

# Home Demonstration Agent

**LEILA PETTY**  
**TRAVELING THDA MEETING**  
 A total of 283 delegates, visitors, and Extension Service workers attended the annual district meeting of the Texas Home Demonstration Association at Big Spring last Thursday. The meeting was held in the First Christian Church, Mrs. Ross Williams, vice-president for the district, presided.

Inspirational talks were given by Dr. P. D. O'Brien, Minister of the First Baptist Church, and Mr. Pickle, Editor of the Big Spring Daily News. Mrs. Aubrey Russell, District Agent for the Extension Service, discussed Home Demonstration Club work. Mrs. Carl Herfurth of Garland, vice-president of the Lone Star, Glass Magic, Sooner Craft, Johnson Motors, Little Dude Trailers.

**CLARK & LOGSDON**  
 BOATS and MOTORS  
 BASEBALL GLOVES, BATS, BALLS, SHOES, and SUITS at WHOLESALE  
 Phone - DAY 4-2655 608 AVENUE H  
 NITE 4-3375 LEVELLAND, TEXAS

of the Texas Home Demonstration Association, brought greetings from the State Board. Various THDA Chairmen gave reports on how committee recommendations have been carried out in their counties. Mrs. Arvel Snodgrass of Lehman, Cochran County THDA Chairman, gave the report on recreation. She was assisted by Mrs. L. Z. Scoggins of Friendly Circle, Mrs. Arthur Walker, Whiteface, and Mrs. C. D. Arnold of FOR Club, Mines, Snodgrass, Scoggins and Walker were delegates to the meeting.

Delegates elected Mrs. O. D. Kennedy from Hockley County vice-president for the district. She will take office after the state meeting of the association in August. The delegates also endorsed Mrs. Wilmer Smith of New Home for the president of the association. Elections for state officers will be held in August at Austin. All Home Demonstration Agents in the district were present for Thursday's meeting. Miss Bonnie Cox of College Station, Organization Specialist, represented the state office of the Extension Service.

**TRAINING MEETING**  
 A training meeting for Food Leaders in Home Demonstration Clubs will be held in the Banquet Room of the County Activity Building at 2:15 Tuesday afternoon, April 29. All leaders will be sent letters.

**HOME DEMON. CLUB MEETINGS**  
 The FOR, Whiteface, and Lady Fair Home Demonstration Club meetings will be held this week.

**TRYING TO CUT FOOD COSTS?**  
 Extension foods and nutrition specialists say you're paying more than just for food when you pay the grocery bill. How much you pay will depend on a number of things. Here are a few: where and how you shop; whether fruits, vegetables and meats are fresh, canned or frozen; whether foods are in seasonal supply, and whether you select luxury or economy items. Monthly food bills will also be affected by the amount of impulse or "spur-of-the-moment" buying you do; the keeping quality of the food you select; how you handle, store and cook the food, and how much goes into the garbage can. Another factor is the amount of home preparation you're willing to do.

**LIKE MOTHER, LIKE DAUGHTER**  
 Calling all mothers! Of all mothers of 16 families, mothers had poorest diets, most excess weight, and greatest number of complaints and physical abnormalities possibly related to poor nutrition. Like mother, like daughter! Teen-aged girls were close seconds to their mothers in poor eating habits. Another mother-daughter pair: Overweight mothers often have overweight daughters. Fathers don't seem to present this family hazard.

## Shooting for the Stars

**MINDS THAT KNOW** no limits are devising space travel. Youth eyes the future possibilities with interest and finds them good. Timeworn with airy theories and solid facts, like the backyard rocketeers at right, prepare to "blast off." Destination: way up yonder!

**VANGUARD SATELLITE LAUNCHER**, one of U. S. arsenal of multi-stage rockets, is poised on its launching pad. Six-wheel International truck has delivered fuel. Man has always felt the urge to soar among the stars. Some day he will—in rockets.

## With Your... COUNTY AGENT

Many boys have indicated they wish to participate in a 4-H Training School. Feel free to attend as many as you can.

Below is a schedule of schools & time and place of meetings:

- 4-H Rifle Safety and Training - Wednesdays, 5:00 p.m., April 23 & 30, at the caliche pit, 3 miles west and 1 mile south of Lehman.
- 4-H Entomology - Thursday, April 24, 5:00 p.m., Saturday, April 26, 9:00 a.m.; Monday, April 28, 5:00 p.m.; Thursday, May 1, 5:00 p.m. Meet at the County Building, County Agriculture Agents office, Morton, Texas. Don Avery, Bob Pierce and W. M. Butler will likely be around to help us on this training.
- 4-H Tractor School - Thursday April 24, at Bledsoe, at 8:00 p.m., in the Griffiths Implement Bldg.
- 4-H Elec. Demonstration - Saturday, April 26, 1:00 p.m., at the Agent's Office, Activities Bldg, Curtis Chapman, Joe Carothers and Fred Morrison may help on this project.
- 4-H Land Judging and other Tractor Safety and Maintenance Schools will be announced as dates are determined.

**FISHED OVER WEEKEND**

**SOIL CONSERVATION DISTRICT NEWS**

**OUR SOIL ★ OUR STRENGTH**

Many cooperators with the Cochran Soil Conservation District are finding grass seed production to be quite a profitable venture. Due to the past hard - stricken years, many of the drouth depleted ranges of the Southwest are in need of restoration.

Grass for seed production has a many - fold value. First of course, grass seed makes a good cash crop. Many growers have realized incomes from grass seed comparable to other cash crops. Secondly, and very important, is the beneficial effects of the grass on the soil. Many pounds of much needed organic matter can be added to the land from a stand of grass. Grass will work well in a crop rotation and no other crop can equal the soil conditioning ability of grass. Grass grown for seed production can also furnish good supplemental grazing after harvest and furnishes excellent cover during the critical blow seasons of the year.

There is still a need for seed of many of the native grasses such as sand bluestem, sideoats grama, little bluestem, plains bristlegrass, switchgrass, Indian grass, sand love grass, weeping love grass and many of the other native and introduced grasses. All of these grasses are high producers under irrigation in the district. They need extra care the first year getting them established and keeping the weeds out. After the first year, if a good stand is acquired, the grasses need very little weed control other than normal cultivation.

Many growers have already started planting their grasses for this year.

Jim Greener, who produced some 2700 pounds of seed from a six acre patch of Blackwell switch last year, has started preparing land for more grass for seed production this year. He will plant several acres of blue grama, sideoats grama and plains bristlegrass.

T. K. Williamson has just finished planting an additional grass seed plot of about 60 acres. This includes grasses such as sand bluestem, sideoats grama, and weeping lovegrass. In addition to this new planting, Tye has an old planting of blackwell switch of about 40 acres, from which approximately 12,000 pounds of certified seed was harvested last year.

Don Stanford, who is farming part of the Max Bowers farm, has land ready to start increasing his grass acreage by approximately 70 or 75 acres. Don is farming the original Indian grass planting of 11 acres that Max Bowers planted several years ago and that has maintained its yield over a period of several years. Don also planted an additional plot of about 20 acres of the Bowers' Indian grass last year. New grasses that Don plans to plant include sand bluestem, two or three varieties of

sideoats grama, weeping lovegrass, sand lovegrass and possibly some more Indian. Max is also increasing his grass plantings on his home place. He is ready to start planting additional acres of Blackwell switch, Sideoats grama, sand blue stem and sand lovegrass.

Max got very good production from a first year planting of Blackwell switch and Indian grass last year. He plans to have some 150 acres in grass this year.

C. C. Harvey, who lives near the New Mexico line will increase his grass planting this year by adding at least one new grass. Cliff already has acreages of Indian grass and sand lovegrass.

Walter and Billy Gerik are planning to expand their grass program this year by including such grasses as sideoats grama in their planting. A good yield was received from a first year planting of Blackwell switchgrass last year.

E. Z. Desbire is ready to start planting several additional acres of grass. Last year Sonny planted several acres of Blackwell switch and harvested seed which he plans to plant this year to increase his acreage. Sonny Desbire plans to use the old planting for grazing this year.

Melvin Yarborough plans to plant more grass such as weeping love this year, both for seed production and grazing.

Edmond White says that he is sold on grass as a soil improvement crop and plans to plant more acres this year to blue panic.

Many other cooperators with the Cochran Soil Conservation District are recognizing the importance of grass in their farming program and are planning to plant some this year.

If help is needed in making selections or planting information, please contact one of the technicians with the Soil Conservation Service. Financial Assistance may be obtained by means of cost - share payments through the ASC office for the establishment and for fertilizing of most of these grasses.

**LADY FAIR HD CLUB EARNS \$32 FOR CANCER WITH "COFFEE"**

At a community - wide coffee sponsored by the Lady Fair Home Demonstration Club, Thurs., April 10th, in the home of Mrs. D. A. Ramsey, \$32.75 was donated to the Cancer Fund.

Those attending were: Mmes. Clide McCormack, Alvie Harris, N. H. Steed, Sr., Paul Blackwell, W. B. Cox, C. H. Silvers, C. O. Bryant, D. A. Ramsey, Dean Richardson, Ed Nieman, Raymond Benham, W. C. Benham, Joe Sutton, Willie Griffin, C. B. Evans, and Miss Lella Petty.

Coffee and doughnuts were served by hostesses.

**Town and Country Ends Club Year**

The closing meeting of the year of the Town and Country Study club met in the home of Mrs. L. A. Cochran with Mrs. Willard Cox as co-hostess.

Two new members were welcomed into the club, Mrs. Weldon Newsom and Mrs. Hub Cadenhead.

A beautiful installation of officers was conducted by Mrs. Gene Benham of the 1956 Study Club. Her theme for the installation was flowers. Mrs. Benham presented each officer with a flower as she was installed.

Roll call, naming "your favorite trait of a friend," was answered by: Mesdames Max Bowers, Keith

**Young Matrons Discuss Cancer at Recent Meeting**

The Young Matrons' Study club met April 10th in the home of Mrs. Bill Lee.

A film on cancer was shown by Charles Jones and a film was also shown on the Morton Style Show.

The program was held by Mrs. Ruel Kelly and Mrs. Kenneth Mc Masters. It was youth night and each member brought a guest and the group held a discussion on dating problems.

**Hereford, Tex., Man Reports— More Maize On Fewer Acres Using Phillips 66 Ammonia**

Earl Holt, Hereford, Tex., says: "I harvested more grain from 250 acres of irrigated maize fertilized with Phillips 66 Ammonia than I got from my previous larger acreage which received no ammonia. And I got this increase using only one irrigation well for the entire 250 acres."

Other Southwestern farmers have discovered that 82% nitrogen from top quality Phillips 66 Agricultural Ammonia helps them get more profit per acre through higher yields. They get more cotton that classes higher at the gin . . . yields of sorghum grain and ensilage are increased . . . more marketable vegetables are harvested . . . and profits on wheat are increased through higher yields of grain and extended grazing periods.

Phillips 66 Agricultural Ammonia contains 82% nitrogen and gives you more nitrogen per dollar than any other form of commercial fertilizer available.

Is agriculture dwindling away to a position of relative unimportance in Texas?

No. Industry is growing in our State and more than half of our people are now concentrated in urban areas. These are facts - but they point not to a decline in farming but to a change in farming.

The number of workers on Texas farms and ranches has been going down for years - from 34 percent of the population in 1940 to 13 per cent now. Technological progress has made possible greater farm productivity with fewer workers. But that same progress has resulted in greater increases in the number of persons supplying farmers and processing and distributing farm products.

The total number of Texans dependent on agriculture for their living has declined only from 45 to 40 per cent since 1940, according to Texas A&M agronomists.

Our economic welfare still has its roots in the good earth. Farming has changed, but agriculture is still highly basic to the economy of Texas.

Every Texan thus has a stake in government policies that affect agriculture. That is why I am deeply concerned when the President vetoes a bill designed only to insure that farm prices will not be lower this year than they were last year.

That is why a sound world trade program means so much to

**For Rent Unfurnished**

FOR RENT - unfurnished 4-room house. Joe Carothers, Morton Electrical Supply, Phone 2221. 52-4tc

FOR RENT - 4-room apartment. See Mrs. Lee Belcher. 6-3tp

Texas, for it provides a two-way street along which we can move a substantial part of our farm production.

That is why Texans are concerned with the economic improvement of impoverished nations, enabling these nations to buy more of our food and fiber and more of the products manufactured from them.

That is why water for agricultural research is no less vital than industrial research. What's good for Texas agriculture is good for every Texan, no matter where his paycheck comes from.

The fundamental farm problem is simply to get a fair share of the national income for farmers. They are not getting it now. In 14 states the principal income is from industry. The average per capita personal income in those states in 1956 was approximately \$2,244.

In the remaining 34 states, including Texas, the principal income is from agricultural production and other raw materials. The average per capita personal income in those states in 1956 was approximately \$1,574.

That is a difference of \$670 per capita. The difference is too great.

**Judge Greenhill Seeks Election to Supreme Court**

Joe Greenhill of Travis County this week announced his candidacy for his first elective term as associate justice of the Supreme Court of Texas.

Greenhill was appointed to the State's highest civil court last fall after 20 years of varied trial and appellate courts experience.

Greenhill came up from the ranks in Supreme Court work and has had extensive experience with the Court, having served for two terms as a briefing attorney. His first tenure was several years after graduating from the University of Texas. When World War II came he joined the navy, serving mainly in the Pacific.

After the war, he returned to Supreme Court work as briefing attorney for the late Chief Justice James P. Alexander, and the late Justice Few Brewster, John H. Sharp, C. S. Slatton and Graham Smedley, among others.

He then served three years in the attorney general's office, the last year as first assistant. Until his appointment last fall to take the place of the late Judge Brewster, he was in private practice.

Judge Greenhill is a native of Texas. His grandfather was a division passenger agent for the Santa Fe Railroad in Texas. His father, who died in 1917 when Joe Greenhill was three years old, was an accountant with the Texas Company. His mother, Mrs. Violet S. Greenhill, who now lives in La Porte, is widely known throughout Texas for her welfare work and was a division chief with the State Welfare Department in the 30's.

In 1940 Greenhill married Martha Shuford, the daughter of Mr. and Mrs. H. D. Shuford of Tyler. At the time, Mrs. Greenhill was teaching in the Austin Public Schools. Her brother is Harry Shuford, captain of the SMU football team that went to the Rose Bowl in 1935. The Greenhills have two children.

Judge Greenhill said he planned an active campaign and would visit all parts of the State before the July pri...

 R. P. McCALL

**Woman injured in Auto Mishap Thursday Night**

A 46-year-old Clovis woman, who has been staying in Portales, narrowly escaped serious injury Thursday evening on the state highway, at the western edge of the City Limits, when her car rolled over out of control.

Mrs. Lyndal Cole was taken to the Cochran County Hospital after crawling out of the wreckage of her late model Chevrolet. She was first thought to have internal injuries but was released over the weekend, with only cuts and bruises and a broken nose to show for the mishap.

No other car was involved. The pavement was wet from a slow drizzle of rain that had fallen in Morton during the late afternoon.

**BLEDSoE SENIOR CLASS PRESENTED CLASS PLAY TUESDAY NIGHT**

The Bledsoe Senior Class presented their three act comedy entitled "Little Acorns" before a full house Tuesday night in the Bledsoe auditorium.

### Rambler Sales New High

Rambler sales in the Dallas zone in three months of 1958 soared 67 percent over the same period of last year to establish a new record, according to a report from the Dallas zone covers Texas and New Mexico, including the Rambler of Morton.

Rambler sales in March totaled 14,139 units. Previous month was June, 1957, when 8,465 Ramblers were delivered.

### LIONS SAY THANKS FOR PATRONAGE OF 'AROUND the WORLD'

Members of the Morton Lions Club this week gratefully offered their thanks to those who made the two night production, "Around the World in a Daze," a success last week.

The club realized approximately \$465 toward their Babe Ruth League donation through the show.

Presented Thursday and Friday nights of last week, the show played to approximately 600 persons in the two night stand.

### 1958 MORTON SCHOOL ANNUAL IS DEDICATED TO MRS. J. A. GOWDY

The 1958 Morton School annuals arrived from the publishers this past week and have been dedicated to Mrs. J. A. Gowdy.

The dedication came as a complete surprise to Mrs. Gowdy who, along with other Mortonites, read the following inscription in the '58 Year Book:

"To Mrs. Mary (Molly) Gowdy who has long deserved the honor, we, the Annual Staff, affectionately dedicate the 1958 volume of the Lohah.

Her lofty ideals, understanding counsel, and untiring efforts during sixteen years of service to the Morton Public Schools will long live in the lives of her former students, as well as those of today."

It closed with a quotation of poetry: "Whatever the lesson, the teacher taught, As if her teaching could have no ending; I saw her smiling at her work, And o'er children's desks bending; I listened, motionless and still; And, as I mounted up the hill, The teaching in my heart I bore, Long after it was heard no more."

MRS. J. A. GOWDY

### Scouts Planning Summer Trip to Cowles, N. Mex.

Plans are being formed for the week-long trip Morton Boy Scouts will make around the first week in June to Cowles, N. M.

It will be annual summer camp for some 23 youth between the ages of eleven and thirteen.

Raymond Ross, Scoutmaster, says any boy between the ages of eleven and thirteen is eligible to join.

Incidentally, Ross, who is completing his three years as a Scoutmaster, is to get his Scoutmaster key before long. Along with the three years of Scoutmastering, certain courses in Scout work must be completed, too.

The Morton Scouts meet each Monday evening from 7:30 to 8:45 o'clock at the Scout hut here.

And, besides their annual summer camp, they make short week-end trips. Only recently they journeyed to Palo Duro.

### Jaycees, Families To Attend Church at Church of Christ

The Morton Jaycees and their families, continuing into the third week their Go To Church campaign, will attend the Church of Christ at Second and Taylor this Sunday morning.

The Jaycees have three more churches scheduled for visits before the end of their campaign.

### BUSY FINGERS MET WITH MRS. BAKER

The Busy Fingers Sewing Club met April 17 in the home of Mrs. coffee.

Eva Baker with eight members. The next meeting will be May 19, in the home of Mrs. Amy Dea-

## HOW TO SAVE MONEY EVERY WEEK

**WENT TO FISH, STAY TO VISIT**  
Mr. and Mrs. Leon Hamilton & children went to Lake Stamford to do some fishing last Saturday, but do some weather too stormy for fishing, and went to Rule to spend the weekend with Mrs. Hamilton's cousin, Mr. and Mrs. Milton Anderson.

**VISITED IN ALBUQUERQUE**  
Mr. and Mrs. Tubby Holloman were in Albuquerque, N. M. last Friday and Saturday on business.

**VISITED MOTHER IN MORTON**  
Misses Marie Scott and June Scott of Lubbock spent the weekend in Morton with their mother, Mrs. E. E. Scott.

**Three Way News . . .**

**Mrs. FRANK GRIFFITH BROKE HER FINGER**  
Mrs. Baker Johnson suffered a broken finger last week. The accident occurred when she was shaking dust from a throw rug and struck her hand against the wall of the house.

**WENT FISHING**  
A group of area men left Monday of last week on a fishing trip to Lake Whitney and returned Friday evening. Making the trip were Rev. Byron Hardgrove, Morris Gant, Andrew Wittner and Baker and Jim Henry Johnson.

**FORMER RESIDENT DIES**  
Word was received here Friday that Mrs. Margie Sexton of Brownfield had died. The funeral was at Brownfield, Saturday. Mrs. Sexton was a former resident of the community.

**ATTEND STATE MEETING**  
Attending the State FHA meeting at San Antonio last week were Virginia Klatts, Nan Johnson and their sponsor, Mrs. Nan Dyer. They made the trip by chartered bus with delegates of Anton and Levelland Schools.

**HOSPITALIZED**  
Elmer Batteas is confined to a hospital in Levelland with a throat infection. He is expected to be released this week.

**HOSPITALIZED AT MSHOE**  
Mr. and Mrs. C. B. Hightower were patients in the West Plains Hospital in Muleshoe last week. Mrs. Hightower was expected to be released the first of the week. Mr. Hightower was reported to be improved Sunday but was still too ill to be released.

**NOW OUT OF HOSPITAL**  
Ed Latimer was confined to the West Plains Hospital at Muleshoe for several days last week.

**ATTENDED TRACK MEET**  
Mrs. Frank Griffith and Mrs. Florence Bailey were in Lubbock Saturday to attend the Regional track meet. Three Way boys did not place in their events.

**VISITOR FROM IDALOU**  
Mrs. Manning of Idalou visited the past week-end with her daughter, Mrs. D. P. Brinker.

**WAS CONFINED TO BED**  
Mrs. J. L. Batteas was confined to her bed several days last week with a throat infection.

**VISITED FROM EL PASO**  
Mrs. Roland Nitcher and son of El Paso visited last week with her parents, Mr. and Mrs. Benny Emerson.

**COOP GIN HELD MEETING**  
The Maple Coop Gin held the annual meeting at the Three Way School Gym last Thursday evening. New directors elected were Curly Avery, Gene Kinley and Mr. Bundrant.

**WEEKEND AT SLATON**  
Mr. and Mrs. Lewie Jordan and

**Linda spent the weekend at Slaton and Lubbock visiting relatives.**

**Mr. and Mrs. Morris Gant and girls visited at Lamesa over the weekend.**

**Mr. and Mrs. Malchus Fine attended the funeral of Mrs. Sexton at Brownfield, Saturday.**

**Mrs. C. T. Coffman mother of Clyde Coffman was in the hospital at Muleshoe again last week.**

**The Goodland Bible Study Club held an all day meeting last Tuesday to quilt. The quilt will be sold to raise money for the club to carry out their various projects.**

**FHA Group Will Sell Products**

The Morton FHA Chapter met Monday, April 14, in the home-making department. Theilma Jo Scoggins explained to the girls how they could sell Stanley Products. The chapter voted to sell a quota of \$50 worth. Thursday and Friday, Barbara Waltrip, Judy McCuiston, Karen Harrison, Mary Ledbetter and Mrs. Sanders attended the State FHA meeting at San Antonio. Judy McCuiston and Barbara Waltrip received their state degrees.

**Bill Weatherly of Socorro, N. M., visited his daughter and family, Mr. and Mrs. Tubby Holloman, a few days early this week as he had an appointment to see a doctor in Lubbock, Monday.**

**Mr. and Mrs. Sammy Leverett were in Abilene last Thursday and Friday to attend the West Texas Funeral Directors meeting.**

**CORRECTION ON DONATION TO CANCER DRIVE HERE**

A mistake in the preparation of the story on funds turned into the Cancer drive last week put the T and C Study Club contribution at \$97.70 instead of \$9.77.

**VISITED WITH BROTHER**

L. L. Latham returned home on Monday after spending two weeks visiting his brother, Charlie Latham and family of Stamford and sister, Mrs. Ella Smith and family of Cisco.

**Chehelos Have Autograph Party**

The Chehelo Horizon Club met last week in the home of Ruby Darrel for an autograph party at which time the girls exchanged greetings and best wishes in their school annuals.

Those attending the meeting were: the hostess, Mrs. M. C. Ledbetter, advisor, and the following girls: Evelyn Ainsworth, Patsy Amyx, Melba Cook, Mary Ruth Coon, Billie Crockett, Doris Fleenor Rita Gunnels, Vivian Ledbetter, Marv-

alene Hoffman, Shirley Miller, Jean Wells and Linda Williams.

Cpl. Bobby Turner, son of Mr. and Mrs. Myrtle Turner, is in Morton for a 30-day leave. Cpl. Turner has been in Hawaii for two years and has re-enlisted to go to Japan after his 30-day leave. Cpl. Turner landed on the West Coast Monday and came by bus to Morton. It was a complete surprise to his parents.

**General Telephone Makes Offer of Wage Increases To Workers Union**

SAN ANGELO (Apr. 23) — The General Telephone Company of the Southwest has offered to make several improvements in the provisions of their present contract with the Communication Workers of America Union. It was announced Wednesday by Mark Cooper, director of Public Relations for General Telephone Co. Certain of these improvements would result in increasing wages to the employees in amounts ranging up to 14 cents per hour. The wage schedules further provide that employees who would be receiving smaller amounts of increases would, during the year, receive additional wage increases by automatic progression which would average approximately 7 percent. This, when applied to the present average hourly rate, amounts to approximately 10 cents per hour additional. "The company feels that its wage offer gives full consideration to all aspects of the present economic situation," said Mr. Cooper. "In our best judgement, an increase in cost of operation is a calculated risk and must be handled with discretion. We realize, however," he continued, "that the responsibility to our employees and the effect of bargaining must be considered in the everyday cost of doing business." "As a result, we feel that a reasonable wage increase, even in the face of the present economic situation, is justified." "The offer which we have made is reasonable," said the Public Relations Director.

**Judge Quotes Law Concerning Tax Equalization Bd.**

Bill Glassford, reporting in the Tribune last week, erred in indicating that official action had been taken by the County Commissioner Court regarding "an attempt to work out a joint method of real estate tax evaluation." County Judge Fred Stockdale reported this week that such a proposal had never been brought before the Court. He pointed out that state law specifies how and when each commissioner's court shall convene and sit as a board of equalization. The following articles were provided by the Judge to show laws applying to the Court:

**Art. 7206. BOARDS OF EQUALIZATION**  
 Each commissioner's court shall convene and sit as a board of equalization on the second Monday in May of each year, or as soon thereafter as practicable before the first day of June, to receive all the assessment lists or books of the assessors of their counties for inspection, correction or equalization and approval. 1. They shall cause the assessor to bring before them at such meeting all said assessment lists, books, etc., for inspection, and see that every person has rendered his property at a fair market value, and shall have power to send for persons, books and papers, swear and qualify persons, to ascertain the value of such property, and to lower or raise the value on the same. 2. They shall have power to correct errors in assessments. 3. They shall equalize improved lands in three classes, first-class to embrace the better quality of land and improvements, the second-class to embrace the second quality of lands and improvements, and the third-class to embrace lands of but small value or inferior improvements. The unimproved lands shall embrace first, second and third class, and all other property made as nearly uniform as possible. 4. After they have inspected and equalized as nearly as possible, they shall approve said lists or books and return same to the assessors for making up the general rolls, when said board shall meet

again and approve the same if same be found correct. 5. Whenever said board shall find it their duty to raise the assessment of any person's property, they shall order the county clerk to give the person who rendered the same written notice of same. They shall cause the county clerk to give ten days written notice before their meeting by publication in some newspaper, but, if none is published in the county, then by posting a written or printed notice in each justice's precinct, one of which must be at the court house door. 6. The assessors of taxes shall furnish said board on the first Monday in May of each year, or as soon thereafter as practicable, a certified list of names of all persons who either refuse to swear or to qualify or to have signed the oath required by law, together with the assessment of said person's property made by him through information; and said board shall examine, equalize and correct assessments so made by the assessor, and when so revised, equalized and corrected, the same shall be approved. Art. 7211. EQUALIZATION OF ASSESSMENTS

Hereafter when any person, firm or corporation renders his, their or its property in this State for taxation to any tax assessor, and makes oath as to the kind, character, quality and quantity of such property, and the said officer accepting said rendition from such person, firm or corporation of such property is satisfied that it is correctly and properly valued according to the reasonable cash market value of such property on the market at the time of its rendition, he shall list the same accordingly; but, if the assessor is satisfied that the value is below the reasonable cash market value of such property, he shall at once place said rendition opposite each piece of property so rendered an amount equal to the reasonable cash market value of such property at the time of its rendition, and if such property shall be found to have no market value by such officer, then at such sum as said officer shall deem the real or intrinsic value of the property; and if the person listing such property or the owner thereof is not satisfied with the value placed on the property by the assessor, he shall so notify the assessor, and if desiring so to do make oath before the assessor that the valuation so fixed by said officer on said property is excessive; such officer to furnish such rendition, together with his valuation thereon and the oath of such person, firm or officer of any corporation, if any such oath has been made, to the commissioners' court of the county in which said rendition was made, which court shall hear evidence
