MORTON, TEXAS, THURSDAY, APRIL 21, 1960

NUMBER NINE

## MISSIONARY BAPTIST REVIVAL UNDERWAY

The revival meeting in session at the First Missionary Baptist Church this week, mornings at 10 a. m. and evenings at 8 p. m., conclude with the service Sunday.

Rev. Jack Bloxom, of Waldo, Ark., is conducting the meeting. Everyone is invited to attend.

## REGIONAL MEETS FRIDAY, SATURDAY

Teachers who qualified will compete in the Regional Class AA and field meet at Lubbock, Saturday (preliminaries) and Saturday.

University Scholastic League meets in Morton will also compete in these events at Lubbock.

## D. JACKSON BUYS FARM - RANCH STORE

The sale of Willingham Farm Ranch store to E. D. Jackson was announced last week by E. O. Willingham.

Mr. Jackson, who has been a resident of this county since 1951, sold last year and then sold two of his farms, leased out other, and purchased the local feed establishment.

Mr. Jackson, who will be the sole owner of the store, also is a licensed real estate broker and will operate a real estate agency there. (JACKSON) Page 5

## MORTON CO-OP GIN MEETING TONIGHT

The Morton Co-operative Gin held its annual membership meeting tonight (Thursday) at County Barn.

Barbecue dinner will be served at 6 p. m. and the business meeting will get underway at 8 p. m., according to J. R. Kuyken, manager of the gin.

## CANDIDATES WILL MEET ON SQUARE

There will be another old-fashioned speaking campaign Saturday, April 30, in Morton.

Candidates call for the event, sponsored by the Jaycees, to get underway at 7:30 p. m.

Everyone's invited — most of the candidates for public office.

## WATER CONSERVATION CAMP ON SALE

O. L. Casde, chairman of Cochran Soil Conservation District, said that the 4-cent water conservation postage stamp was on sale in the local Post Office Tuesday, April 19.

Most everyone in Cochran County will want these colorful and historical stamps. Although the Post Office is printing 120 million copies of the 3-color water conservation stamp, the edition is fast disappearing.

Dr. Earl M. Norwin, pastor of the First Methodist Church of Cochran, said that the District urged everyone in the District to buy at least one letter with the conservation stamp.

Those who area banks, electric farm equipment companies and other businesses purchase a supply to help in the local conservation of water.

## WATER OPERATOR AT WHITEFACE SALON

Dale (Delores) Pond of Whiteface, who recently was graduated from Isbell's University of Whiteface with highest honors, has joined Dorothy Beauty Whiteface, as is announced by Mrs. S. W. West, owner - operator.

Pond specialized in 4-way cutting at Isbell's University of Whiteface.

Mrs. Pond, residents of Whiteface for the past four years, have three children. They are members of the Whiteface Methodist Church. He is employed at Service, Lehman plant.

Pond joined the staff at Beauty Salon Monday.

Mrs. Westerman and Pond, Mrs. Leland (Bittie) Westerman, is a member of the salon.

## INDIAN CAPERS TO BE PRESENTED

On April 28th, 29th Indians Capers of 1960, the annual production of the Morton school Choral Department, will be presented in Morton at the County Auditorium on April 28th and 29th.

Certain time for both Thursday and Friday's presentation will be at 8:00 p. m.

Over 40 songs and specialty acts and a cast of more than 100 persons will be featured in the production directed by Robert Hahn Choral director.

Tickets are on sale with members of the Choral Department or at the door; 75 cents for adults and 25 cents for students.

## TO BEGIN LITTLEFIELD MEETING MONDAY

Rev. Austin Steadman, pastor of the First Missionary Baptist Church, Morton, will begin a meeting Monday night, April 25, at the Sunset Avenue Baptist Church, Littlefield. The meeting will continue through May 1.

## EAS PHONE SERVICE IS ONE STEP NEARER; COMPANIES IN PARTIAL AGREEMENT

Extended Area Service between Morton's telephones and the phones of our rural neighbors of the Five Area Cooperative exchange was one step nearer reality this week with the announcement by letters, from Five area, to the Mayor of Morton, that the two phone companies could agree on part of the proposed EAS plan.

The letter explained that the addition of new customers in the Lehman area by 5 Area Cooperative made it possible for the company to install extra lines, at the same time they are installing the new lines, to take care of live fire circuits which could

## P-TA WILL ELECT OFFICERS TUESDAY

The Morton Parents - Teachers Association will have a busy evening Tuesday night.

Scheduled for action is the election and installation of new officers for the coming school year, and the recognition of retiring teachers.

The meeting will begin Tuesday night, April 26, at 7:30 o'clock in the Morton School lunchroom.

The announcement came this week from Byron Willis, president of the group.

In making the announcement, Willis said the meeting had been postponed one week in order to avoid some conflicts in meetings, and in hope that more parents could attend.

Parents with children in school and parents with children entering school this fall are urged to attend.

## ATTEND IAC MEETING

Mr. and Mrs. Byron Willis of Morton were in Lubbock Tuesday night to attend the annual meeting of the Advisory Board of the Lubbock Christian College.

## FINAL PAVING PROTEST HEARING SET FOR MONDAY

The final hearing on what will probably be the final addition to the City's Paving Project will be held Monday at 5 p. m., a protest hearing on blocks most recently added to the project.

Description of the block's concerned may be found in a legal advertisement in this week's edition of the Tribune.

Following the protest hearing the Commission may reject the blocks or may pass an ordinance accepting them in to the project and calling for an assessment on the property included.

## LITTLE LEAGUE TRY-OUTS BEGIN NEXT MONDAY

Get out the baseballs, boys and oil up the gloves, Little League baseball is just around the corner.

The first definite step toward starting play in the Little League were made at a meeting held Friday night in the District Courtroom.

Plans were made to get the application blanks into the hands of all youngsters who will play, this Tuesday (day before yesterday) when school took up after the Easter vacation.

Next Monday (we know its sudden) all boys who intend to play Little League ball are asked to be on the field at the local park by 5 p. m. ready for workouts. At that initial meeting, after the mass (L. LEAGUE) Page 5

## Rites for Father Held at Clovis

Funeral services were conducted at 10 a. m. Saturday at the Charles V. Steed Funeral Chapel at Clovis, N. M., for 62 year old Walter Harvey Miller, who died Thursday. He was the brother of J. C. Miller of Morton.

Mr. Miller died at the Antlers Hotel in Clovis sometime during the night. He owned and operated the hotel and had been a resident of Clovis area for 38 years.

Dr. Earl M. Norwin, pastor of the First Methodist Church of Cochran officiated and burial was in the LaMarque cemetery.

Survivors include the wife, Lula; five brothers, T. J. of Post; Ray of Lubbock; J. C. Morton; J. J. Roswell; Ed, San Bernardino, Calif.; two sisters, Mrs. Ada Gainsworth, Post; Mrs. Belle Nichols, Lubbock; and a step daughter, Mrs. Ella Jones, La-Marque.

## New Commission Sworn In Monday

Morton officials had a new City Commission Monday night when five of the six elected officials were sworn in by the City Secretary Joe Seagler. Seagler administered the oath of office to Mayor Amos Taylor and Councilmen B. Merritt, Rob Richards, J. W. McDermott and Roy Gentry. Councilman Don Allsup was absent.

Minutes of the previous meeting were read and approved and the Commission immediately launched into a discussion of summer water rates.

After a lengthy discussion, although no vote was held, it was generally agreed to begin summer water rates, at a slightly increased rate over last summer, and continue them as long as there was no imminent danger of running out of water. But it was emphasized that the summer rates would be cut off in the middle of the summer if necessary, to protect the water supply.

The gist of the discussion indicated that summer water rates would be a \$3.50 minimum for 10,000 gallons and 25 cents per thousand gallons over the minimum.

The next discussion launched into was the city's tax rate. Again no actual vote was taken and no change was made, though the City Secretary told the Commission they would need to consider some time before taxes are levied, the need for an increase to bring in more revenue.

He said for some 7 or 8 years the city had not taxed enough to break even on expenses and was having to borrow money from the water department in order to operate. He recommended a tax rate raise from the present \$1.20 per \$100 tax evaluation to \$1.40. He said the valuation rate was from 30 to 40 percent.

Upon a question by Mayor Amos Taylor, Seagler said they didn't have to act on this thing immediately, and they went into a dis-

See (COUNCIL) Page 2

## MISSION BOARD MEMBER TO SPEAK TO METHODISTS

Mrs. C. C. Coffee of Lubbock, member of the General Board of Missions of the Methodist Church will speak at the regular Sunday morning service at the First Methodist Church, Morton.

Mrs. Coffee, who has traveled throughout Africa, will speak regarding her work and travels on that continent.

Sunday afternoon, between 3 and 4 o'clock, she will be honored at a tea in Fellowship Hall at the church.

The public is invited to attend the events.

Mrs. Coffee's appearance here is being sponsored by the commission on Missions of the First Methodist Church. Members of the commission are Mrs. Joe Seagler, Mrs. Raymond Ross, and John Crowder.

Dr. D. D. Denison, District Superintendent of the Brownfield District, will bring the Message Sunday night and conduct the 4th Quarterly Conference.

You are invited to attend these services.

## CITIZENSHIP COURSE CONTINUES MONDAY

The annual district meeting of the Texas Home Demonstration Association will be held in the First Baptist Church, Littlefield, Thursday, April 21.

Mrs. O. D. Kennedy, Brownfield District vice chairman for the Wilmer Smith, Wilson, state president of the Association, will represent the Association's Board.

Delegates attending from Cochran County are Mes. Oland Clifton, Edward Brownlow, and Woodrow Self. Mrs. F. Z. Payne, alternate, also plans to attend. Mrs. Lewis Walker, County THDA Chairman, will assist with registration.

The noon meal will be served through the courtesy of Caprock Fertilizer Company of Littlefield.

## Melvin Gets Only \$10; False Clues Tripped Him Up

For this week, the award gets richer for a total of \$122.00 — not a bad figure for just the right person.

Coffman's entry correctly named Miss Lella Petty as the mystery Who's Who person.

But when the clues were checked, "Started in Kansas City, Missouri" and "Born in a log house" were clues that didn't fit.

The award was drawn from the big red cage by Master Tommy McClintock, 3 year old son of Mr. and Mrs. Durwood McClintock of Morton.

A quick check of the 781 entries showed a lot of clues that didn't fit. Most folks listed 30, but 28 was the top figure.

Among clues listed that didn't fit Miss Petty were — "Whiteface and Maple", "Order by Number H107", "Bar-T-Ranch", "Silver Saver", and "Wright's Good."

(If you're not positive of a clue you might drop by the merchant in whose ad the clue appears, if it's a brand name, he'll know.)

Among those identified as being Who's Who were Mrs. A. A. Fralin, Mrs. Pegues Houston, and

## Huckabee Elected Board President

J. C. Reynolds, secretary, Reynolds and McDaniel, recently elected to the board, read and signed their oaths of office at the meeting. They replaced Raymond Ross and Hadley Kern, who were not candidates for re-election.

The meeting was called to order by President Babe Vanlandingham with other members present including Jesse Clayton, Jim Clampt and W. P. Houston; Supt. John Barnes, Secretary Dub Hodge and Eddie Irwin.

Minutes of previous meetings were approved and the board ended.

## WORLD NEIGHBORS FOUNDER TO SPEAK AT LEVELLAND

Dr. John L. Peters, founder and president of World Neighbors, a program designed to defeat the evil forces of Communism outside the realm of international diplomacy, will speak in Levelland at the South Plains College auditorium, at 2:30, next Wednesday, April 27th.

The public is invited to hear him there or in his only other appearance, at 7:30 that night, at St. Luke's Methodist Church in Lubbock.

He has been rated as a man every American should hear and his program, as one every Christian should support.

## OUR APOLOGIES!

To Truett's Food Store the Tribune extends apologies for aiding in the making of three errors in the store's ad last week.

Jergens soap, advertised at 5 bars for 29 cents, should have been 5 bars for 39 cents.

Club steak should have been 49 cents a pound, and round steak 79 cents a pound.

## OUR APOLOGIES!

The Tribune is red faced and apologetic this week to those conducting the Cancer information work in this county, for failing to get an article in the paper last week which was phoned into the Tribune.

A meeting, showing of a film on breast self-examination for cancer was shown for women of the community in the County auditorium Tuesday night.

Our sincere apologies on the misplacing of the information telephoned in by Mrs. Willard Cox.

## Rites Set for Drowning Victim

The body of Kenneth L. Cooper, Sundown, who drowned at Roosevelt Lake in Globe, Arizona, has been recovered and will be brought to Levelland today (Thursday) at 1 p. m., it was announced by George Price Funeral Home.

He is the husband of a former Morton woman, Mrs. Peggy (Cloud) Cooper.

Services will be held Saturday, at 2 p. m. at the Church of Christ at Sundown, with Bro. Joe Barnett, pastor of the Cactus Drive Church of Christ of Levelland, officiating. Burial will be in the Levelland Cemetery.

Survivors include the wife, a daughter, Debra, 6; a son, Gary, 4; his parents, Mr. and Mrs. A. W. Cooper of Sundown, one sister and four brothers. Another brother drowned with him.

## MRS. ALTMAN HURT IN AUTO MISHAP

Mrs. Dude Altman of Enochs was rushed to the Littlefield Hospital after an automobile accident three miles north of Morton at 3 p. m. Tuesday.

Mrs. Altman was thought to have blacked out while driving toward Morton from her home in Enochs. Eye witnesses, driving behind her, stated that her 1951 Pontiac swerved across the highway onto the left shoulder, then swerved back across the highway and slid sideways into the right barpit causing the auto to roll. Mrs. Altman was thrown out of the car on the driver's side.

The Singleton Funeral Home ambulance arrived on the scene about 3:10 p. m. and carried her to Littlefield.

Her condition was reported as "good" Wednesday.

Mrs. J. A. Gowdy

## MRS. J. A. GOWDY TO BE HONORED AT SUNDAY TEA

Morton Junior High Teachers will honor one of their associates who is retiring this year, with a tea Sunday afternoon in the home of Mrs. Neal Rose, Morton.

Honoree for the afternoon will be Mrs. J. A. Gowdy who is retiring after twenty - five years as a teacher, seventeen of them in the Morton schools.

Invitations are being extended all area residents who wish to call and join the teachers in expressing their appreciation to Mrs. Gowdy for a quarter century service in the teaching field.

Although Mrs. Gowdy has taught mostly English, speech, and language arts, at a junior high level, she served as Morton's elementary principal during World War II when Morton's young men teachers and administrators were in service.

Mrs. Gowdy entered the teaching profession after rearing her family and after the passing of her husband.

She returned to college with her older children, and has spent many summers since attending colleges in order to keep abreast of current teaching activities.

Mrs. Gowdy attended Baylor University, the University of Texas, and Texas Tech. She was graduated from Texas Tech.

She taught at Archer City and Olton before coming to the Morton schools.

With a mature background already behind her when she entered the teaching profession, Mrs. Gowdy has always attempted to foster good reading habits in her students and give them an appreciation of good literature.

## INVITED TO ATTEND MEETING ON DISASTER PLANS

Cochran County residents interested in taking part in disaster planning have been invited to attend a joint meeting of Lamb County American Red Cross, Lamb County officials, and Littlefield City officials, Friday night, April 22, at 8 o'clock in the district courtroom of the Lamb County Courthouse.

George Harper, district representative for the American Red Cross, made the announcement here this week.

The invitation was extended by Curtis R. Wilkinson, Red Cross Disaster chairman; E. J. Foust, Sr., mayor of Littlefield; and Pat Boone Jr., Lamb County judge.

Summer Air Training Is Set For UT Student

Clovis Hale, son of Eddie C. Hale of Morton, a Junior Cadet in the AFOTC Cadet Corps at The University of Texas, has received orders to report to George Air Force Base, Calif., for a summer training unit.

This four week program is designed to prepare the individual for assumption of command position in the cadet corps during his senior Air Science year. Stressing familiarity with discipline, organization, career opportunities, survival and physical training, the program will enable the student to understand how the Air Force operates at base level, and will prepare him for his duties as a commissioned officer upon graduation from the University.

COUNCIL

(continued from page 1)

discussion on the extended area phone service.

A letter from 5-area phone cooperative was read in which the company said they had come to an agreement with General Telephone regarding the Lehman exchange but still had no agreement on the Maple exchange.

The election vote was certified for the city election and city attorney George Boring read a letter of opinion he had prepared for the city concerning the election. After it was stated that the 10-day period for filing an election contest had passed, Roy Gentry moved they accept the election results, Richards seconded the motion, and all voted aye.

In the drawing for places on the ballot, B. Merritt and Don Ailsup drew the two year terms so next year, an election of three Aldermen, the positions held by Gentry, Richards and McDermott, will be voted on.

R. C. Strickland, outgoing commissioner offered his thanks to all for their support and wished the new aldermen the best of luck. He offered his services at any time. He in turn was thanked by Mayor Taylor and the City Secretary, for his interest and efforts on behalf of the city.

Before they adjourned the Commission agreed to purchase the paper on one paving lein, if it could be legally done, in order to keep from having a "leave out" on one street included in the project.

Library Will Get Eight Volume Set Of Books On Nat'l Youth Conference

Cochran County Library will receive the eight-volume set comprising the official publications of the 1960 White House Conference on Children and Youth. In all 8,000 books are being given to Texas libraries by Mr. and Mrs. A. H. Meadows of Dallas, through a Meadows Foundation grant of \$12,000.

Needs of County's Senior Citizens Is Under Study

Plans are now underway to study the resources and needs of senior citizens in Cochran County, Glenn W. Thompson, county chairman of the Governor's Committee, White House Conference on Aging, announced today.

He urged persons interested in participating in the project and becoming a part of the county organization which will make the study to contact him at the office of the County Judge.

A meeting will be called soon at which a county committee will be perfected and assignments will be made, the county chairman said.

Thompson said that plans are to make a comprehensive investigation of every facet of the aged problem in this county.

The study will be divided into six parts: 1) Population Trends; 2) Research and Training; 3) Income and Employment; 4) Welfare; 5) Health; 6) Education and recreation and 6) Housing. Committees will be appointed at the forthcoming meeting to cover each of these subjects.

"We especially need the assistance of professional people who deal with the problems of the aged as well as lay people who are interested in the aging problem, and the elderly people themselves to serve on these committees and help us with this work," the county chairman said.

He said one of the primary purposes of the survey, not only on the State level but on the local level, is to help middle-aged and older persons attain equal opportunity with others in engaging in gainful employment which they are capable of performing, thereby enjoying the benefits of their skills, experience and productive capacities.

VISIT IN LAMESA

Mr. and Mrs. H. C. Tapp visited Sunday with relatives at Lamesa.

TEACHERS' BANQUET IN MAY, INSTEAD OF MONDAY NIGHT

The Tribune erred last week, according to Harold Drennan, President of the Cochran Teachers Association.

The Monday, April 23rd meeting of the teachers, is not the night for the annual banquet, Drennan said. He said the final meeting, May 3rd, will be the banquet meeting of the Association.

Miss Katherine Evans of the Texas Tech Department of Education will be the guest speaker in the April meeting. Rev. W. E. Thorn, pastor of the Calvary Baptist Church of Lubbock will be the principal speaker at the Teacher's Banquet.

HERE IN THE INTEREST OF BEN RAMSEY

Bob Howard of Lubbock was in Morton last week working in the interest of Ben Ramsey, candidate for re-election to the post of lieutenant governor.

CLOTHES NEEDED FOR SCHOOL KIDS

Elementary Principal Eli Douglas emphasized again this week the need for clothes for youngsters to wear to school.

He asked that anyone doing cleaning, and preparing to discard

clothes for the smaller children perhaps too little for their youngsters, please bring them to the school.

Especially is there a demand for clothes for the smaller children in the elementary grades, and shoes and coats are most in demand, he pointed out.

**DONALD JOHNSON TAKES OVER...**

**PCG Names New Director of Field Service Work**

George W. Pfeifferberger, executive vice-president of the Plains Cotton Growers, Inc., has announced that Donald A. Johnson, 27, has been hired as the new direc-

tor of field service for the PCG. Johnson, a Texas Tech graduate of 1955, has assumed duties formerly handled by H. A. (Bob) Poteet, who resigned recently to

become the new executive secretary of the Lubbock Cotton Exchange. Johnson is a native of Hamlin. After his college work, he served

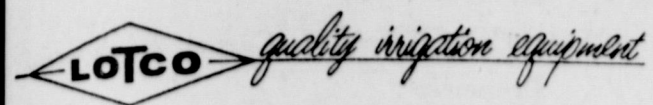

two years in the Armed Forces spending part of his time in Germany. In 1957 he taught chemistry and science in the Olton High School and since 1958 has been employed as a chemist and field service representative. Johnson is married and his wife and two daughters, Nancy, 7, and

Linda Sue, 3, live at 2407 37th St. in Lubbock. Pfeifferberger also announced that the West Texas Agriculture Employers Group, headed by J. D. Smith, Littlefield, as president, has employed Ed Dean as the new secretary of that organization and set up offices in the

PCG Building at 1720 Ave. M. Dean a native of Lamesa has moved to Lubbock from Pecos, where he has been in agriculture work the past nine years. "We felt that High Plains agriculture is very fortunate in obtaining the services of both Johnson and Dean," Pfeifferberger

said. Johnson will be working with gins and farmers for the PCG and Dean will handle Bracero and labor matters for the WTAE. **INJURED IN FALL** Neal Rose, proprietor of Rose Auto and Appliance in Morton,

was "shelved" for a few days last week after a fall. Rose was doing some installation work when he descended from a roof, to a ladder, and the ladder folded up underneath him. He suffered no broken bones only severe sprains of a wrist and elbow and bruises.

### ... with portable irrigation and Alcoa Aluminum Pipe!

Save again on leveling, installation and care with a sprinkler or gated system tailor-made of Alcoa Aluminum Irrigation Pipe!

You get *bonus* benefits when you deliver the right amount of water to your crops—as it's needed throughout the growing season—with portable irrigation using Alcoa® Aluminum Pipe. You'll find it uses only about 55 per cent as much water as flood irrigation; is more economical to install, easy to move; eliminates most leveling and ditching.

There's an Alcoa Irrigation Pipe for every need!

Alcoa Standard Class 150—tough enough for rough handling, strong enough for high pressures over long hauls—comes in eight diameters from 2 in. through 10 in. Alcoa Lite-Line comes extruded—light weight and low cost for most average uses; and welded—alclad inside for maximum corrosion resistance. It's available in nine sizes from 6 in. through 12 in. for high-volume sources. Both Alcoa Standard Class 150 and Alcoa Lite-Line come in lengths of 20, 30 and 40 ft; larger sizes of Alcoa Lite-Line, Welded, in 50-ft lengths.

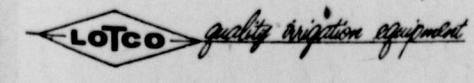

Ask your irrigation supply dealer about Alcoa's 48-Month Irrigation System Finance Plan!

Provisions of this finance plan allow your new irrigation system to serve as collateral against your loan. There's no red tape... you get immediate action on application for a loan. Irrigate while you pay for your system out of increased profits.

Your Irrigation Dealer has quality Alcoa Irrigation Pipe available for immediate delivery from local stocks. He is an expert on irrigation engineering and can provide local service on a complete irrigation system tailored to your needs

# edlines . . .

By Eddie Irwin  
SOME MAY HAVE felt that we were casting reflections at particular individuals last week in questions about the recent city election; about why an admitted knifer was turned loose without any charge; etc.

reflections . . .  
WASN'T what was on our mind. We weren't condemning any one individual . . . at least we were not consciously doing that. Instead we meant to "harp on" a situation of neglect and disinterest that seems more and more every day to be the biggest contributing factor to difficulties that beset mankind.  
it would be . . .  
NICE, WE THINK, and per-

haps a lot more interesting than one might think, to have an election clinic held either as a community wide project or held before each election, with the appointed election officials to "sit in". There they might spend a couple of hours going over election laws (which most of us don't know much about) and actually learn to avoid some things that voters perennially gripe about.

IT WOULD BE a good program for the girls in their study clubs, to devote one session to actual election proceedings. How votes should be counted, how ballots should be handled, etc.

IF BOTH the voter and the election official knew more about what the law is, there would be far fewer incidents in which voters or defeated candidates would holler "foul". How many of these things we find distasteful, are really fouls? We don't know and don't profess to know.

OF PURPOSE, we think, often extends to people in office just doing what the law says they should do . . . or not caring enough about the public to carry out a certain duty they might have.

EXTENDS, and just as much we suspect, to the rest of us in our own particular fields. Our laxity as parents makes us not care where our children are at a given time, or how well they are being taken care of. It makes us not worry about their grades, their politeness, their habits.

OF LAXITY is a creeping, gnawing vice. We worry greatly about other folks' misdoings, but not about the mistakes we make, or those our friends make. We drift into a belief in our own right to be served . . . and care little about serving others.

THIS COURSE started this week called a "Citizenship Training Program" will help a little toward making people more conscious of the American way of life and of our need to participate in it as individuals. As soon as we decide that we have no obligation to take part, we be-

come a person headed toward destroying our society. Our system can work efficiently, only so long as everyone has an active part in our way of life, and plays that part to the best of his ability.

PREDICTED, it seems to be pretty much official now, that Morton is far too late to be thinking about U. S. 82, a federal highway, being designated to come through Morton. County Judge Glenn Thompson called the New Mexico Highway Commission this past weekend and was told that New Mexico had already acted on their part of the proposal and Lovington would be the originating town in Eastern New Mexico.

IT SEEMS MOST LIKELY that the route will go from Lubbock through Brownfield and Plains, but nevertheless county officials and Levelland and Hockley County officials will be in Austin to see what they can do about designating the route through Levelland, Whiteface, Lehman and Bledsoe.

IS JUST AROUND the corner and most of the candidates have worked the country and this past week or so they spent working the City of Morton. In many instances they ran together, one situation reportedly found three candidates for one race running into each other.

STORY GOES, one told another they ought to give each other a fist full of cards and just make every other block, putting both cards in a screen door at the same time and saving half the shoe leather.

BETTER YARN IS told on one local candidate who reportedly knocked on the door of one of his opponents, not aware that it was his opponents house. When the Mrs. opened the door, immediately he recognized her. With only a slight stammer he shuffled the cards in his hand and said, "Howdy Mrs. (???)", just dropped by to see you'all. Then as an afterthought, with the campaign cards ill at ease in his hands, he suddenly had an idea. How are you and (???) getting along these days, and with that he handed her a card.

NEVER KNOW where, you might pick up a vote. WE ARE PROUD to see, though we don't know how he found time to do it. One state candidate made a sincere attempt to make every house in Morton, Whiteface, Brownfield, Levelland, Ropesville and every other town in his three county district. That's a big undertaking, but we feel he won't be sorry, even if he doesn't win. There is absolutely, no better way to get acquainted.

WHO WENT TO the track meet at Andrews weren't sorry. Not only did they get to see some fine competition, get some good experience, and watch the usual breaking of a few local tourney records but they got to witness the unusual breaking of two national records . . . something you don't see happen very often.

BLESSED WITH a big group of speedsters, announced it was after the record. It kept these boys out of races they ordinarily would have run to rest them for the sprint relay and the mile relay. They turned in a 41.9 on the sprint relay and a 3:15.1 on the mile relay.

Morton ran . . . GOOD RACES in both of their relays in the lower bracket and were real satisfied with their overall improvement . . . they just ran up against some exceptionally strong competition.

By Vern Sanford  
AUSTIN — A 30-member committee appointed by Gov. Price Daniel will meet May 16 to begin work on a tall task.  
Assignment of the State Finance Advisory Committee will be put to suggest every possible economy in state government and recommend a tax program to put the state on a sound financial basis.  
For the immediate future the tax program is to wipe out the general fund deficit, which the governor estimates will be \$40,000,000 at the end of this fiscal year, and provide \$35,000,000 for teacher pay raises.  
Committee is to be made up of leading citizens in both public and private life.  
Loan companies involved in the test are expected to appeal to the

Supreme Court.  
Under the certificate plan, the borrower of \$100 would agree to repay his loan through monthly payments on an investment certificate for \$110. This according to Attorney General's Department, forces the borrower to pay more than the permitted 10 percent interest because the interest does not drop as he pays off the principal.

Loan companies, which won the first round in district court, contend that the same procedure is used by banks, saving and loan associations and other lending institutions.

SCHOOL BUYING CRITICIZED — Clothing purchases at the Texas Blind, Deaf and Orphan School for Colored in Austin were far in excess of use during the past 18 months, State Auditor C. H. Cavness reported.

Cavness said his audit turned up excessive clothing purchases totaling \$3,824. In all, he said, 3,042 articles of clothing were bought, but only 75 articles were issued to the children.

He said he had received no "reasonable explanation" for the discrepancy. Cavness suggested that the Texas Youth Council, which oversees state schools for needy and handicapped children, make an inventory and transfer surplus items to other schools.

Gov. Daniel said he would ask the committee to search for revenue sources other than a general sales tax or state income tax.

He hopes, said the governor, that the committee will work out some recommendations soon so that a special session can be called this year to pass teacher pay raises. Under Texas' requirement for pay-as-you-go financing, the Legislature would have to pass taxes to wipe out the deficit before it could vote funds for the school improvement program.

TEACHER RAISE ENDORSED — Nearly three-fourths of the candidates for the Legislature this year have told the Texas State Teachers Association they favor a pay raise for teachers.

Some qualified their statements to indicate that getting the pay raise might be an easier-said-than-

done proposition.  
Of 401 candidates for the Senate and House, 366 answered TSTA's questionnaire, and 293 said they approved the Hale-Aiken school program.

Asked if they would vote the necessary taxes for it, 252 promised support outright. Others added conditions on the kinds of taxes they would approve.

LOAN PLAN DISAPPROVED — Third Court of Civil Appeals has held the certificate plan used by DON'T WORRY ABOUT IT — State Supreme Court has again refused to get involved in a dispute as to whether a Dallas district judge can hold a railway president in contempt of court because trains blocked a Dallas street.

However, the high court repeated with emphasis, its belief that the district court order is void and "no trial judge will attempt to enforce it."

Dallas Dist. Judge Jack Thornton sentenced M-K-T President Deramus to 240 days in jail and levied a \$4,000 fine because Katy trains blocked a street for more than five minutes at a time, ag-

ainst the judge's order. Since then, an underpass was begun. Deramus, a St. Louis, Mo., See (HIGHLIGHTS, Page 9)

tertain and passed a motion to pay \$4,562.40 in local maintenance bills and \$1,437.62 in transportation fund bills. The motion passed unanimously after Supt. Barnes read the list of bills, describing what they were for, and answering questions on several.

**Tech Sets Date For Livestock Feeder Day**

Livestock Feeder's Day will be held at Texas Tech, Lubbock, Monday, April 25, 1960. Registration and coffee from 8:00 to 9:30 a. m. at the Student Union Building, Lobby of Ballroom, will begin the day.

A free lunch in the Livestock Judging Pavilion will be served at noon, courtesy of Plains Cooperative Oil Mill, Lubbock Cotton Oil Mill, and Western Cotton Oil Mill.

In the morning session research reports will be:

1. Methods of Preparing Milo for Swine.
2. Mineral Studies at Pan Tech.
3. Lamb Feeding Trials: High vs. Low Grain; High vs. Low Roughage; Cottonseed vs. Cottonseed Meal.
4. Substitution rates of seed for Meal and Silage in Cattle Rations.
5. Studies in different pelleted rations for Cattle, including High Roughage and High Cotton seed Meal Rations.
6. Studies on implanting and tranquilizers.
7. Studies on Feeding Bull Calves and implanting bull and steer Calves.

During the afternoon session after a question and answer period, reports will be given on "A General Look at Nutrition Problems", "Meatiness in Beef Cattle," and "Progress of the Experimental Ranch at Throckmorton."

From 3:00 to 5:00 p. m. an inspection of Experimental Livestock and Facilities.

The tennis court discussion concerned the fact that the Superintendent had received a bid from a firm to pour the two large slabs of concrete for 40 cents a foot and the board tabled the action after a long discussion, feeling that rate was too high. Barnes was instructed to check several other places to secure bids.

The Supt. also reminded the board that the courts, if built could not be located just north of the gym, as originally planned because the area wasn't quite large enough. He said present plans would be to install the tennis courts just south of the high school building.

**L. LEAGUE —**  
(Continued from Page One)

managers get an idea of how many tryouts they will have for positions, and how many boys already signed up on their team, will return this season, the boys will be told when to come back.

There will be two weeks of tryouts. Then, on May 7th (Election day), in the District Courtroom on that Saturday afternoon, the player auction will be held. The following Monday, May 9th, managers will begin a week of

practice to get their teams in shape, and on Monday, May 16th, the Little League will again be in operation.

Final date for turning in registration cards for playing Little League ball this year is April 29th, it was decided.

The cards, being distributed in the Morton, Bledsoe, Three Way and Bula Schools must be signed and filled in for every boy who will play this season. Last year's card will not do.

They should be turned in to Elmo Smith, a team manager, George Boring or Eddie Irwin.

Action was also postponed on the purchase of a three section lawn mower to be pulled by the school's tractor, until it is determined what kind of hitch it takes, if a power lift can be installed on the tractor at a reasonable rate, etc.

The Supt. told the board that the school purchased the tractor through the surplus property agency for \$119, a considerable savings over what they had planned to spend for a tractor. However, it remains to be determined just what arrangements can be worked out for installation of the power equipment needed.

The school has some approximately 20 acres of grass to mow on all its properties, and the large mower was deemed a big time saver.

**Johnson Hails Civil Rights Bill as Triumph for "National Unity"**

Senate majority leader Lyndon Johnson said this week enactment by the Senate of a civil rights bill was a "triumph for national unity."

Johnson, in a newspaper report prepared for release in Texas, said the civil rights bill is a "vic-

**JACKSON —**  
(continued from page one)

rough the store, located north on the Muleshoe highway.

The new owner announced that Mike Tamez, who formerly was employed at Willingham Farm and Ranch Store, has been re-employed and that he and Mike will offer the same courteous service, that previously has been the by-word of the business. He said they contemplated no particular change in brand names of products to be handled.

He also mentioned that all of the items described in a recent column of the County Agent, published in the Tribune, were available at Willingham Farm and Ranch Store.

Jackson, and his wife, were both raised in Fannin County. She was born in Terry County but the two, you might say, were raised up as neighbors in Fannin County. They lived in Terry County right after E. D. got out of the service, and just before they came to Cochran County.

They have three children, Nancy, 14 years old; Tom, eight; and Treva 6, and come next fall all will be in the Morton Schools.

E. D. served five years in the U. S. Army, and spent most of the time in camp at Seattle as a member of the Military Police.

Through last year's crop, he farmed northeast of Morton, but he sold that place and another he had here, not too long ago. He still has a farm at Stegall which he has leased out.

Sam Tidwell who has been managing the business for the past several months, said Thursday he was still undecided as to where he will go. He said he was considering several things, but one thing he felt sure of, he would stay in the same type of business.

**Judge Denton Visits in Morton During Campaign**

Judge James G. Denton of Lubbock, candidate for his first elective term as chief justice of the Court of Civil Appeals, Seventh Supreme Judicial District, was a visitor in Morton Saturday morning.

Judge Denton, who was appointed to the post by Governor Price Daniel, served as judge of the 99th District Court for six and one-half years.

He was judge of the Lubbock County Court from 1950 to 1952. Judge and Mrs. Denton have four children. He has been active in church and civic affairs for many years.

He served over seas with the U. S. Navy in World War II. A graduate of Texas Tech, Judge Denton was graduated from law school at the University of Texas.

Although he has been in West Texas most of his life, he is a native of Fannin County.

**BUYS 48 HEAD OF HEREFORD COWS**

Among the major sales held recently in the Southwest announced by the American Hereford Association was the purchase by Mrs. C. H. Silvers of 48 Hereford cows from Cecil A. Davis of Muleshoe.

**SLIGHT CROWD SEES GOOD MAGIC SHOW**

Although the crowd was slight, the program was good, Jaycees reported of the show Mysterama, that played here Thursday night to a sparse crowd.

The fact that school was out for Easter vacation, and the kids could not be shown a preview of

the production, and that many persons were out of town for Easter, was probably the cause of a small crowd.

Although the show was probably the same as advertised, Cas Boxely, the magician advertised did not perform, Boxely appeared in Morton but could not present the show due to injuries sustained a week or so ago when a pet ape went amok and injured the magician's right arm.

A substitute performed the show, including some of Boxley's own magic creations.

**IN EL PASO**  
Mr. and Mrs. W. E. Angley and Joe Gipson are in El Paso this week where the men are attending a Scottish Rite reunion. Gipson plans to return to Morton this weekend. The Angley's are expected to stop off at Hot Springs, N. M., for a few days.

**New control for cotton seedling damping-off**

Captan-Terracor® 10-10 seed protectant is your answer to the problem of poor cotton stands due to seedling rots in cold, damp weather.

It reduces your production costs because it cuts the expense of replanting, and helps you get better, more uniform stands of healthy plants. Also, you can plant your seed earlier with greater safety.

Stauffer Captan-Terracor 10-10 is a specially formulated combination that gives you two-way

protection. It protects against damping-off or "sore-shin" (*Rhizoctonia*), plus *Pythium*, *Fusarium* and other soil-borne diseases.

Use Stauffer Captan-Terracor 10-10 this year. Apply it when you plant your seed. It's your best weapon against troublesome, profit-robbing soil-borne seedling diseases. See your dealer, or write for pamphlet: Stauffer Chemical Company, Weslaco, Lubbock or Houston, Texas.

**WHO'S WHO**

(Continued from Page One)  
 Miss Leila Savannah Pet-ty, Cochran County Home Demonstration agent;  
 Given name initials same as brand of cigarettes, (Lucky Strike); Middle name same as name of famous Southern City, (Savannah, Georgia); Height 5 feet; Rode to school in Buggy, (in Loving in Young County); Seventeen in family, (fifteen children, and parents);  
 Member of honorary educational fraternity, (Kappa Delta Pi); Grandparents farmed with slaves in Tennessee; Was dental assistant, (in Dallas); First School in Red Top, (in Young County); Attended NTSC, (we could have also said TSCW); Took part in March on Austin, (when a member of the Red Top Home Demonstration Club — the march was to save such clubs);  
 Drives nine-letter auto, (Chevrolet); Played baseball, (back in Young County); Home faces south, (just check it); Taught first school in Young County, (oops, should have been Cottle County, so if you used the clue, good; if you didn't, good — counted either way);  
 Enjoys reading; Once slew mouse with butcher knife, (right in Floydada while agent there); The bounding horse bound over Who's Who, (when back in Young County); Father born in 1850; Attended coed seat of higher learning at Fayetteville, (none other than University of Arkansas one A&M, (now Colorado State University); Favorite Color, blue; Enjoys classical music; Works for perfection, (ask her club members); . . . and there were two, (a twin) . . .  
 And this week begins another . . . try it and see . . .

**Where to LOOK  
 for CLUES . . .  
 RULES**

Clues may be hidden in ANY ad in this group ad. When a "Star" appears in any of these ads, it means that additional advertising for that merchant appears elsewhere in this issue of the Morton Tribune, and additional clues may be hidden in any of those

ads, also!

Clues will be scattered . . . there may be from one to five clues in any ad . . . or none. This is a contest of skill . . . and we intend to do our best to outwit you. We invite you to do your best to outwit us!

**RULES**

1. This is a family fun contest. Entries welcome from every member of the family old enough to fill out his or her own. You may submit one entry per person at any or all of the Sponsoring Merchants whose ads are in the row that is heavily bordered this week . . . but only one entry per person at any one store (more than one will disqualify all entries of that person for that week). Anyone can enter unless a member of your family is employed by the MORTON TRIBUNE. Sponsoring merchants, their families, (and their employees and families) are most welcome to enter EXCEPT during weeks that entries are brought into the Sponsor's place of business.

2. Nothing to buy. Use any slip of paper for entry blank. DO NOT put your entry in an envelope. Not necessary to be present at the drawing to win.

3. WHO'S WHO may be anyone in the Morton trade area. Clues to his or her identity will be hidden ONLY in ads of Sponsoring Merchants (this means any ad in this section or any ad of the same merchant elsewhere in the paper). When star (s) appear in any ad in this section, it is your warning that other ad (s) of the same merchant (in which there may be clues) appear elsewhere in the paper. Clues will be scattered . . . many ads will have no clues while others may have as many as five. Beware of false clues; there may be some! This is a contest of skill and we intend to do our best to outwit you. We'll be delighted if you succeed in outguessing us, in spite of our best efforts.

4. If, by coincidence, the name of WHO'S WHO (or other facts about him or her) happen to appear in news items, editorial matter, or other places in this newspaper, these will not count as clues.

5. To enter, write down the name you think is WHO'S WHO. List all the clues you can find in all the ads of the Sponsoring Merchants in this issue. Don't forget your own name and address! Then drop your entry at the business location of any Sponsoring Merchant WHOSE AD IS BETWEEN THE HEAVY BORDERS IN THIS SECTION: You may enter at all four if you wish. There are no other places where entries will be accepted . . . and MAIL ENTRIES WILL NOT BE ACCEPTED.

6. This week's contest starts when you receive this issue, and closes at 4:30 p. m. Tuesday of the following week. At that time (4:30 p. m., Tuesday) a drawing will be held. The first entry drawn that correctly identifies the WHO'S WHO will win \$10.00. If THAT entry also lists every correct clue, (and no false clues) hidden in all ads of Sponsoring Merchants, the Bonus Jackpot of \$50.00 will be given. Whenever this bonus is not won it will be added to next week's BONUS . . . which will continue to grow until it is won! Winning the BONUS requires a PERFECT list of correct clues . . . the exact number and all copied correctly.

Family participation gives you a better chance to win the jackpot. Your wife, husband, or some bright-eyed youngster MAY spot a clue that you miss! Got any detective blood in you? Think you can outwit us? Remember you can't win if you don't enter . . . Fix up your entry NOW!

By Homer E. Thompson

TRAFFIC SAFETY Spring rains bring a dangerous driving condition called "Traffic Film" on our roads. It is

created when rain combines with the oil, and greasy residue left on the road by passing cars and trucks. It may last only a half hour or so during a very heavy rain, but a light drizzle will cause a slick surface which lasts for hours. This film is doubly dangerous because it can be slick as ice, yet it can't be seen by the eye.

Drivers normally slow down and exercise caution when snow or ice is on the road. But, because they're unfamiliar with traffic film, they aren't prepared for the slick surface it presents. By the time they realize that they can't stop or steer properly, it's often too late.

The following driving tips will help minimize the dangers of traffic film:

- 1. Reduce speed by at least 10 miles per hour as soon as you see the first raindrops fall, or when you first come upon a wet road.
2. Test the pavement for slipperiness when no other cars are close, by tapping on the brakes.
3. Stay far enough behind the car in front so it won't spray road grime on the windshield.

4. Make sure that tires have plenty of tread, especially for open highway driving. You might get away with fairly old tires on a dry pavement, but not when it's wet and traffic film might be present.

A companion hazard of rain and wet roads is fog. The fact that fog reduces visibility so drastically emphasizes the importance of practicing the following ways to combat it:

- 1. Slow down, keep to the right and use the right edge of the road as a guide line.
2. Turn your headlights on during the day as well as night and keep them on low beam. Since fog reflects light, this will reduce glare for you and other drivers.
3. Use your wipers to keep your windshield clear of condensation caused by a fog. A misty windshield

shield not only reduces visibility more, but intensifies headlight glare at night.

b. Make the most of the poor visibility by watching beyond any vehicles in front of you. Obstacles may show up in headlights of the cars ahead.

5. Watch out for ground fog, too. Despite otherwise clear visibility low road hugging swirls of fog can obscure pavement markings, curves and chugholes.

AIR CONDITIONING CONFERENCE

An air conditioning conference will be held at the Lubbock Municipal Auditorium, Texas Tech Campus, Student Union Ballroom on Thursday, May 5. The conference will begin at 8:00 a. m. and

last until 9:00 p. m. The purpose of the conference is to get the newest information on residential air conditioning equipment and procedures.

Scout Camp-o-ree At Levelland

Morton Scouts will join others from the George White District Friday and Saturday in a Camp O'Ree at the City Park, Levelland.

The camping manuever, which is in preparation for summer camp, will begin about 5 p. m. Friday and continue through Saturday morning. Awards will be made at the end of the event.

Firemen On Fishing Trip

Members of the Morton Volunteer Fire Department left in groups Sunday, Monday and Tuesday for Granite Shoals and their annual one week fishing trip.

Some of them were to return Saturday and others were not expected to get back until Sunday

night. Approximately 15 members of the Department and guests made the trip.

MRS. TRACY ENOS IS HOSTESS TO QUILTING CLUB

The Friendly Neighbors held a quilting meeting at the home of

Mrs. Tracy Enos at 1 p. m. Thursday, April 17th.

Attending were Mesdames Evelyn Sandefer, J. W. Pond, Joyce Wilson, Tolbert Blackstock, C. Smelser, Harold Blackstock, Lawrence Nesbitt, Bert Darland, Mrs. Enos and one visitor, Anna Pugh.

The next meeting will be held Thursday, April 28th, with Mrs. Joyce Wilson.

MRS. HARRISON F.O.R. HOSTESS

The FOR Club met in regular session on April 13th in the home of Mrs. T. R. Harrison.

The meeting was called to order at 2 p. m., with Mrs. A. C. Jones presiding. Mrs. C. D. Arnold, secretary, assisted.

The Creed and Prayer were given by Mrs. Stanley Henderson. The Bible Verse, Proverbs 15:1-13, was read by Mrs. Harrison.

Members answered the roll call by offering "my biggest blunder". Five members and two guests, Mrs. Earl Lee of Sundown and Miss Leila Petty, H. D. Agent, were in attendance.

The order of business included a report from the Club Delegate to the Council.

The announcement was read of the Citizenship Training Course beginning Monday, April 18th, from 8 to 10 p. m., in the County Auditorium. The course is to run six consecutive Monday evenings and everyone was urged to attend.

Members were urged to study qualifications of candidates before going to the polls, May 7th, to vote. It was suggested that the club invite candidates to their community family night get-togethers.

The program, entitled "Cooking with Your Hat On", was by Miss Petty and was about preparation of quick meals. It offered a very tasty and well balanced menu.

The next regular meeting of the club will be on April 27th, with Mrs. A. C. Jones as hostesses.

GOSPEL MTG. —

(continued from page one)

in Albuquerque when he decided he would like to do bi-lingual work, and decided upon preaching both in English and Spanish.

After attending ENMU, then a junior college, and Abilene Christian College, with five years of high school and College Spanish, he went to work for a long time friend who spoke only Spanish.

He served two years at a church in Winslow, Arizona and then went to El Paso. He finds, after his length of tenure there, that the Spanish speaking people are warmly seeking something in religion and he is offering a Bible correspondence course that has been well received.

Some of the work he finds most enjoyable is acting as an interpreter for Churches of Christ congregations who are sponsoring churches and preachers in Mexico. He also enjoys training preachers to work in Old Mexico. Under Mexican Law a preacher must be native born and a native citizen.

He says preaching in Spanish is a relatively simple task, but considers conversational Spanish the hardest job of all. He is keenly aware of the work that must yet be done in his field.

Area folks are sincerely invited to attend the meetings through Sunday at the Church of Christ at 202 Southwest Second.

**READ THE LABEL**

Formers and garden growers using fungicides and pesticides can be assured of not contaminating feeds or vegetables (the edible parts) and the residue will not be excessive at harvest time, if they follow the recommendations on the label. This is due to the fact that labeling all fungicides and nematocides shipped interstate must be registered with the U. S. D. A. The applications are carefully examined to see that any directions for use meet the requirements of the law. In addition the U.S.D.A. determines if any treatment will leave excessive chemical residues on the harvested raw products.

First read the label then use any chemical only on the crops specified and the amounts directed on the label.

The omission of any crop name on the label may mean that no residue of that chemical is permitted on that crop. See that your applicators follow the directions on the label, too.

**INFORMATION FROM THE NATIONAL FOUNDATION**

The following information was received from Mrs. R. O. Pearson, State Advisor, Abilene, Texas, concerning the National Foundation and polio. "Last year there was an increase of almost 100 percent in polio cases. The paralytic rate for 1959 was even worse. It showed an increase of more than 130 percent. All this meant the major part of time and money had to be applied to the care of new and carry-over polio cases. This tremendous increase was caused by only one thing . . . failure of the people to use available protection. Last week Dr. Peavy State Health Commissioner, issued a statement in which he urges Texans to protect themselves and their families AT Once. Even one shot now will help some and two shots before summer will help more. Of 526 cases of polio in Texas last year, nine out of ten had not been vaccinated.

School children are fairly well protected, but pre-schoolers and adults have been sadly neglected. Young adults must be protected and the "over forty" stopping point in the early days was used only because of scarcity of vaccine and was never intended to be permanent.

Though we have been involved in the polio problem, the Foundation has made some exciting progress in setting up clinics in the new fields. Health scholarships and virus research are moving ahead to the full extent of our ability to care for them.

**NATIONAL FOUNDATION SCHOLARSHIPS**

Training of skilled personnel to care for the disabled has been a continuous effort of the National Foundation's professional education program, the most comprehensive ever conducted by a voluntary health agency. The first 515 four - year annual college Health Scholarships were offered this year as a part of a long-range project to stimulate young people to train for "careers that count" in five of the key health professions. The first year's awards include winners from every state in the nation.

**Water Board Will Take Action Against Farmers Wasting Irrigation Water**

In a recent meeting of the Board of Directors of the High Plains Undergrround Water Conservation District it was decided that a procedure would be adopted to strictly enforce the district's rules against waste of irrigation water.

The District has in the past approached the problems of waste from an educational standpoint, preferring to present facts about the underground water and its efficient use rather than invoking more harsh and drastic methods. However, the willful and habitual waste of water by a minority of irrigators has become increasingly more serious. With the continued decline of the underground water level in the southern High Plains area coupled with increased public opinion against willful waste, the water district has come to the conclusion that the time is now upon us to supplement education with strict enforcement.

In the future, violators of the districts rules concerning waste will be notified that they have 24 hours in which to correct the situation and stop waste. This does not mean that the district would want any farmer to stop irrigating but only to put a halt to the continued waste.

The notice will be delivered to the farm operator by a deputy sheriff constable or by some other official person in the county where the waste has been observed.

At the end of the twenty-four hour period, district personnel will check to see that the irrigation water is under control and is being retained and used on the land where it is produced.

Should the waste continue beyond the twenty-four hour period granted to the violator by the district, then legal action will be taken through the courts to stop further waste.

By far the large majority of area irrigators recognize that their underground water is one of the most precious of all resources, and they care for it as best they can; however, a minority continues to promiscuously run water off their land into roadways, creating not only a situation described as waste in the rules of the water district but also a definite public nuisance and a hazard to human life.

The multitude of reasons why underground water should not be wasted have all been discussed in much detail through the news papers and over the radio and television stations. All who care are even remotely interested in conservation can explain why waste is detrimental to continued prosperity in our area. Even the school boy knows that waste is a bad practice. All are aware that water should not be wasted, but rather it should be put to beneficial uses.

Put an end to any waste that originates from your land — do it today.

organization, was official host to the group when they met in Morton last April.

**ECONOMY PROVED IN MOBILGAS RUN!**

A pair of Corvairs recently recorded 27.03 and 26.21 miles per gallon in the 2,061.4-mile Mobilgas Economy Run. That's certified proof that Corvair skimps on gas costs. It saves other ways, too. Corvair is the only U. S. compact car that never needs antifreeze or costly radiator repairs. Come in and drive the compact car that outdoes them all.

**Things Corvair gives you that America's other compact cars can't:**

- Practically flat floor . . . real foot room for the man in the middle. **Fold-down rear seat** gives 17.6 cu. ft. of extra storage space.
- Four-wheel independent suspension** for a smoother, flatter ride.
- Rear-engine traction . . .** that comes with the engine's weight bearing down on the rear wheels.

You probably realize already that the mileage figures Corvairs recorded in the Mobilgas Run are higher than the average driver can expect. But because the cars met every kind of driving condition—rugged mountain grades, long country straightaways, congested city traffic—those mileage figures prove Corvair's inherent ability to save. Operating costs take a nose dive the day you take delivery of a Corvair.

LEGAL NOTICES
LEGAL NO. 197
NOTICE
CITY OF MORTON
Notice to all owners, claimants, or parties interested in any property abutting on portions of streets and avenues hereinafter mentioned in the City of Morton, Texas.
The City Commission of the City of Morton has ordered the improvements by grading, placing curb and gutter, calche base and triple asphalt surface on the following portions of streets or avenues in Morton, and has entered into a contract with J. R. Fanning for construction of such improvements. The portions of said streets and avenues to be improved together with the cost amounts per front foot proposed to be assessed against the abutting property and owners are as follows:
UNIT NO. XVI
Southeast Fourth Street - NPL East Taylor Ave. - SPL Washington Ave. - 40 feet width - Rate per front foot: \$4.50
UNIT NO. XVII
East Buchanan Ave. - WPL Southeast 7th Street to EPL of Lot 12, Blk. 68 Evans Sub No. 2 - 40 feet width Rate per front \$4.50
UNIT NO. XVIII
Southeast Eighth Street - SPL East Hayes Ave to SPL East Garfield Ave - 40 feet width - Rate per front foot \$4.50
UNIT NO. XIX
East Garfield Ave. - EPL South Main Street to WPL Southeast Eighth Street - 40 feet width - Rate per front foot \$4.50
The City Commission has ordered a hearing on Monday, April 25, 1960, at 5 P. M. at the City Hall in Morton, Texas, concerning the above improvements and all interested parties are invited to appear and express their approval or objection to the proposal improvements and the assessments therefor.

One Accident Investigated in County, By Patrol
The Highway Patrol Service of the Texas Department of Public Safety investigated a rural traffic accident in Cochran County during the month of March according to Sergeant D. S. Lawson.
In making this announcement the Sergeant reported no property damage, one injury and no fatal accidents. This wreck caused total property damage of \$200 with one person injured and none killed.
This brings the total for the year in this county to none killed 5 injured and property damage of \$2,930.
The Highway Patrol Supervisor pointed out that the motoring public can improve a traffic record by doing two things - driving defensively and always alert.
"Driving defensively we help the other driver to not only save his life, but help him to save our own lives," he concluded.

RELAY TEAMS FINISH FIFTH...
Gary Willingham Wins 880-Yd. Run in Andrews Track and Field Meet
Morton's Gary Willingham, the Indians best bet for a state track qualifier, pulled out the stops Friday afternoon at Andrews and hung up a triumph in his 880 yd. run specialty in the fine time of 2:01.3.
The posted time, eclipsed the old record by 5 seconds, but was not quite as good as the time posted by the winner in the 880 held in the Class AAAA and AAA schools.
Morton's other points (they got a total of 18) at Andrews came from their two relay teams that finished 5th in the 440-relay and 5th in the mile relay; and from Murvin Gathright who placed fourth in the mile run.

GUESTS OF MOORES
Mr. and Mrs. Clarence Moore of Lubbock spent Tuesday and Wednesday with Clarence's parents, Mr. and Mrs. C. A. Moore. Clarence and C. A. fished at Conchos Dam, Tuesday night and Wednesday.

### REBEKAH'S MEET IN REG. SESSION

Morton Rebekah Lodge No. 39 met in regular session Thursday night, April 14th with the following ladies in chairs: Zelma Waller, Noble Grand; Mildred Akin, Vice Grand; Bertile Pyburn, acting as secretary; Jaunice Cook, Treasurer; Billie Ann Carothers, Zettie Montgomery; Ida James; Ruby Killian; Carrie Scott, Minerva Shaw, Jo Beth Hill, Bonnie Gandy, Edith Reed, Thelma Jean Turney, Lennie Doyle.

Lodge meets each Thursday night at 8 o'clock. Those who visited the Muleshoe Lodge Tuesday night were Jaunice Cook, Zelma Waller, Mildred Akin and Carrie Scott.

### JAYNES CHILDREN OBSERVE BIRTHDAY OF THEIR FATHER

C. T. Jaynes was honored on his 86th birthday at the home of his daughter, Mrs. W. R. Adams, who resides 11 miles northeast of Morton.

Mr. Jaynes, who has been making his home with the Adams, observed his birthday on April 10, so guests could come in. His birthday was actually on the 8th.

Those present for the Sunday occasion were R. H. Jaynes of Tulsa; Raymond Jaynes and family of Lubbock; H. K. Jaynes, Shawnee, Okla.; Howard Greer and family, Sunray; J. C. Caraway and wife, Lubbock; Bobby Adams and family, Morton; Mr. and Mrs. Roy Lasater of Route Two Morton.

Three sons, J. R. Jaynes, G. C. Jaynes and Stover Jaynes, all of Bonham were unable to attend.

A number of gifts were brought and a nice birthday cake with appropriate decorations was served, with a highlight of the day being the taking of movies during the dinner.

### EASTER GUESTS

Visitors in the J. W. Pond home for the Easter Sunday were Rev. and Mrs. H. S. Boles and children of Muleshoe, and Mr. and Mrs. Dale Pond and children of Whiteface.

### LEHMAN H.D. CLUB SEES DEMONSTRATION ON PREPARATION OF QUICK MEAL

The Lehman H. D. Club met in the home of Mrs. Clayton Stokes on April 6. The devotional was read by Mrs. Stokes and roll call was answered by nine regular members, Miss Petty and two new members, Mrs. Stretcher Stokes and Mrs. Enid Edwards.

Miss Petty, the H. D. Agent, gave a demonstration on "Cooking with Your Hat On". She prepared a quick meat loaf dinner with salad and dessert. She also gave each member a bulletin on quick meals.

Four members plan to attend the District Meeting of the H. D. Club to be held in Littlefield on April 21.

The quick meal with hot rolls and punch were served to the following:

Mesdames Edward Brownlow, Tim Brooks, F. L. Fred, Chas. Sanders, Arvel Snodgrass, Lewis

Walker, Lloyd Wempken, Ralph Burt, Stretcher Stokes, Enid Edwards and the hostess.

There will be an all day meeting in the home of Mrs. Arvel Snodgrass on April 27. The program will be on crafts.

### RETURN FROM FISHING

Bill Crone and Keith Kennedy returned Friday night from a week long fishing trip to Devil's Lake, near Del Rio.

### NEW DAUGHTER

Mr. and Mrs. Marvin Elliot of Morton announce the adoption of a daughter, Jonie, who arrived last March.

## LIQUID FERTILIZER Is Best

Meet Marion Bowers, another of Terry County's good farmers.

Marion Bowers . . . Farming NE of Brownfield

Mr. Bowers, on the left, farms northeast of Brownfield on a farm that belonged to his father. "We don't have a lot of water up here, but we do have good land. The land has been well taken care of — and what water we have, we try to make it produce as much as possible. I have, altogether, 430 acres of irrigated cotton, and at the present time we are putting down 300 lbs. per acre of 13-13-0. Later we will side-dress as

needed. This is my second year to use Liquid Fertilizer, and I really like it," Bowers said, and he added: "When you get to thinking about the high-cost of farming, that's about the time you start looking for ways to cut your overhead. Liquid Fertilizer is one of the ways. It's easier to handle, thus requiring less labor . . . and the fact that it is "Liquid" it takes less water to get it to working for you."

Pictured with Mr. Bower is Wayne Hanson (on the right), who has been farming this same land since 1941. He was hired by the late Mr. R. L. Bowers, and has been Bowers' farm boss ever since. Said Hanson: "The filling station-type of operation presented with Liquid Fertilizer is really fine. I would sure hate to be handling sacks again — they felt like they weighed about 200 lbs., along about mid-afternoon. I like to use 'Liquid' and I think it's just as good as any other type of fertilizer."
