WHITEFACE NAMES TOP SENIORS...

VALEDICTORIAN, SALUTATORIAN ARE SELECTED

**MARY KAY RANKIN,
BOBBIE JEAN CAGLE
EARN HONORS**

Valedictorian and salutatorian of the Whiteface senior class were announced this week by Charlie Booz, Whiteface High School principal.

Miss Mary Kay Rankin, daughter of Mr. and Mrs. O. C. Rankin of Whiteface, is the valedictorian. Salutatorian is Miss Bobbie Jean Cagle, daughter of Mr. and Mrs. Penn Cagle, Star Route 2, Morton.

Miss Rankin has a four-year grade average of 91.56. She has been active in school and community affairs. She is a member of the Future Homemakers of America, chorus, drama club, annual staff, secretary of the National Honor Society, and president of the senior class.

Miss Rankin plans to major in elementary education in college.

Miss Cagle has a four-year grade average of 90.42. She has been active in school and community affairs. She is a member of the Future Homemakers of America, chorus, drama club president, vice-president of the National Honor Society, is a member of the annual staff and was voted the most popular girl by the student body last fall.

Miss Cagle plans to major in business administration.

Miss BOBBIE JEAN CAGLE

COUNTY WIDE MEETING TUESDAY WILL PRESENT MEN WHO KNOW WHAT DANGERS WE ARE FACING FROM LABOR DEPT. MIS-DOINGS

Cotton Comes Up To Early Stand On Two Farms

While Cochran County planters poured cotton seed into the ground Wednesday, at least one Cochran County cotton farmer could say: "I've got cotton up."

That grower was J. W. McDermott. And this reporter saw the cotton shinning from turren to turren on his farm just north of town.

Another cotton grower, A. R. "Red" Coleman, was reported to have cotton up southwest of Morton. McDermott, a believer in scientific farming, planted his cotton seed on April 15.

As to the science of his planting, we forgot to ask.

All area farmers and businessmen are urged to attend a meeting Tuesday night at the County Auditorium, at which time a trio of men will pinpoint just exactly what the facts are concerning attempts to pass regulations that will place farmers under the dictates of the Department of Labor as to farm labor wages to be paid and other benefits to be offered laborers.

John Kendrick, Executive Vice President of the First National Bank of Brownfield; Roy B. Davis, manager of the cotton mill in Lubbock that attempts are being made to unionize, and Hub King, District Farm Bureau man will be the speakers at this meeting called by several farming interests, and sponsored chiefly and set up by the Farm Bureau.

To emphasize just what a spot a Texas farmer is in, a recent letter sent out by the Texas Cotton Ginners' Association quotes: "You should know that Senators Johnson and Yarborough have voted all the way with Senator Kennedy and the labor group. They voted against the amendment to strike Title VI and against the McClellan Amendment to the Kennedy - Ervin Bill."

What does this mean - it means they voted for union bossism with no responsibilities toward the laborer, no freedoms for the laborer they represent.

Area farmer, and ex Hockley County Agent, Artie Forehand, in a speech to the Kiwanis Club at Levelland last week, laid the cards

on the table when he told them Sen. Lyndon Johnson had done a political "flip-flop" into labor's camp.

It is to the advantage of every adult in the county to attend the Tuesday meeting and become informed on just how the Department of Labor plans to take an old law, the Wagner - Pysner Act of 1933 and choke the farmers with it, without even so much as having an amendment passed. Just declaring they have the authority to do it.

will encourage everyone in the auditorium to take a last ditch stand that might help knock out the odious regulations.

Area farmer, and ex Hockley County Agent, Artie Forehand, in a speech to the Kiwanis Club at Levelland last week, laid the cards

SAM LEVERETT, SR. INSURANCE MGR. FOR SINGLETON'S

Sam Leverett, Sr., who has been residing in Paris, Tex., has been named Insurance Manager for Singleton Funeral Insurance Co., it was announced this week.

Leverett, Sr. is already in Morton and will make his home here. He will reside with his son, Morton Singleton Funeral Home Manager until school is out, at which time his wife and daughter, Sallie Ann, will move to Morton.

Leverett, Sr. will divide his time between Seminole, Andrews, Denver City, Muleshoe and Morton, the towns in which Singleton Funeral Homes are located.

LOCAL ELECTION ORDERED

ALL LITTLE LEAGERS MUST SIGN NEW SLIP TRYOUTS END TODAY

All Little Leaguers were reminded this week they must have new slip filled out each year, even though they may have played in the League last year.

They were also reminded that tonight (Thursday) at 5 p.m. is the last chance for any boys of Little League age, who are not on a team and have not had a chance to work out for the managers - to do so. Be there this afternoon, at 5 p.m., if you have not worked out for them previously this week.

The Drawing will be Saturday, and times of practices, together with the names of players on the rosters will be noted on the window of the Tribune office.

With a legal notice published in this issue of the Tribune, Mayor Roy Tarver, Jr., has called a Special City Election for May 26, to determine whether or not the people of Morton would like to switch from a two councilman and mayor commission form of City Government to the Aldermanic form, with five aldermen and a mayor.

The election, according to the mayor, was called because it is mandatory he call it when ten per cent of the qualified voters sign the petition.

Mayor Tarver said efforts to get together with the two City Commissioners Tuesday and Wednesday were unsuccessful.

He also said the list of signers had been checked to ascertain the proper ten per cent or more had signed it.

MAYOR CITES REASONS FOR CALLING OF ELECTION ON NEW CITY GOVERNMENT

"I would like to explain my position in calling a special election for May 26th, 1959. It is to let the people of Morton decide whether they shall change to the Aldermanic form of government, or remain under the commission form.

More than 10 percent of the qualified voters of Morton, presented a petition to me requesting that I call an election to decide the form of Government under which they desire to be governed.

With no desire to act arbitrarily, but under the mandatory provisions of Article 1134 of the Texas Statutes that the Mayor when presented with such a petition shall call a special election for the purpose of letting the people express their wishes, I have called such an election for May 26, 1959. Notice of such election is being published in the Morton Tribune for four consecutive weeks as required by law.

Parents, friends, and boosters of the Morton High School Band have been given a cordial invitation to follow the MHHS Band to Plainview Saturday afternoon where the band will be in contest with area bands.

Plans call for the band members to leave Morton by two buses at 12 noon.

The contest will begin for the local band at 3 p.m. They will play three numbers in concert.

Scheduled are one concert march, "Coat of Arms," and two descriptive overtures, "Fantasy on Four Notes" and "Aus Pays Lorrain."

Immediately following, the band will be in a sight reading contest. Members plan to eat supper at Plainview before returning home. They are expected to return to Morton around 7 p.m.

John Brown, band instructor, will direct the band at Plainview.

Men faculty members of the Morton Schools have challenged the school's seniors to a basketball game, May 7, at 8 p.m. in the High School Gym.

The game is under the sponsorship of the Student Council which has announced admission prices at 75c for students and 50c for adults.

If, at such election, a majority of the qualified voters vote for a change to the Aldermanic Form of Government, then in that case and only in that case, a special election will then be called to elect three Aldermen to serve until the next general election to be held in 1960. The present two commissioners and the mayor shall serve out their present terms. Then in 1960 five aldermen and a mayor will be elected. The terms of the aldermen elected for a full term of two years, shall be staggered. Some of them will serve one year only and the rest of them to serve for two full years, thereby having a council composed of some experienced men at all times. The mayor shall serve for two full years.

Since the city would be governed by five Aldermen, the Mayor would exercise less authority than under the present form of government, since he has a vote only in case of the votes. He has much more chances of voting to break the tie, with two councilmen than he would with five. Since Morton is a growing city, some of the Citizens of Morton have expressed their views to me that we should be governed by five men instead of two, as being a more representative form of Government with the possibility of better representation of the wishes of the people as a whole, and with less possibilities of a dictatorial form of government. They also believe that a continuing council would secure a better government.

I favor this change not only for the above reasons, but I sincerely believe that when a city has reached three thousand population & over, the Aldermanic form of government endeavors to give every citizen better representation. Therefore, should there ever be small pressure groups organized in our city working to benefit themselves only, we would have a better chance to stamp them out.

You recall the three lines in our Constitution Preamble which say, Government of the people, by the people and for the people. We may be small in numbers but the citizens of Morton, are just as much a part of that Constitution as any one who lives in these United States.

One of the many ways to exercise that right, is for you to vote. On May 26th you may go to the polls and vote for or against the change of government, your decision will be final.

My only desire is to let the people rule their own city government."

signed
Roy Tarver, Jr.

Services Are Held For Bro.-in-law Killed Saturday

Funeral services were held Monday at 4 p.m. at the First Baptist Church of Childress for Glenn Hammons, Dimmitt, a brother-in-law to Mrs. H. T. Golden of Morton.

Mr. Hammons, 26, was killed instantly Saturday morning at Dimmitt when a load of steel plate he was helping unload shifted and crushed him.

Mrs. Golden, a sister of Mrs. Hammons, left immediately Saturday for Dimmitt.

Rev. Marry Brewer of Dimmitt officiated at the service. Masonic grave-side rites were conducted in the direction of the Newberry Funeral Home of there.

Attending the funeral from here were Mr. and Mrs. Golden and Mr. and Mrs. Ted Hammons.

Mr. Hammons and two other men were unloading steel plate at Dimmitt for a grain elevator when the accident occurred.

One witness said the load suddenly shifted and struck Mr. Hammons in the left side of his face. It was buried under it. The mishap occurred at 8:30 a.m. Saturday.

Members of the volunteer fire department administered first aid at the scene, but Mr. Hammons was pronounced dead by Dr. Carl Padue in the railroad car where the three men had been working.

The Hammons had lived at Dimmitt about two and one-half years, moving there from his birthplace, Childress.

Survivors include the wife; two sons, Michael, 3, and Mark, 6 months; his mother and stepfather, Mr. and Mrs. Hiram Rix, Jr., of Childress.

Three Way Plans Pre-School Day Friday May 1

Next year's first grade children will get their first taste of school life at Three Way on Friday, May 1, when they visit the Elementary School.

Each child residing in the Three Way District who will be before Sept. 1, 1959, will be invited to come to the school at 9 o'clock on Friday morning.

They will be served lunch in the school cafeteria at 11:15 a.m. The parents are urged to come to the school to register the students and to take them home immediately after lunch.

The present first grade will not attend school that day.

School officials and Mrs. Cagle, the first grade teacher, will answer parents' questions and give instructions and information that may enable the children to get off to a better start at the beginning.

METHODIST HOSPITAL
C. R. Marchem of Morton was reported admitted to the Methodist Hospital, Lubbock, Monday.

Kenneth Baker Is New President of Whiteface Lions

Ken Baker was elected recently to head the Whiteface Lions for the 1959-1960 service year.

Other officers elected include Truman Swinney, first vice-president; J. C. Summerlin, second vice-president; Superintendent Weldon Skinner, secretary; Emmett Broderson, assistant secretary and song leader; Jimmy Cunningham, tail twister; Luke Adams, Lion tamer; and M. L. Collins, member of the board of directors.

Presenting the nominations to the club were Collins, Broderson and current Lion Boss James M. Carroll, members of the nominating committee.

Carroll is vocational agriculture teacher at the Whiteface High School.

Plans call for the new officers to take office on July 1.

Baker is also a member of the Whiteface School faculty.

Little League Play Opens Here, May 11; Player Auction Set for Next Saturday

Morton's Little League Baseball program will swing into operation on Monday, May 11, it was announced late last week after a Thursday night organizational meeting of the League.

M. C. Ledbetter, secretary, said nearly all phases of the program had been set up.

Spring training started on Monday this week at 5:00 p.m., with 9-year-olds and under working out.

On Tuesday, 10-year-olds took their practice session and on Wednesday, the 11 year olds were the object of training.

Twelve-year-olds are to try out this afternoon (Thursday) at 5:00 p.m.

The seasons this week are for the lads who are not already on a Little League team. Those already on Little League rosters will get the word from their managers after Saturday's player auction, as to when they will work out next week.

On Saturday, at 2:30 p.m., in the District Courtroom, managers will gather with the player agent and will select players to fill out their ranks of boys who have moved and graduated.

The league will operate once again as a five team circuit with games on Monday, Tuesday, Thursday, Friday, and Saturday, at 6:00 p.m., for the first half of the season. For the second half, the Saturday games will be eliminated, if present plans are carried out. The schedule has not yet been announced.

The defending champion Sox will again be managed by Curly Ris-

inger and Louis Kuebler. Doek Long and Brown Carter will manage the Pirates, Doek for his second year and this will be Carter's first year as a Little League manager.

Rev. Cecil Williams and Tom Pate will handle the reigns of the Giants team.

Weldon Newsome will manage the Cards, assisted by Bill Ward, another newcomer.

Dossie Terrell and Millard Townsend will manage the Cubs.

Rose Auto and Appliance and McDermott Liquefied Gas are the sponsors of the Sox.

Cochran Power and Light will be the Giant sponsors.

Sponsors of the Cubs are St. Clair Department and Variety Stores.

Forrest Lumber Company is sponsoring the Cards, the newest team in the league, is Windom Oil Co.

The Minor League operation is to operate essentially in the same manner but one very important new development is being planned.

New uniforms have been ordered for four of the Little League teams. And, if all goes according to present plans, the older uniforms will be issued out to the Minor Leaguers. That will mark the first time our Minor League operation has been in uniform.

The same league officers will be in charge of operations this year, though several key personnel have gone. H. L. Hanna is in charge of the equipment and the field.

Umpires have not yet been announced.

CAROL LEAVITT, SUSIE HAWKINS ARE MORTON'S VALEDICTORIAN AND SALUTATORIAN FOR 1959

Miss Carol Leavitt has been named the valedictorian and Miss Susie Hawkins the salutatorian of the Morton Schools Senior Class of 1959.

The announcement came this week from Tom Pate, principal of the high school.

In making the announcement Principal Pate said that Miss Leavitt had earned a grade point average of 95.90, and Miss Hawkins earned grade point average was 92.94.

(The grade point averages include years previous to the 1958-59 school term when the A. B. C. D. F. system of grading was adopted.)

Miss Leavitt, daughter of Mr. & Mrs. J. N. Leavitt of Lingo, N. M., has attended the Morton Schools for the past three years. Prior to that she was enrolled at Casey, N. M.

Upon graduation Miss Leavitt plans to enter college at Eastern New Mexico University, Portales, N. M.

Miss Hawkins is the daughter of

Mrs. Scott Hawkins of Morton. She has attended the Morton Schools since entering the first grade here.

After graduation Miss Hawkins is planning to enter Texas Tech.

Golf Tourney Is Underway at Country Club

The annual Country Club Men's Spring Golf tourney, match play, gets underway today, Thursday, & is to be completed Sunday.

A members - guests barbecue is to be held tonight at 7 o'clock and members are cautioned to bring their meat to be barbecued for themselves and their guests, to the Club by 4:30 p.m., so the cooks can get it ready in time.

All flights are set according to handicap cards recently issued by the club. Eight man flights are scheduled with winners being named in each flight.

Matches are being played when the two prospective opponents can best arrange to play them. Most first round matches will be played today.

TWO MORTON GIRLS ATTENDED STATE FUTURE HOMEMAKER MEETING

Two representatives from Morton High School were among the 1,000 Future Homemakers of America, advisors, and guests who attended the FHA state meeting at the Dallas County Garden Association's flower show at the fair grounds.

In addition to attending the state FHA meeting, the Morton trio were able to visit the Dallas County Garden Association's flower show at the fair grounds garden.

The group report that they had a "wonderful time", and that the schedule was designed to "employ every minute they were in Dallas."

Attending here were Miss Mary Lee, daughter of Mr. and Mrs. C. C. Ledbetter; Miss Mary Lee, daughter of Mr. and Mrs. Richard Benham; and Mrs. A. T. Baker, Morton High School FHA chapter advisor and homemaker.

Miss Ledbetter was present to receive her FHA state degree, and Miss Benham was voting delegate to the state chapter.

The meeting held in the Music Hall at the State Fair grounds, Dallas, was the highest honor bestowed upon a member.

The group stayed at the Sheraton hotel in Dallas. The group was accompanied by bus in company with representatives from all the other areas. Meals were

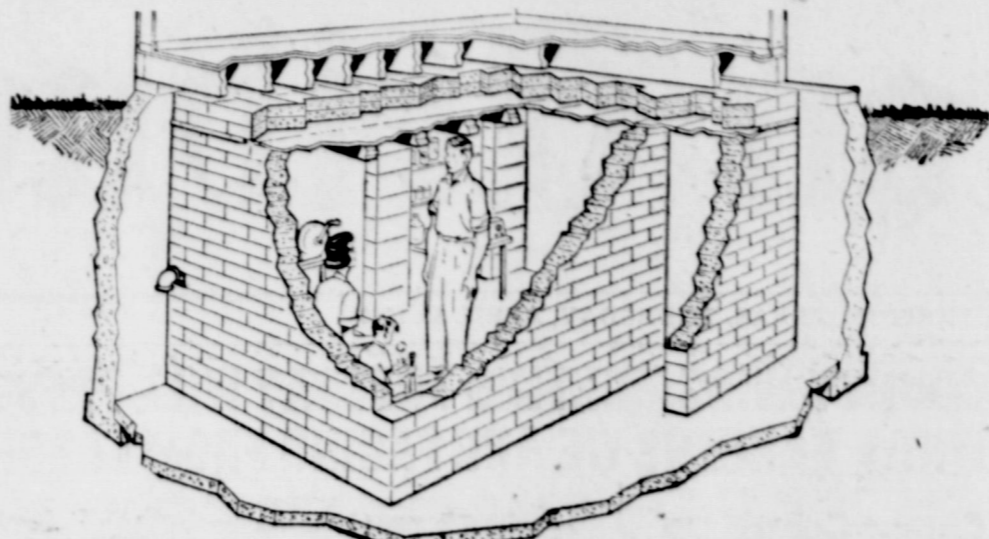

New Business Opens This Week

Another new business will open soon in Morton, it was announced this week.

George Farhat, recently engaged in the wholesale selling, will open the "Popular Store" on the north side of the square here.

Members of the Presbyterian Church, Mr. and Mrs. Farhat have moved to Morton from Lubbock.

Family Can Survive

BASEMENT SHELTER, designed by the Office of Civil and Defense Mobilization, is recommended for protecting the average family from radioactive fallout. The 15 x 8-foot shelter can be built of concrete blocks for about \$200 on a do-it-yourself basis, somewhat higher if contracted. OGD Photo.

Will Attend West Texas Church Meeting

Rev. and Mrs. H. T. Clarke of the Morton Assembly of God Church planned to leave Wednesday for Big Spring to attend the 26th Annual West Texas District Council of the Assemblies of God Church.

A. D. Boatright is church delegate and M. A. Tanner is alternate delegate to the council meeting. Both were hoping to make the meeting.

Special recognition was planned for the Morton church because of its "Gold Crown Sunday School."

The recognition is based on the attendance of teachers and class officers, records of the classes, and instructional schools offered and attended during the year.

General Council of the Assemblies of God will be held in San Antonio, August 26 - Sept. 1.

The Big Spring meeting is being held in the city auditorium there. Rev. A. A. Wilson of Kansas City is the principal speaker.

MISS LEILA PETTY ELECTED PRESIDENT OF LOCAL WESLEYAN SERVICE GUILD

Guild officers for the coming year were elected when Wesleyan Service Guild met Monday night in Fellowship Hall with Mrs. Bill Wood as hostess.

Members of the nominating committee were: Mrs. J. R. Kuykendall, Mrs. Johnny Green, Mrs. John L. McGee, Mrs. C. A. Moore and Mrs. Ethel Raney.

Officers elected were: Miss Leila Petty, president; Mrs. F. E. Baldridge, vice-president; Mrs. Carl England, secretary; Mrs. Hardy Rhine, treasurer; Mrs. Bill Wood, membership, publicity and reporter; Mrs. Joe Seagler, spiritual life

and missionary education; Mrs. Raymond Ross, Christian social relations; Mrs. Ed Howell, supplies; Mrs. Hessie B. Spotts, secretary of promotion; Mrs. Fred Payne, status of women; Mrs. James Harrell, coordinator; and Mrs. E. O. Willingham, Christian literature and publications.

Mrs. Petty was in charge of the meeting in the absence of the president. She welcomed two guests, Mrs. Bea Yarbrough and Mrs. Sybil Masten.

Concluding the business, the study of Isaiah was continued by Mrs. John Crowder.

Refreshments and a social period were enjoyed at the close of the meeting.

Lubbock Woman Presents Interesting Program on Travels In Middle East

A full length color movie taken in the Middle East by Mrs. S. L. Forrest of Lubbock was shown to a large and appreciative audience at First Methodist Church Sunday night. In conjunction with the pictures, Mrs. Forrest told of her experiences on a world tour last year at which time she joined a group studying the path of civilization on its Western march from ancient times to the present.

The four month trip was made in the main by air and included Pakistan, Iran, Iraq, Syria and Lebanon. Mrs. Forrest explained that the sights, scenes and smells were indescribable but the smells of the Middle East are something one never forgets as they appear to be the culmination of all the filth in the world.

Mrs. Forrest told too of the many items on display which she had brought back from her world travels. Included in the display were a number of dolls dressed in native costume, wood mosaic work, swords, bows and arrows, headdress of various Middle Eastern inhabitants and a number of other artifacts from the areas visited.

Serving In Pacific Fleet

PACIFIC FLEET (PHTC) — Doyle W. Blake, boilerman third class, USN, son of Mr. and Mrs. Bill R. Blake of Morton, is serving aboard the other USS Guadalupe, operating with the U. S. Pacific Fleet.

Three Way News . . .

By MRS. FRANK GRIFFITH COOPERATIVE STOCKHOLDERS ANNUAL MEETING HELD

The annual stockholders meeting of the Maple Cooperative Gin had 388 persons in attendance for the barbecue supper and business session at the Three Way gym, Monday, April 20th.

Jack Furgerson, chairman of the board of directors presided. Mr. Richards, of the auditing firm of Merriman in Lubbock gave the audit report. A record was set by the gin in 1958 with 8524 bales of cotton ginned.

Mr. Wylie of Farmer's Cooperative Congress, Otta Key of Plains Cooperative Oil Mill and Jessie Mickey of Plains Cotton Cooperative Association, all of Lubbock gave reports at the meeting.

Directors were elected to replace Johnny Wheeler and Jack Furgerson whose terms had expired. Nominated were Charles Abbe, D. L. Tucker, Weldon Avery, Bob Kin-dle, Don Lowe, and Jack Hutehson. Abbe and Avery were elected. Baldridge Bakery of Lubbock furnished a public address system. The Senior Class served the food.

UNDERWENT SURGERY

Mrs. Doris Pearson entered the

Firemen Make Monday Run

The Morton Volunteer Fire Department was called out at 9:30 a.m. Monday to fight a fire at the Mahan Motor Company but the fire, which was quickly brought under control, was a blaze in the motor of a truck being worked on. Damage was only light.

Guarding Tomorrow's Freedom

How to maintain a lasting peace — how to preserve full employment — how to ward off recession — how to keep our high standard of living. Those are problems which continually face the Government of our country.

Tomorrow they may blaze into issues that must be solved by the factions and interests that make up our democracy. Each of these factions and interests will demand to be heard — and they will be heard.

The press of America will report and comment on what each and every party to an issue has to say. The public will know what is going on.

It is only thus that the best interests of America

can be served over and above the interests of any one faction or any limited-interest group.

This vital function can be performed only by a press that is free to write and free to publish the story of national issues, unfettered by dictation from any source.

Today's freedoms can be secured and tomorrow's freedoms guarded only by a press that owes allegiance to no ogre of tyranny bent upon shaping our destiny to suit its own ends.

If the press of America is, in a real sense, to remain the guardian of our future, we must preserve the freedom it possesses today.

Will the new farm bill encourage blending of rayon with cotton? ... we think so ... look at it this way: Mills point out that excessive cleaning and too much heat lower spinning qualities of cotton ... some mills add up to 20% rayon to reduce these spinning problems ... in the past both the ginners and farmer could oftentimes sell above the loan by ginning for spinning quality instead of grade ... seems there is very little chance of "A" cotton selling above 110% of "B" supports this year ... so the farmer will gin "for the loan" and spinning quality will go out the window ... when "A" cotton gets to the mills, spinning problems caused by the excessive heat and cleaning will show up ... mills will be unhappy ... in will go rayon and there's another lost mar-

ket for cotton ... all this points up need for better methods of measuring spinning quality of cotton ... and incentives to reduce for ultimate use rather than for support prices.

Check Seed
If your cotton seed has been stored for a couple of years, you better have a germination test run on a sample ... may save tears later on.

Skip Row Planting
Skip row planting is taking quite a hold in some spots over the country ... could pay you to look into it ... oh, yes, if you do decide to try some skip row cotton, be certain to check with your ASC committee to find how wide the "skips" have to be not to count in your acreage allotment.

Cotton Lunch
Cotton and cotton seed were quite apparent at some European luncheons recently ... they were present as margarine, salad oil, tablecloths, napkins, cotton-content paper menus ... provided by Cotton Council International.

Split Grades
Bales of cotton graded "plus" or "light spot" will bring more money from government supports (either loans or "B" or purchase of "A") on this crop than in the past ... this will be the first recognized by government supports.

All Teachers Re-Elected Here; Three Additional Resignations Received

In a special call meeting Thursday night, the Morton Independent School District Board of Education re-elected all teachers for the coming year and then accepted six resignations that had been submitted.

The motion was made by O. B. Huckabee and seconded by Truett McCuiston after a short discussion. The resignations accepted, included three already previously announced in the Tribune, but had not been formally accepted by the Board until Thursday night.

Resignations were received from Jerry T. Barton, Elementary School Principal; Vernard Alexander, football coach and high school teacher; Bob Pierce, physics and science teacher; Henry Clay Hornsby, high school and junior high school teacher; Mrs. Georgia Faye Perkins, third grade teacher; and Mrs. Carol Daniel, high school speech and English teacher.

Mrs. Daniel's letter of resignation stated that she would be with her husband next year as he returns to the University of Texas for further study.

Hornsby said simply that he had made plans for the future. Mrs. Perkins thanked the administration for courtesies extended during her teaching stay here.

One administrative salary raise was granted, a raise of \$400 per year on the salary of the assessor collector of taxes, Dub Hodge.

In connection with that the Board was told that a report on the tax evaluations for the district would be ready by the next school board meeting; but trustees were advised it would be impossible to get a complete revision of evaluations by this year.

Asked about the coaching situation, Supt. Barnes brought out some of the letters of application he had and told the group he had not conducted any interviews yet, and was thus not ready to hire another coach to fill Alexander's vacancy.

At its meeting held a couple of weeks previously, the trustees had named three men and three alternates to serve on the board of Equalization for the coming year. Burton Silvers, B. H. Tucker and James St. Clair were the three named and the three alternates, three that could not serve, were named in lieu of any of the original Willard Cox, Tom McAllister and Roy Brown. Pegues Houston moved these men be asked to serve and Jesse Clayton seconded the nominations, the Board voting all in favor.

At that meeting Hodge was also instructed by the Board to start with taking inventory of property under the new plans for equalization of taxes. The Board was told that Hodge would probably need some extra help during the period of inventorying the property in the district. Truett McCuiston moved he get started as soon as possible and O. B. Huckabee seconded this proposal, all voting aye.

The trustees were told that the

these students who attended an accredited summer school this summer would be allowed the credits this year.

The Board was told that after next year, this problem of conflict in credits would arise no more since the required number of credits would be raised from 16 to 20. But, since this junior class had been in school under the old accreditation standard when the new rules were passed, the Board felt it was necessary to allow them to get their summer school credits as originally allowed.

All board members, with the exception of Raymond Ross were in attendance at Thursday's special meeting.

COTTONSEED DELINTING
The Morton Delinting Co.

Would like to wet acid delint your cotton seed, or maybe you would prefer the saws. We now have both plants in operation and would appreciate your business.

We are also equipped to fertilize your delinted cotton seed.

HOMESTEAD EXEMPTION
for Tax Purposes
By April 30, 1959

In order to receive this exemption you must sign for it each year.

Mrs. OTHA DENNY
Tax Assessor - Collector, Cochran County

Additional Acreage Is Received In "B" Cotton Plan Electives By Farmers

Cotton producers on the Texas High Plains by virtue of the "B" choice program for 1959 will have 130,293 additional acres to plant this year giving them a total allotted acreage of 2,265,044.

While participation in the "B" choice program was much lighter than expected by most agricultural observers across the nation, the High Plains area had about 15.2 percent participation while the national participation was 15.7 percent.

Plains Cotton Growers, Inc. members in the 23 counties will have more acreage available to plant this year than was available for planting in 1958. However, total allotments last year were greater, 2,279,436 acres against 2,265,044 acres for 1959, but last year farmers put 145,778 acres in the soil

bank and there will be no soil bank this year. Also farmers for 1959 took approximately a 6 percent acreage cut. However the additional 130,293 acres received by farmers who selected the "B" program pushes the total acreage available for planting higher than that acreage last year.

In Texas farmers who selected the "B" choice will receive an additional 428,121 acres and this pushes the total state acreage available for planting from 6,846,757 to 7,274,878 acres.

Nation-wide farmers who selected "B" received 1,023,529 additional acres and upped the total cotton acreage from 16,310,000 acres to 17,333,529 acres.

Here's how some of the near Cochran counties fared with increase acreage and total county allotments:

County	Acreage Increase	New City Allotment
Bailey	11,017	108,582
Cochran	2,434	77,261
Hale	13,423	173,075
Hockley	9,918	187,551
Lamb	17,961	202,030
Lubbock	13,537	227,724
Terry	3,492	144,217
Yoakum	1,146	34,229
23 County TOTALS	130,293	2,265,044

WTCC Convention Speakers Named

West Texas Chamber of Commerce officials announced recently the names of speakers for the organization's 41st annual convention to be held in Amarillo May 7-8-9.

Registration, reception and dinner are scheduled for May 7. Speakers for May 8 include: Robert A. Finney of Humboldt, Kansas, a district director of the U. S. Chamber of Commerce and former president of the Kansas State Chamber;

Desmond A. Barry, president of Galveston Truck Lines, leader of a fight against "hot cargo" contracts with labor unions and subject of a story in a recent issue of Reader's Digest;

C. B. Spencer of Dallas, agricultural director of Texas Cottonseed Crushers Association; Darwood Levter of Lubbock, stockman and cattle feeder; Harold Loden of Lockney, research director of Paymaster Farms; and Dr. Carl S. Winters of Oak Park, Illinois, member of General Motors lecture board.

Speaking the morning of May 9 will be Harry W. Clark of Dallas, industrial consultant with Texas Power and Light Company and past president of both American and Southern Industrial Development Councils.

Election of new officers for the regional chamber will be accomplished at the convention as well as selection of the 1960 convention city.

Dist. Chairman of Bond Drive

J. E. Waller, President of the Plains National Bank in Lubbock, has been named U. S. Savings Bonds District Chairman for District No. 5 by Nathan Adams, Chairman of the Texas Savings Bonds Committee.

Waller will direct all phases of promotion and the sale of Savings Bonds in District No. 5 which includes Cochran, Crosby, Garza, Lubbock, Lynn, Terry and Yoakum counties. He becomes a member of the state-wide volunteer organization whose efforts are contributed to public service.

Look at the difference made by NEW JOHNSON GRASS CONTROL!

Pictured above is the Otto Steinberg Farm, Plainview, Texas. The cotton on the left received one application of ORTHO C-56 Johnson Grass Control plus one hoeing and three cultivations. The crop on the right received three hoeings and three cultivations but no ORTHO C-56 Johnson Grass Control.

Grower of the crops pictured above, Farm Manager Jim Williams, says: "ORTHO C-56 really did a job on Johnson grass in our cotton last year. One application saved us two hoeings. This year I plan to follow up the first treatment with two lighter dosages and eliminate hoeing completely."

ORTHO C-56 JOHNSON GRASS CONTROL — a new powerful oil spray additive!

When mixed with kerosene or fuel oil, ORTHO C-56 dissolves the waxy coating of the plant and aids penetration into the plant tissue. It has no systemic or residual effect, therefore eliminates danger of incurring soil sterility. Apply by spot treating method using Texas blade and jet gun, slide gun or gravity-flow sprayer. Ideal results obtained when applied during seedling stage, before young shoots are 6 inches tall. However, Johnson grass can be controlled in all stages of growth with ORTHO C-56.

MONDAY IS DOLLAR DAY

Senator Preston Smith

The major bill to go down in this session in the House of Representatives was the Governor's so-called "abandoned property law" which drew the fire of 100 members from all over the state.

The bill was no stranger to the house, having been considered before as a revenue-producing measure, but this was the first session in which the "abandoned property law" really came into focus as an issue.

Since that activity, legislators have been bombarded with many telegrams and phone calls since announcement of the most recent tax programs. Hectic contacts were made in many cases to urge action against certain tax measures, or for certain tax measures.

Publicity on some of the items to be taxed under this bill was credited with bringing more response from Texas than anything else that has happened in this session.

The public is still apparently very much interested in taxation measures under study. And they are certainly not the only ones.

With taxes certain to be increased, the tax legislation has been delayed time and time again. When the proposals become public, future action here at the capitol pines the program here and there, and as a result, millions of dollars are out from the tax bill.

This means only one thing, mathematically speaking. With each new idea on how to raise taxes, subsequent action cancels out the major portions of such increases by eliminating portions of the bills. Ground is being lost in attempts to find much needed increase in state revenue. Just what steps are to be considered next is a matter of differing opinion here.

It's beginning to look like another session—a special session, to finish up the financial problems of the state—will be called this year, say capitol observers. It's almost sure that a special session is predictable unless something is decided on—a tax measure that will pass enough increases to meet the needs of the legislature outlined as necessary. We're all against increased taxes... but many months of work here show taxes are sure to be increased. Which taxes? Nobody knows right now.

One procedure the much-talked-about proposed tax measure opens is one which retail merchants fought in their appeal against a general sales tax: that of collecting the tax on separate sales items at retail level. The proposed House Bill as written will require the retailers to collect taxes on tobacco products, except cigarettes; luxury items of various sorts, distilled spirits, hotel meals of more than \$1, lubricating oil and numerous other specified sales.

Business will give close scrutiny to one article in the proposed tax bill. Business and industry use many machines on a lease basis. The proposed act levies a tax of 5 per cent of the retail sales values of business machines, or 5 per cent of the rental or lease value.

Another levy the tax committee expects will bring in at least \$10 million a year is the levy under which the construction industry will come in for a new tax of 1 per cent of any material, and supplies used in construction, remodeling or repairing of real estate. Whether there is an exemption for home repairs done by the home owner

was not made clear.

It will even cost money to lose weight. Reducing salons, which have become a fad in fashionable circles, will be touched for a small take, as will dance studios. If Texans take up sports to work off excess fat, they will pay the tax on sporting goods they purchase.

The 56th Legislature is the first air conditioned session of the Texas law making body in history. In the past, near the close of the regular 120-day session, warm weather has been blamed for frayed tempers. However, it is doubtful, during the squeeze starting in a couple of weeks to wind up on time, that artificial cooling will prove 100 per cent effective in keeping tempers as cool as room temperature.

Texas Nurses Are Busy People

Everyone knows Texas nurses are busy people. But how busy? A study just made by a national hospital supplier today provided a partial answer.

Every one of the approximately 9,600 professional nurses in Texas is responsible, statistically speaking, for the care of 932 persons. In other words, there's one nurse for every 932 Texans.

And every one takes care of about 133 of the 1,275,000 patients admitted annually to Texas hospitals.

The figures come from an analysis made by a division of American Can Company.

The national ratio of nurses to population is one nurse for every 640 persons. The U. S. ratio of nurses to admissions is one to 84.

Professional nurses in U. S. hospitals and schools of nursing total about 262,000, according to the latest available statistics, a report said. Total hospital admissions are running in excess of 22,000,000 per year, or one out of every eight persons.

WALDEN'S HAVE DINNER GUESTS SUNDAY

WASHINGTON AND "SMALL BUSINESS"

By C. WILSON HARDER

The currently proposed budget before Congress calling for some \$77 billion has been somewhat of a shocker.

With a great advance build up that this budget would somewhat approach an "austerity" budget to combat inflation, the amount of fat in it has, according to all reports received, created more than usual alarm.

Probably most significant along this line is the result of a recent C. W. Harder poll taken of the nation's independent businessmen by the National Federation of Independent Business.

Out of this coast to coast poll an astonishing 73% expressed themselves in favor of an amendment to the United States Constitution which would put a ceiling on Federal spending.

This is sure to meet with the approval of the economy minded legislators classified as the Sen. Harry Byrd school of thought.

It has now been almost 24 years since the idea of a balanced budget was "temporarily" shelved to meet the stress of the times. Yet every year since then, Federal expenditures have continued to leap ahead as if the famed Japanese cherry blossoms around the tidal basin grow money in abundant crops.

Of course, in war years, when the nation is in armed combat, budget considerations have no importance. But peace time budgets are another matter.

© National Federation of Independent Business

Naturally, in these times it is essential to maintain an adequate defense. But it seems impossible to have sound Federal financing, adequate defense, the welfare state, the worldwide boondoggling through billions of dollars in foreign give aways.

And as every businessman knows, no enterprise can hope to survive on the assumption that there is money to lay out for everything that would be nice for that enterprise. In the management of business funds, the essentials are taken care of first, then all other things are eliminated, or trimmed down. The cash and credit limits of the enterprise dictate the boundaries.

Yet in the greatest enterprise in the world, the U. S. government, there is so far no restraining force, no way to blow the whistle. Thus the expressed need for a ceiling on Federal spending.

Because ever increasing Federal spending is the greatest inflationary force the nation has, and when Congress is finding it necessary to raise the interest rates on GI housing loans from the original postwar 4% to 5 1/2%, it is easy to visualize the inroads that inflation have already made on the economy.

Mark Twain once said "Everybody talks about the weather, but nobody does anything about it."

This same thing holds true on Federal spending. Many talk about Federal economy, but nobody so far does anything about it.

Thus, it appears only way to ever bring about Federal economy is to enact legislation that defines permissible boundaries of spending. For when it comes to Federal spending, pious intentions obviously come to naught without such control.

April 14, 1959

Dear Friend:

While most of the headlines these days tell about unemployment, inflation and the Berlin crisis, we don't want to overlook some good news for Texas.

And that is that we're getting fast action on Texas flood control and navigation projects this year, and we're also making real progress in our fight against the screw worm fly, that costly menace to our entire livestock industry.

The Senate Public Works Committee already has approved my bill authorizing construction of Bardwell Reservoir on Waxahachie Creek, another important link in the comprehensive plans to control and develop the water resources of our Trinity River Basin.

This Committee also okayed our Rio Grande Valley watershed plans and ordered hearings on the Port Mansfield channel to the Gulf of Mexico.

As for the screw worm, our ranch experts estimate that it takes a toll of about \$25,000,000 per year in livestock losses in Texas alone. That's why I'm so glad to receive word from the Agriculture Department that a special study designed to tell us what we need to know to control this costly pest will be completed within 90 days.

On the unemployment front, we've heard a lot of talk about how something should be done, but talk alone doesn't solve much.

That's why I was so pleased when 68 of my fellow senators joined in signing the Resolution I introduced to set up an Unemployment Study Commission.

We need this Commission because we have a special problem on our hands. The country, generally, is fairly prosperous. Unemployment has struck only in scattered spots.

It will be cheaper for this Commission to find out what is wrong in those scattered spots than it would be to launch a national program of "across-the-board" remedies when the problems might be different in different areas.

I believe, and I'm sure you believe, that as long as there is one person who is willing and eager to work but unable to find a job, that is one too many.

And we intend to do something about it.

April 21, 1959

Dear Friend: Unless you're a financial expert, the President's proposed \$77 billion budget doesn't mean much in terms of everyday living in Texas. We know it represents a lot of money... and taxes... and that is about all.

The Bureau of the Budget has blueprinted how the Administration plans to spend this \$77 billion—which someone has figured averages about \$1,900 for every family in America. If we take \$10 of your tax money, here is how the Bureau of the Budget wants to spend it:

- For defense, including military aid to our allies, \$5.95.
- Interest payment on the public debt, \$1.06.

STRICKLAND'S VISIT RELATIVES ON TWO-WEEK TRIP
Mr. and Mrs. R. C. Strickland returned Monday from a two week trip. They took Mrs. Strickland's mother, Mrs. W. A. Wilson to her home in Hamilton. Mrs. Wilson has spent the winter with the Stricklands.
They went from Hamilton to Houston where they visited Mrs. Strickland's sister, Mrs. E. L. Smith and family and went sight seeing in Galveston. From there they went to Meridian and visited R. C.'s mother and sister, Mrs. J. A. Strickland, Miss Vesta Strickland and others. They went by Dallas to see their son, Mr. and Mrs. Raymond Strickland and children, Vicki Lynda and Randy of Dallas. They reported a wonderful time but said it was nice to be back to Morton.

Home Demonstration Agent

MISS LEILA PETTY
DOMESTIC HOME
DEMONSTRATION WEEK

Next week we join the more than 10 million homemakers throughout the nation who are observing National Home Demonstration Week. More than 40,000 Texas homemakers are going out to tell of their work and invite other homemakers to join.

Citrus fruits are rich enough in vitamin C to yield a day's supply in one average serving such as a whole orange or half a grapefruit. Potatoes, tomatoes, peppers, Brussels sprouts and cabbage, as well as greens such as spinach, mustard and turnip tops also contain vitamin C. However, more than one average serving of these other foods is needed to provide enough of this vitamin daily.

Vitamin C is not stored in the body, remind the specialists. That's why you need to include it in your diet on a regular day to day basis.

BRIEFS FOR FOOD SHOPPERS

At fruit counters you're likely to find the quality of fresh strawberries good and the price range the same or slightly lower. Frozen berries offer good values as the fresh season gets underway. If you have room in your home freezer this would be a good time to lay in a supply.

Strawberries are also good sources of vitamin A.

Pecans are no cheaper now, but if you use a lot now would be a good time to buy a supply. If kept in the refrigerator, or better still, in the home freezer, they will keep many months without becoming rancid.

H.D. CLUB MEETINGS

The Friendly Circle Home Demonstration Club meets at the home of Mrs. Woodrow Self on Friday afternoon, May 1.

Mrs. Charlie Sanders will be hostess to the Lehman Club on May 6. The Halfway Club meets with Mrs. Leo Brooks on May 7. The County Line Club meets on May 8.

IN ROCHESTER, MINN.

Mrs. John L. McGee and Mrs. Roy Hickman are in Rochester, Minn., this week. They left Lubbock by air Sunday and are expected to be home Saturday of this week.

VISITORS HERE

Mr. and Mrs. V. V. Williams of Lubbock and former Morton area residents were visitors here over the weekend.

BACK IN THE HOSPITAL

Sam Proctor of Morton returned to the St. Mary's Hospital Wednesday for further surgery. The operation is scheduled for today, Thursday.

VISITED HERE BRIEFLY

Jerry Leverett, brother of Sammie Leverett of Morton was a visitor here from Friday until Wednesday at the Leverett home. He returned to the Navy Base at Pt. Mugu, Calif., where he was to enter a technical school.

DAYS THAT SPOOK THE WORLD!
VICTORY SNATCHED FROM DISASTER!
DUNKIRK

Despite the great progress recently in cancer research and treatment, this disease is a "steadily increasing health problem" that kills more than 250,000 Americans a year, Health Information Foundation points out.

While death rates from most diseases have gone down sharply, the mortality rate from cancer is now 60 per cent higher than it was in 1900, the accompanying chart shows. A big factor in this trend is medical science's victories over infectious diseases, childbirth complications, and other once-common problems. With fewer young people dying of these causes today, far more are living to ages where they are more likely to develop cancer.

The Foundation notes that early in the century most cancer victims were women, but that male mortality from the disease now exceeds the female by 22 per cent. This is partly because respiratory cancer among men has risen rapidly in recent years, but also because in general cancers affecting men are more likely to occur in inaccessible sites.

George Bugbee, President of Health Information Foundation, comments that "although cancer is an increasingly serious health problem for the population as a whole, the prospects for the individual cancer victim are brighter today than ever before."

"Whereas a few years ago only one cancer patient out of every four survived for five years or more, now the record shows one of every three so surviving." The picture would be brighter, Mr. Bugbee continues, if more people—especially those in the upper ages—saw their doctors for regular checkups or as soon as symptoms appeared.

A recent survey, sponsored by the Foundation and conducted by the University of Chicago's National Opinion Research Center, showed that 46 per cent of the persons in the 65-and-over age bracket had not had a physical examination in five years or more. Yet, the Foundation points out, more than half the cancer deaths today occur among persons in this elderly age group.

23 Local Juniors Were Given Qualifying Tests for National Merit Scholarships

National Merit Scholarship Qualifying tests were given 23 Morton High School juniors Tuesday morning. It was announced this week by Tom Pate, high school principal.

The test is the first step in competition for merit scholarships provided by some 90 corporations, foundations, professional societies, and individuals as well as by the National Merit Scholarship Corporation itself.

Scholarships has been awarded in the first four years of the program.

The number of scholarships awarded in any year depends upon the extent of sponsor participation. The basic continuing program is for one million dollars a year for (ten annual programs.) In addition, sponsor participation this year is expected to add about two million dollars more in sponsored Merit Scholarships. It is estimated that various outside-the-program sources will increase the present amounts offered to high-achieving students by several million dollars.

The National Merit Scholarship Qualifying Test is a three hour measure of educational development and college aptitude. Emphasis is on broad intellectual skills, and on understanding and ability to use what has been learned, rather than on sheer knowledge of facts.

Some 10,000 Semifinalists, the highest scorers in each state, will be named early next fall. Each semifinalist will take a second examination. Those who repeat their examination will become finalists.

Further evaluation of their grades, citizenship, and extra-curricular achievements will follow, and the winners will be announced in the spring of 1960.

The test results will be reported to all participating schools before the beginning of the senior year, in time for use by seniors and their class advisors. The scores may also be used in many high schools to help students make decisions about college and the most appropriate courses to major in. Many students throughout the country who do not expect to win have registered for the test, in order to learn more about their individual strengths and weaknesses.

Dr. John M. Stalnaker, president of the National Merit Scholarship Corp., recently cautioned that there are many reasons why test results cannot be used to evaluate school performance. The distribution of the population throughout the state, the size of the school, the native intelligence of its top students, the percentage of students taking the test, the nature of the community where the school is located, the purpose of the school, and many other factors have nothing to do with the total effectiveness of the school can influence its number of finalists.

The test results will, however, enable students to compare their scores as individuals with other students across the nation.

The test has been constructed by Science Research Associates of Chicago, and will also be scored and reported by the testing agency.

Each merit scholarship carries a stipend based on the need of each individual winner, and is renewable annually without further competitive examination. The average stipend in past years has been \$700 per year. The minimum award in the 1959 - 60 Program will be \$100 a year and a maximum will be \$1500 a year.

The names of all finalists will be sent to colleges and universities and other scholarship organizations throughout the country. In this way many non-winning final-

BRACERO PROBLEM TO BE STUDIED

I plan to help sponsor in the House a Senate Resolution calling for an investigation of the foreign labor importation program. The AFL - CIO is rumored to be attempting to take over and control the bracero program through the National Labor Department.

I certainly am opposed to allowing the price scales or wage scale of the braceros in the South Plains. This is simply another attempt by organized labor union bosses to take control of farm labor and wages.

Three Way Girls Attend State Homemaking M'tg

"F.H.A. In A Changing World" was the theme of the State Future Homemakers meeting held in Dallas on April 23, 24, and 25. Attending this meeting from Three Way School were Miss Jane Garvin, daughter of Mr. and Mrs. H. W. Garvin, Miss Gayle McCelvey, granddaughter of Mr. and Mrs. W. C. McCelvey; Miss Betty Hutton, daughter of Mr. and Mrs. Horace Hutton and Mr. and Mrs. Elbert Adams, sponsors of the group.

Miss Hutton received her State Homemaker Degree at the State Fair Music Hall on Friday. This is the highest honor presented by the Texas Association of F.H.A. to eligible members based on records of activities and growth toward becoming a better citizen.

Miss Lorena Long, daughter of Mr. and Mrs. Garvin Long, received her State Degree, but was unable to attend the state meeting at which the presentation was made.

Miss Hutton has been a member of the F.H.A. four years during which she has attended four Area I meetings in Amarillo, the state chapter voting delegate this year; and is currently serving as chapter parliamentary. She is a senior and has been active in all school activities including athletics, programs and acting as head cheerleader this year.

Miss Long has participated in F.H.A. four years, attended the Area I meeting four times, and has been a delegate to the state meeting in 1957. She has held the offices of historian, vice-president, and reporter. She is also a senior and is active in school athletics, varied activities and was one of the annual yearbook co-editors this year.

VISITED DAUGHTER HERE

Mrs. E. E. Alexander of Mc Donald, N. M., has been visiting in the home of her daughter, Mrs. J. Hawthorne and family for several days.

WEDNESDAY VISITOR

Mrs. Roy Tomlinson of Hobbs, N. Mex., spent Wednesday with her mother, Mrs. J. P. Morrow.

To service and collect from automatic merchandise units. Excellent opportunity for qualified person. Must be free to work 8 or 9 hours weekly, have a car and \$398.00 to \$795.00 working capital. Submit work history and phone number. For interview write Dept. G, National Sales & Mfg. Co., Inc., 3508 Greenville Ave., Dallas 6, Texas.

Dying after he has been hit by German machine-gun bullets, Bernard Lee tells Sean Barrett (left) and John Mills to get to the boats in one of the gripping sequences of "Dunkirk," unfolding the dramatic story of the evacuation of the British Expeditionary Force from France during World War II. The Michael Balcon-Elting Production is released by MGM.

MRS. ELMO SMITH INSTALLED AS PRESIDENT OF TOWN AND COUNTRY STUDY CLUB

Mrs. Elmo Smith was installed as the 1959 - 60 president of the Town and Country Study Club at an installation meeting, April 1 at San Andres Hotel, Levelland. Installing officer was Mrs. Jerry Winder of the Young Matrons Study Club, Morton.

The installation ceremonies followed a noon luncheon.

Invocation was by Mrs. Alvie Harris.

Theme of the meeting was "Past, Present, and Future."

The "Past" was presented by Mrs. Keith Kennedy, outgoing president, who gave highlights of the district convention held in Borger at which the M. C. Ledbetter family was honored at "District Family of the Year," and Miss Myrland Cox was awarded "District Student of the Year" title.

Mrs. Smith, portraying the "Future," named committee chairmen and members of their committees for the coming year.

The "Present" was represented through the installation of the officers by Mrs. Winder.

Other officers installed were Mesdames Don Samford, first vice-president; Ray Knowlton, second vice-president; S. E. Williams, treasurer; Waldon Newsom, recording secretary; Pat Hughes, corresponding secretary; Harris, parliamentary; Charles Jones, auditor; and H. M. Christian, historian.

Other members present were Mesdames Bill Wood, Roy Hill, Le Roy Johnson, H. B. Cudenhead, Merlin Roberts, A. A. Fralin, LeRoy Burris, Tom Williams and Bill Glassford.

LEGAL NOTICE

NOTICE OF SPECIAL ELECTION
OF THE QUALIFIED VOTERS
OF MORTON, COUNTY, TEXAS

You are hereby notified that pursuant to a petition filed in the County Clerk's office on the 23rd day of April, 1958, requesting me to call a Special Election for the purpose of discontinuing the Commission Form of Government and adopting the Aldermanic Form of Government.

Now therefore, pursuant to the order of election issued on the 27th day of April, 1958, I have called a Special Election for the purpose of deciding the question as to whether or not said City shall discontinue the Commission Form of Government and instead, adopt the Aldermanic Form of Government, consisting of five Aldermen, with a Mayor as the governing body of said City.

This Notice shall be published for five weeks, the first publication being published on Thursday, April 30th, 1958, and on each succeeding Thursday May 7th, Thursday May 14th, and Thursday May 21st, 1958.

Signed:
 Roy Turner, Jr.

Read why a Transite Irrigation System quickly pays for itself

Transite Pipe is quickly, easily installed using your own farm labor.

Save time. With a Transite Irrigation System, feeder and lateral mains are buried and out of the way of farm equipment. There's no needless moving of pipe from field to field, and no pipe storage problems. You use every square foot of acreage for farming.

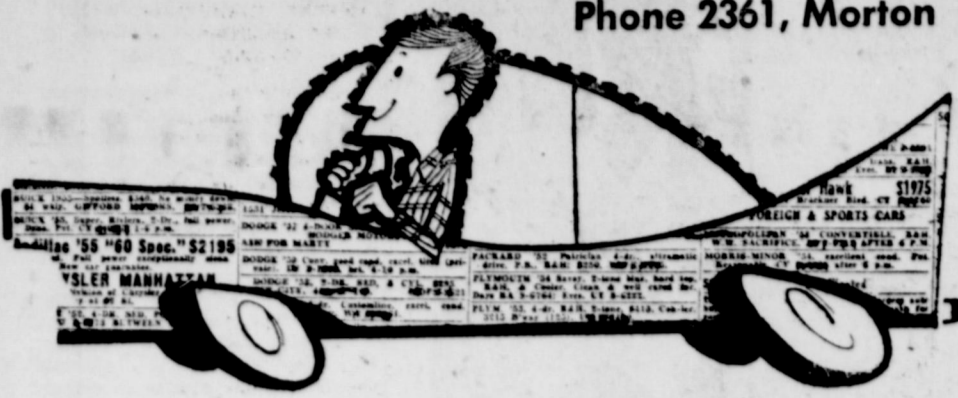

Save water. Transite's Ring-Tite Coupling is your best protection against costly leakage. The same Transite coupling used by so many U. S. cities and communities for water systems. Within the Ring-Tite Coupling, two hard rubber rings are compressed and locked in grooves to provide a tight, lasting seal.

Save fuel. Feel the smooth, unobstructed flow through it with your hose. This means fuel savings on working of pumps, less energy flowing to your crops in the form of volume. This fuel savings continues year after year because Transite can't rust. Its interior is smooth!

Things are looking up in the trade for the handling of Choice "A" cotton... USDA officials indicate that the cotton will move in trade channels as nearly normal as the law will allow... nothing official, but thinking is that usual cotton buyers may become agents for the government with some kind of a fee payment... both buying and selling will probably be handled like this... since the law requires the government to support "A" cotton through a "pur-hase" program, quite a number of officials of the USDA... if this Department's thinking crystallizes, many small cotton buyers and sellers in the belt may be relieved of worry about being put out of business... at least for the time being. Remember "A" cotton will be supported by purchase... once the government has it, you can't pull it back and sell on the market... of course, you don't have to sell your "A" cotton to the government... "B" cotton is on a "loan" basis just as your cotton has been supported in the past.

TWO MORTON GIRLS ATTENDED STATE FUTURE HOMEMAKER MEETING

Three representatives from Morton High School were among the more than 4,000 Future Homemakers of America, advisors, and guests who attended the FHA state meeting Thursday, Friday and Saturday in Dallas.

Attending from here were Miss Mary Ledbetter, daughter of Mr. and Mrs. M. C. Ledbetter; Miss Linda Benham, daughter of Mr. and Mrs. Willard Benham; and Mrs. A. E. Sanders, Morton High School FHA Chapter advisor and homemaker instructor.

Miss Ledbetter was present to receive her FHA state degree, and Miss Benham was voting delegate of the Morton chapter. The meeting, held in the Music Hall at the State Fair grounds, Dallas, saw 366 Texas girls receive state degrees, the highest honor a chapter can bestow upon a member.

LEGAL NOTICE NO. 173 NOTICE OF SPECIAL ELECTION TO THE QUALIFIED VOTERS OF MORTON, COCHRAN COUNTY, TEXAS

You are hereby notified that pursuant to a petition filed in the May 6th office on the 25th day of April, 1959, requesting me to call a Special Election for the purpose of discontinuing the Commission Form of Government and adopting the Aldermanic Form of Government.

Now therefore, pursuant to an order of election issued by me on the 27th day of April, 1959, calling a Special Election for Tuesday, May 26th 1959, for the purpose of deciding the question as to whether or not said City shall discontinue the Commission Form of Government, and instead, adopting the Aldermanic Form of Government consisting of five Aldermen and a Mayor as the governing body of said City.

This Notice shall be published in the Morton Tribune for 4 consecutive weeks the first publication being published on Thursday April 30th 1959, and on each succeeding three weeks as follows to-wit: On Thursday May 7th, Thursday May 14th, and Thursday May 21st, 1959.

Signed Roy Tarver, Jr., Mayor Of Morton, Texas

Probation Officer Is Jaycee Speaker

J. R. Deaver, Probation Officer for the 72nd Judicial District among others, was guest speaker at the Morton Junior Chamber of Commerce meeting, Monday explaining to the group his duties, his position, and the position of a person found guilty of a felony and placed on probation or given a probated sentence. He explained how the officers appreciate a probated sentence, as a means of helping a convicted person straighten up, and take care of their own obligations.

He cautioned the group not to confuse it with a suspended sentence, under which a convicted person has no ties to help him straighten up.

Deaver and District Attorney George Gilkerson, both of Lubbock, and Jerry Leverett of Ft. Mugu, Calif., were guests.

EIGHTH GRADE BANQUET WAS HELD

Sixty-one students and class teachers were in attendance at the recent Eighth Grade banquet held in the Morton School cafeteria.

The formal affair was presided over by Willard Cox, Jr. Entertainment included a choral presentation and play by members of the class. Dinner was served by Camp Fire girls. Lois were presented at the door to those attending by two girls in Hawaiian dress. Hawaii was the banquet theme.

BUSINESS VISITOR

Marvin Wilson, former Morton resident now of Lubbock, was a business visitor in Morton this week.

Recently installed 1959-60 officers of the Home Economics Club of Wayland Baptist College, Plainview, Texas, are: (front left to right) Gwen Barrett Arthur, Route 2, Pampa, president; Elizabeth Dupler, Morton, co-chairman, international relations and hospitality committee; Lynell Lovett, Texico, N. M., secretary - treasurer; Nell Hogg, Lamesa, co-chairman, international relations and hospitality committee; (back) Rita Johns, Ville Platte, La., chairman of the nominating and means committees; Dora Roberson, Amherst, chairman of the public relations and scrapbook committee; Martha Wuerflein, Muleshoe, program chairman; and Pat Sims, Tulia, vice president and membership chairman. Mrs. Cecil Cosper, assistant professor of home economics, used the theme "Pick a Star" for the installation ceremony which was held at the home of President and Mrs. A. Hope Owen.

ELEMENTARY SCHOOL WINNERS NAMED IN FIRE PREVENTION POSTER CONTEST

Three boys from the 4th, 5th and 6th grades of Morton Elementary School walked off with top honors in a Fire Prevention Poster Contest held here this week.

Under the supervision of Mrs. Evelyn Seagler, art teacher, 300 entries in the contest were judged and the following were named winners:

- 1st Place — \$10 and a blue ribbon Mike O'Brien of the 4th grade. 2nd Place — \$5 and a red ribbon, Marvin Rose, 6th grade. 3rd Place — \$3 and white ribbon, Larry Siegler, 5th grade.

The contest was sponsored and financed by the Morton Volunteer Fire Department and Mayor Roy Tarver, Jr. Some of the posters reporting it "was a wonderful experience."

KING and QUEEN OF JUNIOR - SENIOR BANQUET HERE

Miss Myrlan Cox and H. L. Hanna were honored as "queen and king" at the Junior - Senior Banquet Saturday night in the Cochran County Activities building.

The annual event is hosted by members of the Morton High School junior class with members of the senior class being guests.

DATE SET FOR COUNTRY CLUB INVITATIONAL

The Morton Country Club has announced its Third Annual Invitational Golf Tournament for June 5, 6, and 7.

Qualifying will be held June 1 through June 5. A Pro-Am is set for June 5 with ladies invited, the meeting.

COMPLETES MEETING

Rev. Byron Handgroves of the Three Way Baptist Church completed a meeting Sunday at the Progress Baptist Church. He reports "extremely wonderful" through June 5. A Pro-Am is set for June 5 with ladies invited, the meeting.

The story of

WILLIAM ALLEN WHITE and The Church Bell

"I don't need to advertise," an established merchant in Kansas once told William Allen White, renowned publisher of The Emporia Gazette. "Everybody knows me and knows what I sell." "In that event," replied the thoughtful publisher, "we can dispense with the oldest advertising medium for the oldest institution in the world. See that church down the street," continued Mr. White, pointing to one of Emporia's oldest and most beautiful structures. "That church has been established here for many years. Everyone knows what it is and what it does. In the tower of the church is a bell and every Sunday it rings out to remind folks to come to church. "Shoppers go where they are invited and stay where they are well treated," concluded the publisher.

"Regardless of how well established a firm may be, newspaper advertising is a repeated invitation and a reminder to come and do business with that store."

S. Plains Council Gets Award In National Scouting

E. W. Wolfe, National Director of Boy Scout Rural Service has notified John Lott, President of the South Plains Boy Scout Council that the South Plains Council has been selected as one of the "Top Ten" in the field of Rural Scout-

ing during 1955. Mr. Lott will receive the award at a special recognition dinner at the National Boy Scout Council meeting in San Francisco, June 4th.

"Thanks go to the untold number of outstanding adult Scouters in the South Plains Council who have made this award possible."

Notary Publics To Be Reappointed

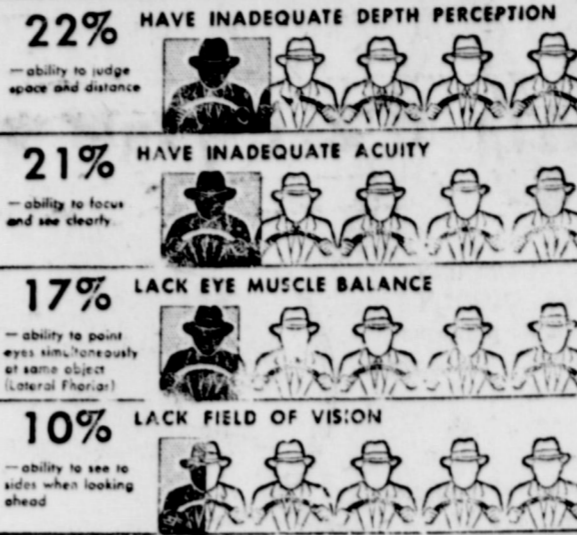

Secretary of State Zollie Steakley has announced that he will reappoint persons now holding notary public commissions but that such persons must re-qualify by the filing of a new oath and bond with the County Clerk of his residence between June 1, 1959 and June 10, 1959.

Steakley emphasized that notaries public should not send requests for reappointment or for commissions directly to the Secretary of State. The law specifically requires the County Clerks to approve notary bonds.

Any person not now a notary public who desires appointment should apply to his County Clerk between April 1, 1959 and May 20, 1959. Application during this period will assure prompt attention before the rush procedure of reappointing present notaries.

Secretary of State Steakley further pointed out that each person applying for a commission as a notary public must be at least 21 years of age and a resident of the county for which he is appointed. The exact name and permanent address of the applicant must be furnished the County Clerk.

ONE OUT OF FIVE MOTORISTS LACKS VISUAL SKILLS FOR SAFE DRIVING

Figures on 5000 drivers in 25 states were obtained in a pilot survey which American Optometric Association will extend to 100,000 drivers in cooperation with state and local organizations. The national survey, being launched during SAVE YOUR VISION WEEK, March 17, aims at accident prevention by cautionsing the motorist to request his individual limits in eyesight, remembering that "DRIVING IS A SLEEPING!"

Whiteface Stud's Make Trip to Carlsbad Caverns

About thirty five eighth grade students with their sponsors, Jimmy Cunningham and Vesta Mae Smith, left Friday at 5:30 a.m. for Carlsbad Caverns. The first stop was at Hobbs, N. M., where they ate breakfast.

After a walk-in trip and lunch in the Caverns, the group stopped on the return trip for sessions of bowling and skating.

Accompanying the school group were Mrs. Lou Rork and Mrs. Dick Childers, room-mothers, and R. E. Bradley, principal.

Bond Sales Are Up In Cochran County

March sales in Cochran County were \$3,099 and sales for the first three months of 1959 totaled \$15,378 worth of Savings Bonds. The latter figure is 29.6 percent of our 1959 goal of \$52,000 worth of bonds. Chairman W. W. Williamson said this past week.

The County ranks 5th of eight counties in the Lubbock District, No. 5, ahead of Lubbock, Terry, and Yoakum in percentage of goal reached but behind Crosby, Lynn, Hookley and Garza counties. Jim Ed Waller is District Chairman of bond sales.

Gilkerson Speaks To High School Journalism Class

Member of the Morton High School Journalism class heard from the "D.A." personally Monday.

District Attorney George Gilkerson of the 72nd Judicial District was the "D.A."

Attorney Gilkerson briefly outlined some of the legal procedure necessary for a newspaper reporter to understand in order to report the findings of courts of law. He was introduced by Bill Glass-

ford, class instructor. In beginning his talk, Attorney Gilkerson told the class that good news reporters are in demand, especially those who understand the operations of courts of law and law enforcement.

He briefly discussed the difference between state, civil and criminal cases, the way such cases are appealed, and how such cases may move into, or originate, a federal court.

Felony and misdemeanor differences were explained and the jurisdictions of Justice of the Peace, County and District Courts were discussed.

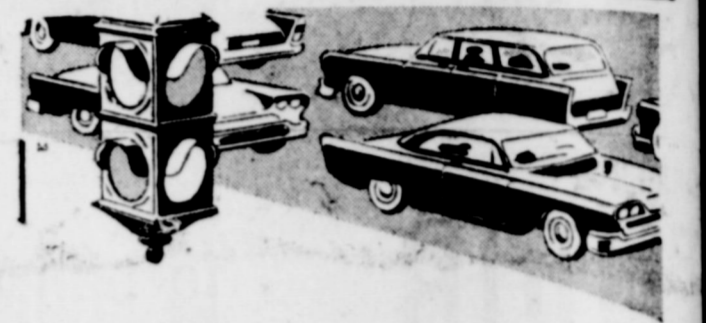

He traced the movement of a case through the Grand Jury and into District Court.

TRIBUNE SOCIETY . . . NEWS - FOR - AND - ABOUT - WOMEN - AND - CLUBS

MISS MARGARET LOVETT
FORMER MORTONITE
TO WED MAY 30

Miss Margaret Jane Lovett, Oklahoma City, daughter of Mrs. E. L. Lovett and the late Mr. E. L. Lovett will be married to Mr. Laverne Lavern O'Conner on May 30, 1959 at 2:00 p.m.

He is the son of Mr. and Mrs. N. H. O'Conner, Idalou, and is presently a teacher in the Hereford High School. He attended school in Morton from 1941 to 1949 and is the brother of Mrs. Wilburn House of Morton. His mother taught school here and his father was a carpenter.

Both the bride and groom to be are graduates of Eastern New Mexico University, Portales, New Mexico and both were active in many campus activities. She was a member of the Euterpean Society, an honor music society, and soloist for the college A capella choir. She has also attended Southwestern Baptist Theological Seminary, Ft. Worth, Texas for two years and was active on the campus there. Presently, she is secretary to the State Baptist Student Union Director for the Baptist General Convention of Oklahoma.

He was active in the Eastern New Mexico University Band, the Business Department, and both were active in the Baptist Student Union. Since his graduation he has been in the armed services for 1 1/2 years, touring 19 countries, and will receive his master's degree from West Texas State College in Canyon, in August. During the summer, they will be attending West Texas State College, and then take their home in Hereford Texas this fall.

The wedding will be officiated by Rev. Donald Kimbrough, Goble, Oklahoma, cousin of the bride and will be held in the Calvary Baptist Church, Clovis, New Mexico. All friends of the bride and groom are invited to attend.

DRESS REVUE AND TEA ARE PLANNED FOR MONDAY, MAY 5

A tea will be held May 5, from 2 to 4 p.m. in connection with a dress revue to be given by Home Demonstration Club women of Cochran County. They will model their dresses and hats which they have made.

The finance committee is in charge of the decorations, the education, expansion and citizenship committee is in charge of the food. In charge of the style show is the exhibit committee and the civil defense committee is in charge of the program.

Everyone is cordially invited.

TO ATTEND PREACHERS M'TG

Rev. and Mrs. James E. Harrell of the First Methodist Church of Morton, plan to attend the Friday meeting in Brownfield of Methodist pastors of the Brownfield District. A picnic is planned in the park there that evening if the weather permits.

DAUGHTER BORN

Mr. and Mrs. Ed Neutzler of Maple announced the birth of a daughter, Tuesday, April 28, at 3:15 a.m., at the Taylor Clinic at Lubbock.

The little girl, weighing 8 lbs. and 10 oz., has a brother Larry and a sister, Rena. Grandparents are Mrs. Louise Neutzler of Morton & Mr. and Mrs. Benny Emerson of Goodland.

Dr. Norman Monk, former Morton doctor, delivered the baby.

50th Conference Meeting Set For Abilene

The 50th annual session of the Northwest Texas Conference of the Methodist Church will open Tuesday, May 26, at Abilene, it was announced this week by Rev. James E. Harrell, pastor of the First Methodist Church, Morton.

The Conference will continue through Friday, May 29. Ministers, lay delegates, and visitors from nine northwest Texas districts will be in attendance.

Districts included are Abilene, Amarillo, Big Spring, Brownfield, Childress, Lubbock, Pampa, Plainview and Stamford.

SURPRISE PARTY HELD ON CLYDE CRAVENS' 25TH ANNIVERSARY

A surprise party in honor of their 25th wedding anniversary was given the Clyde Cravens Sunday at their home some 22 miles south of Big Spring.

Among those attending the former Cochran Countians' celebration were Mr. and Mrs. Carl Ray, Mr. and Mrs. Lew Ray, Mr. and Mrs. Roy Brown, and W. B. Ray, all of Morton.

Also, a daughter and family, Mr. and Mrs. Jackie Murphy and two children, of Clovis, N. M.; a sister of Mrs. Cravens and family, Mr. and Mrs. Clyde Edmanson of Lamesa; a brother of Mrs. Cravens and family, Mr. and Mrs. Melvin Ray of Big Spring; a niece of Mrs. Cravens and family, Mr. and Mrs. Gerald Glenn; a brother of Cravens and family, Mr. and Mrs. Charlie Cravens of Stanton. Also present was Miss Tavana Cravens, a daughter of the couple.

Visitors brought covered dishes along with many gifts.
