MORTON, TEXAS, THURSDAY, MARCH 31, 1960

NUMBER SIX

Services Held For W. L. Davis Friday, 3 p.m.

Funeral services were conducted at 3:00 p. m. Friday afternoon at the First Methodist Church, Morton, for W. L. Davis, 61, retired farmer. Rev. James E. Harrell, pastor of the church officiated assisted by Bro. Fred Thomas, pastor of First Baptist Church of Morton. Interment was in the Memorial Cemetery under the direction of Singleton Funeral Home of Morton. Death for Mr. Davis came at 11 p. m. Thursday in the Morton Memorial Hospital, after being hospitalized since March 13th. He had been in ill health for seven years, suffering from a heart condition, and pneumonia complicated by the last illness. William Lester Davis was born at Rankin, Texas, located in Robson County, August 30th 1898, he married to Haskell at the age of 17 and on February 13, 1921, he married the former Miss Gladys Millock. The family, which consisted of eleven children, two of which preceded him in death, moved to this area in 1941. He retired from active farming. Survivors include the wife; five children: Mrs. Curtis (Margaret) Gorman, Lubbock; Mrs. Leon (Alice) Hamilton, Mrs. Paul (Mildred) Gantner and Mrs. Granville (Bill) Lassiter, all of Morton; Mrs. Patsy (Patsy) Coffman, Bledsoe; Mrs. Roy and Lenard Davis, both of Morton; and Wayne and Betty, both of the home; five brothers; four sisters; and sixteen grandchildren.

APRIL 1ST IS D-DAY — DEADLINE DAY FOR 1960 LICENSE TAGS

April 1st is the deadline for securing of 1960 license plates. For convenience sake, car tags can be secured at the office of the Tax Assessor-Collector in Morton; at Verne Beebe's Insurance Agency in Whiteface and at the First State Bank, Morton, through tomorrow. The office will remain open at the courthouse today as long as folks are still getting their car tags, Mrs. Otha Denny, Tax Assessor-Collector said.

ELECTION OFFICIALS AT BLEDSOE

Supt. Otis Parr of Bledsoe announced this week the election officials for Saturday's school vote at Bledsoe. Election Judge will be Mrs. Willie Griffith and clerks designated are Mrs. Alvie Harris and Mrs. Don Ross. Mrs. Lloyd Bridges is alternate.

CUB SCOUTS MEET NEXT MONDAY NITE

All Cub Scouts and parents of Cub Scouts of pack number 101 are invited to attend the regular pack meeting Monday night at 7:30 o'clock in the County Activities building. The announcement comes from Tom Rowden, Cub Master.

Price Slash on Cotton Predicted Under Price Support Legislation

A price slash of about \$40 per bale of cotton is ahead during the next three years for Plains cotton farmers under existing price support legislation, says Dan Davis, general manager of the Plains Cotton Cooperative Association in Lubbock. By 1962, it appears that allotted acres for all growers will be down

TWO SCHOOL POSTS TO BE FILLED AT MORTON, WHITEFACE, BLEDSOE

Voters will have a choice of candidates in all three school district elections to be held Saturday at Morton, Whiteface and Bledsoe.

In the county school board voting, for trustees from Precinct One and Two, there will be only the name of an incumbent on each ballot.

The Precinct One ballot, bearing the name of J. D. Hawthorne, will be at the polls where Morton District Voting is done. It will be a separate ballot, so voters should make sure they vote in both the Morton District and in the County Precinct One Election.

The Precinct Two ballot, to be voted along with the Whiteface District election, will carry the name of incumbent L. W. Bills, also on a separate ballot.

In Morton, neither of the incumbents will seek re-election of the local school district. The names of Woodrow Self, Carlton Luper, Glen McDaniel and J. C. Reynolds will appear in that order on the local ballot.

At Whiteface candidates for re-election to the Independent District school board are J. W. Allen and Leonard Gainer. Others on the ballot are C. O. Caffey and Charles Cumpston.

At Bledsoe, there are five candidates for the two positions on the Board. Clide McCormack and

Census Starts On April 1st

Census takers who will visit every dwelling unit in the area during the 1960 Census of Population and Housing which starts April 1 will participate in four training sessions this week, District Supervisor Carl E. Kerr announced. The training sessions, to be conducted by the crew leaders are being held March 28, 29, 30, and 31. Each census taker is receiving a total of approximately nine hours of instruction. Emphasis is being placed on the importance of a systematic, thorough canvass of every dwelling unit during the census to insure a complete count. Class room training covers proper manner of asking questions, use of the Census questionnaire, Census definitions, and map reading.

Map reading is an important census taking technique since, without maps, defining limits of each district to which a census taker is assigned, the job would be a welter of confusion. About 250,000 maps have been prepared for the 1960 Census. This provides an individual map for each of the 250,000 districts into which the country has been divided for the census. Every census taker will be furnished with a map of his district. As they make their rounds, census takers will be required to canvass every street and road and visit every housing unit within the boundaries of their assignments shown on these maps.

Mrs. Jean Gupton, census crew chief for the two-county Bailey-Cochran area, once again reminds folks to have their census form, the one they received in the mail, filled out and ready for the census takers when they call beginning April 1st. She also asks those persons who are asked to give additional information (one out of four families called upon) to please cooperate to the fullest extent so that the census can be as accurate and complete as possible.

BLEDSOE SCHOOL IS BROKEN INTO

BLEDSOE (sp.) — Bledsoe school was target of a break-in Wednesday of last week, the same night a break in also occurred at the Causey schools.

Supt. Otis Parr reported nothing taking from the school house, and the only damage noticed was three broken locks on the outside door, the Principal's office and the Library.

Officers are investigating.

First Methodist Spring Revival Opens Sunday

Dr. Howard H. Hollowell, pastor of the Laurel Heights Methodist Church, San Antonio, will begin a revival meeting Sunday at the Morton First Methodist Church.

Zed Robinson of Enochs, who has been active in song services in this area for some time, will conduct the music.

Services will be held at 7 a. m. and 8 p. m. daily. Sunday regular scheduled hours will be observed.

Rev. James E. Harrell, pastor of the Methodist Church here, pointed out this week that Dr. Hollowell is no stranger to this area. The evangelist conducted a meeting here in 1945 while he was pastor of the Spur Methodist Church.

Dr. Hollowell is a native of Nolan County and an honor graduate of McMurry College, Abilene. In 1955 he was awarded an honorary doctor of divinity degree from McMurry College.

Prior to going to San Antonio he was pastor of the Oak Cliff Methodist Church, in Dallas. The public is cordially invited to attend any and all of the services.

Charles Compton Is Top Marksman

Charles Compton walked off with top honors of the two week aggregate shooting sponsored by the Pioneer Rifle Club of Morton when the smoke cleared from last Sunday's rifle shooting cleared away.

Compton took one first place and two seconds in three divisions of the shooting held Sunday and put up his total in the shotgun and pistol competition the week before rolled up a point score of 440.

He beat out Ralph Cadjew of Morton and Don Lackey of Tarkenton who tied for second with 147 points.

In Sunday's shooting here's how the results tallied out: Bench rest rifle shooting, first place, Tokie Doty with a one inch group firing at 100 yards. He was using a model 70 Winchester. Compton was second and Don Lackey was third.

In 3-position high power rifle shooting, Compton was first with a score of 87; Paul Wylie was second with a score of 86, and Doty was third with 80.

In the four position firing with a 22, Doty was first with a 156 score. Compton second with 152 and Cadjew third, with 139.

Snoball Willis Elected President Of Morton Lions Club, Wednesday

E. L. (Snoball) Willis was elected president of the Morton Lions club in the Wednesday luncheon session.

Willis, and his co-officers will guide the club commencing with the fall sessions of the club. Other officers named were: Joe Seagler, 1st vice-president; E. O. Willingham, 2nd vice-president; Truman Doss, 3rd vice-president; Lloyd Miller, secretary-treasurer; Sammie Leverett, tail twister; Clyde Strickland, L. on Tamer; Bill Hulse, song leader; and Don Allsup and James McClure, directors.

Chamber Given "Green Light"

Twenty seven Morton businessmen attended another of the series of Chamber of Commerce planning meetings Wednesday afternoon, and without a dissenting vote, indicated the desire for a called meeting of all area residents for the purpose of forming such a Chamber.

The group, electing John Barnes as temporary meeting chairman, contributed funds to see that phone calls are made, letters sent out, and everyone is invited to the general meeting, the date of which will be announced later.

The men expressed the sentiment that a Chamber of Commerce for this agricultural community is a necessity. They indicated the feeling that we have progressed about as far as we can go "by chance", and that it is time businessmen, farmers, and individuals of the community band together to promote the growth of Cochran County by effort and planning.

TWO VIE FOR MAYOR HERE; SIX IN RACE FOR THREE POSTS AT WHITEFACE

City elections will be held next Tuesday, April 5, at Morton and Whiteface.

Whiteface has two candidates for mayor, Cloyce D. Pond and Cecil Riddle.

Candidates for city commission, two of whom will be elected are L. U. Thompson, L. S. Salsar, Walton G. Miller and John V. Bridges.

At Morton the names of Amos Taylor and Joe Gipson have been submitted as candidates for mayor.

In the aldermanic race, all five positions are to be voted upon, with five candidates listed: Roy Gentry, Don Allsup, Robert Richards, W. B. Merritt and J. W. McDermott. Taylor is present Mayor Pro Tem, succeeding Roy Tarver Jr., and thus creating a vacancy in the alderman position.

The other present alderman, not seeking re-election, is R. C. Strickland, who is a candidate in a county race. Seeking re-election as aldermen are Merritt, Gentry and Richards.

Winners in the judging were Hale County, Fisher County and Abernathy.

The posse competed at Seagraves Wednesday but results were not available.

Local Boys On 2nd All District Cage Team

Two Morton High School boys have been named to the All District second basketball team, Coach Bob Travis announced this week at the meeting of the Morton Lions Club.

Coach Travis told the group that Marvin Gathright and Steve Middleton were named to the all district team at a meeting of the Coaches held this past week.

Check Is Found; Writer Not Known

Perhaps a pessimist wouldn't believe it, but an optimist would. The letter is self explanatory — "Enclosed is a check made out to Jerry Elliot . . ."

"I found this check on the San Angelo Highway from Sterling City, Texas.

"It may not be any good, and then again it may help someone."

The letter, addressed to the First State Bank here, was signed by William E. Cole of Sterling City.

Dated August 14, 1959, the attached First State Bank check was made out to Jerry Elliot for \$140.00 and signed by what appears to be Winston Ward.

As of this week the bank was unable to locate the signer, but then . . .

Out - Going Mail Hours Changed

All mail posted in Morton prior to 5 p. m. weekdays will move toward Lubbock and other points east that same day, it was announced by Murry Crone, postmaster, this week.

In order for mail to move east on Sundays and holidays it must be posted here prior to 10 a. m. Mail going east weekdays will also move out at 10:20 a. m.

JAYCEES SELL ADS FOR MYSTORAMA SHOW PROGRAMS

Carol Olson representative of the show, Mystorama, coming to Morton sponsored by the Jaycees, April 14, arrived in town Sunday and will be working with the Jaycees throughout the week, selling advertisements on the program.

Safflower Meeting Set Here April 4th

Safflower meeting dates have been set for places all over West Texas and the list was released by the Farmers Union this week. The meeting in Morton will be April 4th at 7:30 p. m.

Contracts for growers are to be available, plus all information concerning the crop. It was announced there will be no limit on acreage a farmer can plant to Safflower.

The meeting will be held at the Cochran County Activities Building according to Charlie Corn, representative of the industry who was in town this week making arrangements for the meeting.

MONDAY IS \$ DAY in MORTON

John Grady Thomas of Littlefield was tried before a jury for theft, in a case involving the theft of an automobile belonging to Pat Hatcher, from the Hatcher residence, northeast of Morton, in April of 1959.

The jury found him guilty and assessed his penalty at two years in the penitentiary, but Thomas has ten days to lodge an appeal of the verdict before sentence will be pronounced.

Frank Kiser represented Golden and Billy Hall defended Thomas. District Attorney Morgan Copeland was the prosecutor.

TWO RECEIVE SENTENCES IN 121ST DISTRICT COURT HERE

A four year probated sentence and a two year penitentiary sentence were handed out in 121st District Court here this week in cases heard Monday and Tuesday.

Leldon Ervin Golden, 18 year-old Levelland youth, tried on a burglary count for breaking into a cafe at Whiteface along with four other youths, waived a jury trial and was found guilty by 121st District Court Judge M. C. Ledbetter.

He was sentenced to four years in the penitentiary but upon the recommendation of the prosecuting attorney was placed on probation to Lavern I. McCann, probation officer for the district.

John Grady Thomas of Littlefield was tried before a jury for theft, in a case involving the theft of an automobile belonging to Pat Hatcher, from the Hatcher residence, northeast of Morton, in April of 1959.

The jury found him guilty and assessed his penalty at two years in the penitentiary, but Thomas has ten days to lodge an appeal of the verdict before sentence will be pronounced.

Correctly Names Whiteface City Clerk Mrs. W. L. Taylor Grabs \$66 Jackpot In Seventh Weekly Who's Who Contest

"I don't believe I'm that lucky," said Mrs. W. L. Taylor of Morton when informed Tuesday evening that her Who's Who entry had been awarded \$66.

Two weeks ago Mrs. Taylor's daughter, Mrs. Winston Jorden, missed out on a jackpot award by one word.

Mrs. Taylor, when asked what she would do with the money, exclaimed "I'll spend it. Of course, I'll give part of it to the church."

Her entry correctly named Haskell Truman Swinney of Whiteface as the mystery Who's Who person. Truman is city clerk there.

Also, she correctly listed the 26 clues which identified Truman. Mrs. Taylor's entry was drawn by Kim Coats, 5, son of Mr. and Mrs. Kenneth Coats of near Morton.

The Who's Who awarding was conducted at Raines Cash Food. Entries were gathered from Williamson Farm and Ranch Store, Nu-Way Cleaners, Luper Tire Service and Raines.

The entry noted most distant from Morton this week was one signed by a resident with a White-harrel phone number. A considerable number of entries from Whiteface were noted. Mrs. Taylor's entry was one of 854 Who's Who entries this week. (For you who would like to see a copy of the Tribune with all clues circled in red, drop by any one of the firms in which a box was placed last week.) A complete new contest begins in this publication of the Morton Tribune. Entries in this week's mystery person may be taken to Merritt

Protests Heard On Paving Additions

There were protests Monday night at the second protest hearing on the paving project . . . and a few of them will perhaps "knock" a few blocks of the paving.

Protests were heard from residents on 8th Street, Buchanan, 7th and 7th Street. However, it was a conditional proposal which the city is in hopes of being able to satisfy the home-

owners of the paving proposed in second list of publications was the go-ahead sign after pro-re heard. Ninth street was up, it began to develop that meet may have a leave-out. After, the city officials were set against any leave outs of kind of arrangements can be made.

A large portion of the discussion around what kind of elements can be made with highway department to put a pocket to allow a bad pocket to drain out.

Alteration in plans on Taylor street will halt paving going to the corner of 4th and Taylor instead of continuing past the Flash-O-Gas Co., turn north and intersect the highway, at the west end of O-Gas.

A question of the extended telephone service was again up and the city secretary of the Commission he had not any further from General Company of the South regarding any attempts at dealing with Five Area Telephone Cooperative.

Religious Meeting for Apr. 24

Church of Christ at 202 1st Street announced this week the coming gospel meeting at church, April 18th through 24th.

The minister to conduct the will be Mack Kerchival Paso. Plans are to hold daily sessions at 8

and one is invited to attend.

Demo Primary Judges Named

Election judges for the Cochran County Democratic Primary election were announced this week by Carl Ray, Chairman of the County Democratic Committee.

Judges for the six voting boxes and one special canvassing board judge were named. They are: Voting Box One, Morton Hume Russell, judge; M. A. Silvers, assistant judge.

Voting Box Two, Whiteface, Vern Beebe, judge.

Voting Box Three, Bledsoe, Alvie Harris, judge.

Voting Box Four, Neely Ward, B. R. Stovall, judge.

Voting Box Five, Lehman T. H. Brooks, judge.

Voting Box Six, White's Gin, R. E. Gardner, judge.

Special canvassing Board, E. L. McClellan, judge.

Morton Juniors Present Play Friday; "Mountain Gal" Is A Comedy - Drama

"Well, you see it's this way, My Pa married Sophie's daughter Susan, now I just asked Sophie to marry me, and I'm worried because that will make Sophie my grandma, and pa my son and . . . Well, I ain't rightly sure I got it figured out yet, but somehow I think it might make me run against the law", will be the typical fare Friday night April 1, as the curtain is raised on the annual junior play at 8 o'clock in the County Auditorium.

"Mountain Gal" by Leroma Greth, is a hillbilly play rich in mountain humor belonging to "Lil Abner" and the moving human emotion involving a lost child.

The Lindsey family of the high Ozarks have a farm, an old truck, and a hired man; they are even going to receive an inheritance containing "some real estate, whatever that is, with some mortgages on it, whatever that is . . ." Compared to most hill-billies, they are rich.

Ma Lindsey, played by Mary Ruth Coon, has "gone two sessions at Hoot Owl Holler, and

to the "Choice A" acreage and the price will be supported at the "Choice B" loan level, he predicted.

Unless the present law is changed, the 80 percent of parity support of the 1959 crop will skid to 65 percent by 1962. In addition, a change in the quality base for computing support prices will chip some \$7.50 from the price of cotton from 1961 onward. The present price support schedule for Midding 1" cotton at Lubbock is: 1959 - 24 cents; 1960 - 31 cents; 1961 - 27 cents; and 1962 - 25 cents. These projections are in round figures based on minimum levels authorized by the present law.

The 23 Plains counties have been producing about two million bales annually. A cut of \$40 per bale will reduce the value of the Plains cotton crop by some \$80,000,000. There are no indications at present that the upward trend in such production costs as labor, machinery, fuel, taxes, etc., will be reversed.

Few have realized the impact of such a calamity, either farmers or people whose business depends on buying power of the producers. There is a general feeling that the outlook for cotton is bright. For the farmers who grow it, the outlook is certainly dark, a heavy reduction in price with no increase in acres, Davis said.

larned enough nohow" so she considers herself highly educated. She thinks so much of herself, that she becomes a tyrant, forcing everybody to live as she wishes. Her special target is the orphan, Deedee, portrayed by Patsy Amyx. Deedee, who "reckons she don't have no real ma or pa, cause use no no ones," smiles and talks her way into the hearts of everyone she meets. Ma burns her books and refuses to let Deedee go to school because "larning like mine would only make ya merner!" Catalpa, Shirley Miller, the "darling of the family" is the only one that Maria (Mrs. Lindsey) has "any feelings for."

When Mr. and Mrs. Gordon, played by Bill Gray and Viola Smith, have an accident near the farm, they come to the Lindsey house for help — "I never dreamed conditions would be like this, or I would never have suggested that we come here to eat."

R. E. Thompson as Pa Lindsey makes an appropriately unambitious hillbilly who "is too old and

Box Supper Set For Three Way Community Center

A box supper and candidate speaking has been announced to be held at the Community Center on Friday, April 8th.

Everyone is cordially invited to attend the get together which is set for 8 p. m. All funds collected are to be used in "fixing up" the community center which is located at Maple, it was announced.

Rains Measure .32 inch Here

Although it didn't boost the yearly total by much, last Wednesday night and early Thursday morning's rainfall was enough for an official reading.

The SCS office gauge showed .32 of an inch of moisture received out of the several hour drizzle-rain, which fell during the early morning hours last Thursday.

MRS. MARY MOORE HOSPITALIZ'D AFTER LEG AMPUTATION

Mrs. Mary Moore, who resides five miles west and two miles south of Morton, is hospitalized again, at the M. D. Anderson Clinic Hospital in Houston, with more surgery.

Mrs. Moore's troubles started two years ago with an infection in her big toe. The toe was amputated. Sometime later the trouble spread and doctors were forced to remove the foot. Friday, she lost her leg by way of surgery.

She would appreciate hearing from her friends at her mailing address, care of, M. D. Anderson Hospital, Room 409 West, Houston, Texas.

DAUGHTER BORN

Mr. and Mrs. Cobb Benham are the parents of a baby girl, born March 18, named Carla Ellen. The infant weighed 7½ lbs. Grandparents are Mr. and Mrs. Roy Allsup and Mr. and Mrs. C. C. Benham of Morton.

Home Demonstration Agent

4-H DAIRY FOODS CONTESTS

The 4-H Dairy Foods Demonstration Contests will be held in the Banquet Room and Kitchen in the County Activity Building in Morton Saturday, April 9.

Girls may compete in the contests in teams of two or individually. They will be divided into age groups. A demonstration should not last more than 15 minutes. Dairy products, such as whole milk, condensed or evaporated milk, cheeses, butter or cream should be featured in the demonstrations.

Vegetable demonstration contests will be held on the same date. All vegetable demonstration contests are to be given by teams.

The contests will start at 9:30 a. m. Mrs. Connie Anderson, Lynn County Home Demonstration Agent, and Mrs. Peggy Kendall, Assistant Hockley County Home Demonstration Agent, will be judges.

ges. Any 4-H Club girl or her parents may call at this office if further information is needed.

SET OR MOVE SHRUBS

This is a good time to organize shrubs into screen or foundation plantings around the home. Any shrubs that dot the lawn and complicate mowing may be reset at this time.

Consider potential size of the tree or shrub, when choosing a location for setting or resetting. Large growing plants are not suited for planting around the walls or foundation of the average home. They do make excellent screen plantings to give privacy to the work or recreation area of the landscape. Some large plants that require little water are the althea, ligustrums, Arizona cypress, cherry laurel, crape myrtle, evergreen sumac and others.

Shrubs for foundation plantings should be in proportion to the size of the house. For the low, ranch type house, which is popular now, true shrubs, that is, shrubs that will not grow over 8 to 10 feet, are best suited. There are many true shrubs that are drought, and pest resistant. Among these are rosemary, lavender, the dwarf junipers, spirea, dwarf pyracantha, nandina, abelia, native agartia and others, as Photinia, Burford Holly, cleagnus, Japanese barberry, Mahonia, Euonymus, etc.

Proper location of shrubs will save work in pruning and care, and add to the attractiveness and comfort of home grounds.

FOOD FOR LENT - TUNA ROSY

- 2 T. pure vegetable oil
- 1 cup chopped onion
- ½ c. sliced celery
- 1 clove garlic, minced
- 1 8-oz. can tomato juice
- 1½ cups water
- ½ t. salt
- Dash pepper
- 2 cups (4 - oz.) uncooked medium noodles
- ¼ c. mayonnaise
- 1 (6½ or 7 oz.) can tuna, drained and flaked
- 1 cup cooked peas

In heavy pan cook onion, celery and garlic in hot oil till soft. Stir in Tomato Sauce, water, seasoning and noodles. Mix until noodles are covered with liquid. Cover tightly. As soon as sauce boils, turn heat very low and simmer 20 minutes. Remove from heat; gently stir in mayonnaise, tuna and peas. Heat a few minutes to blend flavors. Makes 4 servings.

SHRIMP CREOLE

- ½ c. chopped onion
 - ½ c. sliced celery
 - ½ c. diced green pepper
 - 1 clove garlic (optional)
 - ¼ c. pure vegetable oil
 - 2 8-oz. cans Tomato Sauce
 - 1 t. salt; dash pepper
 - ¼ t. chili powder
 - 1 lb. shrimp, cooked
 - 4 cups cooked rice
- Saute vegetables in oil. Mix in Tomato Sauce and seasonings. Simmer 15 minutes. Add the shrimp and heat thoroughly. Serve over hot cooked rice. Makes 4 servings.

VICE-PRESIDENT OF ALUMNAE GROUP

Mrs. Ernest C. Raney, Morton Elementary School teacher, was elected vice-president of the Alpha Chi Omega alumnae at Tech last week.

RETURN FROM FISHING

Mr. and Mrs. C. A. Moore and Mr. and Mrs. Bob Hamilton returned Sunday from a week's trip to San Diego, Calif., where they were deep sea fishing. They brought back plenty of evidence of success.

Senator YARBOROUGH'S REPORT

Many words are printed and spoken each day on the need for prudence in governmental spending and the necessity for saving tax dollars wherever possible.

With this in mind, I think it strange and even unfair that a group of hard-fighting Senators who have already saved the people millions of dollars should have received no more recognition than they have. I refer to those Senators who led the opposition to Administration moves to raise the interest ceiling on long term government securities.

Among those who have taken the lead in this courageous fight to break the inflationary and unconscionable interest rate spiral are Senators Paul Douglas of Illinois, Mike Monroney of our neighboring state of Oklahoma, Albert Gore of Tennessee, Joe Clark of Pennsylvania and Bill Proxmire of Wisconsin. Of course other Senators, including myself, have taken part in the fight against higher interest rates but generally these men have led the brunt of the attack. On the House side, one of our Texas delegation — the distinguished Congressman Wright Patman of Texas — has for many years fought to prevent higher and higher interest rates.

These legislators have saved millions in tax dollars since last year by beating down Administration demands that the interest ceiling of 4½ percent on long term U. S. bonds be lifted. These legislators held the line until the bond market reacted (declined) as

they predicted it would; and it has turned out the interest rate raise was not needed in order to sell bonds. Had the Administration gotten the ceiling raised and gone ahead with bond issues under higher interest rates, the American people would have been obligated to pay off hundreds of millions of dollars in added high interest rates over a period of the next 20, 30 or 40 years. Payment of interest on the national debt already totals nearly \$8.5 billion a year, and under the president's proposed fiscal 1961 budget it is set at \$9.5 billion. Unfortunately, the problem of spiraling interest rates is not limited to government bonds. An interest rate raise on government bonds simply sets off another round of other interest rate raises on all personal debts and the vicious circle continues at the expense of the taxpayer.

Re-elected to High Plains Sta. Board of Directors

J. R. Kuykendall and Roy Hickman of Morton are among the members of the Board of Trustees of the High Plains Research Foundation re-elected at their annual meeting, March 23.

Gene McLaughlin, Ralls, Grady Goodpasture, Browfield, Roy Mack and Geo. Pfeifferberger, Lub-

bock, were elected as members of the Executive Committee of the High Plains Research Foundation at the annual election of officers held March 23. Other members of the Board of Trustees elected for 1960 in the area were Joe D. Unfred, New Home, Wilmer Smith, Wilson, Dixon White, Roy Davis, Dr. D. M. Wiggins, George P. Kuykendall, and J. Frank Gray, Lubbock; Orville Bailey, Roundup, R. H. Hester, Levelland, Garvin Randolph and Ben Dopson, Lamesa, and E. R. Steen, Idalou.

Officers for 1960 were Harold Hinn, Chairman, and R. V. Payne, Vice Chairman of the Board, Frank Moore, President, Steve Taylor, Dimmit, and Ewald Quebe, Lockney, Vice Presidents, R. G. Peeler, Hereford, Vice President, and Grady Tunnell, Secretary Treasurer.

The Board of Trustees unanimously approved the action of the executive committee in the increase of staff and the new projects for 1960. These projects include breeding programs for soybeans and sesame, flame cultivation for weed control, and potato research for the International Potato Chip Institute.

Area Students Seek '60 Degrees At W. Texas State

CANYON (spl.) — Two students, graduates from the Texas Last Frontier Area, are among 300 students seeking degrees from West Texas State College at Commencement, May 22 according to Dr. Walter H. Juniper, dean of the college.

They are Darance Gwynn Bratton and Dick K. Kennedy.

Miss Bratton, who graduated from Whiteface High School, is majoring in English and will receive her B. A. degree.

Kennedy, a Morton graduate, majoring in social science, will receive his B. S. degree. He is secretary of Lambda Chi Alpha, national social fraternity.

BOND SALES REACH 33.8 PERCENT OF COUNTY'S GOAL

An increase of 4 percent in February marked the second time this year that Savings Bond sales in Texas have been greater than sales in the same month in 1959 according to W. W. Williamson, chairman of the Cochran County Savings Bonds Committee.

February sales in Texas totaled \$15,506,998. Sales for the first two months of this year amounted to \$32,044,765 or 19.4 percent of the 1960 goal. Total bond purchases in Cochran County for January and February were \$16,915 which represents 33.8 percent of the 1960 county goal.

"We are most encouraged by 1960 Savings Bonds sales," Williamson said. "More and more people are purchasing Series E and H bonds because they realize that in so doing they are making a direct contribution to the economic stability of this nation and to the future security of their families. The Savings Bonds being purchased now earn an attractive 3 3/4 percent interest compounded semi-annually when held to maturity," Williamson concluded.

GUIDANCE MAN SPEAKS TO BLEDSOE SENIORS

BLEDSOE (spl.) — The Bledsoe seniors had a guest speaker last week. He was Vernon Odem, Guidance Consultant, Division of Guidance and Supervision, Texas Education Agency, Austin, Texas. Odem spoke to the seniors Thursday of last week about college courses and their abilities in the courses.

Scholarship Opportunities Available For Affiliated Food Store Employees

Young men working in more than 125 Affiliated Food Stores in this area now have the opportunity of applying for a special college scholarship in food distribution, according to Alfred Allston, Affiliated Food Stores, Lub-

With Your ... COUNTY AGENT

RIFLE SAFETY MEETINGS

All 4-H members are reminded that the rifle shooting and safety meetings are being held each Monday afternoon at 5:00 p. m. at the Adair caliche pit. All boys girls and parents who are interested in rifle shooting and safety are requested to attend.

COTTON FARMING DECISIONS

Texas farmer's choices are in and the dye cast for the 1960 cotton crop acreage. Cotton farmers made a decision to plant an additional 509,328 acres over regular allotments as a result of selecting Choice B in the 1960 cotton program. This means there is a total of 1,783,228 acres on Choice B farms.

The acreage on Choice A farms adds up to 5,543,000 acres according to Mr. G. F. Osburn, State Administrative Officer, ASC, College Station. Two thousand one hundred and ninety-four acres are under Conservation Reserve Contracts, and this will decrease Choice A by the stated figure.

In 1959 Texas Cotton Farmers planted an additional 428,121 acres over regular allotments under Choice B with a total acreage of 1,059,751 on Choice B farms. The total acreage on Choice A farms was 5,782,848 acres. Over 190,000 acres of this was under Conservation Reserve Contracts.

Total Acreage for Choice A and B farms in 1960 is 7,326,228 acres. In 1959 the total for both choices was 6,842,599 acres.

The 483,629 acre increase in cotton acreage for 1960 is due primarily to the fact that those farmers with larger regular acreage allotments selected Choice B plan.

HIGH MOISTURE GRAIN PRODUCES BETTER GAINS

Steers gained more when fed sorghum grain containing a high moisture level than steers fed dry grain of the same quality in a test conducted by the Texas Agricultural Experiment Station.

Steers fed the wet ground grain at 23 percent moisture, made gains or 2.42 pounds per day compared with gains of only 2.29 pounds for those fed dry grain.

It was also found that unground grain sorghum containing 23 percent moisture would not produce as high as either ground grain at 23 percent moisture or ground dry grain.

The grain, RS 610 was harvested successfully at an average mois-

ture level of 25 to 30 percent with a standard self-propelled combine. This was accomplished by slowing the ground speed and maintaining the cylinder speed at that used for threshing small grains. The moist grain was then stored successfully without spoilage or loss in an air tight, glass lined silo.

Steers fed the moist grain required 18 percent less dry matter from the grain and 12 percent less total dry matter per 100 pounds of gain than the steers fed ground dry grain. Additional work is now being conducted at A&M to determine if cattle consistently will perform more efficiently on high moisture sorghum grain.

Both types of ground grain were palatable and intake was essentially the same. No difficulty was encountered in grinding the grain or keeping the steers on feed. Selling price was the same for both groups of steers fed ground grain and dressing percentages and carcass grades did not differ significantly.

However, when cost tabulations were made after the steers were sold, the ones fed moist grain were found to have made a profit of \$18.86 per head compared with a profit of only \$8.78 per head for the ones fed dry grain.

ADDED TO STAFF OF HIGH PAINS WATER DISTRICT

LUBBOCK — Two new men have recently joined the staff of the High Plains Underground Water Conservation District.

Donald L. Redell comes to the Water District directly from Texas Technological College in Lubbock. He graduated in January of this year with a B. S. degree in agricultural Engineering. He will primarily assist in technical and mapping work. He will be located in Lubbock at the District Office.

Bruce E. Fink is stationed in Hereford. There he will be in charge of the Water District's Field Office. He will replace Wayne

Wyatt, who has resigned to enter private business.

Fink is a native of Western Kansas and was reared on a wheat farm and cattle ranch. He is a graduate of Kansas State University where he majored in Ag-

riculture and Geology. He has been in the farming and cattle business and is a veteran of service with the U. S. Army.

Redell originates from Gail in Borden County where his parents farm.

Go MODERN
Go LIQUID FERTILIZER
Farming is the largest industry in our county . . . and any business is only as good as the progress it makes. Are you a progressive farmer?

Field 'Nurse Tank'
One question that is often asked: "How do we get the fertilizer from the dealer to the field?" Here again is where we come to your rescue. You do not have to buy a 'nurse tank' because we loan it to you. It can be carried on a pick-up, trailer, or truck, depending on the size of the tank required. And best of all, the gasoline motor necessary to take the handling and work out of this type of fertilizer operation, is mounted on the 'nurse tank' and by it's use you have a "filling station" type of operation. There is no heavy lifting, no need for excess labor — and with the Liquid Fertilizer operation you are able to fertilize more acres per day, applying the correct amount of plant nutrients at a savings which will amaze you.

Back in the horse-and-buggy days we used horse-and-buggy methods. Now is the time to go modern — with Liquid Fertilizer — the modern way to apply the plant nutrients your crops require. Everywhere you look more and more farmers are "going modern", they are switching to Liquid Fertilizer — why?

Here's the reason they tell us they like Liquid Fertilizers:
They like the "filling station" type of operation . . . there is no heavy lifting required . . . you get the correct analysis of plant nutrients without having to buy unwanted

quantities of other nutrients . . . you don't have to have a field full of farmhands to get the job done — one man can easily apply up to 60 acres per day . . . you pay only for the plant nutrients delivered by Morton Spraying and Fertilizer Co., Inc.

As one farmer put it: "It is the best way to get the most out of your fertilizer dollar."
Another farmer reported: "We are always looking for ways to get the highest production at the lowest possible cost . . . it looks to me like we have finally found a real boon to farming. It is easy to get in the ground. You pay only for what you need — and there is no back-breaking

labor involved. The simplicity of it is such that the average farmhand can easily apply it. From what I know and hear about Liquid Fertilizer, it's just what I have been looking for."

Why don't you go modern . . . come by and let us show you how easy it is to get out of the "horse-and-buggy days" and into the modern, progressive way of farming . . . the LIQUID FERTILIZER way.

Highlights and Sidelights FROM your State CAPITOL

By VERN SANFORD

AUSTIN, Tex. — Texas adults by the thousands are going back to school this year.

Their object: to learn what nuclear warfare could mean to the country and what they can do to better their chances of surviving it.

Texas Education Agency and the State Division of Defense and Disaster relief are Co-sponsors of the civil defense adult education program. Since the program got underway last year, 2,816 persons over the state have taken the free 12 hour course. Another 1,295 persons are attending 66 classes now in progress, and 150 new classes are due to begin this month.

Classes are held at public schools and taught by public school and junior college teachers who have been trained and certified by TEA's civil defense staff.

Seven new teacher training workshops are scheduled within the next few weeks. Eventual goal is to have civil defense classes in or near every Texas community.

Course material ranges from study of the effects of a nuclear bomb and probable capabilities of hostile powers to step-by-step instructions for personal survival preparedness.

Persons interested in having the course in their community may contact their local school superintendent or write Civil Defense Education Director, Texas Education Agency, Austin.

NO SESSION BEFORE PRIMARY — Gov. Price Daniel said he will not call a special legislative session to raise teacher pay before May 7 — the first primary date.

Conferences with lawmakers have convinced him, said the governor, that there is no hope of

a successful session during the coming eight weeks.

However, the governor said he may call a session after the May 7 primary or submit the school improvement program as an emergency measure at the 1961 regular session. If he waits until 1961, Daniel said he would recommend an increased program to make up for money lost by delay.

Many observers have noted that a special session after the first primary election would pose many problems. As much as 25 to 30 percent of the House could be made up of "lame ducks" — persons retiring from office or defeated at the polls. Incumbent legislators with run-off races would not want to leave their home districts to come to Austin.

Teachers would prefer to have the matter submitted at a special session. Regular session rules require that the budget be provided for before new spending can be considered. Last year approval of the budget was just about the last thing before adjournment.

ACCIDENT STUDY — A new study indicates that motor vehicles and heart attacks or similar difficulties were involved in more than half of Texas' fatal industrial accidents in the last fiscal year.

Industrial Accident Board reported on an analysis of 23,000 accident claims. In the group studied, it found that fatal accidents were most often connected with motor vehicles, 28 percent; heart disease, 26 percent; slips and falls, 10 percent; striking or being struck by an object, 7 percent.

Altogether, in the last fiscal year, the Board processed claims resulting from 195,000 non-fatal accidents and 497 deaths.

Annual cost of industrial accidents is estimated at \$500,000, 000 a year. Board plans to make an accident analysis every year to gain information for planning improvement programs.

UTILITY PAYMENTS AVAILABLE — Cities and private utility companies can now get reimbursed for money spent moving utility lines to make way for new interstate highways.

State Highway Commission said it is now ready to begin making payments under a law that was held constitutional by the State Supreme Court earlier this year. Cost of the utility moving, as well as construction costs for the interstate system, comes 90 percent from federal funds, 10 percent from state funds.

BRIDLE PATHS CONTESTED — Whether a person owning grazing rights in a state park area can bar the public from riding horseback in that area is at issue before the Supreme Court.

High court is to hear arguments March 30 stemming from a dispute over the Davis Mountains State Park.

Trial court upheld the right of grazing lease holders to lock out horseback riders while the lease is in effect. Court of Civil Appeals held that riders should be kept out at least nine months of the year.

State contends that if a public park is locked, it is no longer any good as a public park and that any lease is predicted on this assumption.

BOMB LAW ATTACKED — A law prohibiting possession of a bomb or conspiracy to bring about a bombing is under attack in a case before the Court of Criminal Appeals.

Defendant in the case is accused of having masterminded a bombing of the premises of a non-striking employee of a Dallas industrial plant during a union walk-out. Two persons who were convicted of having thrown the bomb in the victim's driveway said they were carrying out the defendant's instructions.

Attorney for the defendant called "dangerous" a law that makes it a felony to possess items from which a bomb could be made.

CRIME TOLL MOUNTS — An average day in Texas sees 3 murders, 3 rapes, 7 robberies, 32 aggravated assaults, 43 automobiles stolen, 266 thefts other than automobiles and 125 burglaries.

This is the end result of a crime increase that in the past ten years has brought a 73.2 jump in crime while the population increased only 24.4 percent.

Department of Public Safety announced that in all categories, crime in 1959 was up 3.9 percent from the previous year. Largest gain was in aggravated assault — up 22 percent. Only robbery showed a decline.

VISIT IN FLORIDA
SARASOTA, Fla. — Mr. and Mrs. George Williams, and Mr. and Mrs. B. H. Tucker, Route 2, Morton, Texas, enjoyed a visit to Sarasota Jungle Garden, on March 21, during their recent vacation on the Sun Coast of Florida. The visitor's mingled with flamingos and other exotic wildfowl roaming freely amid Florida's finest scenery. Other points of interest in Jungle Gardens were huge Royal Palms bordering jungle trails, hundreds of colorful tropical plants, and brilliant cactuses which pose with visitors for pictures.

EDITORIALS...

By All Means . . . Cast A Ballot

Each election time that rolls around brings out the editorial pens of writers the country over seeking to bring out a representative vote of the people.

Unfortunately, with many races uncontested, it's hard to whip up enough interest in elections to get out a good vote.

Many a campaign has been won on the strength of the reasoning by a candidate, that if he can gather up just a certain number of votes, he can win the election because another certain number (often more than 50 percent) won't even bother to go to the polls.

2nd Lt. George E. Ware

Local Man Gets Commissioned In Air Force

Second Lieutenant George E. Ware, son of Mr. and Mrs. Lee W. Ware of 709 Lincoln Ave., Morton, was commissioned in the United States Air Force on March 22 as a graduate of Class 60-B of the Officer Training School, USAF.

Lt. Ware, a graduate of Muleshoe High School, also graduated from Texas University where he majored in economics prior to entering the Air Force in 1956.

The Officer Training School is a 12 week course whereby selected college graduates are given military indoctrination for assignments in specially needed posts throughout the Air Force. It is located at Lackland Air Force Base, Texas, as the newest organization of the Officer Military Schools, USAF.

Lt. Ware will be assigned to the 354th Tactical Fighter Wing at Myrtle Beach AFB, S. C., upon completion of the eight week Air Police Officers Course at Lackland.

Attended ACC

resistance to communism and so on. Above all, we can be proud faithful in his devotion to freedom and glad he is our friend."

"Worst roads in the world, but this new Chevy takes all the roughness out!"

Out near Wathena, Kansas, farmer Milt Roundy tends 800 acres with only one helper—his 1960 Chevrolet pickup. The truck almost never runs on Kansas's fine state highways—instead it averages about 2,500 miles a month on unimproved back-country trails or on hauls into the fields, off the road. "In my book, these are the worst roads in the world," Mr. Roundy says, "but this new Chevy takes all the roughness out. It doesn't fishtail or whip around like other trucks — I can steer it with one finger!"

They're speaking right up, these owners of '60 Chevrolets. Everywhere you go, they're giving out glowing reports on a revolutionary new truck ride that leads to a bigger day's work at less expense; praising truck power that knows the most about saving money. It's Chevy's total newness they're talking about. And you'll be talking too, once you turn a new Chevrolet loose on your money runs. Your dealer can get you started, right away!

It takes Chevy's new Torston-Symco Ride to smooth out a road like this!

Sub Committees Meet . . .

Attempt to Get Supply of Rat Bait in Use in County

On Thursday, March 17, there were two sub-committee meetings held with the Agent. The Rat Control Committee met and decided to sell the remaining rat bait of 500 pounds for 12 cents per pound to get it in use. The house to the agricultural building for distribution to the users. It will be sold on a first come basis as long as the supply lasts. The committee composed of Ralph Burt, G. O. Cooper, and J. H. Chesshir met with the County Judge in February and worked out an agreement to reduce the price from 25 cents to 12 cents per pound, so it would move and be put to use faster. The bait is not a poison, but a fumarin, non-cogulent bait that produces bleeding when used over a period of days.

COMMITTEES APPOINTED . . .

By County Line Baptist Church To Map 1960 Achievement Program

The County Line Baptist Church met Wednesday night to elect three committees for the 1959-60 Texas Baptist Church Achievement Program. The following committees and members were elected: Chairman of all committees, Frank L. Davidson; Better Church Projects Committee, L. T. Lemons, chairman; W. K. Courtney and J. D. Vick members; Better Community Projects Committee, Mrs. L. T. Lemons, chairman, Miss Alice Stracener and Mrs. J. D. Stewart, members; Better World Projects Committee, Henry E. Young, chairman, Mrs. James A. Kelly, members; Miss Alice Stracener was named photographer for the program; Mrs. W. K. Courtney was elected reporter and Miss Lois Courtney was appointed to keep the scrapbook.

County Line Baptist Church Enters State Achievement Competition

The County Line Baptist Church of Morton, Texas, Route 2 has entered the '59-60 Texas Baptist Church Achievement Program pastor James A. Kelly said this week.

Sponsored by the Baptist General Convention of Texas, the program is designed to stimulate interest in small-church work. Outstanding achievement by pastors and churches in areas of church, community and world improvement are recognized.

More than 354 Texas Baptist town and country churches entered the program last year. Participating churches in a recent year recorded twice as many baptisms per member as the Southern Baptist Convention average.

Each church in the program sets up goals for advancement in the three areas. An inventory questionnaire furnishes suggestions for projects such as health education, community recreation programs, citizen training, race relation studies and world missions.

Pastors recognized in each of the BGCT's 17 geographical districts receive a parchment scroll and the church metal plaque which may be displayed in a prominent position outside the building.

Churches in the open country and in towns up to 2,500 population and all Latin-American churches and missions are eligible to enter the program. About two-thirds of the denomination's 3,812 churches are classified as Town and country congregations.

SPONSOR IS NAMED . . .

4-H Rifle Safety Program Being Met With Enthusiasm in Cochran County

Cochran County has started off with a big bang in rifle safety training in 1960. The boys, parents and adult leaders are taking this program seriously.

Much credit must be given to the success of this program to the three instructors and leaders. They are: Ken Coffman, Charles Cumpton and Ralph Cadjev. These leaders have organized a sponsor for the 4-H rifle club, built a range and meet regularly with the club at the training site, the Pioneer Rifle Pit, 1 1/2 miles north of Morton. The 4-H Club rifle safety training meetings are held at 5:00 p. m. each Monday afternoon. Parents cooperate with the boys by furnishing transportation to and from the meeting.

Some travel as much as 25 miles to the meeting.

Four meetings were held this month (March) for training. All the meetings were held at the Pioneer Rifle Pit, except one. There were 165 attending these 4 meetings. The attendance is growing. Jamer St. Clair, parent attending the March 28 meeting said, "This is the finest thing I've seen in teaching these young boys in safety and shooting."

Only bolt action 22 rifles are used on the range. The members bring no ammunition to the pit. Cochran County has won the District 4-H rifle competition several times and competed in the State 4-H Contest three years. Sixth place was the highest place earned at the State Contest with 22 or more teams competing advises the County Agent.

We would like to express our appreciation for the flowers, cards and words of sympathy shown during the illness and death of our loved one. May God Bless each of you. Mr. and Mrs. Earl Outlaw and Jackie 6-1tp

Attending Sunday School Convention

Two representatives of the First Baptist Church, Morton, are attending the Southern Baptist nationwide Sunday school convention in Ft. Worth this week.

Ross Shaw and Truett McCuiston left Tuesday to attend the meeting. They expect to be home tonight. (Thursday)

Theme for the meeting is "Go . . . Teach".

Rev. W. A. Criswell, pastor of Dallas' First Baptist Church, addressed the opening session in Will Rogers Memorial Coliseum.

He said city streets offer no diplomas nor do they confer any degrees, but last year they educated more than 800,000 boys and girls into careers of crime.

Rev. Criswell said that the teaching ministry of the church "Must be carried to every person on earth."

He praised the Southern Baptists' plan to found 30,000 new churches and missions in the five year period ending in 1964 when the larger Baptist denominations will observe the 150th anniversary of the founding of Baptist work on the North American continent.

WCS Met Tuesday To Continue Study

The Woman's Society of Christian Service met Tuesday, March 30, to continue the study of "Luke's Portrait of Christ". Mrs. A. S. Key presented a meditation using Luke as the scriptural text. Following talks by Mrs. Bill Glassford on Christ and the Kingdom, Mrs. W. C. Benham on the Gospel of Love and Mrs. H. M. Christian on the Coin or The Realm, a round table discussion was conducted with the entire group participating.

The concluding session of this study will be held Tuesday, April 5 at 2:30. The message of the Risen Lord will be discussed. Those present were: Mmes. W. G. Briley, E. L. Cox, J. D. Hawthorne, Paul Gunter, J. N. Burnett, C. C. Benham, J. E. Harrell, Key, Glassford, Christian and W. C. Benham.

BABE RUTH LEAGUE OFFICERS NAMED

In a Babe Ruth League meeting held at Whiteface Tuesday night, the Frontier Babe Ruth League entry of four teams, two each from Morton and Whiteface was established and entry fees have been mailed to the national headquarters of Babe Ruth Leagues.

Sundown, an entry the past two years will not field a team, but Whitharral may have a team in this league.

Johnnie Price was named president of the League for 1960 and Morton directors to the league will be Leo Holland and Harold Drennan. Eddie Irwin will serve as secretary.

H. S. ATHLETES AND COACHES ARE GUESTS OF LIONS

The Morton Lions Club had as guests, the high school coaches and lettermen of the past year in basketball, football and track.

Other guests included T. K. Williamson, Charles Jones, Carol Olson and Ray Keith Monaghan.

The group held its election of officers; announced the coming broom sale; reported approximately \$75 made on the Zolo show; and announced the District 2-T2 Lions convention set for Lubbock on May 5-6-7.

VISITED HERE

Mrs. J. H. Gipson of Abilene spent from last Thursday to Tuesday of this week with her son, Joe Gipson and Mrs. Gipson.

Advance Census 1960 Reports Are Received through the Mail in County

Advance Report Forms for the 1960 Census of Population and Housing will be distributed by the Post Office this week to all households in this area, District Supervisor, Carl E. Kerr announced today.

The advance Report Form is a new census-taking device which is designed to speed up the field canvass and provide more accurate statistics. Distribution of this form before the start of the house-to-house canvass of the census taker's visit. The district supervisor urges all residents to fill out the forms and have them ready for the census takers when they start their rounds on April 1.

The Advance Report Form contains seven questions about every person in the household and six questions about the household's dwelling. The household information asked for is name, address, sex, color or race, month and year of birth, whether married or single, and relationship to head of the household. The information required about the dwelling is the number of rooms, cooking facilities, plumbing, etc. rented or owned.

At every fourth household, the census taker will seek the answers to additional questions covering population and housing characteristics which are being asked of a 25 percent sample of the nation's population. The sample population questions include inquiries on county of birth, schooling, employment, income, and related items. The additional housing questions relate to rent or value or dwelling, heating equipment, water supply, and other facilities and equipment.

FOR JUSTICE OF THE PEACE PRECINCT ONE ALBERT MORROW (First elective term) C. SHELTON

WHO'S WHO —

(Continued from page one) First given name same as name of Texas County. (Haskell); Wed in Cochran County in 1947, (Dec. 14, at the Methodist Church, Whiteface); Born at Hooks, Texas, (between New Boston and Texarkana); Graduated from a Cochran County High School, (Whiteface);

First moved to Cochran County in 1937, (again in 1942); Worked as a roughneck; Worked as a cowboy, (near Whiteface); Active in Boy Scouts, (Scout Master for three years, Institutional representative now); Was Lions Club officer, (Whiteface Lions); Mate attended Tech; Drives a four door, green, nine letter auto, (Chevrolet); Auto purchased in Morton, (from Ailsup Chevrolet Company, was Prof Angley's auto once).

KOMA fan, (that Okie station with the new noise); Played on softball team beat out for championship by Maple team here one year, (in 1956, Truman played third and second base on the Whiteface team); Played on team that entered Jaycee Volleyball tournament here, (it was Morton's first tournament of volleyball, and Truman played with the White-

JUNIORS —

(continued from page one) tard to be working so hard all the time.

The Gordons' own child was kidnapped lost or killed when she was two, so they became interested in Deedee, who tells them of her dreams to become a great writer of stories about little girls who have real mothers and fathers who love 'em and never be mean to 'em."

Meanwhile, Sophie, characterized by Vivian Ledbetter, is having an awful time trying to get that "sort of one sided man, with no teeth — or — two teeth out in front, wearing an old felt hat; he's real handsome too" to propose to her. Oh, with Tootsie Davis in charge, is having "Maximomial Zampies, or mavinomial problems," and is being thwarted constantly.

McKay, Leon Jeffcoat, as the lawyer, comes to settle the estate of Uncle Si, and becomes interested in learning more about Deedee.

Years after, with the help of Perrin, Terry Hans, the full story is brought into the open and the surprise ending is sure to make people go home with a good feeling. Tickets may be secured at the door or from any member of the Junior Class.

Admission is \$1.00 for reserved seats, 75 cents for adults, 65 cents for students, and 25 cents for children under 12.

Mrs. Bob Vanoy is directing the dramatic comedy.

ATTENDS MEETING IN FLORIDA

Rev. Austin Steadman, pastor of the First Missionary Baptist Church of Morton, is in Florida this week attending the annual North American Baptist Association Meeting.

Rev. and Mrs. Steadman and son left Sunday night. She and their son stopped at Coriscana where they are visiting relatives. "Geta" is staying with the E. L. Willis family here.

The Steadmans are expected home Friday night.

face team); Active in Little League, (Truman and Wayne Taylor have managed the White Socks at Whiteface for the past three years);

Father once operated cafe in Cochran County, (Swinney's Cafe at Whiteface); Loves Mary Lou, (his wife, the former Miss Mary Lou Bowden); Mate born at Go-

ree, (near Munday in Knox County, Sept 12 — we forgot the date); Home faces east, (and that it does in Whiteface); Lives on th-

roughfare bearing former U. S. President's name, (209 Fillmore in Whiteface); Reads Reader's Digest, (and we should have added, the Morton Tribune); Once

lived in Wichita Falls; Worked for Joe, (for Joe Beseda at his elevators); Worked for gin, (Beck Gin Company, Whiteface); That's all . . . another \$66 av-

aits the Lucky person who turns up with all requirements on the right entry next Tuesday . . . join the fun . . . Who's Who could be your neighbor.

WIN CASH . . .

WHO'S WHO in MORTON

TOTAL PRIZE MONEY \$1320.00 THIS WEEK \$ 66.00

Copyright 1959 by B. Reinhardt. All Rights Reserved.

Where to LOOK for CLUES . . . RULES

Clues may be hidden in ANY ad in this group ad. When a "Star" appears in any of these ads, it means that additional advertising for that merchant appears elsewhere in this issue of the Morton Tribune, and additional clues may be hidden in any of those

ads, also!

Clues will be scattered . . . there may be from one to five clues in any ad . . . or none. This is a contest of skill . . . and we intend to do our best to outwit you. We invite you to do your best to outwit us!

Grid of advertisements for various businesses including Merritt L.P. Gas Co., Smith Furniture and Appliance, Seaney Food Store, Lorán-Tatham Co., Windom Oil and Butane Co., etc.

RULES

1. This is a family fun contest. Entries welcome from every member of the family old enough to fill out his or her own. You may submit one entry per person at any or all of the Sponsoring Merchants whose ads are in the row that is heavily bordered this week . . . but only one entry per person at any one store (more than one will disqualify all entries of that person for that week).

2. Nothing to buy. Use any slip of paper for entry blank. DO NOT put your entry in an envelope. Not necessary to be present at the drawing to win.

3. WHO'S WHO may be anyone in the Morton trade area. Clues to his or her identity will be hidden ONLY in ads of Sponsoring Merchants (this means any ad in this section or any ad of the same merchant elsewhere in the paper). When star (s) appear in any ad in this section, it is your warning that other ad (s) of the same merchant (in which there may be clues) appear elsewhere in the paper.

4. If, by coincidence, the name of WHO'S WHO (or other facts about him or her) happen to appear in news items, editorial matter, or other places in this newspaper, these will not count as clues.

5. To enter, write down the name you think is WHO'S WHO. List all the clues you can find in all the ads of the Sponsoring Merchants in this issue. Don't forget your own name and address!! Then drop your entry at the business location of any Sponsoring Merchant WHOSE AD IS BETWEEN THE HEAVY BORDERS IN THIS SECTION.

6. This week's contest starts when you receive this issue, and closes at 4:30 p. m. Tuesday of the following week. At that time (4:30 p. m. Tuesday) a drawing will be held. The first entry drawn that correctly identifies the WHO'S WHO will win \$10.00. If THAT entry also lists every correct clue, (and no false clues) hidden in all ads of Sponsoring Merchants, the Bonus Jackpot of \$66.00 will be given.

Family participation gives you a better chance to win the jackpot. Your wife, husband, or some bright-eyed youngster MAY spot a clue that you miss! Got any detective blood in you? Think you can outwit us? Remember you can't win if you don't enter . . . Fix up your entry NOW!

Jaycees Hear Crimemobile Manager, Monday

Six guests were on hand Monday for the luncheon meeting of the Morton Jaycees with John Cook, director of the Crimemobile unit, speaking to the group on the purposes and program of the Texas Law Enforcement Foundation. Other guests included Mrs. Carol Olson, representative for Far West Productions, producer of the Mysterama show to be sponsored by the Jaycees on April 14th, Ervin Merritt and son, Van Greene, Cochran County director for the TLEF and J. R. Fanning, paving contractor, now conducting a paving project in Morton. Cook explained that the TLEF started when John Ben Shepperd was Attorney General, and is a citizen's organization, not supported by state funds or tax money. It now has 176 directors and is now being shown primarily to school children. Other activities of the TLEF include the establishment of revolving fund for the use of state narcotic agents, the publication of a peace officer's handbook for use of officers; a booklet on your rights in Justice Court, handed out to offenders, aid in establishing criminology libraries in law enforcement offices, and a semi-annual theme contest with cash awards for students in Texas schools.

LOCAL MAN MAKES HIGHEST SCORE IN A.F. RECRUIT TEST

William Henry Evans, son of Mr. and Mrs. Gene Evans of Route 2, Morton, has been sent by the U. S. Army Air Force to Keesler Air Force Base for schooling in electronics. Evans, who enlisted in the Air Force on March 1st, made the highest grade in the electronics field that has ever been made in the Lubbock Air Force Recruiting office, Master Sergeant William J. Harl, recruiter for the USAF reported in a news release to the Tribune.

Clinic For Area Crippled Children Will Be Held at Lubbock on April 13th

Plans to conduct a clinic for all crippled children of Cochran County and surrounding counties have been announced by Dr. C. A. Pigford, Director of the Lubbock City - County Health Unit. The clinic will be held on Wednesday, April 13, 1960, at the Lubbock Cerebral Palsy Treatment Center at 3502 Ave. N. in Lubbock. Registration for the clinic, sponsored by the Lubbock County Society for Crippled Children, Inc., the Lubbock-Crosby County Medical Society, the Lubbock City - County Health Unit and the Crippled Children Division of the Texas State Department of Health will begin at 9 a. m. No charge will be made for examination. It will be open to all children under 21 years of age, who are crippled or who have conditions which might lead to crippling. Parents are requested to accompany the patient. Among the doctors expected to take part in the clinic are: Dr. Emmett Shannon, Dr. R. C. Lewis, Dr. R. Q. Lewis, Dr. J. E. Lovelless, Dr. C. E. Ratcliff and Dr. Richard Smith, all of Lubbock and Dr. John Patterson, Plastic Surgeon of Fort Worth. Others participating will include Dr. Fred P. Helm, Director of the Crippled Children's Division of the Texas State Department of Health; James Tenney, Assistant Director; and Miss Imogene Smith, Orthopedic nursing consultant, all of Austin. Arrangements for the clinic were made by the Lubbock County Society for Crippled Children, Inc., Earl W. Ince, Sr., President. Services rendered by the Crippled Children's Division of the State Department of Health include the location of crippled children through the establishment of clinics similar to the one planned in Lubbock. The program includes the financing or hospitalization, medical and surgical care, artificial limbs and related services from funds of the State and Federal Governments for children whose parents cannot finance their care, provided their eligibility has been established under the State Law. A few of these crippling conditions include: Infantile Paralysis, Osteomyelitis, club feet, cleft palate, harelip, burns, curvature of the spine dislocated hips and many others. The overall purpose of the sponsor's clinic is to provide a me-

Scholarship Tests Will Be Conducted At Muleshoe High School, on Apr. 1st

Plainview (spl.) - Muleshoe High School has been designated as one of seven testing centers in Wayland Baptist College's search for 10 outstanding high school seniors. Competitive examinations will be administered by Maurice J. Sharp, Wayland dean of students at 4 p. m. on Apr. 1 at Muleshoe High school. Graduating seniors from area schools in Texas, as well as New Mexico, may take the intelligence type examination for which seniors can make no special preparation. Ten 1960 graduating seniors who rank highest on the tests, and who meet the entrance requirements to Wayland, will be given \$200 scholarships. These will be awarded \$100 in the fall semester and \$100 in the spring semester if the student maintains the scholastic average required of all holders of scholarships at Wayland. The test may be taken only once, although tests are being given at seven locations during the months of March and April. Students in the Muleshoe area who are unable to take the scheduled examinations may report to Wayland College, Plainview, at 8 a. m. on April 2. High School Senior Day, when hundreds of area high school students are expected to tour the Wayland campus. Campus tours, a chapel program, lunch in Slaughter Memorial Center, a choir concert and a talent show are planned for this year's visitors. Wayland also gives scholarships to valedictorians and salutatorians in the amounts of \$100 a semester for four semesters and to the highest ranking Baptist boy and Baptist Girl in each graduating class in amounts of \$100 for three semesters if scholastic average is maintained. A student may receive only one of these three scholarships.

COMPLETES RADIO COURSE IN ARMY

FORT GORDON, Ga. (AHTNC) - Army Pvt. Jerry D. Mills, whose wife, Betty, lives at 113 Riverdale, San Antonio, completed the eight-week radio relay and carrier operation course, March 18 at the Southeastern Signal School, Fort Gordon, Ga. Mills was trained to operate and maintain field radio relay systems and carrier equipment. He entered the Army last November and received basic training at Fort Jackson, S. C. The 23 year old soldier, son of Mr. and Mrs. Jesse O. Mills, Morton, is a 1955 graduate of Morton High School and attended Southwestern State College in Weatherford, Oklahoma.

MRS. LEVERETT HOSTS HAPPY HOUR SEWING CLUB

Mrs. S. E. Leverett, Sr. entertained the Happy Hour Sewing Club at 2 p. m., Thursday, in the home of Mrs. Sammy Leverett, Jr.

Seven members and one guest Mrs. Clyde Reynolds, were present.

Mrs. L. E. Huggins presided at the business session. In an election held, Mrs. Tom McAlister, was named secretary-treasurer of the group.

Each member donated \$1.00 to the Cancer Fund.

The next meeting will be with Mrs. C. A. Baird, at 2 p. m., April 7.

SEVEN FROM MORTON, WHITEFACE LODGES ATTEND STATE REBEKAH, IOOF MEETING

Seven members of the Odd Fellows and Rebekah Lodges from Morton and Whiteface attended the state assembly of Odd Fellows and Rebekahs recently.

Official representatives from the Rebekahs from the two chapters were Mrs. Lennie Doyle of Morton and Mrs. Lucille Taylor of Whiteface.

Odd Fellow representatives were S. W. Westerman, Morton and Omer Sims, Whiteface. Others attending included Mrs. Leland Seif, Mrs. Bertha Mills and Mrs. A. D. Walker of Whiteface and Mrs. Westerman of Morton.

The meeting was held in Fort Worth on March 19, 20, 21 and 23 with the Worth Hotel as Convention Headquarters.

AT RECENT MEETING MRS. HENDERSON IS F.O.R. HOSTESS

The FOR Home Demonstration Club met in regular session on March 23 at 9:30 a. m., with Mrs. Stanley Henderson as hostess.

The officers presiding were Mesdames A. C. Jones, president and Mrs. C. D. Arnold, secretary.

Opening exercises were the reading of the Bible verse, Phil. 4:13-8 by Mrs. Henderson and the repeating of the Creed and Prayer by the group.

Four members answered the roll call telling "How I Budget My Time."

Mrs. Arnold read the minutes of the previous meeting and the group discussed a bake sale set for April 12th in which all agreed to participate.

Mrs. Shaw gave the program, a demonstration on Covered Buttonholes.

Mrs. Henderson talked to the group on Calcium and Phosphorus in the diet.

Refreshments of cake and coffee were served to those present. The next meeting will be held on April 13 with Mrs. T. R. Harrison as hostess.

FRIENDLY CIRCLE SEES DEMONSTRATION

Mrs. Horace Gardner gave a demonstration on Tailored Buttonholes at the meeting of the Friendly Circle H. D. Club meeting, Monday, March 21 in the home of Mrs. Woodrow Self.

Roll call was answered with "How I Budget My Time", by four members and one guest, Mrs. Egger.

All members plan to attend the 21st District meeting of the H. D. Club to be held at Littlefield on April 21.

Mrs. Shaw gave the program, a demonstration on Covered Buttonholes.

Mrs. Henderson talked to the group on Calcium and Phosphorus in the diet.

Refreshments of cake and coffee were served to those present. The next meeting will be held on April 13 with Mrs. T. R. Harrison as hostess.

Mrs. Arnold read the minutes of the previous meeting and the group discussed a bake sale set for April 12th in which all agreed to participate.

Mrs. Shaw gave the program, a demonstration on Covered Buttonholes.

L'ALLEGROS DISCUSS POLITICAL ISSUES, ROLE OF PARTIES

The L'Allegro Study Club met in the home of Mrs. Harold Drennan for a regular meeting, March 17, with Mrs. W. C. Vanlandingham, president in charge.

Minutes of the previous meeting treasurer, Mrs. J. C. Reynolds, report a balance of \$122.40 in the regular fund and \$390.00 in the cook book fund.

The president read a letter from a bread company asking the club to accept their check as a donation, but instructing them not to include them in advertisement in the cook book.

Club members were reminded to bring articles which will be sent to the state hospital at Big Spring for use of patients.

A reminder was made to club members to get reservations in early for the 7th District Convention which was to be held in Lubbock, beginning March 22.

An invitation was read from the Wesleyan Service Guild of the First Methodist Church for members to attend a book review sponsored by the Guild, on Monday, March 28.

The club voted to pay Campfire Councilor dues for three members, Mesdames Jack Wallace, J. C. Reynolds and Tommye Hans. Mrs. H. B. Barker was in charge of the program for the evening continuing the club's study of "Great Issues in American Politics." Her theme was "the role of political parties in the U. S. A. She also cited four current political issues that will have an effect on the national voting front in the November election.

A club discussion was held concerning intergration and the upcoming political elections.

YARBOROUGH - Continued From Page 2

ese additional interest payments are a major contributor to inflation and I'm opposing the proposals to raise the interest rates on government bonds.

For example, economists have estimated that the difference we now pay in interest payments over what we paid in 1952, for home mortgages, automobile and other consumer loans, business loans and state and local bonds totals a staggering \$1.2 billion annually.

I'm firmly convinced that these additional interest payments are a major contributor to inflation and I'm opposing the proposals to raise the interest rates on government bonds.
