59 FORDS AWARDED GOLD MEDAL

THE WORLD'S MOST BEAUTIFULL PROPORTIONED CARS

Why did the Comité Français de l'Elégance bestow upon Ford its highest award? One firsthand look and you'll see why these altogether-new 59 Fords were called the world's most beautifully proportioned cars. You'll see it in the new Thinline Roof and see-it-all rear window . . . in every clean and gleaming, low-swept line.

Yes, every brand-new Ford styling feature . . . from Fashion Star Grille to Iris Eye Safety Taillights-is designed to keep that brand-newness! Its Diamond Lustre Finish, for example, never needs wax to keep its glitter. And when we tell you Ford's low first cost, you'll realize that this 59 Ford is beautifully proportioned to your budget, too!
