Whiteface Juniors Elect Officers

The Whiteface Junior Class announced officer election for the present school year.

Juniors named Zada Bea Snodgrass as their president and the following slate of officers to serve with her:

President, Zada Bea Snodgrass; Vice-President, Sandra Powell; Secretary, Nita Moore; Treasurer, Daniel Galvin; Reporter, Mary Nell Stegall; Social Chairman, Ann Hunt; and Parliamentarian, Wayland McClellan.

H.D. Council Welcomes New Club; County Wide Achievement Day Set

A new club was welcomed into the County Home Demonstration Council at the Council's regular meeting on September 9th. The club—called Halfway—is headed by Mrs. Bob Hamilton.

Mrs. G. C. Keith, Chairman, presided at the meeting of the Council in the Banquet Room of the County Activity Building. Mrs. Edward Brownlow served as Secretary. The Chairman of the various com-

mittees read their committee's recommendations for the year's plan of work to check progress. It was planned to have a Countywide Achievement Day on October 14. Mrs. Arvel Snodgrass is chairman of the Exhibit Committee which will be in charge of the day's program. Club members will exhibit work done during the year. It was decided to have the canned food (preserves, jellies, vegetables, fruits and pickles) judged. The day's program will include demonstrations on Crafts and Safety.

Very interesting reports of the state meeting of the Texas Home Demonstration Association were given by two of the delegates, Mrs. G. C. Keith of Whiteface and Mrs. Arvel Snodgrass of Halfway. The state meeting was held August 13-14 in Austin. Galveston and Corpus Christi have invited the Association to their cities for the 1959 Convention. A highlight of the August meeting was the election of a District 2 Home Demonstration club woman as president of the state association. She is Mrs. Wilmer Smith from Lynn County.

Attending the Council meeting were Mrs. Keith, Whiteface; Snodgrass, Halfway; F. L. Ford, Lehman; Howerton, Leon Lovell and M. W. Ellington, Jr., Halfway; C. T. Arndt, A. C. Jones, H. H. Clark, Farm, Oil and Ranch; J. N. Burnett, 4-H Committee Chairman; and Miss Leila Petty, County Home Demonstration Agent.

Officers Elected By Morton FFA Group

Clyde Brownlow, a senior in Morton High School, has been elected president of the Morton Chapter of Future Farmers of America. Clyde is the son of Mr. and Mrs. Earl Brownlow of Morton.

Other officers elected for the school year include Don Gandy, vice-president; Kirby Hoffman, secretary; R. E. Thomson, treasurer; Paul Zuber, reporter; Jackie Neal Brown, sentinel; and Brownlow, student Council representative. C. D. Knott, agriculture instructor, is advisor of the Morton FFA Chapter.

The outgoing officers of the year are Kirby Hoffman, president; Gary Middleton, vice-president; Max Hawthorne, secretary; Clyde Brownlow, treasurer; Paul Zuber, reporter; Don Gandy, sentinel; Tommy Holloway, student advisor.

Other officers elected for the refreshment committee are Dewayne Miller, chairman; Leon Jefferson, Bill Stovall and Bobby Nieman.

The meeting was held Monday, September 11, 7:30 P.M. in the Agriculture Building. There were 45 members and two guests present at this meeting.

H. D. AGENT

P. LEILA PETTY HD CLUBS MEETING

Home Demonstration Clubs meeting this week are Lehman on Wednesday with Mrs. Trussell, Halfway on Thursday afternoon with Mrs. M. W. Ellington, Jr.; and Friendly Circle on Friday afternoon at the home of Mrs. L. Z. Scoggins.

The P. O. R. Clubs meet on Wednesday, September 24 at the home of Mrs. H. H. Clark. The Whiteface Club meets Thursday, September 25 and the County Line Club meets Friday, the 26th. Visitors are welcome to attend these meetings.

FIRST CHILD IS BOY

Jerry and Bea Ruzicka of Columbus, Georgia, announced this week the birth of their first child, a son, named Mark Steven, born on September 1th, at Columbus, in an Army Hospital.

The child, weighing 7 lbs. 1 oz., is the grandson of Mr. and Mrs. L. M. Ruzicka of County Line and of Mr. and Mrs. Bert Darland of Morton.

DAUGHTER FOR LINDSEYS

Mr. and Mrs. W. K. (Speedy) Lindsey of Brownfield, formerly of Morton, are the parents of a girl born September 15. The child weighed in at 7 lbs. 2 oz., and has been named Mary Kay.

Grandparents are Mr. and Mrs. A. R. (Pete) Lindsey of Morton and Mrs. Bona Williams of Sundown.

John Zielinski Is War Whoop Editor

John Zielinski was elected editor-in-chief of the Morton School student paper, War Whoop, by members of the journalism class, Friday.

Other members of the staff elected were Myrlan Cox, business manager; Mary Ruth Henry, assistant editor; Margaret Hodges, news editor; Patsy Sybert, feature editor; Loy Kern, sports editor; and Katrina Hardberger, editorial editor.

Copysiders and reporters are: Susie Hawkins, Denise Rose, Evelyn Ainsworth, Peggy Patterson, Yvonne Mansell, Carolyn Cook, Don Gandy, Jimmy Taylor, Wendell Holloman, and Paul Beleher. Officers were elected for a term of two months. Bill Glassford is class advisor.

MOVING TO ARIZONA

Mr. and Mrs. M. D. Abbott and family are moving this week to Springerville, Arizona, where he will be County Supervisor of the FHA office there. Abbott has been associated with the local FHA office.

Wilma Bertram, Earl Parkinson To Wed Oct. 5th

Mrs. Ruth Bertram of Morton, announces the approaching marriage of her daughter, Wilma Eloise, to Earl F. Parkinson of Milnesand, N. M., son of Mr. and Mrs. A. M. Parkinson of Portales, N. M.

The wedding is slated for Oct. 5 at 3:30 p.m. at the First Methodist Church in Morton.

Rev. James E. Barral, pastor of the church will perform the ceremony.

Wilma is a 1956 graduate of Morton High School. Her fiance attended Milnesand schools. They will make their home on a ranch near Milnesand, N. M.

Members of the families are all invited to attend the wedding.

Terrific Power in a Small Package!

Like a top-flight athlete, a good automobile battery must have emergency power, to get you started under difficult conditions . . . and it also must have staying power, so you can depend on it year after year.

Phillips 66 Trop-Artic® Batteries give you both kinds of power . . . and lots of it! Silver plated grids help preserve the power of your Phillips 66 Trop-Artic Battery. You get the protection of a written guarantee.

Let your Phillips 66 Dealer take care of your present battery. He'll supply it with water, check the terminals, re-charge it if necessary. And when you need a replacement he can supply a powerful new Phillips 66 Trop-Artic Battery . . . a battery you can really depend on!

COTTON TRAILERS
on PLAINSMAN CHASSIS

- FIFTH WHEEL and AUTO-STEER CHASSIS
- 14-inch AIRPLANE TIRES and WHEELS or 15-inch WHEELS and TIRES
- 12,000-pound CAPACITY
- BEDS of Good, Tough Yellow Pine, Bolted Slats, 2-inch Floors, and Painted

FIFTH WHEEL AUTO-STEER

- New high speed, LM series Timken bearings.
- Heavy frame fully boxed to assure added strength.
- Heavy channel A-frame tongue with long extension to permit shorter turning. Attached to axle at load center to assure even pull with straight line tracking.
- Lower bed height lowers center of gravity and carries loads closer to ground.
- Husky 6-inch fully boxed axles and 1 1/2-inch spindles give it more than adequate strength to withstand the most rugged operation.
- New engineering design to steering mechanism, with special king pin inclination and caster characteristics for straighter trailing.
- Turns on better than 60-degree radius.
- Extra long tongue permits shorter turns with maximum bed overhang.
- Heavy 6-inch runner mounting pads prevent chafing of wood runners.

— PRICED RIGHT! — COME and SEE!
Also, TRAILER TIRES, TUBES, and WHEELS

- NEW No. 27 AIRPLANE TIRES — 26.6 AIRPLANE TIRES

 Morton.

**Nancy Blackley, Cecil Ellis Are Wed
 In Ceremony at County Line Baptist**

In a double ring ceremony con-
 ducted at the County Line Baptist
 Church at 6:00 p.m. Saturday eve-
 ning, September 13, Miss Nancy
 Anne Blackley of Midland and Cecil
 Bryan Ellis, also of Midland, were
 united in wedlock.

Rev. James A. Groen performed
 the ceremony before an arch of au-
 tumn leaves flanked by baskets of
 bronze and yellow mums, which
 united the daughter of Mr. and
 Mrs. Vernon Blackley of Morton
 the son of Mr. and Mrs. Earl W.
 Ellis of Dublin, Texas.

Given in marriage by her father,
 the bride wore a waltz length gown
 of white Alencon lace over taffeta
 short sleeves and matching head-
 and net. It was fashioned with a

scalloped neckline and outlined
 with seed pearls and iridescent se-
 quins. The short sleeves were scal-
 loped to match and the fitted bod-
 ice came to points in the front and
 back. The long waistline of the dress
 was accented to match the neck-
 line with seed pearls and sequins.
 The bride's veil of illusion fell from
 a tiara of seed pearls and sequins.
 She carried a bouquet consist-
 ing of a white orchid and step-
 henotis on a white Bible.

The Matron of Honor, Mrs. Way-
 ne Walthall of Levelland, sister of
 the bride, wore a russet-colored
 business style dress, fashioned with
 short sleeves and matching head-
 and net. Her bouquet was an ar-
 rangement of bronze and yellow pom-
 pom mums.

Miss Myrlan Cox sang the selec-
 tions "Because" and "Eternally".
 Alston Ellis, brother of the bride-
 groom, from Fort Worth, served
 as best man.

A reception followed in Fellow-
 ship Hall in the church with the
 couple assisted in receiving guests
 by both the parents of the bride
 and bridegroom.

In the House Party were Mrs.
 Wayne Walthall and Mrs. Ronald
 Coleman, sisters of the bride, Mrs.
 Johnny Mulloy, sister of the bride-
 groom and Miss Susan Blackley,
 who registered guests.

Decoration followed the same fall
 and autumn theme.

Out of city guests included Mr.
 and Mrs. Alston Ellis, Fort Worth;
 Mr. and Mrs. Johnny Mulloy, Lub-
 bock; Mr. and Mrs. Earl W. Ellis,
 Sr., Dublin; Mr. and Mrs. Earl
 Ellis, Jr., Henrietta; Mr. and Mrs.
 E. C. Feagan, Jr., Hamlin; Mr.

and Mrs. Wayne Walthall, Levelland;
 and Mr. and Mrs. W. H. Lit-
 tlefield, Mrs. R. P. Blackley, Sr.,
 Mr. and Mrs. Roy Propst, Charles
 Stephens and Lee Stephens, all of
 Anson.

For her wedding trip to Lake
 Murray, Ardmore, Okla., the bride
 selected a dark brown imported
 wool suit, trimmed with white col-
 lar, brown shoes and bag, white
 hat and gloves and a white orchid
 corsage from the bride's bouquet.

The couple plan to be at home
 in Midland at 2409 West Kentucky,
 after September 21.

Mrs. Ellis, a graduate of Morton
 High School and Hardin - Simmons
 University, with a BBA degree as
 a secretarial science major, is em-
 ployed as a secretary in the Explor-
 ation Department of Humble Oil
 and Refining Company at Midland.
 She is a member of the French
 Heels Club.

Ellis, a graduate of Dublin High

Three Way MYF Entertains Area Church Families

At a "Barnyard Stomp" given on August 27, the MYF entertained families and youth from churches of the Three Way community.

Represented were Trinity Methodist, Maple Baptist, Methodist Church of Christ and Three Way Baptist.

Games of volleyball, table tennis, horseshoes and darts were played. Climax of the event was a balloon game representing the name, "Barnyard Stomp."

A barbecue supper was served by the ladies of the W.S.C.S. to the sixty guests attending.

VISITED PARENTS

Mr. and Mrs. L. C. Saleum and children of Fairwell, Mrs. Era McComish and children and Mrs. Burt McCasland spent Sunday with their parents, Mr. and Mrs. R. H. McCasland.

With Your... COUNTY AGENT

By HOMER E. THOMPSON

SALT WATER POLLUTION

Last Tuesday, Sept. 9, three officials of the High Plains Underground Water District visited the Whiteface area. They were George McCleary, Attorney for the District, Allen White, Public Relations, and Bill Broadhurst, hydrologist. These representatives contacted members of the Salt Water Sub-Committee. They were Ed Burton, H. L. Graham, Jr., and Floss Baldwin. This group accompanied by Roy Hickman, ASC Committeeman and Hub Cadenhead, farmer, visited several fields and surface salt water pits in the area.

The purpose of the District is to protect the underground water from salt pollution by enforcing the district water rights law where improper salt water disposals are being made on land within the dist.

Unfortunately, not all the land south of Whiteface is in the District. A petition is now being drawn up by the H.P.U.W. District to be circulated around in the Whiteface area now located in the district, to see if landowners favor annexation into the district. If expansion of the district is voted, the district will lend its forces to protect further the salt water pollution by sump pit disposal to methods approved by the district. This means doing away with the surface pit as a source of contamination, advises the County Agent.

CROPS PLANNED FOR WINTER PROTECTION

Crops to be planned for winter protection are now ready to be planted. Plant rye or winter legumes. There is an ANCP payment on these crops too. See the ASC Office. These are protective crops and can be planted now and can be plowed under after April 1. These crops will hold Johnson grass down in fields or bar ditches.

DESSICANTS TO HASTEN GRAIN SORGHUM DRYING

The following information has been received from Mr. Ben Spears, Extension Agronomist, College Station, on the use of dessicants to hasten grain sorghum drying:

There has not been thorough research studies on the toxic effect of various chemicals used as desiccant or desiccant as far as livestock are concerned. At Whiteface where 2,4-D (of Sodium chlorate and iron metabolite) was used as a desiccant on grain sorghum, steers were fed some of the sorghum grain without harm. They gained normally and seemed to prefer the treated grain because of the salty taste. I do not know of any studies where livestock grazed treated sorghum. I discussed this matter with the Veterinary Department. They say the sodium chlorate and sodium metabolite chemicals are toxic to livestock, but at the rates used in desiccating grain sorghum, may be no observed ill effects. They have not had any cases of

such poisoning reported to them although they feel there have probably been livestock turned in on fields that had desiccants applied. It would be safe to delay grazing until rains have occurred on the treated sorghum.

Pentachlorophenol compounds have not been recommended as they are more likely to cause toxic effects on livestock. For this reason, the desiccant compounds should be avoided.

These desiccants partially kill the sorghum plants and will hasten grain drying, provided weather conditions are favorable for drying. We have had some cases where desiccants were applied and the grain did not dry any more rapidly than in untreated fields. This usually occurs where rainfall and high humidity interfere with the drying process.

It is recommended that the chlorate borates as desiccants on grain sorghum for aerial applications 15 to 25 gallons of chemical per acre is needed. The 2.5 rate will be more positive in giving desired desiccation. This chemical should be applied in 5 to 20 gallons of water per acre.

At least 8 days should elapse after spraying before livestock are turned in the field and as stated before it would be preferable to wait until after a rain.

ALFALFA

Alfalfa is important as a hay seed, pasture or browse crop. It is also valuable for silage production and is an excellent soil building crop. The most suitable varieties for use in Texas are the common varieties, either Southwestern or Bonanza.

Range and Buffalo varieties are the best for seed production on the rolling and High Plains areas. They have an advantage over common seed varieties from the standpoint of freeze, production.

Fall is the best time for sowing, and seed beds should be firm, clean and moist. Seed should be certified and should be inoculated before planting.

A publication entitled "Alfalfa for Forage and Seed" is available at your County Agent's office.

Now, while we are on seed, lets talk about any kind of seed. It is of first importance to know the seed you buy. If you buy cotton seed, or other seed, don't let the small extra cost stop you from buying certified seed.

You can save your own planting seed of good varieties, however there is a danger of mechanical mixing in the combine or drill. You cannot over-stress, when you buy seed, buy certified seed. That small extra cost is good insurance of the seeds and origin and to know it has been inspected by the State Department of Agriculture and that it is the variety you want. Too, there are other advantages to certified

Young Matrons Honor President To Open Club Year

The Young Matrons' Junior Study Club honored their new president, Mrs. Lowell Webb with a dinner in the home of Mrs. Bill Lee, Thursday, Sept. 11, 1958, at 8:00 p.m.

Guests for the occasion were Mrs. Bill Bieder, Mrs. Bill Gandy, Mrs. Ruel Kelly, and Mrs. Buddy Hanna.

The invocation was given by Mrs. Hanna.

The tables were centered with a carnation the club flower.

A delicious dinner was prepared by Mrs. Orel Massey, consisting of chicken and dressing, green beans, sweet potatoes, cranberry sauce, salad hot rolls, tea, and peach cobbler and coffee for dessert.

Mrs. Bill Lee introduced the president, Mrs. Lowell Webb and gave a speech to the club, on the theme "Now Is The Time."

Mrs. Billy Lee Gandy presented the new members to club members and gave a few comments on the new books.

One of the club's projects for the year is organizing the Nurses Auxiliary. All the club members are planning to sign the Roll-Call Sheet of Nursing, sometime in October.

After a short business session, the president adjourned the meeting.

Other members present were: Madeline, Doctor Kolbitz, Rev. Tarver, Jr., Sammy Lovitt, Steve Morrow, Louis Russell, Kenneth McMaster, Bob Mayon and Kenneth Watts.

VISITING SISTER AND FAMILY

Mrs. Mary Polly of Santa Cruz, Calif., is spending this week in Morton visiting her sister, Mrs. Carrie Scott and family.

Three Way MYF Attends Sub. Dist. Meeting at Anton

Three Way MYF members recently attended a district meeting on September 8. Eleven members attended the sub-district meeting at Anton.

They were Yuvonda Taylor, Leslie Fink, Ricky Galt, Mike Pollard, Frank Stigall, Kenneth Everett, Lorena Long, and sponsoring the group were Rayford Masten and Wayne Reid.

Lorena Long is president of the Three Way Methodist MYF group.

AT TROUT FISH FRY, SEPT. 14

The Garland Branch of the scene of a Fish Fry, September 14th, at 6 p.m. when guests were dined on rainbow trout caught at Malae Lake, Colorado.

Those attending included: Mr. and Mrs. J. M. Brown, Mr. and Mrs. J. Marvin Brown, Marvin Lee and Kathy, Mr. and Mrs. Loyd Brown, Milton and Linda, Mr. and Mrs. Donald Brown, Nancy and Marvin, Mr. and Mrs. Ivan Brown, Sandra and Marvie, all of Bledsoe; Mr. and Mrs. Ralph Cadew and Leslie, Mr. and Mrs. Delbert Stephens and Delberta of Star Route, Morton; Mr. and Mrs. Grady Terrell and children, Lov-Fand, Mrs. Irene Terrell and children of Lovelland; Mr. and Mrs. Arlan Perle-

ins of Bluit, N. M.; Mr. and Mrs. Carol Gene Baldrige and Morris Gene, Morton; Mr. and Mrs. John L. Harral of Abernathy; Jerry Dale Cox of Bledsoe and Mr. and Mrs. Garuand Brown and Jerry Don of Star Route, Morton.

ATTEND FUNERAL IN COLO.

Rev. and Mrs. Houston Walker were in Colorado, near Durango, the first of this week to attend the funeral of a brother-in-law of Mrs. Walker. The services were to be on Wednesday.

INDIANS EDGE WHITEFACE ELEVEN, 12 to 6

ANTELOPE MISTAKES LEAD TO MORTON TRIUMPH; EDGE IN STATISTICS GOES TO WHITEFACE GRIDDERS

In what may well go down in their memories after the season is over as the hardest fought game of the season, surprisingly even teams from Whiteface and Morton waged a tremendous battle Friday night on the Antelope gridiron, before the Morton Indians capitalized on a Whiteface mistake and turned the break into a 12 to 6 victory.

Statistically, Whiteface beat the local boys ears back — mainly on the strength of a beautiful 94 yard

sustained march for their only score, that took up all but about five plays of the second quarter. In the one march they racked up nine first downs and in the second quarter they posted 118 total yards to only five for Morton, which had the ball only four plays.

But Whiteface, despite the fact it is a Class B school and Morton is a Class AA school, had most of the horses. Whiteface had more players, a slightly heavier group, and considerably more power in their overall attack. Perhaps the one big advantage in Morton's favor was more deceptive ball handling in the backfield. Morton's group appeared in a little better shape, physically.

Nevertheless, it was Whiteface mistakes that beat the Antelopes.

and not anything else. They lost the pigskin on fumbles twice and on pass interceptions three times. They appeared to slash holes in the Morton line with ease for five or six yards at a clip, but they couldn't turn the corner for that long end run, something Morton was in a position to accomplish two or three times. They did a clever job of alternating their trio of hard running backs, Allen, Collins and McClellan. Morton was prepared for Neil Allen and Washland McClellan, but Collins devastating slants off tackle got a tremendous amount of yardage. Morton hadn't figured on Allen was Whiteface's workhorse. Collins ran a close second and McClellan was their fancy Don runner who did a good job of cutting, faking and swivel hiping. Whiteface also after the first quarter did a good job of keeping Morton's passing attack off balance. But not so much after the first quarter was too late in that department, for it was a 41 yard pass and run play, Jackie Brown to Perry Don Seaney, in the left flats, that gave Morton its first score. And as the Antelopes bottled up Morton's passing attack after the first period, so should they have bottled up their own. They only completed a pair of passes all night, which figured little in their attack but they could ill afford the trio of pass interceptions that Morton gleaned.

The game was cleanly played & the officials showed little attention to accuracy in placing the ball down after plays were concluded, and this resulted in several first downs and missed first downs that would not have been made if the officials had watched closely where the runner was when the whistle blew.

But the officiating did not dampen the outcome of the game. Not that team had any overwhelming advantage from these mistakes.

It's a tribute to the boys that they walked off the field after it was over, realizing each other and patting each other on the back. The odds were against Morton in that no matter what the outcome they had nothing to gain. Though they can feel proud to have beaten this fine Whiteface team, in the eyes of others, it's no accomplishment for a Class AA school to beat a Class B school. On the other hand Whiteface had a lot to gain and they meant to win that game. They came within just a little of doing it. And, on paper, they gained a lot of respect by nearly beating Morton.

In the first quarter, Morton had a slight edge after the two teams had exchanged the ball. Brown's 43 yard punt put Whiteface back on their heels, but McClellan ran the best back 15 yards to the 22. Morton held for downs and the return kick was only to midfield and Morton had its first break. In 3 plays they posted a first down and then Brown hit Seaney with his pass in the left corner and Seaney was bobbed the Whiteface secondary. He scored and Naim was halted shy of the goal trying for the extra point.

It looked like Morton had another break on the kickoff when the ball took a bad bounce and was finally cornered by Collins on the 6 yard line. He got it back to the 10 and here started the great drive of the game. In three plays to the end of the quarter, Whiteface had a first down on the 23.

An incomplete pass started the second quarter. Then the Antelopes ran 19 consecutive ground plays. On one occasion they were held to no gain, twice they made one yard; once 2; three times they got 3; on five occasions they netted 4; twice 5; twice 6; twice 7; once 8. The workhorse was Allen carrying 10 times. He also added the first two yards to make the only Whiteface score, but he was stopped short of extra point territory.

Morton kept the ball only two plays before senior center Gaylon Baldwin intercepted a pass and it looked like the Antelopes were off and running again. They gained 3 first downs to the Morton 12 yard line before Willingham intercepted a Neil Allen pass behind the Morton goal line on the next to the last play of the half. Morton had time for one play before the half ended. The second half was a different story. Whiteface failed to move the ball the first two plays and Allen fumbled a handoff on the third play. Willingham recovered on the 20 yard line. It took Morton only 7 plays to grind out the winning touch down. They put together the only two first downs they made in the third quarter for the score. Naim, Seaney and Willingham each picked up six yards. Seaney got five more, Naim 2, Seaney 4; and then Willingham smashed over for the score. A fake kick and pass for the extra point failed.

Whiteface got to the Morton 33 and lost the ball on downs. In the fourth period two times it was a first play aerial snared by Butch Naim that stopped Whiteface's scoring opportunities. They got to the Morton 27 on one occasion but lost the ball on downs, and a fourth drive in the last quarter was snapped when end H. L. Hanna smeared Collins for an eight yard loss.

The Indians couldn't move the ball well on their own initiative, but they posted a staunch defense

to protect their one touchdown lead. A team supposedly weak on defense made that their strong suit, when they had to.

One other thing must be pointed out. Here is a team that week after week, last year, and this year, had tough breaks into victory. After so long, you have to decide that Morton has been making these breaks, not waiting for them.

Twenty intercepted passes in the last 12 games and 28 recovered fumbles tells a lot of the story of the Morton success. Statistic-wise, here's the way it figured out:

Whiteface had 15 first downs to 7 for Morton; 219 total yards to 185 for the Indians; 187 to 144 on the ground. Morton had a slight advantage in passing yardage, 41 to 22 & defense against passing told the rest of Morton's success story. The Antelopes tried 8 passes, completed 2, and had three intercepted. Morton tried five, completed only one, it for 41 yards and a

touchdown, and had two intercepted. They stopped passing when they began to have them intercepted. Morton had five penalties for 35 yards. Whiteface only one for 15 yards. Whiteface fumbled the ball four times and lost two of these fumbles. Morton fumbled only on one occasion with considerably more ball handling in the backfield.

Morton again got good kicking

strength, averaging 35 yards on 3 punts, which helped greatly in keeping Whiteface back in their own territory.

VISIT IN GALLUP

Mr. and Mrs. W. E. Angley of Morton visited last week in Gallup, N. M., and attended the annual Navajo Tribal Fair. The event attracts thousands of visitors each year to Gallup and it also brings thousands of Indians into Gallup for the celebration.

This year's Indian attendance was estimated at 20,000.

VISITS YOUNGS

Mr. and Mrs. J. E. Roane, former Bledsoe residents, visited over the weekend in the home of Mr. and Mrs. Edsel Young and family of Bledsoe. Roane, former superintendent of the Bledsoe schools, is now superintendent of schools at Loop.

Loop.

He has 14 faculty members at his new school and was especially proud of the community support of the 8-man football team. "They turn out for football games there like Bledsoe used to turn out for basketball," he said. Bledsoe had no football team.

Castro County Man Reports—
100 pounds of ammonia made 51-bushel wheat

Don J. Heard, a successful Dimmitt, Tex., farmer, says: "I put down 100 pounds per acre of Phillips 66 Agricultural Ammonia pre-plant on my irrigated wheat and made 51 bushels per acre average on 108 acres. I'm sold on the dollars-and-cents value of applying Phillips 66 ammonia to my wheat land."

Other successful Southwestern farmers use Phillips 66 ammonia to give them higher grain yields . . . and more profitable grazing. The 82% nitrogen in Phillips 66 Agricultural Ammonia gives young wheat a fast start, supplies plenty of lush, protein-rich forage that puts on more beef at less cost per pound.

Many of these farmers plow down Phillips 66 ammonia in the fall on maize land. They know that the 82% nitrogen helps decompose crop residue, to provide extra plant food and make the soil more productive. Remember, Phillips 66 ammonia gives you more nitrogen per dollar than any other form of fertilizer—a full 82%.

New Band Officers Named Here

The Morton High School Band officers have taken over their election office this year.

New officers are Bill Ed Thomas, president; Bill Gray, vice-president; Christine Gray, secretary; Vivian Ledbetter, treasurer; John Zielinski, sergeant at arms; and Mary McCusker, historian; and Patsy Amyx, reporter.

The Majorettes for the band this year are Vivian Ledbetter, Henrietta Bedwell, Joyce Sedgewick, Margaret Hodges and Patsy Amyx. The Drum Major is Christine Gray and the band is directed by John Brown.

VISITING PARENTS

Mrs. Gale Pugh of Midland is visiting her parents this week. Mr. and Mrs. T. A. Thomas.

HAPPENINGS OF INTEREST AROUND THE ENOCHS AREA

VISITED JOHN GUNTERS

Mr. and Mrs. J. D. Miller of Corsicana visited last week with his sister and family, Mr. and Mrs. John Gunter.

Call home Sunday were Mr. and Mrs. J. J. Brackman and Jewellene, Mr. and Mrs. Robert George of Lubbock and Mrs. Raymond Hall and girls, Sharon and Janice.

VISITING AROUND ENOCHS

Mr. and Mrs. Cleo Hall and family of Phoenix, Ariz., are visiting her parents, Mr. and Mrs. J. D. Bayless and many other friends and relatives around Enochs. They brought Mrs. Carl Hall home from Phoenix where she had been staying with her daughter and family, Mr. and Mrs. Bill Harris, for the past month.

ATTENDS AMARILLO MEETING

Mrs. H. H. Snow attended a meeting in Amarillo Saturday. She is area Stanley representative.

Everyone has been issued a cordial invitation to attend the revival meeting in progress at the Enochs Methodist Church.

HAS BIRTHDAY PARTY

Marilyn McCall was entertained on her 10th birthday Sept. 10 with a party at the Morton Park. Ice cream, cake and more were served to Betty Salyer, Juana Young, Barbara Williams, June McCord and the honorarium, Mr. and Mrs. Nath Crockett of Morton, grandparents of Marilyn also attended.

VISITED OVER WEEKEND

Mr. and Mrs. Leland Finley and family of Wellington visited her parents over the weekend, Mr. and Mrs. J. D. Bayless.

OBSERVE PRAYER WEEK

Prayer of Prayer on Tuesday of last week.

GUESTS OF McCALLS

Sunday visitors in the E. N. Mc

J. Brackman attended the annual W.M.U. Associational meeting in Muleshoe last Thursday.

OUT OF HOSPITAL

Among the list of things we are glad to report this week are the following persons doing well. Dick Bryant is doing better after having surgery in Littlefield Hospital.

Mrs. Joe Speck is home from the hospital in Muleshoe and doing nicely.

Mrs. T. A. Thomas is home after being in the hospital at Littlefield and is able to be up and around.

VISITED IN MULESHOE

Mr. and Mrs. R. P. McCall, Marilyn and Randy visited their daughter and husband, Mr. and Mrs. Burley Roberts in Muleshoe Sunday. Also visiting the Roberts were Mr. and Mrs. A. C. Archer.

Tips Offered To Flower Show Entrants As Local Garden Club Show Nears

The following story is being published on request of the Garden Club to better prepare those who may want to enter the Fall Flower Show in October.

The next step in making an exhibition arrangement is to get all mechanics together. Collect the scissors, sharp knives, small snod of wire, florist wire, small meshed poultry wire, florist clay, needle and thread of various sizes and paraffin. Pins can be used to keep leaves in place or canna leaves rolled. Scotch tape serves in a million ways. Use all of these things — but not visably.

The Cochran County Garden Club annual flower show is again expected to draw a lot of interest in Morton and surrounding area when it is held at the County Building, Monday, Oct. 11 from 8 a.m. until 8 p.m.

When making arrangements to enter the fall flower and flower shows, the first thing to consider is the exhibitor. Read it carefully. Make plans to enter certain classes. Remember that one good arrangement is worth several poor ones.

The choice of containers is very important. Simple forms, grayed or neutral colors with little or no glaze are preferred. Flowers should be the attraction rather than the dazzling containers.

When using floral clay, both the hands and container should be perfectly dry. Roll the clay between the palms until it is as big around as a finger. Place around the base of the holder. Put them in the desired position on the container and press clay firmly against both holder and container. Oasis is a product which can be bought from the florist. It is considered most satisfactory by good arrangers. Ask for the instructions on its use, when it is bought.

Household articles such as teapots, crockers, bottles, mixing bowls, blenders and goblets seem to enjoy a different function.

Several small stemmed flowers can be tied together in a bunch and used as one flowering stem. There are many different types of holders. The most simple one is small meshed poultry wire crushed into a tall container. Paraffin can be heated and poured around, not on, any needle point holder, but it should not be used until the paraffin is cool.

The schedules some time call for necessities, and some time do not. An accessory constitutes anything but the arrangement other than the container, flowers or foliage. It may be a stone base, figurine, lid to a container, bird nest or even a home. Whatever is used, it

When using floral clay, both the hands and container should be perfectly dry. Roll the clay between the palms until it is as big around as a finger. Place around the base of the holder. Put them in the desired position on the container and press clay firmly against both holder and container. Oasis is a product which can be bought from the florist. It is considered most satisfactory by good arrangers. Ask for the instructions on its use, when it is bought.
