U.S. Should Meet USSR's Bluff-Price

Congressman Bob Price discussed the war in Vietnam, as well as various physical policies of the United States during a "town hall" meeting last Saturday in Friona.

Price stated that he didn't agree with President Johnson's tactics in Vietnam, but emphatically stated that this country has a right, as well as an obligation to be fighting the war for freedom in Southeast Asia.

"America is going to have to meet the probe of communism, wherever it crops up," stated the Pampa farmer-rancher, who is serving his first term as the district's representative. Price was interrupted by applause when he stated that this country should be willing to turn the "power of this nation" to the war—something he said the present administration hasn't been willing to do.

"Those boys in the foxholes are giving their ALL -- there's no tomorrow for them. We need to meet the bluff of China and Russia. We have no business committing men to the war if we're not ready to back them," Price charged.

To those who advocate withdrawing from Vietnam, Cong. Price points out that if we withdraw we sacrifice some 13,000 lives and 100,000 maimed in the war already.

"The American people need to decide whether they're going to continue to be the only 'shining light' for democracy.

Concerning the country's physical condition, Price discussed the plight of the nation's indebtedness, and then touched on such things as riots, farm programs, and bills he has helped sponsor in congress.

Price pointed out that today's dollar is worth around 43.5 cents, and warned that it would be down to about 10 cents on the dollar by 1985, if present trends are not halted.

"When people stop demanding federal aid, then we'll quit spending so much money in Washington," Price stated.

Price said he was convinced that the major riots were being caused by trained agitators, and hinted that part of our trouble along this line stems from the fact that our government today has bent over backwards to protect the lawbreaker, rather than the innocent citizen.

He said that mass media has blown the problem areas out of perspective, indicating that we need to turn attention to the "97 per cent of the young people who are good ones," and give them recognition for a change.

"We still have the greatest nation on earth, despite our weaknesses and problems -- we just need to be smart enough to keep it," Price concluded.

Friona mayor W.L. (Preach) Edelman served as moderator. Price was introduced by Farmer County Republican chairman Glenn Lusk.

WINNERS ADVANCE . . . Maron Finley, left, and David Hutson, winners in the Zone competition for Ford's Pass, Punt and Kick, advanced to the district contest at Phoenix, Ariz., this week. They were two of six local winners.

Boys Advance In Contest

It was a fruitful trip for the Friona entrants in the Zone competition of Ford's Pass, Punt and Kick competition last Saturday at Roswell.

Two of the six local winners came out as Zone champions, and thereby advanced to the district finals, in which they will compete this weekend, Friona's district contest is at Phoenix, Ariz.

David Hutson, 10-year-old son of Mr. and Mrs. Leland Hutson, and Maron Finley, 13-year-old son of Mr. and Mrs. Bob Finley, were the winners

who advanced to the district finals. Also placing in the contest were David Barnett second in the nine-year-old division, and Johnny Rando, third in the 11-year-olds.

Winners at the Phoenix contest have the opportunity of advancing to three more levels -- "area," "divisional" and "national" contests.

Prior to this year, the zone contest was not held, and point totals were used to pick the boys who would enter the district contest. It is the first time for Friona to be represented in this level.

Accompanying the boys to Phoenix will be Ronald Smiley, of Friona Motors, along with fathers of the boys.

Winners in Friona's local contest, who were honored during last week's football game, were as follows:

Eight-year-olds -- 1. Michel Phipps; 2. Kelvin King; 3. Teddy Mac Harper; 4. Chris Ingram; 5. Terry Ross Wilcox.

Nine-year-olds -- David Barnett; 2. Raymond Lee; 3. Don Maynard; 4. Mike Edwards; 5. Bud Barber.

Ten-year-olds -- 1. David Hutson; 2. Hal Blackburn (3) tie, Gene Strickland and Dee King; 5. Ross Kent Miller.

Eleven-year-olds -- 1. Johnny Rando; 2. Clay Bandy; 3. Kevin Welch; 4. Larry Polk; 5. Joe Whiteside.

Twelve-year-olds -- 1. Johnny Bandy; 2. Bill Fallwell; 3. Teddy King; 4. Jerry Bentley; 5. Randall Snyder.

Thirteen-year-olds -- 1. Maron Finley; 2. Scott Lillard; 3. Bill Bailey Jr.; 4. Lewis Lee; 5. Michael Martin.

YIELDS SOAR

Maize Harvest Bidding To Shatter Yield Marks

With near-perfect harvest conditions, adding to an already good year weather-wise, the maize harvest in the Friona area was progressing nicely this week, prospects pointing more and more to a record year.

And most folks aren't just whistling Dixie when they say "record year" -- they're backing up their claims with figures.

Jack Tomlin at West Friona Grain said many who have finished with the harvest have averaged 8,000 pounds per acre.

Tomlin cited an example of one farmer, who he declined to call by name, who had over 500 acres of maize average over 9,000 pounds per acre.

"It used to be that an 8,000 pound yield was out of the ordinary, but it's going to be commonplace this year," Tomlin said.

Tomlin said he thought probably 60 per cent of the grain in the Friona area had been cut.

Billy Raybon at Friona Wheat Growers solidified the fact that yields may be the best ever in the area. "The Friona area's maize may average 7500 to 8,000 pounds per acre," said Raybon.

All elevator officials were satisfied in the dryness of the grain, bulk of which is being harvested earlier than usual.

Raybon said it was hard to say what percentage of the crop had been harvested, but as of Tuesday afternoon he thought at least 50 per cent of the maize had been cut.

Farmers are at various stages in the harvest. Some have finished, some are starting out, and others are half-through," he explained.

In the Hub area, the harvest was predicted at 90 per cent finished Tuesday evening by "Mac" McMurtrey, manager at Hub Grain. "We still have some late grain unharvested, but we're in the slacking-off stage," he said.

As to yields, McMurtrey said farmers were having some yields "you wouldn't believe". One farmer in the Hub area had grain which averaged within a whisker of 10,000 pounds per acre, he said. "And several are saying they will make 9,000 pounds," he added.

McMurtrey summed up the situation for most grain observers by stating that it had been just a "perfect year" as far as grain was concerned.

"It couldn't have been any better as far as the maturing process was concerned," he said. The elevator manager stated that there would be more farmers making 8,000 pounds of grain per acre than usually made 7,000 pounds. He thought farmers would average 1200 to 1500 pounds per acre more than "normal."

Meanwhile, price on the 1967 maize has held up well, standing at \$1.70 in the Friona area as of Tuesday. This was 10 cents above some areas, it was pointed out. Reason could be the increased local markets for maize, with added need for grain due to cattle feeding.

TOUR AREA . . . Lloyd Bergsman, Amarillo, of the Texas Cattle Feeders Association, arranged a tour which stopped in the Friona area last Friday. Bergsman is talking with Gary Brown of Friona State Bank and Paul Morgan of Hi-Plains Feed Yards. The group toured feed lots with a total capacity of 185,000 head (seven stops). They also stopped at Missouri Beef Packers on the tour.

Hight Gains Ground In Football Contest

Jackie Hight, who won second place in the previous week's football contest, moved up a notch this week by claiming first place, with an almost-perfect entry. Hight won the \$5 weekly first prize.

Second place went to F.G. Crofford, and third to John Wilson of Bovina. It was also Wilson's second time this season to place in the top three.

Hight, with a score of 15, missed only the Lazbuddie-Nazareth tie game, which was an "automatic" miss for all

contestants, since none picked the teams to tie.

His good showing two weeks in a row (he had a 14 score the previous week) elevated Hight in the season standings to a score of 82, only seven points behind the season leader, Raymond Milner. He had been 10 points behind following the fifth week. Hight is now only three points out of second place.

Chiefs To Hale Center

The Friona High School Chieftains, 6-1 for the season and 3-1 in district play, go to Hale Center Friday to meet the Owls, attempting to stay within range of the Olton Mustangs, currently leading the league with a 4-0 record.

Hale Center has beaten the Chieftains two straight years, and is now the only team on the 1967 schedule which holds an advantage over Coach Light counting games since he has been at FHS, with a 2-1 margin.

In fact, the Owls' 33-6 win at Hale Center in 1965 is one of Coach Light's worst defeats at Friona.

A field goal by Hale Center in the last minute of play here last year brought the Owls a 10-7 victory.

Hale Center scored its first loop victory of the year last Friday, 28-16 over Floydada. The Owls beat Post and Springlake in non-district play, for a 3-4 season mark.

Winners Announced In Star's Coloring Event

Winners in the Friona Star's second annual coloring contest were announced this week.

Winner in the pre-school to age six division was Robin Martin, daughter of Mr. and Mrs. Eune Martin. Winners in the 7-8-9 division was Jena Short, daughter of Mr. and Mrs. Charles Short. The winner of the 10-11-12 year old division was Carol Morgan, daughter of Mr. and Mrs. Bill Morgan.

Second place in the younger division went to Priscilla Pruett. Third place was won by Pat Reznik. Honorable mention was given to Joan Clements, Mike

Gowens, Jim Norwood and Cris-ty Benge.

In the middle division, Sharla Benge was second, Becky Powell was third. Honorable mention went to Debbie Fallwell, Doug Norwood and Mary Walker.

Carolyn Murphree placed second in the older division, Denette Vaughn was third. Honorable mention went to Marilyn Kay Jones, Randy Terry and Tonna Morgan.

The three winners may come by Rockwell Bros. Lumber to claim their prize. Others may claim a certificate by coming by the Friona Star.

Off For Vietnam

Specialist Fourth Class Ronnie Reed, son of Mr. and Mrs. Leo Reed, left Friona Monday for Fort Lewis, Washington, after which he will leave for Vietnam.

Reed has been visiting his family and friends in Friona the past five weeks.

AT "TOWN HALL" MEETING . . . Shown during a break in activities at last Saturday's "Town Hall" report by Congressman Bob Price are Friona Mayor W.L. Edelman, who introduced Price, the Congressman and Glenn Lusk, Farmer County Republican Party chairman.

Pause And Reflect

By Nelson Lewis

Heaven is not reached at a single bound; But we build the ladder by which we rise From the lowly earth to the vaulted skies, And we mount to its summit round by round, These lines from Holland's 'Gradatim' bring to mind a story that may dispell some of the gloom we face in these days of foreign wars, domestic strife, and unsettled youth.

For the better part of two hours the man had wandered aimlessly, but not without purpose. He had walked away from the weekend party explaining to his host that he felt the need to get off by himself and think things out. He did not follow the farm road, instead he cut across a small pasture and entered a body of woods that lay north of the farmstead. The route he chose could hardly be called a road, although the native Virginians spoke of such trails as "logging roads." He strode along the twisting, turning path his shoes crunching the fallen leaves like a dwarf walking through a bowl of corn flakes. Tall pines and second growth oaks lined the way but his head was bowed and he did not know that birds and small animals were suddenly quieted, and remained so, until he had passed. How far he walked he did not know nor did he solve his business and social problems.

His thoughts milled in an endless chain of worry and despair. A few more minutes of dejected walking brought him to a place where the woods road turned sharply right and a smaller route led up a low hill. Looking ahead toward the hilltop he saw the tips of two brick chimneys protruding above the treetops.

Taking the lesser of the two ways he noticed that here the underbrush had been cleared giving the area a parklike appearance. The trees became farther and farther apart until the summit was seen as a cleared space of two or three acres. There, before him, were the two huge chimneys. Soot blackened recesses gave evidence that each had held two fireplaces, one at a first floor level and one above indicating where the second floor had been. A distance of some fifty feet separated the chimneys and enclosing this ground was a low brick wall, clearly the foundation of a large house.

Inside the wall were rows and beds of brilliant flowers, and in their midst stood a sun burned, grayhaired man leaning on a hoe. He saw the stranger at the woods edge and calling a greeting left the flower garden and advanced across the well kept lawn to meet him.

The two men met beside a small well house and after introductions, drew a bucket of water and refreshed themselves. For the first time in many days the newcomer found his mind dwelling on something other than himself and his troubles. Turning to his companion he asked, "What's the idea of keeping all these grounds in such good shape when there is no house here?"

"Well, its a long story, friend," the other replied, "You see this place has been in our family for several generations. My great-grandfather lived in the house that stood right here during the Civil War. When he came home after the war the house and barns had been burned and all the livestock run off or killed. Somehow the family managed to hold onto most of the land but none of us has ever been able to build back the big house like it was in the old days. I farm a little and cut logs for a sawmill and it takes all I can make to live and pay the taxes and too, I have a boy in college, the first one in the family to get that far in over a hundred years. Things will be different when he graduates and comes home to run the place. That's why I try to keep it up so when he starts, on his own, he will have something to build toward, you know, a good foundation anyway."

A little more visiting and the men parted, one returning to his flowers, the other to retrace his way along the logging road. As he walked his thoughts returned to his problems, but now he had the answers. He had been trying to build without a good foundation. Happiness and success were not to be had just for the asking. No matter how great the desire or how earnest the effort the element of time must be considered. Tomorrow he would begin to put first things first. Imagine; four generations and almost a hundred years to rebuild one colonial mansion! Ridiculous? Not really, if you want something bad enough.

SCHOOL COUNSELOR

The Library Corner

BY MRS. V. J. ZEMAN

The fifth grade reading classes visited Friona Public Library Friday. The teachers of these 127 students are Mrs. Martha Bates, Miss Patsy Brown, Mrs. Billie Dodd, and Mrs. Ruth Edelman.

Other classes from Grade School and Junior High are expected this afternoon and tomorrow, October 26 and 27. Special invitations to visit were given to classes in observation of Children's Book Week. But groups are always welcome, and a date for a field trip to the library can be arranged with Mrs. Gaede, librarian, anytime during the year.

During observation of Children's Book Week there is a collection of 50 books from the State Library Office.

Eighty three books were donated to the library within the week. Mrs. Bill Hammond gave 77 and Teresa Bingham brought 6.

Included are Walt Disney's "White Wilderness," Brownie Scout Handbook, Miss Pickercell Goes Undersea, "The Trolley Family," "The Ghost Rock Mystery," and "Invincible

Louisa, the story of the Author of Little Women.

A New Trick for Hallowe'en Treats

Good little ghosts and goblins go for popcorn balls sparkling with the tantalizing taste of sorghum. This lively flavor imparted its tempting tang to treats in Grandmother's day, but to many modern day youngsters it is delightfully new. This pure golden syrup gilds the popcorn balls with bright eye-appeal as well as taste-appeal, and when you turn them into jack-o-lanterns with bits of gumdrops for faces, you'll have treats that will captivate Hallowe'en callers completely.

There's a happy surprise in store for you, too, when you discover what mellow richness sorghum adds to cakes, cookies and desserts . . . how it sasses up sauces with zesty new interest.

2 tablespoons butter
1/2 teaspoon salt
2 cups WACONIA SORGHUM
1 cup sugar

Combine these four ingredients and bring to a slow boil. Boil to the hard ball stage, 260°. Remove from heat and pour over 6 quarts of freshly popped corn. When cool enough to handle, butter hands and shape into balls. While still warm, use gumdrop slices to make jack-o-lantern faces.

Fast on the dry? Old Sol at high noon . . . or any means of drying can't come even close to Gas for speed. Then, too, gentle Gas heat blows moisture away—instead of baking it out—so your clothes are always soft, fluffy and almost wrinkle-free. All this and economy, too, in today's most modern dryer.

Top Defensive Effort Nets Win Over Dimmitt

Defense was the name of the game, as far as the Friona Chieftains were concerned in their battle against the Dimmitt Bobcats here last Friday, and the Chieftains' tight defensive play sparked the team to a 13-0 win which was vital to their hopes for a share of the district title.

Friona held their arch-rivals to only 80 total yards during the game, and a minimum of four first downs -- their best defensive showing of the year. It was the team's second shutout of the season, as they had white-washed Morton in the second game.

The win ran Friona's season record to 6-1, assuring the team of a winning season. The Chiefs are now 3-1 in district, tied with Dimmitt and Abernathy. Each trail Olton, unbeaten in the loop with a 4-0 mark.

Defensive heroics by the hard-hitting Chieftain line kept Dimmitt in a hole all night. So stout was the defensive work that the Bobcats drove across the 50-yard line only once in the ball game.

It was late in the third period that Dimmitt put together two of their three second-half

cellent field position at the Dimmitt 30, but at this point, the Friona offense wasn't geared as high as was its defense. After four plays, Dimmitt took over on its 35 yard line.

Then, late in the first quarter Friona put together three first downs and drove from its own 35 to the Dimmitt 30. A nice 26-yard run by Tony Perea to the Dimmitt four on the final play of the quarter was erased by a Friona penalty for illegal motion.

The Chieftains couldn't regroup, and Dimmitt again took over, this time on its 29.

Another short Dimmitt punt set the Chiefs up with a scoring opportunity late in the first half. Friona took the ball at the Dimmitt 30 after a 13-yard Bobcat punt. The Chiefs got to the 19, for the game's first penetration, but again ran into bad luck.

Johnny Barker, on an attempt to pass, was caught for a nine-yard loss back to the 24, and on fourth down from the 24 with 23 seconds left on the clock, a field goal was tried. The ball was spotted on the 30, and Sahara Gonzales' kick, travelling 40 yards to the uprights, was only a foot or so too low, going between the uprights.

Midway through the third period, Friona got another break, and this time the Chiefs were able to cash in on it.

On a big third down play by Dimmitt, quarterback Hays faded to pass from his own 19-yard line. Defenders Gary Shirley and Rickey Hurst hit the Bobcat signal-caller and he fumbled, Friona grabbing the ball at the Dimmitt 15.

Perea gave the team a first-and-goal situation at the five, but two rollouts by Barker found the team back at the six. Friona called time to re-group, and on the third down play, Barker tossed to Larry Graves in the end zone, and the scoreboard was racked up for the first time. Gonzales' kick made it 7-0, with 4:12 left in the quarter.

It was on the next series of

plays that Dimmitt finally drove across midfield, but was stopped on a fourth-down play at the Friona 37.

Twice in the final quarter Friona seemed enroute to another score, only to have a fumble halt the drive.

Two first downs found the Chieftains on the Dimmitt 28-yard line, sparked by Johnny Barker and Perea. However, Barker was hit and fumbled, Dimmitt taking over.

A moment later, Dimmitt got a high snap on their fourth down punting attempt, and the kicker was swamped for a 15-yard loss at the Bobcat 35.

Three plays later, operating from the Dimmitt 26, another fumble killed the drive. The clock was now becoming a factor, with 3:20 left in the game. And at this point the clock was stopped due to mechanical trouble, and the time was kept on the field.

Two plays after the fumble, Eddie Barker was at the Friona 40. It appeared all Friona had to do was run out the clock.

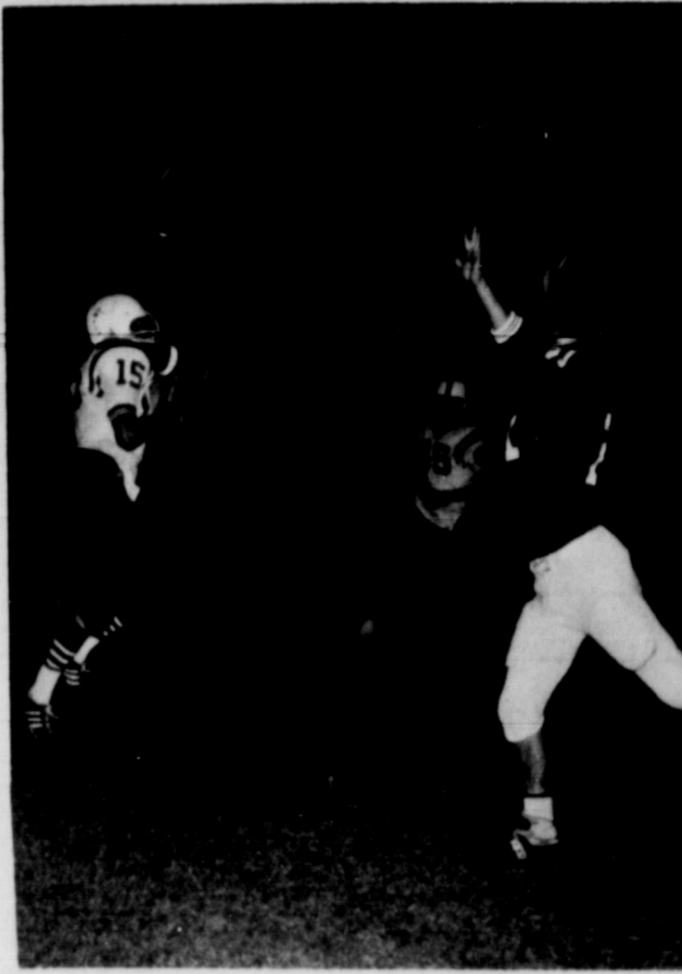

Perea suddenly got hot for the Chieftains, giving them two straight first downs, to the Dimmitt 41. Then he broke loose for a 30-yard scamper, finally being stopped at the 11, with 30 seconds left in the game.

On third down, Johnny Barker swept right end and into the end zone for the touchdown, as the clock ticked its last. Gonzales' kick was wide so the final score was 13-0, Friona.

Day, along with \$40 expense money and hotel accommodations. Second place winner will get two tickets to the Sun Bowl game and \$25 expense money.

Crofford and Wilson were among five contestants scoring 14 points. Others were LeRoy Nuttall, Emmett Tabor and Donald Powell. Crofford was awarded second place by virtue of guessing the Friona-Dimmitt score at 13-7. Wilson's guess was 14-13.

SIX POINTS . . . Friona's Larry Graves spins out of a button-hook pattern in the end zone and gathers in a Johnny Barker pass for the first score of Friday night's game to put the Chieftains ahead of the Dimmitt Bobcats, 6-0, with 4:18 left in the third quarter. Trying to break up the play is Dimmitt's Jimmy Coleman, who appears to be signaling TD. In background is Friona's Charles Hamilton, who also had plenty of daylight in the end zone. The point-after kick was good to give the Chiefs a hard-earned 7-0 lead.

MEMPHIS MOVES

Friona's District To Consist Of Seven Teams

A change in Friona's interscholastic League district alignment was announced last week when the University Interscholastic League announced its semi-annual re-classifications.

Memphis, which has been a member of Friona's District 3-AA the past two seasons, has moved to another district.

As a result of Ralls not joining the district, it appeared that District 3-AA would be a seven-team district, leaving member teams having an open date during district play, if suitable non-conference competition could not be arranged.

This might result in nine-game schedules for some district members, it was pointed out by Coach Don Light this week.

A district meeting was to be held Wednesday night, at which time the district schedule for 1968 would be worked out. School officials will not know until that time how the Friona High School football schedule will fare as a result of the recent turn of events.

It was first announced that Ralls would move up into the district to replace Memphis, but it now appears that this will not be the case. Ralls was to move up from class A, but according to school officials, it was shown that Ralls did not have the necessary enrollment, so they were to remain in their former district.

JC's Plan Carnival

The Friona Jaycees will hold a Halloween carnival Tuesday, October 31, at the old Farmer County Implement Building (skating rink).

The carnival will be held from 7 to 10:30 p.m.

Dodd Stars As EC Wins, 25-21

years, and is only a junior. As a freshman in 1965, Dodd's field goal handed his team the conference championship in a 24-21 win over Northeastern Oklahoma.

Dodd, who was the scoring and rushing leader for the Chiefs in 1963-64, scored on a one-yard plunge with 2:23 left in the game to keep his team undefeated with a 5-0 conference record.

The East Central team is shooting for its fourth straight Oklahoma Collegiate Conference championship. Dodd has had a big hand in helping the team win the crown the past two

Fans Offered Charter Bus
Friona Booster Club discussed the possibility of taking a chartered bus for fans to the final game of the season at Memphis November 10.

Coach Don Light said he didn't know when he had ever had a team grade as high as the Chiefs did last week. The team grade was 72. A grade of 60 is considered good.

Defensive Effort Is One Of Best

Friona's defensive effort against Dimmitt, in which the Chiefs held the Bobcats to only 80 net yards, was the team's best in several years.

Club Sponsors Turkey Shoot

The Friona Booster Club is sponsoring a Turkey Shoot Saturday and Sunday, October 28-29 a mile northeast of Friona on Highway 60.

Prizes of fryers and bacon will be awarded, according to C.L. Lillard, spokesman for the boosters.

High School Students On TV Program Saturday

Three high school students will represent Friona on the "Live and Learn" program on KFDD-TV Saturday afternoon. The program which has already been taped, will be shown at 4 p.m. on Channel 10. Kara Beth Sides, David Reeve and Becky Coffey are the three Friona students representing the local high school, in the event. The program is sponsored jointly by the Texas Department of Public Safety, KFDD-TV and the Panhandle Chapter of the American Society of Safety Engineers. It is based on the "College Bowl" program.

Students study the "Digest of Texas Motor Vehicle Laws" and the "Driving Safety" handbook in preparation for the contest. Each student is asked at least two questions on the show, as well as being allowed to answer and bonus questions and questions missed by the other team. The group with the highest score at the end of the program will be the winner. So far, Friona has defeated Panhandle by a score of 55 to 50. This is the contest to be seen Saturday. The local trio's next opponent will be Wellington, on December 9. This is the first time this contest has been held in the Panhandle. Some 16 schools from the area are competing. Each time a school wins, it re-

ceives a trophy, while a loss eliminates it. The team winning five contests will receive "Grand Champion" trophy. Hereford has the highest score so far in the contest, as their team scored 90 points against their competitor last week.

Texans Build Lotta Terraces

Texans built enough terraces last year to reach from Texas to Maine. Parallel terraces are designed to fit the lay of the land, row crop equipment and eliminate nearly all point rows of uneven length.

In Parmer County, three farmers have built parallel terraces this year. They are well pleased with the terraces.

Farmers can get assistance from the Soil Conservation Service, Great Plains Conservation Program and Agricultural Stabilization Conservation Service. Parallel Terracing is a good soil and water conservation practice.

TROPHY WINNERS . . . The First-place winners in Friona's Punt, Pass and Kick contest, who completed in the Zone contest Saturday at Roswell, are shown here. Left to right are Troy Young of Friona Motors, Michel Phipps, Maron Finley, David Hutson, Johnny Bandy, David Barnett, Johnny Rando and Ronald Smiley, coach, Friona Motors.

CLEANING SURFACES—Sometimes flat surfaces on which to clean fish are hard to come by. Cutting boards do fine, but in lieu of such a convenience, go out and find a downed log, or stump.

Then a little work with a hand axe will prepare an excellent fish cleaning surface.

Just cut two notches about two inches deep and 18 inches apart, in the side of the log, or the top of the stump. Chop out the wood between the notches, the same depth, then level off, and you have a table that's renewable.

Then when the day's job is done, whittle away the stained, bloody surface, and you'll have a new surface for next day's cleaning.

Jaycees Oppose Legal Sale Of Marijuana

The Texas Jaycees, meeting in Amarillo last weekend, adopted a resolution condemning legislation to legalize the sale of marijuana. It was reported by Gerald Shavor, local delegate to the meeting.

The text of the resolution is as follows:

WHEREAS, for many years the use of marijuana has been condemned by our society; and

WHEREAS, for many years the criminal element has exploited young people through the illegal sale of marijuana; and,

WHEREAS, law enforcement of officials across the nation has linked the use of marijuana with increasing crimes of violence; and,

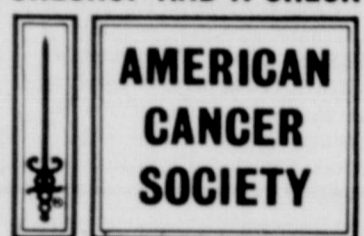

WHEREAS, the use of marijuana by old and young alike has led to experimentation with truly addiction drug.

NOW, THEREFORE, be it resolved by the delegation duly assembled at this the annual State Board meeting in Amarillo, Texas, that any movement to legalize the sale of marijuana be condemned by the Texas Jaycees; and,

BE it further resolved that a copy of this resolution be submitted to Gov. Connally, Secretary of State Speaker of the House and each member of the Texas legislature, and,

BE it further resolved that the content of the resolution be submitted to appropriate mass media sources throughout the State of Texas.

WINNING SHEEPMAN . . . Otho Whitefield of the Lakeview community near Friona, won the Premier Exhibitor's award at the State Fair's Columbia Sheep show. Whitefield is also president of the National Association of Columbia Sheep Breeders.

AT STATE FAIR

Exhibitor's Honors To Otho Whitefield

Otho Whitefield, local sheep rancher and breeder, has won the Premier Exhibitor's award in the Columbia Sheep division of the State Fair of Texas' Pan-American Livestock Exposition.

Whitefield, who has come close to the show's top honor several times in the past, won the trophy for the first time, beating out his closest competitor and old rival, L.A. Nordan of Boerne, Tex.

Nordan has consistently won the Premier Exhibitor award in recent years, edging Whitefield who says about his competitor, "He's a hard man to beat."

The award is given annually to the sheep breeder having the largest number of winning entries in the State Fair.

Besides the exhibitor's trophy, Whitefield had the show's champion ram and reserve champion ram. He exhibited the first and second-place entries in the ram lamb class; had the first place pen of three ram lambs; first place yearling ram; first and second place ewe lamb and first place pen of three ewe lambs.

Whitefield's entries were third and sixth in the yearling ewe class; third in the pen of three yearling ewes and second in "exhibitor's flock." In each of these latter classes, Nordan took the first-place ribbon.

The grand champion ram had previously won similar honors at the New Mexico state fair. Whitefield had 33 entries at the Dallas show.

Cotton Leaders Outline Local Promotion Idea

Texas cotton industry leaders today approved a statewide program of local promotions to tell consumers that cotton still offers more benefits in appearance, maintenance, comfort, and durability.

"We're going to make sure everybody fully understands this," said Roy Forkner, Lubbock, chairman of the Texas state unit of the National Cotton Council.

"We're working to get more cotton into more hometown stores; it's time to be doing more right here at home," he added. "Also, this will support on a local level the national cotton promotion made possible by the \$8 million budget of Cotton Producers Institute."

Howard Alford, also of Lubbock, and vice chairman of Cotton Producers Institute, explained that "We're beginning to see results from what we've spent on research and promotion, and I think the program outlined here today will go a long way in making consumers more aware of cotton's superior qualities."

In addition to members of the Texas unit of Cotton Council and Trustees of CPI, the

meeting was attended by the state's representatives on the Cotton Board, and officials of other cotton groups.

At the organizational meeting, industry leaders also planned additional meetings in key areas throughout the state. Mr. Forkner explained, in an effort to get more cotton products stocked by retailers and sold to consumers.

It will be a team effort, he stressed, involving all concerned with cotton's future.

The three-point plan outlined here today calls for promoting cotton across retail counters, through women's groups, and through industry organizations.

Friona 4-H Senior Club members has new interest in project work now that they have acquired some new leaders for their club.

Seven of the members have signed up for the project "Cost and Value of a College Education," and "Cost of Owning and Operating an Automobile." Mrs. Earl Jameson will teach the project. Mrs. Margheim and Mrs. DeWayne Phipps will serve as leaders. There is a possibility of a leader for those interested in the Photography project too.

The Pattern Fashion Industry has released information re-

garding New Sizing for patterns. This is valuable information for women who sew. The 1968 pattern books will include the new sizing of patterns, showing the old size as compared to the new size will be given in order to help the home sewer select her correct pattern size. For instance, the new sizing for Misses size 14 is 36" bust, 27" waist, 38" hips and back length 16 1/2 inch as compared to the old size of 34, 26, 36 and 16 1/4. This change will bring the pattern sizes nearer to the ready-made garment sizes, which will be an advantage to home sewers.

Mo. Beef Is Featured In Association Panel

The annual meeting program of the Texas Cattle Feeders Association which will be held in Amarillo on Nov. 13-14, will feature three panel discussions on topics of major interest to cattle feeders and others interested in the cattle feeding industry. The Monday afternoon panel will discuss "The Development of the Packing Industry on the Plains." Officials from Texas Meat, Inc., Dallas; Juengling and Son Packing Co., Cincinnati; Glover Packing Company, Amarillo; Missouri Beef Packers, Rock Port, Mo.; and Wilson and Co. Chicago, will participate on the panel which will be moderated by Jack Tompkins.

Other panels on Tuesdays program will discuss "Feeder Cattle Replacements - From Where-Under What Arrangement" and "How Far Will Feeding Development Go On the Plains." Outstanding authorities from across the nation will also participate on these panels. The program will also include a discussion of feeding research developments by Charles Quarre', Kern County Land Co., Bakersfield, Calif. Quarre' is chairman of ANCA Research Committee and supervises large feedyards in California and Nebraska. Dr. J.D. Aughry, nationally recognized consulting nutritionist, Palm, Desert, California will discuss developments in animal nutrition and the impact of these developments on the cattle feeding industry. Dr. Ralph Durham, Livestock researcher at Texas Technological College will discuss his appraisal of the developing cattle feeding industry on the Plains.

The Ladies' program will include a luncheon and style show on Tuesday, November 14th. The meeting will close Tuesday evening with a dinner-dance at the Holiday Inn-West.

Black New President Of Texas SCD Assn.

A.L. Black, active in soil conservation activities for many years, was elected president of the Association of Texas Soil and Water Conservation Districts at the annual meeting of the association in Fort Worth last week.

The office is the highest possible office in the SCD in the state. Black had served as the association's state vice president for two years, and is also one of the state directors.

Black is currently secretary of the Parmer County Soil and Water Conservation District, and has been elected as supervisor of his zone by landowners in that zone every term since the district was organized in 1948.

Black also is on the Great Plains committee for the National Association of Conservation Districts.

Attending the state convention were Mr. and Mrs. Black, Mr. and Mrs. Dick Rockey, and Jerry Isbell, local Work Unit Conservationist.

Ramon Rando Buried Here

Funeral services for Raymon Rando were conducted from First Baptist Church at 2 p.m. Monday. Rev. Donnie Carrasco, the Mexican pastor of Baptist Mission, officiated.

Rando, who had lived at Stratford several years, was found dead Saturday morning in his home.

Survivors, besides his wife and three children, include his father, Santos Rando Sr., Stratford, his mother, Mrs. Mary Rando, Friona; brothers, Ritchie, Ray, Santos Jr., Lupe, Benne, Joe, Pedro, Jessie, Johnny and Delton, all of Friona; and sisters, Mrs. Lanora Bangoa, Lubbock, Mrs. Virginia Cornado, Mary, Elsie, Jackie and Betty, all of Friona.

FFA To Collect For "CROP"

The annual Community CROP campaign will be conducted next Tuesday night, October 31 (Halloween) by the local FFA boys under the direction of their advisors, Benny Pryor and Bob Middleton.

These boys will come to your door, as a part of a state-wide "Trick or Treat" campaign for CROP. They will not want candy, however -- they would like to have your contribution to help alleviate hunger in the world. Each dollar you give will send 300 pounds of food to those who are starving overseas.

If you will not be home on Halloween or if you live in the rural areas, you may make your contribution at the Friona State Bank.

Rev. Paul Mohr is local chairman of the drive.

Final Rites For Mrs. W.F. Cogdill

Funeral services for Mrs. W.F. Cogdill were conducted from First Baptist Church at 3 p.m. Sunday. Rev. Bill Foll, pastor, was assisted by Rev. Russell Pogue, Petersburg, former pastor.

Mrs. Cogdill, who moved to the Friona area in 1925 from Hobart, Oklahoma, died at Parmer County Community Hospital Friday evening.

Survivors, besides her husband, include two daughters, Mrs. Leonard Haws, Clovis and Mrs. Carl Fairchild, Friona; two sisters, Mrs. Mary Mays, Bakersfield, Calif., and Mrs. Laura Drew, Dallas; two brothers, Joseph Teague, Texas City and William Teague, Pryor, Oklahoma; four grandchildren and seven great-grandchildren.

Pallbearers were Roy V. Miller Sr., Charles Allen, E.L. Fairchild, G.E. Reed, Paul Fortenberry and Sam Williams.

Burial was in Friona Cemetery under direction of Claborn Funeral Home.

COLLECT FUNDS . . . Friona's FFA chapter members will be collecting money for the CROP drive on Halloween night. Shown are FFA officers Jim Schlenker (secretary), Jay Potts (president) and Charles Hamilton (vice president).

Library Officials

Attend Workshop

Mrs. John Gaede, librarian, and Mrs. Bill Stewart, accompanied by storytelling hour assistants Mrs. Don Spring and Mrs. J.V. Edelman attended an all-day workshop on story tell-

ing recently at the Mary E. Bivins Memorial Library in Amarillo.

Registration totaled 50 librarians, assistants in libraries, public school teachers, and church school teachers, representing 11 communities.

Miss Virginia Miller of Lubbock, director of Project IMPACT, was in charge of the workshop. Her presentation was on the "basics" and the "spices or 'gimmicks'" of storytelling for children.

Project IMPACT is a Federally financed demonstration school library, the only one in Texas. Emphasis is on audio-visuals and counseling as well as traditional library services. The staff of 6 provides a consultant service within a radius of 200 miles of Lubbock.

Workshops for the libraries of the 26 counties of the north Panhandle are held periodically by the Mary E. Bivins Memorial Library as an area service. The Library was designated a resource center for the "Top 26" by the Texas State Library in 1966. Six workshops have been held in the past 14 months.

Final Meeting

Set For Friday

The final meeting for the year will be conducted by members of Interdenominational Church Women at Friona Methodist Church at 2:30 Friday, October 27. The speaker will be Mrs. Bill Foil, representing First Baptist Church.

A member of First Baptist Church will present the devo-

tional. The opening and closing prayers will be directed by representatives of Calvary Baptist Church.

Mrs. R.B. McKee, spokesman for the organization, urges every woman in the area to attend the meeting.

Mr. and Mrs. Eddie West, Ashbury Park, New Jersey, are guests in the home of Mr. and Mrs. R.E. Snead. Mrs. West is Mrs. Snead's niece.

Put your FAITH to work every day

There really never was a time when "once-a-week" religion was enough.

But today, in our swiftly moving world, the need is greater than ever to put your Faith to work—all the time.

Think of today's dismaying headlines. Then think of the many ways the world can be made better.

"But I'm only one person," you say.

Yes, But your church or synagogue can become, with your help, a rallying point for change. By joining others who live their Faith, you are no longer alone in your beliefs.

Worship this week—and put your Faith to work all week long.
