MORTON, TEXAS, THURSDAY, OCTOBER 22, 1959

NUMBER THIRTY-FIVE

CHAIRMAN HOPES TO HAVE 80 WORKERS . . .

## Scout Fund Drive Kickoff Breakfast Set for Tuesday

A hoped for crowd of 80 men will attend a kickoff breakfast next Tuesday morning at 6:30 a. m. in the banquet room of the County Activities Building, as the Council Fund Drive gets underway for the Boy Scouts.

The funds collected go only to the council, to help pay for supplies, instruction, and upkeep of the South Plains headquarters, which annually expends approximately \$10 per scout in the South Plains Council Program.

The next breakfast was planned at a meeting held Tuesday night at the Morton County Club, in which the area drive chairman, the Council Fund Leader, the Council's Budget Chairman James McClure has appointed 3 majors, each of whom is responsible to contact five men to act as captains. These men will each bring five men to the breakfast meeting, and everyone at the meeting will pick up five solicitation cards to call on for donations.

It is hoped the drive can be completed in the one day.

The Council leaders who visited in Morton showed a film stressing the funds needed to keep the council operation going. These

funds are over and above the small individual dues and fees paid by the Scouts and of the sponsoring organizations costs of each troop on a local level.

These funds maintain the Scout Camps, the professional staff, the national information and the Council records of all types. They provide services that the individual troops could not find the funds to provide.

Anyone interested in helping in the drive, but who has not been contacted by a major or a captain, is urged to attend the breakfast Tuesday morning and pick up five of the cards for donation solicitations.

## Rites Saturday For Pioneer Whiteface Man

Whiteface (spl.) — Graveside services were held at the Sunset Cemetery in Bowie, Texas, at 10 a. m. Sunday for Thomas Arthur Keith, 75, a pioneer Whiteface resident, and retired merchant, who died Friday, at 5:30 a. m. in the Phillips - Dupre Hospital in Levelland.

He is the father of Mrs. Claude Bowden of Whiteface.

The First Methodist Church at Whiteface was the scene of services at 2:30 p. m. Saturday. The pastor, Rev. R. M. Bowman officiated, assisted by Rev. Clarence Bouds, of Margaret, Texas, a former pastor of the Whiteface church.

Pall bearers were Bill Sowell, L. W. Bills, Ray James, Cullum Cooksey, G. W. Garrett and Dan Valentine. Honorary pallbearers were Melvin Woodley, R. V. Hudgens, L. U. Thompson, T. A. Washington, Howard Beavers and Ed Burton.

Keith was born in Arkansas, moving to Whiteface in 1926.

Survivors include a son, Rex, Pudeeah; a daughter, Mrs. Claude Bowden, Whiteface; a brother, L. P., Miami Beach, Florida; four sisters, Mrs. L. W. Jacobs, Gary, Indiana; Mrs. Charlie Pyle, Tahlequah, Oklahoma; Mrs. Anna Burrows, Tulsa, Oklahoma; Mrs. Minnie Gray, Los Angeles; three grandchildren and four great grandchildren.

## CLINIC BECOMES A REALITY; "OPEN HOUSE" SET FOR SUNDAY AFTERNOON, FROM 3 TO 5 O'CLOCK

An "Open House" of Morton's new Medical Center, located at East First and Taylor Streets, will be held Sunday, from 3:00 to 5:00 p. m., it was announced Wednesday by Dr. J. Walker Davis, and his associate in the clinic, Dr. B. H. Lee.

The Medical Center, in which the doctors have their new offices, opened last Monday after a weekend of moving. Wednesday night some details were still being resolved, but Dr. Davis said the X-ray machine would be ready for service today and the darkroom was also being completed.

The clinic, housing the two doctors, has three patient examining rooms for each doctor, the laboratory, an emergency treatment room, storage rooms, the inside lobby waiting room and an office. Dr. Davis' offices are located in the north end of the building, to the left, as you enter the clinic, and Dr. Lee's rooms are at the south end of the hallway, to the right.

The exterior of the building is Roman Brick facing and tile. Inside the walls are textured in a mocha tone, with matching vinyl tile on the floor throughout and a ceiling of fibre glass, to minimize the sound.

Ample office space is located on the left as one enters the building. The waiting room is on the right—furniture for which is expected to arrive soon.

A hallway extends the complete length of the interior, from north to south, with a set of storage shelves on either end, closed off with bamboo curtains.

Each of the doctors has two examining rooms for adults and a room with a smaller examining table for youngsters. Dr. Lee's furniture has not yet arrived.

Also still to arrive is a "scrub

basin" for the emergency room, and a few other pieces of equipment.

Weather tight, high windows are located in each room of the building. The front door, also weather tight opens into a small lobby, where another door, leading into the main lobby will keep the air and dust out of the building. A rear door is located in the center of the east wall.

Wash basins are located in each examining room, and each doctor has one restroom on one of the offices. A main restroom is located in the hallway, and another restroom is in the rear of the office. The entire building is equipped with tube lighting with instant starters.

The doctors cordially invite the public to drop by Sunday afternoon, during the open house, and go through the entire building.

## Father Dies At Post, Texas

Funeral services were held at 3 p. m. Sunday in the First Methodist Church at Post, Texas for Will Cravy, 83, a Garza County resident for 60 years, and former cowman and lawman.

He was the father of Charlie Cravy who formerly lived in Morton for many years, and Mr. Will Cravy had visited in Morton many times and was well acquainted here.

Rev. Eugene Matthews, pastor officiated at the services assisted by Rev. C. B. Hogue of the First Baptist Church of Post.

Masonic graveside rites were also held at Terrace Cemetery, Post.

A former cowboy on the old Spur Ranch, "Mr. Will", as he was known, served as deputy Sheriff when Garza was part of Borden County, and served two consecutive terms as Sheriff of Garza, beginning in 1919. 22 years after helping form Garza County. In 1949 he was elected Sheriff again but was forced to later resign because of failing health.

## Bula Homecoming Set for Oct. 31

It will be Homecoming time for all Bula exes and former teachers Saturday, Oct. 31 — that's the day Bula Bulldogs meet the Spade Longhorns at Bula.

The schedule calls for registration of all former teachers and students at 8 p. m. at the auditorium, a pep rally at 8:30 p. m., and a business meeting at 4 p. m.

Supper will be served from 5 p. m. to 7 p. m. in the school cafeteria.

The Bulldog - Longhorn game follows at 8 p. m. Immediately afterwards, coffee and doughnuts will be served exes in the cafeteria.

## Seek Hale - Akin Legislation . . .

## TEACHERS FAVOR WALKOUT — IF NEEDED, TO FORCE LEGISLATION

WHITEFACE (spl.) Oct. 19 — In their first county wide meeting of the year the Cochran County Teachers Association voted by more than two to one favoring a walkout if necessary to secure enactment of the Hale - Akin program.

After an inspiring address by Dr. William Pearce, History Department Head at Texas Tech College, the group entered into a business session which consisted mainly of a lively discussion of the proposed Hale - Akin legislative program about which Gov. Daniel and the Legislature have refused to do anything.

Committees were elected from each school to contact Representative Bowers and Senator Smith asking that they answer favorably to a Special Session for the purpose of enacting the Hale - Akin program. During this discussion it was suggested that letters, telegrams, and visits with legislators seem to have accomplished nothing and that the only thing that is likely to do any good is an announcement at the beginning of the Christmas Holidays that until the Governor and the Legislature do something, the teachers will not be back. This brought applause from those present.

Sen. Smith was commended for his support of the schools.

## Missionaries Will Speak at Assembly of God

Rev. and Mrs. L. Byron Mook, who were recently appointed by the Assemblies of God Churches to serve as missionaries in Bolivia, South America, will speak Friday night, Oct. 23, at 7:30 o'clock at the Morton Assembly of God Church, it was announced this week by Rev. and Mrs. H. T. Clarke, pastors.

Rev. and Mrs. Mook are graduates of the Central Bible Institute, Springfield, Missouri. He also attended the St. Louis Institute.

(See MISSIONARIES, Page 4)

## 3% Saved On Taxes Paid In October

Cochran County taxes paid in October will be discounted 3 percent, Mrs. Otha Denny, Cochran County tax assessor - collector, pointed out this week.

Persons who wait until November will earn a 2 percent discount, and if they wait until December, they will earn a 1 percent discount.

(See TAX PAYING, Page 4)

## Hospital Board Delays Purchase Of Equipment

Members of the Cochran County Hospital Board of Managers agreed Monday night to delay purchase of any new equipment until definite needs were determined.

The action was taken at a called meeting of the board. Those present were J. C. O'Brien, president of the board, L. W. Barrett, vice president, L. E. McDonald, Arvel Snodgrass, and Bill Glassford, secretary.

Dewitt Allsup, hospital administrator, was also present although he had just started a two week vacation during which time he is aiding at the new Medical Clinic.

The meeting had been called to study bids. Only one bid was presented by the administrator. It was from an Amarillo firm and called for the complete furnishing of four rooms at \$1,796.40 with \$565.40 being allowed as trade in on furniture that was in the hospital office provided Dr. Bill Lee.

The administrator told the board Dr. Lee and Dr. Davis were nearing completion of their move from the hospital to the clinic.

The board members and administrator toured the hospital during the evening and found 19 patient beds up and ready for use, and four others were in condition to be set up, Allsup said.

The administrator outlined to the board his plans for arranging rooms after the doctors complete their move.

The president appointed Barrett and Glassford to a committee to check into the stored equipment at the hospital and take action regarding it as needed.

The meeting was adjourned at 10 p. m.

## \$129,000 Damages Awarded In Suit Tried in 121st Dist. Court Last Week

A 121st District Court Jury, here, awarded a total of \$129,064 in damages Thursday night, in a suit involving the widows and dependents of the late A. L. (Lawrence) Burkett and Albert Lee Taylor and the insurance company for a trucking firm, E. L. Farmer Oil Supply Co., of Odessa.

After more than two days of testimony, the jury retired with a list of 37 instructions to consider and remained out approximately four hours before rendering a verdict.

Finding the two men, who were killed in a collision with a truck, about 11:30 p. m., Nov. 12, 1957, were not negligent, the jury awarded the following amounts of damages:

To the widow of Burkett, \$20,000 and to her children, Linda, \$10,000; Larry, \$13,500; Teresa, \$16,500 and Gary, \$19,500.

To the widow of Taylor, \$25,000 and to her son, Jackie, \$20,000. For the Burkett funeral expenses, \$1,244 and for the Taylor funeral expenses, \$770. And for the Taylor auto, demolished in

the accident, \$2,050.

The accident, which occurred 17 miles north of Plains, on Highway 214, found the car, belonging to Taylor, but believed driven by Burkett, nearly split in two as it hit the rear of the truck.

A witness, J. C. Brines, then of Morton and now living in Nebraska, was not summoned, but his deposition was taken and submitted as evidence. His description of the mishap and the description by the truck driver, H. T. Arnold, formed conflicting testimony.

## Sheriff Posse To Elect on Nov. 5

The Cochran County Sheriff Posse will hold its annual dinner meeting and election of officers at the Banquet Hall of the County Activities Building on Thursday night, November 5th, it was announced this week by Roy Gentry, secretary of the group.

The Posse has completed a successful year of riding in which they have competed in 17 events and brought home four first place trophies, six second place trophies and one third place award.

## Turns Down Trustee Post

Morton School Board President Babe Vanlandingham said Wednesday, that Red Butler had notified the Board that he would not accept the post of School Trustee.

A Tribune announcement last week stated that Butler had been named to the post. Actually the Board agreed to ask him to serve but had not received a commitment from Butler as to whether or not he would accept the position.

## Homecoming Is Next Week

Mortonites and ex-Mortonites should be making their Homecoming plans — it's only one week away.

Plan are ready for the dinner, the parade, the pep rally, maybe a bon fire, and the Morton - Muleshoe football game.

Notify anyone you think may have been missed and plan now to attend.

Friday night, October 30th.

## H. S. Honor Roll Is Released

Principal Tom Pate released this week the list of students who made the honor roll during the first six weeks of this semester, and the names of four who were awarded the "Gilt Edge" honor.

Gary Coffman, senior; Patay Amyx, junior and Penny Farmer and Lois Courtney, sophomores were the students who made highest honors and thus were awarded the Gilt Edge.

Twenty one others made the school's A and B honor roll, including four seniors, eight juniors and nine sophomores. Those on the A and B honor roll were:

Seniors: Norma Flanagan, Stanley Clark, Mary Lee Ledbetter and Janice Lebow.

Juniors: Viola Smith, Johnny Hancock, Lenore White, Earl Ward, Jean Wells, Ruby Daniels, Shirley Miller, and Leon Jefferson.

Sophomores: Stevie Middleton, Mike Houston, Jerry Taylor, Paula Burnett, Gienna Ford, Sally Leverett, Cathy Huggins, Carol Carter, Ginger Stovall, and Bobby Nieman.

## OLTON MUSTANGS PROVIDE NEXT HURDLE IN MORTON'S CHASE FOR DISTRICT 2AA GRID TITLE

Another speedy team — the team that may well be the surprise of District 2-AA faces the Morton Indians, Friday night, in the second of four hurdles to a possible District Championship.

The game, to be played at Olton, pits two teams that were surprise victors in their opening conference games last Friday. Morton scored a mild upset over Abernathy, 8 to 6; while the Mustangs pulled a real upset in the tremendous score they rang up against the Muleshoe Mules.

Olton was expected to be tough, and perhaps was given a slight edge to beat Muleshoe, but the 49 to 6 score they posted was very unexpected.

It was Mustang passing and great speed that turned the flo-

odtide against Muleshoe. Randeau Buchanan, a real setback, was joined in the wild scoring spree by John Hair and Robert Priest. With Priest doing most of the tossing and Hair and Buchanan scampering back and forth, the Mules were quickly routed.

And, this passing attack, could put Morton to its toughest test. The Indians, having done excep-

tionally well containing speedy backs all season, despite the fact that the Indians are not a speedy team, haven't been as good on pass defense. Abernathy exploited the Indians for five complete passes last week, and almost turned the tide of the game with the passes.

Morton will again be in good shape for the game. And, with renewed confidence, born of Friday's victory, the Indians should rate fairly even with Olton going into the game. It's an important one for both teams, because with only four conference games to be played by each team, it could be "one loss and your out" of conference contention.

## Clarke Adds New Dress Line

A new line has been added to Clarke's Dry Goods, eastside of the square, Morton.

The store announced this week the addition of the Doris Dodson clothes for women.

(An announcement ad appears on page 8 of this publication of the Tribune.)

## P-TA Draws Large Turnout

Mrs. Lloyd Miller and Mrs. J. C. Reynolds were elected P-TA representatives to go with Jim Middleton, faculty representative to meet with Rep. Bob Bowers and State Senator Preston Smith to urge a special session of the Legislature to pass the Hale - Akin school legislation.

The two ladies were elected at the P-TA meeting Tuesday night, at which a very large attendance turned out.

Parents received literature on the Hale - Akin bill, and also split into groups to meet with the principals of the schools in which their children are enrolled. They also were given an explanation of the grading point system.

## Bledsoe Choir May Be Formed

Bledsoe (spl.) — Efforts are being made to form a Bledsoe High School Choir, it was announced last week. Mrs. Watson will serve as choral director.

## Firemen Douse Bledsoe Flames

The Morton Volunteer Fire Department made a run to Bledsoe Monday evening, around 7:15 when a wire short in the drying machine at a grain elevator caught fire.

The fire was doused and smoke cleared away after about 15 minutes of pumping water into the top of the dryer, after the grain was cleaned out. There was no estimate of damage.

## County Judge Explains New Tax Rolls

TO THE TAXPAYERS OF COCHRAN COUNTY

We, the commissioners' court and the tax assessor have re-evaluated all of the property located in Cochran County finishing this work about the last of August, with three days of hearings with any interested taxpayers being present.

The county's operating expenses have gradually grown these last few years and its overall evaluation has come down, resulting in a deficit which has grown from year to year and now amounts to \$69,000, owed to the First State Bank.

The tax assessor then went to work preparing four tax rolls, two on the oil properties and utilities, and two on the local real estate and personal properties, rendered and unrendered.

Now these have been completed and approved by the comptroller of Public Accounts in Austin and you have received a statement of your 1959 taxes, and I feel that I should give you a report telling what we did in this re-evaluation program and why.

Last year, 1958, the oil tax roll was \$22,787,965.00 and the local real estate and personal properties were \$5,414,534.00 making a combined total tax roll of

(See JUDGE, Page 4)

## Paving Engineer Pushes City To Seek Bids

Howard Schmieding, paving engineer from Clovis, N. M., appeared before the Morton City Commission at the regular meeting Monday night, urging the commission to ask for bids from contractors on the paving project being discussed for more than a year, and see if the bids aren't low enough to be acceptable.

Schmieding, whose efforts to get the paving project underway have been plagued by inability to get a company to finance the construction for persons unable or unwilling to pay for their portion.

(See COUNCIL, Page 4)

## To Collect Taxes

WHITEFACE (spl.) — T. O. Petty will be at the City Hall at Whiteface Monday, Oct. 26, for the purpose of collecting taxes for the South Plains College District, it was announced this week.

## Jeter Hardware Adds Groceries

"We've added something new . . . groceries" is the way N. D. Jeter and Olen Smith announced the new addition this week to Jeter Hardware — now Jeter Hardware and Grocery, southside square, Morton.

Jeter, who has been in business at the location since August 15, 1944, is quick to point out that the addition of Food supplies does not mean the de-emphasis of hardware items.

"We will continue to offer the same hardware lines we have in the past," it was said.

(The Jeter Hardware and Grocery ad will be found on page three of this publication of the Tribune.)

Also added at Jeter Hardware and Grocery is the Big Chief Savin' Stamp.

"We certainly appreciate the patronage we have enjoyed over

(See JETER, Page 4)

JAMES ST. CLAIR

## DRAWINGS WILL BE ONE OF HIGHLIGHTS OF THE ST. CLAIR SALE

There'll be free coffee and doughnuts available all day Friday at St. Clair's Department and Variety Stores, westside square, Morton.

It's all part of the big 25th Anniversary celebration being observed Friday, Saturday and Monday.

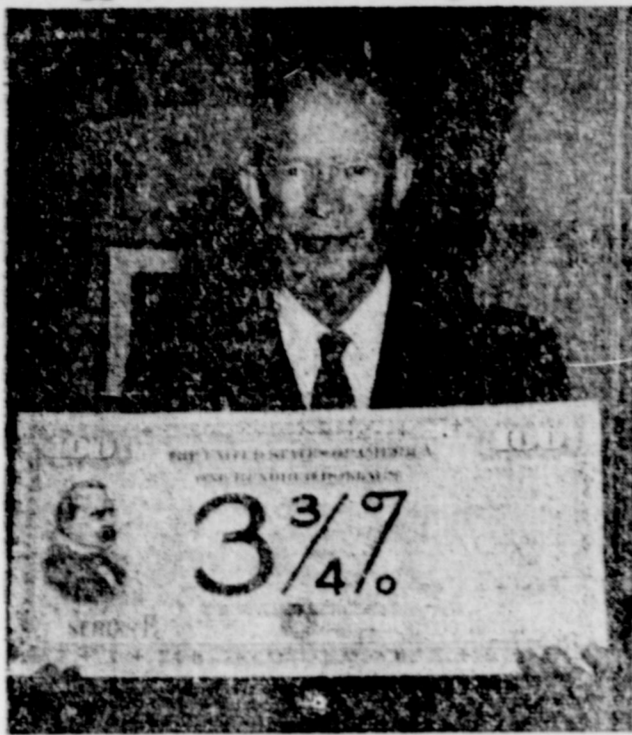

And, folks may register at the stores for \$50 in merchandise to be given away Friday and Saturday.

At St. Clair's Department Store registration will be for \$25 in merchandise to be given away Friday evening. You need not be present to win.

At St. Clair's Variety Store folks will be registering Friday and Saturday for \$25 in merchandise to be given away Saturday evening. You need not be present to win.

And, at both stores the lucky someone will get to select the merchandise of their choice. (Details of the big event will be found on pages 10 and 11 of this publication of the Tribune.)

### Bigger and Better Savings Bonds

President Eisenhower wants the country to know that United States Savings Bonds now pay 3 3/4 per cent interest. He posed for this photo just after signing into law a Congressional bill permitting the Treasury to increase interest rates on Series E and H Savings Bonds from the old 3 1/4 rate. This enlargement of a \$100 bond is symbolic, of course, but it carries the message that Savings Bonds are "Now bigger and better." The new rate was made retroactive to June 1. In addition, the 40 million persons already holding Savings Bonds benefit by the legislation. The interest rate on outstanding bonds has been increased by at least one-half per cent from now on if held to maturity. "To my mind," the President said, "there is no better way of saving, no more effective way of strengthening our power for peace, than to own United States Savings Bonds. To buy these bonds is to express faith in America. It helps provide the economic strength in both our Government and in individual families on which our freedom depends. I hope that the making of both old and new Savings Bonds even more attractive will serve as a renewed invitation to every citizen to buy and hold these 'Shares in America.'"

#### MORTON SCHOOL LUNCH MENU

- SUNDAY**  
Baked Beans  
Buttered Asparagus  
Celery and Cabbage Salad  
Limeapple Salad  
Hot Rolls and Butter  
½ Pint Milk
- TUESDAY**  
Chicken Pot Pie

#### 100 EXHIBITS ARE DISPLAYED AT H.D. ACHIEVEMENT DAY

There were over 100 exhibits on display at the Home Demonstration Achievement program October 18, held in the Banquet Room of the County Activity Building. Canned vegetables, fruit, pickles, relishes, jellies, and preserves along with clothing, household, textiles and crafts made the room look like a county fair.

First, second and third place ribbons were awarded. Mrs. C. B. Hart, member of the P.O.R. was high winner in points. She won 31 points on her varied exhibits. Second high winners were Mrs. Oland Clifton and Mrs. Walter Dye, each with 26 points. Third was Mrs. C. D. Arnold with 23 points.

Mrs. James St. Clair and Lella Petty were judges.

#### SPECIAL GUESTS ARE HOSTED BY T&C STUDY CLUB

"Special guests" day was observed by the Town and Country Study Club at their meeting Wednesday, Oct. 7, in the home of Mrs. Willard Cox.

Mrs. Alvie Harris presented a program on "Cronquist's Route through West Texas and the South Plains."

Special guests were Mrs. Roy Hickman, Mrs. J. D. Glass, Mrs. Bob Mayon, Mrs. Wade Strather, Mrs. Elizabeth Greer, and Mrs. Ottilie Parr of Bledsoe.

#### PINK and BLUE SHOWER HONORS MRS. WILE HODGE

A pink and blue shower, honoring Mrs. Wiley Hodge, the former Miss Pat Key, was held Wednesday afternoon, October 14, from 3:00 until 5:00 in the home of Mrs. Roy Hill.

Co-hostesses for the occasion with Mrs. Hill were: Mesdames Lovel Jackson, William Zuber, Douglas Betts, Cooter Barnett, Donny Baker, B. H. Lee, Don Lynsky, and Misses Booty Shakerpeter, Ester Garate and Treva Jo Thomson.

#### CHEHELO GROUP ELECTS OFFICERS

The Chehelo Horizon Club met on October 13 in the home of Doris Fletcher.

The club elected officers for this year. They are: president, Vivian Ledbetter; vice - president, Ethel Miller; secretary, treasurer, Ruby Daniel; and reporter, Patsy Amyx.

#### VISIT MOTHER

Mrs. Walter Lemons and Mrs. Merle B. Sides of Hereford, Tex., visited their mother, Mrs. J. M. Wampler last Wednesday.

FROM MEMPHIS, TEXAS  
Miss Rena Waller of Memphis, Texas is visiting Mrs. J. M. Wampler.

## HAPPENINGS OF INTEREST . . . FROM THE ENOCHS AREA

By Mrs. Jerome Cash L. J. Harris.

**VISITING MOTHER**  
Mrs. Doyle King of Muleshoe spent Saturday with her mother, Mrs. Joe Speck.

**VISIT PARENTS**  
Mr. and Mrs. Junior Austin of Lubbock spent the weekend visiting their parents, Mr. and Mrs. Raymond Austin and Mr. and Mrs. J. M. Angel.

**VISIT IN LUBBOCK**  
Mr. and Mrs. E. N. McCall and Delores spent Sunday in Lubbock visiting their daughter and family, Mr. and Mrs. Robert George.

**VISIT DAUGHTER**  
Mr. and Mrs. W. M. Bryant were visiting in Plainview Saturday and Sunday with their daughter and family, Mr. and Mrs. Clifford Brasler.

**VISIT IN HALL HOME**  
Mr. and Mrs. J. B. Vanlandingham visited in the Carl Hall home Sunday afternoon.

**VISITORS FROM FT. WORTH**  
Mr. and Mrs. Jonny Cox of Fort Worth spent Monday night in the J. M. Angel home.

**VISITING OVER WEEKEND**  
Mr. and Mrs. Jerome Cash and Mrs. Ronnie Etheridge of Muleshoe visited Sunday evening in Lubbock with his sister and family, Mrs. P. L. Wade. Mr. Wade is home after an operation in a Big Springs Hospital. He has been in serious condition, but is better at this time.

**VISITS IN AMARILLO**  
Mrs. Jerome Cash visited in Amarillo last week with her sister Mrs. C. H. Williams and family, and her father, Mr. C. E. Hinton.

**IN HOSPITAL**  
Mr. G. B. Saylor of Bronco has been in the Muleshoe hospital, and is at home now. The Saylor family live in the Enochs and Bula community before moving to Bronco.

**VISITORS FROM LEVELLAND**  
Mr. and Mrs. Joe Phillips of Levelland visited in the home of her parents Sunday, Mr. and Mrs.

**VISITORS FROM GARY, IND.**  
Mrs. Melvin Terry and children of Gary, Indiana, are visiting in the home of Mr. and Mrs. J. J. Terry.

**IMPROVING**  
Mrs. Clara McGinnis is reported to be still improving. She is staying in the home of her son, J. F. McGinnis at Rt. 5, Lubbock.

**SUNDAY VISITORS**  
Sunday visitors in the J. J. Terry home were Mr. and Mrs. H. D. Ellison of Bovina, and Mr. and Mrs. Joe Head of Bellview, N. Mex.

**BULA P-TA MEETS**  
The Bula Parent Teachers Association met in the school auditorium on Oct. 12, at 7:30, for its second meeting. There were 48 people in attendance.

After an invocation by Mr. Turner, the first and second grade students sang two songs with Richard Turner, second grade, singing a solo. Mrs. John Gunter played the piano.

Mrs. R. M. Gibson, president, presided over a business meeting and Mrs. Bob Newton, secretary, read the minutes of the previous meeting. A financial report was given by Leon Kessler, treasurer.

**NAMED FRATERNITY EDUC. CHAIRMAN OF TECH GROUP**  
Miss Suzy Hawkins, daughter of Mrs. Scott Hawkins of Morton, has been named Fraternity Education Chairman of Kappa Alpha Theta pledge class at Texas Technological College in Lubbock.

Miss Hawkins, a freshman liberal arts major, was elected to the post.

**WEEKLY NEWSPAPER REPRESENTATIVE, INC.**  
NEW YORK • CHICAGO • DUBOIS

Mrs. Bernice Swinney gave a talk on the Hale Aikin Bill and discussed the need for a special session of Texas lawmakers to consider teachers salaries.

John Hubbard gave a talk on how the P.T.A. can help the community. He reported also that plans are being made for co-health Dr. McDaniels of Muleshoe, to give each child a check-up. This is to include eye, ear, nose, and throat and chest x-ray. Small pox vaccinations and polio shots will be available for anyone who has not received them.

Pre-school children may be included in this also.

Committees were selected to carry on the various businesses of the P.T.A. The next meeting was set for Nov. 9.

Refreshments of home made cookies and coffee were served by Mrs. Leon Kessler in the lunchroom.

**DOES REPAIRS ON CHURCH**  
Enochs Baptist young people's classes met Tuesday night to begin repair work and redecorating their room. After a session of work on the walls, refreshments were served to the group by Mr. J. J. Terry and Mrs. E. N. McCall.

**MOTHER IS IN CRITICAL CONDITION**  
The mother of Mrs. A. J. Wallace is reported to be in critical condition. She lives in East Texas.

**VISITORS FROM LITTLEFIELD**  
Mr. and Mrs. O. K. Yantis of Littlefield spent the day Sunday, visiting Mr. and Mrs. Zed Robinson.

**LAYMAN'S DAY OBSERVED**  
Layman's day was observed at the Methodist Church Sunday. Bro. Don Davidson of Littlefield.

### Cochran County H.D. Council Holds Annual Achievement Day Program

Cochran County Home Demonstration Council Achievement Day was held Tuesday, October 20, at the home of Mrs. G. C. Kieth.

A covered dish luncheon was served at noon. A list of elected officers from each club needs to be turned in as soon as possible to the council, so that year-books can be published.

Mrs. Lewis Walker, THDA chairman and Mrs. H. T. Gardner reported on the state meeting they attended in Galveston in September.

Election was held for the 1960 council officers. They are Mrs. Edward Brownlow, chairman; Mrs. Bob Hamilton, vice-chairman; Mrs. Stanley Henderson, secretary; and Mrs. Jake Reid, treasurer.

Eleven members, 10 visitors, and the Agent attended.

Members present: Oland Clifton and Mrs. Dye, FOR and Bledsoe tied for 2nd place, 26 points. C. D. Arnold, FOR Club, 23 points. F. Z. Payne, Whiteface, 23 points. Leon Langrill, 18 points.

### Home Demonstration Agent

**By Leila Petty**

**TRAINING MEETING**

The training meeting for Food Leaders from Home Demonstration Clubs will be held at 2:15 Tuesday afternoon, October 27. The meeting will be in the kitchen of the activity building. Mexican dishes will be the subject of the demonstration.

Club leaders will give demonstrations on Mexican Cookery in their respective clubs in Nov.

**FREEZING VENISON**

Any wild game may be frozen for future use but it must be dressed and frozen as soon as possible. Correct packaging is important. Use moisture vapor proof materials as cellophane, aluminum foil, pillow or different kinds of laminated wrapping paper.

Wrap steaks of venison with 2 layers of packaging material between each steak. Include as many steaks as needed to serve your family in each package. This makes it possible to separate steaks and begin cooking without having to wait for complete package to thaw. However, for uniform cooking of the meat, each piece should be at least two-thirds thawed.

Wild game that is frozen and maintained at 0 degrees F. or colder will not lose any of its fine qualities for several months.

**EGGS, PLAIN OR FANCY**

Eggs have a split personality. They can be simple and strictly for the family or they can shine as gay party or company food. They add bright color and taste appeal to buffet dinners, luncheons, hors d'oeuvre trays, salad plates and snacks. Supplies are plentiful now and prices are reasonable.

Hard Cooked eggs are the brightest social lights. Many deli-

gious taste combinations can be made with hard cooked eggs. Start by cutting freshly hard cooked eggs length wise or cross wise. Slip out the yolks, mash with a fork and add your chosen mixture. Mix in desired consistency, and refill the whites.

You might try 2 teaspoons of anchovy as a mixer . . . or 1/2 cup grated cheese . . . 1 or 2 slices of bacon, crisply cooked and minced . . . 1/3 teaspoon curry with 1/3 cup chopped rice olives . . . 3 tablespoons minced chicken, ham, lobster, shrimp or mushrooms . . . 3 tablespoons

minced or grated onion with 1/4 tablespoon minced parsley . . . a tablespoon of minced pimento . . . or 3 tablespoons of crab flakes, broken apart with a fork. These amounts will fill 6 hard cooked eggs.

Once the eggs are filled, you can go on to further flights of imagination with garnishes. Minced parsley or clams, whole or sliced olives, tiny whole shrimp, bits of green pepper, strips of pimento and diced ham all make pretty garnishes.

**YELLOW PIANO KEYS?**

Ivory piano keys sometimes turn yellow because of water or insufficient sunlight . . . to clean these yellowed keys, use a soft flannel dampened with wood or denatured alcohol. Then be sure

that your piano keyboard is left uncovered part of the time. On some new pianos, plastic keys are being used. These may be cleaned with a damp cloth.

**WATERMELON RIND PRESERVES**

**First Part:**  
4 lbs. prepared watermelon rind  
2 tablespoons lime (calcium oxide)  
2 quarts water

**Second Part:**  
4 quarts water (16 cups)  
4 lbs. sugar (approx. 3 cups)  
2 lemons thinly sliced  
4 small pieces gingerroot (optional)

**TO PREPARE RIND.** Select thick watermelon rind and trim off the outer green skin and the pink flesh. Cut the rind into 1/2 or 1 inch cubes and weigh. Combine lime and water. Add the rind to the lime water and let stand for 1 hour to make it crisp. Drain and place in clear water

for 1 hour. Drain and boil for 1 1/2 hours in fresh water. Drain again.

**TO PREPARE PRESERVES**

Boil the lemon for 5 minutes in 1/2 cup water. Boil remainder (15 1/2 cups) of water, with the sugar for 5 minutes to make a syrup. Add the watermelon rind and gingerroot to the syrup. Boil for 1 hour. When the syrup thickens, add the lemon and the watermelon rind. Continue to boil until the syrup is thickened and the rind is clear. Stir to prevent sticking. Fill hot, dry, sterilized jars 3/4 full with preserved fruit. If paraffin is to be used, add enough syrup to fill the jar to 1/4 inch of the top; otherwise, fill to top. Seal, label and store.

### WASHINGTON AND "SMALL BUSINESS" BY C. WILSON HARDER

Readers of this column often write to ask a question somewhat along these lines, "Why is it that there is so often a delay in stopping a monopolistic practice when it is so readily apparent to any one with any business knowledge that such a practice is going on?"

Probably the answer requires many different factors to be explained. Perhaps one is that in the huge mass of legislation that goes before every session of Congress, a committee can fail to understand the need for a remedy proposed by certain legislation. Then, too often, the committee does not receive the proper counsel from the government bureau that is relied upon to furnish advice.

A recent case in point was the failure of the House Interstate and Commerce Committee's subcommittee headed by Rep. Peter Mack Jr. to approve HR 2729.

It is felt that undoubtedly had this bill come onto the floor of Congress it would have passed this session, instead of later.

This bill, called the Equal Pricing Bill, was designed to make it necessary for manufacturers to give their independent dealers the same pricing as they give their own owned and operated retail outlets.

In a nationwide poll of the nation's independent business conducted by the National Federation of Independent Business, 85% of the businessmen approved of this legislation to correct a flagrant and growing abuse of free enterprise.

In the field of tires, pants, glass, shoes, many other items, the abuse is growing.

For some vague reasons only known to the bureaucratic mind, the Federal Trade Commission opposed the measure. During the hearings a great deal of smoke was sent up to tie this measure into the same category as a Fair Trade Act, even though there is not the slightest resemblance between the two.

Perhaps biggest reason committee not approving was a failure to recognize what is going on in the economic system today.

It seems certain, eventually a measure of this nature will be passed. But probably before it gets final approval it will require a full scale study by both the Senate and House Small Business Committees.

These committees have the power and capabilities to bring forth the facts about such abuses that offset any bureaucratic objections.

In fact, many of the corrective practices that have been passed in the past few sessions of Congress would not have succeeded had not these Small Business Committees turned the spotlight so effectively against the abuses. In fact, it could well be argued that the best informed group in government today on current economic practices are the Senate and House Small Business Committees. Their knowledge of business affairs appears more comprehensive than that held by the Dept. of Commerce or the FTC. In the latter case, that of the FTC, these committees are almost paramount to the situation that would exist if a citizen's committee in a community kept advising the police where to find the robbers.

### Gerald Ramsey Home On Leave

Pfc. Gerald Ramsey, son of Mr. and Mrs. S. A. Ramsey of Morton, arrived in Morton last week from Fort Carson, Colorado where he completed basic training in the U. S. Army.

He plans to leave around Oct. 27 for Fort Sill, Okla., where he will receive training in heavy artillery. Mrs. Gerald Ramsey will accompany her husband to Fort Sill where they will make their home.

### Whiteface FHA Plans Banquet For Mothers

WHITEFACE (spl.) — The Whiteface FHA Chapter held its regular monthly meeting on Monday, October 12th.

Frank Henderson was selected by the chapter as FHA Beau for 1959-60.

A Mother - Daughter Banquet and a Halloween Party were discussed. The Banquet carried, by vote of the group, but the Halloween party was rejected.

The chapter voted to purchase "mother pins" and present them to this year's FHA Mothers.

### Athletic Boosters Discuss Olton Tilt

A fair sized crowd turned out Monday night at the regular meeting of the Morton Athletic Boosters to view the films of and re-hash the Morton - Abernathy game.

Coach J. P. Jones was highly pleased with the Indians performance but sounded a somber note for the up-coming game Friday, pointing out the Olton rout of Muleshoe last Friday night, 49-8.

Jones warned Olton had one real speedster in the backfield, one pretty fair blocking back, a sizeable fullback and halfback, both of whom share the passing chores for the Mustangs, and some good pass receivers. Up front their line is not as large as some of the Indians have met, but a couple of hard hitting seniors are included in the line. The center, linebacker on defense, is the captain and best defensive lineman, Coach Jones said. He stressed the speed of wing-back Rande Buchanan.

The club talked about making sure every football player has a ride home after daily practice sessions.

**FROM INDIANA**  
Mrs. Joe Waller of Terry Haute, Indiana, visited Mrs. J. M. Waller last week.

**MAPLE WMS MEETS**  
The Maple WMS met in the home of Mrs. C. A. Petree, Oct. 12, with ten ladies present.

WHY are MORE people BUYING CHEVROLET CARS, CORVAIRS, PICKUPS and TRUCKS at ALLSUP CHEVROLET COMPANY?

SIMPLE! People like to pay a fair price for an automobile or truck and enjoy trading with a firm that services and backs up what they sell!

FLASH! We NOW have 4 miniature CORVETTES in stock. These CARS have a 2 1/2 h.p. gasoline engine, top speed of approximately 20 m.p.h., and are suitable for children up to 15 years of age. Will make ideal Christmas gifts . . . come and see them . . . test drive one . . . they're going at dealers cost.

P. S. Drop by and drive a 1960 Chevy . . . you'll be glad you did. We've a few 1959 models to go! Maybe what you're looking for . . .

TAX PAYING —

(Continued from Page One)
ember the discount will only be 1 per cent.
Also, Mrs. Denny pointed out, poll tax paying time is from now until Jan 31.
And, persons who are exempted from poll taxes, that is 60 years or older, or who are 21 and will vote in the primaries for the first time next year, must have exemption receipts.
The exemptions are for the election judge to stamp so that "party affiliation" may be shown.
Poll tax receipts also carry the "party affiliation" blank, and this blank can only be filled in by the presiding judge of the election.
The preliminaries will come early next year. The First Primary falls on May 7, 1960, with the Second Primary on June 4, 1960.
Requests by candidates to have their names placed on the ballot shall be filled not later than the first Monday in February preceding the primary.
And, of course, 1960 will be a presidential election year. Then, with the new ruling by the courts, voters never know when an election may be called on the "wet-dry" subject.

ST. CLAIR
(Continued from Page One)
He was teaching school there when he made plans to buy an established firm here. The sale failed, and St. Clair opened St. Clair's Variety Store, August 12, 1934, in the building now occupied by Kay's Hardware and Furniture.
Two years later he opened the St. Clair's Den Franklin Store where his variety store now stands. In 1937 he constructed a 50x100-foot building which housed the variety and department firms.
In 1942 a new building, 75x128 feet was added, and the department store was separated from the variety business.
This past year both buildings were reworked inside.
St. Clair also operates a store in Denver City.
Besides Hiner, other members of the department store are Mrs. Carrie Scott, Mrs. Fay Mills, Mrs. Susie Wood, Mrs. Ethel Stracener, Mrs. Iva Mae Burke, and Mrs. Edith Waller.
In addition to Christian, those associated with the variety store are Mrs. Frankie Long, Mrs. Lillian Zuber, Mrs. Linda Christian, Miss Betty Hallford, Miss Linda Skaggs, Mrs. Wanda Cle-

MISSIONARIES —
(Continued from Page One)
stitute of Music and Amarillo College.
He is a piano instructor and was a member of the Amarillo Symphony Orchestra for two years. He has been engaged in pastoral and evangelistic ministries in this country and Cuba. He illustrates his messages with music.
Radio ministry, Bible school instruction, and pioneer evangelism will comprise the work of the couple.
Bolivia is a comparatively new field for the ministry to the Assemblies of God. The first mission station was opened in October, 1946.
Today there are more than twenty Assemblies of God Churches in Bolivia with a total average attendance of 1,000 at main services. Three national workers' training centers are in operation and 20 Bolivian nationals are engaged in full time ministry, it was announced.
Rev. Mock is traveling in this country with his wife and one year old son. They plan to leave in a few months for Bolivia.
A cordial invitation has been extended the public to hear Rev. and Mrs. Mock.

COUNCIL —
(Continued from Page One)
tion of the construction at one time, told the council he now has contractors lined up who have financial arrangements made and are ready to bid. However, he said he felt the City would have to seek bids before it could get any concrete bid prices on units to be paved.
Recently, the Aldermen had advised the City Clerk to ask Schmieding to terminate his contract because it just didn't seem he would get anything done.
The Aldermen took his latest proposal under advisement.
The City also, under a motion by Roy Gentry and seconded by Rob Richards, voted to pay bills.
They also discussed the possible hiring of a City Attorney for handling police court affairs and offering legal advice, received a proposal from an attorney invited in, and took this under advisement.
In the absence of City Clerk Joe Seagler, Mrs. Eddie Irwin served and recorded the minutes. R. C. Strickland was in charge of the meeting in the absence of Mayor Roy Tarver, Jr., and Alderman Amos Taylor was also absent. Gentry Richards and "B" Merritt were on hand.

JUDGE —
(Continued from Page One)
\$28,202,399.00.
Now in 1959, upon completion of the tax roll, we find we have on the oil and utilities tax roll a value of \$23,717,205.00 and on the local real estate and personal roll a value of \$7,005,315.00, making a combined total tax roll for the county of \$30,722,520.00 or an overall increase of taxable value of \$2,520,121.00 for the county. This multiplied by .95c per \$100 valuation which is the county rate figuring a 100 per cent collection would give the county an additional \$25,939.37 in tax money for 1960 to operate the county business on.
We started operating in May on a red bank account and it has reached a total of \$69,000 now at the First State Bank. We plan to pay this off the last of October or early November.
In our 1960 budget we reduced a number of operating expenses in the county about \$10,000.00. This reduced amount added to the \$23,900.00 in additional taxes that we will collect on the increased evaluation, will make about \$42,900.00.
We, the Commissioners' Court and auditor, are trying to get the county's business out in front of us and keep it there. We hope our deficit will be small in 1960 and none in 1961.
Some of you received a large increase in your taxes and some received very little increase. On an average across the county most dryland was evaluated at more per acre than was the irrigated land, which made some large increases in taxes when we tried to equalize all the lands and properties according to its value as we were supposed to by law.
Cochran County has many things for the benefit of its citizens, such as the new county building, hospital, Livestock show barns, swimming pool, etc., that many of our neighboring counties do not have, and which we are all proud of, but it takes money to operate.
We are trying to serve you as best we can and still hold expenses down. It's not easy.
Thanking you Commissioners' Court

JETER —
(Continued from Page One)
the years," Jeter said in extending everyone an invitation to drop by and see the new lines of foods.
The Jeters, who moved here from Brownfield in 1944, have as their partner, Smith, a former area resident who recently returned to Cochran County from Shreveport, La., where he was a field production foreman for an oil company.
Mrs. Smith is the former Miss Imogene Jeter, daughter of Mr. and Mrs. Jeter. Mr. and Mrs. Smith have two children, Terry, 4, and Patricia (Patty) 2. He attended school at Whiteface.
The hardware and grocery will offer, in addition to the regular hardware lines, canned goods, dairy products, meats, fruits and vegetables and frozen foods.

WILLOUGHBY PRESIDENT OF NURSES

meeting held on Oct 6. Future Nurses of America officers for the year are: Peggy Willoughby, president; Barbara Elliot, secretary; Solly Letveritt, treasurer; Troy Bilbrey, reporter.

organization is sponsored by Young Matrons Club, and it is to give the girls an opportunity to learn more about nursing. They now have 21 members.

in a meeting on October 15, discussed plans for the coming year. The committee planning it is: Lenore Linda Elliot, Peggy Willoughby, Margaret Paul Burnett.

also decided to have a meeting each Thursday morning during the year. Objectives for this term are: Lubbock Methodist Hospital; ordering pens for members; and working in Sherman County Hospital in Dallas.

Role of United Nations Is Subject Of Women's Soc. of Christian Service

"90 per cent of the world population is represented by the United Nations Organization. The U. N. is a place where battles are fought with words, not blood." These points were stressed in the study "The Role of the United Nations in World Affairs," being taught by Mrs. Albert Morrow for the Women's Society of Christian Service, which met Tuesday, Oct. 20, at the Methodist Church.

NANCY DEAVER IS SHOWER HONOREE

A wedding shower was held honoring Miss Nancy Deaver last Thursday, October 15, from 3 to 5 o'clock in the home of Mrs. Alton Lamb. Hostesses were Mesdames Byron Willis, J. M. Philbrick, Walter Taylor, E. R. Fincher, Guy Gattis, Henry Chesler, Cecil Williams, Ted Bryant, T. B. White, C. T. Sullivan, Jack Baker, Raymond Hoffman, Royce Hanna, Alton Lamb, and Miss Betty Sullivan.

Cake and coffee were served to the many who attended.

Church. The role of the U. N. in recent world crises was discussed by Mrs. Ed Lytle and Mrs. John Crowder. The value and far reaching effects of UNICEP were discussed by Mrs. J. N. Burnett.

Mrs. Don Lynskey led the group in singing the United Nations Hymn, to be used as the theme song during the study.

Those present were Mesdames: Morrow, Lytle, Burnett, Crowder, Phil Glassford, Ed Neiman, E. Greer, James Harrell, J. D. Hawthorne, W. C. Bonham, Glenn Penham, Don Lynskey, Pegues Houston, L. J. Hargrove, Ed Thomas, Paul Gunter, and Mrs. B. M. Alexander from Lovington, N. Mex.

MRS. SCOGGINS IS NEW PRESIDENT OF H.D. CLUB

The Friendly Circle Club met in the home of Mrs. H. T. Gardner, Friday afternoon, Oct. 16. The meeting was opened by the hostess reading Proverbs 20:6-11. The roll call was answered by four members and one guest, with "How many Christmas gifts I have already?"

New officers for the following year were elected. They were, president, Mrs. L. Z. Scoggins; vice president, Mrs. Woodrow Self; secretary-treasurer, Mrs. H. T. Gardner; reporter, Mrs. Carl Kootz; council delegates, Mrs. Dexter Nebbut and Mrs. Jake Reid.

Refreshments were served to Mrs. L. Z. Scoggins, Mrs. Woodrow Self, Mrs. Jake Reid, and Mrs. Elmer Gardner, a guest.

The next meeting will be in the home of Mrs. Carl Kootz, Nov. 6, the program will be "A Way With Breads" by Miss Petty. Everyone is invited to come.

LIONS DIST. GOV. WILL VISIT HERE

District Governor Glen Jones will visit the Morton Lions Club on Wednesday, November 18, it was announced this week by Neal Rose, who is Zone Chairman of District 2-T2.

All Lions were asked to make a special effort to attend this forthcoming meeting with Mr. Jones.

BROWNIE TROOP OF WHITEFACE VISITS LEVELLAND

Brownie Troop No. 339 of Whiteface, visited Levelland's places of interest Wednesday, October 15. The girls were guided through the new Jr. College by Mr. Prestwood. They visited the police station and fire department where various instruments and procedures were explained to them. Mr. Ford showed the girls all of the machinery and equipment it takes to run his ice cream factory. Following the tour each girl was given a popsicle.

After their supper of hamburgers, cakes and ice cream, the girls returned to the Girl Scout House in Whiteface. Brownies making the trip were: Jan Abbott, Kay Bacon, Charla Jo Booz, Melinda Jo Bridges, Esther and Vikki Bert Cunningham, Barbara Eaton, Linda George, Anna Jennings, Rita Jean Linder, Wihelene McNabb, Ella Kay Samsel, Judy Dell Simms, one mother Mrs. E. E. Jennings, and their leaders, Mrs. Leo Cunningham and Mrs. Vernon Bridges.

TO ATTEND CONFERENCE

Mrs. Art Wall will attend the Panhandle and South Plains Region Consumer Credit Conference at the Kemp Hotel, Sat. & Sun., October 24 and 25, in Wichita Falls.

ATTEND ASSOCIATION MEET AT SEMINOLE

Mr. Pate and five representatives of the Morton High School Student Council, Janice Lebow, Viola Smith, Shirley Miller, R. E. Thompson, and Gary Coffman attended a meeting of the South Plains Student Council Association at Seminole on Saturday, October 17.

The group led a discussion on the topic "How to Gain and Maintain School Spirit". A Lubbock High School assisted the discussion. Many ideas were brought forward in this topic, but only a few were actually new and original.

This group also attended another discussion led by Monterrey High School entitled "Projects of the Student Council." Under this title came such things as "World Brotherhood", "Civic Duties", "Money Making Projects", "School Projects", and "Community Projects."

NANCY DEAVER, JACK BARNETT EXCHANGE VOWS, OCTOBER 17TH

In a ceremony performed at the home of Rev. Bob Robinson, Baptist pastor from Levelland, Miss Nancy Deaver, daughter of Mrs. Evelyn Deaver of Morton and Jack Barnett, son of Mrs. Vera Barnett of Levelland, were

Lions Discuss Crippled Child's Camp at Kerrville

Lions Crippled Children's Camp at Kerrville was stressed at the weekly meeting of the Morton Lions Club, Wednesday, when Zone Chairman Neal Rose, asked the club to try to be 100 per cent supporting members of the Camp.

A film, depicting life at the camp, showing camp facilities and telling of the benefits of the camp was shown to the group and literature was passed out.

Three guests of James McClure were on hand. Mr. Lund and Mr. Day of Lubbock and Mr. Coffey of Cimarron, Kansas.

Lion Rose also told of the recent meeting held at Plainview, October 11 and of a coming meeting at Levelland, January 17, which he urged all Lions to attend.

The Lions' Director's meeting next Tuesday morning will be a breakfast to be held at the County Activity Building in conjunction with the Boy Scout Fund Drive, which will get underway that day.

It was announced that next week's program will be on the new auto insurance rates which will go into effect January 1st.

VISIT IN MORTON

Mr. and Mrs. W. M. Harryman of Cuero were guests in Morton this past week. They reported crops were exceptionally good in their area this year.

Eight Students Are on Whiteface H.S. Honor Roll

WHITEFACE (spl.) - The following students were named favorites of their class in an election held on Monday, Oct. 12, 1959, at Whiteface high school.

Freshmen were: Gail Collins and Lyle Fitzgerald.

Sophomores: Ophelia Rowe and Reagan Haney.

Juniors: La Nell Welch and Eldon May.

Seniors: Carla Burton, and Duane Cookston.

To be eligible a student must be passing and been in attendance at Whiteface for one year, according to principal Charlie Booz.

SPEND A WEEKEND AT RUIDOSO, N. MEXICO

Mr. and Mrs. Richard Key and daughter Linda went to Ruidoso,

N. M. last weekend where they attended a class reunion of the Hagerman, N. M. high school classes of 1932 through 1935. The Keys were members of the 1932 class. About 25 attended the dinner Saturday night which was held at the Navajo Lodge and about 20 attended the family picnic at the park near Ruidoso on Sunday.

### Church Youth Seek Funds for UNICEF Program

The youth of the First Methodist Church of Morton are making plans this week for a presentation "Trick or Treat" for the benefit of UNICEF. The presentation will be held Thursday night, Oct. 23.

The plans were announced this week and efforts were being made to get the youth of other Morton churches in on the same program. It was expected to be this weekend before they know how much help they will have on the project.

As a little preliminary information, for the many persons who may have heard of UNICEF but have been wondering what it's all about, they prepared this information about it.

It is the world's largest international agency devoted exclusively to child and maternal care, primarily in war devastated countries.

In 1958, UNICEF was aiding more than 350 child care programs in more than a hundred countries and territories.

UNICEF mainly takes the form of supplies not available in the assisted countries. It supplies basic medical equipment for antibiotics, vaccines and antibiotics; it furnishes powdered milk to children and nursing mothers; it supplies children and mothers with rations in emergency situations; it allocates funds to equip plants for pasteurizing of drying milk; and it furthers education of village mothers and children in simple practical ways to improve the diet.

A little UNICEF aid goes a long way; for example, 1¢ worth of BCG vaccine protects a child from TB, and a 5¢ shot of penicillin will cure a child of yaws.

UNICEF depends entirely upon voluntary contributions from governments and private groups and individuals.

The Methodist group has previously conducted a "Trick or Treat" project for CROP.

### PRINCIPAL LAUDS PARENTS' SUPPORT

Elementary Principal Eli Douglas expressed his sincere appreciation, Wednesday, to the large majority of parents of students in the Elementary School, who turned out at the P-TA meeting Tuesday night, when conferences were being held with the various school principals.

Enrollment in the elementary school is at the highest level in history, Mr. Douglas said, listing the enrollment at 740 in that school. He invites parents to come any-time to the school to visit or discuss any problems that may arise.

### BLED SOE JUNIORS HAVE BOX SUPPER

Bledsoe (spl.) — The Bledsoe Junior Class sponsored a box supper following the Bledsoe vs. Causey basketball game at Bledsoe Tuesday night of this week. Everyone was invited and proceeds went to the Junior Class.

### VISITING LEDBETTERS

Mrs. J. D. Slack of Archer City is visiting here with her sister Mrs. M. C. Ledbetter and family. Also visiting in the Ledbetter home Wednesday night, were Mr. and Mrs. Don Waldrip and daughter, Wendy of Olton. Mrs. Waldrip is Mrs. Slack's daughter and a niece of Mrs. Ledbetter.

### VISITS IN CROMWELL

Mrs. Otha Denny visited in Cromwell over the weekend with Mrs. Leslie McAdams who is a patient in the Cromwell Hospital.

SPITTING IMAGE . . . Shown above is J. W. Pond, Cochran County farmer, with a sweet potato he raised which turned the "spittin' image" of a duck. The sweet potato was in a one-

eight acre plot raised five miles south of Morton. The patch yielded 32 or 33 bushels of Red Gold variety sweet potatoes. It was watered once before planting and once afterwards. Quipped the farmer, "maybe we ought to send this one in to Ripley. This duck wasn't raised near water but it was raised by a Pond."

### MULESHOE GOLFERS EDGE MORTONITES

The Morton and Muleshoe golfers "got after it" hot and heavy Sunday on the Morton Country Club links and when the smoke cleared away a few hours later, Muleshoe had eked out a two point margin on their annual single individual competition for the intercity trophy.

Tom McAlister, tourney chairman for the local Country Club, was a little disillusioned at the turnout. He said Muleshoe brought 31 men ready to play golf and Morton came up with only 19. They had to play threesomes and foursomes by themselves.

He said if the local club didn't support the inter-city tourney any better, Muleshoe might decide to call it off.

### Shirley Tarver Is High Plains Golf Tourney Winner

Morton had a champion in the High Plains Women's Golf Association season ending golf tourney at Levelland this past week.

Shirley Tarver, entered in second flight, defeated three opponents during the week to post the championship of that flight. In the final round, Friday, Shirley defeated Morie White of Muleshoe 3 and 2, by firing a 44 over the nine hole layout. She shot a 46 on the second nine holes.

Other Morton ladies were beaten out before the finals.

### RETURNING HOME

Mrs. Lloyd Hiner and daughter and grandson left Phoenix, Ariz. Wednesday morning and expect to arrive home Wednesday night or Thursday morning.

The baby, Tommie Oden, has been in the hospital at Phoenix and was taken out about a week ago. He is reported as "doing good".

### BABY CORVETTE DRAWS COMMENT

That's not exactly a new line of Chevrolet's, but a miniature Corvette that Don Allsup of Allsup Chevrolet Co., has been driving about town lately.

Fact of the matter is, Don says they make great Christmas gifts, and that's why he's got them in stock.

### Wage Findings Remain Same

The latest wage finding in Cochran County, effective October 16, according to the Department of Labor, is this:

"First pulling irrigated and dryland, \$1.50 per hundredweight. Rates less than \$1.55 per hundredweight are not applicable to Mexican contract workers."

The information came from Regional Director Ed McDonald's office.

# SOIL CONSERVATION DISTRICT NEWS

## OUR SOIL ★ OUR STRENGTH

### PROPER USE OF RANGELAND

"How much feed did I grow this summer or this growing season? How much feed do I have on the land to winter my livestock? How have I managed my range? These are questions you may be asking yourself as winter approaches.

Proper use is a fancy word for nothing more than using your range in such a way so as to have plenty of feed available at all times. This is accomplished by taking half and leaving half of the current year's production.

Under proper use, the taller grasses will replace the shorter grasses, have more vigor, furnish adequate soil protection. Let's be thinking of the above mentioned questions in relation to our own range program. Remember it's the number of pounds of beef sold that counts, not the number of animals sold.

### BACK TO INDIANA

Mr. and Mrs. Phillips Irwin, of Indianapolis, Ind., returned to their home Saturday morning after spending about 10 days in Morton visiting with their son, Eddie Irwin and family.

## 1,500 Are Expected To Attend State F. Bureau Meeting

SAN ANTONIO (spl.) — Some 1,500 Farm Bureau members and their families are expected to converge on the Alamo City Nov. 8 - 11 for the 26th annual convention of the Texas Farm Bureau.

Policies to guide the state's largest farm organization will be adopted by some 700 voting delegates from 198 counties. Headquarters for the four day meeting will be at the Hilton Hotel.

Featured at this year's meeting will be speeches by Governor Price Daniel of Texas; U. S. Congressman George Mahon of Lubbock; Chester Lauck, formerly known as Lum of the "Lum and Abner" radio team; John C. Lynn of Washington, D. C., legislative director for the American Farm Bureau Federation; and J. H. West, president of the Texas Farm Bureau.

## Water Recharge Project Interests Area Farmers

Visitors to the High Plains Research Foundation at Halfway have a keen interest in the recharge well and the bench leveling research projects underway.

Mr. James Valliant, assistant water engineer at the foundation, reports a total of 77.2 acre-feet of water recharged to date in 1959. Irrigation water can be valued at \$65.00 per acre-foot applied to cotton, which would mean that the recharge water is worth approximately \$5,000.00. This is more than half the total initial cost of the recharging well. This recharged water was from approximately 7 inches of rainfall between June 2 and July 16 and tail water from surrounding acreage up to September 12. Plans for 1960 include a filter system to study the effect of silt removal on recharging. Land now in the lake bed will be put into cultivation since it can now be drained of rainfall runoff and tail water.

Twenty five acres of benches have been constructed on the north slope of the recharge lake to study yield, cost of production and water efficiency. Parallel benches of 8, 12, and 16 rows (40 inch rows) are being used to study the effect of different depths of soil removal on crop yields. These benches will also be used in a comparison study of crops grown on benches, contoured land and slopes. Water applied will be metered and moisture blocks will be used to determine time of irrigation. Grain sorghum is being grown on these benches and the adjoining slopes in 1959 and it now appears that the benches will outyield the slopes by a considerable margin.

Irrigation studies for the coming year will include time of irrigation on cotton and grain sorghum, skip row irrigation and determination of time of irrigation with moisture blocks.

## Jaycees Add New Member

One guest, George Boring, and one new member, Sam Tidwell, were on hand Monday for the regular weekly meeting of the Morton Jaycees.

The group discussed the family night, held last week, and it was pronounced a big success.

Also discussed was the coming Morton Christmas program, but no action was taken.

President John Barnes was in charge of the meeting.

## With Your ...

### COUNTY AGENT

By Homer E. Thompson  
COUNTY AGENT  
INCOME OF TEXAS FARMERS

Texas tops all states in 1958 in total net farm income. Texas farmers made a net of 1 billion, 1 1/2 million dollars. Realized net income, is that income the farmer has to spend after payment of their production expenses.

In 1958 the realized net income per farm averaged \$3,430. In 1957 the average was \$1,774 and ranked 17th in the nation.

Production expenses of Texas farm operators rose from \$1,459.7 million in 1957 to \$1,682.8 million in 1958. This is part of that thing called "cost squeeze!", showing up on the increase side of the ledger.

### LIVESTOCKMEN WATCH FOR PRUSSIC ACID AFTER FROST

Now is the time of the year to watch for frost appearing on grain sorghum stubble, Johnson grass or sorghum after a frost is sometimes extremely high in prussic acid content and is very dangerous to livestock.

Certain chemical changes sometimes occur in the plant and it develops a content of prussic acid, or hydrocyanic acid when wilted by a frost or a drought. The poison acts quickly and can kill an animal within a short time after the damaged plant is eaten.

An appearance of nervousness, difficult breathing and difficulty in standing are symptoms of poisoning. Whether a poisoned animal can be saved depends upon how quickly a veterinarian can get to it. Treatment involves injecting antidotes directly into the bloodstream.

Young plants will develop more prussic acid after frost or drought than those approaching maturity. Points out the veterinarian, their leaves will contain from 3 to 25 times more acid than leaves of plants in the boot stage. Also, upper, younger leaves will contain more acid than lower leaves.

Do not graze frosted Johnson grass or sorghum before it is completely dry. If Johnson grass or sorghum is ready to cut for hay before a frost, it may be cut the first day after the frost, if

SECT. II THURSDAY, OCTOBER 22, 1959 PAGE NINE

## FIRST QUALITY REPORT ON 1959 AREA COTTON CROP SHOWS HIGH PERCENTAGE OF WHITE COTTON

LUBBOCK — The first Texas High Plains Cotton Quality report off the 1959 cotton crop was released today by George W. Pfeiffenberger, executive vice-president of the Plains Cotton Growers, Inc., and showed quality factors of what may be the second largest crop in history from the Texas High Plains.

Pfeiffenberger explained that the quality report is mailed to textile mill executives and cotton buyers throughout the nation in an effort to keep them posted on yield, quality and character of the 1959 crop as it is harvested. This was the first report this year. Issued semi-monthly, reports will be continued through the harvest period. Each report consist of an explanation and 6 tables giving correlations between grade, staple, micronaire and tensile strength of the cotton harvested.

One of the problems of the boll weevil is finding out what the cotton plant has to attract the pest . . . apparently cotton, and only cotton, has some item that appeals to the boll weevil . . . if this can be found it might be possible to breed it out of the cotton plant and thus make cotton unattractive to the insect . . . or it might be possible to use the attraction as a bait to poison the pest . . . there are several other things that may be done to rid cotton of its most expensive pest . . . for instance, there is the "diapause" treatment, which means poisoning several times after the weevil season ends . . . this would prevent the weevil from hibernating up and he would starve during hibernation . . . another plan would be the setting of non-cotton zones where cotton would not be grown for a couple of years . . . this, of course, would certainly cause economic troubles

In the first 1959 report, white cotton accounted for 84 per cent of the crop ginned thus far — approximately 100,000 bales — and 82 per cent was middling white and above. Light spots totaled 15.3 per cent with 15.2 per cent middling light spot and above. Full spotted cotton was only 0.1 per cent.

Average staple length was just about 31/32 inch with approximately 31 per cent being on inch and longer. Only 19 per cent fell 15/16 inch. The micronaire average was 4.2 with 98 per cent above the tenderable limit of 3.5. Fiber strength averaged 76,000 pounds per square inch with 53 per cent between 75,000 and 90,000 pounds.

Pfeiffenberger said that some of these reports also are mailed to cotton firms abroad. "We believe this is a good way to inter-

est more buyers and mills in Texas High Plains Cotton. It gives them correct and current data," he concluded.

### VISIT IN DAVIS HOME

Visitors in the T. D. Davis home the past weekend were her mother, Mrs. John Driskell and niece, Dorothea Eastering of Avoca, and his parents, T. F. Davis of Anson and Mr. and Mrs. Vanoy Davis and Mickey of Lorenzo.

### LOCAL MAN IN PRODUCTION CREW OF PLAY AT TECH

Members of the production crew for the Texas Tech speech department's presentation of "Blood Wedding" have been announced.

The play, a modern tragedy, written by Federico Garcia Lorca is set around the turn of the century in Spain. It will be presented by the speech department Nov. 16 - 20.

Production cast members include Louis Young of Morton, in charge of properties.

## HERE'S WHAT MAKES the CORVAIR REVOLUTIONARY

Short and sweet! Engine's in the rear—where it belongs in a compact car. With more weight on rear wheels, you get extra road-gripping traction for cornering and driving on ice, mud or snow. Also, by avoiding nose-heaviness of front-engine compact cars, Corvair handles easier, brakes better, rides smoother. Styling of both 4-door models is clean and uncluttered . . . as fresh and functional as modern architecture.

### Unipack Power Team

Engine, transmission and drive gears are neatly wrapped in one lightweight package. Takes less space, leaves you more.

### UNITRUT BODY BY FISHER

Body and frame are combined into a single rigidly constructed unit that reduces Corvair's weight, enlarges its passenger space.

### Practically FLAT FLOOR

Corvair is America's only compact car with a virtually flat floor that gives you full 6-passenger comfort. For extra space, folding rear seat\* converts easily to make room for 17.6 cu. ft. of cargo. \*Optional at extra cost.

### TRUNK'S UP FRONT

Lots of luggage space under the hood, where it's convenient for groceries, packages.

### NEARLY 3 FEET SHORTER

Corvair's almost 5 inches lower, 1,300 pounds lighter, too. Its compact size makes it a joy to jockey through traffic, a pleasure to park. No need for power assists.

### AIR COOLED

You never have to fuss with antifreeze. Turbo-Air 6 warms up quicker, with less wear on parts. Air-plane-type heater\* goes to work almost instantly. \*Optional at extra cost.

### 4-Wheel Independent Suspension

Springs at each wheel cushion bumps independently of each other for a ride that rivals much costlier cars.

### Revolutionary Rear Engine

works small miracles with mileage. It's the world's first production 6 with the ultra-smooth power of horizontally opposed pistons.

### and the most practical thing of all is Corvair's LOW PRICE!

see it drive it

**Corvair**  
BY CHEVROLET

MORTON EDGES ABERNATHY BY NARROW 8 TO 6 COUNT...

INDIANS THROW UP DRAMATIC SECOND-HALF DEFENCE TO WIN 2AA OPENER

The Morton Indians put on a show of tenacity and determination Friday night to post an 8 to 6, mild upset, decision over the Abernathy Antelopes.

The Indians dogged defensive fight against the not so potent, but dangerously explosive 'Lopes, was by far the most pleasing thing Indian rooters have witnessed all year long.

Morton took charge of the game the second time they had the ball and by halftime they had amassed a top heavy margin in first downs, yardage, had two penetrations and an 8 to 0 edge in the game. Up til that time there was no indication that it would take all of the fight they could muster to preserve that lead.

In the fourth period, with a do or die situation, the Antelopes, to their everlasting credit put up a dogged fight. They drove a total of 121 yards, added five first downs to their game total and rolled up two penetrations before finally scoring with 1:48

left in the game. At this precise point the first downs, penetrations and total yardage were so close there was little to choose between the two teams. But it's doubtful any of the boys on the field had any knowledge of just how much was riding on the two point try after the touchdown.

But Morton held, the score wasn't tied, and Morton recovered an attempted onside kick by Abernathy and ran out the clock, adding a first down and some extra yardage.

It was a game that had its great efforts for both teams. Individual fine one-play efforts were many, but after the game was over, it was hard to single out any one factor for either team. The Abernathy coach pretty well summed up their point of view with the dejected remark, "We waited too long to get started." It might be added, that Morton nearly quit scoring too soon.

But no one "quit" fighting, on

either team. The Indians kicked off to open the game, and permitted a first down before holding to force quarterback John Brown to punt. Taking over on their own 32 yard line, Morton rolled up three first downs before having to kick. Jackie Brown Morton quarterback, punted to the Antelope 10 yard line.

A few plays later John Brown got off a 50 yard punt to the Indian 30. Jackie Brown's return punt, four plays later, skidded off the side of his foot and traveled only 11 yards forward. But the break didn't produce anything for Abernathy and they punted to the Morton 46 with nine minutes to play in the half.

Morton began a drive for 54 yards, embracing 13 plays, and four first downs. Charlie Silhon, Butch Nairn, Russell Ward and Jackie Brown, alternated carries of the pigskin until Morton had a first down on the 15. Ward went over left guard for five and Nairn drove to the one yard line for a first down. Brown tried to sneak it over but the officials placed the ball on the half yard line. Nairn then rode the blocking in the center of the line for the score. A short jump pass from Brown to Ed Bob Fyburn produced the extra points that eventually won the game.

Gathright's short kickoff was recovered by Tommy Morrison for Morton on the 45 yard line. Then Butch Nairn connected with Fyburn on a left sideline pass that carried the ball to the Abernathy 17 yard line. Nairn raced to the 11, but fumbled and the Antelopes' Neal Humphrey recovered the ball.

The third period found Abernathy put Morton in a hole from which they never recovered until the Antelopes had scored their fourth period TD. After Abernathy had driven to the Morton 48, they were forced to punt. Brown punted deep into Morton territory and the ball hit on about the five yard line. It appeared to hit about two feet from the out of bounds line, then bounce directly over the goal. However, much to the disappointment of the Indians, the official declared it went out of bounds on the one yard line. On the first play, Ward was nearly caught behind the goal. Nairn moved the ball to the 3 yard stripe. Brown punted out, but he didn't have enough room to take his time. The onrushing opposition forced a quick kick and Abernathy signaled for a fair catch on the 30. On the first play Harold Thompson, fullback, rolled to the Morton 21, just a yard shy of a first down and a penetration. But on the next play Bill Edd Thompson and Tommy Morrison trapped quarterback John Brown attempting to throw a pass and he was nailed for a 12 yard loss. Aubrey Smith roared back the full 12 on the next play and it was fourth down and a yard to go at the 21. Brown tried a quarterback sneak but failed to go against the Indian forward wall and Morton took over, still

holding Abernathy without a penetration. As the third quarter ended, Morton was moving at the 43 but the fourth quarter changed the entire outlook of the game.

The Indians punted to the Abernathy 18 where the 'Lopes took over for their finest drive of the night.

Harold Thompson, Billy Joe Smith and John Adams moved the ball to the 33, where Billy Joe roared through the center of the line and had beaten all but one Morton defender. But before he got to the final man, Bill Ed Thompson caught him from behind on the four yard line and rode him down.

Here the Indians put on their second inspired defense of the night. Smith went through tackle for two yards but on the next play Morton was waiting for

him on end and threw him for a 6 yard loss. Thompson drove back to the 5 yard line, but on the fourth down Brown's bootleg run was stopped on the line of scrimmage and Morton took over with only 4:06 left to play.

Morton managed a first down but a 15 yard penalty for holding set them back to the 6 yard line and they were forced to punt out of danger. Abernathy took over on the 34 with only about 2 minutes to play. But they hadn't quit. They took to the air and Brown hit Stanley Joy, a halfback, on the 5 yard line. On the next play he found Jerry Gist wide open in the center, over the goal line and a lob pass produced the score. Aubrey Smith was hit by three ambitious Morton tacklers led by Tommy Morrison on the extra point try and this was the winning margin.

But the 'Lopes made one last attempt. With 1:28 left to play they tried an on sides kick which Morton recovered on the 43. On the first play Ward scooted for 14 yards and two plays later the game ended.

Final statistics showed the Indians gaining a definite edge in every department except pass completions and punting. John Brown averaged 41.1 yards per punt in his duel with Morton's Jackie Brown, who averaged 28 yards. This factor kept Abernathy in the game, but it must be said Morton played the punts cautiously, letting them roll dead and John Brown got the advantage of good rolls on them.

It would be unfair to single out any Morton backfield man as a standout, but Bill Ed Thompson, in a line that played great ball, stood out with two tackles that both may well have saved Abernathy touchdowns. Gathright got a bad leg bruise, and Abernathy lost a man, halfback Donnie Adams, to injuries.

STATISTICS:

MORTON	ABERNATHY
11	First downs 10
203	Total yards 177
171	Rushing 121
32	Passing 56

Haroldine Reynolds Is Homecoming Queen... Come From Behind Win Over Ropes Gives Whiteface Conference Lead

The Whiteface Antelopes edged the Ropes Eagles by a score of 16 to 13 before a homecoming crowd of approximately 1,000 persons on the Antelope Field Friday night.

The Antelope eleven were in good shape, none out of the game because of injuries.

The Ropes Eagles took the lead late in the first quarter when Eagle Junior Wilson carried a touchdown from the Whiteface two. James Zorn booted the extra point making the score 7-0.

Again in the second quarter, Junior Wilson carried the ball for another touchdown from the four yard line but the try for the extra points was halted by fighting Antelopes. Score: Ropes 13 and Whiteface 0.

Whiteface made their first touchdown in the second quarter on a 62 yard sprint by Jimmy Collins. Odis Summers, Whiteface quarterback, carried through the line for the PAT, making the score Ropes 13 and Whiteface 8.

During the halftime, the Ropes Eagle Band, under the leadership of Drum Major Pat Dunarant, did a show called "Musical Trip Around the Country".

The Whiteface high school band, led by Drum Major Mary Neil Stegall, welcomed the visiting alumni of Whiteface by spelling out the word "Alumni" and playing "Auld Lang Syne". The Band helped in the crowning of the Football Queen. The Band executed a heart around the rocketship WHS-X, which represented the Homecoming Queen's theme, the Age of Space, and played "Sweetheart of Sigma Chi" while a new convertible drove on the field with the queen candidates, Miss Haroldine Reynolds, Miss Sandra Powell, Miss Ophelia Rowe, Miss Ann Hunt and Miss Daria Baldwin.

The Queen was elected by secret ballot by the football boys and kept secret until the crowning ceremonies in the half time.

The Football Queen, Miss Haroldine Reynolds, daughter of Mr. and Mrs. Harold Reynolds and a Junior at Whiteface High School, was escorted to the throne by Nathan Moore. She was crowned by Jimmy Collins and Odell Scribner presented her with a bouquet of roses.

Since majorettes Ann Hunt and Haroldine Reynolds were Queen and attendant, the majorette alternates were Shirley Marks, daughter of Mr. and Mrs. Jess Marks, and Joann Reynolds, daughter of Mr. and Mrs. Harold Reynolds and regular majorette Linda Welch, daughter of Mr. and Mrs. Daryl Welch, did a commendable job in giving the band a snappy touch.

In the third quarter, Antelope Odis Summers carried the last touchdown of the game from the Eagles one yard line and on a repeat performance, Summers carried the extra points making the final score Whiteface 16 and Ropes 13.

Ropes had 8 first downs and lost 40 yards in penalties while Whiteface copped 6 first downs

Scores Posted By Indian Opponents Last Week-end

Here are the scores posted by the Morton Indian opponents of 1959 in games played over the past weekend:

- Olton 49, Muleshoe 8

RAILROAD FEATHERBEDDING:

\$500,000,000 LOSS TO THE NATION—INCLUDING YOU—EVERY YEAR

Featherbedding on the railroads — pay for work not done or not needed — is costing the American people the shocking total of more than \$500,000,000 a year.

You pay for it every time you shop, because featherbedding costs are hidden in the price of everything you buy.

Obsolete union work rules, involving the railroad operating employees, are responsible for this gigantic burden. Right now, for instance, these rules require every diesel locomotive to carry a fireman—even though diesels have no fires to stoke, no boilers to tend.

The forthcoming negotiations between the railroads and the unions are urgently important to the whole nation.

In asking the unions to drop these featherbedding rules, all the railroads ask for is a fair day's work for a fair day's pay.

AMERICAN RAILROADS
