## 17-Man Chamber of Commerce Formation Committee Named

Seventeen Cochran County citizens were elected to a temporary board here Thursday night to organize a Morton Chamber of Commerce.

The election was held at a county-wide meeting in the Cochran County Activities Building, approximately 200 persons attending.

Heading the new board is George Boring, local attorney, Sam Leverett, funeral director, named vice-president, and Alvie Harris, who resides in Bledsoe, was elected secretary.

Other members of the board are: A. M. McBee, farmer; Will Cox, farmer; Pegues Houston, farmer; Karl Griffith, farmer; J. W. McDermott, butane fertilizer dealer; Tye Williamson, president of the First National Bank; Mrs. Leo Holland, shop operator; Millard Townsend, gin owner; Don Allsup, auto dealer; Neal Rose appliance dealer; Roy Gentry, lumber yard operator; Truman Doss, grocery store owner; Gene Benham, farmer; and C. M. McMaster, implement dealer.

schools and out-going president of the Morton Jaycees, presided at the meeting.

Barnes had headed a committee of members of the Morton Lions Club and Jaycees who organized a committee which called the county-wide meeting.

The committees named in a meeting of the 17 persons, immediately following the Thursday meeting were as follows:

Operating or coordinating committee: George Boring, Don Allsup, Millard Townsend and Willard Cox.

By-laws and constitution committee: J. W. McDermott, Neal Rose, Mrs. Leo Holland and Truman Doss.

Membership committee: all the group, Tye Williamson, president and Pegues Houston, vice-president.

Program of work committee: A. M. McBee, Boring, Gentry, Townsend, Benham and Doss.

Selection of Manager and building site committee: J. W. McDermott, John Barnes, Willard Cox.

Two other meetings of various committees were held on Friday night and Tuesday night.

## WHITEFACE LITTLE LEAGUE PLANS BAR-B-Q, PRACTICE TILTS, SATURDAY

The Whiteface Little League, in official pre-season opening festivities will have a barbeque and two ball games between Whiteface teams, Saturday, May 14th.

The barbeque plate, to be served at 5 p. m., will sell for \$1.00 per plate with all funds to go to the support of the Little League.

The day's festivities will get underway at 3 p. m. with a minor League game between the Whiteface Cubs and Whiteface Pirates.

The barbeque will be served from 5 to 7 p. m.

Pre-game ceremonies will be held from 7 to 7:30 p. m.

The Whiteface Little League teams, White Sox and Cardinals will then engage in a Little League practice game.

The official season starts on Saturday, May 14th.

## Maple Cafe Now Open at New Location

The Maple Cafe announced this week it has moved into a new building located about 200 yards south of its previous place of business.

Mrs. H. E. Pierce, proprietor, said this week, she would like for folks to drop by Sunday, May 15th anytime between 9 a. m. and 5 p. m. for a free cup of coffee and doughnut . . . and look at the new cafe.

Mrs. Pierce has been operating the cafe for about 18 months at Maple. A resident of the Maple area since 1944, she and her husband had been living on the Horace Hutton place. Mr. Pierce suffered a heart attack 18 months ago and now is up and around and working some with Mr. Hutton.

The couple have two children living at home.

The building moved onto the new site was remodeled by Mrs. Pierce's father, Fred Kelly.

## County Population . . . 6,345

Cochran County has not lost population in the past ten years . . . as some folks had thought it might.

Unofficial figures released this week for the county, in a letter to County Judge Glenn W. Thompson from Earl E. Kerr, Census District Supervisor, place the county's population at 6,345.

This figure, a preliminary announcement, "is believed to be substantially correct," Kerr wrote. It is subject to the revision after other checks are made.

Kerr also penned a note that he has figures for Morton and Whiteface but must have a request from the mayor before he can release any figures for towns under 10,000 population. The official announcement of the population will come from the Director of the Bureau of the Census.

The figure of 6,345 compares with the official 1950 Cochran County census figure of 5,928. The 1940 census showed 3,735. However, the county figure is slightly under estimates made the past few years at 6,500.

In the past year Morton's population has been estimated around 3,000.

## GET ANOTHER TRY AT STATE TITLE . . .

### COCHRAN 4-H RIFLE TEAM DOES IT AGAIN!

### WINS 5TH DISTRICT CROWN IN SEVEN YEARS

The Cochran County 4-H rifle team walked off with first place in the 5th district competition, Saturday, May 7th, at the state title.

The Cochran 4-H team scored a 464 point total out of a possible 600 points. Eight teams were competing for honors. Second place went to the Terry County team and Dawson County captured third place. Club members were firing 22's at 50 feet.

Top individual score in the district was taken by Coffman with a 178 out of a possible 200 score. Ward racked up 144, Morrison 141, and Thompson scored 131.

This marked Coffman's seventh year in 4-H rifle firing. Thompson has six years, Morrison two years, and Ward is completing his first year with the team.

Three out of the past four years, a local team has gone to state, the team has placed seventh in state competition. Last year they took sixth place.

The team will go to A&M College Station in June for state competition.

# Highways and Sidings State CAPITOL

By Vern Sanford

AUSTIN Tex. — Texas Highway Department soon will come out with a brochure aimed at attracting out-of-state tourists to Texas.

Publication of the booklet with State Highway funds has been okayed by Attorney General Will Wilson. State Comptroller questioned the legality of using road-use tax revenue for non-highway purposes, and the Attorney General's opinion as to legality was requested.

Actually, the brochure sticks pretty close to the road. It contains a map of the Texas highway system, tells about the traffic laws and highway markers, and makes a strong appeal for safe driving.

Its publication was declared legal on the grounds that to refuse authorization would, in effect, declare unconstitutional the amendment approved by the people to allow advertising of Tex-

as with state funds. Expense of the brochure, said Wilson's opinion, "will be refunded to the highway program many times due the great increase in automobile travel and the resultant increase in gasoline taxes."

Tourist spending in Texas dropped by \$1000,000,000 last year. This has been attributed by many to the fact that other states have advertised vigorously while Texas has not.

TEACHER TRAINING STUDIED State Board of Education is considering proposals for revising requirements for education of public school teachers. Decision is to be made next summer.

Suggestions include: 1. Requiring all teachers to take 18 semester hours in education courses.

2. Requiring elementary school teachers to take 18 hours in subject matter and skills to be taught plus another 18 hours in related

areas. An optional plan would be 24 hours in one subject and 18 in another.

3. Requiring future teachers to spend six semester hours of practice teaching. It was suggested that this requirement could be set aside for persons with college degree and three years actual teaching experience.

DON'T TAKE IT EASY — Biggest problem in driving on the new long, straight, controlled access highways is that it's too easy. Drivers get bored, inattentive, sleepy.

"Rhythmic hum of powerful engines mile after mile . . . soft rumble of tires, can produce a definite hypnotic effect," says the State Health Department Bulletin.

It suggests these ways for a driver to keep awake and alert: (1) Watch for police cars. (2) Chew gum — a full pack at a time. (3) Sing loudly and talk to yourself out loud, or to a passenger. (4) Drive in your stocking feet. (5) Sit on something hard. (6) Keep moving your eyes. (7) Don't overeat before a trip. (8) Make periodic stops.

Finally says the bulletin, if you get sleepy, the only real cure is to pull off the road, stop, and go to sleep.

It cautions against artificial stimulants and driving after taking tranquilizers and antihistamines. WHAT'S A BOMB — Anyone who buys a jar of gasoline for his lawn mower could be accused of violating the state's anti bomb law, a Dallas labor lawyer argued before the Court of Criminal Appeals.

His client was convicted of having assembled materials for a "Molotov cocktail" — a homemade bomb consisting of a jar of gasoline with a rag stuffed in the top for a wick.

In the case at issue, the bomb was exploded in the driveway of a non-striking employee during a Dallas labor dispute.

Dallas assistant district attorney disagreed with the charge that the law involved is unconstitutional. He said the statute makes it clear that possession of gasoline for use of a fuel is legal, but for use in bomb making it is illegal. He said the law had been upheld seven times by the Court of Criminal Appeals and twice by the U. S. Supreme Court.

TRAFFIC COURTS URGED — More and more attention in Texas is being given two plans for setting up courts of record to try traffic cases only.

Lawyers and law enforcement officials have been concerned for years.

Public interest was suddenly sharpened this year when the State Board of Insurance adopted automobile insurance rates tied to the driver's traffic violation record. People who had been paying fines rather casually began to wonder what kind of a shake they could get if they went to court over a ticket.

A State Bar Association committee has suggested a two pronged plan — one for rural and one for metropolitan areas.

Under this plan, county seats with 50,000 or more population would set up a city traffic court or record. Less populous areas could set up a county-wide traffic court. City judges would be appointed, county judges elected.

In each case, the new courts would be restricted to traffic cases, and usual corporation and justice of the peace courts would continue to function.

University of Texas Law School Dean Page Keeton has suggested that county traffic courts be set up so that appeals could go directly from them to the Court of Criminal Appeals.

SECOND GAS TAX UPHELD — State Supreme Court has ruled the state has a right to collect a tax on gas when it is taken from the ground a second time.

Francita Gas Company had been taking gas from the ground in Jackson County, running it through a cycling plant and then re-injecting it into the ground.

It paid a tax for the first extraction, but protested state demand that it pay again when it took the gas out again. Supreme Court held the company had to pay the "7 percent of fair market price" production tax for the second extraction.

## Three Way News . . .

By Mrs. Frank Griffith  
HONORED WITH SHOWER  
Mrs. Charles Bowen was honored with a pink and blue shower Tuesday May 3 in the home of Mrs. Archie Sims.

Refreshments of pink punch and cake decorated with blue icing made into safety pins and baby shoes were served from a table laid with a pink cloth and centered with a blue shoe house, a picket fence, an "Old Woman" and her many children completed the arrangement.

Jeanie Tyson, Nona Coffman and Linda Sims presided at the serving table.

Co-hostesses were Mesdames: Ray Ware, Bill Wood, Jack Tharp, Elbert Adams, Dewitt Alsup, Byron Hardgrove, Harvey Carter, Henry Walker, Watt Williams, and Ray Clay.

Mrs. Hardgrove registered 46 attending and sending gifts.

ATTEND STATE MEETING  
Attending the State FHA Meeting at Austin recently were Jane Garvin, Elaine Kenley, Connie DeHoyos, and the sponsor, Mrs. Delbert Adams. Jane received the State Degree.

VISIT BOWERS  
Visiting in the Earl Bowers home recently was Mr. C. G. Wheeler, father of Mrs. Bowers.

BACCALAUREATE SERVICES HELD SUNDAY  
Baccalaureate services for the graduating class of Three Way High School was Sunday evening at 8 in the gymnasium. The professional and recessional was played by Elaine Kenley, Rev. Mayo D. Carpenter of the Maple Baptist Church read the invocation. A song, "How Great Thou Art", was read by Rev. Hardgrove of the Three Way Baptist Church. Mr. William L. Robinson, minister of the Church of Christ at Maple gave the baccalaureate address. "God Be with You", was sung by the choir of the Three Way Baptist Church. Benediction was by Rev. C. R. Smelser of Three Way Methodist Church.

Commencement is to be May 20 at 8 p. m. in the school gym.

Processional and Recessional will be by Elaine Kenley, invocation by Rev. Hardgrove. Salutory is to be by James

edlines . . .  
By Eddie Irwin  
ENTHUSIASM is running exceptionally high in the formation of the Chamber of Commerce, last Thursday night.  
not only . . .  
WAS THERE a representative crowd on hand but the persons involved seemed to be of one accord in what they wanted to accomplish. They were understandably not exactly sure of which steps should come first, but they came up with the names of 17 persons who met immediately and organized into committees to get the fledgling Chamber of Commerce rolling.  
every one . . .  
OF THE persons on the formation committee will work on the membership of this Chamber of Commerce, but when they begin this membership drive they will have drawn up a Constitution and By-Laws, and will have formulated a financial structure which it is believed will allow the Chamber to function properly.  
also named . . .  
WAS A COMMITTEE to seek out and hire a full-time Chamber manager.  
the project . . .  
IS WELL underway, and if all of us will put our shoulders to the wheel, and fit somewhere into the plans of this organization, it will be a Chamber that will strive for bringing things to the area that will benefit all of us.  
the paving . . .  
PROJECT HASN'T quit yet. Al O'Brien, representative of J. R. Fanning, contractor, said Friday, that at least three more projected additions to the overall projects are now in the mill. He is working on the possibility of paving the north two blocks of the school property, at least one block on the east side of the hospital; and some of Grant Street, on the south side of the school property.  
O'Brien said . . .  
HE FELT the program would be extended to about 44 or 45 blocks before it is completed.  
his only . . .  
PROBLEM, he said, was getting all of the proposed streets completed as far as sub-base was concerned, before any heavy rains should come and create a problem. Most of the caliche sub-base is already spread and rolled. Paving will follow soon.  
some folks . . .  
HAVE WONDERED about the work which was done on the highway at the eastern city limits of Morton. The Highway Department has made a dip in the highway trying to help alleviate the drainage problem which could develop if a heavy rain should be received

Tarleton, son of Mr. and Mrs. Pete Tarleton. His 4 year average in high school is 89.7.

"The end of a Perfect Day" will be sung by the senior class.

Valedictory is by Carter Williams, son of Mr. and Mrs. Conrad Williams. His 4 year average is 92.06.

Presentation of awards will be by Charles Bowen, principal of Three Way High School.

Nathan Tubb, registrar of South Plains College at Levelland, will give the commencement address.

Mr. Bowen will present the class and Archie Sims, superintendent, will present the diplomas.

Rev. Thomas Hatcher will read the benediction.

Members of the graduating class are Elsie Amalla, Tom Byars, Joe Clark, Bobby Dupler, Patsy Sowder Dupler, Jane Garvin, Bailey Griffith, Anonie Hightower, Charles Latimer, James

Tarleton, Ernest Tucker, and Carier Williams.

Class colors are blue and white and the class flower is carnation.

SENIORS TAKE TRIP  
The seniors left Sunday evening at 10 o'clock for Mexico City. They will return May 19. Accompanying them were Mr. and Mrs. Jack Tharp, and Mr. Neel Tharp is agriculture teacher and Neel is the science teacher at Three Way.

VISITING GRANDPARENTS  
Cindy and Debbie Batteas of West Camp have been visiting their grandparents, Mr. and Mrs. Frank Griffith while their parents are at Pampa at the bedside of the mother of Elmer Batteas.

WEDDING SHOWER  
A wedding shower honoring Mr. and Mrs. James Holly (nee Janice Latimer) was given the home of Mrs. Pete Tarleton Friday afternoon. Hostesses were Mesdames: W. C. McCelvey, Andrew Wittner, Jack Lane, Buck Ragstower, Charles Latimer, Pete Tar-

leton, Frank Griffith, Leon Reeves, D. P. Brinker and Dolly Arnn.

Pink and white, Mrs. Holly's chosen colors, were used on the serving table. The table was centered with an arrangement of pink artificial flowers in a large milkglass bowl, flanked by milk-

glass candelabra and pink tap-

ers. Pink decorated sheet cake and punch was served to about 30 guests. Appointments were milk-glass.

The hostesses' gift was a set of Duncan Hines stainless cook-ware.

### THANKS, FOLKS,

To you, the voters of Precinct 1, may I extend my sincere appreciation for the interest shown in the First Democratic Primary.

To each of you who supported me, my humble thanks.

And, may I extend to every voter an invitation for support in the Second Primary, June 4.

Sincerely  
Elmer G. Gardner

## Local Little League Player Draft Completed Saturday; Rosters of Teams Announced As League Opens, Mon.

The 1960 Morton Little League draft is over but some five or six minor leaguers, and maybe more, still have a chance to make the Little League teams before the season is over.

The draft was held Saturday morning, and managers of the teams filled most of their roster openings. . . but there were still a few vacancies.

Managers remembered, once again, a problem that has plagued them in years gone by. With some 75 to 100 boys to look at, they need to pick some young boys for re-building of teams to compete in future years, and at the same time the need to get the better boys trying out, for this year's team. It is next to impossible to accurately look over all the boys. You just can't do it in the few tryout sessions held.

Rather than overlook some bet-

ter boys who are giving more hustle, some of the managers still had an opening or two when the draft closed and these lads will be selected within a period of up to 14 days after the Little League season starts. This puts a real significance on the effort and hustle displayed by the minor leaguers when the minor league gets underway on Monday. Boys who really have the desire to move up, this year, should demonstrate that desire in their workouts and games. . . some of the younger lads will move up.

Little League season officially starts next Monday, and this week of the five teams have scheduled intra-squad games on Monday, Tuesday, Thursday and Friday nights at the LL Park. The fifth team, the Sox, with new managers, and in a complete re-building process, are playing no games

with other teams but are working out every night this week at the high school practice field, west of the high school building.

Anyone desiring to help out the Little League by umpiring, either behind the plate or on the bases, or by keeping score for any of the Little League teams, is urged to contact George Boring, executive secretary of the league, Elmo Smith, groundskeeper, or a team manager.

After the Saturday morning draft, here's how the team rosters looked:

The Cards, managed by Weldon Newsom:

Carlis Dupler, Eddie Lyon, David Holland, David Newsom, Jimmie Cartwright, Billy Baker, Ronnie Baker, Ronnie Phillips, Jim Waters and Herschel Lamar, all holdovers, and new boys added, Marcus Mills, David Jenkins, Freddie Thomas, Elliot Benefield, and Dennis Newton.

Giants, managed by Tom Pate: Kenny Coats, Penn Tom Burke, Sammy Garza, Keith New, Fabian Flores, Jim Studdard, Alton Ray Black and Otho Ray Hightower, all holdovers. New boys added, Freddie Turney, Jerry Mings, Charles Joyce, Larry Smith and Amanda Garza, Amando Garza, Freddie Turney, Otho Ray Hightower and Keith New, played with the Giants last year, for the balance of the season and were purchased permanently at this year's auction.

The Pirates, managed by Brown Carter and Vernon Wright: Kenny Palmer, Jim Street, Jerry Luper, Wayne Green, Virgust Munson, Charles Carter, Justin Demel, and Loy Vern Daniel, holdovers. New boys added, Ronnie Jonas, Donnie Jonas, Richard Gomez, Dennis Strickland, Dale Burris, and Steve Green.

The Cubs, managed by Ruel Kelly and Tommie Hawkins: Terry Anglin, Larry Embry, Gordon McDaniel, Bill Sokora, John St. Clair, Randy Kelly, Billy Smart, all holdovers. Newcomers are James Hawkins, Sam Beebe, Julius Gonzales, and Walter Dotson.

The Sox, managed by E. Irwin and M. C. Ledbetter, assisted by Dock Long: Mike Irwin, Rory Kuehler, Gary Embry, Willie Martinez, Ricky Monroe and Mickey Patterson, holdovers. New men added, Lonnie Hamilton, Billy Bob Freeland, Gary Kernell, Randall Tanner, Dick Van, Don Va nand Ronnie Windom.

Senate Majority Leader Lyndon B. Johnson said Sunday expanding communist interest in Latin America constitutes a threat this nation cannot ignore.

He made remarks in a special report prepared for Texas weekly newspapers.

The Senator, quoting from a recent report by the Senate Committee on Foreign Relations, noted that the numerical strength of card carrying communists in Latin America is relatively small. But the threat of their potential power, he said, is always present.

Soviet policy, the Senator said, is based not on large membership in the communist party but on tightly knit and well trained groups of dedicated fanatics.

The communists, he said, are advancing in Latin America on two fronts — economically and politically.

To counter this move, the Senator said, this nation must recognize that too many Latin Americans feel this nation takes them for granted, concentrates too much attention on Europe, Asia and the Middle East, and has been lavish with aid to other areas of the world but miserly in dealing

with hemispheric neighbors.

Johnson said he did not suggest "we should pay less attention to other areas of the world. But we need to look to the future; to pay more attention to the problems of Latin America. This is a land of promise. This is a land of growing power and promise. These are our neighbors."

Jim Latimere

Speaks to Jaycees On Soc. Security

Jim Latimere, field representative for the Social Security Administration, outlined the services offered by the Social Security Administration to residents of the area at the regular noon meeting of the Jaycees here Monday.

Latimere, a former Matador resident who now resides in Lubbock, was introduced by Ray Keith Monaghan, president of the Club.

Also visiting the club Monday was Bill Defee of Amarillo, a

guest of John Barnes. Latimere was a guest of Bill Glassford.

Latimere pointed out that the Social Security program brings some \$155,000 per year to Cochran County in benefits to persons under the program.

He also outlined the administration's new schedule for serving

**HONORED ON BIRTHDAY**

A party honoring Micki Michele Dewbre on her 1st birthday was held Friday, May 6th in the home of her parents, Mr. and Mrs. James Dewbre. The paternal grandmother was co-hostess.

Those attending were Camille and Jerry B. Leverett, Jeanna Monroe, Rocky and Rillie Dewbre, Jerry Jones, Jane Wells and Kelly Travis.

**BROWN COUNTY REUNION**

The annual Brown County Reunion and picnic will be held Sunday, May 15, beginning at 10:30 a. m. at the Mackenzie Park terrace building, 407 East Broadway, Lubbock. It was announced this week by Roland Thompson, president of the association,

## Raise a car in a cotton field?

**It's not fantastic! And here is why:**

Only \$5.60 invested in Phillips 66 Ammonia returned an added net profit of \$54.32 per acre on cotton, after deducting the cost of ammonia. Just 75 acres of cotton like this means over \$4000 extra profit. You can buy a pretty good car for \$4000.

Ask your Phillips 66 Distributor to show you the ways this 82% nitrogen fertilizer can help you live better through higher profits per acre.

	Using Phillips Ammonia	Without Ammonia
Fixed Cost Per Acre	\$75	\$75
Ammonia Cost Per Acre	\$5.60	—
Yield Per Acre	847 lbs.	633 lbs.
Net Profit Per Acre	\$156.56	\$102.24
<b>INCREASED PROFIT PER ACRE \$54.32</b>		

Cotton at 75¢ lb. Example only. Results vary according to soil fertility, available moisture and cultural practices.

**THRIPS ON ROSES**

Roses should be dusted for thrips as soon as the flower buds begin to develop. The thrips enter the flower bud and feed on the tender flower parts, causing the petals to become flecked and discolored and the flower deformed. Often the flowers fail to open.

An insecticide and fumigicide combination spray may be used. This will rid the plants of thrips and also prevent blackspot.

If opening buds show thrip damage all buds should be cut off and burned then a spray program started. Spraying every week until no thrips are found is advisable.

**MAY FOOD PLETFULS**

Milk and dairy products are headliners on the May plentiful food list, released by the United States Department of Agriculture. Also included are canned freestone peaches, cranberry products, canned blackberries, vegetable fats and oils and scallops.

Ice cream is one of the dairy products that deserves a place in May meals. Serve it topped with canned freestone peaches. Cottage cheese is another popular item for spring salads, cold plates or relish dishes. Vary it by adding chopped parsley, chives or a little onion juice. Another popular cottage cheese salad is made by adding chopped green pepper and chopped onions to the cottage cheese. Moisten with mayonnaise.

For a bright spot of color, there's plenty of ruby-red bottled cranberry beverage and also cranberry sauce on markets.

For breakfast or dessert fruit those canned freestone peaches may be served chilled or heated, as desired Or top each half with one teaspoon of butter, then broil. Serve with meat.

Large No. 10 cans of blackberries, ideal for restaurant or institutional use, are especially plentiful. Most of these come from East Texas canneries. Use the recipes in the boxes of powdered gelatin to make sparkling jelly.

Some of the plentiful vegetable fats and oils may well be used for pan fry scallops. Have fat in a heavy frying pan hot but not smoking. Scallops can be nicely browned and ready to serve in 4 to 6 minutes.

**TIME TO SPRUCE UP OUTDOOR FURNITURE**

With warm weather already starting, this is a good time to get outdoor furniture in condition for summer use.

Extension home furnishings specialists of the A & M College System give these timely suggestions.

If you have non-anodized aluminum outdoor furniture that has started to pit, rub with 2/0 steel wool and oil the hinges carefully; then rub on a coat of an exterior clear penetrating tung oil sealer.

Freshen iron furniture by removing soil with warm soapy water, a brush and cloth. Rinse with warm water and dry. Remove rust with 2/0 steel wool and apply a metal paint or an exterior sealer.

To repair loose bindings on rattan furniture, soak them in warm water, rewind carefully and tack. Coat with clear varnish or a clear penetrating tung oil sealer.

Redwood furniture can also be finished with a tung oil sealer. The kind designed for outdoor furniture will dry in the presence

of moisture, according to the specialists.

Replacements of sail cloth and canvas covers for director chairs and butterfly chairs can be found ready made, or you can make them yourself if you are fairly skilled at sewing jobs. Plastic backed vinyls, webbing and easily washable fabrics are available by the yard for use on different kinds of outdoor furniture.

**SHOE COVERING WORKSHOP**

A shoe covering workshop will be held at Bledsoe, May 18. The Meeting will start at 9:30 a. m.

By Mrs. W. A. Pool STOCKHOLDER'S MEETING HELD FOR CO-OP GIN

A barbeque plate lunch supper was served to stockholders and families of the Enochs Co-op Gin on April 29. The event started at 6:30 in the Bula School Gym. Afterward, while a western movie was shown to the children, a stockholders meeting was held in the High School auditorium. Rev. J. J. Terry gave the invocation and A. M. McBee called the meeting to order. R. T. Newton read the minutes of the 1959 meeting.

A song, "God Bless America", was sung by Sandra Seagler and Carol Cooke, with Theresa Hall accompanying at the piano. Mr. Alex Williams gave an audit of the books.

J. E. Layton was re-elected to the board of directors and a new member, Donald Grusendorf, was elected for a two year term. A drawing for prizes was held with 5th prize going to Mrs. J. E. Layton, 4th to Mrs. C. H. Byars 3rd to Mrs. Raymond Hall, 2nd to Mrs. T. A. Thomas, and 1st to Mrs. Nelda Ford. All were made of cotton.

In the men's drawing, 5th prize (3 filters) went to K. C. Bryant, 4th went to Ray Seagler, 3rd to Dale Nichols, 2nd to A. M. McBee and 1st to Carl Hall.

Dividend checks were handed out to stockholders as the meeting came to a close.

HOME FROM HOSPITAL

Mrs. M. A. Phillips was home again from the hospital after a few days stay. Her 2 weeks old son spent the time with his aunt Mrs. Guy Sanders.

HOSPITALIZED

Mrs. Lindsey Bates (formerly Carol Dane) has been in a Muleshoe Hospital with pneumonia. She was reported Saturday evening to be slightly improved.

UNDER GOES SURGERY

Mrs. Alice Harry went home Thursday after spending several days in Taylor Clinic at Lubbock. She had surgery on Friday, April 22.

SERIOUSLY ILL

Mrs. Clara McGinnis was reported Sunday to be very seriously ill. Mr. and Mrs. Carl Hall went to Lubbock to be with her.

IMPROVING

Mrs. P. A. Altman is home and improving. Visitors at the Altman home Sunday were her daughters, Gracie from Littlefield and Mrs. Kenneth Coats and Children.

VISITS PARENTS

Mrs. Donald Williams and children of Amarillo visited with her parents, Mr. and Mrs. J. J. Terry

of Enochs this past week end. — O — HAD MAJOR SURGERY W. M. Bryant who underwent major surgery recently was able to be in church Sunday. — O — VISIT NEAR ROCHESTER Mr. and Mrs. Duane Bryant, and Ricky, Linda and Sandra visited last weekend with her grandmother, Mrs. O. D. Pool Sr. and other relatives near Rochester last weekend. — O — IN HOSPITAL Mr. W. A. Pool of Enochs is in the Medical Arts Clinic at Littlefield after suffering a heart attack. His condition is critical. — O — VISITS GRANDPARENTS Sharon Bryant spent the weekend with her grandparents, Mr. and Mrs. W. M. Bryant. — O — HONORED WITH SHOWER A wedding shower was held at the Bula Lunchroom on Thursday night April 28, for Mr. and Mrs. Bud Pierce. Hostesses were from both Bula and Enochs communities. A large crowd was present and the couple received many nice gifts. — O — RECEIVES BROKEN KNEE Mrs. Ellen Bryant of Littlefield who has friends in this community is in Medical Arts Hospital this week with a broken knee. She is expected to spend 6 weeks in the hospital. Earlier in the year she suffered a broken hip. — O — YOUTH DAY OBSERVED Youth Day was observed at Enochs Baptist Church on May 1st with young people teaching the classes and willing the other positions in the services. Don McCall

opened Sunday School services, and Stanley Snitker acted as General Superintendent. Morris Peterson served as song leader. Pianist was Theresa Hall. The choir was made up of young people. Rev. J. J. Terry brought the message. The Church welcomed new members, Mr. and Mrs. Clyde Price. — O — HOUSEPARTY GIVEN A houseparty was held at Muleshoe Baptist Church for the G. C. girls, from Friday evening at 6 o'clock until Saturday noon. All meals were furnished. Three hundred and ten girls and their counselors attended. Those attending from Enochs were Delores McCall, Debbie Vandlingham, Jewellene Brackman, Marilyn McCall, Frankie Sanders, Kay Peterson, Nelda Seagler, Dana and Sherry Howard, Alice Gibson, and their counselor, Mrs. Bedford Peterson and Mrs. E. N. McCall.

Social Security Payroll Is Large In This County One of the largest "payrolls" in the county is Social Security being paid currently to residents of this county. Figures released this week by the Social Security Administration, show that benefits in force for Cochran County amount to more than \$155,000 per year. This means that benefits paid to retired persons, disabled persons, survivors of deceased workers and other qualified individuals, amount to one of the largest single payrolls in this county, stated John G. Hutton, manager of the Lubbock, Texas, District Office of the Social Security Administration.

IN PRECINCT ONE —

# Lyndon Johnson Gets Precinct Endorsement

By Bill Glassford  
The jet age arrived in Morton Saturday — and Precinct One Democrats must be given the honor for introducing its marvels to Cochran County.

It took them less than eight minutes Saturday to approve a Senator Lyndon Johnson "favorite son" resolution, elect delegates to the county convention May 14, and adjourn.

LeRoy Johnson, precinct chairman, ordered the District Court room doors, convention doors, locked at 2:30 p. m.

(Some folks arrived late, but no amount of beating upon the doors gained them entrance.)

The chairman pointed out that all poll taxes and exemptions had been checked at the door, and then asked any persons not qualified to be present, to leave.

One youth, under voting age, was granted permission to stay.

The chairman then called for the election of a temporary secretary, and Joe Nicewarner was selected.

Johnson said the next business would be the naming of a permanent chairman for the convention.

In short order Johnson was nominated, the nomination seconded and approved by a standing vote.

A nomination, second, and approval seated Nicewarner as secretary of the convention.

The chairman then observed it was customary for the chairman to name various committees at this point in conventions.

He had named a resolutions committee, and was well into the fourth name on the credentials committee when he recognized a precinct voter on the floor.

The precinct convention member read the following:  
Resolution Number 1  
May 7th, 1960 --  
Precinct Democratic Convention  
Morton, Texas

WHEREAS, our nation now enters an historic decade of decision in which the future of human freedom will be directly determined by the vigor, wisdom, effectiveness and — above all — the responsibility of America's own leadership, and,

WHEREAS, to meet this challenge it is incumbent that the next President of the United States be a man already seasoned

in the duties and responsibilities of national leadership, a man with both the vision and background to make the fights that must be made for a strong first-class America, a man who understands other men at home and abroad and can bring them together to resolve the grave questions of peace and opportunity in our times, and a man who has the ability and will and experience to make the American system of government function as it should and can, and,

WHEREAS, the Senior United States Senator from Texas, Lyndon B. Johnson, the Majority Leader of the United States Senate has truly proven to be a responsible leader of our Nation, our government, and party,

NOW, THEREFORE, BE IT RESOLVED, that we as the members of the Democratic Party in precinct 1 of Cochran County, do hereby call upon the delegates of our party from every state to give their votes and support to Senator Lyndon B. Johnson as the nominee of the Democratic Party for Presidency of the United States as the man best able to serve the nation and the times, and to support of this call we, individually and together as Democrats, pledge our own unceasing efforts to secure his nomination and election as President of the United States, and

BE IT FURTHER RESOLVED, that we do hereby instruct our delegates to the county convention to work for a Texas delegation to the national convention instructed to name Senator Johnson as their chairman and to work for and secure his nomination for President of the United States.

RESOLUTIONS COMMITTEE  
Pegues Houston  
Chairman  
Members:  
Joe Nicewarner  
Mrs. H. B. Barker

Mrs. S. E. Williams  
J. W. McDermott  
Completion of the reading brought forth a loud "second" from the convention, and approval followed.

The recognizing of another member of the Democratic convention brought forth a list of nominees for delegates to the county convention.

Nominees were Mr. and Mrs. Joe Seagler, Mr. and Mrs. J. W. McDermott, Mr. and Mrs. R. L. (Short) Lemons, Mr. and Mrs. H. B. Barker, Mr. and Mrs. Earl Siebert, Mr. and Mrs. Roy Hickman, Mr. and Mrs. Joe Nicewarner, and Mr. and Mrs. H. R. Ramp.

The convention again gave forth with a loud "second" and approval.

An adjournment motion followed was "seconded", and approved.

Immediately most of the 131 listed persons present began pouring out of the convention doors.

A glance at the watch indicated fully eight minutes had passed — it was 2:38 p. m.

## Friendly Circle Has A "Luau"

The Friendly Circle H. D. Club had a Luau (Hawaiian feast) in the home of Mrs. L. Z. Scoggins on Monday, May 2 at 2 p. m.

Food from Hawaii was the program given by Miss Lella Petty, H. D. Agent. Several habits and sayings in Hawaiian were discussed.

Roll call was answered by 4 members, H. D. Agent and one guest, Mrs. F. E. Smith by a Mother's Day Gift I Remember.

Citizenship Chairman, Mrs. H. T. Gardner announced that the Citizenship Training Program was being held each Monday night and for each member to try to attend.

The next meeting will be on Monday, May 18 in the home of Mrs. Woodrow Self at 2 p. m. Program will be given by Food Leader, Mrs. Woodrow Self on "One Dish Meals."

Maia Me Ka (Bananas with coconut) Haupia (coconut dessert) fruit salad were some of the Hawaiian foods served to Mmes. Jake Ried, H. T. Gardner, L. Z. Scoggins, Carl Koontz, Miss Lella Petty and guest Mrs. F. E. Smith.

Governor Price Daniel thanks J. E. Willis, Jr., president of the Oak Cliff Lions, largest Lions Club in America, for a pair of 14k gold "Texas Navy" cuff links. The cuff links, authentic replicas of buttons worn by officers of the Republic of Texas Navy in 1836, were made especially for Governor Daniel by craftsmen at Everts Jewelers, Dallas, where Mr. Willis is credit manager. Occasion for the presentation was the review of the re-activated Texas Navy by Governor Daniel from the Battleship Texas in Houston on San Jacinto Day.

## Whiteface —

(continued from page 1)  
Monday, May 16.  
There are again four teams in the Whiteface-Sundown Little Leagues, two each from Whiteface and Sundown.

Managers for the Whiteface teams are White Sox, Wade Taylor and Truman Swinney; and Cardinals, Merle Brasher, John V. Bridges and Afton Cox.

The Whiteface Minor League Cubs are managed by J. C. Sumnerlin and the Pirates by Dave Singleton.

President of the League is Cecil Riddle of Whiteface and in charge of the Whiteface barbecue will be Marvin Stegall.

The public is cordially invited to attend the pre-season observance Saturday, including the barbecue and both games.

## THANKS!!

With true sincerity, Mrs. Edgar and I say THANKS to the 827 voters who cast their ballots for me Saturday in the County Attorney's race and to all those who supported me.

The omission of my Political Ad in last Thursday's, May 5, issue of the Morton Tribune was in strict violation of my agreement with the Editor of the Tribune. It is hard to believe, as Editor Irwin insists, it was a "Mistake," and if it was truthfully an oversight, it was one constituting gross negligence which shows a total lack of responsibility amounting to wantonness.

So long as we live we shall continue to fight for right, fairness and justice for all, and AGAINST wrong and political machines of "Special Interests."

THANKS AGAIN!  
Grover D. Edgar  
(Pd. Pol. Adv. Paid for by Grover D. Edgar)

## R. E. Thompson to Head Stud. Council

The Morton Student Council has R. E. and Vivian went into a run-off vote which was won by Thompson as president of the 1960-61 student council.

In a very close race between three candidates, Thompson, Vivian Ledbetter and Leon Jeffcoat,

## To the Folks of Precinct 1:

I want to take this means to thank the good people of this precinct for their courtesy during my campaign for Commissioner.

Working with you for the betterment of the City of Morton, and for Cochran County has been a great pleasure, and shall be in the future, as I intend to continue to put forth every effort to make this community a better place in which to live.

I appreciate the clean race run by my opponents, and to those who chose to support me I am most grateful.

Respectfully yours,  
R. C. Strickland  
— Pd. Pol. Adv.

EXCLUSIVE P-A-G SORGHUMS LOOK GOOD IN THE FIELD ... PROVE THEIR TOP PERFORMANCE WHEN YOU HARVEST

You can plant P-A-G Sorghums with confidence. Each one has been researched, tested, and proven before it has been offered for farm plantings. These hybrids are exclusive with P-A-G because they are the end result of extensive P-A-G research and development. What are the main things you look for when you choose a hybrid sorghum? Standability ... quick drying ... easy harvest ... drought and disease resistance ... PLUS HIGH YIELDS. All these characteristics are carefully bred into P-A-G Sorghums. This careful quality control pays off in your field when you plant P-A-G Sorghums. Order soon from your local P-A-G dealer.

## TOUR AREA COUNTIES TO CHECK ON HANDLING OF COMMUNITY BUILDINGS

Four Cochran County Club women and County Judge Glenn Thompson made a tour of three counties Tuesday in an effort to determine how other counties are handling the operation of their community buildings.

He said the Commissioners' Court is planning to name such a board, from recommendations by various organizations throughout the county. He said it probably would be a 7-man board.

The trip grew out of recent questioning of charges for use of the County Activities Building, which some persons thought perhaps out of line.

Judge Thompson said they found that Cochran County was reasonably close in its type of operation, slightly higher in some charges. He said the three counties visited all had their community building under a board

## BIRTHDAY PARTY FOR LINDA ROSE

Linda Rose celebrated her birthday last Friday, May 6 with an old fashioned taffy pull. The guests were given portions to pull and were asked to use some of it to make taffy doll-heads decorated with cake coloring and other bits of colored taffy. Prizes were awarded for the best designs.

Birthday cake was served to the following young friends, Frankie Jackson, Donna Allsup, Jeanette Cooper, Sharon Clayton, Charlotte Smart, Jeanette Childs, Sandy Kelley, Jill Banks, Charlotte Masten, Patricia McClure, Janice Stokes, Gail Rowland, Joan Vandlingham, Jimmy Cartwright, St. Clair, Curtis Jennings, Donight, Jerry Don Cooper, Richard Sanders and the hostess.

WASHINGTON AND "SMALL BUSINESS" BY C. WILSON HARDY

If the just released annual report of the Senate Small Business Committee is any criterion of legislative scheduling, it now appears certain before this session of Congress adjourns, the Federal Trade Commission will be put very squarely on the hot seat.

Some time ago a member of this C. W. Hardy committee, Sen. Hubert Humphrey was quite explicit in an exchange of words with Earl Kintner, FTC chairman. Through his fearless foray into the world of the disc jockey Chairman Kintner now shares top billing with Elvis Presley in matters of rock 'n' roll. Sen. Humphrey inquired why FTC did not get off dime on vital small business matters.

This line of reasoning is taken up in the report of the full committee submitted by Sen. John Sparkman, chairman. In addition, the committee includes the following other Senators, Geo. Smathers, Alan Bible, Jennings Randolph, Clair Engle, E. L. Bartlett, Harrison Williams, Jr., Frank Moss, Everett Saltonstall, Andrew Schoeppel, Jacob Javits, John Cooper, Hugh Scott and Winston Prouty.

The report goes into some length on the situation in the food marketing industry.

By 1957 the Senate committee found, 20 of the nation's largest food chains account for 35% of the nation's food sales. In some markets, four chains account for 60% of food sales.

© National Federation of Independent Business

The report also called attention to the growing trend of the big chains to enter into the manufacturing end of the food business stating that the 20 big chains operated 90 of these captive manufacturing plants which accounted for over a billion dollars in sales last year, with 85% of the products of these plants sold through the chains' outlets.

The report also indicated by strongly worded language that when a few firms account for a relatively large share of sales, there seems to be quite a relation between competitors. Then the report says:

"Contrary to its resolution directing the current study of concentration in food marketing, and in spite of the ample evidence available, the FTC appears reluctant to extend its inquiry into matters relating to exclusive pricing and unfair competitive methods. Your committee expects to see increased interest along this line during the second session of the 86th Congress. It plans to conduct a full study of the final FTC report."

It appears quite vital that the Senate Small Business not be diverted in its announced aim to investigate FTC actions in field of food marketing to find out why police sleep while depredations in the market place go on.

Thus it would seem quite important that anyone concerned with the growing, processing or handling of food support their Congressman in a real fact finding probe, because as one observer put it in jest "Food is rapidly becoming too expensive to eat."

To the Folks of Cochran County:

Thanks a million for your generous support

## FREEDOM IS A MIGHTY SWORD

We Americans can rightly be proud of the fact that we are a peace-loving people. That our aim as a nation is to strive to improve human welfare, with freedom and justice for all. \* Such a people is always slow to anger, tolerant and patient. But when patience is exhausted, a peace-loving people can turn its peace-time skills into weapons of fierce and righteous wrath. There is only one way such a nation could be enslaved. That would be through propaganda that misleads, through lack of knowledge, and of truth. America's greatest strength is...freedom of the printed word...to give the people truth, truth that builds freedom of thought, of word, and of vision. \* This great Freedom tempers the steel out of which a nation and a people can forge mighty swords.

Comment from the Capital

THE LAST MONOPOLY

by Vant Neff

When we think of monopolies, most of us think of them as historical, and gone. Monopolies, we know, flourished at the turn of the century, when financial giants manipulated jobs and men to suit themselves. Monopolies were dangerous, crude accumulations of power. Public opinion, then, legislation, took care of them. Monopoly, we think, is dead as the dinosaur. When we think this, we are wrong.

Today, Monopoly is making a last tremendous stand as union power, stronger and far more arrogant than the power of any past financial titan.

The monopoly power of modern unions is built on a double base, easy to recognize. At present, union monopoly power dominates not only men's jobs, but the men themselves. This double-monopoly has grown through the years, until today it can successfully throttle a business, halt a whole industry, even threaten the country's economy.

Here is how this double-monopoly works:

Except in states with right-to-work laws, it's legal today for the union to sign an agreement with industrial management for a "union shop." This means that a new workman must, before a specified time (usually 30 days), join the union to keep his job. And this, in spite of the language of the Wagner Act, which guarantees the individual workman the right to join or not, as he pleases. In actual fact, however, the new man continues his job only when he joins and pays his dues. The union dominates his job; he is told what he can and

cannot do, how fast or slow to work. He is part of the vast union lock-step that monopolizes industrial jobs today.

This monopoly-power goes even further. It tells the man whether he should work or not. True, a "vote" is taken when a strike becomes an issue. But the record shows that the union leader's orders prevail. The leader has a complete

monopoly over the workman. With this domination established, the union leader is today a real Monopoly Giant — with almost unlimited power.

Now, beyond the fact that this unrestrained power is completely counter to the American concept of individual freedom — it has an end-product not only inevitable, but dangerous to the whole American

economy.

This is the ability of a union leader to close down an industry almost at whim. Formerly, the temper of the times was such that anyone who mentioned this fact was shouted down as an enemy of the working man. But, in and out of unions, more of us every day are coming to realize the lack of self-discipline, the lack of responsibility, shown by many union leaders in their abuse of their tremendous power. Caught in the public eye, too many union leaders have proved not only unscrupulous, but even criminal.

Far from attacking unions and the constructive function they can perform, it is the abuse of this vast monopoly-power by bad or ignorant men that is attracting the attention of all of us. Some method of restraint is rapidly becoming a necessity — as it was in the forgotten days of other, past power-tyrants.

But, before restraining such power, we must recognize it for what it is. We must understand, simply, how it grew.

It was created by public sympathy. It grew with the permission of the American public. Public opinion alone can bring about legislative reform. Labor monopoly is today a Frankenstein's monster, with absolute domination over jobs and men — an economic, everyday threat to all of us, a chief source of inflation. Do enough of us understand this arrogant double power, realize its danger, so that courts and public authorities will do what needs to be done to restrain this burgeoning Last Monopoly?

CHAMBER BOARD TO MEET

Members of the temporary board set up to organize a Morton Chamber of Commerce were advised this week by George W.

Boring, chairman, that the next meeting of the group will be Tuesday night, May 17, at 7:30 o'clock in the Western Abstract building, eastside square, Morton.

We're Open Again . . .

I will continue to operate our grocery as in the past, offering you, our customers, the best of service . . . And, I wish to say, your thoughtfulness over the past weeks has been sincerely appreciated.

WORKING TOWARD YOUR CAREER

A Public Service Feature from New York Life Insurance Company

SHOULD YOU GO INTO THE FOREIGN SERVICE?

For more than 180 years, the men and women of the Foreign Service have stood ready to sacrifice their interests, their comforts and their lives for the United States.

They have stuck to their posts in the face of earthquakes, floods, revolutions and wars. They have carried on regardless of cholera epidemics and worse. They are dedicated people and they can rightly be called America's first line of defense. Upon them can depend the issues of war and peace.

The Foreign Service must, first of all, protect American interests abroad. It has the job of promoting those interests by demonstrating their mutualty with those of other nations. In addition, the Service must do everything in its power to assist American citizens in their legitimate activities abroad.

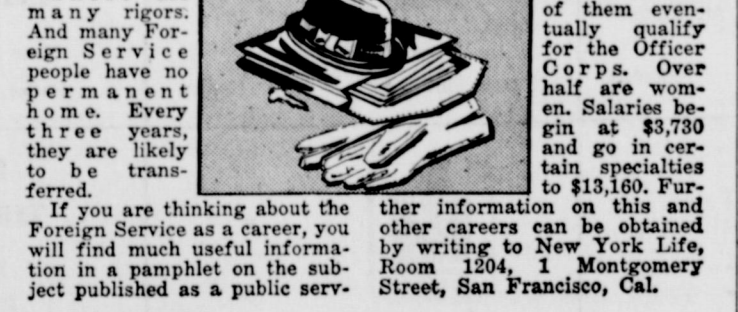

There are many rigors. And many Foreign Service people have no permanent home. Every three years, they are likely to be transferred.

If you are thinking about the Foreign Service as a career, you will find much useful information in a pamphlet on the subject published as a public service by New York Life Insurance Company.

Advancement is strictly on merit. Applicants for the Foreign Service Officer Corps must be American citizens from 20 to 31 years of age and should have records of impeccable loyalty and discretion. Written and oral examinations are exacting. Salaries usually start at \$5,225 and can rise to \$27,500 in the case of ambassadors at more important posts.

A broad liberal arts education with emphasis on history, science, economics, the literature of all nations, modern languages and public and business administration is recommended for those wishing to prepare for a Foreign Service career.

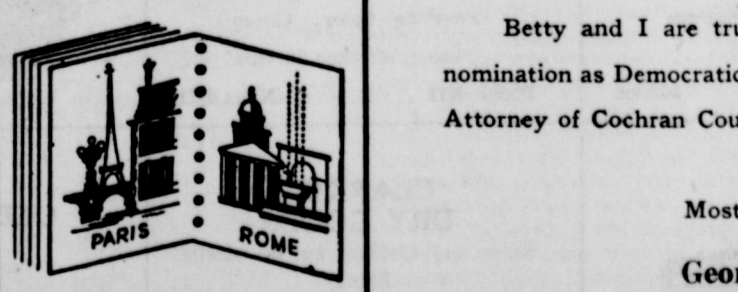

The Foreign Service Staff Corps which includes typists, stenographers, code clerks and others, is also selected with special care. Some of them eventually qualify for the Officer Corps. Over half are women. Salaries begin at \$3,730 and go in certain specialties to \$13,160. Further information on this and other careers can be obtained by writing to New York Life, Room 1204, 1 Montgomery Street, San Francisco, Cal.

C & I MEETS TONIGHT

REBEKAH LODGE SAYS, "THANKS"

The Morton Rebekah Lodge offers its thanks to all who patronized their concession stand the past two Saturdays and made it possible for the lodge to earn money to carry on the lodge activities.

WORDS OF THANKS:

I would like to take this opportunity to express my appreciation for the large turnout of Voters in the Primary election. I am certainly grateful for the fine support that I received.

I wish to remind the voters of Precinct One that their support between now and the run-off and their vote on the 4th of June would be greatly appreciated.

Sincerely,

— Pd. Pol. Adv. Leonard O. Coleman

# J. T. DANIEL IS WHO'S WHO WINNER — \$66 GOES AGAIN; CONTESTANT NAMES MRS. DEXTER A. NEBHUT

J. T. Daniel, who resides on Northwest Fifth Street, was awarded \$66 Tuesday in the area-wide mystery person Who's Who sponsored by 44 Morton merchants.

Daniel correctly named Mrs. Dexter Nebhut of Morton as the mystery person and listed correctly 33 clues describing Mrs. Nebhut.

The entry of Daniel was drawn from the cage by little Miss Melissa Mills, 14-month-old daughter of Mr. and Mrs. Burnie Wayne Mills of Morton.

(Some folks reported the clues were too vague this time, but you were warned.)

Among other persons identified as the Who's Who individual was Mrs. Roy Hickman of Morton.

A check of the 542 entries also showed that some folks forgot to sign their entries. Wouldn't it be rough to pull out an entry with the correct Who's Who, all clues perfect but no signature?

When contacted Tuesday evening, Mrs. Daniel said her husband wasn't at home, but that he would be highly pleased. Incidentally, she said he'd never been that lucky before.

The Who's Who awarding was conducted Tuesday at Forrest Lumber Co. Entries were gathered from Lindsey Feed and Seed, Clarke's Dry Goods, Hawkins Oldsmobile and Forrest.

The boxes will move to Byrons Auto Supply, Ray Hudson Texaco Distributor, Willis Food, and Morton Laundry.

Here are the clues to the identity of Mrs. Dexter Allen (Vivian) Nebhut:

Once worked for U. S. Government, (on 1960 census); Attended school in Terry County, (5th and 6th grades); Born in a South Plains County, (Bailey County, two or three miles north of Bula); Enjoys Blackwood Brothers; Favorite sport, basketball; Drives late model automobile, (1959 Ford); Mate came from a neighboring state, (Oklahoma); Reads Tribune, Ladies Home Journal, and Club Women, (member of Young Matrons Study Club); Back door of home faces east; Mate attended Texas college founded in 1889, (John Tarleton Agricultural College, Stephenville); Philosophy of life: Proverbs 6,6, (Go to the ant, thou sluggard, consider her ways, and be wise); Active in church work; (teaches class at Church of Christ, 202 Southwest 2nd); Gathered Cow chips for mother's wash fire; Attended a Big Convention at San Antonio, (Home Demonstration convention in 1956); Was graduated from South Plains High School, (Bula in 1950); Front door of home faces east; Works Who's Who.

Is often in downtown Morton, (works in Great Plains Natural Gas offices); Favorite colors: brown and beige; Mate's middle name same as last name of late famed radio comedian, (Allen Fred Allen); Actions match meaning of given name, (Vivian, full of life); Mate born in town with same name as county in North England, (Durham, Oklahoma); Trained in the art of using a pencil or pen, (bookkeeping); Was member of

set as of yet.

Each member brought a covered dish. Dinner was served to 4 members and 2 guests.

Theme for the next meeting is "Food from Hawaii," to be given by Miss Leila Petty in the home of Mrs. L. Z. Scoggins on Monday, May 2 at 2 p. m.

Those attendin were Mrses. H. T. Gardner, Jake Ried, L. Z. Scoggins, Carl Kooztz, and guests Mrs. Bob Cook, Mrs. Lewis and Mrs. Burl McCasland.

Plans were made for making straw bags. The date has not been

set as of yet.

Each member brought a covered dish. Dinner was served to 4 members and 2 guests.

Theme for the next meeting is "Food from Hawaii," to be given by Miss Leila Petty in the home of Mrs. L. Z. Scoggins on Monday, May 2 at 2 p. m.

Those attendin were Mrses. H. T. Gardner, Jake Ried, L. Z. Scoggins, Carl Kooztz, and guests Mrs. Bob Cook, Mrs. Lewis and Mrs. Burl McCasland.

rhythm band that went to county meet, (second and third grade); Hobby, cooking; Class valedictorian; Mate played in band; Mate likes 42, (try to beat him); Hobby, sewing; Mate's initials spell a title of honor equivalent to master, or sir, as Dan Cupid; Initials same as those of a new republic established in the mid '40's, (Viet Nam); Mate's Christian name initials same as nickname of once popular radio program, (Mr. District Attorney, DA) . . . and those are the 33 clues and Who's Who mystery person that gained Daniel \$66 . . . maybe it'll be you another time?

## WIN CASH . . .

# WHO WHO'S in MORTON

TOTAL PRIZE MONEY \$1320.00 THIS WEEK \$ 66.00

Copyright 1959 by B. Reinhardt. All Rights Reserved

### Where to LOOK for CLUES . . . RULES

Clues may be hidden in ANY ad in this group ad. When a "Star" appears in any of these ads, it means that additional advertising for that merchant appears elsewhere in this issue of the Morton Tribune, and additional clues may be hidden in any of those ads, also!

Clues will be scattered . . . there may be from one to five clues in any ad . . . or none. This is a contest of skill . . . and we intend to do our best to outwit you. We invite you to do your best to outwit us!

### and the MORTON AREA

## RULES

1. This is a family fun contest. Entries welcome from every member of the family old enough to fill out his or her own. You may submit one entry per person at any or all of the Sponsoring Merchants whose ads are in the row that is heavily bordered this week . . . but only one entry per person at any one store (more than one will disqualify all entries of that person for that week). Anyone can enter unless a member of your family is employed by the MORTON TRIBUNE. Sponsoring merchants, their families, (and their employees and families) are most welcome to enter, EXCEPT during weeks that entries are brought into the Sponsor's place of business.

2. Nothing to buy. Use any slip of paper for entry blank. DO NOT put your entry in an envelope. Not necessary to be present at the drawing to win.

3. WHO'S WHO may be anywhere in the Morton trade area. Clues to his or her identity will be hidden ONLY in ads of Sponsoring Merchants (this means any ad in this section or any ad of the same merchant elsewhere in the paper). When star (s) appear in any ad in this section, it is your warning that other ad (s) of the same merchant (in which there may be clues) appear elsewhere in the paper. Clues will be scattered . . . many ads will have no clues while others may have as many as five. Beware of false clues; there may be some! This is a contest of skill and we intend to do our best to outwit you. We'll be delighted if you succeed in outguessing us, in spite of our best efforts.

4. If, by coincidence, the name of WHO'S WHO (or other facts about him or her) happen to appear in news items, editorial matter, or other places in this newspaper, these will not count as clues.

5. To enter, write down the name you think is WHO'S WHO. List all the clues you can find in all the ads of the Sponsoring Merchants in this issue. Don't forget your own name and address! Then drop your entry at the business location of any Sponsoring Merchant WHOSE AD IS BETWEEN THE HEAVY BORDERS IN THIS SECTION. You may enter at all four if you wish. There are no other places where entries will be accepted . . . and MAIL ENTRIES WILL NOT BE ACCEPTED.

6. This week's contest starts when you receive this issue, and closes at 4:30 p. m. Tuesday of the following week. At that time (4:30 p. m., Tuesday) a drawing will be held. The first entry drawn that correctly identifies the WHO'S WHO will win \$10.00. If THAT entry also lists every correct clue, (and no false clues) hidden in all ads of Sponsoring Merchants, the Bonus Jackpot of \$56.00 will be given. Whenever this bonus is not won it will be added to next week's BONUS . . . which will continue to grow until it is won! Winning the BONUS requires a PERFECT list of correct clues . . . the exact number and all copied correctly.

Family participation gives you a better chance to win the jackpot. Your wife, husband, or some bright-eyed youngster MAY spot a clue that you miss! Got any detective blood in you? Think you can outwit us? Remember you can't win if you don't enter . . . Fix up your entry NOW!

### H. D. Club Has As Day's Project Plastic Flowers

Plastic flowers was the project at the all day craft meeting of the Friendly Circle H. D. Club on Wednesday, April 27th in the home of Mrs. Carl Kooztz. Mrs. Bob Cook and Mrs. Lewis brought several flower arrangements and assisted in making the flowers.

Plans were made for making straw bags. The date has not been

### EFFICIENT FEEDING AND LIVESTOCK MANAGEMENT

By Dr. Gustav Bohstedt Emeritus Professor of Animal Husbandry University of Wisconsin

#### Salt Vital In Milk Production

Some months ago I listed the striking behavior of cows that had been deprived of salt in the pioneer salt requirement test by Dr. S. M. Babcock soon after the turn of the century. Even though the test cows were more or less average producers they reacted drastically to a salt deficiency in their rations.

Dr. Bohstedt

Now, nearly fifty years later, S. E. Smith and associates at Cornell University have conducted a similar salt-withholding test but with distinctly above-average cows. We might expect these cows, capable of producing 14,000 pounds of milk annually, to show even more severe symptoms of salt deficiency than the "average" cows tested by Doctor Babcock. Let us read what the experimenters themselves have to say: "These cows fed no supplemental salt quickly showed a craving for salt. Within two weeks they made marked efforts to get salt when teased with block salt. They progressed to the point of depraved appetites in which urine, feces, dirt and other abnormal objects were licked or consumed, apparently in an attempt to get needed salt. About the eighth month serious symptoms developed. At this time appetites began to fail along with a precipitous decline in body weight as well as milk production. "Cow 90 became so deficient

that she was unable to stand, had a body temperature of 96° F., marked abnormality of heart beat and a complete appetite failure for both feed and water. The attending veterinarian gave the opinion that death was probable in a few hours. A quarter-pound of salt was presented to the cow and she consumed this avidly at about 4 p.m. At 5 a.m. she was up, looked bright, consumed feed and water and went on to an uncomplicated recovery. "This surely is abundant proof that salt is doubly necessary for animals that are bred for, and capable of, high performance. Such animals should have one per cent salt in their grain ration along with free-choice salt available at all times.

Question: Are cattle on spring pasture more apt to suffer from "grass staggers" than later on, and can anything be done to prevent it or cure it? Answer: "Grass staggers," also called "grass tetany" and "wheat poisoning," depending on the nature of the pasture, occurs in many parts of the country, or the world for that matter. It suggests an imbalance of minerals in much of the lush green pasture, especially in reference to an excess of calcium, which causes available magnesium to be less well assimilated. A drench of magnesium sulfate (Epsom Salts) is usually a successful treatment. It should be noted that cows on such succulent pasture crave more salt than they do later on. It is wise to humor them in this respect and to be sure they have free access to salt at all times.

**HOSTS LEHMAN HDs AT HER HOME**

The Lehman H. D. Club met in the home of Mrs. Lewis Walker on May 4 with eleven members on the H. D. Agent, Leila Petty, and the H. D. Agent, Leila Petty, present. The devotional was read by Mrs. Walker. Roll call was answered with "A Mother's Day Gift I remember."

Miss Petty gave a demonstration on food from Hawaii. She also told about some of the customs of Hawaii.

Refreshments were served to the following, Miss Petty, Mmes. Ed Brownlow, F. L. Fred, David Burt, Chas. Sanders, Clifford Howell, Clayton Stokes, Enid Ed-

wards, Tim Brooks, Lloyd Wenken, Ralph Burt, and the hostess.

Next meeting will be in the home of Mrs. Lloyd Wenken on May 18. The Food Leaders will be in charge.

**Continues School At Okla. Tech**

Reber W. Pledger of Morton is continuing his technical training during the summer by completing in school enrollment at Oklahoma State Tech, Okmulgee.

The summer term is identical to the other two semesters, and many students prefer to remain in school throughout the summer in order to shorten the length of time they spend in getting an education.

At Oklahoma Tech, any one of the more than 30 technical skills can be completed in 24 months or less.

Pledger has pre-enrolled in school re-building.

**TO HAVE PART IN ENMU OPERA**

A Morton girl, Sara Jo Wallace, daughter of Mr. and Mrs. Jack Wallace, is a member of the cast of Bizet's opera, "Carmen" to be presented by the Eastern New Mexico School of Music, Thursday, Friday and Saturday, May 12-13-14.

**AT MONDAY'S MEETING . . .**

**Hospital Bd. Handles Routine Business; Staff Member to Get Special Training**

Routine business held the attention of members of the Memorial Hospital Board of Managers Monday night.

Among other things the board authorized the payment of a tuition fee of \$25.00 for one of the hospital's staff members to attend a special training course for scrub nurses at Methodist Hospital, Lubbock.

The administrator reported that improvements had been made in the air conditioning of the operating room, and he was authorized to replace the awning on the east side of the operating room. The auditor, Jack Sisk, was au-

sted at \$24,954.77, receipts, \$25,393.22, and disbursements of \$33,582.99.

Attending the meeting were J. C. O'Brien, president of the board, L. W. Barrett, vice president, L. E. McDonald, Arvel Snodgrass, J. C. King, Bill Glassford, secretary, Sisk, and Chas. Lewis, administrator.

**CROP Director To Speak Here Saturday Morning**

H. M. Nichols, Assistant Texas CROP Director, will be here Saturday morning, May 14 to meet with Cochran Counties and discuss the Christian Rural Overseas Program at 9:15 a. m. The meeting will be held in the Banquet Room, Agricultural Building, Morton, Texas. Mr. Nichols will discuss CROP and the possibility of organizing in this county.

Leila Petty, H. D. Agent, is in charge of the meeting.

**NOW!**

**A low-cost way to control Johnson grass in COTTON and FEED**

It's DOWPON\*—the economical grass killer. Instead of chopping or cultivating all season, just apply Dowpon to your fields in the spring before planting, or in the fall, after harvest—and you'll be rid of tough problem grasses. That's because Dowpon, sprayed on the leaves, kills the whole grass plant, from the tops to the deepest roots—at a rock-bottom cost per acre. Also use selectively in some crops.

**SOIL CONSERVATION DISTRICT NEWS**

**OUR SOIL ★ OUR STRENGTH**

Several farmers and ranchers, in the Cochran Soil Conservation District have seeded perennial grasses on old crop land and on depleted rangeland. These seedings are just one step in carrying out a basic conservation plan for their farm or ranch.

A complete pasture or rangeland management program is planned for these newly seeded areas. Included are such practices as deferred grazing, proper pasture or range use, rotation graz-

ing on pastures, and deferred rotation on rangeland. Establishing and managing grazing land, for a profitable harvest, is as inseparable as planting and cultivating for a profitable cotton harvest.

Some of the district cooperators who have participated in seeding some 550 acres of cropland to grass are: Gene Benham, Arnold Cogburn, E. C. Hale, Leonard Coleman, Ike Williams, J. B. Nicewarner, R. Z. (Sunny) Dewbre, Pat R. Smith, and J. G. Stacy. Other cooperators who have seeded some 3,200 acres of rangeland are: Mrs. Jennie B. Denny, J. L. Schooler, Frank Bennet, Jo Jack, and Tom Standifer. Indian grass, Switchgrass, Sand Lovegrass, and Sideoats Grama were seeded in pure stands or in mixture, and Weeping Lovegrass and Blue Panic in pure stands, to meet the needs of the individual farm or ranch.

It has been said, "Manage your grass and the cattle will manage themselves; Manage your cattle and neglect your grass and you are soon out of business."

**LOCAL SOLDIER TAKING PART IN FT. HOOD MANEUVER**

Fort Hood, Tex. (AHTNC) — Army Pvt. James E. Pearson, whose wife, Amy, lives on Star Route, Goodland, Texas, is participating with other personnel from the 1st Armored Division in Exercise Big Thrust, a two-week field maneuver at Fort Hood, Tex. The maneuver is scheduled to end May 15.

Big Thrust, being conducted under simulated combat conditions is providing nearly 6,000 participating troops with training in military operations expected on the modern battlefield.

Pearson, an ambulance driver in Headquarters Battery of the division's 73rd Artillery at Fort Hood, entered the Army last September.

The son of Mr. and Mrs. James G. Pearson, Enochs, he attended Bula High School.

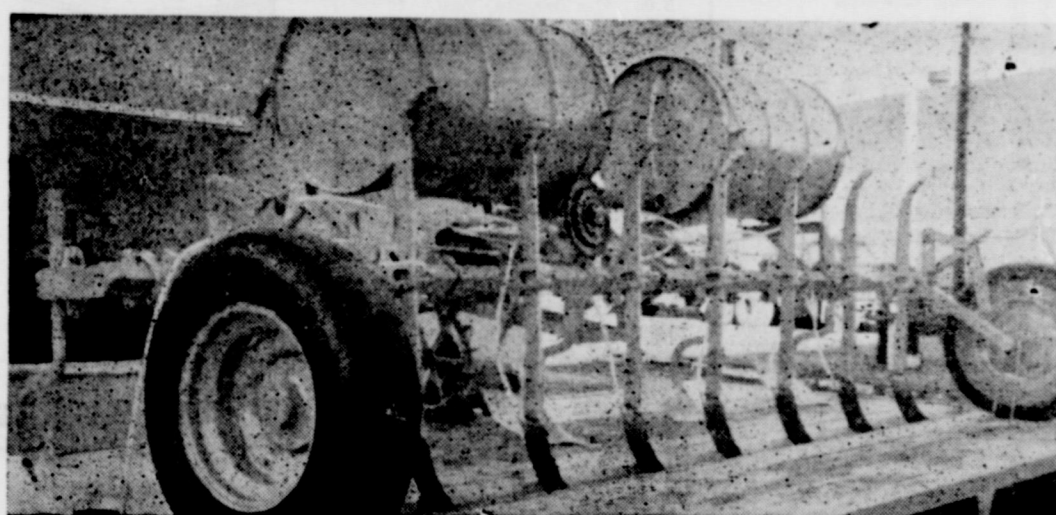

**16 Varieties Corn Undergoing Test At Halfway Stn.**

Sixteen varieties of corn were planted on April 21 in the 1960 corn variety test at the High Plains Research Foundation, Dr. E. H. Collister, chief agronomist, stated. Both white and yellow selections were included in the test.

This is the fourth year that corn variety tests have been conducted at the Halfway Research farm. Each year the number of varieties has been reduced through the elimination of those found to be suitable for the area. As many as 147 different varieties have been tested in one year.

The date of planting experiment on corn is also being continued. Early, mid-season, and late maturing varieties include two yellow and one white. In previous tests on both white and yellow corn, the late April and early May plantings resulted in higher yields than corn planted at later dates. Mid September harvest of the early planted corn has resulted in decreasing the loss from lodging (falling down) caused by the ravages of the Southwestern corn borer. Through these methods, the corn yields have been higher and labor costs lower than in later planted corn. These same varieties will be planted at three later dates to continue the study.

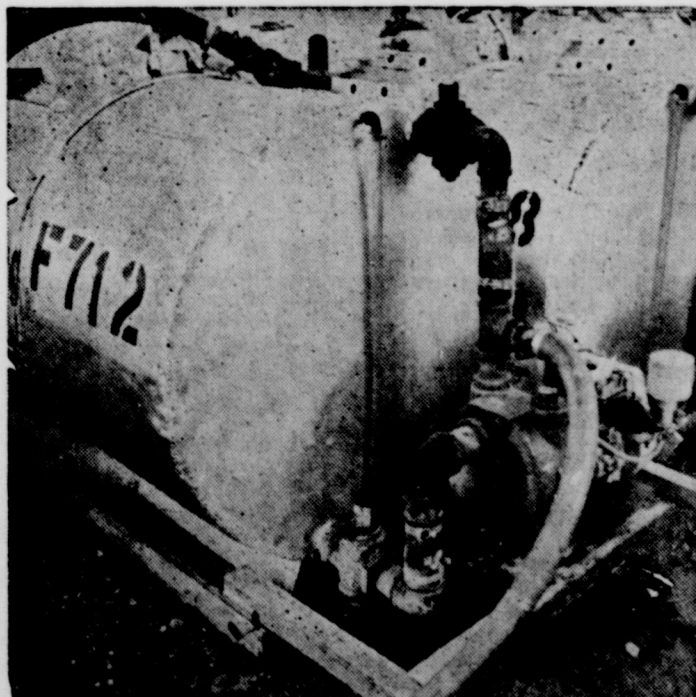

**Go MODERN Go LIQUID FERTILIZER**

the MODERN — Liquid Fertilizer Rig . . .

ASK the MEN WHO USE IT . . . They Say:

**LIQUID FERTILIZER IS BEST**

the MODERN FIELD "Nurse Tank" and you can PLANT and FERTILIZE at the SAME TIME . . .

"My Milo crop showed a tremendous increase in production last year and I can track it back to the fact that I planted and fertilized in one operation last year," reports a neighboring farmer who is sold on LIQUID FERTILIZER.

Ask the man who used it last and you'll "GO MODERN"

SENATOR YARBOROUGH'S REPORT

When the people of Texas first elected me to the U. S. Senate in 1957, and again in 1958, it was my assurance that "I will work to trim the fat out of foreign aid." Just this week we had a hard-fought, heated debate on this issue I voted for an amendment by Senator Russell Long of Louisiana to cut \$20,000,000 from the Republican Administration's foreign aid spending program. This amendment carried by 48 yeas and 40 nays, cutting down the so called contingency fund of the foreign aid program. Those of us who favored this saving did so because the record shows that most of the some \$155,000,000 voted by Congress last fiscal year for "unforseen emergencies" (such as the Suez crisis) has been spent although no real crisis has developed. In fact, following my determination to "cut the fat out of foreign aid," I supported an amendment by Senator Ellender of Louisiana which would have safeguarded against unauthorized spending of the entire \$155,000,000 of foreign aid contingency funds. I voted for other proposed amendments to put limitations on the reckless expenditure of American funds abroad. The past two fiscal years, because of evidences of waste in the foreign aid program's administration, many members of the Senate believe that we can reach vital goals of the program with more efficient administration and less spending. The Congress has voted to cut certain phases of foreign aid spending. But the Administration, it was ably pointed out in Senate debate, has simply gone ahead and spent the money, anyway, by using funds that were voted for emergency purposes. Last year our gold reserves in this country dropped \$3,700,000,000 that fled America and went overseas. That is approximately the cost and amount of the foreign aid program last year. We sent over in foreign aid approximately the value of our unfavorable trade balance. Two years ago, America held \$26.6 billion in gold. Now our gold reserves are \$19.5 billion; our gold reserves have dropped \$7.1 billion dollars in two years. The amendment by Senator Ellender, which I supported, would have confined foreign aid spending to the amounts and categories which Congress sees the need for and appropriate money for, including emergencies. But, unfortunately the amendment lost by a vote of 45 to 44 with Vice-President Nixon casting the tie-breaking vote which beat the economy amendment. Most Texans, I believe, agree that we should "trim the fat out of foreign aid spending."

WITH YOUR... COUNTY H. D. AGENT
By Lella Petty
The Cochran County 4-H Rifle team has done it again. They won the District 4-H Rifle Contest for the 4th time in a row and the team has won the District 5 times in a seven year period, placing second one of those years. The contest was held Saturday, May 7, at Texas Tech College. Charles Cumpston accompanied the boys to the meet. He is an instructor and adult leader. The other two instructors were unable to attend the District meet because they helped hold the county election. These boys and instructors are to be congratulated for their fine shooting, hard work and attitude. In April of this year there were four county wide training meetings held with 168 total attendance. The leaders and Agent worked with this fine group of young boys on rifle safety and position shooting. There was not a single accident because the boys were attentive and remembered their safety rules, advises the Agent. The State 4-H Round-up contest will be held June 8. The group will leave here the 7th of June and return the 9th of June.

Whiteface Eighth Graders Journey To The Caverns

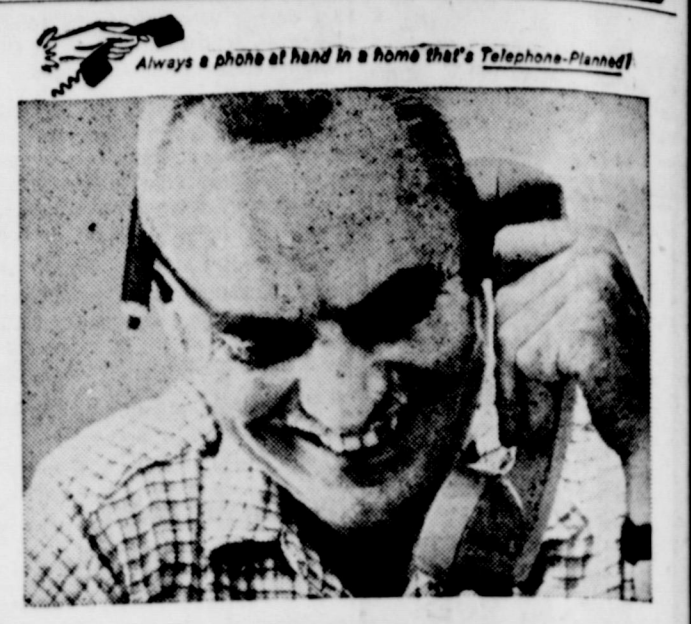

The eighth grade class of Whiteface went to Carlsbad Caverns Thursday, April 28. This trip is given annually as an educational tour. The group left Whiteface at 5:00 a. m., and stopped in Hobbs, New Mexico for breakfast.

The group entered the Caverns at 10 a. m. They journeyed through it to the dining hall where they had lunch. The afternoon tour was completed around two o'clock. The group then returned to Carlsbad where they had dinner and went bowling and also saw a movie.

Room mothers accompanying the group were Mrs. J. C. Summerlin and Mrs. Leonard Gainer. The sponsors were the eighth grade teachers, Mrs. Connie Hatcher and Mr. J. A. Cunningham, and the principal, Mr. R. E. Bradley.

The following students made the trip: Gerry Adams, Larry Baldwin, Sharon Clayborn, Jerry Cowart, Calvin Currier, Billy Eaton, Diane Fields, Gary Cone, Stacy Gainer, Shirley June Haney, Linda Hinde, Colene Hinson, Temple Kern, Kay King, Janice May, Mickey McKissack, Victoria Rejino, Carolyn Samsel, Maxie Singleton, Shirley Summerlin, Lynn Worley, Judy Ashmore, Ronnie Caffey, Dale De Pauw, Sandra Freeman, Weldon Gainer, Lee French, Louise Garlett, Charles Gentry, Larry Hatter, Lynne Howell, Linda Jennings, Bobbie McDonald, Cecil Riddle, Dean Riser, Susan Neal, Charlene Neal, Anita Bell, Cindy Salter and Kathy Whittenburg.

### Wedding Planned by Miss Anna Pond

The engagement of Miss Anna Pond and Johnny L. Daley is announced by the future bride's parents, Mr. and Mrs. J. W. ...

### AT COUNCIL MEETING — H. D. COUNCIL MAKES PLANS FOR TALENT SHOW

Mrs. Edward Brownlow, Chairman, presided at the regular meeting of the Cochran County Home Demonstration Council Tuesday afternoon.

Announcements were made of the training meeting for Food Leaders May 24, of the Home Show now in progress at the Municipal Auditorium in Lubbock, and that the June Council meeting will start at 3:00 o'clock.

A talent show was discussed and is being planned. More information on the show will be given later.

Mrs. L. Z. Scoggins, Recreation Chairman, announced that Miss Lucille Moore, State Extension Recreation Specialist, will hold a recreation school in Morton July 12.

DA Chairman, on behalf of the Home Demonstration Clubs in the County, presented a silver THDA pin and personal gift to Mrs. Arvel Snodgrass, past county chairman.

Mrs. Brownlow, Mrs. C. D. Arnold, and Mrs. F. Z. Payne, reported on the district THDA meeting held in Littlefield April 21. A report was also given of the tea given in Morton May 5 in observance of National Home Demonstration Week.

Mrs. L. Z. Scoggins, Recreation Chairman, announced that Miss Lucille Moore, State Extension Recreation Specialist, will hold a recreation school in Morton July 12.

guest speaker. She reported on the White House Conference for Children and Youth she recently attended in Washington, D. C.

Plans were made for a workshop on making straw bags which tentatively was set for the end of the month.

Attending the Council meeting were Meses. Brownlow, Walker, Brooks, Sanders, and Snodgrass. Lehman; Payne, W. S. Gilmore, T. J. Capps, Whiteface; A. C. Jones, Arnold, Stanley Henderson, F. O. R.; Scoggins and Jake Reid, Friendly Circle; and Miss Leila Petty, County Home Demonstration Agent.

### MOTHER'S DAY VISITORS

### Completes Phase Of AF Training

LACKLAND AFB, Tex. — Airman William H. Evans, son of Gene H. Evans of Morton, Texas, has completed his initial course of Air Force basic military training here. He has been selected to attend the technical training course for Guidance Systems Analysts at Chanute AFB, Illinois.

Airman Evans is a graduate of Morton High School. Basic airmen at Lackland are selected for specialized training at technical schools on the basis of their interests and aptitudes. They are reassigned to the school after five weeks of basic training. At the technical schools they are given additional military training along with the technical instructions. Upon completion of special technical training at an Air Force Technical Training Center, airmen are assigned to operational units of the USAF Aerospace Force.

### Library Services For Beginners

Library services for first, second, and third grade Morton students will be started Tuesday, May 31, and continue throughout a new book each week.

Tuesday, July 26, Eli Douglas, elementary principal, announced this week.

The program is being set up to give the students an opportunity to broaden their reading.

The library, to be operated by volunteer teachers, will be open from 9 a. m. to 11 a. m. Tuesdays only, in the principal's office of the elementary school.

Students will be able to check out a new book each week.

### Area Cities Service Plant Employees Receive Five Year Service Awards

Seventy-one Cities Service Oilthis year, 27 are for 40 years of and Cities Service Pipe Line Company employees in West Texas and New Mexico received service awards recently in Odessa, including fourteen from the Lehman plant.

The service award recipients and their wives were honored guests at a reception-dinner attended by divisional and headquarters representatives. Included were J. A. Cleverley, C. R. Smith, L. T. Botts, A. K. Wilhelm and Jim Chaffin, who flew in from Bartlesville, Okla., headquarters for the occasion.

The West Texas - New Mexico recipients are among the more than 1,000 Cities Service employees receiving service awards recognizing from five to 40 years of service. Of the total awards

West Texas - New Mexico recipients of 30 - year service awards include H. H. Edwards and Harold V. Turner of Seminole, Texas.

Five year awards were presented to Doyal C. Baker, John V. Bridges, Delvis F. Burris, Billy James Hargis, Owen W. Harrison, Ernest A. Hinds, James R. Jamison, Joe T. McCommie, Jr., Cloyce D. Pond, Allen M. Samsel, Phillip H. Sheard, Louis Shields, Carl F. Teal and G. D. Underwood of Lehman;

### School Dates for Coming Year Get Approval

Official dates for the coming school year were adopted by the Morton Board of Trustees at a recent board meeting.

School will officially open in the fall on August 29th with a teacher workshop preceding the opening, slated for August 22 through August 26.

Thanksgiving holidays adopted were November 24 through November 27.

Christmas holidays run from December 23 through January 1. The first semester will officially end on January 13.

The second semester begins on January 16.

District teacher's conference will be held on March 3.

Easter holidays run from March 31 to April 3.

May 19 is the end of next year's school term.

### Training Course In Citizenship to Continue Monday

The fifth, next to the last session of the course in Citizenship Training, entitled "The Profit System", will be held at the County Auditorium, Monday night, beginning at 8 p. m.

Residents are cordially invited to attend and hear Dr. Maddox, of Lubbock Christian College, explain why the profit system, the governing feature of Capitalism, produces prosperity where Communism cannot.

The course, which runs six lessons, has attracted large crowds, though last Monday's attendance was one of the lightest. There is no charge for the lecture series, illustrated with movies, slides and charts. Purpose of the course is to cause Americans to rally to the serious peril facing us today, and to become better citizens, through an understanding of our American way of life and of the dangers of Communism.

Victor Mature, as the mighty Samson, easily handles his adversary in this scene from the Cecil B. DeMille epic, "Samson and Delilah," showing Sunday, Monday, and Tuesday at the Rose Theatre in Morton. Hedy Lamar is co-starred.

### Lions Hear 2-T2 Convention Reports At Weekly Luncheon Meeting

The Morton Lions club heard reports from those who attended the District 2-T2 convention at Lubbock last weekend, when they met Wednesday for their regular weekly luncheon.

They had one guest at the meeting, Lion Leland Seifres of the Whiteface Lions Club.

The club members had nothing but praise for their District Queen candidate, Sweetheart Mary Lee Ledbetter. Mary Lee did not win the honors but club members complimented her highly on her fine appearance at the convention activities.

Mary Lee described her activities and thanked the club for the honors of representing them as queen candidate.

Two of three local Lions who entered the golf tourney won trophies in the event, it was announced to the club.

Neal Rose, Zone Chairman gave a report on some of the meetings at the convention and reported the local club was one of two in the district complimented for being 100 percent contributors to the Lions Club Crippled Children's Camp at Kerrville.

He also reported Lions clubs had donated \$2,100 to the Sunday disaster fund.

J. D. Dyer of Lamesa was elected District Governor at the convention.

The convention for 1961 was awarded to Levelland Lions club and it was reported the Morton Lions club had pledged themselves to help Levelland stage the convention, if Levelland received the honor.
