IMPORTANT ELECTIONS COMING UP... NUMBER OF PAID POLL TAXES LIKELY TO BE HEAVY IN 1960

From a voters standpoint — this looks as if it could be a good year for paying poll taxes. Poll taxes, which are required for voting, may be obtained from now through Jan. 31, 1960, in the office of Mrs. Otha Denny, Cochran County tax assessor - collector, on the main floor of the Cochran County Courthouse.

Office hours are from 8 a. m. until 5 p. m. Mondays through Fridays and until noon on Saturdays.

New on the poll tax receipt is a "party affiliation blank". This space will remain blank until the owner of the receipt

votes. Neither the tax assessor - collector nor the voter fills in this space.

The new Texas law authorizes only the presiding judge, at the primary, to stamp in the word that denotes what primary the voter participated in on the day of election.

And, according to the new law, a voter must vote in the primary to take part in the precinct convention, hold any party office, or be a delegate to any convention. Persons 60 years of age or older, who have previously been and now are exempted from paying a poll tax must have exemption certificates which will show party affiliation. (These persons must be at least 61 years old by Jan. 31, 1960, to secure the exemption for voting in 1960.)

Persons who are now 21 and will vote in the primaries for the first time in their lives, may vote free, but must have exemption certificates also. (These persons must be 21 thirty days prior to any election in 1960.)

Requests for candidates to have their names placed on the ballot shall be filed not later than the first Monday in February preceding the primary.

The First Primary election will be held May 7, 1960, with the Second Primary, June 4, 1960.

Among officials to be elected in 1960 are a president and vice-president of the United States, a U. S. senator from Texas, a state representative from the 98th District, a judge for the 121st Judicial District, a 121st District attorney, a county sheriff, county attorney, and commissioners of Precincts 1 and 3.

Good advice, according to the Texas Democratic Newsletter, is "Be an early bird... pay your poll tax today."

Say "Thanks" For Reception of Medical Clinic

Appreciation was expressed this week to area folks for the method in which they received the "Open House" Sunday of Morton's new Medical Clinic.

Appreciation to the callers came from Dr. J. Walker Davis and Dr. B. H. (Bill) Lee, who have offices in the new center.

The center is located at Southeast First and Taylor Streets, just south of Allsup Chevrolet Company.

MINISTERS TO MEET THURSDAY, NOV. 5

The Ministers of Morton and the Cochran County area will meet for their regular monthly meeting on Thursday, Nov. 5, at Church in Morton. The host pastor, Rev. H. T. Clark, will have 10 a. m. at the Assembly of God charge of the devotional. All of the ministers are urged to be present.

Contaminated Grain May Be Result Of Mixing Grain With Cottonseed

County Agent Homer Thompson notified the Tribune this week he is in receipt of information from the State Agricultural Agent, V. G. Young, concerning contaminated grain.

The Agent was advised that the Bureau of Plant Pest Control has been notified that some shippers of grain sorghums are experiencing difficulties at the borders of some of the western states because of contaminated grain.

This contamination is in the form of cottonseed mixed in with some of the grain sorghum that

is being moved into these states. The Bureau informs us that there have been at least 60 truck or carloads of grain that had to be fumigated at the state border, at a cost of \$50 to \$100 per load.

It is indicated that the possible source of this contamination is on the farm and probably comes from using the same vehicles to haul cotton and grain sorghum to the central market.

They also informed that some of the grain elevators in the Plains area are beginning to turn down grain that shows any contamination of cottonseed because the expense of fumigation must be borne by the shipper and the cost is running to high for them to continue to take chances on such grain.

Grain sorghum producers and shippers in the Texas Plains are cautioned by the Texas Agricultural Extension Service to be sure vehicles hauling grain are free of any seed other than grain sorghum.

The state has regulations affecting import of cottonseed and other agricultural products.

TRACTOR OVERTURNS; YOUTH PINNED BENEATH

A young county youth, Charles Coghurn, was injured in a tractor mishap as an aftermath of the Homecoming Parade in Morton Friday evening.

The tractor, with which Coghurn was towing one of the floats for the parade, overturned at the corner of Southwest 1st and Lincoln Streets, pinning young Coghurn underneath.

Coghurn had unhitched the float and was returning the tractor to McMaster Tractor Co. when the vehicle overturned.

Three boys standing by, lifted the tractor off the boy while another pulled him from underneath. He was then rushed to the Cochran County Hospital by the Singleton Funeral Home Ambulance.

Coghurn, 16 years old, the son of Mr. and Mrs. A. E. Coghurn, was given emergency treatment at the Cochran County Hospital and then, when his parents ar-

BEAT MULESHOE, 34 - 14...

Indians Rack Up District Triumph To Delight of Homecoming Throng

The defensive ability of the Morton Indians to capitalize on Muleshoe mistakes, capped the local homecoming activities here Friday night with a 34 - 14 triumph for Morton in a District 2-AA battle.

The Indians exploited the mistakes of a converted Muleshoe fullback, Darryl Oliver, who fumbled 10 times in the ball game. Morton recovering 7 of them, and who also had a pass intercepted.

Oliver, a fine ball player himself, has been on the shelf much of the season due to a bad leg. When the Muleshoe situation got worse by the week, Oliver was installed at quarterback. But his inexperience in handoffs to other backs, plus the extremely cold weather, were his and Muleshoe's downfall.

Actually, Muleshoe wound up on the long end in first downs with 14 to Morton's 10. However, eight of these first downs came in the fourth quarter when Morton sent in their reserve team after mounting a 26 to 0 lead.

The first half of the game was defensive, and closely played. Morton missed one touchdown when Gary Willingham was unable to hold a pass deep in Muleshoe territory as the first half neared completion. But he pulled the thrill of the night just three plays later as he snagg'd a similar aerial from the arm of Steve Middleton with a circus catch in the end zone. That gave Morton a 6 - 0 lead with only a minute and thirteen seconds to play in the half.

The second half was a different story. Morton started strong, scoring on the third play when Butch Naim got great blocking in the line and was sprung loose on a 53 yard touchdown jaunt. Ward took a pass from Jackie Brown for the extra points.

From then on the Mules just couldn't get rolling without Oliver fumbling, and a Morton man being around to sack it up. With the third period half gone, Charlie Silhan captured a Mule fumble on the 29 yard line and seven plays later Ward lugged the leather across the goal line for the 26 - 0 margin. The points after were missed, but it was only a matter of about a minute before Morton had possession again on a pass interception and as the quarter ended they were knocking at the door again.

Early in the final canto, Brown

Parade, Banquet Top Homecoming

Morton schools observed a very successful Homecoming here Friday, complete with parade, pep rally, banquet and football game.

The celebration, one of the better ones in recent history, was somewhat dampened by rainy, chilly weather that caused postponement of a Thursday night bonfire, but the rest of the observance went off as expected, despite the fact that some floats didn't appear in the parade because of the inclement weather.

Eight floats, the Morton school band, three football queen candidates, and eight riders of the Cochran County Sheriff posse braved the chilly weather to make the parade an unexpected success.

Float themes, most of them concerning the homecoming game with Muleshoe were well portended.

First place in the judging went to L'Allegro Study Club with a float theme using Aladdin's lamp and a Genie to predict all will go well with Morton in the game with Muleshoe.

Second was the Future Farmers float showing a blacksmith shodding a Muleshoe Mule.

Third place went to a pair of women from the class of 1958, who had beautifully decorated a golf cart, done on yellow flowers using the "Yellow Rose of Texas" theme. The women were Mrs. Jack (Rosie) Wallace and Mrs. Al (Pat) Mullinax.

Others with floats entered were the Young Matron's Study Club, the Future Homemakers, the Junior Class, the Future Teachers and the Pep Squad.

Approximately 200 persons turned out for the banquet at which Mayor Roy Tarver, Jr., was the principal speaker, tracing the past history of Morton's schools. Keith Kennedy offered the invocation and Supt. John Barnes

welcomed the exes.

Mrs. H. B. Barker introduced the speaker and Herman Bedwell president of the exes group, was in charge of the program.

Entertainment was provided by a trio, Jim and Gary Middleton and Harold Drennan, with vocal and instrument numbers. Harold Combs, daughters, and son, (He is a Morton ex) with musical arrangements, and a song by Robert Hahn, choral director.

Three Way's Homecoming Is Next Saturday

The annual Three Way homecoming will be held Saturday, Nov. 14, it has been announced by Dave Beck, president of the school's exes.

Plans call for registration to begin at 5 p. m. with supper to be served at 6:50 p. m.

The evening highlight will be the Three Way - Nazareth football game which will begin at 8 p. m. at the Three Way Field.

The exes will meet following the game at the game, at the gymnasium.

Mrs. Gilbert Dupler of Tokio is secretary - treasurer of the exes.

New Trailer Law Explained Here

Trailers of more than 4,000 pounds must be titled to conform to a new state law, reports Mrs. Otha Denny, Cochran County tax assessor - collector.

Certificates of title are "old hat" to owners of motor vehicles and house trailers.

Serial numbers and ownership proof may cause delay, so Mrs. Denny urges that trailer owners apply now to avoid last minute disappointment at re-registration time in February and March.

Rainfall Slows Harvest of Crops

A cold, drizzling rain, which fell most of the night Thursday, deposited .67 of an inch of moisture at the Soil Conservation Office rain gauge by Friday morning and began to have a seriously damaging effect on Cochran County's cotton crop.

Although it was practically impossible to estimate the damage to the crop, the total rainfall for the month of October in this county was 2.24.

The rains also, in addition to causing whatever damage they did to the grade of cotton, perhaps delayed the harvest a day or so, but weather remained cloudy and the prospect of more rain over the weekend was strong.

Council Boy Scout Fund Drive Has Nearly Reached 50 Percent of Goal

Although the suggested completion of the Scout Fund Drive for Cochran County is a couple of days overdue, the busy season has made it impossible for workers to make a lot of the

contacts they had planned.

The drive, in total funds collected, was very near the halfway mark by Friday noon with a total of \$451.00 collected out of a hoped for total of \$1,100.

Chairman James McClure and his workers, reiterated their appeal of earlier in the week, asking that anyone not yet contacted in the drive, make their contribution to one of the workers, to Mr. McClure or at the Tribune office.

Will Speak to Bible Class

Mrs. John White of the Christian Children's Home of Lubbock will speak to the ladies Bible class at the East Side Church of Christ Tuesday, morning, Nov. 3, at 9 o'clock. Her subject will be the Care of Children in the Home and Foster care. Everyone interested is invited to attend.

Cubs to Meet Monday Night

There will be a Cub Scout meeting of Troop 101 Monday night, November 2, in the Cochran County Activity Building.

Harold Drennan, Cubmaster, urged all Cubs and parents to attend the 7 p. m. meeting.

Wage Findings Are Released

Wage findings effective October 28, for Cochran County have been released by Ed McDonald, Regional Director, Texas Employment Commission.

Cotton first pulling, dryland, \$1.55 per hundredweight; first pulling, irrigated, \$1.50 per hundredweight. Rate less than \$1.55 per hundredweight for pulling not applicable to Mexican contract workers.

Student Body Now Has Guidance Counselor

Mr. Robert Hahn, Choir Director, will be Morton High School's first guidance counselor and may be consulted during the first period in the teacher's lounge in the High School.

Purpose of the guidance program is to help students with problems such as grades, personal troubles, social relations, subject planning, understanding of achievement and abilities, and plans for further education.

Grid Queen and Band Sweetheart Are Crowned

Janice Lebow was crowned Football Queen and Joyce Edwards was named Band Sweetheart, in ceremonies at halftime during the Morton - Muleshoe ballgame, Friday.

Co - captains Butch Naim and Gary Coffman crowned Miss Lebow queen and little Dale Tilger and Coach J. P. Jones' young daughter presented the crown and flowers to Miss Edwards as Band Sweetheart.

Line of Groceries Added By Jeter

"Grocery" is the new name added to Jeter Hardware on the southside of the square here.

N. D. Jeter and Olen Smith, owners and operators of the firm recently placed a new sign atop the store reading "Jeter Hardware and Grocery."

They quickly pointed out, that in addition to the grocery line the firm will continue to offer the same hardware lines as in the

MORTON INDIANS — Shown are the members of the 1959 Morton Indian High School football team which handed the Muleshoe Mules a 34 to 14 loss Friday night before a Homecoming crowd. (School Photo)

Chamber Decries Position of Farmer In Our Economy

Washington — Farmers would have a better chance of making more money if they could decide for themselves — without government interference — how best to use their land, labor, and capital, the Chamber of Commerce of the United States reports.

With the demand for farm products constantly increasing, farmers are in a growing and thriving business, the Chamber points out. But many individual farmers are not benefiting.

President Erwin D. Canham of the Chamber notes that excess food supplies drive prices down, thus preventing farmers from selling at satisfactory prices. Yet the federal program of supports continues to encourage overproduction of some foods.

Between 1948 and 1959 average net profits of farmers selling

\$10,000 or more a year of food dropped almost one third. These farmers accounted for almost two thirds of sales.

"Improving farm incomes is an understandable and worthy objective of federal farm programs," Mr. Canham states, "but I do not see how we can achieve this objective by treating farmers as plants in a government hothouse."

Programs to dispose of public stock of excess foods both abroad and at home merit careful study, Mr. Canham believes, but past experience shows that these programs displace sales which farmers otherwise would have made.

ton, who recently took a recording contract with Warrior Records of San Antonio, will have his first release out within a week.

The release is on the Harlem label, a branch of Warrior. The record is "Pretty Please" backed with "Don't Be Shy".

Security Job Open At Los Alamos

PCG REVEALS STATISTICS ON TYPES OF COTTON PLANTED

Lubbock — A total of fourteen different varieties of cotton account for some 97 per cent of the total number of varieties of cotton planted this 1959 - 60 season by farmers on the Texas High Plains, according to a survey conducted by the Plains Cotton Growers, Inc.

Bond Sales Pass 40 Percent Of Year's Goal

Saving Bonds sales in this county were \$9,516. Mrs. W. W. Williamson, chairman of the Cochran County Savings Bonds Committee announced today that Saving Bonds for September totaled \$9,516. "Sales for the first nine months of 1959 were \$23,575 or 45.3 per cent of the yearly goal," the local banker said.

E and H Bond sales in Texas amounted to \$115,170,663 during the first nine months of this year. This figure represents 63 per cent of the yearly sales goal. "The new improved interest rates on E and H Bonds will aid thousands of Americans who are already buying savings bonds and will help induce others to purchase the new 'Best Ever' Savings Bond," Williamson pointed out. "All Bonds purchased since June 1 of this year now earn an attractive 3 - 3/4 per cent interest when held to maturity and old bonds earn at least 1/2 per cent more than before. Considering the safety, ease of purchase and the new attractive interest rates, savings bonds are truly the best buy ever," Chairman Williamson concluded.

'LOHAHS' AVAILABLE TO MORTON EXES

The '59 annual staff will sell annuals to exes if they wish to buy one.

This year's Staff is under the sponsorship of Mrs. Murray Crone. The dummy of the 1959 Lohah is now in the process of being laid out.

The staff is: Lenore White, Editor; Betty Igo, Art Editor; Joyce Edwards, Business Manager - Secretary; James Strickland, Activities Manager; Ginger Stovall, Assistant Editor; and Jerry Cogburn, Assistant Business Manager.

Trick or Treat Set Saturday For UNICEF

After more than 1,000 years the Halloween festival of make believe and mischief is still essentially young. As a night of fantasy expressing eternal wonder at the mysteries of nature, life and the hereafter; it is also, at last, learning good manners.

In 1952 school children began giving their Halloween trick or treat pennies to the United Nations Children's Fund. They raised \$32,000.

Last year over two million children in 9,500 communities collected about \$1,250,000 to help UNICEF send milk and medicines to children and mothers abroad.

This Halloween children of this community will play trick or treat for their young friends around the world.

The young people will meet Saturday, Oct. 31, at 5:30, at the Morton First Methodist Church to receive instructions and UNICEF emblems.

The children will be carrying milk cartons, symbol of the needs of those aided by UNICEF.

Mortons are asked to gather up their pennies, dimes and quarters for those Trick or Treaters as they gather up candies and goodies for other fundsters.

BUSINESS VISIT

Max Daley, part owner of the Morton Tribune, was in Morton two days this past week on business. Daley now resides in Beverly Hills, California, where he is the associate publisher of the Beverly Hills Citizen.

George Pfeiffenberger, executive vice-president, explained the survey was made through cooperation of gins on the High Plains in 21 counties. Total allotted acreage planted to cotton in these 21 counties this year was approximately 2,174,000 acres and estimated production from this acreage is 1,723,000 bales. Lankart 57 is the leading variety planted, accounting for 42.6 per cent of the acreage planted on the Plains. The complete list of varieties and per centages planted are:

Variety	Percent of acreage
Lankart 57	42.6
Gregg	13.1
Lankart 611	9.0
Paymaster 101	5.8
Paymaster 54 B	5.6
Western Stormproof	3.8
Acala	3.4
Northern Star	2.8
Blightmaster	3.2
Antone	2.4
Dixie King	1.7
Lockett	1.6
Rex	1.1
Empire	1.1
Others	2.9

Pfeiffenberger explained that percentages of varieties planted changed somewhat in 1959 over 1958, but the leading varieties did not change significantly. Statistics taken from the PCG quality survey of the 1958 crop show that the high plains crop averaged 31/32 inch in staple length; 4.0 micronaire; and 75,000 pounds per square inch fiber strength.

A complete copy of the variety study has been prepared and is being distributed to county agents, ginners and others throughout the area.

YOUNG MATRON'S STUDY CLUB MAKES PLANS TO CLOTHE A NEEDY FAMILY; TAKE NURSES AUXILIARY ON HOSPITAL TOUR

The Y. M. Junior Study Club in the home of Mrs. Rob. Key, October 22, with 14 members and one guest present, guest was Mrs. Eli Douglass. Roll call was answered with "Make-up Problem". Mrs. Beth Watts presided over the meeting in the absence of Mrs. Bob Mahon. Members planned to take the nurses auxiliary group to Lubbock on October 27, to tour the Methodist Hospital. Plans were made to donate clothing to a needy family in the community.

Mrs. Paul Gunter brought a most interesting program on "The World to wait Jesus Came".

The next meeting will be Nov. 12, in the home of Mrs. Fred Payne with Mrs. Steve Monroe as co-hostess. The nurses club will be guests at that time. Mrs. Cooter Barnett will have the program for the evening.

Members present were Mesdames Steve Monroe, Fred Payne, Paul Gunter, Sammie Levrett, Roy Tarver Jr., Dexter Nebbut, Lowell Webb, Ray Keith Monaghan, Kenneth McMaster, Kenneth Watts, Jerry Winder, Jug Hill, Bob Allen, and Key.

Local Seaman Returns to States Aboard Shangri-La

The San Diego based air craft carrier Shangri-La docked at North Island Naval Air Station Oct. 3, after a several months' cruise to the Far East. It visited Japan, Hong Kong, the Philippines and Okinawa, operating with units of the U. S. Seventh Fleet. The "Shang" was welcomed by bands, drum majorettes and crowds of relatives and friends of the 2,500 man crew.

The ship made headlines in the Far East when it delivered several tons of clothing, food, medicines and other gifts from the people of Southern California to charitable organizations there.

The gifts were collected through "Operation Hand Clasp," a help for Asians drive started by LCDr. Donald M. "Hop" Hanson of San Diego.

A member of the crew is William A. Jones, son of Mr. and Mrs. C. B. Jones, morton. The carrier is now in port in San Diego but will soon leave for Bremerton, Washington to go into dry dock until March 1st and will then operate on the East Coast for the next several months.

W. A. is enjoying Navy life but is looking forward to being home on leave for Christmas.

LEGISLATION FOR DRIVER'S EDUCATION IS SUBJECT OF L'ALLEGRO STUDY CLUB

The L'Allegro Study Club met as a new member in the home of Mrs. James Greener on October 15, 1959.

Lt. James Mason from the Lubbock Police Dept., spoke to the club on "Texas Legislation for Drivers Education of Teenagers". Lt. Mason asked for questions following his very interesting and informative program. He also read a poem entitled "If Everyone" which describes a method by which everyone can become a better driver.

The business session included the discussion of building a float for the Homecoming Parade. A planning chairman was appointed for this project.

Each member was reminded to collect five recipes for the club cook book.

Safety projects were again discussed.

Mrs. W. B. Merritt was welcomed.

BLUEBIRD TEA HONORS MOTHERS OF THE MEMBERS

The fourth grade Bluebirds under the leadership of Mrs. Earl McCain and Mrs. Loy McBee were hostesses for a tea Tuesday, Oct. 27, in the M. C. Ledbetter home honoring their mothers and the members of the second grade Bluebird group. This newest group has been recently organized under the leadership of Mrs. Herman Bedwell and Mrs. Bud Nairn.

A special guest at the tea was Mrs. Willard Henry, Group Organization Chairman of the local Council of the Camp Fire Girls. Assisting with serving and entertaining were members of the Chelelo Horizon Club, now Juniors in High School. These girls have been together in a group with Mrs. M. C. Ledbetter and Mrs. Lloyd Miller as leaders since they themselves were Bluebirds in the second grade.

Margaret Ledbetter presided at the silver service from which mothers were served tea and coffee and Patty McBee and Brenda McCain served punch and cookies from a Jack-O-Lantern decorated table, to the Bluebird girls.

Approximately eighty girls and guests attended the affair.

Home Demonstration Agent

By Lella Patsy

CLUB MEETINGS

Lehman Home Demonstration Club will meet at the home of L. C. Wenken, Wednesday, November 4. On November 10, the club will visit a demonstration club in Yoakum County for an all day meeting. The Friendly Circle Club will meet with Mrs. C. G. Koontz on Nov. 5.

Annual meeting of the Coahoma Home Demonstration Club will be Tuesday afternoon, Nov. 10. Annual reports will be given by Council officers, chairman, and club president. This is generally one of the most interesting meetings of the year and visitors are welcome.

MORE PICKLES?

Following recipes are made up in amounts of vegetables. Pickles will add spice and variety to winter's menus.

OF THE PICKLES

1 cup sliced cucumbers
1 cup chopped sweet peppers
1 cup chopped cabbage
1 cup sliced onions
1 cup chopped green tomatoes
1 cup chopped carrots
1 cup green string beans cut in 1/2 inch pieces
2 T. mustard seed
1 T. celery seed
2 cups vinegar
1 cup chopped celery
2 cups sugar
2 T. turmeric

Soak cucumbers, peppers, cabbage, onions and tomatoes in salt water overnight (1/4 cup salt to 2 quarts water). Drain. Cook the carrots and string beans in boiling water about 10 minutes; drain well. Mix soaked and cooked vegetables with remaining ingredients and boil 10 minutes. Pack into sterilized jars; seal at once.

PICCALILLI

1 qt. green tomatoes, chopped
2 medium sized sweet red peppers, chopped

2 large mild onions, chopped
1 small head cabbage, chopped
1/2 cup salt
3 cups vinegar
2 cups (firmly packed) brown sugar
1 t. mustard or 2 T. mixed pickle spices

Combine the vegetables; cover with salt; let stand overnight. Drain and press in clean, thin, white cloth; remove all liquid possible. Add the vinegar, sugar and spices and simmer until clear. Pack into clean, hot sterilized jars. Fill jars to top; seal tightly.

Morton Schools Have Improved Teachers Say

By SUE COOPER

The physical plant being 100% better as well as the faculty members being better trained and the textbooks being more advanced all go into making Morton High School, according to Miss Lenora Jackson, a teacher at Morton High for 23 years and Mrs. J. A. Gowdy, teacher for many years.

Miss Jackson went on to say that the school is larger and more subjects are offered, but that teaching itself, hasn't changed much. More of her pupils attend college now days, more drive cars, and many have been outstanding; but the later ones are fresher in mind.

Mrs. Gowdy stated that scholastic standards have been raised many degrees, better equipment has eased the teachers work, and that as a whole, methods of teaching have advanced.

She said, "Counseling is used more than the paddle, today." She has watched many of her former students progress, some talking up the teaching profession, and many have commented on the grammar learned while attending her class.

Mrs. Gowdy hopes that many former students return to mingle with their friends during the '59 Homecoming, and wishes the team the "best of luck."

TRIO OF CANDIDATES ... BAND SWEETHEART WAS SELECTED

By MARVALENE HOFFMAN

A senior and two juniors were candidates for the title of 1959-1960 Band Sweetheart at Morton.

Winner of the title was Joyce Edwards, a senior, who has been in band for 6 years and plays alto saxophone.

Joyce is in the student Council, is business manager of the Annual.

McAlister-Huggins
Your JOHN DEERE Dealer
MORTON, TEXAS

is present editor of the War Whoop and is a member of the Nurses Club.

She is five feet one and one-half inches tall, weighs 104, has blonde hair, hazel eyes, and was born on November 2. She is now 15 years old.

After graduation she plans to attend one of three colleges; Wayland, Hardin-Simmons, or Howard Payne.

Another of the candidates, Patsy Amyx, is a Junior and has been in band for 8 years. Patsy plays a clarinet and has been a majorette for 3 years. She is also vice-president of the band.

Patsy is five feet five inches tall, weighs 120 pounds, has brown hair and blue eyes. She was born Dec. 5, 1942.

Some of her activities are F.T.A., Student Council, National Honor Society, and she has played basketball since the 7th grade. She received honors as the "Highest Ranking Sophomore Girl."

Another candidate, Vivian Ledbetter, a junior, has been in band for 6 years and plays the clarinet. She has been a majorette for 2 years and is now band secretary. Vivian was born July 19, 1943. She is five feet six inches tall, and weighs 118 pounds. She has blonde hair and green eyes.

Some of her honors have been F.F.A. Sweetheart, Wittiest Girl and Freshman Class Favorite. She is a member of F.T.A. and the Student Council.

Conservation Reserve Payments Being Made

Payments to farmers who had Conservation Reserve contracts in effect during 1959 are now being made, according to Ruth McGee, Office Manager, Cochran County ASC.

All farms with Conservation Reserve contracts have been checked to determine that the contract provisions have been complied with during the past year. Farmers signing contracts agreed not to harvest a crop; to control noxious weeds, and not to graze livestock on the designated acreage. In most cases the contracts also require a reduction in the total acreage of crops produced on the farm.

Mrs. McGee also reminded farmers that the requirements of contracts remain in effect for the duration of the contracts. The end of the growing season does not relieve the Conservation Reserve contract holder of the obligation under this contract.

There are 93 contracts in effect during 1959 in Cochran County covering 21,881 acres of cropland. This land is out of production and it is to be devoted to an approved conservation use.

Engagement Is Announced

Mr. and Mrs. J. N. Barnett of Route One, Morton, announce the engagement of their daughter, Donna Sue, to Lyndall Jay Burleson son of Mr. and Mrs. Alton Burleson, Morton.

Wedding vows will be read at the First Methodist Church, November 21, at 7 p.m.

Rev. J. E. Harrell, pastor of the church will officiate.

Is Elected to Sorority Post

Miss Patsy Sybert, daughter of Mr. and Mrs. Earl Sybert of Morton, has been selected as song leader of the pledge group of the Alpha Chi Omega social sorority at Texas Tech, it was announced this week.

She was a 1959 Morton High School graduate.

RAYMOND ROSS RESIGNS AS SCOUTMASTER

Raymond Ross, who has been Scoutmaster of Troop 101 in Morton, this week announced he has resigned that job to serve in the capacity of local Scouting Chairman and on the District Training Committee.

Ross has been assisted by Sharon Hawthorne in taking care of the local Troop. No new Scoutmaster had been named by Tuesday night.

Ross had been contemplating the resignation for a long time after having been asked to serve in the district Scouting program.

Dr. Morrison Is Moving to San Antonio

Dr. L. J. Morrison, local chiropractor for the past 30 months, is moving back to San Antonio, Saturday he announced this week.

Dr. Morrison, and wife, have enjoyed their stay here the doctor said, but emphasized that

all of his family and all of his wife's family live in the San Antonio area, and his home which he has been renting out, has become available, making it a good time to make the move he has been contemplating.

The Morrises said they appreciate all the friendships gained in this area, and regret that the move is necessary. They will reside at 428 Hearne, in San Antonio.

Homecoming for Butlers Saturday

The school board will hold a homecoming dinner for the 31st, as Butlers, exes and former teachers will be present. Butlers will be present at the school building at 8 p. m. at the auditorium, a pep rally at 8:30 p. m. and a business meeting at 9 p. m. Supper will be served from 5 p. m. to 7 p. m. in the school cafeteria.

The Bulldog - Longhorn game follows at 8 p. m. Immediately afterwards, coffee and doughnuts will be served exes in the cafeteria.

EXTENDED AREA SERVICE PROJECT DEAD? LAST FROM AREA RESIDENTS WONDERING WHAT WILL BE OUTCOME OF PHONE DEADLOCK

The answer, though not encouraging, is rather simple. The status is a deadlock between the Five Area Telephone Cooperative and General Telephone Company of the Southwest.

Though the story will vary considerably, depending upon which side the person answering the question favors, the plain fact remains that the two companies have reached a point at which neither seems to be able to budge.

The City of Morton has done all it can do... with the possible exception of encouraging and arranging other meetings which might solve the deadlock. City Aldermen have signed the necessary papers agreeing to do what was originally set out. The Morton telephone subscribers have overwhelmingly endorsed the project and said they would accept the necessary rate increase.

The Cooperative says it cannot agree to the monetary terms of the contract. The General Telephone company said that is the only deal they can make. Five Area feels there is an extra charge included. General Telephone says it's not an "extra charge" but a necessary part of the contract.

Morton's City Commission, appeared to be of the opinion Monday, that the directors of the Cooperative still don't understand the contract. They feel that the Cooperative directors have not been made to understand just what each charge is for.

Probably the Coop directors feel that the Morton City Commission doesn't understand the contract.

But wherever the hitch lies, it appears apparent that a meeting of Cooperative Telephone subscribers and Morton phone subscribers should be held to clarify just where the matter is at this time. Morton folks hate to have the inference left that they haven't done their part. They have fulfilled the obligation asked of them.

D. B. Lancaster, manager of the Cooperative said in letters to the mayor recently, Muleshoe is working on extended area phone service to Maple. It's hard to understand what this statement means. They are dealing with the same company in Muleshoe. General Telephone company of the Southwest, Can Muleshoe phone subscribers do any more than is asked of them? Is it a matter of someone wanting Morton phone subscribers to pay more than has been asked? If so, how much?

Folks in both Morton and in the rural phone cooperative areas are entitled to know just why an agreement is impossible. Especially in view of the fact that the subscribers of both groups have said they are willing to go their share.
