YARBROUGH WINS SENATE SEAT; CARRIES COUNTY

Cochran Countians joined Texans in the majority Sunday believing that Judge Ralph Yarbrough should have the opportunity to represent Texas in the United States Senate.

Like most South Plains Counties, Cochran voters gave Yarbrough a little heavier edge, percentage-wise than did the state final total. Martin Dies drew second heaviest support from the county and State Agriculture Commissioner, John C. White, as could be expected in this predominantly agricultural area, drew considerably heavier support than he did in overall state totals.

Final returns from Cochran County showed Judge Yarbrough polling 228 of the 545 votes cast, in a "light" election. Martin Dies, his nearest competitor, garnered 143 votes. White, on the strength of his rural vote, outpolled Thad Hutcheson, 86 to 68 and State Sen. Searcy Bracewell and James Hart each collected 8 votes.

Four others got one vote apiece, including the only Negro in the race, Rev. M. T. Banks, who got a lone county vote in the Whiteface box. Currin, Hammonds and Ford each polled a vote.

Yarbrough's rural vote outpolled his Precinct One, or Morton vote, by four votes, considering all of the other voting boxes in the county as rural boxes. The only other candidate to do that was White who drew 47 votes outside of Morton and only 39 in Morton. Dies had 85 votes in Morton and 58 in the remainder of the county while the Republican backed candidate, Hutcheson, collected 43 votes in Morton and only 25 elsewhere in Cochran County. Morton's total was in line with the state vote, while

LICENSE TAG SALES SHOW INCREASE OF \$12,000 OVER LAST YEAR'S MARK

A total of 2743 license plates of all types had been sold in Cochran County through Wednesday of this week, bringing in a total revenue of \$62,409.32, it was announced by Mrs. Otha Denny, Tax Assessor-Collector.

The total intake was some \$12,000 more than the office took in on plates at this time last year, according to Mrs. Denny.

On April 2nd, 1956, the County had sold \$50,110.73 worth of license tags, of which \$50,054.29 went to

the County and \$56.44 to the state she said.

Programs Friday To Demonstrate Artificial Respirator

At least two 30 to 40 minute programs designed to promote better safety measures in the handling of irrigation pipe around electrical wires; helping wreck victims and administering of artificial respiration are being planned for the Morton schools, tomorrow (Friday) through the cooperation of the County Health Nurse, Mrs. Fred Collins; the health officer, Dr. Dan Brown and the local Boy Scouts and Explorer Scouts led by Raymond Ross and Elra Oden.

On Friday, at 10 a.m. the first four grades will witness the first demonstration in the Junior High Auditorium.

At 12:45, a program will be conducted in the Morton Gym for the Junior High and Senior High students. This will cover the same phase.

The public is cordially invited to attend either of the two meetings designed specifically to demonstrate an urgent need in this area where several persons have been killed by electrocution as irrigation pipe they were handling came in contact with high tension lines. It is the contention of these putting on the show that lives can be saved in many instances, if persons at the scene of the accident know how to administer immediate artificial respiration.

WRECK VICTIMS REPORTED IN SATISFACTORY CONDITION

Mrs. Dona Doughty was moved to the Methodist Hospital of Lubbock, Weldon Harris and daughters were released from the Cochran County Hospital, and Mrs. Harris remained in the County Hospital following an accident last Friday in which Charlie Henry Silvers of the city was killed. All four of the persons hospitalized were in satisfactory condition, according to Doctor Dan Brown, early this week.

SUMMER WATER RATES EFFECTIVE IN MAY BILLING

Summer Water Rates will go into effect in Morton on the May billing according to City Secretary Joe Seagler.

CONDITION UNCHANGED

Rev. J. E. Harrell, pastor of the Morton First Methodist Church, remained in the Methodist Hospital, Lubbock, this week following an operation Friday to remove a blood clot from a leg.

Athletic Boosters To Meet Monday

Louis (Snoopy) Russell, president of the Morton Athletic Boosters, reminded members this week that a meeting of the club is set for next Monday night, April 8th, at 7:30 in the banquet room of the Activities Building.

Vote Saturday It's Your Duty!

All parents are urged to have all children at school next Friday, if the child is pining to start school next fall.

Serving on the Board of Directors of the area are Ralph DeBord, president; E. V. Thompson, vice president; M. A. Tanner, secretary, and George Williams and C. A. Richardson. Among the business to be handled will be the election of a director in place of Richardson who has moved to Tucuman.

Campfire Girls Get \$213 for Camp fund

Campfire girls crossed \$157.25 on the recent raffle supper and \$56.75 on the Hobby Show. It was reported to the Morton Campfire council Monday afternoon at its regular monthly meeting.

Proceeds from each event will be employed toward camp expenses for Campfire girls.

TRUSTEE CANDIDATES PLENTIFUL ON BALLOTS FOR SCHOOL DISTRICT ELECTIONS SATURDAY

School Trustee elections to be held all over the state Saturday, may well create as much or more general interest in Cochran County and the surrounding "Texas' Last Frontier Area" as did the special senatorial election held on Tuesday of this week — but its not likely they'll draw as many votes.

In the race are Raymond Ross, E. V. Thompson, Hadley Kern, Babe Van, Lloyd Miller, and Willard Cox.

McCormack is a long time member of the Bledsoe Board. The other man due to go off, Marvin Brown, declined to seek re-election.

Cotton Growers Sponsor Program On Promotion

The Plains Cotton Growers Promotion Committee has made plans for its first program designed to help promote the sale of cotton in the area.

MORTON 4TH IN TRACK AS NEWMAN IS INJURED; CAPTURE THREE FIRSTS IN LITERARY EVENTS

With an untimely injury to Merle Newman throwing a big kink in Morton's plans, the Indians had to settle for fourth place in the District track meet, senior division, but made out better in the literary events and in junior track events.

Eddie Thompson, mentioned last week as the Indian's best bet for a title, did take a first place posting a broad jump of over 21 feet to capture the top spot in that division. Freshman Marvin Gathright did right well in the mile run taking third place to qualify for the Regionals, also.

Otherwise Morton had to settle for 4th fourth places, not quite good

enough to qualify for a place in regional competition.

Biggest cause for Morton's disappointing finish was an injury in the preliminaries of the dash events for Merle Newman. After qualifying for the afternoon finals in the 100 yard dash, Newman was running when another trackman fell in front of him. He also stumbled and another runner coming up stepped on the back of his ankle and foot inflicting a deep wound requiring 18 stitches. That finished his running and Newman had been counted on to place in two events and to help one relay team to another regional placing.

Eddie Thompson's 21 foot 8 inch

long jump was one of the outstanding performances of the entire meet. Clayton Flanagan was fourth in the 120 yard high hurdles; Bill Wood, 4th in the 220-yd dash; Thompson fourth in the 100 yard dash, and the team of G. W. Lyons, Tommy Hawkins, Jimmy Collins and Perry Don Seary were fourth in the mile relay.

In literary events held at Sulon on Friday Morton did better.

Three first places, two seconds, and a fourth were earned by the Morton students. Clayton Flanagan won first place in number sense, a division Morton has always rated high in.

Donald Chesshir was tops in the slide rule division of competition. Jackie Outlaw won over all others in the shorthand division.

Second placings went to Billy Ray in Slide Rule and Clara Dentel in shorthand, giving Morton a

one two sweep for those two divisions. Nevertheless, the huge number of other school entries in the overall events, kept Morton from rating high as a school. There were many events Morton did not enter at all.

In the junior track meet competition, Morton climbed a notch and finished third, thanks mostly to a promising young freshman athlete.

Butch Nairn, who captured two 1st places.

Nairn romped to a first in the shot put and in the 30 yard dash and a second in the 100 yard dash for 12 points and then got credit for another 2-3 of a point running on the 440 yard relay team that was

second. His teammates in this event were Bill Ed Thompson, Gary Willingham and Mike Miller.

Miller won two other places as

he placed third in the 100 yard dash and fourth in the 50 yard dash. Gary Willingham was fourth in the 100 yard dash.

Y-M Jr. Study Club Adds Three to Membership Roll

The Y-M Junior Study Club met in the home of Mrs. Steve Monroe on Thursday night, March 28.

During the business meeting the club voted to raise dues to \$5.00 per year.

Three new members were voted into the club. They were Mrs. Ruth Kelly, Mrs. Joe Williams and Mrs. James DeWitt.

Following the business meeting a very interesting program was presented by Mrs. W. R. Morritt.

Members present were Mrs. Morritt, Lottie Russell, Bill Griffin, Billy Gandy, Lowell Webb, W. B. Morritt, Roy Turner, Jr., Bob Mayes, Buddy Brown, Joe Carroll, Don Nelson and the hostess Mrs. Monroe.

One guest, Mrs. Sam Lovell, was also present.

MISS JACKSON IS NEW PRESIDENT OF GARDEN CLUB

The Wild Flowers of Texas, shown in colored slides was the program for our meeting on April 1st in the home of Mrs. Don Brown.

The resignation of Mrs. Henthorne as President was accepted. A committee presented Miss Lenora Jackson's name for president and she was unanimously elected.

Mrs. Marry Crone was accepted as a new member.

Members present for the meeting included Madeline T. D. Marshall, Jack Gannon, J. T. Barton, Chairman, James E. C. Haskelbar, T. M. Thomas, H. A. Bowers, Roy Hill, L. Chubb, Lenora Jackson, A. A. Priddy, Otto Robinson, and the hostess Mrs. Brown.

On April 17th the club meets with Mrs. W. L. Miller.

Little Leaguers Will Register On Saturday, April 13

All boys between the ages of 8 and 12 who are planning to sign up for Little League competition this year are reminded that on the afternoon of Saturday, April 13, registration will be held at the City Hall in Morton.

Registration will begin at 1:00 p. m. and continue until 3 p. m.

Every boy signing up is required to bring a copy of his birth certificate on the exact date of his birth can be verified. Later on in district competition the league has to be ready to affirm each boy's birth date. As just the need of someone in the family is not enough, if the league cannot of their own knowledge, verify the birthdate of the boy, he will be ineligible to participate.

PREPARED TO 'SOUTHWESTERN LIVING'

'That proves it to me... the J-2 Rocket is like two engines in one!'

HE: Right! This J-2 Rocket* is really a new driving experience!

FRIEND: Well, I've handled a Rocket Engine before, but nothing like this. They've always had pep, but this one's got that extra pep when you need it!

HE: Don't forget economy.

FRIEND: Yes, but you can't feel economy.

HE: Feels pretty good to the pocketbook.

FRIEND: Right! But it beats me how you get economy with a big car like Olds.

HE: Easy. For cruising around, you just use one dual-barrel carburetor.

FRIEND: Bet that waters down your performance some.

HE: Not a bit. I've got regular Rocket performance right through the economy range. And believe me, that's plenty. But if you need more power...

FRIEND: Then what?

HE: Go to Stage Two. You just saw what that does. Give it three-quarters throttle and you've got three dual carburetors dishing up more power and torque.

FRIEND: Tell you the truth, I've always liked an Olds. Thought we might get one ourselves some day.

HE: Checked the price lately? You'd be surprised how easy it is to own.

*217 h.p. Rocket V-800 Engine standard on all models. J-2 Rocket Engine, with 300 h.p., and special Rocket Engine, with up to 372 h.p., available at extra cost.

Of course, you can't imagine a doctor basing his fees on bandages, splints, or medicine he uses.

You go to him for professional advice and care. The materials he uses are only incidentals and worthless to you without professional knowledge, skill, and services to determine and guide their use. If you should break an arm you wouldn't say, "Guess I'll buy a splint," you shout, "Get the doctor!" What about your eye...?

Glasses alone won't correct faulty vision.

They're important, but of no value without professional knowledge, skill, and service to guide their use. So don't confuse the price of glasses with the cost of eye care and service. Seek professional advice — not just glasses at a price.

Splints Alone Can't Set Your Bones — Nor Glasses Alone Correct Faulty Vision

BY LEILA PETTY
FLIES ON EVERGREENS
Lice infestations attract large numbers of flies to trees and shrubs (especially arbor vitae) to feed upon honeydew. A 4 percent Malathion dust or a 2 1/2 percent solution of Malathion may be used to control both the flies and the aphids on the plants. Other insecticides that are effective are nicotine and lindane.

both from the County Wide 4-H Club. The 4-H Club members may earn a year pin for completing one or more demonstrations during the year. Pins are bought from money made at the Concessions Stand during the Stock Show.

DISTRICT THDA MEETING
The annual meeting of the Texas Home Demonstration Association was held in Levelland last Wednesday. A total of 339 club members and visitors registered. The theme of the meeting was "Christian Homes, Hope of the Nation."

Mrs. Horace Gardner, Chairman of the Cochran County Home Demonstration Council, was on the Registration Committee. Mrs. Arvel Snodgrass, of Lehman, County T. H.D.A. Chairman - elect, gave the Cochran County report. Others attending from the county were Mmes. C. O. Bryant and Edward Nieman, Lady Fair; C. D. Arnold,

A. C. Jones, and Oland Clifton, P.O.R. Club; C. C. Benham, County Line; Bill Bailey, Whiteface; Bernard Nebhut, Friendly Circle; and Your Home Demonstration Agent.

HOME DEMONSTRATION CLUB MEETINGS
Home Demonstration Clubs meeting the first week in April are Lehman, Wednesday afternoon, April 3, at the home of Mrs. Lewis Walker; County Line on Thursday afternoon at the home of Mrs. D. H. Montgomery; and Friendly Circle Club on Friday afternoon, at the home of Mrs. L. Z. Seagins.

Bledsoe Wins First In District 5-B Literary Competition Held at Pep

Posting 105 points in literary competition with five other District 5-B schools, Bledsoe won the official meet title at Pep last week.

The Bledsoe surge to victory included first places in debating; in boys extemporaneous speaking; in number sense; poetry reading; ready writing and spelling.

With 13 entrants in 10 divisions, Bledsoe had the third highest number of entrants but won more than their share of firsts and seconds to garner 102 points to host Pen's 92. Pep had 18 entrants in 13 divisions.

Bledsoe placed third with 57 points, Whitbarral fourth, 20; and Pettit, last, 15.

On the same day, J. D. Deo took his Bledsoe Elementary students to Pettit for their literary meet and the crew came up with a nice share of honors, though school placings were not available to the Tribune.

According to Supt. J. E. Roane, of Bledsoe, justifiably proud of his school's record, here are the names of the events and school placings, with the Bledsoe student's name, where Bledsoe won or placed. This is for the Senior Division:

In Debate, Bledsoe, first (Bob Selman and Loretta Billbrely); 2nd, Pen, no third place.

In Junior Declamation, girls, 1st, Bula; 2nd, Pettit; 3rd, Pep. In the boys division, 1st, Pep, no other competing.

Senior Declamation, girls, 1st, Whitbarral; 2nd, Bledsoe (Patsy Webb); 3rd, Bula. In boys senior declamation, 1st, Whitbarral, no others competing.

In extemporaneous speaking, in the girls division, 1st, Bula; 2nd, Bledsoe (Exa Kaye Ainsworth); 3rd, Pen. In boys, 1st Bledsoe (Jerry Bryant); 2nd, Bula; 3rd, Pen.

In number sense, 1st, Bledsoe (Zelta Millsap); 2nd, Pen; 3rd, Pep.

In slide rule, 1st and 2nd, Pep. In poetry reading, 1st, Bledsoe, Zelta Millsap; 2nd, Bula; 3rd, Pettit.

In typing, 1st, Pep; 2nd, Bula; 3rd, Bledsoe (not reported).

In ready writing, 1st, Bledsoe (Barma Jean Dunn); 2nd, Bula; 3rd, Pettit.

In spelling, 1st, Bledsoe (June Kennedy); 2nd, Pep; 3rd, Pettit.

(Ed note: A confusion in the results lists Pep as winning second

and Charles Dye, fourth. Number sense, David Millsap, 4th. Story telling, Jill Jones, 1st. Picture memory, Monty Evans and Arnie Bailey, 2nd.

KEEP THIS AD!
 Over 20,000 Arthritic & Rheumatic sufferers have taken this Medicine since it has been on the market. It is inexpensive, can be taken in the home. For Free information, give name and address to P.O. Box 522, Hot Springs, Arkansas.

Cards of Thanks

CARD OF THANKS
 We cannot express in words the appreciation we have for the many thoughtful acts, kindnesses, and words of sympathy extended us in our time of sorrow by the people of Enochs and Morton. It made us realize how wonderful people really are. May God bless each of you. The Wayne Vanlandingham family and relatives 5-1tp

CARD OF THANKS
 We are truly grateful to our many friends who did so much for us during our recent sorrow. May we take this means of saying thank you for the many comforting expressions of your friendship and affection, for the food, and flowers. May God Bless each of you. The C. H. Silvers family 5-1tp

CARD OF THANKS
 We would like to thank Dr. Brown and the girls at the hospital for their help and kindness when we needed it most. Words cannot express all our appreciation so may we say thank you again and God bless you all. Mrs. J. F. Reed and children 5-1tp

Cards of Thanks

CARD OF THANKS
 We wish to express our sincere thanks to everyone for all of the kind words, deeds, flowers, cards, food, and everything. May God's richest blessing rest upon each and every one that had a part in the comforting of us on the passing of our darling son and brother, James Roy. The Browning family 5-1tp

Cochran Farmers Put 10,052.2 Acres Conservation Reserve Program

Through 10 a.m. Friday, Cochran County had 696.1 acres of cotton land in the soil bank reserve program. The payment was \$13,578.

At the time of the Lubbock release, pointed out to them by Agricultural Stabilization and Conservation officials, only two of the 20 counties in the area had less acreage in the cotton soil reserve program, Deaf Smith and Parmer

No comparison figures were quoted on the conservation acreage reserve.

Local officials pointed out that the deadline is pretty early for local farmers to be able to decide whether they want to enter the program or not. Under good weather conditions, the land would be likely to bring a lot more money in a good cotton crop, than in the reserve program. After a number of bad years for a good portion of the dry land farmers, they are in need of a couple of good years or more of good crops in order to get out of the hole.

The total varies a little from day to day. Ruth McGee, local ASC officer manager said.

The figures in the Lubbock paper earlier had noted approximately 64,000 out of a potential of 650,000 acres in the 20 county area in the soil bank cotton reserve program.

Greatest participation was Crosby County, \$10,440 acres. Least, was Deaf Smith, 245.

Stivers Celebrate 14th Anniversary

Mr. and Mrs. Bill Stiver celebrated their 14th wedding anniversary on April 3rd with a supper party here.

The couple, she from Amherst and he from Altoona, Pennsylvania, were married in Ft. Worth 14 years ago. They have three sons, Thomas Neal, William Allen, Jr., and Stephen Ray.

Lions Appoint Nom. Committee

Three guests were on hand for the meeting of the Morton Lions club Wednesday. Greenville Lassner, Keith Lane, and Babe Van.

The most important business at hand was held after the meeting at a gathering of club directors who were to appoint a nominating committee for officers for the coming club year.

\$272.62 and 2 Bales

Cochran County contributed two bales of cotton and \$272.62 in cash toward the recent Christian Rural Overseas program.

The announcement came this week from W. W. Smith, County Chairman of this year's CROP drive. Contributing the cotton were J.

What the Christian Churches Believe

Don Elliott is part time pastor of the First senior pre-med student. Next year he will attend medical school at Baylor Medical school in Houston and will eventually become a medical missionary with the United Christian Missionary Society.

This week let us consider the belief that salvation is a process of growth in knowledge and grace. That conversion is the voluntary turning of the mind and heart through faith, repentance, confession, and baptism, to the way of Jesus Christ and in no way depends on visions or voices.

Many times there is a confusion of the terms, salvation and conversion. Salvation is often used when conversion should have been the word used. Conversion is the first step in the process of spiritual growth. This comes through faith, repentance, confession, and baptism. Because this is a voluntary thing on our part, visions or voices do not play a part in it. Visions or voices do play a part in some peoples spiritual lives but not here. This first step is the thing we do to place ourselves in a position so that God works in us and perfects His salvation in us. Our confessing Christ merely tells God in a very concrete way that we are willing to let this salvation be wrought within us. This confession most certainly does not save us. Our spiritual growth as wrought by God through His grace within us is the saving thing. Ephesians 2:8 bears this out, for it says "For by grace have you been saved through faith; and this is not of your own doing, it is the gift of God." Faith, one step in the conversion process, is a kind of gate at the beginning of the path that God guides us along with His grace, which is the path of salvation to eternity.

Besides faith, there are three other things in the conversion process, a true repentance of past evils and sins in one's life, a confession that "Jesus is the Christ the Son of the Living God and an acceptance of Jesus as our personal saviour" the guider and perfecter of this spiritual growth to salvation within us, and baptism as the obedience to the command of Jesus Christ, a symbolism of burying the old self and raising to walk in the new life.

Finally, we must realize that even though this salvation is being worked within us by God's grace, that God expects us to respond with fruits of this. Christ said "By their fruits shall you know them." Matthew 7:16 and 20. Those who do not respond He cuts down and casts into the fire. What kind of fruits does God expect. He expects fruits of love toward our fellow man.

We invite you to visit us in eleven o'clock services each Sunday at the Veteran's Hall in Morton where we are temporarily meeting.

We invite your questions and comments. Just write to Don Elliott, in care of the First Christian Church, Morton, Texas.

Spot News from

ENOCHS and BULA

BY MRS. C. C. DORN

FILL PULPIT FOR PASTOR

Mrs. Willie Welch and Mrs. H. H. Snow filled the pulpits for Bro. C. C. Dorn, Sunday. They attended the annual WSCS Conference and told of the wonderful work being done. Mrs. Welch spoke at the Enochs Methodist Church while Mrs. Snow spoke at the Monument Lake Methodist Church.

ATTENDED FUNERAL

Rev. and Mrs. C. C. Dorn and family and Walter Whitfield spent from Friday until Sunday in Colorado City on what had been planned as a pleasure trip but turned out to be a sad one. The family attended the funeral of Bro. Dorn's uncle, Mr. Claud Richardson, who died at the age of 82.

IN METHODIST HOSPITAL

M. I. Hill is in the Lubbock Methodist Hospital suffering from a back injury. He is the son-in-law of Bro. and Mrs. C. C. Dorn.

LODGE DID NOT MEET

The Needmore Rebekah Lodge did not meet the 19th of March, however, five members attended Mulshoe Rebekah Lodge and aided them with a degree. The members were Gertrude Broyles, Florence Holmes, Elizabeth Darnell, Gertrude Dorn and Juanita Busby.

We are very proud to have the following members elected to offices of the Rebekah Assembly and

School Red Cross Drive Nets \$23.52

With the newly formed Student Council leading the way, Morton School donated \$23.52 in the American Red Cross Drive.

Council members plugged the cause and passed containers which brought the sum.

This was the first announced contribution to the Red Cross drive only recently begun in the county.

THREE WAY NEWS...

By Mrs. FRANK GRIFFITH
ON THE SICK LIST
Lewie Jordan is on the sick list this week.

VISIT RELATIVES
Mr. and Mrs. J. G. Arnn visited relatives at Childress last week.

TRIP TO PARK
The Three Way High School children enjoyed a trip to Lubbock & a picnic in the McKenzie State Park, Monday, April 1st. This is an annual treat for students made possible by the school board members and teachers.

WEEKEND IN LUBBOCK
Mr. and Mrs. Thurl Lemons and children spent the weekend in Lubbock visiting his sister.

VISIT DOLLY ARNNS
Mr. and Mrs. Tom Arnn of Fortales, New Mexico, visited in the Dolly Arnn home Thursday.

This Week in AUSTIN by Senator Preston Smith

How does the Governor react to recent scandals in state government?

He thinks there will be more shocks and disappointments on the part of all Texans before the current "cleanup activities" are finished.

He has publicly warned the state that more is coming but did not give any idea about what to look for in the way of new scandals.

"There will be some convictions and punishments meted out when some of these cases reach court," he said.

The Governor's recommendation for progress and good government include:

- 1. A lobby registration law.
2. A code of conduct for state officials, legislators, and employees.
3. A law requiring registration persons who practice for pay before state agencies.
4. A complete reorganization of the Texas Insurance Commission.
5. Establishment of a State Law Enforcement Commission.

There are other recommendations, including establishment of a paid parole and probation system; revision of narcotics law; expansion of the Youth Development Council in an effort to curb juvenile delinquency.

The Governor's attitude toward these scandals seems to indicate there is to be more house cleaning. But he also points out that of the 40,000 persons on the state payroll, scandal or the hint of dishonesty has touched only a few.

All around the capitol a new desire seems to be growing. Legislators and employees alike are seeking ways to help restore the public's confidence in state government, and some think that the Governor's proposals may offer the answer.

Lady Fair Club Met With Mrs. Evans

The Lady Fair Home Demonstration club met Thursday, March 28, in the home of Mrs. C. B. Evans. The meeting was opened with a scripture reading by the hostess. The roll call was answered with a fashion note. Mrs. D. A. Ramsey gave a 10 minute demonstration on "sleek tricks." An interesting and enlightening talk on insurance was given by Miss Leila Petty, County Agent. Refreshments were served to four.

Next meeting will be April 11th in the home of Mrs. Ralph DeBard.

WEEKLY LETTER

The House was adjourned Monday, March 25, in memory of Charlie Heitman Jr., State Representative from District 6 in Nacogdoches, Texas, who died Saturday, March 23, after suffering a heart attack while at his desk in the House.

A number of local bills were cleared this week and sent to the Senate; however, there was considerable debate on a few general bills. After a stormy debate, H. B. 32 was passed and sent to the Senate. This is an act to make unlawful the employment by the State, School District, County or city, of any member of the N.A.A.C.P.

There was considerable debate on the floor of the House Thursday which consumed most of the day in conjunction with H. B. 3. This is an act establishing standards of conduct for state officers, employees and legislators, in the area of business conflicts between their private interests and official duties. Most of the debate concerned the operation of such a code of ethics and its effect upon members who have various business interests in addition to their official duties. The bill passed by a good margin on Second Reading. Now the bill must be read and passed a third time before final passage in the House and later action in the Senate.

The General Appropriations Bill, H.B. 133, has been amended by the Senate, and, at the present time, committees from the House and Senate are meeting to reconcile their differences. This bill should be cleared within the next week & presented to the Governor for his signature.

The I.C.T. Investigations Committee is proceeding favorably and uncovering considerable amounts of new information. During the next week or ten days, we are expecting a final report from the Cox Com-

VISIT FRIENDS, RELATIVES
Mr. and Mrs. Ed Neutzler and children of Lubbock visited relatives and friends in the community last week.

VISIT AT ADDRESSES
Mr. and Mrs. Norman Underwood and girls visited at Andrews, recently.

VISITING EARL BOWERS
Visiting in the Earl Bowers home last week was Don Wheeler, brother of Mrs. Bowers.

ATTEND DISTRICT MEET
The High School track team and coach Bill Wood attended the district meet at Levelland, Saturday. Jack Reeves won first place in the pole vaulting and 4th in the

400 yard dash and also 4th in the 100 yard dash.

Mr. and Mrs. John Stokes, Johnny and Francis of Amherst visited in the Frank Griffith home on Sunday.

Ray Epperly, Sr., was in the hospital at Littlefield several days last week. He has been released from the hospital but is staying in Littlefield with relatives to be

Miss Gail Arnn of Texas was at the home of her parents, the J. G. Arnns, last weekend.

Mr. Everett Sowder visited the Mickey Sowders in Lubbock last week.

Mrs. Billy Knox and daughter Karen of Lubbock visited in the Andrew Wittner home last week.

Mrs. Lewie Jordan and Lewie visited the John Shackelfords of Cotton Center, Friday.

GREGG COTTON

The happy farmer who has grown the field of Gregg cotton shown in the picture above has no-thing to distract his mind from the satisfaction of knowing his cotton has IT - an excellent yield with good grades. The pleasure of growing a field of cotton like this is not only a joy to be experienced in a year like 1956 - a year in which we have had an unusual amount of heat to mature cotton here on the Plains; but cotton fields of similar appearance should be grown on the Plains on almost any year with Gregg cotton. Gregg has been bred to produce under the adverse conditions of our cooler weather, and especially with its cooler nights; it should shine the brightest and show its colors the most on the really bad years; it should in a large measure cure those cotton headaches which are very common in our section of the country.

Self Defoliation
While Gregg cotton is growing and up till the time it begins opening, it will hardly lose a leaf; but when it starts opening, a rapid self-defoliation sets in, which is far greater than in any other cotton which we have seen or grown. This self-defoliation together with the natural tendency of Gregg cotton to go to fruit and not to stalk, makes for a maturity in cotton which is highly desirable for us who grow cotton under the conditions we have on the Plains.

High Yield & Grade
As to the tremendous importance of both yield and grade to the farmer let us take the example of a field of cotton that makes a bale and a quarter to the acre and another field that makes a bale to the acre, but brings \$15 a bale less when marketed. Flur-ing the extra lint and seed with the extra price and you have almost \$60 an acre increase for the first field of cotton.

Storm Proof
Our cotton is stormproof not only from the standpoint of its staying in the burr, but also the bolls remain on the stalk well. As an experiment we have left cotton in the field until late spring, with no great loss from the wind storms.

Stripping
Since nearly all farmers are using the mechanical stripper in the harvesting of their cotton, either partially or completely, they are naturally interested in a cotton that stripe well. When you consider the fundamentals of a good stripping cotton, you will find Gregg ranks high. Its stalk configuration is well suited to the stripper, and because it is a close, heavy-fruited variety there is less trash, limbs, and leaves.

Staple Length
Our growing season on the Plains will not permit the growing of long staple cottons satisfactorily. Gregg has been bred to the optimum length to give the best results on the Plains, combining with staple length, fiber qualities of high character, for Micronaire, strength, and uniformity. Staple lengths, under irrigation, are generally from 31-32 to 1-1-32 for early hand pulled cotton, with slightly shorter staples for late machine-stripped cotton.

Clean White Seed
Clean white seed is an indication that white cotton came off the seed. Examine our seed in bulk at our farm or in open bag of our fuzzy seed which have been partially delinted, and note the absence of lemon or orange color seed.

It is a matter of public information that the classing office in Lubbock handled 1,622,000 bales the past year with 47.1 per cent of the grades light spots and 2.5 per cent spots. This percentage figures 763,900 light spots, and 40,500 spots. It has been estimated by an authority that the average price over the entire season for light spotted cotton possible to do an excellent job

Visit The Gregg Farms
We cordially invite you to visit our farms any time during the growing season, to inspect our cotton for yourself and see its resistance to leaf blight or any other points you may wish to observe. From the farms of our customers we have received many reports of high yields and good grades which are the factors which determine the farmer's profit. If you realize that it is feasible and possible to improve cotton growing on the Plains, Gregg is recommended as something different in a cotton. Contact your farm agent for seed, or come to our farm 2 miles east of Plainview, on the Lockney highway (Paid Ad.)

With Your... COUNTY AGENT

By HOMER THOMPSON

RIFLE SAFETY MEETINGS

Two rifle and safety meetings have been held during March according to County Agent, Homer E. Thompson.

Mr. Ken Coffman is the instructor for 48 4-H Club boys who have met up in Cochran County. The first meeting, called March 23, for the caliche pit had to be held in the County Building because of inclement weather. There were 19 people present. The meeting lasted two hours. The boys were given instruction on rifle safety, sighting and aiming and how to get into position. They learned the four basic contest shooting positions; prone, sitting, kneeling and standing. No

firing was done.

At the second group meeting on Monday afternoon, March 25, at the caliche pit, 3 miles west and 1 south of Lehman, Mr. Coffman gave safety instructions and trigger squeezing. All then fired a few rounds at each position. Another meeting was held last Monday, April 1st.

4-H ELECTRICAL PROGRAM

Two 4-H Club meetings were held Thursday, March 21, the Morton 4th and 5th grade club and the Morton 7th and 8th grade club. The County Agent gave a rundown on training dates for the entomology group, the rifle shooting and safety group and the 4-H tractor school and electrical training programs.

Two local men are lined up to train the boys interested in electrical work. They are Fred Morrison and Joe Carothers. At Thursday's meeting Joe gave a program on wiring switches, how to install them and safety features of handling current. There were 92 boys present for the two club meetings. Eleven signed up for further electrical work.

SHINERY DEMONSTRATION

On March 27 a shin oak demonstration was held on the Chayle Hampton place, 9 miles south of Lehman on highway 214. Even though the cold and wind was very disagreeable there were 8 ranchmen present.

Mr. G. O. Hoffman, Extension Range Specialist, applied 3 rates of CMU pellets on three areas of equal size 66 feet by 132 feet respectively. There was a strip of 33 feet between each area. The first area had applied a 4 lb. rate per acre, the second area received a 12 lb. rate and the third area received an 18 lb. rate per acre. These areas were staked off and signs will be put up later to show the results with water applied. Mr. Hoffman said he expects the results to be well visible about 18 months. The effect described on the leaves will be a burning yellow around the outer fringe of the leaves and later the leaves turn yellow and drop off. Next year the process may be repeated.

The road junction on highway 214 cutoff and highway 214 is where the demonstration is located on the south side corner of the junction. Apply CMU to shin oak to thin out only where grass will grow. Sandy areas should not be treated except where grass grows.

A few mesquite were treated individually with 2.4.5-T at the site of the demonstration.

For turpentine weed control in spots, treat by spraying one gallon 2.4.5-T to 100 gallons of diesel oil. Apply at 30 lbs. pressure about 30 gallons to the acre when weeds start green up. Double the amount of 2.4.5-T in the mixture if applied about June. It is not recommended to be applied when turpentine weed is dry or not growing. Hand sprayer may be used on a

small weed patch advises the County Agent, Ground sprayer equipment is ok, but do not use same equipment for cotton — 2.4.5-T and cotton don't mix.

ENTOMOLOGY

Five training meetings have been held in entomology this season. A total of 121 4-H boys and adult leaders attended. W. M. Butler is the Entomology instructor and is doing a superior job indicating these boys. Several sets of color slides and film have been shown. Slides on cotton insects, and beneficial insects have been shown, along with films on cotton insects over the entire cotton belt, cutworm control, 500,000 to one, five bandits on cotton. Each boy has been given a kit containing pamphlets, bulletins, pictures on insects and list of 60 insects and 29 insecticides. This course is back-ground information on all about the insects and insecticides. There are several more meetings planned for this complete training.

VISITS AILING SISTER

Mrs. J. W. Pond spent last Tuesday and Wednesday in the home of her sister, Mrs. A. C. Reeves of Midland. On January 23rd, Mrs. Reeves fell and broke her hip. She is doing very well now but still can't get around without a wheel chair — being thankful she can do that. She wishes to thank each one who has sent cards and has given her kind treatment since she has been confined to her bed.

Elle's TAMALES

GOOD! BETTER! BEST!

COMMISSIONER COMES HOME, ANOTHER IS ILL

No sooner had Commissioner Sonny Dewbre helped bring Commissioner Gilbert Keith home from the Cochran County hospital on Monday of this week, than he found himself

in the hospital.

Dewbre was suffering a stomach disorder was the early report.

Keith, home after a several day stay in the hospital, was said to be resting comfortably.

RESTING WELL

Reports from the Methodist hospital in Lubbock Monday said Mrs. L. C. Keith of Lehman, hospitalized early last week, was doing well and resting easily.

CONDITION "SAME"

The condition of Mrs. W. E. Angley, in the West Texas Hospital at Muleshoe, was reported as "about the same" Wednesday morning at last report received by the Tribune.

COLD STARTS!

Phillips 66 Trop-Artic Motor Oil permits easy starting... gives quick protection even at very low temperatures.

LONG HARD DRIVES!

Trop-Artic retains its "body" at high temperatures... gives good protection... won't thin out and burn away.

Change to Trop-Artic Motor Oil for All-Weather Lubri-tection

Lubrication plus Engine Protection... that's what you get at every season of the year with TROP-ARTIC All-Weather Motor Oil. You use the same grade winter and summer. Compared to old-fashioned motor oils, it can even double engine life. OUR GUARANTEE: Try a crankcase full of TROP-ARTIC Motor Oil for ten days or up to 1,000 miles. If you aren't completely satisfied that TROP-ARTIC lives up to all the claims made for it, your Phillips 66 Dealer will gladly drain and refill your car's crankcase with any other available oil you prefer. Could anything be fairer? Change today to Phillips 66 TROP-ARTIC All-Weather Motor Oil.

SEAL OUT SAND ...REDUCE WEAR

RAIN BIRD MODEL 30-TH

Balanced drive, with protective bridge-type construction over body, reduces wear and damage to all moving parts.

Improved snug-fitting, neoprene hood provides protection from blow sand.

New bearing insert, made of wear-resistant teflon, and soft neoprene washer provide an excellent combination to seal out sand. All wear from bearing washer is applied to this replaceable bearing insert.

- DEPENDABILITY
- PERFORMANCE
- LONG LIFE
- EFFICIENCY

The Morton Treble Choir will be featured singers at the first Baptist Church, Sunday morning.

Wayland College To Observe Senior Day

PLAINVIEW, April 2, (Spl.) — Three Cochran County students are helping at Wayland College preparing for the sixth annual Pioneer High School Senior Day, April 12, when more than 600 students and their counselors are expected for the spend-the-day on campus according to Dr. Cecil Cosper, chairman.

Lyndon Gathright, Beiva Ramsey

and Christine Wilson are all freshmen and 1856 graduates of Morton High School. Gathright, son of Mr. and Mrs. J. O. Gathright, was a member of this year's powerful freshman basketball team. Miss Ramsey, a member of the 1934 National AAU Champion Hutcherson Flying Queens team, which this year won its fourth straight National AAU crown.

Bula Athletic Banquet Is Apr. 5

Bula Junior High school will have its annual Athletic Banquet in the school lunchroom, Friday night, April 5th.

Serving on the arrangements committee will be Larry Pollard, Tony Plaz, Elizabeth Dorn and Thesa Hall.

NOTICE TO ALL OF MY PATIENTS

Dr. Lee, from Earth and now of Corpus Christi, is considering establishing his practice in Morton in June. He has kindly offered to work in my office from Sunday April 7 through Sunday April 14, so that I may take a two week course in surgery at the University of Chicago and at Cook County Hospital Post Graduate School of Surgery.

Your cooperation with Dr. Lee in my absence (From 9:00 A.M. Sunday, April 7 through 9 A.M. Monday April 22) will be more than appreciated. It will give a chance to continue my post-graduate surgical training and give Dr. Lee the chance to see where he will want to start practice.
