional anemia.
3. Vitamins plus the bulk, Carboxy Methylcellulose, help normal intestinal elimination.
4. The "hunger control factor" Carboxy Methylcellulose, to reduce hunger if taken according to directions.

See your druggist. The complete Kessamin Reducing Plan is in every package of Kessamin Tablets, Formula #14.

THE KESSAMIN REDUCING PLAN IS GUARANTEED TO TAKE OFF A POUND A DAY FOR 14 DAYS OR YOUR MONEY BACK! TRY IT!

4-H CLUB MEETINGS

Five 4-H Club meetings were held this past month by the County Agent. There were 190 Club boys present. The meetings were on safety, "Shooting Safety," and "Safety - Our No. 1 Crop."

The 5th and 6th grade 4-H Club of Morton held a winter roast at the County Park on January 17. There were three adults and 25 boys attending. Even though the weather was extremely cold, the boys played games to keep warm. The boys brought wieners, bread, pickles, mustard and coat hangers which were used to roast the wieners on. A good time was had by all.

COTTON CONTEST

There are several 4-H Club cotton record books and gin tickets completed and turned into the County Agent's office. Others are urged to send in these records now, as the deadline is here.

OUTLOOK FOR FEED MEAT ANIMALS - RECORDED CORN

The corn supply for the present marketing year, October 1, 1956, to September 30, 1957, is 7 per cent larger than last year and is 18 per cent above the 1950 - 54 average. This supply includes a record carryover and the second largest crop in history on the smallest number of acres in over 60 years.

The corn crop was above average in all regions except the drought areas of the Western Corn Belt and the Southwest, Texas included.

The total supply of corn is adequate to meet all prospective requirements in 1956 - 57 and leave a substantially larger carryover into 1957 - 58.

GRAIN SORGHUM

The 1956 - 57 sorghum grain supply is 21 per cent below the record supply last year. Record sorghum crops were carried over on October 1, 1956, however production in 1956 was down sharply because acreage harvested was down 11 per cent and average yields were 20 per cent below average.

The quantity of sorghum grain fed to livestock may be reduced materially this year as a result of smaller production and higher prices. Exports are expected to con-

PASSENGER CAR STYLING comes to the trucking business in Ford's 1957 Style-side Pickup. It typifies revolutionary changes in new Ford trucks which Ford dealers display February 1. Full-width styling has more than just "eye appeal." It widens the truck's load area by 20 inches, and adds 25 percent more load capacity than old-style models offer. This pickup is one of nearly 300 models in the 1957 Ford line which ranges upward to huge extra heavy duty models.

FEED GRAIN PRICES SHOULD AVERAGE HIGHER, THEN ?

Feed grain prices generally are expected to average a little higher this winter and into next spring, over the same period of 1955 - 56.

Prices of oats and sorghum grain are expected to continue higher relative to corn than in 1955 - 56 as a result of smaller production of these grains and the increase in corn production.

The price of corn and other feed grains may be lower late next spring and in the summer compared with 1955 - 56 although much will depend on prospects for the 1957 crops and our Government's policy on the disposal of surplus grains.

OATS, BARLEY, GRAIN SUPPLIES TO BE ANNOUNCED

The Secretary of Agriculture will probably announce the 1957 price supports for the above feed crops before the 1957 harvest begins.

The supports on the 1956 crops will be available through January 31, 1957, and will mature April 30, 1957 for oats and barley, and on March 31, for sorghum grain.

OUTLOOK FOR BEEF CATTLE

The supply picture - Little change in cattle numbers is likely on the totals released January 1, of this year because:

1. The cow herd is nearly stable.
2. The number of young stock on farms will remain very large.

With this inventory, cattle and calf slaughter in 1957 may be as large as in 1956. Slaughter in 1957 will include as many or more fed cattle.

Factors that will affect cattle numbers in 1957 will include:

1. Prices at the present time are neither high enough to be encouraging or low enough to force great liquidation.
2. The financial position of producers is still strong, but this is deteriorating in some areas. The southwest and some other areas are critically dry, but the rest of the nation has had a favorable season.
3. While cattle numbers are being reduced in the driest areas they are being increased about as much in other regions.
4. Another year of dry weather would turn cattle numbers down - the longer it lasts, the faster cattle must be sold.
5. If the 1956 drought areas should have good rains in 1957, demand for replacement stocker cattle would spur a new increase in cattle numbers and help prices.

Numbers are at a point of balance poised to swing either way.

PRICES IN 1957 MAY AVERAGE ABOUT LIKE THOSE OF 1956

Because of the prospective supplies, there seems to be little hope of a major recovery in cattle prices in 1957. If economic activity continues strong, prices should stay above the lows of early 1956.

THE OUTLOOK FOR HOGS

The supply picture - The slaughter of hogs will be considerably smaller during the most of 1957 than in 1956. This should help prices, especially during the first half of the year.

Until August, 1957, hogs will be slaughtered from the pig crops of 1956. The 1956 spring crop was reduced 8 - per cent below that of 1955, and the fall crop was 4 per cent lower than the preceding year.

However, prospects point to a 1957 spring pig crop, almost, but probably not as large as that of 1956. This prospect is in view because since the beginning of the corn harvest the corn price has slipped considerably and the confidence of many producers has been increased regarding possible profits in hogs for 1957. It looks like the 1957 spring pig crop will be only about 2 per cent below that of 1956.

If the 1957 spring pig crop does climb back to those of 1956, slaughter late in 1957 will increase likewise. However, the years' total slaughter may be around 5 per cent below 1956.

HOG PRICES TO BE HIGHER

Prices of hogs will be higher in 1957 than in 1956. As slaughter this winter drops below last winter, prices should advance and should be much above the depressed prices of early 1956. Higher prices should continue, except for seasonal fluctuations, during most of 1957.

WHEAT AND SMALL GRAINS NEED NITROGEN!

For the nitrogen your crops need, apply Phillips 66 Ammonium Nitrate. The nitrogen and other plant foods removed by last year's crops must be replenished to maintain higher yields and profits per acre. Wheat and other small grains respond quickly to nitrogen to help stimulate early growth... produce and support bigger heads per plant and more plants per acre.

For fall-seeded small grains, apply nitrogen this spring before plants reach the jointing stage. For spring-seeded small grains, apply nitrogen before seeding or as a top dressing early in the season.

ORDER YOUR PHILLIPS 66 AMMONIUM NITRATE TODAY!

Indians Win Fifth Straight in Conference

Paced by Ed Gattis' 18 points, the Morton Indians outplayed and outshot Springlake's Wolves Tuesday night hammering out an overwhelming 61-32 victory in their 5th straight District 3-A Conference win without a loss.

The Morton girls did their bit by coasting to an easy 60 to 41 conference win in a game that saw Coach Travis see just about everyone on the bench as much as he used his regulars.

In both Thursday games Morton assumed a commanding lead early and was hardly pressed. The girls moved to front 22 to 9 in the first quarter and then relaxed for a 22-22 halftime margin. At that stop Bernice Fletcher had 17 points and Dolores Stephenson had 14. Beulah started the second half and shot

more than a quarter before Dolores got back in the game for the final few minutes, consequently Bernice wound up with the high point honors, scoring 28 points in a field goals and 10 free throws. Dolores wound up with 28. For the losing Springlake girls Rutherford had 25, Morton led 47 to 30 at the end of three quarters. The win left the Morton girls with a 3-2 conference mark.

Beautiful scoring division was a key factor in the Morton boys win, but their fine shooting coupled with Springlake's tremendous rebounding told most of the story. Morton scored 6 field goals in the first period, 7 in the second, five in the third and finished with a two pointers in the final canto for a steady scoring pace and a final shooting average of 36 with 27 breakers in 74 shots. Springlake in contrast lagged only 13 field goals in 54 shots for a very cold 25.

At the free throw line the comparison was even worse. Morton was

able to can 9 of 15 shots for a respectable .600. Springlake got six of 20 for a weak .300.

As has been the case in most of their conference games, Morton got a tremendous first quarter jump on the opposition, posting a 17 to 2 lead. By halftime it was 32 to 13. For the first half the scoring division was great for Morton. Gattis and Middleton each tallying 8 points while Flanagan and Erbeslow had six apiece and Thompson four. But, in the third period Gattis carried two baskets to pull ahead and his seven point effort in the fourth quarter made him top man.

For the fifth consecutive conference game, four men scored in the double figures for Morton. Brownlow had 12 and Flanagan and Middleton 10 each.

For Springlake, no one could get warmed up except for a brief one minute ten second spell to close the second quarter. With Morton leading 32 to 9, Jay Ellis ported three

long one handers in a row for the last six points of the period. He wound up the evening with 14 points but his coach said his 5 baskets in 21 shots was far below his average performance. Center C. Davie finished with ten points after a trio of baskets in the fourth quarter but he missed seven straight free throws in the game.

The victory pulled Morton one and one half games ahead of Farwell, who had a night off. The Farwell coach took advantage of the night off to scout the Morton battle. Morton journeys to Farwell in their last regular season meeting next week.

The victory pulled Morton one and one half games ahead of Farwell, who had a night off. The Farwell coach took advantage of the night off to scout the Morton battle. Morton journeys to Farwell in their last regular season meeting next week.

Saturday, in a non conference game, Morton will host Sandown on the local court.

THREE WAY P-T-A MET ON MONDAY AT THE SCHOOL

As the Three Way P-T-A met on Monday evening at the high school library with their business meeting, the big news was the fact that the hard working group will start off the new year with a small bank account.
 According to Horace Hutton's report of the finances, the group has paid off its outstanding obligations for things bought for the school.
 Mrs. Frank Griffith presided over the business meeting.
 The program following the business meeting included: Mrs. Lewis Jordan reading "A Report for a Happy New Year," a poem entitled "First Person Singular" by Mrs. Griffith; "The Perfect School Board Member" by Mrs. Thurl Lemons; and Millard Townsend concluded the program with a talk: "A Three Way Partnership of the Home, Church and School for Child Discipline."
 The next meeting will be held

HONORED WITH PARTY

June Sandlin was honored with a party on her 5th birthday in the home of her parents, Mr. and Mrs. Bob Sandlin, on January 22.
 Games were played and refreshments of ice cream and a three-tiered decorated birthday cake were served to about 15 guests.
 - o o o -

UNCLE DIES

Mr. and Mrs. Sam Green were called to Oklahoma City due to the death of Mr. Green's uncle.
 - o o o -

ON SICK LIST

On the sick list last week were Fawn Ann Townsend with a sore throat; Yevonda and Gus Taylor, Donnie Petree, Kay Underwood, Sharon Hutton and Butch Taylor, all with the measles. Donnie Carpenter, son of Mr. and Mrs. Harold Carpenter was hospitalized at Muleshoe due to complications with the measles.

CARD OF THANKS

May I express in this manner my sincere and heartfelt appreciation to all who have been so thoughtful and kind during the long illness and the subsequent death of my husband, Crede Watkins. Especially I would like to express my sincere thanks to Pete Lamb, Rolly Hill, J. O. Hill, Roy Lewis, Oscar Oates, A. F. Neagle, Ozzie Baker and Ota Mills - and others I am certainly not intending to miss, who have taken so much time to make life and his passing easier to bear. God bless you and keep you, all.
 Mrs. Crede Watkins

Indians Fell Sudan; Lead Conference

Indians completed the first half of their conference slate with a perfect record, Friday as they crushed the Sudan Hornets, 41-11 in a rather lopsided official game.

The Indians clinched in with a 22-point lead in the final two minutes of the game before their opponents could make a comeback. Sudan's only shot in the second half was a 26-59 field goal.

In the girls game, cold shooting put the Morton team in arrears from the very start. They couldn't hit from the field or the charity line, with the exception of Bernice Fin-

Brownlow, Gattis, Flanagan — all in Thick of Individual Scoring Race

As reports to the wonderful scoring division in the Morton boys' basketball team, no less than four boys are waging a battle for high scoring honors, even as they compete to grind out local victories.

It all depends upon which way you look at it to decide who is actually the most valuable scorer.

For instance, through games played last Friday night, Clyde Brownlow had taken over the scoring leadership with 256 points, four more than Clayton Flanagan. Switching to averages per game played, and Ed Gattis, with 212 points in 17 games was the leader with a 12.4 average. Brownlow and Flanagan, in that order were less than a point behind him.

Then talk about average scoring per game in conference battles & Brownlow leads Gattis and Flanagan but Eddie Thompson is breathing right down their necks.

Add to this the fact that the fifth man on the team, Gary Middleton, is the best free throw shooter and you see quickly why the Morton boys have a well rounded team that won 11 of its first 20 games.

In conference games Morton has five boys averaging better than 10 points per game, quite a mark for the team. Brownlow has averaged 16.25 per game as compared to his 11.7 average on the season. He has a comfortable lead over Gattis and his 11.25 mark, but one good or bad performance could make a lot of difference. Three boys are already over the 200 point mark and two others should make it before the season ends. At least two and probably three will go over the 300 mark at the present rate.

A sixth man, who has been injured much of the season, has averaged just a shade under the 10 per game mark, and, at his present rate per game, if he had played

Bernice Fincher was the games high scorer with 12 field goals in 37 shots and 8 out of 11 free throws for 32 points. D-lona Stephenson had a cold night from the field and wound up with only 16 points.

The win left the Indians with a 4-0 mark, a game ahead of Frisco & Sudan. The loss left Morton's Hornets in third place in the league. A classy Frisco team is unbeaten & Sudan is second.

Lubbock Christian College Plans Are In Full Swing

The mass of freshmen who will constitute the on-coming tidal wave of college students, which will engulf all colleges within the next three or four years, is being provided for in Lubbock by the creation of a new Junior College to be known as Lubbock Christian College.

A Board of Trustees, made up of individuals who are members of independent congregations of the church of Christ, has selected a location on 15th Street, just west of Chicago Avenue, in Lubbock. The campus will consist of 160 acres of land, Acheson Atkinson and Cartwright, the architectural firm chosen by the Board, is now working out the detailed drawings of the first building, which will be a \$500,000 administration building. Additional buildings will soon follow. It is predicted that Lubbock Christian College will open this fall with a freshman class of at least 200 students and the following September, it will have in both the freshman and sophomore classes, a student body of 500.

Dr. Elio Urbanovsky, head of the site planning department of Texas Tech, has been employed to lay out the campus site. His instructions are to the effect that the first units of the campus should accommodate 500 students and it should be expanded on the drawing board unit by unit to where it would take care of 5,000 students.

A campaign to raise one million five hundred thousand dollars is well underway. About \$500,000 has already been pledged by individuals in Lubbock and about \$200,000 is already pledged by people outside of the city of Lubbock. The Board plans to continue a campaign, both in Lubbock and over an area covering seventy counties in West Texas and Eastern New Mexico, with a goal of \$1,500,000 set as necessary for the first construction.

Dr. F. W. Mattox, formerly of Harding College, Searcy, Arkansas, has been selected president of the new institution and is presently living in Lubbock working in all phases of the development of the institution. The faculty members are being selected and Dr. Mattox states, by the time school opens in September, a complete faculty for a freshman class will be on hand. Each faculty member will have at least a master's degree and the courses set up for the curriculum will cover the liberal arts.

edlines.

By Eddie Irwin

THOSE WHO ARE going to attempt to make out their own income tax forms, especially the farmers, missed a mighty interesting and informative meeting last Thursday night at the auditorium as Mr. Nichols of the Lubbock office was in town to explain some of the changes in the law, and to clear up some points that have been bothering farmers for some time. The meeting dealt specifically with the farmer's problems but would have been informative to anyone who attended. Some approximately 150 or so attended and spent most of the evening asking questions. Only a few of their questions did not find a ready answer by Nichols.

OF JANUARY, comes to a close the month long March of Dimes Campaign and also comes the deadline for payment of poll taxes. For the MOD, it looks like a successful year as far as this county is concerned. But, unless a whole of a lot of people pay their poll tax today, it'll be a dismal year at the poll. At this writing, we'll have to go some to reach 1,000 paid poll taxes. We hope this isn't indicative of the future across the state, with such an important election to come up in April, the Senatorial race that could decide the control of the U. S. Senate. It really is a very important election, and we could have other important elections coming up. We'd hate to see any election controlled by a small minority vote.

FRIDAY'S game at... SUDAN, didn't convince you the Morton team is definitely hot on the trail of the district championship we hope you'll take advantage of the few remaining district games and plan to be in on them, although two of the three are away from home. You had a chance on

general education field. Already, senior colleges have investigated the plans for the curriculum, the quality of the faculty and have placed their stamp of approval upon the new institution. These colleges have stated that they will accept credits earned at Lubbock Christian college at face value without requiring an examination upon condition that the student who transfers from Lubbock Christian College will do satisfactory work in advanced courses. Dr. Mattox states that this is all that can be asked for by way of accreditation

Tuesday, and you'll get another chance Saturday night, to see the Indians and the Maidens on the home court. Saturday's games with Sundown are non-conference affairs but next week, two games away from home, will all but decide if the Indians have a chance at the title. Should they manage to defeat Farwell and Friona, they would enter the district tourney at Springlake, the favorite to win the district championship. The first time in so many years that few can remember. We personally are of the opinion the Indians have a real good chance to do it. But, we don't think it's in the bag. There are at least two other good teams in the district. If we win the regular title, remember we will still have to win the tournament or be forced into a sudden death playoff with the winner. Your support may keep this from happening — as you are well aware the team will play better with good fan support. We had a good backing at Sudan, and here's hoping its even better at Friona and Farwell.

we were kidding... MARY RYNE the other day as he took a trip to east Texas with a Negro family, taking them to a home where they would be better cared for. This family had far too many children, the man and wife were separated, and the kids not only weren't getting enough food nor enough heat in the home nor enough blankets to sleep with. The ester Miller took enough interest in the problem to see that something was done about it. We still have, in the county, two or three other situations that we've heard about, where something needs to be done. There are probably others.

the kids at the... ELEMENTARY SCHOOL had a hand in a project that they really can appreciate later on, and at the same time have learned a lesson in what working together can accomplish. The kids saved pennies,

for a new institution, but that after the college is developed, it will apply to Southern Association for full accreditation by the highest accrediting association in this area. Student applications are already being received and it is believed that Lubbock Christian College will render a real contribution to the young people of the area. Private colleges are all expected to overflow with students and public institutions are not expected to be able to build as rapidly as there is a demand for accommodations.

must be paid at least \$40 per month from the public purse before he has the right to pack a pistol. I have talked to these men, sat with them in the Windmill Cafe, favorite haunt of Parr supporters. They eat well, dress well, have their own cars and show no signs of poverty. Yet their official pay is less than \$12.50 per week. Parr reputedly makes up the difference out of his own pocket. I watched these men in action in Judge Laughlin's court room that hot and sleepy afternoon. It was a job of straight, out and out intimidation of witnesses. One lone Texas Ranger, Wiley Williamson, sat near the judge's bench, keeping a wary eye on the scene.

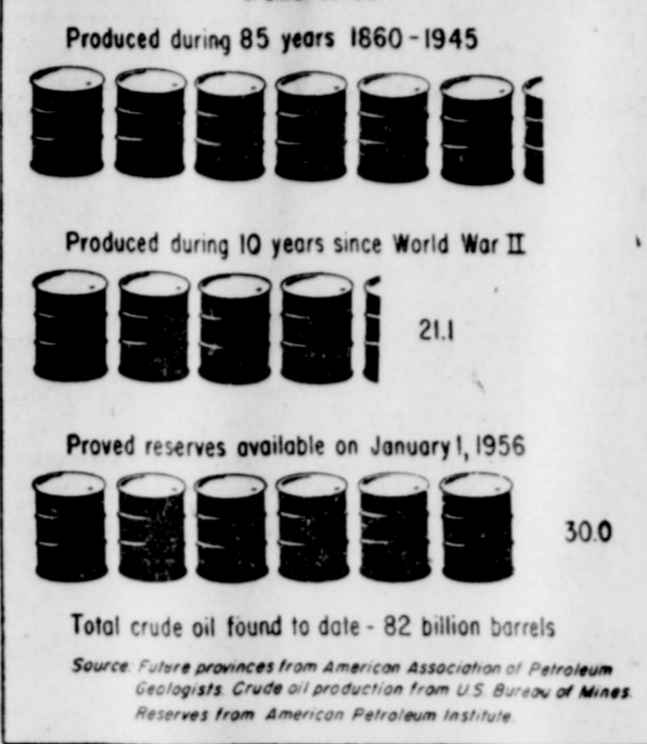

Parr's policemen, their 45's loosely holstered, circled about the big room, here whispering into the ear of a witness, there patting another on the back, digging playful knuckles into the ribs of yet another. The policemen were smiling, jovial, friendly. But the witnesses weren't smiling. They had fought written all over them. Through a Spanish interpreter the witnesses, dozens of them, were sworn in as a group. Then the questioning began, with the interpreter relaying the questions and answers. It was amazing how much the witnesses couldn't remember. Their voices were hardly audible.

They couldn't remember, for example, whether they'd ever been convicted of a crime and so lost their right to vote. Or whether they'd received pardons from the governor and so regained their civil rights. One after the other they shuffled to the stand, and one after the other they "could not remember."

My partner and I were in the courtroom for but part of one afternoon of the four day hearing. That was enough to see Parrism in action. At the conclusion of the hearing Judge Laughlin ruled that one Parr man, Leopoldo Sepulveda, had lost his seat to Manuel Trevino. The election of Alberto Garcia was confirmed, but the anti-Parr forces now had a three to two majority on the city council. The case was immediately appealed, the Parr man keeping his seat for the time being.

Thus, George Berham Parr keeps his police force. (Note: since this article was written another election was ordered by a higher court and Parr lost control of the city government. Thus his last means of keeping his pistoleros armed was taken away. Earlier he lost control of the Commissioners Court after a months-long series of court battles with Attorney General Sheppard, and saw his enemy Donato Serna installed as Duval County auditor after more than a year of resistance which took the case up to the Texas Supreme Court. Putting an impartial man in the county auditor's position, Sheppard explains, was the key to blocking Parr from the misuse of county funds. The San Diego city government was Parr's last ditch, from which he is now evicted.)

TOTAL CRUDE OIL FOUND TO DATE

HISTORY OF U. S. OIL PRODUCTION — Since the first oil well was drilled in the U. S. in 1859, more than 82 billion barrels of crude oil has been discovered. The above chart, prepared by the Independent Petroleum Association of America, shows that more than one-third of all the oil found in this country still is underground, available for production as it is needed. Meanwhile, oilmen continue to explore for new reserves to keep the U. S. independent of foreign supplies if

other judges almost agree, and for us to be completely off base. maybe it's just LACK OF ABILITY TO see and recognize talent, on our part, or it could even be that our taste in talent doesn't run with others. Anyway, we're certainly proud the other two judges agreed so well. we're sorry we...

MISSED THAT Scout Court of Honor last week. Fully intended to go, and did go to the auditorium where we thought it was being held and wandered into the Income Tax meeting instead of the Scout's Court of Honor. Anyway, we understand a lot of awards were passed out and the Scoutmaster has promised to give us a list of some of these so we can have a story on it. Bill also said that the attend-

ance at the Court of Honor was good, which we are glad of. Not so long ago, lack of interest had our Scouts on the ropes—that is five or six years back. Public support is an important thing to the Scouts.

THE JAYCEE committee that recently was appointed to investigate fair proposal, has decided enough interest remains to see that the Fair won't die. What they propose to do to get folks to attend the necessary Fair meetings and to serve on the Board, we don't know. But we do feel that the last two Fairs held here were too good to abandon the project as one of the folks of the area are not interested in. They will call an open meeting of those interested in the near future. Bill also said that the attend-

Duval Methods Closely Parallel Repression in Hitler's Germany

By-FRANZ ROSENWALD

SAN DIEGO, TEX.—The Parr family, ruling dynasty in the malodorous Duchy of Duval, was in the boss business long before Adolf Hitler was ever heard of in my native Germany.

Hitler was painting bad picture postcards and living in a Vienna flophouse while Parr was running things high, wide and handsome in this sun-seared section of Texas.

As a German, and reputedly a bit of an expert on dictatorships (I've seen the Red kind and the Brown or Hitler, kind), I've been asked to look at Duval from that point of view. I came, I saw and I shuddered. Duval was too much like home.

Let anyone consider a Hitler Germany-Parr Duval comparison as an invective one, remember that I'm making no such comparison. I don't have to. History beat me to it.

Let's look at a curious, and disquieting, situation in Germany at this moment. Then we'll look at an interesting incident just a few months ago in the Grand Jury room in the Duval County Courthouse here in San Diego.

In West Germany "Nazis" are being brought to trial on all sorts of charges harking back to the days of Hitler, war crimes, theft of public funds, graft, political murder.

A few years ago these same men were mousy, quiet, biding their time. Today they're arrogant, truculent, threatening.

In court they thunder at the judge and thunder at the jury, daring them to convict. The day is coming, and soon, they skout, when the "right" will triumph, when the hated foreigner will be thrust from the sacred soil of the Fatherland. On that day true Germans will know what to do. They'll punish the enemies within and the enemies without.

This courtroom strategy is working like a charm. The frightened jurors are acquitting the Nazi bully boys one after the other.

Now let's get back to the Grand Jury room in the Duval County Courthouse here in San Diego.

Red-headed George Berham Parr, of Duval, has been hailed before the jurors and questioning him is Sidney Chandler, assistant to Attorney General John Ben Sheppard. Chandler doesn't get very far with the Duke. Parr stands on his constitutional rights, invoking the "Fifth Amendment"—that a man may remain silent if his testimony might incriminate him or even tend to incriminate him. Then the jury adjourns and Chandler mops his brow in frustration.

"Sidney," Parr said, "I've got something to say to the jury." Chandler, curious, told him "Go right ahead."

Parr turned quietly to the jury and eyed each man in turn. He knew each man by his first name,

and he reminded them of that. One grand juror was a Parr tenant, another an employee, several owed him money.

Then Parr's voice rose in fury to a crescendo. He shook his fist in the face of each man, shouting that soon there would be a new State government in Austin, a new government in Washington, and George Parr would again be firmly in the saddle. Then there would be a reckoning, a settling of scores.

One grand juror described the scene to me this way: "He yelled and screamed so loud you could hear him in Alice ten miles away." County employees came out of their offices and stood on the stairs outside the Grand Jury Room, listening in awe. Parr's harange went on for twenty minutes.

"I respect you as Grand Jurors," he raged, "but only so long as you sit in this room. Outside of this room I don't have to respect you a G... D... bit, not a damn bit. Outside of this room I do as I please. Remember that! Remember that, all of you!"

That Grand Jury, white-lipped and frightened, listened—but right there the parallel ends. Unlike the cringing juries in Germany that jury in Duval leaved the threat of wrath to come and voted thirty-one indictments against members of the Parr machine.

We'll take just one more example of intimidation, an effective weapon in the hands of any efficient political boss or any dictator. Here in San Diego those terms are interchangeable.

On Monday, July 16, my writing partner and myself sat in the courtroom in San Diego, District Judge C. Woodrow Laughlin presiding. The suit, brought by Manuel Trevino and Manuel Olivares, was to contest the results of last April's civic elections in San Diego when Parr forces captured four out of five seats on the city council.

The action was of particular importance because if it succeeded in unseating one of two Parr men, Alberto Garcia or Leopoldo Sepulveda, the Duke of Duval would have been stripped of his private army, the San Diego police force.

Here's the way it works: Never in its long and stormy history has San Diego had a police department. None was needed because the sheriffs of Duval County and Jim Wells County, together with their deputies, were well able to handle things to the taste of George Berham Parr. At one-time Duval County alone had as many as 200 deputies, gun-slizing pistoleros. Some people put the figure as high as three hundred.

But Parr no longer controls the sheriffs. So the San Diego council dutifully gave him a police force with Manuel Amaya, former deputy sheriff, as chief.

Amaya and his constables are officially paid \$50 each per month. Under Texas law a peace officer

Jerry Don Mills Weds Betty Cooper In Oklahoma

Mr. and Mrs. Jerry Don Mills recently enrolled as students at the Southwestern State College, Weatherford, Okla.

The couple were wed December 16 at Granite, Okla., in the home of an aunt of the bride.

T. J. SHAW RETIRES AS MAIL CARRIER OF STAR ROUTE 2; FRIENDS SURPRISE HIM WITH COVERED DISH SUPPER

Tuesday night, January 8, was surely a red letter day for T. J. Shaw, who for 14 years carried the U. S. Mail on Star Route 2, Cochran County.

That was the night friends, neighbors, and patrons gave Mr. Shaw a big surprise cover-dish supper — included among the gifts was a new TV set.

And, Mr. Shaw will now have the time to enjoy the set, Earl Outlaw, as of Jan. 11, is the mail carrier on Star Route 2, Cochran County — a route that starts at Morton, runs north to Griffith, and back to Morton roughly, that is.

Lady Fair HD's Met Thursday

The Lady Fair Home Demonstration club met Thursday, January 24 in the home of Mrs. D. A. Ramsey.

Those present were Mesdames Ted Bryant and D. A. Ramsey and Miss Leila Petty, Home Demonstration Agent.

mail was missed completely on only one regular delivery day — that was last February 4, during the "big snow" — no mail ran that day.

And, this is interesting — Mr. Shaw says, "It used to rain here, by the way."

He recalls being pulled out of many a mud hole. But back to the surprise supper it was a gay event, staged in the County Activities banquet room.

DAUGHTER FOR MRS. YOUNG

Mrs. Patricia Young daughter of Mr. and Mrs. John Neely of Morton, announces the birth of a daughter, Kristi Sue, weighing 8 1/2 lbs. and arriving January 28, at 8:30 p.m. at the Cochran County Hospital.

Miss Jackie Cotton And Frank Fleenor Exchange Vows

Miss Jackie Cotton, daughter of Mr. and Mrs. R. C. Cotton of this county, and Frank Fleenor, son of Mr. and Mrs. W. D. Fleenor of Morton, exchanged marriage vows Friday, Jan. 24, at 3 p.m. in the home of the bride's parents.

The double ring ceremony was read by Rev. Hugh Montgomery, pastor of the County Line Baptist Church.

Report from... YOUR COUNTY AGENT

HOMER F. THOMPSON 4-H ADULT LEADERS MEETING Tuesday morning, February 12, from 9:30 a.m. to 12 noon the State 4-H Club Leader, Mr. Floyd Lynch and the two District Agents, Mr. W. H. Jones and Mrs. Aubrey Russell, will be in Cochran County to discuss 4-H Club work with local leaders and extension workers.

The purpose of this meeting is to help leaders find out more about 4-H Club work, what their leadership job is, and what is involved in how to do their job. Also the leaders will be called upon to suggest some things they want to get out of the meeting. In this program, the leaders may be thinking about "What the needs of the boys and girls are in their community."

We hope that every 4-H Club leader in the county can be present. It will be in the Agricultural Building Banquet Room, Morton, Texas.

TIPS FROM PLANT DISEASE LABORATORY Each year several diseases plants are brought into the County Agent's office to be diagnosed in the State Laboratory. We want to encourage this work to continue, and we want to give you the best service for your efforts.

These are tips on collecting and packaging plants before shipping: 1. Get all parts of the plant including roots where practicable — above ground systems may be caused by root trouble. Dig (don't pull) up plants and carefully remove soil.

2. Collect several plants showing various stages of the trouble, and especially plants showing early stages of the disease. Collect also a healthy plant, if possible.

3. Wrap plant immediately in wet paper, cloth or sacks and keep plants cold or cool until shipped. To pack for shipping — Wrap individual plant in wet paper and cover with waxed paper, and place in box. Avoid crushing or over-packing. Pack in sturdy container identify package with both outside and inside label.

4. Address package to Extension Plant Pathologist, Plant Disease Diagnostic Laboratory, Department of Plant Physiology and Pathology, College Station, Texas. Fill out the plant disease specimen record as completely as possible. Well, just bring them to the County Agent's office and we will help you with it, if you prefer.
