MORTON, TEXAS, THURSDAY, SEPTEMBER 24, 1959

NUMBER THIRTY - ONE

Rites Pending for H. L. Flaniken, Former Resident

Funeral services were pending Tuesday for H. L. Flaniken, 68, of Austin, a former area resident, who died Monday night at Marlin. Interment was to be at Franklin. Mr. Flaniken moved to Morton in 1935. In 1937 he moved to Maple where he resided until 1946. He had been in ill health for the past year. He was born in 1891 at Aberdeen, Miss. He and Miss Artie Reid of Rogers were wed in 1916. Survivors include the wife of Austin; six sons, H. L. Jr., of La Marque, R. E. of Austin, Michael of Mapi, R. E. of Fair Oaks, Calif., B. W. of Areadia, and T. R. of Austin; two daughters, Mrs. Charles Shaw Jr. of Littlefield, and Mrs. Herman Mentzel Jr. of Alto Loma; thirteen grandchildren, three sisters and two brothers. Mr. and Mrs. Michael Flaniken and Mrs. Jimmy Darieck left Tuesday to attend the funeral.

FIRE IN THE CEILING

Quick Action Saves Country Home of Elmer Gardner, Sunday Morning

An early morning fire damaged the home of Mr. and Mrs. Elmer Gardner 7 1/2 miles northwest of Morton, Sunday, but thanks to the quick thinking of the Gardner family, a lot of help from neighbors, and the welcome help of the Morton Volunteer Fire Department, a major loss was averted. The Gardner family discovered the blaze when they noticed smoke coming out of the ceiling while at the breakfast table. They went outside and saw smoke pouring out of the roof. Elmer set out for Morton immediately to summon the Fire Department. About 15 minutes or so later, at 8:00 a.m., the volunteer firemen arrived on the scene where friends and neighbors had already removed nearly all the Gardner furniture. Mrs. Gardner had shut all the storm windows and locked the back door, so the blaze wouldn't be fanned by air currents. The flames were soon brought under control. The ceilings in three rooms were virtually destroyed and water

Niece Dies In New York

Mrs. Martha E. Self received word Monday of the sudden death of a niece at Minneola, New York. The niece, Mrs. Esther Fluhr, died of a heart attack. Mrs. Self was unable to attend the funeral services.

New Oldsmobiles Go On Display October First

The new '60 Oldsmobile goes on display Thursday, October 1, at Hawkins Oldsmobile Company, Morton. H. S. Hawkins advises the showing will begin Oct. 1 and continue through Oct. 3 with free coffee and doughnuts available to all who call. He and other members of the Oldsmobile house extend a cordial invitation to area folks to drop by and see the Rocket '60.

Homecoming Set For October 30th

First plans were announced this week for the annual Homecoming Observance of Morton Schools. A committee of officers elected last year held a meeting this week and began plans for observance of Homecoming on Oct. 30th. The usual dinner in the school cafeteria preceding the Muleshoe Morton District 2AA Conference game has been planned. Further plans will be announced soon, according to Mrs. H. B. Baker, a member of the committee.

BOND IS SET AT \$2,500

James Hill Charged with Murder In Local Cafe Stabbing Saturday

A charge of Murder with malice was filed in Justice of Peace Court here Monday against James Edward Hill, Negro resident of Morton for about 10 days, following the fatal knifing, Saturday night, of Marcellus Moore, also of Morton. The knifing took place around 11:20 Saturday night in the Tampeio Cafe, in the "flats" section of Morton. It came, according to Hill and other witnesses, as the aftermath of arguments which had been brewing during the night between Moore, Hill, and a companion with Moore. Police were summoned to the cafe around 11:30 where Moore was found bleeding from a single wound in the groin. He died about a half hour later at the Cochran

County Hospital from loss of blood. The three inch knife blade apparently cut a main artery causing profuse bleeding. Hill, arrested about an hour later, admitted the knifing and made a statement to local authorities. On Monday, District Attorney Morgan Copeland of Brownfield, took a statement from Hill, who had been jailed at Lev-

elland since shortly after the knifing, and of witnesses to the altercation. Hill, 30 years old, until only recently a resident of Levelland, said that Moore had been "picking at him" all evening. At the time of the knifing, Hill had been having words with Richard Hightower, who was with Moore during the evening. Moore came up, got into an argument with Hill, and was knifed. Singleton Funeral Home of Morton took charge of preparation of the body which was sent overland by train to Center, Texas for burial. Hill's bond was set at \$2,500 in JP Court. He remained in jail Monday night, having failed to post the bond.

Whiteface and Morton Bands Will March In Lubbock Parade, Monday

The Whiteface (Class B) and Morton (Class AA) school bands will be among 30 colorful area school bands that will join in the Parade of Bands at Lubbock, Monday, September 28, at 10:30 a.m. in a march down Broadway to herald the opening of the Panhandle South Plains Fair. The local units have been participants for several years in the annual marching event. The Whiteface band is under the direction of Ray Showalter and Bill Hulse is director of the Morton school band.

Enrollment Still Climbing At Bledsoe

Enrollment was climbing at Bledsoe school this week it was reported by Supt. Otis Parr. With the first week's enrollment at 94, Supt. Parr said he hadn't expected so sharp an increase by this week. The total climbed to 112 by Wednesday, with 94 enrolled in the grade school and 21 in the high school. Students also began riding to school in two new buses, Monday. The buses arrived Sunday night and were put into operation immediately. "A World of Difference and a Different World" will be the theme for the observation of promotion day Sunday at the First Methodist Church, Morton. Sunday school classes will meet in their regular rooms at the regular time; following registration, classes will move to the sanctuary. The program will be by youth of the church. Sunday evening at 5:30 o'clock Rev. Edwin Hall, pastor at Muleshoe, will speak to members of the MYF and their parents. Following his talk, the youth and their parents will partake of a covered dish supper.

Promotion Day Next Sunday For Methodists

"A World of Difference and a Different World" will be the theme for the observation of promotion day Sunday at the First Methodist Church, Morton. Sunday school classes will meet in their regular rooms at the regular time; following registration, classes will move to the sanctuary. The program will be by youth of the church. Sunday evening at 5:30 o'clock Rev. Edwin Hall, pastor at Muleshoe, will speak to members of the MYF and their parents. Following his talk, the youth and their parents will partake of a covered dish supper.

Jamboree Is Scout Discussion Next Monday

Boys and their fathers interested in scouting are requested to meet at the Morton Scout Hut Monday night, Sept. 28. Available to the group will be information on the National Jamboree which will be held next summer at the Air Force Academy, Colorado Springs, Colo. Scouting will be celebrating its 50th birthday next year and the National Jamboree is expected to be a "big one."

Jaycees Plan Barbecue, Oct. 1

A barbecue slated for Thursday evening, October 1, at Cunningham draw was briefly discussed at Monday's regular meeting of the Morton Jaycees. Sam Tidwell was a guest of Elwood Harris, and Homer Thompson was a guest of Roy Tarver Jr. Reese Air Force Base will open its gates at 8:00 a.m. Saturday, Sept. 26, to welcome South Plains area children and their parents to participate in the annual Kiwanis observation of Kid's Day. Officials are hoping area residents will make a "family affair" out of the visit to the air base. Ample parking room is available and gates will be open from 8:00 a.m. until noon.

Rev. H. Walker Resigns As Pastor Of First Baptist

Rev. and Mrs. Houston Walker and family are in Colorado this week making preparations to move, next week. Rev. Walker announced to the congregation last Sunday morning his resignation of the local pastorate at the First Baptist Church. The Walkers both have relatives living in Colorado. They planned to put the children in school in Colorado and to come back next week and complete the moving.

Hodnett Taken to Lubbock Hospital

Jack Hodnett was moved to the St. Anne's Hospital in Lubbock Friday. Hodnett, injured in a ginning accident at Maple last week, was erroneously reported in the Tribune to have suffered a broken arm. Actually the damage was done to the muscle in the upper arm.

County Will Lease Barn for Use In Grain Storage

Farmers are reminded again this week those in need of more grain storage space until after the first of the year should turn to the classified section of the Tribune and read the legal ad placed by the County Commissioners Court. The County barn will be leased to a high bidder for use to store grain until after the first of the year. The 50 by 100 foot structure is to be leased by bids to be opened at 10 a.m. on Monday, Sept. 28. The lease can extend until just prior to the County Fat Stock Show, the last week in February.

INDIANS WILL MEET FARWELL IN RUGGED ENCOUNTER HERE, FRI.

For the fourth consecutive week, the Morton Indians will go against an undefeated opponent, Friday, meeting the Farwell Steers on the Morton field, at 8:00 p.m. Farwell, rated third among Class A teams on the Plains, just behind Sundown and Plains has won three contests, among them a win over Class AA Friona. Coach J. P. Jones will have his team in fair shape, after a week long battle last week with the flu bug, Eugene Tarlton, who suffered a knee injury against Plains will not play and Center Jimmy Duke is a doubtful player sustaining rib injuries last Friday. Indian hopes for a victory are high after a strong game against a tough Plains eleven. Indian offense may lean toward a passing game, after late first half success in passing last week as opposed to the Indian's inability to get their running game going. The Indians also hope to have Butch Nairn at full strength after an ankle injury two weeks ago.

Saturday Named "Kid's Day" at Reese Air Base

Reese Air Force Base will open its gates at 8:00 a.m. Saturday, Sept. 26, to welcome South Plains area children and their parents to participate in the annual Kiwanis observation of Kid's Day. Officials are hoping area residents will make a "family affair" out of the visit to the air base. Ample parking room is available and gates will be open from 8:00 a.m. until noon.

TYPICALLY TEXAS IS THEME OF FLOWER SHOW

"Typically Texas" will be the theme of the Cochran County Garden Club flower show to be presented Saturday, October 3, in the banquet room of the Cochran County Activities Building, Morton. Mrs. Charles Jones, flower show chairman, announced divisions for the show this week. (Plans call for a detailed report on divisions to be published in next week's Tribune.) Mrs. Murray Crone is president of the Garden Club. The ten divisions of the show are: Division I, Texas Bounty; Division II, Weather Cast; Division III, Texas in a Nut Shell; Division IV, Texas Brags; Division V, Y'all Come; Division VI, The Dude; Division VII, Vacation Time; Division VIII, Texas in Review; Division IX, Revival Time; Division X, Texas Birds.

Rural Census of Crops, Stock To Be Taken

Rural postmen from the Morton Post Office will again, this month take part in the annual agricultural acreage and livestock survey, in cooperation with the United States Department of Agriculture. Rural mail carriers are delivering 30,000 cards to Texas farmers and ranchers. The cards list questions on crop acreages and livestock. Carriers pick up the completed cards and forward them to Cary Palmer, Agricultural Statistician for Texas, in Austin. Mr. Palmer urges farmers to answer and return these cards to the carriers. "This survey," he points out, "serves as a basis for estimating the State's farm production. Every report helps to make the estimate more accurate."

Cochran's Cotton Crop Estimate Placed at 60,000 Bales By Exchange

LUBBOCK — Texas High Plains Cotton crop prospects for the 1959-60 season continue to look good and estimated production in early September was placed at 1,775,000 bales. This is up about 5,000 bales from the August 1 crop estimate made by officials of the Lubbock Cotton Exchange and the Plains Cotton Growers, Inc. Crop reports throughout the area continue to be good. Late-planted June cotton is said to be making excellent progress. If the 1,775,000 bale estimate does materialize, it would be the second largest cotton crop ever produced in the 23-county Texas High Plains area. Tops was the 1958 season which produced 2,025,433 bales. Production estimates by counties:

COUNTY ELECTION FRIDAY . . . ASC COMMITTEEMEN ELECTED

The following ASC Community Committeemen were elected for 1960: MORTON James Masten, chairman; Ollie Smith, vice - chairman; Weldon Newsom, member; J. D. Hawthorne, 1st alternate, and Eddie Silhan, 2nd alternate. NEELYWARD B. O. Hurley, chairman; Ike Williams, vice - chairman; O. D. Chesshir, member; B. E. Reed, 1st alternate; and T. M. Tanner, 2nd alternate. WHITEFACE Marvin Lasator, chairman; Hubert Taylor, vice - chairman; George Smith, member; Leonard Gainer, 1st alternate, and Ted King, 2nd alternate. The Chairman from each community will meet Friday, Sept. 25, 1959 to elect the County Committee for 1960.

Famuliner Holds Meeting Tonight

The monthly Famuliner Community meeting will be held tonight (Thursday) at 7 p.m. in the Famuliner Community Building. Each family is requested to bring a card table, chairs, dominoes and refreshments of cookies and drinks. The Woodrow Cunningham and Jehrome Holloway families are co-hosts in charge of the evening's entertainment. Richard Key is president of the Community organization.

Newcomer Tea Set Next Tuesday

A tea for "new comers" will be hosted Tuesday afternoon, Sept. 29, from 3:30 to 5:30 o'clock by the Women's Society of Christian Service of the First Methodist Church, Morton. The tea will be in the home of Mrs. W. G. Briley, president of the WSCS, who resides 13 miles west of Morton. A nursery will be provided for children, it was announced.

VINCENTE DUARTE ARRESTED . . . ASSAULT, ATTEMPTED MURDER CHARGED IN SUNDAY BEATING

Gilbert Garcia, 28, Morton Latin American, was in the Cochran County Hospital Monday morning with undetermined head injuries after being apparently badly beaten sometime Sunday night. Garcia was left at the County Park sometime during the night, according to law enforcement officials, recovered consciousness early Monday morning and made his way to a house in the flats where he received aid and was taken to the hospital.

Big Chief Stamps To Be Given at Farm - Ranch Store

Big Chief saving stamps will be given with all purchases at Willingham Farm and Ranch Store, it was announced this week. In making the announcement, Elwood Harris pointed out that the stamps, are redeemable at any merchant giving Big Chief stamps, and at the mobile Big Chief redemption unit which visits Morton regularly. Thirty Big Chief stamps will be given free in each savings book received at the store during the stamp introduction.

Bandsmen Sell Subscriptions to Nat'l Magazines

Members of the Morton Band are busy selling subscriptions to national magazines. Proceeds from the sales will be employed toward projects for the band. The sale is under the sponsorship of the Morton Band Booster Club.

150 Bales Ginned TEC Report Says

The Texas Employment Commission weekly report on cotton ginnings, which is received at the Tribune office about four days after the publication data is gathered, listed Cochran County with 150 bales of cotton ginned, this week. The report estimated 10 percent of Cochran's cotton is open, maintained the previous 60,000 bale prediction, and listed the pulling price in the county at \$1.50.

TEACHERS GUESTS Lions Have Fine Turnout for Ladies Night, Tues.

From 150 to 200 persons were on hand Tuesday night at the County Activity Building for the Morton Lions Club Ladies Night and Teacher Welcome Banquet. Lion Boss J. C. Reynolds was in charge of the meeting at which a chicken dinner was served at 8:30 o'clock. Lions and their guests then played an assortment of games under the direction of various Lion members.

HOCKLEY HIT HARD Storm Damage Is Light in County

A severe electrical storm, accompanied by .93 inches of rain and some slight hail, hit Morton Friday evening from about 5:30 until around 6:45 p.m. No heavy damage was recorded, though some grain was reported to have been blown down by heavy winds. Lightning hit a TV antenna at the East Side Cafe and a pole at the J. M. Philbrick home. The accompanying wind was the cause of a door being sprung at Byrons' Auto Supply with resultant broken glass. Another storm, missed Morton and almost all of Cochran County Tuesday afternoon, but brought heavy rain and hail east of Whiteface and through most of the central section of Hockley County. Damage to the crops in Hockley County was reported high.

FOUNDATION WILL MEET TONIGHT

The Cochran County Foundation (MOD) directors and officials are to meet tonight at 8 o'clock in the Cochran County Activity Building. All persons interested in next year's operations are urged to attend.

George McCrea Will Open Law Offices Here

George McCrea, a graduate of the SMU School of Law, has announced the opening of offices next door to Standard Abstract offices on the southside of the square, Morton. Mr. and Mrs. McCrea and their five month old daughter, Beth, will be at home here on East Buchanan. They are members of the Methodist church. A native of Coleman, McCrea attended high school there, receiving his Bachelor of Business Administration degree and law degree from SMU. Mrs. McCrea (Jane) is the daughter of Mr. and Mrs. Judson Barwell of Longview. His parents are Mr. and Mrs. Marshall McCrea of Abilene.

Hard Hitting Plains Deals Indians 18 to 0 Whitewash; Cowboys Take Advantage of Ball Handling Mistakes

The hard charging, fierce tackling and unnecessarily rough Plains Cowboys pulled a repeat performance of their 1958 job on the Morton Indians at Plains

Friday night, racking up an 18 to 0 triumph over the scrappy Indians and in the route sent two Morton Seniors to the hospital. At first it was feared they might not play the rest of the season, but later reports indicated they weren't as badly injured as feared.

Plains crippled up the Indian team last season with an assortment of after-the-whistle blows piling on, and other unnecessary maneuvers that saw Morton's small crew of under 20 players injured to such an extent that they never were at full strength the rest of the season. Morton never won another game last year after the Plains tussle, and never fielded within four men of their full team, after the Plains game.

Friday, the story was pretty much the same. Eugene Tarleton was brought to the Cochran County hospital where it was determined he had a sprained knee. X-rays showed a couple of ribs separated or pulled loose, but no broken bones.

Duke was injured just before the half and Tarleton, midway in the fourth quarter. Two other Morton boys were assisted off the field and two Plains men also helped off. Officials whistled five 15 yard penalties against Plains, three off them for unnecessary piling on after the play was complete. Morton drew two 15 yard penalties in the third quarter, when the tempers began to flare.

The injuries' effect on the team probably won't be as pronounced as it was last season, since Morton has 8 to 10 more players on the roster this season.

As for the game itself, it was a fairly even game through the first, third and fourth quarters. Plains capitalized on two Morton fumbles to punch two of their scores in the second quarter and were at the end of their only successful drive of the night just as the second period opened. Perhaps "let down" had as much to do with it as anything. The keyed-up Indians drove deep into Plains territory the first time they had the ball and were knocking at the door on the eight yard line with fourth down to go. Gary Willingham, one of the lighter backs on the squad, just couldn't get through the middle of the line for the necessary yard. That took a lot of starch out of the Indians.

After Plains scored their first touchdown as Joe Dan Morrow capped a drive with a 23 yard jaunt around left end, Nairn took the ensuing kick-off back to the 41 yard line and fumbled and Plains recovered.

Late in the quarter another fumbled handoff resulted in a Plains recovery and subsequent touchdown.

Morton lost the ball once more on an intercepted pass to halt a third period drive and had an extremely tough break when a Plains player grabbed an intended pass receiver's hand over the Plains goal, on a short pass, just as the half ended. The officials didn't see this violation, and that

was actually as close as Morton came to scoring.

Plains heavier line was just enough stronger than Morton's all night long, to enable the Cowboys to get considerable more yardage. But their vaunted speed didn't show up as strongly as expected. The Cowboys had four hard charging backs to alternate assignments of ball carrying, and they just had too much zip to be contained. Morrow, Joe Faught, Don Williams and Bob Oatis all performed excellently well for the Cowboys.

Plains gobbled up 33 yards before surrendering the ball after the opening kickoff, a bad hand-off resulting in a five yard loss, finally keeping them from making a first down on the Indian 30.

Morton took over and drove 54 yards to the Plains 8 yard line a 25 yard run around left end by Willingham being the key play. A 15 yard roughness penalty on Plains helped, but with fourth down and a yard to go at the eight yard line, Willingham just couldn't get through.

With a trio of backs, Faught, Morrow and Williams carrying, Plains drove to the Morton 35 yard line as the first period ended. On the second play of the second quarter, Morrow went over left tackle and broke into the clear for the 32 yard touchdown scamper. Faught was smeared by Nairn on the try for the extra point.

After recovering Nairn's fumble on the kickoff, Plains scored in 7 plays. Two successive five yard penalties against Morton for being offside before the ball was snapped, aided Morrow scored with a two yard smash over the center and pass from Quarterback Sink to end Walt Coffman was incomplete in the extra point try.

Three minutes later a Walt Coffman punt of 42 yards put Morton back on their own 30 yard line. On the first play, a handoff from Brown to Nairn rolled around in the backfield and Plains guard Dick Cooke recovered. In nine plays they had another score, Williams tallying the six pointer on two yards up the middle. Onkes was stopped trying for the point. Duke was carried off the field on the fifth play and Miller was helped off on the touchdown play.

Morton took the kickoff back to their 39 yard line. Steve Middleton passed to Davis for a first down on the 26 yard line of Plains after another 15 yard penalty against Plains for piling on. Nairn streaked for 8 and Middleton passed to Davis for 8 more with only 16 seconds left to play. Nairn then went to his right chucked what looked like a good pass to Willingham in the Plains end zone, but Gary's left hand was being held and he could not make the catch. The time elapsed on the play.

Morton got two 15 yard penalties in the third period, one for clipping and one for unnecessary roughness, on the play which followed Tarleton being helped off the field. Each team moved for only 64 yards, and Morton's only drive was stopped by a pass interception of a Nairn heave. Willingham skirted end for 21 yards as the period ended.

In the 4 stanza, Plains drove to the Morton 30, where a forward lateral on the 41 down cost them the ball. Morton refused still another 15 yard penalty against Plains trying to get the ball. They were never able to get back out of their own territory.

Here's how the statistics went:

Morton	Plains
10	first downs 18
181	total yards 256
154	rushing 282
27	passing 4
11	passes thrown 5
3	completed 1
1	had intercepted 1
2	fumbles 4
2	ball lost 1
7/58 yds.	penalties 6/80 yds.
3/101 yds.	Punts 1/42 yds.
34 yds.	average kicks 42 yds.

Bula, Roberts Continue Mastery Over Three Way Eagles In Conference Game

Norvel Roberts' speed once again proved the undoing of the Three Way Eagles as Bula edged the Three Way Eagles in a six man conference battle, 24 - 21.

Roberts tallied on runs of 20 yards and 70 yards, the latter on an initial kick-off return, and then passed for a third score to keep the Bulldogs in front. The pass went to Jerry Cox. The fourth Bula TD came when Lee Pearson gobbled up a fumble and ran 50 yards for a score. None of the extra point attempts were good.

Three Way tallied three touchdowns, one on each of the first, third and fourth quarters, but just couldn't shake an assortment

of backs loose for the game deciding points.

The win was Bula's second of the season and it's first in conference play. The less evened Three Way's record at 1 and 1, both of them conference competition.

Indian Opponents Do Better In Weekend Games

Here's how Morton's 1959 opponents of the future and past fared this past weekend in grid play:

- Lockney 8, Tulsa 6
- Abernathy 32, Hale Center 8
- Muleshoe 43, Portales 9
- Sundown 60, Anton 12
- Farwell 31, Petersburg 16
- Idolou 22, Matador 6
- Whiteface 20, Cooper 14
- Littlefield 22, Olton 9

Maids Begin Workouts for Basketball Season

Morton's girls' basketball team has begun early workouts preparatory for the 1959 - 60 season in which they have high hopes of bettering the 19 - 6 record of last year.

Returning varsity players include Norma Flanagan, Patsy Amyx, Melba Cook, Doris Fleenor, and Sue Ramsey at forward, all of whom saw considerable action last season and Betty Kuehler and Ruby Daniels at guards. Betty was named to the All District Second Team last season.

Four more forwards and eight guards have been taking part in the early season workouts. Coach Pat Hughes' sextet hope to open their season early in November with AA Conference play starting early in January.

SPORTS FANS CAN ENJOY TWO SPORTS IN SINGLE DAY

Pro basketball in the afternoon and college football at night will be the sports schedule Saturday, October 3, in Lubbock and many fans in the Morton area are expected to enjoy these twin attractions.

The top-flight program gets underway at 3:30 p. m., when the St. Louis Hawks engage the Philadelphia Warriors in a pro-cage game at Lubbock Coliseum. Then, at 8:00 p. m., Texas Tech entertains Tulsa in nearby Jones Stadium.

The basketball tilt will be the first ever played in West Texas by clubs of the NBA. It will feature the two greatest scoring tandems in the league's history - Bob Pettit and Cliff Hagen of St. Louis, and Neil Johnston and Paul Arizin of Philadelphia.

Last season, Pettit and Hagen combined to score 3,812 points in 72 league games - an all-time record for two men on the same team. The old mark of 3,387 had been held by Johnston and Arizin. So when these four get together on the same court, there should be plenty of scoring fireworks. And to put the icing on the cake Philadelphia will have Wilt (The

Stilt) Chamberlain, the 7' 2" rookie who's expected to become one of the top stars in the NBA. He will be playing opposite Pettit at the pivot post in the Lubbock game. Other performers due to see action include Slater Martin, Tom Gola, Clyde Lovellette

and Guy Rodgers. Tickets for the game are priced at \$3.00, \$2.50, and \$2.00, with all seats reserved. Good seats are still available, and tickets may be ordered by mailing a check to Pro Basketball, Box 5002, Lubbock, Texas.

WATCH OUT FOR SCHOOL CHILDREN

Their Appearance Reflects Your Own Good Taste! They will always look their best in their Freshly SANITONE Dry-Cleaned School Clothes!

You can be proud of the way your youngsters look, and still economize on new clothes. Just sort out and let us have all their wearable school clothes NOW. They'll be back in no time looking as store-fresh as the day you bought them with even the feel of newness fully restored. Beat the rush... do it now!

7th Grade Wins; 8th, Freshmen Lose Games Last Week

The Morton Indian freshmen team had more than their hands full against a tough Sundown eleven, losing a game played on the Sundown Field Thursday night, 32 to 0.

The local 7 and 8 grade teams, which journeyed to Littlefield, fared somewhat better. The 7 graders brought home a 16 to 6 triumph against the Wildcat youngsters while the Morton 8 graders dropped a narrow, 8 to 6 verdict.

The 7 graders tallied on a safety, on an intercepted pass by Charlie Ledbetter, and on two plunges over the line by Sherill Griffith and Eddie Allsup. Junior Willis tallied the lone six pointer for the 8 graders game. A fake kick and a run tallied for the Littlefield 8 grade.

NOW.. '60 CHEVROLET TRUCKS WITH REVOLUTIONARY TORSION-SPRING SUSPENSION THAT GIVES ASTONISHING NEW SHOCKPROOF ACTION !!!!!

Chevy's done the next best thing to paving every road in America!

First they threw out the front axle and put in torsion-spring independent suspension. Then they built wide-base coil rear springs into most light-duty models, variable-rate leaf springs into heavies. That made it—a ride you have to feel to believe. A ride that lets you move faster to get more work done in a day's time.

Brawnier bulldozer build!

Frames are stronger, cabs 67% more rigid. Front wheels and tires are precision-balanced. And that new suspension cushions jars and road shock that used to spell slow death for the truck's body and sheet metal.

More comfortable cabs!

Easier to hop in and out of too. Many models are a whole 7 inches lower outside. Yet there's more head room inside, plus more width for shoulders and hips. More real comfort!

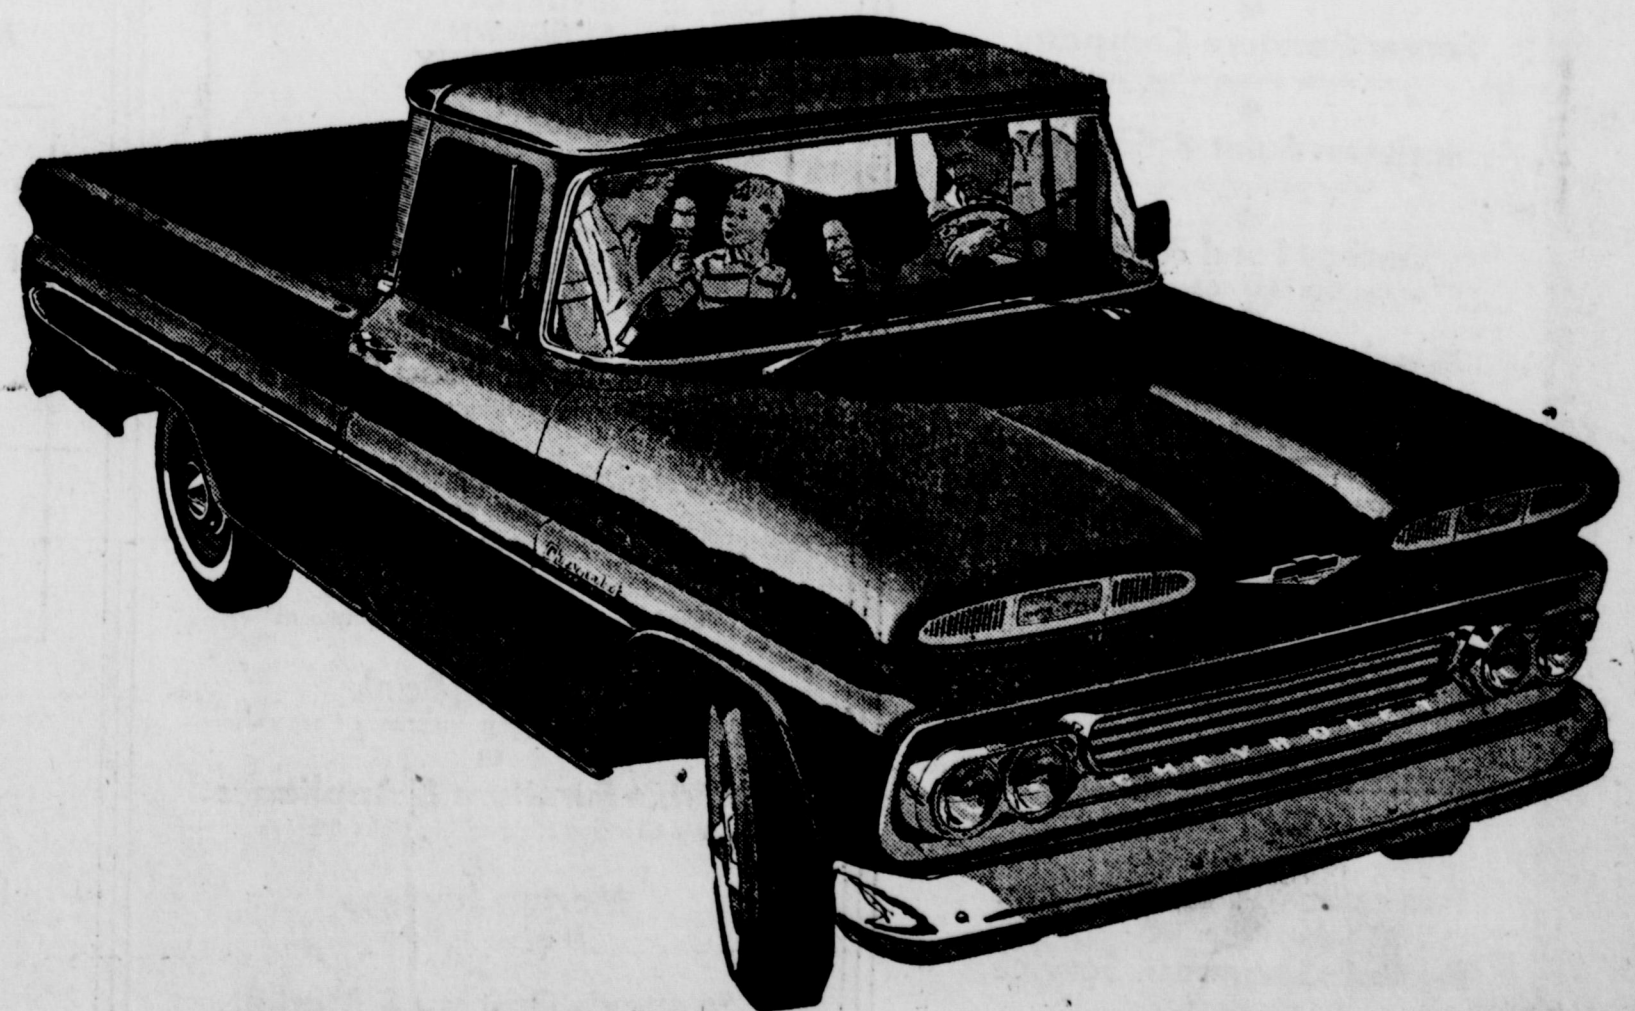

Big in the power department!

With the industry's most advanced gas-saving 6's. With high-torque Workmaster V8 performance in heavyweights. With new 6-cylinder or V8 power available in L.C.F.'s.

More models than ever!

New 4-wheel-drive models and tandems and high-styled Suburban Carryalls. It's the handsomest, hardest working Chevy fleet ever to report for duty. See your dealer soon for a ride!

Anything less is an old-fashioned truck!

See your local authorized Chevrolet dealer

ACH LAUDS
D EFFORTS
THE INDIANS

J. P. Jones told the Mortonic Athletic Boosters Monday, his Indian Eleven has a chance to upend Farwell's night, "if they can get the jitters they get after a mistake." He said he week's game would have different story if the Indians fumbled twice in the quarter to set up Plains' wins.

Whiteface didn't expect either Duke or Farwell to play this but that fortunately, both going to be alright with a rest.

Whiteface showed films of the Plains and pointed out numerous where one block, a little timing, or a better hand would have sprung a Morton loss for a touchdown.

Whiteface club discussed pushing the club memberships to succeed additional funds to the filming of the games.

WRS FROM MICHIGAN

Mr. and Mrs. Bob Bedlin of Creek, Michigan, were visiting week in the home of Mrs. Joe Mohmood. Bedlin has been an employee of the company for 30 years, on his summer vacation.

WHITEFACE BACK ON WIN SIDE WITH 20 - 14 VICTORY, FRIDAY

It came up mud Friday night when the Whiteface Antelopes met Cooper Pirates on the wet Antelope field. Whiteface defeated the Pirates by a score of 20 to 14.

Cooper took a lead late in the first quarter on a pass from Cooper quarterback Jimmy Jenkins to right end Tommie Richardson who ran over 30 yards out. The try for the extra points through the line was no good. Score: Cooper - 6; Whiteface 0

Scoreboard Cable Severed During Bleacher Erection

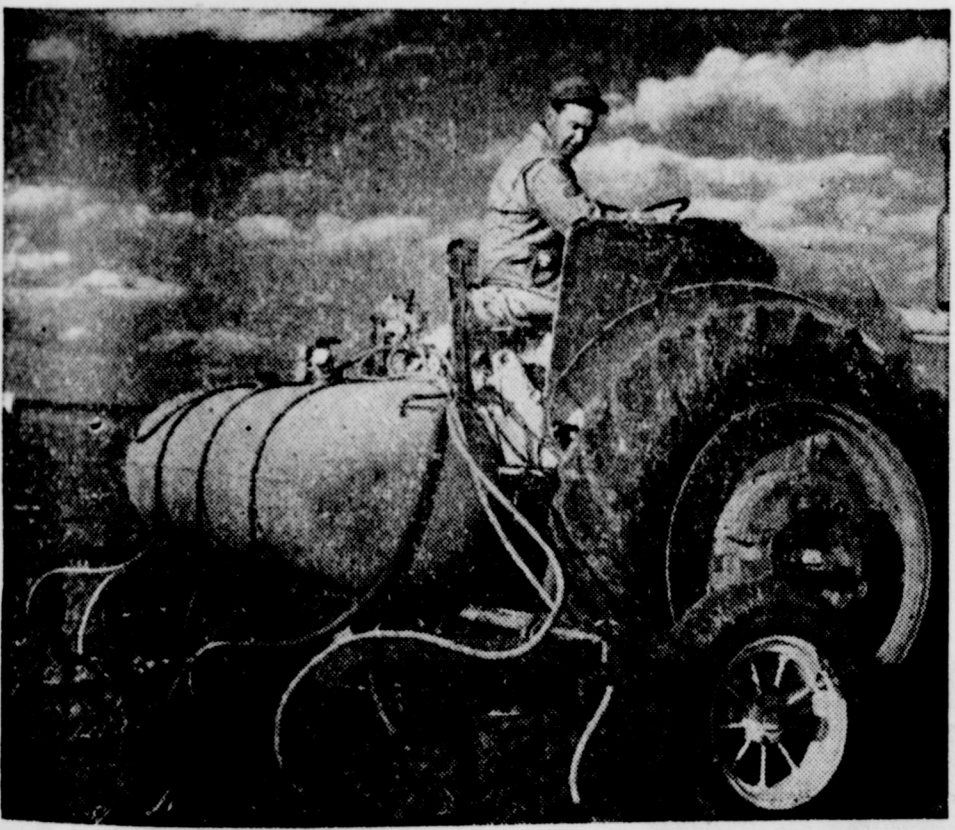

Persons wondering why the electric scoreboard tender set up a table in the end zone for the last home game, instead of utilizing the press box, were told that the major cable had been severed and the only set up possible on a temporary basis was wiring direct from the board to the scoring instrument, until the cable was repaired.

COTTON DEFOLIANT GUIDE

This guide is leaflet No. L-145, available at County Agent's office.

EUGENE W. THOMPSON

Local Airman
Completes Basic

LACKLAND AFB, Tex. — Airman Eugene W. Thompson, Son of Mr. and Mrs. Eugene V. Thompson of Morton, Texas, has just completed his initial course of Air Force basic military training here.

Basic airmen at Lackland are selected for specialized training at technical schools on the basis of their interest and aptitudes. They are re-assigned to the school after four weeks of basic, and are given additional military basic training along with the technical subjects.

Participates In
Naval Maneuver

Hawaiian Islands (FHTNC) — John T. Pomykal, engineman second class, USN, son of Mr. and Mrs. John R. Pomykal of Route One, Morton, Texas, and husband of the former Miss Mabel L. Watson of Huan, Maui, Hawaii, is scheduled to participate in an amphibious training exercise in the Hawaiian Islands during late September while serving aboard the attack transport USS Calvert.

Limit on Nationals
Set at 540 In
Cochran County

The Texas Employment Commission has been notified, according to a release sent out late last week, that the Secretary of Labor has certified a shortage of established a ceiling on the employment of Mexican National agricultural workers.

The Department of Labor was acting on a request by the TEC after the latter group had consulted with a committee of representatives of interested groups.

The notice, effective September 1, states that in Cochran County, these workers may be employed in agricultural work with cotton, vegetables, grain or as general farm and ranch hands.

The ceiling, from September 1 to September 30 may not exceed 540 in Cochran County, according to the notice. The ceiling is subject to revision, as the agricultural work progresses or as domestic citizen labor becomes available, it was said.

VISITS HERE
Visiting in Morton Tuesday were Marshall McCrea, Abilene, and George S. Bond, Lubbock Attorney. They were here with George McCrea, who is opening law offices here.

state, but the High Plains recommendation is not to use desiccants until the cotton is over 60 per cent open, better to be 90 per cent open. Penta and arsenic acid are both primarily desiccants rather than true defoliants. Because of their severe action on plant tissues they should not be used on immature cotton. Use only when bolls are fully mature, and cotton is 60 to 90 per cent open.

Arsenic acid gives excellent drying for stripper harvest in all tests at 1 1/2 quarts in 5 to 10 gallons of water. This material is dangerous to man and animals and due precautions and strict sanitation should be followed in using this material. The compound is corrosive to applicant equipment. Due to its corrosive and toxic nature, further research is needed to clarify application hazards and residue problems attending its use. Desiccants tend to stick leaves to the stalk.

True defoliants are recommended when cotton is over 50 per cent open but better to be 75 per cent open. True defoliants used under right conditions take the leaves off. Heavy dews favor the use of true defoliants either as a dust or a spray. Remember when leaves are shed, the immature cotton will not mature into a strong fibre.

This may mean a micronaire of less than 3.5, which means immature fibre. Amino Triazole defoliant is a true defoliant and a growth inhibitor. There are many other good true defoliants which are not growth inhibitors, but are recommended in this guide. A wet rainy fall may bring out young plant growth in the use of most any defoliant.

Why we built two cars for 1960 . .
as different as night and day

On October 2—for the first time in Chevrolet's 49-year history—you will be able to walk into your dealer's showroom and see two totally different kinds of cars. One is the conventional 1960 Chevrolet, brand new in appearance and more beautifully refined and luxurious than you can imagine. The other is unlike any car we or anybody else ever built—the revolutionary Corvair, with the engine in the rear where it belongs in a compact car. We'd like to tell you why we built two such different cars, how we built them—and for whom we built them.

Why two kinds of cars? Because America itself has been going through some big changes in the past few years. Our cities have been straining at their seams. Traffic is jam-packed. Parking space is at a premium. And our suburbs have spread like wildfire. People are living farther from their work, driving more miles on crowded streets. There is new leisure time—but more things to do. There's a new standard of living—and more need for two cars in the family garage. In short, America's automobile needs have become so complex that no one kind of car can satisfy them completely. That is why we at Chevrolet, keeping tab on these trends, have had a revolutionary compact car in the planning stages for more than nine years. Thus, when we decided three years ago to prepare for production of such a car we were ready to build it the way it should be built. There was no need for a hasty "crash" program that would create only a sawed-off version of a conventional car. That is why the two cars you will see in your dealer's showroom October 2 will be two entirely different kinds of cars. One is the conventional '60 Chevrolet—brand new in beauty, with new space inside, new spirit under the hood, a new feeling of sumptuousness and luxury never before attained by any car in its field. There is great V8 power linked with new thrift, plus Chevrolet's superb 6-cylinder engine. It is a traditional car that comes even closer to perfection—in silence, in room, in ease of control, in velvety ride—than any other car we have ever made. The other is the Corvair, a compact car that is astonishingly different from anything ever built in this country. It has to be—because this is a six-passenger compact car, with a really remarkable performance . . . a car designed specifically to American standards of comfort, to American traffic needs. The engine is in the rear. Among the basic advantages resulting from this engine location are better traction on a compact 108-inch wheelbase and a practically flat floor. But to be placed in the rear, the engine had to be ultra light and ultra short. So Corvair's engine is totally new—mostly aluminum and air cooled; it weighs about 40 per cent less than conventional engines. It is a "flat" horizontally opposed six—so it is only three cylinders long . . . and that leaves a lot more room for passengers. Another weight saving: like modern airplanes, the Corvair has no frame; the body-shell supplies it great structural strength . . . it's a welded unit that is virtually rattle-free. The ride is fantastic. But to get it we had to design independent suspension at every wheel; conventional springing would give a compact car a choppy ride. Right now we make one prediction: no other U.S. compact car will ride so comfortably, hold the road so firmly and handle so beautifully. Now there are two kinds of cars from Chevrolet—because it takes two kinds of cars to serve America's needs today. If you love luxury—the utmost in luxury—and if you want generous interior space, breath-taking performance, automatic drives and power assists—then the conventional '60 Chevrolet may be your choice. If easy parking, traffic agility and utmost economy are high on your list—then you should seriously consider the Corvair. But the best thing to do is to look these two new cars over at your Chevrolet dealer's . . . take them out for a drive. It may be that the only logical choice for your family between two cars like this is—both. They make a perfect pair.

Legal No. 186

NOTICE OF APPLICATION TO LEASE COUNTY PROPERTY

TO ALL PERSONS INTERESTED IN LEASING COUNTY PROPERTY

You are notified that sealed bids in writing will be accepted at the office of the County Judge, at the Court House in Morton, Cochran County Texas until the 28th day of September 1959, to lease for grain, storage a building 50 by 100 feet located on the Airport Grounds labor 23 league 103 Jeff Davis County School Lands, Cochran County, Texas. Said lease shall be for a term agreed upon by the parties to a written lease covering said property.

Said bids shall be opened at 10:00 o'clock AM on September 28, 1959. The County acting by the Commissioners Court reserves the right to reject any or all bids which the Commissioners Court shall find insufficient. And the County may accept any bid it finds most advantageous, both as to the responsibility of the bidder, whether or not it is the highest bid.

This notice shall be published in the Morton Tribune for two weeks commencing on Thursday September 17th 1959.

Glenn W. Thompson,
County Judge
30-2tc

LEGAL NO. 187

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: Jose Francisco Antillon, Defendant; Greeting:

YOU ARE HEREBY COMMANDED to appear before the Honorable District Court of Cochran County at the Court house thereof, in Morton, Texas, by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of issuance of this citation, same being the 9th day of November A. D. 1959, to Plaintiff's Petition filed in said Court on the 15th day of July A. D. 1959, in this cause, numbered 1297 on the docket of said Court and styled Pauline Antillon, Plaintiff, vs. Jose Francisco Antillon, Defendant.

A brief statement of the nature of this suit is as follows, to-wit: Plaintiff's original petition for divorce as is more fully shown by Plaintiff's Petition on file in this suit. If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Morton, Texas, this 22nd day of September A.D. 1959.

(SEAL)

Attest: Lessye Silvers Clerk, District Court
Cochran County, Texas
31-4tc

Corner on Cotton
BY BOB COLLINS

Millions of dollars are going to be lost to cotton farmers this season just because some producers aren't smart enough to follow good picking and ginning practices. . . the experts say that one simple practice at the gin will make the farmer from \$10 to \$30 per bale. . . this practice is the grouping of seed cotton according to moisture and trash content. . . talk to your ginner about it. . . you'll find him more than cooperative. . . also, we suggest you talk to your county agent about good picking practices, even if you do know more about growing cotton than he does!!!

Paper vs. Cotton

Paper is making more inroads into cotton's markets. . . the Army is experimenting with a paper-based seed linen and several other items.

ording to requirements of law, and the mandates hereof, and make due return as the law directs.

Issued and given under my hand and the seal of said court at Morton, Texas, this 22nd day of September A.D. 1959.

(SEAL)

Attest: Lessye Silvers Clerk, District Court
Cochran County, Texas
31-4tc

STATEMENT REQUIRED BY THE ACT OF AUGUST 24, 1912, AS AMENDED BY THE ACTS OF MARCH 3, 1933, AND JULY 2, 1946 (Title 39, United States Code, Section 233) SHOWING THE OWNERSHIP, MANAGEMENT, AND CIRCULATION OF

The Morton Tribune published weekly at Morton, Texas for September 18, 1959.

1. The names and addresses of the publisher, editor, managing editor and business managers are: Publishers: Max Daley, 2661 Hutton Drive, Beverly Hills, California; E. H. Irwin, Morton, Texas; and Bill Glassford, Morton, Texas. Editor E. H. Irwin, Morton, Texas. Managing Editor (none) Business Manager Bill Glassford, Morton, Texas.

2. The owners are: Max Daley, 2661 Hutton Drive, Beverly Hills, California; E. H. Irwin, Morton, Texas; Bill Glassford, Morton, Texas.

3. The known bondholders, mortgagees, and other security holders owning or holding 1 percent or more of total amount of bonds, mortgages, or other securities are: (None)

4. Paragraphs 2 and 3 include, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting; also the statements in the two paragraphs show the affiants full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner.

5. The average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the 12 months preceding the date shown above was 1326. Bill Glassford signature

Sworn to and subscribed before me this 23 day of September, 1959.

My Commission expires, June 1st, 1961.

LOCAL RESIDENTS WILL ATTEND GOLDEN JUBILEE

Dr. L. J. Morrison, Morton chiropractor, announced this week he and his wife were leaving tonight for Spur to attend the Golden Jubilee which is being staged there through Saturday.

Dr. Morrison will be back in his office Monday at 8 a. m.

Highlight of the jubilee and homecoming will be the Crosbyton - Spur football game Friday at 2:30 p. m. Other events include a Grand Ole Opry program featuring Ray Price and June Carter.

OBSERVES 86TH BIRTHDAY

Mrs. J. P. Morrow of Morton observed her 86th birthday Sunday at a dinner in the home of Mr. and Mrs. Albert Morrow. Attending from out of town were three daughters: Mrs. Sam Moraldo of Midland, Mr. and Mrs. T. L. Lively of Roswell, N. M., and Mr. and Mrs. Roy Tomlinson birthday fell on Friday, but the of Hobbs, N. M. Mrs. Morrow's dinner was set for Sunday in order that her daughters might attend.

of clothing. . . also, a large mail-order house is offering paper fabrics with nylon reinforcements for use in making tablecloths, draperies, etc.

New Weapon

Scientists have just come up with new facts about using calcium arsenate to kill boll weevils. . . where it was once thought that the pests had to eat the chemical before it would kill them, it has just been discovered that the poison can kill through contact.

Cotton Meeting

Theme of the Beltwide Production-Mechanization conference in 1960 will be "Growing Quality Cotton Efficiently." . . should be worthwhile for the producer. . . conference will be held in Memphis, Tenn., on January 11-13. . . some of the top technical men in the country will be there.

Moisture Meter

We hear of some cotton producers who are using a moisture meter to determine when to pick. . . and making \$5 to \$10 per bale easy. . . they check the cotton in the open boll early in the morning. . . if it's too wet (that over 10 per cent moisture for hand picking or over 8 per cent for machines) they wait an hour and check it again. . . when it's ready, they go to it. . . they stop when the late evening reading shows too much moisture.

Home Demonstration Agent

By Leila Petty

FREEZING DOVES

The dove season is almost gone but you may be lucky enough to have some extra birds. If so, stock the freezer with a fresh supply to enjoy later.

It's a simple process. . . draw birds as soon as possible after they have been shot. If there isn't time to do a thorough job of cleaning and dressing, remove the crop and intestines. Chill promptly.

Plucking the birds is preferable to skinning them. Skinning causes dryness and some loss of flavor. Wash birds thoroughly before packaging.

Wrap individually in moisture, vapor proof material, Cellophane, aluminum foil, ploxifilm and different kinds of laminated wrapping papers are satisfactory. Seal with freezer tape. Label with name and date.

To maintain top quality, store birds at 0 degrees F. or below. From six to nine months is the recommended storage period.

Thaw birds before cooking.

PROTECT DARK COTTONS FROM LINT IN LAUNDRY

Dark cottons will be in the family wash again this fall. . . solid dark colors and plaids are popular among the school crowd as well as among other family members. Lint in the water can spoil the fresh, attractive finish on dark cottons.

Here are simple washing precautions suggested by Miss Rhea Merle Boyles, Extension Clothing Specialist of Texas A & M College.

Always wash dark cottons separately in clean water. This eliminates the possibility of picking up white particles from towels, sheets, and other white articles.

HAD YOUR VITAMIN C TODAY

Vitamin C is needed every day. It is not stored in the body as are most of the vitamins and minerals. The Foods and Nutrition Survey made in this country showed that diets of most of the people contacted were deficient in this vitamin.

Vitamin C serves as a cement to hold body cells together. Failure to get enough vitamin C causes a person to bruise easily; gums become spongy and bleed, causing teeth to loosen. Bones lose calcium because their connective tissue is unable to hold it. Wounds fail to heal and bones break easily.

Citrus fruits are our best source of Vitamin C but there are other foods which are cheap sources of the important vitamin. Many of these are available in your own garden.

Each adult should have 70 milligrams of Vitamin C each day. One medium ripe tomato has 34 mg. of Vitamin C. One half a cantaloupe has 50 mg. A medium baked sweet potato, 28 mg., one half cup raw shredded cabbage 25 mg., and one-half cup cooked mustard greens has 45 mg. of Vitamin C.

DELEGATES RETURN

Mrs. Lewis Walker and Mrs. H. T. Gardner returned from Galveston Friday night. They were delegates to the state meeting of the Texas Home Demonstration Association in that city. There were 700 delegates and visitors at the annual meeting.

Business, workshops and inspirational talks made up the agenda of the meeting. A two-hour boat trip and tour of the city made the delegates' stay in Galveston more enjoyable.

Home Demonstration Agent

Canning a supply of tomatoes and tomato juice now will not only save money but will furnish the family with an excellent source of Vitamin C. One cup of canned tomato juice has 38 mg. of Vitamin C and is a most excellent source of Vitamin A as are the other products named.

One bushel of tomatoes yields 30 to 40 pints.

FREEZING DOVES

The dove season is almost gone but you may be lucky enough to have some extra birds. If so, stock the freezer with a fresh supply to enjoy later.

It's a simple process. . . draw birds as soon as possible after they have been shot. If there isn't time to do a thorough job of cleaning and dressing, remove the crop and intestines. Chill promptly.

Plucking the birds is preferable to skinning them. Skinning causes dryness and some loss of flavor. Wash birds thoroughly before packaging.

Wrap individually in moisture, vapor proof material, Cellophane, aluminum foil, ploxifilm and different kinds of laminated wrapping papers are satisfactory. Seal with freezer tape. Label with name and date.

To maintain top quality, store birds at 0 degrees F. or below. From six to nine months is the recommended storage period.

Thaw birds before cooking.

Mrs. Walker and Mrs. Gardner will report on the trip at the Home Demonstration Council meeting October 13. They will also make a report in each Home Demonstration Club.

Mrs. Walker will assume the office of County THDA Chairman at the October Council meeting. This office is not to be confused with that of Council Chairman.

WASHINGTON AND SMALL BUSINESS
By C. WILSON HARDER

Being from Massachusetts, Sen. Saltonstall took more than ordinary interest during a hearing by a special sub committee of the Senate Small Business Committee on the way chains are dominating the shopping centers, when the subject of shoes was introduced into the testimony.

The shoe business, and especially the men's shoe business, is getting into a chaotic state, and there is even a grave C. W. Harder question whether or not the public is being hoodwinked.

Testimony at hearing stated in past ten years some 500 independent shoe manufacturers have gone out of business.

Three big operators, International, General, and Brown, now have a big share of the business, gained largely through buying out well known brands of shoes, and by opening their own retail outlets in competition with the independent merchant.

But where the public is perhaps being misled is the fact many of the best known names in quality handmade shoes have become the property of the big mass production outfits.

Now there has long been a considerable segment of the male population believing the best shoe investment is a medium or high priced shoe from the standpoint of long wear, shape holding qualities, and comfort and foot health.

In today's market, this means shoes priced around the \$25 per pair mark, and this price level is supposed to represent the best.

Obviously, some protection is needed here for the consumer, for there is no way for the buyer to tell how the shoe was made, as the making of bona fide quality shoes involves many skilled processes that only become apparent as the shoe is worn.

Fortunately, there are still independent firms making fine handcrafted shoes.

Obviously, a mass production operation putting out a famous old name brand is almost like a wolf parading in sheep's clothing. Thus, it seems logical there should be some public protection, as besides appearance shoes perhaps represent the only item of wearing apparel that can and does have a great effect on health.

Brenda Kay Blackstock, Tracy Enos Exchange Wedding Vows, Sept. 12th

Miss Brenda Kay Blackstock and Tracy Wayne Enos exchanged wedding vows Saturday night, Sept. 12, at 9 o'clock in the home of Mr. and Mrs. Herman Enos, Morton, parents of the bride-groom.

Rev. C. R. Smelser, pastor of the Three Way Methodist Church, read the vows. The bride was given in marriage by her father. Parents of the bride are Mr. and Mrs. T. H. Blackstock of Route 1, Morton.

The bride wore a street length dress of white brocade satin and carried a bouquet of white carnations atop a white Bible.

The bridegroom's father was best man. Following a wedding trip to New Mexican points, the couple are at home in Morton. Both attended school here.

The Eagles play Smyer Friday September 25 at Three Way in an 8 man game. The next 4 games are away. They play at Spade October 2, Nazareth at Hart Saturday Oct. 10, at Cotton Center October 16, at Bula October 23, then back home to play Spade Nov. 6 and Nazareth Nov. 13.

A very interesting program on home decoration was given by Mrs. T. K. Williamson and Mrs. Bobby Travis.

Projects for the year were discussed. Among other things the Club discussed the publishing of another cook book.

HAVE GUESTS
Recent guests in the Jimmie Battas home were Mr. and Mrs. Curtis Smith and Girls of Hale Center.

Mrs. Tom Pate was voted in as a new member and another name was presented to the club for consideration.

The club will continue issuing safe and courteous driving certificates to such drivers. Other safety projects were under discussion.

VISITORS FROM LUBBOCK
Mr. and Mrs. Howard Pollard of Lubbock visited the past weekend with his parents, Mr. and Mrs. Carl Pollard.

Dorothy Barker presented the sponsorship of a teenage girl to the club and it was agreed to sponsor this girl who needed help.

Delicious refreshments were served to sixteen members.

HOME FOR FOOTBALL GAME
Janice Latimer was home Friday evening for the football game. She is attending Draughn's at Lubbock.

The next meeting will be in the home of Mrs. Van Green on Oct. 1, 1958.

ATTENDED FOOTBALL GAME
Charles McCafferty of Lubbock attended the Three Way - Bula football game Friday evening. Charles is a 1956 graduate of Three Way and played football all 4 years in high school.

DAUGHTER BORN
Mr. and Mrs. Ed Knox of Lubbock are the parents of a daughter, Kimberly Ann, born in Methodist Hospital Sept. 10. The infant weighed 7 lbs., 15 oz. Paternal grandparents are Mr. and Mrs. Gage Knox, formerly of Morton, now residing in Friona. Maternal grandparents are Mr. and Mrs. Malone Hagan of Childress and maternal great-grandfather is Mr. G. D. Beard of Childress.

VISITED IN PORTALES
Mrs. Frank Griffith and Mrs. Florence Bailey visited Sunday at Portales with Mr. and Mrs. W. K. Paul.

REPORTED IMPROVED
S. B. Box of Vernon, father of Mrs. C. R. Smelser of Maple, was able to return to his home this week following a heart attack recently. Mrs. Smelser left here Tuesday to be with her father and mother there.

HAPPENINGS OF INTEREST ... FROM THE ENOCHS AREA

VISIT IN SAN ANTONIO
Mr. and Mrs. Carol Pearson and family visited in San Antonio over the weekend. Juanita, stayed on for a longer visit. They visited their daughter and family, Mrs. Bobby Henderson.

Training Union, on Wednesday night Sept. 23. This is to take the place of the regular monthly conference of the church.

BACK FROM SILVERTON
Mr. Zed Poberson is home after being in Silverton for a 10 day meeting.

WEEK OF PRAYER PROGRAMS HELD
Week of prayer programs were held in Enochs Baptist Church by the Women's Missionary Union on Tuesday morning, Sept. 15 and Wednesday night and Thursday night. Theme for the programs was "More Like the Master."

VISIT IN CLOVIS
Mr. and Mrs. Doye Turney and Children visited in Clovis over the weekend with her sister and family, Mrs. Jack Jackson.

An offering for the State Missions is being prepared. Goal for the church is \$83.47.

IN DEL RIO LAST WEEK
Johnny Autry spent a few days in Del Rio last week while on his vacation.

WORKERS CONFERENCE
A Baptist Association Workers Conference is to be held at West Camp on Thursday night and Friday night, Sept. 24 - 25. Everybody is invited to attend. Messengers from Enochs are Clifford Snifker, Buford Peterson, Carl Hall and Brother J. J. Terry. Alternates are Mrs. Donald Grusendorf, Mrs. Curtis Snifker, and Mrs. R. P. McCall.

RETURNS HOME
Mrs. Carl Hall has returned from a visit with her daughter, Oleta, now Mrs. Bill Burris, who is recovering from an emergency appendix operation. The Burris family lives near Brownfield.

HELP NEEDED
Additional workers are asked to assist in completion of a building on the lot of the parsonage of the Enochs Baptist Church. This is to house a garage, a storage room and a pastor's study room.

VISITORS OVER WEEKEND
Visitors in the W. M. Bryant home during the past weekend included Mr. and Mrs. Clifford Brashier and girls of Plainview, Mr. and Mrs. Duane Bryant and Family of Morton.

TO HAVE CONFERENCE
There will be a called conference of the church members of the Enochs Baptist Church to approve the nomination of new teachers in Sunday School and

Mr. and Mrs. Earl Conner and daughter of Elida, N. M. visited recently in the W. C. McColvey home.

BACK IN SCHOOL AFTER ACCIDENT
Bucky Darlock was able to be

ENOCHS WMU WILL BE LEAD IN STUDY BY MRS. GRUSENDORF
Nine ladies of the Enoch Baptist Church met Wednesday, recently, at 2:00 p. m., for a meeting of the Women's Missionary Union of the church.

Mrs. Essie Seagler led the group in Bible Study with the discussion mainly on Luke 11. All members were asked to read John 17 before the next meeting.

Mrs. Daniel Grusendorf was lead the study for the next year beginning in October.

Attending the meeting were Mesdames J. Angel, C. R. Seagler, A. Newman, B. Peterson, W. A. Pool, R. Beasley, G. Sanders, D. Grusendorf and J. Terry.

The club announced a Christmas in August project underway during which time everyone is asked to bring a small box of school supplies or personal gifts such as handkerchiefs, soap, or similar toilet items. Missionaries in New Mexico will distribute these items at Christmas time among the Indians and Spanish-Americans in their mission fields.

The early date of collection is set to insure the arrival and preparation for the distribution before Christmas.

SOIL CONSERVATION DISTRICT NEWS

OUR SOIL ★ OUR STRENGTH

One of the foremost points to consider in a conservation plan for any farm is that of management of the soil organic matter. This organic matter composed of dead and decaying plant materials, greatly affects the productivity of the land. It is the greatest single factor in the high production obtained from newly broken out native grassland. Native grasslands, through the process of root decay and replacement, have accumulated organic matter for hundreds of years.

Organic matter is the principal nitrogen holding agent of the soil, and it also contains large amounts of phosphorus and other elements. It also affects physical properties of the soil. Soil low in organic matter are slow to absorb water and have a tendency to run together, so that rainfall or irrigation water tends to run off rather than soak in. Organic matter makes heavy soils more friable, easier to work, and promotes a crumbly structure. It stabilizes the soil crumbs so that they are held together under the

action of water. As a result, the soil absorbs water more rapidly. Runoff and erosion are reduced. A more porous structure permits better aeration in the root zone. Less crusting permits better emergence of seedlings.

In order to prevent the decline of organic matter in the soil a rotation must be used which includes a deep-rooted, high residue producing crop such as grasses and legumes. These crops, when properly used, go far in replacing the natural organic residues produced under native conditions.

Many Farmers in the Cochran Soil Conservation District are taking advantage of assistance offered on these and other conservation practices under the Great Plains Conservation Program. For further information on this program contact a member of your SCD board of supervisors or one of the local SCS technicians.

David Haralson's Gilt Judged First Of Sear's Gilts In Saturday Show

Cochran County 4 - H boys' Sear's gilts were brought in Saturday morning, Sept. 19, and judged at the City Park. All eight boys who had gilts brought them in to show and Rodger Jeffcoat brought his boar in. These gilts and boar are all registered Hampshires. The boys bringing in the gilts were: David Haralson, Dickey Walker, Lester Dupler, Dub Waltrip, Stanley Cunningham, Leon Jeffcoat, Dennis Lenons and Terry Anglin.

Billy Joe Lewis, Brownfield, did the judging of the livestock. David Haralson's gilt was given first place; Dickey Walker, second place; and Lester Dupler, third place. The show was over at 10:00 a. m. All the boys will be given cash awards on their gilts by Sears, Roebuck and Co.

Next Saturday, Sept. 26, David Haralson will take his gilt to Lubbock along with Rodger Jeffcoat who will enter the boar in the District Sear's Contest to be held at Texas Tech. The contest will be held at the livestock Pavilion beginning at 10:00 a. m. Mr. Stanley Anderson of the Animal Husbandry Department at Texas Tech will judge the show. There are 14 counties in the District Sear's Program and there should be 14 gilts and 14 boars

Farmers Urged to Consider Plains Water Program

The Cochran Soil Conservation District Board of Supervisors suggests to farmers and ranchers they consider the Great Plains Conservation program for solving conservatio program for solving soil and water conservation pro-

blems. Under the present law, producers may secure controls under this program for a period of not less than three years nor over a period of 10 years. Federal cost - share assistance now has a limit of \$25,000 for each contract with a limitation of \$2,500 for cost sharing of underground irrigation pipe. Conservation practices that apply on cropland are: underground irrigation pipe for surface and sprinkler systems, seeding pasture grass, terracing, field leveling and bench leveling. Practices that apply to rangeland are: brush control, cross fencing, reseeding rangeland, water wells and storage facilities for livestock water.

A total of 27 Great Plains Conservation Program contracts have been written in the Cochran Soil Conservation District. These contracts cover a total of approximately 40,000 acres with a combine cost - share assistance of over 340,000 acres. Contact your SCS Technician or one of your Soil Conservation District Supervisors for information on this program. District supervisors are Dee Tucker, Max Bowers and H. H. (Hobb) Rosson.

MILNEAPOLIS MOLINE

Monday, September 28 at 1:00 p. m. - Morton, Texas. Field tour for crops, variety fertilizer tests both grain sorghum, cotton and grasses. Begins at Merlin Robert's farm, east of Morton.

Monday, October 5 - Similar tour in Whiteface area beginning at 1:00 p. m. at the high school. A supervisor election of the SCD District Sub Division No. 5 will be held on Sept. 28; tour and another supervisor for Sub - Division 2 will be elected Oct. 5 on the Whiteface tour.

Tuesday, October 6 - Another farm tour east and northeast of Morton will be held. Free hamburgers will be furnished at the Country Club at noon by the First State Bank, Morton, Texas. A supervisor will be elected for Sub - Division No. 1 on this tour date.

October 8 - A County - Wide Farmers meeting will be held at the Agricultural Building Auditorium, 8:00 p. m. Thursday. Mr. George Mahon, Congressman from Washington, D. C. and Lubbock will be here and will be the principle speaker. He will speak on current farm legislation and proposals for the new Congress to look at. It is hoped that Mr. Mahon can report to the county during the day of October 8, so he can meet and talk to you about your problems, too. Some here have expressed a desire to do that.

Now to get back to the tour for Monday, Sept. 28, 1:00 p. m. Please assemble at the ball park east of Morton. This joins the Merlin Robert's farm. Here we will see experimental test plots on cotton fertilization. The Experiment Station people put down the fertilizer in several tests ranging from 0-0-0 to 240-240-240. These plots are for you to observe at any time.

Other points and what you will see on this tour are:

F. M. Tharp, fertilized grain sorghum and cotton. All of Mr. Tharp's cotton is Rex variety - 69 - 48 - 24 is the fertilizer used on cotton and 45 - 0 - 0 on feed.

Merlin Robert's place south of Tharp's will see grain sorghum fertilizer irrigated test and cotton fertilizer test. At Bob Dunham's, you will see grass seed production, sand blue stem, switch and weeping love, and fertilizer tests.

At Vernon Blackley's place, south west of town you will see Austin, Anton and Gregg cotton. Richard Key's - Gregg cotton variety. T. A. Gresham's - Blight-master cotton. Karl Griffith farm, home place, north of the house - 8 varieties of dry land grain sorghum tests, 16 rows each.

At Leonard Coleman's farm, 6 miles south of Morton, you will see grass seed production in combination with livestock grazing. Cattle grazing weeping love grass will be observed at this time.

Hood Reunion Set for Lubbock

The Hood County Reunion has been set for Lubbock's Mackenzie State Park, Sunday, September 27, it was announced this week by Mrs. T. A. Bowers, in notices sent out.

The reunion will be at the Barbeque House in the park and those planning to attend are urged to bring a picnic lunch, and also any instrument they may play, in order to join in the music session.

CAMPFIRE GROUP

WEEK SELECTIONS

WEEKLY NEWS

The Camp Fire Girls met September 22 at the American Legion Hall. The meeting was called to order by Sue Lewis

(president). There were 19 girls and their leader, Mrs. Aikin, present.

The girls picked Indian names and then discussion was held on the selection of symbols that will stand for the girls Indian names.

Each girl was told to bring her dues for the coming year to the next meeting, October 6. The meeting was then adjourned.

Smoother Riding Is One Big Feature Of Chevrolet's Trucks for 1960

Impressive gains in cushioning cargo and passengers from road shock, plus much greater stability and safety result from a revolutionary suspension system designed for 1960 Chevrolet trucks. The formal showing of all models is scheduled for Oct. 2, along with Chevrolet cars.

The totally redesigned truck suspension provides the nearest approach to passenger car ride and handling yet achieved, along with vastly improved durability. It has been under development for six years.

"Aside from the obvious advantage of passenger comfort, the new suspension offers an economic bonus to truck buyers," E. N. Cole, Chevrolet's general manager commented. "Because road shock is largely absorbed by rugged sus-

pension members instead of being driven into the frame, chances for damage to fragile cargoes are reduced and life of cabs, metal panels and other chassis components is prolonged, leading to lower maintenance costs."

In a clean break with the past, Chevrolet has replaced the hard-riding I-beam axle with independent front wheel suspension with ball joints and torsion bar springs on all but two models. Rear suspensions also are drastically changed with coil springs on some light duty models. Heavier series use a new softer riding leaf spring with automatic adjustment of spring stiffness as the load increases.

In keeping with the "total redesign" theme, frames and other chassis elements also are redesigned and styling is changed along

functional lines. Fenders, hood and other panels are integrated with the new chassis for a more rigid, lower, roomier, more accessible cab and sturdier front end assembly.

With the new rear suspensions, unloaded ride is much softer and fore-and-aft pitch is greatly reduced.

Advances in strength and durability have kept pace with gains in ride and handling. Torsion bars, basically the same in design as those used successfully in heavy military tanks, have been thoroughly tested in laboratory and proving ground trials.

Frames have also been redesigned and strengthened.

Cabs are roomier with improved sealing against water and dust.

Many other improvements are offered in the 1960 Chevrolet truck line, including numerous engine refinements.

GARDEN CLUB NAMES COMMITTEES FOR CLUB'S ANNUAL FLOWER SHOW

The Cochran County Garden Club met in the home of Mrs. A. E. Sanders with Mrs. J. D. Glass as hostess. There were thirteen members present.

Members answered the roll call by naming a hunger sign in plants.

Mrs. Charles Jones, Chairman of the Flower Show, named the following committees for the show:

- Staging: Mrs. Roy Hill, chairman; Mrs. Fred Young; Mrs. Roy Brown; Mrs. T. D. Marshall; Mrs. Jack Perry. Entry: Mrs. A. E. Sanders, chairman; Mrs. J. D. Glass; Mrs. James McClure; Mrs. Pat Hughes. Classification: Miss Lenora Jackson, chairman.

Mrs. Charles Jones; Miss Leila Petty

Judging:

Mrs. Bob Travis, chairman; Mrs. Murray Crone; Mrs. R. J. Hill

Hostess:

The Social Committee

The Flower Show will be held October 3, in the Community Banquet Room.

Mrs. T. M. Tanner, chairman of the Social Committee, discussed plans for the Annual Garden Club Book Review Tea. Decorations for the tea will be various kinds of table settings. There will be a table set for a wedding reception, dinner, breakfast, patio, and tea for two.

The wedding table will be arranged by Mrs. Roy Hill, Mrs. T. D. Marshall, Mrs. James McClure and Mrs. Fred Young. The dinner table will be arranged by Mrs. A. E. Sanders, Miss Leila Petty, Mrs. Roy Brown and Mrs. J. D. Glass. The breakfast table will be by Mrs. Murray Crone and Miss Lenora Jackson. The patio table by Mrs. Charles Jones and Mrs. R. J. Hill and Mrs. Jack Perry. The tea for two table by Mrs. Bob Travis and Mrs. Pat Hughes.

Mrs. Murray Crone gave an interesting talk on "You Can Make a Plaque," and exhibited several which she and others had made using table mats and dried materials.

Morton Girls Are Elected to College Governing Body

Two Morton girls have been elected by the Wayland Baptist College Student body to positions on the Wayland College Student Government Assn., student legislative body.

Elected to two of the 20 senatorial positions were Elizabeth Dupler, senior, daughter of Mr. and Mrs. Hugh Dupler of Morton and Judy McCauston, freshman, daughter of Mr. and Mrs. Truett McCauston, also of Morton. Each class names five members to the senate.

Whiteface Youth Is Army Enlistee

Guy B. Lindsey, 20, son of Mr. and Mrs. Guy Lindsey of Whiteface has enlisted in the Army Security Agency of the Regular Army for a period of three years according to area Army Recruiter M. Sgt. Forrest D. Pesch.

Guy enlisted at the Oklahoma City Recruiting Main Station through the Lubbock Recruiting Office and will be sent to Fort Ord, California for further processing.

Upon completion of basic training Pvt. Lindsey will be transferred to the Army Security Agency Training Center, Fort Devens, Massachusetts for training in the operation of the agency.

UNDERWENT SURGERY

Mr. and Mrs. Elva Oden and Mr. and Mrs. Lloyd Hiner are in Phoenix, Arizona, to be with their grandson, Tommie Oden, who underwent major carnial surgery, Tuesday morning.
